29. Reverend Herbert Pierce, Chairman of Committee on Home and Foreign Missions, brought the following report. Upon motion, the report was adopted.

REPORT ON HOME AND FOREIGN MISSIONS

Our 390 Home Missionaries baptized over five thousand people last year. Gratifying to us all, is the knowledge, that through refinancing of our Home Board debt, the denomination will save nine thousand dollars a year in interest.

This year marks the twentieth year that our Home Board has carried on work among the Jews, God's chosen people. It is hoped that this vital and most legitimate phase of our work can be greatly enlarged this year.

One of the most significant phases of our Home Board work is its activities among the men in our armed forces. It is a fact attested to by Federal government records that Communists have been active

in spreading their false philosophy of life among the men in our army and navy. Surely Christians with the only sound and practical way of life should be alert to our responsibilities of evangelizing these our soldiers. Let it be said of America, as it was lamented concerning Rome, "These Christians now crowd our streets, fill our Senate and overflow our army." Let us evangelize the United States Army.

Wars and destruction have not stopped our foreign missionary work. In some ways it has been a painful blessing in disguise. Our approximately 470 missionaries and nearly 3,000 native workers in sixteen different nations of Asia, Africa and Europe, taught more than 35,000 students, treated over 136,000 sick and wounded, and preached the gospel to uncounted multitudes last year. They baptized more than 18,500 people.

The debt of over a million dollars against the Foreign Mission Board was greatly reduced a few years ago by the judicious sale of some of our valuable mission property in Rome. The balance of our debt is being reduced at the rate of \$40,000 a year.

Due, at least in part, to an increased missionary personnel, our work in Nigeria has overflowed its boundaries into neighboring colonies.

The tragic conditions of wide spread destruction in Europe has also its brighter side. While death and devastation have robbed our missionaries of many privileges, they have also afforded our missionaries many opportunities that otherwise might not have been theirs.

As in years past, the work in South America is most encouraging. Possibly one of the few good effects of the war will be the welding of a common bond of fellowship with South America, that should facilitate our mission work there.

"China's sorrow," in this decade, is not the overflowing of the Yellow River, but the overflowing of their yellow cousins across the yellow sea. Stark and unutterable tragedy is the daily meat and drink of the Chinese people. Most of our missionaries have remained at their work in spite of the warnings of the government. Many will stay whether war comes or not. We admire their courage and faithfulness. They merit our frequent and fervent prayers.

We commend the Foreign Board for realizing the unparalleled missionary opportunity in "Free China" whence many of our native Christians have fled. In order to induce reluctant boards to measure up to their opportunities, the Chinese government has offered to pay the transportation of all Christian missionaries from "Occupied" to "Free China."

The door to Japan is temporarily closing. All of our missionaries have now left, except one. The Japanese Christians are being subjected to the most subtle of all temptations, that of compromise. The issues in Japan now, as in the first century throughout the Roman Empire, is emperor worship: obeying Christ or Caesar.

30. Reverend Don Milam, Pauls Valley, presented the report of Committee on Religious Literature, and motion carried for its adoption.

REPORT ON RELIGIOUS LITERATURE AND THE BAPTIST MESSENGER

The amazing power of propaganda is clearly revealed in the present world crisis wherein certain obsessed men are seeking to fix their false ideologies upon a misinformed humanity. Every realm of life is suffering tremendously from confusion wrought, not by propaganda but by the wrong kind of propaganda. "My people perish for want of knowledge." Shall we let the world seize the power of propaganda and pervert it to its own sinful ends?

God, knowing the power of propaganda, everywhere commands us to propagate the Gospel through the Published Word. Twenty-three times the word "publish" is used in the Scriptures. Seven times God commands us to publish His Word abroad, in such phrases as "publish the name of the Lord; ascribe greatness unto our God," "publish it and say, O Lord save the people." Christ made the Publication of His Word a mark of the consummation of all things, for, said He, "The Gospel must first be published among all nations" (Mark 13:10).

Southern Baptists have laid hold of the power of propagating the truth to combat, in this age of confusion, the myriad heresies and vagaries being offered as panaceas for the ills of mankind. At Baltimore, the Convention set up a committee to Increase the Circulation of State Baptist Papers. The same committee was continued for another year at the Birmingham Convention. Recent statistics reveal that the gross circulation of religious literature published by our various agencies has greatly increased. During the past year the circulation of state Baptist papers in the South advanced more than 35,000, and the committee now seeks to reach the goal of a half million circulation. Incidentally, it is interesting to know that the sale of Bibles increased 2,500,000 during the past year.

Our own state Baptist paper, "The Baptist Messenger," of which Dr. E. C. Routh is the beloved and honored editor, has increased in circulation from 12,000 in 1938 to 15,700 at present. The suggested goal for 1941 is 20,000 and for 1945, 25,000.

We, your committee, humbly recommend the following:

- (1) That our pastors continue to study, and to inform their people, regarding the power of propaganda with respect to propagating the Gospel through the religious press in these strategic times.
- (2) That we continue to improve our periodicals in attractiveness, in content, and in physical appeal.
- (3) That all our ministers join at once in a united effort to reach the goal of circulation by placing the **Baptist Messenger** in every Baptist home, through the church budget system, thus counteracting the false propaganda now reaching our people.
- (4) That we continue to establish church libraries for the propagation of the Truth.

Respectfully submitted,
Committee on Religious Literature,
Don J. Milam

31. Editor E. C. Routh presented the need of increasing the circulation of the **Baptist Messenger**.

32. Porter W. Routh, State Brotherhood Secretary, brought the report on Brotherhood activities. Judge W. R. Wallace, State Brotherhood President, spoke about the progress of Brotherhood work in Oklahoma. Motion carried to adopt report.

BROTHERHOOD REPORT

Men are on the march today for Christ in Oklahoma. The greater the challenge—the larger the task projected—the faster the tempo of that march will become. Men are more serious about this business of really being Christian. If Christ is THE WAY—and as Christian men with an experience of grace—we KNOW that He is the only way—then it is time now as in days of old that there be in every church “a band of men whose hearts God has touched” (I Sam. 10:26).

Tersely stated, the purpose of the Brotherhood is to inform men about the program of the church—the whole program of the church from the local mission task to the ends of the earth—and then give them an opportunity to do something about it. Since January 1, in more than 100 local church Brotherhoods, associational and district Brotherhoods, Falls Creek Brotherhood Conference and in the Spring Brotherhood Rally in Oklahoma City, we have seen a definite demonstration of the fact that men are interested in knowing and doing.

After conferring with a number of pastors and laymen regarding the work of men in the Kingdom program, we are listing the following recommendations and objectives for the 1942 Brotherhood program. We are more interested in men than in organization, but naturally we feel that more can be accomplished with a definite organization.

I. Local Church

A. We urge every church in Oklahoma during the coming year without a Brotherhood organization to have at least a quarterly meeting of the men of the church at which time some phase of the program of the church be presented to the men and some opportunity given for them to follow up their information with action.

B. We urge each church, if possible, to make plans for the organization of a Brotherhood during the coming year with a definite plan of study and activity.

C. We urge each church with a Brotherhood to seek to make that Brotherhood organization a more vital force in the onward program of the church during the coming year.

II. The Association

A. We urge each association to complete its associational Brotherhood organization before January 1 and that regular quarterly meetings be held in each association during 1942. These quarterly meetings should provide an opportunity for an evangelistic appeal, but they should also provide an opportunity to give our men information about some phase of the Kingdom work. Seek to organize where not organized.

We suggest the following matters be emphasized during the next year in each associational Brotherhood meeting.

First Quarter:	What Men Can Do About the Hundred Thousand
January	Club and the payment of Southern Baptist Debts
February	by 1945. (This will provide an opportunity to
March	explain all of our Southern Baptist work and
	make a stirring appeal for missions.)

Second Quarter:	Christian Education. (Two objects might fall under this heading this year. The claim of Oklahoma Baptist University could be presented and the need for male leadership for the Royal Ambassadors might be emphasized.)
April	
May	
June	
Third Quarter:	Baptist Messenger and Evangelism. (Every member of every Brotherhood in Oklahoma should read the Baptist Messenger . A definite campaign should be launched through the Associational Brotherhood organization. These three months also provide a fine opportunity to stress the need for men in definite evangelistic work.)
July	
August	
September	
Fourth Quarter:	Unified Budget. (Each Associational Brotherhood organization should accept the responsibility of seeing that the claims of the causes made possible through the Unified Budget are presented to each church in its association. Our Brotherhood might well make one of its objectives this year the participation of every church in every association in the worldwide mission program through the Unified Budget.
October	
November	
December	

III. District Brotherhoods

We recommend that district Brotherhood organizations be set up in Oklahoma and that these district organizations will have annual meetings during the month of April. Each district Brotherhood president will become a vice-president of the State Brotherhood organization. These meetings should mean much to the future of Oklahoma Brotherhood work and all Kingdom causes. Several districts have already been set up and others will be organized during the next few months.

IV. State Brotherhood

We recommend that the Brotherhood Conference at the Falls Creek Assembly be continued. There was a great deal of interest in the one held during the past year. An effort will also be made to enlist more of our men to attend the Southwide Brotherhood Conference. We pray that 1942 might see a total mobilization of Oklahoma Baptist manpower for God.

39. Pastor L. C. Robbins, Claremore, brought the report of the Committee on State Missions, and motion carried to adopt the report.

STATE MISSIONS REPORT

In the sight of God we believe that all missions are the same, but in our organized Baptist work we have chosen to designate missions in different forms, such as State Missions, Home Missions, and Foreign Missions. This report deals with what we know as "State Missions" in our organized Baptist work.

I. The question immediately arises in one's mind, "What is State Missions?" It is difficult to define in all of its functions, but in order to have a working basis we might say that State Missions means the following:

A. To drive the fever from the brow, and fear from the heart as is found in our hospital work.

B. It means placing Christ at the center of our teachings in Baptist schools, and State Universities, and other institutions, where Baptist students are found. Furthermore, it means the taking care of the homeless, as demonstrated by our Children's Home in Oklahoma City, and one of the more recent factors of State Missions is making it possible for the veterans of the Cross to be retired with a minimum sum, as a Ministers' Retirement Plan; also, the promotion of Sunday schools, Training Unions. In addition, State Missions includes the preaching of the Gospel in the highways and hedges; which may mean in the future the ministering to boys in the army and navy. It means the advancement of the Brotherhood work, and the Women's work along with the evangelization of the unsaved of our state.

II. A. As to the matter of healing the bodies of the sick, Oklahoma has two hospitals, one in Muskogee, and the other in Miami. Last year the hospital in Miami ministered to 1,012 patients, and the hospital in Muskogee ministered to 2,500. There are 35 fine consecrated students of nursing in training at Muskogee. The influence for good of these institutions can only be made known in God's Eternity. One example, however is given of an entire family joining the church after the mother had undergone an operation in the Muskogee hospital.

B. What Baptists are trying to do in placing Christ at the center of their school, one can partially understand, when we know that there are Baptist Student Unions not only in Oklahoma Baptist University, but in state institutions for higher learning in Oklahoma. We will have a better understanding of the work in the Baptist Student Union when we come closely in touch with the organized work in the different schools in our state, and the efficient way the Baptist Student Union under the leadership of Robert S. Bazzell is administering to the spiritual need of our students in the state of Oklahoma. Our own Oklahoma Baptist University is worth more to the intelligent spiritual welfare of Baptists in the state than all the money Baptists have put in all the causes fostered by the Baptists in Oklahoma. Baptist leadership must be trained in Baptist schools. A survey of the Baptist leadership will bear evidence that Oklahoma Baptist University has done her task well in this respect.

C. The Ministers' Retirement Plan is yet in its infancy in the State of Oklahoma, but already large numbers of churches

are participating in this Plan and a number of our retired ministers are benefitting by this well planned program of security. Those of us now serving can serve better knowing that our needs will be cared for after the age of retirement under such a wise plan as the Baptist denomination now has in the form of the Ministers' Retirement Plan.

- D. The answer to the question as to what Oklahoma is doing for State Missions is given in the splendid response of our Baptist constituency to the special drive for the Children's Home. The amount has reached \$70,000.00 plus. Already construction of the first units of the Program for the Home is well underway. There are now 140 children in the Home and the present devotion of Oklahoma Baptists speaks a great future for that institution.
- E. EVANGELISM: State Missions has made it possible for many needy places in this state to have the Gospel in an evangelistic way. The Department of Evangelism headed by Cole and Curb has proven the worth of this very efficient department of our work. We hope this department can be advanced so that the message of Salvation may reach all of the unsaved in this state.
- F. One thing that increases the task of State Missions in Oklahoma is the coming of certain industries into this state which make our state a defense center of the United States Government. The Northeastern section of Oklahoma is becoming very densely populated and it goes without saying that sin is to be found in all of its working forces. Before the coming of these defense centers the task was already staggering in the state. Out of a population of 2,323,777 only 686,600 were affiliated with the major denominations; 301,000 of this number are Baptist, 175,000 Methodist, 100,000 Church of Christ, 50,000 Presbyterians, and 50,000 Roman Catholics. That is to say, only a little more than one-fourth of our total population is a member of any church. Since the coming of these defense projects, there is no way of knowing the percentage of non-church members, but we would be safe to sponsor a program on the basis of a greatly increased number of non-church members.

III. In view of the great need to be found in this State, Baptist forces should resolve to develop a missionary conscience on the part of our people. It is quite true that we cannot carry on a State Mission Program without the co-operation of the local churches. It is equally true that we will not have the co-operation of our churches unless our people are missionary to the core. Several things might be mentioned that would help.

- A. One thing that might be mentioned is the importance of information. The world is suffering for the lack of knowledge or information. The pulpit while doing a great work toward the matter of distributing information cannot meet the present need without the help of other agencies. The outstanding agency of Oklahoma in distributing information is the Baptist state paper. I would like to remind you that the Baptist state paper is a part of State Missions. The 300 Baptist churches of Oklahoma that have put the **Baptist Messenger** on equal importance with Sunday school literature and other literature have found it an indispensable help in re-

ating a missionary mind on the part of the people. A member of a Baptist church that is not missionary minded is a dangerous personality—he is the personification of selfishness — and selfishness eats the heart out of a Baptist church, and is a much dreaded enemy to missionary endeavor. Our prayer should be that God would deliver us from a life of selfishness and that our missionary program would grow from victory unto victory. To this end all our energy should be given to the Unified Budget, and all of the causes sponsored by the Baptists of our state. The best way to serve the local church is to inform the membership of the missionary need of the state, and the world, and make the people understand the command of God to go into all the world as ambassadors of Christ.

40. Dr. Berta K. Spooner brought a verbal report of work done by the Woman's Missionary Union. Mrs. Susan Adams Carden, Young People's Leader, pressed the need for Royal Ambassadors.

41. Dr. B. M. Jackson brought the Report of the Falls Creek Assembly, and motion carried to adopt the report.

REPORT ON FALLS CREEK ASSEMBLY

The Falls Creek Assembly celebrated this year her "Silver Anniversary." It is fitting that we be reminded that the B. Y. P. U. Convention met at Enid in 1916 and decided to have its next meeting on the newly acquired grounds for an assembly in the Arbuckles. Dr. J. B. Rounds, who at that time was B. Y. P. U. Secretary, and Dr. W. D. Moorner, who was State Sunday School Secretary, had acquired the grounds and made the recommendation to the Convention. It must be credited to these forward-looking Christian statesmen for seeing the need of a suitable place where the Baptist youth in our great Empire State may come apart and rest awhile; have their souls reinvigorated and get a new vision of God's purpose in their lives.

The first conclave of Baptist youth, composed of some 300 people, in August, 1916, met to have fellowship with one another and the God whom they worshipped and served. In spite of the fact that the attendance did not reach the 500 mark in the first five years, we dare not say that the Assembly was uneventful. Some of the finest, most loyal members in our churches today and some of our most efficient missionaries on the foreign fields received their first inspiration for Christian service in these meetings.

What wonders God has wrought! This year we found ourselves surrounded by a multitude of Baptist youth dedicated to the same principles which characterized our pioneers. Several records were broken at this "Silver Anniversary." The registration reached 9009; the financial receipts were approximately \$3,200 more than in any preceding assembly; the Book Store sales were larger; there were 71 conversions, and 378 dedications; 11 were baptized, and the average attendance in the classes was 4,869. Many conveniences have been added to the encampment grounds. Besides, numerous individual and church cottages, a two-story office building and a

large comfortable cafeteria were added to the physical equipment this year. Much remains yet to be done to meet our necessities and to add to our conveniences. What should be done will be done by the help of our benevolent God and our Baptist hosts. We believe Falls Creek Assembly is a great place for inspiration and evangelism; for missionary and educational advancement. It is our prayer that every church will make its plans large for this assembly each year.

B. M. Jackson, Chairman

42. The congregation stood, singing "Brethren, We Have Met to Worship."

43. Sunday School, Baptist Training Union, and Baptist Student Union Secretary, Robert S. Bazzell, was introduced and the various phases of the work under his direction were presented in report, and after discussion by the following persons, motion carried to adopt the report.

