HOME MISSION REPORT

From the days of the New Testament until today, the Gospel of Christ has been the good news that has not only brought salvation to men everywhere from the penalty of sin, but it has brought vision and courage to the disheartened, and hope to the down-trodden of the world.

As Southern Baptists we need a rebirth of the spirit of adventure. We need to get a vision of the fields to be covered, the peoples to be won, and the challenging opportunities for mission service. Instead of handing down to the coming generation a program that is already carefully planned and adequately financed, we should set forth a missionary challenge that will exact of every youth his best in resources and ability. Youth of today is challenged by conquests to be undertaken, sacrifices to be made, and adventures into the spiritual frontiers of our day and generation, rather than by tailor-made programs, resources in hand, and victories already won. The "dare-line" is drawn across the door of opportunity of Southern Baptists. The

Lord is asking who will dedicate themselves to the challenge of making America Christian to step across the line. The task is utterly too great for pastors alone to accomplish. Deacons and religious workers, together with their pastors, are insufficient to meet this challenging opportunity. There is an urgent call that every Baptist step across the line and give himself, his resources, and his influences to this nation-wide task.

Our beloved Secretary, Dr. J. B. Lawrence, has said, "On the faithfulness and zeal of the followers of Christ in making Him known to men as Saviour and Lord hangs the salvation of lost men. Notwithstanding all that Christ is and all that Christ has done, the gospel cannot go out to lost men without the service of God's people."

Evangelization of the homeland is a very essential part of the business which our Heavenly Father committed to us nearly two thousand years ago. It must continue to be at the center of all emphasis. For, if the gospel fails here at home, we cannot hope for it to succeed in benighted lands afar. Not only must we evangelize the homeland, we must marshal the evangelized for world conquest for Christ. Every resource we have in man and money, every institution and every local church must be enlisted and dedicated to the God-given task of preaching Christ and Him crucified to a lost world.

Our Home Mission Board, under the magnificent leadership of Dr. J. B. Lawrence, has made wonderful progress in meeting the challenge of the hour. 1,028 Missionaries conducted 804 revivals which resulted in 28,218 conversions, 53 New Missions, 23 new churches organized, 2,167 Mission Vacation Bible Schools.

The "direct Missions" work of the Home Board includes work among thirty-four language groups, with a population of 50,000,000 of which 30,000,000 are unchurched. There are 544 missionaries here reporting 8,600 professions of faith. Many more missionaries and equipment are needed for which \$2,785,000.00 would be necessary.

The summer Student Mission Program has used 287 workers resulting in 3,728 conversions besides innumerable other benefits space will not allow to be enumerated.

Much of the work of the Home Board is done thru "Cooperative Missions" which includes city, rural, mountains, and western work. There has been a great harvest here, reporting 3,979 revivals with 18,240 professions of faith, 687 new churches and 1,164 Mission Stations in operation.

The Department of Evangelism under the leadership of Dr. C. E. Matthews is attempting an unheard of feat: A simultaneous revival Campaign of all the states west of the Mississippi in 1950, and a similar one east of the Mississippi in 1951.

The Department of Jewish work still goes forward in the great task of reaching the Jews for Christ. Dr. Gartenhaus after years of labor has retired and Frank Halbeck is now Field Secretary.

The Department of Education and Publicity includes the Schools of Missions and Visual Education which have made a marvelous contribution to a better understanding of missions among our churches.

The Negro Work has called one of our Oklahoma men to direct

it. Bro. Guy Bellamy of Oklahoma City Missions. This is largely a work of training and education of Negro leaders.

Work among our Armed Forces is still in the capable hands of Dr. Alfred Carpenter and is serving in a much needed field.

In the past few years there has been a shift in the currents of life in the home-land that has brought to us new frontiers with increased mission tasks. So rapid has been the changes in industrial, economic, and agricultural life that, where only a few years ago, many places which were nothing more than cross-roads are now cities with teeming thousands of people. People of every nationality and varied religious faiths, not a few with no faith at all. To these we are His witnesses. Our religious development must keep pace with this industrial, economic, and social change.

From the Gulf-coast to the Alleghenies, from the west coast to the Atlantic this human migration has brought us a new and more challenging mission task. It has brought a horde of people of every sort, thought, and character to plant themselves in our midst. They are here now. They are bringing with them their beliefs and traditions, not least of which are Atheism, Socialism, Communism, ideas and ideals which threaten to destroy our traditions, beliefs, and institutions. We must meet this invasion with the Gospel.

Respectfully submitted,

Rev. V. M. Piland, chairman

Rev. Leroy Crawford

Rev. Garland Howard

Rev. Dorvell Tabb

Rev. A. E. White

7. Reverend J. P. Dane presented the "Report on Foreign Missions," and motion carried to adopt it.

FOREIGN MISSION REPORT

Our Foreign Mission Board feels keenly the responsibility upon Baptists to "Go into all the world and preach the gospel to every creature," and is seeking to lead our churches to share the vision it has and the responsibility it feels. We are moving out in the Advance Program to enlarge our mission work around the world, but much yet remains to be done before enough funds are available to attain the goal set by the board and the Executive Committee.

At present we have 670 missionaries under appointment, serving in the 119 mission centers in the 25 geographical areas included in our work. The present overall operating budget is around \$5,000,000. The mission program on the foreign field includes the activities of hundreds of local churches overseas and the programs of evangelism which these churches conduct. Through Christian schools, kindergartens, higher and lower primary schools, high schools and colleges, Bible schools, theological seminaries and training schools, the gospel is being preached and taught to people of all ages and classes. No less important is the work of distributing Christian literature—Bibles, Sunday School literature, training aids, books and magazines.

Baptist hospitals and medical centers through which both missionary and native doctors and nurses minister to tens of thousands, provide another means of propagating the gospel.

Though all our foreign mission work deserves the highest commendation, we as Southern Baptists fall far short in our task. The 119 mission centers in a world so large as ours hardly begin to meet the challenge. Only 670 mission missionaries scattered over so wide an area means that in some cases one missionary couple must minister to as many as 300,000 to 400,000 people.

We as Baptists believe that the "field is the world" and as Dr. Rankin has said all the people in all the world. Moreover, the doors of opportunity swing wide all over the world. The future of our work in communist dominated China is somewhat uncertain, but the wisdom of present investments cannot be doubted. Regardless of the political situation in China, Baptist work will go on among the Chinese churches and our money is well spent. Japan presents a field in need of 100 missionaries immediately. In Africa, South America and the Near East, the call is ringing out. Our Advance program calls for a goal of 1,750 missionaries overseas, the establishment of many new mission centers, and an annual over-all budget of \$10,000,000.

In order that we may meet the world challenge that is before us and support the Advance program, we recommend the following:

1. That all our churches promote tithing and stewardship among their memberships to increase overall contributions.
2. That the proportion of 50-50 between local and worldwide causes be presented to our churches as a goal and this to be attained as soon as feasible by the individual church.
3. That the foreign mission appeal be sounded forth in our churches during the Lottie Moon Christmas offering, and that we seek to make the offering this year the largest on record.

25. Superintendent H. Truman Maxey brought the Report on Orphans' Home. Motion carried for its adoption.

OKLAHOMA BAPTIST ORPHANS' HOME

Immortal words were written by the Apostle Paul, when under spiritual inspiration, he recorded, "And now abideth faith, hope, love, and the greatest of these is love."

Baptists of Oklahoma abound in this self same love and have wrought a record in ministering to over 1429 orphans and homeless children during the past 46 years. That love put action into concern and provided food, shelter, clothing, schooling, and opportunity for Christian home life for these unfortunate children.

There has been a good response to the Birthday, Egg, Chicken, and Food Offerings. Some churches give each month, either out of the church budget or the Sunday school offering for a given Sunday each month.

Now, on November 20 will be the first Thanksgiving Love Offering. It will replace the annual Christmas Love Offering. The goal will be for each person to give "One Day's Pay." This will make a worthy goal and be equal for all. It will be imperative to receive a generous offering for expenses must be met.

The building program is at a standstill at present, for lack of funds, but by money given through Wills and personal gifts we hope to gradually build more cottages. It is hoped that many will remember to place the Home in their Will.

Skillful hands are busy daily in the art of rebuilding life, with good friends and good care the unkind memories are soon forgotten by every child. "And the greatest of these is love," is the mainspring of the beautiful ministry of our Baptist Orphans' Home.

H. T. Maxey

A trio, led by Mr. Oliver Nixon, sang the Negro Spiritual, "Ina My Heart." Those singing were Joretta Wright, Elizabeth Hudman, and Alberta Dodson.

26. Superintendent Maxey made a passionate appeal for every Baptist to give one day's pay on November 20th for the support of Oklahoma Baptist Orphans' Home.

A group of the smallest children sang "Jesus Loves Me" and "God Is Love."

27. Reverend Wade East made request for special offering with \$1.00 per person as the standard. The offering totaled \$698.85.

28. Reverend L. L. Armstrong brought the Report of the Committee on Religious Literature and motion carried for its adoption.

RELIGIOUS LITERATURE

The BAPTIST MESSENGER, a newspaper-magazine, is the denomination's first line of defense against ignorance of missions and indifference to the call of Christ to the world. It informs and inspires. It stretches the vision and strengthens the heart.

As always, the BAPTIST MESSENGER continues to balance

the material it prints, giving attention proportionately to (1) doctrine, (2) devotion, (3) information, (4) promotion. It lays equal stress on home and foreign missions.

This year, the BAPTIST MESSENGER jointly sponsored with the Baptist book store five district workshops emphasizing (1) the church newswriting (2) church libraries (3) visual education. The workshops were well attended and did great good in emphasizing the importance of using modern methods in church work.

The BAPTIST MESSENGER encourages the churches to support the two great mission journals, the COMMISSION and SOUTHERN BAPTIST HOME MISSIONS. It also encourages the support of all the publications of the Sunday School Board, including the valuable and unique HOME LIFE.

The BAPTIST MESSENGER calls attention to the need of at least four Southwide journals (1) a satisfactory Baptist Digest (2) a magazine for laymen (3) a practical church management type magazine for church leaders only (4) several small magazines for beginning writers, poets, etc.

The BAPTIST MESSENGER list now stands at 47,707 (June 15, 1949). There are 579 churches who are enlisted in the church budget every member plan. This means that 465 are not.

We recommend:

- (1) That all churches not now enlisted in the every member plan be contacted and encouraged to enlist.
- (2) That the churches enlisted in the every member plan be encouraged to bring their list up-to-date, and keep them so.
- (3) That the pastors and leaders definitely make the church conscious of the importance of the paper.
- (4) That the month of May, 1950, be designated as State Paper Month when the BAPTIST MESSENGER will receive special emphasis in the churches.
- (5) That we express our appreciation for the service rendered by Albert McClellan during his ministry as editor of THE MESSENGER and our gratitude for the evident leadership of the Lord in sending Jack Gritz to be his successor.

29. Editor Jack Gritz, in his address, announced that approximately 47,000 Messengers were being sent out each week. Plans for the future were announced.

30. Time having arrived for the annual sermon, Dr. E. F. Hallock, Norman, selected to bring the message, and Reverend Patrick W. Murphy, Tulsa, Alternate, were presented.

Mr. Paul Green led in singing "My Hope Is Built."

Reverend Patrick Murphy read the Scripture lesson from Matthew 6:19-33 and led in prayer.

Mr. Gene Bartlett sang "Sweet Peace, the Gift of God's Love."

Dr. Hallock's message was a heart-to-heart appeal to practice the Peace of God. Points in his message were (1) Peace with God, Romans 5:1; (2) The Peace of God, Philippians 4:7; (3) The God of Peace, Philippians 4:9.

Dr. Hallock led in benedictory prayer.

Congregation stood singing "How Firm a Foundation."

Meeting adjourned for noon period

WEDNESDAY AFTERNOON

November 9, 1:40 P.M.

31. The afternoon session opened by congregational singing under leadership of Mr. Paul Green. Songs used were "Come Thou Fount" and "Marching to Zion."

32. Reverend A. A. Brady led in prayer for God's blessings upon this session of our Convention.

33. Dr. John A. Huff brought the devotional message. Paul Green sang "Open My Eyes." Dr. Huff's subject was "The faith we Declare and The Faith by which we Live"—Galatians 2:20.

34. Reverend Roy S. Hollomon presented the following Resolution and motion:

TO: The Honorable Roy J. Turner,
Governor of the State of Oklahoma, and
The Members of the Senate and
House of Representatives of the
State of Oklahoma

RESOLUTION

WHEREAS the people of Oklahoma have overwhelmingly rejected the legalizing of whiskey and by their vote have once again affirmed their stand in favor of strict enforcement of constitutional prohibition in Oklahoma; and

WHEREAS 3.2 alcoholic beer taverns are one of the greatest hindrances to prohibition enforcement; and

WHEREAS places and taverns which sell beer contribute to and are a main source of juvenile delinquency and crime in Oklahoma; and

WHEREAS tests by a commercial testing laboratory reveal that a majority of the tested brands of so-called 3.2 beer exceed in alcoholic content the amount permitted by law; and

WHEREAS it is a known fact that 3.2 beer is actually intoxicating and is directly forbidden by the Constitution of the State of Oklahoma and was legalized by a subterfuge; and that it is to the best interests of the people generally and to the best interests of the State of Oklahoma morally, spiritually and financially that the use and sale of 3.2 beer, which is in reality unconstitutional, be declared illegal and against the law; and

WHEREAS the Baptist Denomination in Oklahoma and each duly constituted Baptist church use as the rule and guide of faith and practice the Holy Bible and are subject to no other authority; and

WHEREAS the holy Scriptures are very clearly opposed to and against the sale, use, giving away, and trafficking in any alcoholic beverage;

The following resolution is hereby submitted:

BE IT RESOLVED that the Oklahoma Baptist General Convention of Oklahoma go on record in favor of strict enforcement of the prohibition laws of this State and in favor of the outlawing of 3.2 beer which is an intoxicating beverage, and the consumption of which is morally wrong.

BE IT FURTHER RESOLVED that this Convention respectfully requests the Governor of the State of Oklahoma to permit the forthcoming special session of the Legislature to consider strengthening present enforcement laws of prohibition and legislation dealing with 3.2 alcoholic beer, such as, county or local option, and any method which will tend to lessen the sale of 3.2 beer and to abolish the beer taverns in Oklahoma.

BE IT FURTHER RESOLVED that the individual churches, and each of them cooperating in this Convention, be requested to heartily cooperate with the United Dry Association of Oklahoma in its efforts to secure county or local option on 3.2 beer and eliminating the beer taverns by whatever legislative means shall be the most effective in the forthcoming special session of the Legislature. RESOLUTION passed by the Baptist General Convention of Oklahoma on the 9 day of November, 1949.

35. Miss Mary Tongee brought a verbal report on the Baptist Book Store. Motion carried for its adoption.

BAPTIST BOOK STORES

The loyalty and co-operation of the Baptists of Oklahoma have enabled your Baptist Book Stores to show a steady growth during the past few years. We desire to express to you our appreciation for the opportunities which you have given us to serve you.

It is our privilege to have a part in the promotion of the work of practically every department of our Baptist life. This means that we must know and anticipate the needs for each one. Through the book store must pass the materials needed for this promotion. This is done through sales made in the stores and through orders which come to us by telephone and mail. In September 1949, we mailed from Oklahoma City in round numbers 10,000 pieces of mail, of which less than 3,500 was first class mail.

Another service rendered by the stores is the display of books and materials which we have at the various conventions and other meetings. During 1949 we had representatives with exhibits at twenty-one different meetings. In addition to these we had a representative in each of the thirteen divisional W.M.U. meetings, and three in each of the five Church Publicity Workshops. This is a service which we are glad to perform for it enables those who cannot examine the books and materials in the store, to have an opportunity to see and know what they can have for use in their work.

With the additional storage and shipping space which we shall have in the new Baptist Building, we hope to be able to give better service on our mail orders than we have given. It is our desire to be of service to every church and every member of every church and we urge that you give us an opportunity to serve you.

36. Eddie Hurt brought the Brotherhood report. Motion carried for its adoption.

BROTHERHOOD

The officers of the State Brotherhood for the past year included Dr. Henry G. Bennett, Stillwater, President; Mr. Warren W. Wilbur, Miami, Vice-President; and Reverend Fred H. Willhoite, Lawton, Secretary. Under the leadership of these men, and through the untiring efforts of Mr. J. A. Pennington, State Secretary of Brotherhood and Evangelism, great progress has been made the past year by our churches in this field. An increasing number of Baptist laymen are being enlisted in the Brotherhood program and are finding opportunities for service in the work of the church and the denomination.

The outstanding state-wide Brotherhood event in 1949 was the State Laymen's Convention, held March 8 at the Trinity Baptist Church, Oklahoma City. Approximately 1500 men, representing Baptist churches of Oklahoma were present. The next State Brotherhood Convention has been scheduled to meet in Oklahoma City, March 7, 1950.

Another outstanding Brotherhood meeting during 1949 was the Laymen's Emphasis Night, held at Oklahoma City in connection with the Southern Baptist Convention.

Churches throughout Oklahoma have reported 282 Brotherhood Presidents. Thirty-five of the thirty-seven Associations over the State have Associational Brotherhood Presidents.

RECOMMENDATIONS:

1. That the Brotherhoods assume definite responsibilities in planning for and in executing plans for the Simultaneous Evangelistic Crusade, April 9-23, 1950.

These responsibilities are as follows:

- A. A Giant Men's Rally in the Associations preceding the Crusade.
- B. Cottage Prayer Meetings during the week preceding the Crusade.
- C. Organizing for personal soul-winning.

To this end it is further recommended that:

1. There be a Brotherhood organization in every church.
2. The Associational Brotherhoods be thoroughly organized.
3. The men of each church assume the responsibility for planning and conducting cottage prayer meetings the week of April 2-9, 1950.
4. The men of each church make definite plans for winning the lost men of their community to Christ.

5. The Associational Brotherhoods sponsor a Laymen's Rally on Monday night, March 27, 1950, in preparation for the 1950 crusade.

2. The fourfold 1950 objectives of the Southwide Brotherhood are worthy goals. It is urged that every local Brotherhood use these as a program of work. These objectives are as follows:

A. EVANGELISM. By evangelism we mean active personal soul-winning—man-to-man contact—men witnessing for Christ in the shop, in the office, in the store, in the market place, at the club, in the home, on the street; in fact, everywhere and upon every occasion when one man might appropriately speak to another man about his Lord.

B. MAN AND BOY MOVEMENT. The Man and Boy Movement has become very popular in many parts of the Southern Baptist Convention. The plan and purpose of this movement are very simple: to take boys off the streets and place them under the influence of the teaching of God's Word in our Sunday Schools. A man is to find a boy and take him to Sunday School on four successive Sundays. It has been proved in many cases that the boy will become so interested in the Sunday School he will continue to go regularly. In addition to his attending Sunday School he will influence others. This, too, has happened in many cases.

C. THE COOPERATIVE PROGRAM. The Baptist Brotherhood of the South reaffirms our conviction that the Cooperative Program must continue as the over-all plan for financing our denominational work. It is safe, sound, and equitable, and there is no other way to finance the world-mission program of Southern Baptists.

D. THE BAPTIST FOUNDATIONS. The Baptist Foundations are agencies which fill a long standing need. They are for all who, through their gifts, desire to undergird Baptist institutions and agencies. The Foundations present a glorious opportunity for the present generation of Baptists to enrich their heritage, and will enable Baptist agencies and institutions to continue to serve many more thousands now and in the years ahead. Inform the men of our Oklahoma Baptist Foundation. Tell them what it is, what it offers, what it guarantees.

37. The Oklahoma Baptist University Ladies' Quartette sang a melody of Gospel songs. Personnel of quartette: June Matheson, Hollis; Edith Buck, Oklahoma City; Joy Beth Powers, Altus; June Brixey, Missouri; Mrs. Herbert J. Miles, Instructor of Voice in Oklahoma Baptist University, Director.

38. Dr. J. F. Murrell presented the Report on Hospitals and motion carried for its adoption.

HOSPITALS

During the past year, Oklahoma Baptists have expanded their activities in hospital service. We now have three hospitals in operation: Oklahoma Baptist Hospital and School of Nursing at Muskogee, of which Mr. J. P. Cox is Administrator; Miami Baptist Hospital, Miami, Dr. J. F. Murrell, Administrator; and the Southwest Baptist Hospital at Mangum, with Rev. J. Grover Scales, Administrator.

These hospitals rank second to none in equipment and type of service rendered. The Mangum Hospital, which was opened on June 6, 1949, is furnished with new equipment throughout, and each of the other hospitals has added new equipment to keep abreast with scientific advancement. This has been a fruitful year in the operation of our hospitals. The combined statistics reveal that we have admitted 4655 patients, treated 1559 out-patients, rendered 27,723 patient days of service, had performed 1886 surgical operations, had 875 babies born, and rendered \$22,187.26 worth of charity service.

Our denomination owns no other institutions which render so great service to humanity, in proportion to the amount of denominational funds invested in their operation. The total receipts from the Mother's Day Offering last year amounted to \$7,126.20, which was divided among the three hospitals. Compare this with the \$22,187.26 worth of charity service rendered, and you can see how far short our Baptist people came in supplying the funds to care for the indigent sick who came to our hospitals for treatment. Your hospitals never close their doors. Twenty-four hours a day, three hundred sixty-five days a year, we serve the sick and injured, and no one who needs our service is ever turned away.

Space allowed for this printed report does not permit us to tell the complete hospital story. The spiritual ministry of our hospitals, which is growing daily, is enough to fill volumes, if fully told. Lives are being transformed through our ministry, as well as bodies repaired for normal activities. There is no better place from which to point people to God than from a hospital bed. Men look up when they lie flat on their backs. When the sick are ministered to in a hospital surcharged with a spiritual atmosphere, there is a plus benefit which adds immeasurably to the end results. Baptist hospitals are proving that this spiritual atmosphere can be maintained along with the highest scientific efficiency. We have nothing to offer that is more appreciated by our patients and their relatives, than our prayers. And when prayer is offered by the Administrator, or one of the hospital personnel, it is doubly appreciated. This quiets the patient's fears, inspires confidence in the service we render them, and enlists the aid of the Great Physician, "who healeth all our diseases." On behalf of all our hospitals, I beseech our Baptist hosts to remember us in your prayers, as you do our missionaries and evangelists. The day of Baptist opportunity in the hospital field is brighter than ever before in our history. We have so proved our ability in this field as to command the respect of the medical profession and the general public. It is time to advance. We need to strengthen the hospitals we now have, and add others. Especially, do we need a great hospital in some central location, like Oklahoma City, with 500 beds or more, with adequate facilities for training

doctors and nurses, as well as ministering to added thousands of sick people.

