FOREIGN MISSION REPORT

Through the 103 years of the Foreign Mission Board of the Southern Baptist Convention, we have met many obstacles in many nations, and have sought to overcome these obstacles through the ministry of preaching, teaching and healing of those peoples of other nations.

We have today 625 missionaries who are serving Southern Baptists, in Latin America, in Africa, the Near East, Japan and the Hawaiian Islands. One of our most urgent pleas is 60 missionaries to be sent to Japan in the near future. There are other calls that are both urgent and insistent that we send missionaries to them also.

It is the Board's policy in the 25 areas around the world not only to send missionaries, but to assist in the organization of churches, associations and conventions. Through the associations and conventions the churches project programs of Christian mis-

sions, evangelism, education, medical work, publication, and other forms of Christian service, such as we have in our convention. This is to say that the Foreign Mission Board is assisting Baptist churches in these 25 countries in conducting all types of Baptist activities promoted by the Southern Baptist Convention through churches, state mission boards, Home Mission Board, colleges, seminaries, Sunday School Board, hospitals, Woman's Missionary Union and other Christian service.

At the end of the year 1947, the Foreign Mission Board had 625 missionaries under appointment, 76 of whom were appointed in 1947. Two hundred thirty-seven are serving seven republics in Latin America, 233 are assigned to China, 20 to Japan, 104 to Africa, 15 to Europe, 12 to the Near East and 24 to Hawaii. This worldwide program was supported by total gifts from Southern Baptists amounting to \$4,734,288. This includes all gifts through the Foreign Mission Board. Southern Baptists will not have answered the call to Christ when per capita giving to foreign missions is approximately 70 cents per person per year.

We your committee, therefore recommend:

That in the face of the world need we urge our people to support the program of every Baptist a tither. Through the means of tithing we shall be able to minister to the spiritual and physical needs of the people around the world. May God help us to see a whole world with all of us its needs in order that we may do our best, for Christ, through the Foreign Mission Board.

Respectfully submitted,
Joe R. Baker, Chairman

L. C. Robbins
H. E. Hitt
Raymond Quick

RELIGIOUS LITERATURE

The work of the church is to provide windows of truth through which people can obtain a clearer vision of the Lord Jesus Christ. Psalm 119:160 (ASV) declares, "The sum of thy word is truth." Therefore, the Word of God is the first window of truth which we heartily commend for prayerful and systematic study, day by day. As prayer is the Christian pilgrim's vital breath, so the Word of God is his daily soul food. Baptists believe it is the "supreme standard by which all human conduct, creeds, and opinions should be tried."

The Sunday School Board of the Southern Baptist Convention operates 33 full time book stores and a seasonal store at Ridgecrest, all of which provide a wide variety of reading material. Five new stores were opened in 1947, one of which is located in Tulsa. The Oklahoma City Store will soon be housed in the new Baptist Building which is being erected at 11th and Robinson.

Through these stores the Sunday School Board supplies Baptist churches with study course material, at very reasonable cost, which coordinates the work and promotes the efficiency of the churches and their organizations.

Sunday School, Training Union, and missionary literature, printed by the Sunday School Board, is the best to be obtained, and their use should be encouraged in all the churches.

The periodical promotion committee of the Southern Baptist Convention carries on special campaigns in the interest of the wider circulation of graded Sunday School lessons for Juniors and Primaries, Open Windows, the story papers, the Baptist Student, the uniform Sunday School teachers' quarterlies, Home Life and the Training Union periodicals. All of these publications serve the cause of Bible teaching and Christian training.

Eagerly read in thousands of Baptist homes is the Baptist Messenger printed weekly at the OBU Press, under the capable editorship of Mr. Albert McClellan. Every agency and interest of Southern Baptists is promoted through the effective medium of the Messenger. News from the churches and events of local, southwide, and world-wide significance, as well as information regarding programs, policies and doctrines dear to Baptist people, are highlighted in each publication. In its field, the Messenger is without competition.

We, your committee, recommend the following:

- (1) That our churches and pastors promote wider use of the Bible, encouraging a daily and systematic study thereof;
- (2) That books, periodicals, and other literature printed by the Sunday School Board be made more readily available to all our people, through the Sunday School, Training Union, W.M.U., and the church library plan.
- (3) That all churches use the budget system in placing the Baptist Messenger in every Baptist home.

Respectfully submitted,
James A. Hogg
W. C. Campbell
Ted Ewing
Harold McGlamery
Edgar Jacks

29. Vice presidents, Dr. I. L. Yearby and Dr. George C. Boston were introduced.

30. Mr. David Shephard, legal leader of Temperance in Oklahoma, presented a resolution regarding the liquor issue in Oklahoma. Motion carried that the rules be suspended and that the resolution be adopted.

RESOLUTION

Whereas, it appears that the whisky and alcoholic beverage interests are making efforts to present a proposal to the people either through the Legislature or by petition for the purpose of repealing the constitutional prohibition against alcoholic beverages in Oklahoma, and

Whereas, certain legislators to serve in the coming Legislature have already stated that a repeal measure will be introduced and submitted in the House of Representatives and in the Oklahoma State Senate for the purpose of submitting the repeal issue to a vote of the people, and

Whereas, the alcoholic beverage interests have proposed various programs and proposals concerning the sale of legalized whisky in Oklahoma, such as state owned whisky stores, wide-open saloons, package stores, cocktail lounges in hotels, and for state monopoly with state whisky stores, and

Whereas, it is to the best interest of the people generally and to the best interest of each and every individual in the state of Oklahoma, both morally, spiritually, financially, and physically, that the use and sale of all alcoholic beverages be illegal and against the law, and that the sale of said alcoholic beverages be prohibited, including the sale and use of 3.2 beer and more especially the proposed sale of whisky, and

Whereas, the legalizing of alcoholic beverages increases the amount of consumption, and

Whereas, the Baptist denomination in Oklahoma, and each duly constituted Baptist Church use as its rule and guide of faith the Holy Bible, and is subject to no other authority, and

Whereas, the Holy Scriptures are very clearly and plainly opposed to and against the sale, use, giving away and trafficking in any alcoholic beverage, the following resolution is hereby submitted:

BE IT RESOLVED that the Oklahoma Baptist General Convention go on record opposing in every particular any Legislative action by any elected official to force upon the people an election to repeal the Oklahoma Constitutional provision against alcoholic beverages or attempting to legalize whisky in the state of Oklahoma, and

Further said General Convention favors and encourages the complete abolition of the sale and trafficking in 3.2 beer, which is also an intoxicating beverage as a matter of actual fact, and does hereby approve any method which will tend to lessen the sale of 3.2 beer, such as local option, court decision, or Legislative enactment.

Be it further resolved that the individual churches and each of

them cooperating in the convention be requested to heartily cooperate with the United Dry Association of Oklahoma in its efforts to defeat any proposal to legalize whisky in Oklahoma, and its efforts in seeking to outlaw 3.2 beer by local option or other Legislative action.

31. Time having arrived for the Annual Sermon, Dr. W. A. Carleton, designated to deliver the message being unable to attend, Rev. Robert S. Scales, the alternate, was introduced and took charge of the service.

Congregation stood singing, "How Firm a Foundation" and Reverend Scales read the scripture lesson from I Timothy 1:1-8, 11, 17, and led in prayer.

Subject for the message was "New Feet in Old Paths." Our hearts were stirred with his passionate appeal to a close walk with God and His revealed word.

32. Congregation stood singing "I'm Bound for the Promised Land" and Vice President George C. Boston led in the prayer of dismissal.

WEDNESDAY AFTERNOON

November 10, 1948, 1:40 p.m.

33. The afternoon session opened at 1:40 p.m. with a song service led by Professor Ira C. Prosser as leader, Vice President Dr. I. L. Yearby, presiding.

34. Rev. M. A. Cook led in prayer for Divine guidance and blessing.

35. Worship service continued by singing, "Down at the Cross."

36. Rev. Ford F. Grant, Muskogee, brought the devotional message based upon Psalm 2, and led in prayer.

37. Rev. H. A. Hunderup, Jr., New Orleans, field representative of the Southern Baptist World Relief, brought a stirring message about the needs of suffering people and the effort Southern Baptists are making to meet this responsibility.

38. Dr. Joe W. Burton was present to represent the work of our Sunday School Board at Nashville, Tennessee, and addressed the Convention.

39. Rev. Thomas T. Holloway, represented the American Bible Society, Dr. George C. Boston presented the following resolution, which, upon motion was adopted.

RESOLUTION

"Whereas, this convention recognizes the essential service to all forms of mission work which the American Bible Society renders by aiding in Bible translation, publishing the Scriptures without note or comment, and distributing them without profit and usually below cost, and

Whereas, in addition to its regular work, as an emergency service, the Society through its World Recovery Program is also

providing without charge, millions of volumes of Scriptures in many languages for people in war-torn areas,

THEREFORE, BE IT RESOLVED, First that we earnestly request our churches and our people to make contributions to the work of the American Bible Society, all such contributions to be sent through the regular channels to the Baptist State headquarters office, designated for the American Bible Society.

Second, that we approve an offering for the work of the American Bible society to be taken in the churches on a day to be set by the Executive Board and to be promoted by our Convention as a part of its mission program." Dr. Holloway spoke regarding the work of the American Bible Society.

AMERICAN BIBLE SOCIETY

The business of the American Bible Society is to make the printed Word of God available to every person who needs it, wherever he may be, in his own language, at a price he can afford to pay. A worldwide missionary organization, the American Bible Society works in cooperation with the churches and denominational mission boards, serving every form of Southern Baptist work at home and abroad.

The year 1947 marked the largest service in its World Recovery Program of supplying Scriptures in war-devastated areas. Never before has any nation sent so many Scriptures to a non-Christian nation as America has sent to Japan since V-J Day. The urgent need for even more is voiced by General MacArthur, who says: "Demand for Bibles, Testaments and Gospels insatiable and beyond ability of Japanese publishers to satisfy—Urge that American Bible Society's 1948 plans be expanded."

Distribution of German Scriptures, begun among prisoners of war, is now being continued in Germany to relieve the Bible blackout imposed by Hitler. Never before has a Christian nation sent so many copies of Scripture to another Christian nation, friend or foe, as the United States has supplied to the German people since 1941.

A new Russian Bible, believed to be the only Bible available in the revised alphabet now required by the Russian Government, came from the press in September, 1947. Ten thousand of these were shipped and reached Russia in time for Christmas.

Among the countries throughout the world in which the Society regularly supplies Scriptures are China, Rumania, Brazil, Argentina, and others, including practically every country in which Southern Baptists have mission work. A total of over five and a quarter million volumes were distributed in foreign lands in 1947.

On the home field, the Society set a record high for a peacetime year, distributing over four million volumes in the U.S.A. Many of these went to people in neglected sections, disaster areas, and foreign language groups—to each in his own tongue. As a part of its regular work at home, the Society publishes and distributes Scriptures in the various American Indian languages. In 1947 a new edition of the Choctaw New Testament was published to meet the continued needs of this group.

Please send the contributions from your church to the Baptist state headquarters office, marked, "For the American Bible society."

40. Rev. H. Truman Maxey, resident manager of our Baptist Orphans' Home, introduced Rev. Wade East, field representative of the Home, who led in discussion of the work and needs of the Home. Special emphasis was placed upon Wills made payable to the Home. An offering was brought for the Home which totaled \$350.31.

OKLAHOMA BAPTIST ORPHANS' HOME

Jane Adams, an ardent reformer and social worker in the tenement districts, was once asked the secret of her power and success. Said she, "I looked into the face of Christ and looked into the faces of little children and tried hard to bring them together."

This thought has ever been in the mind of Baptist people because they, too, have looked into the face of Christ and into the faces of many homeless children, and proceeded at once to perform the ministry of providing a home. Sympathy grew into compassion and became a ministering angel to much of suffering humanity.

The Good Samaritan had compassion upon the beaten traveler. Jesus had compassion upon the multitude. Likewise Baptist hearts have compassion and meet the needs of our day in caring for hopeless, helpless, homeless children.

The new buildings, completed this convention year, were a fine addition to what the Home already had. They will provide room for more children, and at the same time, provide better care for those we already have, since in these new buildings, there is a hospital unit, and also a commissary building.

A waiting list for children to be admitted to the Home is sufficient reason for Baptists to plan for cottages sufficient to house a total population of 300 children. The present capacity of the Home is 200.

The growing of children into Christian manhood and womanhood requires a well-rounded program. The Home has the highest type of Christian employees. A high standard of education is ever held before the children, and every endeavor made for their schooling. Every effort to develop the spiritual side of each individual child is given, so that each will have a personal knowledge of Christ as Saviour, and a personal desire to become outstanding in Christian service.

A number of God's faithful have made wills this year with the Oklahoma Baptist Orphans' Home as a beneficiary. This is indeed an excellent way to help provide for those who must be cared for in the years to come.

This beautiful Baptist ministry of caring for the homeless in our Baptist Home will surely bring the face of Christ and the faces of little children together.

41. Congregation stood singing, "Draw Me Nearer."

42. Secretary E. W. Westmoreland, of the Department of Religious Education, emphasized the increase of attendance and awards in both Sunday School and Training Union. Motion carried for adoption of the report.

RELIGIOUS EDUCATION

From the standpoint of Sunday School and Training Union attendance, the years 1947 and 1948 have been the best years Oklahoma Baptists have ever known. The Sunday School and Training Union growth in all of the churches, country, village, town and city, has been larger than ever before. God has blessed our churches in a most wonderful way and we are now developing the most aggressive educational program we have ever had.

Sunday Schools

1. At the close of 1947, Mr. Routh, our southwide statistician, reported that Oklahoma had a **Sunday School enrolment of 196,316**, which was a gain of 16,111 over the previous year. This is the largest Sunday School gain we have had in Oklahoma in any single year in our history.

2. During the last year **15,895 Sunday School Training Awards** have been granted to Sunday School workers in our state. Year after year our training awards increase, which indicates that Oklahoma Baptists are placing great emphasis upon teacher training.

3. We have become a state of **large Sunday Schools**. On one Sunday last year 19 churches in our state reported an attendance of more than 1000, and two churches an attendance of more than 2000. The growth in our smaller churches and those of medium size has been greater from a percentage standpoint than that of our large churches. Reports coming from the various associations indicate that we are having a constant growth in Sunday Schools of all sizes. We have more than 60 Sunday Schools with an enrolment of more than 900.

4. **Standards** are guides to good work, and Oklahoma churches have succeeded gloriously in Sunday School work because we have been eager to accept the best guides to Sunday School work which are available. Last year we had **350 Standard units**, including Standard classes, departments and schools, which was the third largest number in the Southern Baptist Convention. Many other schools, classes and departments are using the Standard as a guide, but have not yet received recognition.

5. We had **654 Vacation Bible Schools in 1947**. The 1948 report is not yet complete, but the month by month reports have shown an increase over last year and we have reason to believe that when all reports are in, we will have approximately 700 Vacation Bible Schools for 1948.

Training Unions

More and more our churches are realizing the importance of a Training Program. Our total Training Union enrolment for last

year was 54,289. This is a report as of December 31, 1947. We will not know our growth for 1948 until the associational reports are compiled. Last year we had 3837 unions and Story Hours. The first of the year 679 Oklahoma churches had one or more unions or Story Hours.

1. Last year 19,523 **Training Union Study Course** awards were granted to members of Oklahoma churches. This was the largest number of awards ever earned by our state in any one year.

2. The **Training Union Daily Bible Readers' Course** has created an army of daily Bible readers which numbers into the millions. During the last two years the Training Union has sponsored the **Bible Reading Crusade**, not only among the Training Union members, but among all the church membership as well. This program has been very successful.

3. **State Training Meetings** for both Sunday School and Training Union Associational Officers were conducted in 1948, with good representations from the associations. These meetings have proved to be most helpful in the promotion of our associational program.

4. **Training Union Convention**—A two-day Training Union Convention was held during the month of March, 1948, with the Trinity Baptist Church, Oklahoma City. The convention was well attended and a new emphasis was placed upon conference work. We find that Training Union workers are eager to develop better Training programs in the churches and welcome any helpful suggestions and materials.

5. The Department of Religious Education provided for the largest number of classes at the **Falls Creek Assembly** that we have ever had. The finest teachers available were enlisted for 87 classes in Sunday School and Training Union work and the classes were so well attended that we felt that all of them were too large. More than 4000 Sunday School and Training Union awards were earned during the ten days at Falls Creek.

6. **Standard Associations.** For the first time in our history, Oklahoma had three Standard Associational Training Union organizations.

New Buildings

Most of our churches in Oklahoma are in need of more space, especially for Sunday School work, and it is very encouraging to report that probably from 60 to 70 per cent of them are now making plans to provide more space for educational work.

From the standpoint of Religious Education, Oklahoma Baptists have a great past, the present is most encouraging and the best is yet in the future. In all probability, because of the space that is now being provided, our growth will extend beyond our fondest dreams. For all our blessings we humbly thank our God.

Respectfully submitted,
E. W. Westmoreland

43. Rev. J. W. Wade presented the report of Baptist Brotherhood and motion carried for its adoption. Brother Bryce Twitty, Tulsa spoke to the report.

BROTHERHOOD

1. Oklahoma Baptist men are on the march. We believe that more of our men are actively engaged in every department of our church life than ever before.

2. Three hundred seventy-five of our churches in the state have reported an active Brotherhood.

3. Thirty-four of our associations have reported associational Brotherhood organizations.

4. Mr. Bryce Twitty, Tulsa, is the state president, with Mr. Ferdie Deering, Oklahoma City, as vice-president and Mr. Volus Norsworthy, Oklahoma City, as secretary-treasurer.

5. We regret the loss of Dr. T. P. Haskins as our State Brotherhood Secretary. He led our men in a very fine way. In his place we are happy to have Reverend J. A. Pennington.

6. Any literature concerning the work of the Brotherhood may be ordered from Mr. Pennington at the state office, 223½ W. First Street. The Brotherhood Journal should be ordered from Mr. Lawson Cooke, Commerce Title Building, Memphis, Tennessee.

7. One of the outstanding events of the year for our laymen was the Laymen's Convention and dedication of the Brotherhood Memorial Dormitory at Oklahoma Baptist University, February 20, 1948. The building of the Brotherhood Memorial Dormitory free of debt is just a sample of what has been done, and what can be done by our laymen working together in the great business of the Lord.

8. The State Laymen's Convention will be held in Oklahoma City, Oklahoma, March 8, 1949 at the Trinity Baptist Church.

RECOMMENDATIONS:

1. That we keep in mind the purpose of our Brotherhood work, the enlistment of all of the men of the church in all of the work of the church. To this end we would urge an active Brotherhood in every church.

2. That the men of the association assume a definite responsibility in promoting the simultaneous evangelistic program of the association.

3. The fourfold 1949 objectives of the Southwide Brotherhood are worthy goals. Let us urge every local Brotherhood to use these as a program of work. These objectives are as follows:

A. EVANGELISM. By evangelism we mean active personal soul-winning—man-to-man contact—men witnessing for Christ in the shop, in the office, in the store, in the market place, at the club, in the home, on the street; in fact, everywhere and upon every occasion when one man might appropriately speak to another man about his Lord.

B. MAN AND BOY MOVEMENT. The Man and Boy Movement has become very popular in many parts of the Southern Baptist Convention. The plan and purpose of this movement are very simple: to take boys off the streets and place them under the influence of the teaching of God's Word in our Sunday Schools. A man is to find a boy and take him to Sunday School on four successive Sundays. It has been proved in many cases that the boy will become so interested in the Sunday School he will continue to go regularly.

In addition to his attending Sunday School he will influence others. This, too, has happened in many cases.

C. THE COOPERATIVE PROGRAM. The Baptist Brotherhood of the South reaffirms our conviction that the Cooperative Program must continue as the over-all plan for financing our denominational work. It is safe, sound, and equitable, and there is no other way to finance the world-mission program of Southern Baptists.

D. CHURCH ADVERTISING. As a starting point in this program of advertising our churches we suggest that the Brotherhoods throughout the convention see to it at once that a large and dignified neon sign is installed in front of the church building. This would apply to 50 per cent of the churches of the Southern Baptist Convention that do not have any identifying mark whatever on the building.

4. We believe that the \$300,000.00 Special Offering for 1949 should call for the fullest support on the part of the laymen. We urge our Oklahoma Baptist men to make this a matter of prayer and to give joyfully and willingly to this Special Offering.

RE

THE BAPTIST FOUNDATION OF OKLAHOMA

WHEREAS, Articles of Incorporation, Charter, and By-Laws of the Baptist Foundation of Oklahoma, Incorporated, were presented to this Convention upon the recommendation of the Board of Directors of the Baptist General Convention of the State of Oklahoma at its regular meeting in Oklahoma City, Oklahoma, on November 6, 1946, and

"This corporation shall hold a regular meeting at a designated place at the call of the president of the Foundation

a short time prior to the meeting of the Baptist General Convention of Oklahoma, and the annual report and recommendation of the directors shall be presented to and acted upon by the convention at its regular meeting."

and

Article VI. "Section 4—Quorum: A quorum of the Board of Directors shall consist of at least five—(5) members, and all matters properly coming before them shall be determined by a majority vote by those present."

NOW, THEREFORE, be it resolved that the By-Laws as amended by this Convention are hereby re-adopted in full and the secretary of the Convention is authorized and directed to reprint in the minutes of this Convention the By-Laws as herein amended and adopted.