- (a) Mrs. J. W. Barron spoke regarding Vacation Bible School work.
- (b) Reverend Charles Black emphasized Associational leadership in Sunday School work.
- (c) Miss Sophia Duerksen stressed Training Union opportunity and achievement.
- (d) Harvey Roys, State B. S. U. President, gave a verbal report of B. S. U. activities in Oklahoma, with 20 organizations in the state and 5,000 enrolled in them.
- (e) Miss Nathalie Sessums, Miss Jewel Kirkpatrick, Mrs. Walter H. Crowder, Miss Margaret Culpepper, and Dr. E. P. Alldredge were introduced as leaders in various phases of work in these departments.
- (f) A trio of young women from the First Baptist Church of Chickasha sang, "I Come to Thee," by Caro Roma. Personnel of the trio: Fae Knight, Dorothy Cornelius, Margaret Emerson, with Dorothy Knight at the piano.

REPORT OF SUNDAY SCHOOL, TRAINING UNION, AND STUDENT WORK

Unto us has been committed a task worthy of the greatest effort and deepest devotion which we can give. It is to bear witness of God's love and power,—His love for the world and His power to redeem from death and destruction.

Every person whom God has saved through faith in His Son is commanded to reach, teach and train others until we have pervaded the uttermost part of the earth. Through the Sunday school the churches are seeking to reach and teach the lost ones about us. God is wondrously blessing these efforts by saving the lost ones whom we have sought and taught.

The Baptist Training Union is the church's effort to build into Christlike characters those who have been saved, and to train them in church membership. A graded Union is provided for every member of the church, yea, every member of the family. To study God's word and its doctrines, the missionary work of Baptist churches the world around, and to implant a deeper devotional life is the program of the Training Union.

Among the newest activities of our denomination is the Baptist Student Union, which links the college campus and the church in that community. To reach and enlist in active church

attendance and work every Baptist student and those of Baptist preference is the task of the Baptist Student Union.

In the Sunday school, the Training Union, and the student work, we have sought above all else to make Christ known and believed, believed and beloved, loved and lived. To these objectives we are all dedicated.

REPORT OF THE COMMITTEE ON FUTURE PLANS AND POLICIES

The Future Plans and Policies Committee was instituted November 16, 1938. At that time the Convention was emerging from a dark period of distress of debt into the light of a debt-free denomination. Our Executive Secretary had gone for years up and down the state with a slogan of destruction to debts and deficits. Everybody was demanding that we not go into debt again. There was a desire upon all of our hearts, however, that we should take ad-

vantage of the opportunity afforded by freedom from debt to increase the work of our agencies and supply acute necessities for enlargement and equipment in our institutions. There was apparent, then, a need for a policy of harmony against any future disturbing debts and providing important forward steps in our work. This, therefore, was the occasion of your committee; to wit:

1. To insure against debts and deficits.
2. To promote sanely the Cause.

Your committee has studied the Responsibility laid upon it and brings this, its fourth annual report for your consideration.

I. Regarding the construction of the boys' dormitory at Oklahoma Baptist University, your committee recommends that the Convention reaffirm its action of last year; namely,

- (1) "That this dormitory be erected."
- (2) "That it not be started until one-half the total cost in cash is in hand."
- (3) And "That Oklahoma Baptist University be instructed to retire its current indebtedness before a beginning is made on the dormitory or any other building program involving Convention money, and that when the present University indebtedness be paid, if any further current deficit be incurred, it shall be deducted from the thirty four thousand dollars allotted to Oklahoma Baptist University as an operating fund."
- (4) "That the twenty five thousand dollars in the Unified Budget heretofore allocated to debts be placed in 'The Unified Budget' to be applied on the construction of the dormitory."

We are happy to report the excellent progress that has been made looking to the construction of the dormitory. The funds in hand approximate \$50,000.00. Everyone in the University, the Executive Secretary's office, and over the state has been co-operant.

Here we wish to pay our special respects to the Woman's Missionary Union, Auxiliary to this Convention, under the leadership of Mrs. Berta K. Spooner, for the excellent part they have taken in accumulating this fund. Of the approximately \$50,000 now in hand for the construction of this dormitory, the women have contributed \$25,000. In addition to this, Mrs. Spooner has declared that it is the purpose of the women to furnish this dormitory when it is completed. No words of ours can adequately convey to Mrs. Spooner and the women she leads our appreciation for these things. Words are poor things in the field of gratitude, but at this moment they are all we have. Let us, then, say to our sisters, Thank you, for these substantial contributions of money, and God bless you as you make preparation to furnish the hall on its completion.

The need for the dormitory goes without argument. Perhaps no where in our institutional life could a great building serve so well. Your committee is grateful that it discovers a purpose among our brethren to build it.

One year ago the committee had information that one hundred thousand dollars would be ample to erect the size and type of building needed. It is a matter of general information that since that time there has been a pronounced change in prices. The Defense Program for the Government has brought on a condition of priorities for Defense needs and reputable contractors tell us this has increased

enormously construction prices. Your action of last year required that one-half of the cost of the dormitory should be in hand before work was started. It is apparent from the above facts that the cost of erecting the building will be materially greater than as of a year ago.

We therefore recommend:

1. That the Convention renew its action of last year "That all building operations for our institutions . . . for which this Convention is financially responsible" shall in all particulars be under the direction and supervision of the Board of Directors of the Convention.
2. That the Board of Directors of the Baptist General Convention shall appoint a Building Committee which shall be charged with the construction of this dormitory.
3. That when this Committee is appointed it shall employ an architect who shall provide the Committee with plans and specifications which in turn shall be submitted to a reputable contractor for estimates.
4. And, when the Committee, on the expert advice of architect and contractor shall be satisfied that all the requirements of the Convention have been met for the beginning of construction their findings shall be referred to the Board of Directors for approval which shall determine when construction shall be started, and shall then appoint a day for ground breaking services to which the Oklahoma Baptist brotherhood shall be invited and for which a suitable program shall be arranged.

We would again register our sincerest appreciation of necessity for the Boys Dormitory at Oklahoma Baptist the University, and we would assure the Board of Trustees and President Raley that it is the intention of the Baptist General Convention to erect this building at the earliest moment possible consistent with the above conditions.

5. In recognition of the need of Oklahoma Baptist University for adequate library books, laboratory and classroom equipment, we recommend that \$25,000 be allocated with definite instructions that said amount be spent for the above specified books and equipment in line with the requirements of the accrediting agencies. It is understood that these funds are to be made available as soon as possible but in any case not less than \$5,000.00 a year.

The University Administration and Faculty are instructed to make a careful survey of its needs and as far as possible conform to the requirements of the accrediting agencies in making purchases. It is the stated purpose of the Baptist General Convention of the State of Oklahoma to provide its youth with an educational institution meeting the highest academic standards in the field of education, and the Convention affirms this purpose in thus providing funds essential to meet such requirements.

The Convention is committed to the program of cultural and religious development of the highest order on the campus of Oklahoma Baptist University. This additional provision for strengthening its academic standing evidences our faith in the institution, and we thus affirm

our desire and intention to give our young people standardized instruction in a definitely Christian atmosphere.

II. Last year the committee presented to the Convention the acute needs of the Oklahoma Baptist Orphans' Home for new buildings and equipment that the children might be properly and safely housed and otherwise cared for. You took action looking to supplying these needs. The committee recommended and you adopted its recommendation that a two hundred fifty thousand dollar improvement program be undertaken.

Pursuant to the Convention's action, the Board of Directors put on a campaign in Oklahoma City and over the state among the churches for funds with which to begin this program. A farm has been purchased near Oklahoma City to which all live stock has been removed and three splendid buildings are in process of completion. The campaign above referred to produced some seventy thousand dollars, so that all the money necessary for these operations up to the present stage of construction has been provided by the generous gifts of the Baptists of Oklahoma, the citizens of Oklahoma City, and other designated funds. This work has gone on so well that we feel the Convention should bow in humble thanks-giving to God for His blessings.

We hereby incorporate in this report an expression of gratitude to Secretary Potter, to Dr. T. P. Haskins, who led the campaign, to the Baptist Orphans' Home Committee of the Board of Directors, and to Brother Truman Maxey, Resident Manager of the Home, for this excellent progress and the care with which the entire program has been handled.

Your committee recommends that the Convention reaffirm its purpose to continue the two hundred fifty thousand dollar program as funds shall be made available for the work, and that all building operations at all times be under the direction and supervision of the Board of Directors and the Executive Secretary of the Convention. It is now easy to anticipate a children's city of excellent buildings, splendidly appointed, landscaped campus, and well arranged play grounds; an institution which to every passerby will be "a thing of beauty" and to all Oklahoma Baptist hearts a "joy forever."

So it is, step by step, Oklahoma Baptists have advanced and will advance. It is the hope of your committee that our watchword shall be "forward"; that our vanguard by morning shall be our rear guard by evening and that the holy work committed to the hands of Oklahoma Baptists shall know no surcease of enlargement. But our advance must be symmetrical. For all of our work is a unit and all of equal importance. Let us, then, keep step in closed ranks, maintain sound financial wisdom and discretion in our fiscal policies as we address ourselves to the holiest and highest work ever laid in the hands of mortals.

Respectfully,

REPORT OF THE BOARD OF DIRECTORS OF THE BAPTIST GENERAL CONVENTION

Missions is the foundation stone for all Baptist conventions, assemblies or boards. Dr. G. W. Paschal, one of our foremost Southern Baptist historians, wrote in the November issue of *The Commission*, "It would be as true as it is simple to say that missions

were the sole cause of the organization of the Southern Baptist Convention in 1845. It was in order to be free to promote missions at home and abroad both by financial contributions and by personal services as missionaries that the Baptists of the South separated from those of the North."

In the Constitution of the Oklahoma Baptist General Convention, the section setting forth the objective of the Convention reads, "This convention is a purely co-operative body and its purpose shall be to furnish a means by which the churches of Christ in their sovereign capacity can work together in promoting all denominational enterprises which they deem necessary in carrying out the Great Commission."

"But ye shall receive power, after that the Holy Ghost is come upon you, and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth" (Acts 1:8); "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost" (Matthew 28:19). In the maze of committees, reports, addresses, and organizations, it is well to see Christ above and undergirding all. It is imperative to remember that we must "go" and we must "witness."

This report of the Board of Directors, stripped of excess verbiage, is merely a report of our "going" and our "witnessing." Whether the report deals with Sunday schools, evangelism, Orphans' Home, or Oklahoma Baptist University, it is all concerned with the carrying out of the Great Commission. All of our co-operative work has as its end—the winning of a lost world to Christ.

As we make this report, we are not unmindful of the world-shaking events around us. How conscious we are that we as Christians need to redouble our efforts, not only in building a strong home base in each local church and making Christianity vital in each community, but also in making it possible for more missionaries to go to all parts of the Southland and around the world. With this responsibility in mind, we must plan an enlarged program and a more energetic offensive in every phase of our work. We must be more sacrificial as individuals. We need to enlarge our vision in the local churches and in our Convention.

MISSIONS IN ACTION

The very word, "Missions," somehow touches the heart strings when we hear it spoken, but missions is more than a word. Missions is a dynamic. It is Christ's witnesses in action. We are concerned with the evidence of the mission spirit.

STATE MISSIONS: All of those responsible for the enlargement of state mission fields are just as much interested in, and spent a great deal of time in the interest of Southwide and Worldwide

missions, but we use this term to indicate their responsibility in the State of Oklahoma. In the eyes of Jesus, there is no difference in mission fields. The following have worked through the state mission program during the past year: Andrew Potter, executive secretary; T. P. Haskins, assistant executive secretary; E. C. Routh, editor **Baptist Messenger**, Mrs. Berta K. Spooner, secretary Woman's Missionary Union; R. S. Bazzell, secretary Sunday School, Training Union, and Baptist Student Union; Porter Routh, secretary Brotherhood and Enlistment; T. B. Lackey, general missionary; J. A. Pennington, rural missionary; Marvin Cole, state evangelist; C. M. Curb, state evangelist; and T. B. Hart, state evangelist.

EVANGELISM: We want to call special attention to the report of the summer evangelistic program. During the summer, witnesses went into communities where Baptist preachers had never preached and no religious service of any kind had been held for years. Brother J. A. Pennington reports:

"Eighty-three preachers participated in this work; laboring 1401 days; preaching 1518 sermons in 113 meetings, scattered through 23 associations. These preachers are rejoicing in the salvation of 342 people, with 288 of them uniting with Baptist churches as candidates for baptism. There were 148 other additions to the churches by letter and otherwise.

"The statistical report does not tell all of the story. New churches were organized; dead churches were revived; Sunday schools were established and definite mission points were founded. This means not just a 'Summer Spurt,' but a solid foundation upon which to build during the fall and winter months. From Muskogee association at Wassom Chapel we have a report of a meeting held by E. J. Jameson. There were fifty additions to the church; forty-five for baptism. This was truly a great revival. From Frisco Association in the Willis Springs Community comes the report of a meeting conducted by Vernon Cavender. There were twenty-three professions of faith and twenty additions to the church by baptism.

"A continuance of this type of work is needed from year to year with every church sponsoring and having close supervision over many of these mission meetings and the continuance of a definite work from Sunday to Sunday.

"This report, of course, does not include the many mission meetings that were conducted by the churches and associations that did not ask for aid from the state mission funds. There were several hundred of these meetings conducted with splendid results."

Another feature of the evangelistic program for the year was the Evangelistic Conference held at Shawnee early in June under the direction of Dr. T. P. Haskins. This meeting served to focus attention on the need for a great evangelistic crusade.

We, also, want to call attention to the meetings held by Broth-

er Marvin Cole, state evangelist, during the past year. He reports 759 additions in 13 revivals during the past eleven months.

A survey of baptisms reported in Oklahoma during 1940 reveals a loss of 2,700 over the preceding year. It took 243,972 Baptists to win 15,183 to Christ during 1940. In others words, it took sixteen people an entire year to win one person to Christ. Certainly, in the field of evangelism, we can well hope, work, and pray for an enlarged program for next year.

DISTRICT AND ASSOCIATIONAL MISSIONS: A study of the district and associational mission problem in Oklahoma reveals some definite trends. Although there has been a decline in the number of district missionaries during the past year, there has been an increase in the number of associational missionaries. This seems to indicate that our associations are recovering from their depression blows and are able to support their own associational mission program. We pray that the time will soon be at hand when each and every association in Oklahoma will be able to support an associational mission program to carry the Gospel out into the highways and hedges and to strengthen every phase of our work in the churches already established. Where it is impossible for one association to support a missionary, we sincerely pray that this year will not go by without two or three associations joining hands in the support of a district missionary. We need to magnify missions during the coming year.

District missionaries who have served during the past year are: S. L. Isaacs, Clinton; H. J. Ballew, Wilburton; and E. Ray Lansdown, Alva.

Associational missionaries who have served during the past year are: E. O. Wright, Banner; Floyd Merrill, Bryan; E. V. Brownlow, Delaware-Osage; Ross L. Hughes, Enon; I. E. Owen, Frisco; T. H. Holt, Haskell; Albert Moore, Leflore; Jay W. C. Moore, Muskogee; J. L. Williams, North Canadian; Clyde Foster, Northeastern; J. A. Land, Perry; Deyo Jeter, Pawnee-Creek; C. H. Crouch, Pittsburg; Jerry Cox, Tulsa-Rogers; and J. G. Heard, Union.

THE FRUITS OF MISSIONS

Benevolence is the result of the missionary spirit. A part of our Christian witness is taking care of the homeless and sick.

BAPTIST CHILDREN'S HOME: Last year at the convention at Tulsa, you voted to start a \$250,000 improvement program at the Baptist Children's Home and authorized a campaign to raise money to relieve the crowded conditions. This improvement program has already been started and three buildings are now in the process of being built. We trust that you will see these while you are in Oklahoma City.

At this point, we want to express our gratitude to God for the splendid response given the appeal to help these homeless children.

More than \$70,000 has been received in this campaign. We believe that a special vote of appreciation should go to Dr. T. P. Haskins who gave untiringly of his time and effort as the director of the campaign. However, Doctor Haskins would be the first to say that the campaign could not have been a success without the complete co-operation of every pastor. In the name of the more than 150 little children who will have a decent place to live, we thank you from the depths of our hearts.

We might add that the improvement project has not been completed. We are building on a cash basis and we can go just as far as the money lasts. We are praying that some Oklahoma Baptist will feel the urge in his heart to build another of these buildings to take care of an additional 21 children. We will also need equipment for the new buildings.

The children are well taken care of under the direction of Rev. H. Truman Maxey, resident manager, and Mrs. Gladys Dicken, head matron; but we depend on you to supply the funds. The share the Home receives through the Unified Budget must be supplemented by special offerings at Thanksgiving and Christmas and through the birthday box offerings. Brother Dan Curb also makes a tour of the state in the truck, showing pictures of the Orphans' Home, and collecting chickens, eggs, hay, and other foodstuffs needed for the children and the dairy herd. Clothes, school books, and shoes are furnished the children by the various Sunday schools, W. M. S., and Brotherhood organizations in the state. We appreciate the splendid co-operation given by these groups.

BAPTIST HOSPITALS: Both the hospital at Miami and Muskogee have operated without a deficit during the past year. Miss Florence Worley is resident superintendent of the Miami hospital and Rev. A. F. Wasson succeeded Miss Gracia Tarman as resident superintendent of the Muskogee Baptist Hospital during the past year.

The bonded debt on the Muskogee hospital has recently been refinanced at a lower rate of interest. This will mean a saving of approximately \$10,000 to Oklahoma Baptists. The Union Planters National Bank of Memphis refinanced the entire debt without a bond issue and the officers of the bank made the statement that they rated Oklahoma Baptist credit at the top.

