**REPORT ON AUXILIARIES**

This report includes the significant work wrought by the Sunday School, B. T. U., B. S. U., W. M. U., and Brotherhood organizations of this Convention.

It does not attempt a detailed nor complete statistical statement, because to give such would be needless repetition and would burden the minutes with material that may be found in tables that are to be printed in the records of these sessions. In addition to this reason, we observe that much of the progress of these agencies is spiritual, therefore intangible and impossible to give accurately. The unfolding future must reveal the full force and extent of this progress.

To survey the individual reports of these Auxiliaries is to experience a feeling of deep gratitude to God for His continued blessings upon us through another year of triumphant achievement. In almost every line there is evidence of a deeper spirit of interest among our people and a credible reflection upon the capable leaders and workers in these departments.

We might have expected some interruption in our work in the going of Mr. Farmer, which left vacant a place of tremendous responsibility and a record of achievement difficult to equal. However, such was not the case, for this work has not only been maintained, but has shown substantial gain and steady growth. In Mr.

Bazzell and the splendid group of helpers, we have a decidedly augmented and highly efficient department as will be reflected in the reports which are to follow. The accomplishments of this work under Mr. Bazzell during these first ten months lead us to feel that great things are in store for this phase of our work, and that it is in capable hands.

**I. SUNDAY SCHOOL.** While Mr. Alldredge cites alarming losses in many of our Southern states in the Handbook for 1937, we are gratified to find that Oklahoma is not among that number, but is still on the upward trend.

Fifty-seven new Sunday schools have been founded as against thirty-five for 1936. Ten thousand awards for study courses have been made which indicates an intense zeal for improved quality of work done in teaching the Book of Books. Twenty-four schools have attained the Standard of Excellence, assuring a broader vision of their possibilities. The highest number of schools for Oklahoma was reached this year when the figure reached 964, with an enrollment of above 160,000. Associational organizations are more complete and functioning in regular meetings, sponsoring training work and providing larger representations of state gatherings. This great group of officers and teachers present an invincible army of loyal, consecrated, volunteer workers, to enhance the Kingdom of God.

The Vacation Bible School work shows a heartening increase over last year. There were 156 schools reported as against 137 for last year. The enrollment increased from 16,000 to 23,000 plus. (7 Negro schools with 722 conversions and 2 for the Mexicans.) Mrs. J. W. Barron is doing a remarkable work in this department for our Vacation Bible Schools.

With this gratifying progress we must not remain content. It is still true that 60 per cent of the members of the average church are not enrolled in Sunday school. Fully 75 per cent of the population is unreached. For every one pupil we have enrolled, there are three that are not. There are still churches in Oklahoma without Sunday schools, and many of our churches are laboring under the handicap of inadequate equipment and a lack of trained workers. It still requires 23 church members a year to win one to Christ. We should lend every effort and pray earnestly that we may enter into these deep needs of humanity by a more thorough teaching of the Word to every locality.

**II. THE B. T. U.** A brief comparison of statistics reveals remarkable achievement by this department. One hundred thirty-four new organizations and nearly seven thousand awards for study courses is reported this year.

Every association was represented at the State-wide Conference held at Shawnee last April. This work is being ably directed by Mrs. Leonard Stigler, who recently succeeded Mr. Dupree. It is at this point that a renewed emphasis needs to be placed. A serious leakage in Baptist life occurs between baptism and service. New members require enlistment and instruction if they are to take their place in the ranks of service. Unlimited resources remain in the great host of unused members in all of our churches. While we are deeply grateful for these 2,385 organizations with 47,000 enrolled in our training unions, it remains that less than half the churches in Oklahoma have training services. Oklahoma Baptists have no other such challenge, nor a more promising field of opportunity than to enlist and equip this veritable army of unused for the glory of God.

**III. THE BAPTIST STUDENT UNION:** Baptists are awakening to the supreme importance of reaching our college students with an intense appeal to heed the call of Christ. We are keenly aware that it is the strategic time in their lives for such an appeal. It is

during college life that careers are chosen, and from our colleges issue our leaders in all walks of life. It is therefore urgent that every possible emphasis be given to deepen the spiritual life; to stimulate greater church and denominational loyalty. Such is the purpose for which the B. S. U. exists. In point of inspiration, perhaps the highest in any gathering of Baptists is to be found in the annual B. S. U. Convention where leaders gather in great numbers to plan and pray through their work. The recent meeting at Chickasha was the largest in attendance in the history of the organization. It is impossible to estimate the influence exerted by the 12 organizations on as many campuses over the state. It thrills the soul to know the sacrifice of Baptist students in Oklahoma University in subscribing 25 per cent of the church budget there, and over and above this 100 of them will deny themselves to the extent of \$1.00 each month to maintain their student center.

Such sincerity, sacrifice, and surrender of will and heart is beautiful to behold. This beautiful home acquired this year at such sacrifice is the most impressive act of devotion within our ranks. We pray for the day when our people shall see in this work our greatest possibility, and shall give it such aid as is necessary to meet the challenging opportunity it affords.

IV. FALLS CREEK ASSEMBLY: The attendance and spiritual atmosphere at the Assembly this year broke all previous records. The growth has impressed us with the necessity of enlarged quarters and more equipment. This need is to be met by the small apportionment assigned to be used by the six men appointed from the State Board of Directors, who constitute an advisory committee. They have already rendered invaluable aid and give assurance of enlarging the tabernacle, and affording a public address system, that all may hear distinctly. New cabins and general repairs made upon old ones have made for an improved appearance of the assembly grounds. A bigger and better Assembly is in store for the future.

V. THE WOMAN'S MISSIONARY UNION: We come now to the greatest single factor in our denomination for stimulating a missionary spirit and for cultivating the grace of giving. Again this year great and lasting good has been accomplished. True to the aim and purpose for which they exist, the W. M. U. has shared a large and credible part in every phase of our denominational life. They have combined keen intelligence, deep consecration, sacrificial devotion and unwavering zeal to realize some very high and definite objectives for the year.

They are introducing 148 new organizations and 1,164 new Young People's Auxiliaries, bringing the total organizations up to 1,764. They have continued their instruction by holding 1,521 study classes, and report 127 Societies that have attained the Standard of Excellence. The district meetings in April thrilled 4,581 who attended with a new inspiration and zeal for greater things. Classes were offered and largely attended at the Falls Creek Assembly for every grade. Their associational organizations are functioning and intact, having 32 white and 4 Indian, that hold regular quarterly meetings. All of the 32 organizations made a contribution to the White Cross work; 30 of them contributed to the Margaret Fund; 24 gave to the Scholarship Fund; and 25 gave to the Nursery Fund for the Seminary at Fort Worth.

Emphasis upon stewardship has continued, resulting in 5,771 new tithers, bringing the total to 14,791.

The W. M. U. has a consuming passion for abolishing debt from our denomination. They have added 2,686 new members to their Debt-paying and Hundred Thousand Club rolls this year, which makes a total membership of 5,627 now, and they press on for a

goal of 6,000. They report \$12,890.55 paid on debt liquidation this year, which brings their total on this item up to \$32,221.50.

They have literally mothered our children in the Home at Oklahoma City, in providing cash and boxes estimated to be \$14,600.00 in amount. Indian pastors have received boxes valued at \$550.00. Some \$1,600.00 has gone to the Seminary at Fort Worth on salaries and the Nursery there. They have spent \$1,071.00 toward finishing the dining hall at O. B. U.; and are providing six scholarships for worthy young women in school. Supplies amounting to nearly a thousand dollars in value have gone to our hospitals.

The offerings from the weeks of prayer are very gratifying. The Lottie Moon Christmas Offering was \$11,241.71; State Mission Offering was \$2,769.31; Home Mission Offering was \$4,939.72. In addition to these splendid offerings, their contribution to the Co-operative Program amounted to \$30,000.00.

The personal report of Mrs. Spooner reveals her tireless effort and unbounded concern for this noble work, and no doubt explains the reason for such achievement. The abiding confidence in their leader and genuine loyalty of her great group of co-workers indicate that new fields will be conquered and higher heights attained in the future.

**VI. THE BROTHERHOOD:** While it is impossible to make a detailed statement as to the number of organizations in the state, and as to their activities, we feel that there is a growing concern and an appreciation for the work being done by our laymen. Definite progress is being made in the enlistment of our men in our Baptist affairs. The annual meeting is growing in attendance and importance, bringing great inspiration and encouragement to this work. Under Mr. George and Dr. Routh we have the finest leadership available, which assure us of continued progress among our men. They are deserving of our heartiest support and co-operation as they seek to enlist our laymen.

The general spirit of harmony and good will that exists between all of our agencies is heartening. For all of them and their good work we are deeply grateful, and urge unstinted support and encouragement, that their efforts in the coming year may be crowned with success.

Respectfully submitted,  
R. L. McClung, Chairman

Report as follows:

### MISSIONS

Missions form the central current of the Scriptures. The Old and New Testament, although Christocentric, are but the full expression of the missionary passion in the heart of God. Missions are a divine necessity and not an optional, self-chosen diversion of a few religiously-minded individuals. When Jesus gave the great commission to "Go into all the world and preach the gospel to every creature," He thus commissioned every follower of His to the high and holy task of spreading the good news until it "covers the earth as the waters cover the sea."

Let us pitch our mental tents about the Sacred Scriptures and let the Holy Spirit speak to our hearts and minds as we consider the question of missions. After dealing with the whole human race for a long time, God made a covenant with Abraham when he said, "In thee shall all families of the earth be blessed," to Isaac He reaffirmed the charter when He promised, "In thy seed shall all the nations of the earth be blessed." In these promises, even to Jacob, God gave his servants a world charter and set before them a world goal. To Moses He said, "As truly as I live, all the earth shall be filled with the glory of the Lord." The Psalmist takes up the same note, "Ask of me and I will give thee the heathen for thine inheritance and the uttermost part of the earth for thy possession." The Major Prophets add their voices by declaring, "Look unto me and be ye saved all ye ends of the earth." The Minor Prophets sing their refrain, "Behold, thy King cometh unto thee, having salvation, lowly, and riding upon an ass; He shall speak peace to the nations and His dominion shall be unto the end of the earth."

The New Testament opens with the song of the Shepherds and the Angel's announcement, "Behold, I bring you good tidings of great joy which shall be to all people." The New Testament—the crown and climax of divine revelation—was written by missionaries for mission converts and to mission churches. In the first four books we see Christ doing His mission work in and around Jerusalem while the other thirty-three books might have the title of "Christ on the Mission Fields" working through His apostles and giving us the prophetic picture in Revelation of the world-wide success of missionary effort, namely, "A great multitude which no man can number of all nations and kindred and peoples and tongues, standing before the throne and before the Lamb, clothed with white robes and palms in their hands." This missionary outlook should unite us in one holy task of love and service, for

"God is working His purpose out, as year  
succeeds to year;  
God is working His purpose out, and the  
time is drawing near;  
Nearer and nearer draws the time, the time  
that shall surely be,  
When the earth shall be filled with the  
knowledge of God,  
As the waters cover the sea."

The missionary command of Jesus and the missionary facts of today challenge the best that is within every Christian. When Christ commissioned His church, He promised to supply every need of the one who would obey His command, "I will supply all your needs through Christ Jesus. This missionary enterprise includes all the things necessary to give a full and complete presentation of Christ and His redemptive work to the whole world. Paul in his letter to the Romans gives us a comprehensive picture of our missionary task when he said, "For there is no difference between the Jew and the Greek; for the same Lord over all is rich unto all that call upon Him. For whosoever shall call upon the name of the Lord shall be saved. How then, shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how can he preach except he be sent?" Here we have the missionary picture presented to us in a most practical manner. To meet this missionary need, every Christian must have a heart grasp of Augustine's personal creed, "A whole Bible for my staff, a whole Christ for my salvation, a whole Church for my fellowship and a whole world for my parish."

Christ also challenges us today by an invitation to service. Says He, "Lift up your eyes and look upon the fields." There we see the teeming millions lost in sin, groping in the darkness of ignorance and suffering in soul and body without hope in this world or the world to come. In these far away mission lands today the rise of nationalism, the social, educational and industrial movements and the growing leadership of the national churches present new problems to missionaries and yet, our Gospel is the panacea for all their ills. In the home land, even in Oklahoma, the millions of unsaved and unenlisted invite us to the most fruitful service. The Negro, the French, the Mexican and the Indian as well as others are sending out their Macedonian Call to us for Christian service.

When we consider our task seriously, we have an inspiration for service, "For the fields are white to harvest." It would appear that the task before us would energize us to a greater missionary program to the end that the Master's plan and program may reach its full fruition. In the Master's promise we have an incentive to service, for "he that reapeth receiveth wages." These wages are not gold, silver, precious stone that perisheth, but they are the unnumbered multitude who have been saved from the penalty, power and presence of sin, who will greet us on the morning of the resurrection, and that blessed commendation from our Lord when He says, "Well done, good and faithful servant, enter into the joy of thy Lord."

Missionary obedience means spiritual vitality, power and expansion and it means quickening the church with fresh proof of a living Christ. Missionary obedience lifts the church to her spiritual best in faith, in love, in courage and in Christ-likeness and it promotes the unity of all believers in Christ. Robert Moffat laid bare his heart when he wrote in a little girl's album:

"My album is the savage breast,  
Where darkness broods and tempests rest,  
Without one ray of light;  
To write the name of Jesus there;  
To point to worlds all bright and fair;  
And see the savage bow in prayer  
Is my supreme delight."

May we look upon the waiting, sin-sick, discouraged, suffering multitudes with the compassion of Jesus and go back to our fields of labor with a determination to do the will of Him who lifted us from the mire of sin; who put within us the peace that passeth all

understanding; who crowned us with righteousness not our own; who breathed upon us the power of the Holy Spirit and who guarantees us a safe journey to our blissful home.

## REPORT OF BOARD OF DIRECTORS OF BAPTIST GENERAL CONVENTION

For Year Ending October 31, 1937

"Not by might nor by power, but by My Spirit, saith the Lord." It is with a deep sense of gratitude to our Heavenly Father that we present this annual report to our fellow Baptists in Convention assembled. Since our last report the devastating drouth has been displaced by floods that inundated great cities and sections of our Southern Baptist territory; the war clouds have gathered in Europe, casting their ominous shadow over the whole earth; armies have marched to battle in the Oriental world, leaving in their wake death and destruction; our missionaries in lands afar have been in imminent peril of their lives, and seen the fruits of a century of progress in missionary endeavor wiped out in an orgy of hate. War between capital and labor has menaced life and property, and, worse still, labor itself has been divided into factional strife, giving great concern to peoples and governments alike. Crime has been increasing with startling rapidity and there seems to be no end to the debauchery and moral lapse of the people of our nation. Spain has been engaged in a fratricidal struggle which has brought dissolution to its institutions and government, and has menaced the peace of the world. Even the sturdy old British Empire, on whose flag the sun never sets, has passed through a crown crisis which threatened its stability and alarmed the world. But, thanks be unto God, the King Eternal still sits upon the throne and at last "every knee shall bow and every tongue confess that Jesus Christ is Lord to the glory of God."

"Lead on, O King Eternal,  
We follow, not with fears;  
For gladness breaks like morning,  
Where'er Thy face appears.  
Thy Cross is lifted o'er us;  
We journey in its light;  
The Crown awaits the conquest,  
Lead on, O God of Might."

It is to this King Eternal, this God of Might, that we humble Baptists swear allegiance today. We dedicate ourselves, our possessions, and our posterity to the spread of His Kingdom, which Daniel says "shall never be destroyed, nor shall the sovereignty thereof be left to another people; but it shall break in pieces and consume all these kingdoms, and it shall stand forever."

"The Kingdom is coming,  
O tell ye the story,  
God's banner exalted shall be.  
The earth shall be full  
Of His knowledge and glory  
As waters that cover the sea."

This annual report represents a year of sacrificial and consecrated service which will bring joy to every Oklahoma Baptist heart.

### **Brotherhoods**

The Lord's work is the biggest business in the world and should have the hearty and unstinted support of the most capable men among us. The missionary enterprise surpasses every other program in its origin, its extent, and its appeal. It had its origin in the heart of God; it is as extensive as the whole world, and it carries an appeal to every man, woman and child, whatever the nationality or social and economic status. We are encouraged by the growing interest manifested by our laymen in the missionary causes dear to the hearts of Oklahoma Baptists. The response of business men to the plan of the Unified Budget, with its application of scriptural teachings concerning giving, has been very gratifying. During the year this interest has found concrete expression in the organization of a number of new Brotherhoods. Nearly two hundred churches have local Brotherhoods, which are not only sponsoring Bible and mission study classes but are going out into the regions about winning the lost. More than 1,500 men came to the annual state Brotherhood meeting last spring and every speaker on the program was present. We are planning for another great state-wide conference of Baptist Brotherhoods next spring.

### **Woman's Missionary Union**

"The women that publish the tidings are a great host." The Baptist women of Oklahoma, under the leadership of Mrs. Berta K. Spooner, have mightily reinforced us this year, as in other years. They are setting a commendable example by their definite, well organized plan of mission study and activity. They are giving and giving liberally because they are informed. They make wise use of literature and contribute to every work undertaken by Oklahoma and Southern Baptists. Their plan of co-operation provides not only for the enlistment of the women in the Women's Missionary Societies, but of the young women in the Y. W. A.'s, and of the boys and girls in the R. A.'s and G. A.'s. A host of young people are studying missions and preparing for Christian leadership tomorrow. In this field of fruitful endeavor, Mrs. Spooner has been ably assisted by Miss Katherine Harris, the young people's leader.

### **Hospitals**

Jesus went about teaching and preaching and healing. He taught His disciples in all ages to minister unto the needy. Read again the Parable of the Good Samaritan and learn anew what He requires of us as good neighbors to a weary, wounded world. Wherever there is suffering we are to serve in His name and in His stead. We build and support hospitals for this ministry, for we have learned that in such institutions we can most effectually heal the sick. The test in the judgment will be our response or indifference to the cry of the needy, the hungry, the thirsty, the naked, the sick, those in prison. Our two hospitals, one in Muskogee, the other in Miami, have through the years been a blessing, in the name of our Savior, to thousands of homes. We appreciate the faithful, devoted service rendered by Miss Gracia Tarman and Miss Florence Worley as superintendents of the Muskogee and Miami hospitals, respectively.

