RECORD OF PROCEEDINGS

Tuesday, November 5, 1946, 7:00 p.m.

Baptist General Convention, Oklahoma City, Oklahoma

Convention Theme: "Onward With Christ"

Theme Song: "Onward Christian Soldiers"

Scripture: "Press On--In Christ", Phil. 3:14

ALL MUSIC UNDER DIRECTION OF IRA C. PROSSER

1. The Baptist General Convention of Oklahoma met in the auditorium of the First Baptist Church, Oklahoma City, Oklahoma, at 7:00 p.m. on Tuesday, November 5, 1946.

2. President T. B. Lackey called the convention to order, calling attention to the fact that it was the 41st annual convention of the Baptist General Convention of Oklahoma and the 64th annual meeting of the Baptists organized at Tahlequah, Indian Territory, June 1, 1883.

3. Rev. Dan Curb, who was present in Shawnee in 1906 when the convention was organized, led in prayer.

4. Mr. Ira Prosser, music director for the Convention, led the congregation in singing "Onward Christian Soldiers," "The Solid Rock" and "Amazing Grace."

5. A ladies' chorus from the First Baptist Church of Pryor sang "I'd Rather Have Jesus," which was a helpful message.

6. Rev. R. Lofton Hudson, new pastor of First Church of Shawnee, led in the devotional service. His theme was: "What It Means to Follow Christ."

7. Dr. H. Tom Wiles presented the "Report on Foreign Missions" and moved its adoption. Motion carried.

Report on Foreign Missions

The Foreign Mission Board of the Southern Baptist Convention enters the second century of its work with a considered sense of the responsibility resting upon it.

Ours is a world in chaos, which finds its political leaders attempting to build a warless superstructure on a Christless foundation. The preaching of the Gospel, which is what obedience to the Great Commission means, therefore becomes the primary imperative of all Christians. The Foreign Mission Board so realizes, and to this realization has given its whole thought.

To illustrate, this paragraph from a letter written by Dr. M. T. Rankin, the Executive Secretary of the F.M.B. as of September 11, 1945, from Shanghai, China. It will be remembered that Dr. Rankin was then on the closing round of his survey tour of China.

"The pressure of constant travel and the unending succession of

conferences have kept me from supplying you with current information about the situation here in the Orient. I am sure this same situation applies also to Dr. Cauthen. We are leaving early tomorrow morning by plane for Tsingtae and Tsinan in North China. We return on Tuesday of next week and leave again on Friday for Chengchow and Kaifeng in the interior of China. I, therefore, do not have time for an extended letter now.

"When I get home I shall try to give to you an insight into the remarkable and, on the whole, most encouraging developments in China. The ability of the Chinese people to keep things going and to bring about worthwhile achievements in the midst of chaotic confusion is almost incredible. Political strife and the wild economic inflation have drawn China into frightful confusion. The political situation is distressing and one wonders how the country goes on without economic collapse.

"I believe firmly that the move made at the Miami Convention to raise \$3,500,000 for relief and rehabilitation was providential. Truly God Himself saw that without these funds Baptist work in China would collapse before the end of 1946. We have already been able to give aid in places where undertakings could not have been carried through without immediate help. With these funds in hand, we can look to 1947 with a degree of assurance that Baptists in China will be able to come out of the chaos which has followed the end of the war."

The Budget adopted at the October meeting of the Board calls for appropriations of \$2,276,206.37, which is an increase over 1946 of \$575,780.36.

Budget receipts for the first nine months of 1946 were \$3,452,918.00, an increase of \$615,281.00 over a like period for 1945.

It is well to keep in mind that the total administrative expense (both at home and on the fields) is less than 10 per cent. Or in other words, for every \$10.00 contributed, \$9.00 is actually expended on the fields.

The times demand a greatly stepped up missionary force, for money, no matter how much, is useless without personnel. To that end let us pray that the Lord of the harvest shall send forth reapers.

H. TOM WILES, Chairman.

Report on Religious Literature

The Holy Bible which is "Our Rule of Faith and Practice" should have the first place in our hearts and take the precedence over all other literature in our reading. All Baptists should read it carefully, study it prayerfully, and follow its teachings faithfully.

The Broadman Press of our Sunday School Board is bringing to us a wide selection of excellent books written by Baptist authors. Brief reviews of these books appear in our publications from time to time and a complete list of Broadman and other books may be secured from the Baptist Book Store.

Study Course Books from the Sunday School and Training Union Departments are also published by our Sunday School Board. These books are well written by people who know, and cover the fields of organization, methods, and doctrines. They offer a course of study and training for our people that will make for efficiency in our churches and give glory to our Savior. The Sunday School literature published by our Board is attractively printed, well written and "sound in the Faith." We believe it is the best literature obtainable and should be used by every Baptist Sunday School.

We have two excellent missionary periodicals which give to us mission news from all of our mission fields. "The Commission" edited by Dr. E. C. Routh brings us news of our Foreign missionaries and their fields around the world and the "Southern Baptist Home Missions" edited by Dr. J. B. Lawrence gives us the up to the minute activities of our extensive Home Mission Field.

Our own Oklahoma Baptist Messenger, edited by Rev. Albert McClellan is growing in popularity, coverage, and usefulness. It is a most excellent medium for reaching our people with all the program of Southern Baptists. It enjoys the prestige, influence and popularity that makes its service to our churches and our people indispensable. No other publication can or will take its place in giving to Oklahoma Baptists full information, correct interpretation of our doctrines, and dependable statement of our plans, programs and progress.

We recommend:

(1) That all of our people utilize these particular Baptist publica-

tions in the home and in the church, securing the information and inspiration from them that will enhance our progress.

(2) That our people make the widest possible use of our Sunday School Board's incomparable literature for all of our activities, especially the study course books.

(3) That we use only the Bible and our Baptist literature in our Sunday schools and Training Union.

(4) That we continue to make every effort to get the Baptist Messenger into every church budget in Oklahoma.

(5) That church libraries be encouraged and maintained encouraging our young people and others in the reading of good clean Christian literature.

The Office workers: Lucille Driggers, Mabel Morris, Imogene Stokes, Lucile Baine, Ruby Shelton, Jean Drake.

30. Mr. J. P. Cox, Superintendent of the Muskogee Baptist Hospital, brought a report on the two hospitals. Motion carried to adopt the report.

Report on Hospitals

Between January 1 and November 1 this year, your two hospitals, Miami and Muskogee, cared for 4,429 bed patients, rendered 37,894 patient days service, performed 1,973 surgical operations, gave emergency treatment to 1,235 additional patients and delivered 839 babies. On November 1 we had given charity service in the amount of \$4,713.10. This amount of charity might be smaller than some might expect but the economic condition is such that a larger appropriation for charity is unnecessary. We never refuse to accept a patient, his ability to pay notwithstanding.

HOSPITALS HAVE BECOME BIG BUSINESS. Hospitals have ceased to be the last resort; hospitals are now First Hope. When sight-seeing in a town you are always shown the hospitals. Chamber of Commerce bulletins always set forth the hospital facilities the community has to offer. It will behoove Baptists to become aware of this. The more Baptists do for the sick, lame and injured, the better. To a far larger extent than most of us realize, **our denominational prestige is at stake in our hospitals.** Catholics were quick to realize this. While in 1946 Baptists either have built or purchased five hospitals in the Southern Baptist area, Catholics took over five in Oklahoma alone, and have added or are in process of adding 125 beds to St. John's in Tulsa.

For a few years during and following the depression, the hospitals were carrying quite a debt load. When the debts were paid and we were able to see our way, the war came and the equipment we needed was diverted to the armed forces. By the end of the war we were at our rope's end in the way of equipment. Since January 1, we have been buying quite a few things. The hospital at Muskogee has bought (1) stationary Westinghouse X-ray and a portable X-ray; (2) two operating room tables; (3) new waiting room furniture; (4) an electrocardiograph; (5) a flake ice machine; (6) five new refrigerators; (7) new furniture for the entire hospital; (8) an electrically heated food conveyor; (9) reworked our heating plant; (10) extra equipment for our laundry and are at the moment redecorating the interior of the hospital. The hospital at Miami has, (1) reworked their nurse's home; (2) purchased two X-ray machines, stationary and portable; (3) two operating room tables; (4) a heat therapy machine; (5) two operating room lights; (6) redecorated the entire hospital; (7) opened one wing of the building for patients with new furniture in all this wing; (8) are at the moment reworking their heating plant. With these additions and replacements both hospitals will be set up as they should be except for their laundries and kitchens.

The hospital at Muskogee is in dire need of a nurses' home. The one we have is inadequate in every way you can appraise a building. We need nurses, and it is almost impossible to get them under any circumstances. The American Hospital Association in August reported a national shortage of 30,000 freshman nurses. When you consider the fact students carry 75% of your nursing load, it seems to me the least Baptists can do is to furnish them an attractive, comfortable place in which to live while they train.

Our hospitals are too small to keep a chaplain busy. Instead we contact every patient and have one of the local ministers visit them. Occasionally a patient prefers that a minister not visit him, but such cases are few. This is proving a very satisfactory religious program.

We have many interesting cases. One night a man brought his unconscious wife to the hospital. They had seven children, the oldest 16 years of age, the youngest, still nursing, died while its mother was in the hospital. Thanks to penicillin, the mother is now home with her children. A mother brought her little 3½ year old son in one day. The father was overseas. The child had drunk sulphuric acid. We were unable to repair his throat but were able to make an opening into his stomach, through which he will be fed the remainder of his life. Nevertheless, he is living.

Your hospitals cannot be both the good Samaritan and the Innkeeper. If you recall the story, it says, "He set him on his own beast and took him to an inn, and on the morrow when he departed he took out two pence and gave them to the host, and said unto him; Take care of him and whatsoever thou spendest more,—I will repay thee." In other words, we have no record of the Innkeeper losing any money on that patient. That's where you come in. On July 16 the Executive Board of the Convention designated next Mother's Day as Hospital Day. On Hospital Day you will have an opportunity to give to your Hospitals. When you give, ask yourself this question, "If I were taking my mother to a hospital tonight would I want to take her to a hospital whose equipment was inadequate?" Because somebody's mother will come in to be cared for and it could be yours, or maybe yours has already gone because the hospitalization needed could not be afforded. What an opportunity for a memorial to your Mother.

We should put more and more into our hospitals, save more fathers and mothers, have fewer orphans, fewer broken homes, fewer child delinquents, mend broken homes, correct physical deformities and put less into pension funds for unemployables and corrective institutions. We have a glorious missionary opportunity in our hospitals.

I don't know what the equipment for Miami will cost, but at Muskogee we need \$25,000.00 right now. The Baptists in Oklahoma should give a very minimum of \$25,000.00 to their hospitals next Mother's Day. In this same program last year, Texas Baptists gave \$50,000.00 to their hospitals. Why should we proportionately do less?

Opportunities don't wait. If Baptists don't fill the hospital need, some other group will move in and take the torch from our hands. God took a golden opportunity from the Jews and gave it to the Gentiles. There is no reason to believe He will wait on us. We, in your hospitals are doing the best we can. However, we need the love, loyalty, support and prayers of you all.

Respectfully submitted,

J. P. COX, Administrator
Oklahoma Baptist Hospital,
Muskogee, Oklahoma.

33. Rev. J. Harvey Scott, presented the Report on Brotherhood and motion carried for its adoption. Brother Scott spoke to the report.

Brotherhood Report

The State Brotherhood president, Mr. Bryce Twitty, reports that he spoke forty-two times to associational and individual brotherhood meetings during the past year.

Dr. Elmer Ridgeway, State Brotherhood leader, resigned in 1946 and Dr. T. P. Haskins has been elected to the position of leadership.

The state now is divided into eight districts. Dr. Haskins and Mr. Twitty plan to visit each of the eight districts in the near future and lay plans for the coming months; also plans for the organization of smaller districts to be organized from these eight large districts.

The goal for Oklahoma Baptists is an active Brotherhood in every church this next year. Surely there is a great need for an enlistment organization for men in our churches. There is a field that is large and white unto harvest in the returning veteran. Many of the veterans have had an experience with the Lord on some far-flung battle field; they need to be enlisted in the Lord's service and be encouraged. The Brotherhood can and must render service in this field! The 34 associational Brotherhood presidents for the coming year are as follows:

REPORT OF BOARD OF DIRECTORS

1946

INTRODUCTION

"In those days came John the Baptist, preaching in the wilderness of Judaea. And saying, Repent ye, for the Kingdom of Heaven is at hand." Matthew 3:1-2.

Since the day that John the Baptist was sent as the forerunner of Jesus, disciples of Christ have been preaching the glorious gospel of the Son of God to people far and near. Never in the history of the world have the needs been greater and never have the doors of opportunity been opened wider than they are today. People throughout the world are crying for help. Christ is the only one who can meet the needs of this war-torn and restless world.

Baptists have the whole message for the whole world. We must, therefore, renew our efforts in taking the gospel to every creature on this earth. Surely we prefer to send our youth who have felt the divine call with Bibles and hymn-books today, rather than wait and be forced to send them with guns and bombs tomorrow. The extent of our loyalty to Christ will determine the course we pursue.

God has marvelously blessed the missionary work and our institutions and agencies during the past year. The contributions of Oklahoma Baptists to world missions beyond our own state compares favorably with other states in the south. Oklahoma is eleventh among the states in the Southern Baptist Convention in membership and it holds eighth place in contributions to outside causes.

The future of Oklahoma Baptists is as bright as the promises of God. In this report we are striving to set forth briefly the past, present, and future of the work of Oklahoma Baptists. In reports submitted to the Convention by the heads of various departments, a more complete record of past accomplishments and future plans will be found.

STATE MISSIONS

The Romance of State Missions in Oklahoma is one of unparalleled interest. The first Baptist Church was organized in what is now Oklahoma by Isaac McCoy September 9, 1832. In 1906, the Baptist General Convention of Oklahoma was organized in Shawnee.

In 1945, there were 1,045 Baptist Churches in Oklahoma with a combined membership of 280,256. In round numbers, one-eighth of the population of Oklahoma is Baptist and one-third of all church members are members of Baptist churches. This gives Baptists a tremendous responsibility for making this state what it ought to be.

There is much work to be done in Oklahoma. Three-fourths of the population are not members of any church. The state mission forces should be enlarged. Every church should have a pastor, a building, and a well-rounded program. New churches should be organized where needed. More emphasis should be placed upon Evangelism, Missions, Stewardship and Doctrine. The different phases of the work presented in this report constitute the state mission program.

RURAL MISSIONS

The Department of Rural Missions was established January 1, 1944. Sam W. Scantlan was elected superintendent and has served in a very effective way. Working with Mr. Scantlan in this department are: Jess Dittmar, John G. Heard, Dorval W. Tabb, Thomas F. Glosup, J. E. Outlaw, C. H. Crouch and M. W. J. Richardson.