MINISTERS' RETIREMENT PLAN: All Oklahoma Baptists are happy to have a part in this plan which makes it possible for our veterans of the Cross to receive a small annuity when they are no longer able to hold an active pastorate. There are now 353 Baptist ministers in the plan in Oklahoma. Those retired since the plan was inaugurated, either through reaching the age limit or total disability, are: S. B. Barnett, T. J. Bowling, J. R. Eldridge, G. M. Ford, R. C. Miller, B. F. Smith, T. M. Smith, J. M. Wiley, E. D. Jeter, H. P. Haley, A. M. Brown, G. F. Colston, W. R. Trent, Geo. R. Naylor, Wm. G. Lucas, N. Keller, J. H. Plunkett, W. A. Wilcoxson,

E. A. Caywood, A. C. Wood, J. D. Watkins, A. A. Duncan, P. B. Langley, E. N. Calhoun, J. W. Carleton, H. H. Burton, J. H. Gardner, James Gore, J. H. Byers, L. D. Martindale, and Forrest Maddox.

These men continue to witness at every opportunity, although the plan requires that they retire from their regular pastorate if they desire to receive the benefits of the retirement plan. Of course, any pastor may continue to serve as pastor as long as he wishes, but he cannot receive the benefits of the retirement plan until he retires.

TEACHING MISSIONS

The aim of Oklahoma Baptist University, our Sunday schools, Woman's Missionary Union and other teaching and training agencies is that more might be taught to "go" and be better "witnesses."

OKLAHOMA BAPTIST UNIVERSITY: Last year at the Tulsa Convention, it was a real joy to hand Doctor Raley, president of O. B. U., a check which made possible the payment of the last cent of debt on the University. In addition to the complete payment of the school debt, Oklahoma Baptists have adopted the policy of furnishing \$34,000 each year through the Unified Budget to the school. At present rates of interest, this is equivalent to an endowment of more than a million dollars.

In addition to paying the debts and giving \$34,000 through the Unified Budget, Oklahoma Baptists have also voted to include \$25,000 a year toward the erection of a Men's Dormitory. The Convention decided last year to start the building when half of the money for its construction is on hand in cash. Since prices of materials have greatly increased the past year, we will not know whether the approximately \$50,000 we have on hand will cover half the cost until complete architect's plans are made and submitted to a contractor. In line with the recommendations of the Plans and Policies Committee, we recommend that letting the contract for the building be left to the Board of Directors of the Oklahoma Baptist General Convention subject to estimates of cost made by the architect and contractor who are to be employed by the Board of Directors. In line with this recommendation voted last year at Tulsa, and in view of the fact that Oklahoma Baptists have instructed all agencies to get out and stay out of debt, we recommend that breaking of ground for the building be delayed until such time as we have half of the money for the contract price on hand. We further recommend that \$25,000 be set aside again this year as a building item in the Unified Budget for the Men's Dormitory.

We wish to express our gratitude to the citizens of Shawnee for their gifts which have made possible the construction of a new gymnasium on the O.B.U. campus. This was built debt free.

SUNDAY SCHOOL, TRAINING UNION, AND BAPTIST STUDENT UNION: The year which has just closed has marked the greatest

advance in Sunday school, Training Union, and student work of all previous years.

The secretary of this department, Rev. Robert S. Bazzell, has associated with him a specialized leader for each department as follows: Rev. Charles Black, Adult; Miss Sophia Duerksen, Young People; Mrs. Watson Hibbert, Intermediate; Mrs. J. W. Barron, Junior; Miss Jewel Kirkpatrick, Primary; Mrs. W. H. Crowder, Cradle Roll and Beginner; and Mrs. Alice Bazzell, Extension.

These serve in the dual capacity of Sunday school and Training Union workers. They have gone into rural and city churches alike carrying the program of enlargement and Bible study for evangelism. Entire associations have entered into simultaneous training schools and enlargement campaigns under the leadership of this group of workers.

Every association in the state was visited in a one day conference conducted for Sunday school workers and later a similar series of conferences was conducted for Training Union workers. The Sunday School Board contributed workers and money to assist the State Department in making these meetings possible. This is the first time that every one of the thirty-three associations has been contacted for both Sunday school and Training Union work within a single year. These sixty-six conferences were attended by nearly 4,500 workers in the churches of this state. So successful have these conferences been that they will be repeated each of the three remaining years of the Four-Year Program.

The Baptist Student Union work has been carried into churches in college communities with an emphasis which links the school and the church through the Baptist Student Union. Through the assistance of the Sunday School Board, it has been possible to employ a number of the Baptist Student Secretaries. The principal support of these workers is borne by the churches in which they work. Student secretaries are now engaged in the following churches: O. U., Norman, Margaret Culpepper; A. & M., Stillwater, Mrs. Edith Stinson; Baptist Hospital, Muskogee, Nathalie Sessums; Central, Edmond, Ruth Reeves; O. C. W., Chickasha, Zella Sipes; Southeastern, Durant, Ruth Elder; Northeastern, Tahlequah, Frankie Pascoe. This is the largest corps of student workers we have had.

The State Sunday School Convention was held in Tulsa with an attendance of about 1500. The Baptist Student Convention was held at Norman with an attendance of nearly 800 campus leaders. All of these activities are planned and promoted to fulfill the commission of our Lord.

FALLS CREEK ASSEMBLY: Falls Creek Assembly, which is owned and operated by the Baptist General Convention of Oklahoma, is located six miles south of Davis. It was 25 years ago that Dr. W. D. Moorer and Dr. J. B. Rounds discovered the site and led the Baptists

of Oklahoma to purchase the 175 acres for an Assembly. After 25 years of constant growth and developments, the Assembly is one of the most beautiful, modern, and largest, to be found anywhere. Approximately \$10,000 has been spent in improvements during the past year. A large dining hall with new equipment, a two-story office building, class pavilions, athletic equipment, and a new water system are among the improvements.

The Silver Anniversary, held August 4-14, was the greatest in history. All past records were broken: Registration reached the high mark of 9,009, with an average daily class attendance of 4,869. There were 378 dedications, 71 conversions, and 11 were baptized. The spirit of the Assembly was the best ever. Although the attendance was exceedingly large, everything moved orderly and those attending received a spiritual feast. The Baptists of Oklahoma should make their plans now to attend the next Assembly, August 3-13, 1942. The grounds and equipment are available for other meetings when the assembly is not in session. Churches, W.M.U. organizations, and other such groups should consider using the Assembly grounds for their meetings.

PROMOTING MISSIONS

Promotion means advancing. We think of several agencies which are vitally concerned in informing our people about missions in Oklahoma, the Southland, and around the world. When our people are informed and indoctrinated, we will have a stronger home base.

BAPTIST MESSENGER: During the past few years, we have rightly recognized the importance of the **Baptist Messenger** in carrying on all of our mission work. On the front page of the **Messenger** each week, you will notice the outline of Oklahoma, the World, and the open Bible. Along with these, you will note the words, "Evangelism-Enlightenment-Enlistment-Enduement."

On October 15, the circulation of the **Baptist Messenger** was 15,725, an increase of nearly 2,000 over last year. If we are really intent on launching an enlarged program in every area of Baptist life in Oklahoma during the next year we should not be satisfied with a goal of less than 20,000 circulation by the time the Convention meets next year. Many churches are now sending the **Baptist Messenger** to every home for two cents per copy per week. We recommend this church budget plan.

Dr. E. C. Routh, our beloved editor, is without a peer as an editor in the Southland. His scholarly approach and spiritual insight are recognized by all Southern Baptist leaders. A series of articles by Doctor Routh, "Are All Roads the Same?" which first appeared in the **Baptist Messenger**, has been published by the Sunday School Board. More than 50,000 copies have already been printed.

BAPTIST BOOK STORE: Although the Baptist Book Store in Oklahoma is owned by the Sunday School Board, it is interested in Oklahoma work. Every cent of profit is put back into mission work in Oklahoma by the Sunday School Board. During the past year, Mr. H. Killingsworth, the book store manager, has attended many of the associational meetings and has offered the services of the Book Store.

WOMAN'S MISSIONARY UNION: In the field of missions, the Woman's Missionary Union is perfectly at home. The purpose of the W. M. U. is to keep the women informed about missions and give them an opportunity to translate knowledge into actual assistance.

Continued progress has been reported in all phases of W.M.U. work during the year. Mrs. Berta K. Spooner, corresponding secretary, reports 669 W.M.S.'s this year, an increase of 25 over last year, with an enrollment of nearly 20,000 women. Mrs. Bill Carden reports 294 Y.W.A. organizations, 527 G. A.'s, 269 Royal Ambassador units, and 350 Sunbeam Bands, with a total enrollment of nearly 20,000.

The women have, also, continued their Silver Trails Offering for the Men's Dormitory at O.B.U. They have already more than \$25,000 raised and hope to reach \$30,000 before January 1, 1942. We need to commend and encourage our women for the splendid work they are doing.

BROTHERHOOD: Last year at Tulsa, the Convention voted that the Board of Directors be authorized to take such steps as are necessary to bring about the co-ordination and the effective utilization of Oklahoma Baptist manpower. In line with this vote, the Board of Directors, at their December meeting, selected Porter Routh, a young layman, as the Brotherhood and Enlistment Secretary. Since January 1, he has visited many churches with Brotherhood organizations and has assisted in the organization of a large number of new Brotherhoods. In addition to his work as Brotherhood secretary, Mr. Routh is also responsible for publicity, and has prepared a motion picture on the Unified Budget, a pictorial folder on the Unified Budget, and numerous newspaper releases.

It is my conviction that our men are more interested than ever in the work of the church. The Brotherhood must be church-centered if its program is to be lasting. In line with this conviction that we need to tie our Brotherhood closer to all phases of the work, we recommend that the annual Brotherhood Convention, which has been held in the spring, be held at the time now designated for the Pastors and Laymen's Conference preceding the State Convention. We recommend that this Brotherhood Convention start on Monday preceding the Convention and continue through Tuesday afternoon, and that an effort be made to reach a large number of laymen for this meeting, and to

encourage them to stay through the Convention sessions. District Brotherhood rallies in strategic sections of the state would be held in the spring.

ASSOCIATIONAL ORGANIZATIONS: The old time annual association meeting with "camping on the grounds" is a thing of the past, but the associational spirit continues to live in Oklahoma and we now have a monthly workers' conference in each association to discuss the needs and program of the association. Our associational moderators accept a great deal of responsibility and give a great deal of time in projecting the entire mission program in their association.

The condensed reports made available for the annual associations during the past year have seemingly met with favor. It might be wise at some time in the future to have a number of our moderators to study and rethink the monthly workers' conference and make suggestions as to how they might better serve the local churches, the association, and the worldwide program.

We list here the associational moderators elected for this coming year. They are:

UNIFIED BUDGET REPORT

UNIFIED MISSION BUDGET: The very center of the Unified Budget is **Missions**. The Unified Budget is not a program in itself but it does serve as a means of carrying on a comprehensive mission program in Oklahoma, the Southland, and around the World.

Dr. J. Howard Williams, pastor of the First Baptist Church of Oklahoma City, is chairman of a committee appointed by the Board of Directors to make a special report to the Convention on the advance Oklahoma Baptists need to make this year. Letters urging an enlarged program for next year have come from all sections of the state within the last few weeks. I sincerely believe that God would have us launch out on a great offensive in this hour of need. This cannot be done by wishful thinking. The only way that more money can be given to the causes of Christ around the world through the Unified Budget is for more money to be given through the local and sovereign Baptist churches.

If fifty of the largest churches in Oklahoma would give fifty per cent of their receipts (and if we are really serious in our preaching that the only thing that will save this war-torn world is the blood of Jesus we ought to do this) through the Unified Budget, we could give one-half of all receipts to missions outside of Oklahoma and pay all of the operating and promotion expenses out of the half remaining and still have a larger amount to spend on the needy fields in our own state.

Due to moving the convention date up one week, it is not possible to have the total receipts for this year published in this report, but we have every reason to believe that the increase over last year will be encouraging. There has been an average increase of \$5,000 per year since the Unified Budget was started four years ago. Last year the Unified Budget receipts were \$145,045. Total receipts last year were \$363,962.38. With the special Orphans' Home campaign this year, the total receipts should now show a substantial increase over last year. The total receipts during the past eight years are approaching the two and one-half million dollar mark.

RECOMMENDATIONS

1. That it be our policy to operate on a cash basis.
2. That we exercise the strictest economy consistent with the best administration and promotion of our work.

3. That we instruct all agencies provided for in the budget not to incur any debts not authorized by the Board of Directors during 1941-42.

4. That the 1941-42 State Mission Budget be projected on a basis that will insure no deficits at the close of the year.

5. That we continue the ten per cent contingency fund from the In-the-State objects as a safeguard against possible deficits.

6. That the fiscal year for our Convention be changed to run from January 1 through December 31 in keeping with the policy adopted by many churches and other Southern Baptist agencies. This will make it possible to use the convention in November as a spring-board to complete the budget.

7. We further recommend that a budget of \$200,000 be set up with the first \$155,000 distributed as last year, and that all raised in excess of this amount in accordance with the Budget suggested by the special committee and adopted by the Convention be divided on a fifty-fifty basis between statewide and Southwide causes with all expenses paid.

Co-operative Program (Minimum Budget).....	\$ 96,000.00
O. B. U. and M. R. P.	34,000.00
Building Program (Men's Dormitory)	25,000.00
Co-operative Program (Divided 50-50 with all ex- penses already paid. State share would be undesig- nated and Southwide share would be divided ac- cording to division adopted by Southern Baptist Convention)	45,000.00

TOTAL UNIFIED BUDGET\$200,000.00

8. Finally, we recommend that the Board of Directors be authorized and instructed to re-adjust these figures, if receipts do not justify the above distribution. We again renew our solemn pledge that there will be no debt debacles during this administration.

CONCLUSION

This report has, of necessity, dealt with financial reports and objectives, but we need to remember that financial reports and Unified Budget objectives are mentioned only because we are concerned about the transforming message of Christ being carried to this lost world.

As anxious as we are for a world peace based on Christian equity and altruism rather than on selfishness or nationalism, we must resign ourselves to the staggering fact that this world will have a lasting peace only when individual men in positions of responsibility and world leadership are transformed by the blood of Jesus Christ. Nationalism, class hatred, race antipathy, and selfishness cannot be erased in a world without Christ. Brotherly love, human understand-

ing, and unselfishness can grow only when planted in the hearts of men and women who have had a personal experience with Jesus.

If we believe these facts to be true, and our convictions do not match our preachments if they are not true, then we as Christians should be compelled to face our puny accomplishments of the past and then turn about to face Christ. Then, in the Light of His Glory and in the Strength of His Power march on determined to make eternal conquests in His Name.

The time has come to make advance all the way up and down the line. Forward March!

56. Dr. T. W. Medearis read the report of a special committee on the Enlargement of our work, and motion carried for its adoption.

REPORT OF COMMITTEE ON THE ENLARGEMENT OF OUR WORK

For many months there has been going on among the pastors over the state a general discussion of our present Oklahoma Baptist program. While great things have been done, and there has been an ever-present tone of gratitude that the Lord has led us thus far, there has been expressed in various conversations the belief that we ought to commit ourselves to much larger endeavors. This general discussion culminated in an informal meeting of pastors and other workers along with our cherished leader, Doctor Potter. Growing out of this meeting was a suggestion brought to the Board of Directors at its July meeting. The Board reflected, there, the general sentiment that has prevailed throughout the state and authorized the appointment of a committee to study our present denominational situation and to bring to the Convention its findings and recommendations. The committee is composed of J. Howard Williams, W. A. Criswell, C. C. Morris, T. W. Medearis, Auguie Henry, Winston Borum, H. G. Bennett, and H. W. Stigler. Because of the seriousness of its task the committee requested the leaders of our various departments to be present at its first meeting. In addition to the Secretary, it had the valued presence and counsel of Dr. J. W. Raley of O. B. U., Mrs. Berta K. Spooner, and Mrs. H. B. Wilhoyte of the W. M. U., and Mr. Porter Routh of the Men's Brotherhood. Several local pastors also were in the meeting.

The committee was poignantly aware that the times demand much of God's people. It was their unanimous belief that both the command of Christ and the condition of the world call us to a general advance along all lines. Therefore, it voted heartily and solemnly to recommend to Oklahoma Baptists a general advance in every department of our work.

Your committee recommends first, that immediate and prayerful consideration be given to our churches. The denomination cannot rise above the level of the churches. Their well being and health are of the utmost importance to all and everything concerned. Their people need to be enlisted, their work more liberally supported. Our Southern Baptist statistician tells me that fewer than fifty per cent of our members attend Sunday School, a smaller per cent give, and a much smaller per cent even try to win others to Christ. To strengthen the churches we recommend that the pastors be given every possible co-operation of all our state forces; that the state departments of our work seek to enlarge their services to the churches in the Sunday School, Training Union, W. M. U., the Brotherhood, etc.

We call on all the people to remember that Oklahoma is today a ripe mission field. Probably a million and a quarter of its people belong to no church. Many of its communities have no church of any description, and many communities which have Baptist churches could be immeasurably blessed by the meagerest sort of state help to those churches.

