*“And the King will answer them,
‘Truly, I say to you, as you did it
to one of the least of these my
brothers, you did it to me.’”*

MATTHEW 25:40 (ESV)

In Oklahoma and across the nation, women are turning to chemical abortion, often called the abortion pill. While these pills are marketed as a quick fix, they carry significant physical, emotional and spiritual consequences. Often the pills are ordered online, without medical supervision, and received at home by mail. In 2024, more than 63% of all abortions reported in the U.S. were chemical abortions.

BUT WE ARE NOT POWERLESS. WE ARE CALLED.

LEARN: Understand chemical abortion’s harmful impact on women and fatal impact on unborn children.

PRAY: Intercede for women facing ‘unplanned’ pregnancies. Ask God to guide them toward life, healing and hope.

SERVE: Get involved with ministries that offer pregnancy services, medical care and spiritual support.

GIVE: Your financial support helps reach women with life-affirming options before it is too late.

**Together we can be the hands and feet of Jesus to “the least of these.”
Let us boldly stand in the gap with Christ’s grace, truth and love.**