These eight men have shown the following visible results from January 1, 1946 to September 30, 1946:

| | |
|---------------------------|-----|
| Additions by letter..... | 293 |
| Additions by baptism..... | 461 |

| | |
|-------------------------------------------|------------|
| Churches and Missions visited | 1,049 |
| Conferences held | 1,240 |
| Revivals held | 54 |
| Revivals arranged | 169 |
| Vacation Bible Schools held | 22 |
| Schools of Missions held | 25 |
| Sermons preached | 1,464 |
| Pastors secured | 38 |
| Tracts given | 5,691 |
| Churches revived | 22 |
| Missions established | 25 |
| Money collected from state missions | \$2,607.88 |

In addition to these men and the splendid work which they are doing, there are 23 associational missionaries. The whole denominational program depends largely upon the fine work of these noble men.

They are as follows:

L. E. Perrin, Banner Association
 E. O. Wright, Bryan Association
 A. C. Nance, Caddo Association
 William Huffman, Central Association
 A. E. White, Chickasaw Association
 R. H. Catlett, Comanche-Cotton Association
 Jerry E. Cox, Delaware-Osage Association
 Ross L. Hughes, Enon Association
 J. B. Edwards, Frisco Association
 Sewell H. Farrell, Haskell Association
 J. F. Cross, LeFlore Association
 Jay W. C. Moore, Muskogee Association
 J. L. Williams, North Canadian Association
 Dee R. Skaggs, Northeastern Association
 E. H. Atherton, Panhandle Association
 Estel Thomason, Pawnee-Creek Association
 LeRoy Crawford, Pawnee-Creek Association
 Floyd R. Merrill, Pawnee-Creek Association
 Woodrow Gray, Perry Association
 W. E. Fountain, Pittsburg Association
 Roy Dittmar, Pottawatomie-Lincoln Association
 E. Ray Lansdown, Salt Fork Association
 Sam D. Russell, Union Association

Through the rural church department every church is encouraged to contribute through the Unified Budget. Simultaneous revivals are conducted in the associations, and branch Sunday Schools and new preaching stations are established where needed. The missionaries are available to assist in promoting schools of missions throughout the state. It is the plan of this department to encourage more and better church buildings, new preaching stations, a revival conducted in every church and community, and the promotion of the program in general at home and abroad.

CITY MISSIONS

In 1943, the Home Mission Board inaugurated City Mission Programs in the two largest cities of Oklahoma: Oklahoma City with Guy Bellamy as superintendent, and Tulsa with A. L. Lowther as superintendent. In 1945 upon the recommendation of the Home Mission Board, the State Board agreed to co-operate in the City Mission work supporting the two superintendents jointly with the Home Mission Board.

During this brief period several new churches have been organized in Oklahoma City and Tulsa; many mission stations have been opened with Sunday School, Training Union, and preaching services held regularly. Under the leadership of these two men, the Baptist work has been vitalized, and simultaneous revivals, training schools, and schools of missions have been conducted annually. Work among the foreign speaking people, the deaf and the negroes is being carried on in an effective way. The churches are working together in extending the Kingdom of God in the City Mission Program.

FALLS CREEK ASSEMBLY

There were 9,250 registered at Falls Creek Assembly last August. Forty-nine surrendered for special service, 17 as foreign missionaries and seven to the gospel ministry; there were hundreds of rededications. Eternity alone can reveal the good that has been accomplished at Falls Creek Assembly since the first meeting in 1917.

The time has come when improvements must be made on the assembly grounds. The tabernacle must be enlarged, water lines laid, athletic grounds improved, additional swimming pools built and many other improvements.

Local churches will continue to build and repair their properties and Falls Creek will continue to grow. Sam W. Scantlan is the manager and E. P. Edwards, caretaker.

EVANGELISM

Evangelism is the heart of all missionary work at home and unto the uttermost parts of the earth. Our Convention, Executive Board with all institutions and agencies, realizing this to be the supreme task, placed evangelism at the head of the list of Major Objectives for the year of 1946. In the first Board meeting of the new year a committee was elected with Dr. Harold Graves, Bartlesville, Chairman, and assigned the responsibility of promoting evangelism for the year. They took the task seriously and began at once to lay plans to reach every community in the state with a special evangelistic meeting.

The annual meeting of the Moderators and Missionaries in January in Oklahoma City was well attended. Definite plans were presented and enthusiastically accepted by this group of leaders from each of the thirty-three associations.

Ten Regional Rallies were conducted throughout the state in which practically every church was represented by pastors and members. In these conferences it was suggested that the pastor of each church call his people to prayer, and make plans for a revival meeting. It was also suggested that a revival for all pastorless churches be arranged by the Associational Evangelistic Leader and Missionary, and that our churches go into the unchurched communities for two or more mission meetings during the year.

A state-wide Evangelistic Conference for prayer and counsel was held in the First Church of Shawnee the last of May. Each association reported that plans were well under way to carry out these objectives.

Evangelistic leaders, pastors, and missionaries have worked untiringly at this glorious task. Simultaneous revivals were conducted in many associations, including Oklahoma county and Tulsa-Rogers county. Nearly every church in the state has had a revival meeting. There have been hundreds of mission meetings in unchurched communities. Personal soul

winners have gone from house to house witnessing for Christ. Even with all the faithful work that has been done, information received from the associations reveals a loss in baptisms. We have the promise, "His word shall not return void." We believe this year has been a time of seed sowing which will bring forth a bountiful harvest.

We would express our sincere appreciation to Dr. Graves, his committee, and all of those who have given their best in evangelism. We give thanks unto God for the salvation of more than 10,000 people. As we face a new year with a field that is full ripe unto harvest, a challenge is presented to our spiritual leadership to sound the awakening call for all our constituency to give their best in a Holy Crusade of winning the lost to Christ.

The Board of Directors in the July meeting elected Dr. Elmer Ridgeway as State Evangelist. He is giving his entire time to revival meetings. His successful work as an evangelistic pastor in our state, and his marvelous gift of preaching the gospel of Christ, offers to our churches the very best in evangelistic help for revival meetings. With his God-given talent of evangelism, consecrated to this Holy Cause, he will make an invaluable contribution to a larger evangelism. The time has come when Oklahoma Baptists should think seriously on the enlargement of this department.

All those who serve our denomination through its many departments will continue to place a major emphasis on evangelism. There is a great need of more workers who will give all their time in a special way in winning the lost to Christ. We should earnestly seek divine guidance in this Convention, and "pray the Lord of the harvest that He will send forth laborers into His harvest field." Evangelism has made us what we are today, and evangelism alone can maintain us in the Holy task that has been committed to our churches.

BROTHERHOOD

When Dr. Ridgeway resigned as Brotherhood and Institutional Secretary, the organization was left without leadership and direction. It was necessary, therefore, that some arrangement be made to carry on the work of this department.

After counseling with Mr. Bryce Twitty, Brotherhood President, and many other interested Board members, pastors, and laymen, it was unanimously concluded that the wisest thing to do was to ask Dr. Haskins, Assistant Executive Secretary, to handle this department at the present time. The announcement that Dr. Haskins was to guide the Brotherhood met with the hearty approval of laymen and pastors throughout Oklahoma. Already he is in the process of producing needed literature, and is planning a series of meetings with the men to climax the associational rallies scheduled for early next year.

The enlistment of the Baptist men of Oklahoma to play their part in Kingdom-building is a challenging task. There is great potential power in the Brotherhood movement. Our men want to help in every great enterprise for the advancement of Christ's Cause. Men properly guided and encouraged in their efforts will stimulate and strengthen Christian endeavor from the local church to the ends of the earth.

It is our hope to strengthen, undergird, and stabilize our institutions during this period of unprecedented prosperity. If this is done, the laymen must make it possible. The Brotherhood has pledged whole-hearted support to this gigantic task. The Brotherhood can help the churches in

their local work and be a mighty force in advancing the Cause of Christ around the world.

We now have a large group of active and efficient Brotherhoods. Our slogan for 1947 is: "A Functioning Brotherhood in Every Church." We, therefore, urge the men in all the churches to organize a Brotherhood and back their pastors in every effort, local and world-wide, to advance the kingdom of Christ. The men in our churches can be the difference between success and failure in any church program. Our men love the Lord. They love His Holy Cause. They are interested in the on-going of the Kingdom. They will respond to vigorous and aggressive leadership, which calls them to the high and holy tasks of winning souls and building the church in all its departmental life.

BAPTIST ORPHANS' HOME

For these past forty-four years, our Baptist people have lovingly cared for homeless children in the State of Oklahoma. Thirteen hundred boys and girls have come under this beautiful Baptist ministry; a ministry born in prayer and operated by faith. A birthday house and a Christmas stocking have surely become a symbol of Baptist people blessing little children.

H. Truman Maxey has served as resident manager for a number of years. He is assisted by Mrs. Gladys Dicken, head matron; C. E. Goatcher, farm manager; and, during the past year, Wade East has been employed as field representative. Dan Curb has retired from active service as field representative after 16 years of effective service.

The Home is now full beyond normal capacity. A waiting list has been made for those seeking admission and only the most extreme cases are given consideration. Every effort is being given to rush the building program. A boys' cottage and a nursery will be ready sometime in 1947. This will give some relief. Other buildings will be started as soon as government restrictions are lifted.

A music teacher for the Home has been employed by the Alford Bible Class and the Men's Bible Class of the First Church, Oklahoma City. This gives the children training and development in both instrumental and vocal music.

An excellent addition in equipment to the Home was a swimming pool given by Dr. Dionis Worten of Pawhuska. This pool was dedicated July 4 and has been a keen delight to every child of the Home.

The dairy farm, under the supervision of C. E. Goatcher, has produced plenty of milk, and, in addition, a nice supply of pork and beef for table use. This winter's meat supply is already assured. Fencing and other improvements are being completed at the farm.

To make possible academic and professional training, beyond high school, a new plan has been inaugurated, which has been approved by the Executive Board. Money will be solicited and placed in an Education Fund. The children of the Home now in school will look forward to the opportunity of going on to college or other special training. Two of our young ladies are now enrolled in college.

We look forward, hoping that within the next five years, this Children's City will be so completed in the building program that 300 children can be adequately housed. Also, we hope to develop our financial income so that the life and stability of the institution shall not be in danger of any sudden change of economic conditions. Large gifts for buildings and

endowments by wills and legacies will go a long way in making this possible.

The load will be particularly heavy during these first post-war years. We urge our churches to give strong financial support through the special offerings of the Home.

BAPTIST MESSENGER

Past

Vol. 1, No. 1, of the BAPTIST MESSENGER was published in Oklahoma City, May 15, 1912, Dr. C. P. Stealey, editor. Dr. Geo. W. Truett, Dallas, had just assisted Carter Helm Jones and the First Baptist Church in a revival meeting. The church building itself, the same one they have now, was new. The advertisers included Kerr's and O. G. and E., still faithful contributors to the annual Convention edition of the BAPTIST MESSENGER. But the 1912 paper was not the first effort of Baptist journalism in Oklahoma. Many other periodicals had been published over a period of years, the earliest being THE CHEROKEE MESSENGER first printed in 1844 by Evan Jones. Since Vol. 1, No. 1, the BAPTIST MESSENGER has been printed nearly 1,800 weeks. The bound volumes occupy a shelf seven feet long. There have been three other editors: Dr. E. C. Routh, Porter Routh and Albert McClellan.

Present

The Baptist paper is owned and controlled by the Baptist General Convention of Oklahoma. Nineteen hundred forty-six has been one of its most eventful years with many gains in circulation, typography and general usefulness, even though paper shortages and mechanical difficulties have been noticeable. The paper this year stands as probably the most-read-one of all time and under the leadership of our present editor will make even greater gains before the year expires.

Future

Wide expansion of the paper is planned for the future. Though for the present (the paper shortage has no foreseeable relief in 1947) the circulation goal is "47,000 in 1947." This can be reached two ways: (1) see to it that the BAPTIST MESSENGER is included in the budgets of all the churches; (2) for churches already having the MESSENGER in the budget, add one new name for every five already on the subscription list.

This kind of program will bring tremendous gains to the Kingdom of God in Oklahoma.

CHURCH MUSIC AND BAPTIST STUDENT UNION

On September 15, 1945, the departments of Church Music and Baptist Student Union were established. Ira C. Prosser was elected director of these departments.

A recent survey shows a total of more than 8,500 Baptist students and those of Baptist preference enrolled in institutions of higher learning in Oklahoma. One thousand of these are in Oklahoma Baptist University, leaving 7,500 not enrolled in denominational schools. These students offer a great challenge to Oklahoma Baptists. It is our purpose to offer religious encouragement and help to these fine young men and women now in training.

Oklahoma Baptists have responded to the plan for church music

education in an enthusiastic manner. Music institutes have been held in many sections of the state during the past year. Each of the 34 associations has elected a music committee to work with the director in this department in promoting the work of church music education in 1947.

OKLAHOMA BAPTIST UNIVERSITY

In a brief span of 36 years Oklahoma Baptist University has sent out 1,564 graduates. They are serving in important capacities all over the world—as doctors, ministers, teachers, missionaries, business men, and in countless other capacities. The graduates of Oklahoma Baptist University constitute its most effective and most accurate advertising medium. Today the student body of Oklahoma Baptist University numbers 1,070, of which 621 are freshmen, 407 are upperclassmen, and 42 are unclassified or special students.

Until recently the acquisition of property and equipment by the university has been neither rapid nor regular, yet in the space of a few short years it has accumulated 13 buildings, and at present its capital worth is more than \$1,116,896.58. The faculty of the University is stronger than ever before, as a result of strategic additions to the faculty and advanced study by its members. The college of fine arts is second to none in the state, and very promising futures are in prospect for the newly-created departments of engineering and photography. The department of journalism and publicity has been revitalized, and the quarters of the department of home economics have been remodeled, with installation of the very latest and best of equipment. Evident throughout the University is a growing spirit of progress and alertness. In view of the enthusiastic good will and support of the Baptists of the State of Oklahoma, with every evidence of favorable prospects for continued growth and improvement, the future of Oklahoma Baptist University is as bright as the promises of God.

The completion of the W. L. Brittain Memorial Library and Art Center in the spring of 1946 in the face of war-time shortages and difficulties of all sorts marked the successful culmination of the campaign to provide adequate library facilities for the students of Oklahoma Baptist University.

Alterations which converted storerooms into additional classroom space in Shawnee Hall and Montgomery Hall have made it possible to accommodate more students in classes than ever before. Construction continues on the Brotherhood Memorial Dormitory for Men and also on 35 apartment units provided by the Federal Public Housing Authorities for the use of veterans and their families. Ample housing for single men has been supplied through the use of buildings on the navy base adjacent to the campus.

Enrollment figures for the 1945-46 session included 722 students during the regular session, 301 during the summer school, and 73 students in the summer school for preachers, making a grand total of 1,096. Ministerial students enrolled during the regular session numbered 132, while 60 were enrolled during the summer session. The report of the Ministerial Alliance for the school year listed 568 conversions, with 828 additions to the churches and 302,852 miles traveled. Extension activities of former years were maintained.