Our two hospitals at Muskogee and Miami are doing a superb work. The Master was a healer, and we are to carry on His healing ministry. It was our privilege to serve 3,625 sick people last year and to give in free service in these two hospitals, \$8,681.11. Surely this ministry to those who are helpless warms every heart.

The glorious achievement in our Orphanage Campaign demonstrates, at once, our ability to do large things and our willingness to co-operate in a great advance movement. We will carry on in this work so nobly begun.

We have, in the state, numerous college campuses where dynamic centers of Christian student work might be established. Those established already, can increase their usefulness many fold if they could have a comparatively small grant of money from our State Mission funds.

We have a great school at Shawnee. Oklahoma Baptist University is the culmination of the interest of Oklahoma Baptists in the realm of education after many years of struggle, victory, and necessary adjustments. The school is centrally located in the state. It has one of the most beautiful campuses to be found anywhere. The number of buildings has been increased this year by the addition of a modern gymnasium, and plans are under way for the erection of a Boys' Dormitory. This splendid institution of ours has an excellent scholastic rating, its morale is superb, its spirit is great, its ideals are of the highest. We are extremely fortunate as Oklahoma Baptists, in this institution, headed by our beloved Doctor Raley, who is rapidly becoming one of the most widely known, and highly respected college executives in the land.

Our Baptist work is not over-institutionalized. Institutions are indispensable in the growing of a great denomination. No group of Christians in any age has been able to project itself over any great period of time without institutions. Therefore, if we expect the Baptist message to live in Oklahoma we must maintain institutions. We ought to have them in such numbers and of such strength as to assure an expanding work through the years. In this connection it is well to remember that our Catholic neighbors are making amazing progress in America. They have greatly intensified their program along all lines. One indication of this is that over a period of forty years they have increased the number of their schools of higher learning fifty per cent, while over the same years the non-Catholic Christian groups in America have actually decreased the number of their schools of higher learning by fifty per cent. If Oklahoma Baptists are to give the message from the Book as we understand it, they must maintain institutions. In this there is no option.

In view of all of these things we recommend a three-fold major program. First, that we project a program of evangelism not only through the departments of our work but in a special campaign calling upon all the churches in our state to conduct revival meetings—meetings for themselves, and at least one revival meeting in some contiguous community. Meetings could be held in churchless communities under brush arbors, in school houses, or anywhere else the people might come together. It would be glorious if each preacher in the state would join our own beloved State Secretary in agreeing to hold one such meeting next year. For the carrying out of this program we recommend a committee on State-wide Evangelism be authorized and given free reign in the planning of such a program for 1942. While we are calling the people to repentance and faith, seeking to win them to Christ we can take occasion to ring out anew the great doctrines of our faith. The weakness of democracy today is an ignorance of, or indifference to, its great virtues. Christians without deep conviction on the fundamental doctrines of the faith will not be able to stand against the currents of our modern life. Great believers are great doers, and

the preaching of the cardinal principles and fundamental teachings of Christ is as necessary to the saved as the word of salvation is to the lost. Let us launch an evangelistic campaign that will strengthen the saved while we are winning the lost.

We further recommend that to meet the needs of our day and to lay the proper foundation for a larger work in the future we launch an intensive and extensive program of stewardship. Evangelism is not complete until stewardship is enthroned. We would remind our people that they are to give an account unto God for the use of their time, their talents, their opportunities, and their money. If the income of Oklahoma Baptists averages that of the nation in 1941, it totals approximately \$177,000,000.00 a year, the tithe of which would be \$17,700,000.00. If therefore, Oklahoma Baptists were to give their tithes and offerings they would produce enough money to blanket the state with our work and to take on the entire Southern Baptist Foreign Mission program by themselves, but they would do far more—they would release such tides of spiritual power as to awaken the Christian world.

It is our opinion that we ought, and, therefore, we recommend, that the Convention set up for the calendar year of 1942, a minimum Unified Budget of \$200,000.00, the first \$155,000.00 of which is to be allocated on the plan of former years. The \$45,000.00, or more, additional, to be divided between state and southwide causes on a fifty-fifty basis, all expenses being paid out of the \$155,000.00. Since the \$155,000 includes \$22,500 for Southwide causes, this will mean that an additional \$22,500, without a penny taken out, will go to Southwide causes to be allocated according to the percentages agreed upon by the Southern Baptist Convention; and \$22,500 kept in the State, undesignated, for the expansion of our work. An enlisted, consecrated, inspired Oklahoma Baptist Zion would raise far more money than this, in which case our Oklahoma program could be enlarged greatly and our participation in Southwide and world-wide missions would be greatly increased.

Democracy is in a death grapple. Never in modern times has its existence been so jeopardized as at this hour. Slowly, but definitely, the people of the democracies have come to realize this awful fact. Slowly, they are bringing themselves to lay their all on the altar for its preservation.

Christianity also is on trial. Those who would pronounce its death sentence are to be found throughout the world. Many of them are in strategic places of leadership within the nations. Evangelical Christianity gave birth to modern democracy. Its conceptions of individual rights and responsibilities are interwoven with, in fact, are the basis for, the whole superstructure of democratic government. When democracy falls, some form of autocracy and tyranny will arise and with such in the state will come state churches with hierarchial forms of church government and control.

Baptists ever have been the chief contenders for freedom—even the "four freedoms"—and Baptists will suffer most acutely when those freedoms are abridged or destroyed.

The day for Oklahoma Baptists to advance has arrived. The tides of evil are gaining momentum; the waves of paganism are mounting higher as the days pass, and threaten to engulf the whole world. Ordinary methods will not meet the needs of this day. Half-hearted, luke-warm service will not be felt today. We would call upon all our people to read anew the words of the

Saviour and to consecrate themselves to follow in the steps of Him who said: "The Son of man came not to be ministered unto, but to minister, and to give His life a ransom for many."

65. Pastor B. I. Cherry, Cleveland, read the Report on Social Service, and motion carried for its adoption.

REPORT ON SOCIAL SERVICE

Your committee on Social Service finds many things that should be called to our attention as Baptists, but we only mention a few.

The Devil seems to be doing his best today in every direction. His attack on the American home seems unabated. The divorce evil has almost approached the "trial marriage" stage. In many instances more divorces are granted than marriages performed. Our young people too frequently marry in haste and are divorced at leisure. Our youth need much more careful instruction in the home concerning the seriousness of marriage and the sanctity of the home.

The Lord's Day is a thing of the past with many, instead of Sunday, we now have the "week end." When we destroy the home, and commercialize and socialize the Lord's Day, we have certainly gone far from God. We find many of one time faithful workers who think nothing of being away from their classes or other posts of duty, one or two Sundays a month. It is hard any more to find those who are loyal and faithful, and who are not allured by the "week end" trips.

In some of our leading daily papers "week end" trips are played up for weeks ahead. Just in the Spring one of the Lord's Days was played up to thousands who desecrated it in going with thousands to see some dogwood blossoms. Again in the summer a "week end" trip was played up to some cave in the northwest part of our state, and the latest, just last week, to the Winding Stair Mountains. Far better to be trying to place people's feet on the stair-way to Heaven.

In our magazine stands we find the most filthy literature probably ever printed in any nation on earth, and there without restriction for our youth.

"On with the dance" seems to be the slogan in too many places. A dance is given now for everything, and anything, and it has become the popular way to raise funds, from the President's Ball on down. One large church in Oklahoma City—not Baptist—has recently built a building in which dancing is taught, and our young people are invited to come and learn to dance. In many of our State Universities and public schools dancing is encouraged and in our State University at Norman, under a recent ruling, students are permitted to dance in the University Building until one o'clock Friday and Saturday nights. We do register a protest against dancing being taught or permitted in any tax supported institution.

Liquor drinking is ever on the increase, and the liquor crowd

is never satisfied with the blind tigers, they want them with both eyes open and will, in all probability, compel us to vote on the liquor question again at an early date, and our people need ever be on their guard for a special election.

Smoking has become almost a universal habit with both men and women, and we need to teach again the evils of the habit to our children and to abstain from the use of it as injurious to health and a nasty expensive habit that no one can defend. One has only to pick up his daily paper to see the large number of people, both men and women dying off in the prime of life from heart ailments.

In an hour when almost the whole world is on fire, we need to lay aside every weight and the sin that doth so easily beset us and run with patience the race set before us. And we should make our Christianity practical, and let our lights so shine that the outside world may see Jesus in us.

R. C. Howard, Chairman

66. Dr. E. C. Routh moved that a standing committee of ten members, including the President of the Convention, be appointed by the president of the Convention, which committee shall be authorized to represent this Convention in the consideration and disposition of questions relating to the prohibition of the liquor traffic, insofar as the Convention may deal with such questions. The personnel of the committee appointed is:

J. W. Storer, Chairman
Walter L. Gray
J. B. Rounds
Rupert F. Naney
John T. Daniel
Dr. Berta K. Spooner
W. R. Wallace

67. Report on Baptist Hospitals was brought by Pastor R. L. McClung and motion carried for its adoption.

68. A. F. Wasson, Resident Superintendent of the Muskogee Hospital, spoke concerning the need of nurses' training school at the Hospital.

REPORT ON HOSPITALS

We, your committee on hospitals, wish to submit the following report:

Baptists of Oklahoma rightly pride themselves in having a well balanced program which embraces everything included in Christ's Commission and command to His followers. A great part of His personal ministry was devoted to the healing of the bodies of men and relieving their painful sufferings. Therefore we sincerely believe that we are following in His footsteps in the service rendered by our hospitals. Ours is a suffering world. What a sin-bedraggled spectacle is the procession of our generation.

It goes without saying that a report on hospital work cannot give an account of all the good done for the soul and spirit of the patient, his family and friends. The changes wrought in the outlook upon life, the hope and heart given the despairing, the eternal value of a new born soul through this agency simply cannot be evaluated nor tabulated. Scores of heart-stirring incidents must be passed by and

will go unnamed and unheralded until revealed in the land where all things are made known.

There are three hospitals with which Oklahoma Baptists have to do. The Southern Baptist Hospital in New Orleans, and our two fine institutions within our own state, located at Miami, and Muskogee.

Our hospital in New Orleans covers two city squares and has eight buildings costing \$1,600,000, of which \$250,000 was built this year. The indebtedness is only \$245,000. The volume of service is constantly increasing. 15,430 patients were treated this year, giving it the third place among all denominational hospitals.

This is the report taken from the American Medical Associational Journal. 2,726 patients received free treatment at a cost of \$79,175. It was given to Home and Foreign Missionaries and other religious workers. The Baptist Emergency Home for unfortunate girls would be compelled to close without the treatment given them by the hospital, according to public statement made by the Superintendent of that home. The income of one and one-third percent of undesignated gifts to the Co-operative Program brought \$29,004.00, or 37% of the amount of benevolent service given free.

In Miami, where Miss Florence Worley continues our faithful and efficient Superintendent, a splendid report shows a profitable year. Your committee met in Miami in the spring and was served a wholesome banquet in the hospital and found conditions most gratifying. 925 patients were treated during the year, which is 80 more than the year previous. 200 'out-patients' or those who were not required to remain in the hospital, were treated. A new roof at a cost of \$1,000 had to be put on, the heating plant completely overhauled and the south wing refaced on the outside to stop the leaks, all of which came to considerable cost and which prevented any balance in funds to speak of. Limited patronage and urgent need for improvement along with rising costs has made for a financial problem. While the hospital continues to pay its own way with practically no denominational help financially, this condition may not hold true for long with present trends. We have a most capable and consecrated staff of workers that are responsible for a growing appreciation of the fine services rendered by Miami hospital, thus making it one of our most useful agencies.

At Muskogee, a great and good year is reported. 2,341 patients were treated, while 400 'out-patients' came for service. There were 1,184 who received surgical service. The laboratory made 11,281 examinations and there were 426 X-rays made. This hospital, too, is paying its own way. However, the condition of the property needs attention. It has long been neglected in our desire to report 'no deficit.' The need for improvement and for additional equipment is so urgent and demands for service increasing to the extent that this condition likewise cannot long prevail. We are most fortunate in securing a capable Superintendent, Dr. A. F. Wasson. He has indeed a most efficient staff. The Nurses' School is one of the finest found anywhere. There were six graduates last spring and there are 32 enrolled in training now.

The bonded debt on this hospital has been refinanced by the Planters National Bank and Trust Company of Memphis, Tennessee, at a saving of approximately \$10,000 to Oklahoma Baptists.

We urgently request continued prayers in behalf of these great agencies of mercy and ministry. Nearly \$9,000 worth of free services were given this year. We deeply appreciate the gifts of the women through their organizations and societies and plead their continued

support in increasing amounts. We suggest that a careful and thorough check-up of conditions at both State Hospitals be kept by our Board of Directors of the Convention so as to avoid any hindrance or delay in the service we would have them render in our behalf and to the glory of God. We must enlarge their ministry immediately.

THE STUDENTS

The enrollment for the regular session of the school year 1940-41 was 729. Including the summer school the total enrollment for the year was 955.

Enrollment for the past five years is as follows:

1936-37	769
1937-38	797
1938-39	908
1939-40	970
1940-41	955

At the present time our enrollment is 540 as compared with 634 for the first semester of last year. We consider this a moderate decrease in comparison with the decline in university and college enrollments all over the country.

The freshman class of 1941 appears to be the most promising group that we have had in a number of years. This year's class has an average rank on the English Placement Test 12.5 points higher than the average for the entire freshman class of 1940, and on the Psychological Examinations the average for the 1941 class is 2.13 points higher than the average for the 1940 class. The thirty-eight scholarship students in the freshman class of 1941 have an average rank on the English Placement Test 12 points higher and on the Psychological Examination 11.44 points higher than the average for the twenty-eight scholarship students in the freshman class of 1940.

The library committee and the librarian have been spending much time in making plans for the improvement of the library. The librarian spent the better part of August in visiting the more outstanding libraries in the Southwest and in Southern California. The library committee instituted, at the beginning of the fall term, a faculty study of the present library collection. By the end of the first semester, it is planned to have, as a result, an expert subject-analysis of the library book collection of each department of the faculty, and with it a carefully prepared list of books to be purchased as funds are made available.

The \$10,000 bequest from the Thurmond Estate has been designated to be used for the remodeling of the gymnasium and men's dormitory, looking toward the complete remodeling of the west wing of the building for a library building. Plans are to use not more than \$5,000 of this fund in the remodeling program, leaving the balance of \$5,000 to apply

on books. Attention also is called to the action of the Alumni Association in an attempt to raise \$2,500 as a Jent Memorial Book Fund. If such a plan can be realized there should be available for books from \$5,000 to \$7,000 during the next year. The University really needs \$25,000 worth of books and laboratory equipment and it is hoped that special arrangements will be forthcoming within the next few years to supply this demand. But, with the gift we will be given a real start in the development of the library.

One of the most progressive and significant achievements of the year was the institution of the new fine arts plan which gives every student an opportunity to take lessons in applied music without extra charge. This year we have 139 students enrolled in applied music courses as compared with 64 last year. A meritorious undertaking of the fine arts department is the organization by Dean Warren Angell of a civic chorus of over 150 persons who will present Handel's oratorio, "Messiah," in the Shawnee municipal auditorium, December 17.

The debate teams under the direction of James Ralph Scales won three championships of invitation tournaments, finalist honors in four others, and numerous awards in oratory and radio speech. In April, 1941, the men's team and women's team made a tour through 18 eastern and southern states, debating on the campuses of colleges from Oklahoma to New Jersey and Georgia.

Last year 133 ministerial students were enrolled. The report of the Ministerial Alliance shows that these students delivered 3,922 sermons, had 894 conversions, and traveled 238,214 miles. The Summer School for Preachers was held during the first ten days of June with 47 in attendance.

The Y. W. A. under the leadership of Mrs. John Hall Jones attained last year, for the first time, the standard for an A-1 college Y. W. A. Ours was the only college Y. W. A. in the state to attain this standard. The average attendance the last months was 72% of the membership.

The purpose of the Baptist Student Union last year was to put forward the work of the local Baptist churches through a continuous program of enlistment. As a result of this effort, the enlistment committee reports 92% of the Baptist students enrolled in O. B. U. have united with the local Baptist churches, and that 78% are actively participating in one or more unit organizations. The B. S. U. is co-operating with Mr. R. S. Bazzell of the state office in sponsoring a B. T. U. study course in November with Dr. Allen Graves of Nashville as the special teacher.

PUBLIC RELATIONS PROGRAM

The chief accomplishment of the public relations program during the past twelve months has been visits by the personnel secretary to 198 high schools in 67 counties. The total number of junior and senior high school and junior college students in these 198 audiences was 46,894. These special assemblies to which Mr. Jones was invited were usually an hour in length, during which time he made a brief address, presented a vocational film, and showed the kodachrome movies of campus life on Bison Hill. At the conclusion of

the assembly program a conference was held with the senior class for the discussion of vocations and future education. Approximately 1,500 students signed information cards indicating their interest in O. B. U.

The quartets, talent groups, and the Bison Glee Club have made good impressions on the various high schools and churches where they have gone. A girls' quartet represented O. B. U. at the Southern Baptist Convention in Birmingham last spring and made eight appearances in five states on the tour.

Faculty and administrative officials have maintained an active program of speaking to all sorts of groups throughout Oklahoma and the Southwest.

Radio has been an effective medium for sharing Christian culture with the people of our section of the country. The campus studios of O. B. U. have direct connection with KGFF and the Oklahoma network. Student and faculty talent has been utilized in the broadcasting of approximately sixteen weekly programs during the last twelve months.

