The mobilization of the Homeland for world conquest is the way Dr. Lawrence summarizes the purpose of the Home Mission Board. Its distinctive work is to (1. survey fields and reveal relative needs and opportunities; (2. equalize mission responsibilities and support; (3. unify our forces for common tasks and interests; (4. serve groups requiring a southwide ministry; and (5. lead in missionary education.

Since the establishment of the Home Mission Board in 1845 it has been a great evangelizing, unifying, and missionary force for Southern Baptists. Its missionaries have rendered more than 48,000 man-years of missionary service and have reported one profession of faith for every \$34.97 expended by the Home Mission Board. The most rapid progress of the work of the Home Mission Board has been since 1943 when it became free from debt. In 1949, the board had seven times as many missionaries and 17 times as many conversions as in 1930. The Home Mission Board has been alert to current trends and new opportunities for service. Since 1940, eight new departments or phases of work have been started or re-organized. Evangelism has received new emphasis.

Since 1940, the work begun in Kansas, California, Oregon, Washington, and Alaska has increased the territory served by the board by 78% and the people to be ministered unto by 39%.

The annual report of the Home Mission Board magnifies the fruits of evangelism. In the Simultaneous Evangelistic crusades led by the three workers in the department of Evangelism, 7,780 professions of faith were reported by churches participating in crusades personally conducted by staff members. Baptist chaplains reported 4,863 professions of faith. Not counting the above reports, home missionaries during 1949 reported 35,913 conversions. Thus the Home Mission Board directly and indirectly has had a large share, humanly speaking, in the 334,862 baptisms reported by Southern Baptists in 1949, which is the largest in their history. This was also a larger number of baptisms in proportion to membership than in many years.

During 1949, 165 new churches were organized, and 577 new missions were established. Fifty new buildings were either completed or were under construction. Fifty-four pieces of home mission property were improved.

A total of 779 regular missionaries served the Home Mission Board during the year and 251 summer student workers gave ten weeks of mission service, making a grand total of 1,030 workers. Missionaries contacted 177,139 in personal work, delivered 81,039 sermons and addresses, taught 22,987 classes, conducted 1,817 revivals, distributed 57,419 Bibles and Gospels, and made 258,818 religious visits. They worked in 1,541 Vacation Bible Schools. There are 44 kindergartens in operation.

Thus we have noted the purpose of the Home Mission Board: some of the accomplishments through the years, territory now being served; a report of last year's work. Now may we consider the future program.

At its last annual meeting, the Home Mission Board launched a five-year crusade. The objectives are: more church members, more churches, and more effective witnessing.

The first emphasis is soul-winning. A concerted effort will be made in 1950-51 to win to Christ a large number of the 39,000,000 unchurched people in the territory served by the Board.

In 1951-52, the emphasis will be establishing more churches. There are 21,000,000 people not within easy reach of a Baptist church. A minimum of 5,000 new churches and 10,000 new mission stations are needed in our convention territory.

In 1953-54, the special emphasis will be to make the witness of Baptists more effective, especially in needy areas, including work among language groups, underprivileged, juvenile delinquents, migrants, and isolated people. Efforts will be made to reach 1,500,000 unattached Baptists.

To accomplish these tasks the Home Mission Board will need 1,007 missionaries (an increase of 248), an annual operating budget of \$2,000,000.00 and a total of \$3,500,000.00 to meet capital needs.

Recommendations:

1. Our first recommendation is to join the Home Missions Crusade.

2. Schools of missions—That where practical, associations have simultaneous Schools of Missions, using home missionaries along with state and foreign missionaries. Otherwise, that each church have its own school, using the graded Home Mission studies for the year.

3. Increase circulation of **Southern Baptist Home Missions** in our churches. Place it in the church budget and send to leading families. One young preacher in his first pastorate paid a year's subscription and had the magazine sent to the six deacons of the church of which he was pastor. Launch a campaign for individual subscriptions in the church membership. Lead the W.M.U. and the Brotherhood as well as the Training Union organizations to subscribe for enough copies to use occasionally for supplemental program material.

4. Encourage a more free distribution of home mission tracts in our churches.

5. Home Mission Season of Prayer be observed in every church whether they have a W.M.U. or not. That the entire membership of all our churches be presented with some information, perhaps by the Sunday School as a denominational emphasis, and all urged to give along with the women.

6. We appeal to our churches to put on as thorough and as effective an Every-Member Canvass as possible that more money might be raised, and to steadily increase the per cent of gifts through the cooperative program, which includes Home Missions.

12. Reverend Richard Judd presented the "Report on Foreign Missions" and motion carried for its adoption:

### FOREIGN MISSION REPORT

Advance is the keynote to the Foreign Mission Board's program. "A witness to all nations" means we must take the gospel to over 1,000 tribes that have no missionary; 350 tribes in Africa, 100 in India, 75 in Siberia, 175 in China, French Indo-China, the Phillipine Islands and others still to receive the message of salvation. "To every creature" means the 2,200,000,000 souls in the world demanding the support of our people for the work of the Foreign Mission Board. Of the 2,974 major languages in the world only 1,185 have

a portion of the Word of God, leaving 1,789 languages without translated enlightenment. The call of World Need is our biggest challenge.

Our Advance Program has called for 1,750 missionaries. Thus far, one year's increase has only been from 720 to 765. One hundred and twenty mission stations in 24 countries have only one couple or a single missionary ministering to 100,000 and more. There are 1,250 missionaries needed in the work already established. In the past year location of missionaries has been authorized in Korea, Philippine Islands, Indonesia, Malaya, India, Thailand in Asia, and Peru and Ecuador in South America. New work is being surveyed in Africa. A call of 100 missionaries to Japan has already increased the number to 70 including Rev. and Mrs. B. P. Emanuel as Oklahoma appointees this year. Recent appointment of Wanda Lyvonne Ponder to Israel makes a total of 41 Oklahomans serving on Foreign soil.

In addition to personnel the Advance Program must establish new schools, hospitals, residences, publications, etc. Training native leadership is a foremost project; a Seminary at Zurich, Switzerland has been opened for Europe; a training school for women has been opened at Rome and a new Seminary in Northern Italy; other schools have been reorganized and strengthened. A new hospital has been the first built in South America with others planned there and in Africa. Medical work is open in Arabia and in evidence for Japan. All these have their place in preserving the progress of Advance.

Ten million dollars for Advance is still a goal. Every dollar received in the Cooperative Program of the Southern Baptist Convention beyond the \$6,500,000 budget goes to the Foreign board this year. Prospects are good to receive above an extra \$1,000,000 from these receipts. Next year our total goal is \$10,000,000 with Foreign Missions getting over half. Successfully raising this will put over 900 missionaries on foreign fields. Oklahoma Baptists will raise their budget from \$900,000 to \$1,000,000 to meet this Advance in 1951. The 1949 Lottie Moon Offering receipts totalled \$1,676,915 and this offering is still before us to increase our gifts this year.

Believing the note of Advance has been sounded your committee recommends the following support for 1951:

1. Using the tithing enlistment program available to our churches for increase in stewardship.
2. Encouraging an increase in budget percentages to the Cooperative Program.
3. Supporting the special Lottie Moon Christmas Offering in a greater increase for Foreign Missions.
4. Enlisting our youth to answer the call to world missions.
5. Continually praying for God's World Program.

30. An offering was taken for the Home which totaled \$383.95.

## OKLAHOMA BAPTIST ORPHANS' HOME

The last name written on the family register of the Oklahoma Baptist Orphans' Home is Charles West and his name is opposite number 1458. This is the total number that has been received in forty-seven years.

Oklahoma Baptists have carried the beautiful ministry of homeless children upon their hearts. It has been the aim of the churches to give that comforting care and tender mercy unto all children whose cry they hear.

An up-to-date program of child care is maintained by experienced, trained personnel within the Baptist Home. The children have every opportunity to grow and develop into outstanding, young men and women of noble character and Christian experience.

The convention has voted to have a Thanksgiving Love Offering for the Home on November 19 with "One Day's Pay" as the goal. Every department of our Baptist work will assist in this effort.

Twenty-three little girls are living in a semi-basement of the old dormitory. We need money to build a cottage for them. The two old dormitories should be remodeled. Immediate building and improvement needs will cost \$250,000.

For forty-seven years, our Oklahoma Baptist Orphans' Home has received the children who called out unto us. Storms of life sweep about us and children suffer everywhere. We should determine in our hearts to do more in reaching out a helping hand. None must be neglected.

H. Truman Maxey

31. Reverend Fred Willhoite presented the Report of the Committee on "Religious Literature" and motion carried for its adoption. Editor Jack Gritz introduced his assistants and spoke in behalf of the Baptist Messenger.

### RELIGIOUS LITERATURE

When we think of Religious Literature in Oklahoma, our minds immediately turn to the BAPTIST MESSENGER. It is Oklahoma Baptists' own weekly news magazine, and its influence and usefulness in promoting the cause of Christ continues to grow.

The circulation of the MESSENGER has reached over the fifty thousand (50,229) mark, an increase of 2,522 over last year. There are 561 churches using the budget plan to send the paper into all of their church homes.

During this past year the BAPTIST MESSENGER began the regular use of an improved quality of paper. This makes for a more attractive magazine and better reproduction of photographs. Several other new features have been added this year, such as the Sermon of the Month, weekly meditation, and the Baptist World Digest. Plans are being made to print a full size paper every week with no issues reduced in size or omitted. This will be another step forward for Oklahoma Baptists as well as the MESSENGER. Of course the ultimate objective is to have every Baptist family reading the MESSENGER every week, because "informed Baptists are better Baptists."

Although the MESSENGER carries news from the Home Mission fields and the Foreign Mission fields, it cannot do more than just give a brief digest. Thus, we would encourage every Baptist to subscribe for and read faithfully THE COMMISSION and SOUTHERN BAPTIST HOME MISSIONS. One dollar and fifty cents per year will place both of these great missionary journals in each Baptist home.

Then we could not praise highly enough the superlative publications issued by our Sunday School Board. We want to place special emphasis upon the HOME LIFE magazine. There is not a similar publication anywhere that surpasses this magazine in design, make up, or quality and none to equal it in its positive Christian content.

This magazine should be in every home contacted by our churches through any of its organizations.

We, your committee on Religious Literature, make the following recommendations for your consideration:

1. That we continue to urge every church to adopt the budget plan of sending the MESSENGER into every home, and then to keep their church lists up to date.
2. That every church encourage the circulation of our missionary journals through either the budget plan or the appointment of a committee to seek subscriptions from every home.
3. That our churches be urged to place the HOME LIFE in every Cradle Roll and Nursery home as a minimum and if possible, through either the budget or through planned subscriptions, in every home.
4. That we urge the Pastors and other leaders to encourage our people to read our Baptist publications regularly for their own good and for the sake of the cause they represent.

### BAPTIST BOOK STORES

The Baptist Book Store of Oklahoma City wishes to express to the Baptists of Oklahoma our appreciation of the beautiful and commodious store which we now have in the Baptist Building and to the Baptist Sunday School Board our thanks for the very attractive and efficient fixtures with which the store is equipped. It has been a pleasure to all of us to serve you these past months. We are glad to report that our local store sales have held up in a remarkable way through the move and that the new location is proving satisfactory to our local customers. With the exception of March and April our local store sales have shown an increase over 1949. Our total sales for the eight months of this year show a gain of 5% over the same period last year. The next four months are always our biggest and we feel sure we will attain our goal of a 12½% increase for the year.

The new building at Falls Creek was used during the Assembly and we were able to give better service to the people through the use of the enlarged building.

The store at Tulsa under the leadership of Miss Virginia Martin has had an increase in sales for the first eight months of this year of 10%. Miss Martin came to the store from the Baptist Sunday School Board and has a thorough knowledge of our denominational

work. She will be an asset to the Baptist work in Tulsa-Rogers Association.

Your two Baptist Book Stores are anxious to serve you in every way possible. Please call on us.

45. Mr. Bruce Carter of Miami presented the Brotherhood Report and spoke in the interest of Brotherhood activities. Motion carried to adopt the report.

### BROTHERHOOD

The slogan of the Baptist Brotherhood is: "**A MILLION MEN FOR CHRIST.**" Contemplated by this slogan are one million men fully enlisted for Christ in an all-out effort to magnify all the work of their churches and of the denomination.

- I. To this end our Oklahoma Baptist Men Are Working and Making Progress.
  1. There are 397 churches reporting Brotherhoods.
  2. Thirty-two new Brotherhoods were reported the first quarter of 1950.
  3. All 38 of our Associations have a functioning organization.
  4. There were 5,171 men in attendance at the evening services of the Evangelistic and Missionary Conferences in January with the Associational Brotherhood Presidents presiding.
  5. There were 6,718 men present in the Associational Rallies in preparation for our Simultaneous Revivals.
  6. In many of our churches the men planned and conducted a week of Cottage Prayer Meetings in preparation for the Simultaneous Revivals. The men also supported these revivals by their attendance and personal work that resulted in the winning of many men to Christ and His Church.
- II. The Date for the State Brotherhood Convention is March 6, 1951 in Oklahoma City.

The Challenge of the Brotherhood slogan—"A MILLION MEN FOR CHRIST"—is to enlist the great host of men, already church members, in a program of work that is church-centered, and world-wide in its scope.

To this end we recommend:

1. A Brotherhood organization in every church making regular monthly reports to the church and association.
2. That our associational Brotherhood be thoroughly organized and the President be asked to make regular reports to the associational Board and to the State Brotherhood Secretary.
3. That our Brotherhood major on the four Southwide Brotherhood Objectives: Evangelism, The Cooperative Program, The Man and Boy Movement and the Baptist Foundation.

46. Reverend Joe Baker, Superintendent of our Hospital at Mangum presented the report on Baptist Hospitals and spoke to the report. Motion carried for its adoption.

## HOSPITALS

Your hospitals located at Muskogee, Miami, and Mangum make this report for your prayerful consideration.

From October 1, 1949, to September 30, 1950, we have admitted 7,111 patients, these patients staying in your institutions 33,383 days. In your hospitals there have been 842 babies born. There have been 150 deaths. We received through the Mother's Day Offerings in May of this year for charity work \$5,936.88. We have given charity service to the extent of \$12,825.52. You can see that our Mother's Day Offering lacked \$6,888.64 in caring for charity cases. This means that our churches have determined not to have a large part in charity work. We all like to point proudly to the fact that our hospitals are ministering to charity patients as well as to the financially able. Your hospitals have granted \$3,616.51 in courtesy discounts to ministers, nurses, doctors, and their immediate families.

The average cost per day per patient will be approximately \$13.50.

With these figures in mind let us go to the opportunities to minister to spiritual need. The most opportune time to minister to spiritual need is when there is sickness in the family. We are building hospitals where both physical and spiritual healing can be found.

In our school of nursing there are many obligations; and the burden of the school becomes increasingly larger. It would be far cheaper in dollars and cents to discontinue the School of Nursing, but it is obligatory on the Baptist people to continue to train people to serve in a considerate, kind, professional, and Christian way to those whose physical well-being and spirits need our tender care. At the present time there are forty-four girls in training, representing twenty-three counties in Oklahoma and three states in addition to Oklahoma. The faculty in the School of Nursing is, in our opinion, equal to any faculty in any School of Nursing in the Southern Baptist Convention. All our teachers have college degrees in addition to their nurses training.

We urge the Baptist General Convention to seriously consider making an appropriation to the Oklahoma Baptist Hospital School of Nursing to help defray this cost. All of these young ladies in training represent the highest in Christian womanhood and our convention should contribute to their training.

We are constantly adding equipment which makes possible better surgical and medical care. This will be reflected in an increased number of patients.

The Muskogee Hospital is approved by the American College of Surgeons. The Miami Hospital has made application for approval by the American College of Surgeons; and Mangum is moving toward the same objective. When we have the approval of the American College of Surgeons, we have attained the highest standard of hospital operation.

We will earnestly strive to make our hospital receipts meet expenses. However, we must ask that you give us financial help for charity patients.

If you would look back in this report, you would find that the churches contributed about \$5.00 each to the Mother's Day Hospital Offering. An offering this low is not in keeping with the ability and integrity of the churches of the state of Oklahoma. We somehow believe that the pastor of the church is the key man in the presenting of this offering. If he will present the needs of our hospitals to the people whom he serves, the people will respond with a worthy offering on Mother's Day.

We ask you to pray for us and assist us to the best of your ability that we may be able to serve you better.

Respectfully submitted,  
Joe R. Baker, Chairman  
J. P. Cox  
J. F. Murrell

47. E. W. Westmoreland, secretary of the Department of Religious Education presented the Sunday School and Training Union work and motion carried to adopt the report.

## DEPARTMENT OF RELIGIOUS EDUCATION

Baptist churches in Oklahoma continue to make progress in both Sunday school and Training Union.

### Sunday School

On October 1, 1949 Oklahoma Baptists had a Sunday school enrolment of 219,708. The 1950 enrolment has reached 234,421. For 72 consecutive months we have had a net gain in enrolment of more than 1000 per month.

This has been the very best year in our history from the standpoint of teacher training, with 23,070 awards issued, a total of 5,598 more than last year.

In Standard units we stand second among the states in the Southern Baptist Convention with a total of 472, which is an increase of 108 over any previous year.

### Vacation Bible Schools

In 1949 (1950 record not yet available) we had 687 Vacation Bible Schools, with a total enrolment of 68,605, which is a net gain in enrolment of 2,109 over the previous year.

### Training Union

Oklahoma Baptist churches report a total of 77,508 enrolled in Training Union. Study course awards for the year totalled 23,855 or a gain of 2,035 over 1949.

### Meetings and Assemblies

A state-wide Youth Meeting, sponsored by the Training Union Department, was held at Oklahoma Baptist University on June 3, at which time the state contests for Junior Memory Work, Intermediate Sword Drill and Young People's Better Speakers were held. More than 1100 young people from all parts of the state attended this meeting. Cleeta John Rogers, Oklahoma City, state winner of the Young People's Better Speakers' Tournament, went on to Ridgecrest and won first place at the South-Wide Tournament.

For the first time in the history of our state, a combined Sunday School and Training Union Convention was held on March 23, 24 at

the First Baptist Church, Oklahoma City, with an attendance of 1700.