TO TAKE THE PLACE OF RECOMMENDATION NO. 6, FOUND ON PAGE 21, THE BOARD OF TRUSTEES VOTED THE FOLLOWING:

We further recommend that a special appeal be made to the churches in 1949 for building funds to be divided fifty-fifty between Oklahoma Baptist University and and Baptist Student Centers at Oklahoma University, Norman, and Oklahoma A and M College, Stillwater; that we attempt to raise a minimum of \$300,000 for this purpose and that Sundays, March 13 and 20, or the nearest convenient Sunday, be designated as dates for the special offering.

REPORT OF THE BOARD OF DIRECTORS

Introduction

"Launch out into the deep, and let down your nets for a draught." Luke 5:4. Multitudes were seeking to hear the message and observe the marvelous work of Christ as He taught them from the shore of Lake Gennesaret. People pressed upon Him until he went into Simon's ship nearby. Then he commanded Simon to push out a little from the land, where He sat and taught the word of God. After His discourse, He commanded Simon to "launch out into the deep."

On another occasion the Lord sought to get away from the multitudes and He entered into a boat with His disciples, "and He said unto them, Let us go over unto the other side of the lake. And they launched forth." Luke 8:22.

The command of our Lord has always been **forward, onward, and upward**. When He was facing the cross, "He steadfastly set His face toward Jerusalem." The early disciples launched forth in sacrificial living and giving that cost them their lives. Many followers of Christ down through the ages have likewise carried the blood-stained banner to higher grounds.

A constant stream of "heroes of faith" have labored in the territory that we proudly call Oklahoma. The story of Isaac McCoy who organized the first Baptist Church in Oklahoma in 1832

furnishes one of the most thrilling chapters in the history of missions.

H. F. Buckner, another early missionary of Oklahoma was baptized by his father in the same year that this first church was organized. Brother Buckner was converted and received into the fellowship of a small country church in Tennessee, but seventeen years later, on March 7, 1849, he and his wife landed on the bank of the Verdigris river near Fort Gibson.

He made this interesting statement concerning that landing: "The first thing that Mrs. Buckner had to do after walking four miles from the steamship landing, leading our little son, was to scour the blood of a murdered man from the puncheon of our little Indian cabin."

December 10, 1857, J. S. Murrow and his bride joined the Buckners in the mission work. Other pioneers of faith who made great contributions to the early history of Oklahoma Baptists were: Charles Journeycake, Joseph Islands, Jessie Bushyhead, R. J. Hogue, John Jumper, C. Stubblefield, L. J. Dyke, Almon Bacone, J. W. Solloman, Ed D. Cameron, W. D. Moore, J. C. Stalcup, F. M. McConnell, and many others.

The foundations so well laid by these who have gone on before, present to us a real challenge to "Launch Forth."

The Board of Directors present a brief report of the accomplishments for the preceding year and some recommendations for the ensuing year.

STATE MISSIONS

State Missions is a term applied to all the work of the Convention within the state. The state program has shown substantial growth during the past year.

Dr. Andrew Potter has served as executive secretary-treasurer of the Baptist General Convention of Oklahoma for the past fifteen years. He has led effectively and efficiently in the state mission program and in all the work of the Convention within the state and beyond. He is assisted by Reverend Thomas B. Lackey who came to this position September 1, 1946.

The report given on the following page indicates some of the progress made during the past year.

Dr. Thomas P. Haskins

On March 11, 1948, Dr. Thomas P. Haskins resigned as assistant executive secretary, to become pastor of the First Baptist Church of Lebanon, Missouri. For twelve years and six months he served Oklahoma Baptists in this capacity. He assisted the secretary in the promotion of the whole program with special emphasis upon evangelism and brotherhood work. Of all the progress made during this period, much credit is due Dr. Haskins.

He has recently returned to Oklahoma and is pastor of Immanuel Baptist Church, Oklahoma City.

We regret to lose this outstanding preacher and leader from our state office, but we rejoice to have him as pastor of one of the leading churches in the state.

EVANGELISM AND BROTHERHOOD

March 11, 1948, Reverend J. A. Pennington was elected secretary of the departments of evangelism and brotherhood. He has served as pastor at Valliant; Portland Avenue, Oklahoma City; First Church, Mangum; and Nogales Avenue, Tulsa. He is qualified to lead in these important phases of our work.

Evangelism

Everything we do points toward the main business of soul winning and evangelism. Oklahoma Baptists are doing more, each year, about this important phase of the program. In 1946 the churches baptized 14,578; 1947, 16,785; and 1948, 18,258. Practically every association has had a simultaneous revival during the past year and plans are already made for another simultaneous effort in 1949. We urge every church in every association to participate in this effort. We also recommend that the associations and churches be encouraged to participate in the simultaneous effort April 9-23, 1950, at which time an effort will be made to have revivals in all the churches west of the Mississippi River.

The statewide evangelistic conference was held January 26-28 at Trinity Baptist Church, Oklahoma City. The next conference

will be held January 17-19, 1949, at the First Baptist Church, Shawnee.

Dr. Elmer Ridgeway who has served as State Evangelist for the past two years resigned February 15, 1948 to become pastor of the Crown Heights Baptist Church, Oklahoma City.

The following table reveals some interesting facts regarding the evangelistic program:

Brotherhood

Renewed interest is being shown in organizing men for the whole program of the church and denomination. Practically all of the associations have brotherhood organizations. The first two

weeks in January a banquet for men will be held in each of the associations in connection with the Evangelistic and Missionary conferences.

A great Laymen's Convention was held in Shawnee, February 20, at which time the Brotherhood Memorial dormitory was officially presented to Oklahoma Baptist University. This building was erected at a cost of approximately \$500,000. This is a sample of what the men properly organized for service can do for the cause of Christ.

Another Brotherhood Convention will be held at Trinity Baptist Church, Oklahoma City, on March 8, 1949.

RURAL AND CITY MISSIONS

For the past four years Sam W. Scantlan has been leading in the Rural Mission Department. Last year the Board of Directors asked him to supervise the City Mission program as well.

The state is divided into thirty-six associations. Each one of these has good organizations with splendid leaders. It is evident that if each association has a good mission program, the whole state will likewise have a good mission program.

Since January 1, the Board has assisted in paying the salaries of thirty-four of these missionaries. The success of this program has demonstrated the wisdom of the movement. The missionaries are employed by the associations and their activities are directed by the same. The missionaries make monthly reports to the superintendent and he stands ready to assist in the promotion of the work.

Some of the other states have observed our plan and are adopting it as the best way to carry on a unified, comprehensive state mission program. In most cases the missionary is called Superintendent of Associational Missions and is responsible for the promotion of the whole program of Christ. The facts given below present some of the effective work of these men.

*** The State Board supplements the salary of only one missionary in each association.

Dee R. Skaggs served in Northeastern Association part of the year and then moved to Pittsburg Association. R. H. Catlett served part of the year in Comanche-Cotton Association; Ross L. Hughes in Enon; W. T. Cost in Jackson-Greer; Floyd H. Mullins in Muskogee.

BAPTIST ORPHANS' HOME

In the northwestern section of Oklahoma City is located a model Children's City with approximately two hundred children. H. Truman Maxey, capable manager, is assisted by Mrs. Edith Stinson, Personnel Supervisor; Wade B. East, Field Secretary; C. E. Goatcher, Farm Supervisor; and a consecrated group of house parents, and other necessary workers.

Dedication of the new buildings at the Home was conducted on May 2, 1948, with an appropriate and impressive service. All of the

buildings were open for inspection, and the people were amazed at the beauty and homelike atmosphere that prevailed. Friends from all sections of the state were present.

Additional buildings are rapidly becoming a necessity, since new requests for admission come each week. Many of these cannot be postponed or turned away. Destitution, hunger, and want cannot be pushed aside when it is a child who makes the cry. Every church in our state is eager to co-operate as they have done so nobly in the past.

The rising cost of living will make it necessary for the churches to increase their contributions to the Home. Churches can help by making a liberal contribution during the Christmas season, by encouraging birthday offerings, and by a generous cash offering when the field secretary visits the church.

Orphans' Home chairmen were elected in the following associations to keep the Home and its needs before the people during the coming year:

FALLS CREEK ASSEMBLY

Oklahoma Baptists are justly proud of their summer assembly grounds located near Davis. It is the largest encampment of its kind in the world. There were 14,106 registered during the annual assembly August 2-12, 1948. During the past year many substantial improvements have been made. The tabernacle has been greatly enlarged with cement floors throughout, six ceiling fans, and new benches. Seven new class pavilions were built, new electric lines installed, new water lines laid, and scores of new cabins erected.

The program last summer was superb. Dr. W. A. Criswell, pastor of the First Baptist Church of Dallas was the preacher. There were 79 conversions and 556 who surrendered for special Christian service. E. W. Westmoreland is in charge of the program and Sam W. Scantlan is business manager.

RELIGIOUS EDUCATION

Reverend E. W. Westmoreland has served as secretary of the Religious Education department comprising both Sunday School and Training Union for the past seven years.

In 1947, the **Sunday School** enrolment reached an all-time high of 196,316, a net gain of 16,111 over the preceding year. Early reports from the churches indicate that the enrolment will go beyond 200,000 by the end of this year.

On one Sunday seventeen churches had more than 1,000 each in Sunday School attendance. Many of the churches are growing great schools for Bible study. There were 350 standard units (classes, departments, and schools) reported last year. There were 654 Vacation Bible schools which is an increase of 290 in the past three years.

The **Training Union** is taking on new life. The enrolment last year increased 8,100 over the year before. Each of the thirty-six associations reported an increase in Training Union enrolment.

The Training Union department, southwide and within the state, is sponsoring the mid-week prayer meetings in an effort to enlist more people in attendance and in a spiritual uplift through the mid-week prayer meeting hour.

The enrolment last year reached a high of 53,880. There were 19,523 awards issued during the year.

Mr. Westmoreland is ably assisted by the following:

Reverend Clyde Clayton, associate and Adult worker; Miss Sophia Duerksen, Young People's worker; Mrs. Dorothy Sneed, office secretary; and Miss Helen Pim, assistant office secretary. Approved workers are: Mrs. Clyde Clayton, Junior; Mrs. Wayman Hiner, Primary; Mrs. M. L. Field, Beginner; and Mrs. G. H. Caudill, Nursery and Cradle Roll; Mrs. J. W. Barron, Vacation Bible School.

The thirty-six associations have elected leaders to see that the Sunday School and Training Union work is made effective in the state throughout the coming year. They are as follows:

SACRED MUSIC AND BAPTIST STUDENT UNION

Mr. Ira Prosser has led in the Sacred Music and Baptist Student Union work the past three years. Much is being done to encourage greater singing in the churches. In February, a meeting was held for associational and state leaders. In June, 105 leaders of church music from 23 associations attended the clinic held at Oklahoma Baptist University. Some of the best talent in the south served on the faculty. Six classes in church music were taught at Falls Creek Assembly and a number of schools have been held in churches and associations throughout the year. During the summer months a full-time field worker, Verl Capps, held schools of music in a number of the smaller churches.

There are approximately 11,000 Baptist students enrolled in the 23 state colleges and universities in Oklahoma. (This does not include Junior colleges connected with high schools.) The Baptist Stu-

dent Union is seeking to help this army of young people by establishing student organizations on or near the college campuses. Three full-time and seven part-time student secretaries are serving at this time. Kermit Whiteaker, Oklahoma A. and M. College, Stillwater; E. Warren Woolf, the University of Oklahoma, Norman; and Bert Edmison, Tulsa University, serve as full-time secretaries. Part-time secretaries are Miss Avalon Stevens, Oklahoma College for Women, Chickasha; Mrs. Ray Ingram, Central State College, Edmond; Jerome Zickrick, Oklahoma Baptist University, Shawnee; Miss Frankie Harris, Baptist Hospital, Muskogee; Carl Kniffin, Southwestern Institute of Technology, Weatherford; Miss Frankie Newsom, Cameron Junior College, Lawton; and Miss Caroline Miller, Northeastern State College, Tahlequah.

We are looking forward to the day when a full-time student secretary will be found on each college and university campus. Plans are under way for the erection of new student centers at Oklahoma University, Norman, and Oklahoma A. and M., Stillwater. After these are erected, we anticipate the building of similar student centers at the other schools.

The activities of this department the past year included the annual Plan Meeting in January, the B. S. U. Retreat at Falls Creek in April, Ridgecrest in June at which time 75 students from Oklahoma attended, three classes at the assembly in August, and a great convention at Shawnee in October.

WOMAN'S MISSIONARY UNION

Mrs. Bill V. Carden resigned as executive secretary of the Woman's Missionary Union November 11, 1947 because of ill health. The entire state—men, women and young people—regretted to see her leave this position which she filled successfully for three years. Prior to her service as executive secretary she was young people's leader in Oklahoma for five years.

Miss Margaret Hutchison was elected executive secretary of Woman's Missionary Union February 15. Miss Hutchison was associated with the Home Mission Board before coming to Oklahoma. She served for a number of years as young people's leader in Arkansas. She has taken up the program and is leading in a fine way.

Miss Vivian Cochran who served as young people's leader for two years resigned to be the educational director of the Immanuel Baptist Church in Oklahoma City. Miss Abbie Louise Green was elected to take her place. Miss Green was formerly young people's leader in Oklahoma County Association. The field worker for the Woman's Missionary Union is Miss Martha Thomas Ellis.

There are 1,965 Woman's Missionary Union organizations in the state; 656 are missionary societies, 184 Young Woman's Auxiliaries, 473 Girls' Auxiliaries, 280 Royal Ambassador Chapters, and 372 Sunbeam Bands. The total membership in societies is 19,941, in auxiliaries, 19,975. There were 146 new organizations reported in 1947.

The mission offerings for 1947 were as follows: The Annie W. Armstrong offering for Home Missions was \$19,171.25; Edna McMillan offering for state missions, \$11,734.49, and the Lottie Moon offering for foreign missions, \$65,641.78.

BAPTIST MESSENGER

Albert McClellan, the popular editor of the **Baptist Messenger**, continues to improve the contents and increase the circulation of our state paper. July 1, 1947 the number of subscriptions was 40,064. July 1, 1948 the number had increased to 45,919 or an increase of 5,855 (15%). The circulation of this fine paper should continue to increase until every Baptist home in Oklahoma receives and reads the state paper.

The **Baptist Messenger** strives to keep a balance between doctrine, denomination, general information, and promotion. It lays equal stress on state, home, and foreign missions.

More than 500 churches have the Messenger in their budget. We urge the other churches to adopt this plan as the best way to inform their people regarding the whole program of our work.

The purpose of the **Baptist Messenger** is the making of more and better Christians and more and better Baptists. It publicizes the work of Oklahoma and world Baptists through information, inspiration, and promotion.

HOSPITALS

Oklahoma Baptist Hospital, Muskogee

The Oklahoma Baptist Hospital located at Muskogee is under the supervision of Mr. J. P. Cox, administrator. Three thousand patients were cared for during the past year. There were 15,500 tests in the laboratory, 4,000 X-ray pictures, 134,000 meals and special diets served, 1,200 operations plus 500 emergency treatments and 400 babies were born in the hospital during the past year.

The Nurses home has been completely remodeled and put into first class living condition. Approximately \$85,000 has been spent on this improvement. Two new classes of girls have enrolled in nurses' training. There are larger schools for nurses, but there are none better than Oklahoma Baptist School of Nursing at Muskogee. Girls interested in this service should contact Mr. Cox.

Miami Baptist Hospital

Dr. A. F. Wasson who has served so efficiently as the administrator of the Miami Baptist Hospital was transferred to Mangum September 1 where he is preparing to open a new Baptist Hospital. Dr. J. F. Murrell, pastor of the First Baptist Church at Hugo, has been employed as the administrator of the Miami Hospital. Dr. Murrell has been one of our most successful pastors and is eminently qualified to carry the Miami Hospital to greater heights of service. The total number of bed and out-patients treated at Miami Hospital last year was 2,976. It is now an accredited institution with 75 beds and 15 bassinets. The hospital is a member of the Blue Cross Plan which enables patients to budget for hospital care on a non-profit basis.

Southwest Baptist Hospital, Mangum

Early this year the citizens of Mangum petitioned the Board of Directors to consider opening a Baptist Hospital in their city. A committee was appointed to investigate the feasibility of acquiring a

hospital in Mangum and to bring a report to the Board of Directors. The committee recommended acceptance of the hospital on the following conditions:

1. That the hospital building and grounds valued at \$250,000 be cleared of all indebtedness and given to the Convention.

2. That \$75,000 be raised in cash by the citizens of Mangum and surrounding territory for the purpose of rehabilitating the building and the purchase of furniture and equipment.

3. That the community and county be enrolled in the Blue Cross Plan, and

4. Upon the completion of the above stated requirements, that the Baptist General Convention appropriate \$25,000 to the hospital.

Dr. A. F. Wasson who has served successfully as the administrator at Muskogee and Miami is in Mangum in the same capacity and expects to have the hospital ready for service early in 1949.

Oklahoma Baptists are proud of the progress made in their hospitals under the general supervision of Secretary Andrew Potter. The Mother's Day offering last May amounted to \$7,375.52. We urge our people to remember our hospitals next Mother's Day, (May 8, 1949).

OKLAHOMA BAPTIST UNIVERSITY

Dr. John W. Raley has served as president of Oklahoma Baptist University for more than thirteen years. Last year was the greatest year in the history of the university.

The school enrolled 1,602 students during the regular session and 455 students attended the summer session. The O.B.U. Summer School for Preachers had an enrolment of 50, and 75 music directors and workers enrolled in the church music clinic.

Many substantial additions and improvements have been made during the last year. The Brotherhood Memorial Dormitory was used for the first time, the W. T. Short Memorial Science Hall was completed, the gymnasium and field house was constructed, repairs and improvements were made on the auditorium in Shawnee Hall, and 17 acres of land were purchased.

The present gymnasium has been remodeled for a temporary auditorium and assembly hall, which will seat the entire student body at one assembly. There were 19 additions to the faculty with 12 doing graduate work and two completing work for their Doctor of Philosophy degrees. There were 256 ministerial students enrolled last year. These men reported 5,316 sermons preached, 1,074 conversions, and 1,362 additions to churches. Oklahoma Baptist University is fast coming into its own. However, there is tremendous need for additional buildings and equipment.

RETIREMENT PLANS

The Ministers Retirement Plan has made steady progress since its beginning in Oklahoma in 1938.

According to Dr. Walter R. Alexander, Executive Secretary of the Relief and Annuity Board, there were 117 beneficiaries on September 1, 1948. The total amount distributed to these beneficiaries

during the past year, September 1, 1947 to September 1, 1948, was \$41,224.32. There have been 775 certificates issued on the Ministers Retirement Plan with 608 churches co-operating.

There have been 220 certificates issued through the Widow's Supplemental Annuity Plan, 38 through the Board's Employees Plan, and 101 through the Orphanage Institutions Pension Plan.

There are 23 ministers and 19 widows receiving aid through the Relief Department. A total of \$5,788.00 was contributed to these during the last year.

We urge every full-time church worker to secure the necessary application blanks and other information from Dr. Andrew Potter, secretary-treasurer.

During the past year four preachers and other religious workers have retired. Mrs. Clara Smith, widow of M. C. Smith who was called to his eternal reward during the past year, is the first to receive the Widow's Supplemental Annuity payments.

Those retiring since the last Convention are:

Ennis Napoleon Calhoun

T. G. Netherton

H. E. Cook

Chesterfield Turner

BAPTIST BOOK STORES

Oklahoma is fortunate in having two Baptist Book stores; one located at 223 N.W. First Street, Oklahoma City, and the other at 216 East Fourth Street, Tulsa.

These stores are owned and operated by the Sunday School Board of the Southern Baptist Convention. However, we recommend the fine service that the stores render and proudly think of them as important phases of our Oklahoma Baptist program.

When the new Baptist Headquarters Building is completed at Eleventh and Robinson, the Oklahoma City store will be located in the new building.

Miss Mary Tongee is the manager of the Oklahoma City store, and Mrs. Jessie Keys is manager of the store in Tulsa.

We urge our churches to use the Baptist Book Stores in ordering supplies, books, and other things needed in making the work of the church efficient.

HEADQUARTERS BUILDING

The Convention, three years ago, authorized the purchase of a site and the erection of a new Headquarters Building to house the Convention offices. The committee has worked diligently and has secured an ideal location on the corner of Eleventh and Robinson, directly across the street south of the First Baptist Church. The building will have four floors with a basement. There will be ample room for all the offices, Baptist Book Store, and a chapel which will seat approximately two hundred people. Additional floors may be added in the future, if needed. The building, now under construction should be ready for occupancy sometime next year.

The Convention may want to have an open house and a dedicatory service at its annual meeting in November, 1949.

EVERY BAPTIST A TITHER

Oklahoma Baptists join heartily with Southern Baptists in an effort to enlist Every Baptist as a tither. A special Sunday School lesson and other materials were prepared and made available to churches during the fall months. Hundreds of our churches used these materials and are emphasizing this Bible principle in financing the church and its mission. We are likewise striving toward the slogan "Fifty-Fifty by 1950." Some of the churches are approaching that ideal in the division of funds between local and worldwide needs. If the churches will reach that goal, the state will likewise find it possible to divide fifty-fifty between state and southwide causes. This is a worthy slogan and goal toward which we should continue to work. Not all the churches can start with that ideal, but all can travel in that direction. Let us adopt these goals—"Every Baptist a Tither" and "Fifty-Fifty by 1950."