Printed publicity has been released to the daily press informing various hometown papers of honors which come to students and events of general interest which occur on Bison Hill. The **Baptist Messenger** is the most effective medium for disseminating information about O. B. U. The University utilizes two pages of space each week in the **Messenger**, which reaches the most sympathetic and interested group of the growing army of friends of Oklahoma Baptist University.

In addition to all the above items, in the public relations and publicity program, O. B. U. maintains a vital esprit de corps among its own students and faculty through varied entertainment and expressional activities. Patrons and friends of O. B. U. are kept informed about the needs and accomplishments of the University through the previously mentioned activities which are reported in the **Bison**, student publication now being distributed to the schools and churches of Oklahoma. A significant phase of the public relations personnel program includes personal contacts with parents of present and future students on two state tours. Mr. Jones, in the company of Mrs. Spooner, visited all of the W. M. U. district rallies in April, and in company with Dr. Raley visited twenty-five centers during the summer. On the summer tour, conferences were held with prospective students, and the competitive examinations and honor scholarships were given. Falls Creek Assembly, greatest gathering of Baptist youth in America, presents a golden opportunity for interesting young people in O. B. U. The president and personnel secretary each taught classes at the Assembly in 1941. Mr. Jones' class in "Planning a Life" led the Assembly in awards earned.

Definite evidence points to the rapidly increasing quality of students who seek their advanced education at O. B. U. It is a general impression that there is a rising appreciation for O. B. U. among public school people as well as Baptist leaders and especially the youth of Oklahoma.

PLANT IMPROVEMENTS

Attention is called to the construction of the \$50,000 gymnasium, a gift of the citizens of Shawnee. The building is practically completed and was dedicated as a part of the Homecoming celebration. Thus, our first effort in the long range program has been successful. In the order listed on our "must" units for the plant, the gymnasium came first, to be followed by the remodeling of the old gymnasium into a library reading room, the construction of a men's dormitory, and finally the construction of a combination chapel and fine arts building. Plans are to begin work on the remodeling of the gymnasium into the library reading room as soon as the work is completed on the new gymnasium. It is hoped that sufficient funds will be on hand to permit ground-breaking for the new dormitory within the next few months, and that upon its completion funds may be made available for the completion of the remodeling program of the present men's dormitory into an administrative office building.

Given these additional units, Oklahoma Baptist University will have an adequate plant—certainly sufficiently adequate to take care of the student body for the next fifteen or twenty years.

The prospects for O. B. U. in the future are bright indeed. Our new program of emphasizing the cultural as our main feature of student life is attracting much attention. I

believe that we in Oklahoma have the one chance in America to prove to the world that an institution of higher learning can be centered in a cultural program and thoroughly grounded in the Christian faith. To such an end the faculty and administration dedicate themselves.

REPORT ON ONE HUNDRED THOUSAND CLUB

The history of the Children of Israel is a commentary for our lives today. When they found themselves under the taskmaster they called out to God, and He opened the way for their deliverance. Southern Baptists have been, and still are under a rigid task-master, called "Debt." He has almost conquered us at times, and has definitely curtailed our work in forwarding the Kingdom of our Lord. When we cried out to our Heavenly Father to deliver us from under the rule of this monster He opened for us the way to escape by means of a movement, known as the One Hundred Thousand Club. Through this opening made visible by Divine Providence, a new day dawned for our denomination.

By means of the Hundred Thousand Club we could get away from our taskmaster, and also carry on our world-wide mission program. The Hundred Thousand Club was started at the Southern Baptist Convention of 1933, and since that time has paid nearly one and one-half million dollars on our debts. The sun is rising higher in our denominational sky, but it is not yet the full noonday. Each of our beloved institutions is now able to lift its head, and even though some of them are still having to make brick, as did the Children of Israel, they at least do not have to gather the straw from which the bricks are made.

Oklahoma Baptists gave during the last convention year \$11,947.37 to this worthy cause. We are grateful for those who made this record possible, but realize that this sum is far too small for those who compose the constituency of Oklahoma Baptists. Our goal is to have a debtless denomination by 1945, and we are almost two and one quarter million short of this accomplishment. With this challenge before us, and before it is too late, let us give ourselves anew to this privilege of paying our debts. Our Secretary of Pro-

motion of the Sunday School Board suggests that we do three things toward the paying of our debts.

First, that we put forth all effort possible to obtain memberships in the Hundred Thousand Club. This can be done either by group, individual, or multiple memberships, and means that you are to pay one dollar per month above your regular contribution to the church budget.

The second suggestion is that we get as many special Centennial Memberships in this club, as is possible, which means that between now and 1945 these individuals shall pay \$100.00 toward the payment of our debts.

The third suggestion is that our churches take offerings that shall go directly toward debt payment. It seems that any church in Oklahoma can have a part in one or more of these suggested ways of paying our debts, and we recommend that as a Convention we commit ourselves anew to this end. As God's peculiar people, let us not be content to camp on the East Side of Jordan, but step over into the Promised Land of a Debtless Denomination by 1945.

Message of W. M. U. President

Mrs. H. B. Wilhoite

"SEND OUT THY LIGHT"

Today we face a world that is enveloped in darkness, dominated by fear, by greed and by hate. Atrocities that the heathen mind could never have conceived are being practiced in this so-called enlightened twentieth century. As the lowering, billowing clouds of blackness loom on the horizon and ominously move nearer our shores, our country, and our very homes, we begin to ask: "Is there no light to dispel this darkness? Is there nothing equal to the human need of today?"

In the 43rd Psalm the writer David surrounded by ungodly nations and unjust men struggles upward from the blackness about to overcome him and cries: "O send out thy light and thy truth: let them lead me; let them bring me unto thy holy hill." Centuries ago David recognized the truth that we have not yet learned: only the light of His truth can lead us out of darkness. Only Jesus who is the Light of the World can show us the way.

These words of the psalmist chosen as our watchword for the year before us shall be often upon our lips. When we look at the mighty forces of evil striving for mastery of this world, when we see spiritual torpor and unutterable moral degradation, from our hearts will arise this prayer: "O send out thy light and thy truth."

The answer to that prayer comes back to us in these words: "Ye are the light of the world. Let your light so shine." For no selfish purpose does Christ bestow his transforming light on any man. He touched your heart and mine with his illuminating grace that you may impart the benefit of your light to others. He commanded the light to shine in the darkness of your soul that you might give the light of the knowledge of God as revealed to you in the face of Jesus to all who pass your way.

Properties of light are the same in the household lamp as are those of the great beacon light that guides the ships at sea or in the air and there is as much need of light in our immediate circle as in any part of the world.

The Master assumed that our light will shine up to its capacity if we only give it a proper chance. We are not expected to change the form or double the strength of the lamp. We are only to provide conditions so that its whole power may be available. None of us can change the candle-power of the light. Each of us came into the world with certain native powers and though we cannot change the candle-power we can increase the efficiency.

Our light is a reflected light and reflected light carries with it the coloring of the object from which it is reflected. It is colored by our own individual character. It doesn't take a stupendous light to shine brightly before a reflector polished brilliantly by industry, concentration and determination. It is amazing how much light even a small candle may shed when attention is given to the reflector.

Light is a combination of many rays and each ray a combination of many colors. If the spectrum be applied to the lighted life you will find it sheds various graces. As we share with others the sending of these rays of light we shall find that the chiefest of these is Love. "When the last word has been said about the selfishness of man, the cruelty of ambition and the relentless persistence of hate, it still remains that love will outlast them all."

Love is not fitful and flickering but a steady flame that burns and glows because it has been set on fire by the spark of divine love. Unless our hearts go out to people we shall never reach them. We cannot by any possibility know Christ by argument and reasoning.

The attitude of others toward us, their unloveliness, does not release us from our obligation to love them. One reason the love and compassion of Christ was so attractive to people was because he never dealt with them as a mass but as individuals.

Christ knows how each man fell, the havoc the news brought into the home, the longing for return. Compassion would rise in our hearts if we would begin to individualize the need of men—the one lame man, the one lost sheep.

Send out thy light through INFORMATION. "The entrance of thy word giveth light." Too often we want to supply the light of our own wisdom and it does not suffice that we offer substitutes. "Thy word is a lamp unto my feet."

Send out thy light through our GIFTS: Unified budget, Lottie Moon Christmas Offering, Debtless denomination, oil for the lamps of those who go.

Send out thy light from our HOMES. The world is but a collection of homes. If the light of Christ could shine out from each home the world would be glowing. But sometimes the lamp of the Christian smokes more than it shines. Our daily conduct belies the light we profess. Our oil is about to give out. Love of pleasure, desire of luxuries for self have blinded us to the needs of a lost world. Our light is low and flickering, all but gone out. Our religion has become like painted fire. It sheds no warmth to attract. Does the light from your home radiate in the community?

Send out thy light through our TESTIMONY. Some dark pictures are being painted these days. Only the Christian has the true light to illuminate them. There is not enough darkness in the whole world to put out the light of even one small candle. How then can it put out the light of Him who is the Light of the World?

Amid all our revolutions and political changes the kingdom is coming. The God of heaven shall set up a kingdom which shall never be destroyed.

The Lamplighter moves from lamp to lamp leaving a glow behind him. He would push on in blackest darkness but would leave a light so that those who followed would have no occasion for stumbling. However dark and uncertain these days, leave a trail of light!

Report of Executive Secretary

Mrs. Berta K. Spooner

In the gathering gloom of world conditions, memory brings back to me a night on the desert near Cairo, Egypt, during that glorious trip of 1934. The unusual breadth of sky was crimson, then gold with sunset, then came dusk and gathering darkness with a sense of strangeness and smallness, so few of us were there on the edge of the silent, stretching desert sands. But in the deepening darkness the stars came out. First, one by one, then quickly many were visible and they were shining brighter than customarily and seemed closer to the earth. Against the dark blue velvet of an Egyptian sky one felt she could almost touch those brilliant multiplied hundreds of stars.

Against the increasing tragedy of this night of sin there are places of light the more radiant by contrast with the creeping blackness of war and wrong. We must treasure these evidences of the shining work of Christ and hold them warm against our troubled breasts. The reports of the activities of Baptist women of Oklahoma are glowing with assurance of Christ's light abiding in their hearts. Through the year, 468 of the 641 societies have been steadfast and loyal in organized missionary activities. 103 are doing so well they grade A-1 in the requirements of the Standard of Excellence. 144 have been mindful of their young people and have had full graded Woman's Missionary Unions. Only 4 have been so wise and so faithful that all the organizations: Sunbeams, Girl's Auxiliaries, Royal Ambassador Chapters and Young Woman's Auxiliaries as well as the missionary societies are A-1 together. We especially rejoice in these churches with full graded A-1 Unions: Idabel, Ponca City, Amber and Talihina.

The achievement of these churches should inspire others to similar diligence for missions. A significant number of churches have set an example in giving. As a result of enlisting care 13 churches report every resident woman member giving to missions. We name them in recognition of their distinguished attainment in giving: Billings; Tulsa—Pheonix Avenue, Trinity, Temple, Glenwood, and White City; Ardmore—First; Rush Springs; Lindsay; Minco; Coffeyville, Kansas—Emmanuel; Ringling; Zanies. It may be that these gifts were hesitantly given; they may not have been proportionate as Paul entreated, but at least some joy of Christian giving came to each woman. The desperate world needs add their urgency to the words of Scripture and the impulse of truly Christian hearts, that the tithe be brought into the Lord's storehouse and gifts in generous measure be poured out to carry the light of the Gospel further into the darkness which cannot overcome that one sure light.

Many societies must have stumbled over the added requirements in regard to the measure in the number of tithers, point 4, Standard of Excellence. Our reports show 5,488 tithers among approximately 17,444 members of W. M. S. With no report from the Young People the tragedy of selfishness shows up clearly here. In our Co-operative Program gifts from Oklahoma Woman's Missionary Union, women and young people equal \$60,218.52. Of course, we have had other projects—Dormitory, Scholarships, White Cross, Orphans' Home, Margaret Fund, Nursery, Hospitals, Relief for China and Europe, and help for our boys in the camps. Our goal for the State Mission Season of Prayer offering has been reached but how much more light could have been channeled into our own dark corners had our gifts been more honestly given.

The Annie W. Armstrong Offering in March amounted to \$6,357.27. At the eastern entrance of the harbor of the United States of America stands the Statue of Liberty—the Lady with the Light—we facetiously say. How can America lift her light within her own borders if we do not supplement our Co-operative Program gifts more generously, relieving the Home Mission Board of indebtedness through memberships in the Hundred Thousand Club? Oklahoma W. M. U. reports 775 members in Hundred Thousand Club paying \$9,297.20 in its efforts toward a Debtless Denomination by 1945. We see at once the necessity for increasing our endeavor in behalf of the Hundred Thousand Club. Centennial memberships should be taken by many individuals or by many societies or by circles. Eight associations reached their goal of memberships, some going far beyond: Panhandle, Delaware-Osage, Northeast, Muskogee, North Canadian, Oklahoma County, Leflore, Atoka, and one District, Northeast. Debt crushes the progress of the Gospel as the bushel hides the light of the lamp in the words of Jesus. Some doors are closed or seem to be closing but the fact results from our past negligence in spreading the light. Let us clear the binding shadows of debt and make ready for a new day, unhampered, when the warm light of peace encompasses our agonized world.

Our Lottie Moon Christmas Offering last year, \$13,699.80, surpassed the goal set at \$13,500.00. We caught the radiance of a shining star for a few moments and gave in answering brightness of spirit. Let us do it again. Taxes are increasing and the cost of living advances but the love of Christ must also be growing in our hearts to measure more gifts for His revealing work in the world. In earnest study of the vast meaning of stewardship we kindle candles of hope far the future. More churches are observing stewardship night in accord with the plans for the Education of Young People in "stewardship of possessions" and those churches surely find the Every Member Canvass more easily made when minds have turned to think of these matters and of our responsibility toward money. Silas Marner, the miser, loved the sparkle of the gold pieces as he let them slip through his fingers but his bound life was released when he saw the burnished brightness of the golden hair of a winsome little girl and his hard heart melted. For the sake of the future as well as for the sake of our personal love to Christ our gifts must add to the ability of Southern Baptists to make Christ's way known and followed throughout all the world. Let us look forward with joyous anticipation to a larger program for the new year.

Mission Study classes number 2,464 and 22,128 awards were made when examinations were duly taken and reports made to the State Office. Our own Editor, Dr. E. C. Routh, has nobly given a historical survey of Southern Baptist foreign fields which many societies have studied and many more will study. It is no mere pastime to study missions but serious, stimulating business, suited to the potency of this hour. The more sure we are of where and what our missionaries are doing now, the more accurate our background for understanding why and how their work progresses. If it is retarded, the more will our prayers rise in their behalf. Contrasting our sheltered, easy lives with those women in any other part of the world should, out of grateful love and appreciation, quicken us to study and to read about missions.

The W. M. U. magazine record for Oklahoma is 4,097 subscriptions to Royal Service, 532 to The Window of Y. W. A., and 1,344 to the World Comrades. I enumerate them all because as mothers in the home our interest and responsibility embraces the circulation of them all. Nor can we be slack regarding the Baptist Messenger, the Com-

mission and the Southern Baptist Home Missions. Beating against the sweeping flood of militarism and secularism, throwing a shield of light against these sinister shadows, are our magazines. Adults and youth alike need to be holding their souls in the sunshine of daily worship and worthy Christian and missionary reading. Mothers, by all means, place these missionary magazines in your home that the young people may be influenced by them. The Prayer Calendar alone will prove a blessing if intelligently used. Social evils, liquor indulgence, crime and social hatred will blaze in America unless living light moves forward first.

Out of the 681 societies in Oklahoma, 468 reports were received. 398 are endeavoring to do organized Personal Service, rendering material assistance and spiritual encouragement to under-privileged people. Our work with the Negroes has gone forward in a fine way. We are to be congratulated on the splendid work done this summer during vacation by the two negro girls, Ruth Carroll and Celestine Oliver, who are in training in Nashville, Tennessee. There were more requests for their services than could be filled. They were busy eight weeks, all of June and July, with the young people in their churches. Our own women have helped in many Vacation Bible Schools for the Negroes, furnishing supplies and materials and refreshments for the children, also teaching in Schools of Missions. In 1 John 3:18, Moffatt's translation, we find a good definition for Personal Service: "Let us put our love into deeds and make it real." Weymouth's translation of the same thought is: "Let us not love in words only, nor with the lips, but in deed and in truth." If, personally, we could make this verse our very own it would put each one of us to work, lifting our whole community to a more righteous condition. There are prospects in every community awaiting the efforts of Christian women.

In White Cross work at home we have sent needed supplies to our hospitals at Muskogee and Miami, valued by the hospitals at \$2,781.90, and \$1,564.48 in cash to the hospital in Ogbomoshosho. It is ever a joy to Christian women to bring light and love into the hearts of children and this year we have helped to make the light shine more brightly for our children in the Baptist Home by our gifts to the new building program as well as providing for them the necessities of life, food, clothing, furnishings and school supplies amounting to \$36,983.90.