On September 28, 29 a State-Wide Sunday School Clinic was conducted at the First Baptist Church, Tulsa. Approximately 1500 Sunday school officers and teachers attended the clinic.

The Department of Religious Education supplied our Falls Creek Assembly with a faculty of 67 persons, 34 classes in Training Union work and 33 classes in Sunday school work. The average daily attendance in these classes was more than 7,000.

Educational programs in the churches throughout the state have grown in 1950 in both number and quality. We in the Department of Religious Education feel very grateful to God for His many blessings upon our churches during the past year and our earnest prayer is that we will grow faster in 1951 than ever before.

E. W. Westmoreland, Secretary

48. The Woman's Missionary Union Report was presented by Secretary Margaret Hutchison. Mrs. Dan M. Reed of Tulsa, State W.M.U. President, spoke to the report. The motion carried for adoption of the report.

### WOMAN'S MISSIONARY UNION FOR 1950

#### "The Ships in the Woman's Missionary Union Fleet"

Woman's Missionary Union has accomplished some real advances in this six months' period of 1950 efforts. We would like to bring these statistics under the thought of a fleet of ships: Membership, Stewardship, Fellowship and Leadership. There are other ships in our fleet but time will allow for discussion of only these four.

#### Membership

Rich is the cargo of this ship, Membership, women and young people intent upon consecrating their time, talents, energies, possessions and enlisting others in our churches for the furtherance of the Gospel, beginning at home and reaching to the ends of the earth.

Our sincere hope is that our good ship Membership will become a more important and larger ship in our WMU fleet. We strive for a society of all 1072 churches in Oklahoma, with young people's WMU organizations, too.

#### Stewardship

The cargo of this ship represents the honest faithful gifts of women and young people made possible through the stewardship plans of Woman's Missionary Union. These plans are: For women, the month by month use of the booklet, We Have A Treasure, and seeking of tithers, regular contributors to missions through the Co-operative Program of our churches, and offerings at the three special seasons of prayer. For young people, following the Stewardship Education Plans of W.M.U., seeking tithers, regular contributors to missions through the Cooperative Program and to the three special seasons of prayer offerings and a Church Night of Stewardship in all churches.

We have a requirement that our WMU members must contribute regularly to missions through the Cooperative Program of their church. We teach that this is our first and most important privilege and duty.

### Fellowship

The third ship is Fellowship. Our membership linked with one another in the opportunities of missionary education enjoys many missionary contacts through associational, district, state and south-wide meetings. Here are some figures that reveal this.

To increase their fellowship in missions, women in Oklahoma have 5,117 subscriptions to Royal Service and 3,374 to the three young people's mission magazines.

The star indicates an increase over last year.

### Leadership

Leadership is our fourth craft in our WMU fleet. Working with the president, Mrs. Dan M. Reed and vice president, Mrs. C. A. Summers, are ten state chairmen of departments of work and fourteen district WMU presidents. The ones who really are back of the figures revealed in this report are the 38 associational presidents with their

young people's directors and other officers and chairmen where the work is really promoted to the best advantage. All honor goes to the leadership back in the small society or Sunbeam Band, Royal Ambassador Chapter or Girls' or Young Woman's Auxiliary for there is where the work is done with the membership.

Your state secretaries, Miss Margaret Hutchison and Miss Abbie Louise Green, have given their all to inspire, encourage, instruct and lead on in the work. Your field worker, Miss Martha Thomas Ellis and the two office secretaries, Miss Marjorie Keys and Peggy Young have all served unstintedly in their respective tasks to keep the WMU fleet moving forward.

Our sincerest thanks go to the Baptist General Convention for the \$19,000.00 for our running expenses and for the spacious suite of offices in the beautiful new Baptist Building.

All glory goes to our Leader, Jesus Christ, and the Father in Heaven for guidance as Woman's Missionary Union has reached more, learned more, given more and served more this year.

## CHURCH MUSIC

Nineteen hundred and fifty has been our greatest year of improvement in the church music teaching and training program of Oklahoma. The year's promotional work began with a Planning Meeting, January 1, in Oklahoma City, for all associational music directors, choir directors giving their full time to a church, and the state music officers. This meeting was well attended. The calendar of activities for the year was thoroughly discussed and detailed plans were made for:

(1) A Church Music Leadership Clinic in Oklahoma City, in July; (2) the Simultaneous Campaign; (3) associational music schools; (4) local church music schools; (5) teaching and training programs at the encampments; (6) the Southwide Church Music Conference at Ridgecrest, N.C., in August; and (7) a publication, THE TUNING FORK, to go to the local church and association music leadership, monthly, from the State Department of Church Music. State Officers were elected for 1951: President, Gene Bartlett, Trinity Church, Oklahoma City; Vice President, Neil Darnell, First Church, Duncan; Publicity Director, Mrs. H. V. Tillinghast, El Reno; and secretary, Miss Bonnie Schmickle, State Office.

### The Best Results

Associational and local church schools of music seemed to get the best results in the 1950 enlistment, teaching and training program. However, the Encampment Classes ran a close second. Falls Creek was first with Kiamichi, second. Over 2,000 young people and adults attended the music classes in these two encampments, alone. Good work was done in some of the other smaller encampments. Leadership is the answer.

We can never be grateful enough for the fine work and cooperation of our associational music directors. They were elected in the fall associational meetings. They came to the annual plan meeting

in January, at which time the calendar of activities for the year was planned and launched. Most of the leadership and fellowship of the associations have worked at the job through the year. It is getting results. The Fellowship, cooperation and constructive work of the church music leadership of Oklahoma is receiving Southwide recognition. The unselfish work of teaching and training done by the full-time ministers of music on their own fields and in other associations deserves worthy mention.

#### **This Is the Way It Will Be Done in '51**

First, a competent person has been, or will be, elected in each association to serve as Music Director for 1951. These directors will be brought to a central meeting place, early in January, to plan the promotion work for the annual calendar of activities.

Second, local churches will continue to follow their own plan of employing competent full-time ministers of music where the financial program will allow, without detriment to the other work. Many local situations are using combination music and education men, with excellent results.

Third, we will use widely the provisions that have been made by the associations and local churches for church music in their calendar of activities, as well as in their financial budgets.

Fourth, plans for Schools of Church Music by associations will be made well in advance, using either the summer field worker of the State Department, or one of the full-time church music directors. All requests for the state summer field worker must be in the State Office by April 1, 1951.

Fifth, pray for and continue the fine spirit of cooperation with the church music program of enlistment, teaching and training being planned and promoted by the Southwide, state, association and local church music leadership.

#### **Areas for Growth**

1. **THE MULTIPLE-CHOIR PROGRAM.** Inaugurating, organizing and administering a church choral program is a comparatively new field. Leadership is the determining factor in providing activity and service for all ages in the church. Opening this new avenue of service is going to demand a trained leadership.

2. **BUILDING WORSHIP SERVICES.** In expanding the church music program of our state and churches, we can profit by giving special attention to building worship services. Pastors, religious education directors and all music leadership would do well to read and study some good books in the field of building worship services.

There is in all church music a spirit of adoration, aspiration and reverence, and a sense of assurance. Its mission is to aid the soul to become more keenly and deeply conscious of itself, its supreme personal quality and its high and enduring worth. At the heart of church music must be found the consciousness of our inherent religious nature: the sense of the divine, of goodness and righteousness, of the Almighty, the Eternal; the sense of exaltation of human life to the divine, and accompanying this the feeling of humility into which such a sense must lead us. Such is the ideal of Church Music. Through a program of enlisting, teaching, training and serving the Oklahoma Church Music Department seeks to attain the ideal and magnify the mission of Church Music.

## DEPARTMENT OF STUDENT WORK

For the past five years, the Oklahoma Baptist Department of Student Work has sought to enlarge its ministry to the Baptist students of the State in three very definite ways:

1. By increasing the number of local secretaries.
2. By enlarging the program to reach more students.
3. By providing Baptist Student Centers and other equipment greatly needed for promoting the work.

It is understood that we shall always be indebted to the leadership of other periods of development in B.S.U. work of the State for foundations well laid, positioning the work, developing techniques and literature, organizing state and local councils, etc. The present leadership is seeking to conserve and expand beyond their achievements by adapting the experiences of yesterday to the needs and opportunities of today.

### I. INCREASING THE NUMBER OF LOCAL STUDENT SECRETARIES—LOCAL LEADERSHIP.

To be effective, the currently-designed Baptist Student Program must have competent adult leadership, working on the local level. So, as fast as financial support will allow, the State Department is endeavoring to secure the best available student secretaries to serve on the local campuses.

There are now four full-time and seven part-time B.S.U. secretaries:

#### FULL-TIME

1. Kermit E. Whiteaker, 323 Knoblock, Oklahoma A. & M., Stillwater,
2. Arthur Driscoll, Jr., 427 W. Boyd, University of Oklahoma, Norman,
3. Bert Edmison, 723 S. Evanson, University of Tulsa, Tulsa, and
4. Miss Martha St. Clair, 223 S. Francis, East Central, Ada.

#### PART-TIME

1. Miss Frankie Newsom, First Baptist Church, Cameron College, Lawton,
2. Mrs. R. C. Miller, 1508 S. 9th, O.C.W., Chickasha,
3. Miss Frankie Harris, 415 S. 11th, Muskogee Baptist Hospital, Muskogee,
4. Jerome Zickrick, Oklahoma Baptist University, Shawnee,
5. Henry Haynes, First Baptist Church, Northeastern State College, Tahlequah,
6. Mrs. Ada Ingram, Box 216, Central State College, Edmond,
7. Miss Jacqueline Jones, Eastern Oklahoma A. & M. College, Wilburton

There are numbers of other volunteer workers who cooperate fully with us in every emphasis of the student movement.

Oklahoma Baptist constituency has now come to accept the fact that either a man or a woman may fill a permanent and extremely vital place in denominational life by serving as the director, counsellor, friend and spiritual guide of the Baptist students on a campus.

### II. ENLARGING THE PROGRAM TO REACH MORE STUDENTS.

**"THE ANNUAL CALENDAR OF EVENTS"**

**The Pre-School Retreat**, held early in September, is the first event in the year—it holds the key to most of the year's success and progress.

**Registration Day** finds a registration booth, where light refreshments may be provided and a cordial welcome and greeting is extended to all students as they register at school.

**The Baptist Student Magazine Campaign** should be launched at registration. This may be done at the registration booth with a follow-up all during year.

**An Opening-of-School Social** serves to give new and old students a cordial welcome to the campus and to all religious activities, also.

**Join-the-Church Day** is vitally important as an enlistment program to all BSU activity. Church membership is a major goal of the BSU.

**The State B.S.U. Convention** is held each year in October or November and we are happy to report that new attendance records have been set in 1950.

**Thanksgiving** presents an opportunity for the BSU to minister to foreign students, especially, by having a breakfast for them, open house, and many services suggested by the season.

**The Southwide Student Secretaries' Seminar**, early in December, is one of two major professional meetings which the student secretary attends every year. The Southwide Student Department is host to all full-time student workers for a three-day seminar.

**Student Night at Christmas** is a very strong force in selling BSU to the entire Baptist constituency. Every church should have such an observance.

**Vocational Emphasis Week and Life Commitment Day** are emphasized in January. Special literature is printed for these occasions.

**Evangelistic Emphasis**, although a perennial emphasis, does receive additional attention during certain weeks. February is one month usually dedicated to this emphasis. In Oklahoma, we are planning a Simultaneous Evangelistic Campaign on our college campuses, during October, 1951.

**Religious Focus Week** is another firmly established tradition on the campuses of both denominational and state schools.

**The Annual Spring Retreat** for all newly elected campus council officers offers an unusual opportunity for development and inspiration for those who will be active during the succeeding fall term of school.

**The Installation of the new Council and the Annual BSU Banquet** are both times for selling BSU to more people. These observances may be held in a church or wherever best adapted for the local situation.

**The Southern Baptist Convention** is always advertised to the students and they are urged to attend whenever possible. A "Convention Day" for those who remain at home could be very profitably observed by pastor and people.

**Ridgecrest** is a place, but it is more than that. To those who

attend, it is a time of inspiration, decision-making, and wonderful fellowship.

Then, comes **Summer BSU Council** activities and **Summer Service** for those desiring to engage actively in mission service during the vacation.

### III. PROVIDING BAPTIST STUDENT CENTERS AND OTHER EQUIPMENT NEEDED FOR PROMOTING OUR WORK.

In addition to securing competent local campus leadership, Oklahoma Baptists are promoting a program for providing Student Centers—home bases—tools for work—adjacent to the campuses in which all of the denominational student program can be promoted. Like the B.S.U., these centers are not ends within themselves, but rather a means to many desired ends.

There are now seven Student Centers being used to promote the work of B.S.U. in Oklahoma. The locations and type of structures are as follows:

1. Oklahoma A. & M., Stillwater—Two story frame
2. Oklahoma University, Norman—Two story, small basement, stucco
3. Central State, Edmond—Two story frame
4. Tulsa University, Tulsa—Two story frame
5. East Central, Ada—Two story frame
6. Cameron College, Lawton—one story frame, small
7. Oklahoma Baptist University, Shawnee—Basement, brick

Someone has said that B.S.U. is "the church extended to the college campus." This concept implies that B.S.U. is set up as a specialized agent to do the things for and through college men and women that the Baptist church or Baptist churches in the college community, and, more broadly, the denomination as a whole, feel a responsibility for doing.

Hence, the 1,000 plus Baptist churches in Oklahoma propose to "follow their students" to the college campus and to provide, adjacent to the campus, a "home away from home,"—a retreat where a student may "pause for power,"—a source of Christian fellowship and wholesome recreation—an opportunity for Bible study, and a workshop where plans are made and projected for reaching and meeting the total needs of the last student on that campus.

Student Centers are not designed to be churches or even "churchettes;" not planned to be used in any way to compete or conflict with the regular services of the churches. The Baptist Student Center has its field, and this field is broad enough to justify large investments of Baptist dollars and sufficiently challenging to command the best brain power and heart power of consecrated, trained, attractive student leadership.

### OUR IMMEDIATE PLANS

The immediate plans of the Baptist General Convention of Oklahoma are outlined in the following recommendation—

" . . . We further recommend that the next building commitments be for students centers at the University of Oklahoma, Norman, and Oklahoma A. & M. College, Stillwater, and that these buildings shall not be started until sufficient funds are available to insure their completion."

The permanent committee was appointed by the Convention to do two things:

- (a) To study and make recommendations to the Executive Committee regarding purchase of lots for student center buildings at Oklahoma University, Norman, and Oklahoma Agricultural and Mechanical College, Stillwater;
- (b) To prepare preliminary plans for student center buildings at the two universities.

The committee is as follows: Thurmond George, Duncan; H. H. Hobbs, Oklahoma City; Harold Lindsey, Miami; M. E. Ramay, Edmond; Harold McGlamery, Atoka; Andrew Potter and Ira C. Prosser, Oklahoma City.

The Committee has been working at the job assigned to it. Choice lots have been purchased on these two campuses. At A. & M. we have a lot 150 ft. front and 185 ft. deep, just across the street adjacent to the campus, directly in front of the Theta Pond. All who have seen the lot declare it to be the best location we could possibly have found.

At the Oklahoma University, we have a lot with 150 ft. front and 185 ft. depth, just across the street and adjacent to the front of the campus. Our two lots join the lot on which the President's home is located—just West.

We hope to include in these proposed student centers:

1. Bible chair with class room and small office
2. Worship Chapel (not a church)
  - a. Prayer rooms (small, perhaps three or four)
  - b. Stage and dressing rooms
  - c. Projection booth
  - d. Rheostat
3. Boys' lounge, with built-in book racks, cloak room and adjoining rest room
4. Girls' lounge, with built-in book racks, cloak room and adjoining rest room
5. Large living room with fire places
6. Entrance lobby
7. Large Recreation room and banquet hall
  - a. Ping pong tables
  - b. Refreshment counter
  - c. Small, sturdy lounge
  - (Recreation room constructed to enable converting into skating rink)
8. Kitchen adjoining recreation and banquet room
9. Small dining room
10. Staff Offices
  - a. Student Secretary Private Office
  - b. Hostess and Secretary Offices
  - c. Work Shop and equipment room
  - d. Executive Council and Committee Room
  - e. Weekly paper and year-book room
11. Library and reading room
12. Hobby Rooms
  - a. Music room-cultural
  - b. Photography rooms
  - c. Woodworking shop

- d. Sports room
- e. Sewing room
- f. Radio and Electrical room
- 13. Custodian Room
- 14. Small Guest Apartment,

through the two ways Baptists give—namely, the Cooperative Program and The Baptist Foundation. We hope to raise the necessary money at the earliest date possible, to complete this task.

Ira C. Prosser

50. Reverend Sam Scantlan brought the report on Rural and City Missions and Falls Creek Assembly and motion carried to adopt the reports.

### RURAL AND CITY MISSIONS

Reports from the superintendents of associational missions show that the entire organization of the association continues to work at the task of winning souls by extra effort through an associational mission program.

### FALLS CREEK BAPTIST ASSEMBLY

Falls Creek Baptist Assembly is known and loved by Oklahomans. The clear stream flowing between the exalted hills of the Arbuckle Mountains brings memories of the days spent in information, inspiration, recreation and worship at Falls Creek Assembly. Many have found God's will for their lives during the services there. Ministers, missionaries and other consecrated workers are serving at home and abroad because of the decisions made at Falls Creek Assembly.

During the 1950 session of the Assembly there were 19,511 registered at the gate. There were 63 professions of faith, 219 rededications, 24 surrendered for the ministry, 39 for Foreign missions, 25 for Home missions, 2 for secretarial work, 8 for educational work and 138 for some type of special service.

Eighty-five classes were held during the morning hours with an average attendance of 9,641.

Year by year Falls Creek is growing. New cabins have been erected and many others will be ult before another assembly is a reality. Property investments now run above the million dollar mark. There are 275 permanent buildings on the grounds at the present time.

Falls Creek Assembly is a MUST for Oklahoma Baptists.

Sam W. Scantlan, Business Manager

51. Reverend J. A. Pennington, secretary of Brotherhood and Evangelism presented the report and proposed program of Evangelism, and spoke urging an increased effort to win the lost to Christ. Motion carried to adopt the report.