Last year the two hospitals treated approximately 2,500 patients. The daily average of patients in the Muskogee hospital was 45. Much charity service was given. Both hospitals paid all operating expenses and report a net profit. The Miami hospital has no indebtedness. The Muskogee hospital had a net income of \$15,125.17

and a sinking fund is being provided for the retirement of its indebtedness. The two hospitals represent assets totaling almost a half-million dollars, but its richest assets are the lives reclaimed from suffering, the souls won, the homes that received back their loved ones from houses of healing.

### **Baptist Messenger**

More and more are Oklahoma Baptists realizing the value of the Baptist Messenger. It is no longer regarded as a luxury but as an absolute necessity. The Baptist Messenger acquaints Oklahoma Baptists with every phase of Christ's great program of Missions, Christian Education and Benevolence. It is our most effective enlistment agency. It is indispensable for the promotion of the Lord's work. The Baptist Messenger should be placed in every Baptist home, not for the sake of the paper but for the sake of the home which would be blessed by its visits, and for the sake of the intelligent and adequate support of our various missionary interests and institutions. We are glad to report that last year the Baptist Messenger paid all operating expenses, with no liabilities and a substantial cash balance. In proportion to the Baptist constituency in the state, it ranks with the best Baptist papers in the South in the size of its subscription list, but instead of having between nine and ten thousand subscribers it should be going to at least twenty-five thousand Baptist homes in Oklahoma. We commend the church budget subscription plan adopted by many churches, which places it in most of the homes in the church on the same basis as Sunday school literature.

The Baptist Messenger is ably edited by that scholarly Christian gentleman and denominational statesman, Dr. E. C. Routh. No paper in the South is in safer hands than the Baptist Messenger. Dr. Routh's genuine worth as an editor, historian, and denominational leader is becoming more apparent to Oklahoma Baptists with each passing year. Not only is he an able editor giving us a paper sound in doctrine and packed full of missionary propaganda, but he is also a warm hearted preacher of the Gospel who in effect is a missionary to Oklahoma Baptists.

### **Teaching and Training**

There are many references in the Scriptures to teaching. There is more about the teaching of Jesus than about his preaching. Wherever Paul spent much time—Antioch, Ephesus, Corinth, Rome, he "taught." We are commissioned by our Lord to teach disciples to observe all things He has commanded. In our teaching and training program in Oklahoma, we have four distinct phases of teaching and training: Sunday School, Baptist Training Union, Baptist Student Union, and Falls Creek Assembly. These four departments are supervised by Mr. Robert Bazzell, who was elected Secretary last winter, succeeding Mr. T. H. Farmer, who resigned after more than ten years of very effective service. Upon the resignation of Mr. Farmer suitable resolutions of appreciation were passed by the Board of Directors and same were published in the Baptist Messenger. All our Baptist people rejoice in the good accomplished during the administration of Mr. Farmer. Mr. Bazzell, who succeeded him, has done fine work and has made a good impression wherever he has gone. He is ably reinforced by Mr. Leonard Stigler, in the B. T. U.; Miss Sophia Duerksen in Sunday School training; by the approved Sunday School Board workers, Mrs. Barron, Mrs. Hibbert, and Mrs. Crowder; and in the B. S. U. field by the officers of the state and local organizations of the virile Baptist student groups.

The Falls Creek Assembly last summer was in some respects the best in the history of the Assembly. The paid registration and the enrollment in the training classes reached a very high mark. The

program was never better. Every speaker was on hand and at his best. A number of physical improvements have been made on the grounds, new buildings have been constructed by various churches. The outlook for this great department of our Oklahoma Baptist program was never more encouraging.

#### **Oklahoma Baptist University**

Oklahoma Baptist University is a child of the Baptist General Convention. We own and operate the school. It has the strongest faculty, the most up-to-date physical equipment, the finest student body, and the most promising prospect for the future in its glorious history of more than a quarter of a century.

The appearance of the University campus has been greatly improved. Trees, side-walks, the sunken garden, the oval with its white way—all these contribute to the appearance of the campus and increase the value of the physical properties. This improvement program contributes very definitely to the welfare of the student body and greatly enhances the teaching and training program in the cultural things of life.

The purpose of Oklahoma Baptist University is to give Christianity its proper place in education. The founders and present supporters of Oklahoma Baptist University believe that the intellectual and spiritual elements of a man cannot be divorced without serious injury to both. The faculty consists of men and women who have devoted their lives to the task of building character. The spiritual atmosphere on the campus is wholesome and uplifting. We are all proud of the progress that is being made in our great educational institution. We heartily approve the plans and policies set out for the school by the Board of Trustees, and pledge to President Raley our heartiest co-operation.

The Convention in Oklahoma City in 1936 adopted "a permanent policy of underwriting the amount of money the school is to receive on operating expenses from Convention sources each year," and furthermore instructed "the school administration and the Board of Trustees to submit annually a proposed operating budget . . . for approval or disapproval." The University asks that we provide from Convention sources \$34,000. The Board of Directors recommends that this amount be provided during the next fiscal year ending October 31, 1938. This money will have to be provided from the Unified Budget as outlined elsewhere in this report.

#### **Baptist Children's Home**

The year 1936-37 has been a good one in the affairs of the Baptist Orphanage. We are glad to report a fine spirit existing in the Home. The physical equipment is in possibly the best condition it has been for a number of years, but we must not overlook the fact that the buildings for the most part are old and will be in need of constant repair. It will be necessary therefore for us to secure sufficient funds to feed and clothe the children and to maintain the physical properties in a livable condition.

We have a very fine group of workers at the Baptist Orphanage. They reflect an atmosphere of good will, are interested in their work, and co-operate with the management; and our entire Baptist Orphanage family is healthy and happy.

The regular income month by month is entirely inadequate to care for the actual needs in the Home and maintenance costs. We recommend therefore an operating budget of \$30,000 (the same as last year) and a Thanksgiving-Christmas offering to provide \$10,000 of this amount.

Our Baptist people will support the Orphanage. Nothing gives us more joy than providing the necessities for helpless, dependent children. Our people demand that the 150 orphan children com-

mitted to our care be properly clothed, fed, housed, educated, and religiously trained. This is a big job and if properly done the institution must receive adequate financial support. If the Convention demands a high character of service, certain standards of living, and the proper background for the children, it must provide sufficient funds so that the administration can meet these demands. We are trying to make the Baptist Orphanage a home in every sense of the word. Well trained workers are giving attention to character building, education, and spiritual guidance for the children. Jesus loved them and said: "Suffer little children to come unto Me." Certainly Oklahoma Baptists will support their orphan family.

### **Stewardship**

The doctrine of stewardship—stewardship of life as well as of money—is very clearly taught in the Scriptures. "The earth is the Lord's and the fullness thereof." We are the stewards of God to whom He has entrusted material and spiritual endowments. "It is required in stewardship that a man be found faithful." The acceptance practice, and teaching of stewardship will not only solve all the financial problems of the churches and the denomination, but it will give to life an immeasurably deeper and richer meaning.

One of the most practical expressions of stewardship is bringing the tithes and offerings into the storehouse of the Lord. If the Jew, under the law of works, gave at least a tithe, certainly we who are born under grace, who are not our own but are bought with a price, should give as much for Love's sake as the Jew gave for Law's sake. We are still under the law—the law of the Spirit of life in Christ Jesus. Like the Apostle Paul all of us who have been redeemed by His blood are bondslaves of Jesus Christ. We are not free to do as we please except we please to do the will of God. Law goes one mile, grace goes the second mile. Certainly our righteousness in the matter of giving should exceed the righteousness of the Scribes and Pharisees. We recommend that in our plans for next year we make every effort to enlist all our Baptist forces in the faithful practice of Scriptural stewardship. Many of our pastors and churches are moving in that direction. May God give us success in this endeavor.

### **State Missions**

We rejoice in the progress of our State Mission endeavor. Oklahoma offers a great challenge for missionary and evangelistic work. Our people are unanimous in their desire to evangelize and Christianize our Commonwealth. The deepening of the spiritual life of Oklahoma Baptists will do more than anything else to intensify their zeal for the high and holy cause of world missions.

The District Mission plan has proven successful. It has enabled various associations and groups to participate with other groups in mission work when they could not have carried on a program alone. We now have eight men serving as district and general missionaries. It is our hope to increase this number in the year ahead.

In addition to the district work we are encouraging associations to have missionaries wherever it is practical. Eight associations have had missionaries for all or part of the year, and others are planning to do so in the coming year. The state office has not received a full report of the work of these associational missionaries but from information gathered in the associations where they serve the work has been eminently successful. These associational, district, and state missionaries have evangelized the country places, established Sunday schools, organized churches, conducted training schools, and have done all-round earnest and faithful missionary work. They have given themselves whole-heartedly to the stimulation of the entire state and South-wide missionary program.

Our state and district missionaries are as follows:

T. B. Lackey—General Missionary  
 C. M. Curb—State Evangelist  
 E. V. Brownlow—Southwest District

#### Specific State Mission Tasks

We recommend that increasing emphasis be placed on district and associational missions and that we project our mission plans along those lines which have proven successful the last two or three

years. The association is the unit of denominational co-operation. Every association in the state, either singly or in co-operation with others, should be promoting and carrying out an effective missionary program. This past year practically all the districts and associational organizations have, through the churches in their respective territories, held hundreds of evangelistic meetings resulting in thousands of conversions and additions. Let this good work go on with increasing purpose and power.

We recommend that during the ensuing year the Board of Directors be instructed to re-inforce missionary activities where the needs are greatest, particularly in two specific mission fields: (1) eastern and southeastern Oklahoma; and (2) North west Oklahoma, including the Panhandle. Here in Eastern Oklahoma where we are now meeting, as was pointed out in a recent number of the Baptist Messenger, are great areas of spiritual destitution. One may travel for miles through thickly settled communities without finding an active Baptist church. These people are our people. They have a Baptist background and are responsive to the Gospel. These sections are being infected with Holy Rollerism and other isms, which are poor substitutes for the Gospel of Christ. There are thousands of people here in Oklahoma who never hear a Baptist sermon. Out in Northwestern Oklahoma, including the Panhandle, where drouth and dust storms have wrought such havoc, are a heroic group of Baptist people with small struggling churches that have carried on in the face of difficulties and discouragements. These Baptists of the Northwest have exemplified a faith, courage, and zeal which is the marvel of us all. We must come to their help, strengthen their hands, and assist them in their struggle to carry on.

Each year this Convention should set before us one or more specific state mission objectives, such as are herewith proposed, in order that Oklahoma Baptists might march together with the conquering purpose to make Christ known to every man, woman, and child in Oklahoma.

#### General Recommendations

1. That it be our policy to operate on a cash basis.
2. That we exercise the strictest economy consistent with the best administration and promotion of our work.
3. That we instruct all agencies provided for in the budget not to make any debts during 1937-38.
4. That the 1937-38 State Mission budget be projected on a basis that will insure no deficit at the close of the year.
5. That we continue the ten per cent contingency fund from "In-the-State" objects as a safe-guard against possible deficits and with which to retire debts. It is understood that this contingency fund may be distributed back into the various percentages if it is not needed for deficits or debts.
6. That we cheerfully recognize the unquestionable right of donors to designate gifts to specific causes and bind ourselves faithfully to send such designated moneys to the interests for which they are designated. At the same time, we earnestly hope that our people can and will foster the whole program so long as this is the plan and purpose of both the state and Southern Baptist Conventions.

#### Comparative Total Receipts

Total receipts for year ending October 31, 1933—	\$138,384.31
Total receipts for year ending October 31, 1934—	201,096.29
Total receipts for year ending October 31, 1935—	209,588.55
Total receipts for year ending October 31, 1936—	281,717.97
Total receipts for year ending October 31, 1937—	286,155.55

**Debt Diagnosis**

When we met in Tulsa four years ago, the auditor's report revealed the distressing fact that Oklahoma Baptist agencies and institutions owed \$470,951.63. During the entire administration of the present Secretary we have been engaged in a war on debts. Substantial progress has been made in debt reduction. Excluding the bonds on the Muskogee Hospital (provided for through a period of years) only one of our institutions owes anything at all, namely, Oklahoma Baptist University.

On October 31st, Oklahoma Baptist University owed \$107,518.63. \$98,430.50 of this amount was in bonds and notes, or stationary indebtedness. \$9,088.13 of it was current bills, or accounts that accrue more or less in the ordinary conduct of the institution. An agreement was entered into between Dr. Raley and the Secretary to the effect that the Baptist General Convention would assume responsibility for the payment of the \$98,430.50 of capital debt in notes and bonds, and that the University would pay the other \$9,088.13 out of their operating account. We issued a Convention check on October 31st for \$23,918.71, bringing the capital debt of the University down to \$74,511.79.

A record of the notes and bonds owed by the University is filed in the offices of the Baptist General Convention. An account has been opened in the First National Bank of Oklahoma City for the retirement of capital debt. It is understood and agreed that Oklahoma Baptist University will pay from its operating account the interest on the capital debt. The separation of the current operating account of the University from the capital debt will enable us all to know any day the progress we are making on debt reduction.

Let us continue this war on debts. Let nothing side-track us from this one purpose. Let us continue the slogan, "Death to deficits and down with debts!" It is most heartening that all of our agencies and institutions have paid all operating expenses and closed the fiscal year with a cash balance. Let us continue this policy of "No Deficits."

**The Unified Budget**

The Unified Budget was proposed by the Debt Liquidation Committee to the Convention last year as a working basis for the year now closing. It included the regular receipts for the Co-operative Program, the June offering to Christian Education, the balance of unpaid pledges to Debt Liquidation (including pledges made at the Convention last year) and all other gifts to this objective. The Unified Budget "set as our financial objective—\$150,000.00" from Convention to Convention.

In the fiscal year November 1, 1936, to October 31, 1937, at the closing of our books, we have raised \$160,855.82. We must bear in mind, however, that \$22,120 of this amount came as Debt Liquidation funds after the close of the fiscal year and prior to the Convention in Oklahoma City. The \$160,855.82 therefore should not be considered as representing a correct statement of income to the Unified Budget. The Unified Budget was launched in the Convention last year, hence a correct statement of receipts to the Unified Budget would be from Convention to Convention. We have raised from November 19, 1936 (the close of the Convention in Oklahoma City) to the close of the McAlester Convention November 18, 1937, \$150,305.30.

On July 27th at a joint meeting of the Board of Directors of the Baptist General Convention, the Board of Trustees of Oklahoma Baptist University, and the moderators of the associations, a Unified Budget Completion Committee was created for the purpose of promoting the causes represented in the Unified Budget. This com-

mittee was composed of W. B. Harvey, Marvin Cole, E. W. Westmoreland, W. R. White, A. F. Wasson, Oren C. Reid, Geo. C. Hutto, Dewey Riley, Auguie Henry, A. A. Duncan, J. B. Rounds, A. F. Crittendon.

Rev. Marvin Cole, pastor of Capitol Hill Baptist Church, was elected chairman and Rev. E. W. Westmoreland, secretary. All the members of this Budget Completion Committee have rendered invaluable service during the fall Round-Up. We wish, however, to call especial attention to the outstanding contribution of the chairman, Rev. Marvin Cole. Upon the request of the committee he has gone with the Secretary into practically every association in the state, and his impassioned plea to the brotherhood has done much to make the Unified Budget Completion Campaign a glorious success.

We acknowledge a debt of gratitude to Brother Cole and to the Capitol Hill Baptist Church, who graciously liberated him between Sundays for this important service. This service was rendered without money and without price. The Capitol Hill Church, in addition to paying their pledge to the Debt Liquidation in full, made an additional pledge in the beginning of the Campaign and paid that. On the 17th of October, when all the churches were asked for a "Victory Day" offering, they raised more than enough money in addition to pay all of Brother Cole's expenses throughout the campaign. The Board of Directors and the Convention hereby acknowledge our unbounded gratitude to both Brother Cole and the Capitol Hill Baptist Church.

This recitation of facts constitutes, not only valuable history, but serves as an inspiration as we turn to the future. The Unified Budget Promotion Committee, in its final meeting November 5th, unanimously recommended to the Board of Directors, and the Board of Directors recommend to the Convention a Unified Budget of \$160,000 for the fiscal year 1937-38, the funds to be divided on the following basis:

To the Co-operative Program (distributable funds)	\$96,000
Oklahoma Baptist University operating fund (which the Convention has guaranteed)	\$34,000
Debt Retirement	\$30,000

Total	\$160,000
-------	-----------

Of these funds \$90,000 is to be allocated to the Co-operative Program as the first preferred item; \$34,000 to Oklahoma Baptist University as a second preferred item; \$25,000 to Debt Retirement as a third preferred item. If we raise the entire budget of \$160,000 this will leave \$11,000 undistributed. We recommend that this \$11,000 be distributed \$6,000 to the Co-operative Program and \$5,000 to Debt Retirement. And should there be an excess of the \$160,000 that the funds be distributed to these two items in the same ratio. Allocations on this basis will safe-guard the Convention against deficits.

A Unified Budget meets the approval of an overwhelming majority of our pastors and churches. The approach of multiplied agencies to the local churches is an impossibility. There are not enough Sundays to go around. A convention, like a church, must budgetize its expenses in order that every good cause may receive its proper proportion of funds. The Unified Budget, or some similar plan, must be worked out so that all our agencies and institutions may be cared for without individual approach to the churches.

### Unity of Spirit and Purpose

The age long struggle of Baptists has been our effort to work together. We are extreme individualists. We emphasize—and rightly so—the individual as the personal integral of the grace of God. But this fact creates for us the problem of harmonizing this individuality

behind a given cause. The individual must never be lost sight of in a spiritual democracy. But, in unity there is strength. Successful armies must march together. The Baptist army must be so trained that they can march and fight together. "We are workers together with God."