At the Assembly this year we had the largest attendance in all classes that we have ever had. More awards were issued for Mission Study than ever before. Six classes were taught by returned missionaries: Rev. Eugene Hill, Dr. and Mrs. J. H. Humphrey, Rev. L. L. Johnson, and Mr. and Mrs. Peter Trutza. What a joy and inspiration to be associated with them and truly we do appreciate their contribution to the spirit of the Assembly. None the less do we appreciate the service rendered by Mrs. A. L. Aulick, Mrs. H. B. Wilhoite, Mrs. Brandon, Miss Bertha Thompson and Miss Jack Keys. This was the twenty-fifth, or Silver Anniversary, of Falls Creek Baptist Assembly.

We are grateful to Woman's Missionary Union of the South for sending to us this past year, Miss Juliette Mather, whose messages contributed much to the success of our annual meeting in Tulsa last November. Also for Miss Elma Currin for her very helpful visits to the colleges and for Mrs. Eureka Whiteker, who represented the Union in the 14 annual District Meetings in April, bringing inspiration and very practical suggestions for Personal Service.

We are deeply indebted to our very own returned missionaries, Miss Lucy Smith, Eugene Hill, Dr. and Mrs. J. H. Humphrey and Rev. L. L. Johnson for their ever ready answer to many calls for

service from the churches. What a blessing they have been to all. These, with the assistance of Dr. John Lowe of China and Rev. Craighead of Roumania, have just closed 21 Schools of Missions in as many churches in October.

Through the year I have visited in 24 associations in Schools of Instruction, taught the new Why and How of W. M. U. in ten societies and attended twelve Associational Rally meetings. Also, fourteen Annual District Meetings, the Southern Baptist Convention in Birmingham, Commencement at House Beautiful in Louisville and spent one week in Birmingham in January attending the mid-year meeting of W. M. U., where plans are made for the work of the Union for the following year. Ten days were spent in the Assembly at Falls Creek. I spoke to the National Baptist Convention of Colored Churches meeting last week in Tulsa, also at the close of a week of mission study in the Calvary Baptist Church (colored) where a large number of Certificates and seals were awarded for faithful study of mission study books. Members of the class were all dressed in white and received their awards with dignity.

The hospitable light from open doors of homes and churches has smoothed the way for me and I am indeed grateful to all. The loyalty and faithful co-operation of Mrs. Carden, the Young People's Leader, and Miss Marjorie Keys, the Office Secretary, have contributed in a large way to the accomplishments of the year. It may be difficult in the coming months to keep sight of the Holy Light from Heaven but the flames of love must burn bright in the darkness. Resistance is necessary to make the electric current produce light but Christians must shine as lights in the world among crooked and perverse generations. We have done well but we can do better, steadying our flickering flames against the stability of Him who is the Light of the World.

"Kingdoms wide that sit in darkness,
Grant them, Lord, the glorious light,
And from Eastern coast to Western
May the morning chase the night
And redemption, freely purchased,
Win the day."

REPORT OF STATE YOUNG PEOPLE'S LEADER

Susan Adams Carden

"Not with swords loud clashing,
Nor roll of stirring drums;
With deeds of love and mercy
The Heavenly Kingdom comes."

The persistent onward increase of the Kingdom is found in the loving, persuasion of individual souls to accept Christ; in the faithful consistent witnessing of one Christian and another; in the patient, careful teaching of youth to be lovingly, actively and intelligently concerned about the coming of the Kingdom in the hearts of all people.

Particularly to this last task, Woman's Missionary Union has dedicated herself in her fostering and counseling of Auxiliaries. Since the Kingdom does not grow by spectacular outbursts, we like to pause each year to examine our progress to see if each phase of our work has had a wholesome, steady increase.

We list below results of labors in 1941, of faithful, local, associational and district leaders.

Mission Study Awards	S. B.	R. A.	G. A.	Y. W. A.
1940 -----	712	565	1403	1135
1941 -----	1772	1195	2865	1366
Increase -----	960	630	1462	231

Four special activities were promoted in 1941 to increase interest in the study of missions. At the State Houseparty 108 girls were in attendance and 120 awards were granted. Mrs. Shad Medlin of Little Rock was most effective as inspirational leader and C. B. Thomas, stewardship chairman of Missouri, and Miss Jack Keys, served as faculty members. Various members of the O. B. U. faculty ably assisted to make this a very satisfactory Houseparty.

The R. A. Conclave held at Falls Creek enrolled 53 boys. An increase of 29 over 1940. Missionaries A. Ben Oliver, Brazil, and A. Worthington, Pawnee, contributed from their experiences. Rev. Lee Aull, Rev. Gordon Paschall, Rev. John Evans, pastors who also serve as R. A. Leaders, were our faculty and Mr. Porter Routh and Rev. J. A. Pennington, from the State Office, spoke on State Missions.

At the State Assembly the W. M. U. enrolled an average of 921 and granted 907 awards, more than doubling the 402 of 1940. This was largely due to the missionaries serving on our faculty. They are Dr. and Mrs. J. H. Humphrey, Rev. Eugene Hill, Rev. L. L. Johnson and Rev. and Mrs. Peter Trutzka.

Many local, associational and district camps also led to an increased interest in missions and added to the number of awards. Among them were: Concord, Kiowa, Pittsburg, Northeast, Northwest, and Muskogee-Wichita-Seminole Indian Associations; and East Central District.

A steady increase in the number of organizations is to be desired until every church has a W. M. S. and every W. M. S. has all the auxiliaries. Increases this year are as follows:

	S. B.	R. A.	G. A.	Y. W. A.
1940 -----	348	228	473	327
1941 -----	368	302	585	303
Increase -----	20	74	112	Loss 24

Also a new Grace McBride Y. W. A. is reported in the Hillcrest Hospital at Tulsa under the guidance of the W. M. S. of the First

ANNUAL OF THE OKLAHOMA

tist Church. New organizations have resulted in an 18% increase in full families for 1941.

World Comrades buttons, awards for reading the World Comrades Magazine for three consecutive months, were given to 56 G. A. R. A. boys and girls enrolled in the World Comrades Club by reading the magazine at least one month and four will have their names appearing in an early issue of the World Comrades because they have read every issue of the magazine for a year.

Eighteen Y. W. A.'s attended Ridgecrest Y. W. A. Camp. This was due because of the more than 100% increase over 1940, when we had only eight, and also because these fine 18 consecrated Y. W. A. representatives gave \$76.35 to the Camp offering for Chinese Relief. Encouraging indeed has been the interest in the leaders course—formerly called the Correspondence Course. 450 W. M. S. members and a few men who were interested in R. A.'s have sat in classes as leaders. Eighty have completed the course and examination and received their awards. This is, of course, of added importance, when we realize this course has the most difficult requirements of any offered by W. M. S. It requires 8 hours in class and more than 80 comprehensive questions to be answered in writing.

Schools of Missions were another attempt to bring missionaries to young people and to the men of our churches. One rejoices at many contacts the missionaries were able to make not only in the churches but also in the schools.

We, who have pledged our allegiance to the King of Kings, will forget, as we willingly come to the aid of our country during these turbulent days, that more than ever this is the time to be obedient and heeding the Will of our God.

"Lead On, O King Eternal,
We follow not with fears
For gladness breaks like morning
Where e'er Thy face appears."

REPORT OF MARGARET FUND

Woman's Missionary Union watchword for 1942: "O send out light and thy truth" is the high ideal, desire, hope and prayer. Margaret Fund students may be trained and educated for light and truth proclaiming His truth and righteousness.

The compelling motive underlying all missionary activity is love. The power of Christ's love working in and through Woman's Missionary Union make the ministries of the Margaret Fund more precious to our missionaries and their children. The happiness that Margaret Fund scholarships produce in their hearts make sacred memories which will always bind these young people and parents in tenderest ties to Woman's Missionary Union.

For God, who commanded the light to shine out of darkness, has shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ..." 2 Cor. 4:6.

Woman's Missionary Union because of her love for missions and realizing that Christian knowledge is power, has built a memorial house of knowledge—the Margaret Fund. No memorial could be lasting; its beauty and benevolence are known around the world.

Truly the building of this memorial structure has been in accordance with the will of God and under His guiding hand. This house of knowledge was built on the firm foundation stones of love, generous giving, faith and prayer, with other stones of consecrated gifts securely placed through the years.

Many are the individuals who have had a part in the erection of this building—not made by hands, who look up today with praise and gratitude to our Heavenly Father for His blessings on the Margaret Fund. We can truly say:

“Brightly beams our Father’s mercy
From His lighthouse evermore,
But to us He gives the keeping
Of the lights along the shore.”

That gleams of light may be sent across the waves the “lower lights” must be kept burning along the shore in the training and education of Margaret Fund students for Kingdom service.

As the beacon light, by its beams, directs the course of the Air Pilot to a safe landing, so Woman’s Missionary Union—as Pilot, by the light beams of prayer directs the course of each missionary’s child through the lighthouses of knowledge—the Margaret Fund, to paths of joyous service for our Master.

The first Margaret Fund Committee said: “Investment in training that tends to the development of Christian character will bear interest in multiplied service.” We believe that these students are gaining knowledge not for its sake alone but that they may apply it in the service of humanity and God.”

Woman’s Missionary Union, believing that the propagation of the Gospel must be personal, realizes that in the education of Margaret Fund students we are preparing new missionary lights to shine amid the world’s darkness. We rejoice that many Southern Baptist missionaries’ children have heard the call of their Lord to serve in lands beyond the seas. Others are serving their Lord in churches and other places of leadership and honor in our denominational work in the homeland.

It has been said: “The Christian College is the lighthouse of civilization.” We know that our Christian Colleges, Seminaries, Training Schools, etc. are the foundations of His missionary program and progress and the beacon lights of our missionary hope. We rejoice that Margaret Fund students, educated spiritually as well as mentally and graduated from our Baptist schools, are products worthy of mention because they have built their lives on the ideals of Christian living taught them at school and are an honor to their alma mater and a blessing in Kingdom service. God has called them to be missionaries, preachers, teachers, doctors and leaders and He is still calling them to be lightbearers of His truth and righteousness in “fields white unto harvest.”

May our united prayer be:

“Help us, Lord, to serve with all our might
To send forth these Messengers of Light,
Help us that for these who go
We may gladly work, give and pray
That all who dwell in every land
May have His Love His Truth, His Light.”

The permanent Margaret Fund Watchword: “Guard that which is committed to thy trust” is a great responsibility laid upon Woman’s Missionary Union in behalf of her Margaret Fund Students. We would guard the lives of these precious ones committed to our trust with tender advisory care and through prayer asking our Lord to bless and preserve their lives in service for Him.

"As servants of Christ doing the will of our Father" is the Watchword for 1942. May we do the will of Christ through this beautiful plan of service in ministering to our students—

"Needing just some loving heart to guide them
To the pathway through the years that lead aright
Then onward with a step that does not falter
To be standard bearers for the King of Light."
Mrs. D. H. Bell, Chairman.

REPORT OF WOMAN'S MISSIONARY UNION TRAINING SCHOOL

The Woman's Missionary Union Training School can easily be pictured as a great and far reaching Lighthouse where some of His chosen ones to whom He has already said "Ye are the light of the World" can better learn His Will for the salvation of the world, and go forth as Messengers of Light to a lost world.

Nineteen forty-one will always be a memorable one in the history of the Woman's Missionary Union Training School for in this year the new building at "The Beeches" has been completed. The sessions of the school started in this building last September. Space in this report will not permit me to elaborate on the beauty and conveniences of the new plant but I hope you have read some of the splendid articles written about it in late issues of Royal Service and the Messenger. When I went through it last February I had to imagine much of its present loveliness as it was not completed at that time.

Three-thirty-four East Broadway has now passed from the picture and into history as the School home and instead we come to know 2801 Lexington Road. This latter number does not denote a building on a downtown busy corner lot but back of "2801" is a large handsome brick building, of Gothic architecture, located on seven and a quarter acres of beautifully landscaped ground. This is the new home of the Training School, housing one hundred and thirty students with all needed facilities for class rooms, living quarters, parlors, recreation room, etc. and the quiet, dignified and inspiring Fannie E. S. Heck Memorial Chapel.

This past spring the old building was leased for fifty years for a most satisfactory financial consideration. We feel that we have been greatly blessed of God and definitely and graciously led by Him in building the new plant and in leasing the old building.

Reporting on last year's three scholarship girls—

1. Last May Miss Jack Keys graduated and is now Associate Hostess at Memorial Hall at Oklahoma Baptist University.
2. Miss Hazel Russ had to return to her home in the early spring because of ill health as a result of the flu. She was not able to return this year.
3. At the end of her first year, Miss Helen Lloyd was called by the Home Mission Board to work among the students at Chilocco Indian School.

Several months ago another of Oklahoma's recent graduates was added to the list of Foreign Missionaries. Formerly Miss Pauline Sheriff of Hollis she is now Mrs. Stephen Jackson and with her husband is on the way to Argentina. So with Miss Ruby Howse not yet a year in Argentina and Miss Helen Lloyd recently appointed

to our Home Mission work, Oklahoma is happy to have three new missionary daughters.

This year we have no scholarship students at the School. There were many applications but for various reasons the applicants did not qualify or other circumstances forbade their entrance. We have one Oklahoma girl in the school, however, Miss Margaret Foltz of Ft. Gibson.

Having sung the thrilling and beautiful Training School Processional "Take the Light," through the years some 210 "light bearers" have gone to Foreign Fields and 2067 labor in Home Mission Fields and in various kinds of Church work in the Homeland.

"Gentle spirit born of Heaven
Guiding light through woman given,
Kindle fresh Thy light within us
Fresh Thy mandate 'Take the Light.'
Fix Thy image full upon us,
Send us shining through the night."
(Rose G. Pool in Alma Mater Hymn)

REPORT OF MISSION STUDY CHAIRMAN

"The entrance of thy word giveth light." Wm. Stidger said: "Books are like windows in a great tower. They let light in." "Every life is a growing tower. It is put up stone by stone. The higher it grows the darker it gets if we do not put in a window here and there to give light. That is what a book does to a life. It lets light into that life."

The Bible sheds more light into life than any other book for the author is Light, "the true light, even the light which lighteth every man coming into the world."

The Bible is the book of books. De Quincey has expressed the value of the Bible by drawing a sharp distinction between the literature of knowledge and the literature of power. The function of the literature of knowledge is to teach. The function of the literature of power is to move. Literature of knowledge is like the body of an automobile. Literature of power is the gasoline that moves the car. The Bible may be classified as both the literature of knowledge and the literature of power. It contains the only authoritative information on such age-old questions as "Is there a God?" "Can sin be forgiven?" "Are the miracles real?" "What lies beyond the grave?"

The Scriptures belong also to the literature of power. Other books may point out what is right but they do not give the ability to do it. The Bible, only, reveals the power that enables men to love and practice that which is good and right. This is the secret of the Bible's power. It reveals a Redeemer who came to earth having power to turn the darkness of paganism into the light of His presence. As Jesus is the light of the world so is His book, the Bible, the light of the world.

Next to the Bible, books on world missions shed more light into life than any other books for they are the historical record of how far His light has shone into the hearts of men. Books on world missions are "the magic that brushes the rubbish of narrow-minded-

ness and selfishness from the mind and clears the windows of dust and cobwebs which otherwise would make the darkness almost impenetrable." Mission books bring light into life because they tell of the people who have not heard of the Light, Jesus, and of our duty to share this Light with them. Through this closer association with this Word and work the student's house of life stands on the highest mountain peak. The windows are flooded with light. There are no obstructions to the view. The light from the world shines into life as new scenes, new friends, new ideas, new aspirations and new visions are added to the scene. The reader no longer is anchored to the harbor of home, to business or profession, nor even to the narrow horizon of his own Main Street. Through books on world missions he visits with the lovely friends of Japan, the dark women of Africa and other friends around the world. His spiritual horizon is bulged back and back until the whole world comes into view. A student of missions is a "denizen of all nations, a contemporary of all ages." To him there is no East nor West, no South, no North. The world is his. Books are his ships, his trains, his speedy airplanes.

By giving a deeper appreciation of the Christian religion books on world missions shed spiritual light into the hearts of those who study. They lead from the darkness of selfishness to the light of stewardship; from the blackness of racial prejudice to the sunshine of love. Mission books put the "face of the world" in one's dreams. Mussolini and Hitler have the face of the world in their dreams but their dream of the world is for personal conquest and glory. Students of missions dream of the world as a place to save and serve. They see the light on the face of One who came to bring light to the blind, to heal the sick, to care for the needy and oppressed and to forgive those who have sinned. Because He told them to do likewise, their lives are spent in sharing physical and spiritual light with others who have not seen. The leader of children and youth has the chance to mold something besides a statue of clay.

The age-old cry, "Tell me a story" expresses the desire, although unconsciously, of the little child for more light than home surroundings afford. It is the leader's opportunity to awaken the soul of the child to things unknown and perhaps not fully understood but which will bear fruit in years to come.

Mission study makes a unique contribution to the life of young men and women whose intellectual development may strengthen Christian experience or it may be a hindrance. They have passed from idealism to rationalism. They are seeking to test Christianity as a chemist analyzes water. The test of Christianity is found in what it does. Mission study reveals the power of the gospel as it is applied to the hearts of men. It points the young person to the miracle of salvation and leads them from knowledge to faith and from darkness to light until deepened Christian experience is the result.

There are many influences that open the windows of life to the light of the world. There is the church, the school, travel and friends but among the greatest of these is books. He who would live a life where night is turned to day should study mission books.

You don't buy books?