SPECIAL CAMPAIGN

The Board of Directors in the July meeting gave prayerful consideration to the wisdom of launching a special campaign in 1949 to raise funds for much needed buildings and equipment. If our institutions are to continue to expand and meet the demands of this age, additional buildings are imperative. The members of the Board were unanimous in feeling that NOW IS THE TIME to raise funds for this purpose. The campaign to raise a minimum of \$300,000 is to be launched early in January and consummated by the meeting of the Southern Baptist Convention in May. Sundays, March 13 and 20, are designated for special offerings. Three hundred thousand Baptists should give \$300,000 to meet these pressing needs without interfering with the regular Unified Budget program or the local church needs. Our people are urged to give their enthusiastic support to this special campaign and to bring it to a glorious conclusion early next year.

BAPTIST FOUNDATION

The Foundation was organized in 1946 and Dr. Andrew Potter was elected secretary-treasurer. Along with his other heavy responsibilities, Dr. Potter has given considerable thought, time, and energy to this important phase of the work. Many contacts have been made and considerable funds have already been raised. A more complete report of the Foundation will be given to the Convention by the Foundation Board of which Judge W. R. Wallace is president. Doubtless many whom God has blessed with money will seek the Baptist Foundation as a reliable organization to handle funds for Christian institutions and agencies. Pastors, churches, laymen, and women are urged to assist the Foundation by telling friends about this service and by helping the Foundation to make contact with prospective donors.

We need to conduct a campaign of education on the aims and ideals of the Baptist Foundation. It is not an organization to solicit large gifts alone. Small gifts are also acceptable. The Foundation is set up to take care of wills, bequests, and grants for all our institutions and agencies.

Write or call Dr. Andrew Potter for information.

UNIFIED BUDGET

Oklahoma Baptists continue to show their spirit of co-operation by increasing their contributions to missions and benevolences. Contributions made through the Unified Budget for the past ten years are shown by the following record:

1938	-----	\$136,582.13
1939	-----	140,852.30
1940	-----	145,045.05
1941	-----	152,875.23
1942	-----	218,269.66
1943	-----	317,372.05
1944	-----	380,493.14
1945	-----	477,919.74
1946	-----	591,878.03
1947	-----	683,380.65

Unified Budget Set-Up for 1949

A slight change in the Unified Budget set-up for 1949 is recommended. The proposed set-up would simplify the budget and should make available more money for southwide causes.

After deducting the expenses of the general office, the Woman's Missionary Union, Ministers' Retirement Plan, supplement to the **Baptist Messenger** and Oklahoma Baptist University, the funds will be divided fifty-fifty between state and southwide work. The general office, Woman's Missionary Union, and the **Baptist Messenger** devote as much time and expense to raising funds for southwide work as for state causes. The pastors are Southern Baptist preachers as well as Oklahoma Baptist preachers. The Seminaries would not have students and the mission fields would not have missionaries without Oklahoma Baptist University and other Christian colleges. Therefore, every phase of the work, state and southwide, will want to share in these expenses.

Upon the present basis, these items amount to approximately \$165,000 leaving \$317,500 of an \$800,000 budget for state causes and an equal amount for southwide work. This does not include designated offerings. This division between state and southwide work places Oklahoma near the top compared with other states in the Southern Baptist Convention.

Associations Adopt Goals

Each of the thirty-six associations have adopted a goal for 1949, the total of which amounts to \$808,386.00. We should reach, or at least come near, the \$800,000 goal by the end of 1948 and go far beyond that in 1949.

GENERAL RECOMMENDATIONS

1. That it will be our policy to operate on a cash basis.
2. That we exercise the strictest economy consistent with the best administration and promotion of our work.
3. That we instruct all agencies provided for in the budget not to incur any debts not authorized by the Board of Directors during 1949.
4. That the 1949 State Mission Budget be projected on a basis that will insure no deficits at the close of the year.
5. That the expenses of the general office, Woman's Missionary Union, Ministers Retirement Plan, supplement to the **Baptist Messenger** and Oklahoma Baptist University be deducted after which Unified Budget funds shall be divided fifty-fifty between state and southwide causes.
6. We further recommend that a special appeal be made to the churches in 1949 for building funds to be divided fifty-fifty

between Oklahoma Baptist University and Baptist Student Centers at Oklahoma University, Norman, and Oklahoma A & M College, Stillwater; that we attempt to raise minimum of \$300,000.00 for this purpose and the Sundays, March 13 and 20, or the nearest convenient Sunday, be designated as dates for the special offering.

CONCLUSION

From the reports given it is evident that the Lord has blessed our work in Oklahoma during the past year. A few comparisons indicate how the blessings of the Lord have been upon our work. The best measure of our progress is expressed in terms of the number led to Christ. In 1947 there were 16,785 persons baptized into the fellowship of Oklahoma Baptist Churches; in 1948 there were 18,258 baptisms. These 1,473 additional converts represent an increase of 8.1 per cent over 1947 and a 20.2 per cent greater harvest than was reaped in 1946.

During the first nine months of 1947 (January through September) \$490,579.39 was contributed through the Unified Budget. For the same period in 1948, \$540,632.75 was contributed. This exceeds the 1947 contributions by \$50,053.36 and represents an increase of 10.2 per cent.

According to Porter Routh, Oklahoma gave a total of 35.3 per cent to southwide work in 1947. Only four states out of the twenty comprising the Southern Baptist Convention gave a larger percentage. The average for all the states is 29.6 per cent. This places Oklahoma near the top in the percentage given to southwide work. States giving a larger percentage than Oklahoma are North Carolina, Missouri, Florida, and Tennessee.

Oklahoma is a young state. Practically all of the churches are engaged in building programs, and we are also engaged in an extensive institutional building program. It is quite significant that Oklahoma Baptists have reached such a high mark in contributing to southwide work and at the same time moved forward in providing additional buildings and equipment to meet the urgent need.

A comparison of the actual amount spent for additions to the property and equipment, with the total valuation of the Convention's property at the close of 1946, shows nearly a million dollar increase during the year. The valuation is based on the book record and not the present inflated valuation.

According to the auditor's report the total valuation of the Convention's property on December 31, 1946 was \$2,104,345.42. During the past year a total of \$954,635.64 was spent on our buildings and equipment, bringing the total to \$3,058,981.06.

The two large building programs consummated last year were the Brotherhood Memorial Dormitory at Oklahoma Baptist University and the completion of other buildings at the Baptist Orphans' Home. The total amount invested at Oklahoma Baptist University last year was \$686,551.74. The total investment at the Orphans' Home was \$214,427.52. Other improvements were made on the Convention offices, Falls Creek Assembly, Baptist Student Union Centers, and the Hospitals.

We are grateful to the Lord for His continued blessings upon our work in this great state.

SOCIAL SERVICE REPORT

Dr. B. H. Carroll, even in his day, wrote of the "relaxation of morals," as he gives certain interpretations of the First letter to the Corinthians. If that was true in that time, what is the situation today?

There is an apparent lack of courage to oppose wrong and denounce sin. The attitude of complacency is a temptation to us all, when to oppose corrupt practices brings us into the light and "puts us on the spot," as it were. We make some humble observations:

I. There is a lowering of standards in the homes—many of them Christian homes. God gave us the home, and planned every happiness the family needed, until sin entered. The family altar, the bulwark of our faith, has been threatened, and in many Baptist homes, has been swept away. Surely, there could be a brief devotional by reading the Scriptures, as outlined by the Training Union and Sunday School quarterlies, or other Scriptures, as well as a prayer. Give the children a chance to have part and their lives will be enriched and guided in the right direction.

II. Youth meets many temptations, for which he is not wholly responsible. Such practices, small as they seem, as for instance, chance-taking methods, adopted by many organizations to supplement budgets, lead young people away from honest standards and tone down convictions for righteousness. This is a form of gambling, and though a small beginning, it lessens one's power to be honest. It is a timely slogan—"Watch the beginning of things."

III. The inroads of smoking, card-playing, cocktail parties and dancing have reached tidal wave proportions among many homes, and, with regret, we admit, some of these are Baptist homes. Such things are an abomination to the Lord. These are only some of the obstructions to mar the path of righteousness for many, and especially for young people, and even small children, who, in many homes, are left without Christian guidance.

IV. We renew our unequivocal stand against all intoxicating beverages, whether legal or illegal in Oklahoma. This includes beer, which was legalized on the pretenses that the taxes gathered from the sale of it would get enough revenue to keep our schools going. Are we ever justified in taxing iniquitous institutions to bolster good causes? We still have hard-pressed school districts and underpaid school teachers. We have abandoned hundreds of school houses with the hope that we might maintain the rest.

Oklahoma is a dry state in a legal sense, but it is not so in reality. Federal licenses for the sale of hard liquor are issued in dry Oklahoma. Flanked by wet states, Oklahoma finds herself in a precarious condition as to law enforcement. The W.C.T.U. of Kansas has called attention to the fact that there is a hard liquor retailer

to each 197 inhabitants in Nevada; one for each 291 Californians; one for each 341 residents in Illinois; one for each 472 in Pennsylvania.

V. The increase of crime, the cost of which equals the food bill of the nation, is inevitable. Statistics show that the average age of the male criminal is 22, of the female offender, 21. A crime is committed every 20 seconds in great America. A juvenile court, who had heard 4000 cases, observed that only three of the offenders had any connection with a Sunday School. J. Edgar Hoover urges Sunday School attendance as a preventative of crime.

VI. There are obvious facts to assure us that juvenile delinquency is on the increase. In some areas, the rate of juvenile delinquency has increased from 300 to 500 per cent. Attorney General Tom Clark recently summarized the crimes committed by juveniles in 1945, which report was cited in the "Book of Reports," Southern Baptist Convention, 1948: "15 per cent of all murders; 26 per cent of all arson; 30 per cent of all rape; 52 per cent of all burglaries; 36 per cent of other robberies; 62 per cent of car thefts." In 1945 there were more individuals arrested who were 17 years of age than any other single age group.

VII. We reaffirm our deep abiding interest in the welfare of all races of mankind, especially of the Negro race, which numbers around 11,000,000 in our midst. We are to cultivate and maintain a most Christian spirit toward this race, both economic and religious, and for the advancement of the race. The development of this race across the years is due to the freedom all races find here, but especially, we subscribe to their right to worship God according to the dictates of their consciences, and interest Southern Baptists have had in their spiritual welfare in sending the Gospel to them through our mission programs.

Since the close of World War II, we have met another problem—that of world relief. Oklahoma Baptists responded with both money and substance for the unfortunate people left in the wake of war. There should certainly be no relaxation of our efforts in behalf of war-suffering peoples as another winter approaches.

Those who are serving the Lord are few in number compared with the vast numbers who do not know His Christ. But the leaven of Christianity is in the world and is destined to conquer the world, when the Lord puts "all things under His feet." We are to continue the fight for righteousness, which "exalteth a nation," through our churches, the United Drays of Oklahoma and other agencies. We will join our hearts and hands to alleviate human suffering, win the lost to Christ, and proclaim the Gospel, "the power of God unto salvation to every one that believeth."

A Statement of Conviction and a Program for Action in Race Relations

"We are face to face with a problem of human relationships which, while serious in its local manifestations, has grown to world-wide proportions and is, at this moment, a critical and vital issue which calls for an answer and a solution. It is the problem of interracial and intercultural relationships. The currents of opinion are such that the time is now when Christian people and Christian organizations must assume the leadership and find a way through the maze of confused and irrational thinking to a vital, a creative and realistic solution which is predicated upon the basic principles of the teachings of Jesus concerning human relationships.

"The Southern Baptist Convention has shown itself to be awake to the seriousness of the problem in its adoption, by unanimous vote, of "A Charter of Principles on Race Relations." This Charter recognizes that the critical problems of human relationships cannot be solved until we face squarely and honestly and deeper meaning of the Christian message which is God's thought and answer to man's dilemma. It sets forth the following:

Principles of Action

1. We shall think of the Negro as a person and treat him accordingly.
2. We shall continually strive as individuals to conquer all prejudice and eliminate from our speech terms of contempt and from our conduct actions of ill-will.
3. We shall teach our children that prejudice is unchristian and that good-will and helpful deeds are the duty of every Christian toward all men of all races.
4. We shall protest against injustice and indignities against Negroes, as we do in the case of people of our own race, whenever and wherever we meet them.
5. We shall be willing for the Negro to enjoy the rights granted to him under the Constitution of the United States, including the right to vote, to serve on juries, to receive justice in the courts, to be free from mob violence, to secure a just share of the benefits of educational and other funds, and to receive equal service for equal payment on public carriers and conveniences.
6. We shall be just in our dealing with the Negro as an individual. Whenever he is in our employ we shall pay him an adequate wage and provide for him healthful working conditions.
7. We shall strive to promote community goodwill between the races in every way possible.
8. We shall actively cooperate with Negro Baptists in the building up of their churches, the education of their ministers, and the promotion of their missions and evangelistic programs.

In the light of these principles we therefore urge:

1. That a Social Service Committee on Race Relations be charged with the responsibility of earnest and prayerful study of the problems of Race Relations during the forthcoming year.
2. That the members of this Committee or representatives thereof be urged to participate in the Southwide study on Race Relations at Ridgecrest in the **Conference on Christian Living**, August 18-21, 1949, sponsored by the Social Service Commission of the Southern Baptist Convention.
3. That our churches plan for specialized study within their local congregations; panel forums, audio-visual aids, special lectures, study courses, etc. should be utilized for this study.
4. That the individual members of our churches be encouraged to inform themselves on the vital issues of this problem by the study of good books, tracts and periodicals.
5. That the resources of the Social Service Commission of the Southern Baptist Convention be fully utilized in the accomplishment of the foregoing suggestions. Suggestions for reading, outlines for study and plans for action can be obtained by writing:

68. Dr. G. S. Dobbins, Louisville, Kentucky, represented the three seminaries and addressed the Convention in the interest of Theological Education. Dr. J. H. Kennedy, New Orleans, and Dr. J. W. MacGorman, Ft. Worth, were present and represented the seminaries in their cities.

69. Dr. R. S. Jones, Dallas, brought a message in the interest of the Relief and Annuity Board.

RELIEF AND ANNUITY BOARD

The Relief and Annuity Board is one of the southwide boards of our Southern Baptist Convention, located in Dallas, Texas, in the Baptist Building which it owns. At the annual board meeting on March 10 the following officers to serve for the next year were re-elected: Dr. Wallace Bassett, president; Dr. Walter R. Alexander, executive secretary; Dr. R. S. Jones, associate secretary; Mr. Orville Groner, treasurer-investments.

The reports of the Board in reviewing the work of the past year revealed that 1947 was the greatest year in the history of the Board in service rendered, in investment earnings, and in the enlistment of new members of the plans administered by the Board. The total income for the year was over \$3,500,000; total benefits paid out were \$1,183,676.19. The total assets of the Board as of December 31, 1947, amounted to \$12,838,438.22.

The amount disbursed the last 12 months in Oklahoma is as follows:

	Number of Beneficiaries	Receiving Annually
(Old) Annuity Fund	17	\$ 5,004.28
Ministers Retirement Plan	48	26,803.60
Widows Supplemental Annuity Plan (A)	1	167.28
Baptist Boards Employees Retirement Plan	4	2,528.40
Orphanage Institutions Pension Plan	5	932.76
Relief Department	42	5,788.00
Totals	117	\$41,224.32

The ministry of the Relief and Annuity Board is twofold: providing annuities to be enjoyed upon retirement for those gainfully employed in denominational work, and relief for those who served before there was an Annuity Board and were, therefore, deprived of any annuity at retirement. The relief department also serves many of our former pastors who served in country churches and who did not go into the Ministers Retirement Plan, feeling that they could not afford to pay the dues out of their small salaries, or the benefit which would be derived by paying dues on a small salary would be hardly worthwhile.

Every person who is gainfully employed in denominational work, whether pastor, missionary, employee of state or southwide board, institution, or agency, and every lay employee in our Southern Convention, such as educational director, church secretary, janitor, etc., is eligible for enrollment in one of the plans fostered by the Board; thus, with his or her personal dues and the dues of the employing agency, he can be assured of a benefit at retirement.

Less than half of the active pastors are enrolled in the Ministers Retirement Plan. Every year ministers are retiring who have never been enrolled in any plan without any source of income after retirement. Most of them request that their names be placed on the roll of the relief department, and this is usually done; however, the difference in what they receive from that and what they would have received had they been in the Ministers Retirement Plan is great.

The same thing is true in the Widows Supplemental Annuity Plan. Too many of our pastors do not have the protection for their wives and dependents which this plan offers in case they are called home.

It is the purpose of the Relief and Annuity Board and your state office to stress enlistment in these two plans during the coming year, and we would request the assistance of all pastors in the Oklahoma Baptist Convention who are participating in this plan to assist us in this work of enlistment, that all your fellow pastors may have the security which these plans offer for themselves and their families.

Respectfully submitted,
Walter R. Alexander

CHURCH MUSIC AND BAPTIST STUDENT UNION

Church Music

The promotional program in the field of church music has been high-lighted by the following activities, in 1948:

First, a meeting of the state and associational officers, in January, to plan the church music program for the year. The state officers elected were: president, W. J. Reynolds, First Church, Oklahoma City; vice-president, E. A. Patterson, First Church, Tulsa; pianist, Mrs. Dolly Connally, First Church, Norman; and secretary, Miss Bonnie Schmickle, State Office.

Second, the Church Music Leadership Clinic at the Oklahoma Baptist University, in June. It will be noted, as we list the faculty, that we had some of the best music leaders among Southern Baptists for this training course: W. Hines Sims, Department of Church Music, Nashville; W. Plunkett Martin, professor of sacred music, New Orleans Baptist Theological Seminary; Mrs. J. N. Clancy, instructor, School of Sacred Music, Southwestern Baptist Theological Seminary; R. Lofton Hudson, pastor, First Church, Shawnee; Warren M. Angell, dean, College of Fine Arts, Oklahoma Baptist University; Mrs. Cecil C. Hamilton, organist, First Church, Oklahoma City; W. J. Reynolds, minister of music, First Church, Oklahoma City; and Mrs. Gordon Psalmonds, music director, First Church, Bartlesville. The response to the school was an enrollment of 105 representing 23 associations. By popular demand, such a Clinic is planned for May 30-June 3, 1949, which will offer even greater opportunities for training.

State, associational and local church music training programs have been conducted. The response to these schools indicates interest and enthusiasm continue to grow for better church music among Oklahoma Baptists.

A different teaching and training music program was promoted at Falls Creek, in August. The following served on the faculty: Neil Darnell, music director, First Church, Duncan; Verl Capps, music student, Southwestern Seminary, Ft. Worth; W. J. Reynolds, First Church, Oklahoma City; Gene Bartlett, Trinity Church, Oklahoma City; Warren M. Angell, College of Fine Arts, O.B.U.; Mrs. James Read, First Church, Altus; and Mrs. Guy Burrous, Hugo. The response to these classes was overwhelming. The average daily total attendance, during the ten days, was over 2000. A teaching and training program commensurate with the growing needs will be conducted at the 1949 assembly. Through the leadership and followship of the choir directors and music talent of Oklahoma, congregational singing and special music have been outstanding features of all assemblies throughout the state.

The newest undertaking in the church music training program for the year was the employment of Mr. Verl Capps, of the Southwestern Seminary, as a summer worker. Mr. Capps did a superb job and the response was most encouraging. The demands that have already come in for 1949 assure us that it will be necessary to have

several full-time teachers for local church music institutes and summer assemblies.

We are grateful for the continual stream of competent music leadership that is coming to the state. Greater things are in store for conventions, encampments, associational gatherings and assemblies, as well as for the local church singing ministry and training program.

Baptist Student Union

Twenty per cent of the entire enrollment of the 23 colleges and universities in the state are Baptist. (This does not include junior colleges connected with high schools.) A conservative estimate of the 1948 enrollment, as revealed by our latest survey, indicates there are, at present, some 42,000 students in Oklahoma's colleges and universities. Eight thousand are Baptist, with more than 2000 indicating the Baptist church as their preference. One can immediately see the challenge revealed by these figures. The evangelistic opportunity alone is significant, to say nothing of the unlimited opportunity for development in the field of stewardship.

We have every reason to be happy over our present personnel for leadership and guidance on the local campuses. We list them with pride: E. Warren Woolf, Oklahoma University, Norman; Bert Edmison, Tulsa University; Kermit E. Whiteaker, Oklahoma A&M, Stillwater; Jerome Zickrick, O.B.U.; Miss Avalon Stevens, O.C.W., Chickasha; Miss Frankie Harris, Baptist Hospital, Muskogee; Miss Frankie Newsom, Cameron College, Lawton; Miss Caroline Miller, Northeastern State, Tahlequah; and Mr. Carl Kniffin, Southwestern Tech, Weatherford. Additional personnel must be secured and provided with necessary equipment for efficient work, if we rise to the needs of our student ministry.