Christ prayed for the unity of all believers. In that hour fraught with mystery and destiny, that hour in which the woes of time and eternity were converging about Him, and the shadow of the cross was falling across His pathway, He prayed: "Holy Father, keep through Thine own name those whom Thou has given Me, that they may be ONE as we are."

Pentecost was a Baptist Convention characterized by harmony, fellowship and oneness of purpose. "And when the Day of Pentecost was fully come, they were all with one accord in one place." Two things characterized the Baptist people on that momentous day—a vital experience, and a tongue of fire. When that same tongue of fire rests upon us, the Kingdom will come in Oklahoma.

### The Measure of Success

Evangelism is the key word for this Convention. Oklahoma Baptist University, in its ultimate expression, must be an evangelizing agency. Benevolence has its rise in evangelism. Missions is just another road to evangelism. We must evangelize or perish. Napoleon said "Conquest has made me what I am and conquest must maintain me." Evangelism has made the Baptists of Oklahoma what we are and evangelism must maintain us. By whatever devious paths we travel in the life of Christian service, our ultimate objective must be to evangelize the world. We therefore recommend that during the ensuing year we make soul-winning our main business. Let us give evangelism the first place in our program. Let us strengthen the sense of spiritual values so that we may live, not unto ourselves, but unto Him who for our sakes died and rose again. To the end that we make more effective our soul-winning endeavor, we suggest a summer evangelistic conference, the purpose of which shall be to stir our hearts, fire our spirits, instruct our minds, organize our forces, and send us forth to the borders of Oklahoma preaching the Gospel of the Kingdom, calling sinners to repentance, and baptizing the saved into the fellowship of our churches. May we not come together next year with shame and humiliation. Oklahoma, with the entire Southern Baptist Convention, faces the distressing fact of a total decrease in baptisms. May this drive us to our knees in humble prayer for a baptism of Pentecostal power. Raising more money is not the measure of our success, but winning more souls. Evangelism is what this Convention is about in its elemental sense. Here is the significance of the Cross, the story of the Open Tomb, and, as it is the reason for the blood of Jesus, it is likewise the reason for every Christian emotion and promotion in our Baptist Zion.

Behold us here this evening, representing 204,000 Baptists in Oklahoma! Let us solemnly inquire of the Lord what our course should be on leaving these sacred precincts, these days of holy fellowship. Hear Him again say, in the sweet cadences of voice as when on Olivet's blessed brow His feet swung free of earth and the cloud enveloped Him: "Ye shall be my witnesses, both in Jerusalem and in all Judea and Samaria; and unto the uttermost parts of the earth." "Go ye therefore, and make disciples of all the nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I commanded you: and, lo, I am with you alway, even unto the end of the world."

Oklahoma Baptists have barely emerged from their swaddling clothes. We are making traditions and, what is more significant,

writing destinies. We must not tamper with opportunity nor piddle with responsibility. Let us make our day God's high day.

"Give us a watchword for the hour;  
A thrilling word, a word of power,  
A battle cry, a flaming breath  
That calls to conquest or to death.  
A word to rouse the church from rest  
To heed the Master's high behest;  
The call is given: ye hosts arise!  
Our watchword is, Evangelize!  
The glad Evangel now proclaim  
Through all the earth, in Jesus' name,  
This word is ringing through the skies  
Evangelize! Evangelize!  
To dying men, a fallen race,  
Make known the gift of gospel grace,  
The world that now in darkness lies,  
Evangelize! Evangelize!"

87. J. C. Wilhelm read the "Report on Religious Literature" and moved its adoption. Motion carried.

#### REPORT ON RELIGIOUS LITERATURE

What did you read this morning ere you left your room? If a census of this crowd was taken, I am sure that we would find that a large majority of this group glanced over the daily newspaper the first thing on arising. Now if this group, a powerful descriptural principles upon which they rest and call upon you for Christian literature in its rightful place, what about the great masses out yonder that make no profession of religion at all? They feel daily the mighty power of the worldly press, which influences them in their problems and decisions of life, and as a general rule their influence is unchristian.

Your committee feels that a large per cent of the literature that our people are reading today is: degrading, vicious, irreverent, immoral and ungodly.

Your committee feels that in all of our reading, the Bible should have a foremost place in our lives. David tells us that the reading of the Word of God is a preventive against sin. "Thy Word have I hid in my heart that I might not sin against thee." The Bible, the revealed word of God is the source from which all streams of religious literature flow. All religious literature that is worth the paper on which it is written has received its inspiration from the Bible. We, therefore, urge that more time be given to the study and the use of the Word of God.

We have religious literature other than the Bible. There are many good books, such as: Books on biography, character building books, doctrinal books, inspirational books, that we do well to keep in our homes and before our children.

Baptists of this state have two agencies for the propagation of religious literature. First, the Sunday School Board with its chain of book stores throughout the South. It has many publications, books, free pamphlets, magazines and other helps in the religious field. Your committee thinks that this agency is the greatest in the South in its distribution of religious literature. We urge that our people patronize our own Baptist Book Store in Oklahoma City, a branch of the Sunday School Board.

Second, the Baptist Messenger is owned and operated by the Baptist General Convention of Oklahoma. Information must precede the fullest enlistment in missionary service. This is the purpose of the denominational paper. It helps in the home to train missionary minded sons and daughters. If it is placed in our homes, it will stimulate missionary interest and missionary giving. The past year the Baptist Messenger has had a circulation of 9,000 plus. We are grateful for this growth but it ought to have a much larger circulation. Dr. E. C. Routh is the efficient editor and business manager.

We recommend that we strive to increase the circulation of the Baptist Messenger by an increased effort to put the club plan of subscription into our church budgets, and that we continue to solicit individual subscriptions.

We further recommend that our people refrain from reading and discourage others from reading any of the cheap suggestive, obscene literature that is displayed so prominently in so many of the news stands in this state.

Respectfully submitted,  
J. C. Wilhelm, Chairman  
Oren C. Reid  
G. Lee Phelps  
Marvin Cole  
J. C. Hendrick

88. E. C. Routh addressed the Convention concerning the Baptist Messenger and presented the following report:

#### REPORT OF BAPTIST MESSENGER

We are able to report one of the best years in the quarter of a century history of the Baptist Messenger. Our circulation is slightly over 9,000 and the subscription receipts have been sufficient to enable to us report all publication costs paid, no indebtedness, and a cash balance. We appreciate the growing interest of Oklahoma Baptists in the Baptist Messenger, which is no longer considered a luxury, but a necessity. It is needed for indoctrination, information and inspiration. Here is one illustration of the value of the denominational paper as an enlistment agency: During the year just closed only fifteen per cent of the Baptist churches in Oklahoma arranged through the church budget or otherwise to send the Baptist Messenger to a considerable number, if not all, of the families in the

membership of the churches in that group. But—mark these figures—these churches, constituting fifteen per cent of the total number of the churches in this state, contributed fifty-five per cent of the money given by Oklahoma Baptists last year to denominational causes.

Hasn't the time come for our churches, every one of them, to place the denominational paper in every home? Last week the Baptist General Convention of Texas very heartily adopted the recommendation of the Executive Board that during next January and February all of the denominational forces join in a campaign to increase the circulation of the Baptist Standard from 32,000 to 100,000. This is not impossible. Neither would it be impossible to increase the circulation of the Baptist Messenger from 9,200 to 25,000. Our enlistment problems would be solved if the circulation of the denominational paper were thus increased and if people were informed. We urge Oklahoma Baptists to begin a movement at this Convention to place the Baptist Messenger in thousands of homes not now receiving it.

We acknowledge the generous and whole-hearted co-operation of a host of pastors and churches; of Secretary Andrew Potter and his associates; of President John W. Raley of Oklahoma Baptist University and his fellow workers; of the O. B. U. Press; and of other denominational agencies, state and south-wide for their generous support of the state denominational paper.

Respectfully submitted,

E. C. Routh

93. Chesterfield Turner moved that the address of T. B. Lackey be printed in tract form. Carried.

94. R. W. Leazer read the Report of the Committee on Christian Education. It was adopted.

### REPORT ON CHRISTIAN EDUCATION

We, your committee, appointed by the Convention to bring a report on Christian Education, submit the following:

Education is a process of the cultivation of inborn endowments of mind and heart. Cultural and spiritual powers are determined by the extent by which this process of learning is carried and the type of knowledge acquired. Christian Education is distinctive and essential. The word "Christian" is a prefix to Education which both defines and broadens the meaning of the term. It has a distinctive place in the life of a denomination and is essential to its rich and fruitful development.

1. Christian Education is superior to non-christian education. First, it is superior in its philosophy. The philosophy of non-christian education includes only the corrolation of all knowledge of the arts and sciences, looking to natural law as the all-sufficient cause. Whereas, Christian education goes beyond natural law to the natural cause—God—and asserts that all natural law is only the expression of the infinite mind and will. It begins with God as the foundation and source of all learning. When Christ is in education, the student who looks through a microscope sees not only the natural phenomena but the mysteries of the Lord unfolding before his beholding eyes. When a young astronomer sees the milky-way, his telescope reveals to him not only the mystery of the stars, but the further fact that "The Heavens declare the glory of God and the firmament sheweth forth his handiwork."

2. It is superior in its scope of learning. Some say that Christian Education is narrow in its curriculum, this is not true, because it includes all academic courses that non-christian education includes, and adds to its course of study the Word of God as the final authority. Social sciences are interpreted in light of the teachings of Jesus and so all of the arts and sciences are permeated with Christian idealism instead of materialism. In other words, academic knowledge of Christ.

3. It is superior as to its product.

(1) It not only produces highest culture, but culture plus character. It gives us learned men and women who are able exponents and defenders of the Word of God. This is needed in business, in the professions, in the home and in the state. Only one-third of the college graduates of America are from Christian schools, yet seventy-five per cent of the names of men and women which appear in "Who's Who" are graduates of Christian colleges, while ninety-five per cent of the leaders of moral and religious movements are products of Christian education. Christian institutions give us ninety-eight per cent of ministers and missionaries for the homeland and foreign fields. We are, therefore, in the business of education with a double purpose of producing Christian culture and character, the results are gratifying.

(2) It produces our denominational leadership. Where else can we turn for leaders in our churches and denominations? Since our pastors, missionaries, educational directors, evangelists, Christian teachers and our Christian statesmen come from Baptist effort in education, this trained leadership is held true to Christ, to the Word, to the churches from which they come and the denomination of which they are a part. This program alone can produce the unselfish approach to life. Non-Christian culture teaches men to succeed for the sake of success, while Christian education teaches men and women to succeed with the higher thought of laying that success, with its increased power, at the Master's feet, therefore, money invested in Christian Education is seed-corn planted in the field of Christian endeavor.

(3) In addition to leaders, it has made possible a comprehensive missionary and evangelistic program, by which means, we have been able to bring to the Master's feet thousands upon thousands of newborn souls. If one soul is worth more than the whole world, what is victory? What a thrill comes when those who have sacrificially supported a worthy Christian Education Program shall hear the glad "Hallelujahs" of God's great choir gathered from all nations. No longer do they bear their own flags or speak their language, but under Christ's banner and in Heaven's own tongue shall forever praise God from whom all blessings flow.

## II. Obstacles to Christian Education in Oklahoma.

If education is essential, and it is, and if Christian Education is superior to non-Christian education, and it is, any and all obstacles which stand in the way of our great need for, and the realization of an adequate program of Christian Education can and should be overcome.

### Among the obstacles we observe:

1. Wrong estimate of educational values. Many Baptist parents make no distinction as to the type of education offered by the various schools. The selection of a place to send their sons and daughters is made all too often on the basis of convenience, apparent low cost, size of school, et cetera, with no thought as to the life-long influence that college will have on the spiritual life and character of the student. They forget that the Christian college teaches as much history, science, math., et cetera, as the non-Christian school, and in addition demonstrates that God is in and back of all truth and knowledge. A materialistic conception of art and sciences leaves these branches of knowledge separate and apart from God in the thinking of the student. Certainly, sociology and biology taught and interpreted by Christian teachers is worth more than the subject taught at institutions where positive instruction in Christian doctrine is forbidden. Parents who sincerely desire that their sons and daughters shall maintain a religious interest throughout life cannot afford to make the mistake of depriving them of a Christian education.

2. Lack of propaganda: Propaganda is one of the most powerful for creating sentiment. Of course, O. B. U. students and faculty, and some of the pastors are ardent in their claims for O. B. U., but this is not enough for we must remember that the high schools and junior colleges of the state have a non-Christian education complex. Everything leads the pupil to look toward the state school as the next logical step in education. Many pastors and laymen, who believe in Christian Education, have received their training in other states, therefore, do not know the full value of Oklahoma Baptist University to Oklahoma. O. B. U. must be kept constantly before the minds of our youth in all of the churches throughout the state.

3. Lack of physical equipment and endowment. It is impossible to cater to Oklahoma and to the whole world a full cultural, spir-

itual and missionary program, when our only Christian school is suffering from lack of financial support, and physical equipment. Many worthy students are denied the privileges of a Christian education who, if turned to O. B. U., would take their places of leadership in church, state, and in Christian homes.

III. These obstacles stand out as a challenge to Oklahoma Baptists. It seems reasonable that with as scholarly and consecrated a faculty as can be found in the land, and with two hundred thousand plus Baptists, who could and will provide adequately for this single university. O. B. U.'s need should challenge our loyalty and our pocket-books as well. Endowment must be provided.

These obstacles ought to incite Baptists to greater effort. No sacrifice is too great if in the end our sons and daughters may sit at the feet of Christian teachers and learn to see God in all things and follow him to the end. Paul said, "I can do all things in Christ, which strengtheneth me."

Baptists can and are paying the debts against O. B. U. We should provide a wholly adequate educational program for the youth of this generation and for the leadership of tomorrow; herein lies the hope of Baptists in Oklahoma and in the nation. Politics needs these principles, education needs the leavening of these Christian conceptions. Recent survey shows that few educational institutions have any Christian objectives.

We must provide a qualitative type of education, which furnishes a Christian incentive, a Christian motive, and a Christian spirit. Our answer to the needs of the world for trained consecrated leadership is to be found in our treatment of Oklahoma Baptist University.

The urgency of the demand for Christian leadership in the various walks of life challenge us to pray for and to give freely of our money to O. B. U. If we will respond as we ought, Oklahoma will be brought to Christ and missionaries trained in O. B. U. will occupy mission fields around the world.

Respectfully submitted, your Committee.

#### **THE PRESIDENT'S REPORT TO THE OKLAHOMA BAPTIST UNIVERSITY BOARD OF TRUSTEES AND TO THE BAPTIST GENERAL CON- VENTION, NOVEMBER 18, 1937**

For the past few years it has been my privilege to administer the affairs of Oklahoma Baptist University as your agent. I accepted this task as one of real educational and religious adventure—rich in its promise of service and achievement. The appeal of Oklahoma Baptist University to me lay in the fact that here was a young school in a new state, the foundations of which has been wisely laid, but the superstructure remained yet to be built. Immediately upon accession to the presidency, I made as thorough a study of its problems as it was possible for me to make. That study resulted in a five-fold program which has been vigorously prosecuted as the plan and policy of operation. The burden of this

report will be those problems and the program initiated to solve them.

### I. FINANCIAL INTEGRITY

Let us consider, first, the Problem of Financial Integrity. The most immediate, the most pressing, and the most persistent problem of the University was and is that of finance. It is obvious that no institution can expect to endure with a constant burden of debt and an annual recurring deficit. It appeared, then, that if any progress should be made at all, some plan should be worked out by which the University would have a definite program of debt reduction. Such a program was initiated, and is now in the process of prosecution.

When I came to O.B.U., June 1, 1934, the University owed \$143,446.68. An additional \$45,000.00 was owed by the Women's Missionary Union on the Memorial Dormitory. This reflected a grand total of \$188,446.68. Last year the Debt Liquidation Movement cleared the Dormitory, and the total university debt has been reduced to \$74,511.79. Thus, a three year program has resulted in a grand total of debt reduction on all university property in the amount of \$113,934.89.

Once the Debt Liquidation Movement was launched, it seemed wise to develop some type of program whereby the University could operate without increasing its indebtedness. Accordingly, in July of 1936, the Board of Directors acting upon a request from the Board of Trustees adopted a recommendation:

First, that a permanent policy of underwriting the amount of money the school is to receive each year on operating expenses from the convention sources be adopted.

Second, that the school administration and the Board of Trustees submit annually a proposed operating budget to the September meeting of the Board of Directors so that it might be passed on to the Convention for approval or disapproval.

This recommendation was brought to the Convention in Oklahoma City from the Board of Directors and was passed one year ago. I am proud to report that the Convention paid in full the \$34,000 appropriated and that the University not only operated within the prescribed limitations, but saved out of its operating funds \$1,433.46 to apply on existing indebtedness.

We requested again this year through the Board of Directors a like arrangement; namely, that the Convention provide \$34,000 out of which we pay the interest on capital indebtedness and operate. And again, we pledge to operate within the income provided. We are now on the road toward the solution of the problem of financial integrity.

## II. ACADEMIC STANDARDS

The second problem set down and attacked was that of academic strength. Our interpretation of the future of Oklahoma Baptist University was and is that we should build a great Baptist university in Oklahoma. To do this, it is necessary that we give constant attention to the trends of education and so adjust as to satisfy the most rigid requirements of the accrediting agencies. While it is true that we have an arrangement whereby the leading universities of the nation accept our students on a par with their own, it is likewise true that much is desired in the development of a standardized institution in Shawnee. Standards set by the official accrediting agencies should constitute our natural goal.

Such a goal should widen our appeal. It provides a place for all young Baptists, regardless of what may be their profession or calling. Although O. B. U. is a training camp for preachers and missionaries, it is none the less an educational center for future lawyers, doctors, teachers, business men, engineers and housewives. It is a matter of pride with us all that our graduates and pre-professional students are accepted now by the leading universities of the nation on a par with students trained in their own schools. In order to appeal to this class of students we award each year a number of high school and junior college tuition scholarships to the highest ranking graduate. I am determined that we shall not relax until all of our departments are fully standardized.

