Report of Auxiliary Organizations

This report differs from others made to this Convention, in that all the others refer to the Convention's relationship to the churches with their tasks looking outward in fulfilling our mission to those beyond our local church boundaries. But here it is that the churches take the inward look at their own forces organized for the promotion of the work of the Lord on the basis of the great commission. The Sunday school deals with the problem of teaching and the B. T. U. the problem of training our forces that we may become living epistles known and read of all men. The B. S. U. deals with our boys and girls while away from home completing their education, and furnishing for them a spiritual environment out of which they may see clearly and accurately where their talented lives can and should be placed to attain God's highest glory therein. The W. M. U. deals with Christ's organized womanhood, who are enlisting feminine talent for God's cause and leaving trails of glory along the pathway they trod. The Brotherhood, in its infancy of endeavor, has undertaken the herculean task of enlisting the church's dormant man power for Christ and His mighty task of world-wide evangelization at home and abroad. It is out of such worthy endeavors that all enlargement of our work must come.

Mrs. Berta K. Spooner has led the women of the state for several years through many a hard fought battle to glorious victory. Her force of helpers include: Mrs. H. B. Wilhoyte, the state president, Mrs. Mildred Wells, the office secretary, and fourteen district and thirty-three associational presidents.

Their program for the ensuing year embraces the characteristic watchword "Be ye steadfast." Mrs. Spooner's report shows splendid progress with 102 full-graded unions and 156 societies having reached the A-1 Standard of Excellence. They report 2,021 mission study classes and 22,218 awards. They have contributed \$46,917.45 to missions through the Unified Program and their total gifts for the year were \$108,830.95. In their 1940 program, they pledge \$5,300.00 for the W. M. U. Training School in Louisville. They also have enlisted in aiding the building of a Boys' Dormitory at O. B. U., having already raised \$10,041.32 for this purpose. In spiritual matters, they have enthusiastically entered the 1940 southwide evangelistic campaign. They are going forward in a most encouraging manner.

Rev. R. S. Bazzell heads the S. S., B. T. U., and B. S. U. Departments and his reports will make recommendations and offer suggestions that ought to enlist the interest and co-operation of all our forces. He has as his assistants, Miss Sophia Duerksen as field worker and Mrs. J. W. Barron, especially charged with Vacation Bible School work, and Miss Jewell Kirkpatrick as office secretary.

The Sunday school growth is very encouraging, reporting 1,011 Sunday schools with 166,473 enrolled, 24,000 officers and teachers, 10,745 awards. There have been 211 Vacation Bible Schools with 28,999 enrolled and 1,028 conversions. There are 42 Standard Sunday Schools—eleven more than last year which was our best year. There was a Statewide Conference for Associational Sunday School Officers at El Reno, and a State Sunday School Convention at Oklahoma City.

In the Training Union, the year closes with 2,492 B. Y. P. U's and B. A. U's having 46,448 enrolled and making 13,283 awards. There are 63 Standard Unions. There was a Statewide Conference for Associational Training Union Officers at Seminole

The Baptist Student Union is making good progress, reporting 2 B. S. U.'s with 9,000 Baptist Students. O. B. U. and O. C. W. have eached the First Magnitude. There are four full-time Secretaries and three part-time. There are Unions in State colleges and Universities, Business Colleges, Professional and Municipal colleges and our own Baptist College.

The objectives for 1940 are: the further extension of Sunday school and Training Union work in our churches by means of the 3 Associational organizations and the enlistment of Baptist Students

f every college in the membership activities of their churches.

The Falls Creek Baptist Assembly stands at the head of such nterprises in the Southland. It is a University of practical church ork, providing classes in every conceivable phase of Christian ervice. The newly enlarged tabernacle doubled the seating capacity ut left hundreds without it shelter in several of the services at the st encampment. The registration this year reached 7,050.

Here more volunteers for missionary service have dedicated nemselves to their life tasks than in all the rest of the state combined.

The recreational features are serious efforts to adjust our sople to a well rounded entirety of life. God who wrote such treendous urge to play in human hearts did it in His wisdom. But it ust be the seasoning for a complete being and absorb only its proprional part of our youths' lives. It is therefore distinctly Christian endeavor to properly relate it to the whole Christian manhood, us producing well balanced life. The consecrational and devotional ements bring to decision these well rounded lives as they face tasks of existence and their own powers and talents related to e whole scheme of progress.

The Baptist Brotherhood, under the direction of Prof. J. E. George Enid, had a wonderful convention and the interest was deep and iding. They enter heartily into the southwide campaign for one llion souls for Christ during the ensuing year. Their Brotherhood larterly is supplying a fine series of studies for our men and receivaincreasing patronage. Every church should organize their man wer for service locally and in the great denominational co-operative elements. The masculine in religion produces an aroma of com-

tion to our church work.

Associations should have Brotherhoods to encourage our men churches where no organizations do now exist, and a five-year jective with a Brotherhood in every church should be launched.

It is in these spheres of service that every member of our churches

is reached that we reach at all. It is here the forces are set in motion that crystalize into service all we do for our Lord and Master. When we fail here, we fail in both our local church tasks and our world-wide,

great commission activities.

It is with much concern we face the potentialities that lie dormant in human breasts. May God give the greatest wisdom to our leadership here, that during 1940 the Spirit that dominated Nehemiah might envelope them. The result of Nehemiah's leadership was summed up gloriously when we are told that "the people had a mind to work." (Neh. 4:6)

May the great spiritual objectives of the living Christ submerge us in their glory and may we arise as one man to the mighty unity of Spirit-led man power in service. May Oklahoma Baptists fulfill the

Davidic prophecy when he wrote:

"Thy people offer themselves willingly In the day of Thy army, in holy array: Out of the womb of the morning Thou hast the dew of thy youth." Psalms 110:3 A. R. V. mg.

Respectfully submitted,
J. B. Rounds, Chairman

REPORT OF COMMITTEE ON RELIGIOUS LITERATURE

We are familiar with three ways of promoting the Christian religion:

By public proclamation or preaching—

By personal testimony—

By the printed page.

A printed page that gives the message of religion is considered

in this report as religious literature.

The Bible must hold precedence in the entire field of religious literature. Other religions have their sacred books, but the Christian religion has the Divinely inspired Word of God. The message of any other religious literature must coincide with the message of the Bible to be accepted by us.

"This precious book I would rather own,

Than all the gold and gems

That e'er in monarch's coffers shone,

Than all their royal diadems."

We cannot say too much about reading the Bible early in the morning, late at night, privately or in the family circle; about studying it through the day and meditating upon it in our moments of relaxation and quiet.

Fortunately for our generation, the printed page has brought to us such a wealth of religious literature that the field could not be exhausted by the reading of any average person. Practically all publishing companies are promoting the publication of religious books. They may be bought in the book store and even borrowed from public libraries.

We call attention to the publication of religious books by Southern Baptists through the Broadman Press, Baptist Sunday

School Board, Nashville, Tennessee. These books and hundreds of other publications are available at standard prices through our Baptist Book Store, 223½ N. W. 1st., Oklahoma City, Oklahoma.

This book store also offers all supplies necessary in maintaining all the organizations of a present day Institutional Church, except the printed quarterlies, which must be ordered from Nashville. Thus churches can get Baptist literature and Baptist ideals in equipment through Baptist channels.

The profits accruing from the sales of such literature go into our Baptist work. The Sunday School Board puts around \$6,000.00 per year into the B. T. U., Sunday School, and B. S. U. departments of our work in Oklahoma. Surely each Baptist church should buy Baptist literature. So should each Baptist Church member.

In addition to this the Sunday School Board offers a wide range of free literature in the form of tracts, booklets, charts, etc. These will help in promoting all the departments of the Sunday School, the B. T. U., and W. M. U. Tracts may be used the year round for spreading the spirit of evangelism, the doctrines and ideals of the New Testament Church.

We would urge the establishment of Church libraries as a means of putting religious literature into the hands and homes of people everywhere. Almost any church can begin and grow a library. Again the Baptist Sunday School Board stands ready with proposed book lists, books of instruction, etc. Go back home and start building a library.

In addition to the weekly lessons published for all phases of Church organizations, there are monthly magazines and booklets for the leaders, superintendents and directors of the various departments

in any organized church.

We urge the use of "The Commission" published by the Foreign Mission Board; "Baptist Home Missions," by our Home Mission Board; "Royal Service," "The Window," and "World Comrades," published by

the W. M. U. of the South.

As a common medium of communication and of propaganda, of instruction and inspiration, the Baptists of Oklahoma have The Baptist Messenger. This paper is published weekly under the able editorship of Dr. E. C. Routh. This veteran has given his life to date, to editing Baptist papers. First in Texas, and for more than a decade in Oklahoma. As many individuals as possible should subscribe to the Baptist Messenger. All our churches should magnify the group price for subscriptions. The ideal is for the church to include the Baptist Messenger in the church budget as essential literature and send it to every family named on the church roll. Measured by any standard the Baptist Messenger stands in the front line in any arrangement of Baptist papers in the South. We should strive to push the subscription list from 13,275 to 20,000 this year. We recommend January and February of 1940 as Baptist Messenger Subscription Months.

People hear and may not perceive. When they read religious literature there is opportunity for the message to be retained because it can be re-read. The way to offset the poisonous effects of cheap and evil literature is to make the good available. If we do not do so we are inexcusable in these days of prolific supply of religious liter-

ature.

REPORT OF THE BOARD OF DIRECTORS

Introduction

There are no uneventful years. The procession moves on, and, in the movement, new situations arise, new problems develop, new trends are disclosed, new factors are at work. Conditions change and we change, but such changes are not to be lamented, rather they are to be signals God flings out as a token of His living presence in a living universe, and a summons to His faithful to awake and put on their strength. Our main business is to serve our generation and to greet intelligently, courageously, and confidently the issues which it brings to our doors.

> "No act falls fruitless, None can tell how vast its powers may be; Nor what results, enfolded, Dwell within it, silently."

We have had a good year. God has graciously blessed the work of all departments. Our people are happy and hopeful. The evange-listic fires have burned in our churches. Multitudes have been won to Christ. The meeting of the Southern Baptist Convention in Oklahoma City last May brought thousands of our brother Baptists from all over the South to our State and our own people were attracted from every section of Oklahoma. The assemblage of this great host of our Southern Zion has created new interest and inspiration which is manifest in our churches and denominational meetings.

We have come to a new day of constructive co-operation. We are on the main line. We are headed in the right direction—growing and going in our divinely-committed task of Kingdom building. The spirit of unity and fellowship was never more manifest, the morale of our people never better. Our churches seem to have a mind to work and the will to walk together. We are almost done with debts and discouragement and depression. We sense the sunrise and glimpse the glow of religious fervor in our outlook of optimistic enthusiasm which leads on toward the summit of new achievements in a larger and more worthy denominational life.

Much of the credit for this new day of unity and co-operation is due the pastors of our churches. Back of this new day is a new type of pastoral leadership, not only in our towns and cities, but far out in the country. The rural pastors are catching step and marching with us in the great common cause. No finer group of pastors can be found in any State in the South. They are orthodox, loyal, and devoted to the work which our Lord has committed to His churches. We are grateful for their unselfish service in carrying forward the business of the Convention. It is a joy untold to work with these faithful servants of the denomination, the spiritual spiritual leaders of the churches—the pastors.

Our Churches

The business of Baptists begins in the church-the local unit in the Kingdom of God. The Great Commission was given to the church. The stewardship of the gospel was woven into the funcional pattern of the church. Our denominational genius is grounded ight here. The churches of the New Testament were spiritual denocracies. A Baptist is merely a Christian whose church polity fits is religious experience. He knows experimentally that religion; vital rather than formal, that it is neither a creed nor a cerenony but a life, that salvation is not of works but by grace through aith, and that he has direct access to God. So he practices toleration and prizes the priceless principle of religious liberty.

The Lordship of Jesus

The weakest link in the chain of church and denominational fe is defective motivation,—the abuse of the voluntary principle a personal religion. Enlistment and efficiency are energized by the Lordship of Jesus. His Lordship is a Bible doctrine. His Lordship is, therefore, real regardless of our consent to it, denial of the creation, and preservation, and the purchase of the Blood. The Lordship of Jesus is realized—made real—in the stewardship of the believer. Baptists who recognize and respect the Lordship of Jesus are conscious of their stewardship.

Co-operation

Co-operation, like the Lordship of Jesus, is a Bible doctrine. is a real doctrine, as real as any other Bible doctrine. Baptists need a realize this. The sovereignty and independence of the local hurch involve the right to co-operate with other churches. This potrine has been seriously misunderstood, minimized, sadly neglected. This determining dynamic is energized by the magnetism a common love, the integration of a common loyalty, the unity a common faith, the cohesion of a common purpose. Co-operation thus grounded in the organic genius of Christianity. It is a law the spiritual life as normal and innate as the law of love, the law of sacrifice, and the law of service.

Enlistment

How to interest the uninterested! How to arouse the indifferent! How to persuade the inactive member to attend the service f his church more or less regularly and to participate in its life this is the enlistment problem. It is one of our most serious and ifficult problems. Unenlisted Baptists are a liability. They reflect the tragic leakage which tends to neutralize our best efforts in vangelism. We must put more emphasis on enlistment. A pessitist in the pulpit simply cannot do it; it takes a pastor immune to low notes, narrow vision, and discouragement—a shepherd of the sheep who loves his people and carries their burdens in his symithetic heart. Enlistment will come through information, indocination, inspiration, and organization.

The Association

The District Association is fundamental in our denominational fe. It is our first co-operative organization and is the ultimate enominational unit because it knows its constituency best, prerves closest contact with the co-operating churches, and is most rectly under their control. A District Association is a miniature onvention. How to build an association which actually functions therefore one of our most pressing denominational problems. Then our district associations function, even as our Conventions unction, many of our problems will be solved. One of our most callenging needs is the rediscovery of the district association. It

is the most vital and valuable unit in our denominational life. If we can revitalize it we will have the way out of the woods in church development and denominational contact and co-operation.

Objectives

We repeat herewith some objectives set out for last year, those toward which our Convention should constantly strive:

Every church with a pastor.

2. A revival in every church, at least one a year, with additions for baptism.

3. Every church with a Sunday school, Baptist Training Union,

Woman's Missionary Union, and Brotherhood.

4. Every church contributing through the Unified Budget.

5. Every church observing Southern Baptist special days, contributing designated funds to missionary objects.

6. Every church making a Thanksgiving-Christmas offering to

the Orphanage.

7. Every church making a remittance to the Convention treas-

ury weekly or monthly.

- 8. Every church increasing its gifts each year to the Unified Budget.
- Every Association a functioning unit led by the moderator.
 Every Association reaching its goal for the Unified Budget and making some increase each year in its contributions.

11. Every Association striving to be one hundred percent in

gifts from the churches to the Unified Budget.

.. 12. At least one thousand students enrolled in Oklahoma Baptist University.

13. Twenty thousand subscribers to the Baptist Messenger, including every church leader and officer of the departments. The ideal would be the Messenger in the budget of every church.

14. Every institution and agency of the Convention living with-

in its income.

15. No borrowing by the Convention or its institutions or agencies of any funds for any purpose, except in anticipation of current income, or under strict orders to do so by the Board of Directors or the Convention itself.

16. An increase of distributable funds to the State and South-

wide causes each year.

The above objectives relate to the local churches, the associational organizations, and the Convention itself. They set for us a high ideal. We do not expect to attain them in one year, or even five years. It may take a decade, but to reach these worthy purposes is a challenge which will call out the best in us.

Baptist Book Store

Our Oklahoma Baptist Book Store is now owned and operated by the Sunday School Board, but this shift in ownership does not change its relation to Oklahoma Baptists. It is still and will ever be our source of supply for books. While we have no financial interest or responsibility, the manager, Mr. H. Killingsworth, deserves and should have the book business of our Baptist people, and the cooperation of the Convention in building the Book Store into the life of the denomination in the State. When we purchase supplies from the Baptist Book Store we increase the volume of business for the Sunday School Board, which has for years matched us dollar for dollar in the promotion of our Sunday School, Baptist Training Union, and Baptist Student Union work.

e

Baptist Brotherhood

A Brotherhood gives the men of the church something to do. It provides a program of activities and drills in the technique of service. It tends to tie the men to their church, to balance off the appeal of the lodge and the club. It preserves perspective in the social and the spiritual. A Brotherhood is thus a blessing to the men of the church who have an eye to see and a will to do in their religion. Its fraternity is fine and its program is practical. It tones up and dignifies church life and puts it on the par with other phases of well-balanced life. The church needs a Brotherhood because it needs men—enlisted, active, trained men.

Without a Brotherhood the organic structure of a church is incomplete. The principle of New Testament ecclesiology provides a place and plan and program for every member of the church. Twentieth Century churches which function true to the genius of the New Testament model preach and practice the gospel, teach and train their membership. This means definite objectives, the discrimination of duties, fixed responsibilities, specialization in service, a comprehensive program involving the whole life of the

individual and the entire membership.

A Brotherhood in a church means men in the church, consecrated Christian men, enlisted, loyal laymen, faithful, efficient men, stewards of time and talent and treasure, men who regard religion as real and their church a necessity. Men who not only put their church in their program, but put it first in the correlation of their values. An efficient functioning Brotherhood is a tremendous asset in a Baptist Church. It puts the influence of men right on religion. It cultivates conviction on stewardship and the tithe. It develops denominational consciousness and co-operation. It stimlates an interest in the active support of missions. It enlists, trains, and equips men for service in the church.

"Give us men!
Men from every rank,
Fresh and free and frank,
Men of thought and reading,
Men of light and leading,
Men of loyal breeding,
Men of faith, and not of faction!
Give us men! I say again,
Give us men!"

Woman's Missionary Union

We are perhaps more indebted to the Woman's Missionary Inion than to any other agency for the stimulation of the misionary spirit and cultivation of the grace of giving in our churches. his great auxiliary has put the impact of its constructive inuence upon every phase of our denominational life. The Woman's Iissionary Union has remained true to the aims and purposes of s organization. Thousands of women in our churches have been spired by their local union in the development of a deeper concration, a more sacrificial devotion, and a more dominating misonary spirit. The offerings from the weeks of prayer sponsored by r women have greatly increased the contributions to State, Home, and Foreign Missions.