I wonder why.

You can't afford it?

Many times you throw away

The price of a book in only one day.

Or you could buy books,
 May I give you a tip?
 With the price you pay for a down-town trip.
 And don't you think an empty head
 Is very much worse than a stomach unfed?

"Looking at myself, I find this is true,
 And so I decide its the same with you."
 You don't read books?
 I wonder why.
 You haven't time?
 Each day you spend
 Many hours in idleness, talking with a friend.
 Oh, you could buy many books
 If you only would try
 To budget your hours as they swiftly fly.
 And don't you think an empty soul
 Is very much short of a Christian's goal?

REPORT OF PERSONAL SERVICE CHAIRMAN

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Centuries before Christ uttered these words we hear Isaiah calling God's people "The people that walked in darkness have seen great light; they that dwell in the land of the shadow of death, upon them hath the light shined." And "Arise, shine; for thy light as come." When this light came in the person of Christ He said "I am the light of the world." And "ye are the light of the world."

Light is the symbol of all that is attractive and is representative of all the highest human good, the most joyful emotions of the mind and also of the life which comes by Faith in Him. "In Him was life and the life was the light of men."

The department of Personal Service through all of these years has been to lead all our organizations to radiate this light by meeting the needs of those in their own communities, by letting the light shine to those in darkness that they might find the true Life.

Let us look at some of the examples of Personal Service from Christ's life while here on earth. At the first Miracle, turning the water into wine we find Him using natural things to bring joy. As always He gave the best. When the Apostles were selected we find the invitation "Come and see" and when they came we find them all servants of the Kingdom. When He met the woman at Jacob's well He used the common contact. "A drink of water" was used to arouse interest and to win a woman who gladly witnessed for Him, and many believed on Him because of her testimony. Then many came and believed because of His own word after her invitation to "COME and see" "for we have heard Him ourselves, and know that this is indeed the Christ, the Saviour of the world." At the home of Mary we find the women reporting the good deeds done by this faithful woman. All these testimonies can be regarded as reporting.

Our work here has grown and the Woman's Missionary Society reports show a gain but the reporting and training of our Auxiliaries has not been developed as it should be. If we will use the Bible examples for training ourselves, we will see that the needs around are met and we will avail ourselves of every opportunity to present the Saviour as the only remedy for sin and distress. Then the Missionary spirit of our Missionary Societies will grow and we can say there are "many others which ministered unto Him of their substance" cause of our labors. "For we are laborers together with God." They that be wise shall shine as the brightness of the firmament and they that turn many to righteousness as the stars forever and ever."

There are three main reasons for Personal Service:

1. **The Great Need**—all around us the vast number of **LOST**.
2. **The Remedy**—Christian Service by visiting, tracts, food, teaching in Vacation Bible Schools, Mission Bible Schools, Mission Bible Classes, Rural Circles or whatever method suits your Community.
3. **The Rewards**—Joy of Service. Lyman Beecher once said "The greatest joy that can come to an individual is to have had some part in winning a lost Soul to Christ."

May every member of every W. M. U. let her light shine in Personal Service.

REPORT OF STEWARDSHIP CHAIRMAN

"The same came for a witness to bear witness of the Light"
John 1:7.

In the first chapter of Genesis there is told in the simple language of the scripture the story of the creation of light.

For many centuries afterwards, men knew little about light, except that it was good and that its principal source was the sun.

Shakespeare, in "Twelfth Night," calls the sun

"That orb'd continent of fire

That severs day from night"

Men sought the scientific explanation of the nature of light, but it was not until the opening years of the nineteenth century that the "wave-motion" theory was accepted. Another scientific discovery was that all space is filled with ether.

Heat waves and ether produce a disturbance that forms waves which travel every direction. The energy thus transferred is called "radiant energy." Light, therefore, is that portion of radiant energy that is capable of producing the effect of vision.

Light waves consisting of vibrations in the ether, strike the retina of the eye and cause the optic nerve to vibrate and produce the sensation of sight. Luminous bodies, like the sun and stars, are natural sources of light. God, the master scientist, so arranged the earth and the solar system that light, the giver of all physical life might appear on the earth, but how much greater is the need of spiritual light.

Just as God had a plan for the diffusion of physical light, so he has a plan for the spread of spiritual light.

Jesus is the Light of the World, and as John was sent to bear witness of the Light, so the Church of the Living God is to diffuse this Light to the uttermost part of the world. John bore witness of Christ as the Light of the World in three ways that every good steward will do.

First—The witness of self. That means mind, body and soul.

John's mind was atune to the infinite mind of God. He realized for this purpose was he born, and so is every person who is born of the Spirit and becomes a new creature in Christ.

"God was in Christ, reconciling the world unto himself; and hath committed unto us the word of reconciliation. Now then, we are ambassadors for Christ, as though God did beseech you by us: We pray you in Christ's stead, be ye reconciled to God."

II Cor. 5:19, 20

"We are not our own, we are bought with a price, the precious blood of Jesus Christ." Our bodies are the temple of the Holy Spirit; John understood this and he kept his body clean and pure for Jesus' sake. He had made a vow for life with the Lord and because of this consecration, he was bound to abstain from certain things that were forbidden, or would be a hindrance to effective witnessing. He was to live a separated life. So is every real bearer of this Light, . . . "Ye cannot serve God and Mamman."

Paul admonished the Corinthian Christians to come out from among the world and be separate, and touch not the unclean things.

As Christians, we need to remember our vow with the Lord, to follow Him, trust Him, and serve Him. Jesus is the Light of the World and Christians are the incandescent lights. Each individual Christian is responsible to God for keeping his light glowing with intense heat and fervor for the salvation of a world lost in the depths of sin and despair. This can be done through Bible study and prayer. Just as the lighthouse is to guide the mariners into the entrance of harbors, so Christians are to send or carry the Gospel Light to lost men and women to guide them into the entrance of the heavenly harbor. John gave himself wholly and completely to witnessing where the Lord wanted him disregarding hardships, physical needs, criticism, etc.

Effective witnessing can only be done when we recognize God's ownership and leadership. Christians must die to selfishness and covetousness before the Light of God's countenance can shine upon them and through them.

Tithing is scriptural, but tithing is not stewardship. It is the beginning of stewardship.

In Matt. 23:23, Jesus commended the Pharisees for tithing, but reminded them they had omitted the weightier matters, judgment, mercy and faith.

The main purpose of tithing is to teach men to put God and the Kingdom of God first and to recognize God's ownership.

We are told that in South America when an exceptionally beautiful orchid is found, the natives plant it on the church roof or somewhere about the church. It is their way of saying, "God deserves he best." What do you do with the most perfect orchid from your arden? Is the best you have of strength and time and effort lanted in or about the Church of Christ?

Second—To bear witness of the Light, Christians must realize hey are stewards of the Word.

The parable of the Pounds beautifully illustrates this. Luke 9:11-27. John was faithful in the proclamation of the Word, even in the face of death he ceased not to condemn sin without fear or favor.

Jesus said, "Ye shall be witnesses unto me both in Jerusalem,

and in all Judea, and in Samaria, and unto the uttermost part of the earth."

This command of our Lord has been partially obeyed, but the cry of millions who are groping in darkness is, . . . "O send out Thy Light and Thy Truth."

Women, we must do our best in supporting the Hundred Thousand Club, so that as the doors of nations swing open to Southern Baptists, we can answer this call.

"The entrance of Thy Word giveth Light."

The third way Christians can witness is in stewardship of talents.

Our talents whatever they may be—singing, playing, teaching, preaching, testifying, praying, making money, whatever we can do should be done to the glory of the Lord.

As William Carey said to a friend when asked what his job was, "My job is preaching the gospel. I cobble shoes to make a living."

Make Jesus and the spread of His Gospel the paramount thing in your life.

Our intellects are a gift from God and we will not only be responsible to God for what we are, but also for what we might have been. John dwelt in the wild and thinly-peopled region west of the Dead Sea that he might prepare himself for the wonderful office to which he had been divinely called.

We should fit ourselves for the very best service we are capable of rendering, that our usefulness might be increased for the glory of God and the spread of "The Light of the World."

The Bible teaching of Stewardship is the greatest equalizing influence that can come into a person's life.

Paul looked upon stewardship not primarily as a means of getting money, but rather as a way of making men.

Goldsmith said, "Ill fares the land, to hastening ills a prey, where wealth accumulates, and men decay."

A revival of Bible Study and Prayer will produce more witnesses to bear that Light which lighteth every man that cometh into the world.

Mrs. E. L. Watson.

REPORT OF WHITE CROSS CHAIRMAN

Malachi 4:2 "But unto you that fear my name shall the sun of righteousness arise with healing in his wings, and ye shall go forth and grow up as calves of the stall."

Jeremiah 23:6b "And this is his name whereby he shall be called THE LORD OUR RIGHTEOUSNESS."

Isaiah 53:5 "But he was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him; and with his stripes we are healed."

We want to think tenderly and seriously just now about the healing of the nations, the healing of the people that make up the nations where our missionaries have gone. I feel that we can all comprehend what Jesus was attempting to teach when he would say: "The kingdom is like unto" etc. Jesus wanted to reveal God to men and that is what medical missions wants to do. He wanted men to know and trust God as their Father and so do we. He wanted to meet the individual and his definite need. He sought out the sick people, the sad people, the sorrowful people and made them happier and better. We would like to carry out just this same program and we know we can through faith for He said: "And I if I be lifted

from the earth will draw all men unto me."

He has called out men into definite Christian service; people to share His intentions toward the world and want to help fulfill His mission. These we are thinking of just now are medical missionaries, trained surgeons and doctors who have dedicated and consecrated their lives to the healing of the bodies of fallen men in countries where Jesus is not well known—to bind up the broken and thereby reach the broken heart and lives.

The Sun of Righteousness had one master passion and that was the building up of the kingdom of God; this spiritual kingdom which binds the hearts of men together. This same passion is the predominant note in the music of the heart of every medical missionary and nurse. This love that binds the hearts of men together regardless of color; this something that goes across time, across national boundaries, across social differences, into a unity that has healing qualities direct from the Sun of our souls; the fact that Christ cares for and loves us all. Many people in China, Japan and Africa do not know this great truth. They have not had the cleansing blood applied to their hearts and we who stay here at home feel we are co-workers with these, our missionaries, who go out in His name to bring this knowledge of Him as their Saviour to those who know Him not. They are hiding the seed of His truth in the dark places of the earth and we know that when the Sun of Righteousness sheds its beams on them they will come forth and grow. Some day this veil of misunderstanding will be stripped from the eyes of men and these great truths of God that have been placed in His care will burst forth in the most unlikely places. With the healing virtues of the outstretched wings in full view, the morning will spread upon the mountain and the swift traveling of the light, His light, will weed out the dreary places and all who know Him will know no fear. We are sending out our prophets today to make known this truth. There is no other hope; there is no other name given among men whereby man can be saved.

All light is healing. It cures and scatters the gloom and dispels the shadows of the night. His spreading wings of light annihilate the lingering shadows. To you who fear His name shall the Sun of Righteousness arise with healing in His wings. We do not feel we have reached the truth when we say the Sun will come at its full blast at the end of the way, but we have that sweet assurance that He is always shining down upon His faithful people in all ages and the light grows brighter and brighter every step of the way for those who know Him. We must trust at times the unseen presence of Him—His wing in His own good time the healing light will hover above the earth and cleanse it of all unrighteousness.

We are glad for all our missionaries. Our White Cross work in Ogbomoshu, Africa, is progressing. Little children are growing into larger children. Problems clear away and then begin anew every day. They love it and so do we. The very fact that we are His helpers and His helpers girds us every day with new joy.

We have had only the best reports from our hospitals at home. Muskogee Baptist Hospital has a new superintendent this year. We are sorry to lose Miss Gracia Tarman but welcome Rev. A. F. Brown. May we remember him and Miss Florence Worley, Superintendent at Miami, often at the throne of God. The supplies for our hospitals have been generous from the smallest churches to the largest. We nearly all know now that February is White Cross month and observe it as such. We repeat all supplies go direct to the hospitals and all money to Mrs. Berta K. Spooner. The money

supports our Nigeria Children's Home. We have thirty-one children now. Many of them are growing up and will in a few short years go out on their own and perhaps go back into darkest Africa as home missionaries. What a joyful thought.

Oklahoma has been blessed in many ways this year, but one of the brightest rays of inspiration and blessings has come to us in the persons of Dr. and Mrs. J. H. Humphrey, missionaries to China, now at home on furlough. Many Christian hearts have been warmed when they heard the thrilling stories of everyday war life in China. The request has come direct to us as Woman's Missionary Union of Oklahoma to adopt Dr. and Mrs. Humphrey and support and pray for them and their hospital work in China.

"Give of thy sons to bear the message glorious;
Give of thy wealth to speed them on their way;
Pour out thy soul for them in prayer victorious;
And all thou spendest Jesus will repay."

Mrs. T. G. Nanney

REPORT OF CENTRAL DISTRICT

Each year our hearts rejoice when the time arrives for the Annual Meeting of the District and our women come together for a day of information and inspiration. This year our meeting was held in El Reno with a splendid attendance from the four associations composing this District. Mrs. Eureka Whiteker, Southwide Personal Service Chairman, gave us a new vision of this phase of W. M. U. work and our hearts were thrilled with the messages brought by Dr. J. H. Humphrey of China. An offering of \$20.00 was taken for magazines to be sent to our Oklahoma missionaries with part of this fund designated to provide a medical journal for Dr. Humphrey.

At 6:30 in the evening a lovely banquet was served to the Y. W. A. s of Central District by the ladies of the Trinity Church in Oklahoma City with an interesting program arranged by our District Young People's Leader, Mrs. J. W. Moffitt. After the banquet the large auditorium of the Trinity church was filled with young people and some others who came to view the impressive pictures presented by Dr. and Mrs. Humphrey. Who can measure the influence of these missionaries upon the lives of these young people?

We rejoice with Oklahoma County Association as they went OVER the top in memberships to the Hundred Thousand Club, having been asked to give 150 memberships and actually giving 185. Another outstanding achievement of this splendid association has been the organization of a Baptist Business Women's Federation. This is one phase of our work that is often neglected. The business women need the Missionary Society and the Missionary Society needs the business women. Oklahoma County's Associational Y. W. A. is also thriving and had a splendid camp this year.

Mission Institutes for Leaders have been conducted by Susan Adams Carden, State Young People's Secretary, in Oklahoma County and Union Associations with a fine attendance and much interest manifested.

Central Association went beyond the goal in Royal Service subscriptions, having been apportioned 80 and reporting 122. This association also reports that twice during the year the societies have been 100% in reporting. All associations report good attendance

at quarterly rallies.

Our aim for the coming year is to emphasize each phase of our missionary program that more of our women and young people may share in sending out His light and His truth into all the dark places of the earth.

Mrs. C. A. Richards,
District President.

REPORT OF SOUTHWEST DISTRICT

It is gratifying indeed to have zealous Christian women on whom to depend.

As we review the work of the past year we are thankful we have had the privilege of laboring with the women of the Southwest District. We did not meet all of our goals. Disappointed, but not discouraged, we accept the failure as a challenge to be more persistent another year.

We have five churches in the district who were 100% in accepting and paying their Hundred Thousand Club apportionment.

Our District Meeting was held in Hollis and was well attended by representatives from all sections of our district. We were greatly blessed by the messages brought by Dr. and Mrs. Humphrey and Mrs. Eureka Whiteker.

Our District camp for Y. W. A. s was held at Craterville under the supervision of Mrs. Gene Robertson, District Young Peoples leader, with Miss Jack Keys teaching the Mission Study Book.

All three associations have had their regular quarterly rallies and two schools of Missions have been held. Our Associational presidents have been endeavoring in this district to make His way known upon the earth.

Mrs. R. S. James
District President

REPORT OF NORTHEAST DISTRICT

"But when the morning was now come, Jesus stood on the shore" John 21:4.

Jesus seen in the early morning has meant as much to W. M. U. members of the Northeast District as he meant to the disciples on the early morning. The Psalmist associates the morning hour with God: "In the morning I will direct my prayer unto thee and will look up."

Members of Northeast District have looked up. They have caught a celestial vision, have met apportioned gifts, have met regularly in seasons of prayer, on rally programs and have done definite outstanding work with our young people.

A Y. W. A. house party was held in Miami First Church with over sixty enrolled. Mrs. Susan Carden taught the Y. W. A. Manual in a capable and lovable manner. Our own beloved Mrs. Windham of Miami taught "Stewardship in the Life of Youth." Mrs. Harold Hall, missionary to China, was our missionary speaker. An offering was taken for Chinese Relief amounting to more than nine dollars. Throughout the district we had a nice increase of auxiliaries.

Our Annual W. M. U. Rally was held at Vinita Trinity Church. What a blessed privilege was ours to hear Mrs. Susan Carden, Mrs. Berta K. Spooner and John Hall Jones, all of our state; Mrs. Eureka Whiteker, southwide Personal Service Chairman, and Dr. and Mrs. J. H. Humphrey, missionaries to China.

God has been good to us and provided us with a wonderful

group of consecrated women, especially Mrs. Geo. Boston, President of Delaware-Osage Association, and Mrs. Iris Huffman, President of Northeast Association. How this president does love them and appreciates their service for the Master in Northeast District.