With a probable enrollment of 1,400 to 1,500 for the second semester and prospects for continued growth in the future, the University is looking to the Baptists of Oklahoma to match academic expansion and growth with physical expansion. In order properly to accommodate so many

students, in order to provide classrooms and equipment which will assure efficient teaching conditions, the University must expand its physical plant. Its most pressing needs are as follows:

1. Furniture and furnishings for library and art center.
2. Furniture and equipment for Brotherhood Memorial Dormitory.
3. New dormitory for women.
4. Science building.
5. Chapel and Fine Arts Building.
6. Student center.

WOMAN'S MISSIONARY UNION

On January 1, 1946, Mrs. Berta K. Spooner resigned as Woman's Missionary Union Secretary after twenty-five fruitful years of service. Mrs. Bill Carden, who has been associated with Mrs. Spooner for some years was given the responsibility of secretary.

The purpose of Woman's Missionary Union of Oklahoma has not changed during its 41 years of service. Its endeavor has always been to supplement the work of the General Convention primarily in the spreading of missionary information and in the collecting of funds to meet the missionary needs.

In its effort to spread missionary education, it set up for 1946 a goal of 22,975 missionary periodicals. In addition to these current magazines published by our Southwide WMU and Home and Foreign Mission Boards, the WMU has urged the regular reading of the BAPTIST MESSENGER.

Mission books are a second channel through which Woman's Missionary Union secures a knowledge of missionary needs. Thus far in 1945, 9,549 mission awards have been issued for missionary reading and study.

One thousand one hundred ninety-six organizations throughout the churches of Oklahoma are also being taught stewardship of money. Aside from regular and urgent promotion of the Unified Budget, Woman's Missionary Union has, in the last year, brought \$57,957.96 through the Lottie Moon Christmas offering for Foreign Missions, \$18,248.99 through the Annie Armstrong offering for Home Missions, and \$5,247.01 through the Edna McMillan offering for State Missions, in addition to \$6,866.67 given to the White Cross offering for hospital work and \$2,263.44 for Christian education, providing scholarships for six young people in our Baptist colleges.

Two nurseries have been supported, one in whole and the other in part at Oklahoma Baptist University and Southwestern Seminary, making it possible for minister's wives to obtain training along with their husbands.

A gift of \$782.55 has come to the Margaret Fund to provide special gifts to the children of missionaries.

Aside from these tangible results of the endeavor of Woman's Missionary Union, its members are an integral part of all teaching and evangelistic efforts of our churches. We approach the coming year with increasing desire for close co-operation in all that our state and associational officers, and local pastors plan.

RELIGIOUS EDUCATION

E. W. Westmoreland is the secretary of Sunday School and Training Union work. He is ably assisted by Jack Gritz, Associate and Adult Worker; Miss Sophia Duerksen, Training Union Promotion and Young People's Work; Mrs. J. W. Barron, Vacation Bible School Promotion and Junior Work; Miss Connie Bradley, Intermediate Work; Mrs. Dorothy Sneed, Office Secretary; and the following approved workers, Mrs. Wayman Hiner, Primary Work; Mrs. W. H. Crowder, Beginner Work; Mrs. G. H. Caudill, Cradle Roll and Nursery Work.

Nineteen hundred forty-six has been one of the best years in the history of the department. The 1945 report shows a gain of 11,671 in Sunday School enrolment and 4,792 in Training Union enrolment. Oklahoma ranks third among the southern states in standard Sunday School units. Tremendous progress has been made in Vacation Bible School work. Last year 453 schools were reported.

There were eight assemblies held last summer as follows:

- Falls Creek
- Indian
- Kiamichi
- Northeastern
- Northwestern
- Southwestern
- Panhandle
- Heart of the Hills in Muskogee Association

The outlook for continued growth in the Department of Religious Education is bright.

UNDERGIRDING OUR INSTITUTIONS

Baptists of Oklahoma face a day of unparalleled expansion and growth. Baptismal reports from our churches Sunday by Sunday attest the vitality of our evangelistic spirit. The growth of the church organizations such as the Sunday School, Training Union, Woman's Missionary Union, and Brotherhood, together with the training program inaugurated for developing leaders, express the purpose of the church to maintain continuous growth. Within the cycle of ten years the membership of the churches has increased, in round numbers, from two hundred thousand to three hundred thousand.

While we are gratified beyond measure at the growth in our local churches, we must bear in mind that as a denomination we are yet in our swaddling clothes. We have yet to build our institutions to such a point that we can guarantee denominational integrity and perpetuity.

The Baptist Orphans' Home in Oklahoma City now accommodates 175 children and has a property valuation of \$265,196.79.

Our needs are such that we should now be able to accommodate twice that number and then build for an increasingly larger group in the immediate future.

Generous friends over the state have remembered this institution with loving gifts, which in ordinary times would have guaranteed this high purpose, but, owing to the increased cost of building, the money now in hand will not meet the pressing needs upon us. We must have additional gifts for the Baptist Orphans' Home if we are to fulfill the dream of yesteryear.

Last year our hospitals at Miami and Muskogee treated some 4,000 patients. The greatest need now is for improvement and enlargement. Friends have supplied our needs in the past and we confidently expect the increased needs to be met by those who sense the purpose of healing as a part of the program of Christ.

Both the hospitals at Miami and Muskogee should have additional equipment to lift them to the highest point of efficiency. The hospital at Muskogee desperately needs a nurses' home so that we might better care for the young women who come to us to be trained for the high calling of nursing.

The Falls Creek Assembly numbers 175 cabins on its campus at the present time. Reports indicate that one hundred churches have made their plans to build or to rebuild in the immediate future. The responsibility is upon this Convention to provide facilities and equipment for general use.

The tabernacle should be enlarged and suitable accommodations should be provided for visiting speakers and teachers. More facilities must be added to accommodate the ever-increasing throngs who attend each summer. We can look only to our people for the funds to supply these needs. No religious gathering in Oklahoma has greater spiritual significance than Falls Creek. Eighty percent of those attending can be classified as youth. Here they meet the high tide of our spiritual life and are challenged to match it by consecrating their lives to the service of Christ. Falls Creek is the Youth Center of the Baptist General Convention of Oklahoma. An investment in Falls Creek will insure dividends in the spiritual growth of the denominational life of tomorrow.

There are now on the campuses of the state colleges of Oklahoma more than 8,000 Baptist students and 1,400 of Baptist preference. There always has been ten times as many Baptist students on state school campuses as we have been able to care for at Oklahoma Baptist University. It goes without saying that our Convention has a definite responsibility for these young men and women who are training for leadership in the professional and vocational life of Oklahoma. The facilities on all the campuses of the state colleges and universities are wholly inadequate to meet the demands of today, much less supply the needs for tomorrow. We hereby assure Mr. Ira C. Prosser, Baptist Student Union Secretary, and the pastors and church leaders in the various college towns of our intention to erect adequate facilities to care for the ever-increasing number of Baptist youth educated on these campuses. A definite appeal will be made to our people for funds to provide these facilities in the immediate future.

Oklahoma Baptist University is our financial problem child. While great progress has been made in the last decade, much remains to be done to provide the basic needs in plant and equipment.

We have no dormitory facilities whatever for men on the campus and will not have until the completion of the Brotherhood Memorial Dormitory now under construction. When this magnificent building is completed it will cost multiplied thousands of dollars to furnish and equip it for use in September, 1947. Funds have been raised with which to complete the dormitory but none have been provided for equipment. The unit cost per boy is \$350.00 and we have no way of securing it but to ask for individual contributions from our people.

The beautiful W. L. Brittain Library and Art Center which adorns the campus and is now in use must be furnished and equipped in keeping with its graceful architecture and artistic design. For this we

need a minimum of \$10,000, which amount could be given to memorialize some loved one.

Our plans contemplate the erection of a chapel and fine arts building on the campus of our beloved University as quickly as materials can be secured and as funds are made available.

In order to vitalize the program envisioned in these needs, the Board of Directors and the Board of Trustees have released Dr. Andrew Potter and Dr. John W. Raley from some of the duties and responsibilities which they have carried in the past so that they might devote a larger part of their time and energy to the personal solicitation of funds so greatly needed to undergird and stabilize our institutions and agencies. It was the unanimous conclusion of the Board of Directors and the Board of Trustees that Drs. Potter and Raley, because of their background, experience, and training, were better equipped for this specific task than any one else who might be secured.

The job we have outlined here is difficult. It cannot be done overnight. It will be of long duration. It will require patience, persistence, and devotion. In the opinion of the Boards this was the most practical and feasible plan to follow and it gives great promise of eliciting the support of our people and achieving success.

Thomas Bert Lackey was unanimously elected to share with Drs. Potter and Haskins the heavy responsibilities of the general work of the Convention. Mr. Lackey is well-equipped for the task assigned him. His coming to the general office to work with Dr. Haskins will insure the continuance of the Unified Budget momentum and relieve Dr. Potter of many details that he may give himself more fully to the new program.

The Board of Trustees elected Dr. Orin Cornet as Vice-President of the University, in order that the administrative details of the President's office might be cared for in the absence of Dr. Raley.

This team is now ready to go afield to secure the funds to supply the needs outlined above. It is well to call your attention to the fact that between the close of the Convention and the thirty-first day of December men and women in Oklahoma will be in position to make substantial gifts. While it will not be possible for them to see all prospective contributors with a personal appeal, it is hoped that pastors and others who know of the needs will supplement the efforts of Drs. Potter and Raley in the few weeks that remain of this calendar year.

Let us dedicate ourselves to this task and pledge our cooperation to the end that we may secure funds to undergird and stabilize the Baptist institutions of Oklahoma.

BAPTIST BOOK STORE

The Baptist Book Store located at 223 West First Street in Oklahoma City is owned and operated by the Sunday School Board of the Southern Baptist Convention. It serves the churches of Oklahoma with books and other necessary supplies.

During the past year, H. Killingsworth, who has served as manager for many years, resigned to accept a similar position with the Baptist Book Store in Dallas, Texas. Miss Mary E. Tongee was employed as the manager and few changes in management and methods of handling orders have been made. Under Miss Tongee's management, the largest sales in the history of the book store have been reported.

It is the desire of the personnel of the book store to make, first, the church library department available to every Baptist church; second, the visual education department a guide to every church in the purchase and use of visual aids; third, the mail order department the quickest way by which the church can secure supplies; fourth, the accounting department to render prompt and accurate service; fifth, a store in which Oklahoma Baptists can be justly proud, attractive in appearance, well-stocked with merchandise, and with a capable, courteous, and well-trained sales force to serve.

BAPTIST HEADQUARTERS

More than twenty years ago a dilapidated store building was purchased at 223 N.W. First Street in Oklahoma City. This building has been outgrown and five offices have been rented outside.

At the Baptist General Convention in 1945 a recommendation was adopted authorizing the purchase of a building site and the erection of a Baptist Headquarters Building as soon as practicable.

The building site has been purchased at Fifteenth and Robinson streets in Oklahoma City. An architect has been employed and a thorough study is being made of the needs. The scarcity of materials and labor have delayed the erection of the much-needed structure; however, as soon as materials and labor are available, the Board of Directors will carry out the authorization of the Convention and the new Baptist Headquarters building will be erected.

MINISTERS' RETIREMENT PLAN

At the Convention meeting in Shawnee in 1938, the Ministers' Retirement Plan was inaugurated. Since that time 57 veterans of the cross have been retired.

There are 503 pastors and other full-time religious workers who have the protection that this plan affords.

We earnestly urge every full-time religious worker—pastors, secretaries, janitors, educational directors and denominational workers to avail themselves of this opportunity.

WIDOWS' SUPPLEMENTAL PLAN

July 1, 1946, the Widows' Supplemental Plan became effective. This plan is to give protection to the widows of pastors and others who are participating in the Ministers' Retirement Plan in case of death of the member before the time of retirement. The Widows' Supplemental Plan does not require additional funds from the church. The minister pays one and one-half per cent of his salary and the Convention matches that with an equal amount. Many have already entered this plan.

We urge every married man in the Ministers' Retirement Plan to give his wife and family this protection. Additional information may be secured from Andrew Potter, Executive Secretary.

HOSPITALS

Oklahoma Baptists own and operate two hospitals: Oklahoma Baptist Hospital at Muskogee with J. P. Cox as administrator, and Miami Baptist Hospital at Miami with A. F. Wasson as superintendent. Both hospitals are free of debt and are in the process of redecorating, refurnishing, and replacing the equipment with the latest and best that is available. It is our purpose to make the Baptist Hospitals among the most modern and efficient in Oklahoma.

Mother's Day, the second Sunday in May, 1947, has been designated as Hospital Day. At this time the Baptist people of Oklahoma will be given an opportunity to show their interest in the hospital work.

RELIEF AND REHABILITATION

The Southern Baptist Convention, meeting in Miami, Florida, May, 1946, voted unanimously to launch a campaign to raise \$3,500,000 for relief and rehabilitation to be distributed through the Foreign Mission Board to suffering people in the war-torn and weary world.

Oklahoma had not planned a special campaign for funds during 1946. Major emphasis was to be placed upon the Unified Budget; however, our people gladly entered into this emergency appeal and the quota of \$172,000 suggested for Oklahoma has been raised in full. When all the money given by our people has been received, Oklahoma will, no doubt, go far beyond the amount suggested for our state.

It is encouraging to note that the campaign has been successful throughout the Southern Baptist Convention and the \$3,500,000 sought has been raised with money being received daily. We are grateful to the pastors and churches for their response and for their generous offering to this emergency.

UNIFIED BUDGET

Everything dear to the hearts of Baptists is included in the Unified Budget—State, Home and Foreign Missions, Christian Education, Hospitals, Orphanage and Ministerial Relief. This plan continues to grow in favor with Oklahoma Baptists. There is an increasing conviction that the Unified Budget has finally placed us on a permanent financial foundation. When one understands the set-up of the Unified Budget he cannot help but see that its structure is such that it first, provides regular and adequate support for all our work; second, distributes funds to causes proportionately; third, enlists our people in the support of all phases of work done by Oklahoma and Southern Baptists. Such a program is sane, scriptural and successful. The increased receipts through the Unified Budget is proof of the soundness of this plan.

The balance of \$469,000.00, if raised, to be divided fifty-fifty between state and southwide causes with nothing deducted therefrom.

The associational moderators and Unified Budget leaders, as well as the missionaries, have contributed much to the promotion of the Unified Budget throughout Oklahoma.