### EVANGELISM

In this "Atomic Age" Baptists should give more earnest heed to the exhortations of the Apostle Paul in writing to the Church of Corinth when he said, "Behold, now is the accepted time; behold, now is the day of salvation."

Oklahoma Baptists have been mindful of this imperative "now" in this year of 1950. We have joined hands with our Baptist brethren in the Western Simultaneous Evangelistic Crusade and the results have been most gratifying. Eight hundred thirty-seven white, Indian and Negro churches in Oklahoma cooperated in this Simultaneous effort. The visible results show 8,115 for baptism, 3,091 by letter and 515 by statement, a total of 11,721 additions to the churches. The statistical report does not reveal all the results of this Simultaneous Evangelistic Crusade. The program of preparation for this Crusade was a means of reaching many people for Christ before the revival meeting. The impact of such a great movement is still being felt in the winning of the lost to Christ.

Another important phase of the work of this department has been the promotion of Youth-Led Revivals. Many of our churches have participated with very favorable results. One team composed of Reverend Milton Ferguson as preacher, Mr. Bill Jarvis as music director, and Mr. Charles Moon as pianist, led in eight meetings resulting in 66 baptisms, 51 by letter, 2 by statement—a total of 119 additions to the churches. It is our hope that in 1951 we will be able to keep at least three such teams busy during the summer months. Churches desiring the services of one of these teams should make their request as early as possible through this department.

During the year this department has published four pamphlets as follows:

1. A Program for Winning Oklahoma to Christ
2. The Climax of All Christian Endeavor
3. Youth-Led Evangelism
4. Suggestions for a Perennial Program of Evangelism

The "Suggestions for a Perennial Program of Evangelism" if followed should result in an increased number of people being won to Christ and His church.

The Evangelistic Conference in Muskogee this year was well attended. The Conference next year will be held on January 22, 23, 24, 1951, with the First Baptist Church of Ardmore. Dr. Wallace Bassett of the Cliff Temple Baptist Church, Dallas will be our speaker.

The reports received thus far on the number of baptisms for this year have been encouraging. Most of the associations are reporting a good increase over the year before.

The Evangelistic Committee presented to the Board of Directors the following recommendations which were unanimously approved. We present them to you for your prayerful consideration.

1. That we continue to give emphasis to the Simultaneous Revival on the associational basis, each association setting their own date.

2. That we urge each church to have at least two revivals each year and if possible to have a Youth-Led Revival.
3. That we urge the churches to have a regular consistent visitation program to reach the lost.
4. That every pastor be encouraged to form a Church Council on Evangelism, and that this council give careful study to those things that would contribute to a Perennial Program of Evangelism.
5. That special effort be given to conserving the results of evangelism and the indoctrination of all the members of the church.
6. That each association continue to elect an Organizer and Leader of Evangelism.

J. A. Pennington, Secretary

52. The congregation stood and sang "The Kingdom is Coming" led by Clayton Tanner.

53. Dr. Thomas B. Lackey spoke regarding all of the work of Oklahoma Baptists with the subject "Workers Together With God."

54. The Report of the Board of Directors was distributed and motion was made for its adoption. Discussion and vote on the Report and motion was delayed until the evening service.

## REPORT OF THE BOARD OF DIRECTORS

### Introduction

"I must work . . . while it is day: the night cometh when no man can work."—John 9:4

". . . and be strong, all ye people of the land saith the Lord, and work . . ."—Haggai 2:4

Climaxing a year of achievement in every phase of the mission program, Oklahoma Baptists come to the time of another State Convention with a determination to "work while it is day," to advance even farther in a world-wide missionary endeavor, and to claim the promises of God with a renewed sense of urgency that will challenge every one of our members in these days of opportunity.

The theme of the Convention emphasizes this determination—"Redeeming the time."—Ephesians 5:16

This report is presented by the Board of Directors as a means of summarizing the work and accomplishments of the past Convention year.

## STATE MISSIONS

The state mission program of Oklahoma Baptists encompasses every part of our denominational life and reaches into the churches of every area of the state.

Dr. Andrew Potter is serving in his eighteenth year as Executive Secretary-Treasurer of the Baptist General Convention of Oklahoma. His great vision and missionary spirit has enabled him to lead the denomination into new and expanded mission fields. He has seen Oklahoma Baptists come into a new day in the advancement of Christ's cause.

Dr. Thomas B. Lackey, Assistant Executive Secretary, returned

to denominational work four years ago to take his present position after serving a successful pastorate in Nogales Avenue Baptist Church, Tulsa. His previous work with the denomination covered a period of six years. Dr. Lackey assists Dr. Potter in administering the Convention's entire program, and gives special emphasis to an extensive program of stewardship enlistment that reaches every Baptist church in the state, calling for every Baptist to have a share in world missions through the cooperative program.

Reverend E. W. Westmoreland directs the Sunday School and Training Union work as Secretary of Religious Education. He is completing his ninth year in this position.

Rural and City Mission work in Oklahoma is directed by Reverend Sam W. Scantlan. Mr. Scantlan, who is also business manager of Falls Creek Assembly, has served for six years in denominational work.

Reverend J. A. Pennington has completed two and one-half years as Secretary of Brotherhood and Evangelism. He is leading the churches in an increased and perennial effort in evangelism, and in a growing enlistment of the men of our churches.

The state-wide program of Church Music and Baptist Student Union work is directed by Ira C. Prosser, who has led as director of these parts of our state mission program for the past five years.

Dr. Jack Gritz, Editor of the BAPTIST MESSENGER, is concluding his second year in this capacity. He came to the editorship of our state Baptist journal from the pastorate at Tahlequah.

Reverend H. Truman Maxey is Superintendent of the Baptist Orphans' Home. He was elected Superintendent in January 1949, after serving fourteen years as Resident Manager of this important institution of our Baptist work in Oklahoma.

Miss Margaret Huchison is Executive Secretary of the Woman's Missionary Union of Oklahoma. She began her work in this position in February, 1948.

Dr. Augie Henry completed his first year as Executive Secretary of the Baptist Foundation of Oklahoma on September 15. The work of the Foundation—the establishment of stability and security for all of the state mission program—has gone forward under Dr. Henry's leadership.

Dr. John W. Raley is serving in his seventeenth year as President of Oklahoma Baptist University.

Baptist Hospitals in Oklahoma fill an essential place in a complete mission program. The heads of these hospitals are: Mr. J. P. Cox, Administrator, Oklahoma Baptist Hospital, Muskogee; Dr. J. F. Murrell, Administrator, Miami Baptist Hospital, Miami; Reverend Joe Baker, Administrator, Southwest Baptist Hospital, Mangum.

The combined work of these seven departments and five institutions represents the state mission program of Oklahoma Baptists. A more detailed record of the work of each department and institution follows in the remaining sections of this report.

The mission cause is promoted through the thirty-eight associations in the state, and during the past Convention year, practically every association has been served by a full-time Superintendent of Missions. These missionaries together with associational officers and

workers are channels through which the different phases of denominational work are projected to the churches.

The following table presents some of the highlights of the state mission work for the year:

### EVANGELISM

"Behold, now is the accepted time; behold, now is the day of salvation."

Oklahoma Baptists have been mindful of this imperative "now" in this year of 1950. We have joined hands with our Baptist brethren in the Western Simultaneous Evangelistic Crusade and the results have been most gratifying. Eight hundred thirty-seven white, Indian and Negro churches in Oklahoma cooperated in this Simultaneous effort. The visible results show 8,115 for baptism, 3,091 by letter, and 515 by statement, a total of 11,721 additions to the churches in this crusade. The statistical report does not reveal all the results because the program of preparation was also a means of reaching many people for Christ before the revival meeting. The impact of

such a great movement is still being felt in the winning of the lost to Christ.

The record by associations for 1950 is shown in the following table:

Another important phase of the work of this department has been the promotion of Youth-Led Revivals. Many of our churches have participated with very favorable results. One team composed of Reverend Milton Ferguson as preacher, Mr. Bill Jarvis as music director, and Mr. Charles Moon as pianist, led in eight meetings resulting in 66 baptisms, 51 by letter, 2 by statement—a total of 119 additions to the churches. It is our hope that in 1951 we will be able to keep at least three such teams busy during the summer months.

The Evangelistic Conference in Muskogee this year was well attended. The Conference next year will be held on January 22, 23, 24, 1951, with the First Baptist Church, Ardmore. Dr. Wallace Bassett of the Cliff Temple Baptist Church, Dallas, will be our speaker.

## BROTHERHOOD

The challenge of the Brotherhood slogan, "A Million Men for Christ," is to enlist all men, already church members, in a program that is church-centered and world-wide in its scope.

Oklahoma Baptist men are accepting this challenge in a way that has brought advancement throughout the year. All of the thirty-eight associations now have a functioning organization, and there are 397 churches reporting Brotherhood organizations. There were 32 new Brotherhoods reported during the first quarter of 1950.

There were 5,171 men in attendance at the evening services of the Evangelistic and Missionary Conferences in January with the Associational Brotherhood President presiding.

There were 6,718 men present in the Associational Rallies in preparation for our Simultaneous Revivals.

In many of our churches, the men planned and conducted a week of Cottage Prayer Meetings in preparation for the Simultaneous Revivals. The men also supported these revivals by their attendance and personal work that resulted in the winning of many men to Christ and His Church.

The trend of Brotherhood work in Oklahoma has been toward evangelism and stewardship enlistment with a whole-hearted support of the whole church program being emphasized.

The date for the State Brotherhood Convention is March 6, 1951 in Oklahoma City.

## RURAL AND CITY MISSIONS

Associational missions is the "hub" around which all rural and city mission work of the Baptist General Convention moves.

The results of this part of the state mission effort are revealed from reports given by the Superintendents of Associational Missions. From October 1, 1949 to October 1, 1950, these missionaries have reported the following:

In the past year there have been six simultaneous Schools of Missions in Oklahoma with forty-seven churches participating. Thirty-six missionaries made 317 addresses.

Eight summer student workers from the Home Mission Board worked for ten weeks in Oklahoma this summer helping the associational missionaries with Vacation Bible Schools, revivals, visitation, study courses, etc. in rural communities.

## RELIGIOUS EDUCATION

The Department of Religious Education promotes a state-wide program of Sunday School and Training Union work, and is also giving increased emphasis to the Vacation Bible Schools held each

year by hundreds of our churches. This three-fold emphasis together with the meetings, assemblies, and conferences sponsored and conducted by the department provides Oklahoma Baptists with a well-rounded program of Bible study, training, teacher improvement, and educational standards.

For 72 consecutive months, there has been a net gain in Sunday School enrollment of more than 1,000 per month. The enrollment on Dec. 31, 1949 was 219,708 (1950 figures are not available at this time).

Training Union enrollment has reached a total of 70,207.

Training awards have reached an all-time high during the first nine months of the year. There have been 20,722 Sunday School awards and 23,855 Training Union awards issued during this period. These figures represent gains over the previous year in both types of training. Oklahoma ranks second in the Southern Baptist Convention in Standard Sunday School units with a total of 472. This exceeds any previous year by 108 units.

A state-wide Youth Meeting, sponsored by the Training Union Department, was held at Oklahoma Baptist University on June 3, at which time the state contests for Junior Memory Work, Intermediate Sword Drill and Young People's Better Speakers were held. More than 1,100 young people from all parts of the state attended this meeting. Cleeta John Rogers, Oklahoma City, state winner of the Young People's Better Speakers' Tournament, went on to Ridgecrest and won first place at the South-wide Tournament.

For the first time in the history of our state, a combined Sunday School and Training Union Convention was held on March 23, 24 at the First Baptist Church, Oklahoma City, with an attendance of 1700.

On September 28, 29, a State-wide Sunday School Clinic was conducted at the First Baptist Church, Tulsa. Approximately 1500 Sunday school officers and teachers attended the clinic.

The Department of Religious Education supplied Falls Creek Assembly with a faculty of 67 persons, 34 classes in Training Union work and 33 classes in Sunday School work. The average daily attendance in these classes was more than 7,000.

## BAPTIST STUDENT WORK

The Department of Student Work is seeking to enlarge its ministry to the Baptist students of Oklahoma by (1) increasing the number of local B.S.U. secretaries, (2) enlargement of the total program to reach more students, and (3) providing Baptist Student Centers and other essential equipment on the college campuses.

Full-time secretaries now serving are: Kermit E. Whitaker, Oklahoma A. & M. College, Stillwater; Arthur Driscoll, Jr., University of Oklahoma, Norman; Bert Edmison, University of Tulsa, Tulsa; and Miss Martha St. Clair, East Central State College, Ada.

Part-time secretaries are serving at seven other points in the state. They are as follows: Miss Frankie Newsom, Cameron College, Lawton; Mrs. R. C. Miller, Oklahoma College for Women, Chickasha; Miss Frankie Harris, Muskogee Baptist Hospital, Muskogee; Jerome Zickrick, Oklahoma Baptist University, Shawnee; Henry Haynes, Northeastern State College, Tahlequah; Mrs. Ada Ingram,

Central State College, Edmond; Miss Jacqueline Jones, Eastern Oklahoma A. & M. College, Wilburton.

Highlights of the Baptist Student work for the year to which this department has given particular emphasis are: (1) The Pre-School Retreat, (2) State B.S.U. Convention, (3) Student Night at Christmas, (4) The Annual Spring Retreat, and (5) Ridgecrest Assembly.

The permanent committee authorized by the Convention and appointed to study and make recommendations to the Executive Committee on B.S.U. Centers has been working at the job assigned to it. Two lots have been purchased, one at Oklahoma A. & M. College and another at the University of Oklahoma. Both lots are located adjacent to the respective schools which are served by the B.S.U. organizations.

The procurement of these lots will help to make possible the erection of fine student centers on these two campuses where a great host of Baptist students are in attendance.

## CHURCH MUSIC

This year has been a significant year of improvement in the church music teaching and training program of our denomination.

Associational and local church schools of music seemed to get the best results in the 1950 activities promoted by this department. Encampment classes, however, were well attended with over 2,000 young people and adults in attendance at Falls Creek and the Kiamichi Assembly.

The over-all program of the Church Music Department that has been followed during the year thus far includes: (1) A Church Music Leadership Clinic in Oklahoma City, in July; (2) the Simultaneous Campaign; (3) associational music schools; (4) local church music schools; (5) teaching and training programs at the encampments; (6) the Southwide Church Music Conference at Ridgecrest, N.C., in August; and (7) a publication, *THE TUNING FORK*, to go to the local church and associational music leaders. Officers elected for 1951 are: President, Gene Bartlett, Trinity Church, Oklahoma City; Vice President, Neil Darnell, First Church, Duncan; Publicity Director, Mrs. H. V. Tillinghast, El Reno; and secretary, Miss Bonnie Schmickle, State Office.

The department will continue in 1951 to give counsel and leadership in all phases of the program promoted by the southwide, state, association, and local church music leaders.

## BAPTIST MESSENGER

The BAPTIST MESSENGER is keeping pace with the other advances that Oklahoma Baptists are making in the mission cause. More people are receiving and reading the BAPTIST MESSENGER now than ever before. The circulation has reached 50,229, with 561 churches using the budget plan as a means of sending the paper into all church homes.

During the past year, the regular use of an improved quality of paper was begun. This has greatly increased the attractiveness of the publication in several ways. Some of the new features include: "The Sermon of the Month," "Weekly Meditation," and "The Baptist World Digest."

The contents of this growing Baptist journal continues at the same high standard that has always prevailed and thereby provides our people with a balanced publication giving equal stress to all phases of the world mission program.

### WOMAN'S MISSIONARY UNION

The work of Woman's Missionary Union is carried on in Oklahoma through fourteen district organizations and the Woman's Missionary Union officers of associations. These associational officers, a president and young people's director, together with the district president promote the program within a given area of the state.

Working under the watchwords, "Laborers together with God" and "To give light to them that sin in darkness and the shadow of death; to guide our feet into the way of peace," Woman's Missionary Union has accomplished some tangible advances in 1950. Advances in membership reveal that our Baptist women are accepting the challenge of missionary work.

Attendance at associational, district, state, and southwide meetings and camps is evidence in another way of the cooperative missionary spirit of our Woman's Missionary Union membership. Our women and young people also find fellowship in their community missions activities through which they witness for Christ to those around them. The reports from 1240 of our WMU organizations show 4,312 soul-winning efforts made thus far during the year.

## BAPTIST BUILDING

Early in March of this year, offices of the Convention were moved to the new Baptist Building located at the southwest corner of Eleventh and Robinson streets in Oklahoma City.

All work was not complete but within a few weeks after the move, workmen had given the building and grounds the finishing touches, and all departments of the State Convention were well established in their new quarters. These offices had previously been housed in four separate downtown buildings with inadequate space for the expanded functions that were being performed to carry out the denominational program. The new building provides adequate space for all the denominational organization and establishes a central point for the projection of the mission program and maximum enlistment of the 325,000 Baptists in Oklahoma.

It was in the mind of Dr. Andrew Potter that the dream first formed for an attractive and adequate office building. The building, now completed, and from which there has already been extended a greater and more effective program of evangelism and an increased enlistment of the people into a united world missions advance stands as a monument to the vision, leadership, and persistence of Dr. Potter.

June 29, 1950 was set as Dedication Day for the new building. An appropriate program and open house was arranged for this occasion with city, state, and denominational leaders sharing in the ceremonies. A complete copy of the Dedication Program follows:

#### OPEN HOUSE—BAPTIST BUILDING

9:15 p.m. — 10:00 p.m.

The entire fourth floor of the building is leased to state and private agencies. These agencies are engaged in humanitarian programs dealing with crippled children and the rehabilitation of vocationally handicapped persons. The Sunday School Board also leases the building space occupied by the Baptist Book Store. Income from these two sources combined with that from the old Baptist Building, at 223 Northwest First Street, Oklahoma City, provides a maintenance fund adequate for operation of these buildings without use of mission contributions.

#### BAPTIST BOOK STORES

The Baptist Book Stores in Oklahoma are located at 208 Northwest Eleventh in the new Baptist Building, Oklahoma City, and at 216 East Fourth Street in Tulsa. These stores are owned and operated by the Sunday School Board of the Southern Baptist Convention.