The coming of morning, the rising of the sun brought a new day—and Jesus. The failures, problems and disappointments of yesterday dispelled by the brightness of morning and Jesus. A New Day! Oh, how much it should mean to members of Northeast District. Every morning is a resurrection. Every day a new life to do with, to use, to fill as God wills we should.

How wonderful that Jesus offers himself. He stands in the open door of the new day and welcomes us to its opportunities and blessings and to a larger, richer, fuller, sweeter life.

Respectfully submitted,
Mrs. Alton White
District President.

REPORT OF SOUTHEAST DISTRICT

Southeast District is composed of two associations: Frisco and Bryan. We have 34 churches with W. M. U. organizations and 35 churches without W. M. U. organizations. We have organized six W. M. S., one Y. W. A., four G. A.'s, four R. A.'s, and one Sunbeam Band, making a total of thirty-four W. M. S. and twenty-six Young People's organizations. We have one full graded A-1 W. M. U.

We have held quarterly rallies in each association; also a Board meeting each quarter. A Young People's Rally was held in July with a large attendance and the young people giving the program. A W. M. U. School of Instruction was conducted in nearly every church. Our W. M. U. families are all well organized. Our Annual meeting held in Durant was a high peak in our year of service. From our beloved State Leader, Mrs. Spooner, and guest speakers much inspiration was carried to the W. M. U. of Southeast District.

We pledge our heartiest co-operation in reaching our goal in the Hundred Thousand Club. We will strive to win the lost and lead the young people in the paths of righteousness. As our work progresses we realize much credit is due to the loyal associational presidents.

Respectfully Submitted,
Mrs. Guy Old,
District President.

REPORT OF PANHANDLE DISTRICT.

As we come to the end of another year we look back and see how good the Master has been to us in the Panhandle District. We have many things to be thankful for, one of them is the fine moisture that the Lord has given us after years of drought. This has brought about a renewing of the spirit among our women.

I have not been able to visit all of our societies this year but all twelve of them accepted their apportionments and most of them have gone over the top in their payments. Beside the apportionments and the Hundred Thousand Club our women have seen the need of a church building at Goodwell to take care of the college students and have raised \$95.10 on a building fund for that place.

We have missed our rally during the harvest time but we were happy to have Mrs. Spooner with us in our January rally. The highest hours that we have had this year were in the Spring Rally which met at Guymon in April. Mrs. Spooner, Mrs. Carden, Mr.

Jones, Dr. and Mrs. Humphrey and daughter were with us. We all look forward to the coming of the State workers but the missionaries from the foreign field inspire us very much. This was especially true with Dr. and Mrs. Humphrey. They caused us to see how little we do and gave us a determination to do more for the cause of Christ.

We trust that this next year we can do more than we have done for our young people. Mrs. Anderson of Texhoma is our new young people's leader.

Respectfully Submitted,
Mrs. R. D. Dodd,
District President.

REPORT OF LAWTON DISTRICT

"I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness." Psalms 84:10.

This is the sentiment of our W. M. U. members of Lawton District, and was manifested at our annual meeting held at Carnegie. The lovely new church was filled to capacity with many of the pastors, deacons and laymen also present.

Our women were blessed by having Dr. and Mrs. J. H. Humphrey, Mrs. Eureka Whiteker, Mrs. Spooner, Mrs. Carden and Mr. John Hall Jones with us bringing inspiration and information. Our people greatly enjoyed the illustrated lecture given by Dr. and Mrs. J. H. Humphrey. A group of about twenty-five G. A. girls and their sponsors came over from Concord-Kiowa Association.

Our Associational Presidents have been outstanding in their efforts in the promotion of His program and in their devotion "That His way may be made known among all nations."

Mrs. L. B. Johnson,
District President.

REPORT OF EAST CENTRAL DISTRICT

East Central District is composed of five associations—Atoka, Latimer, LeFlore, Haskell and Pittsburg. One association exceeded and nearly doubled its goals, others met theirs, while some fell short and one association does not have an associational W. M. U. organization.

The Annual meeting held at Wilburton First Church was most revealing to our rural women. The visions acquired there have caused greater interest to be manifested. Our guest speakers were messengers of inspiration sent from God as their names are mentioned repeatedly throughout our work by our women.

Some most profitable associational Y. W. A. Rallies and Encampments have been held in Pittsburg Association. An Associational School of Missions was held in LeFlore Association for one week. We had with us Dr. and Mrs. J. H. Humphrey of China and the State Young People's Leader, Susan Adams Carden. There was an average attendance of 250 each night. A School of Missions was also held in Latimer Association with an average attendance of 169.

The District Young People's Encampment at Kiamichi Assembly grounds was a "light set on a hill." There were twenty-two unsaved in our camp at the beginning and at the close the conversions numbered 45. They came out of the communities asking: "What shall I do to be saved?" Great experiences were witnessed and our young people were elevated in missionary education of God's word and the field through the untiring efforts of our District Young People's Leader, Mrs. W. M. Haynes of Talihina and her church and city who

helped so splendidly to get the camp in running order. We had in our camp our worthy missionary, Rev. L. L. Johnson of Brazil and Miss Jack Keys who is an inspiration to all youth.

We have learned to appreciate more and more the missionary efforts of our State W. M. U. for our young people through the wisdom of Mrs. Berta K. Spooner.

We are endeavoring as a district to build a B. S. U. center at Eastern Oklahoma A. and M. College located at Wilburton.

Our prayer is that all our women may hear the command of our Master to "love," "go," "send" and "witness."

Respectfully Submitted,
Mrs. Ernest H. Smallwood,
District President.

REPORT OF THE MUSKOGEE DISTRICT

Since "Laborers Together with God" is the permanent watch word of the W. M. U., and "That Thy way be known upon earth, Thy salvation among all nations" is the watch-word for the year, it was eminently fitting that the choice of the theme for the annual district meeting be, "Serving The Lord."

Mrs. Armstrong tells us that overflowing, joyous service is contagious. That joy begets joy and as the program progressed there was such an unfolding of its deeper meaning that our zeal for missions will always be much greater and we will be even more closely united as 'true laborers' together while we are serving to make His way known.

At this meeting we truly had a missionary setting. Our guests were, Mrs. Whiteker, South-wide Personal Service Chairman; Dr. and Mrs. Humphrey; Reverend and Mrs. Roe Beard, Home Board Missionaries to the Cherokee Indian; the State W. M. U. Missionary to Muskogee-Seminole-Wichita Indian Association; our beloved Secretary, Mrs. Spooner, and the State Young Peoples Leader, Mrs. Carden, together with some Home Board Cherokee workers.

The work in this District of six counties has been more effective as Vice-Presidents have joyously rendered efficient service through county Rallies and Missionary programs in Rural sections. Our young people are finding greater joy in service, as they advance in forward steps and Ranking System. Stillwell G. A.'s only recently had a coronation service and two Queens were crowned. Immanuel of Muskogee had a recognition service in which eight boys acquired the rank of Ambassador.

Our G. A. Rallies have been great inspirational meetings. There were fourteen girls who dedicated their lives for definite service for the Lord in one rally where Reverend Eugene Hill brought a message.

Many aims and goals have not been reached but we keep on striving. The women have joyously given of their money to: Silver Trails, Hundred Thousand Club and all causes fostered by our W. M. U.

We cannot really tabulate our accomplishments, can we? Figures do not do that. Only the seed we have planted, sprouting into renewed interest and prayer known of God, is the real record.

Mrs. T. W. Stevens,
District President.

REPORT OF SHAWNEE DISTRICT

Our annual meeting was held in the First Baptist Church at Okmulgee with a splendid attendance. We were deeply impressed by the interesting and inspiring account given by Dr. Humphrey, medical missionary to China, of his work in that war-torn country. Certainly we were happy to have first hand information on how to do personal service from our southwide chairman, Mrs. Eureka Whitaker. Mrs. Carden, our State Young People's Leader, stirred our hearts in her appeal for the W. M. S. to do more for the young people. In keeping with her appeal was the splendid evening session for the young people under the direction of the District Young People's Leader, Mrs. E. L. Watson. The 6 o'clock banquet for the Y. W. A.s which was both attractive and inspirational was followed by the general meeting in which Dr. Humphrey presented his colored slides of China.

We feel that there has been a steady increase of interest in W. M. U. work this year, as evidenced by the new organizations for the young people and by the fine attendance and fellowship at the regular rallies and by the successful Mission Study Institutes.

Definite work among the Indians, Jews and Negroes has been reported from North Canadian Association under the able leadership of Mrs. J. E. Kirk of Holdenville.

Mrs. T. P. Cannon, President of Pottawatomie-Lincoln Association, reports real progress in interest and gifts to Missions and Christian Education.

As fruit of our increased knowledge and inspiration we hope to achieve our goal for the New Year of more and better organizations for the Young People, emphasizing also a greater participation in the "Hundred Thousand Club" that we may do our part in making a debtless denomination by 1945.

Mrs. J. D. McGovern,
District President.

REPORT OF TULSA DISTRICT

LOVEST THOU ME? . . . FEED MY SHEEP

The world conditions of today have not hindered the progress of Tulsa District in so far as the King's Business is concerned. We are happy to report 8 churches that are 100% in gifts to Missions. With Mrs. Delaney working among her people, the Jews, she reports 6 conversions, with 7 others in the midst of decision.

Also working with our Indian friends at Pawnee, we were happy to provide books for one of our Indian Preacher boys that he might finish his school work at Pawnee.

We have in Tulsa District, 57 active W. M. S. and have reported this year's progress along all phases of our work. Especially are we proud to report souls being won, members being added, and our W. M. U. growing spiritually.

We are thankful of the privilege to Feed His Sheep.

Lovingly Submitted,
Mrs. Frank Webb,
President Tulsa District

REPORT OF NORTH CENTRAL DISTRICT

The North Central District met with the Enid First Church for the annual meeting. We were greatly blessed in the coming of Mrs. Whitaker and Dr. and Mrs. Humphrey in addition to our own beloved Mrs. Spooner and Mrs. Carden.

The W. M. U. of the First Church of Ponca City sponsored a Vacation Bible School for negroes this year using the two negro girls who have been attending the National Training School at Nashville on scholarships furnished by Oklahoma W. M. U.

Salt Fork Associational W. M. U. held a mission institute in the Cherokee church with splendid results and good attendance.

We are happy to report twenty-six new young people's organizations during the year under the fine leadership of Mrs. C. A. Barnes of Perry Association and Mrs. C. A. Castelman of Salt Fork Association.

Our goals for the coming year are: The repetition of all worthy achievements as well as various new undertakings; at least one Hundred Thousand Club membership in each church not having one with a substantial increase in those already having memberships.

Respectfully Submitted,

Mrs. W. R. King,
District President.

REPORT OF SOUTH CENTRAL DISTRICT

As we reflect upon the work of South Central District Women and Young People, we rejoice in some advancements made the past year.

We have had an increase in our young people's organizations. Eight societies are working to be standard, having made the necessary points thus far, with two months to finish. Three churches in Enon Association have been 100% in gifts to missions.

We have had an increase in mission study. One very fine School of Missions at Wirt, with Dr. John Lowe assisting. A marked interest in our Seasons of Prayer has been noted.

Our Associational Presidents, Mrs. D. O. Northrip, Banner, and Mrs. Geo. Selvidge, Enon, have been outstanding in their devotion to the work that His name might be glorified.

We were fortunate in having with us in our District Meeting in Pauls Valley, April 8, Mrs. Eureka Whiteker, Southwide Personal Service Chairman, Dr. and Mrs. J. H. Humphrey, China, Mrs. Susan Adams Carden and Mr. John Hall Jones. How helpful were their messages. How wise their counsel. A love gift of \$25.00 was given to Dr. and Mrs. Humphrey for their work. Also a gift of \$12.00 was added to the magazine fund for our missionaries.

Though all of our goals have not been met, we are not discouraged for we are "Laborers Together With God." Realizing that, we know our labors are not in vain, but will honor and glorify Him.

Mrs. V. A. Grissom,
District President.

REPORT OF THE EXECUTIVE BOARD

As we think of the turmoil and strife in the world today we need to realize that even though the way seems dark—

"God's plans like lilies pure and white unfold;
We must not tear the close-shut leaves apart,
Time will reveal the calyxes of gold."

We know God's purpose will prevail and that His kingdom will come. What a joy then it becomes to have a share in plans for the ongoing of His kingdom work. How earnestly do the members of

the Executive Board of Woman's Missionary Union give sincere and prayerful consideration to each matter that is presented to the Board.

On September 11th and 12th a two-day session of the Board was held in the First Baptist Church of Oklahoma City.

The first day was devoted to conferences conducted by the Young People's Leader, Mrs. Susan Adams Carden, and by the Departmental Chairman. There were 41 members of the Board present and 31 visitors.

The following day, September 12th, was given over to a business session. Reports of the Departmental Chairmen were presented and adopted. Mrs. Spooner presented her report which was also adopted.

Mrs. Carden, Young People's Leader, suggested that if possible the District Young People's Leaders be elected at the District meetings with other District officers. She requested that the Associational Presidents see that a copy of the Associational minutes be sent to the W. M. U. Office.

Mrs. J. C. Hering, W. M. U. Training School Trustee and Chairman of the Scholarship Committee, presented her report which was adopted.

Attention was called to the money which was advanced three years ago to pay for a car for Orville Reed who went to Mexico. The W. M. U. has been holding a note for this amount, expecting friends of Mr. Reed to take care of the matter. Since it has not been paid Mrs. E. L. Watson moved that the note be cancelled. The motion carried.

Mrs. Spooner reported that our share of the current expenses of the W. M. U. Training School is \$1200.00 per year. On motion by Mrs. J. C. Hering it was voted that the scholarship fund and the expenses of the W. M. Training School be included in one fund in our apportionments.

Mrs. John Potter, Chairman, presented the Recommendations for the year 1942 which were discussed and some changes suggested.

The president appointed the following committee to study and revise the State W. M. U. Constitution: Mrs. J. E. Kirk, Chairman, Mrs. Tom Earp and Mrs. A. J. Seale.

Mrs. T. W. Stevens gave an oral report of the work among the Indians in Muskogee Association.

Mrs. A. L. Aulick spoke of the successful Institute held at Pawnee under the direction of Mrs. D. D. Cooper.

After discussion it was decided by common consent to send material for the seasons of prayer to the presidents of the Woman's Missionary Societies for distribution to the Auxiliaries.

On Monday morning, November 3rd, the Executive Board met in the parlors of the Trinity Baptist Church of Oklahoma City.

Forty-five members answered to roll call and thirty-two visitors registered. Twelve of the fourteen district presidents were present.

After routine business was transacted the recommendations for 1942 were brought for our further consideration by Mrs. John Potter, Chairman. These were fully discussed and some additional changes suggested.

The report of the committee on revision of the constitution was presented by Mrs. J. E. Kirk, Chairman, and also discussed.

The visitors and new Associational Presidents were recognized by the President.

Respectfully Submitted,
Mrs. C. A. Richards,
Recording Secretary.

IN MEMORIAM

"SUNRISE IN GLORY"

Over 19 centuries ago, our Savior received a sorrowful message from some very dear friends. When Jesus went into the home where he had so often had fellowship, death had taken a loved one away. We wept with those who wept and His great compassionate heart was moved to action. He went to the tomb and spoke, "Lazarus, Come forth"—and the brother of Mary and Martha came out of darkness into the light of day.

During the past year death messages have come to us and many members of our missionary circles, who loved their Lord devotedly and served Him faithfully, have ceased from their labors and passed to their rewards.

Human sympathy was extended and kindnesses shown, but again, only the Spirit of the Master, who spoke peace to troubled hearts in the long ago, could comfort. He entered in and said, "I am the Resurrection and the Life: He that believeth in me, though he were dead, yet shall he live" (John 11:25).

As we meet today, we are reminded that the strongest influence in the world is recollection. Space forbids our calling each by name, but as we pause now and bow in meditation, we can visualize the names of these faithful ones recorded in the Lamb's Book of Life. We shall place in remembrance our pleasant associations and service together.

Yes, they have been called to come forth out of this world's darkness into a most glorious sunrise to dwell in a place where there is no night, to live with Jesus through Eternity—"Where the Lamb is the Light."

Mrs. John Roy Harris
 Mrs. Anson Justice.

REPORT OF THE COURTESY COMMITTEE

From the depths of our hearts we acknowledge the many courtesies given the Woman's Missionary Union of Oklahoma in its thirty-sixth Annual Session held in this fine Trinity Baptist Church here in Oklahoma City.

We are most grateful to the Hostess Committee for providing everything for our comfort and convenience; to the Oklahoma City press for the splendid publicity given this meeting and to those who have opened their homes to messengers at this convention.

Also, we express our gratitude for the beautiful flowers and other decorations which have added loveliness to the meeting; for the planning and presentation of every feature of the program. Our souls have been lifted up by music and beautiful meditation in each session.

Especially do we wish to express our deepest appreciation to the out of state speakers who have brought us these informative and inspirational messages: Miss Lucy Smith of China; Miss Helen Lloyd, Missionary to Chilocco Indian School; Miss Wilma Bucy, Field Representative of the Home Mission Board; Mrs. C. D. Creasman, Representative of Southwide W. M. U.; Dr. J. E. Dillard, Promotional Secretary of the Southern Baptist Convention; Dr. W. E. Craighead of Roumania; Dr. John Lowe of China and Dr. C. E. Maddry, Secretary of the Foreign Mission Board.