We present the thirty-four associations, their moderators, Unified Budget leaders and goals for 1947:

GENERAL RECOMMENDATIONS

1. That it will be our policy to operate on a cash basis.
2. That we exercise the strictest economy consistent with the best administration and promotion of our work.
3. That we instruct all agencies provided for in the budget not to incur any debts not authorized by the Board of Directors during 1947.
4. That the 1947 State Mission Budget be projected on a basis that will insure no deficits at the close of the year.
5. That we continue the ten per cent contingency fund from in-the-state objects as a safeguard against possible deficits.
6. That the Board of Directors be authorized and instructed to

re-adjust the figures of the Unified Budget if receipts do not justify the suggested distribution. We solemnly renew our pledge to the Baptists of Oklahoma that there will be no debt debacles during this administration.

7. We further recommend that all Unified Budget funds above \$51,000.00 (which is the basis of operation) be divided fifty-fifty between state and southwide causes.

A POLICY

Inasmuch as the Baptist General Convention has a large mailing list of the Brotherhood, the W.M.U., **Baptist Messenger**, Sunday School Superintendents, Training Union Directors, church Treasurers, Clerks, and a multitude of other names; and since almost every week names are requested of some department for various purposes—these requests often coming from our best friends and supporters—and since the Secretary and Department Heads do not want to be arbitrary nor discourteous by refusing to accommodate people, even though they pay for their work; therefore, we recommend that the Secretary and department heads be authorized and instructed not to furnish names to any one for any purpose other than for our own work, unless directed to do so by the Board of Directors or the Convention.

This will relieve us of the responsibility of refusing favors to our friends and supporters and will at all times safeguard our best interests and meet with the hearty approval of all concerned.

CONCLUSION

The Lord has led Oklahoma Baptists out of the wilderness of debt and on toward the land of promise. When the Israelites stood before the Red Sea on their journey from Egyptian bondage toward the promised land, their great leader Moses said, "Fear ye not, stand still and see the salvation of the Lord. . . . The Lord shall fight for you and ye shall hold your peace. And the Lord said unto Moses . . . Speak unto the children of Israel that they go forward." Exodus 14:13-15.

The Lord's marching orders have ever been forward. It matters not what the difficulties and obstacles may be, there is but one desire for Baptists and that is forward. The Christian armor provides no protection for the back because God's people are to be found marching on.

The theme song of this convention expresses the sentiments of Oklahoma Baptists.

Onward, Christian Soldiers, Marching as to war,
With the cross of Jesus, Going on before!
Christ, the royal Master, Leads against the foe;
Forward into battle, See, His banners go!

At the sign of triumph, Satan's host doth flee;
On then, Christian soldiers, On to victory!
Hell's foundations quiver, at the shout of praise
Brothers, lift your voices, Loud your anthems raise!

Like a mighty army, Moves the Church of God;
Brothers, We are treading, Where the saints have trod;
We are not divided; All one body we,
One in hope and doctrine, One in charity.

| 826,233.13 | total |

Secretary Potter stated his belief that in the entire twelve months of 1946 we should have at least \$1,000,000.00 cash contributed to all purposes included in the Unified Budget.

Goals for Unified Budget in 1947 total \$650,000 from undesignated gifts, which with designations, should make it possible for our state to give at least \$500,000 to outside causes.

58. Secretary Potter announced that the Miami citizens have raised \$25,000.00 as part of a \$37,500.00 hospital campaign. The time for the campaign is not over, and it seems certain at the time of the convention that the final \$12,500 will be given.

68. Rev. Kermit Whiteaker, Stillwater, presented the report on Social Service, and Rev. W. J. Herwig of the National staff of the Anti-Saloon League, spoke to the report. Motion carried to adopt the report.

SOCIAL SERVICE REPORT

A report on social service to the Oklahoma Baptist General Convention requires a re-defining of terms and a clarification of purpose. Traditionally, our denomination has continued to hear statements in its annual session which have, for the most part, merely enumerated certain obvious current social evils. The liquor traffic, the deterioration of the modern home, with its attendant evil of juvenile delinquency, and the prevalence of undesirable literature on newsstands have been favorite themes for castigation. Each of these items of complaint are, doubtless, with us today, but merely protesting their existence does not adequately convey what the term "social service" includes in its derivation or ultimate meaning.

"Social service" implies specific services by the denomination, through the churches, to the areas of social relationships where injustices have dominated and injured the lives of the people, rather than a mere protest against such evils. "Social service" suggests positive procedures initiated by, and carried through by, the churches of the denomination to alleviate undesirable living conditions, hurtful social conduct and injurious patterns of social thinking. Therefore, your

Social Service Committee wishes to suggest the following areas where conditions need correcting, and to indicate some possible procedures by which the churches may aid in bringing these evils under control.

1. The disintegration of modern home life is still the darkest cloud on the horizon. Much of the break-down may truthfully be traced to the uprooting of life by the exigencies of war, but a larger percentage of the trouble dates to earlier pre-war years. The gradual change of our patterns of living from those of a predominantly agrarian society to those of a highly industrial-type existence has contributed far more than has war to this regrettable condition. Life in our cities and towns, where delinquency thrives, has stimulated congested living conditions, encouraged poor housing, perpetuated impossible sanitary conditions, and provided a crude familiarity between people that has contributed inevitably to a loss of respect for the sanctity of human personality and the rights of the individual. A really major social problem among us, then, is how to cope with the evils attendant upon a highly regulated and complex industrial pattern of living.

Your Committee feels that a major step would be taken to combat the ugly by-products of the break-down of home life if our churches would open their buildings on week-days for "social centers" in which recreation, supervised play, creative arts and classes in the techniques of building successful home life would be provided. It is common knowledge that the majority of delinquents are found among those persons who are idle, bored, or unguided. Utilizing church buildings a few hours on Sunday for worship, and on week nights for religious promotional meetings—the latter primarily for "priming the pump" for Sunday's activities—is not, to say the least, the most intelligent way to use church property for the salvation of human personality. Too often the criticism of the average church that it knows how to do nothing but "preach and pray" is too valid an appraisal for comfort.

2. Tensions between the races have been accentuated by the war's widely proclaimed thesis of liberty for all men. Minority groups have rightly anticipated that after the war something tangible would be done to eliminate unjust racial discrimination. Efforts of the Federal Government to enforce the Fair Employment Practices Act have proved ineffectual, and many groups, including some religious, and otherwise, have condoned such prejudice which deprives an individual because of his race of "life and liberty and the pursuit of happiness" which our forefathers said were his "inalienable rights." It is the feeling of your Committee that the longer the Convention, through its churches, delays in presenting a strong front against the unfair and un-Christian attitude of great sections of our population against people of other races the longer will an understanding of this danger spot be delayed.

As an approach toward relieving racial tensions your Committee suggests that our churches make a large place in their curriculum for teaching strictly scientific data with Christian attitudes that will do much to destroy the fiction, so long held, of there being such a phenomenon as a "superior race." Churches ought to say, by every means at their disposal, that discrimination, because of race, is utterly out of harmony with the Christian faith.

3. America has a notorious name throughout the world as a profligate and immoral people. The practical elimination from American life of the sacredness and primacy of Sunday as a day for worship and rest is but one indication of the ultimate complete secularizing of our life. With this wide-spread abandonment of religious worship, all standards of high living have been lowered. To the secularizing of

~~the~~ one must add the predominance of materialism, the sordidness of ~~man's~~ social custom and conduct and the debauchery of many of our ~~peoples~~ with intoxicants, indecencies and infidelities as evil children ~~of this~~ secularization of life.

Your Committee does not see a wide-spread turning to religion, ~~with~~ so many have prophesied, but, rather, it envisions signs of a ~~sharpening~~ of the lines between those in our society who are motivated by strictly Christian principles and those who are pagan in their ~~re-~~actions to life. Standing in the midst of such a divided generation, ~~the~~ churches must continue to speak their message of devotion to the ~~highest~~ in life, realizing that "if the trumpet give an uncertain sound, ~~who~~ shall prepare himself to the battle." (I Cor. 14:9).

Other areas of modern life where our denomination has made little, ~~or~~ no, effort to cope with social evils are: The injustices involved in ~~the~~ employer-employee relationship; the struggle for international ~~under-~~standing and good will; and positive practical suggestions as to how ~~to~~ relieve the badly housed, and poorly fed and the ill-treated portions ~~of~~ our population. There is a Christian answer to all such social ills, but Christian forces must do more than pass resolutions condemning their existence. There must be action, direct and positive, in the local ~~churches~~. There must be strong impassioned words from the pulpits against social injustice. There must be deliberate dedication of our people to the ideal of hastening the day when God's will shall "be done in earth as it is in heaven." Then can we feel that as a denomination we are worthy of the people's trust. Who knows but that Oklahoma Baptists have "come to the kingdom for such a time as this?"

CHURCH MUSIC AND BAPTIST STUDENT UNION REPORT

Ira C. Prosser, Director

Since Oklahoma Baptists have established these new departments and are seeking to give renewed emphasis in this field of labor, we will outline the work under three heads: 1. Establishing the Departments. 2. Surveying the needs. 3. Outlining the program of work.

1. Establishing the Departments

These new departments of Oklahoma Baptist work were established by the Executive Board of the Baptist General Convention of Oklahoma, September 15, 1945. The promotional offices are located in Room 405 of the Colcord Building, corner Grand and Robinson. The congested condition at Baptist Headquarters is the occasion for this and other departments having to be located elsewhere.

2. Surveying the Needs of the Baptist Student Union Field

In the B. S. U. (Baptist Student Union) field, the 1946 Fall survey of the colleges, universities, business schools, and institutions of higher learning and specialized training reveals an enrolment of 7,500 plus Baptist students and 1,000 plus Baptist preference, making a grand total of 8,500 plus.

Oklahoma Baptist University has its largest enrolment of 1,000 plus. This leaves a grand total of 7,500 plus not on denominational campuses. These students offer a great challenge to Oklahoma Baptists for Christian education and enlistment. This is the field of B. S. U. Through this movement, Baptists go with their students to college, ever keeping before them their church and denominational program.

The survey further reveals a great need for strengthening the personnel of leadership on local campuses and providing them with necessary equipment for efficient work.

Outlining the program of work—1946-47:

1. The denominational calendar of student activities, suggested

in the various states and promoted from the Southwide office, is being followed.

2. A state meeting for all the B.S.U. leadership was held in the First Baptist Church, Oklahoma City, in February, when the entire year's program was planned and enthusiastically adopted.

3. One hundred and forty-five students attended the Student Retreat, Ridgecrest, North Carolina, June 5-12, Oklahoma's largest Ridgecrest attendance.

4. Emphasis was given the B.S.U. promotional program, at Falls Creek, under the leadership of Robert S. Denny of Nashville. The B.S.U. class had an average attendance of 125.

5. B.S.U. evangelistic teams directed youth revivals and mission work, during the summer vacation days.

6. The climax for student activities, 1946, was the State B.S.U. Convention held at the First Baptist Church, Oklahoma City, November 1-3. The program was outstanding; the attendance was Oklahoma B.S.U.'s greatest.

7. Oklahoma Baptists and their student leadership will give special attention to raising funds for student centers and other equipment needed for the local campuses, beginning in 1947.

3. Surveying the Needs of the Church Music Field

In the church music field, the survey to determine the desire for a progressive church music education program has met with enthusiastic response. Oklahoma Baptists are exceedingly anxious that our church music training program be brought up to a level commensurate with the other training programs in the field of religious education.

Outlining the program of work—1946-47:

1. The director has demonstrated, through music institutes held in practically every section of the state, the type training that needs to be done through associational, city-wide and local church units.

2. It was his pleasure to assist Dr. B. B. McKinney, Secretary, Department of Church Music, Nashville; Mr. Ralph Wesson and Miss Lois Hall in directing a great Falls Creek music program of teaching and singing. The enrollment for the class in church music exceeded 1,000.

3. Each of the thirty-four associations has shown a fine spirit of cooperation in selecting a committee to work with your state director in setting up a suggested program of promotion for church music, to begin in 1947.

4. There will be four outstanding events, in the promotional work for 1947:

- (1) A meeting of the associational officers, in February, to set up a program of enlistment for the training work to be done during the year.
- (2) A church music leadership Clinic to be held at the Oklahoma Baptist University, June 2-6, with Southern Baptists' greatest church music leaders serving as faculty members. Dr. B. B. McKinney, Secretary, Department of Church Music,

Nashville, Tennessee; Mr. Hines Sims, Associate to Dr. McKinney; Mr. Plunkett Martin, Professor of Sacred Music, New Orleans Baptist Theological Seminary, New Orleans, La.; and Dr. Warren Angell, Dean of Fine Arts, Oklahoma Baptist University, Shawnee. Others will be added, as the needs demand.

- (3) The annual Falls Creek program of directing and teaching.
- (4) Associational-wide simultaneous music institutes throughout the state, to be promoted late in the Fall.

72. Report on Home Missions was presented by Rev. Tom Carter. Dr. Auguie Henry, McAlester, introduced Dr. Courts Redford who spoke to the Report.

HOME MISSION REPORT

The responsibility of the Home Mission board has been from the beginning to inaugurate Baptist work among the people not being reached through the regular channels of our work. Thus, the Board has year by year expanded its work until it now has 642 missionaries in the field and these missionaries are working through 15 different phases of the work. The department is continually finding new fields and new opportunities of service for expanding this great division of the work of Southern Baptists. Dr. J. B. Lawrence, our able Executive Secretary, has been assisted in the general executive work by an Oklahoman, Dr. Courts Redford, our Assistant Executive Secretary.

We now have 72 churches and 95 missionaries among the Mexicans. Four churches and Missions, with 14 missionaries among the Italians. Twenty-two churches and missions and 23 missionaries among the French. Four churches and missions and eight missionaries among the Chinese and 21 mission stations and 25 missionaries at Panama, Costa Rica and in the Canal Zone area.

Oklahoma's own Dr. J. B. Rounds was elected superintendent of the Indian work in July, 1943, and the program of this work has been enlarged until we now have 204 churches and missions with 93 missionaries among the Indians. There are more than 1,575,000 Indians unevangelized.

We have at present nine centers of work and seven missionaries to the deaf. One hundred ninety-one mission stations and 119 missionaries to the people of Cuba. We have 22 Negro center workers to serve these fields. We have 12 mission centers and two rescue homes with 26 missionaries striving to reach those who are far from the Lord.

The great city mission program inaugurated in 1942 has grown to where there are 42 of our cities participating, with every state of the Southern Baptist Convention territory represented. The 42 cities and missionaries do not include the work in Arizona, New Mexico and California where a splendid work is also being accomplished.

In addition to the above listed, we have cooperative work in Rural Missions; this being carried on in 10 states which include 47 cooperative workers who are working with more than 19,400 rural churches. Oklahoma has the distinction of being the first state to officially enter this program.

Our Home Mission Board also has 18 mission centers, serving under the classification of Special Missions with 20 missionaries employed in

these fields. There is so much to be done. Our Home Mission Board must evangelize the homeland and maintain a strong base for world missions. With perhaps the greatest strength in the history of the Board, having at present more than 587 churches and missions and 702 workers and missionaries, still 326 churches and missions are needed and at least 389 workers and missionaries to meet the needs of the unevangelized fields in the homeland. This would call for an expenditure of \$2,616,000 for Mission properties and a \$1,300,000 increase per year for operation. Surely Southern Baptists are able to supply these needs and should accept these figures in thanks-giving for the splendid accomplishment in the past and a challenge to even greater things for Christ in the years ahead.