The work of the Oklahoma Woman's Missionary Union is manyded. They literally mother the Baptist Children's Home by proding cash and clothing for the orphans. Each year they provide indreds of dollars' worth of supplies for our Baptist Hospitals at uskogee and Miami. Their gracious influence pervades every avenue of Baptist church life. Through their untiring efforts and sacrificial giving the women built the Girls' Memorial Dormitory on the campus of Oklahoma Baptist University—an outstanding achievement. In addition to providing a suitable home for our girls, these same women have provided many scholarships for worthy girls who could not otherwise attend college, or one of our missionary training schools.

The Woman's Missionary Union of Oklahoma has agreed to assume the leadership in another worthy enterprise; namely, building a Boys' Dormitory on the campus of Oklahoma Baptist University. They are now creating a fund for this noble purpose.

versity. They are now creating a fund for this noble purpose.

Oklahoma Baptist women are richly endowed with leadership. The outstanding figure in the Oklahoma Woman's Missionary Union is Mrs. Berta K. Spooner. Her eighteen years of continuous service and her outstanding leadership are recognized throughout the Southern Baptist Convention. She is modest and unassuming, but tireless in her efforts to promote the Kingdom of God. She is a woman of deep consecration, and her dynamic personality is energized by her great faith, vision, and missionary spirit. The Woman's Missionary Union organization has abiding confidence in her leadership, and their loyalty to the work she represents justifies the hope of higher heights and more challenging achievements.

The Orphan's Home

Our Oklahoma Baptist Home for fatherless and motherless and dependent children has a place in the hearts of our people beyond any other of our institutions. The Orphanage has a tremendous grip upon the sympathies of us all. Our people everywhere love this institution. But we have been so busy with other denominational interests that we have neglected the Children's Home. In January 1936 we had a complete rehabilitation of the institution, which marked an epoch in its life. This movement has been carried on to higher levels of efficiency during the last years. The management and personnel of subordinates was never quite so efficient. Rev. H. T. Maxey, the resident manager, and Mrs. Gladys Dicken, head matron, and those that work with them, love the children and hold their confidence and co-operation.

The financial support of the Home is a serious problem. The small percentage of the Unified Budget allocated to it is utterly inadequate. We must continue to make the most of our birthday offerings, the truck, and the Christmas-Thanksgiving offering. To meet the pressing needs of this institution we should not receive less than \$10,000 at the Christmas season. This money could be easily obtained if the pastors and Sunday school superintendents, and W. M. U. presidents would give proper emphasis to the Home.

The physical needs of the children are being provided for. Their school life is equal to that of other children in Oklahoma City. Their play life is supervised and directed by a competent specialist in that field—Miss Caroline Freeman. Their religious life is well cared for in four of the larger churches in Oklahoma City that provide transportation twice each Sunday to these downtown churches. The children are happy and contented and the morale in the institution is good.

For a long time now the most urgent need at the Home was a bus in which to transport the children. Through the untiring efforts of Rev. T. P. Haskins and Rev. H. T. Maxey the bus has been secured. Contributions on the bus have come from many individuals, but we acknowledge a special debt of gratitude to members of the First Baptist Church, Oklahoma City, Duncan, and Miami. It was

contributions from these three churches that made possible the

purchase of the bus.

When the Baptist Orphans' Home got into such a dilapidated condition before, we resolved that it would never happen again. So it is our duty to call attention of our people to the fact that there must soon be a new building program at the Home. The little children's building is in a sad state of repairs. It has been standing there nearly a half century and must soon be replaced.

Adequate support for the Baptist Orphanage will be forth-coming if we will lay it on the hearts of our people. We therefore recommend:

1. More emphasis upon the birthday offerings in the Sunday

- A special Thanksgiving-Christmas offering of not less than \$10,000.
- Continued support by loading the truck when it comes to your church.
- 4. Emphasis upon wills and gifts to the institution. Many of our people have property and money which they would leave in their wills to the Home if somebody would call their attention to it.

Baptist Messenger

The Baptist Messenger is the great publicity agent of the denomination in Oklahoma. It is owned and controlled by the Convention. It ranks high among the Baptist papers of the South. An increasing number of our churches put the paper in their budget each year and thus it is in every home in their membership. It is the most effective source of information and one of the most potent factors in the promotion of every phase of our denominational life. It is an indispensable enlistment agency. Many pastors regard the Messenger as their most valuable ally in the enlistment of their people.

Dr. E. C. Routh is a capable editor. He is recognized throughout the South as one of the outstanding men in the journalistic field. He is a gifted writer and his many years of experience under-

gird and find expression in his efficiency.

The paper has had a steady growth. The circulation increases with the passing years. Increased receipts, both in subscriptions and advertising, is gratifying. The operating expenses have been paid in full, and the paper has a small cash balance. The Baptist Messenger is indispensable to denominational progress. Any church, regardless of size, can put the paper into every home in its memberregardless of size, can be the paper into every none in its heliber-ship. Providing 2c per copy per week is easy when the matter is properly presented in connection with the annual budget and Every-Member Canvass. Putting the paper into the homes of the people is the definite responsibility of the pastor. More than 200 churches in the State have already made provision, either through the church budget or church club plan, to put the Messenger into the homes of their leadership, and, in some cases, of the entire membership.

The time has come for the Convention to face frankly and fearlessly the problem of circulating the Messenger. Every Oklahoma Baptist ought to read our Oklahoma Baptist paper. Readers of the Messenger will be informed, indoctrinated, and enlisted. "Baptist Messenger Month" should be taken seriously by us all. Twenty thousand copies of the Messenger should go into the homes of our people every week. It can be done and it will be done if we

discover the power of this great denominational agency.

Dr. Routh must have our co-operation. He can do his part

but we must do ours. There is nothing that this Convention can do that would mean more to our denominational development than to put the Baptist Messenger into the homes of all our people.

Oklahoma Baptist University

The founders of Oklahoma Baptist University did the heroic and sacrificial thing because they believed something. They believed in Baptist boys and girls; they believed in religion; they believed in the educational genius of New Testament churches. We have our own Baptist University, therefore, because we propose to provide for our young people real education—comprehensive, complete, the mastery of the arts and sciences—in a religious environment—college life in a religious atmosphere; education which produces a symmetrical, spiritually-energized personality—an

approximation of the ideal life exemplified by Jesus.

The administration of President John W. Raley marks an epoch in the history of the University, the passing of the pioneer period, the beginning of an era of stability, organic growth, and material improvement. The campus has become the beauty spot of Shawnee and more than \$100,000 worth of new buildings and equipment have been added to the plant without any increase of debt. The school has been resold to the City of Shawnee, the Baptist of the Cool has been resold to the City of Shawnee, the Baptist of the Cool has been resold to the City of Shawnee, the Baptist of the Cool has been resold to the City of Shawnee, the Baptist of the Cool has been resold to the City of Shawnee, the Baptist of the Cool has been resold to the City of Shawnee, the Baptist of the Cool has been resold to the City of Shawnee, the Baptist of the Cool has been resold to the City of Shawnee, the Baptist of the City of Shawnee, the City of Shawnee and the Cit

tists of the State, and the general public.

The operation of the University under a fixed budget underwritten by the Convention, carrying an appropriation of \$34,000 per year to the current fund, is accepted by the North Central Association as the equivalent of a million dollar endowment. This practically solves the financial problem of the school. The University is keeping faith with the Convention by living within its budget, so must the Convention keep faith in its annual appropriation, which saves the institution the menace of debt. This fi-nancial subsidy in a budget appropriation is more or less unique in denominational schools. It reflects the progressive attitude of Oklahoma Baptists and the close co-operation in our Convention program.

Hospitals

The humanitarianism of Jesus justifies Baptist hospitals. His healing ministry was typical. The emulation of His example in our denominational life lays on us the challenge and claim of the hospital and the nurse and the doctor, and the dedication of the best in modern medicine and surgery to the cure of disease and relief of suffering and the saving of human life-so long neglected by our Baptist people.

Oklahoma Baptists own and operate two well-equipped and

highly efficient hospitals, one at Miami and one at Muskogee. In 1933 the Miami Baptist Hospital owed approximately \$15,-000 in notes and accounts. These have been settled in full and the institution is making operating expenses each year. For several years past new equipment and much needed repairs have been added to the institution. The past year we have spent approximately \$15,000 rehabilitating the entire building. The walls have been painted, floor coverings have been laid, new doors put in throughout, new plumbing has been put in, and much needed operating the property of the past seem of the part of the past seem to be a part of the past seem of room equipment has been installed. This has been paid for in full except \$4,000. Arrangements have been made to take care of this the first of the year, so while the institution will show a deficit there will be no deficit after January 1.

We acknowledge a debt of gratitude to Mrs John F. Robinson, Mr. and Mrs. John A. Robinson, and Mr. and Mrs. Roy T. Wills, and other friends for these substantial improvements. The Miami Hospital is in the best condition is has been in in the twenty years of its existence.

The Hospital at Muskogee has made progress the past few years. The business has increased from \$46,890.83 in 1934 to \$69,-183.92 in 1939. The number of patients have also increased. The past year there was an average of 53 patients per day. The hospital has been standardized and accepted by the American College of Surgeons. The Training School is also standard in its work. We have thirty-two girls in the School of Nursing. The financial condition of the Muskogee Hospital is improving with the passing years. It shows a substantial operating profit. The institution is sadly in need of extensive repairs and the addition of some new hospital equipment.

Miss Florence Worley is superintendent of the Miami Hospi-

tal and Miss Gracia Tarman at Muskogee.

The Ministers' Retirement Plan

The old preacher is, and always has been, a denominational problem. Preachers who give themselves to the task to which God called them do not, and cannot make money as laymen do. The supplement of a pastor's salary provided by the operation of a business enterprise, the practice of another profession, or other secular pursuits, always means "preaching on the side." The preacher is thus side-tracked and his ministry becomes incidental. In most instances, he finally quits preaching and makes shipwreck of his ministry. One of the tragedies in our Baptist life is the wreck and ruin of the ministry of some of our strongest preachers by way of temptation to provide for the "rainy day" when their services will be no longer sought in the pastorate. Surely we have had enough of this.

The old preacher who did not turn aside from his ministry and could not save anything from his salary has as his option the agony of dependence. In some instances it is true, his children take care of him. But, if he is dependent upon them he is unhappy and restless because his pride and self-respect make him conscious of his dependence. He feels that he is an object of charity, Surely Oklahoma Baptists can and should save our faithful

preachers from this agony.

Ministerial relief, as we call it, is better than unadulterated charity, but even this is a compromise because it is, regardless of what we call it, a donation—merely disguised charity. This is not the way to do it. The Ministers' Retirement Plan is the solution of this problem. It enables the minister to earn his share of the annuity. It provides a sane and safe method by which the churches can participate in the work of taking care of the ministers who have served them and enables the denomination to solve this whole problem on a group, and not an individual, plan. The denomination can justify the 2 per cent it pays in as remuneration for the service done in the larger life of the denomination. The old minister who has his annuity feels that he earned it, so he is not embarrassed when he receives it.

Since this plan is sane, sound, scriptural, and now on a par with missions, education, and benevolence in our denominational program, loyalty demands consistent co-operation in making it ef-

fective in our church and denominational life.

The Ministers' Retirement Plan became effective July 1, 1939, and 255 ministers and 274 churches are now participating. We earnestly urge the ministers to enter the Ministers' Retirement Plan and the churches to make possible their participation.

Baptist Building

Sixteen years ago, under the administration of Secretary J. B. Rounds, the Oklahoma Baptist Convention purchased the Baptist Building at 223 West First Street, Oklahoma City. It was a wise investment and since that time has saved thousands of dollars in rent. In fact, the Baptist Building has paid for itself twice over. The building had become dilapidated and run down. It was in a bad state of repair, both in the Book Store and the offices, but owing to the financial condition of the Convention up to this year a program of rehabilitation was impossible.

At the last annual meeting of the Board of Directors on December 6, 1938, by a unanimous vote the Secretary was instructed to completely overhaul the building and provide headquarters suitable to the dignity and prestige of a people numbering 220,000. The work was begun in January and the building dedicated on the first Sunday of May with more than one thousand people partici-

pating in the dedicatory exercises.

We are proud of our building. The rent on the first floor will pay the principal and interest in a few years making it practically a self-liquidating proposition. The increased rentals made possible by the rehabilitation will take care of the interest.

Falls Creek Assembly

Falls Creek Assembly located in the scenic Arbuckle Mountains of Southern Oklahoma has become the largest and most popular assembly in the South. Last August more than 7,000 registered for the Assembly program. Every section of the State was well represented. The Assembly plays an important part, not only in our denominational life, but in the life of our State. The multiplied thousands of young people who attend this Assembly and are enlisted in its activities of study and social fellowship are being won to Christian service, many of them to the various forms of special service and trained for leadership in our churches. It is quite possible that many of these young people are never the same after attending a session of this Assembly. The experience of Rosalee Mills Appleby, one of our outstanding missionaries in Brazil, is typical. She found herself in this Assembly and surrendered for service in a class in Christian stewardship taught by Dr. J. W. Jent of Oklahoma Baptist University. Scores of others like her found themselves and were inspired to attend Oklahoma Baptist University, to preach the gospel, to do denominational work, to follow as the Lord might lead in a life of service dedicated to Him.

The history of the Assembly reads like a romance. Oklahoma Baptists are indebted to the sainted Dr. W. D. Moorer and to our former State Secretary, Dr. J. B. Rounds, for the beginnings of the Assembly at Falls Creek. These pioneer builders in our denominational life founded the Assembly twenty-three years ago in the rugged Arbuckle Mountains with 150 in attendance. It has grown in twenty-three years to more than seven thousand. It is the hope of the management to have 10,000 or more on the grounds for the

Silver Anniversary in 1941.

The Assembly constitutes one of our greatest denominational assets. The needs of the Assembly are many because growth comes

by way of expansion and improvement. It is our purpose to provide these needs and buildings and equipment as rapidly as possible, that we may have a bigger and better Assembly. Since the last Convention there have been many substantial improvements on the grounds, including a new tabernacle that seats more than 3,000 people. There are other necessary improvements which should be made from year to year; and the Assembly Committee, of which Rev. E. W. Westmoreland, pastor of the Exchange Avenue Baptist Church in Oklahoma City, is chairman, is looking forward to a bigger and better Assembly. Rev. T. B. Lackey, one of our general missionaries, successfully managed the Assembly the past year, showing substantial profit on its operation.

State Missions

This Convention was originally organized to promote State Missions. Other causes and purposes were recognized but they were more or less incidental to the comprehensive, challenging cause of State Missions. The primacy of this fundamental phase of our Convention program is, and should ever be, recognized and respected by all our people. There is no conflict or competition in the complex phases of our Convention work. Education and benevolence have their differentiated fields of service and certain phases of the great missionary task can be done only by Associations or groups of Associations, but we still have State Missions as a distinct and definite task of the denomination. The co-ordination and correlation of the various phases of our evangelistic and enlistment objectives is central in State Missions as such. Here we have the clearing house of our auxiliary agencies and the unified impact of all our churches in the very vital and fundamental work of church development and the reinforcement of our association in the effort to evangelize their territory and enlist their churches in the active life of the denomination.

Our State, the newest and one of the most progressive of all our States, is a great challenging mission field. Our population is cosmopolitan. Oklahoma is one of the melting pots of the nation. Our rich agricultural lands, ever enlarging and developing oil fields, rich deposits of coal and mineral wealth, have attracted all classes and colors and types of population. The racial groups in the Mc-Alester coal field alone number more than fifty. Then we have our Indian people. The largest number of these native Americans to be found anywhere in this country. Out of this heterogeneous citizenship we are growing a great Baptist empire, now numbering nearly a quarter of a million. Our resources are unlimited, our people are aggressive and progressive. The outlook is as bright as the promises of God and there is a rainbow of hope in our Baptist sky.

The structure of our State Mission organization was never more efficient. The personnel of the various departments have been carefully selected. Our State Mission task is insistent in its impacts and we are hopeful and happy to realize on our challenging opportunity. This great enterprise is an ever-enlarging, expanding prospect which involves the need of an increasing number of workers from year to year. It ties into the work of all our churches and associations. We need and should have more general missionaries, a highly efficient enlistment evangelist in each of our ten State Districts, and an Associational missionary in every association large enough and strong enough to support one.

We now have two general missionaries, two State Evangelists,

six district missionaries, and seven associational missionaries, as follows:

During a part of the year J. M. Bradbury and O. G. Matthews served as district missionaries, and A. E. Teem as associational

missionary.

These evangelists and missionaries have done effective work during the past year. They have held many revivals and been constantly busy in the work of winning the lost and encouraging the churches. Their reports show a gratifying increase over last year in professions of faith and additions to the churches. We have no statistical report of the fine work rendered by the associational missionaries. The summary of the work done by the district missionaries is as follows.

Unified Budget

The Unified Budget is unquestionably scriptural. Baptists recognize and respect Paul as an authority on church finance, and his exhortation to the Corinthian Church, "Upon the first day of the week let every one of you lay by him in store, as God hath prospered him, that there be no gatherings when I come," implies the Unified Budget and a co-operative effort. So we have here the genius of church and denominational finance, every member giving every week to every object. A budget not only fixes church and denominational responsibility, but simplifies and standardizes church finance. It provides adequately and equitably for both the church and the denomination. It provides for all the work of the Kingdom program in recognition of all the institutions and enterprises of the denomination. It fixes the objectives of the church and underwrites the needs of the denomination. It involves an every-member canvass and dependable income of the church. It unifies and integrates our denominational life. It systematizes and grounds stewardship. It is not only scriptural, but practical, and it is no longer an experiment but a demonstrated success. The "impulse system" is utterly impracticable. It will never do what Baptists can and should do for the cause of Christ. Therefore, let us put more and not less emphasis upon the Unified Budget both for our churches and for our denomination.

