### MUSIC DIRECTOR FOR THE CONVENTION

W. E. YOUNG

1. The Baptist General Convention of Oklahoma met in the auditorium of the First Baptist Church, Oklahoma City, Oklahoma at 7:00 P. M., on Tuesday, November 10, 1942.

2. President J. W. Storer called the convention to order, calling attention to the fact that it was the 37th annual convention of the Baptist General Convention of Oklahoma and the 60th annual meeting of the Baptists organized at Tahlequah, Indian Territory, June 1, 1883.

3. W. E. Young led in singing "I Love to Tell the Story".

4. Rev. G. A. Gurley read Acts 1:1-8, and led in prayer.

5. Dr. John W. Raley, president of Oklahoma Baptist University, presented the Girls' Glee Club of the University, Women's Quartet, and Men's Quartet, directed by Norman Green, Professor of voice at O. B. U. A thirty minute musical program was presented and enjoyed by the convention.

6. Dr. W. A. Criswell presented the "Report on Foreign Missions" and motion carried for its adoption.

### Foreign Mission Report

We believe that Jesus spoke in everlasting earnestness the words of His great commission, "Go ye and make disciples of all nations." In rain and in snow, in peace and in war, when the way may be easy or the path may be hard, we are to keep inviolate that command, and, under God, our Baptist people are seeking to do just that. Right now, we may be having a hard time of it, but we are pressing the battle just the same.

There are many things about our Foreign Mission situation that bring heartache and tears to our churches. Ten of our splendid missionaries are even now somewhere in the Philippine Islands, waiting longing and praying to be delivered from the hands of the Japanese conquerers. The American government has been unable to receive any direct word from them since the Islands surrendered. In their fields untold waste and devastation have struck our work like a blast, the inevitable concomitants of war and invasion. In still other countries we are having to wait for the fury of battle to subside before any further activity can be undertaken. The loss

to our mission cause due to ignominious fascist lust engulfing our world is incalculable. God only knows the cost in spiritual values, aside from material destruction, this war is heaping upon our generation.

But if there are heartaches in our work, there are also unbelievable triumphs and opportunities. In answer to united prayer all over the Southland, God sent back to us forty interned missionaries from Japan and China. The most glorious feature of their return was not that they arrived in New York last August 25 sound and well, but that there was not a single note of discouragement or pessimism among them. Their words were all to the effect that the Gospel of our Lord is ever increasingly triumphant throughout the Orient. What is true of these famous, victorious, repatriated missionaries is characteristic of all our missionaries and of our entire Foreign Mission Board. They are on the march; they see a new day of unprecedented opportunity; they are moving toward, and preparing for, the mightiest mission program in our history.

Look at some of these things that indicate the victorious attitude of our Foreign Mission Board. Last August 12, at Ridgecrest, North Carolina, the Board was called together in special session to appoint nine new missionaries, assigning them to the Near East, to Mexico, and to China. Those who are unable to reach their fields of labor immediately are to enter various institutions of higher learning for further preparation. No retrenchment here; rather, anticipation of a vaster work. Look again at our new fields. Missionaries, fifteen of them, that formerly were in China and Japan, are now in the Hawaiian Islands, building at this strategic cross-roads of the Pacific a citadel for Christ. With funds furnished by Woman's Missionary Union they have established a Bible Institute for the training of religious workers. A new church building has been erected at Wahiawa and all the other churches have been noticeably augmented. In South America a new mission has been opened in Columbia, a progressive republic located at the top of the continent and facing both the Atlantic and Pacific oceans. This country affords a wide open door through which we ought vigorously to enter. Among the older mission fields, the victories are too innumerable to mention. Our hospital at Ogbomoso, Nigeria, West Africa this year administered over thirty-seven thousand treatments to several thousand patients; the theological seminary in Buenos Aires has the largest enrollment in its history; the Woman's Missionary Union of Brazil now has a working membership of over twenty thousand; new church buildings are being erected all over Old Mexico; the unselfish loyalty of our China missionaries is doing more to exalt the Lord Jesus than all the eloquence of sermons. No wonder the word of our work is spreading abroad and overflowing the bounds of our mission centers.

Here in the homeland, no less than in distant places, the victories of our Foreign Mission Board are manifest. Our support of this cause is increasing every year. The total annual income of the Board is a million and a half dollars, and is still rising. When Oklahoma reaches her Unified Budget goal of two hundred thousand dollars we shall advance that total much more. The debt on the Board is practically gone. Last year's Lottie Moon Christmas offering reached the amazing figure of almost half a million dollars. The **Commission**, our Foreign Mission Journal, reaches fifty thousand homes every month. Of our four hundred sixty or seventy active missionaries, the war has forced over one hundred to remain here in America, away from their fields in Europe, the Near East, and the Orient. But their time and their lives are not being wasted.

All of them are putting their souls into the task of making our Southern Baptist Zion a mission hot-bed, an objective they are fast seeing come true. We shall do more for missions these coming years than we have ever dared to think we might do before.

Now is the time to support our Foreign Mission Board for all we are worth, both in the matter of carrying on a vigorous mission program where the door is still open, and in the matter of preparing for the greatest era of missions and evangelism history has ever recorded. When peace comes—and it will come, when American victory comes—and it will surely come, may God grant to us who are Baptists that it will find us equipped, ready and prepared to bear the message of Jesus to the remotest bounds of the earth. For us this is the will of God; for the world it is salvation and peace.

## Report on Religious Literature

"As a man thinketh in his heart so is he." The thought is mother to the deed and the deed has tremendous potentialities in character building and consequences. The present world chaos is in a large measure the result of crooked and prejudiced thinking. Likewise the tragic breakdown of morals in America is due to im-

moral thinking made possible by an unrestrained press that circulates its obscene thoughts through trashy magazines and books.

Since our thoughts are determined in a large measure by what we read, and they are the determining factors in our characters, we should be careful in what we read. As wholesome food produces wholesome bodies, so wholesome reading produces wholesome thoughts and characters.

Our generation is reading conscious. Observation and statistics reveal that many of those who refrain from reading beastial magazines and books, are reading material without any literary or moral value. Much of what is read today is false to history, philosophy, science, and human experience. To use a biblical expression, those who read it are "Feeding on ashes." We are faced with the problem and obligation of wooing our people from the reading of rubbish that contributes to false views and ideals that hinder moral and spiritual development. We cannot do this with a negative program of "don'ts" but with a positive program of "do." To that end your committee recommends the following:

(1) That pastors and churches dedicate themselves to a program of more intensive Bible study. We suggest that this be done by some known method or methods, devised to meet the local situation.

(2) That we give the widest possible publicity to the many splendid publications of our Southern Baptist agencies. We suggest that this be done by a distribution of samples from time to time, followed by an appeal to our people to subscribe for them.

(3) That we spare no effort in increasing the circulation of the **Baptist Messenger**, which is our medium of information about our work, and the means of proclaiming great Gospel truths. We suggest this be done by individual subscriptions and through the church budget plan.

(4) That churches without libraries begin at once to build them by taking advantage of the generous offer of the Sunday School Board to help them get started. We further suggest that where it is not possible for the church to begin, that it be done by associations.

Respectfully submitted,

T. GRADY NANNEY,

W. T. COST

W. A. BOSTON.

38. Mr. Porter Routh, State Secretary of the Brotherhood work, and Mr. Bryce Twitty, State President of Oklahoma Brotherhood, spoke on Brotherhood work, and presented Mr. Ford Mason, Rockford, New York, who spoke to the report. Motion carried to adopt the report.

**Brotherhood Objectives for 1943**

The world at its worst demands men at their best. Men can be at their best only when Christ is a reality in their lives. This is

a time for clear-cut decisions. Right must be more than opportunity; it must be righteousness.

There are several general observations which might be made in regard to men: (1) There are fewer men in the community and in the church. (2) Men have increased responsibilities and increased worries. (3) Men have more money and less to purchase. (4) Men are searching for something which will serve as an anchor for the storm. (5) Men are becoming more friendly and recognizing their dependance on each other and on a Higher Power.

In the light of these observations and these needs, it might be well to consider the purpose of the Brotherhood in the life of the church. The purpose of the Brotherhood is to enlist every man of the church in promoting the entire program of the church. **If any service of the church is worth having, it is worth the time of every man in the church.** Men today need to be interested in teaching, training, preaching, soul winning and all that revolves around them.

We might well consider the following objectives for 1943:

#### 1.—Local Church

a. Every church in Oklahoma without a Brotherhood having at least a quarterly meeting for all the men of the church at which time some phase of the church program be presented and opportunity to follow up with definite activity.

b. That plans be made for the organization of a Brotherhood or Laymen's group in every church. Oklahoma now stands third in the South in the number of Brotherhoods.

c. That one of the major activities of the year be personal soul winning and enlistment in preaching attendance. It took 18 Baptists last year to win one. Only one in five Baptist men attend preaching.

#### 2.—Association

a. Each associational Brotherhood organization should be completed before January 1. Associational officers can then help weak Brotherhood organizations and help start new Brotherhood movements through zone meetings. It will not be possible to have as many meetings but much can be done through personal contact and correspondence. Twenty-eight out of the 33 associations in Oklahoma had partial Brotherhood organizations last year.

b. We suggest the following matters be emphasized during 1943 in the associational Brotherhood promotion:

First Quarter (January, February, March)

What Men Can Do About the 100 Thousand Club and the payment of Southern Baptists Debts before 1945. This will provide an opportunity to explain all of our Southern Baptist work and make a stirring appeal for missions.

Second Quarter (April, May, June)

Christian Education. Two objects might fall under this heading this year. The claim of Oklahoma Baptist University could be presented and the need for male leadership for the Royal Ambassadors might be emphasized.

Third Quarter (July, August, September)

**Baptist Messenger** and evangelism. Every member of every Brotherhood in Oklahoma should read the **Baptist Messenger**. A definite campaign should be launched through the associational Brotherhood organization. These three months also provide a fine opportunity to stress the need for men in definite evangelistic work.

Fourth Quarter (October, November, December)

Unified Budget. Each associational Brotherhood organization should accept the responsibility of seeing that the claims of the

causes made possible through the Unified Budget are presented to each church in its association. Our Brotherhood might well make one of its objectives this year the participation of every church in every association in the worldwide mission program through the Unified Budget.

### 3.—District Brotherhoods

For the first time in Oklahoma Baptist history district meetings were held in Oklahoma in the eight Brotherhood districts last year. These meetings were well attended. Since tire and gasoline rationing may make district meetings impractical this year, we recommend that each district set aside a week for "Brotherhood Emphasis" and that a tour be made of the district during that week to present the various matters.

### 4.—Brotherhood Organization

Bryce Twitty, Tulsa—Convention President

Porter Routh, Oklahoma City—Brotherhood and Enlistment Sec'y

Andrew Potter, Oklahoma City—Executive Secretary, Baptist

General Convention

Lawson Cooke, Memphis, Tennessee—Southwide Brotherhood Secretary

#### District Leaders:

Northeastern—E. S. Cordell, Tahlequah

Central—W. R. Wallace, Oklahoma City

North Central—Herbert Sugg, Stillwater

Northwestern—E. A. Hufford, Woodward

Western—J. Z. Barker, Clinton

Southwestern—W. A. Covington, Altus

South Central—Ben Williams, Pauls Valley

Southeastern—Arvard Hudson, Coalgate

40. Dr. Berta K. Spooner, State W. M. U. Secretary, made motion that the W. M. U. Report be adopted. Motion carried. Miss Kathleen Mallory, Southwide W. M. U. Secretary, addressed the convention.

41. Rev. A. F. Wasson, Superintendent of Baptist Hospital in Muskogee, gave report of hospital work in our two hospitals—Muskogee and Miami. During the last twelve months there were 2,846 patients, plus 370 new babies, and 410 out patients, making 3,626 patients.

42. Congregation stood singing "The Great Physician."

43. Rev. J. A. Pennington spoke regarding Falls Creek Assembly.

44. Rev. E. W. Westmoreland, State Secretary of S. S.-B.T.U.-B.S.U. work in Oklahoma, presented his assistants and spoke about the work committed to him. Motion carried to adopt the following report:

## Report of the Sunday School, Training Union and Baptist Student Union

Every effort made by our Sunday schools, Training Unions and Baptist Student Unions is an effort to minister to the individual. First of all, we seek through our Sunday school to reach the individual and bring that individual to a study of the Word of God. The Word of God is the word of life and God's word will not return unto Him void. Since the Gospel of Christ is the power of God unto every one that believeth, we are exceedingly anxious that we

bring the individual in contact with His Word. Our Sunday school organizations are far reaching in their plans. A definite group of people known as department workers are definitely assigned by the church to the task of reaching definite age ranges. Through a program of regular visitation on the part of department and class officers, our Sunday school workers are constantly going into the highways and hedges, the streets and lanes of the cities, urging the masses to attend our Bible schools.

The reports in our state office show that 85 persons out of every 100 who were won to Christ last year, in churches which have Standard Sunday schools, came to Christ directly or indirectly through the influence of the Bible School.

In the second place, our ministry to the individual is a ministry of enlistment. One of the tragic facts which we confront in our church life is the fact that many of our people are "left at the baptistry." The records prove far too painfully that a too large percentage of our church members do not attend preaching services regularly. Many of them do not have a conscience on the matter of stewardship, therefore, they do not participate in the local financial program of the church nor the world wide mission program of our denomination. A large number of our church members make not the slightest effort to win the unsaved to Christ. Thus far many who are thoroughly capable of becoming church leaders have not been enlisted in active participation in our church program. Through both the Sunday school and Training Union organization, we seek to enlist the individual.

In the third place, the ministry of our Sunday school and Training Union is a ministry of development. Especially is this true of our Training Union work. During the last nine months in the United States, a million people have moved each month. Sunday school officers and teachers, Training Union directors, leaders and sponsors, have had to move from one place to another to fit into the present war emergency. As a result of this moving about our churches have suffered the loss of trained leadership and we have come to realize that one of our outstanding needs in the moment of the world's history is a consecrated, trained leadership in every department of our church life. The Training Union is designed especially to meet this need. The primary purpose of training is to train for church membership. The Training Union offers the individual the opportunity of self expression. Through the Training Union we seek to develop the executive ability of the individual by giving him the opportunity of committee and group work. The Sunday night programs are especially designed to create a conscience in the matters of evangelism, stewardship and missions in addition to a regular course of devotional and doctrinal study. The church, its doctrines, purposes, plans and programs are emphasized in the Training Union course of study.

Oklahoma Baptists are fortunate, indeed, in having a group of consecrated Sunday school and Training Union workers who are skilled in their work. Most of the workers in our department have been in the work for a number of years. Practically all of them have had a wide experience in their own field of work in their local church before they became state workers. Our workers are untiring in their efforts to reach the churches of this state. From August 30 until today (November 10) every worker in our department has literally worked day and night without a single day of rest. The demands upon our department from the churches have been many and every worker in the department has responded to the demand in so far as he was able. Approved workers for the

Sunday school and Training Union are Miss Sophia Duerksen, Young People! Tom E. Carter, Intermediate; Mrs. J. W. Barron, Junior; Miss Jewel Kirkpatrick, Primary; Mrs. Walter H. Crowder, Beginner and Mrs. G. H. Caudill, Cradle Roll.

The Baptist Student Union is designed to link the college student with the local Baptist church during his college career. The student body in our colleges and universities today will compose a large part of our leadership twelve to fifteen years from now. It is the part of wisdom that we look well to our college student today. In our Baptist Student Union work, we seek to enlist the college student in all of the activities of the local church; the worship service, Sunday school, Training Union, Woman's Missionary Union and Brotherhood. A marvelous work has been done through the years on the Oklahoma college campuses by the Baptist Student Union. The churches in our college and university towns have been very wise in the selection of their local Student Directors. Some of our most brilliant and consecrated young men and women are leading our college forces today. Miss Margaret Culpepper is director at Oklahoma University, Norman; Mr. Dorvell Tabb, at Oklahoma A. & M., Stillwater; Miss Gertrude Addis, at Oklahoma College for Women, Chickasha; Miss Louise Tadlock, at Northeastern, Tahlequah; and Miss Nathalie Sessums, Nurse's Training School, Baptist Hospital, Muskogee.

Each year for the past four years, we have tried in Oklahoma, in addition to stressing all phases of Sunday school work, to take one major emphasis and attempt to encourage and aid the churches to make it a vital part of their Sunday school work. For several years the major emphasis has been enlargement. During the last two years we have majored on training.

Now that the people have, in a measure, developed the habit of studying we plan to emphasize BETTER BIBLE TEACHING this year. We hope that during the coming year every pastor and Sunday school superintendent will place a sustained, practical emphasis upon BETTER BIBLE TEACHING in all our schools.

Let us use our Associational meetings and also our Sunday

school training schools as a means of promoting a program of BETTER TEACHING in all of Sunday schools.

Haskins spoke regarding the work of the Orphans' Home, presenting Brother Dan Curb, field representative, who has gathered more than \$12,000.00 in money and food during the present year for the support of the Home. The youngest boy and girl in the Home were presented. An offering for the Home was taken, which totaled \$225.37.

## Report of the Committee on Future Plans and Policies of the Baptist General Convention of Oklahoma

1. I is a maxim that we learn to do by doing. A very wise man one time said, "Experience is the best teacher."

The Baptist General Convention of Oklahoma has made definite and blessed progress since its organization. It is the constituted general body of the Baptist people of this great state. It maintains an official headquarters in Oklahoma City officered by men and women constitutionally elected by it and its agencies.

Since its constitution the Convention has been through turbulent periods in the world's history. There have been wars and depressions and social upheavels one after another throughout the world. There has hardly been one full decade of what might be designated as normalcy in the affairs of mankind.