73. After the Home Mission Report, the congregation stood singing "Amazing Grace."

74. The Oklahoma Baptist University hour arrived, and Dr. Oren Cornett, Vice President, presented a summary of the president's report.

75. The Oklahoma Baptist University Glee Club sang "My soul is so happy that I cannot sit down."

76. President John W. Raley addressed the convention, emphasizing the paramount importance of "Love" as the controlling and directive force of all phases of life.

77. The Oklahoma Baptist University Glee Club sang "His Truth is Marching On."

78. Motion carried to adopt the President's Report.

REPORT OF THE PRESIDENT

In a brief span of 36 years Oklahoma Baptist University has sent out some 1564 graduates. They are serving in important capacities all over the world—as doctors, ministers, teachers, missionaries, and business men, and in countless other capacities. The graduates of Oklahoma Baptist University constitute its most effective and most accurate advertising medium. Today the student body of Oklahoma Baptist University numbers 1070, of which 621 are freshmen, 407 are upperclassmen, and 42 are unclassified or special students.

Until recently the acquisition of property and equipment by the university has been neither rapid nor regular, yet in the space of a few short years it has accumulated 13 buildings, and at present its capital worth is more than \$1,116,896.58. The faculty of the University is stronger than ever before, as a result of strategic additions to the faculty and advanced study by its members. The college of fine arts is second to none in the state, and very promising futures are in prospect for the newly created departments of engineering and photography. The department of journalism and publicity has been revitalized, and the quarters of the department of home economics have been remodeled, with installation of the very latest and best of equipment. Evident throughout the University is a growing spirit of progress and alertness. In view of the enthusiastic good will and support of the Baptists of the state of Oklahoma, with every evidence of favorable prospects for continued growth and improvement, truly the future of Oklahoma Baptist University is as bright as the promises of God.

The completion of the W. L. Brittain Memorial Library and Art Center in the spring of 1946 in the face of war-time shortages and difficulties of all sorts marked the successful culmination of the campaign to provide adequate library facilities for the students of Oklahoma Baptist University. Alterations which converted storerooms into additional classroom space in Shawnee Hall and Montgomery Hall have made it possible to accommodate more students in classes than ever before. Construction continues on the Brotherhood Memorial Dormitory for Men and also on 35 apartment units provided by the Federal Public Housing Authorities for the use of veterans and their families. Ample housing for single men has been supplied through the use of buildings on the navy base adjacent to the campus.

The following were added to the faculty of Oklahoma Baptist University at the beginning of the fall semester:

Miss Nan Allen, B.A., Instructor in English and Speech

Mr. Beuford Barnum, B.A., Instructor in Aviation and Physical Education

Mr. Guilford Plumley, Mus.M., Associate Professor of Piano

Mr. Jack Purdue, M.S., Instructor in Physics

Miss Opal Qualls, B.A., Instructor in Art

Miss Katherine Rader, M.A., Instructor in English

Miss Ruby Rowe, B.S., Instructor in Secretarial Science

Mr. Lee Spencer, M.A., Librarian

Mr. William F. Tanner, M.A., Head of Journalism Department, Publicity Director

Mr. Douglas Williamson, B.S., Instructor in Engineering

Mrs. Blake Woolbright, B.A., Instructor in English and Speech

Enrollment figures for the 1945-46 session included 722 students during the regular session, 301 during the summer school, and 73 students in the summer school for preachers, making a grand total of 1096. Ministerial students enrolled during the regular session numbered 132, while 60 were enrolled during the summer session. The report of the Ministerial Alliance for the school year listed 568 conversions, with 828 additions to the churches and 302,852 miles traveled. Extension activities of former years were maintained.

With a probable enrollment of 1400 to 1500 for the second semester and prospects for continued growth in the future, the University is looking to the Baptists of Oklahoma to match academic expansion and growth with physical expansion. In order properly to accommodate so many students, in order to provide classrooms and equipment which will assure efficient teaching conditions, the University must expand its physical plant. Its most pressing needs are as follows:

1. Furniture and furnishings for Library and Art Center
2. Furniture and equipment for Brotherhood Memorial Dormitory
3. New dormitory for women
4. Science building
5. Chapel and Fine Arts building
6. Student center

The University had for the year an income of \$363,289.08, expense of \$326,108.15, leaving a reserve of \$37,180.93. This net reserve is made up largely of gifts for special purposes—namely, library stacks— \$21,-

170.00; library books—\$5,000.00; loan funds—\$1,522.00; endowment—\$2,-300.00; boys' dormitory—\$518.50; scholarships—\$224.97; other—\$148.00; total—\$30,883.47, income for special purposes. This leaves a net general operating reserve of \$6,297.46, which was invested in equipment during the fiscal year.

Respectfully submitted,
John Wesley Raley, President

85. American Bible Society was presented by Rev. Thomas Holloway, field representative for the society.

86. A Resolution was read by Rev. Horace Lee Janes, Elk City.

87. Motion carried to adopt the resolution.

Whereas, this Convention recognizes the essential world-wide service rendered by the American Bible Society in its missionary non-profit work of translation, publication, distribution and encouragement of the use of the Scriptures, and

Whereas, in addition to its regular work of supplying Scriptures for world-wide missions, its World Emergency Program for Post-War Rehabilitation also provides, without charge,

1. Scriptures in many languages for needy people in liberated areas and in Germany and Japan;
2. Scriptures for persons still being held as War Prisoners, and
3. New Testaments and other Scriptures for our Armed Forces who are yet on duty throughout the world, and for the thousands of wounded men still in government hospitals.

Therefore, Be It Resolved,

First, that we earnestly request our churches and our people : make contributions to the work of the American Bible Society, all such contributions to be sent through the regular channels to the Baptist state headquarters office, designated for the American Bible Society.

Second, that we approve an offering for the work of the American Bible Society to be taken in the churches on a day to be set by the Executive Board and to be promoted by our Convention as a part of its mission program.

88. The work of the Southern Baptist Radio Commission was considered and Dr. C. C. Morris, Ada, presented Dr. S. F. Lowe who spoke concerning this program.

89. Motion by C. C. Morris carried to extend the time so that Dr. Lowe could explain F. M. Station work and its advantages to our program.

90. Southwide Benevolence work was presented and discussed by Dr. R. S. Jones, Dallas, Relief & Annuity Board—Hospitals.

REPORT ON THE RELIEF AND ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

1946

I. Relief

The amazing growth of the Ministers' Retirement Plan, promising a new day for multiplied thousands of our Southern Baptist preachers has not led the Board to the conclusion that there is no longer a need for our relief department. Such a conclusion would be not only erroneous, but greatly disastrous, for there are other thousands who are today, or will become in after years, dependent on the relief grant of this Board for even a modicum of comfort and ease.

There is now, and there shall continue to be, need for a strong relief department for many, many years. Indeed, the challenge of this hour is the need for greatly increased grants for our approximately 1,300 beneficiaries now on the relief rolls of the several states.

II. Annuities

In the several annuity plans of the Relief and Annuity Board there are now enrolled some 13,000 ministers and other persons employed in denominational service. There were reported 1,742 monthly beneficiaries of these plans at the close of 1945. All pastors and employed lay workers of our churches may and should avail themselves of the benefits of these contributory retirement plans.

III. Widows' Supplemental Annuity Plan

Sufficient number of the Oklahoma members have been enlisted in this plan and it was inaugurated as of July 1, 1946. The plan has also been adopted and is in operation in five other states, namely, South Carolina, Kentucky, Missouri, Illinois, and Virginia. The Relief and Annuity Board is confident that by January 1 nearly all the states will have inaugurated this plan.

This Widows' Plan is a necessary supplement to the Ministers' Plan.

as it provides for ministers' wives who become widows before their husbands have actually retired under the Ministers' Plan. Let it be remembered that a great many ministers die between the ages of 30 and 65; something like 40 out of 100 do not live to be 65. For the amount of money involved, the benefits to widows in this plan are very excellent and surpass those of any benefits that can be had from any other source in the world for a like cost. The State Board of Oklahoma will pay half of the cost of this supplemental plan while the minister pays the other half. The churches are not called upon for any additional sum.

By all means, let every eligible minister, that is, those who are members of the Ministers' Retirement Plan and have living wives, contact Dr. Andrew Potter at Oklahoma City and place his application. Do not delay, for delay may be disastrous.

MEMORIALS

Time serves two important purposes as a grace of God: First it gives us the opportunity to have fellowship with and to serve our fellowman as we journey here: but also and more important it provides us with the opportunity to discover our Lord in saving grace and to serve Him on life's journey.

Second, At last the journey is done. Time brings it to an end, and with it all pain of body and anguish of spirit sending us into the presence of the Lord for the reward eternal. Nothing is more certain for us all than the end of all things earthly. Throughout this year as in every year since the morning of creation, we have lost to the Father's House and His loving care the following:

Reverend H. J. Ballew, noble preacher, pastor and missionary.

Rev. J. I. Coffey, who gave to mankind and to the Lord a life of devotion and usefulness.

Rev. L. C. Wolfe, one of the best known evangelists in America a generation ago, a Virginian, and lawyer who cast his lot with the ministry in the great southwest and preached mightily to the glory of God, both as pastor of some of our greatest churches and as revivalist.

Rev. A. V. Pendleton, who spent many years proclaiming the gospel and releasing the spirit of Christ over a long life.

Rev. Holmes Nichols, a pioneer in Baptist work in Oklahoma.

We wish to mention in the same connection, two noble men, Chaplains L. B. Alder and Frank Webb, Jr. They went out with our boys as officers in the army and served during the recent great struggle. When the war was over they both returned to pastorates in our state, Brother Alder to Martha and Brother Webb to Hennessey. We send to the families of each and all of these, from this Convention, our prayers for their comfort, and for God's care of them.

Of course, you would know that it is impossible for us to have the names of all the people from our churches who have gained immortal estate the past year. There, however, is one whose memory will linger long and of whom you would have us speak a word for our permanent record. He was Dr. F. B. Erwin, who for a full generation served our children of the Orphans' Home as the good physician. His services were likewise given to Good Will Center, a great institution carried on by the Baptist women of Oklahoma City for the underprivileged of the city. Dr. Erwin was a gentle and a noble Christian who went about doing good. We express to Mrs. Erwin and his children the appreciation of the entire brotherhood of Oklahoma for the good, godly,

professional services he gave our children over such a long period of time.

Your committee suggests that we stand in silent prayer in memory of these and all others whose names have not been here read because they were unavailable but who, like the above, lived out their lives in lovely Christian service and have joined the hosts immortal.

COMMENTS

Organization

The "Baptist General Convention of the State of Oklahoma" is incorporated under the laws of the State of Oklahoma, without authorized capital stock. Its first Articles of Incorporation were filed on or about May 1917, for a term of twenty years, and its amended Articles of Incorporation providing for an organization in perpetuity were placed on record March 6, 1928. Its purpose is to foster Baptist denominational activities in the State of Oklahoma and to receive and disburse funds as provided by the various members of the denominations in accordance with the instructions of such contributors.

Since November 1, 1935 the convention has had direct supervision of the Baptist Orphans' Home, located in Oklahoma City, Oklahoma. The "Baptist Orphans' Home" was organized in March 1904 for the purpose of providing protection and care for needy orphans and is incorporated under the laws of the State of Oklahoma as a charitable institution without authorized capital. Assets, liabilities, income and expenses of the Baptist Orphans' Home are treated as a separate "Fund," both on the convention books and in this report.

Cash

The account with The First National Bank and Trust Company, Oklahoma City, Oklahoma, amounting to \$592,201.01 was reconciled and verified by certification obtained from the depository. The Baptist Foundation of Oklahoma

On October 31, 1946 the Secretary of State of the State of Oklahoma issued a charter to The Baptist Foundation of Oklahoma, a nonprofit corporation without capital stock. The Articles of Incorporation state that the purposes of this foundation are to receive money or property either absolutely or in trust; to enter into contracts or trust, agreements; to prosecute or defend any action in which the corporation may be involved; to borrow money and secure the same; to hold, administer, and dispose of property; to make conveyances, assignments, and contracts; and, otherwise "to promote Baptist doctrines, Evangelism, Christian education, and both home and foreign missionary work." On November 6, 1946, the Baptist General Convention of the State of Oklahoma, in session at Oklahoma City, authorized and directed that all property in the nature of endowments or trust funds held by the Baptist General Convention should be transferred to The Baptist Foundation of Oklahoma. As of December 31, 1946 the records of the Baptist General Convention did not show that these funds had been so transferred.

Contingent Liability

There was a lawsuit pending (cause No. 30,698) in the District Court of the United States for the Eastern District of Oklahoma, styled "Alta Jacobs Hull vs. Baptist General Convention of the State of Oklahoma, a corporation, et al," arising from apparent misstatement of records in a maternity case at the Oklahoma Baptist Hospital, Muskogee, Oklahoma, involving alleged damages in the amount of \$100,000.00. According to confirmation letter direct to us from W. R. Wallace, attorney for the convention in this matter, the plaintiff cannot, in his opinion, sustain her main cause of action and is not entitled to any damages.

R E P O R T
OF THE
Forty-First Annual Meeting
OF THE
WOMAN'S MISSIONARY UNION

Auxiliary to the
Baptist General Convention of Oklahoma

Oklahoma City, Oklahoma

November 4-5, 1946

MOTTO
"Fellow Helpers to the Truth"

WATCHWORD
"Go ye . . . and make disciples of all the nations"—Matt. 28:19

HYMN FOR THE YEAR
Hark! the Voice of Jesus Calling

MRS. R. T. MANSFIELD — IN MEMORIAM

Elsie (Mrs. R. T.) Mansfield passed to her heavenly reward on Nov. 19th, 1945 at Oklahoma City. From 1916 to 1920 she was vice-president of Oklahoma Woman's Missionary Union and from 1920 to 1927- she served as president of this organization, giving generously and loyally of her time and talents that the kingdom of our Lord might be advanced. She has changed these earthly garments for heavenly robes of light.

There is no flower in our garden of memory that surpasses the rare beauty and fragrance of this friend of many years. As the fragrance of an unusual perfume lingers long after the bottle is stopped so the influence of the character of Mrs. Mansfield shall remain so long as mind has memory.

There is no death! the stars go down
To rise upon some fairer shore,
And bright in heaven's jeweled crown
They shine forever more.

Officers of the W. M. U. for 1947

REPORT OF EXECUTIVE SECRETARY

"For we are laborers together with God; . . . ye are God's building" 1 Cor. 3:9.

The annual report of Oklahoma W. M. U. heartens each of us who, viewing the smallness of our own contribution, rejoice as we contemplate the combined accomplishments of all of us who labor together with God.