Stewardship

Stewardship is the only safeguard against selfishness. It is the only guarantee of consistent contributions to the support of the church and Kingdom causes. Baptists who recognize and respect the claim of their church are motivated by their consciousness of divine ownership and human trusteeship. The tithe is scriptural, sound in principle, and satisfactory in practice. Objections to the tithe are usually an evasion. To plead inability to pay it is to charge God with injustice. The tithe-budget system actually works whenever and wherever given a chance. The tithe is an index to duty; it provides dependable church income, equalizes the burden of church finance, lifts it out of the bog of charity, motivates liberality, and measures obligation. A church budget and an every-member canvass translates stewardship and tithing into concrete procedures. Since the tithe is the solution of the money problem in our churches, growing tithing churches is fundamental. The more the tither has, he more his tithe; the larger his investments, the more he serves.

Evangelism

New Testament churches are evangelistic as well as evangelical. This function is fundamental. Jesus wove it into the pattern of His program. Southern Baptists have always majored on evangelism. This explains our phenomenal growth. Regardless of the changes in tititudes which characterize our day, mass evangelism properly tracticed is still effective. Evangelism will never be impracticable if t is safe and sound and scriptural. The traditions of our fathers nust be perpetuated in this fundamental function of our churches.

Our fathers preached the gospel, summoned sinners to repentance,

baptized and indoctrinated the saved, and so must we.

Oklahoma Baptists are committed to New Testament evangelism. We have gone afield in the crusade of evangelism in the current Convention year. Meetings have been held, not only in all our churches, country and city, but in schoolhouses, under brush arbors, and far out on the frontiers of our fields. Multiplied thousands have been saved and added to our churches. The fires of evangelistic fervor have been kindled anew and our people have caught the vision of a new conquest.

Southern Baptists have majored on evangelism this year. The reaction of the Baptist World Alliance in Atlanta last July is a prophecy of a world-wide movement, Pentecostal in its dynamic potentiality. The tides have turned. The world situation constitutes a challenge which Baptists would do well to accept. Nothing but the gospel will ever solve the world problem, grounded as it is in the greed and selfishness of sinful humanity. God help us to be

true to the trust of the stewardship of the Gospel!

One Hundred Percent Associations

We give below a list of the Associations that are one hundred percent in number of churches contributing to the Unified Budget:

Association	Number of Churches	Number Contributing
Beckham	18	18
Harmon	9	9
Northwestern	1 9	19
Oklahoma County	36	36
Pawnee-Creek	29	29
Perry	35	35
Salt Fork	17	17

It is our hope that this group of one-hundred-percent-contributing associations will continue to grow until every church in every association in Oklahoma is making an offering to the Unified Budget.

General Recommendations

 Let it be our policy to operate on a cash basis.
 That we exercise the strictest economy consistent with the best administration and promotion of our work.

3. That we instruct all agencies provided for in the budget not

to make any debts during 1939-40.

4. That the 1939-40 State Mission budget be projected on a basis

that will insure no deficits at the close of the year.

5. That we continue the ten percent contingency fund from In-the-State objects as a safeguard against possible deficits and with which to retire debts.

6. That our funds be distributed in 1939-40 on the same basis as the past year, and that if any changes become necessary the mat-

ter be handled by the Board of Directors.

Total Receipts

The total receipts of the convention for the year 1938-39 were '5,202.47. The total receipts include all funds received through our ice, both designated and undesignated. Of this total amount re was contributed through the Unified Budget \$140,852.30.

Unified Budget Increase

The record shows that the Unified Budget receipts were \$136,537.—last year (1937-38) and are \$140,852.30 in 1938-39, an increase of 315.17. This is only a small increase but is going in the right dition. The increase would have been larger if some of the old liges made for the Debt Liquidation had been paid in the fiscal r 1936-37 instead of at the McAlester Convention in 1937-38. Sevel thousand dollars in money was brought to the McAlester Contion which increased the receipts substantially for November, this money was really payments on back pledges and not Unified liget receipts for 1937-38. This brought the receipts in November past year far under the receipts of the previous year. The most puraging thing, however, about our receipts is that after January 1, 3y struck a higher level and maintained it throughout the year,

catching up the amount lost in November and continuing on to the end of the fiscal year maintaining a higher general average, until at the end of the year we were \$4,315.17 ahead.

Regular Giving

Our purpose in 1939-40 is to increase the receipts by regular and systematic offerings week by week and month by month. We are not going in for spurts and starts but strive each month to increase the receipts to the Unified Budget above the same month of the past year. It is better for us to make a small gain in regular giving each month than to have a gain in one month by high pressure collection. This method will build a dependable income and enable us to take care of our obligations in a satisfactory way.

The thirty-three Associations pledged \$166,594.09 to the Unified Budget. About five hundred churches indicated on their Associational letter their financial objective to the Unified Budget. The amount of these subscriptions is approximately \$120,000 or 75% of the total budget. The Convention objective for the Unified Budget is set up by the thirty-three associations, by their vote in annual session. We hope the time will soon come when these financial objectives sent by the associations to the Convention will be based on bona-fide subscriptions by the churches themselves. After all, the churches must give the money. The churches ask a definite subscription from each member. The Convention is asking a definite subscription from each church. The church is the functioning unit. The Great Commission was laid in the lap of the churches. The Convention and Associations will make progress only as fast as the churches accept responsibility for the stewardship of the gospel.

Department Leadership

The Teaching and Training and Baptist Student Union Department are headed by Robert S. Bazzell, general secretary. He is ably assisted by Miss Sophia Duerksen, Mrs. J. W. Barron, Miss Jewell Kirkpatrick, Mrs. W. W. Hibbert, Mrs. W. H. Crowder, Rev. Anson Justice, and Mrs. Alice Bazzell, approved workers in departmental fields. In addition the Sunday School Board sent to our State a group of expert workmen in the field of teaching and training who rendered invaluable service to the churches of Oklahoma. We acknowledge a debt of gratitude to these dynamic leaders and to the Board that has matched us with men and money to aid in this important work.

Teaching

The continued growth of Oklahoma Baptist Sunday Schools, not only in their enrollment, but in their efficiency, is gratifying and encouraging. The growth is primarily the result of an aggressive program promoted by our State Sunday School office. The State Sunday School Convention, church and associational training schools, the Assembly, with its teaching and training program, dignify and magnify the teaching task of the church and provide drill and discipline in the technique of religious education. Oklahoma ranks high in the number of Sunday school awards and standard Sunday schools.

Training

The enlistment of our Baptist young people is perhaps our greatest challenge. They are at the same time our greatest asset and our greatest liability. We have no option in these young people; we have them by the grace of God, our problem is what to do with them. We can misjudge them, mistreat them, isolate and lose them, unjust-

ly criticize them. Unreasonable suppression, too much co-ercion, will result in this tragedy. We can neglect them, let them alone, leave them to their own devices, and the Devil will do the rest in pitfalls and perils. We can, thank God, win them and hold them and realize in them our most valuable asset. If we do, we must understand them and use them. This is the challenge of a proper point of view and an adequate program. Without efficient leadership it simply cannot be done. We need our young people and they need us. They deserve and should have a place and a part in the life of our churches. We need their initiative, enthusiasm and consecrated zeal in our churches. The development of the Baptist Training Union marks an epoch in our church and denominational life. The organic structure of this great, growing movement is scriptural and practical. It works when workers are available. The difficulty everywhere is the discovery and development of leaders who have a real leadership and are willing to give the time to this work.

Baptist Student Union

"Christ on the campus" is the slogan of a consecrated group of fine young people now in the colleges and universities of Oklahoma. The Baptist Student Movement is greatly supplementing the work of the local church in State school centers where throngs of our Baptist young people are seeking preparation for a successful life. Since careers are very largely determined during college days, it is of the utmost importance to see to it that our Baptist boys and girls, away from home and often under the pressure of materialistic ideals, have a spiritual stabilizer that will preserve them to the faith of their The Baptist Student Union is bringing to the college campus a spiritual dynamic. In centers where pagan philosophy is popularized this organization is carrying the cross of Christ with its vital message of Christian culture. Let us seek to strengthen their hands in stemming the tide of worldliness and sin in the citadels of learning. Oklahoma State Schools welcome to the campus the holy influence of the Baptist Student Union movement, and for this we are grateful.

Traveling Toward Tomorrow

A new day is always a challenge. Yesterday is gone, yesterday with its discouragements and difficulties, its successes and failures, but today is here—a new day in the dawn of which one feels the thrill of another chance, an opportunity to make the most of the

lessons learned in the school of experience.

Yesterday Oklahoma Baptists were lost in the wilderness of depressing debt, devastating doubt, and denominational defeat. The morale of our people was low, our spirit was broken, our credit gone. We owed nearly a half million dollars with the prospects of payment dismal indeed. The number of baptisms was decreasing and we were practically paralyzed by spiritual inertia and face to face with the denominational disintegration.

Today all this is changed. We are in the dawn of a new denominational era. The clouds have broken away, the sun shines again, hope has revived, the morale of our people has risen in the reaction of challenging achievements. We have paid our debts, reclaimed our credit, and rehabilitated our denominational life. Revival fires burn again in our churches, the number of baptisms has increased. We have a new attitude of confidence and co-operation, a new fellowship in the consciousness of divine blessing and the bene-

diction of peace and prosperity. In the glow of these glorious achievements we face the future with optimistic enthusiasm.

Today is a new day in the denominational life of Oklahoma Baptists. Some problems have been solved—some things settled. We are no longer marking time nor retreating. We are done with denominational instability. The pioneer is past, the foundation for a worthy superstructure has been laid, the time to build the Kingdom in Oklahoma has come.

The challenge of the new day is an open door. It is the lure of an unprecedented opportunity. The stage is set, the hour has struck, the trumpet of the Eternal One has sounded "Forward March!"

> "Lead on, O King Eternal, The Day of March has come."

We have the resources and our people are ready. God give us the vision—eyes to see as our fathers saw, courage to carry on in the midst of besetments which shall try us as difficulties defied and dared them!

The challenge of our denominational stewardship is the preservation and the perpetuation of permanent value committed to us and a contribution worthy our advantages and opportunites. We are not only trustees of the Truth and stewards of the Gospel, but custodians of institutions and denominational organization which lay their claims upon us. God help us to realize that we have been bought with a price, that we have cost somebody something—the price the pioneer preacher paid in suffering and sacrifice and privation, the heroic men of God carried on in the cold of winter and the heat of summer. Their fortitude fires the heart of a "red-blooded" Baptist in the dare to be true to our trust as they were to theirs. We not only have our churches, but we have our hope and faith at the hands of these faithful kingdom-builders who led us to Chirst and indoctrinated us in the fundamentals of our religion. Surely we must do as well for the next generation as they did for us. God give us their faith and courage and vision and unselfish devotion!

The translation of this passion to preserve and perpetuate and pass on our denominational heritage means adequate equipment for all our instituitions, financial stability for all our work, and efficient leadership for our denominational organization, grounded in the fundamentals of God's Word.

The Christ of the cross is the hope of humanity. He is the solution of all our problems, the remedy for all our ills, economic, social, political, and religious. The Lordship of Jesus recognized and respected registers in the consciousness of Christian stewardship. In Christ we have the remedy for sin—the only remedy for war and wickedness—the panacea which points the way to an era when men shall "beat their swords into plow shares and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war any more."

The panorama of the past fades in the perspective of the present and the golden glow of the future. Standing in the foundation of a half century we face the challenge of our task with gratitude and appreciation. We thank our gracious Father that He has heard the prayer of his people and led us forth from the valley of the shadow of denominational depression. We feel the thrill of satisfaction in the opportunity to carry on, to play our various parts in the great game of Kingdom-building, to preach the glorious gospel of the grace

of God, to build the institutions and promote the enterprises of the Convention. Our opportunity tugs at our hearts with passion to make the most of the time till the close of the day when the shadows come and we face the mellow light of the setting sun—when the bell rings and the curtain falls and our task is done. In the strength and stability of a faith that neither falters nor fails—against that day God help us Oklahoma Baptists to carry on in the sentiment of the poet, who said:

> "Sure, this world is full of trouble-I a'int said it a'int. Lord! I've had enough an' double Reason for complaint. Rain an' storm have come to fret me, Skies were often gray; Thorns an' brambles have beset me On the road-but, SAY, A'int it fine TODAY?

Governor Phillips for his efforts and the splendid results there-

from; and further we are confident that the Chief Executive will continue his efforts for real prohibition and moral uplift in the State of Oklahoma. We solicit that continued aid for our cause.

This convention realizes that sinister influences are at work in this State at all times to gain every advantage and strike down the prohibition laws. The new attempt to initiate a measure for a vote is evidence of this continued effort. We are opposed to raising the question at this time. It will cause needless expense, and cause the citizens of the State to be thrown into turmoil where the issue has recently been determined.

REPORT ON HOME AND FOREIGN MISSIONS

Jesus gave only one, all-inclusive Commission to His Cchurch. It is inclusive in the work to be done—winning converts and developing saints. It is all-inclusive in its designation of the fields for operation—the community in which the church is located, state, country, and the rest of the world.

In naming the fields of operation, Jesus did not mean that His disciples should form lines of demarcation in their thinking and support of the work in these fields. Just the opposite is true. He meant that His program should be considered and supported in its entirity and not to the neglect of any particular field.

The Home and Foreign Mission Boards of the Southern Baptist Convention are agencies through which the churches of the Southern Baptist Convention may in a co-operative way, fulfill their responsibilities to the Great Commission in "Samaria and the uttermost part of the earth." Our modern "Samaria" is the southland including Cuba and the Panama Canal Zone. The Home Mission Board is the agency through which our churches support the Lord's work in these fields. "The uttermost part of the earth" includes all lands beyond the Homeland The Foreign Mission Board is the agency through which our churches support the Lord's work around the world.

The Home Mission Board has been functioning for ninety-four years. During this time, the Board has employed 44,000 missionaries and workers for one year. These missionaries have baptized 865,000 people, which is equal to one out of every five of our total number of church members. These missionaries have organized 8,600 churches. This is equal to one out of every three of our total number of churches.

During the past year, thirty-nine missionaries were added to the mission force bringing the total to 375 working in 756 mission stations. Sixty-four new mission stations were opened and twenty chapels were acquired. These missionaries distributed 29,226 Bibles, Testaments, and portions of Scriptures, and over 790,000 tracts. They have preached 29,454 sermons, led over 5,250 to make professions of faith in Christ and have had 3,835 additions to the church.

During the past year, receipts from all sources amounted to \$513,841.80 which was an increase over the previous year. Of this amount \$163,660.89 was paid on the principal of the debt. A debt liquidation payment program has been mapped out which will liquidate all the debts of the Home Mission Board by 1945, provided receipts do not fall below the receipts of 1938.

The Foreign Mission Board has also functioned for ninety-four years. The first mission to be organized over seas was the South China mission, 1845. The youngest mission is the Manchukuo mission organized in 1937.

The Foreign Mission Board has 443 missionaries including ordained ministers, physicians, trained nurses, teachers, and secretaries. Assisting these representatives are 974 ordained national pastors, 1,959 unordained national workers, 19 national physicians, 140 national nurses. These missionaries are working in thirteen foreign countries where Baptists have 1,802 churches and 2,798 out-stations These churches have a total membership of 208,794. During the past year, there were 16,207 additions by baptism.

Last year the receipts for all purposes amounted to \$1,130,083.93. The indebtedness on the Board is approximately \$263,000.00. Eight hundred thirty thousand five hundred dollars (830,500.00) was paid on the principal during the past six years. The budget for the calendar year 1939 is \$801,363.69.

As means of informing our people concerning the work of the Foreign and Home Mission Boards, we suggest that our pastors and other church leaders encourage members of our churches to subscribe for SOUTHERN BAPTIST HOME MISSIONS, a monthly magazine printed by the Home Mission Board for 25c per year; and THE COMMISSION, a monthly publication of the Foreign Mission Board for 50c per year.

sion Board for 50c per year.

We further suggest that mission institutes be held by the churches of a city, county, or association, and in so far as possible, that representatives of the Home and Foreign Mission Boards be used as speakers. We urge our associational leaders to remember Home and Foreign Missions in their monthly workers' conferences.

In conclusion, we suggest and encourage our churches to conduct training classes using the several Home and Foreign Mission Board publications and the annual reports which can be had in pamphlet form.

You will note that 13 members of the faculty have been engaged in graduate study; that of the 13, three have earned the Master's degree. Three lack only the completion of their theses to earn Doctor's degree. Others are working toward either the Master's or the Doctor's with one doing special post-doctoral research. It is interesting, also, to note that 18 attended their professional conventions during the past year. These two activities of the faculty indicate a continued alertness, and, without doubt, an increase in effective teaching.

D. Other interesting facts concerning the faculty are:

Dr. Aulick's name will appear in World Biographical Encyclopedia, 1939. His name appeared in Who's Who in 1939.

Professor Bailey has written several manuals for Chemistry, and has ready for publication a manual in Texicology and Household Chemistry.

Miss Berry is advisor of the College Home Economics Clubs of Oklahoma, and is a member of the State Home Economics Advisory Board with the State Supervisor of Home Economics Miss Mary Russell, as Chairman

Economics, Miss Mary Russell, as Chairman.

Mrs. Choate made a trip to the East the past summer, spending most of the time studying masterpieces of art in the galleries in Washington and New York. She also visited Quebec and spent sometime in conversation with the French-speaking inhabitants.

Dr. Jent's name appears in Who's Who in America, Who's Who in Education, and Who's Who Among American Authors, He appeared on the program of the Conference of Social Ethics at the University of Oklahoma last April.

Mr. Patton is faculty advisor for the Southwest Inter-

national Relations Clubs.

Miss Smock appeared on the program for Kappa Delta Pi Regional Conference and the Reading Conference at Norman.

Dean Solomon represented O. B. U. at the inauguration of President Eugene S. Briggs of Phillips University, Enid, October 11, 1939.

Dr. Winchester has received the galley proof of an ex-

tensive biography of himself to be included in the forthcoming edition of Who's Who in American Education. He has also written a chapter to appear in a textbook of Genetics to be published in 1940.

Professor Watts is supervising a study of the family in connection with his teaching to determine the status of "re-

ligion in the home."

Dr. Yarborough gave one day to the promotion of Bap-

tist Student Activities at Ada this fall.

Mr. Masters was chapter president of Phi Mu Alpha Sin-

fonia, and is a member of Phi Delta Kappa.

Coach Nicklaus is working on his Master's degree in Physical Education and plans to attend summer school this coming summer.