39. Secretary E. W. Westmoreland presented the Report on Religious Education and motion carried for its adoption.

RELIGIOUS EDUCATION

During the last year our churches have made encouraging progress in building larger and better Bible teaching and training programs. Most of the churches have reported an expanded program in both Sunday school and Training Union.

At the close of 1948, our Sunday school enrollment in the state was 207,606, a gain of 11,290 over the previous year.

Our Training Union enrollment at the close of 1948 was 63,943, a gain of 9,654 over the previous year.

Seven hundred and twenty-two Vacation Bible Schools were reported in 1948 with a total enrollment of 66,496.

Fifteen thousand nine hundred and fifty-nine Sunday school training awards were earned by officers and teachers and 21,820 Training Union awards were issued to Oklahoma during 1948.

A LOOK AT THE FUTURE

In the early part of 1950, the Department of Religious Education has made a promotional program designed to prepare our Sunday schools and Training Unions for the Simultaneous Revival to be held beginning April 9. Our program is as follows:

January 1-7—Bible Study Week

The Book of Acts to be used and taught by the pastor wherever possible.

February 5—State-Wide Religious Census

February 6-10—Sunday school enlargement campaign in every church

March 12-17—All-Church Study of Evangelism—a graded study course in evangelism using as many soul-winning books as necessary.

March 23 & 24—Combined Sunday School and Training Union Convention

April—High attendance month in Sunday school.

Check your highest attendance for any previous month and then set a goal of one more than ever before.

May—Conservation Month—Have a doctrinal study course at the earliest possible date following the revival.

We in the Department of Religious Education believe that the Simultaneous Revival West of the Mississippi River holds unlimited possibilities and we sincerely urge our Sunday school officers and teachers and our Training Union directors, leaders, sponsors and counselors to focus their planning as well as their activities in the direction of our Simultaneous Revival.

40. Miss Margaret Hutchison presented the "Report on Woman's Missionary Union" and motion carried for its adoption.

Mrs. M. S. Whitehead, retiring president of W.M.U., introduced Mrs. Dan Read, Tulsa, the new President of the W.M.U.

WOMAN'S MISSIONARY UNION

Women of Oklahoma left their annual meeting in 1948 with "Go Forward" ringing in their ears. They came up to this 1949 State Convention hearing the words "The Glory of Going On With Christ." Their work and efforts are all for missions and for these months they have steadfastly set their faces forward to labor together with God in doing the very same things as before but seeking to do them better. There is a glory of going on and on with Christ!

Mrs. C. D. Creasman, Stewardship Representative for Southern Woman's Missionary Union puts it this way:

"I hereby resolve to do more and more

Of the very same things I've been doing before."

In this "going on" there are three directions: Upward, Outward, and Onward.

UPWARD

While women and young people of Woman's Missionary Union organizations join hands in the great task of spreading missionary information and stimulating gifts to missions, they look upward to God to lay His hand upon their joined ones. Oklahoma women have chosen Mrs. M. S. Whitehead as their president, Miss Margaret Hutchison as executive secretary-treasurer, Miss Abbie Louise Green as young people's secretary, Miss Martha Ellis as field worker, and the other officers and chairmen to lead them upward, outward, and onward. The plans for the work are decided upon in the state WMU Board Meetings. Two board meetings have been held this year with 42 and 53 members at each who prayed together for God's leadership upward.

A State Community Missions Conference was held in October with 453 women registered to hear those who have actually done some phases of community missions so successfully that they stirred that host of women to return to engage themselves in such activities as will lift individuals and communities upward to the Lord and a better life.

The three seasons of prayer have been promoted. The 1948 Lottie Moon Offering resulting from the Foreign Mission Season of Prayer mounted up to \$78,815.14. The Edna McMillan Offering for 1949 is still coming in for state causes. The 1949 Annie Armstrong Offering resulting from the Home Mission Season of Prayer in March reached \$28,643.32. Observing this season of prayer were one thousand and seventy-four WMU organizations.

OUTWARD

Our outward reach to the South and beyond comes through cooperation with Woman's Missionary Union, Auxiliary to the Southern Baptist Convention. By the end of 1949 our State Union hopes to have contributed \$5,000.00 toward the building fund for a new Southern WMU Building in Birmingham. At the end of six months,

\$2,803.34 had been remitted to the Southern WMU treasurer.

That there may be strong missionary leadership for our outward reach to the world, it is the privilege of our women to assist young women who are called into such special service in their specialized higher training. We have now attending the three training schools these young women—Emily Goon at the WMU Training School, Mary Jo Lewis, Jeannette White, Dean Gooch, Gerry Zweiker, and Rose Palmer are in Southwestern Training School, and Mary Gentry is at the New Orleans Seminary.

Children of missionaries, both home and foreign, receive scholarships for college from the Margaret Fund. Oklahoma women and young people share in providing this fund through their gifts to the home and foreign missions seasons of prayer offerings. Additional gifts are provided these sons and daughters of missionaries through what is known as Burney Gifts. Our Union contributed \$300.00 for this.

Other outward contacts were made this year by our state being hostess to the Southern Woman's Missionary Union Annual Meeting in May; and by thirty-one Y.W.A.s and nineteen W.M.U. members including Business Woman's Circle members attending their respective weeks at Ridgecrest.

Our outward reach in our state is through districts and associations. Fourteen districts have a president and held annual meetings in April with 2,176 present. A total for missions given at these meetings amounted to \$536.66.

Woman's Missionary Union provided missionary speakers for twenty associational rallies and for twenty-four associational and district camps and assemblies. These fourteen speakers reached 6,706 people with the missionary message or through mission books in these associational affairs.

Two summer WMU workers served our Union, namely Miss Emily Goon and Miss Mary Jo Lewis, and two nationals served our meetings for many weeks. They are Miss Lydia Bravo, Filipino, and Miss Erika Schmidt, German. These four young women served 53 different meetings or series of meetings, taught 15 mission study classes, made 90 missionary talks. Love gifts to the latter two amounted to \$336.36. The field workers were paid by the State W.M.U.

Miss Green planned and executed five state camps for young people this summer. A total of 604 were registered in these camps held at Falls Creek Grounds. She set in motion some excellent plans at these camps that will enable the program to reach the individual child better. Other state young people's meetings provided by our young people's secretary were the Intermediate Girls' Auxiliary Houseparty with 131 attending; the College Y.W.A. Convention with 75 registered; the Royal Ambassador Fellowship Supper and Recognition Service with 313 present.

For its organizational meeting the Business Woman's Circles of the state held a conference with 114 registered. A State B.W.C. Federation was formed.

The State Assembly mission hour provided twenty-three classes in mission study. Of this faculty thirteen were missionaries of our home and foreign boards, and three were nationals. Enrolled in these classes were 1,476. Missionary Day at the assembly featured

a forty-five minute missionary program broadcasted, with the nationals and missionaries speaking; and a missionary Merry-Go-Round in the afternoon where missionaries stationed at different pavillions received a different group every fifteen minutes for informal chat about their fields.

Woman's Missionary Union's outward reach in mission service in our state is seen in various endeavors augmenting the mission program of the state and home boards. Our joy has been to assist our Indian Baptist friends by giving \$300.00 for their State Indian Assembly, sending a young woman to Ridgecrest YWA Camp, and by helping two young women attend Oklahoma Baptist University. Also, the Union has provided Mrs. T. W. Stevens as a WMU worker among women of one Indian association.

Negro work has been assisted by the women, too, by paying part of the salary of Mrs. Maggie Bruce, field worker, and certain expenses of the superintendent of missions for Negroes, by providing two scholarships at the American Baptist Theological Seminary. From the special home missions offering, \$2,000.00 is paid on the building for the School of Religion at Langston.

In order that wives of OBU students may take college work, too, Woman's Missionary Union pays for the fees for their pre-school children to be cared for those necessary hours in the nursery of University Baptist Church.

The Union pays the tuition of wives of rural pastors who attend the Preachers' School at OBU with their husbands.

ONWARD

While the state officers and chairmen may plan the work for Woman's Missionary Union, it is the women and young people back in the churches who carry out those plans with the especial help of the associational presidents and young people's directors. Quarterly these two officers of associations report to headquarters the work done in the missionary organizations in our churches. How faithfully they have carried forward the work! "Onward" has been their direction. The presidents have made posters of churches in their associations with doors and windows representing societies and auxiliaries active in the work, showing so graphically those churches that are not full graded and those with no society at all. Their goal has been to extend missionary organizations into those churches. More than 25 new societies have been organized since January first and 119 new auxiliaries. Thirty-six associations are organized and every one of the thirty-six has reported both quarters of 1949 thus far except one association for one quarter.

Tabulations of these quarterly reports of societies and young people's organizations reveal these heartening figures which show the advance of the work "onward." For six months of 1949:

Number of WMS in the state -----	681
Number young people's organizations -----	1,047
Total missionary organizations -----	1,728
Number societies reporting quarterly -----	483
Number Y.P.'s. organizations reporting -----	868
Membership of societies -----	21,227
Membership of Y.P.'s. organizations -----	14,022
Total membership of WMU organizations -----	35,249

New members in all WMU organizations	5,621
Number of tithers	9,851
Number engaged in community missions	15,402
Number enrolled in mission study	10,889
Cash for Southern WMU Building	\$ 2,803.34
Cash for missions in the state	7,594.02
Annie Armstrong Offering for home missions	28,643.32
Reported gifts for mission causes additional	20,022.95
Total mission gifts for 6 months	\$59,063.63
Unified Budget contributions are beside these offerings.	

We humbly render this report of six months' endeavor in Woman's Missionary Union, realizing that it is the individual missionary organization member, yet, "Christ in (them) the hope of glory" as they set their faces upward, outward, and onward for the advance of His Kingdom.

CHURCH MUSIC AND BAPTIST STUDENT UNION

Church Music

The growth of this Department is most gratifying. The continual stream of better church music leadership coming to our state to serve in the local churches and help promote state activities is most encouraging.

The calendar of activities for the year has been as follows:

1. In January, the Planning Meeting, attended by 27 associational music officers. The entire year of activities was planned, at this meeting.

2. Hymn Festivals have proven most profitable, this year. We know of some twenty-five that have been conducted in different associations. The attendance and program at these song fests indicate the standard for church music in Oklahoma is being lifted to a more worthy plane.

3. In June, the Church Music Clinic at the Oklahoma Baptist University was attended by a representative group of music leaders. The attendance was not large, but more and more it is being understood this Clinic is for leadership only.

4. The music training programs for the Kiamichi and Falls Creek Assemblies were an inspiration. More than 2500 persons attended the classes. Eleven faculty members from the best church music leadership of our state served as teachers and directors. Other assemblies were assisted by choir directors and evangelistic song leaders. This field offers an unlimited opportunity for training of the masses.

5. Again, we were privileged to have Mr. Verl Capps serve as a full-time summer worker. Mr. Capps has made a place in the hearts of the Oklahoma church music family. His work and life among us are invaluable.

6. Something new has been added to our church music calendar—the Church Music Conference at Ridgecrest. A separate week has been dedicated to church music, in the Ridgecrest activities. There were more than 1,000 in attendance for the Conference, in August. Oklahoma was well represented on the faculty and in the classes.

7. We will look forward to the Music Edition of The Baptist Messenger, in December, and also Music Month, observed the entire month of December. At this season, carol singing, oratorios, and cantatas will be featured.

Baptist Student Union

There are 11,000 plus Baptist students enrolled in the twenty-three colleges and universities of Oklahoma. To aid the state secretary in the work of the Baptist Student Union on these campuses are three full-time and six part-time student secretaries: Kermit E. Whiteaker, Okla. A. & M., Stillwater; E. Warren Woolf, Oklahoma University, Norman; Bert Edmison, Tulsa University; Jerome Zickrick, O.B.U.; Mrs. Ray Ingram, Central State, Edmond; Carl Kniffin, Southwestern Tech, Weatherford; Miss Frankie Newson, Cameron College, Lawton; Miss Frankie Harris, Baptist Hospital, Muskogee; and Henry Haynes, Northeastern State, Tahlequah.

The requirements for the successful promotion of a Christ-centered, Youth-centered, and Church-centered Baptist Student Union Movement are competent leadership, a worthy program and adequate equipment. These are our eternal emphases.

The following activities have been promoted under the direction of the State Department of Student Work, in 1949:

1. A State Planning Meeting, held in Oklahoma City, with local and state student leadership mapping out the work for the year.

2. The Spring Retreat at Falls Creek. More than 200 officers of the local Executive Councils came together for three days of study and prayer. The emphasis at this annual meeting is on methods and plans for successful promotion of the calendar of activities for the ensuing school year.

3. In June, the annual Student Retreat at Ridgecrest was attended by 75 students and student leadership from Oklahoma. Several served on the Ridgecrest staff all summer. Our college young people are always perceptibly enriched and energized for Christian living and service through the mountain-top experiences of Ridgecrest.

4. Summer Volunteer Service. During the summer months, hundreds of our Baptist students volunteered for service in Youth Revival teams, Daily Vacation Bible Schools, teaching and training programs and general mission work in Oklahoma and other states, under the direction of the Baptist General Convention and the Home Mission Board.

5. Outstanding among our summer activities was the opening of the Baptist Student Center at Falls Creek. This building is dedicated to the purpose of informing the hosts of youth that come to Falls Creek what Southern Baptists mean by a Baptist Student Center—a home away from home for college young people.

6. The most outstanding Student Convention program Oklahoma college students have yet experienced is expected, Nov. 18-20, this

year. The two emphases of the program will be Missions and Youth Evangelism.

7. It is hoped that every church and pastor in Oklahoma will show their usual fine spirit of cooperation with Student Night at Christmas observance, Dec. 25. This is an opportunity unparalleled for college student recognition.

Ira C. Prosser

42. Reverend Samuel W. Scantlan brought the "Report on Rural and City Missions and Falls Creek" and spoke concerning these departments which are under his direction. Motion carried for adoption of the reports.

RURAL AND CITY MISSIONS

"Go ye therefore and teach all nations." Matt. 28:19.

"Go out quickly into the streets and lanes of the city." Luke 15:21.

"Go out into the highways and hedges." Luke 15:23.

Monthly reports from the fine, hardworking missionaries of Oklahoma show that these men are literally carrying the Gospel to lost men in every nook and corner of the state.

Not only do the missionaries hold revivals, teach study courses, etc., but they plan for other work to be done which they, themselves, can never do.

Reports show that the entire organization of the association continues to work at the task of winning souls by extra effort through mission points sponsored by the churches.

From October 1, 1948, to October 1, 1949, missionaries of Oklahoma reported the following results:

Revivals held	208	Scriptures and tracts	
Professions of faith	1834	given	121,559
Additions by baptism	1643	Study Courses held	216
Additions by letter and statement	751	Church fields surveyed	247
Church and mission visits	3590	Dead churches revived	29
Served in Schools of Missions	31	New churches organized	12
Sermons preached	5503	Missions established	31
		Church houses built	128

Each association in Oklahoma runs the program of missions according to its own liking. The State Board helps in a financial way and offers other assistance where desired.

The program of associational missions, as Oklahoma associations carry on in cooperation with the State and Home Mission Boards, is fast becoming the plan of mission work throughout the Southern Baptist Convention.

Christ's command is "Go."

FALLS CREEK ASSEMBLY

"I will lift up mine eyes unto the hills, from whence cometh my help." Psalm 121: 1.

The story of Falls Creek is ever fresh to Oklahoma Baptists. This great assembly sprang eternal from the deep current of love that welled up from the hearts of a people who have achieved much in the realm of the moral and spiritual.

Located in an obscure valley in the Arbuckle Mountains of Southern Oklahoma, the Falls Creek Assembly grounds have become the mecca for thousands of youth during the first two weeks of August each year.

The sprawling grounds enshrined in the hills reflect silently, but movingly, upon the pilgrims who come to feel the greatness of Jehovah God in a true assembly atmosphere. Here youthful hearts are bound together in unbroken ties of Christian fellowship,

where God's message in sermon and song sounds and resounds among the friendly hills.

Year by year churches, realizing the spiritual and moral value of the assembly to their young people, have erected nice buildings ranging in size from small one room cabins to large bungalows and, in some cases, even two, three and four deckers.

This year, 1949, there were 15,739 registered at the gate, 75 found Christ as Saviour, 423 rededicated their lives to greater service, 16 surrendered for the ministry, 44 for Foreign missions, 14 for Home missions and 130 for special service in other fields.

Falls Creek Assembly is with Oklahoma Baptists permanently. Property investments now run above the million dollar mark. There are 260 buildings on the grounds and other new cabins will soon be completed.

The program becomes more and more intensive annually and, no doubt, in the future each week of the summer will find some group of worshippers on the premises.

E. W. Westmoreland, program chairman, gives us better programs each year by bringing our strongest teachers to Falls Creek.

SCHOOLS OF MISSIONS

"Southern Baptists will do when they know." The program of Schools of Missions is to give missionary information to the churches and thus increase gifts to the Unified Budget, which includes all mission causes.

A School of Missions is a project in which the church comes together to study missions and to hear an inspirational address from a missionary. A Simultaneous School of Missions is cooperating with other churches to do the same thing at the same time.

In the past year there have been seven simultaneous Schools of Missions in Oklahoma with 104 churches participating and a total attendance 14,572 reported from five of the schools. Sixty-eight missionaries made 600 addresses, reported nine conversions and twelve dedications for special service. Three of these schools had study classes with 580 enrolled.

Plans have already been made for other simultaneous Schools of Missions in Oklahoma this fall. The best schools are planned from six to twelve months in advance, thus giving ample time for securing the missionary speakers and enlisting the churches and membership in the program.

45. Secretary Andrew Potter presented the "Report of the Board of Directors" and the "Report of the Board of Directors of the Baptist Foundation."

REPORT OF THE BOARD OF DIRECTORS

Introduction

"And the Lord said unto Moses speak unto the children of Israel, that they go forward."—Exodus 14:15

The Lord gave this forward command to Moses, the chosen leader of the chosen people, not long after they had received instructions that made sure their spiritual preparation for the glorious advance they were to make. Moses had given them this command:

"Fear ye not, stand still, and see the salvation of the Lord."—Exodus 14:13.

For more than a century, Oklahoma Baptists have heard the Lord's command to "go forward." Our chosen leaders have spoken and they have led the people from one victory unto another. Once again, Baptists in Oklahoma stand ready to go forward. We hear our leaders as they speak and stand without fear—witnessing the salvation of the Lord. Our people are ready to claim the blessings and share in the glory that will come from "going forward with Christ" in the ever advancing program of world-wide missions.

God's people will always go forward—heeding the Master's command to "go . . . into all the world."

The Board of Directors presents this report outlining the work and achievements of the past year and setting forth some recommendations for the coming year.

STATE MISSION PROGRAM

The total program of the convention is a great cooperative missionary endeavor. All phases of this work whether projected to a single association or extended to all parts of the state, the homeland, or the foreign field are correctly termed missions. This program as it is extended within the boundaries of Oklahoma is, therefore, considered the state mission program.

Dr. Andrew Potter, Executive Secretary-Treasurer of the Baptist General Convention of Oklahoma, has served for sixteen years as the chosen leader in this great missionary cause. He has seen the mission program of Oklahoma Baptists expand into a great cooperative movement that encompasses every phase of our denominational life and extends into every church of the state.

Reverend Thomas B. Lackey, Assistant Executive Secretary, serves in an able manner assisting in the administrative direction of the total program of the convention. He is particularly responsible for promotion of stewardship and enlistment of our people in going forward with Christ through the Unified Budget.

State Missions are promoted through the thirty-seven associations with the mission work of the Convention being projected to all

churches and areas of the state by the seven departments and the five Baptist institutions, which have been organized and established for the purpose of more effectively promoting the cause of Christ. These departments and institutions are listed below. A more detailed report of the work and services they perform appears in other sections of this booklet.

Department of Religious Education, Department of Rural and City Missions, Department of Evangelism and Brotherhood, Woman's Missionary Union, BAPTIST MESSENGER, Department of Sacred Music and Baptist Student Union, Fall's Creek Assembly.

Baptist Orphans' Home, Oklahoma Baptist Hospital, Miami Baptist Hospital, Southwest Baptist Hospital, Oklahoma Baptist University.

BAPTIST FOUNDATION

The Baptist Foundation is an agency of the Convention existing for the purpose of stabilizing the institutions owned and operated by Oklahoma Baptists. Its existence, therefore, gives stability and security to all phases of the state mission program.

In August of this year, Dr. Auguie Henry, Pastor of the First Baptist Church, McAlester, was elected as Executive Secretary of the Baptist Foundation. He assumed the duties of this office on September 15.

A complete report of the Foundation is prepared and issued separately from this booklet. All activities of the Foundation are recorded in that report.

THE YEAR IN REVIEW

Oklahoma City was host to the Southern Baptist Convention during the week of May 15-22. All of Oklahoma's 300,000 Baptists joined in giving the 10,000 brethren from twenty-two states a sincere, Christian welcome. The convention had met in Oklahoma City twice before, first in 1912 and again in 1939.

Outstanding highlights of this convention were undoubtedly the presentation of the challenging "Advance Program" of Southern Baptists, and the two great evangelistic services. In presenting the "Advance Program," an appeal was given by the Foreign Mission Board for a ten million dollar budget necessary to ultimately send 1750 missionaries to foreign fields.

The first of the Evangelistic Services was a giant youth rally held on Saturday night, May 21, at the Municipal Auditorium with youthful Howard Butt delivering a stirring evangelistic message.

Dr. Ellis A. Fuller preached a powerful gospel message to 25,000 people at Taft Stadium on the final Sunday evening of the convention, bringing it to a glorious climax.

Highlights of Baptist work in Oklahoma and the missionary achievements of the past year are revealed by the following data:

THERE ARE 42 BAPTIST ASSOCIATIONS WITH A TOTAL OF 1,044 CHURCHES AND A MEMBERSHIP OF 313,103 (INCLUDING INDIAN CHURCHES).

EVANGELISM AND BROTHERHOOD

Since March 11, 1948, Reverend J. A. Pennington has led in the state program of evangelism and brotherhood work. He has served as an efficient secretary of these departments and Oklahoma Baptists have continued to move forward in the great business of soul-winning and enlistment of the manpower of the churches.

Evangelism

Although 1948 was reported as our greatest year in evangelism, a number of our associations show a good increase in baptisms during 1949.

The Evangelistic Conference met at Oklahoma Baptist University, and was well attended in spite of the heavy snow. This conference will be held with the First Baptist Church, Muskogee, on January 23-25, 1950. Leaders in every church are urged to attend this important conference.