Like laborers on a huge construction project, some have been excavators clearing out detrimental hindrances through love and prayers. Some have originated new tasks and in so doing, have laid firm foundations. Some have faithfully performed the small, seemingly insignificant duties—but like a brick mason the total of their efforts and those of others erects the impressive building. Others have come along to bring climactic results to well-established endeavors and, like those who lay the protective shingles for the roof, they have helped to complete the well-established, useful building dedicated to the work of God.

The reporting on the part of associational presidents was excellent in 1946. Every quarter, every associational president reported. In four associations every society reported each quarter. These associations are: Banner, Beckham, Caddo and Chickasaw.

There are 661 societies and 1,254 auxiliaries on our mailing list. The W. M. S. membership is 15,883. The 19,563 auxiliary members make a total of W. M. U. enrollment of 35,446.

There were 2,629 W. M. S. mission study classes and a grand total of 3,189 classes for W. M. U. A total of 10,841 mission study awards was granted. To increase our knowledge of missions, members of missionary societies in Oklahoma were reading 7,244 copies of Royal Service.

Ninety-eight churches reported Full-graded unions. One-hundred forty-four organizations were A-1. Of this number 54 were societies.

Our reports listed 9,330 women engaged in Directed Community Missions.

There was a heartening increase in reported tithers in 1946. The 1946 number of 7,721 exceeded the 1945 report by 2,576. This is a 50% increase.

Our scholarship students are listed below: **Emily Goon, *Norma Benton, *Leota Black, *Mae Coleman, *Rev. I. J. Johnson, Louise Tadlock, Maxine Campbell, and Lillie Ragsdale.

*(These scholarships are provided from our state mission funds.)

** (This scholarship is provided from foreign student fund.)

We are indebted to those who came throughout the year to assist us in informing and inspiring for missions.

They are:

Mrs. Edgar Godbold, Pineville, Louisiana, Southwide Community Missions Chairman.

Mrs. G. D. Crow, Tucson, Arizona, former State Executive Secretary.

Miss Helen Falls, Dean of Women, New Orleans Baptist Seminary.

Mrs. Clyde V. Hickerson, Richmond, Virginia, Southwide Stewardship Chairman, and the following missionaries:

Dr. Jeanette Beall (China), Miss Floryne Miller (Japan), Mrs. H. C. Grimmer, V. J. Zunigha, A. B. Brown, and W. T. Watts in the District Meetings.

Mrs. Stephen Jackson and Ruby Howse in the State Convention.

Roy Starmer (Rumania), Martha Thomas Ellis (New Mexico), Ruby Howse (Chile), Mrs. Aaron Hancock, Lewis Hancock, Mrs. A. Worthington, Victor Kaneubbe and V. J. Zunigha in the Assembly.

Also assisting in the assembly were: A. V. Alvarado, Emily Goon, Harold Lassiter and Mrs. Lina Beck Hoppell, O. P. Felder, Mrs. Maud Brockway, E. W. Perry, and W. T. Watts.

Dr. E. C. Routh and Dr. Alfred Carpenter served in the State Convention.

An "all missionary" faculty taught the courses during the Mission Hour at the state assembly.

Eleven W. M. S. members represented Oklahoma at the first W. M. U. week at Ridgecrest, August 8-14. Mrs. H. B. Wilhoyte and Marjorie Keys represented the state office.

A delegation of 47 women from Oklahoma attended the annual meeting of Woman's Missionary Union in Miami, Florida.

Only one Training School student, Catherine Simmons, served the entire summer in field work. Others assisting for brief periods were Isma Johnson, Imogene Fry, and Maxine Campbell.

David Owrey, medical missionary volunteer in school at O. B. U., served in R. A. field work three summer months. He accompanied 6 Oklahoma boys to the Young Men's Missionary Conference at Ridgecrest, North Carolina.

Every accomplishment in Oklahoma W. M. U. in 1946 was due to the combined efforts of thousands of devoted women. Vivian Cochran came in May to take up the leadership of the young people. We rejoice in her consecration and in her capable, enthusiastic manner of planning for service in our auxiliary work. We appreciate Marjorie Keys, our efficient office secretary, and Orma Schmidt, our faithful stenographer. These two do the tedious unseen tasks that have become essential to effective work. Also others have labored faithfully in assisting in forwarding of our plans:

Mrs. H. B. Wilhoyte, Mrs. Berta K. Spooner, and our state chairmen have given excellent service out in the associations and churches as they went in response to calls for speakers and teachers.

There were many changes in state, district and associational leadership in 1946. Mrs. H. B. Wilhoyte completed 8 years of excellent service

as State W. M. U. President. Mrs. C. A. Richards completed 28 years as our capable Recording Secretary. Eight of the 14 district presidents retired from that office last year. They are: Mrs. C. A. Richards, Mrs. Thurman Burks, Mrs. W. A. Carleton, Mrs. C. V. Hall, Mrs. Wade Zumwalt, Mrs. V. A. Grissom, Mrs. William Holbert, and Mrs. Connie Gallaway.

REPORT OF YOUNG PEOPLE'S SECRETARY

"Christ has no hands but our hands to do His work today,
He has no feet but our feet to lead men in His way,
He has no tongues but our tongues to tell men how He died,
He has no help but our help to lead them to His side."

So upon each of us rests the responsibility of carrying the Gospel of Christ to all the earth. As we think of responsibilities we are reminded of the patient counselors and workers who have accepted the

God-given privilege and responsibility of leading young people. We are also reminded of the faithful wise Woman's Missionary Societies who are fostering these auxiliaries of W. M. U. According to reports received in the W. M. U. office, we have, during 1946, organized 238 new auxiliaries. There were 144 organizations which reached the A-1 Standard of Excellence. The total number of organizations in the state are:

Sunbeam Bands—285
 Royal Ambassadors—277
 Girls' Auxiliary—511
 Young Woman's Auxiliary—181

One-hundred-eight Young People's leaders and counselors have had the Leaders' Correspondence Course. We have issued 1,047 mission study seals to the Sunbeams, 3,684 to the GAs, 794 to RAs, and 525 to YWAs, making a total of 6,050 mission books studied by our Young People.

Nine associations reported mission study camps. There were also two state camps, one for GAs and one for RAs held at Falls Creek. The attendance at all camps was about 2,000. For these camps there were: 1,007 mission study awards, 76 conversions, 119 volunteers and a total relief offering of \$415.19.

Missionaries who served: Miss Jaxie Short, Dr. Jeanette Beall, Miss Pearl Johnson, Miss Helen McCulloch, Rev. Joe Townsend and Emily Goon—China; Dr. W. W. Enete and Sammy, Rev. H. C. Lacerda of Brazil; Rev. E. O. Mills, Japan; Roy Starmer, Rumania; Ruby Howse of Chile.

Home Missionaries serving the youth of Oklahoma were: Martha Thomas Ellis, Mrs. A. Worthington, V. J. Zunigha, Lewis Hancock, Victor Kaneubbe and Dorothy Armentrout.

Twenty-nine young women from Oklahoma attended Y. W. A. week at Ridgcrest; here they gave \$325.00 to the relief offering. Five young men, accompanied by David Owery who served Oklahoma during the summer as R. A. leader, attended the Young Men's Mission Conference at Ridgcrest. All six of these boys are mission volunteers.

During the year under the leadership of the counselors and other leaders, our magazine subscriptions have grown until at the end of the year, records show: 2,839 World Comrades (a gain of 260 over last year), 827 Window of YWA (a gain of 96) and 1,006 Ambassador Life (This magazine started with the June issue).

Under the faithful fostering of the Woman's Missionary Societies in the college towns, we have Ann Hasseltine Y. W. A.'s in the following towns: Ada, Alva, Chickasha, Edmond, Norman, Shawnee, Tahlequah, Stillwater, Weatherford and Wilburton, and Grace McBride Y. W. A.'s in Muskogee and Tulsa.

As this year draws to a close, we look with a degree of satisfaction upon the work which has been done, but let us not tarry too long looking at the things of the past but let us look at our task of next year and answer as did Paul: "I do not count myself to have apprehended, but this one thing I do, forgetting those things which are behind and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." Phil. 3:13-14.

REPORT OF THE EXECUTIVE BOARD

During the past year much has been said and written about the achievements of the past century but we must not rest on the laurels of the past. Let us remember that the key of yesterday unlocks the door of tomorrow and this is the tomorrow we dreamed of yesterday. "Our lives are songs," so wrote the poet, "God writes the words but we must write the music." Are we setting the words to a minor strain or are we making a paean of gladness? As we have entered this new century of progress your Executive Board has endeavored to set the words to a glad triumphant measure that His kingdom may go forward.

On the morning of January 10th the Executive Board met in the First Baptist Church of Oklahoma City for a day of conferences conducted by the departmental chairmen.

On the following day, January 11th, the Board convened in the Assembly Room of the Baptist Building for a regular business session. It was our privilege to have presented to us Mr. and Mrs. J. D. McMurray who were appointees of the Foreign Mission Board to Uruguay.

After routine business a recommendation from the Advisory Committee, which had met on January 4th, was presented, recommending that Mrs. Bill V. Carden be elected executive secretary-treasurer of Oklahoma W.M.U. On motion by Mrs. T. W. Stevens it was voted to adopt this recommendation and Mrs. Carden was unanimously elected.

Mrs. Stevens also moved that the matter of a young people's secretary be left in the hands of the president, the executive secretary and the Advisory Committee. Motion carried.

The president presented a tentative budget for the year and on motion by Mrs. J. C. Hering it was voted to approve a tentative budget of \$15,000.00 and ask the executive secretary to confer with Dr. Potter in regard to the needs of this department.

Mrs. Stevens moved that the former executive secretary, Mrs. Berta K. Spooner, be made a life member of the Executive Board and the motion carried.

On March 19th the Advisory Committee met in the office of the executive secretary.

Mrs. C. B. Means moved that we elect Miss Vivian Cochran young people's secretary and the motion carried.

Mrs. J. W. Storer moved that in the month of June, which is Margaret Fund month, we recognize Mrs. D. H. Bell's nineteen years of service as Margaret Fund chairman. The motion carried.

Since the Margaret Fund chairman, Mrs. A. Hope Owen, had moved from the state, on motion by Mrs. R. A. Baldry it was voted to elect Mrs. John W. Raley to fill this vacancy.

Mrs. D. D. Phelps was elected to fill the unexpired term of Mrs. J. Howard Williams on the Advisory Committee.

It was voted to pay the expenses of the Chairmen of Departments to the January and the September Board meetings.

It was also voted to pay the expenses of the Advisory Committee to the Board meetings and any other necessary meetings of the committee.

Mrs. Means moved that we approve an honorarium of \$5.00 per day for the workers sent out from the state office. Motion carried.

On motion by Mrs. George McMillan it was voted to discontinue the printing of books for sale.

On June 7th the Advisory Committee met again in the office of the executive secretary.

A request having come from Mr. A. Worthington, missionary, for a car to use in his missionary work, Mrs. R. A. Baldry moved that we give Mr. Worthington \$500.00 to be applied on a new car, this amount to be paid at the time of the purchase of the new car. Motion carried.

Mrs. J. H. Wells moved that the old scholarship accounts be closed by January 1st, 1948. Motion carried.

Mrs. Carden read a letter from Miss Mallory, executive secretary of Southwide W.M.U., suggesting that we adopt as a goal one-third of the amount set by our State Convention for the World Relief and Rehabilitation Fund. Mrs. D. D. Phelps moved that we accept one-third of the State Convention goal and strive to reach it. Motion carried.

Mrs. Carden suggested that we invite Mrs. Una Roberts Lawrence, Southwide Mission Study Chairman, to speak for us at our January Board meeting and that we ask the mission study chairmen of the state to be present. There was general approval of this plan and it was voted to invite Mrs. Lawrence to come at this time.

The R. A. work for the summer was discussed and Mrs. J. W. Fowler moved that we employ David Owery for summer R. A. work at a salary of \$25.00 per week and expenses. Motion carried.

On July 30th a meeting of the Advisory Committee was held in the executive secretary's office.

After discussing the scholarship plan it was voted that the same plan that we have for scholarships to the W.M.U. Training School at Louisville prevail for the Southwestern Training School at Ft. Worth.

The matter of vacations for the stenographer and the young people's secretary was presented and Mrs. Fowler moved that we grant vacations of two weeks each with pay to these workers. Motion carried.

It was voted to include in the apportionments for the year 1947 our gifts to the building funds of the Southwestern Baptist Seminary at Ft. Worth, Tex. and the New Orleans Baptist Theological Seminary at New Orleans, La.

The Executive Board met in regular session in the Assembly Room of the Baptist Building on September 9th.

Regular reports were presented and adopted.

Mrs. Raley reported that while we have only one Margaret Fund student in O.B.U., Miss Lois Richardson, there are two other children of missionaries enrolled. Mrs. Stevens moved that we extend the courtesies usually accorded to Margaret Fund students to Thelma Richardson Notley and Eugene Craighead. Motion carried.

The resignation of Mrs. D. D. Phelps as a member of the Advisory Committee was presented and it was voted to accept her resignation.

A request from Dr. Raley for carpeting for the Memorial Dormitory at Shawnee was presented and a motion was made that a committee be appointed to investigate this matter and report its findings at the November meeting. Motion carried.

The request having come from Mrs. Brockway for Oklahoma W.M.U. to help build a dormitory at Langston University the president had appointed a committee composed of Mrs. W. A. Carleton, Mrs. J. E. Kirk and Mrs. Clyde Hilsheimer to investigate this matter. Mrs. Carleton, chairman, brought the following recommendation:

"That we give \$10,000.00 for a dormitory at Langston, this \$10,000.00 to be given over a period of 5 years in the amount of \$2,000.00 per year. This \$2,000.00 per year to be added to our Annie Armstrong offering in March and designated for this negro work; the money to be given when they are definitely ready to build." This recommendation was unanimously adopted.

A motion was made and carried that a committee be appointed to study and bring in a report on the revision of our constitution.

On motion by Mrs. Stevens the recommendation presented by Mrs. Hayden Morton was referred to the committee appointed to revise the constitution.

Mrs. Carleton made a motion that a request be made to the Baptist General Convention for a \$600.00 increase in our budget to provide for a \$25.00 per month increase in the salaries of Mrs. Carden and Miss Keys. Motion carried.

On Monday morning, November 4th, there was a meeting of the Executive Board in the First Baptist Church of Oklahoma City.

At this time Mrs. J. D. McGovern, chairman of the committee on carpeting for the Memorial Dormitory at O.B.U., brought a report of this committee which is composed of Mrs. McGovern, Mrs. J. H. Wells, and Mrs. John W. Raley. Mrs. E. R. Jacks moved that the amount of money necessary to purchase carpeting for the Dormitory be apportioned to the associations who will in turn apportion the societies. Motion carried.