II. THE STUDENTS

A. Our enrollment at the present time is 685, which is the same as the total for both the first and second semesters of last year. This means that our increase for the year will be the number of new students who come in the second semester. Last year we had 72 new students at the beginning of the second semester. If we gain this many this year, the total will be 757, exclusive of summer enrollment. Each class is larger than it was last year, except the unclassified and seminar, which means that all of our increase comes in regular students.

This year our student body is made up of students from 20 states—New York to California and Texas to Michigan and two foreign countries, with 20% of the student body coming from outside Oklahoma. (However, 68 counties in Oklahoma are represented.) This reflects the general interest over the country in Oklahoma Baptist University.

A comparative study of our enrollment the past few years

indicates the following:

1938-39 1937-38 807 1936-37 Total 797 908:

- B. I can honestly say that we have never experienced quite as delightful a relationship as now obtains with the administration, the faculty, and the student body. Thus far we have had only one discipline case, and the individual involved had been on probation some two years. The student body seems unusually rich in talent and reflects an exceptional home background. Such a student body will do credit to any institution, and will challenge the best in the administration and faculty.
- C. It is interesting, indeed, to watch the continued development of the students toward self-government. We are attempting to create as pure a democracy as it is possible to have while maintaining administrative control. Students are encouraged to govern all of their activities and as far as possible to enforce regulations in the dormitories. Success of such a program is the result of continued education, close supervision, and much experimentation. The students are responding wholesomely toward every effort put forth.
- D. Oklahoma Baptist University is cooperating with the private pilot training program of the Civilian Aeronautics

Authority in the plan to train young college students in aviation. The University received an allotment to train 20 students, and they are taking their training at the present time under the direction of Jack Purdue, Instructor in Physics, and

officials of the local airport.

The government pays the cost for both the flight instruction and the ground course. All students are required to pass a rigid physical examination and purchase additional insurance. It might be of interest to know that two young women are among the 20 Bison students taking the aviation training.

III. FINANCIAL REPORT

A. The financial report reflects the determination of the Administration to live within the income provided by the Convention and at the same time reflect as much improvement in the plant and capital investment as possible.

In his report to the President, concerning the fiscal year, Mr. R. J. McKnight, Business Manager, gives the follow-

ing summary of budget operations:

Budgeted Operating Income	\$189,813.43	
Budgeted Operating Expense	185,008.40	•
Budgeted Operating Surplus		\$4,805.03
Plant and Equipment Additions	12,137.34	
Less Reserve Additions	680.20	
Net Increase	11,457.14	
Designated Contributions	5,200.00	
Net Additions paid from current	Funds	6,257.14
Budget Deficit		\$1,452.11

On actual operating income and expense, disregarding addition to plant and equipment, the audit report shows a surplus of \$4,805.03. The net cost to the current budget funds for additions after deducting designated contributions and reserves was \$6,257.14, leaving a budget deficit of \$1,452.11.

The total present indebtedness of the University is \$44,635.73. The balance of the O. B. U. indebtedness assumed by the Convention as of June 30, 1939, as reported by the Business Office and confirmed by the audit report was \$47,511.79. A payment of \$10,000 in debt liquidation funds was received on September 12, 1939, which has reduced the net indebtedness assumed by the Convention to \$37,511.79.* The current or floating indebtedness as of June 30, 1939, was \$7,123.94 compared with \$7,566.67 in 1938, and \$9,088.13 in 1937. This indebtedness was reduced \$557.27, and \$1,521.46 for the year preceding. A gradual although small reduction is being shown in the amount of floating or current indebtedness.

^{*}The indebtedness of Oklahoma Baptist University as of November 13 amounts to \$26,000. It might be of interest to know that the last interest and principal on the \$150,000 Bison Bond issue has been paid and the debt now consists of notes held by individuals. There is now no mortgage on the University. Every interest payment and every installment on the bonds was paid on time. No O.B.U. bonds were ever delinquent as the money due was deposited with the trustee before each payment became due.

During two months, two buildings were purchased from an oil field lease near Seminole and moved to the campus. One of these buildings is now being used for various repair jobs including carpentry, venetian blinds, plumbing, electrical, etc. The total cost of this building to date is \$1,036.25. It is estimated that its present value is \$4,000 or \$5,000. The other building is being used for the printing department and the total cost of this building to date is \$5,581.42. The estimated present value of the press building is from \$8,000 to \$10,000. An apartment has been included in the press building which has been rented to the Superintendent of the Press. The rent on the apartment will gradually take care of a considerable portion of the cost of the building.

B. It will be interesting to note that while the University received \$34,000 from the Convention for operating expenses, it was necessary to provide over \$12,000 in addition to care for student employment:

Baptist General Convention Annual Appropriation \$34,000.00

Total Scholarships Allowed Last Year _ \$30,090.99 Student Employment Allowed Last Year 16,000.00

46,090.99

Amount used in Excess of Appropriation National Youth Administration Appropriation

12.090.99 6.345.00

\$5,754.99 In other words, all money invested by the Convention is passed on to aid students attending our own Baptist school.

IV. PLANT IMPROVEMENTS

A. There have been continued plant improvements and additions during the past year, to-wit:

A Shelter House and Picnic Area, a memorial of the Class of 1939,

Two classroom shelters to provide for extension classes given by O. B. U., at Falls Creek,

The additions of a conference room to Bison Headquarters at Falls Creek in order that the Business Manager might meet students for counseling and completing financial arrangements for enrollment, Two new buildings reported by Mr. McKnight:

Bison Press, Venetian Blind Shop,

Five classrooms and a recreation room provided by remodeling the basement of Administration Building. Classrooms provide total seating capacity of 280 students.

Remodeling of the Library space added 500 sq. ft. with space for 48 or 50 more students.

7. Living quarters for 64 young men provided in base-

ment of Fine Arts Bldg.,

New floor covering was placed in dining hall of
W. M. U. dormitory, also new rugs and furniture in parlor,

New floor covering was placed in hall of Adminis-

tration Building.

You will note that the plant and equipment additions have cost \$12,137.34. While this is true, they have actually forced a budget displacement of only \$1,452.11. At the same time, the estimated value will run approximately \$20,000, and enough additional space for classroom and dormitory facilities are provided to more than balance any reasonable figure of expense.

B. Plant Industries.

1. The increased facilities of the Bison Press will mean more efficiency in the printing department. The personnel has been improved to a marked degree and the strengthening and reorganization as a result of the move will assure

increased efficiency and income.

2. The Venetian Blind Factory has more than paid for the investment in equipment. We have made over 2,000 blinds since the industry was begun. Orders in the shop now total \$200.00. Many windows in the campus buildings have been fitted with venetian blinds. This work provides part time employment for ten students.

V. PUBLIC RELATIONS PROGRAM ...

A. Student Admissions Program. In addition to the regular publicity program, two new features were added to the

student admissions program during the past year.

1. Under the able and efficient direction of Rev. J. W. Hodges, pastor of the First Baptist Church, El Reno, Oklahoma, we sent three quartets out last summer to cover the state making contacts with prospective students and their parents. They have a commendable report:

Total miles traveled		•		11,061
Estimated attendance	4.00	•	•	 33,184
Total Contacts				 2,121
Total offerings				766.37
Total traveling expense				 396.04

Amount in excess of expenses not including salaries, \$370.33.

2. An innovation in the promotion activities this year was the Christian Education Oratorical Contest. Requests were received for material from several hundred high school students, and contests were held in 34 churches during the Spring and early part of the Summer. Winners of these church contests competed for an associational award and 20 associations were represented in the four district contests which were held at McAlester, Claremore, Oklahoma City, and Duncan.

In each district, the two high ranking speakers were selected for the finals held at the Falls Creek Baptist Assembly in August. Miss Bonnie Jean Smith, a member of the First Baptist Church of Oklahoma City, won a \$405 scholarship for first place in the contest. Several thousand Baptists heard the arguments for Christian Education advanced by the young speakers in the local, associational, district, and final contests.

Plans are being made to extend the contest during the coming year to a larger number of churches and to all of the associations. The First Baptist Church of Claremore plans to supplement the O. B. U. local contest award of \$15.00 with a \$100 award to go to the winner of the local

contest. This plan could well be adopted by a number of our churches to encourage our best young people to attend O. B. U.

- 3. Pre-payment Tuition Plan—or Bison Savings Certificates. This program provides a contract whereby parents may send in any amount per month they wish, which becomes an investment for the future college education of their children. We pay ten per cent on the amount invested up to fifty per cent of the amount invested until the money is used for the tuition of the child. We now have six contracts in effect, two others are now being used by students in school, and we have had a number of inquiries which will eventually mean contracts. Rev. and Mrs. Robert F. Ricketson, missionaries in China, recently wrote asking for details of the plan. The fund now contains \$613.30.
- 4. The Second Annual Band School conducted last June was attended by 14 directors and a number of high school students. Five of the nation's most outstanding band-men were present as instructors and performers.
- 5. The Second Annual Summer School for Preachers was well attended and enthusiastically received by 31 eager ministerial students and preachers. Drs. Jent, Aulick, and E. C. Routh, and Professors Watts and Porter Routh taught the classes.
- 6. The Second Annual Fall Creek College Courses enrolled only 5 students. There is a question as to whether or not this work is fulfilling a need at Falls Creek. Should it be continued?
- 7. The Ministerial Alliance Report for last year is exceptionally fine, and since we have 50 more ministerial students this year than we had last year, we expect the report to be even greater next year:

Sermons preached		3,393
Conversions reported		1,245
Rededications reported		96
Additions to churches	•	1,189
Collections	\$1	,976.95
Miles traveled on duty	1	96.957

VI. PLANS FOR THE FUTURE—involve a three-fold program.

- A. Provision of necessary buildings, listed in the order of their need:
- 1. Men's Dormitory and Gymnasium. These buildings will necessarily have to be included in the same project, as the remodeling of the present Men's Dormitory cannot be done until we have a gymnasium. We believe that a suitable gymnasium and the remodeling of the Men's Dormitory to accommodate at least 300 residents can be provided for \$100,000. The housing of the men is indeed a serious problem and must be remedied as soon as possible.
- 2. The second great need which is no less pressing than the Men's Dormitory and Gymnasium is that of a library. Since the library is so closely related to the academic structure of the college program, we cannot ignore this need. Cost approximately \$100,000.

d

3. To properly care for our needs we must have a central heating plant.

4. We need a combination Fine Arts Building and Chapel.

Cost \$100,000.

It is hoped that some plan may be worked out whereby a definite attack on this problem of building for the future may be made.

This Board at its March meeting voted the following recommendation to the Plans and Policies Committee of

the Convention:

"That in order to plan a permanent University program, a definite sum of \$25,000 be allocated to the University annually out of the regular income of the Baptist General Convention for building purposes; "That this plan become operative as soon as the debt situation is sufficiently relieved to permit it."

Such a plan will guarantee the minimum building needs for future college generations. It is hoped that the Convention will look with favor upon some such plan.

- B. Academic Strength. Your attention is again directed to the improved academic rating of the faculty. Within a brief time we can normally expect each divisional head to hold a Doctor's degree with many of the others working toward securing either the Master's or the Doctor's degrees.
- C. Student Recruiting. We have now reached the place in the life of O. B. U. wherein we need to do student recruiting of a definite type. We no longer need to solicit "just" students, for we can get all the students for which we have sufficient facilities to care for without any additional program. We do need help in the securing of "pay" students. A recommendation is made regarding this particular problem.

VII. CONCLUDING STATEMENT

The entire program of Oklahoma Baptist University should be properly considered in the light of the significance of the University to the state and to the Christian Kingdom.

Great American leaders are constantly calling attention to the importance of institutions designed primarily for the development of character in the maintenance of the

ideals of this nation.

Two significant statements of educators and religious

leaders are constantly before me:

1. Educators are indicating that the leadership of America must come from the Middle West. The last frontier of old American ideals is found in the Middle West. In a measure we are unfettered by the traditions and institutions of the East, and as yet we lack the influx of recent foreign "isms" in our intellectual and social structure which have so permeated and now dominate both coasts.

If American ideals are worth maintaining, and I believe they are, and if the last frontier in the maintenance of those ideals is the Middle West, then institutions such as ours must have the full support of our constituency, or the

ideals of America will be lost, for they came from just such institutions.

2. The second statement made by our religious leaders is likewise equally as arresting; namely, that missionary prospects of the Southern Baptist Convention are not coming from the schools of the South or East, but from the schools of the Southwest, and that Baylor and O. B. U. are furnishing the best prospects for the Southern Baptist Mission Board. Dr. Charles Maddry is the authority for this statement.

We recently had occasion to check the list of missionaries appointed by the Foreign Mission Board of the Southern Baptist Convention for the past 25 years. It is interesting to notice that for the past 25 years O. B. U. ranks fifth among the colleges and universities of the South in providing missionaries. You will notice also that this period covers practically the entire life of O. B. U. in sending out graduates. Whereas, in the past 14 years O. B. U. ranks second; Baylor University alone leads us. And in percentage of graduates, O. B. U. leads all other institutions of the South. To me, this is at once a staggering responsibility and a glorious opportunity, for what good will mission money do if there are no missionary prospects? After all, men are worth more than money. We must not minimize the financial support of all our Southern Baptist enterprises, but we should take courage and high heart in the fact that we are making a worthy contribution of manhood.

Let it be remembered, also, that we are a new state with undeveloped institutions. Only within the last few years have we become a cohesive group with a single purpose. Our first necessity is the stabilization of a great training center for Christian work. This center for Oklahoma Baptists is Oklahoma Baptist University.

Perhaps, it has not occurred to the Baptists of the state that all of the energy of the present administrations of the General Convention and of the University has been spent in paying indebtedness representing operating deficits of previous administrations, and that neither Dr. Andrew Potter nor myself have had any opportunity to project a program for the future.

Also, let it be remembered that the Convention as a Convention has done nothing in the way of permanent improvement for the University since the erection of the Women's Missionary Union Memorial Dormitory in 1928. The recommendation made herein provides a plan whereby the University can be built for the future and the other work of the Convention not be hampered at all.

The building of this institution for the projection of Christian truths into the realms of state leadership and the preparation of Christian leaders for service throughout the world is the task to which all of us have dedicated our hearts and hands.

Resolution of Thanks

Thankfulness, born of God, is one of the distinguishing characteristics of the Christian religion. On every hand are manifestations of God's power and love for which we are inexpressibly grateful.

As we come to the close of this significant Convention, we lift our hearts to God in thanksgiving for His wisdom and guidance to us throughout the sessions of the Convention. Surely as we go back to our respective tasks we shall go in His strength and seek in all things to know and do His will.

We are thankful, too, for the beautiful spirit of fellowship which has dominated every session of this Convention. How pleasant it is for brethren to dwell together in unity!

We thank the officers who have so wisely and efficiently directed the deliberations of the Convention; the secretaries and the various boards and committees for their faithful service; the capable and consecrated speakers whose messages, under God, lifted us to spiritual the whole world; the music director, Mr. Ira Prosser, and his associates and the various groups of singers who have made a notable contribution to the spirit of the Convention.

We thank the Baptist churches of this city for their beautiful conversion and particularly the First Baptist Church and her beloved.

co-operation and particularly the First Baptist Church and her beloved pastor, Dr. A. N. Hall, for the gracious provision made for our comfort and welfare; the ushers; the citizens of Muskogee; the hotels; the daily papers; and the Oklahoma Baptist Hospital for many

courtesies.

139. P. Boyd Smith read the Report on Social Service and motion carried to adopt it.

Report on Social Service

Your committee on Social Service is quite conscious that many evils confront us today. Christian obligation calls upon all Christians to take a firm stand against any evil, which threatens the development of Christian character or the progress of the kingdom of God. In view of the fact that men's heart are not changed by legislation we urge upon our people to constantly engage in soul-winning that the cause for evil might be destroyed. New creatures in Christ nurtured and developed for Christian service are an adequate answer to all forms of evil.

Your committee suggests that the Baptist churches of this State use every opportunity to promote good will and a sympathetic understanding between the races. Race hatred and prejudice can be greatly diminished when God's people assume a Christian attitude toward all races.

A renewed interest in the sacredness of home will cover a multitude of sins. Since the home is the oldest of God's institutions, we believe that a rebuilding of the family altar and the rediscovery of home ties will solve some of our most perplexing problems.

The liquor traffic is still to be dealt with. Common decency and modesty are constantly shocked by women and girls drinking liquor. We urge upon our Baptist people to use their influence to halt this enemy. Furthermore, we suggest that the Baptists of this State oppose all efforts to repeal our present prohibition laws. Moreover, we ask our people to deal with the official at the ballot box who has gone into office under the guise of a "Dry" but who for political prestige is transformed into a "Wet."

A revival of the observance of the Christian Sabbath will do much to honor God. The Word tells us we worship a living God. Therefore, look up, march on, "and having done all stand."

- 140. Moved by E. C. Routh that the Executive Board of the Convention be authorized to transact any unfinished or new business necessary to the work of this Convention and that the President and Recording Secretary be authorized to sign any legal papers of the Convention which require signature.
- 141. President Storer spoke fitting remarks of appraisal and appreciation regarding the Convention and introduced Dr. W. R. White whose address brought the Convention to its close.
- 142. Dr. W. R. White spoke upon the subject "Baptists in this Changing Age."
- 143. Congregation stood singing "Blest Be the Tie" and the Convention adjourned by prayer led by Dr. O. L. Gibson.

MESSAGE OF W. M. U. PRESIDENT Mrs. H. B. Wilhoyte

STEADFAST PURPOSE IN A CHANGING WORLD

As pages of world history pass before us in review, it becomes evident even to the most cursory observer that each succeding generation is conscious of most striking changes in this world. We have come to expect radical changes as the race marches onward and upward. New discoveries, new developments, and new inventions mark the progress of each age.

Not in any previous age perhaps shall we find such cataclysmic changes as have come in this present one in which you and I live.

Nations have lost all sense of justice, fair play, regard for truth and seem to be controlled only by lust for power and self-aggrandizement. That might is right and brute force must prevail seem to be common ideals of all too many. Yet it was into such a world as this that Christ came to bring a new order. Centuries go by but the human heart is the same. Here is the point of contact for all nations. With the teaching that love and love alone, for God, for each other as heirs of God, and for the lost, for every one of the lost as possible sons of God would establish His kingdom on earth. He set himself with a steadfast purpose to accomplish this thing.

with a steadfast purpose to accomplish this thing.