The store in Oklahoma City occupies beautiful and commodious quarters in the west portion of the Baptist Building where the service is proving very satisfactory to the many friends and customers. The sales in this store have held up in a remarkable way since the move from the old location. Total sales for the first eight months of 1950 show a gain of five per cent over the same period last year.

A new building was erected at Falls Creek for the Book Store, making possible an improved and increased service to the people attending the Assembly.

The Tulsa store has enjoyed an increase of ten per cent in its sales for the first eight months of this year.

Miss Mary E. Tongee is Manager of the Oklahoma City store and Miss Virginia Martin is Manager of the store in Tulsa.

#### BAPTIST ORPHANS' HOME

The last name written on the family register of the Oklahoma Baptist Orphans' Home is Charles West and his name is opposite number 1458. This is the total number that has been received in forty-seven years.

Oklahoma Baptists have carried the beautiful ministry of homeless children upon their hearts. It has been the aim of the churches to give that comforting care and tender mercy unto all children whose cry they hear.

An up-to-date program of child care is maintained by experienced, trained personnel within the Baptist Home. The children have every opportunity to grow and develop into outstanding, young men and women of noble character and Christian experience.

The convention has voted to have a Thanksgiving Love Offering for the Home on November 19 with "One Day's Pay" as the goal. Every department of our Baptist work will assist in this effort.

Building and improvement needs are always present in a growing institution like our Baptist Orphans' Home. Some of these needs include a cottage for girls who are presently housed in the old dormitory and the remodeling of other dormitories to provide more usable space.

## OKLAHOMA BAPTIST UNIVERSITY

Oklahoma Baptist University continues to serve Oklahoma Baptists and a great host of friends from other states by providing a full program of Christian education.

The record for the past year shows the following:

Enrolment for regular session	1,347
Enrolment for summer session	396
Enrolment for summer school for preachers	42
Total Enrolment	1,785

There were fifteen additions to the faculty, with twelve doing graduate work.

The 235 ministerial students enrolled reported 4,471 sermons delivered, 1,098 professions of faith, 1,677 rededications, 1,111 additions to the churches they served. These ministerial students traveled 393,951 miles as they engaged in this Christian ministry.

Principal improvements and additions to the campus and buildings include completion of the Parkway Apartments, a four-apartment building for faculty housing financed by the Faculty Building Association, construction of a new repair and maintenance building, and extensive repairs to the exterior of Shawnee Hall.

A gift of \$50,000, the largest gift ever received by the University from a single contributor, was made by Mr. and Mrs. J. Loyd Ford of Shawnee in February, 1950, and set off a series of donations to provide funds for a music practice studio building to be named Ford Music Hall. As of October 1, 1950, approximately \$148,000.00 has been contributed. This has made it possible to begin construction of the building. It is the plan of the University and its Board of Trustees to complete this building without creating indebtedness.

## RETIREMENT PLANS

Oklahoma pastors and other denominational workers are active participants in the Retirement Plans established through the cooper-

ative arrangement between the Baptist General Convention of Oklahoma and the Relief and Annuity Board of the Southern Baptist Convention.

On October 1, 1950, there were 378 ministers and other religious workers actively participating in the Ministers Retirement Plan with a total of 405 churches actively engaged in the Plan along with these workers. There were 59 participating in the Board Plan and 23 in the Orphans' Plan. There were 119 participants in the Widow's Supplemental Annuity Plan.

The total number of annuitants receiving checks through this office was 68. Pastors and other religious workers who retired or became disabled during the past year are listed below:

Rev. Thomas B. Hart (disabled)

Mrs. Mary J. Cole (husband deceased—she is drawing WSAF since husband's death)

### BAPTIST HOSPITALS

Oklahoma's three Baptist hospitals—located at Muskogee, Miami and Mangum—during the past year admitted 7,111 patients, who stayed a total of 33,383 days, there were 482 babies born during the year and there were 150 deaths.

Charity treatment given amounted to \$12,825.52 but the Mother's Day offering, which was intended to cover this expense, reached only \$5,936.88, leaving a deficit in this department of \$6,888.64.

Also, the hospitals granted \$3,616.51 in courtesy discounts to ministers, nurses, doctors and their immediate families.

The average cost per day per patient was approximately \$13.50.

In training at the School of Nursing are 44 girls, representing 23 counties in Oklahoma and three other states. All of the teachers have college degrees in addition to their nurses training.

The Muskogee Hospital is approved by the American College of Surgeons and the other two are working toward this objective. New equipment is being added constantly, making possible better surgical and medical care.

### FALLS CREEK BAPTIST ASSEMBLY

Falls Creek Baptist Assembly is known and loved by Oklahomans. The clear stream flowing between the exalted hills of the Arbuckle Mountains brings memories of the days spent in information, inspiration, recreation and worship. Many have found God's will for their lives during the services there. Ministers, missionaries and other consecrated workers are serving at home and abroad because of the decisions made at Falls Creek.

During the 1950 Assembly, at which Dr. R. G. Lee served as camp pastor, there were 19,511 registered at the gate. There were 63 professions of faith, 219 rededications, 24 surrendered for the ministry, 39 for foreign missions, 25 for home missions, two for secretarial work, eight for educational work and 138 for some type of special service. Eighty-five classes were held during the morning hours with an average attendance of 9,641.

E. P. Edwards, caretaker, lives on the Assembly grounds the year around, ever engaged in improving the camp facilities. Many

cabins have been built in recent months and others will go up before the next Assembly is held. There are now 275 permanent buildings on the grounds with property investments exceeding the million dollar mark.

### BAPTIST FOUNDATION

The Baptist Foundation of Oklahoma was established four years ago for the purpose of building, undergirding and stabilizing Baptist agencies and institutions.

In order for these institutions to serve effectively, they must have capital funds with which to provide necessary facilities as well as endowment funds to assure their perpetuation.

These needs and the plans for supplying them are presented in the separate report of the Foundation Board of Directors to the Convention.

### COOPERATIVE PROGRAM

In keeping with terminology used throughout the Southern Baptist Convention, we recommend that the term COOPERATIVE PROGRAM be used rather than UNIFIED BUDGET. We also recommend a one million dollar Cooperative Program objective for 1951, the first \$800,000 to be appropriated on the basis of the 1950 budget.

After the deduction of expenses of the general office, Woman's Missionary Union, Ministers Retirement Plan, supplement to BAPTIST MESSENGER, and Oklahoma Baptist University, funds are to be divided fifty-fifty between state work and Southern Baptist Convention causes.

The state's fifty per cent above \$800,000 will be applied in so far as practical on the Baptist Student Union building program.

We further recommend that the churches be encouraged to contribute a percentage of their undesignated receipts to world missions through the Cooperative Program, and that the percentage be increased as rapidly as possible, reaching toward the objective of a fifty-fifty division of funds between local and world-wide missions.

Prospects for reaching the \$900,000 Cooperative Program goal for 1950 are good. Receipts for the first nine months were \$629,125.05 which represents an increase of \$67,514.72 over the same period in 1949. The outlook for 1951 is also very encouraging. The thirty-nine associations have adopted goals that total \$988,640.00, and reports from hundreds of churches show increased objectives for 1951.

In August and September, an intensive program of stewardship education was launched and the response by churches from all parts of Oklahoma has been excellent. Requests from the churches have resulted in the shipment of over 200,000 pieces of stewardship materials to be used in promoting local campaigns and enlisting the people in a world-wide mission program. These materials include tracts, posters, covenant cards, and other useful literature.

Moderators, stewardship chairmen, and 1951 Cooperative Program goals for the associations are given in the following table:

### SUMMARY

In concluding this report it is with humble and grateful hearts that we give thanks to Christ our leader for the blessings that Oklahoma Baptists have enjoyed in this year of achievement.

First, we are thankful for the harvest of 20,000 souls led to the Lord during the year. We are, also, grateful for the continuously greater number of people who are receiving Bible teaching and training in our churches; for the hundreds of missions and new churches being organized; for the missionary spirit of our women and the united work of our Baptist laymen. The will to "... work ... while it is day" has been evident in all of the cooperative endeavors of our people. Certainly, we praise God, also, for the days of opportunity we have in the ministry of our Baptist institutions, Oklahoma Baptist University, the Orphans' Home, our three hospitals, and Falls Creek Assembly.

Let us join hearts and hands, with a new zeal, always "redeeming the time" for Christ and His program.

This Report of The Baptist Foundation of Oklahoma covers the first year that The Foundation has had a full-time executive secretary. Dr. Augie Henry completed his first year as executive secretary of The Foundation on September 15, 1950.

### PROGRAM OF PROMOTION AND INFORMATION

Realizing that the first step in the promotional program of The Foundation is to inform Oklahoma Baptists regarding its work, The Foundation during the past year has majored on a program to acquaint our people with what The Foundation is endeavoring to do for the Baptist agencies and institutions.

Dr. Henry has spoken in from one to two pulpits on practically every Sunday during the past year. He has spoken at one or more associational meetings of various kinds in 29 of the 38 associations

in the State; and he has spoken in church meetings of various kinds within four of the remaining nine associations. In other words, he has spoken in every section of the State, and in all of the 38 associations except five.

Various pieces of printed matter have been distributed personally and by mail. Two new tracts—"The Baptist Foundation of Oklahoma," and "Some Practical Helps for Reaching a Major Objective"—have been printed and distributed.

### GIFTS

On January 9, 1950, The Foundation received the largest single gift in its history, when the Reverend and Mrs. J. W. Hollums, of Oklahoma City, deeded, with a trust agreement to The Foundation, the equity of \$65,000.00 in a four-story office building, located at 1010 N. Broadway, Oklahoma City, which has been designated as The Hollums Building, and which is currently leased by the Veterans Administration. This gift by a minister and his wife should be an inspiration and challenge for other large gifts.

The second largest gift to The Foundation was a pledge of \$50,000.00 by Mr. and Mrs. J. Lloyd Ford, of Shawnee, for the Ford Music Hall at the Oklahoma Baptist University. This gift was the inspiration for the effort of the Board of Trustees of the Oklahoma Baptist University and The Foundation to procure in pledges a total of approximately \$150,000.00 to be paid on or before January 15, 1951 for the Ford Music Hall. Of the approximately \$150,000.00 in pledges, all except \$25,000.00, which was secured by the Shawnee Chamber of Commerce, is to be paid through The Foundation.

In order for The Foundation to fulfill the responsibility placed upon it by The Baptist General Convention of Oklahoma, it will be necessary for The Foundation to have a program that will include the procuring of small gifts as well as large ones.

Therefore, the Board has authorized a \$1,000 Club, a \$500 Club, a \$250 Club, and a \$100 Club. We have to date, members of these clubs as follows: \$1,000—37 members; \$500—9 members; \$250—3 members; \$100—16 members. It should be understood that The Foundation will gladly accept any kind of contribution for any amount, at any time, for any Baptist agency or institution. Individual cash contributions during the past year have varied from \$5.00 to \$6,000.00.

The total cash receipts during the past 12 months for capital needs and endowments amounted to \$85,718.90. A portion of the detailed report of this amount appeared in the auditor's report which was printed in the 1949 Convention Annual and the rest of the report will be found in the auditor's report which will appear in the 1950 annual.

### TRUST AGREEMENTS

One trust agreement has been written with the Summer School for Preachers at Oklahoma Baptist University as the beneficiary, and three trust agreements involving Oklahoma Baptist University Student Loan Funds have been written. The Foundation is qualified legally and otherwise to handle any kind of a trust agreement involving any Baptist agency or institution, regardless of the amounts involved.

### WRITING WILLS

During the past year, The Foundation has written or assisted in writing 13 wills where The Foundation is a beneficiary. These wills involve cash, stocks, bonds and properties amounting to thousands of dollars. The largest single estate is valued at more than \$100,000.00. The others involve estates ranging from a few thousand to more than \$60,000 each in value.

Of these 13 wills, the Oklahoma Baptist University is a beneficiary in seven; the Baptist Orphans Home, seven; for Oklahoma Baptist Student Union Work, one; for Foreign Missions, one; and the Southwest Baptist Hospital, Mangum, one.

More than one Baptist agency or institution is named in some of the wills. In others, The Foundation is named as the sole beneficiary, leaving it to the Board of Directors to determine where the greatest needs are. In addition to the 13 wills mentioned, The Foundation has learned of four other wills which were written prior to 1950—one with OBU and one with the Orphans Home as the beneficiaries. Two of these four are being probated at this time. The beneficiary for one of these wills is OBU and the other is for OBU and the Orphans Home. We know of 20 other wills, making a total of 33 in all.

In practically all of these wills, the executive secretary of The Foundation is named as executor. When The Foundation is named as a beneficiary, legal and other services will be furnished without a service charge to the testator, and the executive secretary will serve as executor of wills without a service charge.

### LIFE INSURANCE

A life insurance policy has been changed to make The Foundation the beneficiary. The amount of the policy is to be held in trust for the Oklahoma Baptist University.

### OUR THANKS

Your Foundation Board desires to express its appreciation to everyone who cooperated with Dr. Henry in any way toward making this encouraging report possible.

### RECOMMENDATIONS

I. September has been designated as "Baptist Foundations Month" in the calendar of activities of the Southern Baptist Convention. The Directors of The Baptist Foundation of Oklahoma express their appreciation for the recognition given to the Foundations by the Southern Baptist Convention and recommend that September be designated as "Baptist Foundation Month" in the calendar of activities of the Baptist General Convention of Oklahoma. We suggest that church, associational and state leaders give special emphasis to the work of The Foundation during September by special services and meetings, by special announcements publicly and through periodicals and by the distribution of Foundation literature.

II. Some of the State Baptist Foundations have been quite successful in designating a month in the year when special emphasis is given to the making of wills. The month is known as "Make-Your-Will-Month." The Directors feel the need of a similar special month emphasis on wills in Oklahoma. As the Oklahoma Baptist Orphans Home, one of the institutions for which The Foundation is charged with the responsibility of writing wills, has been designating a week

in April as "Will-Week," we, therefore, recommend that the month of April be designated as "Make-Your-Will-Month," and that a special cooperative effort be put forth to procure wills for Baptist causes.

III. The Directors feel that The Foundation needs a representative in each of the associations, to be designated as a member of the Advisory Council of The Baptist Foundation of Oklahoma. We, therefore, recommend that an Advisory Council, composed of, at least, one representative from each of the associations be elected by the Directors of The Foundation.

81. The congregation stood and sang, "I am Bound for the Promised Land."

82. Dr. J. W. Storer, president of the Board of Trustees of our Oklahoma Baptist University, presented Dr. John Wesley Raley, president of the University.

83. The Bison Glee Club, under the direction of Dr. Warren Angell, furnished beautiful and inspiring music, singing, "This is my Father's World."

84. Dr. Raley requested that his report be included in the minutes. Dr. Raley addressed the Convention upon the subject, "Ideas are Bombs."

85. The Bison Glee Club sang, "The Hallelujah Chorus," by Beethoven.

86. Motion carried to adopt the Report on the University.

## **REPORT OF THE PRESIDENT**

**By John W. Raley**

**To the Board of Trustees of Oklahoma Baptist University and to the Baptist General Convention of Oklahoma, in session at Tulsa, November 2, 1950.**

The Baptists of Oklahoma own and operate an institution of higher learning valued, in terms of buildings and property, at more than four million dollars. In order of increasing importance, the other principal assets of the University include a curriculum designed to afford the best in higher education, a scholarly and consecrated faculty, and 1,129 students currently enrolled. In order to succeed at its primary task of training Christian leaders for Oklahoma, the University must maintain and improve its buildings, equipment, its curriculum and its faculty; but most important of all, it must be assured a never-failing succession of students with leadership potential.

At the Washington conference of college presidents in October, it was made clear that present military mobilization plans, if carried out, will practically eliminate able-bodied men from college classes within the next two or three years. Although these plans will surely be modified, it is certain that our program of leadership development will be seriously endangered. It is imperative that every academically qualified young Baptist who wishes to attend OBU find it possible to enter.

In two years the number of freshmen entering OBU in September has decreased from 453 to 353. The decrease is not due to a decrease in the number of students wishing to attend, but rather to widespread increase in financial problems. The key to the

solution of this problem is in our local churches, upon which must rest the final responsibility for inspiring and enabling their most promising young people to attend OBU. Each church should include in its local budget one or more annual freshman scholarships of at least \$200 if it is at all possible to do so.

The following summarized report contains information on enrolment, faculty, buildings and other properties, religious activities, and finances.

#### ENROLMENT

Semester I, 1949-50	1,208
Semester II, 1949-50	1,129
Total, excluding duplications	1,347
Summer, 1950	386
Summer School for Preachers	67
Grand Total	1,800
Veterans	286
Ministerial Students	245

#### FACULTY

The instructional staff for 1950-51 numbers 57, of whom 3 are employed for less than half-time. Of the remaining 54, 12 have a doctor's degree, 32 a master's degree, and 10 a bachelor's degree as the highest earned degree. There are 13 full professors, 8 associate professors, 8 assistant professors, and 25 instructors.

#### BUILDINGS AND GROUNDS

On September 15, 1950, the contract for construction of the Ford Music Hall was let to the Cowen Construction Company, of Shawnee. The contract calls for completion of the building except for the interiors of the second and third floors. Completion of the remainder will be scheduled as funds become available. Of the \$157,792.00 contract figure, \$147,583.84 is in hand or on call. Responsibility for the remaining \$10,208.16 was assumed by the Board of Trustees in session on September 14, 1950, in order that construction might begin. For the successful completion of this drive full credit must be given to the special Fund Raising Committee consisting of Mr. J. A. Carnes, chairman, Mr. R. C. Howard, Jr., Dr. George S. Baxter, and Mr. Sid Spears, to Dr. Auguie Henry, Executive Secretary of The Baptist Foundation of Oklahoma, and to all members of the Board of Trustees.

The Ford Music Hall will provide desperately needed facilities for the College of Fine Arts, practice studios which are sound-proof, air conditioned, and designed according to the latest and most exacting specifications.

Other building needs include another dormitory for women, a fine arts chapel auditorium, a modern science building, and a second dormitory for men.