During the years of its existence this Convention has established, grown and maintained magnificent institutions and has carried forward its primary work of evangelizing the world from the doors of its own headquarters to the earth's end. In thus seeking an obedient appreciation of the Great Commission of our Lord, it has at times become the prey of what we are wont to call over-enthusiasm but which, perhaps, the Bible would define as presumption. As a result, in company with other Baptist bodies and other Christian groups it has fallen into serious debt. These debts hampered our progress, manacled our leadership, and shackled the methods of our message. In each such instance let us say, however, God has provided us with the wisdom, the will, and the grace to address ourselves to the elimination of the debts and the debacles that follow in their wake and eliminate them.

Our present secretary, Dr. Andrew Potter, has led us successfully through another period of the payment of our large and sundry obligations and of putting our fiscal house in order. It is easy to forget "the pit from which we were digged."

In order that we might provide against the said experiences of other days, you established your Committee on Future Plans and Policies. This Committee is the result of our learning by experience. The purpose of its establishment may be stated in two succinct sentences which I recall from your action of last year:

1. "To provide against the creation of hampering debts and deficits."
2. "To promote wisely the Cause."

II. Your committee gives conscientious study to its responsibility as suggested above. It does not believe that Oklahoma Baptists should indulge in fantasy to any degree. It is convinced that a will'-o'-the-wisp policy will result in acute distress and is in danger of despair.

The primary responsibility of the committee is in reference to buildings and equipment of our various institutions. Two years ago in its session in Tulsa the Convention heartily adopted a resolution of the committee that a dormitory for men be constructed at Oklahoma Baptist University and the Convention renewed this action in its session one year ago held in Oklahoma City.

It is hardly necessary that an explanation as to why we have not proceeded should be given; yet, that all minds may be clear we make the following statement: One month following the Convention last year our country was thrust into war. The government at once took prior claims upon all building materials and labor for the war effort. To this, of course, all of us agree without a word of remonstrance. Moreover, the young men of the country from twenty years of age and up have been called into the Armed Forces in large numbers or have enlisted. It now seems that the Selective Service Act is to be lowered by the Congress to include our eighteen and nineteen year old young men. These facts clearly modify the need for the dormitory as of the present; sad as they are they confront us and must carry much weight in determining our action.

All the terms set forth in your action as of last year for building the dormitory have been met by the University and by the denomination. They are, briefly:

1. The University must be free of all current debts and deficits;
2. The Board of Directors of the Convention shall appoint a committee which should have full charge of the construction of the dormitory;
3. One-half of the funds needed for the building of the dormitory should be in hand before a contract is let.

Your committee, in view of all of these things, recommends:

1. That the Convention reaffirm its repeated action to construct this building just as soon as it is possible and feasible and that the terms shall be the same as stated in your action of last year and as summarized above.
2. We further recommend that you affirm your action of last year and the year before regarding all building operations of the various institutions as follows:  
 "That all building operations for our institutions for which this Convention is responsible shall in all particulars be under the direction and supervision of the Board of Directors of the Convention."

II. We count it a privilege, also, to report that the building operations at the Orphans' Home which were in progress when you were in Oklahoma City for your session last year have been com-

pleted and paid for. The buildings are now occupied and are serving our orphan children. Your committee regards these buildings as appropriate and beautiful and recommends to you that when conditions will afford the building program at the Orphans' Home shall be resumed. All of us look forward to the time when we can take our children out of all the old buildings and domicile them in a beautiful home such as we constructed last year. In that we can realize our dream and purpose of a Children's City "which will be a thing of beauty and a joy forever."

Today our country is embattled again; today a wave of political and spiritual darkness is sweeping like a cyclone over the world with the purpose of snuffing out every beacon that blazes for God and liberty. To be sure we are all dedicated to the cause of our country. We must, however, remind ourselves that these are dangerous days for the human spirit. Nerves are tense; emotions are strained and these things will be augmented by the passing days of our experience. It behooves us all to possess our souls in patience. Even though the war has for the time held up our building program we can make advances otherwise and we greatly need to make them. We can grow in spirit, in understanding, in fellowship, and we can take advances in stewardship, in missions, and evangelism. Let us dedicate ourselves to doing better than we have ever done before the things that we can do during this emergency, for by so doing we shall prepare and qualify ourselves for the terrible responsibility of living in the present and the great opportunity that shall be open to us when peace comes again.

52. The evening hour having been set aside for the consideration of the "Unified Budget and our State Program," Secretary Potter called the Moderators of Associations, all members of Bud-

get Committee and heads of Departments of our state work, to the platform.

53. Dr. H. W. Stigler brought a devotional message on the subject "God's Grace Works and Produces Works," with scripture from Titus 2:11-14.

54. Rev. H. H. Boston presented the "Report of the Oklahoma Baptist Advance Committee" and moved its adoption. Motion carried.

## Report of Oklahoma Baptist Advance Committee

At the 1941 Convention, we, your committee, recommended for 1942 a budget of \$200,000. The Convention adopted the recommendation and continued this Committee, instructing us to help in any way possible in attaining that goal. Because of the efficient work of Doctor Potter and his staff, the Committee has had little to do. It has kept in touch with the work, written for the press, attended meetings, and in general sought to be helpful.

We come to the Convention this year with overflowing gratitude to God and a glowing report of your record. Month by month, without exception, you have surpassed your giving of last year. The receipts to this hour are \$183,500.00 on the \$200,000 goal, which leaves a balance of \$16,500.00 to raise, with a month and nineteen days of the year before us. We are headed for a really great victory, for which we thank God and take courage.

Inasmuch as this situation seemed likely some weeks ago, our Secretary called this Committee together and asked us to think with him about the wind-up of this year's work and the financial objectives for next year. The Committee was unanimous in the opinion that we will do well to avoid over-confidence as we face the latter days of this year. We recognize that the causes involved are worthy of our best. Therefore, we call upon our people to go right on and raise as much beyond \$200,000 as possible this year.

We would call your attention to the fact that all expenses for the year have been provided through the budget of this year, so that every dollar given undesignated, now, as for some weeks past, goes 100% for missions.

By the successful completion of this year's work, Secretary Potter will be able to send to foreign missions and other Southwide causes, the greatest amount given by Oklahoma Baptists in twenty years, totaling at least \$45,000 undesignated for Southwide causes, in addition to all the sums that have gone to them through designations.

Every dictate of wisdom would suggest to us that at this convention we address ourselves to the work of the coming year, as well as to the successful culmination of this year's work. We call to your attention the fact that the global turmoil through which we are passing will leave the world in far greater need than within our memory. After the war, doors will be open, fields will be riper, and opportunities more glaring than we have known before. The Foreign Mission Board is now training added missionaries for China. It is surveying the field in Russia, and it is believed that we will need far larger forces for our foreign mission work immediately upon the signing of a peace.

We are mindful, also that many of our people have larger incomes, farm products and higher, salaries in many instances have been raised, and a general state of prosperity prevails. In our

judgment, the time has arrived for us to make other advances, and we, therefore, join with the Secretary in asking that our goal for 1943 be "A Quarter of a Million Dollars from a Quarter of a Million Baptists."

This challenging objective is recommended by your committee, approved by the Board of Directors, concurred in by every Associational Moderator from whom we have heard and we believe will meet with the wholehearted response of this great Convention.

64. Dr. Harold K. Graves presented the "Report on the Hundred Thousand Club" and motion carried for its adoption.

## Report of Hundred Thousand Club

Out of Debt. What a glorious statement this is to an individual, to an institution, and to a great host of Southern Baptists. It is beginning to be popular for Baptists to get out of debt. Many local churches are paying out. Colleges are freeing themselves. State Convention agencies are becoming free. And now to join the chorus will be the deep tones of our denomination as a whole. We will soon be free of debt.

For many years we have been bound by creditors; often we have been at their mercy with not enough to pay even the interest. But this debt has been reduced from approximately \$6,500,000 to \$1,500,000. Now the 100,000 Club has not paid this \$5,000,000, but it furnished the initiative, the inspiration, and challenge. Our agencies and creditors alike saw in the Club real hope. Our missionaries were among the first to join. The Sunday School Board offered to defray expenses so that every penny received might be paid on the debt. Interest was paid from regular income. It has been and is a debt-paying plan. Every dollar received has reduced the principal.

We never got the full 100,000 members, nor even half of them that actually paid their dues any one month, for that is the plan--100,000 members paying \$1.00 each per month on our debts. However, we did get enough to save our reputation, our credit, our property, and our work. The receipts of the club to October 1, 1942, have been \$1,805,457.62 of which Oklahoma paid \$86,215.35. The receipts of the 100,000 Club have been distributed as follows: Foreign Mission Board, \$388,545.88; Home Mission Board, \$490,484.76; National Baptist Memorial, \$8,373.21; Southern Baptist Hospital, \$28,718.17; Education Board, \$43,483.68; Southern Baptist Theological Seminary, \$318,655.91; Southwestern Baptist Theological Seminary, \$323,622.29; Baptist Bible Institute, \$202,323.98; American Baptist Theological Seminary, \$1,249.74; Total Disbursements, \$1,805,457.62.

The 100,000 Club is growing in favor everywhere. The receipts in 1941 were 65% larger than in 1940, and the receipts this year are 58% larger than for the same period last year. Every state shows an increase except one which does not officially co-operate with the Club. Oklahoma has (Oct. 1) contributed \$14,380.69 this year, which is \$5,456.60 more than for the same period last year.

If we can get the full 100,000 Club memberships we shall be Debt-Free in '43. Let's get them. We recommend:

1. That in co-operation with the Southern Baptist Convention we urge all our agencies, churches, and people to emphasize our "Debt-Free in '43" program.

2. That the Baptist 100,000 Club be put on during January and February and that February 14 be observed as Debtless Denomination Day and a cash offering be taken to apply upon our Southwide debts.

65. Dr. J. E. Dillard, Promotional Secretary of the Southern Baptist Convention, was guest of the Convention, and spoke to the Hundred Thousand Club Report urging a debt-free denomination in 1943.

66. Dr. H. W. Stigler presented the "Report on Home Missions" and motion carried for its adoption.

## Home Mission Report

As Baptists we still claim Missions as our Mission. Christ has never changed His plan for His churches as recorded in Matt. 28:18-20. One part of this commission is carried out by what we are pleased to call Home Missions.

Just a few years ago our Home Mission Board was in debt \$1,617,992.44. A few months later this debt was increased to \$2,500,000. From that sad day which was in 1928 to the present time there has been a constant decrease in this debt. At the present time the Home Mission Board owes less than \$500,000. This is but little more than the Board actually paid on debts last Convention year. And instead of paying 5% interest we are now paying exactly one-half that rate.

We now have 422 missionaries who are working in 819 mission stations. Dr. J. B. Lawrence in his last report said, "During the past year we have added 31 missionaries to our force; opened 64 mission stations, and constituted 13 new churches." Our missionaries preached 35,000 sermons, led 7,000 people to Christ and received nearly 3,000 into the fellowship of the churches.

Dr. Alfred Carpenter, field secretary and superintendent of Camp work, is helping our chaplains in an outstanding work for our soldiers. Many of our chaplains are reaching far more men for Christ now than they have ever been able to reach before. One of them reported a few weeks ago that he had won 70 men to Christ as they crossed the Atlantic Ocean. God is not dead, His word is still quick and powerful and sinners still need salvation. The Home Mission Board is doing a never-to-be-forgotten work for our soldiers all over the South. In Cuba, in our cities, among the foreigners who have come to our doors, and with the Indians and Negroes who have been with us all our days, we have a challenging task. The Home Mission Board is leading us in this gigantic task. Let's co-operate to the extent of our ability in winning the lost and training the saved of our own nation. If we are not well fortified at the close of this war, we may be defeated though we win the war. The only hope of our own country is in Christ. The only way for ours to be a Christian nation is for our people to be Christians. The only way for our people to be Christians is for each one of them to have an experience—a personal experience which our Lord calls the New Birth. "But what saith it? The Word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach; that if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved.

"For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. How then shall they call on Him in Whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach, except they be sent?" Rom. 10:8-14.

The Annie Armstrong offering by our Woman's Missionary

Union for Home Mission Work last year was about \$200,000. This special offering by our women through the years has been a great boon to our Home Mission work. Dr. Lawrence says, "Through the years of the depression this offering made by the women has been the salvation of our mission work."

We have millions of our people in the South who do not know our Christ. Our Home Mission Board is helping to reach them. We should prolong our prayers and extend our gifts, till the Home Mission field is filled with the knowledge of the glory of the Lord, as the waters cover the sea.

Luke 24:46-48, "And said unto them, thus it is written, and thus it behoved Christ to suffer, and to rise from the dead the third day: And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem. And ye are witness of these things."

Acts 1:8, "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth."

Someone has well said, "If Jesus Christ is not true, nothing matters. If Jesus Christ is true, nothing else matters." Remember that He says, "Go—Make Disciples—Baptizing them." This He said to His Church and our own homeland is a part of the field.

67. Rev. Jacob Gartenhaus, Southern Baptist missionary to the Jews, was presented and reported on progress of Jewish evangelism in the Southland.

68. Judge Walter Gray, Oklahoma City, addressed the convention on the subject "Oklahoma's Liquor Problem."

69. Motion by Mrs. F. B. Erwin that the Resolutions Committee prepare a resolution for convention setting forth our position on the liquor issue and that a copy be sent to the President. Carried.

70. Dr. Andrew Potter presented the Report of the Board of Directors and motion carried for its adoption.

## Report of the Board of Directors

"If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses? and if in the land of peace, wherein thou trustedst, they wearied thee, then how wilt thou do in the swelling of Jordan?" (Jeremiah 12:5).

"I therefore so run, not as uncertainly; . . ." (I Corinthians 9:26).

" . . . Let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God" (Hebrews 12:1-2).

All men come face to face sooner or later with the question asked of Jeremiah, "If thou hast run with the footmen, and they have wearied thee, then how canst thou contend with horses?"

Oklahoma Baptists are being asked that question now. We can take several attitudes in measuring our answer:

*We can wear rose-colored glasses and say there will be no additional problems.*

*We can wear smoked glasses and see nothing but dismal ruin.*

*Or, we can pray that we might have Paul's attitude and run with certainty, looking unto Jesus.*

In these periods of intermittent rainbows and showers; days and nights; victories and defeats; our emotions will be pulled taut and our energies dissipated unless we keep our eyes always on HIM who even today sits at the right hand of the throne of God. We must look always to Jesus.

At a number of the associational meetings we attended this Fall, it seemed that God impressed on his servants who preached, the charge of complete dependence on and renewed dedication to the Christ as Lord and Master. This is true for the individual. This is true for the local church. This is true for the association. This is true for the district. Certainly, this is true for us as the Baptist General Convention of Oklahoma. When we lose sight of the Cross, we lose that dynamic which transforms mere physical activity into vital spiritual conquests.

So, in writing this report, we have tried to keep these three questions in mind:

*Is the thing we are doing in accord with the will of God?*

*Is the thing we are doing the VERY BEST we can do to advance His kingdom?*

*Is the thing we are doing pointing the way for lost men and women to see Jesus?*

As you read this report, ask yourself these questions. Make them personal! This day demands more than our best. Our best is weak. This day does demand our best PLUS the power of Him who is the author and finisher of our faith. Let us look to HIM in making plans for our work!

### 1. TELLING OF JESUS

*In this day of war, we are tempted to tell of the exploits of battle and to magnify military strategy, but we must always remember our responsibility as ministers and as Christians is to make the name of Jesus heard above the din of battle. Our mission must always be to tell the simple story of Jesus.*

**STATE MISSIONS:** Recently a friend asked me if I did not miss preaching since I had been in the secretary's work. My answer

was that I had preached more in the past nine years than I had ever preached in my life. All of those on the state mission force are missionaries. Our main job, whether it be promotion, preaching, or printed page, is telling of Jesus. Those who have worked through the state mission program during the past year are: Andrew Potter, executive secretary; T. P. Haskins, assistant executive secretary; E. C. Routh, editor, **Baptist Messenger**; Mrs. Berta K. Spooner, secretary Woman's Missionary Union; R. S. Bazzell (to February 1), E. W. Westmoreland, secretary Sunday school, Training Union, and Baptist Student Union; Porter Routh, secretary Brotherhood and Enlistment; J. A. Pennington, missionary to the rural churches; Max Stanfield, general missionary; and Marvin Cole, state evangelist.

**EVANGELISM:** One of the features of the state mission program during the past two summers has been the provision for a number of revivals held in real mission points where no church could provide for the meeting.

Brother Max Stanfield directed this work during the past summer and 33 meetings have already been reported to him. In these 33 meetings, 558 sermons were preached, 665 visits were made; 187 prayer meetings were held, 156 professions were reported, 95 were baptized, and there were 166 other additions. For these meetings, \$400 of your mission money was invested. When you consider the money spent to carry the Message to these people and compare it with the record of baptisms in some of our larger churches, you will immediately see this is mission money well spent.

Attention on an evangelistic crusade for the summer was focused by the Evangelistic Conference at Shawnee under the leadership of Dr. T. P. Haskins. This was one of the best conferences we have had and was well attended.

Brother Marvin Cole, state evangelist, has been blessed of God in some great meetings during the past year. He reports 565 baptisms in 16 meetings with 1010 total additions. The district and state missionaries have reported 52 revival meetings during the year.

However, Oklahoma Baptists cannot boast of "our telling" as far as numbers are concerned. We gained in membership from 243,972 to 253,062; and yet we reported 1,595 baptisms fewer than in 1940. We dropped from 15,183 to 13,588 in baptisms. Brethren, what is our main business?