Our Urgent Needs: There are more than 2000 Baptist and Baptist preference students at the Oklahoma University, Norman. The equipment for guiding the student movement on this campus is entirely inadequate. The First Church, under the leadership of Rev. E. F. Hallock, pastor, and Mr. E. Warren Woolf, minister of students, is holding double services, each Lord's day, trying to minister to the youth of Oklahoma Baptists who have chosen Oklahoma University for their training. And, of course, other churches in Norman are sharing in this ministry, to the limit of their ability. We need to erect a Baptist student center building of not less than \$150,000, on our lot adjacent to the University, at the earliest date possible. This situation is paralleled at Oklahoma A&M, where Dr. C. DeWitt Matthews is pastor and Mr. Kermit E. Whiteaker is minister of students. The student body of this great school also has some 2000 plus Baptist and Baptist preference students.

Of course, our smaller schools are over-taxing the capacity of the churches where they are located, but our most urgent and immediate needs are listed above at the Oklahoma University in Norman and Oklahoma A&M in Stillwater. We will always want to do more and more for our own Oklahoma Baptist University, but we cannot afford to forget the other nine-tenths of our students who have chosen state schools for their education.

We trust Oklahoma Baptists will face these figures with prayerful concern for the opportunity and responsibility involved therein. We are reminded again that he who guides the youth of today is deciding the destiny of tomorrow.

Our Calendar of Activities: Every feature on the 1947-48 school year calendar was carried out with greater attendance and more enthusiasm than at any other time in the history of Oklahoma Baptists. With this victory behind us, we are pressing on to exceed this record in our activities listed for the 1948-49 school year:

October 22-24—Oklahoma Student Convention, O.B.U., Shawnee

December 26—Student Night at Christmas

January—State Plan Meeting

April 22-24—State B.S.U. Retreat, Falls Creek

June 8-15—Southwide Student Retreat, Ridgecrest

August 1-11—Falls Creek Assembly. Usual classes for life building. One class B.S.U. Methods

June-July-August—Volunteer Summer Service

71. Roy Autry, Kingfisher, brought the "Report on Home Missions" and motion carried for its adoption. Dr. J. B. Lawrence, secretary of the Home Mission Board addressed the Convention.

HOME MISSIONS

Missions is still the mission of our churches. Perhaps, there was in the mind of Christ just one field when He said, "all the world." However, He broke this mighty task into smaller fields when He directed the church to be His witnesses, "both in Jerusalem, and all Judea, and Samaria and unto the uttermost part of the earth."

The homeland of Southern Baptists is an ever enlarging mission field. The addition of new states, with their unreached multitudes, makes the task of Home Missions more weighty year by year. Our Home Mission territory can no longer be described as the Southland. It now extends from the Atlantic to the Pacific, from the Gulf of Mexico almost to the Great Lakes, and even from the tropics of the West Indies and Panama to far away Alaska. The frontiers may shift, but the task of missions remains.

The territory of Southern Baptist Convention is a vast empire of untold wealth and religious possibilities. For richness there is no country like it in all the world. It is rich in materials, unsurpassed in climatic conditions, is unequalled in fertility of soil, and its natural resources are almost unlimited. Evangelizing this domain is the task of Southern Baptists.

Living in our midst are seventy million people; thirty-five million of whom are unchurched. These unreached are more than twice the number of our armed forces at the peak of the war; more than the entire population of Old Mexico; one half the population of France; one half the population of Brazil; and four times the population of Chile. We do not have to go to Africa to find Negroes,

to China to find Chinese, to Japan to find Japanese, or to Mexico to find Mexicans. They live next door, down the street, across the tracks, or just out in the country. On this mission field are 1,750,000 Spanish-Americans, 700,000 French-speaking Americans, 600,000 Italians, 250,000 Indians, 1,000,000 Jews and 2,500,000 others of European and Asiatic races.

Evangelizing our cities is one of our major tasks. There are 60 cities within our bounds with a population of more than 100,000 each. In these cities live more than 15,000,000 people, and 8,000,000 of these are unchurched. The Home Mission Board of Southern Baptists is trying to reach these masses.

Rural Missions is no less important. A recent survey shows that 65 per cent of Southern Baptists belong to rural churches, and 80 per cent of our workers have come from rural churches. It shows further that there are 5000 rural churches with fewer members now than they had ten years ago; 3000 rural churches had no conversions in 1947; 2500 churches are constantly without a pastor; 1800 have no church buildings; 10,000 have only a one room frame building; and 4000 rural churches gave nothing to missions during the entire year.

We are grateful that God has given us Dr. J. B. Lawrence to lead our Home Mission forces through the years. The 1006 Home Mission workers, including the summer workers, during 1947 conducted 1135 revival meetings and 1994 Vacation Bible Schools. They reported 24,221 conversions. Through these faithful servants of God Southern Baptists are preaching the Gospel to the millions in our midst. Woodrow Wilson once said, "Our civilization cannot survive materially unless it is redeemed spiritually."

The need of this great harvest field is for more money and more workers. Let Southern Baptists give their money scripturally and earnestly "pray the Lord of the harvest that He will send forth laborers into His harvest."

72. W. D. Wyatt, Muskogee, read the "Report on Evangelism" and motion carried for its adoption. Rev. J. A. Pennington, secretary of Evangelism, spoke to the report.

EVANGELISM

Soul-winning is the heart of the Gospel program. All other Christian objectives must take places of lesser importance compared to soul-winning.

We are happy to report ever-increasing emphasis among Oklahoma Baptists upon soul-winning. The statistics on the number of baptisms for the past year are not all in, but indications are that this has been another great year in evangelism.

We have suffered loss in the Department of Evangelism this year in the resignation of Dr. T. P. Haskins, who has been a great inspiration to all of us. But we rejoice in the coming of Rev. J. A. Penning-

ton to the department with his aggressive, consecrated leadership for such a time as this.

The State-wide Evangelistic Conference at Trinity Baptist Church, Oklahoma City, in January, though hindered by very severe weather, was widely attended, and a definite step forward in our evangelistic endeavors.

The Evangelistic Conference for the new year is to convene with the First Baptist Church of Shawnee, January 17-19. Several of the foremost Southern Baptist leaders in evangelism have already agreed to appear on the program.

We are happy to report that every association in Oklahoma has had, or will have during this year, a simultaneous revival campaign. We recognize that this type of evangelism has some disadvantages, but we believe the advantages too far outweigh the disadvantages. It has resulted in greatly increased emphasis upon evangelism, a renewal of zeal among many smaller churches, a building of denominational and cooperative consciousness among our pastors, and, most important of all, more souls won to the Lord.

We would urge that a simultaneous campaign be waged in every association again during the year 1949. We would also urge that every association and every church make definite preparation to cooperate in the simultaneous revival campaign which is to be carried on in all of the southern states west of the Mississippi River in the spring of 1950 beginning on Easter Sunday, April 9. Let's make it completely unanimous in Oklahoma for that supreme effort in cooperative soul-winning.

In the meantime, let us not forget that soul-winning is our perennial responsibility and privilege, to be carried on in all of the churches, all of the time.

Buildings and Grounds:

Additions to the campus include land, 17 acres, purchased by the directors of the Convention as building site for faculty apartment buildings and the president's home. New buildings of major importance include the \$300,000 Fieldhouse completed October 15, a repair and maintenance building, and permanent title to 15 apartment buildings and dormitories transferred under provision of the veterans' educational program.

A special committee of the board of trustees is now in the process of raising \$67,000, the balance needed to meet all costs of the construction of the fieldhouse. The building formerly used as a gymnasium has been converted into a temporary auditorium, seating 1400.

The present total net valuation of the university is approximately \$2,500,000 at low appraisal rates. Buildings now under construction or authorized include remodeling the repair and maintenance building into a fine arts practice hall, the president's home, and a four apartment building for faculty members, the apartment building a project of the Faculty Building association.

Future building needs include a modern fireproof science building, an additional dormitory for women, a chapel and fine arts center, and an infirmary to serve as health center for faculty and

students and as a laboratory for students in hospital service management.

Religious Activities:

The student religious organizations of the university are under the leadership of the Baptist Student Union. Its activities are regulated by the executive council which is composed of the presidents of its unit organizations, the Ministerial Alliance, Life Service Band, Y.W.A., and others elected by the student body.

Last year 150 students were studying for work in the fields of religious education and religious music. The Life Service Band had a membership of 115 with 90 mission volunteers. The report of the Ministerial Alliance shows that the 256 ministerial students enrolled delivered 5,316 sermons with 1,074 conversions, and 1,362 additions to the church.

Financial Report

The university had for the year an income of \$778,761.93, expense \$684,093.28, leaving a reserve of \$94,668.65 which either has been invested in capital improvements or absorbed in working capital. As of June 30, 1948, (end of fiscal year) the balance sheet was as follows: \$2,262,246.63, total assets; \$137,463.00 total liabilities; leaving an excess of assets over liabilities totaling \$2,124,783.63 as capital outlay.

During the year the capital outlay was increased \$781,905.35 or nearly one million dollars. Included in the above figures is an amount \$273,324.99 as valuations of property occupied during the year for which official relinquishment and transfer of property was not obtained until September, 1948, three months after the end of the fiscal year. The estimated value of the fieldhouse, \$300,000 is to be added to the total assets, bringing a grand total of \$2,562,246.63.

77. Rev. Bert I. Cherry, Madill, led the congregation in reading Romans 12:9-21, and then led in prayer.

78. Honorable Patrick W. Murphy brought the report of the committee on "Radio Commission," and the motion carried for its adoption.

THE RADIO COMMISSION OF SOUTHERN BAPTIST CONVENTION

The Radio Commission is an agency of the Southern Baptist Convention, sharing directly in receipts of the cooperative program. It is composed of 29 members, one from each state in the Convention, and nine members at large.

Located in Atlanta, Georgia, the Commission operates its own studio fitted with the best modern equipment, and designed for producing all types of radio programs. All "The Baptist Hour" programs, and other productions of the Commission originate in this studio, the property of Southern Baptists.

The purpose of your Radio Commission is to sponsor and promote the use of radio by Southern Baptists, and to act as the producing and coordinating agency of the Convention.

The Commission's most familiar activity is the broadcasting of "The Baptist Hour," which has been regular feature since 1941, and which this year will have broadcast two series of programs, January through March, and September and October. The current series is being heard over 71 stations, which carry it on a sustaining basis and requires 5000 miles of telephone line for the network. It is estimated that \$1.00 carries the gospel message to more than a thousand people through "The Baptist Hour" programs.

The Commission is now studying the possibilities of a full time "Baptist Hour."

During the Convention year just past, over 5000 transcribed programs of the Radio Commission were carried by 360 stations. A transcription library of about 10,000 records is available for use on local radio stations, without cost, and in the local church, at a small rental fee. Included in the programs are: a devotional series, "The Chapel Upstairs," designed for use in government hospitals, and financed outside the Commission budget by large private contributions; a series of dramas on the Christian home; two Christmas programs, including music and a half-hour drama, which can be purchased outright; two new inspirational series, "Strength for the Days," by Dr. C. C. Warren of Charlotte, N. C., and "The Centrality of the Cross," by Dr. W. Douglas Hudgins of Jackson, Mississippi; and many other programs of devotional and doctrinal messages with the finest gospel music.

As an agency of the Convention, your Commission is always available and ready to cooperate with other agencies in producing or promoting radio programs. It is working with Home Mission Board in producing "The Good News Hour," which is a year-round weekly program, carried by over 50 stations; has produced a series on tithing for the Executive Committee, carried by 155 stations; and has cooperated with the Baptist Brotherhood in broadcasting by transcription special layman's day programs for the past several years.

The Commission is also closely associated with state radio committees in encouraging the ownership and operation of Frequency Modulation stations by local groups. Texas Baptists are completing plans for a 17 station FM network, and Louisiana Baptists own and operate both an FM and AM station.

Keeping up with the rapid developments in the field of television is one of the Commission's current interests. Having already televised two programs in connection with the Southern Baptist Convention in 1947, the Commission is now preparing a series for television, the first program of which will be telecast in early November of this year. It is hoped that these programs can be filmed for use on other television stations and sound projectors in local churches.

The Director of the Radio Commission is Dr. S. F. Lowe, with Jack R. Robertson as his assistant. A full time engineer and an office staff of four carry on the vast work of covering the territory of the Southern Baptist Convention with radio programs which seek to honor and glorify God, and spread the Gospel of Christ.

79. Mr. Bryce Twitty, Tulsa, brought the "Report on Hospitals" and spoke to the report. The choir space was filled with student nurses from the Muskogee Hospital. Superintendents J. P. Cox, Muskogee, and J. F. Murrell, Miami, gave verbal reports of the work in their cities. Motion carried to adopt the report.

HOSPITALS

Our Baptist people need to be informed of their hospital programs and problems. We have a great challenge, a great program, a great opportunity for the Lord; needless to say all these have their attending problems.

Some of our people have been known to challenge the scriptural grounds of a hospital program. This is answered easily. Our Master performed seven out of eight of his miracles in healing the sick. In sending out his disciples they were commanded to "Go forth and do likewise," and "likewise" was healing a sick body. Christ's command is our commission.

However, if we had no scriptural grounds, it is not difficult to understand, "A healthy Christian is worth more to the kingdom than a sick one."

Most people do not realize an industry of any consequence will not move into a community that does not have ample hospital facilities. Hospitals mean people. Hospitals mean schools, hospitals mean churches, churches mean the advancement of God's kingdom and that is what we want.

Hospitals are the only agencies of the convention that stand open 24 hours per day, 365 days per year to care for all that come. Hospitals have no "time off," no holidays and are always under the most trying circumstances. Hospitals are the only agencies of the convention that cannot close for one day without serious injury or loss of life to some person or persons. If we as Baptists permit a person to die in sin when hospitalization would have saved his life to have made him available to our evangelical forces, his blood is on our hands.

It takes a lot of money to have hospitals. It takes a lot of money to operate a hospital. When our new hospital at Mangum

is open, the cost to operate the three hospitals will be approximately \$1200.00 per day, if current costs continue. So few people realize the tremendous task our hospitals have. We serve 600 meals, launder 1500 pounds of linen every day. Your two hospitals have \$125,000.00 invested in supplies and equipment or approximately \$1,250.00 per patient. When we add to this the plant valuations it will represent \$10,000 per bed. The investment in personnel is great. For proper hospital care, we must provide one and one-half employees per patient. Our business is always, "around the clock."

People occasionally complain about their bills being too high and at first sight they do appear to be high. However, the average hospital bill is about 45 to 60 cents per hour, or less than you pay to have your yard mowed. In the light of this rate of income it is not difficult to understand why it is almost impossible for a hospital to be self supporting. Our charity and free service load is great.

Your two hospitals last year did \$16,500 of this service. Of this amount, Baptist people reimbursed us to the extent of \$2,200.00 or approximately 12½%. This was our Mother's day offering. Your hospitals cannot re-equip, maintain and improve themselves and use their money to do charity for the denomination. Free service is not free—it costs as much to care for a free patient as it does a pay patient. Somebody has to pay for it. Either our people pay it through the Mother's day program or your hospitals will pay for it in having the reputation of rundown second rate institutions. We must use our earnings to improve, maintain, and expand our facilities and our services to care for all who need us.

Your hospitals are thankful for the increasing support of our Mother's day program. In 1947, our people gave us approximately \$2000 or 5½ mills per Baptist per year. In 1948 they gave us \$5000.00 or approximately one and six-tenths cents per Baptist per year. We do not feel that Oklahoma Baptists can lead in this glorious missionary opportunity until their support of this program reaches one dollar per year per Baptist. Then you can have a large teaching hospital in Oklahoma City, Tulsa and many more in smaller cities and make your worthwhileness felt into the hinterlands and all to the Glory of God and to the relief of suffering mankind in our Master's name.

80. Rev. Samuel W. Scantlan, superintendent of Rural and City Missions was in charge of this time. Rev. A. L. Lowther, Tulsa, gave a resume of city mission work in Tulsa-Rogers Association.

All Associational and City Missionaries were on the platform. Missionary LeRoy Crawford reported on a recent School of Missions in Frisco Association. Missionary Otis Conner, Northwestern Association showed map of his association and gave report on their plans to meet the need there.

Motion carried to adopt the report.

RURAL AND CITY MISSIONS

"Go ye into all the world and preach the gospel to EVERY creature." Mark 16:15.

The last line of defense in the rehabilitation of the country church, and the widening of influence for the city church is the association.

The Baptist association is a natural for our times. "It is the ultimate unit in our denominational life today." We must see the value of the associational unit in the program of world missions.

Oklahoma Baptists are gradually coming around to the position that the local associational organization is the unit that can best get work done in any state.

The following results have accrued from the personal labors of the superintendents of associational missions within the bounds of the state of Oklahoma during the year January 1 to October 1, 1948: professions of faith, 2396; additions by baptism, 2094; additions by letter and statement, 942; churches and missions visited, 4066; conferences held, 4124; revivals conducted, 214; revivals arranged for others, 183; Vacation Bible Schools held, 91; Vacation Bible Schools arranged, 123; Schools of Missions, 18; Sermons preached, 5461; assisted 156 churches to secure pastors; gave 30,671 tracts and scriptures; helped establish 79 missions; revitalized 31 inactive churches; \$15,360.90 raised for all purposes; assisted in erecting eight new church buildings and many other things accomplished which reports do not give.

A finer force of missionaries is not to be found anywhere. Oklahoma Baptists can well be proud of the men who tirelessly give themselves to mission work in their 36 associations.

Falls Creek Assembly

"Father, thou art the guide of my youth." Jeremiah 3:4.

"Did you say fourteen thousand?"

That question has been asked many times by people who did not attend the 1948 Falls Creek Assembly. Yes, there were over fourteen thousand people present during the ten day period in August.

Though the 1948 Assembly was the largest in Falls Creek's incredible history, it was the best in most every division of activity. There was a deep, spiritual, submissive, and cooperative attitude manifested everywhere. The enlarged tabernacle with concrete floor and attic fans was a wonderful improvement. The five new class pavilions also added much to the efficiency in the teaching program.

We are now looking forward to the "Thrill Assembly" of 1949. More improvements will be made on the physical property and Mr. Westmoreland is already planning for a greater program.

The value of the Assembly grounds soars year by year. Cabins, which have recently been erected, have, no doubt, raised the evaluation over the one million dollar mark.

No institution, which Oklahoma Baptists have, touches as many young people for the Lord as does Falls Creek Assembly.

Other assemblies in the state are also doing marvelous work with our youth. From these several gatherings will come an army of youth dedicated and surrendered to the Lord to do His work.

Schools of Missions

"Ye have need that one teach you." Hebrews 5:12.

There is probably no greater need among Baptists, than for them to have first hand information about our mission work around the world.

An association-wide, simultaneous School of Missions will impart knowledge of our mission fields at home and abroad. Therefore, we appeal with importunity to our pastors and church leaders to enter into the School of Missions program, where real, live, vigorous men and women from our mission fields can give the churches a panoramic view of their labors.

Dr. Lewis W. Martin of the Home Mission Board is director of this work in the Southern Baptist Convention and his help will be available when we need it.

We urge every association in Oklahoma to plan for a School of Missions in 1949. Write Sam W. Scantlan, 223½ West First Street, Oklahoma City, for particulars.

Sam W. Scantlan

81. Miss Margaret Hutchison, executive secretary of Woman's Missionary Union, brought a report on the first six months work of W.M.U. in 1948. She spoke to the report and motion carried for its adoption.

WOMAN'S MISSIONARY UNION

Since your two secretaries, Miss Margaret Hutchison, executive secretary-treasurer, and Miss Abbie Louise Green, young people's secretary, were new since the first of the year, and since the report of the Board of Directors carries figures for 1947, this report deals with the status of woman's work and its progress for the first six months of 1948.

First this report will deal with the work of the societies and auxiliaries as gleaned from the quarterly reports gathered in from the missionary organizations and compiled by associational presidents and young people's leaders and mailed on to the state office. Secondly, this report will deal with the promotional work of your secretaries, field worker, officers and departmental chairmen.

All 36 of the associations have a president of Woman's Missionary Union and 35 have the associational young people's leader. Thirty-five of these presidents reported the first quarter and 34 reported the second quarter. Thirty-two associational young people's leaders reported the first quarter and only 26 reported the second quarter.

These reports revealed these figures; 703 missionary societies with a membership of 21,304, 1300 auxiliaries with a membership of 16,201, 1208 missionary organizations reported 29,549, estimating the membership of the 795 organizations not heard from makes a grand total of 2003 missionary organizations with a membership of 37,505. Twenty-two new missionary societies have been organized since January first and 120 auxiliaries are new. There are 92 full graded unions in the state.

Meeting weekly or semi-monthly in some form of missionary meeting, these 37,500 women and young people learn more of all phases of Southern Baptist mission endeavor through programs from missionary magazines and from mission study and mission reading books. Subscriptions in Oklahoma to the missionary periodicals number 4448 to Royal Service, 1661 to World Comrades, 542 to The Window of Y.W.A., 787 to Ambassador Life, and 14,575 to The Baptist Messenger. Missionary societies held 1855 missions study classes with 9780 women enrolled during the first half of 1948, and young people's auxiliaries had 550 mission study classes. During the first quarter of 1948, 3991 women read a mission book.

An expression of the missionary impressions made through mission study, missionary programs and missionary reading, 9850 women in 310 societies and 4143 young people in 346 auxiliaries engaged in community mission activities. WMS reports for the first and second quarters show that these community missions activities resulted in 791 souls won. Women maintain 939 Family Altars.