### The Faculty Program

There are three big words in the faculty program this year: Unity, loyalty, and unselfishness. These characteristics are being expressed through a thorough study of all departments in keeping with standards set by the North Central Accrediting Association. Regular faculty meetings are being held for the first time in the history of the school. Each teacher is vitally interested in the work of every other department, and the attitude is that of all for one and one for all. The needs of the school are discussed openly and constructively under the wise guidance of Dean L. E. Solomon.

A committee is now at work on a faculty constitution. We secured copies of faculty constitutions from other institutions recommended by the inspectors of the North Central Association Accrediting Committee. It will probably take the entire year to complete a draft of this document, but when completed it will represent a problem solver, which will help to avoid most of the problems of the future.

Dr. A. W. Winchester, Professor of Biology, has fitted right into the general scheme of things and is proving himself as a stable dependable faculty member.

Mrs. Kenneth Phelan, instructor in English, is also a fine asset to our faculty.

## III. STUDENT SITUATION

### A. Enrollment

Our enrollment to date is 526, compared with 562 for the first semester last year, a loss of 36. We have checked our lists very carefully and our loss has occurred in the freshman class, approximately 27, while there was a slight gain in the sophomore and junior classes, and a slight loss in the senior class. On checking individuals it seems that the reasons given for their failure to

return are two-fold: Either they are attending technical and professional schools, as is the case of Juniors, or they did not have the necessary finances, as in case of seniors. The only reason I can find for a loss in the freshman class is likewise two-fold: Those who live in Shawnee are eager to leave home to go to school, as is the case in every town, and the improved business condition has made it possible for a number of them to do so. The other reason is this, whereas last year we had a student payroll of \$1,700.00 per month, through the Federal National Youth Administration, this year we have only about \$600.00 a month, or a loss of some \$1,100.00 a month. In spite of this fact, we have practically maintained our enrollment.

### **B. Dormitories.**

The staffs in the dormitories are functioning well. The report from the Men's Dormitory is that Mrs. T. L. Archer has won the hearts of the 78 boys who live there.

Mrs. Ray Evans, hostess in the Memorial Dormitory, is, also, proving herself to be a genuine asset to the campus, and I am proud of the work that she is doing. Miss Willa Belle Carter assists Mrs. Evans in looking after the 120 young women who reside there. Miss Virginia Harris, a full time registered nurse is now employed by the University and supervises the health program for the young women in school.

In the Earleigh Apartment we have Mrs. A. W. Wright, as hostess, and in the Hunter Apartment Mrs. Fred Clark is the hostess. 33 young women comprise the households in these apartment houses immediately adjoining the campus on the South.

A program of self-government has been worked out and is being used in the residence halls. This will need close supervision always, but pushes back on the student body certain responsibilities that encourage self respect, which in turn encourages respect for general regulations.

### **C. Social and Cultural Development within the University.**

A college education should be a complete education. It should prepare the individual not only to make a living, but to live and to develop a highly cultural society. A college bred man or woman should be able to stand in any group, or in the presence of any person with ease and poise. All graces of polite society should be given a chance to develop during the college years. Believing this, we have encouraged the more formal in social life with gratifying results. The continuation of such a program is our aim.

I think I have never witnessed a finer spirit than now exists on the campus as a result of the efficient program outlined for the Student Council, Social and Literary Clubs. Loyalty and scholarship are the watchwords in all school activities. Mr. Eddie Dwyer is president of the Student Council, and Mr. Billy Thompson guides the social clubs through the tri-club council presidency.

### **D. Religious Development of the institution.**

We are insistent on a more positive religious expression of the student body through its various activity groups. O.B.U. has the reputation of being the most solidly religious Baptist campus in the South. We are grateful for that reputation, but we cannot allow ourselves to bask in the light of its glory, nor can we permit ourselves to become simply a religious pep organization for the denomination.

We have a deeper task to perform—that of developing Christian character. The positive expression of that character, then, becomes a second responsibility. In order to unify effort, we asked Dr. W. Forbes Yarborough to accept additional duties as director of religious activities. Through the leadership of this wise and devout layman, our students are settling down to a more permanent type

of religious program, and results are already telling, both in the lives, and contacts of our students with others.

Dr. A. L. Aulick is, likewise providing genuine leadership for our ministerial students. He is not only inspiring them to real scholastic achievement, but he is giving them training in practical Christian statesmanship, as well. By his efforts, arrangements were made this past year for a large number of students to engage in revivals during the summer under the direction of nearby churches, or associations. Still others are now employed full time in various mission stations, also under the direction of some local church. Our hope is to help locate every ministerial student in a preaching point. Through Dr. Aulick, and by your help, we can utilize the greatest mission force in Oklahoma, and be training future leaders for the denomination, at the same time.

The combined report of the ministerial students and the Life Service Band Extension Departments for the past year is as follows:

Services conducted	191
Conversions	702
Additions	750
Miles Traveled	8,178
Assisted in church censuses	2
Conducted a five night cottage revival in Shawnee in which there were 85 requests for prayer, 1,292 people attended, with 368 students participating, in 28 different homes.	
An average attendance of 150 in noon day prayer meetings.	
A full B. S. U. organization, functioning in a great way.	

#### IV. PUBLICITY AND PROMOTION PROGRAM

We carry on a many sided program of publicity and advertising in the interest of student solicitation and promotion of the general school program. Mr. James Ralph Scales, of Miami, is acting director of publicity through the medium of the press.

The various group organizations which represent the University are:

- The three official quartets, trained by Mrs. Ruth Mitchell Roesch; the male quartet under the managership of Mr. Bill Leach; the girls quartet, and the mixed quartet.
- The string ensemble under the leadership of Professor Paul H. Medsker;
- The Band and Bisonettes working with Professor Donald L. McCo'lum;
- The Debate Teams sponsored by Professor Lee B. Spencer;
- The various athletic teams coached by Edward Hurt, Jr.;
- The Ministerial Alliance guided by Dr. A. L. Aulick, and
- The B. S. U. and Life Service Band groups directed by Dr. W. F. Yarborough.

These groups give programs before church, civic and school groups continually through the year.

Faculty members are constantly in demand for addresses, and to fill preaching engagements. There is scarcely a Sunday that passes but that one or more of the faculty group is speaking in some church. Dr. J. W. Jent is often asked to speak on the subject of Rural Church Development, for which he is nationally recognized. Other professors deliver technical and inspirational addresses and give programs.

#### A. A real problem and an appeal for help.

We are very much in need of assistance on the part of our pastors as the REAL SOLUTION to the problem of promotion and student solicitation. We MUST work through the pastor in each community to reach those who should attend our university, and we are greatly concerned about securing his support in turning

young people other than those particularly interested in religious work to O. B. U.

A recent survey of our student body disclosed a fact that only about one-half of those now in O. B. U. learned about the institution from their pastors, and that a smaller group received any literature or definite solicitation from their pastors. To me this is an item of vital concern, and I earnestly solicit your co-operation and influence in reaching the many splendid youth who should be receiving their education in Oklahoma Baptist University.

#### **B. Bison Association of former students and alumni**

Mr. R. C. Howard, Jr., a successful young business man of Oklahoma City, was elected President of the Bison Association at the meeting last May, and he is doing a splendid work getting former Bisons and Alumni interested in building a real unifying force behind the plans and projects of the university. There is a plan before the group now to employ and finance a full time secretary of the Association. The work of this secretary would be to keep the members informed and to encourage prospective students to enroll in O. B. U. This Association may in deed and truth become the "recruiting agency" for O. B. U.

### **V. PHYSICAL IMPROVEMENTS**

For some time now we have been talking about what we were going to do in the way of campus beautification for O. B. U. We visualized the situation and have been steadfastly working to make part, at least, of the dream come true. A visitor to the campus today will be most agreeably surprised to see the many improvements which have been made in the short span of three years. I should like to call your attention to the following list which I am pleased to call—PROGRESSIVE IMPROVEMENT PROGRAM OVER A PERIOD OF THREE YEARS:

- a. The oval was paved at a cost of \$26,000
- b. A whiteway was installed around the oval by the class of 1934
- c. The frame pergola was rebuilt of stone
- d. A picturesque sunken garden was laid out between the Fine Arts Building and Memorial Hall
- e. A golf course was laid out and landscaped on the west 35 acres
- f. The northeast corner of the campus has been landscaped and large letters of stone placed next to the highway to spell O. B. U.
- g. The rock wall has been extended entirely around the outside of the campus.
- h. Much needed sidewalks have been laid
- i. The following buildings have been remodeled and redecorated: Fine Arts, Men's Residence Hall, Home Economics Department, and studios.
- j. Several rooms and offices have been rearranged and redecorated
- k. The library has been expanded by using wasted hall space
- l. The chapel has been enlarged, the balcony extended, the floor raised
- m. A band building has been constructed and is now in use
- n. A stone astronomical observatory has been built to house the largest telescope in the state of Oklahoma
- o. A four-family faculty apartment building has been erected and is now occupied
- p. Two apartment houses for young women have been purchased and are now in use
- q. Many shrubs, flowers and trees have been set out, and all unsightly aspects have been removed or improved—such as,

better location of garages, removal of bleachers from athletic field not now in use, etc.

- r. A landscaping program has been initiated and will be carried to completion by next report time.

## VI. CONCLUSION

It now appears that I am to join the ranks of the very few presidents of Oklahoma Baptist University to see the class graduate who enrolled during the first year of their administration. I can truthfully say that these have been hard and yet gloriously happy years. I feel that I can call your attention to the fact that O.B.U. is receiving wider and wider recognition each year.

During the past year it was my privilege to represent you before the Southern Baptist Education Association meeting in Memphis February, 1937 at which time I read a paper on the subject, **Distinctive Baptist Education**. This address was printed at the request of the Association and distributed throughout the Southern Baptist Convention as an explanation and exposition of education in institutions of higher learning owned and operated by Southern Baptists.

It was, also, my privilege to deliver the initial address for the \$150,000 campaign for Louisiana College in Pineville, Louisiana, February 18.

President John Jeter Hurt of Union University, Jackson, Tennessee, did me the honor of having me deliver the baccalaureate sermon for the 109th annual commencement of Union University on May 30, 1937.

In July I enjoyed the privilege of being the evening speaker during the State B.Y.P.U. Assembly of Alabama, which met at Shocco Springs.

At the invitation of Dr. Chas. D. Johnson, President of the Southern Baptist Education Commission, I delivered an address before that group in Ridgecrest, and was elected vice president of the organization.

In addition to these general addresses out of Oklahoma, I have spoken before various County Teachers' Conventions, numerous church groups, Chambers of Commerce, civic clubs, and so forth.

I feel that I can say with a sense of understanding that Oklahoma Baptist University is becoming thoroughly established in the thinking not only of the people of Oklahoma, but of the South, as a strong academic and religious institution. These various opportunities to represent O.B.U. are greatly appreciated.

The future of Oklahoma Baptist University constitutes my one objective. That future is dependent on the continuation of the splendid support and understanding help which you have provided. My earnest desire is that I shall merit such confidence and support.

Respectfully submitted  
John W. Raley

101. Dr. J. B. Rounds read report on Social Service and moved its adoption.

102. The Report on Social Service was discussed by J. B. Rounds and W. J. Losinger. The report was adopted as follows:

#### THE COMMITTEE ON SOCIAL SERVICE

Social service deals with social uplift of the masses, the accumulation and distribution of wealth, the harmful habits that destroy health, happiness, and ability to possess. It also deals with the problems of usurpation and subjugation, or the pressure of the stronger on the weaker for profit. Inter-racial relationships, involving discrimination, that are harmful and weakening to the underprivileged race, which creates impoverishing enigmas for all concerned, is a mighty and a problematical question. For practical purposes in the hands of such a committee as this, it must only deal with such social service problems as demand attention at the time the matter is under consideration.

The Bible endorses the accumulation of wealth. It has a definite and distinct and solitary purpose, however. Moses stated it and there has never been one iota of advancement since that statement was made, except as the advance emphasized the truthfulness of the Mosaic assertion. Here it is:

"But thou shalt remember Jehovah thy God, for it is He that giveth thee power to get wealth; that He may establish His covenant."—Deut. 8:18.

There is but one purpose for the accumulation of wealth—that is the establishment of the covenant of God. This Convention is doing more in the righteous and proper distribution of wealth than all the business houses in the United States. However the full establishment of the covenant of God embraces every legitimate and worthy enterprise extant. The world did not go bankrupt on production, but on distribution. Our ability to produce has become a sin, and labor is legislated out of its full productive ability. Why is distribution so far awry? It is for selfish, godless, gluttonous gain. If the agencies of distribution could be set to establish the covenant of God, all the wheels of industry would again be moving full swing. But this Convention is not primarily an economic, industrial, monetary, wholesale distribution house. It is set for but one phase of the establishment of that covenant—the evangelization of the world. If banks, business, and brawn could co-operate, then we would have a universal application of the wealth of God directed at the purpose for which it was created in the beginning.

It behooves this Convention to work at every angle of its task for that accomplishment.

#### Intoxicants, Narcotics and Habit Forming Drugs

Our great fight at the present moment is the prohibition of beer and spirituous liquors. The Anti-Saloon League and the Women's Christian Temperance Union are commended for their continuous warfare on these mighty enemies of our cause. The United Drys, under the leadership of Dr. W. R. White, have proven themselves a mighty agency in the political field. Our statewide conflicts on this issue will be called to the standard when a united front is necessary by this United Dry body. We commend all these agencies to your confidence, and request your co-operation with them in their conflicts. It appears that the time is ripe for a campaign of aggression.

"Our National Crime Conference estimates that each year we have in our country 3,000 kidnappings, 5,000 cases of arson, 12,000 cases of murder, 40,000 burglaries, 50,000 robberies, and 100,000

cases of assault; that the economic toll of this crime wave amounts to the colossal sum of thirteen billion dollars (\$13,000,000,000) per year, of which amount two billion dollars (\$2,000,000,000) can be traced to the part played by narcotic drug addiction." The more popular of these narcotics are Heroin, Morphine, Cocaine, Prepared Opium, Codeine, and Marijuana. The latter, smoked in the form of cigarettes, is largely used by high school students in our cities, and is called the "killer" drug. The Federal Narcotics Bureau report dastardly murders committed under the influence of this weed, while under a stimulated craze. The California case as reported goes as follows: "A man under the influence of Marijuana actually decapitated his best friend, and then, coming out of the effects of the drug, was horrified as anyone over what he had done." On January 1, 1936, the Uniform State Narcotic Drug Act had been adopted by 29 states and two territories, and I am glad to report Oklahoma is included in that number. We need to encourage its better enforcement.

#### Interracial Relationships

A Christian understanding between the white and black races is imperative in these trying times. Oklahoma Baptist people have undertaken some sort of missionary endeavor with every race of people that have come to the state except the Negro people. They are the largest group among us with whom we must mix and mingle in our economic, industrial and commercial commonwealth problems. We recommend that the State Board look into the advisability of establishing some sort of missionary contact with this race as one of this Convention's obligations in the fulfilling of the Great Commission.

#### The Social Vices

The lax moral relationships between the sexes and the organized social structures that tend to encourage vice and destroy virtue are growing at an alarming rate. Divorces are increasing until some states have seriously considered laws to compete with Nevada and its notorious Reno episodes. We commend every sane effort to lessen these vicious tendencies, and encourage every constructive effort to better moral conditions.

105. Motion carried to adopt the report on Obituaries.

106. Report on Benevolence read by Bill Smith, who moved its adoption and spoke briefly in its support.

### SYSTEMATIC BENEVOLENCE

The Committee on Systematic Benevolence wish to bring you the following report. We regard benevolence as the outward expression of an indwelling experience. Through deeds of mercy we show to a lost world the Love that Grace hath wrought in our hearts. One evidence that Jesus sent to John the Baptist to set forth His Divine relationship was "the poor have the Gospel preached to them." Jesus went about through the world proclaiming His love for suffering humanity through deeds of kindness. He fed the hungry, clothed the naked, gave drink to the thirsty, sight to the blind, cleansing to the filthy, hearing to the deaf, speech to the dumb, the lame were made to walk, fevered brows were cooled, broken hearts were comforted, and the dead were raised to life. In this way He proclaimed the Love of His heart. But Jesus did not stop at bodily ministration. He went right on into the heart with a message of life for the soul. He used His benevolent deeds as points of contact for a spiritual message to the souls of men.

Jesus not only taught us the benevolent expression of His Gospel by a worthy example but He gave it to us through specific teachings of His word. The Bible says that "pure and undefiled religion before God is to visit the fatherless and widows in their affliction." Jesus further said that where ye clothe the naked, feed the hungry, and minister to the needy "ye do it unto Me."

As Oklahoma Baptists our benevolent work has been systematized through some definite institutions. These institutions each have separate reports and hence we do not here undertake to give a statistical report for them but call your attention to the scriptural principles upon which they rest and call upon you for a fuller appreciation and a more worthy support.

#### The Children's Home

We have in Oklahoma City a home to care for homeless children. Here 150 children have received care and spiritual guidance through the past year. This work lies close to all of our hearts, but we are not doing all we should do in this field. Many more children need what these 150 are receiving. Here we have a great evangelistic opportunity that ought not to be neglected. May we hasten the day when Baptists of Oklahoma shall provide for all our homeless children.

### Hospitals

We have two hospitals owned and operated by this Convention. One at Muskogee and one at Miami. Both these institutions are doing a great work in the ministry of healing. This ministry of these institutions gives them an unparalleled evangelistic opportunity. We ought to do more work of this type.

### Ministerial Relief

The Relief and Annuity Board of the Southern Baptist Convention provides a means of security for our ministry during their days of infirmity. This department of our work ought to be so strengthened that all of our preachers could avail themselves of this service, many of whom are not able to do so today. On the other hand, we have many preachers who have already given the best of their lives to preaching the Gospel of Christ and for whom we have no adequate provisions.