**DISTRICT AND ASSOCIATIONAL MISSIONS:** With the coming of tire and gasoline rationing, there will be some definite problems facing our district and associational missionaries, but the need for these men is greater than ever before. The church ought to become more a center of activity in this day when the people need to return to God and will be forced by circumstances to limit their travel. Our rural churches need to be reinforced and the district

and associational missionaries are of untold assistance in promoting the entire kingdom program. Additional problems will be created by our ministers going as chaplains. These are the men who really roll up their sleeves and get in where people live to do the work. We are grateful for the high type of men to be found as missionaries in Oklahoma.

District Missionaries who have served during the past year are: S. L. Isaacs, Clinton; H. J. Ballew, Wilburton; and E. R. Lansdown, Alva.

Associational Missionaries who have served during the past year are: D. Ray Thompson and John Walker, Banner; T. F. Glosup, Bryan; Ross L. Hughes, Enon; I. E. Owen, Frisco; T. H. Holt, Haskell; J. W. C. Moore, Muskogee; J. Clyde Foster, Dee Skaggs, and Richard Dareing, Northeastern; E. H. Atherton, Panhandle; J. A. Land, Perry; Deyo Jeter, Pawnee-Creek; C. H. Crouch, Pittsburg; Jerry Cox, Tulsa-Rogers; J. G. Heard, Union; and W. A. Matthews, Leflore.

**ASSOCIATIONAL ORGANIZATIONS:** More responsibility for the promotion of all Kingdom interests will be thrown back on the associational organizations for the duration of the war. It will be difficult to have large attendance at state-wide or district meetings because of distances. Some associational meetings will have to be readjusted in order to conserve rubber and fuel, but there should be no thought of elimination of our workers' conferences or associational meetings.

We believe that it would be well for a committee of moderators to study meetings in the light of war conditions and make recommendations on presenting our programs in the most practical way.

More responsibility is being assumed by associational moderators. We have noticed that the associations are now electing men as moderators who achieve. It is no longer just a position of honor. We salute the following moderators who have been elected to serve for the coming year:

**CHAPLAINS:** During the past year, Oklahoma has lost 58 of her finest pastors who have gone to the armed forces as chaplains. These men have all had to meet rigid qualifications and are splendid representatives for Christ and for Oklahoma Baptists around the world. Many are in England. Others are in the Pacific area. Many are still serving in army camps in this country.

We want to take this opportunity to pay tribute to these men who are modern missionaries around the world. All Oklahoma Baptists will join in prayer that God will protect his servants and use them to his Glory.

Oklahoma men who have gone as chaplains are: Paul Clark, A. E. Teem, Lemuel Hall, R. S. Bazzell, Wallace Stark, O. G. Matthews, I. A. Bentley, Roy L. Bonner, B. I. Cherry, Ralph A. Hill, E. V. Johnson, E. E. Smedley, R. C. Miller, Jr., H. D. Stephens, Walter Thompson, H. H. Wall, A. H. Simmons, John W. New, Ward Allen, Ben Stohler, Bura Stephens, Leroy Raley, Morris Roe, C. R. McClelland, Ray Allen, W. A. Washburn, Lawrence Hertzog, L. B. Alder, J. M. Bradbury, Roy A. Carley, W. A. Squyres, J. R. Smallwood, W. E. Grindstaff, D. D. Barber, D. O. Northrip, T. B. Hart, Leonard W. Cox, Percy E. Haley, M. E. Hatchett, R. L. McClung, Charles Richmond, Fred Willhoite, Frank B. Webb, Roy Autry, Vincent Appleton, Herbert G. Barnett, J. H. Bradley, M. Hale Evans, Lloyd Jack Gray, G. A. Gurley, Ira A. Harrison, Maurice M. Hall, H. V. Hamblen, W. I. McClung, C.J. Merriman, Garth Pybas, Alex L. Sullivan and C. L. Shelby.

## 2. THE COMPASSION OF JESUS

*In a day when it is the popular thing to HATE, we must not forget that JESUS LOVED. He loved us enough to go the Cross. Jesus loved little children. He had compassion on those who were sick. He was concerned about his disciples.*

**BAPTIST CHILDREN'S HOME:** April 26, 1942, will long be remembered as one of the red-letter days in Oklahoma Baptist history. For on that date, Oklahoma Baptists dedicated debt-free the three new buildings at the Oklahoma Baptist Orphans' Home which had been made possible by your gifts of more than \$100,000. Surely, the angels rejoiced on that day. We are hoping additional units might be built as soon as building materials are available again. We feel there are some Oklahoma Baptists who will have the desire to furnish the funds for another new building.

Increased cost of living has been felt at the Home as it has been felt in your home. This means that more money must be provided and we believe that you will provide it in the Christmas stocking offering and on the truck trips. Rev. H. Truman Maxey, resident manager, and Mrs. Gladys Dicken, head matron, are doing a splendid job in directing the training for the children, but they must depend on you to furnish food and clothing. We appreciate what the various Sunday schools, W. M. S., and Brotherhood organizations are doing in providing clothing and school books for the children.

Many of the fine young men who have gone through our Home are now in the various branches of service around the world. We ask your prayers for these young men.

**BAPTIST HOSPITAL:** Both the hospitals at Miami and Muskogee are having more business than ever before and yet both are facing critical problems in obtaining supplies and nurses. Many doctors and nurses are being called into the armed services. The large war industries and army camps in Eastern Oklahoma have taxed the facilities of our hospitals. Our hospitals are reaching more people for Christ than ever before. There is just something different about the atmosphere of a Christian hospital.

Last year, we reported that \$10,000 in mission money had been saved through the refinancing of the Muskogee hospital debt. Since all building operations have been frozen, it has been possible to pay an additional \$86,000 on the funded debt this year and at the present rate of payment, the \$44,000 balance will be paid by next spring. This will mean an additional saving in interest of nearly \$20,000. Thus, during the past two years, \$30,000 has been saved which can be put into Baptist work instead of some bank.

Miss Florence Worley is resident superintendent of the Miami Hospital and Rev. A. F. Wasson is resident superintendent of the Muskogee Baptist Hospital. Both are doing a fine work.

Mother's Day has been set aside by the Southern Baptist Convention as Southwide Hospital Day and Oklahoma Baptists are urged to take a love offering for our hospitals on that date. When we think of the great need for Christian service around the world today in our Hospitals, all of us want to do more to provide a trained and Christian personnel.

**MINISTERS' RETIREMENT PLAN:** Since the Ministers' Retirement Plan was inaugurated, there has been a total of 479 ministers enlisted. Those who have retired during the past year are: H. H. Burton, C. L. Barnes, William Henry Sims, J. W. Alexander, R. I. Hiner, J. B. Rounds, P. J. Conkwright, Thos. D. New, A. J. Seale, Charles H. Jent, Oscar Paschall, E. J. Jameson, and W. O. Leach.

### 3. GO — TEACH — PREACH

*Not only must we keep our eyes on Jesus, but we must lift Him up to a lost world. If we are satisfied in keeping our religious experience to ourselves, we need to ask ourselves if Christ was really in that experience, for Christ said, "Go." Christianity must be a "going" religion if it is to live.*

**OKLAHOMA BAPTIST UNIVERSITY:** There is no denial of the fact that all educational institutions of higher learning are facing trying times. With the passing of the draft bill for 18 and 19 year-old boys, their problems will increase as far as the student group is concerned. The problem is even more critical for Oklahoma Baptist University since a large part of the income must necessarily come from tuition. Dr. Raley is to be congratulated on his foresight in seeing the present situation develop. Overhead and teaching expense has been cut to the bone and personnel has been reduced to a minimum. Further economies will be made if necessary to keep the University within its budget limitations. To offset this, we ought to start a program of education to impress on our constituency the increased value of a Christian education in a time like this.

Last year the Convention voted to allow Oklahoma Baptist University \$5,000 each year out of the building fund money, in addition to the \$34,000, to spend for needed library books and laboratory equipment. We recommend that this be continued and that \$25,000 again be set aside in the Unified Budget looking forward to the time when the Men's Dormitory can be built.

**SUNDAY SCHOOL:** Oklahoma Baptists were fortunate to obtain E. W. Westmoreland as Sunday school secretary when Robert S. Bazzell resigned to enter the Army as a Chaplain. "Bob" will be greatly missed, for he carried on in a splendid way, but we are happy to have such a worthy successor. Brother Westmoreland was successful in the pastorate and is already making a success in his new work. A one-day Sunday school associational conference was held in every association with 2,716 attending; 13,716 awards for training were issued by the Sunday school department during the year. Churches have reported 232 Vacation Bible schools with 51 still unreported.

Approved workers for Sunday school and Training Union are Miss Sophia Duerksen, young people; Tom Carter, intermediates; Mrs. J. W. Barron, junior; Jewel Kirkpatrick, primary; Mrs. Walter H. Crowder, beginner; and Mrs. G. H. Caudill, cradle roll.

**TRAINING UNION:** With many workers leaving our churches because of the war, the Training Union has a greater responsibility to train new workers for service. A one-day associational Training Union conference is planned this year for the week, December 7-11. Last year these were held in every association with 3,455 attending; 15,933 Training Union awards were issued during the past year. The Training Union convention was held at the First Baptist Church, Oklahoma City, on March 12-13, with 1700 in attendance.

**BAPTIST STUDENT UNION:** Students in college at this time are on a day to day basis. Their training may be terminated at any time by the army or war work. For that reason, the program of the Baptist Student Union needs to be accelerated if the student is to be tied on to the church. At Norman and Stillwater the large number of young people in training for the armed forces offers an additional challenge. Some program needs to be worked out to hold up Jesus before these as well as the students. Miss Margaret Culpepper is B. S. U. director at Oklahoma University; Dorvell Tabb at Oklahoma A. and M.; Gertrude Addis at Oklahoma College for Women; and Louise Tadlock at Northeastern College at Tahlequah.

**FALLS CREEK:** Many have said that the 1942 Falls Creek Assembly was the best in the history of the Assembly. The total attendance last year was over the 7,000 mark, not as high as the Silver Anniversary total the year before, but the average class attendance was higher. More people came at the beginning and stayed for the entire period. Brother J. A. Pennington did an excellent work in directing the business affairs of the Assembly and E. W. Westmoreland and Charlie Taylor kept the general meetings moving. There were many high hours at Falls Creek. Rationing of many products will constitute additional problems, but we believe it will be to the best interests of the causes of Christ to plan for another big Assembly next summer. All of us will be able to think more clearly and work harder after ten days at Falls Creek. Experience has shown that a soldier must have his furlough, and a war worker vacation from the strain if he is to be efficient. What better furlough or vacation could a person have than a vacation for Christ at Falls Creek.

**BAPTIST MESSENGER:** Last year in this report, we stated that one of the objectives for 1942 was to reach the 20,000 mark in circulation. Dr. E. C. Routh, the scholarly and gifted editor, has just informed me that the circulation is now over the 20,000 mark and will go beyond that figure before January 1. The **Baptist Messenger** is needed more than ever before now, not only to furnish

information to our people, but to comfort anxious hearts and disturbed minds. Doctor Routh has always furnished constructive material in the **Baptist Messenger**. Many churches have the **Messenger** in the budget. Others could well afford to follow. The cost is only two cents (2c) per copy per week.

**AMERICAN BIBLE SOCIETY:** Last year at the Southern Baptist Convention, the following resolution was presented by Dr. Louie D. Newton and was heartily adopted:

"Resolved, than in order that the Bible may be kept in the widest circulation in these days when the work of missions is so greatly curtailed, we earnestly request the secretaries of our state conventions, our editors, and our pastors to call these facts to the attention of the churches with a view to the making of a suitable contribution from each church in the Convention to the work of the American Bible Society during the calendar year, 1942."

All of us commend this work of circulating the Word of God. We know Oklahoma Baptist pastors will give sympathetic cooperation in this worthy movement.

**WOMAN'S MISSIONARY UNION:** The W. M. U. watchword for 1943 is "That all the kingdoms of the earth may know that Thou are the Lord, even Thou only" (Isaiah 37:20). How fitting this is for such an hour as this and how in keeping with the purpose and objectives of the Woman's Missionary Union.

Mrs. Berta K. Spooner, executive secretary of the W. M. U., reports 643 societies reporting during the year with a membership of 19,290. Mrs. Bill V. Carden, young people's leader, reports 1139 auxiliaries with a total membership of 17,085.

Oklahoma women gave \$8,604.33 in the 1941-42 Lottie Moon offering; \$7,674 in the 1942 Annie W. Armstrong offering for Home Missions; and \$3,619.59 in their week of prayer for State Missions. The women are paying on 1458 Hundred Thousand Club memberships and have eight centennial club memberships.

Mission fires need to be fanned during this time of war. For after the war, Southern Baptists must have a host of young people with a world vision ready to go to the ends of the earth to match their lives against your dollars. The women are to be commended for their concern. It is a concern which leads to definite action.

**BAPTIST BOOK STORE:** The Oklahoma Baptist Book Store is not owned by the Oklahoma Baptist General Convention but it is of great service to the churches of Oklahoma. We appreciate the service of the Book Store and the Sunday School Board to Oklahoma Baptists.

**BROTHERHOOD:** Several gains have been reported this year in the Brotherhood work under the leadership of Porter Routh. For the first time in Oklahoma Baptist history, district meetings for men were held in each district and leaders have been secured for all eight districts. In the first annual report on Brotherhoods

published by Dr. E. P. Alldredge, Oklahoma stands third in the South with 253 organized Brotherhoods reporting a membership of 7,590. More than 50 new Brotherhoods have been organized this year. Mr. Routh also directs the publicity for the Convention and has obtained favorable publicity through the newspapers. He has also prepared a pictorial for use by the local church in presenting the church budget. The Brotherhood Convention is now held in connection with the Baptist General Convention.

#### **4. UNIFIED BUDGET**

Service and soul winning are the twin springs of water which must flow from any unified mission program if it is to be successful. In its essence, the Unified Budget is merely a means provided for you to express your interest in pointing the world to Christ. As you give through the Unified Budget, you house and feed orphan children; you preach the Gospel in needy sections of Oklahoma and the Southland; you provide a Christian education for young people; you furnish a hospital for Christian nurses and doctors; you touch various racial groups throughout the Southland; you help the Baptist chaplains in the Army and Navy; you carry the message of Jesus to the ends of the earth.

Do you want to do more of this? For several years, there has been a feeling in Oklahoma that we ought to give at least one dollar per capita to Missions through the Unified Budget. We have heard the feeling echoed again this year at the associational meetings and in letters with the phrase, "A Quarter of a Million Dollars from a Quarter of a Million Baptists." That phrase has thrilled my heart as it thrills your heart. Dr. J. Howard Williams, pastor of the First Baptist Church in Oklahoma City, is chairman of the Oklahoma Baptist Advance Committee and we shall all listen with interest as his committee brings its report to the Convention on Wednesday night.

Since the fiscal year now corresponds to the calendar year, we do not have the receipts for the entire year but the total on November 1 was \$171,402.11. This is slightly below the amount we had anticipated and it means that we must give \$28,597.89 during November and December if we are to reach our \$200,000 objective and have \$22,500 additional for Southwide Missions. Last year, during November and December we received only \$27,780.35. We believe Oklahoma Baptists will meet the challenge of the times and go beyond the \$200,000 mark this year. We urge all pastors and church treasurers to see that all funds for Missions are sent in before December 31.

#### **5. RECOMMENDATIONS**

1. That it be our policy to operate on a cash basis.

2. That we instruct all agencies provided for in the budget not to incur any debts not authorized by the Board of Directors during 1943.

3. That the 1943 State Mission Budget be projected on a basis that will insure no deficits at the close of the year.

4. That we continue the ten per cent contingency fund from the In-the-State objects as a safeguard against possible deficits.

5. We further recommend, in line with the report of the Oklahoma Baptist Advance Committee, that a budget of "A Quarter of a Million Dollars from a Quarter of a Million Baptists" be set up with the first \$155,000 distributed as last year and that all raised in excess of this amount be divided on a fifty-fifty basis between statewide and Southwide causes with all expenses paid.

Co-operative Program (Minimum Budget) -----	\$ 96,000.00
O. B. U. and Ministers' Retirement Plan -----	34,000.00
Building Program (Men's Dormitory) -----	25,000.00
Co-operative Program (Divided 50-50 with all expenses paid. State share undesignated and Southwide share according to division adopted by Southern Baptist Convention) -----	95,000.00
	<hr/>
	\$250,000.00

6. Finally, we recommend that the Board of Directors be authorized and instructed to re-adjust these figures, if receipts do not justify the above distribution. In this period of change, we must safeguard against any possibility of plunging again into debt.

### 6. CONCLUSION

Last year in the conclusion to the annual report, we wrote the following words:

*"As anxious as we are for a world peace based on Christian equity and altruism rather than on selfishness or nationalism, we must resign ourselves to the staggering fact that this world will have a lasting peace only when individual men in position of responsibility and world leadership are transformed by the blood of Jesus Christ. Nationalism, class hatred, race antipathy, and selfishness cannot be erased in a world without Christ. Brotherly love, human understanding, and unselfishness can grow only when planted in the hearts of men and women who have had a personal experience with Jesus."*

That statement has become more meaningful in my own thinking during this past year . . . in these awful hours of national readjustment since Pearl Harbor. There is no social tourniquet which can be applied to stop the flow of human blood on battlefields around the world. Men—individual men—must see the Christ.

Let me refer again to the Scripture in Jeremiah quoted in the preface to this report. We are running with footmen now but the pace is quickening. Soon we must run with horsemen. We have been tiring in a land of peace, but soon we may be mired down in the swelling of the Jordan.

O, God! In the tragedy of it all, SHOW US THE WAY! In our weakness, where shall we find strength? How can we run the race, when even now, in our strength, we stumble?

His answer—the only answer—comes clear and strong . . . " . . . Let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God."

In the name of Him who conquered for us, let us conquer for Him!