As further expression of these missionary impressions, reports reveal 7936 tithers among the reported membership, 5975 being women and 1961 young people. It can be stated with confidence that members of WMU organizations contribute one third of the total amount of the Unified Budget receipts in the state office.

During the first six months of any year there is just one season of prayer, that for Home Missions. Four hundred forty-three mis-

sionary societies and 409 young people's auxiliaries observed this season by having the program, the season of prayer, and contributed to the Annie Armstrong Offering for Home Missions \$25,381.44 of which \$1,555.09 was reported as given by the auxiliary members. It can be certain that women and young people, members of missionary organizations have contributed their share in all other special mission gifts of the church such as World Relief. Also they have rendered personal service in the church's missionary and evangelistic activities, through visitation, cottage prayer meetings, and soul winning efforts.

The state is divided into 14 districts. Members of missionary organizations in these districts meet together only once a year and this is for missionary inspiration. In April, the 14 district meetings were presided over by the 14 district WMU presidents. Registered at these meetings were 2694 from 310 societies. The speakers were Miss Irene Chambers from the Home Mission Board, Mr. J. E. Jackson of China from the Foreign Mission Board, and the new Executive Secretary-Treasurer.

Miss Green entered the work June first and in two weeks time had completed the corps of 100 necessary teachers, counselors, and special leaders and had planned the programs for the four state auxiliary camps and by the middle of the month was off in a chartered bus with 41 YWA's for the Southwide YWA Camp at Ridgecrest. Oklahoma Royal Ambassadors were represented at the Southwide Young Men's Mission Conference at Ridgecrest by three advanced Royal Ambassadors and by Mr. Judson Cook, counselor. State BWC Chairman.

Enrolled in the four state auxiliary camps were 1264 young people. Seven missionary teachers and speakers from home and foreign fields were heard by one camp or another.

More classes in missions than ever before were provided at the State Assembly at Falls Creek. The 18 classes enrolled 1932 people. Missionary Day at the assembly featured a program of stirring messages and a display of very old Bibles.

The state WMU supplied seven missionary teachers and speakers for three other assemblies, Lugert, Kiamichi, and the State Indian, in which were enrolled 1332.

Thirteen missionary speakers were furnished by the state union for 13 associational camps in which 1172 young people were enrolled; and for 25 associational young people's rallies attended by 2842 people.

Summer missionary opportunities for Oklahoma WMU people reached 8610 in 49 different camps, assemblies, and rallies, with missionary messages provided by WMU.

One special, employed worker for the summer was Miss Virginia Highfill, scholarship student at Southwestern Training School.

Souls were saved, young people volunteered for mission service, decisions were made in these meetings where the missionary message was sowed as good seed in good ground to bear fruit for the Kingdom in years to come. In every instance, the attendance at all these meetings, camps, assemblies, exceeded that of last year.

Mrs. M. S. Whitehead, the president, proudly reports that Okla-

homa WMU's full delegation of 60 attended the Southern WMU Meeting in Memphis.

Financial aid was given the Summer School for Preachers at Oklahoma Baptist University, the Indian State Assembly, Langston School of Religion, State Negro Woman's work, the Negro Baptist Center in Oklahoma City. Financial aid through scholarships is being given two Indian students at OBU and two Negro students at the American Baptist Theological Seminary.

State chairmen of departments of WMU work have carried on good work. The Scholarship Committee granted scholarships for three young women at the WMU Training School in Louisville, two for Southwestern Training School, and one each for the New Orleans Seminary and the Golden Gate Seminary.

Miss Emily Goon, the Union's adopted daughter from China, was graduated from OBU and is now at the Training School in Louisville. She has been cared for through the Foreign Student Fund.

The State WMU Board Meeting in September was attended by 85 members and visitors, the largest and most representative attendance ever at a WMU Board Meeting. Between the sessions, a practical conference was led by the executive secretary which will bear fruit.

The WMU Field Worker has been continuously on the field, holding methods conferences, teaching the Leadership Course for counselors, speaking at rallies, teaching mission study books, strengthening organizations. She wrote the Junior State Mission Program.

The office secretary has been faithful and untiring in dispatching the work in the office which includes bookkeeping on the little special funds of WMU. In the six months the typist has changed the third time because funds have been insufficient to secure a responsible, capable worker.

The task is large, the work is the Lord's, the field is wide open for advancement, the women and young people on the whole are ready to shoulder responsibility, our state officers and state chairmen are of a mind to work. With His help they "Go Forward!"

Respectfully submitted,
Margaret Hutchison

82. Rev. Joe Wilhelm, Tulsa, brought the "Report on Memorials" and motion carried for its adoption. Rev. G. R. Naylor, pioneer and venerable pastor and missionary, after a period of silent prayer, led in public prayer of thanks to God for those who have passed on to their heavenly home.

Our Beloved Dead

The members of this convention regard it a high privilege to pause in the midst of pressing business to pay tribute to our brothers and sisters in Christ Jesus who have fallen under the weight of years and responsibilities since we last met.

We come with flowers in our hands and sadness in our hearts to mourn the loss of those whom we loved so well.

We come with laughter in our eyes and a song in our hearts to rejoice together in the promotion of God's faithful servants who

wrought well in this world of sorrow and are now rewarded for their loyal love and generous devotion by the King of Kings and Lord of Lords.

Towering monuments of steel and stone are at their best of brief duration. But the towering monuments of Christian character so beautifully exemplified in the lives of our friends and brethren will stand as beacon lights to guide men in the way of life long after the towers of steel and stone have crumbled into dust.

They possessed an unwavering faith in the fundamental truths of the eternal God.

They possessed a blessed hope in better things to come in larger realms of activity.

This unwavering faith and blessed hope was sealed and made eternally secure by the blending of the highest affections with infinite love.

Weariness and pain have joined hands to make our days heavy and burdensome, but God in loving mercy and with unerring wisdom has intervened to bring much deserved rest to the faithful servants making their way along the rough road of life to the Celestial City.

Blessed are the dead who die in the Lord.

Blessed! for sorrow has been exchanged for joy.

Blessed! for toil has been exchanged for rest.

Blessed! for sin has been exchanged for holiness.

With inexpressible joy and rejoicing we join with Jude and say: "Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever. Amen.

Respectfully submitted,
M. F. Ewton

83. Dr. M. E. Ramay, Edmond, introduced a proposal to change the Constitution, serving notice that it would be presented to next annual meeting of the convention.

Resolution to Amend Constitution

Whereas, there is a great danger threatening the cause of Christ as sponsored by Southern Baptists through the years, namely, a growing liberalism in some of the doctrines held dear by us, and

Whereas, this liberalism is growing and spreading until it is coming dangerously near to Oklahoma and is likely to become an ever increasing problem in our midst, and

Whereas, about all a group would have to do now, according to our present constitution, to be seated in the deliberations of this body, would be to call themselves Baptists and send a contribution to the work of the convention, and

Whereas, this departure from the faith which we believe to be a departure from the plain teachings of the Word of God, is the acceptance of alien immersion, the practice of open communion and affiliation with the Federal Council or World Council of Churches or similar organizations, and

Whereas, we have no right to make a creedal statement to

which any church must subscribe, but we do have a right to have a voice as to who shall have a voice in the deliberations of this body, and

Whereas, a recent survey shows that approximately five per cent of the churches affiliating with Southern Baptists now accept alien immersion and practice open communion, thus discarding the sacred ordinances as Christ gave them to the church, and, though we do not believe the ordinances save the soul, they do have the truth that saves the soul, provided they are Scripturally kept and observed. We specify these departures here because such departures are usually followed by other departures.

Therefore, be it resolved that Article II — Constituency, be amended to read as follows:

1. This body shall be composed of messengers elected by Baptist churches that are sound in faith and practice and cooperating with and contributing to the work of this convention.

2. The words "sound in faith and practice" shall be interpreted to mean, in part, that any church that practices the acceptance of alien immersion, open communion or affiliates with the Federal Council, The World Council of Churches, with any similar organization or with any organization growing out of either, shall not be seated as messengers in this convention.

3. Messengers from any church that is not in cooperation with the local association shall be seated in this convention only by a majority vote of the Convention after its organization.

4. Each church shall be entitled to three messengers for every fifty members, provided that no church shall have more than ten messengers.

TUESDAY EVENING

Since this was a joint session with the General Convention, the meeting was called to order by Dr. Harold K. Graves, president of the Baptist General Convention of Oklahoma, at 7 o'clock.

Mr. Ira Prosser led the congregation in the singing of, "Stand Up For Jesus" and "Rescue the Perishing."

The Oklahoma Baptist University Glee Club, Mr. Jack Lyall directing, sang, "Come Gracious Spirit," by John Sebastian Bach.

The worship period was conducted by Dr. John Newport, Tulsa, who read from Romans 7. Dr. Newport led in prayer.

The report of the committee on Foreign Missions was given by Rev. Joe Baker of Idabel.

Dr. Graves presented the gavel to Mrs. M. S. Whitehead who presided during the remainder of the program.

Under the subject of, "Leading Into Missions," Miss Abbie Green was introduced. She spoke briefly on the missionary education of young people and presented Mr. J. I. Bishop, South-wide Royal Ambassador Secretary. Mr. Bishop presided during the Royal Ambassador Recognition Service.

Some thirty-eight boys of rank in Royal Ambassador work from eight Oklahoma Baptist Churches participated in a beautifully designed pageant.

Mr. Ray Evans, Muskogee, sang, "Follow the Gleam." The Treble Tones, Girls Glee Club of Oklahoma Baptist University made its first official appearance outside of Shawnee. Directed by Jack

Lyall, the girls sang, "Lift Thine Eyes," "I Couldn't Hear Nobody Pray," and Carl Mueller's, "We Praise Thee Oh God."

The hymn, "Higher Ground" was sung.

Dr. Everett Gill, Jr., Secretary for Latin America under the Foreign Mission Board, spoke on the subject, "Advance."

Rev. Edgar Hallock, missionary to Brazil, led the closing prayer.

Thus the 43rd annual session of the Baptist Woman's Missionary Union of Oklahoma was adjourned.

CHARGED WITH THE TELLING

Message of the President, Mrs. M. S. Whitehead

Since the purposes of Woman's Missionary Union have remained unchanged from its beginning, so the watchword for a given year will stress anew witnessing for our Christ. It is interesting to note the many ways we can find in God's Word to express essentially the same meaning.

As we learn our watchword for 1949, let us identify ourselves with its message from the first reading. I quote from 1 Cor. 3:9 (our permanent watchword) and from Psalm 145:12 (the watchword for 1949)—"Laborers together with God — To make known to the sons of men His mighty acts, and the glory of the majesty of His Kingdom."

To make this verse ours we must first believe that God meant it for us. We find ample reason to believe that we as Christian women have a witness to bear. We read in the resurrection story that it was to a group of seeking women that the angel said, "Go quickly, and tell."

That charge has not been revoked. Instead as the privileges and blessings we have received have multiplied so have our responsibilities and opportunities.

I read in Luke 8:1-3 — "and the twelve were with him. And **certain women** which had been healed of evil spirits and infirmities, Mary, called Magdalene, out of whom went seven devils, and Joanna, the wife of Chuza, Herod's servant, and Suzanna, and many others, which **ministered** unto him of their substance."

Nell Warren Outlaw in her book, **And Certain Women**, reminds us of the marvelous grace of our Lord, that he was content to be cared for in this way. We are asked to note that nowhere in any of the Gospel narratives is there record of any woman ever being hostile to him. "Who can estimate," Mrs. Outlaw asks, "how far the gifts and sacrifices of those grateful women went in establishing the gospel, or how much throughout the ensuing ages other such gifts and sacrifices of other women, just as faithful and just as grateful have made possible the proclaiming of the good news to the ends of the earth."

So we can say that we are "To make known to the sons of men His mighty acts, and the glory of the majesty of His Kingdom."

Do we sometimes forget in the multitudinous little things we do

the **glory** and the **majesty** of His Kingdom? Each small service we do is not an end in itself but that the larger goal of the spreading of His Kingdom may come to pass. We lift our eyes to the wondrous glory and the mighty majesty of the God we serve — and in gratitude and with zeal consecrate all our powers to the charge of making Him known to the sons of men. We sing, "We've a Story to **Tell** to the Nations; "O Zion, haste, thy Missions high fulfilling to **tell** to all the world that God is love." We read Christ's words: "O righteous Father, the **world** hath not known thee." It is the whole world that needs to know of One who can redeem man from his sins.

A missionary to India says that one soon learns the meaning of "Sanga, sanga" — "Tell me, tell me" — as hungry hearts beg to be told more of the Christ who loves and saves.

Two Japanese women were given some gospel tracts by a missionary, and were told that these tracts contained a message from the true and living God, promising them pardon and peace through his Son, and a glorious hope for the future. One of them ran after the missionary waving the gospel tract, asking with tears in her eyes, "Is it true? Is it true?" Her cry is symbolic of all those who long to know the news that is ours to tell.

When we think of **how** we make known His mighty acts we realize that first of all we must witness in our personal living. "Have you heard the Gospel?" a missionary asked a Chinese. "No," was the reply, "but I have **seen** it" — and then told of the changed life of one who had become a follower of Christ. We too must show by our living that we may rightly be called Christian.

When we think of how our telling may be multiplied through Woman's Missionary Union. Here, as in its beginning, misson-minded women join hearts and hands, prayers, and gifts — to make possible witnessing we could not do alone. God has blessed our organization and through it we believe we can render a definite service as organized women. Since its inception in 1888 it has had a world outlook evidenced in its objects and aims. Years have brought no change in our missionary aims. We realize that God can use us to meet basic needs with the same fundamental truths of times past. If we lag in missionary zeal, fail in missionary interest and giving, we have lost our reason for being. We must ever have the missionary emphasis in our prayers, in our service to others, in our study, in our giving, and in the education of our young people into mission-minded youth. In all we do, the deciding factor as to our real usefulness will rest in our heart's devotion and faithfulness. So let us not grow weary and slack in well-doing for thus we shall reap for our Master.

Miss Kathleen Mallory has said, "I love Woman's Missionary Union better than my life" — looking beyond the organization, of course, to the use God has made of the Union in His Kingdom. In her last official report Miss Mallory gives credit to the training she has had in the Union that has made her want to be a better soul-winner for her Lord. Her missionary zeal has never lagged in the thirty-six years of devoted service as leader of Woman's Missionary Union. How appropriate are the words of dedication to Miss Mallory by Jacob Gartenhaus of the book, **What of the Jews?** They read

Dedicated
to
Miss Kathleen Mallory
Whose wisdom has guided
Whose zeal has inspired
Whose love has comforted
Whose vision has challenged
Whose life has blessed
Missionaries Everywhere.

We cannot claim such tribute but we do know that earnest conscientious effort on the part of many women has accomplished much through the years that would not otherwise have been done.

We wish the account in Luke might have said, "All women . . . ministered unto him," but instead it was "certain women." So it is today. Only certain women care to invest their powers and abilities in missionary endeavor.

A well-known Chinese proverb says, "To know is easy; to act is difficult." Yet Christ taught us to pray "Thy will be **done**." Paul said, "This one thing I **do**."

Then we have no alternative. We must "Go Tell" and that quickly, by word and deed, through gifts and prayers.

May we solemnly reaffirm our belief that we as women are also charged with the telling. "A charge to keep I have, A God to glorify."

"O for a Thousand Tongues —
To make known to the sons of men
His mighty acts and the glory of the
majesty of His Kingdom."

REPORT OF THE WOMAN'S MISSIONARY UNION TRAINING SCHOOL

In President Littlejohn's report on the Commencement in May last we find that the Woman's Missionary Union Training School graduated its largest class to date — 78 young women. A further statement showed that fourteen members of this graduating class were appointed as foreign missionaries at the April meeting of the Foreign Mission Board, and in addition three former students were appointed by the same board. Thus we have a wonderful new group from the school to carry forward the cause of missions across the seas.

One hundred and ninety-one are enrolled for the first term this Fall. You will be interested in knowing that in this group we have our second student to come to us directly from Japan; our own Emily Jean Goon is there. She is the Chinese student who was graduated from Oklahoma Baptist University this past summer. Another student is from Hawaii, in her Senior year; and another Chinese student from Shanghai. Dorris Rippey, our one Scholarship student last year, married a Seminary graduate in June and did not return this Fall.

Oklahoma has four students in the Training School this year. They are —

Ruth O'Dell, Senior, of Tulsa and Missouri

Betty Jane Brown, Junior, Oklahoma City

Emily Jean Goon, Junior, Oklahoma City

Fannecitta Bomar, Junior of Ardmore.

The first three named are your scholarship students. Already word comes regarding each of the four that makes us very happy that they represent our state at the school.

Miss O'Dell, our senior this year, has an important place this Fall in the life of the School as a student officer, — Chairman Of the Religious Council. Last year, and this as well, her lovely music has endeared her to the entire faculty and student body. She was not on scholarship last year, but our Scholarship Committee was happy to grant her one this year. In acknowledging her scholarship she said "There is no way adequately to thank you for the scholarship. I regard it as a trust which I dare not fail as each day it affords me the privilege of continuing my training." I feel she voices the feelings of the other students on scholarships.

Surely we can look for great things from our four Oklahoma students who are proving so sincere in their work and are so intensely interested in the onward going of the Kingdom at home and around the world.

Respectfully submitted,

Mrs. J. C. Hering, Trustee for Oklahoma

REPORT OF NEW ORLEANS SEMINARY AND TRAINING SCHOOL

We are going forward in our New Orleans Seminary which has been called so often the School of Providence and Prayer.

Ground breaking ceremonies for the ten million dollar building program were held July 1st, 1948 on the 75-acre campus. On completion the new seminary plant will comprise 43 buildings.

Dr. Leavell, president, reports soon construction will begin on our first buildings. These will be four apartment buildings to house 50 married students and their families. These will cost \$750,000; \$550,000 of this amount is in sight. The remaining \$200,000 is our greatest financial need at the present.

This year we have the largest enrolment in the history of the school for this time of the year. That number is 335. One of that group is our Oklahoma scholarship girl, Miss Edith Ann Smith.

Dr. Leavell says, "The aim of our school is to send out spiritually-minded, soul-winning Christian workers and evangelistic preachers.

Mrs. Albert McClellan

REPORT FROM SOUTHWESTERN TRAINING SCHOOL

Mrs. Berta K. Spooner

If we consider the needs of our broken world today and realize the many doors for the gospel of Christ Jesus, Woman's Missionary

Union will "go forward" in giving special religious training to our young people.

Southwestern Seminary opened its sessions this fall with a student body of more than 1,100. There are 163 single young women in the Training School this year. Among these are 32 volunteers for foreign missions and 7 for home missions. Sixty-three of these girls are on scholarships, and Oklahoma W.M.U. has given two; for Virginia Highfill of Spiro and Mary Jo Lewis of Bartlesville. Virginia worked with our W.M.U. Department the past summer and I trust many of you had the joy of knowing her personally. To be sure we expect Texas to lead with the largest number with 37 girls enrolled; Georgia has 12; South Carolina and Alabama have 10 each; Kentucky and Oklahoma 5 each, with others coming from various states in smaller numbers. We also have a young woman from China and a young woman from Brazil. Dr. Barnard says, "They all seem to be the same consecrated girls as usual, and give real promise for the future."

May we pray for the young people in training, remembering especially the five splendid young women from Oklahoma — Virginia Highfill, Exie Searight, Mary Jo Lewis, Mary Frances Holman, and Sarah Rutherford.

MARGARET FUND REPORT

It was many, many years ago that Southern Baptist Women dreamed a memorial education fund into being. Lovingly known as the Margaret Fund, it has provided educational scholarships and other financial aid to the children of both our foreign and home missionaries. There can be no tangible evaluation on the tremendous scope and influence of such a movement over a period of several college generations; for it has been proved that such scholarships represent, not only a college course, but a life course, which expresses itself in world consciousness.

Oklahoma Baptist University is proud indeed of our two Margaret Fund students. Charlotte Arpaio, Junior from Krebs, Oklahoma, is the daughter of the late Home Missionary to the Italian people near McAlester. Upon graduation from OBU, Charlotte plans to attend Southwestern Baptist Theological Seminary in Ft. Worth. She dreams of foreign missions.

Eugene Craighead, our "diplomat" of the campus, is the son of the well-known Craigheads of European missions. Much of Eugene's education was received abroad, giving him the advantage of a fine linguistic background. His heart is in the missions program and we look forward with him to a career of Christianity — flavored with government service.

Oklahoma Baptist women have been thoughtful and most generous in their gifts to Margaret Fund. With a balance on hand January 1, 1948, of \$605.75. The receipts for the year to Nov. 1 — \$103.22 — a total of \$708.97. Through Southern W.M.U. for Burney gifts, there has been disbursement of \$300.00, leaving balance as of this date \$408.97. Add to this countless thoughtful remembrances of Oklahoma women.

This report is respectfully submitted to you, with every good wish for our work — remembering the dream we share "that all my know."

REPORT OF W.M.U. WORKER AMONG THE INDIANS

"God's word commands that we go forward
Tho' forward means the rolling sea,
But e'er we step into the torrent
Before our feet — the waves will flee."

When one really loves God and has realized the glory of being a "Laborer together with God" in building the Kingdom eternal, she is ever seeking new ways and means of being a better Kingdom Builder.