#### RELIGIOUS ACTIVITIES

During 1949-50, 94 students were being trained for work in the fields of religious education and sacred music. There were 43 mission volunteers and 227 ministerial students. The latter reported a total of 4,712 sermons delivered; 1,121 professions of faith; 1,737

rededications; 1,165 additions to churches; \$5,754.88 in collections for benevolences; and 419,435 miles traveled in line of duty.

#### FINANCIAL REPORT

The University had for the fiscal year, July 1, 1949 to May 31, 1950, an income of \$875,162.91, with \$75,211.81 of the income designated specifically for Endowment Investment and/or Building Construction, leaving an income, exclusive of Endowment Investment and Building Construction of \$799,951.10. The expense for the year was \$773,591.26, leaving a reserve of \$26,359.84 that has been invested in Equipment Improvement.

The total valuation of Land, Buildings, and Equipment is \$4,069,353.25. This includes Land and Buildings acquired by the Faculty Building Association in an amount of \$232,978.35, plus \$22,500.00 for property recently acquired, totaling \$255,478.35 for the Faculty Building Association. The Faculty Building Association is a private, non-profit corporation organized and chartered to acquire self-liquidating property for the benefit of the University. It will be of interest to the convention to know that this association has accrued property valued at one-quarter million dollars without one penny of expense on the part of the University or the convention.

87. Vice President Chester Mason led in closing prayer.

#### THURSDAY AFTERNOON

November 2, 1950

1:40 P.M.

88. The afternoon session of the Convention was called to order by President Thomas P. Haskins.

89. The worship service was led by Joe Walsh, minister of music at the University Heights Church, Tulsa.

90. Congregation stood and sang, "O Zion Haste" and "At the Cross." Reverend B. S. Hawkins led in prayer.

91. The Devotional message was brought by Reverend John Salzman, Muskogee. His theme was, "Redeeming the Time in the Days of Prosperity." Luke 12:13-21.

92. Dr. Thomas T. Holloway, representing the American Bible Society, brought a report of the work now being done. The report is as follows:

#### AMERICAN BIBLE SOCIETY

**Advance has begun!**—This is the keynote of the worldwide mission work of Southern Baptists. It is also the central theme of the report from the American Bible Society, which serves every form of Southern Baptist work at home and abroad.

The Society reports, with gratitude, a growing appreciation by Southern Baptist churches, of the basic missionary principle that,

In every missionary advance,  
the Bible goes forward first.

**Providing the Bible for mission work is an essential missionary task.**

If the people of the world are to know Christ, they must have the Bible. It is the one primary source of knowledge of Him.

The Bible is the missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart. Every man must have the Bible in his own native tongue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it and send it to him, wherever he may live.

In most countries of the world, the income of the people is so low that they cannot afford even the bare cost of the printed Scriptures. Someone must help those who can pay only a part of the cost and the many who cannot pay at all.

The American Bible Society, a missionary non-profit organization, supported by gifts, serves as that "Someone." It aids in Bible translation, publishes the Scriptures without note or comment, and distributes them, without profit and usually below cost, for use in mission work around the world.

**During 1949 the American Bible Society—**

—distributed through its own work, at home and abroad, nearly 9 million volumes of Scriptures. Another 2 million volumes were produced through gifts of materials and money to Bible Societies of other countries, especially Germany and Japan, bringing the grand total to nearly 11 million volumes for the year.

—in its World Emergency Program, reached a total of more than 25 million volumes of Scriptures in 9½ years, distributed to service men, prisoners of war, displaced persons and civilian populations in Europe and Asia.

**1950 opportunities call for continued Advance in Scripture distribution.**

Japan is the great story of present Advance and the major challenge for continued Advance. The Japanese have turned to the Bible with an interest without parallel in all history. General Douglas MacArthur has estimated that 30 million copies of the Scriptures will be needed to reach "every village and hamlet in the land." The American Bible Society counts on Southern Baptists' help towards that goal.

In 1949, Southern Baptist churches gave \$76,384 to the American Bible Society; gifts from churches of all denominations amounted to \$602,481. In view of Southern Baptists' strength and readiness to respond to missionary needs, it is expected that Southern Baptist churches will soon be giving to the American Bible Society at least \$150,000 each year. Please send gifts to your Baptist State Headquarters office, marked "for the American Bible Society."

Thomas T. Holloway

93. Dr. I. L. Yearby brought the Report of the Radio Commission and motion carried for its adoption.

## THE RADIO COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

The main objective of the Radio Commission is two-fold:

(1) Evangelism—winning the lost to Christ.

- (2) To inform and strengthen God's people in the faith and to emphasize all the work Southern Baptists are doing.

The service of the Radio Commission is presented from several angles.

### **I. THE BAPTIST HOUR**

The Baptist Hour is of first importance among the services rendered by the Radio Commission during the Convention year.

The Baptist Hour year-round program has been broadcast over ABC Network of 132 stations in 21 states. This covers most of our Convention territory. This program reaches an estimated audience of 50 million people.

The fruits of the Baptist Hour are most satisfying. Through the many thousands of pieces of fan mail received, we have reports that souls are being saved, God's people strengthened, all races and faiths blessed. Those who are shut in by illness, and those confined for other reasons, are writing us that the programs are helping them. And Baptists are bound together in a glorious fellowship not possible any other way.

From the beginning of the Baptist Hour, the Radio Commission has followed the policy of using one speaker for each quarter. During the past year, Dr. Robert G. Lee, Rev. Charles Wellborn, Dr. Duke McCall, and Dr. Forrest Feezer have been the speakers.

When compared with the cost of the Lutheran Hour, of \$29,000 per week, and the Old Fashioned Revival Hour, of \$41,000 per week, Southern Baptists have done very little with radio, spending only approximately \$7,000 per week.

The Radio Commission has had great financial handicap in carrying on this program. This is due to the fact that there is no provision for paying the expense of this broadcast other than through receipts that are mailed in from the radio listeners. This has not been sufficient to pay for this program.

During the month of August, the Radio Commission sponsored a series of radio rallies in some seven or eight states of our Convention territory. The purpose of these rallies was to emphasize evangelism and to acquaint our people with the needs of the Baptist Radio Hour. If this program is to continue and be effective, there must be ways and means found by which it can be adequately financed.

### **II. TRANSCRIPTION SERVICE**

There are 1,532 Standard and FM Broadcasting Stations within the territory of the Southern Baptist Convention. Your Radio Commission maintains a transcription library of more than 10,000 recordings. During the past year, thousands of broadcasts were done through the transcription library. As the budget will allow, this service can be greatly expanded.

### **III. TELEVISION**

There are now more than 100 television stations now broadcasting in our nation. Fifty-two of these are in the territory of the Southern Baptist Convention.

If Southern Baptists are wise, they will lay hold upon, and use television as an effective medium of sending out the gospel of Christ. It will require a substantial sum of money if this is done. In addi-

tion to the cost of the programs, there will have to be a television studio with adequate equipment and personnel. A modest beginning has been made in the field of TV. The potential of this ministry are tremendous.

#### IV. COOPERATING WITH OTHER AGENCIES

It has been the policy of the Radio Commission to cooperate in every way possible with all our Southwide agencies and with our State Conventions, and Institutions in using radio effectively. The Commission has worked in close harmony with the Home Mission Board in producing and distributing the "Good News Hour," with Dr. J. B. Lawrence as preacher.

The Commission has also cooperated with the Executive Committee in preparing and distributing six—15 minute programs, featuring the advanced program of the Southern Baptist Convention. The "Prove Me Hour" series was broadcast over almost 200 stations throughout our Convention territory. The services rendered by the Radio Commission to other agencies of the Convention has been without financial profit to the Radio Commission.

#### V. SOME THINGS WE MUST DO

1. We should all make this ministry an object of our believing prayers. Pray for those who produce and direct the program. Pray that God will use these broadcasts to reach and win multitudes for Christ and the church.

2. Let every individual Baptist, who can possibly do so, send liberal offerings to the Radio Commission for the expense of this program. Great hosts of our people, could send regular offerings each month to the Baptist Hour in Atlanta, Georgia.

3. Let us each and all pray and work to the end that Southern Baptists may make a wider use of radio, in getting out the gospel, and that we may make our broadcast more effective.

Respectfully submitted,  
I. L. Yearby, Chairman  
J. W. Wade  
John Ward  
Orin Cornett  
John Roy Harris

94. Dr. George C. Boston presented the report on Social Service and motion carried for its adoption. Honorable David Shapard spoke to the report.

#### SOCIAL SERVICE REPORT

There are many opinions and views of what we should do and just what should be in a report on Social Service.

I believe, however, that there are some basic facts and principles upon which we may all agree.

A great deal is being done and said about a social gospel. We do not believe that our religious life should be based upon a social gospel, rather our social convictions and activities should come out of our salvation in Christ.

The home of today is not being dominated by the Spirit of Christ, or manifested in God's true children, but by other things

and therefore we have among us the ever increasing evil of the divorce mills.

The triangle radio programs, and the shows that furnish the thrills are filled with the lower standards of the social life. Many of the magazines that are found in our magazine racks and in our homes are everything except that which is conducive to a Christian standard of life. All of these and many more are filling our minds and no place is left for the family altar and the Bible which furnishes our spiritual food.

A home without a family altar and a time to read the Bible is in a worse condition than a home without food for the physical body. A physical dwarf is a pitiful sight but a spiritual dwarf is a deplorable thing.

Youth delinquency is a great cry of today. Our schools and civic clubs are forming such as Teen-Town, and various organizations to solve the youth problem. Many of these things are formed after the fashion of night clubs, and are simply presenting more problems.

When the home and church function as they should most of these problems will be solved. Most of our youth problems may be traced back to neglected and many times broken homes, and the neglect of our church life.

We deplore the growing disregard, that is on every hand, of our day of worship, many times referred to as Sabbath Desecration. Too many, professed Christians, are spending this day as a day of recreation and pastime, rather than a day of worship.

In the commercial pursuits of life we have all but forgotten that there is such a thing as the Lord's day, and to our shame many of our church members have turned from worshiping the Lord and are making God's day a day of pleasure seeking financial gain.

May we not forget that there is much to be done to put down the evils of the liquor business. There are several ways in which we can lend a helping hand. (1) Support the United Drys. (2) Stay away, as far as possible from places that handle beer. (3) Do not keep such literature about the home that carries ads for the liquor business. (4) And not only go to the polls and vote, but encourage every Christian man and woman in your community to do the same. If all Christian people will vote as they should, we will soon have a different story to tell.

When it comes to the matter of the racial problems, we want to recommend that we seek to act as Christian people and use some good common sense and these problems will be solved.

Respectfully submitted,

## IN MEMORIAM

It is altogether fitting that we pause in our work and give grateful remembrance and thanksgiving to God for those, who this past year, have gone to be with the Lord. They washed their robes in the blood of the Lamb; they served Him in love; and they being dead, yet speak.

"And I heard a voice from heaven saying, Write, Blessed are the dead who die in the Lord." Revelations 14:13. "Precious in the sight of the Lord is the death of His saints." Psalms 116:15. "For to me to live is Christ, and to die is gain." "But I am in a strait betwixt the two, having the desire to depart and be with Christ; for it is very far better." Philippians 1:21, 23.

What glorious knowledge these words from the Bible give us. It is a happy expectation to die in the Lord. It is a precious thing to our God that we die, for thereby He brings us home to Himself. And Paul tells us that life on this earth is Christ and to die is gain because it is departure from life with Christ by faith, to life with Christ face to face.

We sorrow, yes! But not as those who have no hope. "For we know that if the earthly house of our tabernacle be dissolved, we have a building from God, a house not made with hands, eternal in the heavens."

Therefore we who are assembled in this convention today would say of the loved ones of our departed friends, "We commend you to God, and to the word of His grace, which is able to build you up, and to give you the inheritance among all them that are sanctified." Acts 20:32.

## REPORT OF COMMITTEE ON RESOLUTIONS

This has been a good year with Oklahoma Baptists, and the Convention has been a successful, happy and hopeful one. The hospitality of the First Baptist Church, the pastor Dr. Storer and his staff, and the city of Tulsa, has been complete, generous and fraternal.

Be it resolved, therefore:

(1) That we register our Christian appreciation for the hospitality accorded us in this Convention by Dr. Storer and the people of the First Baptist Church for the use of their splendid and adequate buildings and for everything done to facilitate our work. We especially mention with gratitude the custodians of the building

who have kept splendidly the House of the Lord for our use. Their Christian courtesy has been measureless.

(2) That we, as fully as possible, express our appreciation to the President, Dr. Thomas P. Haskins, for the able and fraternal manner in which he has conducted our sessions and to Brother Bert Cherry and Brother Chester Mason, the vice-presidents, for their able assistance; to Dr. John T. Daniel, the recording secretary, for the efficient manner in which he has, as always, handled the record our deliberations and to Brother Tom E. Carter, assistant recording secretary, for his valuable contribution.

(3) That we express to God our gratitude for the leadership He has provided our Baptist people in Oklahoma through this Convention in Dr. Potter and the very unusual staff who assist him in all phases of our work, on the field, in the institutions and in the offices.

(4) That we thank the city of Tulsa, with special emphasis upon the churches, the hotels, the press and the Chamber of Commerce for all they have done to make our visit to this fine city a happy and useful one.

(5) That the loss by death of President Ellis A. Fuller of the Southern Baptist Seminary was a shock and a grief to this convention and all our people everywhere and submits no easy problem to the Seminary Board in procuring a successor to carry on the work Dr. Fuller and his illustrious predecessors have so successfully done. We send to Mrs. Fuller and his children our affectionate sympathy and pray for them a full measure of consoling grace. We further unanimously resolve to pray for the Board of Trustees the necessary divine guidance in filling the important post from which Dr. Fuller has retired to labors and leadership in a better world than this.

(6) That we deplore the effort to destroy on yesterday, November 1, the life of the President of the United States, the Honorable Harry S. Truman, and send to the President our prayers for the safety of him and his family, and that he may increasingly have the courage and wisdom to carry forward to a successful issue the great responsibility that is upon him as our national leader.

101. The following statement about the Braille work was presented to be incorporated in our minutes for informational purposes.

### SCRIPT FOR ANNOUNCEMENT

Jesus said, "Blessed are your eyes, for they see" . . . . "The prophets desired to see what you see and they saw not."

This thought is applicable today to our spiritual and physical perception. Many desire to see the printed page, but they see not. Thus, the Braille Evangel Magazine, Fort Worth, Texas is our ministry to the blind through the printing and distribution of our Christian reading matter.

The Braille Evangel is a religious monthly magazine published

under the management of twenty-one of our outstanding Baptist ministers and laymen in the South. It contains sermons, stories, religious verse, sacred music, devotional readings, and articles on Bible study, selected from Southern Baptist literature.

This magazine was started in October 1946, with a mailing list of 150 readers. Presently the Braille Evangel is reaching 5,000 blind people throughout all parts of the United States and 30 foreign countries. In these four years it has become a world-wide Christian literary mission enterprise. It is distributed to Braille readers upon request without a subscription price. However, its readers are encouraged to pay what they are able to pay through their personal gifts. Since only about ten per cent of the population of blind people are employed, the management of the Braille Evangel is depending upon Southern Baptist friends for their volunteer donations toward the operating costs of \$12,000.00 annually.

Twelve Hundred and eighty-eight of our Churches in the South have made contributions to the Braille Evangel. The average amount of these donations for 1950 is \$18.41. Seventy-five Churches in Oklahoma have supported the Braille Evangel, and only seventy one copies of our magazine are coming to readers in this State.

In Oklahoma there are four thousand blind people, and approximately 400 of them read Braille. It means that we are reaching only a small percentage of those who are prospects. Although we are serving 5,000 readers at large, there is another 5,000 on our prospective list, 2,000 of whom are both blind and deaf. Here is the open opportunity and challenge before the ministry of the Braille Evangel to advance its services to the blind of this state through the continuing and regular support and cooperative interests of Oklahoma Baptists.

The Braille Evangel, Fort Worth, Texas, stands by with a personal service as well as a spiritual ministry to answer the needs of your friends who cannot read the printed page. If you have blind friends who are not receiving the Braille Evangel Magazine, you will do them a special favor in sending us their request for this Christian Magazine. We invite you to visit our display in the basement of this building.

## PRESIDENT'S MESSAGE

### Lightened to Lighten

Mrs. Dan M. Reed

One of the darkest eras of the world, was about two thousand years ago. The people had forsaken God, and were living in sin and selfishness. The Herods, Caesars, and Pontius Pilates were being born. The teachings of Moses, Joseph, David, Ruth, and other great men and women of God had been replaced with the worship of silver and golden idols. The torch of peace, freedom, and spirituality, was burning at a low ebb.

But about this time, God sent His enlightened Son to lighten the world. As Jesus went about preaching and performing miracles, the flame again burned high. The apostles and disciples went about telling others of Jesus. Peace and comfort came into the hearts of many. But others, like Saul of Tarsus, played havoc with the Christians. But the Light of Jesus shone so brightly, that even Saul was later blinded by it while on the road to Damascus. Multitudes followed the Man of Galilee, and believed. Just when it seemed that the whole world was about to accept Christ, the winds of sin and selfishness began to blow against the flame of Light. The Scribes, Pharisees, the worldly people started their propaganda program against Jesus. While in the Garden of Gethsemane, praying to His heavenly Father, Jesus was betrayed. The mob took Him before Pilate, and cried, "Crucify Him, crucify Him."

As Jesus hung on the cross, His followers felt that the Light of hope had surely vanished. And why shouldn't they, for we read that, "from the sixth hour there was darkness over all the land until the ninth hour." It appeared that God had snuffed out the Light completely. Sadness fell upon Jesus' mother, His brothers, and all the disciples. With heavy hearts, they laid Him in the tomb.

But our God is a merciful God. It was not His plan for men and

women off sin to conquer the world. So, on the third day after the crucifixion, the Light again burst forth. Mary Magdalene and others began to shout to the world that Christ had arisen. The risen Lord, with His nail-pierced hands, gave new hope to the world. They now understood some of the things Christ had told them before the crucifixion. Paul started his work of turning "the world from darkness to light." Others like John Mark, Barnabas, Timothy, and Silas, began to go about telling others. This was the beginning of home and foreign missions—the beginning of the purpose for which the Woman's Missionary Union was organized. Like Paul, we must be lightened so that we may lighten others.