## Annual Report of the President of Oklahoma Baptist University

In a news release of October 31, Mr. Roger W. Babson attacks the problem of the existence of the college and university during the war and suggests a patriotic duty as its first consideration. He said:

"These have an extra obligation to our country to which they pay no taxes, and particularly to their local communities which do not even tax their real estate.

"This puts educational institutions in an entirely different class from commercial, industrial and other business corporations. Colleges, therefore, should forget themselves entirely. After carrying out contracts with present students they should put the good of the country first—certainly before their faculties and other employees.

"During the recent business depression it was up to all such institutions, especially those tax-exempt, to do what they could to prevent unemployment and to keep faculties and others employed. Today the situation is very different. Most men and women now working for educational institutions are needed in war work and we should endeavor to get on without them wherever possible.

"The United Nations must win this war or all of our educational institutions, as we now know them, will go out of existence. Certainly, endowment funds would be wiped out. To try to maintain the present curriculum and staffs is, in my humble opinion, unpatriotic, unbusinesslike and unfair to students. This is especially true now that the 18-year olds are to be drafted."

Anticipating the seriousness of student loss our Board adopted a recommendation which put us in line with the suggestions made by Mr. Babson. Certainly he is right in that the colleges must put the good of the country first—themselves and their faculties second. We have streamlined our program and are now emphasizing the fundamental subjects which are recognized by the Government as essential both to armed services and to an understanding of democracy. Eleven of our people who have gone out within the last two years have not been replaced. Some have gone into military service; others into defense work. If we are true to our trust in performing a patriotic duty today we are confident that the government will see to it that we are given an opportunity to live through the war that we may be stronger and more able to carry on when peace comes. You, as our constituency, should rally to us in support by patronage, by financial means, and by any other measure available, and on our part we pledge to do our patriotic duty and to maintain as high standards as is possible under the situation.

The watchword at O. B. U. now is, "Ready for Action." We have cleared the decks and called our men to their battle stations. Every phase of the University program has been thoroughly studied and adapted to meet the war emergency demands. We have placed the emphasis upon the minimum in requirements in personnel, curriculum, and general expenditures in order that the intensity of the work should not be affected.

Reorganization of some departments have been made

in order to insure fully standardized work and yet eliminate non-essentials. Full work is given toward all degrees granted: A. B., B. S., B. S. in Educ., B. S. in Business Educ., B. S. in Home Economics, B. F. A., Bachelor of Music Education; and courses leading to such pre-professional courses as medicine, law, engineering, pharmacy, nursing. The Civilian Pilot Training program is being carried on with an increased quota. Special attention is being given those enlisting in the Army, Navy, and Marine Reserves in order to insure their full preparation for the armed services.

All of this is to say simply that Oklahoma Baptist University has geared her program to the present war effort and to the end that we shall hold our balance during the struggle and be ready to make real advancement when peace comes. A review of the past year is as follows:

1. **Enrollment:** Enrollment for the regular session was 595, summer session 222, or a grand total of 817 for the year. The present enrollment shows a decrease of 25%, and with the drafting of the 18 and 19-year old men we may expect another decided decrease next semester. The problem of patronage is the most serious that American colleges have ever faced.

We have between 70 and 80 aviation cadets who are taking a special government sponsored flight course. If the government continues the program this group will help solve the serious student shortage problem.

**3. Plant Improvement:** The gymnasium was completed and has been used during the past year. This represents a capital improvement of \$50,000 made possible by public spirited citizens of Shawnee who have paid in full \$30,000 liquidating all expenses for construction. This building represents an outright contribution to the Baptists of Oklahoma. Other improvements of the recreational area have been carried out and all buildings and grounds are being maintained in as good state of repair as is possible with limited funds and help available.

**4. Public Relations Program:** The general public has been kept in touch with O. B. U. through daily papers, radio broadcasts, and the appearances of various faculty members and student groups before civic bodies and school groups. The Baptist constituency have had the advantage of two pages in the *Messenger* each week. The program of maintaining a vital contact with the public schools has been carried on during the past year by Mr. Jones who presented pictures of campus life and movies on vocational guidance. The initiation of the Baptist Youth Mobilization Day for Oklahoma City and Tulsa proved very effective as a means of reaching prospective students. Many churches throughout the state participated in youth mobilization by registering their youth who may become prospects for O. B. U. The competitive examination for honor scholarships was given to 164 high school seniors.

**5. Religious Activity Report:** The report of the Ministerial Alliance shows a total of 110 ministerial students enrolled with more than half of this number serving as pastors. A majority of the others have been busy supplying pulpits or preaching in mission stations most of the time. During the past school year these students traveled 190,029 miles, conducted services in which there were 265 conversions, and delivered a total of 2,285 sermons. The B. S. U. reports more than 95% of the Baptist students enlisted in local church work, with three study courses having been taught during the year with an enrollment of 255, and a grand total of 1,299 Sunday school awards made for religious education courses during the year. This group conducted regularly scheduled services in the boys and girls' N. Y. A. schools, Salvation Army Hall, in Negro churches, street services, jail services, cottage revivals, and in the Indian Sanitarium.

At present we have 83 ministerial students enrolled. This group represents a much larger proportion of the student body than heretofore. It is quite likely that their activity will be greatly reduced because of gasoline rationing and the difficulty of getting to their fields. Too, the Selective Service law provides that only those who are in the process of completing their sophomore year may be given classification 4-D. This probably means that there will be few, if any, ministerial students in the freshman and sophomore classes next year. We are appealing to the churches,

to missionaries, and to the stronger pastorates that they use these men.

6. **General:** The most helpful and encouraging feature from an academic point of view was the action of the Convention in providing special funds for library books and laboratory and classroom equipment. The Jent Library Fund of \$800 has materially added to the number of new books arriving daily. When this program is completed the O. B. U. library will be adequately equipped for all courses given.

7. **Greatest Need:** Our greatest need is pastoral support for student admission program. In these days it is tragically apparent that democracy can survive only through the spirit engendered through Christian Education. Institutions like O. B. U. cannot survive without patronage. Pastoral activity in this most important matter will guarantee life and perpetuity to O. B. U. and to the American Way.

I am convinced that O. B. U. has a definite place in winning the war, and in writing and preserving the peace. The strong support given us by the Convention is assurance of the conviction of our people that it does have a place in the future and places a responsibility upon us to see that it matches such faith. We pledge ourselves anew as stewards of the trust imposed in us by the Baptists of Oklahoma to the end that O. B. U. continue to grow in academic strength and spiritual power.

Respectfully submitted,

John W. Raley, President

76. Chaplain Morris Roe pronounced the benediction.

#### THURSDAY AFTERNOON

November 12, 1942, 1:30 P. M.

77. The afternoon session of the convention opened with singing, "Majestic Sweetness Sits Enthroned," and "I am Resolved" led by Mr. Luther Harrison.

78. Rev. J. M. Wade, Durant read the scripture lesson from 1 John 5:1-13, and led in prayer.

79. Mr. Frank W. Langham, district representative of the American Bible Society, brought a message about the work of the Society during this war-time.

80. Dr. Elmer Ridgeway presented the "Report on Southwide Benevolences" and motion carried for adoption of the report.

### Report on Southwide Benevolences

We, your committee on Southwide Benevolences, appointed by Doctor J. W. Storer, President of the Baptist General Convention of Oklahoma, beg leave to report as follows:

*It was suggested that this report furnish a brief discussion of the Southern Baptist Hospital, New Orleans, Louisiana, and the two functions and phases of the Relief and Annuity Board, Dallas, Texas, to-wit: Ministerial Relief and the Ministers Retirement Plan.*

### SOUTHERN BAPTIST HOSPITAL

The Southern Baptist Hospital in New Orleans, an institution of the Southern Baptist Convention, dedicated to the Christian ministry of healing, admitted 17,699 patients during the year ended September 30, 1942. All operating expenses were paid, and during the year the Hospital built and paid for an addition with 61 beds, giving a total bed capacity of 425. During the year 1,426 babies were born, and there were 2,675 cases given emergency service who were not hospitalized.

Ninety-six employees have joined the armed forces of the country—nurses, doctors, dieticians, technicians, radiologists, orderlies, and other employees. They are in all parts of the world, in the fighting ranks or ministering to the sick and wounded.

A full-time religious leader is employed to work with student nurses and the religious life is maintained at a high standard. Chapel services are held every morning before the nurses go on duty. A standard Y. W. A., a "first magnitude" B. S. U., and group prayer meetings mark the Christian activities of the young women.

The Hospital plant covers two city blocks, the hospital proper being on one block, and the nurses dormitories and the educational building on the other. The cost of the property was nearly two million dollars, on which is owed less than \$200,000. The annual cash business is about one million dollars.

### RELIEF AND ANNUITY BOARD

#### Relief Department

The sum of \$101,599.13 was distributed to 1,241 beneficiaries during the year 1941, and a budget item of \$100,000.00 was approved by the Budget Committee for the year 1942, with the provision that the Relief and Annuity Board could increase the expenditures in an amount equal to the total receipts for 1941, which, as is now known, aggregated \$104,305.44. The further provision was made that if the receipts for relief should decline at any time during the year, adjustment in the expenditures should be made to limit the grants to a maximum sum of \$100,000.

There is poignant need for the expenditure of a great deal more money in supplying the needs of aged ministers and widows than is possible with the present income of the Relief Department. If our pastors will only take thought and counsel with their leaders regarding the appeal of our Board for at least one Fellowship Offering each year in connection with the observance of the Lord's Supper, and if our good women in the South generally will observe a special day of prayer and giving to this cause, as the good women of Texas have been doing now for many years, this fund will be greatly augmented and the service of the Department greatly extended.

Let it be remembered that the time has not yet come when the Annuity features of our work, effective as they are, and promising as they are, will provide for all who need the Board's ministrations. Great numbers of preachers and widows of preachers are extremely needy who cannot receive the benefits of the Annuity plans, membership in which is limited to active pastors. Many of these preachers and widows, foot-sore and weary, or sick and helpless, have no other helper than the churches of the Southern Baptist Convention as they minister to them chiefly through the Relief and Annuity Board. The task of caring for these wards of the denomination must still be performed through the Relief Department. In the years ahead it is confidently expected that the Annuity Plans will completely take the place of all relief measures.

### MINISTERS RETIREMENT PLAN

All the eighteen states and the District of Columbia, composing the Southern Baptist Convention, are now fully allied in this notable achievement of our denomination.

During the year 1941 certificates of participation were issued to 862 ministers and other eligible persons in the Ministers Retirement Plan in the seven states, and 308 certificates were issued to employees of boards, agencies and institutions among Southern Baptists. The combined total of certificates issued was 1,170. Since January 1, 1942 to April 1, 1942, additional certificates have been issued in the number of 457. Of this number 373 were in the Minister's Retirement Plan, and the remainder in other group plans.

It is noteworthy that from January 1, 1919 to December 31, 1941, more than 10,000 annuity certificates were issued by the Relief and Annuity Board. The number of active members in the Ministers Retirement Plan at the close of 1941 was 4,902, and the total membership in all plans combined was 7,380. On April 1, 1942, the total membership in the Ministers Retirement Plan was 5,275 and the total membership in all plans was 7,984.

### EVER INCREASING RESOURCES

The total of premiums and dues collected during 1941 was \$744,815.59. The total receipts from all sources including the premiums and dues, income from investments, Co-operative Program receipts and bequests, etc., amounted to \$1,147,678.84, and the total assets of the Board as of December 31, 1941, amounted to \$5,470,277.87, an increase over last year of \$320,614.62. It is gratifying to the Secretary to be able to say that the reserves of the Ministers Retirement Plan have increased to \$1,022,208.14, the increase for the year being \$423,334.75.

Leading bankers, financiers, and insurance men throughout the country have passed unstinted praise on the Southern Baptist plan for the retirement of its ministers when they have reached a *certain* age, or *payment of disability benefits* when these participating are incapacitated by accident or disease. The fact is, fair-minded insurance men, high in their capacities with their companies are advising ministers to join this retirement plan. The most recent report indicates that Oklahoma has 65% of its ministers participating in the plan. The significance of this plan cannot be over-estimated. Every minister in our denomination should be wholeheartedly in the plan for, in co-operating with his church and his Convention, he is providing against the dependency of old age.

Our people in Oklahoma should be informed on the significance of these Southwide benevolences and like good Baptists should give their best to the promotion of same. These are grand and glorious agencies and are worthy of our deepest devotion, that the high purposes for which they were founded and wherein they function may reach the largest possible group.

Respectfully submitted,

Elmer Ridgeway, Chairman; C. E. Wilbanks, Bryce Twitty, Ernest Hitt, M. F. Langley, Committee.

81. Dr. A. C. Miller, Texas, representative of the Relief and Annuity Board of Dallas, Texas, presented the work of the Board with special emphasis upon the "Ministers' Retirement Plan."

82. Rev. James F. Heaton presented the "Report on Southwide Agencies" and moved its adoption. Motion carried.

## Report of Committee on Our Three Seminaries

Southern Baptists have three great seminaries for the preparation of preachers, missionaries, and ministers of education and music. They are, in the order of their founding, Southern Baptist Theological Seminary, Louisville, Kentucky; Southwestern Baptist Theological Seminary, Fort Worth, Texas; and Baptist Bible Institute, New Orleans, La. All of them share equitably in the Co-operative Program of the Southern Baptist Convention, which is a part of the Unified Budget of the Oklahoma Baptist General Convention, and all of them share in the receipts of the Baptist Hundred Thousand Club according to debt needs. All of the schools invite interested friends to accept students as table guests and to provide scholarships for worthy students. All request our prayers.

This has been a year of change. During the year the presidents of all three seminaries have resigned because of the infirmities of age. Dr. John R. Sampey of Southern Baptist Theological Seminary laid aside the office of the presidency at the close of last session and was succeeded by Dr. Ellis Fuller, formerly pastor of First Baptist Church, Atlanta, Ga. Dr. E. D. Head was called from a useful pastorate at First Baptist Church, Houston, Texas, to succeed Dr. Lee R. Scarborough as president of Southwestern Baptist Theological Seminary. Dr. Fuller and Dr. Head have already entered enthusiastically into their new work and receiving letters and telegrams of wholehearted approval from the brethren throughout the convention. Dr. J. Wash Watts is acting president of Baptist Bible Institute until a successor to Dr. W. W. Hamilton can be found. In the face of the added demands brought by the war effort all of our schools report a good year.

In each of the seminaries there is an active program of Christian work. This summary by Dr. John W. Shepard of the activities at B. B. I. is typical of what one will find at Louisville and Fort Worth.

"The dream of the founders of the Baptist Bible Institute that it should become an agency for the evangelization of New Orleans and the vast region round about is being realized today through the growing work of the Practical Activities Department. Year by year, as the student body has increased and new equipment has been added, many new types of activities have been introduced. This work now includes street preaching, hospital visitation, services in jails and other institutions for correction and charity, teaching in Negro Seminary, and missionary trips to the regions round about New Orleans. Inside the city, cooperation of the Baptist churches has been sought with a view to building up permanent evangelical interest in prospective church centers. Outside the city, Institute workers have taken the gospel to thousands of people each Sunday who had never before heard the public proclamation of the Word. More than 30 strategic cities and towns in this vast mission field are being reached each Sunday with a missionary program looking to the building up of permanent Baptist work."

### SOUTHERN BAPTIST THEOLOGICAL SEMINARY

Under date of October 26, Dr. Hugh Peterson, Student Counselor, gives us these interesting facts:

"The student enrollment continues to be comprised largely of college graduates. This year only about seven per cent of the men do not have college work. Of the 450 undergraduate students, 291 are pursuing the historical prescribed Master in Theology with Greek

and Hebrew; 95 are taking the Bachelor of Divinity degree which is almost entirely elective and requires no languages; and 29 are taking the Bachelor in Theology degree given to men with 60 hours of college work who do not have their A.B. degrees. There are 62 in the Graduate School working toward the Doctor in Theology degree. About 60% of the men are married and about half of the students are securing experience as student pastors along with their Seminary training.

"With the incoming of the women to our classrooms several of the classes have been divided into two sections. In the case of New Testament the two sections meet simultaneously with Dr. Davis and Dr. McDowell taking charge of one section each. In the case of Systematic Theology, Old Testament, Biblical Interpretation the classes meet every day in the week. This division of classes look toward the general policy of having smaller classes and a larger faculty."

### **SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY**

Under date of October 27, Dr. E. D. Head writes:

"We are glad to say that Southwestern has started off this session in an encouraging way. There is manifest among the student body and faculty a very fine spirit. Our enrollment is at present 548, which we consider to be very favorable.

"We are happy, also, to report that we have gone beyond our goal in our recent effort to obtain \$50,000.00 for the endowment of the Seminary, thus adding \$100,000.00 to our endowment fund by meeting the proposition made to us by a local friend to give us a similar amount if we would raise \$50,000.00. We greatly appreciate the loyal co-operation which our friends everywhere have given us in this campaign. In this regard we would like to say also that we have been steadily reducing our indebtedness until it is now approximately \$175,000.00. All of these things we consider as the indication of the continued favor of God and the denomination upon our institution, and for which we express heartfelt gratitude."

### **BAPTIST BIBLE INSTITUTE**

Dr. J. Wash Watts, Dean and Acting President of B. B. I. furnishes us with the following news:

"The need for a President remains the chief burden of our prayers. At its last meeting on August 12, our Board of Trustees was led to take ample time for settlement of this most important matter. After a full day of prayerful consultation, it entrusted the guidance of its search to a special committee to report at its discretion.

"Enrollment for the first term at the Baptist Bible Institute is 203 students and 157 active correspondence students.

"The financial condition of the Institute has never been so good in these fourteen years as it is today. The debt in 1929 was \$353,000 but now it is \$104,000. In the refinancing of our debt at \$160,000, we were required to pay \$7,000 each six months, or \$14,000 for the year. When the first year ended on November 20 last, we had paid \$31,000 instead of \$14,000. We expect to continue reducing this debt at the same or a greater rate. This can be done if the Hundred Thousand Club continues as for the past few months. The interest on this loan has been met each time by the gifts of friends of the Institute to whom personal appeals have been made semi-annually.