So along with their other missionary endeavors the Woman's Missionary Union of Oklahoma included mission work among the Indian women of Muskogee, Seminole, Wichita Association. Notwithstanding the handicaps that have been ours this year, the Indian women have marched forward to the call of their Master to:

Go work — in every vineyard. They have organized work in their churches of association 28 societies including four mission fields, four rallies were held giving missionary information and chief aims of W.M.U. plan of work, chairmen of departments taking part.

Go teach — others to observe all things. Mission study classes were held in groups, 19 societies represented, 150 women attended, other classes in individual churches, assembly S. school and T.U. convention and association Vacation Bible Schools, and annual Associational meeting.

To Study — to show thyself approved unto God. Two Bible conferences two days each are held each year. Bible doctrines are taught. Systematic Bible Study is carried on in most churches and societies.

To Pray — thy will be done not mine. Days of prayer and fasting. One each month in every society. Seasons of prayer are being observed as is the calendar of prayer.

To Give — as God has given unto you. An increase in the number of tithers. Two societies are 100% in tithers and gifts to Unified Budget and offerings to missions have increased.

To Train — the young people through assembly at Falls Creek. Many of our young people surrendered for definite work. At associational meeting classes for auxiliaries, training union and Sunday School convention. Classes in mission were taught. Classes in church doctrines. It has been said "Every woman in the Woman's Missionary Society will not ever be realized until we begin with every child in missionary training. How grateful we are for some missionary societies that really foster. We have one full graded family and one with three auxiliaries.

There are twenty-eight societies all reporting at their annual meeting and all had met their apportionments. Over 400 attended association. Two of our girls, Lucile Stidham and Betty Compton, are at O.B.U. this year having been awarded a scholarship. Another,

Bertie Compton, is in training in Hillcrest Hospital in Tulsa. They have surrendered to definite work as have some of the fine young men committed themselves and want to go on for more training. I have spent seventy-three days on the field, made forty-nine talks, taught twenty-one study classes, nine Sunday School classes, twenty-nine conferences, assisted in two Vacation Bible Schools, attended association, managing Board Sessions, Training Union Convention.

But these figures do not tell of the consecrated Christian women who shared their homes and the beautiful spirit of cooperation that made our visits to the societies possible. And in the years to come may they be more alert, zealous and eager to accept every opportunity to serve our Master and obey the command to go forward. The year may be full and busy but will be rich with God's presence and blessings.

Respectfully submitted,
Mrs. T. W. Stevens

REPORT OF THE W.M.U. FIELD WORKER

Miss Martha Thomas Ellis

Christmas of 1940 brought the war between Britain and Germany into South American waters. After a furious battle, Hitler ordered the raising of one of his largest battleships, the Von Graf Spee. The young sailors were held in Montevideo and Buenos Aires by the Uruguayan and Argentine government. Though I knew little German, I longed to help those confused, harassed young men so far from home and all they held dear.

So, when the five German girls in our W.M.U. Training School begged me to accompany them to the New Year's services in the German Lutheran Church in honor of the young sailors, I was happy to do so. I did not understand much of what was said, but one phrase in the sermon kept repeating itself again and again as the young Argentine-German preacher spoke. It was: 'Forward with God in the New Year!' As we left the service, we were distressed by the confused faces of the boys from Germany and we felt that they did not understand what the young preacher had tried to tell them.

'GO FORWARD!' . . . 'Forward with God! WE KNOW the meaning of those words. As we have labored together with God in Oklahoma this year, that is exactly what we have striven to do. As we make our plans for the new year, we shall strive even more earnestly to go forward with God and for God . . . not only here at home but to the very ends of the earth.

As we plan to 'Go Forward' in the New Year, we must first **Enlarge the Borders of our Understanding** by taking a backward look at some facts and figures concerning our work. In Oklahoma, we have around 1020 Baptist churches. Of that number 373 churches have **absolutely** no missionary organization of any kind. Let us think of these as 'blacked-out' churches for they have no doors or windows sending forth bright rays of missionary information or inspiration and their gifts to mission causes are small. There are 267 churches with only a Missionary Society. . . . these offer no missionary educa-

tion for their young people at all. They are growing, they have a door that sends out some rays of missionary light but they are a rather pale, sickly green. They are not strong and vigorous or they would have bright windows for their young people's organizations if they were. If we consider the hand . . . four fingers for the young people's organizations and the thumb for the W.M.S. . . . these societies are just a selfish 'sore thumb.' There are some strong, healthy, brightly lighted churches in Oklahoma, however. These are the 380 churches with door and windows aglow . . . our W.M.U.'s in local churches. We have 397 Girls' Auxiliaries, 233 Sunbeam Bands, 182 Royal Ambassador Chapters and 124 Young Woman's Auxiliaries in our state. The loveliest, the most brightly lighted churches and those that shed their light abroad into a sin-sick, darkened world in a more glorious way than the others are our churches with a full-graded W.M.U. Oklahoma proudly claims 114 churches with full-graded Unions.

Small churches representing each of our 36 associations are on display in the W.M.U. Exhibit Room. We trust that you will visit our display and study the situation revealed by the church representing your own association. Is it too much to hope that in 1949 we shall have, not 647 Missionary Societies as this year's reports reveal but 1020 Missionary Societies with no 'black-out' churches? Is it necessary to have any 'sore thumbs' next year?

Of course, it may not always be possible to have all the auxiliaries, but surely each church can have a Missionary Society, a Sunbeam Band and one other junior organization in the year ahead!

Your Field Worker is ready and anxious to help you change the picture . . . but she cannot come unless she is invited. If you need her help as a local church or as an association, call upon her and she will consider it a privilege to help in whatever way she can.

**REPORT OF THE EXECUTIVE
SECRETARY-TREASURER****Our Woman's Missionary Union Advance in 1948**

Just as the young bugler, when given the command to sound retreat, sounded the charge to advance, because he said, "I did not know how to sound a retreat;" so Woman's Missionary Union knows now and has from her very incipency sixty years ago known only the charge, "Go Forward!" This charge has been sounded in tiny one-room church houses on country lanes, from the president's chair in churches in towns and villages, and from the platform in immense municipal auditoriums of great Southern cities, to groups of women gathered for the cause of missions, "Go Forward!"

From the small beginnings of uniting scattered missionary groups of women and children, there has been a steady perfecting of a strong missionary organization. This organization is as a great train running on two rails of one track-missionary education and missionary giving: missionary education as provided through missionary meetings, missionary magazines, and missionary books; missionary giving as expressed through giving of money, time, and self to the cause of missions. The train may have passed from the smokey, cinder-scattering coal engine with its out moded train of coaches to the streamlined Diesel engine with its commodious, air-conditioned, beautiful long line of Pullman cars; but take notice it still runs on the two rails of one track: missionary education and missionary giving! Note, too, that her direction is ever "Forward!"

Since this is a report of work of Woman's Missionary Union of Oklahoma, I must not be tempted to deal with the advance of Southern Woman's Missionary Union, but must leave that to others while I center your attention on the advance of our state organization for the year 1948. There has been advancement, definite advancement. And though changes have occurred (such changes as both your secretaries in the state and in the South), and with changes almost invariably comes retardment; and without the least desire for comparisons, we joyfully bring this record of twelve months advancement, humbly grateful for the faithful heeding of the charge of yesteryears, "Go Forward."

The Forward Tread of Thousands for Missions

Woman's Missinoary Union of Oklahoma is composed of 647 societies and 930 young people's auxiliaries at the close of 1948. These 647 societies are divided into 1,153 circles, of which 106 are Business Woman's Circles, and list 20,714 members (19,184 actually reported, the rest is a small estimate for those few societies that did not report or reported late). Adding the 12,601 membership of the young people's auxiliaries, gives the grand total of 1577 missionary organ-

izations with a membership of 33,315 in Oklahoma. There are in our churches 114 Full Graded Unions. Associational officers are determined to change this picture for the better, using the poster of churches with doors and windows representative of the societies and auxiliaries. Our best quarter for new organizations and new members is the present one. October is enlistment month. The last quarter is excellent for extension.

There were 63 new societies organized during the year, 21 more than for the twelve months of 1947. New auxiliaries number 166. Northeastern Association receives the highest honor with ten new societies. Latimer and Oklahoma County Associations each reported eight new societies. Pittsburg reported seven, while Atoka had five. Perry and Panhandle Associations had three new societies each. These associations had two new ones each; Bryan, Central, Creek, Kay, Salt Fork, Tillman, Tulsa-Rogers, and Union. Beckham, Concord-Kiowa, Enon, Mullins, Muskogee, and Northwest Associations each had one new W. M. S. This means that while 21 associations had at least one new society, there were 16 that had not one.

To the associational presidents, with their young people's directors and other associational officers, goes due honor for this and other records. An unprecedented record of reporting has been made; 35 associational WMU reports came in the first quarter, 34 the second, 36 the third and 36 the fourth. The third and fourth quarters were 100%! Really, since this thirty-sixth association is not yet organized, but is on its way, we can boast that only one associational president failed to report one quarter -----100% otherwise. Such a record we must maintain with diligence. These associational reports are compilations of societies' and auxiliaries' work throughout the state; hence this report brings to you the work of those organizations as gathered in for compilation first in the associations, and then in the state. This is your record of which you may be justly proud.

Since the work of the missionary organizations is measured by a Standard of Excellence for the calendar year, we greet these for quality of work done yet this year by that gauge. This year 33 societies were acclaimed to be A-1 and 56 auxiliaries were A-1. The two unions in our state that did the outstanding work that accorded them the right to the rare title, Full Graded A-1 Union, in 1948 are: Amber, First, and Durant, Calvary.

Training Grounds for Advancement

For there to be missionary expression there must be missionary impressions. To heed the challenge to "Go Forward" in missions, Oklahoma Woman's Missionary Union has many special avenues for training and instruction, besides the regular ones.

Regular Missionary Program Meetings

Regular missionary program meetings, monthly, semi-monthly, or weekly gather together a fair percent of the total membership of the societies and auxiliaries to disseminate missionary information. Southern Union, through her Editorial Secretary, Miss Juliette Mather, provides our organizations with four graded missionary magazines. At the end of 1948 there were 6,485 subscriptions in Okla-

homa to Royal Service. Reports show 3,421 subscriptions to the Commission, 3,256 to Southern Baptist Home Missions, and 14,575 to the Baptist Messenger.

Mission Study

For further dissemination of missionary information our women and young people study mission books provided by our two Southern Baptists mission boards and other sources. The Home Missions series, Baptist Frontiers, proved most popular, more widely used than any series yet. Missionary societies reported for the twelve months, 3,210 mission study classes with an enrolment of 31,267 (the same women in some classes.) A total of 11,552 women this year have read at least one mission book.

State Mission Study Institute

A State Mission Study Institute was held at First Baptist Church in Oklahoma City with only five or six from the each of the 36 associations expected to attend. The purpose was to teach mission teachers how to teach the new foreign mission series on China. Thirty-two of the 36 associations sent representatives, a total of 198 present. Five teachers presented teaching plans for the five grades of books, under handicap because neither the Sunbeam nor YWA book had ever appeared, the Intermediate book coming from the press just a few days prior to the institute. However, China and teaching plans were presented with the expectation that each association would in turn hold an associational mission study institute, using as teachers the ones who attended this state institute. To date incomplete reports show that 17 associations have held their institute with 1,011 teachers attending from 157 churches.

"One man sings, a hundred take up the song."

So we see already a 5 fold increase in people reached. We await the returns from these teachers returning to their own missionary organizations to teach the books. How many fold will be the reach into our entire constituency? Truly, this was a real forward move for the cause of missions that will continue to reap results in years to come.

Associational W.M.U. Meetings

Most of the associations hold regular quarterly WMU meetings, with most of these using the specially prepared young people's program for their July rally. The state WMU provided a missionary speaker for seventeen of the 25 associational rallies held, some of which were young people's rallies entirely. Registered at these 25 rallies were 2,842 people. There are two Associational Business Woman's Circle Federations in Oklahoma; one in Oklahoma City which meets quarterly, the other in Tulsa, organized this year by our state BWC Chairman. We look forward in our plans to many more BWC Federations, every Associational WMU meeting in quarterly rallies, more Associational YWA and GA Councils, and Royal Ambassador Conclaves.

District W.M.U. Meetings

In April, the fourteen district unions led by their district presidents held their annual meetings. The new executive secretary and

the two missionary speakers, Rev. J. E. Jackson of China and Miss Irene Chambers of the Home Board, and Mr. Jerome Zickrick of OBU made the rounds except for the Panhandle where Mrs. H. C. Grimmitt and Miss Martha Thomas Ellis served as the missionary speakers. There was real advancement in attendance at these meetings. Registered were 2,694 from 310 societies. The Pioneer Woman with her Book, her bundle, and her boy, served as a challenge to women of Oklahoma to "Go Forward!"

Camps and Assemblies

Though Miss Green will report in full the State Auxiliary Camps, and since she did not enter the work until June first, it was your executive secretary's privilege and duty to supply missionary speakers for all camps and assemblies as well as the rallies. Thirteen missionary speakers were furnished thirteen associational camps in which 1,172 young people enrolled; seven missionary speakers for three assemblies other than Falls Creek, namely, Lugert, Kiamichi, and the State Indian Assembly, in which assemblies were enrolled 1,332. State auxiliary camps reached 1,264.

More classes with many more enrolled in missions than ever before were provided at the State Assembly at Falls Creek. The eighteen classes enrolled 1,932 people. The teachers to whom we are grateful are: Dr. C. DeWitt Matthews, Misses Martha Thomas Ellis, Abbie Louise Green, Peggy Pemble, Mary Ruth McCully, Virginia Highfill, Zilda Silva, Grace Hampton, and your executive secretary; Mesdames Karl Moore, J. D. Sapp, C. A. Weintz, W. S. Brown, and H. O. Weaver; Rev. Milo Arbuckle, J. P. Dane, V. L. McGlocklin, and Mr. Victor Kaneubbe.

Woman's Missionary Union in charge of Missionary Day at the state assembly presented missions through three missionary speakers, climaxed by a stirring message by Rev. Grady C. Cothen.

Marked Increases in All Summer Activities

Oklahoma WMU reached 13,542 people, (including the 5000 on Missionary Day at the State Assembly), in 49 different camps, assemblies, and rallies with missionary speakers provided by the Union. In every instance the attendance at all these meetings as well as the number of meetings exceeded that of last year. Who can ever estimate the results of this service of our Union, for souls were saved, young people volunteered for mission service, and a love for missions was engendered in the hearts of these thousands of hearers! Surely this is good ground from which the Kingdom will reap a harvest for years to come.

Southwide Mission Opportunities

Consider the encouragement and the fellowship suggested by the middle word of our Woman's Missionary Union watchword, "together"! Oklahoma found her place right along with other states in all South-wide gatherings. We registered our full delegation allowance of sixty for the Sixtieth Anniversary Meeting of Southern WMU held in Memphis in May, one of only eight such states.

Miss Green took a bus-load of forty-one to Ridgcrest for the Southwide YWA Camp, and Oklahoma was represented at the

Young Men's Missionary Conference at Ridgecrest by Rev. Judson Cook and three Royal Ambassadors.

Twenty-two Oklahoma women went by chartered bus to Ridgecrest for the WMU-BWC Week. Inspiration from these contacts with Southern WMU leaders will give a real impetus to our advancement in Oklahoma.

The Inevitable Advance by Stewardship

Streamers at conventions, posters in our churches, articles in our Baptist paper, and programs in our mission magazines sound forth a challenge thus: **"Every Baptist a Tither,"** and **Fifty Fifty by 1950."** How can we fail to heed such a charge to "Go Forward?" They and the work of our stewardship chairmen, state, associational, and local, are bound to bring results.

In 1948 6,405 women and 1,961 young people were reported as tithers. That is fewer by 81 women as reported for 1947.

GRAND TOTAL GIFTS FOR MISSIONARY	
CAUSES JANUARY THROUGH	
DECEMBER -----	\$522,379.28

Of this amount \$2,787.65, without their Unified Budget gifts, was contributed by our young people.

Your W.M.U. work has been carried on with the apportionment from the Executive Board of the General Baptist Convention, that amount being \$15,000.00. We are glad to be a child of the convention and receive this support from this source.

The State Mission Offering ingathered in 1948 totaled \$14,926.98; our W.M.U. share of this amount being \$7,463.49, one-half the total after expenses of the offering had been deducted. For your informa-

tion and encouragement, I list some of the expenditures from this fund.

It is my happy privilege as your treasurer to give further report on expenditures of your funds. On your behalf, I presented the check for \$2,000.00 out of the March season of prayer receipts to the president of the Negro Woman's Convention in their annual state board meeting. This amount is to apply on the Baptist School of Religion building near Langston University.

Since there was a large balance in the Nursery Fund, an accumulation of many years, and since the University Baptist Church, Shawnee, has generously provided the nursery space through the years for children of OBU students, especially of ministerial students so their wives might avail themselves of the university course, \$2,000.00 of this surplus has been given this church to aid in the furnishings for their new nursery building. The plan will continue that this new nursery will care for children of OBU students with the WMU continuing its share of the salary for the worker.

Miss Emily Goon, our lovely adopted daughter from China, at the end of three and a half years as the recipient of our Foreign Student Fund, was graduated from Oklahoma Baptist University and now is attending the Woman's Missionary Union Training School in Louisville, Ky. To Mrs. Z. K. Chang in North China, we sent \$100.00 from the Foreign Student Fund, to assist in getting her to this country to attend the Southwestern Seminary in Fort Worth. At the present we have no foreign student to benefit from this fund.

The March of Missions in the Community

While we pray and contribute to the mission work in areas beyond our own doors, Woman's Missionary Union ever seeks to call her membership to "look upon the fields white unto harvest" at our very thresholds. Whereas state, home, and foreign mission work is done through others whom we support, the mission witnesses within the bounds of our own associations must be the W.M.U. women and young people, themselves. A total of 9,850 women in 310 societies,

reported actively engaged in community missions. Souls won as a result of these community missions activities numbered 1,301. One thousand eighty-seven family altars were maintained.

Feeling that this field of community missions is one of the ripest fields for cultivation, we are planning for a Statewide Community Missions Conference for the fall of 1949. Though our figures are somewhat larger than those of 1947, we are far from satisfied with this phase of our work and call our women to a re-study of the Guide to Community Missions, with the definite purpose of carrying out its suggestions.

Our Advance on Our Knees

Realizing that the Kingdom's advancement reaches farther and faster as we spend time on our knees in prayer and seeking to make real the last part of our W.M.U. watchword, "with God," Woman's Missionary Union observes three seasons of prayer each year. Women and young people of Oklahoma last March observed the Home Mission Season of prayer and toward the Annie Armstrong Offering for Home Missions contributed \$25,984.62 and \$2,000.00 for the Baptist School of Religion at Langston University. Although our goal was \$25,000.00 plus the \$2,000.00 which shows we missed our high goal by \$1,015.38, yet we must realize this gift was a marked increase over the offering during this season of prayer in 1947. It was \$19,171.25 including the \$2,000.00. This shows an amazing increase of \$6,813.37, which is a deal more than the increase in the goal!

Whereas the program material for the home and foreign mission seasons of prayer are provided our state by Southern W.M.U., it is necessary for our State Mission Programs to be prepared by us. Your two secretaries secured Mrs. Albert McClellan to write the YWA program, Mrs. J. D. Sapp, the Intermediate program, and Miss Martha Thomas Ellis to prepare the Junior program, while your executive secretary, herself, wrote the women's and the Sunbeam's programs. The Edna McMillan offering for state missions by the end of the year was \$15,063.18. Our goal was for \$15,000.00.

The goal for our Lottie Moon Offering for Foreign Missions was \$60,000.00. The year closed with \$3,000 in excess of this goal and many larger churches not yet having remitted their offerings.

Pressing Forward!

To know the forward looking plans and goals for 1949 of our Woman's Missionary Union you will look at the Recommendations of your Executive Board.

Every effort for missions throughout 1948 by women and young people of Oklahoma has been pressing forward toward the goal that "at the name of Jesus every knee shall bow" because "Jesus shall reign where'er the sun does his successive journeys run."

This report on the W.M.U Advance in 1948 has been made possible because of the multiplicity of loving, missionary services rendered by the membership and officers of societies and auxiliaries, by the cooperation and earnest efforts of associational officers and

chairmen, by the wise and understanding counsel of the Executive Board and Advisory Committee.

May I commend to you these, your loyal, untiring workers? Miss Abbie Louise Green, your Young People's Secretary, who came to this office June first, yet as you will see by her report has carried through magnificently the promotional work in missionary education of young people;

Miss Martha Thomas Ellis, your capable field worker, who traverses this state with head, heart, and hand full of helpful suggestions to W.M.U. leaders;

Miss Marjorie Keys, your office secretary and bookkeeper, who manages efficiently your State W.M.U. Office, sending literature by the piece or by the hundreds of packages, handling small funds with care; . . . and

Mrs. Harold Hightower, your office assistant, who in her cheerful way turns out work that satisfies and pleases;

Miss Virginia Highfill, Oklahoma Scholarship Student at Southwestern Seminary, was employed as our summer worker, serving efficiently. Her report is appended;

Miss Zilda Silva, Brazilian student in Southwestern, served our state from May 30 to August 18. A small honorarium was given to her. Her report also is appended.

Since this is God's work, not ours, since every little service we render in Woman's Missionary Union is fraught with great possibilities, we dare not undertake our part without His help. Let this be our prayer.