The 1950 simultaneous evangelistic crusade, April 9-23, presents one of the greatest challenges ever given to Southern Baptists. Every association in Oklahoma has voted to participate. Every church should co-operate to the fullest extent in this crusade. More than 450 churches have already voted to take part in this forward movement in evangelism.

The following table reveals some interesting facts concerning evangelistic work for the past year and 1948.

Brotherhood

There has been more interest shown in the Brotherhood work of Oklahoma Baptists in the past few months than ever before in the history of our work. Many new brotherhoods have been organized with a number of our largest churches having strong organizations. They are proving to be a definite help in carrying out the whole program of the church and denomination.

The State Brotherhood Convention was held in Oklahoma City with approximately 1,500 men attending. The next Brotherhood Convention will also be held in Oklahoma City on March 7, 1950.

The brotherhoods are being asked to accept definite responsibilities in planning for and in executing plans for the 1950 evangelistic crusade.

Another important part of the brotherhood work is the night meeting of the associational Evangelistic and Missionary Conferences held in January of each year. This year a good attendance of men prevailed in each association and the same program will be carried out again in January, 1950.

RURAL AND CITY MISSIONS

Reverend Sam W. Scantlan has directed the rural mission program of Oklahoma Baptists for the past five years, and for the past year, he has also supervised the City Mission program.

The state mission program is promoted through the association on the theory that if a good program is carried on in each associa-

tion, the state as a whole will have a good mission program. The state is divided into thirty-seven associations. An associational Board and a Superintendent of Missions plan and direct the work in each association. The Board of Directors of the Convention helps in a financial way, and offers other assistance when desired.

Reports show that the entire organization of the association continues to work at the task of winning souls by extra effort through mission points sponsored by the churches.

From October 1, 1948, to October 1, 1949, missionaries of Oklahoma reported the following results:

Revivals held	208
Professions of faith	1834
Additions by Baptism	1643
Additions by letter & statement	751

Dead churches revived	29
New churches organized	12
Missions established	31
Church houses built	128

The program of associational missions, as Oklahoma associations carry on in cooperation with the State and Home Mission Board, is fast becoming the plan of mission work throughout the Southern Baptist Convention.

FALLS CREEK ASSEMBLY

Falls Creek Baptist Assembly located in the Arbuckle Mountains near Davis in Southern Oklahoma, is the largest encampment of its kind in the world. The first two weeks of August each year has been reserved by thousands of young people for this assembly.

In August 1949, 1,633 more people registered at the gate than in 1948, giving a total of 15,739.

Under the dynamic preaching of Dr. "Charlie" Taylor, there were seventy-five conversions, 423 rededications, sixteen surrendered for the ministry, forty-four for Foreign Missions, fourteen for Home Missions, and 130 for special service in other fields.

The permanence of Falls Creek Assembly has become an established fact to Oklahoma Baptists. This is shown by the fact that property investments now run above the million dollar mark, with 260 buildings now on the grounds and other new cabins soon to be completed.

Reverend Sam W. Scantlan is business manager and Reverend E. W. Westmoreland is program chairman for the Assembly.

BAPTIST ORPHANS' HOME

During the past year, the Baptist Orphans' Home located in Oklahoma City, ministered to 216 children. Two girls from the Home graduated from High School.

On January 1, 1949, Reverend H. Truman Maxey was elected Superintendent of the Home after having served fourteen years as Resident Manager. He is ably assisted by Reverend Wade B. East, Field Secretary, and Reverend Judson Cook who was added to the staff as Field Representative during the past year. Mrs. Edith Stinson is Personnel Supervisor and resides at the home. Reverend C. E. Goatcher who has served many years as Farm Supervisor retired July 1, 1949, and his services are missed from the staff.

The Board of Directors carried out the recommendation of the Home Committee and voted to change the annual Christmas Love Offering to a Thanksgiving Love Offering each year. This offering will be November 20, with a goal of "One Day's Pay" from every Baptist.

An Orphans' Home, "Make Your Will Week" during the last week of April is highly recommended and can be a wonderful means of securing many Wills, and thus helping to perpetuate the work of Oklahoma Baptists in their assistance to homeless and needy children.

An Orphans' Home Chairman was elected in each of the thirty-seven associations in order to keep the needs of the Home before the people. Listed below are the Associational Chairmen:

RELIGIOUS EDUCATION

The Religious Education Department is engaged in promotion of both Sunday School and Training Union work. Reverend E. W. Westmoreland serves as secretary, and Reverend Clyde Clayton, associate and Adult worker. Other full-time field workers in this department are: Miss Sophia Duerksen, and Miss Connie Bradley; part-time field workers are: Mrs. J. W. Barron, Mrs. Wayman Hiner, Mrs. M. L. Field, and Mrs. G. H. Caudill. Mrs. Dorothy Sneed serves as Office Secretary and Miss Helen Pim, Receptionist.

This department set new records in both Training Union and Sunday School last year. The Sunday School enrolment at the close of 1948 was 207,606, a gain of 11,290 over the previous year. Training Union enrolment at the close of 1948 was 63,943, a gain of 9,654 over the previous year. Sunday School training awards totalled 15, 959; Training Union awards rose to 21,820.

Standard units reported were 300 in Sunday school and 227 for Training Union. Vacation Bible Schools have increased steadily in the past few years with a total enrolment in 1948 of 66,496 in 722 Schools.

Associational leaders have been elected in each of the thirty-seven associations in order that the work of the Training Union and Sunday School may be promoted more effectively throughout the state.

SACRED MUSIC AND BAPTIST STUDENT UNION

The work in these two important departments of the state mission endeavor has been directed by Mr. Ira Prosser for the past four years. The growth of both programs gives evidence of the recognition that our people are giving to better church music and the Baptist Student Union.

Sacred Music

Baptist churches in Oklahoma continue to attract the best in church music leadership. Significant activities and achievements in this part of our denominational program include: the State Planning Meeting held in January and attended by twenty-seven associational music officers; Music Festivals conducted in several associations during the year; the Church Music Clinic at Oklahoma Baptist University in June; music training classes taught at Kiamichi and Falls Creek Assemblies where a total of 2,500 attended, and eleven music leaders from our churches served as teachers and directors; and the Church Music Conference conducted during August at Ridgecrest.

Mr. Verl Capps served again as a full-time summer worker in the department. His services were gratefully received by our church music family in Oklahoma.

Baptist Student Union

Baptist students enrolled in twenty-three Oklahoma colleges and universities continue to claim the interest and efforts of our state mission cause as one of the most worthy groups. More than 11,000 students who are on these college campuses are Baptist youth, and the state secretary of this work is aided in the promotion of a Christ-centered, youth-centered, and church-centered movement by three full-time and six part-time student secretaries. Kermit Whiteaker, Oklahoma A. and M. College, Stillwater; E. Warren Woolf, the University of Oklahoma, Norman; and Bert Edmison, Tulsa University, serve as full-time secretaries. Part-time secretaries are Mrs. Ray Ingram, Central State College, Edmond; Jerome Zickrick, Oklahoma Baptist University, Shawnee; Miss Frankie Harris, Baptist Hospital, Muskogee; Carl Kniffin, Southwestern Institute of Technology, Weatherford; Miss Frankie Newsom, Cameron Junior College, Lawton; and Miss Caroline Miller, Northeastern State College, Tahlequah.

Baptist student work for 1949 has included the following activities: the State Planning Meeting; the spring retreat at Falls Creek; the annual Student Retreat at Ridgcrest attended by 75 students and leaders from Oklahoma; summer volunteer service held during the summer months when hundreds of Baptist students volunteered for youth revival teams, Daily Vacation Bible Schools, teaching and training programs, and general mission work in Oklahoma and other states.

The opening of the Baptist Student Center at Falls Creek was an outstanding event of the summer.

The State Baptist Student Union Convention scheduled for November 18-20, and observance of Student Night at Christmas claim the greatest interest in this program for the remainder of the year.

BAPTIST MESSENGER

At the July meeting of the Board of Directors, Reverend Albert McClellan submitted his resignation as Editor of the BAPTIST MESSENGER to accept the position of Director of Publicity for the Executive Committee of the Southern Baptist Convention. He had served as editor for the past four years.

During Mr. McClellan's successful tenure in this work, the improved contents and increased circulation of the publication have been very effective in extending the scope of Oklahoma Baptists' influence.

Dr. Jack Gritz was elected to succeed Mr. McClellan and came to the position from the pastorate of the First Baptist Church, Tahlequah on August 1, 1949. By background and training he is particularly well qualified for this important place in our denominational family. He is a native of Oklahoma and received his high school and initial college training in Oklahoma schools. After graduating from Oklahoma Baptist University in 1939, Mr. Gritz entered Southwestern Seminary at Fort Worth and received the degree of Th.M., in 1942. Later he entered Southern Seminary at Louisville and completed his Th.D. in 1947. Dr. Gritz has already proven himself and is continuing to maintain the high standards which have made the BAPTIST MESSENGER one of our outstanding religious publica-

tions.

As always, the BAPTIST MESSENGER continues to balance the material it prints, giving attention proportionately to (1) doctrine (2) devotion (3) information (4) promotion. It lays equal stress on home and foreign missions.

This year, the BAPTIST MESSENGER jointly sponsored with the Baptist Book Store five district workshops emphasizing (1) church news-writing (2) church libraries (3) visual education. The workshops were well attended and did great good in emphasizing the importance of using modern methods in church work.

The subscription list totalled 47,707 on June 15, 1949. There were 579 churches enlisted in the church budget every member plan. There remains, however, more than 450 churches that do not have this plan.

WOMAN'S MISSIONARY UNION

Since February 15, 1948, Miss Margaret Hutchison has served as Executive Secretary of the Woman's Missionary Union. Mrs. M. S. Whitehead has served as State President. Other personnel in the Woman's Missionary organization are Miss Abbie Louise Green, Young People's Secretary; Miss Martha Thomas Ellis, Field Worker; Miss Marjorie Keys, Office Secretary; Miss Peggy Young, Stenographer.

The Woman's Missionary Union work is organized into fourteen districts with a president of each; and thirty-six associations with a president and young people's director in each, who promote the work in their respective areas.

Districts hold one meeting annually. Associations usually hold at least four quarterly rallies, with associational institutes and camps and rallies for young people. Attendance at the fourteen district meetings last year was 2,176.

The Woman's Missionary Union was host to the Southern Woman's Missionary Union at its annual meeting held in Oklahoma City. Several hundred Oklahoma City women served in many different ways to help make these guests welcome to Oklahoma.

There was an increase in Woman's Missionary Union organizations in the state last year: the number of missionary societies increased from 656 to 681 with a membership of 21,227. The number of young people's organizations was 1,047 with a membership of 14,022. During the first six months of 1949 there were 1,176 new tithers reported making a total number of tithers, women and young people, 9,851.

The 1948 Lottie Moon offering for foreign missions was \$78,815.14; the Edna McMillan offering for state missions was \$15,063.18; and the Annie Armstrong offering for home missions amounted to \$28,643.32.

OKLAHOMA BAPTIST UNIVERSITY

For more than fourteen years, Dr. John W. Raley has served as President of Oklahoma Baptist University. The report for the past year reveals an enrolment for the regular session of 1,446; summer session 386; summer school for preachers 30; Church Music

Clinic 60. There were 14 additions to the faculty with 14 doing graduate work, and one completing the work for the Ph.D. degree.

There were 275 ministerial students enrolled who reported 5,088 sermons delivered, 796 professions of faith, and 1,079 additions to churches. They reported a total of 385,689 miles traveled.

Principal additions and improvements to the campus and buildings include completion of the Bison Fieldhouse, residence for the president, installation of a new water main along the north side of the campus, and conversion of the former home of the president into a residence for faculty women. Construction is proceeding rapidly on a new faculty apartment building financed by the Faculty Building Association.

RETIREMENT PLANS

Every full-time church worker—pastors, educational directors, church secretaries, janitors—are eligible to participate in the Ministers Retirement Plan. Necessary application blanks and other information may be secured from Dr. Andrew Potter, Secretary-Treasurer, 223½ Northwest First Street, Oklahoma City.

On October 1, there were 372 ministers and other religious workers actively participating in the Ministers Retirement Plan with a total of 357 churches actively engaged in the Plan along with these workers. There were 44 participating in the Board Plan and 27 in the Orphans' Plan. There were 124 participants in the Widow's Supplemental Annuity Plan.

The total number of annuitants receiving checks through this office was 58. The seven preachers who retired during the past year are listed below:

James J. Autrey
C. E. Goatcher
S. J. May

A. J. Seale
J. B. Sims
A. F. Wasson

BAPTIST BOOK STORE

The two Baptist Book Stores in Oklahoma are owned and operated by the Sunday School Board of the Southern Baptist Convention. These stores are located at 223 Northwest First Street, Oklahoma City, and at 216 East Fourth Street, Tulsa.

We recommend the fine service which these stores render, and proudly think of them as important phases of our Oklahoma Baptist program.

The Oklahoma City store will be located in the new Baptist Headquarters Building at Eleventh and Robinson when it is completed.

THE BAPTIST BUILDING

The Baptist Building which has been under construction during the past two years at the corner of Eleventh and Robinson in Oklahoma City is rapidly nearing completion. When this building is finished and occupied, the Baptist General Convention of Oklahoma will have one of the most beautiful structures erected solely for denominational use to be seen in the entire South.

This building has been designed to house all departments of the Convention, the Baptist Book Store, and a beautiful chapel adequate for meetings and conferences of approximately 200 people. During the past five years, the present headquarters building has been inadequate for all the offices of the Convention. Office space and auxiliary storage room has been rented in other downtown buildings during this time. With the completion of the new Baptist Building, all departments and offices will be housed in one building and the work of all can be more effectively coordinated and performed.

An open house will be held as soon as possible after occupancy with an invitation extended to all Baptists and other friends of the state to visit the Convention's new home.

HOSPITALS

Oklahoma Baptist Hospital

The Administrator of Oklahoma Baptist Hospital, Muskogee, is Mr. J. P. Cox, who has served in this capacity for the past four years.

The nurses' home at this hospital has been enlarged and completely redecorated during the past year. About fifty nurses are in training. We are justly proud of the work being done and the service rendered in these institutions of mercy. The property valuation of this hospital in 1932 was \$294,000 compared to approximately one-half million dollars at the present time.

Miami Baptist Hospital

For the past year, Dr. J. F. Murrell has served as Administrator of the Miami Baptist Hospital. He has continued to maintain the high standards of service which our Baptist Hospitals have always manifested.

The property valuation of this hospital has increased from \$152,000 to \$190,000. This is an accredited institution, and is a member of the Blue Cross Plan.

Southwest Baptist Hospital

On June 5, 1949, the Southwest Baptist Hospital, Mangum, was officially opened, and it is already serving the people of Southwest Oklahoma with efficiency. The Baptists of this state rejoice in the Lord's leadership and blessings in connections with the opening of this hospital. It is equipped and furnished with the most modern equipment and facilities that are obtainable, and the entire structure presents a monument of beauty in this kind of Christian missionary cause.

The citizens of Mangum and the surrounding area raised approximately \$90,000 for remodeling and equipping the original building which was transferred to the Convention free of debt. The Convention contributed \$25,000 to the project to give Oklahoma Baptists an investment of more than \$100,000 in this fifty-bed hospital.

Dr. A. F. Wasson, who served so efficiently as Administrator of the Miami Hospital, was selected for the same position at the Southwest Baptist hospital. Dr. Wasson resigned, however, on September

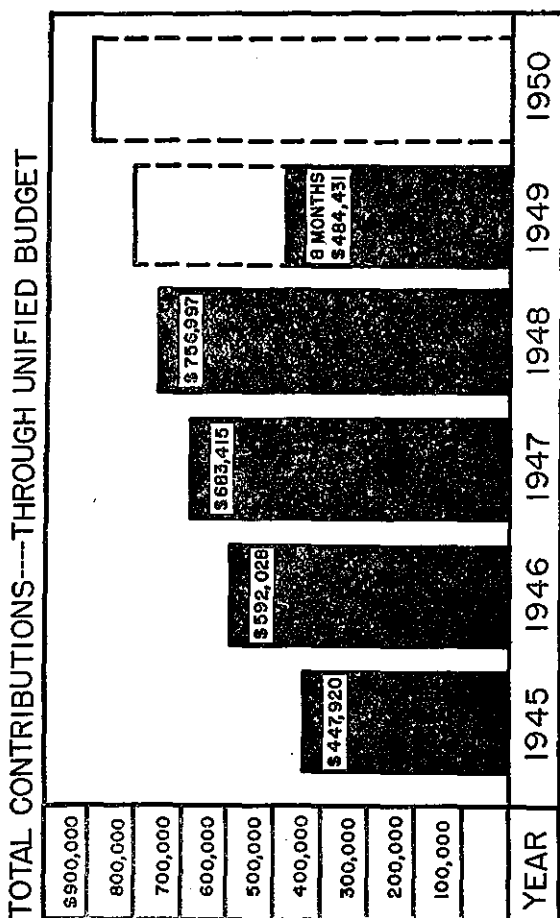

1, 1949, because of ill health and retired to his ranch in New Mexico.

Reverend J. Grover Scales, formerly pastor of the First Baptist Church, Commerce, succeeded Dr. Wasson as Administrator of the Hospital.

UNIFIED BUDGET

The response of Oklahoma Baptists in the matter of contributions to missions and benevolences has been characterized by a splendid spirit of cooperation and continued increase of gifts.

Contributions through the Unified Budget for the past five years are shown by the following chart:

Unified Budget Set-up for 1950

Division of funds for state and southwide purposes has been made this past year in accordance with the plan approved by the Convention last year. Contributions received through the Unified Budget have been divided fifty-fifty each month after expenses of the general office, the Woman's Missionary Union, Minister's Retirement Plan, supplement to the BAPTIST MESSENGER, and Oklahoma Baptist University were deducted. This plan of apportionment is suggested for 1950 with the increased Unified Budget goal of \$900,000.

The increased goal is necessary if Oklahoma Baptists accept the challenge that is before them. The Foreign Missions Advance Program presents clearly the great need for more missionaries, and the mission cause in our own state and nation is continually growing. With more Baptists than ever before in Oklahoma, there are also more churches being organized and more associations being formed. All of this results in more demands upon the work of each department and produces a wider scope to which the Convention's services must be extended.

The Special Campaign launched in 1949 to raise \$300,000 for student centers on our college campuses will not be continued in 1950 as a special campaign, but will be promoted and completed through the budget, and the designated gifts secured through the Baptist Foundation.

Oklahoma Baptists are on the march in the advance of God's Kingdom by accepting the challenge of "Every Baptist a Tither."

Each of the thirty-seven associations have adopted a goal for 1950. The total of these goals amounts to \$887,542.50, but our people are urged to increase contributions sufficiently to reach the goal of \$900,000 and beyond in 1950.

GENERAL RECOMMENDATIONS

1. That it will be our policy to operate on a cash basis.
2. That we exercise the most strict economy consistent with the best administration and promotion of our work.
3. That we instruct all agencies provided for in the budget not to incur any debts which are unauthorized by the Board of Directors during 1950.
4. That the 1950 State Mission Budget be projected on a basis that will insure no deficits at the close of the year.
5. That the expenses of the general office, Woman's Missionary Union, Ministers Retirement Plan, supplement to the BAPTIST MESSENGER and Oklahoma Baptist University be deducted, after which Unified Budget funds shall be divided fifty-fifty between state and southwide causes.
6. We further recommend that the next building commitments be for student centers at the University of Oklahoma, Norman, and Oklahoma A. & M. College, Stillwater, and that these buildings shall not be started until sufficient funds are available to insure their completion.

CONCLUSION

This report presents briefly the record of Oklahoma Baptists during the past convention year. Surely, God has blessed us as a people and our churches have cooperated in bringing as well as sending the gospel to the multitudes who were lost.

Summarizing, we see that a harvest of 17,223 souls was won to Christ during the year. This does not equal the all-time record of 1948, but surely our people will accept this as a greater challenge to go forward in 1950 and to truly advance with Christ in the great evangelistic crusade.

There was contributed a total of \$561,610.33 through the Unified Budget for the first nine months of 1949. This exceeds contributions for the same period in 1948 by \$20,977.58. In addition to this and other designated contributions, \$55,900.43 have been raised during the first nine months of this year on the Special Building for Tomorrow Campaign.

Sunday School and Training Union enrolment has continued to increase this year until an all-time high has been reached. More and more people are being taught the word of God and are being trained for Christian service through these departments of our churches.

Our associations have carried on greater missions programs during the year with rural and city churches uniting to reach more and more of Oklahoma's unchurched population. Practically every association in the state has kept a full-time superintendent of missions on the field for most of the year and the state mission program has assisted in promoting this work.

The Brotherhoods and Woman's Missionary Union organizations have enlisted the men and women of our churches and are promoting an enlarged program of missions in every part of Oklahoma.

Our Baptist institutions continue with their ministry, and through increased facilities and staffs, are meeting the demands being made on them for their important work. Oklahoma Baptist University, the Baptist Orphans' Home, and our three Baptist Hospitals each occupy cherished places in the hearts of our people.

The Convention's capital investment in property has continued to increase until the total valuation of all property now exceeds \$5,000,000. The new headquarters building when completed will be added to the total.

We are humble and grateful for the blessings that God has bestowed upon Oklahoma Baptists. We will "go forward with Christ."

and looking back is fit for the kingdom of God."*

Under the able leadership of Dr. Andrew Potter, Executive Secretary of the Baptist General Convention, the Baptist Foundation of Oklahoma was authorized by the Convention in 1945. The constitution and by-laws were approved by the Convention in 1946 and the offices of the Foundation were actually set up on April 7, 1947.

From the time of its organization until September 15, 1949, Dr. Potter served as the Executive Secretary-Treasurer of the Foundation, and during the first year he was assisted by Dr. John W. Raley, President of the Oklahoma Baptist University. Without any additional remuneration, Dr. Potter has faithfully given as much time as he could to the Foundation, along with the heavy responsibilities as Executive Secretary of the Convention. We are deeply grateful for his services and for the progress of the Foundation.

For some time, Dr. Potter has felt that the responsibilities of the Foundation were such as to necessitate the securing of a full time secretary. He has consented, for the present, to continue as Treasurer, and to assist the new Secretary in every way possible with whatever time he can give, in addition to his other responsibilities.

The Board, concurring with Dr. Potter in his decision that the time had arrived for the employment of a full time Secretary, began looking for a man with the qualifications necessary for filling this important position in our denominational life. After considerable thought and prayer were given to personnel for meeting these qualifications, the members of the Board came to the conviction that God has providentially prepared one of our own Oklahoma Baptist sons for this high office.