When His disciples would have turned Him aside, He would not be moved from this fixed purpose, but set His face steadfastly to go to Jerusalem, that only by the triumph of this spiritual purpose over the desires of the flesh could the world know the love of God.

to go to Jerusalem, that only by the triumph of this spiritual purpose over the desires of the flesh could the world know the love of God.

It is faith in this triumphant Christ that is the source of our steadfastness. It is the strength of our purpose, our anchor, the foundation of our ideals. It is not so much the purpose we have but the foundation to which that purpose is anchored that enables us to hold fast when transitory storms of life would seem to sweep us from our goal.

We need to be steadfast in our purposes when all goes well,

unmovable when it goes otherwise. It is to a steadfast adherence to the ideals of Woman's Missionary Union that we are challenged in this changing world. They are sure foundations upon which a better citizenry can be built.

Prayer is the unfailing source of power that will make stalwart Christians out of wavering disciples. Prayer will make you invincible, prayer will impart to you power.

A steadfast purpose will inspire renewed effort to enlist that indifferent woman. It will so irradiate your life that His irresistable presence will be felt in deeds of loving service. It will lead you to the lost, to bring good tidings.

"Christianity did not come into the world through the editorial pages, but through the news column." It was a news event, front page, and "stop the press" news.

We must continue to give it to a lost world as the sweetest story ever told. The most fateful piece of news that ever has or ever will be given to mankind.

This steadfast purpose will lead us to bring our gifts, our tithes and offerings to Him that we may be saved from selfishness. Money for too many has become a measurement of worldly success The question often is, "How much is he worth?" rather than, "What has he done for humanity?" "Money talks" in everyday parlance. Make it speak in terms of spiritual values.

The human heart is too great to satisfy its hunger on things that perish. The soul's longing is too deep to be satisfied with earthly pleasures.

We ought to concern ourselves with helping youth to find a sure foundation in these uncertain, confused times when ideals and values seem to be crumbling and disillusionment walks on every hand. The future of our missionary program, even the future of Christianity depends on how we meet our responsibility. Youth in this complex age must be taught many things, but still insistent, is the need to instill a love for humanity—a love of right, a love of justice.

If our purpose is great enough, if we catch the spirit that abides under all transient things in this changing world we can have abiding peace in the confidence that our labor is not in vain in the Lord. We can make life fretful and full of worry by making it shallow and narrow. If our purpose is small then little things give us our pleasures or annoyances. If we make the purposes of our life great we can bear the annoyances with composure. Shallow streams fret at the stones that impede their progress. If the current of life is deep we do not mind the stones.

The Christian life is one of struggle, but it is the one way to spiritual victory. The crown of life is not promised to the wavering, negligent or indifferent, but to him that overcometh. Endurance is heroic

"No one ever carried Christ's cross without coming nearer to Christ himself, and wherever He is, the cross becomes light."

"Be ye therefore steadfast, forasmuch as ye know your labor is not in vain in the Lord."

Dr. J. Fort Newton once said, "There shall come a time when man shall awake from his lofty dreams and find his dream still there, that his dream is true, and nothing has gone but his sleep." The world is weary of new tracks of thought that lead to nought, Sick of quack remedies prescribed in vain

For mortal pain;

Yet still above them all, One Figure stands with outstretched hands

Yet still one Voice repeats the tender plea, "Come unto Me."

REPORT OF CORRESPONDING SECRETARY-TREASURER Mrs. Berta K. Spooner

BE YE STEADFAST

As Oklahoma Woman's Missionary Union turned from the 1938 achievements in which it contributed to the victories of the Golden Jubilee of Woman's Missionary Union, auxiliary to the Southern Baptist Convention, we sought to conserve every gain, so that it is fitting to bring our 1939 report in terms of the anticipated 1940 Watchword, "Be ye steadfast." We have tried to be steadfast in costaining the new organizations begun in 1938 and in continuing to form new W. M. U. organizations of all grades so that now we report a total of 2,055. Of these 658 are W. M. S. We report 102 full-graded Unions and of these, 30 societies have six auxiliaries and 10 maintain seven. Fifty-seven societies have five auxiliaries, yet do not have a full-graded union. Eighty-three societies have 4 auxiliaries, 79 have three, 86 have only two and 122 have only one, leaving 191 societies without even a Sunbeam Band.

One-hundred and fifty-six societies reached the A-1 Standard

One-hundred and fifty-six societies reached the A-1 Standard of Excellence. One-hundred and ninety-four failed in one or two points so are placed in Class B, 179 reaching only Class C. May I urge every society at the beginning of the new year to accept the Standard as their minimum goal and work steadfastly to reach A-1 Standard

in 1940.

The Y. W. A. gain is 16, making a toal of 349 Y. W. A. organizations. The Royal Ambassadors of both grades added 10 new chapters during 1939 and have a total of 253 chapters. With 39 new Girls' Auxiliaries we have a total of 493. We are fostering missionary organizations for the teen-age boys and girls which is vital to the future missionary program of our denomination. There are 302 Sunbeam Bands now, 15 of these are new organizations in 1939. Certainly there should be a Sunbeam Band in every missionary society. Happy indeed are we that some of our women are enrolling their babies as Sunbeam babies receiving the attractive baby card and the helpful letter to mothers, that the word thought and the mission-hearted atmosphere may encompass the home of the new baby until he grows up into the waiting Sunbeam Band.

We have been steadfast in enlisting new members, also. As organizations increase in number we do not want to forget to add the unenlisted women and young people in churches where missionary organizations are already functioning. There are so many unenlisted. Christians in every church. The admonition of Paul "be ye steadfast" follows a song of triumph as the great Apostle thinks of Christ's victory over death. This jubilant triumph is to be appreciated by all Christians, and in missions we see our assurance of life eternal by contrast with heathen efforts. Where women and young people are careless of their Christian privilege they need to be enlisted

in missionary activity.

A real appreciation of the gift of life enternal through Christ Jesus will constrain us to earnest mission study. We can report 2,021 mission study classes in 1939, 1,267 by women and 754 in the auxiliaries. With 1,398 young people's organizations we see that 644 did not have mission study classes. We report a total of 22,218 awards. Mission Study Chairmen are urged to be more steadfast in promoting mission study in 1940 in the auxiliaries. Also may we urge Pioneer classes, and advanced course graduates. Moreover we must be more steadfast in our missionary reading. How splendid to have 3,262 subscribers to Royal Service, but that is not enough. We must have 838 more before January 1st if we reach our goal. With gratification we think of 962 World Comrades and 454 copies of The Window of Y. W. A. going into our homes every month, but we yearn for all Baptist homes to receive these missionary magazines plus the Baptist Messenger and other denominational literature. The more we read and know, the more we shall be steadfast, faithful in bringing our tithes and offerings.

Oklahoma Woman's Missionary Union is glad to have contributed \$46,950.76 through the Unified Program. We are happy to have 315 members of the Hundred Thousand Club. We are indeed glad to have given in 1938 through the Lottie Moon Christmas Offering; \$13,099.34, and through the Annie W. Armstrong Offering in 1939 \$7,245.86, to State Missions \$3,416.33. Developing the Stewardship of Possessions plans for the education of our young people will rear up a generation of tithers whose honest tithes and worthy offerings will help further the publishing of the victorious news of life everlasting. The message for which our agonized world waits. We look forward with delight to adding our gifts, already promised, for the new building so necessary for the W. M. U. Training School at Louisville. We have made it a preferred item in our Silver Trails to Christian Education. \$5,330.00 must be given for this cause during the early months of 1940, the balance of this fund will go into an account for building a Dormitory for Boys at O B. U. Let us be diligent, be steadfast in this project. The development of our schools is vital to the progress of Kingdom work among Southern Baptists. Our hearts rejoice that through the Scholarship Fund this year we have a part in training for Christian Service three fine girls in Louisville, three in Southwestern, a young Syrian, and an Indian girl in O. B. U. and two negro girls in Nashville, Tennessee. We also furnished seats for the Assembly Hall, chairs and desk for class rooms in the School of Religion at Langston, Oklahoma at a cost of \$1,500.00.

Oklahoma at a cost of \$1,500.00.

Oklahoma Woman's Missionary Union has endeavored to enter steadfastly into the Southwide revival plans and have been diligent in our Personal Service. More and more our societies are realizing the importance of directed Personal Service and eagerly accept their responsibility. A number of Daily Vacation Bible Schools and Schools of Missions have been held in the colored churches by the women of

our societies.

Through the year the usual meetings have been held with unusually fine attendance and results. Your secretary being unable to attend the District Meetings, Mrs. Wilhoyte, our esteemed President, made the tour with Miss Harris and Miss Lillian Thomason, missionary from China, who greatly thrilled our people with her messages and rich experiences of many years in Shanghai University. The Assembly at Falls Creek made a red-letter record in mission study. Our W M. U. faculty was composed of Miss Thomason for the women, Miss Jack Keys for Y. W. A., Miss Ruby Howse, Intermediate G. A., Miss Harris, Junior G. A., Mr. Cecil Hiatt, Intermediate R. A., Rev. Lee Aufill, Jr. R. A, and Mrs. Lina Beck Hoppell, Sunbeams, with a combined enrollment of 900. The State G. A. Houseparty and R. A. Conclave were held early in June at O. B. U. before Miss Harris' resignation. The attendance was gratifying—an increase

over last year The faculty was splendid and a gloriously good time was had by all. We are indebted to Mrs. R. E. Beddoe of China, Miss Elizabeth Provence of Texas, Mrs. H. B. Wilhoyte and Mrs. Geo. Hitt of Oklahoma City, Rev. Lee Aufill of Geary, T. L. Gambrell and Cecil Hiatt of Shawnee, for their fine contribution to a successful Houseparty and Conclave. We have been happy to have Mrs. Shad Medlin, who before her marriage was State Young People's Leader of Missouri, come to us as W. M. U. representative for a visit to eight of our colleges and one hospital giving new enthusiasm to our Ann Hasseltine and Grace McBride Y. W. A.'s in those institutions. Fifteen of our young women attended Y. W. A. Camp at Ridgecrest, North Carolina. We hope larger numbers can go for July 2-12, 1940. What an inspiration to any young woman to have such a privilege.

We have had letters from Miss Kersey, Miss Ruth Walden and Mrs. Elizabeth Routh Pool telling of the joy not only to the missionaries but to the thirty children in the home for motherless children in Africa, that our gifts to White Cross made possible last year,—the hundreds of sun suits, the first beds the babies had ever slept on, the big Electrolux that furnished each child a cube of ice every week at defrosting time, aside from keeping fresh and sweet all their food. It has inspired us to increase our gifts to White Cross so that other comforts and necessities might be supplied in our Hospital at Ogbomoso. What a comfort to the hearts of many, many of our women to supply the necessary clothing, linens, and school books for the children of our Home in Oklahoma City. Also much of the food, all kinds of canned vegetables, fruits, jellies and preserves, bushels of cookies, hundreds of cakes prepared by their own hands, chickens and eggs galore were sent. The children are well cared for and have good training by a staff of cultured Christian men and women.

Last November at the pre-session of our Board meeting, the imperative need for a Dormitory for Young Men at Oklahoma Baptist University was presented and it was decided to begin the collecting of a fund for same, so an additional apportionment was sent to each society asking for their co-operation and help, and the response has been splendid. We do realize that if we have a school that will appeal to our young people, we must continue in the building business for some years yet. Universities are not built in a day and we are a new state. May we be steadfast and faithful in the building of our denominational school. Dr. Maddry says in the past ten years, Oklahoma Baptist University has made a greater contribution to Foreign Missions than any other Baptist school in the South, save Baylor University. So your investment has not been in vain. Be not

weary in well doing.

Through the year, the co-operation of our President, Mrs. Wilhoyte, the constant assistance of the Office Secretary, Mrs. Wells, the understanding and tireless work of District and Associational Officers, the courtesies and co-laboring of all our constituency has been a source of encouragement and great help to me. And together we have made some progress in Kingdom building. It was a wonderful privilege to attend the Baptist World Congress in Atlanta as the guest of Royal Service, then to go on to Ridgecrest for a few days of the Foreign Mission week. The sight of thousands of Baptists from many nations, the sound of voices singing praises to God in many tongues, the testimony of missionaries and of native workers to the saving power of Christ Jesus, gives urge to continue to serve diligently in the work of missionary education The chapter from which we select our 1940 Watchword contains also the stated word of inspiration "For He must reign till He hath put all enemies under His feet." In our world today, groping, with the lights going out all over Europe,

with catastrophe testing China, we listen with hushed hearts to the promise of Christ's ultimate triumphs. He must reign and we hear with high resolve in our response. "Be ye steadfast." It is my prayer that Oklahoma Woman's Missionary Union will go on in His way praying, giving, serving, studying, fostering our young people's organizations—steadfast in the Lord.

REPORT OF THE MARGARET FUND

We would give thanks for blessings rare, For God's own loving tender care, For Margaret Fund of W. M. U. That serves missionaries and students too, For these we render joyful praise To Him who guides us through the days.

Jesus said: "Everyone that hath left houses or brethren or sisters or father or mother or children or lands for my sake and the gospels shall receive an hundred fold."

Twenty-three years ago with its motto: "Steadfastly in Prayer and Ministry" the Margaret Fund was established. This motto has stood through the years "unmovable" as did the stone wall around the Margaret Home for stability and protection, while the Woman's Missionary Union has been "abounding in the work of the Lord" through the Margaret Fund. Through prayer, love, and wise and careful investments of gifts the fund has been multiplied and blessed by our Heavenly Father. We praise God today for its establishment, its growth, its ministry of love, its accomplishments and its future possibilities for Kingdom work. In the estimation of W M. U. members the worth of our Margaret Fund cannot be calculated as a missionary agency. The chain of love that links Woman's Missionary to the cause of missions through the Margaret Fund has become stronger through the years. No record can tabulate the number of prayers or the souls saved through the work of the Margaret Fund.

During these twenty-three years the sons and daughters of Southern Baptist Missionaries have shared in the love of Woman's Missionary Union through the blessings of Margaret Fund Scholarships from which missionaries have said they have received "an hundred fold." "For the administration of this service not only supplieth the want of the saints but is abundant also by many thanksgivings unto God... They glorify God... for your liberal distribution unto them and unto all men; and by their prayers for you, which long after you for the exceeding grace of God in you." Wafted across continents have come expressions of gratitude from missionaries and students. Students have said that the greatest service of W. M. U does not consist altogether in money for scholarships but in the contacts they make in Christian schools with noble men and women who by their spiritual guidance influence their lives. The happiness and joy that the scholarships produce in their hearts make sacred and lasting memories which will always bind these young people and their parents in tenderest ties to Woman's Missionary Union.

The presence and joyful service of many former students in foreign lands is a witness to the value and far reaching influence of this work that we have been "abounding in the work of the Lord," and that our labors and prayers have not been in vain. We have faith to believe that many more students will be ready to go when we can send them and greatly rejoice that God is calling them. Some have been called this year and a number have been appointed to service on the foreign field. "May our united prayer be:

Help us Lord to serve with all our might To send forth these messengers of light; Help us that for these who go We may gladly work and give and pray That all who dwell in every land May know His peace, His truth, His love."

The Margaret Fund work of our state continues to be a service of joy and is one of if not the most cherished phases of W. M. U. work which has brought untold blessings to our women. We rejoice because of the creditable records made by our five students; the honors won by Alpha Marie Worthington, who graduated from O. B. U. last May, and Arthur Elder who was called for definite missionary work in China.

The Margaret Fund goal for this year is \$500.00. While we have not reached the goal at this time we have faith to believe that we shall by the close of the year. Annual love gift contributions received from societies tmount to \$378.66. Total disbursement \$267.10. Two hundred dollars of this amount was sent to Mrs. Cox, Southwide W. M. U. Treasurer, for the Margaret Fund Endowment. We rejoice that Oklahoma led all states with a gift of \$450.00 to Margaret Fund Endowment. Manifold have been the ways in which Woman's Missionary Union has tried to express its love and interest for Margaret Fund students.

In order that there may be a fairer and more uniform distribution of love gifts to students the Margaret Fund has an added significance this year by the adoption of the Burney Love Gift plan for the maintenance of the work; named in honor of Mrs. Frank Burney who served the cause so long as Southwide Chairman. Such gifts are made possible by the Burney Love Gifts in the states and the Emergency Fund. The Southwide Treasurer is authorized to send checks of \$5.00 each for each student to State Chairman at the beginning of school, at Christmas and just before Commencement, to be given to the students as an expression of the W. M. U. love and interest of her state.

We are deeply grateful for the recognition given the Fund by placing the scholarships in the designated gifts of the Week of Prayer Mission Offerings and that the cause has second place in the list of objects for 1939 Lottie Moon Offering. Societies are asked to feature a program on the work in at least one meeting annually. We further stress Margaret Memorials with each society's goal being one Memorial.

We are happy to have three students, viz. Dorothy Lee Johnson, Wanda Marie Hancock and Jed Johnson in school at O B. U. Assignment of students is again made to Districts that students may be remembered on birthdays, special occasions, vacation time, etc. Societies are asked to continue annual contributions of \$1.00 (minimum) which shall be designated as Burney Love Gifts to Margaret Fund. All cash for Fund or students should be sent to the W. M. U. Office. May the new Margaret Fund Watchword: "Guard that which has been committed to thy trust" be a reminder to us to keep watchful guidance and tender care over the students in our midst; to be steadfast in prayer for all students, the Southwide Committee which administers the Funds and the Margaret Fund cause.

"Always abounding in the work of the Lord"
Unmoved by doubt or lack of faith to pray
"Thy Kingdom Come" through the Margaret Fund
That binds us in the Christ-like way.
Steadfastly on—O Margaret Fund!
Our work of love has been secure
May we falter not nor sound retreat,
We know His promises are sure.
May we abound in the work of the Lord,
His praise to sing from sun to sun
That through the work of the Margaret Fund
We may hear at last His words "Wel Done."

REPORT OF WOMAN'S MISSIONARY UNION TRAINING SCHOOL

The Woman's Missionary Union Training School at Louisville, Ky. is now in its thirty-third year and has an enrollment this term exceeding any since 1929—89 boarding and 48 day students—137 in all.