"By November 1 the indebtedness will be reduced to \$85,000. For the six months period ending then we expect to pay \$19,000, whereas our refinancing agreement requires only \$7,000."

## Report of Committee on Resolutions

First, we thank the First Baptist Church, Pastor J. Howard Williams and his fellow-workers, and other Baptist churches and pastors of Oklahoma City for the generous and gracious provisions made for the comfort and efficiency of the Convention, for the cordial welcome extended, and for the beautiful spirit of fellowship and co-operation.

Second, We thank the officers, committees, and speakers—State and Southwide—for the contribution which they have made to the success of this Convention. Especially, would we express our appreciation of the retiring president, Dr. J. W. Storer, who during these three years of fruitful service, has magnified his office.

Third, We acknowledge our debt to all who added interest and inspiration to the sessions of the Convention, to those who furnished the music, to the various committees of the host church, and to all others who ministered unto us.

Fourth, We express our gratitude to the hotels and homes of this city for their thoughtful consideration and courtesies, and to the **Daily Oklahoman** and **Times** and the publicity director of the Convention for the generous and sympathetic reports of the Convention.

### RESOLUTION

WHEREAS, Southern Baptists are increasingly recognizing that the American Bible Society's work is an essential part of our own program of worldwide missions and therefore should receive adequate financial support, such recognition being evidenced by the generous response of our people to the Bible Society's request during the past year for funds to supply Russian Scriptures to Russians in German prison camps, and

WHEREAS, with three of the four great Bible Societies of the world crippled by war conditions, only the American Bible Society is relatively able to meet the situation, and

WHEREAS, the Southern Baptist Convention, by a resolution adopted at San Antonio in May, 1942 and printed on page 47 of the 1942 Southern Baptist Convention Annual, has commended the work of the American Bible Society and called on our churches to contribute to its support,

THEREFORE, BE IT RESOLVED, that in order that the Bible may be kept in the widest circulation in these days of war emergency, we call to the attention of our pastors and churches this great missionary opportunity and urge them to make contributions to the work of the American Bible Society, such contributions to be sent through the regular channels to Secretary Potter's office and designated for the distribution of the Scriptures by the American Bible Society.

## Statement Concerning Beverage Alcohol

Oklahoma Baptists, in common with their brother Baptists throughout our land, pledge to our Government every possible effort to win the war for the preservation of the things dearest to a Christian civilization, and to that end dedicate men, money and material.

We shall more speedily win the victory if we walk in the paths

of righteousness, if we have a sober nation, and provide every safeguard for the welfare of our men in the service of our country. We believe that the manufacture and sale of beverage alcohol to the civilians and armed forces of our country seriously imperil their welfare and efficiency. In our opinion, the liquor traffic is the most dangerous saboteur operating in our land.

We respectfully petition the President of the United States, the Secretary of War, and the Secretary of the Navy to issue orders which will stop the sale of all alcoholic beverages in army and aviation camps and in naval bases and stations. We gladly comply with the emergency program of the Government rationing sugar, tires, gasoline, coffee, and other products used by the American people. We believe that the Government should exercise its authority for the rationing to civilians of alcoholic beverages and for the elimination of the sale of intoxicating liquors to the members of the armed forces of America. We urge Congress to place a ceiling on profits in the liquor business even as it has placed a ceiling on other phases of national life and economy.

Moreover, we respectfully petition our national Government, in conformity with the assurance given by the President of the United States at the time of the repeal of Prohibition, to respect state laws, and to forbid the shipment of alcoholic beverages into those states which have prohibited the manufacture, transportation and sale of intoxicants.

We recommend to Oklahoma Baptists as individuals and churches:

First, that in every way possible we create and strengthen sentiment against the manufacture, sale, and use of alcoholic beverages.

Second, that we petition the Oklahoma Legislature in its next session to provide for instruction in public schools concerning the poisonous effects of alcohol.

Third, that we urge our people everywhere to practice temperance in their homes and in social and business life and to refrain from the use of intoxicating liquors even as we pledged in our church covenants.

Fourth, that we call on our public officials to enforce laws respecting the sale and use of intoxicants and other illegal practices which tend to weaken the morale of civilians and soldiers.

Fifth, that we approve the recommendation in line with action taken by other Christian bodies in Oklahoma that a campaign be inaugurated to repeal the law providing for the manufacture and sale of 3.2 beer.

Respectfully,

COMMITTEE ON RESOLUTIONS:

E. C. Routh

H. W. Stigler

W. R. Wallace

A. F. Wasson

A. Hope Owen

## COMMENTS

## Organization

The Baptist General Convention of the State of Oklahoma is incorporated under the laws of the State of Oklahoma, without authorized capital stock. Its first articles of incorporation were filed on or about May, 1917, for a term of twenty years and its amended articles of incorporation providing for an organization in perpetuity were placed of record March 6, 1928. Its purpose is to foster Baptist denominational activities in the State of Oklahoma and to receive and disburse funds as provided by the various members of the denomination in accordance with the instructions of such contributors.

Since November 1, 1935, the convention has had direct supervision of the Baptist Orphans' Home, located in Oklahoma City, Oklahoma. The Baptist Orphans' Home was organized in March, 1904, for the purpose of providing protection and care for needy orphans and is incorporated under the laws of the State of Oklahoma as a charitable institution without authorized capital. Assets, liabilities, income and expenses of the Baptist Orphans' Home are treated as a separate "fund," both on the convention books and in this report.

## Cash on Deposit

The account with The First National Bank and Trust Company, Oklahoma City, Oklahoma, amounting to \$48,219.22, was reconciled and verified by certification obtained from the depository. This cash is applicable to the various funds as shown in the Balance Sheet, Exhibit A. All recorded receipts were traced to deposit in the bank. The daily recapitulations of cash received were compared with their recording in the cash book, and tests were made of the individual receipts from which the recapitulations were prepared. Paid checks were compared with the record of checks drawn and the signatures and endorsements were scrutinized.

### Budget Liability

The Baptist General Convention of the State of Oklahoma is grantor under a mortgage indenture given September 1, 1941, as evidenced by note in the principal amount of \$130,000.00, at 3½% per annum due semi-annually, payable in semi-annual installments and secured by land, buildings and equipment at the Oklahoma Baptist Hospital, Muskogee, Oklahoma. During the calendar year payments aggregating \$86,000.00 were made against this mortgage,

\$75,000.00 being a prepayment applied on the payments last to be made (from September 1, 1946 to September 1, 1951). In accomplishing this prepayment, cash to the extent of \$69,081.29 was borrowed from the following funds:

State Missions: "Property and Other	1,600.00
Building Program (O. B. U.)	67,481.29
	<hr/> 69,081.29

The remaining unpaid balance of this note amounted to \$44,000.00 at December 31, 1942, and is due serially up to and including September 1, 1946, as confirmed by the corporate trustee, Union Planters National Bank & Trust Company, Memphis, Tennessee. To insure repayment of the principal and interest installments, the grantor pledged to set over to the trustee the sum of \$15,600.00 per annum as a first charge or lien upon the distributable funds to be received by the grantor, such sum to be set aside monthly by the grantor and paid over semi-annually as the indebtedness becomes due.

In the event of additional payments the excess over \$25,00.00 in any one year shall bear a premium of 1%, and in case of default, the trustee may declare the entire principal then unpaid to be due and payable, together with all accrued and unpaid interest and all amounts advanced by trustee.

## Message of W. M. U. President

Mrs. H. B. Wilhoyte

"Tell it again" that all the nations of the earth may know that Thou art the Lord, even Thou only".

The nations of the earth today are rife with appalling cruelties and horrors of war. Ambitions and selfishness, inveterate hatreds and bitter rivalries, undisciplined lawlessness, present such a devastating picture that many people are asking or at least thinking within themselves, is there **any** authority or sovereign power that holds dominion over men and their affairs? If there be a God has he forgotten His universe? Have we been so lax in our interpretation of Christianity, in our devotion to our heritage? Have we been so bent upon our organizational life and our superficial successes that when the nations of the world should have seen our Lord and acknowledged His sovereignty, they have seen only us?

We are familiar with the phrase total war, and all its implications of interdependence of nations and people. But would it not be well to consider total religion as a solution for the ills of mankind. Can it be that the evils we deplore may be because of a negative attitude toward the application of total religion? Have we consistently applied it in business and social life and in our attitude toward other races and nations?

Our philosophy of life has often been: I have a right to some happiness, to get whatever I want in any way I can get it. We need to learn that God is not running the world for our pleasure and prosperity but that through the process of self-denial and service he is using us as a force in the making of the kingdoms of our Lord and His Christ.

Because of our attitude the church is discredited. We, who believe that "Thou art the Lord, even Thou only" are in desperate need to-day of creating a new belief and a new enthusiasm for the Christian, the Christ-like way of living. In no other way can we hope for a new order in a distracted world. Isa. 40:9. "Lift up thy voice with strength, lift it up, be not afraid, say unto the cities of Judah, Behold your God." The prophet believed and proclaimed the sovereignty of God, that He had power over His world, and that rebellion of men and nations against Him was but futile motion. "Be not afraid" to proclaim Him. He will supply the courage we need. We need courage to replace the fear that clutches our hearts. The opposite of courage is fear, back of fear is worry and worry is a mild form of atheism. Prayer is the antidote for fear. Courage is fear that has said "its prayers."

We have unseen allies, spiritual allies at our disposal. The most powerful forces in the world are invisible; wind, heat, power, public opinion. Courage to lift up your voice is born of faith. If He is your God, you have the power to impart Him. Under trying circumstances or in the monotonous routine of daily living we shall be able to command only such spiritual reserves as we have built up within ourselves. We cannot borrow courage, faith or the will to win.

In this world conflict the amazing thing is that despite hatred, fear, differences of race, nationalities and political ideals, the power of the Christian spirit is the **one** universal thing that has spanned the chasm, and to-day ties of Christian fellowship bind the peoples of every country who have acknowledged Christ's sovereignty over them.

The horizons of the world have been firmly implanted in the

Christian's heart. . May we continue to push them back as we tell the story until they no longer remain.

A speaker recently said, after a tour of Asia, Africa, and the Near East, that in these countries there exists today a gigantic reservoir of good-will toward America. He placed at the head of the list of the things that he had created this reservoir of good-will, hospital, schools, and colleges founded by our missionaries who had no other motive other than one of service for their Lord. Many of the leaders in these eastern countries have studied under christian teachers whose only interest was that all nations of the earth should know that He is Lord.

If it has taken this calamity of war to make political leaders realize the force of Christian missions is establishing the principles of freedom and justice in the world, may we see in it ultimate good and seize our opportunity to further His cause.

We must rid ourselves of out-moded thinking that we can have peace in parts of the world, and be utterly indifferent to oppressed people. After centuries of dull compliance, millions of people are on the march to freedom—intellectual, physical, spiritual. They no longer will be willing compliants to man's dictation.

God is tired of empires and the day has come when the power of Christ's love in redeemed lives is the common ground on which we shall build the new world we must have. Diplomacy and armaments have failed utterly to make permanent and lasting peace between men and nations.

Our responsibility is to keep before us the ultimate ends of this conflict. We must regard the futile expenditure of life as an unforgivable sin. We must resolve that out of this suffering of humanity will come its redemption. That God will reknit the fabric of a new humanity where his righteousness will prevail. This precious heritage we must pass on. In a generation where the sea, land and air is filled with the mechanics of war, where our college campuses have been invaded by the army and navy, and where bombers in practice-flight circle high over our churches, we must work increasingly to keep before our youth the ultimate ends we hope to achieve.

Our sons go out to fight, those who return will have a world vision, understanding, and sympathy if we have prepared them to see it. What a day of opportunity for Christian America (or the part that is Christian) to witness that "Thou art the Lord, even Thou only."

God grant us courage to be thankful for the shadows if out of suffering there shall come a new heaven and a new earth and they shall bring glory and honor of the nations into it.

## Report of Executive Secretary

Mrs. Berta K. Spooner

The only acknowledged hope for our war-wearied world is the Gospel of our Lord Jesus Christ. Woman's Missionary Union devotes itself to telling the story of God's matchless love again and again.

Oklahoma is glad to report to you 1786 missionary organizations. Of these 642 are Woman's Missionary Societies and 1144 are Young People's organizations. Our total membership in these organizations is 36,815.

We temper our rejoicing in these missionary groups by realizing that 221 churches have no Woman's Missionary Societies at all. There should be a minimum of 3,928 W.M.U. Young People's organizations to provide essential missionary education for all of our churches. The presidents of Associations have, in the main, been doing excellent work in starting and helping to maintain new organizations. The change in our reporting system put more responsibility on these devoted leaders, but most of them have risen to this and sent in their summaries of reports on time and many of them quite accurately.

The first quarter thirty-one out of thirty-three associations reported using the new blanks, having received reports from 443 societies. Ten associations were 100% having a report from each society in their association. These associations were: Beckham, Bryan, Central, Chickasaw, Concord-Kiowa, Harmon, Haskell, Pawnee-Creek, Salt-Fork Valley and Union.

The second quarter thirty associations reported, receiving reports from 349 societies, a decrease of 94 societies. Only 6 were 100%: Bryan, Central, Chickasaw, Concord-Kiowa, Harmon and Jackson-Greer.

The third quarter 30 associations reported, from 391 societies, an increase of 42 societies over the second quarter but still a decrease of 52 from the first quarter's report. Eight associations reported 100%: Beckham, Bryan, Chickasaw, Delaware-Osage, Harmon, Haskell, Jackson-Greer and Northeast. Thus you see that only 3 associations have been 100% for all three quarters: Bryan, Chickasaw and Harmon.

The fourth quarter only twenty-five associations reported from 328 societies. Five associations were 100%: Bryan, Chickasaw, Concord-Kiowa, Delaware-Osage and LeFlore. Thus you see that only two associations were faithful to the end being 100% every quarter. They were Bryan and Chickasaw.

We rejoice in the progress made and in the fine co-operation in the use of the new report blanks and with continued faithful co-operation of the associational presidents. I am sure that the reports will be more complete as we learn to use them and insist on reports from each Society.

Reports show only 99 full families, a decrease of 45; 29 Schools of Missions; 10 Mission Study Institutes; 46 Societies observed the Stewardship Night for their Young People; 74 Business Women's Circles.

To be sure the service and study of Woman's Missionary Union are far more important than the reporting of these activities, but through such reports we are encouraged to continue our share in this wonderful business of telling the story. There have been 1503 Mission Study Courses, that is, books studied, among our women and young people in which they have looked upon lands and sections of life sorely needing the living telling of the matchless story. 11591 awards were given. Lifted out of our provincialism by sudden tragic acquaintance

with far places, our mission study becomes an immediate picture of the life of others.

We need the Christian interpretation of current events found in our missionary magazines. We are subscribing to 1662 copies of the Commission, and 3467 copies of the Home Mission Magazine. This is good but by no means good enough. 4124 copies of Royal Service come to our state. Our goal was 4300 so we were 176 short. We are far from reaching our expectations. We must give more attention to the magazines which our young people have access to if a post-war to-morrow is to be created without keen racial hatred and tension. There are many more than 1335 children who need to be reading World Comrades and would delight to do so if they had their own copies. Our goal for World Comrades was 1410 which we missed by 75 subscriptions. Similarly more young women should be encouraged to take and read the Window of Y.W.A. Our goal for their magazine was 560 and we have only 461 subscriptions. We must not overlook the responsibility of our women for this determining factor in the formative interest of our youth but rather that these excellent magazines are provided for their homes.

There are 7578 Covenant Signing Tithers reported—quite an increase from the report of 1941. Now that we are urged to be 10% minded regarding the buying of war-bonds, we see our grievous mistakes in failure to pay our tithes and surely more of us will understand and act on this important scriptural teaching. Money cannot fulfil our duty or our privilege in telling over and over again the priceless news of redemption. We must give ourselves in devoted loving service. We have called this Personal Service but next year our witnessing will be known as Community Missions. As the name Community Missions comes into its own and we begin to use it instead of Personal Service there will be a deepened meaning of our ministries, for missions means evangelization. 597 Societies reported organized Personal Service with 6497 women engaged in its activities.

Each of our District Meetings in the spring was blessed by the messages and enthusiastic presence of Mrs. Shad Medlin of Little Rock, Arkansas or Miss Virginia Wingo, Young People's Leader from Louisiana, and Mrs. W. H. Congdon of Africa. These meetings seem vital to the development of our work, renewing in the spring of the year our resolutions to tell again the precious story. The attendance was good. Every association save two was represented by women and young people from 475 societies, making a total attendance of those who registered 4025.

The summer assembly record of our W.M.U. Department was the best it has ever been. We had 12 classes with an average daily attendance of 853. Five classes were taught by missionaries: Dr. J. F. Plainfield, missionary to the Italians in Tampa, Florida; Mrs. John A. Abernathy and Miss Wilma Weeks from China; Mr. and Mrs. W. H. Congdon, Africa.. Others who very graciously taught for us were: Mrs. Walter Lane formerly of Alva, Oklahoma, now of Wichita, Kansas, Mrs. M. S. Whitehead of Wewoka, Mrs. Lina Beck Hoppel, Oklahoma City, Miss Margaret Folts of Muskogee and and Reverend Gordon Paschall and R. Milford Howell, two of our pastors. We are deeply grateful for every service rendered.