Therefore Dr. Augie Henry, pastor of the First Baptist Church, McAlester, was unanimously elected as Executive Secretary and was officially installed in the office on September 15, 1949.

Dr. Henry is a graduate of Oklahoma Baptist University. He brings to his new position a background of more than 25 years of successful pastoral and denominational leadership. He has served as pastor at Pryor; Alva; Bethany Church, Kansas City, Missouri; First Church, Blackwell; First Church, Bartlesville; and First Church, McAlester.

During these 25 years, he has served on various important committees and boards of the Baptist General Convention of Oklahoma

and the Southern Baptist Convention, including 14 years as a member of the Board of Directors of the State Convention, and 13 years as the Oklahoma member of the Home Mission Board of the Southern Baptist Convention. He is the first native son of Oklahoma to be elected as President of the Baptist General Convention. He is well known and greatly beloved by our Baptist people.

Dr. Henry is coming to the Foundation at the very prime of life. He has sufficient maturity based upon a successful ministry, including a wide contact with denominational, civic and educational groups, that assures him the confidence of our people. At the same time, he is capable of continued mental and physical effort in an aggressive program for the Foundation.

Plans for 1950

We face the year of 1950 with a renewed zeal and optimism. In keeping with the purpose of the Foundation to procure funds for capital needs and endowment for our institutions and agencies, to hold, invest and disperse funds according to the designations made, we recommend the following plans for the year 1950:

I. That we endeavor to inform our people as to what one may accomplish through the Foundation.

1. In the information given to our people should be included the following:

(1) That one does not give to the Foundation but **through** the Foundation to the different institutions. Not even the operating expenses of the Foundation are taken from the gifts made through it. These expenses are provided by the Unified Budget. Therefore, every dollar contributed goes to the institution or institutions designated by the donor.

(2) That our institutions are greatly in need of over-and-above gifts.

(3) That credit is received on income tax reports for contributions made through the Foundation to any of the institutions.

(4) That all inquiries regarding gifts, wills and annuities should be addressed to Dr. Auguie Henry, 308 Kerr-McGee Building, Oklahoma City.

(5) That all gifts to the Foundation should be sent to the same address.

2. This information should be presented by the following means:

(1) From the pulpits of our churches,

(2) By speakers in local, associational and state meetings of various kinds,

(3) By the distribution of literature at various meetings and through the mails,

(4) By the use of the **Baptist Messenger**, church bulletins and the secular press, and

(5) By the solicitation of Dr. Auguie Henry and the members of the Board of Directors of the Foundation.

II. That we endeavor to reach an objective of 100 members for the Thousand Dollar Club during 1950.

1. A large number of Oklahoma Baptists are well able to contribute a thousand dollars over-and-above their gifts to their local church budgets and the Unified Budget.

2. There are many others who cannot give a thousand dollars but who could contribute smaller amounts. Their gifts will be just as welcome as the larger ones, for the Foundation was organized as a means by which everyone may make a gift for any amount to any or all of our institutions.

III. That we endeavor to secure wills for the institutions.

1. Wills involving any amount of money or property will be acceptable.

IV. That we endeavor to secure annuity agreements.

1. There are people who have money that they do not need at the present time which they expect ultimately to give to some of our institutions.

2. The Foundation will work out an annuity agreement with such people, paying a stipulated amount of interest regularly on the principal, with the understanding that the principal will ultimately go to such institution or institutions designated by those making the annuity agreement.

V. That we endeavor with the help of the pastors and other leaders of our churches to compile a list of potential contributors of large gifts.

53. Rev. J. A. Pennington, Secretary of Baptist Brotherhood and Evangelism, brought a message on the subject "The Climax of All Christian Endeavor." Motion carried to adopt the "Report on Evangelism."

EVANGELISM

"Go ye into all the world and preach the gospel to every creature."

There are still more than one million people in the state of Oklahoma above nine years of age that need to be won to Christ. Our divine imperative is to win this multitude. We will never be able to bring all of them to Christ, but there is no reason why we cannot take Christ to every lost soul in Oklahoma.

We are making progress along this line. All the reports are not in for this year's work, but the indications are that this will be another good year in evangelism.

The severe weather of January again interfered with the attendance at our Evangelistic Conference at O.B.U. However, those who were there pronounced it as one of the best.

Recognizing the magnitude of the 1950 Simultaneous Evangelistic Crusade, April 9-23, 1950, west of the Mississippi River, and the need for thorough preparation for same, we would present the following recommendations:

1. That our statewide Evangelistic Conference be held with the First Baptist Church of Muskogee, Oklahoma, January 23-24-25, 1950.

2. That we urge our people to pray earnestly for a revival that will result in the salvation of many lost souls.

3. That the associational organizations be urged to make thorough preparation for this Simultaneous Crusade in their association.

4. That we also urge our pastors to lead churches to cooperate whole-heartedly in planning for and in executing the plans presented for thorough preparation for this Simultaneous Crusade.

5. In order that thorough study be given to each phase of this important work, we would suggest for your approval a state Steering Committee to correspond to, and work with, the associational Steering Committees.

The suggested Committee Chairmen are as follows:

W. D. Wyatt, General Chairman

J. A. Pennington, Organizer

T. B. Lackey, Finance

F. A. Norman, Publicity

Harold Lindsey, Radio

Jess Dittmar, Fellowship

E. W. Westmoreland, Census

Max Stanfield, Special Rallies

Robert S. Scales, Prayer

H. T. Wiles, Visitation

Ira Prosser, Music

A. L. Lowther, Special Nights

Anson Justice, Attendance

Thurmond George, Extension

6. Since evangelism is our divine imperative we would urge each association and every church to participate in the 1950 Simultaneous Crusade, and make plans for at least one other revival in each church, and if possible a youth-led revival.

7. We would urge every church to have a perennial program of evangelism, seeking week by week to bring the lost to Christ and church membership.

The following resolution was adopted:

Whereas, this Convention recognizes that widespread distribution of the printed Word of God is a basic necessity in the task of world evangelism to which we are committed, and

Whereas, we recognize that the American Bible Society renders an essential worldwide missionary service through translating and publishing the Scriptures without note or comment and through distributing them without profit and usually below cost,

Therefore, Be It Resolved,

First, that we earnestly request our churches and our people to make contributions to the work of the American Bible Society, all such contributions to be sent through the regular channels to the Baptist state headquarters office, marked "for the American Bible Society."

Second, that we approve an offering for the work of the American Bible Society to be taken in the churches on a day to be set by the Executive Board and to be promoted by our Convention as a part of its mission program.

AMERICAN BIBLE SOCIETY

In every missionary advance, the Bible goes forward first!—This principle has been demonstrated throughout the whole course of Christian missions. It is a basic factor in all planning for an Advance Program for worldwide missions.

If the people of the world are to know Christ—the one hope of men and nations—they must have the Bible. It is the one primary source of knowledge of Him.

Today—when millions of people around the world are turning to the Bible as never before and when there is a severe shortage of missionaries in many fields—Bible distribution is more than ever a “must.” The Bible is the missionary’s chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man’s heart.

Providing the Bible for worldwide mission work is an essential missionary task.

Every man must have the Bible in his own native tongue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it and send it to him, wherever he may live.

In most countries of the world, the income of the people is so low that they cannot afford even the bare cost of the printed Scriptures. Someone must help those who can pay only a part of the cost and the many who cannot pay at all.

The American Bible Society, a missionary non-profit organization, supported by gifts, serves as that “Someone.” It aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit and usually below cost, for use in mission work around the world.

Working in cooperation with the churches and the denominational mission boards, the Society serves every form of Southern Baptist work, at home and abroad.

During 1948 the American Bible Society—

—distributed at home and abroad nearly 10 million volumes of Scriptures;

—in its World Emergency program, reached a total of nearly 20 million volumes of Scriptures in 8½ years distributed to service men, prisoners of war, displaced persons and civilian populations in Europe and Asia.

—provided needed printing machinery, paper and binding materials for producing large quantities of Scriptures in Germany and Japan on a self-help basis.

1949 opportunities call for an Advance Program of Scripture distribution.

In today’s “uneasy peace” the heart of all mankind is gripped by fear that we will not be able to control the destructive forces set loose by our own inventive genius. Men are realizing that the Bible presents the only real answer to the needs of men and nations, and are earnestly seeking the Word of God.

But it is a race against time. Today’s hungry-hearted eagerness for the Word of God may not last indefinitely; opposing forces are at work.

In 1948, Southern Baptist churches gave \$106,739 to the American Bible Society; total gifts to the Society from churches of all denominations amounted to \$922,192. Increased gifts will be required to provide for urgent needs for missionary advance throughout the world. Please send gifts to your Baptist State Headquarters office, marked "for the American Bible Society."

81. Dr. Harold Lindsey brought the "Report of the Committee on Radio" and motion carried for its adoption.

Reverend Anderson spoke in the interest of Radio programs arranged at Oklahoma Baptist University.

THE RADIO COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

The Radio Commission is one of four Commissions serving as agents of the Southern Baptist Convention. It is composed of one member from each state in the Convention and nine members serving at large. The Commission is supported by a \$76,000 share of the receipts of the cooperative program, fees for services rendered to other agencies of the Convention, and by contributions. The purpose of the Commission is to sponsor and promote the use of radio and television as media for the gospel, and to serve in the capacity of an agent in the Convention.

The Director of the Commission is Dr. S. F. Lowe. He and his staff serve the Commission from a new \$150,000 home in Atlanta Georgia.

The activities of the Commission are varied:

I. THE BAPTIST HOUR

The primary activity of the Commission is to produce the Baptist Hour—a year-round program at the present. The new year-round program is a "Venture of Faith" being produced from Atlanta over a network of 132 stations in 21 states. The Hour seeks to win the lost, help unify all Baptists, increase the support of the cooperative program, and to support the principle of separation of church and state. The present program being a continuous one will reach an estimated audience of 50 million people and thereby have a greater possibility of realizing its objectives. This year-round venture was authorized by the Convention in Oklahoma City last May with the recommendation that funds be raised by direct appeal to individuals.

II. TRANSCRIPTIONS

The Commission maintains a transcription library of over 10,000 recordings now being used throughout the Convention. In 1948, 2,357 records went out from the Commission to 304 stations which broadcast a total of 3,959 programs during the year. Millions have heard the Baptist message through this service. Special devotional programs have been prepared for use in Government Hospitals. During 1948-1949 chaplains wrote the Commission praising these transcriptions as the best in the field. The demands on this service have grown beyond the ability of the Commission to provide.

III. TELEVISION

The newest activity of the Commission is in the field of television. Two programs were pioneered in 1948 and further plans for television are underway. These programs have been made available on 16mm colored films and may be secured for use in churches. This field of service is new and costly and of necessity the Commission is proceeding cautiously and modestly with the idea of entering the field as effectively and quickly as possible.

IV. PROMOTION--COORDINATION

Besides these activities the Commission serves the Convention as a coordination and promotional agency. The Commission is provided with the best in radio personnel and equipment and is prepared to do any service for the Convention in the field of radio service.

V. NEEDS

There is a need to realize \$150,000 from capital needs funds of the cooperative program to pay for the new Commission home in Atlanta. There is a further need for contributions to help support the new year-round Baptist Hour. This need amounts to \$60,000 per quarter. Contributions should be sent to the Commission in Atlanta.

82. Dr. J. W. Hodges made motion that message be sent to the following sick brethren:

V. A. Jones, Sayre; Dr. Elmer Ridgeway, Oklahoma City.

83. Dr. John Newport brought the "Report of Committee on Social Service."

Reverend Anson Justice brought a motion to strike paragraphs four and six from this report. Motion carried to adopt the report as amended. The report as adopted by the Convention is printed here:

SOCIAL SERVICE REPORT

Recently, at Oxford University, Oxford, England, a discussion was held on the subject: "How are we to face the present crisis?"

Ronald Knox, translator of the Bible and eminent Roman Catholic theologian said, in substance: "The world is evil. We cannot do much about it. Let us content ourselves with our own salvation and hope. Let us rise above the vicissitudes of history and the downfall of the nations."

A young Oxford professor immediately retorted: "This is an intolerable detachment. We need to make a civilization by our own efforts."

These statements are representative of two general attitudes which are quite prevalent in the United States and in the world.

One is what we may call the "other-worldly" attitude. This

group says that we as Christians should have little or nothing to do with this sinful world but rather content ourselves with our own individual Christian experience and hope. The fulfillment of the promises in the Bible will come primarily only in the next world and beyond history, they affirm.

The other attitude is what we may call the "this-worldly" attitude. This group says that we can make the world what it should be and what we want it to be by our own efforts without any divine resources or outside help. There is no need of an "other world" in their scheme.

It is obvious that both of these groups have inadequate answers. To find the true answer we must turn to the prophets of Israel and to our Lord Jesus Christ. Following the example of the prophets of Israel and of Jesus Christ, we as Oklahoma Baptists are to be both "other-worldly" and "this-worldly." Few people would accuse Oklahoma Baptists of not being "other-worldly" enough. One of the great contributions of Baptists has been our belief in divine resources, the supernatural Savior, the new birth and evangelism.

However, we must remember that our Savior not only said: "My Kingdom is not of this world," but also that we are to pray: "Thy Kingdom come, thy will be done, on earth, as it is in heaven."

Because we believe in Jesus as the only Savior, because we believe in the necessity of resources from another world, in the life hereafter and in the Second Return of Christ at anytime—we should not be led away from our responsibilities in this earthly city. These beliefs are not to keep us from achieving higher possibilities in history.

It is therefore the purpose of your Social Service Committee to suggest ways by which Oklahoma Baptists can achieve higher Christian standards in this earthly city.

This year your Social Service Committee is not attempting to list facts showing the desperate need of personal and united Christian social action. The facts are evident and available from many sources. Rather we are suggesting some definite methods and techniques which can help us to do something positive at the community and state level through our local churches.

1. We urge that every Baptist church in Oklahoma pray for, encourage, and support the officers and workers of the United Drys of Oklahoma.
 - (1) We recommend that as many of our churches as possible can put the United Drys in their budget for a worthy amount, and that others unable to do this make a worthy offering during the year and send the funds to the United Drys, 315 Commerce Building, Oklahoma City, Oklahoma.
 - (2) We recommend that our pastors preach at least one sermon every year against the ravages of the liquor traffic and, where possible, use the officers of the United Drys to inform the people.
 - (3) We would call attention to the misnomer of "temperance." As Christians, we do not advocate temperance where beverage alcohol is concerned; we advocate total abstinence. The fact that in America today there are approximately sixty-five million people who drink beverage alcohol either

regularly (at least three times a week) or occasionally is a tremendous challenge for Christian action.

For this reason, we suggest that each church have a Total Abstinence Day each year when members will be asked to sign "Total Abstinence" Pledges.

2. We recommend that every church take some definite step this year towards improving Race Relations in your community and in our nation.

- (1) Secure copies of the pamphlet "Race Relations" which is a Charter of Principles approved by the Southern Baptist Convention in 1947 and reaffirmed in 1948. Copies of this Charter may be obtained from the office of Dr. Hugh A. Brimm, Executive Secretary of the Social Service Commission of the Southern Baptist Convention. His address is: 2825 Lexington Road, Louisville, Kentucky. Especially call the attention of your people to the following principles of action:

- a. We shall think of the Negro as a person and treat him accordingly.
 - b. We shall continually strive as individuals to conquer all prejudice and eliminate from our speech terms of contempt and from our conduct actions of ill-will.
 - c. We shall teach our children that prejudice is un-Christian and that good-will and helpful deeds are the duty of every Christian toward all men of all races.
 - d. We shall protest against injustice and indignities against Negroes, as we do in the case of people of our own race, whenever and wherever we meet them.
 - e. We shall be willing for the Negro to enjoy the rights granted to him under the Constitution of the United States, including the right to vote, to serve on juries, to receive justice in the courts, to be free from mob violence, to secure a just share of the benefits of educational and other funds, and to receive equal service for equal payment on public carriers and conveniences.
 - f. We shall be just in our dealing with the Negro as an individual. Whenever he is in our employ we shall pay him an adequate wage and provide for him healthful working conditions.
 - g. We shall strive to promote community good-will between the races in every way possible.
 - h. We shall actively cooperate with Negro Baptists in the building up of their churches, the education of their ministers, and the promotion of their missions and evangelistic programs.
- (2) Teach Study Course books such as, "Of One" by Dr. T. B. Matson.
 - (3) Appoint a committee in your church to investigate the conditions and needs of the Negro section in your community and bring the results to your people.
 - (4) If possible, in February of each year exchange pulpits and choirs with a local Negro church.
 - (5) Ask the Negro churches to join with you in Simultaneous Revival Meetings.

3. Juvenile Delinquency is one of our most serious problems. Our churches must analyze the causes and seek to remedy the situation.

(1) We look with disfavor upon the increasing worldliness of our social life. Our public schools are prone to plan very little social life except dances. There is a strong tendency toward the formation of teen-age clubs and canteens which are modeled upon night club procedures. The drunkenness and open betting at football games is deplorable. In the words of Dr. Chester Swor: "Many fathers and mothers plan events in their homes and clubs honoring their sons and daughters, and go about it with such a spirit that the children are logical in concluding that according to parental values the 'goddess of popularity' is the chief divinity to be worshipped."

Frankly, we are alarmed at the rising tide of personal dishonesty, and the disrespect and disregard for law and order on the part of students in our public schools and colleges. The vast amount of cheating, gambling of every sort, stealing, the destruction of private and public property, and many other types of dishonesty are tragic in themselves; yet even more tragic is the fact that so many people who are caught in these dishonest acts resent being told that they are doing something wrong. It is our firm conviction that much of this practice begins in the homes where there is a lack of teaching and guidance on the part of parents as to what is right and wrong, and thus there springs up a total disregard on the part of many children for parental authority and the rights of others.

- (2) We deplore the increasing desecration of the Sabbath, which is largely the fault of adults. We are alarmed at the increasing commercialization of Sunday, such as Sunday baseball, Sunday excursions, the increasing use of Sunday for civic enterprises, and for the holding of civic and political conventions. These indicate that we are more and more making Sunday a national holiday rather than a day of worship.
- (3) We register our protest with the producers of motion pictures against the alarming increase in the number and treatment of drinking scenes in recent productions and against the production of films that glorify and glamorize immoral conduct. We recommend that the work of the Protestant Film Association be commended. Their efforts to produce high quality films are meeting with success as witnessed by their widespread use in churches and religious groups.
- (4) It is suggested that our Christian churches plan positive recreational activities for young people.
4. It is suggested that each church conduct a Christian Home Week each year—preferably in May. In addition to Cradle Roll Day and Mother's Day some or all of the following conferences can be held utilizing competent Christian leaders.
- (1) Children's Hour
- (2) Dating and Courtship

- (3) Preparations for Marriage
- (4) Adjustments of Early Marriage
- (5) Problems of the Expanding Family
- (6) Adjustments of the Contracting Family
- (7) The Unmarried

There are many other issues such as Universal Military Training, Separation of Church and State, Displaced Persons and Southern Baptist Relief which should concern every Baptist church and with which we do not have space to deal in this report.

Dr. Hugh Brimm, Executive Secretary of the Social Service Commission, is always ready to furnish you with available material. He is also available for Social Service and Christian Home Weeks in local churches.

The Oklahoma Baptist Convention has the largest membership of any evangelical denomination in Oklahoma. This affords Oklahoma Baptists a great opportunity. Likewise it confronts us with a great responsibility. Let us rise up to meet this responsibility and let the action begin with your local church.

IN MEMORIAM

"For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens." II Cor. 5:1

Our convention reverently pauses here to honor those of our Baptist friends who have gone from Oklahoma the past year, to be with the Lord.

We warmly and cordially express our sympathy to the loved ones who remain, and commend them to the amazing grace of our God.

Let us look upon death as those who have been delivered from the power of death, through the resurrection of our Lord and Saviour Jesus Christ. And as we do, we heed the admonition of Paul, and "sorrow not as others who have no hope."

Our tears give way to smiles; our grief is displaced with joy, as we realize our inheritance awaiting us in the Glory Land of God.

We would not call back our departed loved ones if we could, knowing that "it is far better to depart and be with the Lord."

We thank God for their labors of love. We pray God that those of us who remain may be found faithful in the sacred tasks which He has committed to our hands and hearts until our day is done.

"Jesus said unto her, I am the resurrection and the life: he that believeth in me, though he were dead, yet shall he live: and whosoever liveth and believeth in me shall never die." John 11:25-26

PRESIDENT'S MESSAGE

God Gave the Increase

God has the right to expect and demand of his children the fruits of right living. Evil fruit or no fruit at all is a disappointment to God.

What is true of the fruits of an individual Christian life, is also true of an organization dedicated to the task of missionary endeavor. It is God who provides all the favorable conditions for fruitful growth. It is from His hands that all increase in Kingdom growth comes. Though He is responsible for increase, we alone bring about decrease or failure, for it is never God's will that there shall be a lack of fruit in Christian growth.

Thus it is to God our creator, our saviour and sustainer of life that we give praise and thanks for the increase in our lives and in Woman's Missionary Union as we look at this time at the records for the year past, and toward the year to come.

Over the Southland there have been heartening increases showing again God's wondrous blessings of the efforts the women have made in His name. There have been gains in new organizations and in the number of members of W.M.S., nearly 45,000, and in young people, over 25,000. Each new member is a woman "reached" for missionary activity. There have been gains in the development of those members through more mission study classes, through more missionary reading, more seasons of prayer observed, and as a result more praying, more giving and more women engaged in definite, planned community missions.

Long awaited directors for the departments of Stewardship and Community Missions have been secured. Our well-known and beloved Mrs. C. D. Creasman, writer of the Royal Service programs for so many years, is giving three-fourths of her time as Stewardship Director of Woman's Missionary Union. She averages two weeks on the field, and one week of promotional work done in the home each month. We know she will provide all the helps we can and will use. Surely God will expect further increase in quantity and quality of "Faithful Stewards."

Again we rejoice that Miss Edith Stokely, with her invaluable experience in directing young people in soul-winning and other missionary activities as a student secretary, has come to give full-time to Woman's Missionary Union as Community Missions Director. As she has been doing preparatory study for her new work she writes that from her research into past records, minutes and reports she has a new insight into the workings of Woman's Missionary Union which has brought a deeper understanding, love and appreciation for what it has been doing through the years. She feels a vast opportunity is before us as she and the resident members of the Southwide Community Missions Committee meet to discuss plans for the promotion of this department.

We will look forward to seeing and knowing our community director and to cooperate in following her leadership. Surely this too is a step forward in the service Woman's Missionary Union can render.

