# HELLO

I'M SO GRATEFUL FOR YOU!

What a dream! We have over 2,000 women gathering virtually for the Oklahoma Women's Retreat!

We are excited to worship with you on April 17th!

“For you know the grace of our Lord Jesus Christ: Though He was rich, for your sake He became poor, so that by His poverty you might become rich.” 2 Corinthians 8:9

In Jesus, we have hope! “Thanks be to God for His indescribable gift!” 2 Corinthians 9:15

When we accept the gift of life in Christ, the Holy Spirit equips us with gifts! These gifts are to be used to encourage the church and advance the Gospel. Ladies, if there was ever a time for you to know and exercise those gifts, it is now! You are valuable to the Kingdom. I pray the truth shared in these short few hours we have together will spark Christ's confidence in your life as you follow in obedience to Him!

*You are a gift.

# TECHNICAL HELP

---

Prior to the event, we strongly recommend you make sure that your internet speed is adequate. If you can stream YouTube videos, then you are good to go.

## What You Need:

- A computer and internet connection.
- A screen or projector to display the live stream.
- A minimum of 1 Mbps continuous download speed.

## How do I test my internet connection?

We recommend that the minimum connection be 1 Mbps (1 Mbps for good quality; 5 Mbps for best quality) download speed.

You may test your connection's speed by going to [speedtest.net](https://www.speedtest.net). If your download speed is less than the suggested minimum, then you have some options:

1. Connect at the lowest quality we broadcast with (500k) and understand that the quality of the stream may be a bit less than you are used to;
2. Contact your Internet Service Provider (ISP) and request a faster connection. In some cases, your current provider may offer higher rates of speed for the same rate you are already paying.

## Computer Requirements:

- Please ensure your computer is up-to-date with any operating system or web browser updates.
- We recommend using at a minimum: Windows 7, Mac OS X 10.7 or Ubuntu 10.
- We recommend using one of the following browsers: Google Chrome, Firefox, MS Edge, Safari, or Opera at its latest version.
- It can help to close other tabs, browsers, and programs while streaming your video.
- It may also help to hardwire your Internet connection, instead of using a wireless network connection.

# TROUBLESHOOTING

Let's cover the basics! Technology can be difficult.  
Use these tips if you find yourself in a pinch!

1

## DEVICE

If your computer, tablet, or phone is not working, try to turn it off and back on!

Days before the event, make sure all updates are completed on your device.

Try to secure a backup device.

2

## INTERNET

Restarting the internet can fix a lot of problems. After unplugging, count to ten before plugging back in.

Have your internet provider's phone number on hand in case you need it on the day of the event.

3

## VIDEO

Make sure your internet browser is the latest one. If the video isn't working, you may move closer to the router or use a hardwire ethernet cable.

If you are using an HDMI cable, make sure your cords are securely in place.

4

## AUDIO

It may seem silly, but make sure your volume isn't muted. Turn up the volume. Check to see if the speakers are plugged in.

5

## FIND HELP!

If no one is around, FaceTime is a great tool when trying to troubleshoot with someone remotely.

Starting at 8:00 am on April 17, we will have a team of women to help!  
Contact us at [women@oklahomabaptists.org](mailto:women@oklahomabaptists.org) if you need assistance!

# 1:1 project

1:1Project exists to mobilize the local Church so that no child is without a family.

1 Church, 1 Family, for 1 Purpose could change everything!

In every community, there are children and families at a point of crisis who need help. In those same communities, there are churches and people who care and want to take action, but they need is a connection point.

1:1Project supports local churches all across Oklahoma in engaging the entirety of the child welfare system.

1:1Project would love to help your church end the child welfare crisis in your community.

## OFFERING

### SERVING CHILDREN IN FOSTER CARE

Throughout Scripture, we hear God's heart for the church to care for orphans.

Psalm 68:6 says, "God provides homes for those who are deserted."

We have a calling to care for children in need of a loving, caring home.

# INVITATION

The Gospel of Jesus Christ is the most profound reality of life. But sharing it with someone can be as simple as three circles. Discover how you can share the Gospel with anyone.

“The 3 Circles: Life on Mission App” helps answer common questions and concerns in a simple and memorable way.