During the past nineteen hundred and fifty years, the flame of Christianity has burned brightly at times; at other times it has barely flickered. Christian people have been persecuted all through the ages, but the Light of Jesus continues to burn. The Roman Empire and Mohammed could not put it out. Down through the years we have had the Crusades, the Reformation, and Martin Luthers. Men and women of God always arise to the occasion. The Pilgrim forefathers faced a new world in order to worship according to their own dictates. Great preachers of this century have fought for religious freedom. Many of our young men have given their lives to get rid of Hitler and his kind.

But today, the winds of sin and selfishness are again blowing hard at the Light of peace and freedom. The world is faced with a choice of being a Christian world, or a non-Christian world. The forces of evil are at work. History has taught that God's people must fight for their cause. We cannot put our Light under a "bushel," for if there ever was a time when the torch must be held high, and carried with speed to all the world, it is today.

The modern world prides itself with the accomplishments made during the past few years, such as faster transportation, more comfort in living conditions, advances in all the sciences, and other material developments. The horse and buggy have given way to the sleek automobile; the old coal burning locomotive is being replaced with the streamlined diesel; the biplane is outmoded by the jet with a speed faster than sound; the muzzle-loading rifle is replaced with the "A" bomb for destruction of human lives in war. Yes, the ingenuity of man has resulted in great advancement during our own lifetime, in what we vainly call world progress.

But did you ever stop to realize that Jesus did not promise peace and everlasting life for doing these things? He told man to "take up his cross and follow me," and to speed the Word to all nations. If there is to be true progress, we must follow His teachings. How long will it take the world to understand that only a Christian people and a Christian nation can really be free, for without freedom of heart and soul, all other is for naught? If the world is to have peace and freedom, it must first have Jesus—for He is the Light of the world. This means more than merely letting the world hear about God. Most of the world has already heard of God. But to know of God is one thing; to have the love of Jesus in your heart is another. And the world must be won to Jesus one soul at a time. With all of our know-how in mass production, we cannot set up an assembly line for putting the love of Jesus into human hearts. They must accept Him individually, just like the saints of old and our

forefathers. Jesus comes the same way into one's heart, whether it is in this great land of ours or on one of the little islands of the Pacific.

Is our great organization getting so large that an individual member fails to recognize her responsibility for carrying the Light to others? God does not expect all of us to be great missionaries like Paul, Livingstone, Lottie Moon and Annie Armstrong. But the parable of the talents applies today, just as much as the day when Jesus related the story. It matters not how many talents we possess. Jesus made no distinction between the man who added two talents and the one who added five. Our reward in heaven will not be based on what we have, but on what we are doing with what we have.

Everyone has an opportunity to use her talents in missionary work. The Great Commission was not given to a few, but to every Christian. If you tell your neighbor about the love of Christ—you are a State Missionary. If you tell the story to people in other states—you are a Home Missionary. If you carry the light across the ocean, or send others—you are a Foreign Missionary. Giving only of our money does not meet the requirements. That is merely making use of one of our talents. We must carry the Light wherever we go, be it across the street or across the ocean. All nations may have a god, but we are the only one who can give them a living Jesus.

Many interesting christian experiences came out of World War II. One of the most unique, is the story by Stanley Tefft entitled, "They Made A Christian of Me." Some of our Navy boys were shot down and, after 72 hours in a life raft, they landed upon a Jap-held island in the Solomons. In addition to the Japs, these boys knew that the island was inhabited by a tribe of kinky-haired natives who once were head hunters. Some of these boys were not Christians, and the others admitted that they had been taking their religion pretty casually up to that time. But now they began to realize what it really meant to pray.

After hiding in caves for two days, they became so hungry that they had to get out and look for food. All of a sudden, they ran into one of the natives, and their hearts nearly stood still wondering what was to happen. Much to their surprise, this man was carrying a worn Bible printed in English. Before the boys could catch their breath, the native spoke in broken English, asking if they were from the west and Christians. These boys knew that if someone had asked them a week before, if they were Christians, they might have been reluctant to admit it with any degree of enthusiasm. But now, it was a different story. How glad they were to be witnesses for the Master.

It turned out that this native had spent three years in a missionary school on another island. He was a Christian because someone had sent missionaries to that far away place to tell others of Jesus and His love for all mankind.

The natives hid the boys from the Japs, and protected them at the risk of losing their own lives. But at night these American boys and the Christian natives would get together for singing and prayer. The natives knew such songs as "He Walks With Me" and "The Old Rugged Cross."

Finally, when the American forces began to move in, the boys decided to leave on a raft and row to an island held by the U.S. Army. About midnight, the natives paddled them out three miles. Before departing, they clustered their canoes around the boys' raft and began to pray for their safety. With tears in their eyes, these tough, young Americans admitted that perhaps the prayers of the natives did more to pull them through than their own, for the natives had been used to praying more than the boys. This is a story of foreign missions working in reverse. A story of physical lives of young American boys being saved. But more than that, for their spiritual lives had been revived, because someone had the desire in his heart to carry the Light across the ocean.

During the past five years, one of the greatest promises ever made to God by Christians, has been broken. When World War II began, we saw millions of our young men and women snatched from us and sent to the battle field. They were our sons and daughters, relatives, Sunday School students, or friends. All of them were close to our hearts. But it suddenly dawned upon us that many of them had left, perhaps never to return, without knowing Jesus. For years we had planned to speak to them about our Lord, and ask them to accept the Master. Now it was too late—they were gone.

All during the war we prayed for their safe return and promised God, if given another chance, we would do everything possible to lead them to Christ. After those frightful years, the war was over and our young people began to return. Many faces were missing, and in their place was a little white cross somewhere in another part of the world.

But when the terrible war was over, we thanked God and began to look around to see what could be done for these fine young people, who had risked their lives to protect our nation. Taxes were voted to send them to school; money was loaned to them to go into business or build a house; and they received insurance refunds. This was all very fine, and we should have done more. But what did we do about their souls? For five years we kept saying that we must talk to them about Christ. For five long years our promise to God was not carried out. And now what has happened? Again our young men are marching off to war, many of them without Christ. And worst of all, some of them are the same ones we promised God that we would win for Him when they returned five years ago. What are we waiting for? The field is white to harvest. How can we idly sit by? May God forgive us for our shortcomings, and may we sear into our heart and soul the burning desire to enlighten ourselves so that we may lighten others.

The conditions which exist in our nation, also exist in every country throughout the world. The Light needs to be carried to them, if the love of Jesus is to come into their hearts. Modern transportation, radio, and television, have made us next door neighbors with all the world. Only lightened people can lighten others. We have the Light; and it is our duty and responsibility to see that the Word is carried beyond the limits of the little circle in which we travel. Our constant prayer must be for God to lighten us, so that we may lighten others.

God has promised great things to the nations which obey His commands. During Paul's time, Greek was the most common lan-

guage spoken. For this reason, he was able to carry the Word to many nations. Today, English is the most universal language. It appears, therefore, that it is up to the English speaking people to carry God's word to the world. We know Christ's great commission. Are we going to obey it? If not, what will keep our great nation from passing into oblivion just like Judea, Egypt, Greece and Rome?

To the missionary, foreign missions means giving of time and even life itself. To most of us here, foreign missions means stewardship and prayer. But foreign missions begin at home. If we do not lead our young people at home to Christ, where will we get missionaries to send abroad? Evangelize our children, and they will evangelize the world.

We are proud that the Woman's Missionary Union had the vision to organize auxiliaries to train our children and young people, and to make religious education available to them.

We begin with the Sunbeam Baby Visitor. Before the baby is even big enough to talk, we visit the mother and child and present the mother with a copy of "A Mother's Prayer." We pray with her that the child will increase "in wisdom and stature, and in favour with God and man."

We continue the visits until the children are four years old, then it is time for them to start attending the Sunbeam Band. Let us remember that the years of the Sunbeam are the greatest formative years of the child's life. God forgive us if we lose the golden opportunity of molding the little minds as the Master would have us.

When the boys and girls are about nine years of age, it is time for them to become members of the Girl's Auxiliary and Royal Ambassadors. God gave us our children. It is during this age that we should give them back to Him. The testimonies of our missionaries reveal that their decisions were made during the time they were "Queens" and "Ambassadors." If there is any place in our organization where outstanding workers are needed—it is for these boys and girls. The greatest need of the world today is Christian leadership. This need can only be met in the future by training our young people. We have a tremendous job to do. We must train leaders—they are not born. When the "Queens" and "Ambassadors" outnumber the armies of the world, we will no longer have need for the army.

Then we have the Young Woman's Auxiliary. Their accomplishments are many. We are proud of them. They work hard and study better ways to carry out the things which they know God would have them do. It is during this period that they learn to accept responsibility. They are our understudies, so to speak. Some of us have traveled far along the pathway of this earthly life. We have tried to hold high the Light which was given to us many years ago. But the day will come when it will be necessary to hand the torch to the younger women. We know they will not fail, for the spirit of Christ abounds in their hearts and His love is exemplified in their every day living.

And of course, we do not neglect the training of the minds of our young people. The scholarship funds make it possible for many to go to college, who otherwise would never have the opportunity. This is especially true of children of our missionaries. Our hospital prepares young women for service to the sick today, as well as the

sick soul. All of this is being done as a part of our program for world evangelization. When your stewardship chairman talks to you, think of these things, and not of just "taking up a collection."

Yes, we are "laborers together with God," from the little child up through the oldest member in the Woman's Missionary Union. Our purpose is one: to serve God and help all mankind. We must do this as individuals. We can band our efforts together in order to do greater things, but religion is a personal matter. The whole plan of salvation is personal. We have a personal Saviour. He had to die a personal death. We must be personal witnesses. God lightened you, to lighten others.

### STEWARDSHIP REPORT FOR 1950

From the 38 associations there has been an average of 20 stewardship reports sent to me during this year. These reports do not give us a complete picture of what we have done but they will give us some idea of the progress made during 1950 and will show us where and how we can improve during the coming year.

Out of 463 missionary societies and 890 auxiliaries reporting, with a total membership of 24,749 there are 19,018 contributing through the Cooperative Program. The number of new tithers reported in Woman's Missionary Societies 2,099, in the auxiliaries 1,069; making a total of 3,168 new tithers for the year. The total number of tithers in Woman's Missionary Societies was 9,767, in auxiliaries 2,758, a grand total of 12,525.

These figures show an increase in new tithers and also in our total number of tithers over the previous year. If every tither during the year of 1950 wins a new tither in 1951 we will see a much larger increase next year in our number of tithers and also in the amount of mission work which can be done.

The offerings received for our three seasons of prayer were as follows: the 1950 Lottie Moon Christmas Offering for Foreign Missions as of January 31, 1951, \$91,139.00, the 1950 Annie Armstrong Offering for Home Missions, \$31,542.32 and the 1950 Edna McMillan Offering for State Missions, \$16,472.00.

There was also \$5,104.15 sent in toward our Southern Woman's Missionary Union Building Fund.

State Stewardship Chairman

### REPORT OF COMMUNITY MISSIONS

"Giving One's Self Away, Through Community Missions."  
Matthew 16-25 " . . . Whosoever will lose his life for my sake shall find it."

The story is told of the oyster and the pearls that so beautifully glisten on my lady as the most precious of jewels. A tiny grain of sand finds its way into the shell of the oyster, it is then coated over layer upon layer by the life-giving substance of the body of the oyster until it has taken it all. Then, the oyster dies.

This is just what our Saviour did when he purchased the pearl of great price. He has not asked us all to give our lives to die for him, but has asked that we give our lives to live for him. Since our

one aim is to win souls and strengthen Christians, this year for us will probably be the best opportunity we will ever have to show love for Him.

A survey of our communities is always necessary, but looking forward to the simultaneous revivals in our churches this year, it is a **must**. If it has been made or planned by other organizations in your church, then the Woman's Missionary Union should co-operate. Take along a note book to record information for your Woman's Missionary Society record. Follow up on the findings until the needs have been met.

My plan would be to meet for prayer and a short study of how to win souls, then go out and try to win them. Our Lord instructed his disciples and then commanded them to tarry until they received the Holy Spirit as the power for testimony.

God has so blessed our hearts during the three seasons of prayer, with their accompanying offerings named for Lottie Moon, Annie Armstrong and Edna McMillan. There is no way to measure the good that has been accomplished because women met together and prayed awhile and studied our various mission fields, foreign, home and state. Do we love our own communities less? A lost soul is a lost soul no matter where or in what circumstances he lives.

Just be a witness to Him. A witness is someone with first-hand knowledge. We cannot all preach or even teach but we can all say "Jesus Christ has saved me." That is witnessing. The Lord never asks any line of service from His followers without adequately preparing them for it. Some one has said "God's commandings are God's enablings." With this story, I close my report.

#### **"Your Work Important"**

The conductor of a great orchestra was one evening carrying on a rehearsal. There was the thunder of the organ, the roll of the drums, the singing wail of the violins, the brass of the trombones.

One man who played the piccolo away off in a corner suddenly decided, "In all this noise what does it matter what I do?" And, he stopped playing.

Suddenly the conductor flung up his hands, all was still. "Where," he cried, "is that piccolo?"

God may have the great crashing music of the spheres for praise, but he misses the voice of the smallest child. He is listening for all His own, as your lips say, "Here am I, Lord, send me."

### **REPORT OF STATE BUSINESS WOMAN'S CIRCLE WORK**

As we briefly report the record for the past year, it is gratifying to note some progress. We now have 155 Business Woman's Circles, 13 new, with a membership of approximately 3,000, and two Business Woman's Circles Federations.

Our second annual session of the State Business Woman's Circle Federation was held at Chickasha, Oklahoma on March 25-26. The theme was "Christ for the world we sing." The speakers were Miss Dorine Hawkins, Brazil, Dr. Roberta Cox Edwards, Nigeria, West

Africa, Mrs. Homer Grimmett, missionary among the Indians, Miss Nicey Murphy, Norman, also our state president, Mrs. Dan Reed of Tulsa, our executive secretaries, Miss Margaret Hutchison and Miss Abbie Louise Green, our Woman's Missionary Union field worker, Miss Martha Thomas Ellis. A total of 139 business women and advisers attended from forty-one circles over the state.

Officers elected at this meeting are: Mrs. Vernoy Campbell, Oklahoma City, President; Miss Elva Lucas, Tulsa, Vice President; Mrs. Joe Mayfield, Enid, Secretary-Treasurer; Mrs. Delyte Poin-dexter, Enid, Chorister; Miss Kathryn Tiefel, Oklahoma City, Pianist.

These meetings with missionary speakers, conferences and exchange of ideas promote the organization of more Business Woman's Circles.

Each year more women are going into the business world. Eighty-seven per cent of our teachers in the public schools are women. They have the greatest opportunity to reach our young people. This is a challenge. Shall we enlist them?

Eleven business women attended the conference at Ridgecrest. I have heard many echoes of the information and inspiration received there.

On March 6th. I visited the Business Woman's Circle, First Church, Enid, the occasion being the second anniversary of its organization. On March 16th we organized a Business Woman's Circle in the home of Dr. and Mrs. Hallock, Norman, Oklahoma, also attended the state B.W.C. conference at Chickasha, March 25-26.

April, I attended the Oklahoma County Business Woman's Federation.

In May I attended the Woman's Missionary Union Annual Meeting and the Southern Baptist Convention which convened in Chicago, also The Baptist World Alliance held in Cleveland, Ohio in July.

September was a busy month. I attended the state advisory committee meeting, the state board meeting, Oklahoma County Federation mission study class, taught by Miss Amanda Tinkle, Nigeria. "Exploring Africa" was the book taught.

October, attended the district meeting, Oklahoma County B.W.C. Federation and State Baptist W.M.U. annual meeting at Tulsa.

On October 13th I organized Business Woman's Circles at Del City and October 16th at Pleasant Valley, Oklahoma City, then to the beautiful new church at Minco, Oklahoma on October 17th. The W.M.S. were hostesses and after the organization of a B.W.C. a delightful hour of fellowship followed. Mrs. Robert Brown, Associational president was also present.

I have taught the Guide for B.W.C., installed officers in four Business Woman's Circles and prepared installations for another B.W.C. I have attended all B.W.C. Meetings each month at my own church.

Coming together is beginning  
Keeping together is progress  
Thinking together is unity  
Working together is success.

State B.W.C. Adviser

## REPORT OF HOSPITALS CHAIRMAN

Our hospitals seek to give light to them that sit in darkness and in the shadow of death; to guide our feet into the way of peace. Our doors are opened to those who sit in darkness and in the shadow of death 24 hours per day.

We believe that this method of spreading the gospel and reaching those who are spiritually sick is definitely included in God's program. He set the example for us to follow.

Baptists have accepted the command of Christ to "Heal the Sick" by establishing our three hospitals, located in Muskogee, Miami and Mangum. Oklahoma Baptist Hospital at Muskogee with Mr. J. P. Cox, administrator is approved by the American College of Surgeons. The Miami Hospital with Dr. J. F. Murrell, administrator has made application for approval by the American College of Surgeons and the Mangum Hospital with Mr. Joe Baker, administrator is moving toward the same objective. When we have the approval of the American College of Surgeons, we have attained the highest standard of hospital operation.

The day of Baptist opportunity in the hospital field is brighter than ever before in our history. We have a great challenge, a great program, and a great opportunity for the Lord. All three of the hospitals give good reports of the work accomplished during the year. They have admitted 7,111 patients, these patients staying in the hospitals 33,383 days. There have been 842 babies born in the hospitals, and charity work as reported for this year amounted to \$12,825.52.

Designated gifts coming to the hospitals through the Mother's Day Offering and other channels amounted to \$8,498.12. This is divided between the three hospitals. We long for the day to come when Oklahoma Baptists will give enough through our gifts to care for our charity patients. This would mean so much to our hospitals. It is the purpose of the Woman's Missionary Union to help promote the Mother's Day Offering.

Second, we encourage our women and young people to give linens, scripture tray cards, jellies and jams. These are the little things that we can give, yet they are greatly appreciated. The estimated value of supplies received this year is \$4,320.28.