A matter of definite physical growth is on the hearts and minds of all members of Woman's Missionary Union, and a special matter of importance to Mrs. Martin, Miss Hunt and those charged with the responsibility of carrying it forward. You will know I am speaking of our expectations of building a headquarters building in Birmingham.

Miss Hunt reminds us that as a result of steady growth through 61 years the business of Woman's Missionary Union is a concern of considerable proportions. The need for larger headquarters is a growing need because the work is growing. We are grateful to God for the way in which He has blessed Woman's Missionary Union. Others have labored and prayed and given, and with God's help have met the needs in other days. We will meet the needs in our day!

As you know the lot has been purchased and necessary preliminary surveys and drawings begun. The architects' original sketches and estimates called for an estimated cost of \$309,000. The Building Committee realizing that the time had come when more adequate housing of our work was imperative, if this work was to progress, and at the same time realizing that the necessary funds for the building were nowhere in sight, asked the architect to cut down his plans so that the total cost of building and landscaping would not exceed \$250,000. This he did and the results were most disheartening when it was realized how much had to be sacrificed in the shrinking. The Building Committee members were united in thinking that an inadequate building would be an unwise investment of the money now on hand or pledged. The gifts of the states as a memorial to Miss Mallory have been added to individual bequests that have been made, thus leaving about \$100,000 needed to carry through adequate plans. Since this report a number of states including Oklahoma have worked out plans whereby their gifts for the building can be increased. Word has come that Texas women have devised a plan whereby they hope to contribute \$50,000 to the building. Thus the dream is nearer realization when, as Miss Hunt says, "The Building will stand with Woman's Missionary Union over the door, and 'Welcome' on the mat." John Ruskin said, "When we build let us think we build forever. Let it not be for present use alone, and let us think as we lay stone on stone that a time is to come when these stones will be held sacred because our hands touched them."

We are reminded that this responsibility lies on this generation. The building will be built by all, and belonging to all.

The total W.M.U. gifts for 1948 is impressive! It was over \$9,000,000 including over \$1,603,000 for Lottie Moon Offering. Yet we see in the figures for Annie Armstrong Offering, one of our own failures! Despite the fact our 1949 offering is some \$10,000 above 1948 it remains that for two years we have set \$1,000,000 as our goal and at both times have failed signally to approach that goal. Oklahoma women have made a substantial increase in that offering each of these years, but we too have failed to meet set goals each time.

From the Home Board we read that because of that failure the Calvary Baptist Church of Balboa, Canal Zone will have to continue worshipping in a dilapidated building that may be razed by the

government at anytime. Small struggling churches in New Mexico and Arizona and recently added mission fields in Washington and Oregon were expecting aid but will be disappointed.

The Hopi and Apache Indians in Arizona must continue pleading for missionary co-workers and suitable places to live for certain stations cannot be provided. Only three out of ten volunteer workers in Cuba will be able to attend the seminary though more trained workers are urgently needed. Had our churches reached the goal we could have assisted in constructing twenty new church buildings in the western states, ten new buildings among language groups, appointed thirty new missionaries for fields that are now vacant because of retirement, death or transfers, and started thirty new mission stations with needed furnishings and personnel. But the goal was not reached and we cannot do any of these things now. I hope we remember these who have been left out as we give to the Annie Armstrong Offering another year.

As we think of the increase in our Oklahoma Woman's Missionary Union, we find that we have provided our proportionate share of the Southwide increase. We have a 20% increase in women tithers, an increase in members and an increase in organizations. A special note of interest in the increase is the number of organizations observing the Seasons of Prayer, and average attendance of women attending missionary programs. That surely accounts for increase in gifts, and development of the women.

Facing the need for continuous growth we read this challenge to God's people.

"Challenge Thy people, Jehovah of hosts,
Speak as of old at this hour.
Silence alike their complaints and their boasts,
Challenge Thy people with power.

"Speak to them out of a pillar of cloud,
Speak in a pillar of flame.
Show them their sins lest they dare to be proud,
Show them their weakness and shame.

"Give them a task that will drain their life's blood,
Lead on a wilderness way.
Call them to conquest through fire and through flood,
Challenge Thy people, Jehovah, TODAY!"

—Selected

God has challenged Southern Baptists in the Advance Program to increase our gifts and personnel on all fields. We cannot meet this challenge without an increase of power in our individual lives and in our organized Christian forces. We will not even want to be given the tasks and opportunities that are ours till we ourselves are more like Christ.

We read of an Indian philosopher who said, "Christ is all right but you Christians are not like Him." Yes, our Christ, our beliefs, our ideals are all right but it is we ourselves who are not all right because we are not like Christ. To meet the staggering opportunities of our day, we must get in touch with the original power of Christianity. How? Christ promised power from on high. He said, "Ye shall receive power." He did not say, "Ye shall receive spiritual

power." Spiritual power is not isolated from other powers. It is not spiritual power we need but the Spirit Himself in us using all the powers we have. You and I would have spiritual power if we put our abilities and money into the Kingdom's work everyday. The supply of power is infinite. We are not fit to be trusted with all the power that could be ours for we misuse what we do have for our own ends. The only safe use of power is in testimony to God. Any power you and I have, could be safely used to this end. It is tragic that we so lightly play at the Christian's immense business of using God's power all around us in the world to make God truly known to men. We must have a renewed touch with the living God in all our uses of the ordinary powers of the world.

We have learned that the all enveloping purpose of our activity upon earth is not just to make our fellow man happier, not even the winning of individual souls, but the end of all is that God's kingdom may come on earth.

This purpose is shown forth very plainly in our watchword for the coming year, a purpose we alone will never be able to achieve unless we turn all we are over to God's use.

We read that we are "Laborers together with God," "To give light to them that sit in darkness and in the shadow of death; to guide our feet into the ways of peace." Luke 1:79

Knowing in our hearts the wonder of salvation and abundant life at the hands of a Saviour whose joy it was to die for us while yet sinners, can we deny this wonderful knowledge to others who need Him too? What we think of our salvation conditions what we do for the lost. What is our answer to the billion twelve million pagans who blindly seek a Christ we know? The glorious program of advance in mission fields carries with it not only an opportunity but we hear an ominous undertone. We are reminded this may be our "best chance" to give Christ to many of the world's people. That failure to preach Christ with all our power will spell our own doom, and perhaps endanger our civilization with complete annihilation. We believe in a God of infinite power and majesty, the sovereign Lord of time and eternity. He alone can empower us to meet so great a challenge, to win our victories for us. But the majesty and power of God must be interpreted in the discipleship of the followers of our Lord. We cannot lightly shrug off the imperatives of the Christ who has come and calleth for thee. It is to this Christ we look for leadership of our lives and service, of our missionary activities as organized women.

May every effort made this past year in his name go on and on bearing fruit till the end of time as countless lives are influenced. May we put more love, and sacrifice, courage, and prayer in even the smallest service in the year to come.

May we enliven and enrich our study, our service, our giving, our leadership of our young people until a glorious total will mount upon the missionary efforts of 875,000 women and young people enrolled in our missionary organizations. Surely God has a right to expect and demand great things of us, and surely our gifts and prayers will be multiplied to meet the challenge of world need—"To give light to them that sit in darkness and in the shadow of death; to guide our feet into the way of peace."

—Mrs. M. S. Whitehead.

MISSION STUDY REPORT—1949

It has been said that the nineteenth century made our world a neighborhood; that the twentieth century must make it a brotherhood—or nations will destroy each other. Truly, our today's world is a neighborhood. If world brotherhood is to be based on individual belief in Christ as the Saviour of mankind, then, that is the mission of every Church and every Christian in our land.

In my humble judgment, one of the greatest needs of this hour is more Christ-like Christians. Casual effort will not overpower Satan. Luke-warm, half-hearted Christians can not penetrate the ignorance and indifference of this lost world. We need Christians who will portray Christ in their everyday lives. Christians who will put Christ and His program first. Christians who will seek the will of God in all matters. Christians who will sacrifice for the cause of Christ. Christians who will obey the teachings of Christ. To this end, we need Christian leaders who feel themselves "as stewards appointed by God, as volunteers in the army of the Lord, as souls redeemed through the blood of Christ." We need leaders who are well rounded in their points of emphasis. Therefore missionary education should be given a prominent place in every church program.

The right kind of missionary education will result in a constituency that prays intelligently, gives cheerfully according to the Bible plan, and serves Christ efficiently by serving humanity. Such a constituency with missionary fire in its heart can win the world to Christ. If God be for us who can be against us. Through missionary education we are made to realize our individual responsibilities as "world citizens"; we catch a vision of world conditions and needs; and find our places in God's world plan. Sad, but true—far too many Christians fail to find their places unless stimulated to do so. Aren't we grateful today that Woman's Missionary Union has a definite plan to stimulate this interest?

Paul admonished the Corinthian Christians to be "steadfast, unmovable, always abounding in the work of the Lord." The work of the Lord includes a definite mission study program because Christ said, "Look on the fields." How can we look on our home and foreign fields, in many instances, save through the printed page? Inspiration to act comes from an intimate knowledge of conditions and needs. The study of the Missionary Fundamental books will inspire us to the spiritual commitment so essential to an interest in world missions.

Oklahoma women and young people can plant the seeds, water and tend the plants, but "God giveth the increase." We are grateful for His leadership through the year thus far. He has led 20 (a gain of 5) Associations to report the first three quarters. I refer to Atoka, Banner, Beckham, Caddo, Central, Chickasaw, Comanche-Cotton, Delaware-Osage, Jackson-Greer, Muskogee, North Canadian, Northeast, Northwest, Oklahoma County, Panhandle, Perry, Pittsburg, South Canadian, Tillman, and Tulsa-Rogers. Six Associations made two reports; four made one, and seven have no report.

"We must study geography until there is for us no foreign land," said Bishop McDowell, "must study humanity until there is for us no foreign man." If the nations of the world ever expect to get

along peaceably with each other, they must understand each other. To understand this world, we must know its peoples, their beliefs; for what people believe shapes their actions and national policies. The finest place to plant these seeds of understanding is in the hearts of our young people.

According to our reports, approximately 20,000 women and young people (a loss of 20%) have studied in 2150 classes (a loss of 14%) in an effort to better interpret world conditions. This loss is counteracted by 11,800 (a gain of 54%) completing the course. In other words, 54% more people attended over half the class sessions, read the book, and made a statement concerning new facts learned. These have said with the patriarch Job, "The cause I knew not I searched out." They have accepted the cry of Isaiah, "My people have gone into captivity because they have no knowledge," as a warning to today's people.

Woman's Missionary Union believing that the admonition written by the aging Paul to young Timothy, "Give attention to reading," is appropriate for today's women—has provided the reading circle and missionary round table plan of study. Our report is a bit conflicting since it shows that 9,800 read a mission book. This figure should reveal the number completing the course plus those reading a mission study book outside class, all reading circle and Missionary Round Table books. However, this number is a gain of 63% over the number reported last year. The report on M.R.T. is of necessity inaccurate because I have no way of knowing how many organizations carry over from one quarter into another. The first quarter we had 71 with 533 members; the second, 30 with 303 members; the third 37 with 480 members. From these statistics you readily see that we heeded our theme to "Go Forward" in some phases of our work but not all.

May these figures inspire us to actually attain our goals in each local society in the new year:

- (1) Two more classes than were held this year
- (2) Every member enlisted in a mission study class
- (3) Every member completing the course
- (4) School of Missions in each Church
- (5) A Mission Study Institute in each Association

May we strive this next year to major on better teaching methods in order to enlist and hold more class members.

May we so pray and so plan our Mission Study work that it may result in Service to humanity, Thinking for ourselves, Understanding of God's plan, Devotion to Christ, and a Yielding to God's Will.

REPORT OF STEWARDSHIP CHAIRMAN 1949

Our Missionary organizations are certainly not mercenary organizations, but if our missionary program is to be advanced it must be adequately and intelligently financed.

Figures are fascinating when understanding reveals the facts behind them.

We have 38 Associations in our State W.M.U. organization. The last one organized October 14, 1949. Out of the 37 that have been organized for the year 5 have made no reports at all. They are: Caddo, Comanche-Cotton, Johnston-Marshall, Latimer and LeFlore. Haskell has no W.M.U. Associational organization, but I had the privilege of going to one of the Churches in that Association and helping to organize a Business Woman's Circle.

Fourteen of the Associations have made reports each quarter.

They are:

Beckham—Mrs. J. E. Standifer, Chairman
 Central—Mrs. Sam Snowden, Chairman
 Delaware-Osage—Mrs. Norma Hatch, Chairman
 Harmon—Mrs. W. C. Williams, Chairman
 Jackson-Greer—Mrs. Hugh Foreman, Chairman
 Kay—Mrs. H. O. Kelly, Chairman
 Muskogee—Mrs. C. W. Campbell, Chairman
 Northwestern—Mrs. Paul Darden, Chairman
 Okla. County—Mrs. Janie Braniger, Chairman
 Perry—Mrs. R. C. Highfill, Chairman
 Salt Fork—Mrs. Howard Halcomb, Chairman
 South Canadian—Mrs. Lawrence B. Aylor, Chairman
 Tillman—Mrs. Malcom Owens, Chairman
 Tulsa-Rogers—Mrs. Pearl Darrow, Chairman

Nine other Associations reported 2 quarters, while 8 reported only once. These reports tell us that we have:

Societies:—

579 W.M.S. organizations with 20,597 members

14,318 contributing through U.B.

Young People's organizations:—

1,161 new tithers with a total of 7,688 tithers—also that we have 908 auxiliary organizations with 11,409 members

6,209 contributing through U.B.

660 new tithers with a total of 3,230 tithers—making a grand total of 10,918 tithers.

38% of all women enrolled in W.M.S. are tithers, or a 20% increase over 1948.

Of all young people enrolled in auxiliaries 3,230 are tithers or a 64% increase over 1948.

We have also had an increase in number of members in W.M.U. organizations contributing to the two seasons of prayer. We had nearly \$3,000 increase in Annie W. Armstrong Offering over 1948.

Recognizing ourselves as faithful stewards of our Lord is a source of joy when we know the lifting power of our thousands, yes, millions of dollars a year as they build churches and advance the missionary program to the extent of liberating the Gospel message to the uttermost parts of the world.

COMMUNITY MISSIONS REPORT

"Abounding in the Work of the Lord" Through Community Missions

1. **What**—Missions is winning the lost and Christianizing society. Community is the place where you live; the bounds of your association. Community Missions then is applied Christianity. "Go home and tell." Mark 5:19
2. **Why**—Because our friends and neighbors are dead in trespasses and sin and Christ has left them in our hands. Quoting from Phillips Brooks: "To seek for the reproduction of Christ's mind in the mind of the community is the greatest aim we can cherish."
3. **Who**—All the women and young people in the church. Select the most consecrated woman you can find for the Chairman, not only of the society but one for each circle. These must be aggressive leaders, not afraid of work, having open minds and understanding hearts, showing mercy to all races and classes.
4. **When**—"Now is the accepted time, behold now is the day of salvation." When a survey of your community has been made, then with much prayer try to meet the needs of the unsaved, unchurched, sick, elderly, poor, needy and unfortunate.

THE LISTENING HEART

He told the Lord his plans for coming days;
 His haughty heart was set on mighty ways.
 With every nerve and sinew—he went;
 But goals seemed far—and he was nearly spent.

Then after days of wand'ring to and fro,
 He listened to the words, "Be still, and know."
 And instantly he saw what had been dim,
 Because he listened when God spoke to him.

REPORT OF HOSPITALS CHAIRMAN

Our subject for departmental reports—"Abounding in the Work of the Lord"—is certainly a fitting one to apply to hospital work. Abound means to have in plenty or abundance, and I know of no other place where work is more abundant than in a hospital. Our hospitals never close, work goes on twenty-four hours per day—every day in the year, and surely work in Christian hospitals is work in the name of the Lord. The Christian hospital seeks to go beyond relieving physical pain by adding comfort to saddened hearts, healing broken spirits and exemplifying the compassion of Christ as he ministered to human needs.

Oklahoma Baptists can well afford to be proud of owning and operating three hospitals, all of which are modern and efficient in every respect. Oklahoma Baptist Hospital at Muskogee with Mr. J. P. Cox as administrator, and Miami Baptist Hospital at Miami with Rev. J. F. Murrell as administrator, have rendered valuable services to their respective communities for many years. On June 6 this year, the Southwest Baptist Hospital at Mangum, with Rev. J. Grover Scales, administrator, opened its doors to the sick and suffering, giving the people of Mangum and surrounding territory opportunity to regain health in a Christian institution.

All three of our hospitals give good reports of the work accomplished during the year. Many improvements and repairs have been made and much new and needed equipment added. Miami Hospital is particularly proud of a beautiful chapel which has been furnished and equipped this year by the First Baptist Church of Miami.

This department, known as Hospitals, was placed in Woman's Missionary Union's plan of work that Baptist women might be more conscious of what they can do to serve our hospitals. It is our purpose, first, to do what we can to help promote the Mother's Day Offering. The gifts from this offering mean much to the hospitals. The Mother's Day Offering for this year amounted to \$6,868.14, which is an increase over previous years. This amount is divided equally between the three hospitals. There have also been designated gifts coming to the hospitals through other channels. Such gifts as reported to me amount to \$1,265.98.

Second, we encourage the members of Woman's Missionary Union to give linens, scripture tray cards, jellies and preserves — the little extra things that add a touch of love to our hospitals and are greatly appreciated. The estimated value of supplies received this year is \$3,486.48. In a recent letter which I received from J. Grover Scales, administrator of the Southwest Baptist Hospital at Mangum, he had this to say: "The response to our Mother's Day appeal for linens was fine, and these linens are still being used. The cash offering is a life-saver to our hospitals, as well as the linens they send throughout the year. But beyond all this, your prayers do what material means can never do, for in this venture of healing the sick in the name of the Lord we need prayer and divine guidance." Similar expressions came from the other administrators.

The three hospitals have admitted 3,686 patients this year up to October 1. 627 babies were born in our hospitals. Charity work as reported for this year amounted to \$13,068.04. This figure cer-

tainly gives us an idea how much our gifts are needed. When the good Samaritan took the injured man to the inn he did not expect the inn keeper to take care of him without remuneration. We, too, can be good Samaritans by helping the less fortunate to live. Jesus said "Inasmuch as ye have done it unto the least of one of these my brethren, ye have done it unto me."

We are grateful for the way in which the Baptist women and young people have shared in this work during the year, and our prayer is that next year our efforts will be far greater and much more will be accomplished in this field of service.

Mrs. C. A. Summers
State Hospitals Chairman

ORPHANS' HOME REPORT

From the year in 1869, when the first orphanage among Southern Baptists was located near the city of Louisville, Kentucky, to the present time, the attention of our women has been directed toward the interest and care of orphaned children.

We are grateful that the Orphans' Home Committee became a part of Oklahoma Woman's Missionary Union just one year ago.

To Miss Hutchison, through inspiration and instruction, we are truly indebted, and to the Woman's Missionary Union's office for much help in the beginning of our work.

Thanks to Mrs. Kraft, Orphans' Home secretary, for her invaluable assistance throughout the year.

This report shows "only the beginning" and the initial results, though not complete, are pleasing.

A special occasion came with Mrs. Stinson's generous invitation for "A Day at the Home," May 3, 1949, when some twenty-four associational chairmen came from various parts of our state, to gain from observation a better understanding of our Children's Home, that we might better fill our place in the State plan.

Mrs. Stinson and the others at the Home, made this a thoroughly delightful day. We are invited back next spring, at which time the invitations will include an even larger group. Many things came out of this meeting, with Mr. Maxey and Mr. East directing it.

But one thing of significant importance was the recommendation that the time for Special Cash Gifts, made through our churches, be changed from Christmas to Thanksgiving each year. The State Board accepted this in their July meeting.

We have had a listing of 37 associations, with exception of 3, all have had a chairman.

Reports have been received from 26 associations and 12 have reported for all 3 quarters.

These few, 100% in accuracy and content, have been most gratifying.

With Mrs. Kraft's help, complete packages of information and materials were sent to all chairmen at the beginning of the year.

Also we have answered all requests for extra materials and acknowledged reports.

May I urge each associational president to see that their Orphans' Home chairman receives the prepared report blanks.

A few figures of the required reports: W.M.S. 306. Auxiliaries 481.

In the number of these aiding the Home: The large per cent is from the Woman's Missionary Society. We need to encourage and stress participation of the auxiliaries in this work of love. Cash reported \$13,870.51. Valuation of boxes \$24,594.96.

Many items of interest cannot show in mere figures: Two adoptions of children by societies.

Supplying the allowance for our children as suggested by the Home.

Several bridal gifts and two brides were assisted with their weddings.

Children were taken on vacations.

One W.M.S. gave their boy a bicycle, valued at \$40.00 while on his vacation.

The 47 boxes reported sent contained much more than garments.

An overflow love gift came from an associational rally to be used where needed.

All the way, from the largest to the very smallest report, the hearts of our women have been shown as warm and responsive to the appeal of the Children's Home. We envision an even brighter future, as we seek to apply, with understanding hearts, our directed effort in this labor of love.

"For of such is the Kingdom of Heaven."

REPORT OF STATE BUSINESS WOMAN'S CIRCLE CHAIRMAN

Before I give my report there are two requests I wish to make. I'm sure you will comply with the first one, and I hope you may make possible the other—

Local Presidents—Please mail me the name and address of your Business Woman's Circle Chairman. Any information we have that would be helpful could go direct to them.

Associational Presidents—It would mean much to the promotion of Business Woman's Circles in your Association if you send or at least help defray the expenses of some business woman to the Business Woman's Conference at Ridgecrest August 10-16, 1950. The conference covers every phase of our work. Of the 1118 women attending in 1948 33 1/3% were business women.

Someone has said "The best way to send information to another country is to wrap it up in a person." If you will send one of consecrated business women to Ridgecrest, they will come home wrapped in information and inspiration.

Note the 13th chapter of Matthew, the Parable of The Sower. It is our responsibility to sow the seed, and some of the seed planted this past year have brought forth fruit.

We have 23 new B.W.C. The Tulsa-Rogers Association had the greatest increase. 7 new B.W.C. I wrote all Association presidents but only had replies from 25. Facts revealed—about 120 B.W.C. 2000 enrolled. 2 Federations—Tulsa-Rogers 16 BWC.; Oklahoma County 19 B.W.C.