Last May the School graduated 46 fine young women trained to carry on to the utmost the Master's bidding. This large number of graduates assures us again that we are back to pre-depression figures and we rejoice. Among those graduating in May was our own

Ruby Howse of Hugo. She did very fine work while at the school. Also, Waldemira Almedia of Brazil finished her special course for which Oklahoma women were her sponsors. After the close of School she returned immediately to her Homeland after thanking us time and again for our help to her.

This year our State has three scholarship students in the Training School. Pauline Sheriff of Hollis is in her second year. She did so well last year in the Home Economics Department that she was asked to become an assistant this year in that department, receiving one-half the amount of her scholarship thereby. Then we have two full scholarships from our State: Ruth Heirich of McAlester and Jack Keys of Oklahoma City, the latter being our own Mrs. Spooner's niece. Both of these girls are in their first year. I feel that we are wonderfully well represented in these three fine State students

Time forbids me to do more than mention the outstanding and varied work being done by the students even as they study. I mention in passing that they have this year twenty-five phases of Field work, of which the work among the Chinese in Louisville is the newest and Is under the direction of Alice Griffin, daughter of veteran Chinese missionaries, and Margaret Jung, a Chinese student. Then there is the Good Will Center with a weekly attendance last session of 1075 and the Daily Nursery School for children of working mothers. One nore piece of work I would call to attention and that was done this past summer by three students. They went into the heart of the Centucky Mountains where they contacted untold numbers of young people who have no churches nor Sunday Schools and told them the story of Christ with remarkable results.

Golden Jubilee bells still ring in my ears and heart. One of the lells that rang the loundest was that calling all Southland Baptist vomen to step out in a greatly needed new venture. You will resember one of the goals of the Golden Jubilee was the raising of 50,000.00 for the development and expansion of our Training School. Leports at our annual meeting in Louisville last February showed ur fondest hopes far surpassed.

Already one of Oklahoma's "Silver Trails" leads out to a seven nd one-fourth acre plot with beautiful rolling lawn and majestic rees near the "Beeches" in Louisville's suburbs, which is entirely aid for in the sum of \$27,500.00. The \$50,000.00 so generously given y the W. M. U all over the Southland is being held intact for the annie E. S. Heck Memorial Chapel. Several thousand above this pecial gift was given and thus so easily during Jubilee Year did we tise approximately one-third the cost of the project.

One hundred thousand dollars is being needed this year before illding actually begins, the same to be paid within the Convention ar May 1939 to May 1940. Early in the spring this amount was portioned among the States and those who held their Conventions st spring gladly and enthusiastically accepted their apportionments id are now working toward their goals. Several states hold their neual Conventions in the fall. A few weeks now and we will all be in ine, paving the way as we go with shining silver dimes and larger and imerous silver pieces for our time honored memorials.

Cries still come for help from across the seas. In our Homeland e needs are still appalling, open doors are challenging, the call is set urgent. O, let us arise and build and give the best that we can iterially to prepare young workers for the fields "already white to the harvest."

The prayer of those of us so vitally interested in our beloved

Training School as it goes forward in its great program of expansion to better fit young women for world service is that it may be used more largely than ever in the extension of our Master's Kingdom.

Respectfully submitted,
Mrs. James C Hering,
Trustee.

REPORT OF SOUTHWESTERN TRAINING SCHOOL

If we had before us a map of the world with trails over which the young women have come to the Training School we should see that they came from many different sections of the world. Three of the farthest trails this year start from China, Brazil and Hawaii. Juanita Wilcox and Martha Jane Moore are daughters of missionaries to China and South America and Itsuko Saito is a Chinese convert from the Hawaiian Islands. Among the 78 girls in the Training School this year 24 have dedicated themselves for foreign mission work, three for home mission work, 14 for religious education and nine for sacred music training. Mrs. W. A. Johnson is "mother" to all these young women.

The W. M. U. provides two types of scholarships for the girls: gift and work. Most of the office work is done by scholarship girls. All do as much outside work as they can in churches and missions A model Y. W. A. is conducted. The bi-monthly meetings are held on Saturday nights. Each training school girl is automatically a member and all are willing, consecrated and experienced. Each night at 10 o'clock the girls gather with Mrs. Johnson on the second floor, join hands in a large circle and have a prayer service.

There are no institutions on earth comparable to our Training Schools and Seminaries. The students are there with the same high purpose and ideals. There is a spiritual fellowship and congeniality lacking in any other type of school.

The Oklahoma girls who enrolled in Southwestern in September of this year are as follows:

Eula Mae Henderson and Grace Young, Oklahoma City Dorothy Carpenter, Shawnee Alice Caldwell, Nash Pauline Evans, El Reno Oleta Wilmouth, Chickasha Flora Mae Scharmacher, Muskogee Blanche Thompson, Okmulgee

Most of the young women in the Training School would not be able to reach the open doors of Christian education if the members of the W. M. U. were not bridge-builders along the silver trails—bridge-builders over financial obstacles, opposition and fear of failure.

The girls whom you help to educate in the Training School are really at a loss to express to you their appreciation of the privilege of attending such an institution Most indicative of their appreciation is their work when they are graduated and join you in aiding others over the silver trails to the open doors of Christian education.

Respectfully submitted,
Isabel Chrystine Hunter.

REPORT OF MISSION STUDY CHAIRMAN

ABOUNDING IN THE WORK OF THE LORD THROUGH MISSION STUDY

Double-mindedness in matters of religion is a scourge of humanity. Like the wave of the ocean, tossed up by the wind only to sink into the hollow of the sea, many men a re unstable in all their ways. We do not know where to find them. They were but are not. Balaam, Pilate and Judas are examples of this type of men. In contrast think of Jesus, Paul and thousands of others who were not like the wave of the ocean but like the ship as with compass set and

eye to the port she ploughs her unchanging course.

This is the pattern of life Paul admonished the Corinthians to live when he wrote, "Be ye steadfast, unmovable, always abounding in the work of the Lord." The word steadfast refers to something that is settled. The thought is "be seated." Don't remain standing as if waiting for someone to come along with a new opinion for you to seize. Opinions never led martyrs to the stake. It is conviction as deep as life that motivates to worthy Christian service. It was conviction that enabled Adoniram, Judson, David Brainerd, Alexander Mackey and numberless others to brave suffering and persecution that they might abound in the service of the Lord. It is conviction that strengthens missionaries in China to stand firm to their trust although bombs and shells are falling all about them. "Be ye steadfast" in your own hearts, said Paul and because of this steadfastness, unmovable by influences that would turn you from your course.

This is what missions need supremely. Missions needs men and women who are not swept by periodical emotion into mission interest. Missions needs supporters who are unmovable in their conviction that

the Gospel be spread around the world.

There can be no conviction without knowledge. How can a man have conviction on a subject about which he know nothing? Through the missionary teaching of the Bible and books on world missions, mission study furnishes knowledge that leads to conviction, steadfast and unmovable.

Notice the practical turn Paul takes when he added, "always abounding in the work of the Lord." He might have said, "Knowledge without works is dead." Faber expressed it, "Remember in the spiritual life there are no holidays. Work breaks up but once and the home afterwards is eternal."

The goal of missionary education is missionary action, "always abounding in the work of the Lord." Learning that does not inspire to action is a failure. It is not true knowledge for knowledge is tested as it results in conduct.

For many reasons the study of missions results in abounding service. As has been said, mission study leads to intelligent conviction. Otherwise service is spasmodic and uncertain

Faith in God's power to save is a pre-requisite to successful and permanent Christian service. Books on world missions are testimonies in black and white to the saving power of the Gospel. Mission study is a tonic to faith. Mission study brings to the mind of the student the marvels of answered prayer in the lives of missionaries as well as the place of prayer in all missionary endeavor. The student of missions believes and practices prayer, Success in Christian work is in direct proportion to the amount of time spent in prayer.

The sincere student of missions abounds in liberality. "Experience

proves that giving does not move forward on the feet of ignorance" (Adults Study Missions). Ignorance is dispelled by a study of the Bible teaching on stewardship and knowledge of world needs. An informed people are a liberal people. Best of all, missionary education reveals God's plan for a world redemption, shows the place of the individual in His plan and leads to life consecration.

Thus, mission study results in abounding service in the work of

During the Convention Year 1938-39 Baptist women and young people have studied diligently. The following figures show the visible results:

REPORT OF PERSONAL SERVICE CHAIRMAN

Abounding Through Personal Service

Steadfast—settled—steady—constant—unwavering. Steadfast is used to define the New Testament word Faith and the Old Testament word Believe.

This verse comes from the great Resurrection Chapter of Paul in which he shows the resurrection of Christ as a TRUTH and a FACT. This Chapter is a basis for OUR FAITH, OUR HOPE, OUR VICTORY OVER DEATH, OUR REWARD for FAITH and SERVICE.

With the truth of this chapter in our minds we ought to be abounding in Soul Winning which is the chief Aim of this department of our work.

Let us take a few Bible examples of Personal Service for our consideration today: First, in the third chapter of Genesis we have God seeking the first lost person calling "Adam, where art thou?" Second, in the fourth chapter we have the same loving God asking Cain, "Where is Abel, thy brother?" Third, Noah preaching righteousness for 120 years to win some from the judgment. Fourth, God goes over into a far country to call Abram out to establish him as "the father of the faithful." Fifth, Moses as God's leader pleading for the obedient following of Jehovah. Sixth, the prophets came preaching repent, return to Jehovah, and He will abundantly pardon.

In the New Testament, we have "the Lamb of God which taketh away the sin of the world." "He came to seek and to save that which was lost," "And I if I be lifted up from the earth will draw all men unto me."

Thus we have a seeking God and a seeking Christ and again He says, "As the Father has sent me even so send I you." We find Him teaching and doing the Father's will at every turn. It was individual and under His direction the twelve and the 70 were sent out and the World-wide program was left with His disciples after His ascension. Let us make a Personal Service outline of His conversation at the well:

Approach—"Give me to drink."

Attention-"If thou knewest," call attention.

Appreciation—Friendship, human need met.

Conscience—Self revealed—Responsibility.

Conviction-"I have no husband."

Confession—"Sir, thou art a Prophet"—Joy at thought of this.

Salvation -"I am He" Her reward

Service—"Come, see'—She brought them to Jesus:

Dr. E. P. Alldredge tells us that sixty-eight per cent of our Baptist group are not enlisted and that it took sixteen Southern Baptists to win one soul last year. Lyman Beecher said, "The greatest experience a person can have is to bring a soul to Christ."

Personal Service is local missions—missionary in heart and purpose. $\,$

A person can go to heaven without health, position, wealth, culture, education, friends, world honor, and on and on, but he cannot go without Christ. So let us "Be steadfast, unmovable, always abounding in the work of the Lord."

REPORT OF STEWARDSHIP CHAIRMAN

ALWAYS ABOUNDING IN THE WORK OF THE LORD THROUGH STEWARDSHIP

The subject upon which I speak this afternoon is familiar to you because it is as old as man, it is God's first covenant with him and conditioned the life of unfallen man. This covenant has never been revoked. Jesus said, "I am not come to destroy, but to fulfill the law."

God is love and wants to be loved, so He made man in His own image, but not until He had made a dwelling place for him, a domicile in which to establish himself. He made it very beautiful. What can be more beautiful than the coloring in the Grand Canyon, the massive, rugged mountains of the West and the artistic, beautiful mountains of the East covered with graceful trees and sweet scented flowers, or the snow covered summit of the Rockies. From the heights even to the depths there is beauty, as can be seen in the caves and caverns here and there.

God made provisions for all the material needs of man as well as the spiritual, that man might glorify Him. Let each of us ask ourselves this very pertinent question, as the recipient of this great love with all its benifits am I "Always abounding in the work of the Lord through Stewardship?" In other words, am I in the center of God's will?"

If He wants my time and my talents are they consecrated to Him no matter how menial the task, am I perfectly honest and just in my financial dealings with my Lord, or am I guilty of covetousness? Have we heard the voice of the Lord speaking to us as He did to Isaiah, saying, "Whom shall I send, and who will go for us?" Did we answer, "Here am I; send me," or did we say what many are saying by their actions? as illustrated in the poem, entitled, "Think It Over."

"I'll go where you want me to go, dear Lord— Real service is what I desire. I'll say what you want me to say, dear Lord— But don't ask me to sing in the choir!

"I'll say what you want me to say, dear Lord— I like to see things come to pass. But don't ask me to teach boys and girls, dear Lord— I'd rather just sit in a class!

"I'll do what you want me to do, dear Lord— I yearn for the Kingdom to thrive, I'll give you my nickles and dimes, dear Lord But please do not ask me to tithe! "I'll go where you want me to go, dear Lord,
I'll say what you want me to say;
I'm busy with myself just now, dear Lord I'll help you some other day.

We think an incorrogoble boy or girl is a terrible thing-and yet-what incorrigible creatures we all are, we enjoy all the benefits that a kind, loving Heavenly Father has provided and then live as though He had no claim, whatsoever, on our time, talents, or money, when in reality we are the most indigent of all God's creation.

David tried living his life apart from God, and walked in the way of the ungodly, later we hear him saying, "Make haste, O God, to deliver me; make haste to help me, O Lord." Deliver me from mine enemies, O my God; dfend me from them that rise up

against me.

Yes, in time of trouble we will call upon Him and recog-

nize his sovereignty — but what about those wasted years?

We are trying to build a great missionary structure in our Southland that will change the course of nations as well as individual lives but this can only be accomplished through a systematic study of Stewardship. Stewardship is the foundation stone on which the structure must rest.

A person who realizes God's ownership of all she is, or possesses will not defile her body, nor dwarf her soul, but will set her affections on things above, not on things on the earth. In otther words, she will put first things first.

Carey when asked what his business was, replied, "I cobble shoes for a living but my business is preaching the gospel." "The King's business requireth haste." Women of the W. M. U. won't King's business requireth haste." you go back to your churches determined to do more definite Stewardship training in your Auxiliaries as well as among the Adults? Only eternity could reveal what it would mean to your

young people and the cause of Christ here in this world.

You have wrought nobly this year but have only scratched the surface as it were. We should have more churches observing "Annual Church Night Stewardship Program" for young people, more hundred per cent churches, which means a gift to missions from every resident woman member, more playlets, pageants and posters on Stewardship. Emphasize the bringing of our tithes and offerings as a primary matter of worship; have more classes in Stewardship, especially in our Young People's organizations. Last but not least, more covenant-signing tithers, 2500 new tithers being a suggested goal for 1940.

You Stewardship chairmen in the local societies are the ones on whom the resposibility largely rests, along with the W. M. S. President. My prayer is that you may be divinely led and that another year's reports will show great gain.

"Always abounding in the work of the Lord through Stewardship" if conscientiously practiced by the 4,770,185 Southern Baptists would revolutionize the world and bring our blessed Lord and Saviour's return in this generation. Lord hasten the day when Satan shall be routed and peace shall cover the earth as the waters cover the sea.

Our records this year are not as complete as I wish they were. Owing to the recent illness of your Stewardship Chairman I was unable to send out letters as I had planned to do.

For the year 1939 our records show a total of 21,349 tithers, 2.306 of them being reported as new tithers.

Our list of one hundred percent churches, those in which every resident woman member makes a contribution to missions is as follows:

Kelham Avenue, Oklahoma County Association; Bethel Tulsa-Rogers Association; Walnut Grove, Oklahoma County Association; Bethel, Comanche-Cotton Association; St. Louis, Pottawatomie-Lincoln Association.

Women are very conservative when it comes to handling trust money, but once they are convinced a cause is worthy and pleasing to the Lord they hold on tenaciously.

True love issues in service and as a means of sharing in lifting the burden of debt, we have contributed 315 paid up memberships in

the One Hundred Thousand Club. \$3,780.00 in cash.

God's love was expressed in giving, and He continues to pour out his blessings upon His redeemed children. This great love and Fatherly care should kindle within every believing heart a love that will compel us to honor Him with our substance as well as in our daily life. "Love Found a Way." Will you, will I?

Mrs. E. L. Watson, Stewardship Chairman

REPORT OF WHITE CROSS

Abounding in the Work of the Lord Through White Cross.

I have been made to wonder during these last few years and months if all the so called religious activities that go on in some Woman's Missionary Societies are indeed the work of the Lord. We may have just cause to question some things we do but when it comes to White Cross and what it stands for there can be no just reason why we should not do exactly what is laid out for us to do. We all like to think we are following in the Master's footsteps. Let us consider for a moment what Jesus did while here on earth—"He went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of diseases among the people" Matt. 4:23.

We also know White Cross work lies near to His heart when we remember that a majority of the miracles he performed were miracles of healing. We surely know he used this service as his greatest avenue of approach to the souls of men, which after all is why we are carrying on in His name today.

A sort of gulf stream of warmth and kindness wells up into each of our souls when we think of our little black children in Africa growing, learning to love the Lord, being trained in his service. "Train up a child in the way he should go and when he is old, he will not depart from it" Ps. 22:6. The training goes on while our minds are otherwise employed, but the blessed part of this is He is ever mindful of them and our co-workers there, and while we do our small part at home they are busy there in our Orphanage (31 children now) which we help to support with our White Cross money.

It is interesting to note the smallest gift from any church for this cause was 50c the largest being \$43.38. One of these days Oklahoma Women will awake and find a large group of trained men and women who are able to go afield in Africa as first hand Missionaries to their own people. They will have the poise and ability of the best foreign Missionary and in addition a heart felt tug for a brother that only a Native can have for his own.

February has been and still is White Cross Month on our calendar of activities. The Spirit of God at work in our churches will generate a spontaneous co-operation among all Christians. Then each of our special objects will march out when it is due and take its rightful place in our hearts, on our programs and especially in our offerings.

We should really take advantage of the privilege of meeting in Muskogee this year, the home of one of Oklahoma Baptist Hos-pitals. May no woman go away from this City without a personal visit to this valuable Institution.

Thank you for the generous offerings of hospital supplies, which have been sent direct to our two hospitals, 298 societies sent boxes with a total valuation of \$1,792.37 to Muskogee and boxes valued. at \$669.65 were sent to the Miami Hospital.