In our School of Nursing we now have 44 girls in training, representing 23 counties in Oklahoma and three States in addition to Oklahoma. All of these young ladies in training represent the highest in Christian womanhood. We should remember to pray for them as they minister to those who need their tender care.

We are thankful for the way in which the Baptist women and young people have shared in this work during the year, and our prayer is that in years to come, our efforts will be far greater and much more will be accomplished in this field of service.

Let us continue our healing ministry in the name of Christ, for He has promised that even a cup of cold water given in His name, will not lose its reward.

Mrs. R. S. James  
State Hospitals Chairman

## REPORT OF ORPHANS' HOME

It didn't just happen but the loving work of the whole committee of the Orphans' Home for 1950, has made it happen.

From over the state the excellent reports have come, each one indicating a devotion to the consecrated task of ministering to our Children's Home. There have been 24 associations with complete reports for each quarter. Others have been faithful in reporting each quarter though the record was not always full. And, it is encouraging to have heard something from every association with completed organizations.

The most important date for this committee is the annual "Day At the Home." This was on April 4, 1950, at which time 51 people, which included chairmen, pastors, and a few local chairmen, from the various associations, met for a full day of prayer, planning, fellowship and to gain a better understanding of our home. We are grateful to Mr. Maxey, Mrs. Stinson and Mr. East and Mrs. Kraft for help and direction, making this meeting one of importance and success. The hospitality of the home is truly delightful.

The money plan for clothing the children has become increasingly popular and beneficial. To date we have 180 societies using the plan. The information sheets, for boys and girls have provided necessary help for societies or individuals sending special gifts and clothing on birthdays or other occasions. Spending money allowed the children, in addition to the money plan of clothing. Instead of valuation of boxes, as given on reports, we prefer the use of valuation of all gifts sent to the children. For the past year this has totaled \$6,497.29. The amount of cash given \$18,115.60. There has been an increase in the number of Woman's Missionary Societies as well as in their participation, but the auxiliaries do not show increase in either.

We have been happy to promote the Thanksgiving Offering, with its challenging theme—Every Baptist Giving—"One Day's Pay." Mr. Maxey's office reports to us a 50% increase of this plan in giving to the home, over the previous Christmas Stocking Offering.

Many of the women through their churches and Sunday School classes, continue the Birthday Offering. This is a strong means of aid to the home. Keep it up!

And "The greatest of these is love." These words expressed by St. Paul, truly giving understanding and meaning to all of the work done for our Children's Home, by the Woman's Missionary Union throughout Oklahoma.

Mrs. W. E. Price  
State Orphans' Home Chairman

## CHRISTIAN EDUCATION REPORT

Looking back over the year's work and comparing it with last year we can see unmistakable signs of progress all along the line. As Mr. Zickrick, Personnel Director for O.B.U., says: "We are beginning to get results. There is a better understanding of our work and better cooperation." Better understanding invariably creates better cooperation.

## I. Correspondence

## A. Letters sent to the Christian Education Chairmen

(1) In February of 1950 a letter and other material was sent to each chairman of each Association to aid them in conducting conferences at the March meetings.

(2) In December of 1950 a letter and other material was sent looking forward to the spring activities promoted through this Department. These activities being the program sponsored by the whole Association for High School Seniors and the June Jamboree held on the Campus of O.B.U. in June.

A new project was introduced at that time about which more will be heard later. That is a proposed Conference on Christian Education to be held March 1st on the Campus of O.B.U.

## B. Personal correspondence

Personal correspondence concerning the work has doubled this past year which seems to be a good sign as it shows more interest. We are glad for that.

## II. Personal Conferences

Personal interviews, always a most interesting phase of our work, have increased also. We were glad to contact the young folks you are interested in and let them know we stood ready to help if they needed it.

We have spent some time interviewing those who knew of needs that should be met or finding means for such help.

## III. Gifts and Disbursements

This is a new phase of our work which has grown as a natural result of the function of this Department. We are very happy over this report because it has given tangible evidence of our interest in those who have needed assistance as well as providing an outlet for those who like to have a part in specific projects. During the past year a sizable amount of money has passed through this department.

In order that all these funds might be properly recorded and the funds audited we established a fund in the O.B.U. Treasurer's Office under the heading W.M.U. Student Aid Fund. Now all money received is deposited in this account and then disbursed as occasion arises.

With the first semester just ended and a new semester just beginning, we are glad to have this much of a balance because our greatest needs usually show up during this last semester. Two cases are being considered now where unless help is given the ones in question will not be able to continue this next semester. We wish to thank all those who have made this work possible.

We wish to thank all those who have so beautifully cooperated with this Department in promoting the activities outlined. Almost every Association has set its date and made plans for the spring program for Seniors. We are very happy over the fine response.

Respectfully submitted,  
 Mrs. E. W. Thornton  
 Christian Education Chairman

### REPORT OF SCHOLARSHIP COMMITTEE

The State Scholarship Committee met June 9 in Oklahoma City with the following members present: Miss Margaret Hutchison, Executive Secretary-Treasurer, Mrs. Dan M. Reed, State President, Mrs. M. S. Whitehead, Woman's Missionary Union Training School Trustee, Mrs. Grady C. Cothen, Oklahoma's Advisory Committee member for the New Orleans Baptist Theological Seminary, Mrs. E. W. Thornton, Christian Education Chairman.

Communications were read from the other two members of the committee stating their reasons for not being present; Mrs. Berta K. Spooner, Advisory Board member from Oklahoma for Southwestern Baptist Training School, and Mrs. Ellis Gumm.

Mrs. Reed presided for the organization of the committee. Mrs. Thornton was elected chairman and Mrs. Cothen secretary.

Mrs. Thornton then called for applications for the various schools. Mrs. Whitehead reported there were no applications for the Woman's Missionary Union Training School. Emily Jean Goon was graduated in May. She worked for the Home Mission Board this summer among the Chinese.

Mrs. Cothen reported no new applications for the New Orleans Seminary but one renewal, that of Mary Eliska Gentry, which was granted.

Mrs. Spooner's letter submitted the following renewals; Rose Palmer, Cherri Loper, Gerry Zweischer. These were granted. Three Scholarship students graduated this year. Jeanette White married, Dora Dean Gooch and Mary Jo Lewis are employed.

A new applicant, Mary Elizabethe Williams, was granted a scholarship for Southwestern Seminary.

A new scholarship was granted later for Lois Williams to attend the Golden Gate Seminary.

At O.B.U. scholarships were renewed for Stella Wapskineh and Lucille Stidham, our Indian students. Later a scholarship was approved for a new applicant, Romona Osburn, also an Indian girl at O.B.U. Both Lucille and Stella worked among their own people in Oklahoma under the Home Mission Board this summer.

At the National Baptist Missionary Training School in Nashville we granted a renewal of scholarship to Mary Ritter Threat, McAlester. Alma Gentle from the Bahamas, graduated in the spring and was sent \$5.00 as a gift.

The committee voted the following recommendations:

(1) That girls applying for scholarships be urged to follow the suggestion of the Woman's Missionary Union Training School that they work from one to three years after graduation from College before taking training at the Training Schools. Such girls to be given preference in granting scholarships.

(2) That June 8 be set as the date for the 1951 Scholarship Committee Meeting.

Respectfully submitted,  
Mrs. E. W. Thornton, Chairman

### REPORT OF MARGARET FUND CHAIRMAN

My report as State Margaret Fund Chairman is so meager it seems a pity to make it formal. My work has consisted mainly of receiving and forwarding checks from Mrs. Cox in Memphis, the Burney Gift checks three times a year.

Since Thomas Berry is our only Margaret Fund student in the state, the work of my office has been unusually light. Thomas is so resourceful as to have obtained a fellowship in his college which cares for the needs of the physical man. "Man does not live by bread alone" and herein is seen the need for prayer and an abiding interest in our young friend. My prayer is that he may regard all of life as a stewardship.

It seems to me that all our meetings should be different in times of crisis such as we now face. "Where two or three are gathered together in My name, there am I in the midst of them." Matthew 18:20.

Mrs. Robert E. Beddoe  
Margaret Fund Chairman

### REPORT OF WOMAN'S MISSIONARY UNION TRAINING SCHOOL

"Chosen and appointed"—With these words, Dr. Littlejohn, president of the W.M.U. Training School at Louisville, Kentucky, characterized the 73 young women graduating last spring from the school, thus using the commission given by Jesus to his disciples: "You did not choose me, but I chose you and appointed you that you should go forth and bear fruit." Bearing out this commission, 19 will work in local churches; 10 have chosen some form of mission

work—in Arabia, Japan, Good Will Centers, or in special missions. Among these is Emily Goon, Oklahoma's former scholarship girl, who is working with the Chinese in Augusta, Georgia. Three of this class are in Woman's Missionary Union work, while 8 will be student secretaries on various college campuses. As wives of Seminary students, 23 will be busy in church fields. Four are to be in the religious teaching field, and one each in the Training Union, Church Library and Sunday School Departments. None would deny that this is a privileged group with wonderful possibilities for service. Miss Miriam Robinson speaks of the continuity of the Training School Commencements—how they seem not to be separate events, with a year between one and the next, but rather an interminable procession of young women prepared to serve, going forth "to take the Light" of salvation through Christ into the uttermost parts of the earth.

Other news brings word that "at long last a dream has come true." On Nov. 1, 1950 club work began at the Baptist Good Will Center 1818 Portland Avenue, Louisville, Kentucky. After an interval of 12 years the W.M.U. Training School is back in the Good Will Center work begun in 1912. Miss Edith Vaughn, Center director, is a graduate of the Training School and worked in a Good Will Center program in Virginia several years. The Center has always drawn its staff from the student body at the Training School. A committee from the Training School board of trustees consulted with the Louisville police and welfare authorities before deciding to locate the center in the West End. A new location was necessary because of changing population and because the Training School moved to its present site near the Seminary. The intervening war years postponed completion of plans until now. Good Will Center work is as varied as those who participate in its activities. Its business is to win souls and to lift lives.

These glimpses we get of the work of the Training School should cause us to endeavor to send there our finest young women who desire to give special Christian service. Seek them out, to give them the opportunity the Training School provides. Oklahoma did not have a scholarship girl there last year.

The visit of Miss Mary J. Augenstein, field representative of the Training School, to our Annual Meeting in Tulsa in October will bear fruit in our renewed interest and fresh information in our work together for this school that belongs so especially to Woman's Missionary Union.

Mrs. M. S. Whitehead, Oklahoma Trustee.

## REPORT OF SOUTHWESTERN BAPTIST TRAINING SCHOOL

Of the 176 young women in the dormitory this year, eight are from Oklahoma. They are Ruth Bridges, Tulsa, Doris June Jennings, Oklahoma City, Frances M. Long, Tulsa, Cherri Loper, Durant, Margie Payne, Sallisaw, Rose Palmer, Stillwater, Juanita Williams, Shawnee and Kathryn White, Duncan.

Three students are there on an Oklahoma Woman's Missionary Union scholarship, Cherri Loper who will finish January 1952, Rose Palmer who will finish May 1951 and Mary Elizabethe Williams, who is in her first year.

Dr. Floy Barnard writing about this year's class said, "I have never seen such an aggregation of charm, talent and deep devotion to the Lord! They amaze me and inspire me, too."

Before school started a retreat was held for the House Council and the Y.W.A. Executive Committee. The young women made careful plans for the year.

The first Y.W.A. meeting was the State Mission Season of Prayer observance. Most of the young people on the program had done summer state mission work so they made state missions quite vital to all. The program was presented out on the lawn with those who participated encircled with a map of Texas. That offering exceeded \$100.00.

The observance of the Foreign Mission Week of Prayer was by the entire school, with chapel every day featuring foreign missions and every professor started every class with a season of prayer. The Y.W.A. set \$1000.00 for their goal and gave over \$2000.00. Recall that there are 176 young women in the dormitory and one will see the great missionary spirit and, in most cases sacrificial giving.

These young women are being trained for home and foreign mission service, for Goodwill Center and Student work, for Educational and Music Directors, for church secretaries and teachers.

Oklahoma Woman's Missionary Union again this year provided \$200.00 toward the expense of the Day Nursery at Southwestern in order that mothers of small children may take courses, too. Another small way that Oklahoma Woman's Missionary Union helped financially was to send love gifts of \$40.00 for a Thanksgiving treat for the girls in the dormitory.

## REPORT OF THE NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY

"Watch It Grow" has been the slogan at our Seminary since July 1, 1948 when the ground was broken for the first four buildings on the new seventy-five acre Gentilly Campus. At the present time those four buildings are occupied, and two others are being built. Dr. Leavell reports that the growth of the student body to the present 537 means that "we lack classroom space, dormitory space, apartment space, faculty office space, dining room space, library space, storage space, recreation space, and almost breathing space." We are glad that is so.

For the 1950-51 session Oklahoma is represented by two girls from our state. Georgia Vivian Jones, a recent graduate of Oklahoma Baptist University, is our first-year student who is already making a place for herself in the hearts of students and faculty. Our second-year scholarship student, Mary Eliska Gentry, is back at her beloved school after serving the young people of Oklahoma as assistant to Miss Abbie Louise Green this past summer. She is serving her fellow students as well as her Lord, as social chairman for the student government council.

Others from our state are expressing their desire to enter the school which is situated in this country's most potential mission

fields. It will be our sincere prayer that the building program will go forward so that all who are called by God may better prepare themselves for His service.

## REPORT OF WOMAN'S MISSIONARY UNION FOR 1950

Though many Baptist meetings in 1950 based their themes and program topics on the word "light," it was felt that only a favored few comparatively had attended these meetings, therefore "Lightened To Lighten" was chosen for the thought of this annual meeting. This was in order to utilize the watchword for the year, letting its great significance and beautiful symbolism take hold of our women in annual session. For instance, Southern Woman's Missionary Union had "Toward The Light" as the theme for their annual meeting and the Southern Baptist Convention used "Freedom's Holy Light." The Baptist World Alliance had for its eighth congress theme "And the Light Shineth in Darkness."

To us has been given the Light that we in turn may "give Light to them that sit in darkness and in the shadow of death." To what extent women and young people have been faithful through Woman's Missionary Union to carry the Light to others will be seen in this annual report.

"Come let us recount in Zion what the Lord our God has done."  
Jeremiah 51:10

It takes all grades of the Union, the five-branched candelabra—The Woman's Missionary Society, the Young Woman's Auxiliary, the Girls' Auxiliary, the Royal Ambassador Chapter and the Sunbeam Band—for the Light to be borne for the best results. The officers and leaders in these five organizations are to be commended for their efforts and accomplishments. Associational officers and chairmen are due much credit as they have kept close to the flame of each organization to fan it aglow with new inspiration. District officers have assisted in this as well as state officers and chairmen. To all of these is due abiding appreciation.

### Associational Promotion

During 1950 the 38 associational presidents reported every quarter. The last quarter of 1950 there were 39 associations, all reporting. This makes a perfect record of reporting, never before attained in Oklahoma. Five of the 39 associations attained the A-1 rating, namely: Central, Mrs. E. A. Jackson, president; Oklahoma County, Mrs. M. S. Taylor, president; Pawnee-Payne, Mrs. Earl Gist, president; Tillman, Mrs. K. B. Costen, president and Tulsa-Rogers, Mrs. Clyde Hilsheimer, president. The following nine associations failed to reach the Associational Standard of Excellence by only one point: Arbuckle, Mrs. Richard Judd, president; Beckham, Mrs. B. S. Hawkins, president, Chickasaw, Mrs. Robert Brown, president, Concord-Kiowa, Mrs. J. Z. Barker, president, Enon, Mrs. C. C. Hutson, president; Harmon, Mrs. W. R. Keith, president; Jackson-Greer, Mrs. R. S. James, president; Panhandle, Mrs. E. P. Boston, president and Salt Fork, Mrs. L. G. Hardiman, president.

Five associations reported having held a Mission Study Institute: Atoka, Mrs. C. D. Schmidt, president; Northeast, Mrs. S. L. Stacy, president; Panhandle, Mrs. E. P. Boston, president; Pottawatomie-Lincoln, Mrs. Leroy T. Taylor, president and Salt Fork, Mrs. L. G. Hardiman, president. Oklahoma County and Northeast Associational Unions tied for first place in the number of new missionary societies organized in 1950.

One associational rally for 1950 was a special simultaneous affair when all emphasis was placed upon the preparation for the great Simultaneous Revivals in churches west of the Mississippi River in April. All but one association held this as a separate and special meeting on March 20 using the suggested program from the state WMU office majoring on evangelism and woman's part in it. There were reported 4,157 women attending these rallies.

### District Meetings

The fourteen district presidents prepared well for the District Woman's Missionary Union Conference held in October. A total of 2,854 attended, 678 more than attended the 1949 District WMU Meetings held in April. These women represented 250 societies, 197 being WMS presidents and 199 being young people's directors. The total offerings of \$688.90 went for the special missionary gift fund. There were sold 2,012 of the 1951 Southern WMU Year Books.

A two-car caravan made the fourteen district meetings taking nine conference leaders and missionary speakers, namely: Mrs. C. D. Creasman, Stewardship Director for Southern Woman's Missionary Union, Miss Lucy Smith, Missionary to the Orient, Mrs. Dan M. Reed, substituting in four meetings for Mrs. Creasman, Misses Margaret Hutchison, Abbie Louise Green and Martha Thomas Ellis, and Mrs. H. B. Wilhoite who led conferences on their phases of the work. Mrs. Edith Stinson, representing the Orphans' Home and Mr. Jerome Zickrick, representing the Christian Education work, also led conferences. Miss Eunice Short of Oklahoma Baptist University substituted for Mr. Zickrick at five of the meetings. Mrs. Lillian Tisinger represented the Baptist Book Store. All these leaders with a few local women presented a skit on a Woman's Missionary Union Executive Committee Meeting in a church.

### State Promoted Meetings

#### January Rallies

Though the Evangelistic and Missionary Rallies are associational as to area, the Baptist General Convention promotes them. Woman's Missionary Union participates in them all. Four teams made the 38 associations, Misses Hutchison, Green and Ellis and Mrs. Ellis Gumm being the WMU representatives speaking for Woman's Missionary Union on the program and holding an hour's conference in the afternoon. Mrs. E. A. Jackson substituted for Miss Green for one week since she had to attend the meeting of State Young People's Secretaries in Birmingham. A total of 5,269 attended these rallies.