In March this year we had our first State Conference at Chickasha. It was well attended for our first time, 114 present. We had fun, food, information and inspiration. A home and foreign missionary, Mrs. A. Worthington (Indians), Mrs. Rosalee Mills Appleby, were the missionary speakers. This was all planned by

our Executive Secretary. Those of you who know her know how well she plans. At this meeting a State Business Woman's Federation was organized. Mrs. Vernoy Campbell, Oklahoma City, president. Miss Elva Lucas, Tulsa, vice president. Miss Nadine Leaffy, Enid, secretary-treasurer, now Mrs. Joe Mayfield.

An offering of \$110.00 went to Mr. and Mrs. Bowren, missionaries to Navajos.

Our next Conference will be held March 25-26, 1950, Borden General Camp, Chickasha, Oklahoma. We are expecting our attendance to be double.

Again local presidents, please send name of your B.W.C. chairmen, and if you want your W.M.U. to increase in all phases of our work, go home and enlist your business women.

REPORT OF YOUNG PEOPLE'S SECRETARY

Along the road that leads to tomorrow walks the Spirit of the Future ever wondering what the future will bring.

The safety of the boys and girls who travel this road is threatened by evil spirits. Greed, Ignorance, Lawlessness and Sin hover near to woo, to tempt, and to destroy. Like a guardian angel Sunbeam Bands, Girls' Auxiliaries, Royal Ambassador Chapters and Young Woman's Auxiliaries move along this Road to Tomorrow but weakness and failure are present until Woman's Missionary Societies join hands with her young people. Then as they work together the Spirit of the Future sees the dawning of a Safe Tomorrow.

Up to me sweet childhood looketh
Heart and mind and soul awake
Teach me of thy ways, dear Father
For sweet childhood's sake.

In their young hearts, soft and tender,
Guide my hand good seed to sow;
That its blossoming may praise Thee
Where so'er they go.

Father order all my footsteps;
So direct my daily way
That is following me, boys and girls
May not go astray.

We have in Oklahoma 13,788 young people in our 1,598 W.M.U. young people's organizations. These young people are a step ahead in preparation for living in tomorrow's world, because of the missionary education provided by the women.

Sunbeam Bands

In our state there are 350 Sunbeam Bands, with 1,953 members. 41 new Sunbeam Bands this year. Little children from the age of 4 through 8 studying about missions. Tomorrow depends on today's children, and the shaping of their future lives depends on you.

The realization that by the time a child is 3 years old more than half that can ever be done for his character has been done, makes us know we must provide Christian environment that is sincerely missionary, without racial antagonism or class superiority.

Children can grow up to love all mankind and be channels of God's grace everywhere. 1,953 Sunbeam Band children in our state growing up with a growing knowledge and love of the world children. That will help to "make a chain of friendship to reach the world around."

We do not know what is wrapped up in the lives of these boys and girls but we thank God for the missionary training they are receiving today.

Let us not stunt the spiritual and missionary development of our own children by depriving them of missionary education.

Tithers

We have reported in our state 2,827 young people who are tithers with 867 new tithers in 1949. In our young people's organizations the boys and girls learn about money. They learn that they must be stewards not only of their money but of their time and personality.

Royal Ambassador Chapters

4,960 Junior and Intermediate boys are receiving missionary education through their Royal Ambassador Chapters. We have 380 chapters in Oklahoma, and there have been 47 new chapters this year.

The Ranking System continues to be a most attractive and profitable feature among Royal Ambassador members. You will find that some of your boys have made modes of travel; model airplanes, trains, boats, etc., flags, and lighted maps. The lighted maps have lights where we have mission stations. There are many other interesting things that they make. The boys who make these things have reached the highest rank in the Order of Royal Ambassadors that of Ambassador Extraordinary and Ambassador Plenipotentiary. Some of you have had Recognition Services in your church and have recognized boys for the ranks passed.

Royal Ambassador Conclave

On November 25 and 26 we had our first State Royal Ambassador Conclave. This conclave was held in Oklahoma City. There were 162 boys to attend this state meeting. The boys learned more about world missions as they heard missionaries tell of their work. The boys also met many of our state leaders.

State Camps

The state camping program for our young people brought together some 604 young people in our state. We had five state camps. Intermediate Royal Ambassador Camp with 68 enrolled; Junior Royal Ambassador Camp 161; Intermediate Girls' Auxiliary Camp 89; Young Woman's Auxiliary Camp 90; and Junior Girls' Auxiliary Camp 196. These camps were held at Falls Creek assembly grounds.

This year was the first time we had had an Intermediate Royal Ambassador Camp.

Living for a week with missionaries, national guests, denominational leaders, and other interested young people of their own sex and age enlarges the work and worth of missionary education in the heart and life of the individual young person.

Our camp gifts amounted to \$373.14. The offering from the Intermediate Royal Ambassador Camp was used to help promote Royal Ambassador work in foreign lands; Junior Royal Ambassador Camp for world relief; Intermediate Girls' Auxiliary Camp to River Front Mission in New Orleans; Young Woman's Auxiliary Camp and Junior Girls Auxiliary Camp to the two nationals we had with us Lydia Bravo, from the Philippines and Erika Schmidt, from Germany.

Other missionaries at our camps were: Miss Amelia Rappold, of the River Front Mission in New Orleans; Mr. David C. Yang, China; Mr. Gilber Gima, Hawaii; Mr. C. A. Kennedy, Mr. John Bice, missionary to Brazil; Mr. M. E. O'Neil, missionary to the Mexicans in Texas.

Southwide Camps

This year we had 34 girls to attend the Southwide Y.W.A. Camp at Ridgecrest, North Carolina. We went in a chartered bus. As we traveled we stopped at places of interest. Look Out Mountain, Chattanooga, Tennessee; Cherokee Indian Reservation, Cherokee, N. C.; and the Sunday School Building in Nashville, Tennessee.

One young man attended the Southwide Young Men's Mission Conference at Ridgecrest.

Girls' Auxiliaries

Girls' Auxiliary with a membership of 5, 166 strong, are meeting in 647 Junior and Intermediate Girls' Auxiliaries in our state. We have had 88 new Girls' Auxiliaries this year. We rejoice over this.

We had a state banquet for Young Woman's Auxiliary members and Intermediate Girls' Auxiliary members in November. The banquet was held before the young people's night session at the Annual meeting. We had 250 at the banquet held at the Huckins Hotel in Oklahoma City. The girls came from all sections of our state.

Intermediate Girls' Auxiliary Houseparty

Besides our state Intermediate Girls' Auxiliary Camp at Falls Creek we had an Intermediate Girls' Auxiliary houseparty February 3, 4 and 5. This houseparty was held at the Bordens General Camp Grounds at Chickasha. There were 131 Intermediate girls from over the state to attend this houseparty. Our missionary speakers were Mrs. Rosalee Mills Appleby and Mrs. A. Worthington. The mission offering amounted to \$110.00 and was sent to Miss Dorine Hawkins, one of our missionaries to Brazil. This money was used to help furnish her room at the Girls Training School in Rio.

If our Girls' Auxiliary members keep the Star Ideals undimmed, hold fast to what they have learned about the world's need of Christ, if they practice honest stewardship, of time money and talents don't you see what a host of prepared world citizens we shall provide?

Young Woman's Auxiliaries

One thousand seven hundred and nine Young Woman's Auxiliary members in 208 Y.W.A.'s in our churches with two Grace McBride

Y.W.A.'s in our hospitals and 11 Ann Hasseltine Y.W.A.'s on our college campus. We have had 40 new Y.W.A. organizations this year.

A state meeting that means much to our College Y.W.A.'s is the college Y.W.A. Convention held the first week end in March on a college campus. The convention this year was held in Chickasha at Oklahoma College for Women. We had 64 girls from 8 college Y.W.A.'s.

Missionary Education Plans

Our missionary education plans are wonderful in their scope, aren't they?

Wonderful only because they express the outreach of the Gospel of our wonderful Saviour, and young people respond to the missionary urge.

If we can just keep people alert. I believe the spirit of Christ expressed in missions will stir them. That's why I'm glad to see more boys and girls subscribing to **World Comrades**, **Ambassador Life**, **The Window of Y.W.A.** In 1949 we had 2,882 copies of **World Comrades** coming to our state, 753 of **The Window of Y.W.A.**, and 1,139 copies of **Ambassador Life**. We want more of our young people subscribing to the magazines. I think every child and every boy and girl should have the magazines coming every month to their home.

Our young people held 1,427 mission study classes during the year. The three seasons of prayer weeks were observed by the young people's organization, 340 organizations observing state missions, 525 Home Mission and 431 Foreign Mission Week of Prayer.

We enlisted during the year 5,487 young people in community missions. We want to teach our young people to help others, to win others to Christ, to minister to those in need in their community.

A-1 Organizations

There are 134 churches with full graded Woman's Missionary Unions. It is not easy to be full graded but those who are have leaders, counselors, pastors and W.M.S. members who are fostering. They know the importance of giving missionary education when life is cresting and the young people respond eagerly.

We had 59 A-1 Young People's organizations in our state. **Sunbeam Bands:** Altus First, Alva, Amber, Cherokee, Journeycake Memorial at Dewey, Disney, Hinton, Hominy, Idabel First, Muskogee Central, Miami Second, Oklahoma City, Kentucky Avenue, Putnam City, Shawnee Trinity, Snyder, Stroud, Tahlequah First, and Tulsa Trinity.

Royal Ambassador Chapters: Amber First Int. and Jr.; Geary, Jr.; Hollister, Int.; Idabel First; Muskogee Central, Jr.; Pryor First, Jr.; Prairie View Snyder Chapters.

Girls' Auxiliaries: Alva First, Jr.; Amber First, Int. and Jr.; Bartlesville First, Int.; Clinton, Jr. and Int.; Commerce, Int.; Disney, Jr.; Fittstown, Int.; Hollister, Int.; Hominy, Hugo First, Int.; Idabel First, Int. and Jr.; Kingfisher, Jr.; Leedy, Jr.; Oklahoma City, Kentucky Avenue, Int. and Jr.; Midwest City, Int.; Pryor, Jr.; Shawnee First, Jr. and two Int.; Shawnee Trinity, Jr.; Prairie View, Snyder; Tahlequah First, Int.; Tulsa, Easton Heights, Int.; Tulsa Calvary, Jr.; Tulsa First, Int. and Jr. 11-12.

Young Woman's Auxiliaries: Heavener, Idabel and Miami First Churches.

I am thankful for what you have done and are doing. Children need every help from the church and W.M.S. to reassure them of security and love. Girls need our encouragement. Boys deserve every bit of Christian encouragement possible. Young women are almost our "last chance" for developing world-wide mission interest. So the work of the graded W.M.U. is more important than ever. Women surely will and are recognizing this and will give and are giving themselves to the important privilege of being leaders and counselors.

God's call to evangelize the world is still urgent. Christ's way is the way to victory and as long as we know that and seek to lead young people to know Him and walk in His way we know that they will be better leaders of tomorrow.

GOD GAVE THE INCREASE

Report of the Executive Secretary-Treasurer

"The fields are white to harvest." (John 4:35) I have seen the cotton fields this year. Have you? Have you heard the pleas for cotton pickers? Just as surely as the seeds sown last spring resulted in this abundant cotton crop that awaits harvest hands, just so mission work has had an increase in harvest because some planted, others watered, but God gave the increase. This report of your executive-secretary treasurer will reveal some definite increases. The glory of this work goes to God who giveth the increase but recognition is given to all the hands that have planted and watered the seeds of missions in the hearts of women and young people in Oklahoma.

Some Planted . . . Some Watered

The busiest hands of all have been those of the missionary organizations in the churches; the W.M.S. presidents, society and circle officers and chairmen, the young people's organization leaders, counselors, and directors. The figures that make up the state report come from these organizations, large and small. "He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." (Psalm 126:6) These W.M.U. workers though many times faced with conditions that would cause tears of concern, went about their work, without a doubt but that they should end with a harvest sufficient to cause joy and thanksgiving. Presidents of the 704 missionary societies and leaders of the 1,598 young people's W.M.U. organizations have cause to rejoice and to give thanks to God who gave the increase.

Organizations

Associational presidents and the associational young people's directors have done a splendid work of planting and watering their fields and God has blessed their efforts with an abundant increase. All the figures in this report came through these associational officers, who tabulated them and sent them to the state secretaries. At

the close of 1948 our rolls had been cleared so that we had 647 missionary societies and 930 young people's organizations. The 704 societies plus the 1,598 young people's organizations at the present make our state Woman's Missionary Union family number 2,302. The membership in these societies numbers 22,136, a net increase of 7% only; although 5,548 new members have been reported as enlisted during these twelve months. Adding the young people enrolled in the WMU organizations, our total WMU enrollment in the state at the present is 35,924.

Achievement

One organization in our state attained and maintained the high grade of Full Graded A-1, First Baptist Woman's Missionary Union of Idabel. This means that the society along with its Young Woman's Auxiliary, the two Girls' Auxiliaries, the Royal Ambassador Chapter and the Sunbeam Band, all were A-1 for the year 1949.

The following thirty-five societies achieved the good rating of A-1 for 1949: Altus First, Alva First, Amber First, Burns Flat, Clinton First, El Reno First, El Reno Trinity, Hobart First, Hollister, Hugo First, Idabel First, Mangum First, Maud, Moore, Muskogee Central, Norman Immanuel, these five in Oklahoma City—Agnew Avenue, Capitol Hill, First, Kelham and West Tenth, Pernell, Ponca City Sunset, Purcell First, Red Oak, Shamrock, Sulphur Calvary, Tahlequah First, Temple, these in Tulsa—Harvard Avenue, North Lewis Avenue, Red Fork, Temple and University, and Yukon First.

There were 59 young people's organizations that made the A-1 grade for 1949. Miss Green's report will list them.

Associational officers report 40 brand new missionary societies, not counting many reorganizations. There have been 216 new young people's organizations in these twelve months. Only eighteen associations made a report on new missionary societies, but from these we find Oklahoma County came up ahead with five new societies. However, Atoka Association had the largest percentage of increase in societies. Other associations that had a 10% or more increase in missionary societies are Caddo, Comanche-Cotton, Creek, Jackson-Greer, LeFlore, Pawnee-Payne, and Perry. Miss Ellis has ably assisted in all this extension work. Her report is separately given.

Reporting the Harvest

Of the thirty-eight associations, 100% reported the four quarters except three. Two of these reported all but one quarter. Congratulations and gratitude go to those 35 presidents who were 100% in their reporting for the year. Tulsa-Rogers Association had the largest number of societies reporting all year; however percentages show these excelled: 100% of the societies reported in Delaware-Osage, Harmon, Haskell, Northeast, and Salt Fork the third quarter and those having 90% or more of their societies reporting were Beckham, Central, and Tulsa-Rogers Associations.

Reports reveal that only 366 missionary societies foster young people's organizations. On the other hand one of the best increases in our work this year has been in the number of young people's organizations. Reported at the close of 1948 were 930; now we report 1,598. We thank God for the increase. Many churches on our posters of churches that before had only the purple door, now have windows of several colors. There are 134 Full Graded Unions as

compared with last year's 114. Our associational posters of churches should be far more complete. Still there are 347 of our 1,044 churches with no missionary organization at all; and 229 societies with no young people's organization at all. Miss Green has done an excellent work as Young People's Secretary. Her full report of the W.M.U. young people's work is given separately.

Business Woman's Circles

An ever increasing and encouraging work in our state is that of Business Woman's Circles. There are now 131 in Oklahoma, 36 of these being organized in 1949. There are two associational B.W.C. Federations in the state; Oklahoma County with 19 circles and Tulsa-Rogers with 19 circles. Tulsa-Rogers Business Woman's Circle Federation is just one year old and reports seven new circles this year.

The first State B.W.C. gathering for Oklahoma was the conference held at Chickasha in the spring with 114 business women present. Several hours were spent in practical conference with Mrs. A. L. Buck, B.W.C. Federation president of Arkansas, leading. At this meeting the State Business Woman's Circle Federation was organized with Mrs. Vernoy Campbell of Oklahoma City as president.

"BEARING PRECIOUS SEEDS"

Missionary Programs

In order for there to be an increase in prayer, gifts, or service in missions, there must first come knowledge. We rejoice to find that 704 more women have attended the regular monthly missionary program of their societies. The average attending monthly has been 8,142 women. Their program material is based on the Royal Service magazine. The programs for the year have been along one theme, Christ, the Answer. Those attending all monthly programs have been challenged by the information on existing conditions, religions, and needs . . . to all of which Christ is the answer. The Birmingham office reports that at the close of the year, 6,657 subscriptions to Royal Service were coming into Oklahoma. This is an average of only nine and a half to a missionary society and only one to every three and a third women! For the young people, 4,774 subscriptions to The Window of Y.W.A., World Comrades and Ambassador Life are coming into our state. This is only 3 magazines to an organization. These magazines are designed for the young people, themselves. To keep our minds alert and our hearts warm toward missions, and our personal participation regular, let more mission magazines be coming to more individuals!

Mission Study

Through the medium of study not only in the missionary programs but through books, seeds will be planted that without a doubt will bear fruit. A total of 2,606 mission study classes for the women were completed during 1949 with 18,337 members completing the classes. We might say we have sown in tears since this is lower than last year; a strange outcome after the splendid State Mission Study Institute the fall of 1948 but it may be not so strange if we

can feel that societies have learned a lesson and are reporting more correctly, real study classes instead of book reviews, and women who have read the books rather than women who have listened only!

The best quarter's report on Missionary Round Tables revealed 71 Round Tables with 533 members. Several more associations have held a mission study institute this year inspired by the 1948 state institute and the new mission institute leaflet as well as the good series of books on Japan with the excellent and generous helps from the Foreign Mission Board. The Home Mission Board series with its Resource Book for teachers should inspire associational mission study chairmen to provide a mission study institute early in January each year, too.

Community Missions

There have been 334 missionary societies doing Directed Community Missions this year with 10,414 women engaged in the activities. Cash spent for mission efforts in the community totaled \$19,-460.33.

For a clearer understanding of this vital phase of Woman's Missionary Union, a State Community Missions Conference was held in Oklahoma City in October for all community missions chairmen of associations, societies, and circles and any others who desired to come. From 27 associations there came 453 women in a downpour of rain who stayed faithfully from 10 to 3:30 to hear why's and how's of community missions. Specialists in various mission and social services out of their experiences challenged these women to be evangelizing agencies in their own communities, carrying the work on in a systematic, purposeful, cooperative, and directed way. "They . . . shall doubtless come again with rejoicing, bringing (their) sheaves with (them)."

SEEDTIME AND HARVEST

Tithers

With "Advance!" as their watchword impressed upon the hearts and minds of our women again and again throughout 1948 and through Dr. Everett Gill's message at their final annual meeting session in '48, Oklahoma Woman's Missionary Union was set for reaping a harvest in stewardship of possessions because of this seedtime. We rejoice that there has been a 21% increase in women tithers during 1949 over the reported number last year. Now there are 7,744 women tithers and 2,827 tithers among our young people, totaling 10,571. The percentage of women enrolled who tithe is 35%. New tithers in 1949 among the women equaled 1,792. Among young people new tithers were 867, making 2,659 new tithers in WMU organizations.

Unified Budget

Believing that the best way for our dollars to serve mission causes is through Unified Budget, this above all special offerings has been stressed. Reports show that 15,361 members of missionary societies and 6,209 members of young people's organizations, a total of 21,570 of the 35,924 enrolled, contribute regularly to missions

through the Unified Budget. Unified Budget gifts in Oklahoma are larger than last years. W.M.U. claims one third of the total amount, or \$260,045.43.

Special Offerings

The 1948 Lottie Moon Offering for foreign missions was \$78,-815.14, an increase of \$20,597.43 over 1947. The 1949 goal was \$75,-000.00 and that prayer season brought in \$73,467.62.

The 1949 Annie Armstrong Offering for home missions amounted to \$28,657.46. We missed our goal of \$30,000.00 plus \$2,000.00 but our increase over 1948 was \$2,672.84.

The 1949 Edna McMillan Offering for state missions received at Baptist Headquarters was \$15,356.46, short of the high goal set. Our goal was \$20,000.00, half to go for Baptist Student Union buildings adjacent to smaller state college campuses, the other half to mission endeavors of Woman's Missionary Union in our own state. The 1948 state mission offering came to \$16,310.90, the goal was \$15,000.00.

Women and young people members of Woman's Missionary Union all observe these three seasons of prayer and contribute to special offerings. The total organizations giving to the Annie Armstrong Offering were 970, 445 being missionary societies; 753 observed the state mission season of prayer, 413 being societies. Total organizations observing the foreign mission season of prayer was 871, 440 were societies. There was a splendid increase in the number of organizations observing these seasons in 1949.

Other Gifts

The State W.M.U. Apportionment for 1949 was greatly increased to care for many obligations of our Woman's Missionary Union. For the year, we rejoice to announce \$11,457.42 the total received. An effort was made to secure full payment by all societies by October 17. For the societies that did pay their apportionment in full by that date, gold seals to be pasted on the Standard of Excellence chart have been sent to associational presidents for distribution. The following 6 associations paid in full the apportionment asked of them and are to be congratulated: Beckham Association—Mrs. W. T. Blair, Pres., Central—Mrs. E. A. Jackson, Pres., Creek—Mrs. R. A. Krumme, Pres., Delaware-Osage—Mrs. B. C. Dillard, Pres., Harmon—Mrs. A. B. Crawford, Pres., and LeFlore, Mrs. John Dunn, Pres.

Gold seal awards are presented to these presidents to be placed on the associational chart. Gold seal awards have been presented to 328 Missionary societies for paying their apportionment in full.

All women and young people will rejoice that already there was remitted to Southern Woman's Missionary Union for their new building fund, \$4,698.11, almost the \$5,000.00 we promised them.

Foreign Student Fund and Burney Gifts

Miss Emily Goon, our Oklahoma WMU daughter, from China, is in her second year at the W.M.U. Training School in Louisville. Her regular scholarship comes from our Training Schools Scholarship Fund and her other expenses from this Foreign Student Fund. Miss Goon served our state as a summer W.M.U. field worker and was paid a small salary from the State Mission Fund.

The Margaret Fund Burney Gifts of \$300.00 have been remitted to Mrs. W. J. Cox, Southern W.M.U. treasurer. Our three Margaret Fund students in school in Oklahoma this year will receive checks from Mrs. Cox at stated times during this school year. Our students are Miss Charlotte Arpaio, Krebs, Senior at O.B.U., Thomas Berry, Brazil, at Oklahoma A and M College, and Miss Lonah Wilson, Albuquerque, Bacone College.

Other W.M.U. Apportionment Disbursements

We are happy to have served the married students at Oklahoma Baptist University who have small children by making possible to them the use of the nursery of the University Baptist Church, Shawnee.