Surely the proper care of our aged and worn out preachers will greatly kindle the fires of evangelism in the hearts of all our preachers.

### Some Needs

We would now call your attention to some needs laid out in the Word of God and for which we have no systematic provision. We cannot ignore the fact that Jesus placed upon us the responsibility of visiting the widows in their affliction; neither can we turn a deaf ear to the statement of our Lord when He said: "The poor ye have with you always."

If all our churches will fully meet these benevolent opportunities they will increase their power for preaching the Gospel of Christ on their local fields.

In closing we would call your attention to the consideration that all forms of benevolent service is but another way of preaching the Gospel of Christ in concrete terms that can be understood by the unregenerate man.

Respectfully submitted,

Bill Smith, Chairman.

Oklahoma City, Oklahoma.

Dear Sir:

In accordance with your instructions, we have made an examination of the balance sheets of the following organizations:

	For the Twelve Months Ended
Oklahoma Baptist University, Shawnee, Oklahoma	-- June 30, 1937
Oklahoma Baptist Hospital, Muskogee, Oklahoma	---- Sept. 30, 1937
Woman's Missionary Union of Oklahoma, Oklahoma City, Oklahoma	----- Oct. 31, 1937
The Executive Office of the Baptist General Convention of the State of Oklahoma, Oklahoma City, Oklahoma (including Baptist Orphans' Home)	----- Oct. 31, 1937

In connection therewith, we examined or tested accounting records of these organizations and other supporting evidence, and obtained information and explanations from officers and employees. We also made a general review of the accounting methods and of the operating and income accounts for the year, but we did not make a detailed audit of the transactions.

In our opinion, based upon such examinations, the balance sheets included in our reports on each of the above organizations and the consolidated institutional balance sheet included herein, subject to the report of other accountants on the Miami Baptist Hospital, Miami, Oklahoma, fairly present the financial condition of the various organizations as at the designated closing dates.

Respectfully submitted,

### **MESSAGE OF W. M. U. PRESIDENT**

#### **"STAND YE IN THE WAYS"**

Mrs. George McMillan

When God created man He implanted in the secret depths of his soul a desire to worship and to serve his Creator.

In the early dawn of the history of the race we read of two who came to offer sacrifice, and in terse, yet deeply significant words, we are told of the rejection of the one oblation and the approval of the other—implying plainly that already God had spoken to man of "a way and ways."

Nor does the solicitude of the Creator cease, His warnings fail, as through the centuries is unfolded the story of man, recounting as it does, the interworking of the human mind and the divine

mind, for, through messengers, prophets and teachers, man is ever challenged to choose the good way.

The words of our theme, "Stand ye in the ways, ask for the old paths where is the good way," were uttered at a critical time in the history of Judah by the inspired prophet, the man of flaming zeal, Jeremiah. Through his patient utterances, God had sought the safety of his people, the preservation of his nation.

Let them stand in the ways and ponder the paths of their feet, be counseled by the experiences of those gone before; the path tried and proven is the good way.

The prophet's words are good for you and me today. If we would have spiritual insight with regard to our tasks and practical guidance in their successful continuance, we shall do well to weight carefully this admonition.

As an organization, Woman's Missionary Union is facing her 50th anniversary, the Golden Jubilee.

One of the most popular, present-day writers of religious literature, has a book in which there is a chapter of commanding interest; from it I desire to quote and to make application to this interesting time in the life of our organization.

The subject of this chapter the author calls, "Possessing a Past Tense." In it he speaks of two kinds of possessions—those which have been worked for and those which have been given one; or, in other words, the things we achieve and the things inherited. The first require work, the second, appreciation. The past is not everything, neither are the present and the future; but it is a noble experiment to have a great past and to be aware of it; to think of life as a landscape, where on the level plain our tasks absorb us, while behind us like mountains stand our traditions, those that begat us and the heritage that enriches us. Our characters are tested by our attitude toward this inheritance; we can be grateful for it, rejoice in it and live up to it, or unappreciatingly, disregard it.

The application you have foreseen: The Woman's Missionary Union is indeed the possessor of a goodly heritage! Our missionary mothers began 50 years ago a work that has grown into great proportions and which has achieved marvelously in the progress of Christ's kingdom. Who shall say it was not the Spirit of God who inspired the women to action that memorable day? Long had they been in the attitude of readiness, had stood in the ways, but, at last, responsive to the urgency of the Commission of Christ, with unmatched devotion, the Woman's Missionary Union began the march over the paths made sure by past heralds of the Cross—old paths, the paths wherein spiritual victories are always won, the ways of prayer, of love, of sacrifice.

Today, as we think upon the fifty years of W. M. U. history, review the achievements, attempt to sum up their cost in work, in study, in sacrifice, in giving, shall we not glory in the possession of a Past Tense, and shall not the urge of our retrospection transform us; shall not a deep sense of gratitude fix our minds and hearts on a more glorious future?

As we stand in the light of the Golden Jubilee, new fires should burn on the altars of our hearts, consuming the dross, refining the gold.

Perhaps many who are in this great company today do not realize that through these golden years, when Oklahoma was still the frontier, our pioneer mothers entered into this W. M. U. history. The same burning desire to serve God and their own generation led to the organization of the first missionary society in our state.

May I repeat the story of that historical organization? Under a brush arbor at a meeting of the Choctaw-Chickasaw Association in August, 1876, a company of Christian Indian women sat listening

with intense interest to the words of a visiting speaker, who had come many miles from the north to help Dr. Murrow in his work among the Indians. In the midst of the address an Indian woman raised her hand for permission to speak. These are her words: "If the women in the states can do so much for the needy women so far away, why do they forget to help us? Do we not need help as much as any? We know there is a better way than the way we live, but we know not how to begin it. I speak for my sisters here when I say if we could have teachers, we would do all in our power to learn to be good mothers and wives and true Christian workers."

From that earnest appeal came the organization of the Choctaw-Chickasaw Women's Baptist Missionary Society, organized to enlist Indian women to give the Gospel to their own people. Workers were sent by the women of the North, and in the words of one very close to this work, "How much good has resulted from this small beginning, only the books which shall be opened in that great day may disclose!"

Soon after the Southern Woman's Missionary Union was perfected in 1888, workers were sent to help the many societies springing up in this territory. A history of these thrilling days of beginnings remains to be written.

After the creation of Oklahoma Territory in 1889, there was an attempt at central organization, but we find two Baptist Woman's Missionary Societies co-operating with the two territorial conventions until that happy day in our history which we lovingly call "the wedding day" November 8, 1906, when these organizations merged, forming our present Missionary Union.

As we review the early days of our work, there come thronging to our minds the names of a long list of pioneers, intrepid souls who braved the hardships and deprivations of the wilderness, some faces familiar and beloved, adventurers in a hitherto untraversed land. Today we would honor them who so nobly achieved, for let us remember that we live in a day made possible by their sacrifice; that we are more strongly entrenched because here they built their altars and poured out the treasures of their hearts for lost humanity.

We have looked upon our past, with its heart enriching memories that we might be girded, personally and as a group, for the inescapable responsibilities which are ahead. It is a rare privilege to share in the establishment of Christ's Kingdom on earth; shall we not seek the old paths—the good way of our pioneers in their achievements of faith? We could make no greater contribution to the Jubilee victory than that its golden rays be shed upon our ambitions and expenditures, and in some way to bear in our bodies the marks of sacrifice.

As a Union, we have in recent months tasted the fruits of victory in the successful culmination of great tasks. With confidence, then, shall we not set out a great constructive program for the year?

A mighty challenge has long awaited us—W. M. U. work among our Indian sisters. Perhaps the most fruitful of the early work in the state was that done by the women superintendents of full-blood Indian work. It is at our very doors and is work to try our strength upon; shall we halt longer?

Another challenge I would bring you this morning. In many of our churches there is still no missionary organization for young people. It should rejoice us to prepare the way for our youth, that our beloved work fall in hands more skilled than ours. Every position of leadership in the home, church, community and nation will be open to them. It is ours to lead the hand of preparation. May we have a greater conception of this fundamental task, that the golden year ahead may record triumphs yet unwon. Also, shall not the unenlisted woman with her buried talents, the large number

of churches, 299, with no missionary societies, kindle our zeal afresh?

A more imperative need than these enumerated awaits personal service. 75 per cent of Oklahoma's population is lost. In what more fitting manner can we express gratitude to our God for His blessings of 50 years, than throughout this significant year we come bringing many golden sheaves—the redeemed souls for whom He died?

That your hearts may be refreshed for their outpouring during the year of Jubilee, be reminded of the great company with whom we shall have fellowship as new vistas of service open to us. Visualize, if you will, the mighty host of women and young people, trained workers, of one mind and a common purpose—the salvation of the world. May the words of Evangeline Booth be our prayer: "Dear Lord, give to our mortal eyesight immortal vision. Grant that we may hear new sounds, feel new sympathies, thrill with new love."

The year with its mighty appeal for the giving of self, of time, talents, and possessions will hold many heart-tests, but let us "ask for the old paths where is the good way." Dear women of Oklahoma Missionary Union, "Do thy part—Here in the living day as did the great, Who made old days immortal."

## REPORT OF CORRESPONDING SECRETARY OF OKLAHOMA W. M. U.

### OKLAHOMA WOMAN'S MISSIONARY UNION PREPARING THE WAY

Berta K. Spooner

Journeying in Palestine, one cannot fail to be grateful for the careful surveying and construction work which has resulted in smooth highways stretching like ribbons from place to place. There springs to one's ears all but audibly the cry of Isaiah regarding the message which John the Baptist was to deliver, "Prepare ye the way of the Lord." Prepare the way! When Christ came before, it was a rugged way of pain. He comes again and Oklahoma Woman's Missionary Union seeks to help prepare the way that it may be smooth and easy for His triumphal march.

This year, as every year since our organization we have felt that adding new societies would augment the number of women and young people who cared particularly to make straight the highway for our God. We are reporting 21 new Woman's Missionary Societies and 127 new young people's organizations—giving a total of 600 Woman's Missionary Societies and 1,154 Young People's Auxiliaries plus 9 College Y. W. A.'s and 1 Grace McBride Y. W. A., a grand total of 1,764 organizations for Oklahoma. Of these societies 127 Woman's Missionary societies reached the A-1 standard with 126 in Class B, 143 in Class C. There were hills of difficulty to be leveled by success and valleys of indifference to be filled up with zeal and with only a little more effort and prayer many more societies would have reached A-1—not just to be standard but to feel they had done their best for Him. Not only 127 Standard Woman's Missionary Societies are reported but Five A-1 Standard Woman's Missionary Unions, that is, full graded A-1 Woman's Missionary Unions with one organization of every grade A-1. There are 117 full graded W. M. U.'s. How fine it would have been if more could have been A-1, how much larger and better the work. Last year, we had 139 full graded Unions, this year we have only 117. The Associations leading in number of full graded Unions last year, with the exception of Banner and North Canadian lost twenty-one organizations from our records. Banner gained one and North Canadian held her last year's record. We have thirty-six Woman's Missionary Societies that have four and five auxilia-

ries but because they do not have a Sunbeam Band cannot be a full-graded Union. Thus, our records show, according to number of missionary societies, that Central Association leads in young people's organizations. They have 13 woman's Missionary Societies and maintain 49 auxiliaries with four full-graded Unions. Tulsa-Rogers is second with 32 societies having 99 auxiliaries and 11 full-graded Unions. North Canadian with 24 Societies has 63 Auxiliaries and 9 full graded unions. I am glad to report that 30 out of the 32 Associations do have one or more full families—Tulsa-Rogers 11, Oklahoma County 10, North Canadian 9, Banner 8, Northeast and Pottawatomie-Lincoln 7, Muskogee 6, with Chickasaw-Union, Comanche-Cotton and Perry five each.

We have 92 Societies that have five or more young people's organizations, 57 with 4, 67 with 3, 64 with 2, 96 with only one, so you see there are 224 mother societies who are not giving to their young people, even the Sunbeams, any missionary training whatsoever.

Our organizations have been busy with Mission Study. In road-building, it is always fascinating to watch the construction gang; surveying, clearing, preparing foundations, doing the actual road building. In preparing the way of the Lord, our pioneer missionaries survey, clear the way, others follow to prepare foundations and later to do the real road building. Through our mission study classes, we are informed of the progress that is being made in road building and through Mission Study the roads of the world are explored. 1521 classes reported were held among the women's societies this past year and our women studied in them the progress of His highway, learning to pray definitely to be ready to bear the cost of faster road building.

In the life of Robert Louis Stephenson, one reads the story of "The Road of Loving Hearts." By kindly deeds, by developing a feeling of brotherhood, by bringing peace among warring chieftains, Stevenson so won the hearts of the Samoan Islanders that in grateful devotion they built the "road of loving hearts." By our Personal Service, we are building a highway for our King witnessing to the message of the gospel, winning the lost souls by the Holy Spirit's power, serving to uplift individuals and communities. These worthy projects make up our road of loving hearts for Christ our King.

As we who are older prepare the way, we realize that young people and children will come after us and will want to share in making Kingdom highways if we lead them through missionary education into such paths of joyous responsibility. Our camps and house-parties, conclaves and young people's conferences do much to enlist their interest just as our adult gatherings quicken our own missionary zeal.

In our thirteen District meetings in April, we reached 4,581 women and young people, coming from 65 per cent of our missionary societies and from every Association save one. In these annual inspirational meetings, we had the happy privilege of having as guest speakers: Mrs. Edith Ayers Allen, missionary to Brazil; Miss Emma Leachman, W. M. U. Field Worker for the Home Mission Board of Atlanta, Georgia, and Miss Juliette Mather, Young People's Leader of Southern Woman's Missionary Union. As we listened to their informing and inspiring messages, truly our hearts yearned within us and many went away determined in their heart of hearts to better prepare the way for those who will follow after.

#### Associations

There are thirty-two well-organized white Associations and four Indian. These bind together the forces which are surveying, clearing and building foundations for our highway. Twenty-nine of

these have had their regular quarterly rallies, which through their programs and conference work are veritable training schools for our women. Seventeen (an increase of 6 over last year) have sent their reports in each quarter: Bryan, Caddo, Central, Chickasaw-Union, Comanche-Cotton, Enon, Frisco, Harmon, Mullins, Muskogee, North Canadian, Northeast, Oklahoma County, Pawnee-Creek, Pottawatomie-Lincoln, Tillman and Tulsa-Rogers. Others have been spasmodic in making the rough places smooth. How delighted we are to record a gift from thirty-two Associations to White Cross with 344 societies participating, thirty Associations giving to Margaret Fund but only 175 societies had had a part in this glorious work—Haskell and Mills made no report. Twenty-four Associations participated in the Scholarship Fund—Concord-Kiowa, Haskell, Mills, Latimer, Northwest, Panhandle, and Pittsburg did not report, therefore only 159 societies made contribution. Twenty-five Associations gave to the Nursery Fund, Fort Worth, but enlisted only 100 societies in this worthy objective.

### Stewardship

We are reporting 14,971 tithers which is an increase of 5,771 over 1936, but we do realize that there is much teaching of stewardship yet to be done among our women and young people. A legendary story of Japan tells of the visit of a Shogun, a high government official, to Nikko. Those making preparation noticed that the bridge over which the Shogun must pass had lost its bright red color. There was no blood-red lacquer available. Greatly, they were disturbed for all must be in readiness when the Shogun arrived. Quickly they took their knives, slashed their bodies and procured a bountiful flood of the blood-red color to smear up on the bridge before the Shogun saw it. We must come to reach a spirit of sacrifice like that in our giving of purse and purpose to make ready the highway for our God. We are happy that in even two churches, Keyes and Marshall, every resident woman member gave something to missions. Many of our churches should be on this list and with just a little more effort on the part of the Stewardship Committee will be in 1938. In the Hundred Thousand Club and in debt-paying campaigns we have this year 2686 members plus 2941 last year a total of 5627. There is yet time after the annual report is rendered before the close of 1937 to secure many more memberships. Our goal in the 50,000 memberships which our South wide Woman's Missionary Union hopes to secure before 1938 is 6000. We can yet reach this if we will. How could we welcome the King over a drab bridge of debt when we might sacrifice and help prepare the way for Him. We have given \$657.68 to state scholarships and \$150.00 special by Muskogee, total \$807.68 and now have in training six fine young women. Each District should have a part in the Scholarships being provided for use of these six young women: Inez Price and Ruby Howse in W. M. U. Training School, Louisville, Kentucky; Ruth Miller at the Southwestern Training School at Fort Worth; Alpha Marie Worthington, Juanita Hines and Dorene Hawkins in O. B. U. Also, a special scholarship, given by an interested friend of missions, for Earl Hester and husband, Mr. and Mrs. Petre Trutza of Bucharest, Roumania, who are now studying in the Seminary at Louisville, Kentucky. The gifts of our Woman's Missionary Union at the time of our State Mission Season of Prayer were \$2,769.31. At Christmas in 1936, Oklahoma W. M. U. brought \$11,241.71 through Lottie Moon Christmas Offering for Foreign Missions. In March, we gathered for the Annie W. Armstrong offering for Home Missions \$4,939.72. These gifts were spent by the state, Home and Foreign Mission Boards at their discretion, Woman's Missionary Union being merely the agency for stimulating mis-

sionary giving. Through the Co-operative Program, we have given \$30,000.00 to White Cross \$1,031.21 in cash, plus \$926.75 in supplies to our hospital in Muskogee. We have no report from the Miami Hospital.

### Orphans Home

To the orphan children in our Home we have contributed for clothes, shoes and school supplies \$6,232.74 cash plus the value of eggs, chickens, cakes, canned fruits, vegetables and furnishing for the Home amounting to \$8,371.56, making a total of cash and boxes of \$14,604.30. Surely it is a joy for W. M. U. to co-operate in caring for these children. Twenty-two of our Missionary societies prepared and sent boxes of clothing to our Indian pastors valued at \$600.00.