Our goal for membership in the Hundred Thousand Club for this year is 1250. Your reports show that you have paid 21,096.00 or 1758 Memberships. Nineteen associations going over their goal of memberships. Delaware-Osage Association led by doubling their goal—going from 45 to 90. North Canadian Association increased their goal 28. Northeast 23, Pawnee-Creek 19 and Muskogee 10. All have done

well. Every association accepted its goal at the beginning of the year which was a fine indication that they would succeed. Oklahoma County Association reports 8 Centennial Memberships and Pottawatomie-Lincoln reports 4, making a total of 12. Our young people are sharing with us in our effort for a Debtless Denomination. 18 Associations reported \$228.12 given by their young people. 100% churches for this year, are, Irvings, Mullins Association; Central church, Muskogee; New Hope, South Memorial, Nicoma Park, Downtown, Hope-well, Hillcrest, Fortieth Street, Beulah, Lawrence Avenue, Putnam City, Washington Ave. in Oklahoma County Association; Immanuel, Coffeyville, Kansas in Delaware-Osage Association; Amber in Chickasaw Association; Immanuel, Nogales Ave., Oakhurst, Broken Arrow in Tulsa-Rogers Association; Blanchard in Union Association.

This year to the children in our Home you have sent clothing valued at \$5015.91. Linens, quilts, eggs, turkeys and chickens, cakes and cookies, canned fruit and vegetables and miscellaneous items, \$6706.65. Cash for school books, shoes and clothing \$2877.02, making a total of \$14,599.58 that you have given through your motherly care of these precious children.

Your secretary has moved freely from meeting to meeting where possible and has always been grateful for the friendly hospitality and evidences of co-operation in our large task of telling His story. Mrs. Carden has faithfully promoted the Young People's work and Miss Marjorie Keys has ably served in the office. Together we have endeavored to answer every call promptly.

So long as the message of love has not permeated the world, so long as people wait to become new creatures in Christ Jesus, we must go on with increasing zeal in the business of missions. Women of Oklahoma can do more than we have been doing. No matter what emergencies we meet in the months ahead, what government rationing orders may come, we can overcome handicaps by re-vamping our plans but continuing earnestly our program of mission study, stewardship and service. We shall continue undaunted to share in the sure success of Christ's coming Kingdom, as we tell His story again and again.

With some conception of the needs growing in our minds and hearts, Oklahoma W.M.U. gave during the past year the following:

## Report of State Young People's Leader

Mrs. Bill V. Carden

No other group in all the world cry out more often nor more earnestly, "Tell It Again," than do little children, and no story in all the world is more fascinating to them than the story of Jesus and his love for the lost peoples of the earth.

As youth steps from childhood into manhood and womanhood the thrilling story of missionary adventures catches up their interests and directs them in life's choices.

As we write the story of missionary training among the young people of Oklahoma it is largely a story of "needs"—for we scarcely pause to write the record of 1942, for the tasks waiting to be done in 1943 cry out so loudly for attention.

We anticipate in 1943 a helpful increase in auxiliaries reporting quarterly to the associational young people's leaders. Only 686 of the 1144 auxiliaries on our records, reported any quarter of 1942. With reports from 54% of our auxiliaries reaching our office, you can readily see the inaccuracy of many of our statistics—much of which must be based on estimates.

The plan inaugurated in 1942 is for the report blanks of all auxiliaries to be mailed quarterly to the local presidents. She is to distribute the blanks and see that they are properly used—each auxiliary reporting each quarter to the associational young people's leader, who in turn renders a tabulated report to the state young people's leader.

We were especially blessed to have assisting us in the summer months, Miss Margaret Speake, W.M.U. Training School graduate from Alabama; Miss Margaret Foltz, Training School student; and Miss Wilma Weeks, missionary to China.

Mrs. T. H. Boggess, Oklahoma City, served as director of the state G. A. Houseparty at O.B.U. July 7-10. Besides the three listed above, Mrs. T. Shad Medlin served on the Houseparty Faculty. One hundred thirty-nine girls attended—an increase of nearly 25% over 1941. Two hundred fifty seals and eighty-five certificates for mission study were granted. Twelve queens were crowned in the Coronation service.

Mr. Luther Harrison of Oklahoma City directed the R.A. Conclave at Falls Creek, July 14-17. Sixty-nine boys attended bringing the increase over 1941 to 25%. Serving on our faculty were Mr. Albert Craighead of Roumania, Reverend and Mrs. G. K. Cobb of Red Rock, Reverend Max Stanfield, State Office, Reverend J. A. Russell, Reverend Lee Afill and Reverend Gordon Paschall, Misses Margaret Foltz and Margaret Speake. Tangible results were 5 conversions and 12 dedications.

Encouraging was the response to the missionary teachers presented at the state assembly. Mrs. J. A. Abernathy and Mrs. W. H. Congdon taught more than 100 Y.W.A.'s in each of their two classes. Miss Wilma Weeks had an overflowing class of more than 200 Intermediate G.A.'s. Intermediate boys were taught by Reverend Gordon Paschall assisted by Dr. J. B. Rounds. Reverend R. Milford Howell and Reverend B. D. Vanderslice taught the Junior R.A.'s. Mrs. Walter Lane taught Junior methods and Mrs. M. S. Whitehead taught the Junior G. A. Mission book. Mrs. Lina Beck Hoppell taught the Sunbeams.

Schools of Missions were promoted for the month of October as

our emphasis for enlisting the entire church in mission study. Dr. J. Hundley Wiley, Dr. A. B. Deter, Dr. W. W. Adams and Reverend J. Christopher Pool served in these schools.

Reports of various district and associational activities will be appended to this report as will reports of Grace McBride and Ann Hasseltine Y.W.A.'s.

Attendance at Ridgcrest Y.W.A. Camp was 10 with Miss Wilma Weeks acting as chaperone.

A statistical report follows:

## Report of Executive Board

How fitting it is that as we face the dawn of a new year with its responsibilities and its opportunities we shall give a backward look to the achievements of the past, giving thanks to Him who has guided us down the way "For the Lord giveth wisdom, out of His mouth cometh knowledge and understanding." Prov. 2:6.

Surely this is a testing time; a time when we must keep abreast of the changing world in which we live. Therefore we would earnestly endeavor to plan wisely for advance along all lines of mission service "That all the kingdoms of the earth may know that Thou art the Lord, even Thou only." Isa. 37:20.

On January 12th and 13th a two day session of the Executive Board of the W.M.U. of Oklahoma was held in the Assembly Room of the Baptist Building in Oklahoma City.

The first day was given over to conferences conducted by the Departmental Chairmen. Since the Young People's Secretary was ill this phase of the work was conducted by Mrs. J. E. Kirk of Holdenville.

Dr. Andrew Potter, Executive Secretary of the Baptist General Convention, was presented and spoke briefly.

It was our privilege to have with us Mrs. Elizabeth Routh Pool of Ogbomoso, Nigeria, Africa, who displayed many interesting articles brought from her field of service.

In the evening session Dr. Christopher Pool of Africa gave an interesting talk on the work being carried on in Nigeria by our missionaries.

The business session was held the following day, January 13th. At this time reports of the Departmental Chairmen were presented and adopted.

Since the State Young People's Secretary, Mrs. Bill V. Carden, could not be present because of illness, Mrs. A. F. Crittendon moved that we remember her at this time. The motion carried and on motion by Mrs. R. Y. Bandy it was voted to send a gift to Mrs. Carden as an expression of our love and appreciation.

Mrs. T. W. Stevens of Muskogee reported on the work she had been doing among the Indian women.

Mrs. Wilhoite introduced Miss Ina Comings, Young People's Leader of Cherokee Association and Miss Spaniard, Young People's Leader of Muskogee-Seminole-Wichita Association, who responded briefly.

On motion of Mrs. J. H. Wells it was voted to continue our Indian work through the State Mission Offering.

Mrs. Spooner reported on the efforts being made to assist the Negro women in their work and Mrs. R. Y. Bandy moved that we continue the work of helping the Negro women and that in addition to the \$25.00 per month for a field worker we include an additional \$7.00 requested by their State Secretary of Women's work.

An appeal for the work among the Mexicans in Oklahoma City was presented by our Executive Secretary, stating that the Home Mission Board has set aside \$5,000.00 for a building for the Mexican

church in this City and Oklahoma County Association has asked us to make a contribution to this building from our State Mission offering.

Mrs. A. L. Aulick moved that we make a gift to this work and Mrs. T. W. Stevens moved that the motion be amended to read "a gift of \$800.00." The amendment carried and the motion carried as amended.

Mrs. Spooner read a letter from Betty Stephens Lide, missionary to China, thanking the W.M.U. for the magazines which she has been receiving.

A report of last year's financial record was presented by the Executive Secretary and adopted.

Mrs. Spooner also presented the new report blanks for the use of the Associational Presidents. After discussion Mrs. A. J. Emerson moved that the words "mission study courses" on these blanks be changed to read "mission study classes." The motion carried.

The president appointed the following committee to work on the revision of the blank reports for the use of the local societies:

Mrs. R. D. Sheldon, Mrs. J. E. Kirk, Mrs. G. P. Selvidge and the Departmental Chairmen.

On the morning of September 3rd the Executive Board convened again in the Assembly Room of the Baptist Building in Oklahoma City. The day was devoted to conferences. These were conducted by the Departmental Chairmen, by Mrs. Bill V. Carden, the Young People's Secretary, and by Mrs. Berta K. Spooner, who had charge of the conference on general W.M.U. work.

In the evening session the devotional was brought by Miss Wilma Weeks, Missionary to China.

The remainder of the evening program was conducted as an open forum with State Chairmen acting as "experts" in response to "Information, Please."

On Friday morning, September 4th, the regular business session was held.

The minutes of the meeting of the Advisory Committee were read and the secretary also read the plans and policy program for the year 1943 recommended by this Committee. On motion by Mrs. T. W. Stevens of Muskogee it was voted to adopt this program as read.

The secretary also read a letter from Mrs. J. C. Hering, W.M.U. Training School Trustee, who reported having granted to Miss Minta Mae Drake of Drumright a scholarship to the W.M.U. Training School at Louisville, Ky.

In the absence of the Stewardship Chairman, Mrs. A. F. Crittendon, the recording secretary presented a report of the Southwide Stewardship Conference held in San Antonio in May.

The reports of Margaret Fund, Mission Study, Personal Service and White Cross having been filed with the secretary by the respective Chairmen it was moved by Mrs. Frank Webb that these reports be adopted. The motion carried.

Mrs. Samaria Leader spoke of the excellent work being carried on by Mrs. T. W. Stevens among the Indian women and of the high regard in which they hold her, evidenced by the fact that they—both young and old—call her their "white mother."

The president stated that when the new "House Beautiful" was being constructed the different states had sent stones to build the fireplace and the stone Oklahoma sent was from the foundation of the church where the first missionary society among the Indians was organized. In response to a request from Mrs. Spooner, Mrs. Addie Carr Smith drove with her husband to this old church near Eufaula and secured this stone from the foundation of the church. Following is the letter, written sometime in March 1941 which was sent with

the stone and is on record at the W.M.U. Training School in Louisville, Kentucky:

"It was in the year of 1889 that Miss Annie W. Armstrong came from Baltimore, Maryland, to this Creek country for a visit of several days with the Indians. She came to Eufaula, Oklahoma, by train and at Tuskegee Indian church, which is eight miles west of Eufaula, she taught the Indians to make bread and wine for sacrament. She also helped organize the first local missionary society among the Indians.

"From Tuskegee she went to the old town of Wetumka by stage coach and stopped at the Hotel Benson, which was owned by my aunt. She worked in that territory for a while. From Wetumka she journeyed on by horseback to a little town called Sasakwa which was 38 miles from our town, taking Miss Mary Colbert along as an interpreter.

"Since I was only a small girl at the time, little did I realize as I held her horse (she rode my pony) that she was one of our greatest missionaries.

"So we, as the Creek Indians, are very thankful for the life of Miss Annie W. Armstrong. As an individual I am happy to say that my husband and I are the only people now living who knew Miss Armstrong."—(Signed) Mrs. Addie Carr Smith.

Mrs. Smith passed to her reward on October 12, 1941.

A report on the work among the Negro women was brought by Mrs. Spooner who read a letter from Dr. Aldredge expressing appreciation of our efforts in giving scholarships to the two Negro girls who have been in training at Nashville, Tenn. These scholarships are \$360.00. The W.M.U. of Oklahoma is also paying \$300.00 toward the salary of Miss Maggie Bruce, Negro field worker. The request comes that we pay \$35.00 a month toward the salary of a young people's leader among the Negroes. Mrs. J. E. Kirk moved that we continue the work we have been doing among the Negro women and also furnish this amount toward the salary of a young people's leader. The motion carried. This work will be financed by our one-half of the State Mission Offering. Mrs. Spooner stated that the \$7.00 we voted in our last Board meeting for the Negro work was not used as the plans did not work out as expected.

Mrs. Spooner reported that the \$800.00 voted by the W.M.U. of Oklahoma for the proposed Mexican Church in Oklahoma City has been given and that the lot for the church has been purchased.

Mrs. J. E. Kirk reported for the committee on revision of blank reports for the use of the local societies stating that this committee was not yet ready with a report. The president added to this committee the following names: Mrs. Warren Cottrell, Mrs. John Potter and Mrs. Z. Z. Prince.

The report of the Committee on Recommendations for the year 1943 was presented for discussion. Mrs. W. R. King moved that the report of the committee be accepted. These recommendations will be presented at the Annual Meeting for adoption.

Mrs. T. W. Stevens moved to appoint a committee for the revision of the Associational Standard. Motion carried and the president appointed on this committee: Mrs. Geo. Boston, Mrs. B. F. Sanderson and Mrs. C. A. Barnes.

The president presented Dr. Andrew Potter, Executive Secretary of the Baptist General Convention, who spoke briefly on the unified budget.

On Monday morning, November 9th, the Executive Board met in the First Baptist Church of Oklahoma City for a business session.

After routine business was transacted the report of the Committee to revise the Associational W.M.U. Standard was presented by Mrs.

George Boston, Chairman. This report was adopted with slight changes.

The recommendations for the year 1943 were presented for further consideration.

Mrs. Spooner reported having met with the Plans and Policy Committee of the Baptist General Convention and spoke of the enlarged program to be presented to Oklahoma Baptists at the Annual Convention convening November 11th.

After expressions of commendation from the individual members of the Board Mrs. A. F. Crittendon moved that the W.M.U. of Oklahoma heartily cooperate in this enlarged program to be set up for 1943. The motion carried unanimously.

Since the Committee on revision of report blanks for the use of the local societies was not ready to report the president announced this committee would be continued until such time as they could bring a completed report.

Respectfully Submitted,  
Mrs. C. A. Richards,  
Recording Secretary.

#### REPORT OF MARGARET FUND

"For the Lord hast made me glad through thy work. I will triumph in the work of Thy hands" (Psalm 92:4).

We give thanks for His wonderful blessings on the Margaret Fund work through the years and rejoice because of its past achievements.

For the hearts that have been made happy; for anxiety that has been dispelled; for the confidence that has been inspired; for the loads that have been lifted; for the lives that have been blessed and the souls that have been saved through the Margaret Fund work we are glad, and "Shout unto God with the voice of triumph."

Because of the ravages of unrestrained war, many of our mission fields are temporarily closed to the Gospel, yet God's promises are true and His purposes do not change. The Old Testament relates the faithfulness of God to His people and inspires us to keep on keeping on. In the story of Ruth and Naomi, the older woman's faith inspires the younger woman to say, "Thy people shall be my people and thy God, my God."

So in the work of the Margaret Fund, many students have said and are saying to Woman's Missionary Union, "Your aim shall be my aim, for we are 'laborers together with God' and you 'That all the Kingdoms of the earth may know that Thou art the Lord, even Thou only.'"

War is taking and will take more Margaret Fund students who desire to be of service to their Lord and country. Because of their education thus far, they are better prepared to skillfully serve in the establishing of peace.

Great national leaders are realizing that tomorrow's world depends on today's youth, and are conducting on a great scale programs of training of youth to make tomorrow's world what they desire it to be. Today when our country is calling for college graduates in every phase of war endeavor, we realize more and more the value of education, and rejoice with praise to our Father for the Margaret Fund. We render unto God the glory for its past

achievements and its future possibilities for kingdom service and valuable service for our country.

The youthful hearts of our Margaret Fund students feel that impulse of heroic living that leads them to dedicate themselves to the missionary cause and answer their country's call to service. They are thrilled with the challenge of the tremendous tasks that lie ahead, when:

"The night lies dark upon the earth, and we have light;  
So many have to grope their way, and we have sight;  
Foot-sore, heart-weary, faint they on their way  
Mute in their sorrow, while we kneel and pray"—That  
the kingdoms of the earth may have Christian peace.

Back of such a groping and stretching forth of lame hands are hearts hungry and waiting throughout this war world for the Gospel of peace. Our responsibility lies ahead, when God opens the doors of the nations again for His glorious Gospel.

We pray that many of our Margaret Fund students will be missionaries in the homeland and on foreign soil, for we know that from these students must come our missionary recruits of tomorrow.

As we mobilize for spiritual world peace in the days ahead, we realize that gifts through our "Seasons of Prayer" for Margaret Fund Scholarships are eternal investments.

The missionary is the foremost apostle of Christ's glorious Gospel and his contribution to a better world order is immeasurable to help establish permanent peace among all nations, which will come only when the Prince of Peace is enthroned in the hearts of earth's people.

Our zeal for missions is awakened and sealed anew in our year's watchword: "That all the kingdoms of the earth may know that Thou art the Lord, even Thou only." May we do the will of Christ through this ministry as we aid in this beautiful service of Woman's Missionary Union.

Following the admonition of the Margaret Fund watchword: "Guard that which is committed to thy trust" we are seeking to extend encouragement and cheer to our students, also strengthen them in the words of Paul to Timothy: "But abide thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them."