The State W.M.U. Board meeting expense has kept well within its part of the state apportionment. Our board meetings have been largely attended, 42 members and 27 visitors in January and 53 members and 36 visitors in September. The Associational Young People's Directors were guests for the January meeting and many were sent by their associations to the September meeting. This makes for better informed leadership in every portion of our state. The night session at each board meeting is used for conferences led by the executive secretary and the young people's secretary.

Scholarships

Oklahoma Woman's Missionary Union has several of her daughters in the three training schools on our scholarships. This gift of ours will reap rich harvests in the future as these young women shall enter various fields of Christian service.

Miss Virginia Highfill was graduated from Southwestern in May and now serves as the W.M.U. worker in a church in Fort Worth. Miss Ruth O'Dell, also a scholarship student, finished the W.M.U. Training School in May and now serves as a missionary in Havana, Cuba, under the Home Mission Board.

At present at Southwestern, we have Miss Mary Jo Lewis, senior, Miss Dora Dean Gooch, senior but using a scholarship only this year, Miss Gerry Zweiacher, first year, Miss Rose Palmer, first year, and Miss Jeannette White, second year.

Attending the New Orleans Seminary on one of our scholarships for her first year is Miss Mary Gentry.

Miss Emily Goon, second year student, is our only scholarship student at the W.M.U. Training School.

Several young women who used our scholarships up through May for various reasons are not back in school this year.

State Mission Funds

One half of the 1948 Edna McMillan Offering has been serving Woman's Missionary Union in many fine ways. The other half has been used by the rural missions department of our convention. Miss Ellis' salary and travel are cared for from this fund. The travel expense of our many missionary speakers for the summer camps, rallies and assemblies comes from this fund. Besides the two summer W.M.U. workers, Emily Goon and Mary Jo Lewis, the following missionaries and nationals served in these summer meetings: Lydia Bravo, Filipino, and Erika Schmidt, German, Mr. and Mrs. John A.

Abernathy, Mr. and Mrs. John L. Bice, Mr. and Mrs. Sam T. Mayo, Mr. and Mrs. Harold Hall, Mrs. Rosalee Appleby, Dr. Alfred Carpenter, and Mr. and Mrs. Russell Bowren. These sixteen speakers served twenty associational rallies and twenty-four associational and district camps and assemblies, and reached 6,706 people with a missionary message or mission book.

Report of the two summer workers and the other two nationals: Misses Lewis, Goon, Bravo and Schmidt: 53 different meetings or series of meetings, 15 mission study classes taught, 90 missionary talks. Love gifts to Miss Bravo and Miss Schmidt were \$336.36.

The field work of Mrs. T. W. Stevens among Indians and of Mrs. Maggie Bruce among Negroes is supported by this state mission offering. These reports are given separately. Other Indian mission help from this fund was \$1,002.27 to help three young women in O.B.U. This new school year we are helping two with scholarships, Stella Wapskineh and Lucile Stidham.

Our state mission fund also helped with scholarships at the American Baptist Theological Seminary with \$493.00. We had no scholarship student there the first half of the 1949-50 session.

Woman's Missionary Union has cared for the office rent and phone for the Negro Mission Center in Oklahoma City with 746.62 from state mission money.

Again the Union gave \$300.00 toward financing the Indian State Assembly. We feel that no mission money we have given is harvesting any more abundant blessings.

For wives of rural preachers to attend the Preachers' School at O.B.U. in the spring we spent \$175.00. We would gladly have helped more and trust the spring of 1950 fully twenty wives will ask for this tuition.

Other Designated Mission Gifts

The \$2,000.00 from the home mission offering designated for the School of Religion at Langston was presented by your treasurer to the Negro Women's State Board Meeting. This is our third payment of \$2,000.00 each toward the \$10,000.00 promised on this building.

Some designated mission funds have passed through our hands, totaling \$2,812.28. Some of this helped several Indian churches in a specific need; some allowed us to subscribe to magazines for our foreign missionaries; some privileged the Union to make love gifts to our returning missionaries who had served us in the state while on furlough and to Miss O'Dell as she went out for her first time.

Our Woman's Missionary Union is a child of the General Baptist Convention and was supported with \$17,000.00 from the convention's budget. We are grateful for this support. This is a small amount expended for our Union to bring back into Baptist denominational mission work and Unified Budget of 1949 over a third of a million dollars.

Sowing in the Morning

Believing in sowing mission facts and inspiration through state meetings of various kinds for our women and young people, Woman's Missionary Union has promoted many such meetings.

State Business Woman's Circle Conference, Chickasha, 114 registered.

State College Y.W.A. Conference, O.C.W., 75 registered.

State Intermediate Girls' Auxiliary Houseparty, Chickasha, 131 registered.

Five State Young People's Camps, Falls Creek, 604 registered.

State Assembly, Falls Creek, 23 mission classes, 1,476 registered.

Fourteen District W.M.U. Meetings, 2,176 registered.

State Community Missions Conference, Oklahoma City, 453 registered.

Evangelistic and Missions Conferences, 2,499 women in WMU conferences.

Those making up the District Meetings' speaking team were Miss Green, Mrs. J. L. Moye, Home Missionary, San Antonio, Miss Mary Tongee, and Mrs. Edith Stinson. The W.M.U. representative on the four teams making the Evangelistic and Missionary Conferences were the executive secretary, young people's secretary, field worker, and Mrs. E. A. Jackson, Central Associational W.M.U. president.

Besides the twenty-three mission classes at the state assembly, W.M.U. had charge of the 45 minute broadcast on Missionary Day and provided a Missionary Merry-Go-Round in the afternoon when people were given the opportunity to chat informally with the missionaries.

Southwide Opportunities

The Southern Woman's Missionary Union and Southern Baptist Conventions were entertained in Oklahoma City in May for their annual meetings. Women of Oklahoma County under the leadership of their president, Mrs. Frank Williams, did a magnificent piece of work in caring for these meetings, several hundred women serving many hours before and during those eight days.

Miss Green took a chartered bus load of 31 to the Y.W.A. Camp at Ridgecrest. Mrs. A. B. Cockrell took a bus with 19 W.M.U. and B.W.C. members from Oklahoma to their week at Ridgecrest. Two young men attended the Young Men's Mission Conference at Ridgecrest.

We are grateful to Southern Woman's Missionary Union for

providing a speaker, Miss Martha Hairston, for our State Community Missions Conference, Mr. J. I. Bishop for our Intermediate Royal Ambassador State Camp and Miss Margaret Bruce for our annual meeting.

We are grateful to the Home Mission Board for sending us Mrs. J. L. Moye for district meetings and for one third the expenses of these missionaries for summer camps, Miss Amelia Rappold, Mr. M. E. O'Neill, and Mr. and Mrs. Russell Bowren.

Following the Southern Baptist Convention in May, two parties of people from over the Southland, one by chartered bus and one a caravan of cars, visited our Indian mission fields. This was a blessing both to the Indians and to the friends from many other states.

Indian W.M.U. Work

Mrs. Homer Grimmitt, Home Mission Board, is working with the Indian missionary societies and young people's organizations. She reports eight societies that are 100% tithers, seven societies that are Full Graded and 10 others have one or more young people's organizations, thirty-four societies are 100% in membership giving to missions; thirty-six societies or their churches gave to the Unified Budget, while twenty-one others made gifts to the three special offerings. We are working on a plan for better reporting and for better and more literature for these W.M.U. organizations in our Indian churches.

REPORT OF FIELD WORKER**Martha Thomas Ellis**

There was a flash flood in the Andes Mountains where there are no flood control devices. Much destruction and damage were caused as the water rushed down the mountain side. The desert reached out greedily and the water flowed into its bosom and was lost.

Had there been flood control devices and great reservoirs for storing water, it might have been used for irrigation purposes and the desert would have been fruitful and productive. The desert might have bloomed like a well tended garden.

Just as the swollen mountain stream washed everything before it and rushed on to be lost in the sands of the desert . . . even so would the madly rushing, busy world in which we live sweep us into the desert of selfishness, discontent and unrest in which so many people find themselves today.

Woman's Missionary Union offers to our women and young people most effective control devices and reservoirs of spiritual strength and channels their time, talents, influence and personality into useful and constructive activities through:

1. Study of world conditions and world needs in the light of Christ's teachings and his command to love our neighbor as ourselves
2. Intelligent, earnest prayer for world-wide missions
3. Giving through the Cooperative Program (Unified Budget, in Okla.), our seasons of prayer and special offerings to meet these needs
4. Witnessing for Christ in our own communities through our directed community missions activities.

It is the privilege of your field worker to encourage the progress, growth and development of local societies and auxiliaries through conferences, methods and mission study classes, leadership courses, talks, missionary messages and the like.

Our work has shown marked advancement in the past year. One reason, perhaps, is that our organizations are reporting better than in the past. All the progress, however, cannot be attributed to good reporting. There has been some good promotional work on the part of our associational officers and associations and local societies have studied the new Manual of Woman's Missionary Union, the South-wide Year Book, our own State Year Book and provided conferences and clinics for officers and committee chairmen that have made for better planning and more interesting, attractive programs as well as more intelligent, more effective Community Missions activities. This has created a greater enthusiasm which has made for progress and growth.

Last year Oklahoma Baptist General Convention counted 1,020 Baptist Churches. This year our churches number 1044. Last year there were 373 black churches . . . churches with NO MISSIONARY ORGANIZATION. This year there are only 347 black churches. Last year there were 267 churches with a Missionary Society . . . but NO YOUNG PEOPLE'S AUXILIARIES. These churches have a door, letting in some missionary information and inspiration . . . but the women are selfish and lack the vision necessary to make them long to share with their young people the joys and blessings that they receive from their missionary organization. This year the number has declined and we have only 229 churches with no auxiliaries. Last year we had only 380 W.M.U.s . . . societies with at least one auxiliary. This year we have an appreciable increase. There are 468 W.M.U.s! Last year there were 375 Girls' Auxiliaries reported. This year there are 647. Last year there were 219 Sunbeam Bands. This year there are 350. Last year there were 172 Royal Ambassador Chapters. This year there are 380! Last year there were only 115 Young Woman's Auxiliaries. This year there are 221! Last year only 114 full-graded Woman's Missionary Unions were reported. This year there are 134.

Last year we prepared a chart showing each association, the number of churches, the number of Missionary Societies and the number of auxiliaries in each association. This year we have prepared a similar chart which shows the growth and advancement which these churches have made. We hope that you shall visit the

exhibit room and study the chart making comparisons and resolutions. How we pray that you shall resolve that next year the progress and growth shall be even greater than it has this year. It can be if you will only make it so.

The statistical report of your field worker does not, cannot tell what the work has been . . . its joys, its blessings, its privileges. How I wish that each of you might serve for a week or two that you might know our people and our work. I should like to take this opportunity publicly to thank each of you who has helped to make our work so pleasant.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY AND TRAINING SCHOOL

The greeting from Southwestern Training School to Woman's Missionary Union of Oklahoma is a joyous one. This is the year our dream for our Training School has come true. We have all the sleeping rooms in our building available for young women and have very few places at present vacant. In a few days we hope to have every room full. You ought to see our building at night—a light in every window. The library, too, has been moved to the new building and we are hoping in the near future to have that vacated space for an assembly room—just like it was at the beginning of our work here.

We have 161 girls in our building and 15 girls living on the Hill out of the dormitory. All of them seem to be devoted Christians and very capable. We have 23 states represented, a young woman each from China, Canada, Hawaii and Italy. We have six trained nurses in the building and each nurse is a foreign mission volunteer. We have 53 foreign mission volunteers and five home mission volunteers. Miss May Perry of Africa is with us for a few weeks. Miss Woodward of Hawaii is here, too.

As I write this report three of our graduates are on their way to Japan: Lucy Belle Stokes, Annie Hoover, and Lenora Hudson. One of our spring graduates is in Colombia, South America; one in Hawaii as dean of women of the Bible School there. Please remember these women in prayer.

I am enclosing a list of the girls from your state and I know you will be anxious to get acquainted with them. You can address them at Seminary Hill Station, Fort Worth, Texas.

REPORT OF THE WOMAN'S MISSIONARY UNION TRAINING SCHOOL

A recent report of the Executive Committee of the Woman's Missionary Union Training School gives the enrollment for this school year as one hundred ninety-five (195)—114 being boarding students and 81 day students.

We have only one student in Training School this year from our State, on a scholarship—Emily Jean Goon. This is Emily's last year, and we feel confident that by the time we are in our State Convention in 1950, she will be at home in China working among her own beloved people.

It is with regret that we do not report other students in the Training School this session, as the need in all mission fields is so urgent.

I did learn some good news. In May last Ruth O'Dell of Tulsa and Missouri graduated from the Training School. She was immediately called by the Home Mission Board to work in Havana, Cuba where she is in the Music Department of the Seminary and Training School. She is enthused about her work. Ruth says she still feels greatly indebted to the women of our state for her time at the Training School and the opportunity now to serve on a Mission field. She says her "living quarters in the dormitory of the school have not taken on much personality as yet. I shall gradually correct that. I want to buy a floor lamp with some of the gift money from Oklahoma. A Sears store is close by."

Another great joy is yours and mine as another state girl, a

graduate of 1946 is now in Japan. She is Louise Tadlock Copeland of Tahlequah, who with her husband, Rev. E. Luther Copeland of the Southern Baptist Theological Seminary and their two children, sailed August 25 for Japan. They are stationed at our Baptist School on the compound at Seinan Gakuin. Letters have come from her already telling of the great needs she finds there. Louise wrote before leaving the States that the gift of the Oklahoma women helped them to pay in full for all purchases of anticipated needs for the family. She sent her sincere thanks to the women of Oklahoma Woman's Missionary Union. We rejoice over these two new missionaries.

Respectfully submitted,

Mrs. J. C. Hering, Chairman

REPORT OF SCHOLARSHIP COMMITTEE

The State Scholarship Committee met June 17 in Oklahoma City with all members present and Mrs. M. S. Whitehead and Miss Margaret Hutchison. A careful check was made in regard to scholarships granted in 1948-49, and the cash value of scholarships to be granted this year was discussed.

It was the consensus of opinion that scholarships to the three Training Schools should remain at two hundred dollars (\$200) a year, but that a service fund of one hundred dollars (\$100) be sent if needed for the student to work out, in either Southwestern or New Orleans Seminary, in which Schools extra work may be obtained. The scholarships to Woman's Missionary Union Training School will remain at two hundred dollars (\$200).

The following scholarships were granted at the meeting and subsequently, where further investigation was necessary:

New Orleans Training School—

1. Edith Ann Smith, Chickasha, 2nd year
2. Mary Gentry, Tishomingo, 1st year, graduated O.B.U. 1949

Information has recently come that Edith Ann Smith was successful in late months in securing work in a church and did not return to New Orleans Seminary.

Southwestern Seminary Training School—

1. Jeanette White, Altus, 2nd year
2. Geraldine Zweischer, Tulsa, 2nd year
3. Mary Jo Lewis, Waurika, 2nd year
4. Rose Palmer, Stillwater, 1st year
5. Dora Dean Gooch, Atoka, 1st year

Woman's Missionary Union Training School—

1. Emily Goon, Senior

As Emily is sponsored entirely by the State Woman's Missionary Union her traveling and personal expenses are paid out of the Foreign Student Fund.

Special scholarships to come from our State Mission Funds were recommended as follows:

INDIAN—at Oklahoma Baptist University

Lucile Stidham
Stella Wapshinneh

NEGRO—at American Baptist Theological Seminary, Nashville

Previous to this fall we have one or more students at Nashville but there were no applicants this year.

The amount of such scholarships will be approximately two hundred and twenty-five dollars (\$225) to cover tuition and books, and will be awarded to unmarried women.

Respectfully submitted,
Mrs. J. C. Hering, Chairman

MARGARET FUND REPORT

In a recent issue of the daily paper a professor in Columbia university wrote of new freshmen trying to adjust themselves to college life. The one difficulty was that universal malady—homesickness. With the item was an accompanying picture of a boy writing his first letter home, with the words, "His yearning for home covers a lot more mileage than most students, for he comes from Argentina." What is said here of one student can be said of many sons and daughters of missionaries. The fathers and mothers of young people who make up Margaret Fund history represent missionaries in almost every country of the two hemispheres, and from our homeland as well. The grief of separation on the part of children for parents and missionary parents for their children has been somewhat assuaged by the tender ministrations of Southern W.M.U. through their South-wide and State chairmen. Since the inauguration of the scholarship fund in 1916—608 young people have received education at a cost of \$569,830.00.

As state Margaret Fund chairman it was my privilege to attend the annual meeting of the committee at Oklahoma City, where I obtained valuable information and learned to know personally the ladies of the committee. The state board meetings have likewise proven most beneficial and the contacts have brought many blessings.

Letters from Associational Margaret Fund chairmen have come to my address assuring me of their abiding interest in this ministry which we seek to promote. During the year the gift checks from the South-wide treasurer have been promptly passed on to the students in our state, the amount as follows: \$15.00 at the opening of the fall term, \$15.00 at Christmas and \$20.00 at commencement.

Of the 126 students over the South receiving scholarships during the 1948-1949 school year, two were in our O.B.U. These were Charlotte Arpaio and Eugene Craighead. Charlotte is still with us and we are proud of her record as a student, as a church worker and as a special Home Board worker during the summer vacation. Eugene received high honors on graduating in May and has gone to Chicago for graduate work.

We have now been entrusted with two others: Lonah Wilson, daughter of our Home missionaries in Albuquerque, who is in Bacone College, Bacone, Oklahoma; and Thomas O. Berry, son of our missionaries in South America. Thomas has a fellowship at Oklahoma A. & M. at Stillwater where he is doing graduate work. Their letters assure us that they are happily situated and are most grateful for the interest shown by the ladies of the state.

In the words of Miss Hutchison, "The best thing we can do for them is to pray earnestly that they may find God's will for their loves and faithfully serve always." Our prayers, our concern and our abiding interest will help them through the trying days.

Gratitude is here expressed for the valuable help given by Miss Hutchison, our efficient and faithful executive secretary.

Respectfully submitted,

REPORT OF FIELD WORKER TO INDIANS

That Ye—May Abound to Every Good Work

If we abound to every good work, we must share the Great Commission with all races.

The willingness to share with others what we have ourselves has ever been the goal of Woman's Missionary Union. The knowledge and love of Jesus are really precious to us and we will not rest until we have shared our faith with our neighbors.

God has loved us and given His Son that we might be saved. Jesus went about doing good and suffered and died to show us God's love. He commanded us to go into all the world making disciples . . . and teaching everything He commanded. As we do this we discover the reality of His presence. It is He who is working in the mission field among the Indians. The work of missions is carried on by every method promoted by Woman's Missionary Union and the women strive to the uttermost to abound to every good Work—Prayer—Study—Community Missions—Stewardship and Training their young people. They are more conscious of these needs now than ever before. The annual meetings have been record-breaking, each society reporting and paying their apportionments.

The Coronation Service at the close of the association was the very first ever among this group. It was at the beginning of the evening service. A large group of pastors and deacons was interested in the memory work and the entire ceremony of the coronation. A Queen, Princess, Lady-in-Waiting and seven Maidens—wonderful! Already an advance in new organizations has been made by women anxious that more young people have the training. The R.A.'s are advancing too. Longfellow said, "How beautiful is youth! How bright it gleams . . . with its illusions, aspirations, dreams! . . . Book of beginnings. Story without End . . . Each maid a heroine, and each man a friend!"

Their reports show:

Family Altars 19; and all other gifts \$3,330.20.

Two Societies 100% Tithers. Five full Families.

Your field worker has been active in all phases of the work. Met with women in Seasons of Prayer—taught classes at Indian Assembly—in four Vacation Bible Schools, Sunday School and Training Union Convention and Association. Assisted in planning programs for all, teaching mission books and methods. Organizing Young Woman's circle, where all programs will be in English—Y.W.A.—G.A.—and R.A.'s.

Fifty Bibles were distributed.

The women realize that all progress is the result of prayer and achievements in the future rest upon prayer. They went from their annual meeting thanking God and the State Woman's Missionary Union. Their hearts were filled with gratitude and were more determined than ever to abound to every Good Work during the coming year.

They have caught the full meaning of

"If you Know—you care
If you care—you pray
If you pray—you share."

Mrs. T. W. Stevens

Field Worker to Muskogee, Seminole and Wichita Indian Assn.

REPORT OF FIELD WORKER, NEGRO WOMAN'S WORK

The past year has been one of progress on the state field.

Think of the words of Isaiah 2:2—The people that sat in darkness have seen a great light.

Mission study has brought light to many women in the state.

There have been more people reached through mission study classes; more tithers made through the teaching of Stewardship, than ever before.

We have much to thank God for. Several of the inactive women in the societies have renewed their pledge, and expressed their desire to become active in the work.

Mission study has given them a greater vision of the community, and world's need for the gospel. Therefore some of the women are doing fine community missions work through their community missions committee.

There remaineth yet much work to be done. There are churches to be reached; we look forward to the day when every church will have been reached with mission study classes.

We are herewith giving you a general summary of our work on the field.

Days on the field	176
Churches visited	49
Classes taught:	
Methods	27
Stewardship	10
The Church and Missions	1

We wish to express to you our deep appreciation for continuous expression of your interest in a financial way.

REPORT OF THE EXECUTIVE BOARD

The executive board met in the Crystal Room of the Huckins Hotel in Oklahoma City on January 31, 1949. There were forty-two members and twenty-seven visitors present. The state committee chairmen brought their reports which were accepted. Miss Margaret Hutchison, Executive Secretary-Treasurer, Miss Abbie Louise Green, Young People's Secretary and Miss Martha Thomas Ellis, Field Worker, gave their reports.

The board voted to express its appreciation to the Baptist General Convention for the generous budget allowed the W.M.U. of Oklahoma for 1949.

The board went on record as approving and grateful for the opportunity afforded Miss Margaret Hutchison in being invited to attend the Western Conference of the Home Mission Board, meeting in March.

A night session in the nature of a conference, especially on associational work, was held on January 31, 1949, with Miss Margaret Hutchison leading the discussions. Miss Green led a conference for the young people's leaders of associations at the same time.

At the second day session of this board meeting on February 1, 1949, the motion was made and carried that one-half of the 1949 state mission offering be retained by the Baptist General Convention, to be used in providing Baptist Student Centers near the small state college campuses in Oklahoma.

Mrs. J. C. Hering moved that the Ruby Howse fund and the Pool clothing fund be combined and added to the general missionary fund. Motion carried.

