LIFE IS SACRED

From conception to natural death, every person's life is created in the image of God (Gen. 1:27). Amazing pictures inside the womb reveal the beating heart of a person, whose eye color, height and unique fingerprints—in fact, the plan for every cell of their body—was established at conception.

As Christians, we have a responsibility to affirm the truth about human life and speak up for the vulnerable. The enemy has flooded our culture with messages that counter God's Word. The good news is in 2019, abortions in Oklahoma decreased by 3.6 percent. That represents 165 Oklahoma children whose lives were saved! You are making a difference.

Proverbs 31:8(a) says, "Speak up for those who cannot speak for themselves." Oklahoma has 38 evangelical pregnancy centers across the state serving women and men who are struggling with a life or death decision regarding their pregnancy. Speak up for them and their unborn children by contacting a center near you. Learn how you can continue saving lives from abortion and sharing the life-affirming message of Jesus Christ in your community.