Let us take to our hearts with renewed devotion the work of the Margaret Fund, and,

Keep telling the story, although its not new,  
Keep telling the story so true;  
So cherished by missionaries and students too,  
So dear to the hearts of W. M. U.  
Tell it again—Tell it again,  
The Margaret Fund story repeat o'er,  
Until none can say of the children of men,  
I've never heard the old story before.

Respectfully submitted,

Mrs. D. H. Bell, Chairman

Oklahoma Margaret Fund students for 1942-43: Carey Johnson, 508 E. Macy St., Norman, Oklahoma; John Bice, care of Men's Hall, O. B. U., Shawnee, Oklahoma.

**REPORT OF MISSION STUDY CHAIRMAN****"Tell It Again Through Study"**

While Woman's Missionary Union supports all phases of denominational work its real business is to tell the Gospel story again and again in the country, the city, the state, the homeland and around the world. Missions is the heart of the Gospel and missions is the heart of Woman's Missionary Union, its supreme task.

There are many methods by which W.M.U. tells the story of Jesus, one of the most popular being the printed page. Dean Vaughn said: "Know and you will feel. Know and you will pray. Know and you will help. You will be ashamed of the sluggishness, of the isolation, of the selfishness which has made you think only of your own people and your father's house." Information is the key to interest. This is the mission of the printed page: to cause others to know. Many times doors which are closed to human approach may be entered by the printed page. It can go to the farthest corner of the state and prepare the way for the living messenger and for the reception of his message. The printed page remains long after the messenger has gone, to reinforce what has been said. Through literature the great men of the world speak to us. Voices long silent speak eloquently and pass on to us the experiences of ages now buried beneath the dust of centuries. The radio, the telephone and the wireless cannot bring to our knowledge the message of Moses, the oratory of Isaiah, the ideology of Paul nor the teaching of Jesus. It is to the printed page that the world is indebted for those matchless words which have shaped the history of the ages.

Among the books in the missionary education courses of Woman's Missionary Union are books on world missions and on the missionary teaching of the Bible. Knowing that the Bible is the first and greatest mission text book, Woman's Missionary Union members are its enthusiastic students. The missionary study of the Bible is the preparation for the study of books on world missions. More and more it is being realized that "The Acts of the Apostles" did not end missionary endeavor. Modern mission books tell stories of adventure more thrilling than the life of the Apostle Paul.

Telling the Gospel story through the printed page has an influence on the one who tells as well as upon the one who hears.

1. Creates right attitude.

"Missions is essentially an attitude toward other people" (John Irwin). We cannot have the right attitude toward people we have not seen and do not know. Nor, how can we have the missionary attitude toward people we have not seen and do not know exist? The first duty of missionary education is to acquaint the student with the people of the world in order that they may have an attitude of love and interest in them.

2. Reveals human need.

There is a tendency to protect ourselves from seeing human need. It seems to be a part of modern civilization. The sick are sent to hospitals, the aged to institutions, government hospitals take care of sick and wounded soldiers, the underprivileged live in a section of town far from our own while the rest of us drive about "in closed carriages" forgetful or not knowing of the need about us. Our need is to be brought face to face with the need of others and having that experience our hearts will respond just because we are human and we are Christians. Books on missions reveal the needs of the peoples of the world.

## 3. Increases giving.

There is a vital connection between knowledge of the need and Christian Stewardship. The question arises, "When shall we begin to collect money?" The place to begin is where the refrigerator or automobile salesman begins. First, he gives information. That leads to interest. Interest leads to action and the money is forthcoming. Money is the means of action but it is not all. There must be knowledge of need and knowledge of the immortal value of money. The student of missions not only knows the needs of the world but is brought face to face with the fact—money invested in human lives becomes immortal. "Money that contributes to the onward sweep of truth is as imperishable as truth itself. Treasure that is spent for the Kingdom of God is beyond the reach of moth or rust" (J. T. Storhing).

## 4. Develops self-denial.

By knowing the needs of the world and the immortal value of money the student advances in the spirit of self-denial and self-sacrifice. It is said that Fritz Kreisler regarded the money he earned as public money, a fund entrusted to his care for public disbursements. He constantly reduced his needs to the minimum. He could not enjoy a costly meal for he knew it deprived a child of a slice of bread or a glass of milk. Self-denial was his motto. Only by self-sacrifice and unselfishness can the abundant life be lived.

Thus telling the story of Jesus' love uplifts the one who spreads the good news. To the one to whom the story is told and accepted, it means joy, peace, salvation and life everlasting.

"Tell it again, tell it again,  
Salvation's story repeat o'er and o'er  
Till none can say of the children of men  
Nobody ever told me before."

—Mrs. A. L. Aulick

**REPORT OF SOUTHWESTERN BAPTIST SEMINARY****Ft. Worth, Texas**

In a letter from Mrs. W. A. Johnson, Superintendent of Women of the Baptist Seminary, she says: "I am writing you early in the year so that you will know the girls from Oklahoma who are preparing in Southwestern for more efficient service. They are: Helen Flechs, Frederick; Loree Jones, Hollis; Ardelle Hallock, Norman; Mary Jane Redwine, Tulsa; Jewell Smith, Tulsa, and Oleta Snell, Carnegie.

We covet your prayers in remembrance of them. We assign them a Texas mother who will join you in helping to make them happy while with us. Keep our great school on your prayer list always."

**REPORT OF THE WOMAN'S MISSIONARY UNION  
TRAINING SCHOOL**

Never has the world been more in need than today of hearing "The Old, Old Story," and there is a group, an ever enlarging company of witnesses, ready and eager to "Tell It Again" whenever and wherever the opportunity comes the world around. I refer to the host of graduates and present students of our Woman's Missionary Union Training School at Louisville. This past spring 53 new graduates stepped out into a war-torn world to "Tell the Story," wherever they might be led or called.

Last September 88 boarding and 75 day students entered the Training School, 163 in all. Of this number two are really Oklahoma girls. Just before school opened Miss Margaret Caroline Foltz, a senior, married Mr. Walter Schmidt, thereby joining the group known as "day students." Mrs. Schmidt will graduate next spring and with her husband, who is a Seminary student, a preacher, will engage in Christian work, preferably on a Foreign Mission field. Our one student who calls Oklahoma her home is Miss Minta Mae Drake of Drumright, a scholarship student this year. She is so well prepared educationally and in her religious background that we feel she will make an excellent student in "Missions," her chosen field of work.

Last February I had the pleasure of attending our annual Board Meeting at the school, enjoying for four days the beauty, comfort and conveniences of the new building. You have heard of the new House Beautiful in many talks as well as through Royal Service and other printed matter. Suffice it to say at this time that it is all and more than has been said and written about it. The final dedication took place while the Board was there in February. You will remember it was dedicated completely furnished and without debt.

Three advantageous changes have come to the School this fall: first, the new teacher in the department of Speech also gives a course in physical education, a new and much needed course; second, Dr. Mary Sampson is resident school physician while carrying some of the class work. This is our first resident physician; third, and last and best, the fondest hope of all connected with the beloved school is being realized this fall in the joint classes of Seminary and Training School students. Now all classes which are taught by our Seminary professors meet in the Seminary together, the largest classes being divided into two sections. Of course, the classes taught by the resident faculty of our school continue as usual in House Beautiful.

The needs of the world are great and undreamed of opportunities are in the offing for those training to serve. Therefore, I ask your prayers for our Woman's Missionary Union Training School, its faculty and students as they prepare to meet this unusual challenge and "Tell the Story" to an anxious, weary, waiting world.

Respectfully submitted,

Mrs. James C. Hering, Trustee.

### **"TELL IT AGAIN" THROUGH COMMUNITY MISSIONS**

Since that long ago time when Martha approached Mary and said, "The Master is come and calleth for thee," Jesus has been continually calling women to a ministry of personal witnessing. As tender, loving, solicitous hands cared for every physical need of the Savior, when he was upon earth, so they have continued to serve a needy humanity in His name.

And so peculiar to the special service women can render through personal service we come today to introduce you to a way we can "tell it again" through Community Missions. For is not personal service missions in the community, ministering in Christ's name to physical needs, giving spiritual comfort by prayer and Bible reading, leading and guiding the foreigner, the Negro and the Jew to Christ and instructing them in the Way?

One of the greatest needs in this busy world of ours today is to find Christians who will give the time to visit in homes of sorrow, distress and poverty. The personal touch by an interested Christian woman under such conditions does much to promote Christian fellowship. When physical needs are to be met, this circumstance may lead to the winning of an individual or family to whom such helpful ministrations have been given. This also affords opportunity to give spiritual comfort through prayer and Bible reading. For fear of offense often when visiting in homes we miss the opportunity to read from God's word selected passages that give comfort to sad hearts, conviction to the sinner, and hope to the erring and straying. Because of timidity we fail to offer a prayer to God for His guidance and blessing upon those whom we are seeking to help. Many people are hungry for a message from God's Word and the assurance that He will hear all who call upon Him. Today when we will be largely confined to our home communities, let us enlist every woman in our societies "to go and tell what great things the Lord hath done for them."

For purposeful visiting it may be helpful to confer in some cases with social welfare workers. More and more women will be called upon to help the underprivileged children of their communities by assisting in nursery school work, in better home care classes for the mothers of these children and in general in uplifting the social life of the community. Careful and prayerful study should be given the new book "Guide for Community Missions" by Mrs. George Davis. It will furnish many clues to helpful community projects.

We can tell it again by leading and inspiring our Christian women to set up family altars in their homes. Our youth needs, more than ever, to be undergirded in the Christian faith if family life and homes are to be secured to future generations. Surely this is the means of strengthening home ties as our boys go away to places of service for their country.

Under the direction of our Community Missions chairman, may we canvass our communities in order to find the needs that are opportunities to the Christian. And then may we enlist all the

women and young people in helping to meet these needs. Quoting our Southwide Community Missions Chairman: "Negro women need help in training their young people; the foreigners need friendly visits from Christians and Christian literature and ministrations that lead them to know Christ; the men in armed service need Christian fellowship that strengthens them in maintaining Christian standards; the unsaved in communities need prayers and visits of Christians; the indifferent and unaffiliated Christian needs closer fellowship with Christ and His Church. Whatever be the need for manifesting Christ in your community, see that need and meet it. That is Community Missions."

As we look back over the past year's work we find only 116 societies reporting that they had engaged in directed personal service. We feel that this is just a small fraction of the number really endeavoring to do personal service. May another year find more than 2,441 women reported as doing personal service with only 93 societies definitely engaged in soul-winning activities and a sparse 61 organizations of our young people enlisted in personal service work.

When we see that the emphasis is put on enlisting **all** women and young people in doing **mission** work in the community rather than on "how it is done" we will surely have more freedom in reporting. When we understand that community missions is doing **that** which any missionary on any field finds to do to relieve the need and suffering of the people on his field and to present Christ in the doing of it, we will try to be busy about our Master's business.

Mrs. R. Y. Bandy, Chairman.

### REPORT OF STEWARDSHIP CHAIRMAN

It has been a pleasure to think with you this year on the question of stewardship, one of the six chief aims of the W. M. U. In the Financial Calendar for 1942 we would see written as the first object in every month the Baptist Hundred Thousand Club, and why not, as long as there is a debt on any Southern Baptist agency or institution and we could pay that debt **any** month. Why not call attention to it every month until every Baptist has had a part in paying every dollar of every debt.

You were asked in January, and urged to appoint a Hundred Thousand Club chairman in each society, each association and each district and to expect and call for reports from all of these chairmen regularly. There are three district stewardship chairmen from whom I have been unable to hear during these nine months, while many others have reported every quarter. If we could have had the most reliable, permanently located, interested in debt-paying persons, as chairman in all of these places our report could have been much better. The Hundred Thousand Club officer in the local Missionary Society is of first importance. Upon her energetic and enthusiastic leadership the associational reports depend, and the state report is dependent upon the combined reports of the thirty-three associations.

Certainly none of us want Southern Baptists to come to the 1945 anniversary session with a debt on any of its agencies or institutions. How heartening it would be if, as Dr. J. E. Dillard suggests, we "should be free in 1943," and accumulate a missionary fund of several hundred thousand dollars before 1945 with which to meet the unmatched opportunities of the days ahead in answering the calls of our needy world.

I am happy to report that most of our women took the debt-

paying task seriously and while we were asked for 1,250 memberships in the Baptist Hundred Thousand Club, we have 1,450 pledges and twelve Centennial memberships, eight of these coming from Oklahoma County association and four from Pottawatomie-Lincoln Association. Our goal in cash was \$15,000.00, and in these nine months we have already paid in \$14,378.95. In the remaining three months of 1942 we should receive the balance of \$3,021.00 pledged and thus go far beyond our goal.

One association, Central, was asked for forty memberships—they pledged 43 and have already over-paid for the entire twelve months on the 43. Eighteen associations pledged over their apportionments, while five associations have made commendable records in pledging and **paying**. The Delaware-Osage Association leads the state by doubling their apportionment of 45 memberships to 90. North Canadian, Northeastern, Pawnee-Creek and Muskogee associations have made large increases in pledges and in payments up-to-date. For these we are grateful!

Throughout this fateful year in the world's history and a trying year for our denominational work, I have endeavored to call our Oklahoma Baptist women to consider our "Larger Stewardship." We have had called to our attention through the **Baptist Messenger** some Bible teachings on the Stewardship of Life, Time, the Gospel, Talents, Vocation, Home Influence, Prayer, Evangelism, Opportunities and Personal Service. In December we will consider the Stewardship of Possessions.

In thinking of our Larger Stewardship we are learning that true Christian living in **all** of these named spheres is what really counts. There can be no acceptable service without a surrendered life. Money alone will not meet the world's greatest needs, though it be given in large amounts. **What is needed** is the **actual** enlistment of every redeemed soul in the work of the kingdom of God. The Lord wants men who count, not merely those who are counted. A great general once said, "I would I had as many soldiers as Men," so our great Captain looks upon His church and deeply yearns to have as many life-enlisted soldiers of the Cross as there are members of the churches. A Larger Stewardship points the way by which "every Christian would count, not merely be counted." "Stewardship isn't an elective in the University of God's grace, but should be **everybody's** major."

Victor Hugo is credited with saying, "There is nothing quite so powerful in the world as an idea whose time has come." We are convinced that the time has come for the idea of Christian Stewardship to become a powerful force for world betterment. Training in Christian Stewardship is necessary, the hope of the future naturally lies in the training of our young people and our present constituency. It is the part of wisdom to train to meet the needs of today and of the days ahead. Certainly the major need of our generation is for a practice of Christian stewardship which will make possible a missionary advance which will lead a real crusade of Christian conquest. Missionary advance waits on stewardship training and practice. Strange as it may seem Jesus spoke often of the effect which material possessions have upon the soul. In the sixteenth chapter of Luke, which discusses possessions and their effect upon the spiritual life, Jesus makes it plain that nothing more surely ruins one's soul than a wrong attitude toward possessions. The servant, as you recall, is accused of wasting his Lord's goods and must give an account and can be no longer steward. Although a bad manager, he has shown that he knew how to look out for

himself while he had the authority. He is commended, not for dishonesty, but for his shrewdness and ingenuity. Then Jesus asks, "Why should the children of this world be wise in using their resources to provide for their security, while the children of light fail to use their resources to lay by treasures in heaven?" Then the command, "Make to yourselves friends by means of mammon that when it fails they may receive you into the eternal tabernacles." Use your means in such a manner as to secure friends in that eternal world which abides forever.

The much quoted Roger Babson says, "the need of the hour is not more factories, or materials, railroads, steamships, armies, navies, but rather more education based on the teachings of Jesus." The W. M. U. has a wonderful opportunity through the channels of their organizations to help in giving stewardship teaching to our women and young people.

Unusual times demand unusual men and women. We have them in science, government, army and navy—most everywhere except in Christ's army, where all too few are willing to risk the practice of what we have been taught of stewardship and trust God to fulfill His promises.

We were startled last spring when the siege of Corregidor had ended and we learned of the burning of \$100,000,000 of currency, useless paper. It could not be taken off the island, it could not be left for the Japanese. The only thing to do was burn it. For once money didn't matter, time was precious, and time was running out on Corregidor. Our time is precious and one day will end. Seeing then that all these things shall be dissolved, what manner of stewards ought ye to be in all holy conversation and godliness (2 Peter 3:11-14)?

Mrs. A. F. Crittendon

### REPORT OF WHITE CROSS CHAIRMAN

In the third chapter of Acts we find the record of the healing of the lame man "At the entrance of the beautiful gate of the temple." Oh! what a crippled, palsied world we are living in today. The cry is for more arms, more men, more of everything, but I come to you and beg you to remember the world's greatest need is for more of the healing power of our all sufficient Saviour and Lord. Broken bodies are terrible, broken minds are growing in numbers, but broken spirits are deplorable. The world needs help and they are begging desperately. May we answer the call with material things then add the great physician of body and mind and spirit. That is the essence of White Cross.

Red Cross is a marvelous movement and one that is so important just now that anyone of us would feel cheated if we did not get to have a large part in Red Cross but White Cross is much more important to the Christian world. We go with healing not only of body but with the word of life as well. Slipping in when bodies of men are down and discouraged, planting a desire to not only live but love for Christ eternally.

His ministry is one of mercy. Jesus went about doing good. The blind, lame, palsied, deaf, dumb and sick people suffering from all known diseases called upon Him but not in vain. Medical missionaries can go through many open doors that others cannot peek.

Through the Children's Home in Ogbomoshos, Nigeria, Africa, we are reaching a few parents and hoping to train native workers to go out after a few short years to their own color and kin to tell the

marvelous "Good News" they received along with the habits of cleanliness and every day manners of a cultured world.

So far the war has not touched our Missionary work in Africa and the work would go on as usual if our missionaries were not human but they have to take turns coming home for rest. Let us pray that God will speed the day when many of them can return rested to their fields and many new ones, young and full of life and love for His cause go with them.