We want to thank the Baptist Messenger for the space given for our White Cross Playlet, Mrs. Morris Whitehead for arranging it and Superintendents of the Hospitals for the interesting letters of valuable information. May God bless every local White Cross Chairman too for her part in "Abounding the Word of the Lord."

DISTRICT REPORTS

REPORT OF CENTRAL DISTRICT

It was the happy privilege of Central District to have the Southern Baptist Convention and the Annual Southwide W. M. U. meeting in our midst last May. The information and inspiration gained in that meeting has done much to foster missionary enthusiasm especially among the women of Oklahoma Coutny who gave so loyally of their time, their talents and their money to the entertainment of this great host of Southern Baptists. Much credit is due the efficient leadership of Mrs. A. J. Seale, president of this association.

In the annual District meeting at Guthrie a banner for A-1 churches was awarded Oklahoma County since three Oklahoma City churches have attained the standard.

It gives me joy to report that of the five churches in Oklahoma reporting 100% resident women members missionary givers, two are from Central District, Kelham Avenue and Walnut Grove, both Oklahoma County churches.

During the past year two associations have been formed out of Chickasaw-Union Association so now Central District can report four associations instead of three.

The new Chickasaw Association organized with Mrs. G. B. Dunlap as president, reports an encouraging rally with every local president answering to roll call with a delegation from her W. M. S.

The new Union Association is making plans for going forward, having as her goal a W. M. S. in every church and at least two auxiliaries in each church. Mrs. J. H. Wells who has served so faithfully gave up the work at the last rally and Mrs. Alvin Barnett was elected to serve as president.

As to financial goals, Central Association went over the top on all except Margaret Fund and Dormitory. Chickasaw Association and Union Association went over the top on White Cross, Margaret Fund and Nursery. Oklahoma County Association attained all goals except Dormitory and hopes to reach that before the end of the year. Oklahoma County also gave \$27.44 on the current expenses of the Training School and presented gifts to Dr. and Mrs. Ray Northrip who are sailing for Africa, one of these gifts being a folding organ. This Association not only reached their scholarship apportionment. of \$100.00 but gave an extra scholarship to a student at O. B. U.

The presence of missionaries in Associational rallies throughout the District has made a large factor in kindling fires of missionary fervor. Rev. Gartenhaus has been in two associations, one of which, Oklahoma County, made a love offering to him of \$25.00 for the Mediator magazine to be sent to Jewish homes. Union Association had Mrs. Margaret of Argentina, granddaughter of the late Dr. W. B. Bagby of Brazil, and also had Mrs. Clem Hardy of Brazil in their rallies. A love offering was given Mrs. Hardy to buy bibles for natives who are begging for them.

Central Asociation with Mrs. H. H. Boston the capable president reports a splendid Young People's Rally in February at which 200 were present. Rev. Victor Koon of Manchuria was guest speaker. Central Association also conducted summer camps for

Y. W. A.'s, G. A.'s, and R. A.'s with 150 in attendance. Some interesting features of these camps were:

 Pictures of Manchuria by Rev. Victor Koon; pictures of her European trip by Mrs. Spooner; pictures of Palestine by Rev. Ramay.

A missionary Hero contest.

A District Y. W. A. Camp was held in Falls Creek in July under the leadership of Mrs. J. W. Moffitt, District Young People's Leader, in oc-operation with the Young People's Leader of Shawnee District Mrs. F. J. Watson

Leader, in oc-operation with the Young People's Leader of Snawnee District, Mrs. E. L. Watson.

Some 50 girls attended and carried home inspiration for greater Y. W. A. activities in their local churches. This is the second year for such a camp and we hope that each year more and more of our young women will be interested in this opportunity to learn more about missions in particular and the Y. W. A. work in general. We were fortunate in having Mrs. Clem Hardy of the Amazon Valley to teach the girls the mission book "Christ in the Silver Lands."

Mrs. C. A. Richards,
District President

REPORT OF EAST CENTRAL DISTRICT

As we entered on the New Year after the Jubilee our East Central District has followed the motto "The Love of Christ constraineth us." As we tried to plan our year's work we attempted to follow closely the Southwide and Oklahoma Calendar of activities. Each society has had a part, though small, in the month's activity. Our pioneer classes and new W. M. S. have been excellent. The old societies have grown in many phases of Missionary Society programs.

In one association Mission Study was stressed and the Chairman checked the records of the members and planned the years work to finish Certificate Course 1. As a result 28 received the diploma and first seal while three received the 2 big seals. Several also received

honor certificates.

The G. A. and Y. W. A. District Camp at Robbers Cave near Wilburton had 100 girls in attendance. Eight of these girls who were unsaved were converted in this meeting. The R. A. Camp at the same place later had 40 boys and the five unsaved boys were saved while in the Camp.

We feel that this camp was the greatest accomplishment of our District.

Talihina W. M. U. continues to be A1 in our District. May we continue to be steadfast for the coming year.

Respectfully submitted, Mrs. E. W. Chrestman, District President.

REPORT OF LAWTON DISTRICT

As we review the work and field at the close of this year we realize that it was the love of Christ which constrained our women to move forward in such an acceptable way.

We have forty-six Woman's Missionary Societies in our District

but, as we see it, our greatest need is to have our women's vision broadened through mission study.

At the annual meetting we were greatly blessed by having a missionary from China with us, Miss Lillian Thomason, also Mrs. H. B. Wilhoyte, Miss Katherine Harris and Bro. T. P. Haskins.

Mullins Association under the leadership of Mrs. L. F. Wray again leads in the paying of apportionments for the Boys' Dormitory. Mrs. J. H. Thomas of Caddo and Mrs. T. J. High of Comanche-Cotton are the other consecrated Presidents.

Mrs. L. B. Johnson, District President

REPORT OF MUSKOGEE DISTRICT

At the close of the Jubilee year, the women of Muskogee District realized they were facing a new era in W. M. U. history, the ultimate end of which will be a century of service for our Lord and King, so they purposed in their hearts to continue steadfast in every phase of W. M. U. work. Our goals were challenging—they were difficult and required persistent work and prayer. The first step in reaching a goal is in accepting it, and it is a pleasure to report that all were faithful to the task while some went beyond their goals.

We had an increase in membership with an aim of every Baptist woman and young person in the District actively enlisted in W. M. U.

—faithful stewards of all they are and possess.

There was an increase in tithers. Emphasis was given the better and more constructive way of heeding the cry of the sick, the poor, the distressed, through organized Personal Service. The desire to keep well-informed has been evidenced by the increased number in mission study classes.

We added twelve new auxiliaries—not a satisfying but a gratifying gain. In our G. A. Forward Steps, we are happy to report three Queens with the capes, and two Queens. Our annual meeting was held at Tahlequah. A larger number of societies were represented than ever before. The evening session was dedicated to-the young people and was attended by a most enthusiastic group. We greatly appreciated our guest speakers who brought us courage, information and inspiration.

We naturally rejoice over our victories and accept our failures but with high resolve to "continue steadfast" we look toward the coming year for greater opportunities of service for our Master.

> Mrs. T. W. Stevens, District President

REPORT OF NORTH CENTRAL DISTRICT

Our annual meeting met at Nash in the Salt Fork Valley Association April 12th with a splendid attendance. Our guest speaker, Miss Lillian Thomason of China, brought a stirring address on "The Lord's Witness in All the World." We were glad to have Mrs. Wilhoyte, our State President, and Miss Katherine Harris, State Young People's Leader with us.

Our Associational Presidents, Mrs. J. W. Anderson and Mrs. W. R. King, have reported splendid work with more organizations and greater interest manifested in missions and mission study. The women are zealous in their efforts to be one hundred per cent in giving to the Boys' Dormitory. Salt Fork Valley reports eleven new organizations this year, ten of them being young people's or-

ganizations.

It is gratifying to have zealous Christian women as helpers and willing to serve the Lord. The District President takes this means to thank all the women of the District who so faithfully report their work. Truly "we are laborers together."

Mrs. M. F. Langley, District President

REPORT OF NORTHEAST DISTRICT

The eighth chapter of Luke records that certain women who had come into personal touch with our Lord—Mary Magdalene, Joanna, Suzanna and many others—ministered to him of their substance.

In Northeast District a great host of women who have come to

In Northeast District a great host of women who have come to know their Lord have ministered during this year to the cause of Christ, not only of their material substance but of time and talents—yes, have dedicated their very lives to the ongoing of his kingdom.

It has been a glorious year for missions in Northeast District as our women have given so sacrificially to the different phases of the work. As we look back over the year and see the response our women have made to the challenge which has been given to them our hearts are made glad and with Paul we would say, "God grant we shall glory in nothing save in the cross of the Lord Jesus Christ."

Our annual meeting was held at Miami with a large crowd in attendance. The inspirational speakers greatly enriched our lives

by the earnestness of their testimony.

Our Associational Presidents, Mrs. Geo. Boston of Delaware-Osage and Mrs. Mable Hayden of Northeast, have been outstanding in their devotion to the work that his name might be glorified.

Looking unto the new year we would recall the words of Daniel as he wrote "But my people who do know their God shall be strong and do great exploits." Even so shall the women of Northeast District, because of their deep devotion to His cause, do great things in His name.

Respectfully sumitted,
Mrs. Carl E. Johnson,
District President.

REPORT OF NORTHWEST DISTRICT

We have had the joy and thrill of seeing the women of Northwest District take on new life in their W. M. U. spirit and vision. A wonderful spirit of co-operation has been prevalent throughout this year in all rallies and in reporting to the different causes of the State work. Reports have seemed to take on new color because our women have been prompt and faithful in getting in quarterly reports.

Our Annual District meeting was held in Woodward during the month of April. Here we were privileged to have our State President, Mrs. H. B. Wilhoyte, and Miss Lillian Thomason of China, who stirred our hearts with her clear spirit-filled message of Christ's love in war torn China. Miss Katherine Harris, our former Young People's Leader, was also in our meeting. Rev. T. B. Lackey, our State Missionary, brought our sermon of the day.

It is my sincere desire that in this next year's work we will set our eyes upon the Christ of the Cross, keep them there and

know that we must be faithful in proclaiming the message of a dying, risen and living Christ to the WORLD.

"Father hear my humble cry, Help me to gladly give My service, love and sacrifice And praise Thee while I live. Help me to build within my soul For all eternity The temple of the living God, And there to worship Thee!"

Mrs. Earl L. Stark, District President

REPORT OF PANHANDLE DISTRICT

The women of the Panhandle District are faithful, loyal workers. Of the nineteen Baptist Churches in our association, fourteen are active with five inactive. We have W. M. U. organizations in twelve of our churches and fifteen auxiliaries. Several of our churches where W. M. S. are active, are without pastors. Pray ye the Lord of the harvest, that he will send workers.

Nine of our churches accepted their apportionments for the year. While we have not met our goal yet, we are going forward to reach it.

Each month when our pastors workers conference meets, our women attend and have a thirty minute period of devotional and business. These meetings are well attended and much help and inspiration is gained.

Mrs. Wilhoyte, Miss Katherine Harris, Rev. T. B. Lackey and Miss Lillian Thomason attended our Spring rally in April and brought us wonderful messages which inspired us to make a greater effort to carry out the great Commission given us by the Master.

I have visited eight of our churches and it is my plan to visit all our churches often, organize W. M. S. wherever possible in every church not having W. M. S. and urge each woman to accept her privilege and responsibility in carrying on every phase of our work.

Respectfully submitted.

Mrs. Coleman C. Jennings, Jr. District President.

REPORT OF SHAWNEE DISTRICT

Shawnee District which is now composed of six counties has gone forward in every phase of W. M. U. work.

Schools of instruction for officers of Missionary Societies and Auxiliary councilors were held with good attendance and proved very helpful. Mrs. Desmond of Meeker, President of Pottawatomie-Lincoln Association, reported one R. A. Conclave and one Church, St. Louis, as being 100% giving to Missions.

North Canadian Association of which Mrs. Kirk of Holdenville is President is co-operating with Mrs. D. D. Cooper, Indian Missionary, in maintaining a fund known as the G. Lee Phelps scholarship for an Indian minister in Oklahoma Baptist University.

The Annual meeting was held in the First Baptist Church of Wewoka, with Miss Harris, State Young People's Leader, Mrs. Wilhoyte, state President, and Miss Thomason, missionary from China, as our guest speakers.

The emphasis for the new year will be placed on more organizations for our own young people and for the Indians and Negroes. Also on reaching our apportionments for the remodeling of the Boy's Dormitory of Oklahoma Baptist University.

Respectfully submitted, Mrs. J. D. McGovern, District President.

REPORT OF SOUTH CENTRAL DISTRICT

As we look over the records of South Central District this year, we ask ourselves the question, Have we been 'steadfast' in our efforts to enlist all our women and young people in the Ideals and Aims of Woman's Missionary Union. Have we had that overflowing zeal that would cause us to reach out to every church, determined that all Plans in our Plan of Work, should be wrought into glorious realities.

If perhaps we had been as "constant" in enlisting as Paul admonishes us to be, our record for 1939 would be: 56 churches with 56 missionary societies—at least 56 auxiliaries, with all apportionments met. Instead we must record 56 churches, having 36 Missionary Societies, only 17 societies fostering 29 auxiliaries—39 churches with no Young People's auxiliaries—29 societies have given \$625.51 to the Boys Dormitory, 4 societies were 100% in all gifts. Enon Association led the Associations in gifts to scholarship for Foreign Student.

Our annual meeting was held in Ada, with splendid attendance. Miss Lillian Thomason, China, our guest speaker, was an inspiration to the women, speaking also at the noon hour to students at the Normal School. Then again that evening she spoke to the Young People of the District.

It is gratifying to have faithful helpers in all our officers, and in the societies whose desire it is to 'Go into all the world' with the message of the Gospel. Comparing ourselves with ourselves, we are encouraged. Comparing ourselves with the opportunities lying out before us, we are challenged to larger endeavor.

Respectfully submitted, .

Mrs. V. A. Grissom,

District President

REPORT OF SOUTHWEST DISTRICT

Three women crept at break of day Agrope along the shadowy way Where Joseph's tomb and garden lay.

Each in her throbbing bosom bore A burden of such fragrant store As never there had lain before.

Myrrh-bearers still, at home, abroad, What paths have lowly women trod, Burdened with votive gifts of God.

Rare gifts whose chiefest worth was priced

By this one thought, that all sufficed: Their spices have been bruised by Christ.

Like Mary Magdalene, Mary the mother of James and Salome, and the other women who crept at break of day on that Resurrection morning many W. M. U. members in Southwest District have brought during the year "rare gifts" and have laid them at the feet of their Savior.

It is true that some have withheld the precious spice to lavish upon themselves, but in every society in each of the three associations there were many Marys and Marthas who wended their ways, often along shadowy paths, to bring to their Christ fragrant myrrh of service and devotion.

They have loyally caught step with the state wide organization and have met apportioned gifts, have met regularly in seasons of prayer, rally programs and weekly meetings most worthily through-

out the district.

The most neglected service during the past year was that of young people's auxiliaries. There has been, however, a renewed emphasis that gives hope for increased interest and effort to "Suffer little children to come unto me and forbid them not" as we learn anew that our most precious gifts are our children. They are our goal for 1940

> Mrs. Samuel W. Hopkins, District President.

REPORT OF TULSA DISTRICT

The members of the Tulsa District W. M. U. send greetings to you. We are composed of the Oklahoma Indian Association, the Pawnee-

Creek and Tulsa-Rogers Associations.

Tulsa District has had a rich heritage in its leaders from its beginning. Today we are grateful to them for they have taught us to be diligent about our Father's business, to be vigilant to all details of W. M. U. work and to be steadfast in the Faith.

We are happy to report that the Presidents of these Associations remain the same for the ensuing year: Mrs. D. D. Cooper, Oklahoma Indian Association; Mrs. Frank Webb, Pawnee-Creek Association; and Mrs. G. H. Hall, Tulsa-Rogers Association.

Outstanding achievements for the past year have been:

A marked advance in Mission Study and better Mission Study, I would say. Tulsa-Rogers alone shows nearly a 75% increase in number of Circles reporting Mission Study-488 as against 49 formerly, and 238 study classes instead of 151; also five Church Schools of Missions and an Associational Missionary Institute with Mrs. A. L.

Aulick, State Mission Study Chairman, in charge.

Pawnee-Creek Association reports gains in enlisted women and in gifts. In addition to their regular apportionments they have in the past year and the latter part of 1938 given \$175.00 to the B. S. U. project at Stillwater. The money shows in a small way the work they have put into helping with this B. S. U. center.

Our Indian group continues to do a first work.

Our Indian group continues to do a fine work for and among their own people. They have furnished some of our finest speakers too. Especially are we grateful to Mrs. Cooper and to our missionaries, Mr. and Mrs. Aaron Hancock.

Looking forward to a new year, Tulsa-Rogers Association will especially emphasize Young People's Work. Just three weeks since the Associational Meeting and already seven new Auxiliaries are reported. We look for a great impetus to all our work through this one point.

Pawnee-Creek is taking as its special work during 1939-40 defin-

ite work to help their nearby Indian sisters.

We thank our many special speakers who have come to us during the year—Mrs. Spooner, Miss Katherine Harris, Mr. and Mrs. Aaron Hancock, Dr. T. P. Haskins, Mrs. R. E. Beddoe, Miss Lillian Thomason, Mrs. E. A. Nelson and Rev. Jacob Gartnehaus.

We ask your prayers that we may continue diligent and stead-

fast in our work that His Kingdom may steadily advance.

Respectfully submitted. Mrs. James C. Hering, District President.

Report of the Executive Board

Another milestone in the work of Woman's Missionary Union nas been reached and as we pause to bring you a report of the work of your Executive Board for the past year we would give praise to our Lord for he is "greatly to be praised and his greatness is unsearchable." The Psalmist says "One generation shall praise thy works to another and shall declare thy mighty acts." Psa. 145:3-4 May we ever "be steadfast" in declaring his love to all people at all times everywhere.

The first meeting of the Executive Board of the W. M. U. of Oklahoma for the year 1938-39 was held on January 5th and 6th, 1939. This meeting was marked by a large attendance. Interesting and instructive conferences were conducted by Departmental chairmen.

Dr. Andrew Potter, Secretary of the Baptist General Convention,

was a visitor and spoke of the state work in general.