### Margaret Fund

To the Margaret Fund we have given \$507.63 for the care and education of the sons and daughters of our Foreign Missionaries. Oklahoma has special interest in mothering four this year: Clardia and Dorothy Johnson, and Arthur and Frank Elder. Since the scholarships for these students are provided out of Lottie Moon Christmas Offerings, our gifts from the societies will go to the endowment fund, that in a few years we may have a permanent fund sufficient to take care of these Margaret Students.

To the Nursery in Southwestern Training School, Fort Worth, Texas we have given \$101.30, also a special offering to the Southwestern Seminary this year of \$1,500; to complete the furnishing in the dining room of Memorial Hall, Oklahoma Baptist University, Shawnee, \$1,071.57. Our W. M. U. Special on Debt Completion this year was \$5,000.00 and we have given \$12,890.55 special plus \$19,330.95 through the regular channels, a total of \$32,221.50.

Through the missionary magazine fund which is supported by the free-will offerings at the District Meetings in the spring we received \$93.75. We have secured the subscription list from the following Oklahoma missionaries: Betty Stevens Lide, Mrs. Eugene Hill, Lucy Smith, Mrs. Edith Felkel Humphrey, Mrs. Betty Abernathy Ricketson, China; Miss Esther Olsen, Africa; Blanche Hamm Bice, Brazil and others are home on furlough.

### Assembly

At our State Assembly at Falls Creek, we had classes for all grades with the following faculty: Mrs. S. M. Sowell of Argentina, taught a large class of women; Miss Harris the Y. W. A.'s; Miss Nicy Murphy the Intermediate G. A.'s; Mrs. J. D. Bonenberger, the Junior G. A.'s; Mr. Fred Willhoite, Intermediate R. A.'s, and Mr. Richard Judd the Junior R. A.'s, Miss Bertha Thospson the Sunbeams. How very grateful we are for the splendid service rendered by these teachers and how far their influence will extend in the life of these young people as they help to prepare the highway only the future can answer.

### Field Work

Your secretary has attended twenty-eight general meetings, District, Association Rallies, G. A. House Party, and Southern Baptist Convention and mid-year meetings, was in twenty-nine of our 32 Associations holding 31 methods' conferences in 16 of them, visited seventy-four societies, spending 176 days on the field, spoke 198 times, taught 10 mission study classes. What a joy and privilege is mine in making these contacts. I had hoped to reach every Association and could have made several visits in some. Just here, I want to try to express my sincere appreciation for the very fine and efficient work rendered by Mrs. Mildred Wells in the W. M. U. office for the past seven years. Always, I could leave with every

confidence that she would carry on in my absence. How I have appreciated her loyalty and faithfulness to our work. She severed her connection with us November 1st and goes to Gravette, Arkansas, to make a new home. May every blessing and all good wishes for success in this new venture be hers. We shall greatly miss her. Miss Silva Wimpey whom many of you know and love already comes to take up the duties of our office. Miss Wimpey is a graduate of Southwestern, and is well prepared to do the work. She not only is well-versed in W.M.U. activities but knows denominational language. I wish also to express my thanks to Miss Harris for her assistance along the way, to Mrs. McMillan, our State President, and to the District and Associational Presidents for their helpful cooperation; for every kindness extended to me; for the comforts of your homes; for the love and confidence you seem to have for me.

We can look back over the year and see that we have made some progress yet know that chooked places wait to be made straight and rough places plain, that yet the Royal Highway is but a trail to be broadened into a delectable road by us who follow Him who is the Way.

"O, thou who are the perfect way  
Be now our Guide;  
Grant that we make a road this day  
So straight and wide  
That having cleared our hearts of sin  
We may prepare Thy way within."

**REPORT OF MARGARET FUND CHAIRMAN****"The Way of Love Through the Margaret Fund"**

Holy Scripture records that love found a way more than nineteen hundred years ago when Jesus was closing His earthly ministry, at the crisis of His life, when it was of the utmost value to him to know that he had won a place in a human heart. Mary of Bethany performed an act of love worthy of commendation by Him, the greatest Teacher the world has even known.

In the home of Simon the leper where Jesus had retired from the stress and turmoil of the day, while he sat at meat Mary being unable to express her feelings for Him in words, preferred a most unusual way of pouring the precious ointment from her alabaster box upon his head as a manifestation of her tenderest, most humble and reverential affection.

The disciples condemned her act of love as an impractical and "foolish waste." Jesus saw more than the cruse of ointment as he looked upon her heart filled with love that set no limits to its expression and said: "She hath wrought a good work upon me." "Whosoever this Gospel shall be preached in the whole world, there shall also this that this woman hath done, be told for a memorial of her." No greater commendation could have been given the ardent Mary. Her act of love stands as a memorial brighter today than when performed almost twenty centuries ago and has been told in more than five hundred languages and to every nation. The liberality of love that gives all is a mark of the love, now as then, that unfailingly merits our Lord's approval. The all may be great or small, but if given unselfishly as an expression of uncalculating love, we may be sure that in His eyes the work wrought will have His blessing.

History records that love found a way again, when Margaret, the weaver of Lowell Mass., earned six dollars a week and out of that mite supported four native preachers in India for thirty years at a cost of one hundred and twenty dollars a year. During those thirty years she lived in the little hot garrett room under the eaves. With the exception of Mary of Bethany if there has ever been another breaker of an alabaster box it was she who poured the contents of sacrificial love gifts from her alabaster box upon the heads of her Lord's anointed that lost souls might hear the story of His redeeming love.

Love is closely connected with effort and will express itself in service to God and humanity. With praise and gratitude to our Heavenly Father for increased continued blessings upon the Margaret Fund work, we bring this report in the spirit of love and thanksgiving that love found a way again when

In nineteen and five a love gift was made,  
In dollars given ten thousand was paid,  
In the gift thus made no fame was sought,  
Manifold blessings God's hand has wrought.

Upon the gift that Mrs. Frank Chambers poured from her alabaster box into the hands of Woman's Missionary Union for the establishment of the Margaret Home, later the Fund. We thank God for the growth, ministry of love, accomplishments and future possibilities of the Margaret Fund. We believe that this avenue of service more fully meets the needs of our missionaries in helping to lighten their burdens by assisting them in the higher education of their sons and daughters, also by prayer and interest strive to bless and cheer the hearts of these students while absent from their parents, is a plan in harmony with His divine program for this department of Woman's Missionary Union work.

In the estimation of W. M. U. members the worth of our Margaret Fund cannot be calculated as a missionary agency, as a large majority of our students have found favor with God in having been called for definite service and are really "co-laborers together" with us in kingdom work. Margaret Fund students make most efficient missionaries having already learned the languages and understanding the customs, they need not the years of waiting on the fields in preparation but can begin at once in active service.

We rejoice that the Margaret Fund work has touched and broadened the hearts of our state W. M. U., as reports of district and associational Margaret Fund chairmen reveal that mother hearts have been thrilled with untold joy and blessings in the gracious privilege of showering the lovely contents of many alabaster boxes upon our seven students, five daughters and two sons this year. We also rejoice because of the creditable records made by our students, aspirations of several for kingdom work and of the Harvest Queen honor recently won by Claudia Johnson of O. B. U., the same honor having been won by her sister, Perla Mae last fall, also the Rosalie Appleby award upon her graduation from O. B. U. last spring.

The motto of our Margaret Fund Committee for the past year, "For the love of Christ constraineth us" has inspired and challenged us to our best year's work, aside from special Forget-Me-Not Offering taken last year. It is a joy to report that we gave \$507.63 in cash for love gifts and Margaret Fund. Of this cash \$12.00 was for Margaret Memorials.

Every association has participated in the work. Central Association led in percentage of cash contributions. Oklahoma County ranked second. Under new Southwide plan we should major this year on building up Endowment Funds of Margaret Fund. May we steadily seek gifts for Endowment Funds, also may we ask that District and Associational programs give Endowment great emphasis, also local societies have Margaret Fund work presented at least once a year.

The goal for Jubilee year for Margaret Fund is \$500.00. Societies are asked to continue their contributions to general Margaret Fund and to mother conservatively three students in O. B. U., viz: Claudia and Dorothy Lee Johnson and Alpha Marie Worthington, also Arthur and Frank Elder of London England whom we retained as our students by vote of our State W. M. U. Board in quarterly session. Looking forward to our Golden Jubilee Year may all Margaret Fund Chairmen represent, educate, advertise, emphasise and magnify the Margaret Fund in a greater way than ever before, also earnestly pray that we may provide ample funds to meet the need of every regular request for Margaret Fund Scholarship, that in so doing we may give glory unto His Name.

"All 'round the world Memorial Margaret Fund is known,  
All 'round the world the news of it has flown,  
All 'round the world letters come to tell  
How great the Margaret Fund in blessings hearts do swell.  
We'll have it, yes, have it—The Fund for which we pray;  
A scholarship for every student some glad day—  
For God will guide and hearts will give  
In Love's same old way."

Respectfully submitted,  
Mrs. D. H. Bell, Chairman.

## REPORT OF MISSION STUDY CHAIRMAN

Mrs. A. L. Aulick

### "Travel on World Highways"

The rhythmic purr of the automobile, the bus and the train has gotten into the American's blood. It may be the roar of the waves, the majesty of the mountains or the quietude of the plains that calls; or it may not be a sound at all but only the urge of the inner self as it longs for new scenes, new experiences and new aspirations. Whatever the cause, America is going touring.

The Bible has much to say about highways. It speaks of straight paths," "the highway of the upright" and Jesus said "I am the way." Bunyan in Pilgrim's Progress warns the traveler against choosing the wrong road. Thus there are right paths and wrong paths on which to travel, one leading to destruction and the other to ways of peace.

One good road is called "The Highway of Mission Books." Women's Missionary Union built the highway in 1907. It is an interesting road, a well made road and it reaches around the world, opening the most distant places to the view and heart beat of all who travel its glittering way. There are rough places to be made smooth and valleys to be leveled on this Highway of Mission Books. They were not placed there by the roadmakers, themselves, but by travelers who were not particularly interested in this "Highway of Mission Books" but who traveled it in a careless way. There is the alley of Indifference that must be raised to the Height of Interest; the Mountain of Selfishness must be lowered and the Hills of Ignorance brought low. Prejudice has made crooked places on the road and Stinginess has wrecked the lives of many who started to travel its way.

The tools that will straighten and level the path are the love of God and the desire to keep His commands. These must be found in the hearts and practised in the lives of those who travel the Highway of Mission Books. That the Highway be straightened and leveled is imperative for the sake of those who come after us, some of whom may be lame in mission interest while others are young and inexperienced and should not be burdened or discouraged as they travel "The Highway of Mission Books."

The end of this mission highway is bright and glorious for it leads to the mind of Christ and the determination to share Him with the world of men who are lost. This is the only purpose of travel on the "Highway of Mission Books."

Since November 1, 1936 to November 1, 1937 many Baptist women and W. M. U. young people have traveled this wonderful road and the following tangible results have been received:

## REPORT OF YOUNG PEOPLE'S LEADER

Miss M. Katherine Harris

## "Preparing the Way"

"The Voice of him that crieth in the wilderness: Prepare ye the way of the Lord, make straight in the desert a highway for our God. Every valley shall be exalted, and every mountain and hill shall be made low; and the crooked shall be made straight, and the rough places plain: and the glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it." Isa. 40:3-5.

From its beginning in 1888 Woman's Missionary Union has been seeking to prepare the way of the Lord in all the earth. Through her interest and prayers for our early missionaries and her aid in "collecting funds for the propagation of the Gospel in heathen parts" she began laying the foundations for a "highway for our God" reaching from her heart, by way of the heart of God unto the uttermost parts of the earth. It is in the continuance of this highway that Oklahoma Woman's Missionary Union labors today.

Some of you have seen the very beginning of the construction work here in our state. Many of you have labored many years in the process of road building. Because we all realize the unending task that is ours in making the "crooked places straight and the rough places plain" we have sought to enlist our young people in this far-reaching effort to prepare a highway on which the King of Kings may march in triumph when He comes to claim his chosen ones of all the earth.

Working with you to this end your young people's leader has met some sixty-five field engagements, eleven of which kept her out from three to ten hours each. Eighteen of these engagements were in Schools of Instruction which we hope have helped to lay firmer foundations for road building here in Oklahoma.

In the absence of Mrs. Spooner your young people's leader did what she could to direct W. M. U. activities at Falls Creek this summer. In addition to teaching the Y. W. A. class she tried to slip by the other classes now and then to check up attendance and help the teachers in any way. A number of conferences were held during the day at Howell Hall, which is always W. M. U. headquarters.

In 1910 Woman's Missionary Union looked with loving eyes on her daughters scattered on college campuses over the South and saw that rough places needed to be made plain for these young women so soon to take up the responsibilities of leadership. Thus there came into being an Ann Hasseltine or College Y. W. A. to hold fast to our daughters as they walked the sometimes rough way. Today our Ann Hasseltine Y. W. A.'s work as a unit organization of the Baptist Student Union on our college campuses. Your Young People's Leader, therefore, has the privilege each year of attending the state conventions of the B. S. U. and meeting in conference or discussion groups the Y. W. A. representatives from the various colleges. The Convention this year was held in Chickasha where every Ann Hasseltine Y. W. A. was represented in the conference group by one or more girls. During the year your Young People's Leader has visited in every college campus where we have an organization except Ada. She also visited Eastern Oklahoma College at Wilburton and the Southeastern Teachers College at Durant where we hope to be able to perfect organizations during this year. Some of the schools have been visited more than once. An unusual privilege this fall was a visit to the Government Indian School at Chillico where your secretary spoke nearly all day long meeting with every B. T. U. group on the campus and speaking in the eve-

ning to the interdenominational vesper service when more than three hundred Indians boys and girls came of their own accord to worship at the close of the day. The way is being prepared in the hearts of Indian youth in a most faithful way there by your missionary, Miss Mary Gladys Sharp.

Traveling along highways over the state one sees signs reading "Drive in, one stop service." Woman's Missionary Union of Oklahoma has sought to set up such filling stations along her highway of service as she provided house parties, camps and conclaves for her young people. Information, inspiration, fun and fellowship, worship and study are all provided on our programs for the boy or girl or young woman privileged to attend them. The second year of our Royal Ambassador Conclave was a distinct disappointment this summer. Everything was there but the boys. Our special guest this year was Mr. Sadamoto Kowano, a Japanese gentleman studying in our Southern Baptist Theological Seminary in Louisville, Ky. In every way he entered into the spirit of our Conclave. So interested were our boys in him that they asked to be allowed to present Mr. Kowano with a year's subscription to World Comrades, a Royal Ambassador Counselor Guide and an R. A. pin. Mr. Kowano had expressed his interest in organizing the boys of Japan. He was so grateful to the boys that his English failed him and he had to thank them in Japanese, later translating his words into English. We are more than grateful to Rev. Ben McMillican and Mr. S. M. Leonard of Tulsa for their untold contribution to the Conclave as they gave of their time and effort to make the conclave mean all it could to the boys.

In our Y. W. A. and G. A. house parties which were also smaller in number than last year we had the privilege of having as our guests Mrs. George Sadler of Liberty, Missouri, a former missionary to Africa and Mrs. Shad Medlin of Arkansas, formerly of our Mexican Baptist Institute at Bastrop, Texas. Mrs. J. W. Moffitt of Oklahoma City graciously gave of her services in leading the recreational and sports activities for these two groups and shared in the responsibility of leadership with Mrs. Spooner and the others when your young people's leader was called home on account of the illness and death of her father. We are grateful to Mrs. Spooner, Mrs. Wells and the above named for carrying on in her absence from the G. A. House Party.

Another one stop service station was found by eleven of our Oklahoma Y. W. A.'s as they attended the Southwide Y. W. A. Camp at Ridgecrest, N. C. Miss Ruth Wilkin, of Anadarko and Tulsa, took over the responsibility of directing this group of young women as your young people's leader was still at her home in South Carolina. At Ridgecrest our girls entered into the wonderful program and spirit of the Y. W. A. Camp along with almost a thousand other Y. W. A. girls from over the South and the world.

Seeking to enlarge the vision and services of our boys and girls as we lead them in the way Woman's Missionary Union has added an attractive feature to their G. A. and R. A. work—that of the Forward steps for the girls and the Ranking System for the boys. All of our organizations have not taken advantage of this new material which tends to develop a better and more lasting conception of their mission in the world. At our G. A. House Party in Shawnee this summer Hazel Rust of Watonga was presented with a scepter, a symbol of work accomplished necessary to reach the rank of Queen with a scepter. Margaret Beame and Inez Lewis of Guthrie were presented with caps, having attained the highest honor that can come to a G. A., the rank of Queen Regent. Central Association leads in the number of girls working on and attaining

the Forward Steps. We wish that more of our girls could be led to this means of more devout preparation for the coming of the King.

Parks Chrestman of Spiro has attained the rank of Ambassador. Extraordinary and was the only boy to receive the beautiful . A. pin encircled with a wreath of gold, which is the symbol of his ranking in Royal Ambassador work. Surely our boys need these additional incentives to preparation for better service in highway building in His kingdom. Let us not leave our boys and young men by the wayside.

Many roadside parks are being built along our highway these days. They are inviting looking spots to rest and refresh the weary traveler with always a spring or well of water to quench his thirst. The three special seasons of prayer in the life of Woman's Missionary Union serve this same purpose in our lives. The Water of Life becomes more precious to us as we study about, pray for, and live that those who have never tasted of the water of life may come and freely drink. Your young people share in the blessings of these roadside parks only as they are led and encouraged by you. The observance of 828 special seasons of prayer and gifts was reported this year; some societies observing only one season, some two, and others all three. Surely every one is privileged to abide in Him in this way. This year during our state season of prayer our young people were asked to complete the furnishing of the infirmary in the Memorial Dormitory at O. B. U. since their gifts last year were not sufficient for this purpose. We are glad to report that now the total amount on hand for the infirmary is \$272.48. We feel sure that more is yet to come so that now we may fully equip the infirmary.