The president appointed the following committee to work on the revision of the constitution:

Mrs. C. A. Richards, Mrs. J. W. Storer and Mrs. R. Y. Bandy.

Mrs. Carden presented a plea for help from Dr. W. T. Watts who is in charge of negro center work in Oklahoma City and Mrs. A. Dayton moved that we take care of his office rent and telephone. Mrs. Carden stated that this would be an expenditure of around \$400.00 per year. Motion carried.

The needs of our Oklahoma missionary to Chile, Miss Ruby Howse, were discussed and on motion by Mrs. T. W. Stevens it was voted to send a letter to the associations at the discretion of the executive secretary, outlining the needs of this missionary.

Beginning the first of the year the Radio Commission of the Southern Baptist Convention is presenting a series of programs for children over the network. Mrs. J. C. Hering moved that this program, which will cost \$185.00, be put on the air on five stations for three months. Motion carried.

Mrs. Carden presented an appeal from the Long Perry Church in the Cherokee Association and Mrs. J. N. McKeel moved that we send this church \$50.00 to help on their building. Motion carried.

Since point No. 3 on the Standard of Excellence reads: "Gifts according to plan outlined by state W.M.U." on motion by Mrs. J. C. Hering it was voted to explain this point by stating the policy of our state which is "Two-thirds of the membership of the W.M.S. contributing through their church to the Unified Budget."

Respectfully submitted,

Mrs. C. A. Richards

Recording Secretary.

REPORT OF MARGARET FUND CHAIRMAN

A patch of red geraniums in a weed-grown field is the only indication that people ever lived on the spot that was once the village of Lidice. The flowers survived fire, explosion, and the industrious levelling operations of Nazi workmen. Even the course of the brook was changed to erase all traces of village life. The geraniums were probably once carefully tended by some woman, who later suffered the indignities of rough Nazi hands as she was shoved into a truck for the weary journey to the concentration camp.

As the bright red flowers have bloomed again—surviving fire and desolation—so Christian missions emerge triumphantly through the aftermath of global war. Centuries of hate and greed are only the backdrop for a brighter and more glorious future. Since Christianity counts only as it is lived and shared, "Missions for Moderns" is designed to answer that age-old plaintive cry, "Come over and help us!"

Thus; the tremendous job of mission rehabilitation as we reestablish our Christian trading posts.

And thus: We move out with our Christian obsession and equipment into a militant expeditionary force—not particularly to enrich the world's culture, but to change the world's life.

OBU is possessed of an abiding missionary purpose—our graduates are all over the world today—some in remote sections, others in the most cosmopolitan areas. Indeed, we are very proud for you to know that the largest percentage of graduates serving now is from our campus. Certainly, it is encouraging, and to a degree, most prophetic—that we have the largest group of mission volunteers in our history.

Two generations have been blessed by the program and policies of the Margaret Fund, whereby, educational scholarships are extended to the children of our missionaries. It has developed through the years in scope and influence—a beloved evidence of our appreciation and concern for our Christian ambassadors.

But because we are very young at OBU, we are just now enjoying the second generation of our students. It is my pleasure to present to you today:

Lois Richardson, daughter of Mr. and Mrs. Spurgeon Richardson, who went to Africa to serve twenty years ago.

Charlotte Arpaio, daughter of the late Mr. Arpaio and Mrs. Arpaio, home missionaries.

Eugene Craighead, son of Dr. and Mrs. W. E. Craighead, who served 25 years in Bessarabia, (Roumania).

Thelma Richardson Notley, another daughter of the Spurgeon Richardson's and a bride of last summer, to whom we extend courtesies and remembrances, although she is not a Margaret Fund student this year.

OBU is very pleased and proud to have on the campus some scholarship students who are preparing for definite Christian work among their own people:

Emily Goon, Norma Ruth Benton, Leota Black.

We, here in this circle are dedicated to a career of missions—the ultimate in Christian service—

“Rise we must—our future cannot be too soon!”

Mrs. John W. Raley

Margaret Fund Chairman

REPORT OF WOMAN'S MISSIONARY UNION TRAINING SCHOOL

As has been the case for several years the Woman's Missionary Union Training School is now filled to overflowing with 134 boarding students and 76 day students.

Your trustee attended the annual board meeting at the school in the early spring and again realized the need for sending our young women to the school for definite missionary training, that we may better meet the demands now made on us for a larger number of trained leaders. At this time it was decided for the present to admit no students for the certificate course.

Sixty-six were graduated last May and at the meeting of the Foreign Mission Board in April sixteen students of the school were appointed as missionaries.

Oklahoma had one graduate, Miss Louise Tadlock of Tahlequah, who a month after graduation married Rev. Luther Copeland of the Seminary. Both are volunteers for the foreign field and hope to go out as soon as he finishes work leading to his doctorate degree in the coming spring.

Two years ago Margaret Foltz Schmidt of Fort Gibson and her husband, Rev. K. J. Schmidt, were appointed by the Foreign Mission Board as missionaries to Brazil. At that time new workers were not going into Brazil. However, last January they sailed with their little daughter and are now representing us in the South Brazil Mission at Rio de Janeiro.

We are happy to have Miss Ruby G. Howse of Chile and Mrs. Stephen Jackson of Brazil with us in this Annual Meeting. Both of these missionaries are graduates of the Training School. Miss Howse will return to Chile about January 15th.

We give thanks for these fine young women from our state who one by one are going “into all the world.”

We have had this fall only one student at the school, Miss Maxine Campbell. In recent days because of a tragedy in her home she has

returned to her home in Guthrie. However, she hopes to re-enter the Training School and complete her course later.

In January 1947 we enter the Ruby Anniversary year of the Training School. I bespeak your prayers that we will with God's help be able to send out the largest number of missionaries in the history of the school to work in bringing in His Kingdom.

Respectfully submitted,

Mrs. James C. Hering, Trustee.

REPORT OF SOUTHWESTERN TRAINING SCHOOL

The number of young women resident members of Southwestern Training School is 120. They come from fifteen states and Brazil. Oklahoma leads all other states save Texas in the number of girls enrolled which is 14. There are 21 young women who are volunteers for foreign missions. Five of these are from Oklahoma. Lorene Carter of Tecumseh and Gracia Bailey of Oklahoma City, both graduates of O.B.U., look forward to receiving their appointments from the Foreign Mission Board in the spring. Their hearts turn to South America. The other three of the Mission volunteers are just beginning their Seminary preparation. They are Myrtle Capps of Randlett, Opal Barker of Oklahoma City and Lillie Ragsdale.

Judy Whenry of El Reno is an ex-wave and one of nine volunteers for Home Missions. Four other young women will complete their Seminary work in 1947: Eugenia Davie of Wilson, a graduate of East Central Normal, is now working with College Ave. Baptist Church of Ft. Worth while completing her work. Isma Johnson of Duncan, finishing in January, wants to do Church secretarial work. Catherine Simmons of Erick, a graduate of Hardin-Simmons University of Abilene, Tex., also finishes in January and will enter some field of religious education. Josephine Holdeman of Lawton was a student of Cameron College. Beth Prim, former reporter on the staff of the Daily Oklahoman and graduate of Oklahoma University, plans to enter the field of religious journalism. Imogene Fry of Davis is enrolled in a combination course of religious education and sacred music. Vera Beth Hallock of Norman, graduate of Okla. University, is enrolled in a course leading to Master of Religious Education degree. Claudia Thompson of Wilson is graduate of and former Baptist Student Secretary at Highland University, Las Vegas, N. Mex.

Three of Southwestern graduates of last year are working in Oklahoma. Miss Vivian Cochran is W.M.U. young people's secretary; Estell Moody is at present with Good Will Center; Miss Dorothy Grubbs worked with our children at the Baptist Home until September when she entered A. & M. College for further study. She is a volunteer for Foreign Missions. In Southwestern this year there are 58 scholarship girls. The total enrollment from Oklahoma this year is 113, including ministers, their wives and the young women in the Training School.

Respectfully submitted,

Mrs. Berta K. Spooner,

Trustee.

REPORT OF COMMUNITY MISSIONS CHAIRMAN

Now is the time to plan:

1. A survey—to know who, why and how the people are.
2. Next years program of community missions and assign the projects to circles, teams, B.W.C. and young people's organizations in a monthly calendar.
3. A great increase in family altars in 1947.
4. A community missions day.

We have a day for the W.M.S. business meeting, another for mission study, a day for a splendid program from Royal Service. Then why not a "Community Missions Day?" Some societies plan this day on the fourth Tuesday and find that there is an increase in the amount and type of work done because a special time is given to it.

Of course there will be exceptions to this rule for none can say when sudden illness or death may come. Many special calls will come for help. We will not limit to only one day a month our efforts to speak to lost souls but will ever be alert to the fact that the stranger we meet may be lost and may never cross our path again. The usual projects however, such as hospital visitation; jail work; tract distribution; cottage prayer meetings; mission Bible classes; visits to strangers, new members, shut-ins, the sick, and above all the unsaved should be standing engagements and as such can be effectively done on the society's Community Missions Day each month.

Let us ever be mindful that the heart of community missions is soul winning and the heart of soul winning is prayer and visitation. It is becoming more and more difficult to win the lost to Christ because they will not attend our church services. If we win them it must be through personal contact. Each visit should be a definite object of prayer. In our own strength we can do many helpful things but we are promised power to do greater things. Let us say with the Psalmist: "I will go in the strength of the Lord. I will make mention of Thy righteousness, even of Thine only."

Respectfully submitted,

Mrs. L. W. Anderson, Chairman.

MISSION STUDY REPORT

As we approach the end of the first year in our second century of progress we are grateful for the manifold blessings from above. Lest we be tempted to rest on the laurels of the past and find them literally withering in our hands—let us face world conditions as they are today. Our efforts in the past have not been in vain—yet this is a day of hunger, want, and helplessness. Countless thousands are dying for a "little bit of love." We who have not seen cannot imagine the suffering of the world. Is the world my affair? We Christians need to fully realize that only in proportion as we are willing to hear the burden of the world will we be able to solve our own problems.

The progress of science has made the world a neighborhood; only Christianity can make it a brotherhood. "The brotherhood of man depends upon the fatherhood of God." The love of Christ in human hearts is the only possible means to a world brotherhood.

At the close of World War I, we heard "Christ or Chaos." Which

was it? Today, we hear "Evangelism or Extermination." Which shall it be? We have the gospel which is the only thing that can heal the wounds of the world. It is our responsibility and our duty to share with all people the world over the "peace that passeth all understanding."

Our convention theme "Who will go?" is one that should find a place in each of our hearts. It is indeed significant that many in authority in world affairs are calling for a deeper spirituality on the part of Christians. The Foreign Mission Board is calling for one thousand missionaries by 1950 as a minimum need. "Who Will go?" Unless we give more preeminence in our thinking and acting to missions we will not answer this call.

What can we do? We can enlarge our ranks and enlist more women and young people in the missionary branch of the church. Let no one say, "No one hath tried to enlist me." We can so teach, so train, and so plan for our young people that they can hear the call of God. We who stay must furnish the impetus and the support for those who go.

We can study and learn to do well. Our mission study department offers a glorious opportunity to all ages to be informed on each phase of our work. We have the study class for group work; the reading circle for individual reading of missionary books; and Missionary Round Tables for broader missionary reading.

Our reports show that more women and young people have been studying this year than last. However, many have had no part in definite, systematic mission study. We can never be really missionary until more of our people catch the true missionary spirit. Why not be enthusiastic about this phase of work? "Enthusiasm is a contagion that laughs at quarantine and inoculates all who come in contact with it." The World in Books is full of books and materials that will thrill our hearts.

Missionary Round Tables offer splendid opportunity for a better understanding of World conditions. The book lists are in the Baptist Book Store. We have twenty-one such groups reported.

All our mission study to be worth while must result in missionary activity. Every class should awaken the missionary potentialities of each soul. The study should lead each member to go in prayer, to every conceivable field of endeavor and to give the over and above gift. Our classes must so inform us that we thru knowledge and understanding free ourselves and the world from the confines of spiritual ignorance. We need classes that prod the mind into alertness so that conditions and needs are no longer a fable but a haunting reality.

If our local societies will have real honest-to-goodness mission study we will see young men and women surrender to definite Christian service and say "Here am I, send me." No dedicated lives means no missionary zeal. No missionary zeal means no love for Christ. No love for Christ means we are lost in sin. May we in 1947 with all our new promotional aids—Major on truly missionary studies in each organization.

"Study to know the grace our Lord bestowed on thee,
Study to know the love He had for you and me.
Study to lift your soul above the din of things
Study to hear the voice which thru the ages rings.
Study to know the price He paid upon the tree
Study to know His plan that spans eternity.
Study that thou a workman unashamed may be
Study to share the word of truth entrusted to thee."

Respectfully submitted,

Mrs. O. F. Fahnestock.

REPORT OF STEWARDSHIP CHAIRMAN

At a time like this when so many doors are open to receive the Messengers of the Gospel what more fitting question could be asked than the one used as the theme for this convention program. "Who will go?" The Master said as he sent the Seventy out, "The harvest truly is great, but the laborers are few; pray ye therefore the Lord of the harvest, that he would send forth laborers into his harvest." May we as christians lift up our eyes and look on the fields and see that they are today ripe unto the harvest; then seeing may we be conscious of our individual responsibility in having a part in its reaping.

The wonderful triumphs of the Gospel have encouraged and inspired us, but the marvelous opportunities of the present for still greater achievements should inspire us to a new consecration to God's world-work. We might well be reminded of the question of old, "How shall they hear without a preacher, and how shall they preach except they be sent?" The answer is, faithful stewardship. Certainly missions wait on stewardship. A revival of stewardship is the need of the hour. That revival can come only as the principles of christian stewardship are thoroughly understood and God's people put them in practice in their every day lives.

This year and the coming year we are emphasizing stewardship, particularly in tithes and offerings, endeavoring to enlist a million tithers in the Southland. Woman's Missionary Union is undertaking as their part of that goal one third of a million. If we achieve in that wonderful undertaking, Christian women, young and old, rich and poor, must devote themselves to an earnest and faithful consideration of stewardship. I am afraid God's people generally do not realize that they are stewards. Many live as though they were owners instead of trustees. There is a tremendous need these days to teach and study stewardship. Many Christians do not know what the Word of God teaches concerning this vital subject. Where the people do not know the truth they can not put it in practice.

The churches today need not only to be reminded, but impressed with the fact of God's ownership. He not only owns the "earth and the

fullness thereof," but they that dwell therein. "Ye are not your own, ye are bought with a price." God requires that we be faithful in all phases of our christian lives. We are not simply stewards of money, we are stewards of the Gospel. Then being entrusted with the Gospel, surely we must be faithful in the stewardship of our time, talents, personality and material possessions. Women of Oklahoma, are we as conscious of our stewardship to God as we need be? According to the reports received by your state stewardship chairman, we are not as faithful in our tithes and offerings as we should be. Surely more women and young people in our State tithe than the figures of this report show. May this coming year be one in which Christian stewardship will be studied, preached, taught, practiced, emphasized, magnified and glorified; not merely for the sake of reaching our goal of 13,121 tithers, but that the missionary need of the hour be supplied in a way which is pleasing to Him who said "Ye are my witnesses," "Go ye and make disciples of all nations."