"Hear a prayer for courage . . . courage to face life's problems; courage to meet the unknown; courage to rise above the crowd and heed thy bidding:

"Hear a prayer for vision . . . vision of the wider horizon as of brotherhood and justice; a vision of high ideals of purity and love; and, through a rift in the clouds, a vision of Thee, the Source of all that is pure and noble;

"Hear a prayer for endurance . . . endurance in the face of storms, endurance over the sharp rocks and crags; endurance to keep on climbing to the end of life's trail."

Amen.—D.W.P.

REPORT OF YOUNG PEOPLE'S SECRETARY

Listen to the water mill all the live long day.
How the creaking of the wheel wears the hours away,
Lanquidly the water glides useless on, and still,
Never coming back again to that water mill.
And the proverb haunts my mind, like a spell that cast
The mill will never grind with the water that is passed.

Take the lesson to yourselves, loving hearts and true
Golden years are fleeting by, youth is fleeting too.
Try to make the most of life, lose no happy day;
Time will never bring again changes passed away
Leave no tender word unsaid, love while life shall last
The mill will never grind with the water that is passed.

Jesus said, "I must work the works of him that sent me while it is day; the night cometh when no man can work."

It is well for all of us to recall the language of the great apostle when he said, "Now is the accepted time; behold now is the day of salvation."

"Behold now is the day," this thought should be given to the children and young people of our time.

In the early morning of life, religious training should be given and impressed. As a member of Woman's Missionary Union one of our five fundamentals is missionary education of young people.

After having carefully checked our records for an accurate account of the number of young people's organizations I find we have 233 Sunbeam Bands with 4,342 children, 391 Girls' Auxiliaries with 4,659 members, 182 Royal Ambassador Chapters with 2,091 members,

and in the 124 Young Woman's Auxiliaries there are 1,509 young women. Total number of organizations 930 with a membership of 12,601.

There have been 37 new Sunbeam Bands, 62 G.A.'s, 33 R.A.'s and 34 Y.W.A.'s reported organized this year. Total of 166.

Through these missionary organizations young people are preparing for greater missionary service.

The worthy object of W.M.U. is to enlist women and young people in the practice of the following fundamentals: prayer, study of the missions and missionary education of young people.

Prayer is a link in the chain of preparation.

Prayer

The three Seasons of Prayer observed by the W.M.U. organizations are the Home, State and Foreign Mission Seasons of Prayer. Our young people are taught to pray and to give to missions. Four hundred sixteen young people's organizations observed the week of prayer for Home Missions. Two hundred forty-six observed the day of prayer for State Missions, and 338 organizations observed week of prayer for Foreign Missions.

Study

The second part of our worthy object is the study of the missionary message of the Bible and world missions.

There has never been a time in the history of Christianity, when there has been a greater demand for knowledge. Young people are alert and anxious to know more about our work at home and on the foreign fields. Not all can go or visit the foreign or home fields, but all can visit the fields through mission study. Knowledge brings vision, and vision produces interest in the work.

Sunbeam Bands reported 247 mission study classes, the R.A.'s 163 classes, the G.A.'s 550 and the Y.W.A.'s 120 mission study classes. Two thousand three hundred forty-nine young people received awards.

The study of world missions is made possible for the young people through their missionary magazines. Our state goal for "World Comrades" was 2,374, goal for "The Window of Y.W.A. 801, and goal for "Ambassador Life" 1,900. We surpassed our goal for "World Comrades" and "The Window of Y.W.A.

In their Forward Steps and Ranking System our young people learn much about our work. Please see that your young people do their very best when working on their steps and ranks. You as a counselor want them to do the highest type of work, work you will be proud of, and work they will be proud to display. All work for the Queen with Scepter and Queen Regent is to be sent in to me at the state office for approval. The same applies for the boys who are working on their rank of Ambassador Extraordinary and Ambassador Plenipotentiary.

Many of you have had lovely G.A. Coronation and Recognition Services and recognized your young people. I am glad you have done this.

Do you have a reviewing council for your Royal Ambassadors? If not select one right away because this will help your boys to do better work.

To help Royal Ambassador Chapters to do better work there are the new requirements for receiving the R.A. Chapter. We hope to have every R.A. Chapter in Oklahoma chartered by December 1948. We have 80 chapters who have received their charters.

In the youth of our churches lie the leaders of tomorrow. Our young people are enthusiastic and are ready to flow into a mold. To shape this power should be the paramount duty and opportunity of every church, every society, every leader, and every individual.

Community Missions

Assigned and directed community missions for the spiritually and physically needy is a channel of service for our young people. We want to teach our young people to help others, to win others to Christ. They will find happiness as they do this.

Our reports show 4,143 young people participating in community missions activities.

Gifts

Regular contributions through the Unified Budget, and the seasons of prayer offerings stimulates the missionary spirit in a wonderful manner. Our young people's organizations reported 1,604.18 given to the Annie Armstrong offering for Home Missions, \$752.96 to the Edna McMillan State Mission offering, and \$1,999.89 to the Lottie Moon Christmas offering.

Our reports reveal that there are 229 Sunbeam tithers, 1,021 G.A. members, 355 R.A. members and 356 Y.W.A. members who are tithers, making a total of 1,961 tithers.

Fostering

One of the most important phases of the object of Woman's Missionary Union is the missionary education of the young people, by fostering the W.M.U. Auxiliaries.

Good fostering of the auxiliaries usually results in A-1 organizations. Our reports show that 19 Sunbeam Bands reached their Standard of Excellence, 7 Royal Ambassador Chapters, 21 Girls' Auxiliaries and 3 Young Woman's Auxiliaries.

One of the most far reaching plans for fostering and stimulating the missionary spirit among the young people is the summer camping program. We had 41 young women to attend the southwide Y.W.A. Camp at Ridgecrest this year. We went in a chartered bus; going to Ridgecrest we stopped at the W.M.U. Training School, and on our return trip we stopped at the Cherokee Indian Reservation and the Sunday School building in Nashville, Tenn.

Three of our young men attended the Southwide Young Men's Mission Conference at Ridgecrest. Mr. Judson Cook, counselor, took the boys in his car. They reported a wonderful week of information and inspiration.

We held 4 state camps. The Jr. and Int. R.A. Camp at Falls Creek, Mr. J. I. Bishop, Southwide Royal Ambassador Secretary, was camp director. We had 365 boys enrolled, Y.W.A. Camp, Falls Creek with 101 enrolled, Junior G.A. Camp, Falls Creek with 479 enrolled, Int. G.A. Houseparty O.B.U. with 333 enrolled. Total enrolled in state camps 1,278.

Missionaries who served us at our camps were; Rev. and Mrs. Edgar Hallock, Brazil; Mrs. Elizabeth Escobedo, Texas; Rev. J. M. Godsoe, New Mexico; Rev. Pedro Hernandez, Texas; Mr. and Mrs. Walter McCollum, friends of our missionaries in Japan.

Our camp gifts amounted to \$228.64. This money was used to help furnish a room at the W.M.U. Training School in Brazil. Miss Dorine Hawkins, an Oklahoma girl and a missionary to Brazil, will occupy this room. The offering from the R.A. Camp was sent to the Cuba Ambassadors to help build cabins for their camp, and then a part of the offering from the G.A. Camp to Mrs. Escobedo to buy chairs for her kindergarten. Mrs. Escobedo works with the Mexican children in Texas.

Miss Vivian Cochran presided at the College Y.W.A. Convention at Stillwater in March. There were more than 100 Y.W.A.'s present from six colleges and two schools of nursing.

Another feature this year was the first State Ambassador Fellowship Supper and Recognition Service. This was held during our state convention in Muskogee. There were 313 R.A. boys and their counselors and pastors from thirty churches.

J. I. Bishop, Southern Union's Royal Ambassador secretary, presided over the recognition service in which 38 boys participated. There were 20 pages, 6 squires, 9 Knights, and 3 full ranking Ambassadors. This service thrilled all who were present.

REPORT OF STEWARDSHIP CHAIRMAN

"Go Forward On All Fronts"

That at the name of Jesus every knee shall bow — and that every tongue shall confess, that Jesus is Lord to the glory of God the Father.

Jesus said, "I came that they may have life and that they may have it more abundantly." To establish the reign of God on earth, Christ adopted a simple strategy. He taught men to teach others what they had learned from Him. He called them witnesses and expected them to witness in every day life as individuals and as groups to their belief in one God and one world.

As tax collectors, as tent makers, as servants in royal households or whatever means they made a living, they were to be Christian. Among the people who were pagan and those who knew God but ignored Him, these witnesses were "salt," "leaven," "light" and "hope." They were individual men and women who had life.

As single individuals, as family groups, as church groups, their lives witnessed with power and penetrated every social and geographical area of their world. But their world was not enough.

Jesus said there is a bigger world than the world in which an individual lives.

So the royal edict, His earthly ultimatum, was the marching orders given to His blood-bought followers as they should go forth to extend that kingdom to the uttermost parts of the earth.

How can they go except they be sent? The sending is as necessary as the going!

As Christ looks down from His exalted position at the right hand of God, this is what He sees according to the records of His stewards for the first three quarters of 1948 as they witness to others through the Woman's Missionary Union in the state of Oklahoma. He sees six associations making no report at all. Thirty associations report as follows: 25,184 women contributing to Unified Budget; 555 Stewardship Programs given; 225 Stewardship Books studied; 42 Stewardship Nights; 96 100% churches and 6,405 tithers.

Does this report make us feel that Christ's churches are intent upon their sublime mission? Far from it. The vast majority of Christians are neither going nor sending.

We have too few missionaries beyond our own borders. Harvest fields are white. Nations are calling, volunteers are pleading to go. About two-thirds of the world's people are waiting for the Water of Life. Christ looks and yearns and waits for His witnesses to obey.

What halts the progress of missions? Only one reason, Missions wait on Stewardship, and Stewardship waits on you and me.

"The voice of God is calling, its summons unto men;
As once He spoke in Zion, so now He speaks again.
Whom shall I send to succor, my people in their need?
Whom shall I send to loosen the bonds of lust and greed?

"I hear my people crying, in cot, in mine, in slum;
No field nor mart is silent, no city street is dumb.
I see my people falling in darkness and despair,
Whom shall I send to shatter the fetters which they bear?

"We heed, O Lord, thy summons, and answer 'Here are we!'
Send us upon thine errand, let us thy servants be.
Our strength is dust and ashes, our years a passing hour,
But Thou canst use our weakness, to magnify Thy power.

"From ease and pleasure save us, from pride of place absolve,
Purge us of low desires, lift us to high resolve;
Take us and make us holy, teach us Thy will and way,
Speak, and behold! we answer, Command, and we obey.' "

MISSION STUDY REPORT

Three score years ago our mothers brought forth in Southern Baptist Convention territory a new organization, conceived under the leadership of the Holy Spirit, and dedicated to the two-fold purpose of "distributing missionary information" and "raising money for missions."

A group of fearless women, under the leadership of Miss Armstrong whose indomitable spirit characterized every move, adopted a constitution which time has proven was a document of keen foresight. As the years have come and gone Woman's Missionary Union has stabilized its organization and broadened the scope of its work. In 1907 the Mission Study classes with courses and seals became a definite department of work. This was not the beginning of Mission study since it would have been difficult to "distribute missionary information" without first possessing that information.

We have met today to take inventory of the progress made thus far in 1948. It seems quite fitting that our theme be the identical motto used that first year—"Go Forward." God forbid that we, sixty years hence, would take one backward step.

Last year in Oklahoma City I admonished you to give heed to some very significant words in our year book. I come again to ask if you have drawn a line **underneath** or **through** Mission Study in your local societies? Some of you moved that line from its position in 1946. I have had reports this year from associations that have never before reported.

For your information, I bring these facts gleaned from 69 reports. (I should have had 108.) Five associations made no report, eight only one, eight made just two and fifteen have reported each quarter. Therefore I place on the honor roll, Comanche-Cotton, Enon, Frisco, Jackson-Greer, Le Flore, Muskogee, North Canadian, Northeastern, Northwest, Oklahoma County, Perry, Pittsburg, Salt Fork, Tillman, and Union.

I find that approximately 24,000 women and young people have studied in 2,500 classes. Of this number 7,600 have completed the course. Six thousand Reading Circle books have been read. We have 675 Missionary Round Table members. Each of these figures, save one, exceeds the number given last year at this same time. We regret a loss in Missionary Round Table members. Thirty-two churches are 100% in Missionary reading, as follows; Alva, Beggs, Buffalo, Cache, Carmen, Commerce, Checotah, Driftwood, Hartshorne North Side, Highway, Hawley, Fort Gibson, Indian Center, Immanuel (Oklahoma City), Lawton First, Midwest City, Morning Star, Newcastle, Northwest (Oklahoma City), Okemas Calvary, Okmulgee First, Pond Creek, Prairie View, Quinton, Rush Springs, Sasakwa, Schilling, Trinity Pauls Valley, Walters First, Wetumka, Wyandotte, and Vici.

Our first State Mission Study Institute was held in Oklahoma City in October. One hundred ninety-eight teachers, representing 32 associations, received special instruction from five expert teachers as well as many materials. My heart rejoices that my motion last January to have a clinic resulted in this outstanding event of the year. Our deepest appreciation is hereby expressed to Miss Hutchison and her co-laborers who worked so hard in planning every detail. Glowing reports have reached my ears about this splendid meeting!

For your inspiration, I want to remind you that women from 1888 through 1948 have been zealous and hopeful in spirit, undaunted by seemingly impossible tasks, sacrificial in their courageous achievements, and ever mindful that God was leading forward to greater undertakings each year. They have indeed exemplified Bishop Taylor's remark, "When I find a mission field too hard for a man, I put in a woman." Can we be satisfied to do less for our Master in 1949? The way has been paved, the books have been and are being written, the promotional aids are available; and remember this State Mission institute showed your associational teachers, who in turn showed the local teachers just how to present mission study in an attractive, interesting and provocative way. We just must "Go Forward." There is no other way open.

"Where there is no vision the people perish." We, in Oklahoma, have a vision of the possibilities in real, honest-to-goodness mission study. We must so pray, so plan, and so execute our plans that this basic department of our work finds its rightful place in order to meet the demands made in today's world. I have said and I repeat

because I believe it from the depth of my soul, that women who are informed pray more definitely, give more, do it more cheerfully, and serve more efficiently than those uninformed.

Will you sincerely follow me while I ask some thought provoking questions? Is your mission study prayerfully and carefully planned so thoroughly that all the women and young people possible are enlisted? Are your classes so conducted that real study which involves the enlistment and use of all the faculties—heart, mind, and soul—takes place? Or do you have two all day classes each year in order to check point eight on the standard? Do you ever have a book review and call it a class? Do your women buy and use sufficient text books to have a real study?

An ancient Persian poet said, "If thou hast two pennies, spend one for bread. With the other buy hyacinths for the soul." I think to buy hyacinths for the soul certainly includes becoming informed, alert, and definitely interested in God's missionary plan for the world as well as finding one's place in that plan. Does your mission study help individuals find their places in God's plan? Study that does not result in missionary activity is worthless. Indeed Mrs. Lawrence spoke a great truth when she said, "You ought never to be the same after being in a mission study class." After study, do you go out and put into your every day activities the things learned? Are your church, your association, and your state more Missionary minded because you had a class? Yes, some one must pay a big price to produce real worthwhile study programs.

Co-workers, those who have gone before have been faithful to the cause for which they gave their devotion. Have they worked in vain? Nay, may we "Go Forward" in 1949 with a renewed zeal, a new enthusiasm, and a strong determination that the next year will find us a better informed group of women than any previous year. To that end may each of us pray that God will help us to do our best.

REPORT OF CHAIRMAN OF COMMUNITY MISSIONS

January-September, 1948

At the beginning of our missionary year, the aim and purpose of community missions was stressed—soul-winning and soul-lifting.

When God, the Father, saw man going farther and farther away from Him He sent His Son, our Savior, into the world to give it a personal touch. Having a compassionate heart He went about doing good.

When His work was finished, He went back to His Father. In leaving He said, "He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father." (John 14:12) To the disciples He said, "As my Father hath sent me, even so send I you." (John 20:21) Our task then is to win them to Christ and to lift both the spiritually and physically weak.

Average No. organizations reporting Community Missions:	
W.M.S. -----	278
Auxiliaries -----	216
No. organizations showing Christian fellowship toward other races or the underprivileged -----	441
No. organizations working for moral standards pertaining to community life -----	409
No. of members engaged in definite soul-winning -----	2,138
Total No. souls won -----	847
Total No. family altars -----	1074

If you have caused the bells of heaven to ring because you won even one soul to Christ, you are happier. If you have felt the sense of joy in lifting someone's load that has been heavy to carry, you have had a blessing that comes in no other way.

In closing let me quote from George Eliot:

If you sit down at set of sun
And count the acts that you have done,
And, counting find
One self-denying deed, one word
That eased the heart of him who heard;
One glance most kind,
That fell like sunshine where it went—
Then you may count that day well spent.

But if, through all the livelong day,
You've cheered no heart, by yea or nay—
If, through it all
You've nothing done that you can trace
That brought the sunshine to one face—
No act most small
That helped some soul and nothing cost—
Then count that day as worse than lost.

REPORT OF STATE BUSINESS WOMAN'S CIRCLES CHAIRMAN

Business Woman . . . Who Are They?

Teachers, doctors, lawyers, nurses, clerks, stenographers, secretaries, undertakers, beauticians, hostesses, executives, tailors, designers, textile workers, and many others.

The year 1948 marked a forward movement in Oklahoma—a concerted effort to promote the organization of more Business Woman's Circles. With one out of every four women in the world a business woman, we realize the great opportunities that are ours.

Many changes have, and are, taking place today that challenge us to look to the future. One of the greatest changes in the 60 years of W.M.U. history has been the organization and development of B.W.C. "We must move out toward tomorrow." Miss Fannie E. S.

Heck made the statement that we should "plan not for the year, but for the years."

The more carefully we go into the work of promoting more B.W.C.'s the greater the challenge becomes. It is a mighty undertaking for the W.M.U. of Oklahoma, but if and when we enlist these capable business women, they will be a mighty army, for they have talents undreamed of, which may never be discovered unless we enlist them and their lives are directed by Him into channels of service.

I was a guest of the W.M.U. of the First Church at Enid in February, when they completed the organization of a B.W.C. In June, I had the privilege of installing the officers of the Tulsa-Rogers B. W. Federation. October 26, I spoke to a large group of business women of the First Baptist Church in Seminole, where a B.W.C. was organized. I have visited several B.W.C.'s in Oklahoma City—also the B.W.C. in the First Baptist Church in Muskogee.

Eleven business women from Oklahoma attended the W.M.U.—B.W.C. conference at Ridgecrest. It was an informative and inspiring experience. The personal contacts with our missionaries enriched our lives, but made us realize how great is the responsibility that now faces America.

Reports have come from 36 associations in Oklahoma as follows—2 Business Woman's Federations—1 in Tulsa-Rogers Association—1 in Oklahoma County Association—106 B. W.C.—18 of these circles have been organized this year. The number enlisted —1,563.

The promotion of B.W.C. will go forward—"Not by might, not by power, but by my spirit, saith the Lord."

Respectfully submitted,
Mrs. A. B. Cockrell
State B.W.C. Chairman

REPORT OF THE SCHOLARSHIP COMMITTEE

Your Scholarship Committee has been most active this year helping those whose desire it was better to prepare themselves to go forward in the great work of Kingdom building.

Scholarships were granted for 1948-49 to the three Training Schools as follows:

New Orleans Seminary:

Edith Ann Smith, Chickasha, 1st. year.

Southwestern Seminary:

Virginia Highfill, Spiro, 2nd year; Mary Jo Lewis, Bartlesville, 1st year; Jeanette White, Altus, 1st year, to start with 2nd Semester. A scholarship for her second year at Southwestern was also granted to Dorothy Clifford. In August Miss Clifford requested that we transfer her scholarship to Golden Gate Seminary, Cal., to which the Committee agreed. Miss Clifford wrote us in October that she had married October 1. Her expenses of \$62.50 for September were paid by the State Office and her Scholarship terminated.

Woman's Missionary Union Training School:

Ruth O'Dell, Tulsa, Senior; Betty Jane Brown, Oklahoma City, Junior; Emily Jean Goon, (Chinese), Oklahoma City, Junior.

Indian Scholarships, from State Mission Funds, were granted to three students at Oklahoma Baptist University as follows: Bettye Compton, 1st. Year; Lucille Stidham, Lamar and Tulsa.

Two Negro Scholarships were granted also from State Mission Funds to **The American Baptist Theological Seminary** at Nashville to the following: Alma Gentle of Bahama, 2nd year; Rev. Isaac J. Johnson, (now preaching part time near Nashville and husband of Celestine Oliver, to whom we gave a scholarship to the same School several years ago.)

Words of appreciation have come from most of the above students to whom scholarships have been awarded, which may be summed up in the words of Rev. Johnson and wife, who write "We are lost for words to express just how much we appreciate your kind deed. We assure you that you will never regret what you have done for us. We wish to thank you from the depth of our hearts."—Celestine and Isaac Johnson.

While a little out of our line of duty our committee has assisted two young women in entering Nurses' Training Schools—Bertie Compton, Hillcrest Memorial, Tulsa, twin sister of Bettye at O.B.U., and LeVoe George, at Baptist Hospital, Memphis, both of whom have their thoughts focused on study preparatory for mission work, after securing nurses' training.