Dr. J. W. Raley, President of Oklahoma Baptist University, was introduced and stressed the pressing need of an adequate dormitory for boys.

Rev. T. P. Haskins, Assistant Secretary of B. G. C., representing the committee on Evangelism presented the suggestion that the

women of W. M. U. emphasize cottage prayer meetings.

In the evening session the message of the hour was brought by Dr. W. R. White, pastor of the First Baptist Church of Oklahoma City, who spoke of the southwide/evangelistic campaign and of the part the W. M. U. of our State can have by fostering a great Statewide prayer program.

The president called upon Mrs. Spooner who discussed the need of rehabilitating the dormitory for boys at Oklahoma Baptist University so that it may minister to the growing needs of the school.

In the session the following day the regular quarterly reports were presented and adopted.

Mrs. J. E. Kirk moved that we recognize the president of the Indian Associations in Oklahoma as members of this Board. Motion carried.

It was brought to the attention of the members of the Board that for years our apportionment of the expenses of the W. M. U. Training School at Louisville has been sent monthly out of the Southwide Christian Education funds but in the Baptist General Convention Executive Meeting in December it was voted to discontinue doing so. This means that from now on the W. M. U. will

need to remit about \$1,200.00 for this purpose.

On motion by Mrs. George Boston it was voted that since the amount designated from our State Mission Fund has grown until it will take care of the need among the Indians in our State we use the balance in the Golden Jubilee fund to apply on the Training School Expenses.

Mrs. Bandy moved that we carry back to our women throughout the State this emergency call and ask the women to give to this fund for the Training School expenses and that offerings be taken in our associational and district rallies. Motion carried.

Mrs. Stevens moved that in appreciation of the 27 years of service of Miss Kathleen Mallory as Executive Secretary of the Southwide W. M. U. and since she was first elected here in Oklahoma City when the Southwide W. M. U met here in 1921 we ask our Corresponding Secretary to purchase a gift to present to her during the annual meeting of the Southwide W. M. U. in Oklahoma City in May. Motion carried.

On being reminded by the president that we had been asked to promote a prayer program and plan for cottage prayer meetings, thus co-operating in this southwide evangelistic campaign, Mrs. Sheldon moved that we set aside the week beginning March 26th for the observance of this special prayer week. Motion carried.

On motion by Mrs. Seale it was voted that we help Eddie Lieberman, the young Jewish student, from our Scholarship Fund, amount to be left to the discretion of the Corresponding Secretary.

The second Executive Board meeting was held on July 12th in

the Baptist Building.

In this meeting a motion was made and carried that Mr. Theodore Boushey, a Syrian student at O. B. U., be given \$100.00 on his scholarship at O. B. U.

The resignation of Miss M. Katherine Harris, State Young People's Leader, was presented. On motion by Mrs. Kirk this resig-

nation was accepted.

Mrs. Stevens moved that Miss Harris' service be continued until

September 1st. Motion carried.

Mrs. Hering presented the appeal of a young Indian honor student, Miss Esther Byington, Keota, who wishes to attend O. B. U. Motion was made and carried that she be granted \$200.00 out of the

State Mission offering for an O. B. U. scholarship.

In the third Executive meeting which was held on Sept. 18th, Rev. T. P. Haskins was a visitor and spoke on the Unified Budget, stressing the fact that every woman should do her part in helping to reach the State goal so that greater things along missionary lines may be done by the Convention. He urged that every individual give an "over and above" offering equal to one day's salary and that each church make an "over and above" offering equal to one week's re-

ceipts for the 53rd week offering.

Mrs. Spooner told of her visit to the Indian Mission fields in Oklahoma in May and of the call everywhere for help. Assistance has been promised to them by Woman's Missionary Union of Oklahoma and an Indian woman, Mrs. Samaria Leader, was appointed by the Creek-Seminole-Wichita Associational W. M. U to accompany our "lady missionary" to the various churches. It is the plan that this worker should remain with each church long enough to contact every woman and young person and try to enlist them. Also, help them to develop some of their leaders so that the work may be carried on more efficiently.

Mrs. C. B. Warr, Chairman of the Committee on Recommenda-

tions, presented the recommendations for the year 1940 for the consideration of the Board; these recommendations to be presented for adoption in the annual meeting in November.

A committee to work on the revision of the Secretary Book was appointed as follows: Mrs. J. E. Kirk, Holdenville; Mrs. H. H. Boston, Guthrie; Mrs. Frank Webb, Drumright; and the Departmental Chairmen: Mrs. R. D. Sheldon, Mrs. T. G. Nanney, Mrs. E. L. Watson and Mrs A. L. Aulick.

Mrs. Spooner presented the plan for the next year's work for raising \$25,000.00 which is to cover our apportionment for the new W. M. U. Training School Building at Louisville—\$5,330.00, our part of the W. M. U. Training School Operating Expense Fund—\$1,200.00, and the balance to apply on the re-modeling of the Boys' Dormitory at Oklahoma Baptist University. This plan is to be called "Silver Trails to Christian Education" deriving its name from the "feet" of silver dimes which will be distributed to the societies and young people's organization over the state. Apportionments were presented to the Associational Presidents for their consideration,

Mrs. Spooner explained the building project of the W. M $\,$ U. Training School and said that all memorials would be re-established in the new building which is to be located adjacent to the Southern Baptist Theological Seminary.

In the fourth meeting of the year held on Monday morning, November 13th, the recommendations for the year 1949 were discussed and some changes suggested.

In giving her Margaret Fund report Mrs. D. H. Bell spoke of Esther Byington, an Indian girl, who is receiving a state W. M. U. Scholarship at O. B. U. Mrs. Spooner explained the need of our "mothering" this girl as a "special" scholarship student.

After some discussion of the great need of an adequate building to house young men at O B. U. it was voted that as soon as our fund has accumulated \$35,000.00 we start the re-modeling of the Boys' Dormitory at Oklahoma Baptist University.

Mrs. J. E. Kirk, Chairman, presented the report of the committee to revise the Secretary Book for use of local societies and moved that we adopt this report with the understanding that any additional changes that are necessary be left to the discretion of Mrs. Spooner changes that are necessary be left to the discretion of Mrs. Spooner

and her office Secretary. The motion was carried.

The Corresponding Secretary read a letter from Mrs. Brockway, State Secretary of the Baptist Negro women, asking for help in sending a Field Worker among their women.

Mrs. Seale moved that we give the negro women of our State \$25.00 per month for the next three months to help put a worker on the field and this fund be continued if advisable. Motion carried.

Mrs. Kirk presented the following resolution:

To honor one whom we all love and appreciate, who has through the years generously contributed her time, talents, and money to the progress of Woman's Missionary Union; one who has served the Union graciously and gladly when called upon; one who has been and is loyal and steadfast to its principles and purposes—I move you that from this date the offering for the Season of Prayer for State Missions be known as the Edna McMillan Offering. Motion carried unanimously.

Mrs. Spooner called attention to a letter received from Mrs. E. H. Smallwood of Wilburton, pleading for help to build a Baptist Student Center for the Baptist Students attending the A. & M. College at Wilburton. Since there are no W. M. U. funds available for this purpose although the members of the Board expressed their sympathy with the undertaking it was voted that action on this matter be deferred.

Mrs. Aulick spoke of the need for an assistant worker among the Indians at Pawnee where Mr. and Mrs. Worthington are located. Mrs. Frank Webb, President of Pawnee-Creek Association, stated that since this Indian field is in her association she and Mrs. McMillan will take care of this situation.

Mrs. Stevents introduced Mrs. Samaria Leader who acted as interpreter for her during the two weeks she spent visiting among the Creek Indians.

> Respectfully submitted, Mrs. C. A. Richards, Recording Secretary.

Recommendations for the Year

We recommend that,

Our watchword be: Be ye steadfast, unmovable, always abounding in the work of the Lord." I Cor. 15:58.

Our hymn be, How Firm a Foundation.

We follow as far as possible the plans and methods set forth in the Year Book published by the W. M. U $% \left(1\right) =0$ of the South and emphasize in every way possible to our societies the "chief aims" of our union-Prayer, Enlistment, Bible and Mission Study, Personal Service. Tithes and Offerings on the part of our entire constituency, and Missionary Education of Young People.

We re-affirm our responsibility as Christian citizens in declaring ourselves to stand for the moral standards set for by our Union.

The Oklahoma Service Calendar for the year 1940 be as follows: January — Scholarships and subscriptions to missionary periodicals

February — White Cross

March - Home Missions

April — District Expense and Orphans Home

May — Silver Trails to Christian Education and plans for an enlarged program for auxiliaries

June - Asociational Expense, Houseparties and R. A. Conclave

July - Southwestern Training School Nursery, special work with auxiliaries, and Foreign Student Fund

August - Scholarships and special work with auxiliaries

September — State Missions; subscriptions to missionary periodicals; Orphans Home; Silver Trails to Christian Education

October — Enlistment; boxes to frontier preachers and Indian missionaries

November — Maragret Fund December — Foreign Missions

Enlistment

October be set aside as Enlistment Month. And in months with five meeting dates, that the fifth meeting be designated for advancing the interests of W. M. U. organizations, using plans or methods best suited to local conditions. That strong organizations co-operate with Associational leaders in fostering weak ones.

We strive to obtain 10% net increase in the W. M. U organizations and membership over the previous year. Let us not lose a single organization or an active member while we are gaining the 10% increase.

TT. Personal Service

These five points will help in understanding Personal Service: (1) Survey; (2) Assign; (3) Pray; (4) Perform; (5) Report. In this, the individual is following the same plan, reporting to committee that the work may be directed by Personal Service Committee.

Let us remeber our work under the special departments: "Friends of Israel" (work among the Jews) and "Open Door" (work among the negro women and young people). We recommend that we foster the work of these societies by giving all assistance possible to their leaders. This same support should be given to our Indian societies wherever possible. These offer untold opportunities along the lines of Personal Service.

The auxiliaries are glad to have our assistance in planning their work, also in seeing that their reports are sent in to the Associational leaders. This is an important part in the Christian development of our Young People.

The supreme task of Personal Service is Soul Winning. Let us plan, pray for this that everything we do is only a means to this one end.

ш Stewardship

Believing that the attainments of stewardship goals as a whole are dependent on the faithfulness of the local society, we recommend: that:

1. We magnify the office of the local stewardship chairman, That she follow as her guide, "An Open Letter to Stewardship Chairmen." (Free copies from State W. M. U. Headquarters.)

2. We emphasize the bringing of our tithes and offerings as a

primary matter of worship.

3. Wide use be made of playlets, pageants and posters on stewardship. 4. A class in stewardship be held in every W. M. S. and Young

People's organization some time during the year 5. More churches observe Annual Church Night Stewardship

Program for young people.

6. We increase the number of 100% churches by our continued efforts to secure a gift from every resident woman member.

7. We take as our goal 2500 new covenant-signing tithers.

IV. Mission Study

The first optional book studied receive a seal on the certificate course card for which it is recommended, the awards for the remaining optional books, when studied, to be placed on the Continuation Course Certificate.

Woman's Missionary Union urge and co-operate with the Church School of Missions using the leaflet "The Church School of Missions."

Mission libraries be established wherever possible in churches or associations.

At least one program on World Peace be given during the year. All who have completed Courses I and II enroll for the advanced course of study.

Renewed emphasis be given to teaching missions to the young

Woman's Missionary Societies organize "catch up" classes that those who lack only a few books of finishing Courses I and II be given the opportunity to finish these Courses.

Telling you How by Miss Juliette Mather and Adults Study Mis-

sions by Mrs. A L. Aulick be used as the young people's methods book and adult methods book each receiving credit on Certificate Course II in place of Home or Foreign Mission book.

Leaders of young people's organizations be urged to encourage the buying of text-books by the young people. Only in this way can suc-

cessful mission study classes be taught.

Every woman in a mission study class should own a text-book, provision being made by the society to furnish books to those who,

for any reason, cannot purchase their own books.

Emphasis be placed upon the study of books dealing with missionary teachings of the Bible, using as texts one or all of the books recommended by the Woman's Missionary Union of the South and leading to the seal on Certificate Course I.

Mission Study Chairman and leaders assemble for future refernce

plans on Mission Study that appear in various periodicals.

Pioneer Classes, having become a part of Woman's Missionary Union, should be encouraged and fostered as never before. Associational Mission Study Chairmen recognizing as their responsibility the seeking out of women and young women in the churches who have never studied a mission book and arrange for classes to be taught. The number of classes to be reported through the regular report system that the report may reach the Southwide Chairman of Mission Study.

The Mission Study Institute should be a definite part of the annual program of Woman's Missionary Union; these Institutes to feature real Normal training since it is only through better trained teachers that the level of mission study will be lifted in the W. M. U. organizations. Secure special free leaflets from State Headquarters of Woman's Missionary Union. Reports of the number of Institutes

should be made through the regular system of reporting

W. M. U. women and young people appreciate the radio as a means of missionary education, paying especial attention to programs (commercial or literary) broadcast from states in which Southern Baptists work as well as to programs from overseas.

W. M. U. women and young people read the secular press from the missionary viewpoint. "Mission study is the best possible supplement to the daily newspaper if you would understand its headlines'

(Una Roberts Lawrence).

Books be distributed one week before the meeting of one-day classes, and some kind of visual teaching, such as maps, charts, black-

boards, or pictures be used.

Wide use should be made of still and motion picture films showing scenes from home and foreign mission fields, these films to be

secured from the respective Mission Boards.

Point seven in the W. M. S. Standard of Excellence reads: "At least two mission study classes to be held each year with one-third of the membership in a W. M S. mission study course during the year."

A successful mission study class devotes an average of one hour to each chapter of a book and endeavors to see that every member of the class reads the book. There must be a teacher, students, and texts to be a class."

"Requirements for securing awards are: the entire book must be read, examinations must be written, preferably with the books

closed, the passing mark is 70%."

Mission study chairmen exercise greater diligence than ever in securing reports of classes taught and the number of awards granted. As diplomas and certificates are valuable in educational work, we should make use of them in missionary work.

The ideals of the Woman's Missionary Union be to fix an intelligent missionary consciousness in the heart of every man and woman, young person, boy and girl who may come within its influence.

V. Missionary Literature

We put forth greater effort to increase our subscriptions to missionary periodicals: Royal Service, The Window of Y. W. A., World Comrades, The Commission, Southern Baptist Home Missions, and the Baptist Messenger.

VI. Our Young People

We be faithful to the youth of our churches in promoting missionary education among our young people as suggested in our Southwide Year Book.

We encourage rural churches to organize and maintain the missionary program of Woman's Missionary Union after Sunday school on Sundays when there is no preaching service

Young People's Directors (Third Vice-Presidents) be urged to have at least quarterly conferences with their counselors and leaders, praying and planning for the next quarter's work.

Each W. M. S. have at least one training class each year for all young people's leaders, using as a basis for study the Correspondence Course as suggested on Page 71 of the Southwide W. M. U. Year Book.

Young People's Directors be asked to encourage all young people's organizations to participate with the W. M. S. in all activities listed in the Service Calendar.

Our young people be encouraged to attend the summer camps and house parties: State R. A. Conclave June 24-27; Intermediate G. A. Houseparty June 17-21; Southwide Y. W. A. Camp, Ridgecrest, North Carolina, July 2-12. District Y. W. A. Camps to be worked out by the District Young People's Leaders in co-operation with the State Secretary.

We place more emphasis upon subscriptions to the missionary magazines, The Window of Y. W. A. for Y. W. A.'s, and World Comrades for G. A., R. A., and Sunbeam Bands, with a minimum goal of three copies for each organization and an ultimate aim of "every

member a subscriber."

VII. White Cross

Each society have a White Cross program once a year, preferably in February.

Each society be urged to make a cash contribution to White Cross for work in our Baptist Hospital, Ogbomoso, Nigeria, Africa.

All hospital supplies be sent to our Baptist hospitals in Miami and Muskogee.

VIII. Margaret Fund

We pray daily for Margaret Fund cause and all students; keep watchful guidance with tender care over those in Oklahoma Baptist University.

Since the Margaret Fund shares in the Seasons of Prayer offerings for Home and Foreign Missions, that greater emphasis be placed on securing Margaret Memorials with each Society's goal being one Memorial. All cash for Fund and students be sent to the State W. M. U. office.

Greater emphasis be given Margaret Fund in state, district and associational meetings; that societies feature a program on work in at least one meeting annually.

We continue assignments of students to Districts and that students be remembered on birthdays, special occasions, vacation time, etc.

IX. Scholarships

We make our scholarships state-wide with all districts and as-

sociations sharing proportionately in the apportionments.

We give scholarships to young women who are ready for special training in one of our Training Schools. W. M. U. courses are offered at W. M. U. Training School, Louisville, Ky.; Southwestern Training School, Fort Worth, Texas; and the Baptist Bible Institute, New Orleans, La.

A special committee of four shall pass on all applications and

award the scholarships.

In case scholarship girls do not become missionaries of the Home or Foreign Mission Boards, these scholarships become a loan and they are then required to pay back the money in accordance with contract entered into when they accept the scholarships.

Renewed emphasis be given to the Foreign Student Fund in each

society.

X. Orphans Home

We continue our loyal support of the Oklahoma Baptist Orphans through the contribution of clothing, canned fruits and vegetables, linens, etc.

XI. Apportionments, Gifts To Missions

Oklahoma W. M. U. apportionments to the Co-operative Program be one-third of the amount proposed by the Baptist General Convention of Oklahoma.

That we adopt as goals for other causes:

IN MEMORIAM

We are devoting these solemn moments to the memory of the lives and labors of women dear to our hearts and as a simple tribute of our love and appreciation of their ideals.

Youth they wore as a garment Love was in their eyes And in their hands was tenderness And noble thoughts their prize. Joy they found in sweet service Truth their guide each day Thus in their lives there's recompense For us—though they're away.

They were our co-workers. If they could speak to us audibly today, methinks they would bid us look up and build for ourselves more stately mansions while the swift seasons roll. They would tell us they have thrown the torch to us and we must march on holding it higher and higher.

Signed,

Mrs. C. E. Wilbanks, Ardmore Mrs. W. C. Austin, Altus Mrs. Lewis Rice, Shawnee