The following were nominated from the floor and unanimously elected to serve on the Advisory Committee: Mrs. John Potter, Mrs. W. E. Price, Mrs. Berta K. Spooner, Mrs. A. B. Cockrell, Mrs. E. A. Jackson, Mrs. Albert McClellan and Mrs. A. C. Stewart.

Mrs. R. E. Beddoe was nominated to serve as the Margaret Fund chairman.

Mrs. J. C. Hering was nominated the Oklahoma representative on the Board of Trustees of the W.M.U. training school.

The policy of the Oklahoma W.M.U. executive committee for the calendar year of 1949 was adopted.

Mrs. A. C. Stewart moved that \$75.00 per month be the stated amount of Oklahoma W.M.U.'s payment on the Shawnee nursery keeper's salary. Motion carried.

An enlarged young people's camp program was adopted. This program to commence on June 1, 1950.

The semi-annual meeting of the executive board met in the Crystal room of the Huckins Hotel in Oklahoma City on September 8, 1949. There were fifty-three members and thirty-six visitors present.

Miss Juliette Mather, Southern W.M.U. Editorial Secretary was a visitor and brought the devotionals for the two sessions of the board meeting.

Miss Margaret Hutchison, Miss Abbie Louise Green and Miss Martha Thomas Ellis gave their reports.

The state chairmen presented their reports which were accepted.

A conference on associational work was held in the evening with Miss Hutchison as leader. Miss Green met with the young people's directors of the associations.

The second session of this board meeting was held on September 9, 1949.

Oklahoma W.M.U. representatives for the three training schools presented reports.

The scholarship committee report contained three recommendations:

1. That to the regular \$200.00 gift scholarship to Southwestern and New Orleans Training schools there be added, as a work scholarship, \$100.00 for 1949-50.

2. That an Indian scholarship now care for tuition and books at Oklahoma Baptist University.

3. That a Negro scholarship be granted only to unmarried Oklahoma Negro young women with two years of college work and that the amount per year be \$225.00.

After the recommendation pertaining to the Indian scholarship was amended to read "to unmarried girls" the scholarship committee's report with its three recommendations was adopted.

The board ratified the action of the advisory committee in raising the salary of the Shawnee nursery work from \$75.00 to \$115.00 per month.

Mrs. A. C. Stewart presented the recommendations of the advisory committee. They were: (1) That our Woman's Missionary Union cooperate with Mr. J. A. Pennington, State Evangelism and Brotherhood Secretary, and seek to hold simultaneous associational rallies on March 20, 1950, thus making way for the Simultaneous Evangelistic Crusade in April 1950.

- (2) That the W.M.U. pledge support for the change in date of the Annual Orphans' Home offering from Christmas to Thanksgiving.

- (3) That the state mission offering objects for 1950 be the same as in 1949.

- (4) That the board accept the same goal and objects as in 1949 for the W.M.U. apportionments for 1950 with the exception of the \$500.00 decrease in the nursery fund and that this amount be added to the scholarship fund.

- (5) That the goals for the 1950 seasons of prayer offerings be the same as 1949: State Missions \$20,000.00, Home Missions \$30,000.00 plus \$2,000.00, for Foreign Missions \$75,000.

- (6) That the W.M.U. board ask the Baptist General Convention for \$19,000.00 as the W.M.U. portion of the Unified Budget.

(7) That the W.M.U. calendar of activities for 1950 as presented by mimeographed sheet with any necessary changes be approved. The executive board approved these recommendations.

With regret the board accepted the resignation of Mrs. Albert McClellan as a member of the advisory committee, also her resignation as the Oklahoma member of the advisory board of New Orleans Seminary and Training School.

Mrs. O. T. Peck was elected to fill the vacancy created on the Advisory Committee by Mrs. McClellan's resignation.

Respectfully submitted,
Mrs. R. Y. Bandy,
Recording Secretary

IN MEMORIAM

Many times during the passing years we are reminded of friends who have preceded us to be with the Heavenly Father. We come to this particular time when we pay honor to the memory of those whom we have known and who have gone during the past year. We are saddened because of loneliness but are grateful for the privilege of having known them and to realize that they are waiting for us. May we be faithful to the task which they have left for us to carry on.

REPORT OF THE COURTESY COMMITTEE

Members of Woman's Missionary Union of Oklahoma in this 44th Annual Session, wish to express sincere appreciation to all who by their much praying and planning have made this Convention possible.

We extend our thanks to Dr. H. H. Hobbs, pastor of the host Church, to Mrs. Hobbs, to Mrs. Cockrell and her efficient committee for their words of welcome and their many courtesies.

We have enjoyed the unusually beautiful floral decorations with the Thanksgiving motif, and the inspiring messages in song, especially from members of the Oklahoma Baptist University Glee Club.

Grateful are we for our consecrated young people and their leaders who added so much to the program, and for our faithful and devoted missionaries.

It was a privilege to have Miss Margaret Bruce, Young People's Secretary of Woman's Missionary Union from Birmingham, who so inspired us with her charm and challenging words. We were happy to have Miss Sue O. Howell, long time executive secretary of Oklahoma W.M.U., in our midst.

From the depths of our hearts do we thank our beloved president, Mrs. M. S. Whitehead and her officers for their untiring efforts and wise leadership in encouraging us to "abound unto every good work" as we labor together with God.

REPORT OF CENTRAL DISTRICT W.M.U.

The twenty-seventh annual meeting of Central District was held in the First Baptist Church of Chickasha on April 11, 1949. Four associations are in our district and each was well represented in attendance.

Our theme for the day was "A Song in the Heart." Mrs. C. A. Richards tuned our hearts with a lovely devotional on music. Each Associational President told of "Something to sing about" in her association. From Central Association, Mrs. E. A. Jackson—rejoicing over new societies. Chickasaw, Mrs. G. B. Dunlap—more efficient W.M.U. work being accomplished. Oklahoma County, Mrs. Frank Williams—new societies and enlarged young people's work. Union, Mrs. Leo Jones—more progress in women's work and signs of really going forward. From these and other reports we know W.M.U. work is growing in Central District.

Mrs. Edith Stinson told of a day in our Baptist Orphan's Home. Mrs. J. L. Moye, W.M.U. Leader among Mexicans in Texas brought the morning message and challenged us to let "Christ put a song in our Heart" for "others" in our Southland. Miss Abbie Louise Green our Young People's Secretary of Oklahoma W.M.U., talked to us about auxiliary work. We feel that much of the thrilling success of our auxiliary camps this year is due to Miss Green. We are so happy to have her serving our state in this capacity. As a climax to Miss Green's talk a playlet "Pretty Mothers" was presented by the El Reno churches, leaving us with the thought that we would truly like to be "Pretty Mothers" to our auxiliaries. A love offering of \$48.09 was given for magazines to our missionaries.

A song of "thanks" is in our hearts for each one who has in any way contributed in the great work of Woman's Missionary Union in Central District—as together we strive "to make known to the sons of men, His mighty acts and the glory of the majesty of His Kingdom."

Mrs. A. C. Stewart
District President

REPORT EAST CENTRAL DISTRICT

The twelfth annual meeting of East Central District was held in the First Baptist Church of Stigler April 21, 1949 with a large attendance from each of the associations. All of the Associational presidents were present, Mrs. Burks from Haskell, Mrs. John Dunn, LeFlore, Mrs. Black, Pittsburg, and Mrs. Stockton, Latimer.

Through the leadership of our associational presidents and the information and inspiration brought by our State and southwide workers throughout the year, we have been able to go forward in every phase of our work.

We appreciated our guest speakers and others on the program at our annual meeting.

One of the greatest blessings of the year was our Intermediate G.A. and R.A. camps at Kiamichi Assembly Grounds. Miss Green and Brother W. E. Fountain being our camp leaders. Miss Lydia Bravo was our camp missionary. We trust we may have these camps for our auxiliaries each year.

We rejoice when we think of the goodness of the Lord, and are more determined to go forward "for his sake" than ever before.

Mrs. Wm. Haynes,
District President

NORTH CENTRAL DISTRICT REPORT

Yes, God has blessed us—He always does. But our women, from the six month's reports which I have, have done little in return for His many blessings. This is evidenced in that of forty societies with a membership of 1,221 only 12 churches completed mission study classes. These 12 societies completed 21 classes with 189 women participating. The chances are that those 1,032 women who didn't study missions, did very little for missions. We must know of a need before we minister to that need. May the knowledge of the open fields be more widespread next year.

Mrs. W. A. Carleton
District President

REPORT OF NORTHWEST DISTRICT

Of the fifteen churches we have 12 churches reporting organized work with 288 members enrolled. Nine churches have sent in reports every quarter. One new W.M.S. was organized on October 21, at May with 7 members present. We have nineteen auxiliaries functioning in our association with only 8 making reports this past quarter.

We have sent 30 letters, 200 cards, attended 3 state board meetings, have been represented at every state board meeting, and attended the State convention and Southern Baptist Convention. We have held our planning meetings and 3 Association and District Rallies with good attendance and have held Board meetings at our Monthly Workers' Conferences with around 60 women present most of the time.

We had 110 present at our April District Rally and 148 at the July Rally.

During the last week in March Miss Martha Ellis taught a Leadership training course with two days at Woodward and two at Gage. Mr. and Mrs. John A. Abernathy, taught the book "For Christ in China," during our Boiling Springs Assembly with 68 enrolled in the two classes. At this time Young People as well as Adults, received a great deal of benefit from the classes. We also had "Two Pairs of Hands" taught by Gordon Highfill to Intermediate boys and "They All Began to Sing" to Junior boys and girls taught by Richard Randels and Mrs. Dauber.

We have sent in our quarterly reports to the State every quarter. Our Mission gifts: Lottie Moon, \$1,295.16; Annie Armstrong, \$486.05 and State Missions to date: \$143.34.

Mrs. George Felkel
District President

REPORT OF PANHANDLE DISTRICT

We have gone forward for Christ this year in our W.M.U. work. It has been a busy year and a fruitful year. We have had some

losses but feel this is true because we failed to report, and not because the work was not done.

A wonderful spirit has prevailed among our women and the churches as a whole. More and more women are attending our Associational and District Meetings and this is strengthening the home churches.

Speakers for our District Rally were, Mrs. Edith Stinson, of the Oklahoma Baptist Children's Home, Mrs. J. L. Moye, W.M.U. Leader among Mexicans in Texas, Jerome Zickrick, O.B.U. and Miss Abbie Louise Green. Miss Martha Thomas Ellis was working with us for two weeks and was also at the meeting.

We were well represented at the Missionary and Evangelistic Conference in January, State Board meetings and the Southern Baptist convention. We held a Mission Study Institute, three executive committee meetings and a young people's rally. There were 84 seals awarded at our Goodwill assembly.

All this is good but unless we have won souls to Christ and learned more about His work and His will for us we have failed Him. The true fruits of our labors may not be reported in 1949 but we pray that through our efforts this year our country might be a better place in which to live and our children better prepared to take their places in our churches of tomorrow.

As we look to the new year let us pray much that we might be better "Laborers together with God". To make known to the sons of men His mighty acts and the Glory of the majesty of His Kingdom.

Mrs. John Brill
District President

1949 SHAWNEE DISTRICT W.M.U. REPORT

The year 1949 has been a rich and prosperous year for Shawnee District with three healthy Associations. And with these Associations under the very splendid leadership of Mrs. Ellis Gum, Pottawatomie-Lincoln Association, president; Mrs. John Davis, North Canadian Association, president; and Mrs. Fred Lewis, South Canadian Association, president, we had to move forward.

There has been the best of cooperation in reporting, planning and attending quarterly rallies. The Young People's work has all shown a worthy increase.

It truly is a joy to serve women who give of their best to his cause. As we are now getting ready to launch an even bigger program for 1950, may we ever give Him the glory and praise for it all.

Mrs. Earl Stark
District President

REPORT OF THE SOUTH CENTRAL W.M.U. DISTRICT

There have been a number of encouraging features to our W.M.U. work in the South Central District. We commend the fine work of the presidents in the associations composing the District: Mrs. George McDow of Banner; Mrs. Kenneth Clark of Johnston-Marshall, and Mrs. R. R. Henry who served as temporary President in Enon Association.

The work among the young people has been very gratifying. There were several from the district to attend State Camps at Falls Creek for the Royal Ambassadors, Girls' Auxiliary, and Young Woman's Auxiliary. There were also several Intermediates to attend the State House Party at Chickasha.

The annual meeting was held in the First Baptist Church of Sulphur. We had Miss Abbie L. Green as one of our special speakers. Mrs. J. L. Moye, of the Home Mission Board was the other speaker. An offering of \$50.00 was given Mrs. Moye for the newly established Mexican Orphan's Home near San Antonio, Texas.

As we come to the close of the work in the South Central District for 1949 we are grateful for every accomplishment in the name of our Lord.

Mrs. Karl H. Moore,
District President

W.M.U. DISTRICT PRESIDENT'S ANNUAL REPORT—SOUTHWEST DISTRICT, 1949

The 27th annual meeting of the Southwest District W.M.U. convened in the First Baptist Church at Mangum on April 13, 1949. Theme for the program was, "A Song In The Heart." Special features and appointments of the program were interwoven to enlarge upon various facets of the theme. Especially inspirational were the glimpses of our Baptist Children's Home by Mrs. Edith Stinson, the message from Mrs. J. L. Moye, missionary leader among Mexican people, and the address of Miss Abbie Louise Green. Associational Presidents Mrs. Crawford, Hollis, of Harmon Association, Mrs. K. B. Costen, Snyder, of Tillman Association, and Mrs. R. S. James, Vice-President of Jackson-Greer Association, were present and reported for their groups.

The invitation to hold the 1950 meeting in Hollis extended by the W.M.U. of the First Baptist Church was accepted.

One hundred fifty-five W.M.S. members and 6 pastors were present, with a total attendance of 188.

There are 44 Societies in the Southwest District reporting 743 members. I am happy to report an increase in tithers this year, and an Annie Armstrong Offering of \$1,643.76.

Praying for the guidance of the Holy Spirit, we are looking forward to a better year in 1950, striving for an increase in full graded unions, and some new societies, as well as increased missionary education and inspiration to do His will in carrying the Gospel around the world.

Mrs. Tom Manning,
District President

REPORT OF TULSA DISTRICT W.M.U. FOR THE YEAR 1949

The three Associations comprising the Tulsa District, namely: Creek, Pawnee-Payne and Tulsa-Rogers, have had a most successful year. There has been a marked increase in Mission Study Classes, new societies and in giving to missions.

The annual meeting was held at the Nogales Avenue Church, Tulsa, on April 5, 1949, with a splendid program and wonderful attendance. Mrs. J. L. Moye, missionary to the Mexican people in Texas, was the speaker.

The District Y.W.A. Houseparty was held at Pawnee Bill's Ranch, at Pawnee, Oklahoma, with Mrs. E. M. Judy and the Pawnee First Church as hostesses. There were 75 in attendance, which was the largest attendance which we have had in recent years.

Rev. and Mrs. Ira L. Marks, of Plaquemine, La., were the missionary speakers, showing moving pictures of the "Little Brown Church on the Water" of the bayous of Louisiana.

From every standpoint our hostess said it was the best houseparty which had ever been held there, and our young women were inspired in a most definite way to "give of their best to the Master."

Altogether it has been a most prosperous year in the Lord's work, in our District, and we humbly thank God for his goodness and mercy to us. As we look forward to the coming year with our District Conferences in October of 1950, we seek a continuation of his wonderful blessings, and dedicate our efforts anew to His cause.

Mrs. H. O. Weaver,
District President

REPORT OF WEST CENTRAL DISTRICT

April 12, 1949 closed the books of another year's work for our Lord and Saviour. The annual meeting was held in the First Baptist Church of Hobart, with a good representation from all three associations and presidents Mrs. W. T. Blair of Beckham, Mrs. Cecil Jones of Mills, and Mrs. Olin D. Joyner of Concord-Kiowa.

The theme of the program was "A Song in the Heart." Outstanding speakers for the day were—Mrs. Edith Stinson, Personnel Director, Baptist Orphans' home; Mrs. J. L. Moye, W.M.U. leader among the Mexicans in Texas; Jerome Zickrick, Public Relations Director at O.B.U.; and Miss Abbie Louise Green, Young People's Secretary of Oklahoma W.M.U.

The playlet, "Pretty Mothers" was presented by the G.A. of Hobart.

The Youth Camps that are being held in our associations are great for the teaching of missions to our young people.

Mrs. A. P. Minard,
District President

REPORT OF SOUTHEAST DISTRICT

The annual W.M.U. meeting of Southeast District was held in the First Baptist Church, Atoka, April 22, 1949. The Atoka W.M.S. was hostess for the day. Mrs. Guy R. Olds, the president presided in her usual efficient and charming way. A large number of churches were represented. Mrs. Edith Stinson was a representative of our Children's Home and in her message she brought the children very near to our hearts. Mrs. J. L. Moye W.M.U. leader for the Mexicans in Texas certainly made Home Missions real. Our offering in the service was given to her for her work among the Mexicans. Ruth Herndon was with us in the interest of the Baptist Book Store,

Oklahoma City. Mr. Jerome Zickrick, O.B.U. Public Relation Director was on the program. Miss Abbie Louise Green, State Young People's Leader was with us, her subject, "We've a Song to be Sung to the Nations." We surely appreciated all these leaders. This District is composed of Atoka, Bryan and Frisco Associations. There was a number of rallies, camps and inspirational meetings held. Some of our missionaries were invited to speak. A large number of our Young People attended the Assembly at Falls Creek as did the G.A.'s for their encampment. The work of our Associational Presidents is to be commended. We have tried to magnify Mission Study among our women and are trying to make Community Missions real. We are more determined to "Go Forward" in 1950 than ever before. We pray to the Father for His grace and guidance during the coming year that victory in all phases of our work may come.

Hattie R. Covey,
District President

ORGANIZATION The "Baptist General Convention of the State of Oklahoma" was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma and to receive and disburse funds as provided by the various instructions of such contributors. It was incorporated under the laws of the State of Oklahoma without authorized capital stock. Its first Articles of Incorporation were filed on or about May, 1917 for a term of twenty years, and its amended Articles of Incorporation were placed on record March 6, 1928 as an organization in perpetuity.

Since November 1, 1935 the convention has had direct supervision of The Baptist Orphans' Home, and its assets, liabilities, income and expenses are treated as a separate fund both on the convention books and in this report. The Home is located in the environs of Oklahoma City, Oklahoma and is incorporated under the laws of the State of Oklahoma as a charitable institution without authorized capital, it having been organized in March, 1904 for the purpose of providing protection and care for needy orphans.

On October 28, 1946 the convention created a separate corporation, namely The Baptist Foundation of Oklahoma, for the stated purpose of building, undergirding and stabilizing the agencies and institutions owned and operated by the convention. Subsequent thereto, transfer of custody was made by the convention to the Foundation of certain investments for trust and endowment funds, and the accounting of such specified funds has thereupon been handled by the Foundation as a separate entity.

CASH The cash of \$151,508.38 was on deposit with the First National Bank & Trust Co., Oklahoma City, Oklahoma. This cash is applicable to the various funds as shown in the fund balance sheet, Exhibit "B". A summary of the cash transactions during the year is detailed by funds in Exhibit "D", statement of fund reserves.

RECEIVABLES **NOTE \$90,000.00**—This is a noninterest bearing instrument owing by Oklahoma Baptist University, payable upon demand and secured by an assignment from O.B.U. of its claims against the U.S. Government for tuition and other fees on G.I.'s enrolled, on a basis to be paid off as assigned claims are paid by the government.

Collecting and Accounting—Receiving contributions for the unified budget and other designated funds, maintaining records therefore by church units and funds, and transmitting periodically the portion allocated to the Southern Baptist Convention, the various Baptist hospitals within the state, the university at Shawnee, the Woman's Missionary Union of Oklahoma, and other designated donees.

State Missions—Subdivided into rural and city missions and promotional and administrative activities of all departments of the convention.

The Baptist Orphans' Home—Embracing all transactions pertaining to solicitation of monies and supplies, operation of the children's home and care and training of the boys and girls placed under its protection, and maintenance of the orphanage property.

Falls Creek Assembly—Covering vacation training at Falls Creek, Oklahoma and maintenance of the assembly property.

Baptist Messenger—Maintaining and publishing a denominational paper known as "The Baptist Messenger."

Sunday School and Baptist Training Union—Providing for advancement and enlargement of educational activities in the churches of the state.

Baptist Student Union and Sacred Music—Coordinating Baptist work in the student union centers at the various state educational

institutions and fostering better music in the churches. Owing to lack of space and facilities at the present convention office, the activities of this department are handled in another location. Separate funds and corresponding bank accounts are maintained for the receipts and expenditures of the B.S.U. meetings, church music clinic, and construction of a students' cabin at the Falls Creek Assembly. A separate report is being rendered in connection therewith.

Ministers', Employes' and Widows' Retirement, Relief and Annuity Plans—For collecting and transmitting dues from the ministers, missionaries, churches and organizations throughout Oklahoma participating in the pension plan adopted by the Southern Baptist Convention and shared in by the Baptist General Convention of Oklahoma.

ORGANIZATION The Baptist Foundation of Oklahoma was granted a charter by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock, with its principal place of business at Oklahoma City, Oklahoma. It was created by the Baptist General Convention of the State of Oklahoma, and its Articles of Incorporation and by-laws were approved by that body in convention assembled at Oklahoma City, Oklahoma, on October 28, 1946. Its stated purpose was to build, undergird, and stabilize the agencies and institutions owned and operated by the convention.

The purpose for which the corporation was formed is that of a private, nonprofit, religious association, "to purchase, control, manage, acquire, hold, barter, sell, convey, exchange, expand, dis-

tribute, invest and otherwise dispose of all real, personal, or mixed property of whatsoever nature and wheresoever situated . . . for church and other religious and charitable purposes . . . necessary for its membership . . . worship and exercise of such powers."

Its duties and powers are to receive by gift, devise, bequest or otherwise any money or property to be used as may be directed; to enter into contracts or trust agreements with individuals, corporations or partnerships for the purpose of furthering the interest of educational institutions, hospitals, orphanages, student centers, and any other property in order to assist and promulgate the furtherance of the convention and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign missionary work; to borrow money; hold, administer and dispose of property, make conveyances, assignments, incur obligations, and prosecute or defend any action or suits in which involved.

As interpreted by the directors of the corporation, its responsibilities are to procure funds for capital improvements and endowments, and to hold, disperse and invest funds according to designations made and as set out in the charter.

Accordingly on April 7, 1947, transfer of custody was made from the Baptist General Convention of the State of Oklahoma to The Baptist Foundation of Oklahoma of certain investments and their corresponding trust and endowment funds totaling \$76,776.29.