An immeasurable change has come over the world's appraisal of the missionary. Without design or promotion he has risen to unexpected heights of honor. His selfless service in the war torn corners of the world has caused this. Chas. A. Wells says, "No United States Military Commission in China will ever do half what he has done to hold the soul of China together. If our diplomats in the Far East had consulted the veteran Missionaries oftener and the Trade Barons less we would have understood the Japanese problems better and we would have been much more likely to achieve a peaceful Pacific without bathing its shores in blood."

After generations of humble, loving service the missionary towers across the world, representing the white man at his best.

Dr. A. F. Wasson at Muskogee and Miss Florence M. Worley at Miami each report great good being done in our Oklahoma Hospitals. Our supplies have flowed in from every corner of the State. The need is for more nurses. Again we beg you to pray for more student nurses, more patience and more love for a lame world who is at our Gate begging for alms such as we have.

Look over the following statistical report coming from our State Office and refresh yourself with the inspiration a report like this gives you. Some Societies did more than was expected of them. Check your record and see if you were in that group. Thanks to every one of you.

Respectfully submitted,  
Mrs. T. Grady Nanney.

## Reports from the Districts

### REPORT OF CENTRAL DISTRICT

When the missionary minded women of Oklahoma met together in the early years to perfect an organization they chose for their motto "Fellow Helpers to the Truth." Through the years many have lost sight of this motto but in Central District the Associational Presidents have truly been "Fellow Helpers to the Truth." It is because of their labors that this report has been made possible. How grateful we are for their splendid co-operation.

Particularly gratifying has been the response of the women of Central District to the call of the Hundred Thousand Club. This District was asked for 228 memberships or \$2,736.00 and the annual reports for 1942 show that \$4,190.15 has been given.

Reports from the four associations show that splendid work is being done in every department. Oklahoma County exceeded ALL of her goals for 1942. Fine reports come from the Baptist Business Women's Federation of Oklahoma County also. Central Association went beyond her goals in subscriptions to Royal Service as well as all financial goals. Chickasaw Association exceeded not only all of her financial goals but also her goal for Royal Service subscriptions. All of the financial goals were met in Union Association. Splendid interest has been manifested in the regular quarterly rallies held in each association.

We were privileged to have in our District meeting at Chickasha Miss Virginia Wingo, Young People's Leader of Louisiana, Mr. Harold Hall of China and Mrs. W. H. Congdon of Africa who brought fine inspirational messages. The offering for magazines to be sent to our Oklahoma missionaries was \$11.35.

Our aim for 1943 is more Schools of Missions and more churches observing annual stewardship night.

Respectfully Submitted,

Mrs. C. A. Richards,

President Central District.

### REPORT OF LAWTON DISTRICT

Lawton District is a new district composed of three associations: Caddo, Comanche-Cotton and Mullins. We rejoice over some accomplishments but we can also see many places that need to be strengthened. Mullins led in securing the largest number of Hundred Thousand Club members, reporting 43. Caddo came next with 28. Caddo led in having the most taking the Commission, also Home Mission Magazine.

The annual meeting was held in the First Baptist Church, Duncan, with a large number of members in attendance. The guest speakers brought inspiration and information that has been helpful throughout the year. We thank Mrs. Spooner and her party. Good seeds have been sown this year. Only time will reveal the harvest.

Mrs. L. B. Johnson/ District President

### REPORT OF MUSKOGEE DISTRICT

The theme of our Annual Meeting "Firm Foundations" has been uppermost in our thinking through the swiftly passing year. We are

grateful to God and all of the "Builders" who have preceded us, who made it possible for us to make any progress in building on this Firm Foundation.

Muskogee District is composed of one white Association and one Indian Association and the women and young people are faithful to the task that is theirs and in these days of unrest, none of us knowing where we may be tomorrow, they are more loyal and are putting forth greater efforts in building for the ones that are to follow. Our reports show progress in all departments, each chairman co-operating and endeavoring to enlist every woman to active service and keeping informed about all of the work. We have gone over the top in Hundred Thousand Club memberships, new tithers and meeting all apportionments, failing only in magazines. Our greatest increase has been in Young People's organizations. Everything is being done to have a full family wherever possible. NOW is the time to work with boys and girls, the men and women of tomorrow.

We thoroughly enjoyed our Guest Speakers at our District Meeting. Mrs. Medlin endeared herself to our hearts as did Mrs. Congdon and Mrs. Hall and their messages inspired us to build for the years to leave a structure for the ones to follow and keep. The Christian women are truly "Reserve Troops." Many are doing defense work and when they cannot meet with the general W.M.U. they line up with the Business Women's Circle.

Our Indian sisters put us to shame when we learn of their activities. In spite of handicaps every Society was represented at their Annual Meeting and the President closed her report with "We did all we knew to do." Can we say that?

We have the soldier in our midst and we are doing all we can to supply the spiritual needs of the individual ones.

The restless millions wait the Light of Him

Who maketh all things new,

Christ also waits

But only men are slow and late.

Have we done what we could? Have I? Have you?

Mrs. T. W. Stevens, District President.

### REPORT OF NORTH CENTRAL DISTRICT

With renewed vigor we press forward to bring to reality the paying of all Southern Baptist debts through the Hundred Thousand Club. North Central has met her goal with a majority of paid up members.

Great inspiration has been ours and our visions have been broadened by the coming of our efficient Executive Secretary, Mrs. Spooner, and her co-workers; Miss Virginia Wingo, Mrs. W. H. Congdon of Africa, Rev. Harold Hall of China, John Hall Jones of O.B.U., and Dr. T. P. Haskins to our District Meeting.

In Salt Fork Valley and in Perry Associations the Meetings for Counselors were led by Mrs. C. A. Castleman and Mrs. C. A. Barnes. The Y.W.A.'s and Intermediate G.A.'s of Salt Fork Valley met in Cherokee with Miss Margaret Culpepper of O.U. and Mrs. W. H. Congdon of Africa as speakers. The Y.W.A.'s of Perry Association met in Blackwell with Miss Wilma Weeks of China as speaker. Mrs. Barnes has also led in having a Counselors' meeting for each of the groups of R.A.'s and Intermediate G.A.'s and Junior G.A.'s.

Dr. E. Stanley Jones says: "A man takes on the image of the

God he worships." It is our ambition and prayer that the family altar may be established in every home that America may take on the image of Jesus.

Mrs. W. R. King, District President

### REPORT OF NORTHEAST DISTRICT

"Blessed be the Lord, who daily loadeth us with benefits" Psa. 68:19. Northeast District has daily been blessed by the Lord. He has permitted Delaware-Osage Association with President Mrs. George C. Boston of Pawhuska and Mrs. Mabel Hayden of Quapaw, President of Northeast Association, to do a glorious service for the Master this year.

We were blessed and happy to have had a very good district meeting at Nowata, having Mrs. Shad Medlin of Little Rock, Ark., Mrs. Berta K. Spooner and Dr. T. P. Haskins of Oklahoma City, John Hall Jones of O. B. U., Shawnee, Mrs. W. H. Congdon, missionary to Africa, and Mrs. Harold Hall, missionary to China, with us for our inspiration.

Also at our district meeting we had an outstanding young people's program for our evening session, having a G. A. Queen Coronation presented by the First Baptist Church of Pawhuska. We had a Mission Study Institute held at Afton.

May Northeast District go forward, sail on, keep flying for Christ and His glory this next year is my desire and prayer.

Respectfully submitted,

Mrs. Alton White, District President

### REPORT OF NORTHWEST DISTRICT

During the year of 1942 the Missionary Societies of the Northwest District have shown their faithfulness in their share of God's Kingdom work. Four of our societies report all apportionments paid in full. The quarterly rallies have been well attended and have proven themselves a stepping stone to the organizations.

Five of our splendid Intermediate G. A. girls were privileged to attend the G. A. house party at Shawnee. Their hearts were moved and their visions enlarged because of the spiritual food and clean recreation received and enjoyed while there.

It is almost time for the annual luncheon which we have for district officers. This luncheon is given by the president and at this time a calendar for the next year's work is planned and the State Year Book is studied.

The department of our work that has shown the greatest interest this year has been the Hundred Thousand Club (the paying of our debts) with personal service or Community Missions running at a high tide.

May God's grace be sufficient for all our needs.

Mrs. Earl Stark, District President

### REPORT OF SOUTHEAST DISTRICT

We bring you greetings from Southeast District W. M. U. which is composed of two associations: Bryan and Frisco with 22 missionary societies and a membership of 726. There are 36 auxiliaries, 518

enrolled with a good average attendance. There are 30 churches in this district with no W. M. U. organizations.

We have one full graded A-1 W. M. U. at Idabel with six young people's organizations and 118 enrolled. Each association has had her quarterly rallies and Board meetings. The associations have a Young People's Rally in July each year when the young people have the program.

We have been greatly blessed by the visits of the State workers. Especially by the presence of our beloved State Young People's Secretary, Mrs. Carden.

The annual District Rally met with the First Baptist Church in Idabel and was decidedly one of the best and most inspirational rallies ever held in this District. The guest speakers brought wonderful messages. The evening service was given over to the young people with the six organizations on the program. They gave interesting introductions of their work and the Junior G. A.'s of Idabel gave a playlet on Stewardship. The closing messages were brought by Mrs. Congdon from Africa and Rev. Eugene Hill of China. A gift of \$25.00 to the Emergency Relief and \$5.00 to the Magazine fund for the missionaries was made from the District Expense Fund.

The District Rally in 1943 will be held in the First Baptist Church of Durant. May the Lord cause His face to shine upon you throughout your days and give you grace to make a good soldier for Him in this war-torn world.

Respectfully submitted,

Mrs. Guy R. Old, District President

#### REPORT OF SOUTHWEST DISTRICT

It has been with joy that we have witnessed for Christ through our W.M.U. organizations of Southwest District. We have been blessed with a wonderful spirit among our women and churches as a whole. Our women have given willingly and a great many times sacrificially to the cause of Christ this year.

A great deal of the credit for the things that have been attained is due to the untiring efforts of the Associational Presidents: Mrs. R. B. Collins of Jackson-Greer, Mrs. T. F. Spurgeon of Tillman and Mrs. Ora Hopkins of Harmon. These have all had their regular quarterly rallies, also one Mission Study Institute held by Mrs. Aulick and two Schools of Missions.

Our District Camp for Y.W.A.'s was held at Craterville under the supervision of Mrs. Gene Robertson, our District Young People's Leader, and Miss Margaret Foltz.

The Annual Meeting held at Altus First Church was a challenging meeting. Our guest speakers were outstanding in their messages and filled us with an earnest desire to live a bigger and better life.

Respectfully submitted,

Mrs. R. S. James, District President

#### REPORT OF SHAWNEE DISTRICT

The year 1942 has been one of advancement and growth for W.M.U. work in Shawnee District.

Special emphasis has been placed on the Young People's work with very good results.

Mrs. J. E. Kirk, president of North Canadian Association, reports

that her Association has been 100% in memberships to the Hundred Thousand Club and giving to White Cross.

The annual meeting was with the First Baptist Church of Shawnee, March 30th. with fine attendance.

Mrs. Shad Medlin of Little Rock, Ark., speaker for Woman's Missionary Union, brought a wonderful message on how W.M.U. can be a light-house to those about us.

Rev. Harold Hall of China and Mrs. W. H. Congdon of Africa gave interesting information about our Foreign Mission Work.

Dr. Plainfield stirred our hearts with a report on his work among the Italians of the Southland.

An offering of 17.50 was taken for magazines to be sent to our missionaries.

Mrs. J. D. McGivern, District President

### REPORT OF TULSA DISTRICT

April in Tulsa District is always a month of anticipations, for we have so very much to look forward to. Most important to us is our annual district W. M. U. meeting and this year was indeed no exception.

The weather man had his say with an abundance of rain as we met in Stillwater, with that fine church where Dr. and Mrs. C. E. Wilbanks are so splendidly leading their people, and where one can always feel the presence of the Holy Spirit.

We were indeed happy to have Miss Virginia Wingo, young people's Secretary from Louisiana speak to us. Her heart was so full of the things one wants to hear at such a meeting. Mrs. W. H. Congdon from Africa was such an inspiration to us, because of her youth and love of her work. She was able to inspire, not only the W. M. U., but also our young people as well, with her determination to really do God's will.

At 6:30 in the evening a lovely banquet was served to the Y. W. A.'s and mothers of Tulsa District by the Stillwater ladies and an interesting program was planned and carried out by the B. S. U. Secretary of A. & M. College.

Mrs. Congdon dressed in some native costumes of Africa and our young people in lovely evening dresses, they like so much to wear, were an inspirational sight. Mrs. G. N. Clewson led a very well planned program which was helpful as well as inspiring.

Very gratifying reports were made this year by our various chairmen, of progression made along all lines of our work, but especially in our giving. Pawnee-Creek Association has gone way over the top in its ability to produce by proving this fact with a membership of 69 out of a required quota of 45 members in the Hundred Thousand Club. The association also reports that twice during the year the societies have been 100% in reporting.

Tulsa-Rogers is also doing a fine piece of work under the able leadership of Mrs. B. F. Sanderson. This association again reported several 100% churches.

We have tried to let our light shine and to a certain degree it has been proven by a gradual gain in new members, new titheers and many souls have been born into God's Kingdom.

Happy are we to be a member of such an organization.

Respectfully submitted,

Mrs. Frank B. Webb, President, Tulsa District

## IN MEMORIAM

## "WHEN THE SILVER CORD IS SNAPPED"

Again we pause in the midst of the whirl of the things of this life to remember those who a short while ago were worshipping and serving with us. But "the silver cord is snapped, and the golden lamp drops broken." Ecclesiastes 12:6.

When one by one the messages were received of those whom God had called home to be with Him, that they might serve Him where their service is stripped of all imperfections, we felt as Solomon has expressed in the words just quoted. What a desolate picture such messages bring—"the silver cord is snapped, and golden lamp drops broken, (yes) the pitcher breaks at the fountain."

Some have left us whose active service has been slowed these past few years because of age—and the silver cord has snapped. Others, whose active lives were as the lights from brilliant lamps, have been broken. Still others were just filling their pitchers of usefulness at the fountain of life for fuller service and they lie broken.

Our hearts, clothed in grief and disappointment, often cannot see the beauty of reality. All we see is the snapped cord, one with great faith and devotion has been taken from our midst. The golden lamp is broken. Another light that is so badly needed has gone out. A shattered pitcher—a life of promising usefulness unfulfilled—but wait—the broken lamp need not extinguish the light, but only let its rays shine the farther, unhampered by the shade of flesh. For the life that has lived, moved, and had its being in an eternal God is immortal. The after-glow of those lives bid us look to Him, who is the giver of life and light. Were it not for the afterglow of the lives that have gone before, our faith would be dimmed.

The picture of the snapped cord, the broken lamp, the shattered pitcher, is one of God's ways to reveal to our hearts His wonderful matchless, marvelous grace. In the darkness of the hours of grief, did you not hear the whisper of God's love, feel the touch of His hand, and know the illumination of His presence and power?

If the silver cord that binds the physical life to earth is snapped, the silent cord that binds to eternity shall never be severed. If the golden lamp that burns bright through our few years here goes out, there is a light which will illumine that great forever. For "Whosoever liveth and believeth in me shall never die." Those lives will flow on in unbroken usefulness and beauty through the ages to come. We pause to remember them, and as we do so, may we be reminded

to so live that God's fore-gleams for our lives may become fragrant realities as the lives of those whom we commemorate this afternoon are the gleams of the aftermath of a life lived in union with a living Christ.

—Mrs. H. T. Wiles.

### REPORT OF THE COURTESY COMMITTEE

Not just because it is customary to speak at this time our gratitude for the many Christian kindnesses shown us but because of general conditions which add to the problems of entertaining a Convention, we feel that the women of the First Baptist Church are due a special appreciation for their providing for our many needs in such a gracious manner and on such short notice.

Mrs. Wm. Vaden and her co-chairman, Mrs. Tom Earp, have organized their various committees and have not omitted a single detail for our comfort. It would be interesting to know how many telephone calls Mrs. Cockrell and Mrs. Barbee have made to provide homes for their guests. Mrs. Haskett has without doubt been a veritable encyclopedia for everybody. One was impressed from the beginning that the situation was well in hand by the effectiveness with which Mrs. Dicken and her efficient committee handled the registration.

Upon entering the beautiful sanctuary Mrs. Reuter and her helpers ushered us to our seats with ease and grace and one caught her breath in exclamation and appreciation at the gorgeous array of flowers—as it were a lovely bouquet on a lovely lady—so harmoniously blending with her red velvet gown. To Mrs. Walter Marlin we are indebted. We are grateful to Mrs. Willard for supplying us with messages in song which added much to the wonderful program. To Mrs. Ehret we are indebted for her thoughtfulness of our comfort in providing us with a large and lovely lounge.

Sincerely do we wish to express our deep appreciation to our distinguished speakers for their inspirational messages: Miss Kathleen Mallory, Executive Secretary of the Southwide W.M.U.; Dr. J. E. Dillard, Promotional Secretary of the Southern Baptist Convention; Dr. Snyder L. Stealey of the Southern Seminary at Louisville, Ky.; Dr. Frank Means of the Southwestern Seminary; Mrs. Una Roberts Lawrence, Mission Study Editor of the Home Mission Board; Rev. John A. Abernathy of China; Mrs. M. G. White of Brazil; Dr. J. Hundley Wiley of China; Dr. A. B. Deter of Brazil; and Dr. and Mrs. J. Christopher Pool of Africa.

Let us, your guests, say in conclusion that everything clicked with such clock-like precision and effectiveness that we are indeed grateful to you, our hostess church, for making it so.

May we say "Thank you, thank you, thank you."

Respectfully submitted,

Mrs. N. D. Timmerman, Chairman