Woman's Missionary Union has provided along her highway of service filling stations of Mission Study. The regular monthly programs may fill the tank to start with but if we would travel far on the King's Highway we must have a constant infilling of missionary information and inspiration. We find many of our young people's organizations using cheap gas and oil or running out of gas completely thus failing in their missionary function as they refuse to buy books or fail to have a mission class at all. How can we expect them to go far unless we furnish them with books, magazines, charts, and what not to fill their ever ready and alert minds with the spirit of missions through study classes at least once a year.

This year we are reporting only 585 classes among the 1,183 young people's organizations. Of this number 158 classes were held among the 279 Y. W. A.'s; 63 among the 195 R. A.'s; 291 among the 108 G. A.'s and 73 among the 274 Sunbeam Bands. Resulting from these classes 5,270 mission study awards were issued to our young people: 1,354 to Y. W. A.'s; 798 to R. A.'s; 2,005 to G. A.'s; and 1,113 to Sunbeams. Unless more effective mission study be carried on among our auxiliaries we will soon find many stalled and deserted "cars" all along the way.

Linked with mission study we must needs think also of our missionary magazines: World Comrades for Sunbeams, G. A.'s and Y. W. A.'s and The Window of Y. W. A. At the last report from Birmingham we had not reached our goal. The tragedy of this lies in the fact that even if we had reached the goal we would not yet have attained the ideal set by W. M. U. of providing each counselor with sufficient copies of the magazines to efficiently carry on her work. That means that the magazines are not in the homes of our children and young people but are being used merely as program

material. Every Baptist home should be a "filling station" of missionary information. We cannot expect to rear a generation of missionary minded young people until we have surcharged our homes with missionary atmosphere. These magazines are published for the young people themselves. Let's give to them their rightful heritage.

One of the most delightful experiences of your young people's leader this past year was teaching for a week in a city-wide negro school of missions. Mrs. Maud Brockway, state president of the Negro Woman's Convention, had charge of the school. Pastors from the various churches in the city led the devotional services and a number of colored ones taught the classes. Stewardship was the theme of the school. Most of the women bought books out of their small incomes and gave a free will offering each night. They took their examinations and had regular commencement exercises on the Sunday following, giving the awards at that time.

One of the fundamentals of Woman's Missionary Union throughout the years has been her teaching concerning our gifts and the stewardship of our possessions. New stewardship education plans for our young people were introduced this year. How effective and far reaching they have been is hard to ascertain at present. Our reports (and they are incomplete, we know) show 372 new tithers among our young people this year. The total number of tithers is 3,398. Of this number 1,536 are Y. W. A.'s, 1,195 G. A.'s, 295 R. A.'s and 372 Sunbeams. Not until we have obeyed to its fullest His teachings concerning our possessions and led the youth of our land to follow in our footsteps can his way be made plain and His story revealed. Shall we not be more concerned about this particular phase of our work by encouraging the persistent week by week study of the stewardship teachings of Jesus and participation in the Annual Church Night preceding the every member canvass in our churches?

Working together in preparing the way for Him this year has been a total of 1,163 young people's organizations: 279 Y. W. A.'s, 388 G. A.'s, 195 R. A.'s, 274 Sunbeams, 8 Ann Hasseltine or College Y. W. A.'s and 1 Grace McBride Y. W. A. Of this number 127 were new organizations this year. There were 23 new Y. W. A.'s, 47 new G. A.'s, 30 new R. A.'s and 27 new Sunbeams. We are happy that of this total number of organizations there were 82 A-1 societies: 22 Sunbeams, 16 R. A.'s, 26 G. A.'s, 16 Y. W. A.'s, 1 standard McBride Y. W. A. and 1 Ann Hasseltine Y. W. A. It is urgently needful that we enlist more of our young people in our missionary education program. We pray that our W. M. S. may more keenly feel this responsibility.

There have been many courtesies extended by friends over the state. To them we wish to express our grateful appreciation. One of the greatest joys in the work is that of meeting and knowing W. M. U. friends along the way as we work together to make plain His way in all the earth.

#### REPORT OF COMMITTEE ON RECOMMENDATIONS

With a deep feeling of gratitude for the number of organizations added to our roll, the increased gifts of the past year and the spirit of loyalty and co-operation that has characterized our work, your committee makes the following recommendations for the coming year:

That our watchword be: "Give unto the Lord the glory due unto His name; bring an offering, and come into His courts." Psalms 96:8.

That our song for the year be: "Come, Women. Wide Proclaim."

That we follow as far as possible the plans and methods set

forth in the Year Book published by the W. M. U. of the South and that we emphasize in every way possible to our societies the "chief aims" of our Union—Prayer, Enlistment, Bible, and Mission Study, Personal Service, Tithes and Offerings on the part of our entire constituency, and Missionary Education of Young People. That we re-affirm our responsibility as Christian citizens in declaring ourselves to stand for the moral standards set forth by our Union.

That Oklahoma Service Calendar for the year 1938 be as follows:

- January—Scholarships
- February—White Cross
- March—Home Missions
- April—District Expense and Children's Home
- May—Memorial Love Gifts for Dormitory and Plans for an enlarged program for auxiliaries
- June—Associational Expense, Houseparties and R. A. Conclave
- July—Southwestern Training School Nursery and special work with Auxiliaries
- August—Scholarships and special work with Auxiliaries
- September—State Missions; Missionary Literature subscription campaign; Children's Home; Memorial Love Gifts for Dormitory.
- October—Enlistment; Boxes for frontier preachers and Indian Missionaries
- November—Margaret Fund
- December—Foreign Missions

### **I. Enlistment**

That October be set aside as Enlistment Month, and that each fifth meeting in the month be designated for advancing the interest of W. M. U. organizations, using plans or methods best suited to local conditions. That strong organizations co-operate with Associational leaders in fostering weak ones.

That we strive to reach the goals for the Jubilee Year—a 10 per cent net increase in the W. M. U. organizations and membership over the number of 1937. Let us not lose a single organization or an active member while we are gaining the 10 per cent increase.

### **II. Personal Service**

That we follow the Personal Service plans as suggested in the Southwide W. M. U. Year Book, keeping in mind always the aim of all Personal Service is Soul Winning.

That we follow the Southwide plan of reporting only organized Personal Service, checking the various activities engaged in rather than the number of visits, garments, etc., also the number of members engaged therein.

That a Personal Service Committee be appointed in every W.M.S.

### **III. White Cross**

That each society have a White Cross Program once a year preferably in February.

That each society be urged to make a cash contribution to White Cross for work in our Baptist Hospital, Ogbomoso, Nigeria, Africa.

### **IV. Mission Study**

That Woman's Missionary Societies urge and co-operate with the church in supporting the Church School of Missions. Catalogues giving detailed instructions may be secured from the State W. M. U. Headquarters.

That mission libraries be established wherever possible in churches or associations.

That at least one program on World Peace be given during the year.

That all who have completed Courses I and II enroll for Advanced Course of Study.

That renewed emphasis be given to teaching missions to the young people.

That classes be organized for women who lack only a few books of finishing Courses I and II.

That "Telling You How" by Miss Juliette Mather, be used as the young people's method book, and "Mission Study, Why and How" by Mrs. A. L. Aulick, be used as the W. M. S. Method book, each receiving credit on Certificate Course II in place of Home or Foreign mission book.

That leaders of W. M. U. Auxiliaries encourage young people to buy mission study text books as they are studied. Satisfactory work cannot be done if teacher, only, has a book.

That emphasis be placed on the study of books dealing with the missionary teaching of the Bible, using as texts one or all of the books recommended by the Woman's Missionary Union of the South and leading to the seal on Certificate Course I.

That Mission Study Chairmen and leaders assemble for future reference plans on mission study that appear in various periodicals.

That, in keeping with the recommendation of the Southern W. M. U. and beginning January 1, 1938, Point Seven of the Standard of Excellence will be attained when one-half of the active membership attend the class and one-half of those enrolled read the book.

That in keeping with the recommendations of Southern W. M. U. "Pioneer Classes" for women and young people who never have attended a class be promoted, the goal being at least one class conducted by every W. M. S. for those within the church who have not studied in a class.

That Associational Mission Study Chairmen seek out Missionary Societies and W. M. U. young people's organizations in her association that never have had a mission study class arranging for women from other societies to teach such classes.

Beginning January 1, 1938, these "Pioneer Classes" are to be reported by the W. M. S., through the proper channels, such reports to go from the State to Southern W. M. U. Headquarters.

That, beginning in the fall of 1937, we place renewed emphasis on Mission Study Institutes, State, District, Associations, City-wide and in single churches, teaching teachers how to teach missions. That in these Institutes we major in methods of teaching young people and definitely prepare for an increased number of classes as well as better teaching. That the following helps be used in directing the Institutes: The leaflet, "The Mission Study Institute" by Mrs. A. L. Aulick; "Outline for Methods' Conferences in Institutes" by Mrs. Una Roberts Lawrence (From Recommendations of Southern W. M. U.)

That we set as a goal for Golden Jubilee Year a ten per cent increase in mission study classes during 1938.

That W. M. U. women and young people appreciate the radio as a means of missionary education paying especial attention to programs (Commercial or literary) broadcast from states in which Southern Baptists work as well as to programs from over-seas.

That W. M. U. women and young people read the secular press from the missionary viewpoints. "Mission Study is the best possible supplement to the daily newspaper if you would understand headlines." (Una Roberts Lawrence)

That books be distributed one week before the meeting of a one-day class and that some kind of visual teaching, such as maps, charts, blackboards or pictures be used.

That mission study chairmen exercise greater diligence than ever in securing reports of classes taught and the number of awards granted. As diplomas and certificates are valuable in educational work, we should make use of them in missionary work.

That the ideals of the Woman's Missionary Union be to fix an intelligent missionary consciousness in the hearts of every man and woman, young person, boy or girl, who may come within its influence.

#### V. Missionary Literature

That we endeavor to increase greatly our subscriptions to the missionary periodicals: Royal Service; The Window of Y. W. A.; World Comrades; and the Baptist Messenger.

#### VI. Young People's Work

That we be faithful to the youth in our churches in enlisting and training them in the spirit of missions by fostering all the missionary auxiliaries: Y. W. A., G. A., R. A., and Sunbeams, not being satisfied until a full-graded W. M. U. family is organized in each church.

That we continue to emphasize the organization of a Sunbeam Band in every church, but that during this Twenty-fifth Anniversary Year of the organization of G. A.'s, we make earnest effort to organize at least a Junior G. A. in every church where there is a Woman's Missionary Society.

That we encourage rural churches to organize and maintain the missionary education program of Woman's Missionary Union after Sunday school on the Sundays when there is no preaching service.

That Young People's Directors be urged to have at least quarterly conferences with her counselors and leaders praying and planning definitely and earnestly for that quarter's work.

That each W. M. S. have at least one training class each year for all Auxiliary Counselors using as a basis for study the Correspondence Course as suggested on Page 82 of the Southwide W. M. U. Year Book, urging Y. W. A.'s, Intermediate G. A.'s and any prospective leaders to take this class also.

That Woman's Missionary Societies will provide each auxiliary with sufficient copies of World Comrades and The Window of Y. W. A. to carry on their work in an efficient way, and encourage parents to subscribe to the magazines for their own children.

That stronger emphasis be laid on securing monthly reports from auxiliaries through the Third Vice President or Young People's Director, and including them in the quarterly reports of the W. M. S.

That Annual Promotion Days be observed in every W. M. U. family at time of other church promotions.

That Forward Steps of G. A.'s and Ranking System of R. A.'s be emphasized and encouraged by special recognition of the W. M. S. before the church, as requirements are fulfilled for advancement, providing armbands, insignia and pins as required.

That participation in the Southwide Focus Weeks be urged to give emphasis to missionary education activities of W. M. U. Young People, asking our pastors to preach on the Watchword of the particular organization on the Sunday preceding Focus Week. (See W. M. U. Year Book page 78 for dates.)

Believing that many more of our young people may be reached through District and Associational Houseparties, Camps and Con-

claves, we urge each District and Association to hold such for its young people.

That we promote stewardship among our young people through participation in the Stewardship Education Plans recommended by our General Union, encouraging Annual Church Night just preceding the every member canvass in the local church.

That Young People's Directors be asked to encourage all auxiliaries to participate with the W. M. S. in all activities listed on the Service Calendar.

#### **VII. Margaret Fund**

That the Margaret Fund endowment be given special emphasis in all districts and associations. That each local society have a Margaret Fund Chairman who shall strive to interest and encourage societies and auxiliaries to pray for, guide and give watchful care over these Margaret Fund Students. That all money for Margaret Fund students be sent direct to our State W. M. U. Office.

#### **VIII. Christian Education**

That we co-operate with Oklahoma Baptist University in a great Christian program. That we continue our W. M. U. Memorial Love Gifts as per our Service Calendar.

#### **IX. Scholarships**

That we make our scholarships state-wide with all districts and associations sharing proportionately in the apportionments.

That we give scholarships to young women who are ready for our Training Schools. (W. M. U. courses are offered at W. M. U. Training School, Louisville, Kentucky; Southwestern Training School, Fort Worth, Texas; and Baptist Bible Institute, New Orleans, La.)

That special committee shall have charge of all applications, working out the requirements for awarding scholarships.

That in case scholarship girls do not become missionaries of the Home or Foreign Mission Boards, these scholarships become a loan and they are then required to pay back the money.

#### **X. Stewardship**

Realizing the need of an awakening among our women and young people in scriptural stewardship of tithes and offerings, we would re-emphasize the need of a local chairman of stewardship whose duty it shall be to encourage and teach stewardship through studies, talks and devotionals, keeping constantly before the women and young people our Lord's plan of finance and their obligation as stewards of His Gospel, whereby through their loyalty or disloyalty, His cause advances or suffers defeat.

We recommend the carrying out of the six major points in our Stewardship plans for our Golden Jubilee Year, viz:

1. Intercessory prayer for the convicting and constraining power of the Holy Spirit on the money question.
2. That we take as our definite goal 2,200 new tithers, women and young people, for 1938.
3. That we make a special effort to promote the financial aims adopted by the Union in its Golden Jubilee goals.
4. That earnest endeavor be made to promote the plans for the stewardship education of our young people, special emphasis being given to the annual Stewardship Program.
5. That we encourage churches to adopt the Prove Me Plan.
6. That we give much emphasis in the securing of a gift to missions from every resident woman member of the church, giving special recognition to those churches in which every woman member has contributed to missions in the year.

**XI. Orphans' Home**

That we continue our policy of "adopting" the children of the Oklahoma Baptist Orphans' Home to clothe and that we continue sending canned fruits, vegetables, etc., to the Home.

**XII. Apportionments, Gifts to Missions**

That Oklahoma W. M. U. apportionments to the Co-operative Program be one-third of the amount proposed by the Baptist General Convention of Oklahoma.

That we adopt as our goal for the State Mission Offering \$2,000.00.

That we take as our goal for the Annie W. Armstrong Offering for Home Missions \$5,200.00.

That we adopt as our goal for the Lottie Moon Christmas Offering for Foreign Missions \$13,000.00.

That we adopt as goals for other causes as follows:

Nursery Fund.....	200.00
Scholarships Fund.....	1,200.00

Respectfully submitted,

Mrs. T. J. Doss, Chairman

Mrs. Jett Moses

**REPORT OF EXECUTIVE BOARD**

As we look back over the year 1936-37 to bring a report of the activities of the W. M. U. of Oklahoma we are constrained to say with the Psalmist "Give unto the Lord the glory due unto his Name" (Psalm 95:8) for surely we have felt his guiding hand this year. It was a red letter day, a day to glorify Him, when we met together on February ninth to celebrate the completion of one task to which we had set ourselves—the payment of the debt on the Dormitory. It was a never-to-be-forgotten, day for God had given us the Victory. Then how truly did our hearts glorify him when the report came that Oklahoma women had given in the 1936 Lottie Moon Christmas offering for Foreign Missions \$1,241.71 beyond our goal! "That thy way may be known upon earth, thy saving health among all nations." Psalm 67:2.

It was on January 11th that the members of the Board gathered at the Baptist Building in Oklahoma City for the first meeting of the year.

The regular quarterly reports were presented and adopted.

Since the recommendations for the year specified that a historian be elected it was voted to elect Mrs. Geo. McMillan of Bristow to fill this place.

On Motion by Mrs. Aulick it was voted to ask the District Presidents to take a free-will offering in the District meetings this year for the magazine fund for our missionaries.

The statement was made by Mrs. Spooner that Dr. Scarborough, President of the Southwestern Seminary at Fort Worth, had asked Oklahoma for a cash offering to take care of some of the pressing needs at the Seminary and that the Baptist General Convention agreed in their last Board meeting to take an offering for \$5,000.00 and would like for the W. M. U. to accept part of this amount.

Mrs. Stevens moved that we co-operate with the Baptist General Convention when they take this offering by accepting \$1,500.00 as our share, urging the B. G. C. to postpone the date until after

the Annie W. Armstrong Offering is taken in March. Motion carried.

Our Corresponding Secretary reported that the dining room in the Memorial Dormitory at O. B. U. was very much in need of additional tables, chairs, dishes, and silverware. On motion by Mrs. Bell is was voted that we equip the Dormitory.

A motion was made by the recording secretary that we spend a thousand dollars for the equipment for the Dormitory for this year and that the Corresponding Secretary apportion this amount to the Associational presidents. Motion carried.

Mrs. Spooner presented the apportionments for the Hundred Thousand Club to the Associational Presidents, stating that our State is asked for 1,530 units of \$12.00 each.

On motion by the recording secretary it was voted to ask the Committee on Recommendations to bring their recommendations to the September Board meeting to give more time for their consideration.

Mrs. McMillan spoke of the home-going of Miss Mary P. Jayne, formerly a worker among the Indians at Pawnee and a former member of this Board, who died recently at Bacone College, Muskogee. Mrs. Stevens offered special thanks to the Heavenly Father for the glorious life of service Miss Jayne had rendered.

On August 30th and 31st a two day meeting of the Board was held. The first day was spent in conference periods conducted by the various heads of the departments. At the evening session Dr. Andrew Potter and Rev. Marvin Cole addressed the Board on the Unified Budget Program.