Respectfully submitted,

Mrs. C. A. Summers, Chairman.

REPORT OF WHITE CROSS CHAIRMAN

Since there is no southwide committee for White Cross the states who are continuing this work do it according to state plans. Therefore, the chairman in the state is responsible for the promotion of it. After my election as White Cross Chairman last November I realized the need of information and data so a letter was written to both hospitals, viz. Miami and Muskogee, asking for their needs. Letters were also written to Dr. George Green, medical missionary emeritus, having served many years in Africa, and to Dr. J. H. Humphrey, medical missionary to China at present in this country. The response was very fine. The information secured was compiled, mimeographed, and was soon on its way to the six hundred and forty-one societies in the state. A new playlet was also included.

The report of our work is sent from the chairman in the local society to the Associational president and she in turn reports to headquarters. The cash is sent to headquarters and linens and supplies are sent direct to the Miami and Muskogee hospitals. At the end of the year \$1,500.00 is sent from headquarters to the hospital at Ogbomoshu, Nigeria, Africa and the remainder of the cash is placed in the accumulating fund for Dr. Humphrey until such time as he can return to China.

At the September State Board meeting a recommendation was approved to raise the apportionment for White Cross to \$5,000.00 for 1947. I trust that in the coming year the societies will continue the fine work they have been doing in 1946.

Respectfully submitted,

Mrs. Tom E. Earp,

White Cross Chairman

REPORTS FROM THE DISTRICTS

REPORT OF CENTRAL DISTRICT

The twenty-fourth annual meeting of Central District W. M. U. was held in the Trinity Baptist Church of Oklahoma City on April 18th with a good representation from the associations comprising this district. Our guest speakers were Dr. Jeanette Beall, missionary to China, and Mrs. G. D. Crow, Southwide W. M. U. representative from Arizona. Their messages inspired our hearts and gave us a new vision of the great needs at home and abroad. An offering of \$83.10 was taken for World Relief and Rehabilitation.

Under the capable leadership of Mrs. E. A. Jackson in Central association, Mrs. G. B. Dunlap in Chickasaw association, Mrs. Roy C. Holloman in Oklahoma County association and Mrs. W. C. Morehead in Union association the work in Central District has had a steady growth. The associational rallies have been well attended and have indeed been helpful in informing and inspiring the women. There have been increases in the number of missionary societies, in Missionary Round Tables and in offerings. There are eleven 100% churches reported: five in Oklahoma County association, two in Central association, two in Chickasaw association and two in Union association. Chickasaw association has the distinction of being 100% in reporting for the fifth year.

Having held the office of president of Central District for nineteen years I felt that it was best that I should retire from this field of service so Mrs. A. C. Stewart of Guthrie has been elected to fill this office. It has been a joy to work with the splendid women of this district and especially am I grateful to the associational presidents who have been so loyal and so cooperative.

We praise God for victories won in the past and pray that in the coming year our zeal for missions may continue to grow until He will call out more missionaries to join those who have already gone from our district to serve in the far corners of the globe.

Mrs. C. A. Richards, District President.

REPORT OF LAWTON DISTRICT

One of the most encouraging features of our work this year has been the holding of two associational camps for our young people. There was an enrollment of around 500 with 41 mission volunteers, 20 conversions, 30 rededications and 225 mission awards. Our greatest desire now is that our W.M.U. members will follow up this great work in the churches by helping in every way possible to lead and train our young people in missionary service. "Our future belongs to those who prepare for it," one of our great leaders said years ago and how true it is today. We can build for our future if we work today.

Each of our Associations provided a scholarship to the Negro Baptist Seminary at Nashville, Tenn. this year. Also, some of our societies are assisting young people in O.B.U. by providing scholarships for them. Our Associations are striving to be 100% in reporting in order to see what we have done and what can be done.

May we "press on" to greater work in 1947 by being faithful to our missionary work today.

Mrs. John R. Kelly, District President.

REPORT OF MUSKOGEE DISTRICT

As we look back over the years work it is with deepest gratitude that the women of Muskogee District have realized that as "Laborers together with God," there is "a story to tell to the nations," and have earnestly and faithfully committed themselves to the task of giving the Gospel to the whole world. They have studied the needs of the fields and some have gone out into the rural sections, organizing societies and mission Sunday Schools and churches have grown out of their endeavors. Our greatest achievements of the year in gifts were our offerings during the Seasons of Prayer. We reached a new high in each offering.

Many of our young people are working on Forward steps and Ranking system. They are being led to dedicate their lives for special service and some are already in training.

The annual meeting at Checotah proved to be one of the best and most inspirational. Our lives are much richer for having listened to the inspiring messages from Miss Floryne Miller, Mrs. Godbold and Mrs. Carden. How grateful we are for their coming our way.

We feel sure that the type of work that has been carried on throughout the year will continue and that our women will be more zealous in all of their activities; that there will be a greater revival of stewardship through study and prayer and community missions.

We thank God for what has been accomplished and may we use it for stepping stones to greater achievements in the future.

Mrs. T. W. Stevens, District President.

REPORT OF NORTHEAST DISTRICT

We were very grateful for the revival of our district meetings this year. Ours was held at the First church at Vinita and although our attendance was far below what we desired, we were thankful for those who came. We can now look forward to an uninterrupted program and hope to gain what we lost during the years of war. Let us pray that our women will meet the challenge that is thrown out to us in our great work and that we will carry on for our Lord in such a way as has never been known before.

Mrs. Wade Zumwalt, District President.

REPORT OF NORTH CENTRAL DISTRICT

The Annual Meeting of North Central District was held in Enid on April 17th. Both Perry Association and Salt Fork Association were represented and it was our pleasure to have Mrs. Carden, state executive Secretary, with us on that day.

Increases are shown in North Central District on the following points: Membership, Business Women's Circles (increase of 24), Points on the Standard, Tithers and Directed Community Missions. These increases are due to the loyal, sincere service of our Associational leaders and the cooperation of the 939 women who are members of the various missionary societies of this district.

May the women of this district never be "weary in well doing" but may the Lord add unto them joy as they still continue to serve Him in the days to come. As we note the increases may we be reminded

of the fruits of a service well done. May we not forget the "fields are white unto harvest" and many, many more women are needed in the conquest for Christ.

I'm sure North Central District will joyfully join hands with other districts in going "Onward with Christ" and "Onward for Christ."

Mrs. C. V. Hall, President.

REPORT OF NORTHWEST DISTRICT

"As Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up." These words from the word of God should refresh our zeal and spirits in the work of the Master.

Through our women's work gifts for the material needs have been generously given but in it all we have known that as bodies were hungry for food so were souls hungry for the bread of life.

The thrill of every woman in Woman's Missionary Union has been when she has known that through her someone has learned of her Saviour.

As we look forward to the plan of work for a new year let our desire be the very desire of His and that is to see a lost world brought to Christ.

Mrs. Earl L. Stark, District President.

REPORT OF PANHANDLE DISTRICT

With great gratitude in our hearts we praise God for the faithful work that has been done in W.M.U. work in the Panhandle District. Our District Meeting was held with the First Baptist Church of Guymon. It was a privilege to have as inspirational speakers: Dr. Jeanette Beall, missionary to China; Mrs. G. D. Crow, Executive Secretary from Arizona; Mr. Zunigha, missionary to the Indians; Mr. Zickrick from O.B.U. and our executive secretary, Mrs. Bill V. Carden. The District gave an offering of \$71.86 for World Relief.

Our Young People's Assembly at Goodwell was a great success. It was our privilege to have Miss Pearl Johnston, missionary to China, and David Owery, R. A. field worker, in this Assembly. We had several young people surrender for missionary work and several were saved.

There were two new societies organized this year. We are looking forward to having a great time next year as we plan for a full week for our District meeting instead of just the one day as previously adhered to in our District.

For we are "Laborers together with God."

Mrs. O. L. Lowe, President.

REPORT OF SHAWNEE DISTRICT

The annual meeting of Shawnee District was held in the First Baptist Church of Holdenville on April 8, 1946.

We were grateful for the privilege of listening to the wonderful messages brought by Mrs. Edgar Godbold, Southwide representative, and Miss Floryne Miller, missionary to Japan.

Mrs. D. D. Cooper reported much progress being made among the Indians.

We welcomed Mrs. Bill Carden as our new executive secretary and she greatly inspired us to do more and better work for the Master.

An offering of \$28.00 was taken for World Relief.

Reports from both associations under the leadership of Mrs. J. E. Kirk, North Canadian, and Mrs. Leroy Taylor of Pottawatomie-Lincoln show an increase in memberships, better reporting and more generous offerings to White Cross and Missions.

We feel our greatest need is the stressing of more organizations for our young people especially Royal Ambassador Chapters.

We feel sure that under the leadership of our new District President, Mrs. M. S. Whitehead, Wewoka, the work will go forward as never before.

Mrs. J. D. McGovern, District President.

REPORT OF SOUTHEAST DISTRICT

Our hearts are filled with gratitude to the Lord for His blessings upon us. Southeast District has enjoyed a substantial gain in our work. The meetings in Bryan and Frisco Associations have been spiritual and inspirational throughout the year.

The annual meeting of Southeast District W.M.U. was held in the First Baptist Church of Hugo on April 20th, 1946. It was our happy privilege to have inspirational messages brought by our Southwide Community Missions Chairman, Mrs. Edgar Godbold; by Miss Floryne Miller, missionary to Japan, and several outstanding state workers. Our love offering for World Emergency Relief was \$34.00.

Both Associations have met their apportionments and there has been a noticeable increase in subscriptions to W.M.U. periodicals and the Baptist Messenger. We are happy to report the organization of two new missionary societies: one at Clebit and the other at Swink. Both are enthusiastic.

Our aim for the coming year is better work among our young people. We are helping our Indian people who have recently organized a new church through the efforts of Rev. and Mrs. Aaron Hancock, missionaries, and are planning a building of their own in the town of Hugo.

We see great opportunities before us with mission fields all around us needing workers. How we need to put special emphasis on soul winning! We are thankful for the interest manifested in our associations, and the growing attendance. Our next annual district meeting will be in Idabel on April 4th, 1947.

Mrs. C. D. Brockman, District President.

REPORT OF SOUTHWEST DISTRICT

The annual meeting of Southwest District of Woman's Missionary Union was held in the First Baptist Church of Hollis, Oklahoma on April 11, 1946.

It was our happy privilege to have inspirational messages brought

by Mrs. G. D. Crow, Southwide representative, Miss Lois Glass of the Foreign Mission Board and Mrs. H. C. Grimmer of the Home Mission Board. We were also happy to have with us Mrs. Carden, our Executive Secretary, and Mr. Jerome Zickrick representing O.B.U.

In this meeting an offering was taken for World Relief, which amounted to \$63.83.

Excellent work is being done in all three associations under the capable leadership of Mrs. Foster Brown of Tillman, Mrs. J. O. Dobbs of Jackson-Greer, and Mrs. C. A. Pierce of Harmon.

We are thankful for several increases in our work this year. We have an increase of 125 in W.M.S. Membership and an increase of 20 auxiliaries over last year. We have gained 52 new tithers. Our offerings for the Three Seasons of Prayer have been greatly increased.

The associations have met their apportionments for State and Southwide causes and we have had a noticeable increase in subscriptions to W.M.U. periodicals.

With great gratitude in our hearts we praise God for the faithful work that has been done in W.M.U. work in the Southwest District this year.

Mrs. R. S. James, District President.

REPORT OF TULSA DISTRICT

This has been a year of great spiritual awakening. Our women have worked and prayed and the results cause us to praise God "from whom all blessings flow."

There has been an increase in mission giving, in membership, in organizations, in community missions work and in mission study classes. God has also richly blessed Tulsa-Rogers and Pawnee-Creek Associations in a material way.

Mrs. W. C. Swan of Sapulpa and Mrs. Clyde Hilsheimer of Tulsa, the two associational presidents, have been loyal and faithful in their service; to them all credit for this increase in the Lord's work is due as far as earthly credit is concerned.

For all that has been accomplished we praise His name.

Mrs. Wm. Holbert, District President.

IN MEMORIAM

At this time we pause in sacred memory of those faithful ones whom the Heavenly Father has called unto Himself since last we met. They are those whom we have loved and lost, but we have lost only their bodily presence for they live immortally. Their influence and labors remain to inspire us day after day.

We rejoice in our assurance of their present happy estate. As a united family we would comfort one another and together we would look unto Him whose blessed Spirit broods upon us so graciously, so unfailingly. "Blessed are the dead which die in the Lord—that they may rest from their labors, and their works do follow them." Rev. 14:13. "Precious in the sight of the Lord is the death of His saints." Ps. 116:15. "I am the resurrection and the life, saith the Lord. He

that believeth in me, though he were dead, yet shall he live, and whosoever liveth and believeth in me shall never die." John 11:25.

"I cannot think of them as dead
Who walk with us no more;
Along the path of life we tread.
They have but gone before.

And still their silent ministry
Within our heart hath place,
As when on earth they worked with us,
And met us face to face.

Their lives are made forever ours,
What they to us have been
Hath left henceforth its seal and sign
Engraven deep within."

In loving tribute to those who have so recently gone home the Women's Trio of the Capitol Hill Baptist Church of this city will sing, "The Beautiful Land," by Mark M. Jones.

REPORT OF COURTESY COMMITTEE

In every expression of life, if we will but look for it, we can see the wisdom of God—sometimes in warning, sometimes in promise. During these days of the 41st annual meeting of Woman's Missionary Union of Oklahoma we see again the wisdom of God in His commandment to us not to neglect the assembling of ourselves together. In this assembly together our hearts have been warmed at reports of success, and humbled at reports of failure. To those who made preparation for these days of Christian fellowship we express our gratitude.

We have come to feel at home in the First Baptist Church of Oklahoma City. We have been made to feel so whole-heartedly welcome and comfortable year after year in this hospitable church that there might be a tendency to lapse into the attitude of merely taking for granted the many courtesies of our gracious hostess. But, as we think of the stupendous task that is involved in planning and preparing for the inspiration, entertainment, and comfort of the visitors from over our state, we are enthusiastically grateful from the depths of our hearts. Our emotions are kindled as we see the cooperation of the other Baptist churches in this city with the First Baptist Church in making this convention a memorable occasion to those who have attended.

While we wish to express our thanks in words, our greatest expression of gratitude will not be in words, but in acts of worship and service in the coming year, as, in response to His call 'Who will go?', we answer, "Here am I. Send me."

Mrs. W. A. Carleton

Mrs. J. E. Rawlings

Mrs. N. B. Shouse