IN MEMORIAM

It has pleased the Lord since we last met to take from us some of the Lord's faithfuls. Even though we mourn their going and miss their cooperant labours, we must ever remember that "The Lord giveth and the Lord taketh away."

In the Bible we find consolation when the child of God slips away from us. We are reminded that "because of the sin of one man Adam, death passed upon the whole human race." But Christ speaks to us as he did to Mary, when her brother had died and says, "He that believeth in Me, though he were dead, he shall never die. Believest thou this?" Jesus spoke a comforting word to the apostle John while on the Isle of Patmos, saying, "Blessed are the dead which die in the Lord from henceforth; yea, saith the Spirit, that they may rest from their labours and their works do follow them." Like David of old, when his son died, we can say, "we cannot bring them back, but we can go to them."

Well should we remember that these Christian friends have been liberated from all sickness, suffering, toils and pains and are victors over the second death and are resting in "The house not made with hands eternal in the heavens." Who knows how soon the "Pale horse of death" will call at our door? Should he call today we must agree:

"They will meet us, cheer and greet us;

Those we've loved, who've gone before;

We shall find them at the portals,

Find our beautiful immortals,

When we reach the radiant shore."

Or as another has said:

"I feel a strong immortal hope
Which bears my spirit up
Beneath its mountain load;
Redeemed from death and grief and pain,
I soon shall find my friends again
Within the arms of God."

REPORT OF THE CENTRAL DISTRICT

The twenty-sixth annual meeting of Central District W.M.U. was held in the First Baptist Church of Guthrie on April 15, 1948. We were overjoyed with the largest attendance in several years. All of the Associational Presidents were present. Mrs. W. Markham, Union, Mrs. Frank Williams, Oklahoma County, Mrs. G. B. Dunlap, Chickasaw, Mrs. E. A. Jackson, Central, and nearly half of the societies in the district were represented.

In this our Sixtieth Commemoration Year the lovely old theme—"For God and Home and Every Land" was used. Our Home Mission Board representative, Miss Irene Chambers, stirred our hearts as she talked of Our Homeland. Rev. J. E. Jackson, Missionary to China told of Our Share for Every Land. A love offering of \$76.65 was taken and given to the Foreign Student Fund.

How happy we were to welcome our new Executive Secretary-Treasurer of Oklahoma, Miss Margaret Hutchison. Her talk of the Pioneer Woman with her Book, her Bundle and the Boy, was lastingly impressed on our minds and hearts. Our wills to do more this year were stirred and evidences of this are seen in reports from every Association. New societies and auxiliaries have been organized and increases in every phase of our work reported.

We are grateful for each one who has had a part in any way in His great cause. May we continue to "Go Forward"—as "Laborers together with God."

Mrs. A. C. Stewart
District President

REPORT OF EAST CENTRAL DISTRICT

The Eleventh annual meeting of East Central District W.M.U. was held in the First Baptist Church of Wilburton, Oklahoma, April 9, 1948, with a good representation from the four associations comprising the district, with 220 in attendance.

Our guest speakers were Miss Margaret Hutchison, Executive Secretary and Treasurer of Oklahoma. Miss Irene Chambers, Field Representative of the Home Mission Board, Rev. J. E. Jackson, Missionary to China, Mr. Frank Box, Representative of Oklahoma Baptist University. Each speaker brought messages that stirred our hearts, and made us more conscious of the appalling needs at home and abroad.

An offering of \$27.95 was given to the Foreign Student Fund under the leadership of our associational presidents. We have organized six new missionary societies, held one associational mission study institute, and given \$1,165.25 to World Relief. There has been an increase in all phases of our work.

Our hearts are filled with gratitude for our young people's leaders and the type of work that has been carried on through and for our auxiliaries. Our young people's rallies, fellowship suppers, camps and assemblies have been well attended. Some of our associations have sent some of our young people to Ridgecrest.

Let us keep pressing toward the mark of the high calling of God and make 1950 a great year of missionary promotion.

Mrs. Bill Haynes,
District President

LAWTON DISTRICT W.M.U. ANNUAL REPORT

Some of our societies are striving more than ever to become standard this year with our southwide Commemoration theme, "Go Forward." Our Annie Armstrong offering thus far is \$2,332.00. May God bless it to the saving of many souls, "That at the name of Jesus every knee should bow," here in the Southland.

Our work with the young people continues to "Go Forward" with the organization of new auxiliaries and some once active having been revived. Due to the floods only two of our Associations had their Youth Camps this summer. These were well attended with a number of souls won and dedications and re-dedications to the Master to be used where He directs.

For our Mission project for our district this year each of our three associations gave \$100.00 for religious books for the School of Religion library at Langston University. We wish to express our thanks to Dr. Luther Harris, Bible professor at O.B.U. for compiling our lists this year and last year, also. This project was made possible through the capable leadership of the associational presidents, Mrs. A. J. Alexander, Comanche-Cotton, Mrs. Clyde N. Price, Caddo, and Mrs. E. G. Willeford, Mullins, and the missionary-minded pastors in the district.

May Lawton District continue to "Go Forward" under the leadership of the new president, Mrs. Thurmond George, Duncan, is my prayer.

Mrs. John R. Kelly,
President

NORTH CENTRAL DISTRICT

The annual meeting of the North Central District was held in Garber on April second, with an attendance of 207. This was the largest meeting we had ever had and was filled with a good spirit.

The newly elected Executive Secretary, Miss Margaret Hutchison, was with us for the first time and outlined the policies and plans for the year. We feel that under her excellent guidance the work has and will progress mightily for the glory of God.

Miss Irene Chambers representing the Home Mission Board

gave an inspirational talk which led to our giving \$90.77 to be used at her discretion.

Brother Jackson of the Foreign Mission Board further stirred our hearts to give an additional \$32.04 for a foreign student.

Through the able leadership of our associational presidents, Mrs. Russell Baker of Perry Association, Mrs. Landreth Hardiman of Salt Fork, and Mrs. V. N. Chapman of Kay Association, and the information and inspiration brought by our State and Southwide workers throughout the year, we have been able to go forward in every phase of our work.

We rejoice especially in the increase of the Young People's activities through the Auxiliaries. Many of our young people profited by the trips to Falls Creek, Ridgecrest and special meetings in the associations.

We thank God for all these blessings and pray that truly we may be "Laborers together with God" in this next year.

Mrs. J. D. Montgomery,
President, North Central District

REPORT OF NORTHEAST DISTRICT W.M.U.

In this year, the 60th Anniversary of W.M.U. God has truly blessed the work in Northeast District. We are so thankful for the fine reports we have received of the accomplishments of the women of W.M.U. who truly are "Laborers together with God."

Our prayer last year was for the establishment of more family altars and more souls won to Christ. How happy we are that the number of family altars reported this year was three times those reported last year, and the number of souls won was twice the number reported last year.

The camp for our young people of Delaware-Osage Association was again a great blessing to many. Mrs. J. M. Jordon, our Young People's director, Rev. Jess Dittmar, our Associational Missionary, Mrs. Elbert Menge, our Associational President, Mrs. Boggess of Oklahoma City, Miss Sylva of Brazil and a fine group of sponsors under the leadership of the Holy Spirit won a large group of our Young People to Christ. Many dedicated their lives for special service.

God called the husbands of our two associational presidents elsewhere and although we were reluctant to have them leave, we are thankful for their leadership while they served as our presidents. Mrs. E. R. Jack, Pryor, President of Northeast Association and Mrs. Elbert Menge, Ramona, President of Delaware-Osage Association. Mrs. W. V. Montgomery of Bartlesville, has faithfully carried on in Delaware-Osage Association.

For World Relief, Northeast District has given some \$1600.00 this past year. We are thankful for sharing Christians.

This report would not be complete without mention of our fine Annual meeting at Pryor. Truly God led in each phase of the program. The high point of the day was the inspirational message of Miss Hutchison our State Executive Secretary. We will never forget her message as she talked to us of the pioneer woman, and of the scripture she challenged us with.

It is with humble and thankful hearts we face 1949. May our reports again show an increase in all phases of our work for God, that we may "Make known to the sons of men His mighty acts and the glory of the majesty of His Kingdom." Psalms 145:12.

Mrs. E. A. Botkin
District President

NORTHWEST DISTRICT REPORT

As we come to the close of the year's work in Northwest District, we are happy to report a W. M. U. organization in every church. There have been new societies and auxiliaries organized, more women enlisted in the interest of world missions and giving to World Relief. We had a School of Instruction which was most profitable, also Miss Martha Ellis, our State Field Worker, spent one week in our district, her work was greatly appreciated by our women. Four of our women attended the State Mission Study Institute and have had a District Mission Study Institute with eight churches in our District represented.

One of the greatest blessings of the year was our Youth Rally in July with an attendance of 185. Mrs. Hugh Humphrey, a former Missionary to China, was our guest speaker. Dressed in the native costume of the Chinese and with a fine collection of Chinese curios she made China real in the hearts of our people.

God is truly a generous, just and loving God, he has blessed us in a great way this year, as it is written:

Prove me now herewith, saith The Lord, if I will not open you the windows of Heaven, and pour you out a blessing, that there shall not be room enough to receive it.—Mal. 3:10

Submitted,
Mrs. J. E. Steadman—Dist. President
Northwest District

REPORT OF SHAWNEE DISTRICT

Shawnee District is blessed with consecrated leadership in her associational presidents and officers. When I saw the great field that is called Shawnee district, it staggered me with its responsibilities. As this field began to open up as a beautiful flower through the women who answered every call that came to them, my heart leaped in my throat with joy of being one of Christ's children.

Aside from the actual gaining in most all departments of our regular work, we have seen the need in North Canadian Association to divide this association. When we begin our new work in January, we will have an extra association with an extra corps of workers to put energy, effort and inspiration into the Lord's work. South Canadian association embraces Hughes and Seminole Counties and North Canadian comprises Okfuskee and Okmulgee Counties.

Will you of Pottawatomie-Lincoln, remember these two new associations in your prayers and continue the well-rounded program that you have maintained throughout this year?

Let us come to our April rally which meets with the Immanuel Baptist Church, Shawnee, with glowing faces and burning hearts to follow the Master in a great program for His great kingdom.

Mrs. Earl Stark
District President

REPORT OF SOUTH CENTRAL DISTRICT W.M.U.

As we have labored with God, our work has shown some growth in mission study, in gifts, and in subscriptions to Baptist periodicals. There is yet much to be done.

It was our privilege to have a new association, Johnston-Marshall, in our district.

Our annual meeting was very inspiring and helpful. Ardmore was the hostess church.

We have greatly enjoyed having some of the state W. M. U. workers with us at various times.

It is my prayer that we will pray and pay, study and witness, as never before in order that the Lord's work may really "Go Forward."

Respectfully submitted,
Mrs. J. N. McKeel

REPORT OF SOUTHEAST DISTRICT

As we come to the close of our W. M. U. work in the Southeast District for the year of 1948, we are grateful to our Lord and Master for the accomplishments of the three associations, namely, Atoka has 11 W. M. S. and 9 Aux.; Bryan has 11 W. M. S. and 25 Aux. including two full graded W. M. U.'s; Frisco, 10 W. M. S. and 6 Aux.

Each association had Y. P. rallies in July with young people in charge. Frisco had a Y. W. A. house party in Antlers preceding the rally which was in Antlers.

A large number of G. A.'s attended the G. A. encampment at Falls Creek Assembly grounds, some giving their lives to special service and others accepting Christ as their Saviour.

A special Y. P. rally was held on November 22 in Hugo Baptist Church. Miss Green, our state Y. P. leader, was guest speaker.

A very impressive coronation service was held in Isabel for the Jr. G. A. There were 5 Maidens, 6 Ladies-in-Waiting, 4 Princesses, and 8 Queens. Mrs. C. G. Evans is the leader of this organization.

Each association had the 5 leaders attend the Mission Study Institute in Oklahoma City and each association held Institutes for local leaders. A wonderful spirit prevailed in all meetings. The three associations are striving to make the calendar of service stressing soul winning in community service.

Our annual meeting was held in First Church Durant; all guest speakers and others on the program were appreciated.

Southeast District said it was love at first sight when our executive secretary with wonderful spiritual leadership was presented. We know that our Lord and Master has brought her to us and with her leadership we will try to make Southeast count for missions.

Mrs. Guy R. Old
President Southeast District

REPORT OF SOUTHWEST DISTRICT

The annual meeting of the Southwest District of W. M. U. was held in the First Baptist Church of Fredrick on March 30, 1948, with a good representation from all three associations.

Under the leadership of our associational presidents, Mrs. Victor Crabtree of Jackson-Greer, Mrs. A. B. Crawford of Harmon and Mrs. K. B. Costen of Tillman, we have had several increases in our work this year, for which we are thankful.

Our offerings for the three seasons of prayer have greatly increased.

After eight years of service as District President I asked that another be elected this time.

Mrs. Tom Manning of Fredrick will serve as District President.

It has been a joyous service and I am deeply grateful for the cooperation received from the many societies and their officers.

We look forward to the New Year as one when each of you will go forward under the leadership of Mrs. Manning.

We pray to the Father for his grace and guidance during the coming days that victory in all phases of our work may come.

Mrs. R. S. James
District President

REPORT OF TULSA DISTRICT

Tulsa District is composed of three associations, namely: Creek, Pawnee-Payne and Tulsa-Rogers Associations, in which there are 62 W. M. U. organizations, with membership of 3,311.

Their gifts to Home Missions through the Annie Armstrong Offering, totaled \$2,036.86; to State Missions through the Edna McMillan offering, \$1,438.82; and to World Relief through cash gifts and boxes of clothing, a total of \$5,036.84.

The Annual District meeting was held at Chelsea on April 6, with Mrs. Frank Webb presiding. Due to the fact that Mrs. Webb had been elected to the office of Vice-President of the State W. M. U., it was necessary to elect a new District president, and Mrs. H. O. Weaver, of Tulsa, was elected to fill that place; Mrs. T. M. Rabon, also of Tulsa, was elected as Secretary-Treasurer. Our new Executive Secretary of W. M. U. of Oklahoma, Miss Margaret Hutchison, was presented for the first time at this meeting, and immediately won the hearts of all present. Others on the program for the day were Miss Irene Chambers, field representative of the Home Mission Board, who brought a most inspiring message; Mr. Jerome Zickrick, who spoke in behalf of O. B. U., and Rev. J. E. Jackson, Southern Baptist missionary to

China, who gave us a splendid description of our work in that far-away land. The offering for the day was \$56.35, which was given to Home Missions. There were 157 in attendance. Several beautiful songs were sung by Mrs. Della Williams of Tulsa. The next District meeting will be held at the Nogales Avenue church, Tulsa, on April 5, 1949.

The district Y. W. A. Houseparty, which was held this year on June 18-19, at Pawnee Bill's Ranch, near Pawnee, Okla., was not so well attended, but the spirituality of the meeting was such that it will not soon be forgotten by those present. Mrs. Walter McCollum talked on Japan and showed her colored stills of that country. Mrs. Phyllis Sapp taught a mission study book. Mrs. Judy's one desire is that this annual houseparty may result in the dedication of the lives of many of our young people to the service of the Lord.

Quarterly Associational Rallies have been held regularly by Tulsa-Rogers and Creek Associations, and will be held regularly by Pawnee-Payne next year. A keen interest in all phases of our W. M. U. work is felt throughout the District, and more efficient work is being done each quarter.

Our hearts overflow when we think of the goodness of the Lord, and we can only say, "O, for a thousand tongues to sing, Blessed be the name of the Lord," as we strive to "Go Forward Together."

Respectfully Submitted,
Mrs. H. O. Weaver,
District President

REPORT OF WEST CENTRAL DISTRICT

Our annual meeting of West Central District was held at Sayre, Oklahoma, with a large attendance from each of our associations. Beckham Association with Mrs. W. T. Blair, President, Concord-Kiowa Association with Mrs. Lois B. Armstrong, President, and Mills Association with Mrs. Cecil Jones, President.

We had 325 present with an offering of \$78.88 for our Foreign Student Fund.

It was our first opportunity to have Miss Margaret Hutchison with us. She gave us such an inspirational message on "Our Wills To Do." Our ladies appreciate her so much. We also had Miss Irene Chambers and Jerome Zickrick who delivered great messages. Our missionary to China, Rev. J. E. Jackson, made us realize we were to share with others.

Many mission books have been taught in our District this year. Our men have admitted that our women are much more mission-minded than they, because we study missions.

May we express our grateful thanks to the many societies and officers, also our state officers for their faithfulness in the great cause for which they have given themselves.

We are more determined to "Go Forward" in the year of 1949 than ever before.

Mrs. Bea V. McDown
District President

COMMENTS

ORGANIZATION The "Baptist General Convention of the State of Oklahoma" was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma and to receive and disburse funds as provided by the various members, of the denomination in accordance with the instructions of such contributors. It was incorporated under the laws of the State of Oklahoma without authorized capital stock. Its first Articles of Incorporation were filed on or about May, 1917 for a term of twenty years, and its amended Articles of Incorporation were placed on record March 6, 1928 as an organization in perpetuity.

Since November 1, 1935 the convention has had direct supervision of The Baptist Orphans' Home, and its assets, liabilities, income and expenses are treated as a separate fund both on the convention books and in this report. The Home is located in the environs of Oklahoma City, Oklahoma and is incorporated under the laws of the State of Oklahoma as a charitable institution without authorized capital, it having been organized in March, 1904 for the purpose of providing protection and care for needy orphans.

On October 28, 1946 the convention created a separate corporation, namely The Baptist Foundation of Oklahoma, for the stated purpose of building, undergirding and stabilizing the agencies and institutions owned and operated by the convention. Subsequent thereto, transfer of custody was made by the convention to the Foundation of certain investments for trust and endowment funds, and the accounting of such specified funds has thereupon been handled by the Foundation as a separate entity.

CASH The cash of \$287,795.92 was on deposit with The First National Bank and Trust Company, Oklahoma City, Oklahoma. This cash is applicable to the various funds as shown in the fund balance sheet, Exhibit "B". A summary of the cash transactions during the year is detailed by funds in Exhibit "D", statement of fund reserves.

RECEIVABLES, NOTE RECEIVABLE FROM OKLAHOMA BAPTIST UNIVERSITY \$65,000.00—This is a non-

interest bearing note payable upon demand, secured by an assignment from O.B.U. of its claims against the U.S. Government for tuition and other fees on G.I.'s enrolled, on a basis to be paid off as assigned claims are paid by the government. It was given to cover advances by the convention for assistance in meeting obligations of the university from February 28, 1948 through December 31, 1948.

COMMENTS

ORGANIZATION The Baptist Foundation of Oklahoma was granted a charter by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock, with its principal place of business at Oklahoma City, Oklahoma. It was created by the Baptist General Convention of the State of Oklahoma, and its Articles of Incorporation and by-laws were approved by that body in convention assembled at Oklahoma City, Oklahoma, on October 28, 1946. Its stated purpose was to build, undergird and stabilize the agencies and institutions owned and operated by the convention.

The purpose for which the corporation was formed is that of a private, nonprofit, religious association, "to purchase, control, manage, acquire, hold, barter, sell, convey, exchange, expand, distribute, invest and otherwise dispose of all real, personal, or mixed property of whatsoever nature and wheresoever situated . . . for church and other religious and charitable purposes . . . necessary for its membership . . . worship and exercise of such powers."

Its duties and powers are to receive by gift, devise, bequest or otherwise any money or property to be used as may be directed; to enter into contracts or trust agreements with individuals, corporations or partnerships for the purpose of furthering the interest of educational institutions, hospitals, orphanages, student centers, and any other property in order to assist and promulgate the furtherance of the convention and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign missionary work; to borrow money; hold, administer and dispose of property, make conveyances, assignments, incur obligations, and prosecute or defend any action or suits in which involved.

As interpreted by the directors of the corporation, its responsibilities are to procure funds for capital improvements and endowments, and to hold, disperse and invest funds according to designations made and as set out in the charter.

Accordingly on April 7, 1947, transfer of custody was made from the Baptist General Convention of the State of Oklahoma to The Baptist Foundation of Oklahoma of certain investments and their corresponding trust and endowment funds totaling \$76,776.29.

Cash and other contributions during the calendar year 1948 are summarized in Exhibit "C"—Statement of Foundation Activities Fund, and the cash transactions are further detailed in Exhibits "D" and "F"—Statements of Cash Receipts and Disbursements.

CASH The cash in the operating fund has been maintained in The Liberty National Bank, Oklahoma City, Oklahoma, whereas cash for endowments, trusts and capital improvements has been deposited into The First National Bank and Trust Company, Oklahoma City. The balances in these funds at December 31, 1948, were \$31.80 and \$30,109.64, respectively.

INVESTMENTS Details of the investment in United States bonds are set out in Exhibit "G" insofar as type, date of maturity, denomination, maturity or par value, total cost or issue price, and the funds to which they belong. The total cost or issue price was \$73,166.00. Description of the other investments, stated at \$15,600.00, is given in Exhibit "H".

OFFICE Office furniture and equipment is stated at cost **EQUIPMENT** \$2,479.40, having been purchased prior to January 1, 1948 out of the operating fund.

GENERAL Surety bonds are carried on Andrew Potter, Secretary-Treasurer, and Mrs. Ira C. (Alice) Prosser, office secretary, in the respective amounts of \$50,000.00 and \$10,000.00.