It was in the meeting on the second day that the matter of the maintenance of the nursery at Southwestern Seminary at Ft. Worth, Texas was presented when Mrs. Spooner brought a report of the amount that had been given for this purpose by Oklahoma.

Mrs. Aulick spoke of the needs of re-decorating the nursery and the great work this department is doing in caring for the children of pastor students and their wives who are in school. In the discussion which followed it was suggested that a free-will offering be taken at the next Associational meetings for the purpose of re-decorating the nursery at the Southwestern Seminary.

Mrs. Spooner asked that a Golden Jubilee Chairman be selected in each District and Association to take the place of the Debt Completion Chairman. The Golden Jubilee Chairman to work under the direction of the State Golden Jubilee Chairman and with the Golden Jubilee Chairman of the local societies.

Our Corresponding Secretary announced that we have been asked by Southern Woman's Missionary Union to secure a list of "100 per cent Churches"—that is, churches in which every resident woman member makes some offering to missions during the year.

Departmental reports were presented and adopted as read. In presenting her report as Margaret Fund Chairman, Mrs. Bell stated that under the new Southwide plan we should major on building up the endowment of Margaret Fund. Societies are asked to continue their contributions to the general Margaret Fund as in the past and to "mother" conservatively the following Margaret Fund students: Claudia Johnson, Central, Muskogee and Northwest Districts; Alpha Marie Worthington, Northeast, Tulsa-Rogers and Panhandle Districts; Dorothy Lee Johnson, Southeast, East Central and Shawnee Districts; Arthur Elder, Lawton, South Central and North Central Districts; Frank Elder, Southwest and West Central Districts.

Mrs. T. J. Doss, Chairman, presented the report of the Committee on Recommendations for consideration and study prior to the Convention. Each member of the Board received a copy of this report.

Mrs. Spooner reported that our Lottie Moon Offering for the year 1936 had reached \$11,241.71.

Mrs. McMillan asked that all Districts, Associations and Societies co-operate in sending historical information to her as State Historian so that accurate material might be gathered for the history of Oklahoma Woman's Missionary Union.

Our Corresponding Secretary presented an appeal from Southern W. M. U. asking that we secure all articles, such as jewelry, dresses, etc., or any literature which might have any bearing on our work in 1888 or thereabouts. These articles will be used for display purposes at the Southern Baptist Convention, will be handled carefully and returned intact to the owner. Each Associational and District President is asked to be on the alert for any material of this kind.

Special plans for the Golden Jubilee Year were presented by Mrs. Spooner.

Mrs. Stevens moved that Oklahoma W. M. U. furnish a year's scholarship to Miss Dorothea Wang, young Japanese girl, college graduate, who wishes to go to the W. M. U. Training School in Louisville for special work so that she may return to her own country and do W. M. U. work. The motion was carried.

In the Board Meeting previous to the annual meeting brief quarterly reports were brought by the departmental officers.

On motion by Mrs. Willhoyte, it was voted to elect the Associational Presidents to be assistants to the State Historical Secretary for gathering material for the W. M. U. history of Oklahoma.

Mrs. Spooner presented the goals for 1938, the Golden Jubilee year.

The appointment of Mrs. H. B. Willhoyte as Golden Jubilee Chairman for the State was ratified by the Board on motion by Mrs. Stevens.

It was moved by the recording secretary that we send messages of sympathy to Miss Kathleen Mallory, Executive Secretary of the Southwide W. M. U., who has suffered the loss of her brother, and to Miss Juliette Mather, Southwide Young People's Secretary, whose father has also gone on to the glory land. The motion was carried and the president asked the recording secretary to send these messages of condolence.

Respectfully submitted,

Mrs. C. A. Richards,  
Recording Secretary

## REPORT OF MUSKOGEE DISTRICT

Forward with Christ's program has been the leading thought in the hearts and minds of the women and young people of Muskogee District during the past year. The beginning of the year found them ready and full of enthusiasm for our work, realizing that it was the time for broad and enthusiastic vision. Having a constructive program, with God's help they put into action with gratifying results. We have gone forward in observance of the Seasons of Prayer, and offerings, Mission Study, organizations of auxiliaries, larger attendance at our rallies and annual meetings, a burning zeal for winning the lost, in ministering to sick and unfortunates, work among the Negroes. There is much interest in our Margaret Fund Student and our Scholarship to Poo Tui. A special gift to Mrs. Franklin Ray for her Japanese kindergarten work. Increased interest in Stewardship-many of our societies are working on the Every Member Gift to Missions and are greatly encouraged with the response they are receiving.

For much inspiration the past year we are greatly indebted to Miss Emma Leachman, Miss Juliette Mather, Mrs. Harold Hall, Mrs. A. Hancock and our beloved Secretary, Mrs. Spooner.

Since the division of the districts we did not have a Young People's Camp but plan for one next year—a W. M. U. Retreat.

We are grateful indeed for the many blessings which God has bestowed upon us. We look forward to another year of greater service for Him. My heart desires only those things for Muskogee District which will bring spiritual development.

Mrs. T. W. Stevens, District President.

### REPORT OF PERSONAL SERVICE CHAIRMAN

The program topic, "Stand Ye in the Ways," does not suggest idleness. The old prophet Jeremiah is teaching Personal Service to his people. Let us analyze the whole verse from which the topic is taken. "Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest to your souls."

"Stand ye in the ways"—be in places where the people are—the "see"—look for deeds of service and needs of service, and as the needs are seen render the required service. Let all that we do point to the "old Ways" and the "good way," and by walking in these paths ourselves we will be able to give help and aid to those seeking rest for their souls. The prophet is telling us to be ready for service and it is Personal Service of which he is speaking; for he is asking each one to do these things.

Whatever we do as individuals or as a circle or society should be with the idea of enlisting or winning to Christ. We should not count all the items separately but that we as an organization are doing the things as outlined or planned by the chairman in a small society or committee in a large one.

When we think of Personal Service as Local Missions, for it is missionary in heart and purpose, it is not showing love for family or friends, but meeting the needs of the people in our community; this will help us in solving the problems of the work. The main objects are listed on our report blanks in the general secretary's book, but each community may have local projects.

This next year—our Jubilee year—the goal is a Personal Service committee in every W. M. S. doing directed work with the emphasis on soul winning. Let us in Oklahoma do our best to attain the victory in this Jubilee ideal.

As we think of this division of the program, "The Way of Love" (I quote from the Moffatt translation) "make love your aim and then set your heart on spiritual gifts, especially upon prophecy."

So as we think of Personal Service in the light of these program topics let us sum it up in this way:

Stand ye. Be ready for service.

See. Be looking for needs and opportunities for service.

Ask. Be seeking, the old paths, the good way.

Walk therein—we ourselves, and bring others with us.

Rest for Souls—the need of every one.

Your aim—Love.

Aspire. Spiritual gifts.

Prophecy. Put forth words of truth.

What more can we ask for direction in Personal Service, which means you at work in your community with whatever means of contact you can use to win the lost or enlist the unenlisted, establishing them in the old way, the true way, as Christ said: "I am the way, the truth, and the life; no man cometh unto the Father but by me."

Reports received from these districts:

Southeast	2
South Central	2
Northwest	1
Southwest	2
West Central	1
East Central	1
Muskogee	1
Central	2

These report 1,503 women engaged in Personal Service; 47 Societies stressing soul winning.

Mrs. R. D. Sheldon

### REPORT OF STEWARDSHIP CHAIRMAN

Woman's Missionary Union has many avenues through which love may be expressed.

To the Stewardship Chairman has been assigned the particular task to stimulate the grace of giving among the women and children of the churches.

No longer in considering the subject of Stewardship do we confine ourselves to money alone. Careful study of Stewardship literature has led us to see that we are stewards, accountable unto God for all that we are and what we may become, when our lives as well as our possessions are surrendered wholly unto Him.

In Luke 16:2 we have these words, "Give an account of thy stewardship, for thou mayest be no longer a steward."

All Christians must come to realize that the Lord owns all who have accepted His redemption. "You are not your own" even though we may not yield to Him full surrender of our lives.

A steward on a great ocean liner approached the captain one day and said timidly, "Captain, a thing isn't lost if you know where it is, is it?" To which the captain replied, "Certainly not." "Then, sir," said the steward, "your silver cup isn't lost, but it's in the bottom of the ocean." Too many Christians are like that cup—we belong to the Lord, but our lives of usefulness are lost to Him. We are not willing to acknowledge His sovereignty in our lives.

Patient and persistent teaching of God's message on Stewardship is resulting in an increased number of tithers. Our records this year show a total of 16,999 tithers, 1,905 of them being reported as new tithers. They are divided as follows:

	New	Total
W. M. S.	1,533	13,601
Y. W. A.	197	1,536
G. A.	115	1,195
R. A.	40	295
S. B.	20	372

One of our aims for 1938 is a still larger increase in number of tithers, 2,200 being a suggested goal.

Knowing that the missionary enterprise of tomorrow will be in the hands of the youth of today, serious consideration should be given to Stewardship Education plans for our young people. The annual Stewardship Night program should be a major concern of the W. M. S.

Another way of expressing our love is in lifting the burden of debt by paid-up membership in the One Hundred Thousand Club.

For several years one of the Southwide Stewardship goals has been 100% churches—every resident woman member of the church making a gift to Missions. Not until this current year has Oklahoma had even one church to add to that list. To date we have Keyes in the Panhandle Association and Marshall in Perry Association. Surely, other churches will express their love by enlisting 100 per cent of their women.

God's way of expressing His love was in giving. The compelling motive of our giving must be love. The world's greatest work is done in the name of love. One succeeds best in doing the work he loves. Salvation is based on love. Gold could never have induced Christ to climb to Calvary. Love alone was willing to wear a crown of thorns and go the way of the Cross. Love alone will compel us to give unto Him the honor due Him, and bring an offering into His courts.

Mrs. H. B. Wilhoite, Stewardship Chairman

### REPORT OF THE WOMAN'S MISSIONARY UNION TRAINING SCHOOL

Our Woman's Missionary Union Training School is fulfilling the Scriptural motto, "A more excellent way." The purpose of the Training School is "to train women for efficient service in Foreign and Home Mission Fields and in all departments of denominational work." There was a time when young women with a fair academic education and a desire to do mission work were acceptable to our Boards. Today, only those are appointed to do mission work who have a college degree plus missionary training in one of our denominational training schools. This is a day of specialists and highly trained specialists are as necessary for the promotion of Kingdom work as in any other field of endeavor. So we conclude the Training School to especially further missionary education is "the more excellent way."

For the past several years Miss Littlejohn's fall report to trustees has been saying, "Best since session 1929-30"—and these same words bring cheer in her October 1937 report. The fall term opened with 81 boarding and 31 day students—a total of 112—an increase over the late fall enrollment of last year. These students come from sixteen Southern states and one from Japan. Oklahoma this year has two scholarship girls in House Beautiful—Miss Inez Price of Noble and Miss Ruby Howse of Hugo. It will interest you to know that Miss Price was elected President of the Student Body for this year (her second). We appreciate the honor she has thus brought to her home state, Oklahoma.

"Nineteen-thirty-seven" stands out as a memorable year in Training School History. First, there was the onslaught of the Ohio River. I hardly need remind you of this devastating visit of "Ole Man River" last January, bringing to Louisville the worst flood in history and closing the school for nearly a month. A word of commendation must here be recorded for Miss Littlejohn and her helpers who met most courageously all the emergencies of those disastrous days. Practically all basement equipment, wood-work and walls needed replacement or repairs. The most needed of this was done at once at a cost of \$1,743.00 and other imperative repairs will soon cost another estimated \$2,300.00. Shelves were washed bare of all provisions, fruits, preserves and other good things. While our state is not called on to send such provisions perhaps you will remember this emergency and increase your gift to the Christmas turkey fund a little later, that some other provisions may be added to the empty shelves. Second, the passing of the Local Board is to be voted. As a Board they had their first meeting, according to Convention vote, last April. Mrs. T. H. Whayne, long chairman of this Board, and Miss Fannie Moses served from its inception in 1904 through this last meeting in April 1937. The affairs of the school are now administered by the Board of Trustees, consisting of the President, Executive Secretary and Treasurer of Woman's Missionary Union, one Trustee from each Southern State, three trustees at large and seven resident Trustees. To assist the Board of Trustees is an Advisory Board of seven members, the Executive Secretaries of the Foreign and Home Mission and Sunday School Boards, two faculty members of the Southern Theological Seminary and two local laymen. Third, and latest happening of great importance this year was the purchase a few weeks ago of a wonderful tract of land out at "The Beeches," as the site for our new Training School. This property comprises seven and a quarter acres, facing on Lexington Road and directly adjoining the Seminary property. The price paid was \$27,500. The dream of the past few years is thus fast coming true and ere long the Training School will have all the advantages and privileges that such proximity to the Seminary affords.

In closing I would call your attention to the financial goals of Jubilee Year—\$60,000 over and above regular gifts which are to be increased by ten per cent. Fifty Thousand Dollars of this special Jubilee gift will be allotted to the Training School for the purchase of the property just mentioned and for the future development of the School. This \$50,000 is to be known as the Fannie E. S. Heck Memorial. While this amount is entirely for our Training School at Louisville, sums will be included from time to time in the Lotte Moon Offering for training schools in Foreign Fields. All such funds will also be designated as the Fannie E. S. Heck Memorial. Thus we link together in this beautiful way all the training schools under our W. M. U. Boards.

Your W. M. U. Training School Board asks your prayers that the School will be faithful to its purpose and task of training workers for the greatest work of all Christian agencies—that of winning the world for Christ, and pray that the training may be done not only in "a more excellent way," but in the most excellent way, to the glory of our Heavenly Father and the advancement of His Kingdom.

Last year's Turkey Fund amounted to \$32.50. There was one quilt given.

Respectfully submitted,

Mrs. James C. Hering, Trustee.

### REPORT OF SHAWNEE DISTRICT

Shawnee District is composed of two associations, North Canadian and Pottawtomie-Lincoln, formerly of Central District.

During the past year each association held regular quarterly rallies, which were full of information and inspiration. Three mission study institutes were well attended and proved very successful.

The District meeting was held in the Holdenville church with Mrs. Berta Spooner and Miss Harris, our Young People's Leader, conducting the conferences, and Dr. Jacob Gartenhous as inspirational speaker.

It has been our aim that the larger churches sponsor rural societies where possible, otherwise conduct classes in mission or Bible study. Many of the societies are doing this in a splendid way.

Our hearts have been made to rejoice over the faithful and efficient work done by our associational presidents. They have spent days in schools of instruction in churches where the women were eager to know how to better carry on every phase of W. M. U. work.

The goals of Shawnee District for the coming year will be to co-operate to the fullest extent with the Golden Jubilee chairman, with special emphasis being made to secure the 10 per cent increase in young people's organizations, also a renewed effort for better work among the Indians and Negroes.

Mrs J. D. McGovern, District President.

### REPORT OF CENTRAL DISTRICT

A signal honor has come to Central District this year through her W. M. U. Scholarship girl, Miss Inez Price, who has been chosen President of the Student Council at the W. M. U. Training School in Louisville, Ky. It has given us much joy to have a part in preparing this splendid young woman for a life of service in our Master's Kingdom.

There has been a noticeable growth in the work among our young people this past year—special rally programs and Camps for the Auxiliaries have been of invaluable aid. With the capable Associational Presidents and Young People's Leaders in these three Associations we are expecting to accomplish greater things in the year ahead of us.

In the District Meeting in April in Oklahoma City Central Association won the banner offered by the District for the largest number of auxiliaries in proportion to Missionary Societies and Chickasaw-Union was awarded the banner for the greatest number of Auxiliaries working on their ranking. We note that Central Association leads the State in number of Auxiliaries in proportion to her Missionary Societies and also leads in the number of girls working on and attaining their forward steps. Oklahoma County reports 10 W. M. U. Families, Central reports 4 and Chickasaw-Union 5, a total of 19 W. M. U. Families. We hope to be able to report some "100 per cent Churches" next year.

We are striving to serve efficiently in every department of W. M. U. work and our aim in this year before us is to reach the goals of the Golden Jubilee that we may more effectively serve our Lord and Master.

Respectfully submitted,

Mrs. C. A. Richards,  
District President.

## REPORT OF SOUTHWEST DISTRICT

Southwest District composed of only four counties, Harmon, Jackson, Greer and Tillman, has set for the Golden Jubilee year goal, every woman in every church making a gift to missions, and an A-1 society in each association.

Concerted effort is being made to promote interest in Young People's work and in meeting all goals set up by the state W. M. U. organization, not only for the Young People's work but for the women's societies.

All associations during the past year, have held quarterly rallies on scheduled dates, and great interest has been shown in meeting various societies that will aid the associations in meeting the Golden Jubilee goals.

Each association has set up plans for the organization of pioneer mission study classes in many of the churches, and for holding mission study institutes. During the past year institutes were held in each association.

One of the most encouraging features of the work in the district has been the increased interest in soul-winning and the definite efforts to enlist every Baptist woman in service.

Mrs. S. W. Hopkins, District President.

## IN MEMORIAM

Once more the living pause to memorialize the sainted dead, who are absent from the body but at home with the Lord. As the clock of time ticked off the days of the past year, many of our co-workers came within the range of the grim reaper, yet heard above his doleful chant, the voice of their master, saying, "Come up higher."

Many of them lived their lives away from the gaze of the world. Served in humble places and at humble tasks, but if faithful to the task assigned them they were greeted upon the threshold of heaven with the "Well done," of Christ.

What matters if their names were not written in the world's book of "Who's Who," since they were engraved in Heaven's book of Life and sealed with the blood of the Lamb.

They have reached the end of the journey and now they know the end is better than the beginning. They went alone and the gates closed after them. We say, "We cannot see them but they are still with us. Women like these are more than a memory, they are a living presence."

If they could speak audibly to us today, me thinks they would cry out so all could hear, "Carry On, Hold the torch of God's word a little higher as you travel along life's highway, that leads to our Eternal Home with God."

Until we meet them again in union indivisible, Comrades farewell.

Mrs. T. Grady Nanney