#### Summer Rallies

It was the pleasure of the executive secretary to secure 25 different speakers on missions to serve the 30 summer associational

rallies and the 23 associational, district and state camps and assemblies. Two were workers for the entire summer, Katsuro Taura, Hawaii and Wayland College, and Miss Mary Eliska Gentry, WMU scholarship student at New Orleans Seminary. Some others were Rev. W. E. Haltom, Hawaii, Dr. L. W. Martin, Home Mission Board, Rev. Mike Mojica, Mexican work, Rev. and Mrs. B. P. Emanuel, appointees for Japan, Rev. and Mrs. A. Worthington, Indian work, Miss Lucy Smith, China, Miss Ruth Ford, China, Miss Nina Belle Holoday, many nationalities on home mission fields, Mrs. Homer L. Grimmer, Indian work, Miss Dorine Hawkins, Brazil, Dr. Roberta Cox Edwards, Nigeria, Mrs. Samaria Leader, Indian work, Rev. and Mrs. Harold Hall, China, Mrs. Robert F. Ricketson, China; Miss Ruth Womack, Nigeria and Rev. and Mrs. Amelio Giannetta, Italy. The travel expenses of all these missionary speakers and the salary of the summer worker come from the State Mission Offering. These workers reached 3,946 in rallies and 3,529 in camps and assemblies, a total of 7,475 with a missionary message.

### State Assembly

Miss Martha Thomas Ellis served as Dean of the WMU Hour at the Falls Creek Assembly. The executive secretary had secured the following ten teachers for the state assembly, selecting the books to be taught and providing the teachers with instruction and helps; Katsuro Taura, Miss Ruth Womack, Miss Dorine Hawkins, Miss Lucy Smith, Misses Abbie Louise Green and Mary Eliska Gentry, Rev. and Mrs. Amelio Giannetta, Misses Dureen Heed and Cledith McQuain.

### State W.M.U. Board Meetings

In February 56 members and 33 visitors attended the State Woman's Missionary Union Board Meeting held in the Huckins Hotel, Oklahoma City. In September, meeting for the first time in the beautiful chapel of the new Baptist Building, 54 members and 26 visitors met for the fall Board Meeting. Miss Amanda Tinkle, missionary to Africa led the two devotional periods. The associational young people's directors are the guests of the state for the January Board Meeting and associations are to send these directors to the September Board Meeting.

### State B.W.C. Federation

For the second time the State Business Woman's Circle Federation met for a state conference at Chickasha in 1950 with 139 present from 41 circles. These officers were elected to serve for 1950, President, Mrs. Vernoy Campbell, Oklahoma City, Vice President, Miss Elva Lucas, Tulsa, Secretary-Treasurer, Mrs. Joe Mayfield, Enid, Chorister, Mrs. Delyte Poindexter, Enid and Miss Katharin Tiefel, Oklahoma City, pianist. Mrs. A. B. Cockrell had been elected to serve as State B.W.C. Chairman.

### W.M.U. Week at Ridgecrest

Miss Hutchison charted the way to Ridgecrest for 24 Oklahoma women and 5 others in a chartered bus for W.M.U. Week. Eleven of these 24 were members of Business Woman's Circles.

Oklahoma had her full delegation of 60 besides some visitors for the Southern Woman's Missionary Union Annual Meeting in Chicago in May.

### Other State Work

Miss Abbie Louise Green, Young People's Secretary, makes her report separately. Hers is an extremely responsible and highly important work. She has done it well. Each state chairman has made her report separately. The field workers have carried on faithfully and with success. The following are tables giving facts about our work that can be seen at a glance.

### Regarding W.M.U. Gifts

Woman's Missionary Union for its various phases of work had income from three sources, first, the \$19,000.00 from the General Baptist Convention's budget for which we are most grateful and within which we operated for the year 1950; second the State WMU Apportionment of \$12,183.26 which enabled us to contribute \$5,104.15 in 1950 toward the Southern WMU Headquarters Building, \$1,200.00 toward the WMU Training School running expenses, \$1,200.00 for scholarships in our four training schools, \$1,580.00 to nurseries at O.B.U., Southwestern and New Orleans Seminaries in order that mothers of small children may pursue their studies, \$340.00 for Margaret Fund Burney Gifts, \$75.00 to Ericka Schmidt, a foreign student and \$1,559.07 for our State W.M.U. Board Meetings; third, the half of the State Mission Offering after expenses of the offering have been deducted which for 1950 expenditure was \$7,678.23. This fund paid the salary and travel expense of our state WMU field worker, the salary and travel expense of our WMU worker among Indians, part salary of Negro WMU field worker, rent and phone for office of Negro Mission Center, three scholarships for Indian girls at OBU and one for a Negro girl, travel expenses of the many missionary speakers and teachers for summer rallies, camps and assemblies, \$300.00 to the Indian Assembly, \$198.87 for entertainment of wives of preachers at the Summer School for Preachers, printing of Indian WMU literature.

Out of the Annie Armstrong Offering for Home Missions, the fourth payment of \$2,000.00 was made on the pledge of \$10,000.00 on the School of Religion adjacent to Langston University.

To receive a complete picture of the work of Woman's Missionary Union for 1950 every report of officers and chairmen should be read.

If enlightenment has come to a greater degree to the women and young people of Oklahoma through efforts of Woman's Missionary Union, thanks go to all workers and leaders but the glory goes to Him who is our Light, even the Christ whose Kingdom we seek.

## REPORT OF W.M.U. FIELD WORKER

One thousand one hundred and twelve churches in Oklahoma in 1950! Isn't that wonderful? Yet it makes me very sad because 397 of our 1,112 churches have no missionary organization at all—no W.M.S. and not a single auxiliary.

In I Samuel 12:23-24 we read "Moreover as for me, God forbid that I should sin against the Lord in ceasing to pray for you: but I will teach you the good and right way: only fear the Lord, and serve him in truth with all your heart: for consider how great things he hath done for you." Could it be that we have been indifferent and neglectful both of ourselves and our precious young people? Truly God has done great things for us and we should consider it a privilege and a pleasure to "Labor together with him" in Woman's Missionary Union. Let us resolve in 1951 that we will not sin against God by failing to organize that we may pray unitedly and individually for the great cause of missions and let us not sin against him by failing to teach and train our young people missions and give them an opportunity to be active in their missionary organizations as they learn. Let us not enter into the missionary task in a half hearted way, but let us rather "serve the Lord with all our heart."

The statistical report which follows will show that I was "busy" in 1950 but I would love to be busy in 1951 helping you to effect the new organizations . . . both W.M.S. and auxiliaries . . . that we long to have. Let me turn the plea that we so often quote around and beg of you: "Let me come over into Macedonia and help you organize a W.M.S. or auxiliaries in your church . . . in your association." Is it too much to ask that we try to have at least one missionary organization in every church in Oklahoma in 1951?

## REPORT OF INDIAN W.M.U. FIELD WORKER

I. Muskogee-Seminole-Wichita Association is composed of Indian Baptist churches in the following counties:

Muskogee, McIntosh, Wagoner, Creek, Okfuskee, Hughes, Seminole, Sequoyah, Caddo and Okmulgee.

There are 30 societies with a membership of 445, 125 titheers, 75 Family Altars and 20 auxiliaries.

There are 12,000 Creeks, 3,000 Seminoles.

II. How do they respond to our plan of work?

Some of them have put on a full program with at least 3 of the committees and auxiliaries.

They use the Royal Service program as arranged by Mrs. Grimmet which is a great help.

We have held two conferences, with the help of our secretary and other state and district workers and foreign missionaries. These were both informational and inspirational and will be repeated this year.

They observe the Seasons of Prayer, contribute to the Co-operative Program and give to World Relief.

They do not want to move too rapidly but want to understand it thoroughly.

### III. What are you doing for your Young People?

This work has had you might say a sensational progress which we hope will become a steady growth.

We were so greatly concerned and felt called to plan a special program during the association in August. Classes were held for each auxiliary and handwork. A Leaders' Course for daytime. Each evening, to an overflowing audience there was a program showing slides of our mission fields, a period of testimony and a message closing with an invitation.

There were conversions, re-dedications, surrenders for special service.

### REPORT OF INDIAN WOMAN'S MISSIONARY SOCIETIES

Mrs. Homer C. Grimmett is the faithful home missionary working with the Indian women and young people of Oklahoma through Woman's Missionary Union. Mrs. Grimmett has prepared two small folders for distribution to the Indian missionary societies, one on community missions, the other on officers and their duties. Our state Woman's Missionary Union has printed them for her use and her report to us is that they have been well received. Mrs. Grimmett also by special arrangement with Miss Juliette Mather to

receive the mission program each month simplifies each monthly **Royal Service** mission program, has it mimeographed and mails it to every Indian society. They are being used more and more.

Her brief report:

There are 102 Woman's Missionary Societies with 68 reporting some time during the year. They are using the programs, doing community missions work and giving through the Unified Budget. There are 37 churches 100%, meaning every woman in the church giving something to missions, and 8 societies are 100% in tithing. Eighteen societies have one or more of the Woman's Missionary Union young people's organizations; five of these 18 are fully graded. They are faithful in observance of the seasons of prayer, just one prayer service and their offerings would average more than \$1.00 per person.

### REPORT OF THE MEMORIAL COMMITTEE

We lift our hearts in grateful praise to the Heavenly Father for the life of Mrs. E. M. Edwards who passed away in May of this year. She was president of an association from 1930-1932 and a member of the State Board.

We lovingly remember her and the contributions she made to the Woman's Missionary Union.

No doubt there are many other faithful members in the Woman's Missionary Societies in our State who during the past year have passed on but they have left their glow because of the service they rendered.

Perhaps some have gone on from Girls' Auxiliaries, Royal Ambassadors, Young Woman's Auxiliaries and Sunbeams.

"Blessed are the dead which die in the Lord from henceforth: Yea, saith the spirit, that they may rest from their labours; and their works do follow them. Revelation 14:13."

With gratitude to God for the memory they have left us, we stand in silent prayer.

### REPORT OF CENTRAL DISTRICT W.M.U.

The twenty-eighth annual meeting of Central District was held in Capitol Hill Baptist Church, Oklahoma City, October 6, 1950, with 267 present. Much inspiration and information was gained from the speakers and conferences of the day.

Our four associational presidents are: Mrs. E. A. Jackson, Central; Mrs. Robert Brown, Chickasaw; Mrs. M. S. Taylor, Oklahoma County; and Mrs. Leo Jones, Union. From their reports we learn that W.M.U. work continues to "Go Forward" in Central District,

with a noted increase in societies and even a greater increase in young people's organizations. The work of these women in their respective associations is to be commended and our special gratitude to Mrs. E. A. Jackson for presiding at this meeting in the absence of the president. Mrs. Jess M. Beck has served faithfully as our secretary-treasurer for several years. Our prayers go with the new officers: Mrs. G. B. Dunlap, President and Mrs. L. W. Anderson, Secretary-Treasurer as they "Labor together with God"—and each other in Woman's Missionary Union of Central District.

As we come to the close of the work this year, we are grateful for every accomplishment in the name of our Lord and pray that each of us shall remember in this disturbed and restless world, Jesus said, "Ye shall be my witnesses."

Mrs. A. C. Stewart  
Central District W.M.U. President

### REPORT OF EAST CENTRAL DISTRICT W.M.U.

East Central District is composed of four associations, namely, LeFlore, Latimer, Haskell and Pittsburg in which there are thirty-six W.M.S. organizations. Their gifts to Home Missions through the Annie Armstrong offering total \$571.00, State Missions through the Edna McMillan offering \$591.67 and last year's offering to Foreign Missions through the Lottie Moon Christmas Offering was \$1,094.80.

We have one newly organized association this year, Haskell Association.

The G.A. and R.A. Camp at Kiamichi registered 67 and 80 visitors. They gave a love offering of \$25.00 to their two workers Mary Gentry and Katsuro Taura.

Our desire is that this annual camp may result in the dedication of the lives of many of our young people to the service of the Lord.

Our annual meeting was held at Eufaula with 212 present. Nine pastors were present. Our love offering for missions was \$37.50.

We are grateful to our state workers, and look forward to the new year and pray to the Father for His grace and guidance during the coming days that victory in all phases of His work may come as we go forward together.

Mrs. Bill Haynes  
East Central District W.M.U. President

### REPORT OF LAWTON DISTRICT W.M.U.

The annual Woman's Missionary Union meeting of Lawton District was held in the Central Baptist Church, Lawton, October 11, 1950. Mrs. C. C. Scott, Apache, president of Caddo Association, presided over the meeting in the absence of Mrs. Thurman George, Duncan, district president who resigned.

Mrs. W. A. Wilcoxson, gave the devotional and prayer using the theme: "According to the Pattern." The simultaneous conferences were led by state Woman's Missionary Union leaders. The enthusiasm, inspiration and information radiated from them to all present making it a profitable day to further our work and prepare the workers for their tasks.

The three associations comprising the Lawton District are: Comanche-Cotton Association with Mrs. Bailey Sewell of Lawton as president; Mullins Association with Mrs. Leon Morgan of Ryan as president; and Caddo Association with Mrs. C. C. Scott of Apache as president. All three reported a good year and a full attendance at the annual meeting. There was an attendance of 304 with 22 presidents of societies registering. The missionary offering was \$83.06.

Mrs. Gerald R. Smith, Lawton, was elected district president and Mrs. Ford Gauntt, Lawton was elected district secretary-treasurer.

As we come to the close of 1950 we are grateful to God for every leader and every follower, for the accomplishments in the name of our Lord.

Praying for guidance of the Holy Spirit, we are looking forward to a better year in 1951.

Mrs. Gerald R. Smith  
Lawton District W.M.U. President  
for 1950-51

### REPORT OF NORTH CENTRAL DISTRICT W.M.U.

We are enveloped with willing women, willing for a superb job to be done by other people. However, our district meeting in Alva, First Church was an inspirational and informative one.

Our total attendance of 194 included representatives from 18 societies of our three associations.

The three associational presidents with their young people's leaders were present. The Salt Fork president, Mrs. L. G. Hardiman, received the award for having the largest number of '51 officers present.

An offering of \$60.00 was given to be used by new missionaries going to their fields of service or by those who are returning to fields of service.

Mrs. W. A. Carleton  
North Central District WMU Pres.

### REPORT OF NORTHEAST DISTRICT W.M.U.

The annual meeting of the Northeast District was held at the Trinity Baptist Church of Vinita, October 17. This meeting had the largest attendance of any District meeting in our state. Three hundred sixty were present, and the offering amounted to \$88.00.

The spirit of the meeting was truly great. The people came anticipating a practical, constructive meeting, and they were not disappointed. The conferences on all phases of our work directed by our state and southwide leaders, we feel sure, will result in better work on the part of our women for the year 1951. The inspirational speakers were Mrs. C. D. Creaseman and Miss Lucy Smith, and their messages were very effective.

With deep gratitude in my heart, I praise God for the leadership of Miss Margaret Hutchison, who suggested the program for our district meeting, and who, with her efficient helpers, has inspired and led us so efficiently throughout the past year.

The people of the Northeast District, with Mrs. S. L. Stacy of Fairland, and Mrs. Buford C. Dillard of Bartlesville, vice presidents, and Mrs. Joseph Daniels of Miami as secretary-treasurer, have made the work of the district a genuine joy to my heart.

The three state board meetings, which I attended, were very helpful and inspirational.

An encouraging number of new societies has been organized and large numbers have been enlisted in Mission Study through the Mission Study Institutes. Young people's camps within our district have awakened interest among our young people who were not able to attend our larger encampments. These with many other activities have helped promote the work.

Northeast District helped finance the Traveling Church of Evangelism conducted by eleven ministerial students from Oklahoma Baptist University under the leadership of Rev. Ray Hart during the past summer in Kansas.

We feel sure that, under the leadership of our new District President Mrs. Harold Graves of Bartlesville, the work of Northeast District will go forward as never before.

Mrs. J. F. Murrell

Northeast District W.M.U. Pres.

### REPORT OF NORTHWEST DISTRICT W.M.U.

The officers serving Northwest District in 1950 are as follows:

President, Mrs. George Felkel, Buffalo; Vice President, Mrs. Paul Darden, Sharon; Secretary-Treasurer, Mrs. Charles Scott, Woodward; Young People's Leader, Mrs. S. A. Shelinbarger, Laverne; Mission Study Chairman, Mrs. L. O. McCracken, Woodward; Stewardship, Mrs. M. O. Apperson, Sharon; Community Missions, Mrs. John Reed, Freedom; Margaret Fund, Mrs. Fred Williams, Mooreland; Christian Education, Mrs. Glen Randels, Buffalo; Hospitals, Mrs. H. J. Herber, Shattuck; Orphans' Home Chairman, Mrs. J. E. Steadman, Shattuck.

We had a very fine district meeting with 160 ladies attending from 14 churches. An offering of \$46.25 was taken to be used in the special mission fund set up by the state.

We have had the better reports this year than ever before. Every church has made at least two reports during the year. We have 15 Woman's Missionary Societies organized and 15 auxiliaries, with a total membership of 405. Total contributions to various mission offerings \$3,619.54. Two-hundred and eighty-six women studied mission books this year.

We have attended two State Board meetings, State Convention, Southern Baptist Convention and helped arrange teachers for mission books at the Boiling Springs Assembly at Woodward.

Our women have been very cooperative and willing to help and it has been a good year of laboring for our Lord.

Mrs. George Felkel

Northwest District W.M.U. Pres.

### REPORT OF SHAWNEE DISTRICT W.M.U.

As I look back over my period of serving as president of Shawnee District, I find my heart rejoices at some of the things accom-

plished by the three associations within this district. These associations have been led and planned for well by their associational Woman's Missionary Union president. The Pottawatomie-Lincoln Association prepared under Mrs. Ellis Gumm and her co-workers. When Mrs. Gumm left this association and moved to another in our state the mantle of service fell upon Mrs. Leroy T. Taylor of Shawnee. She is proving herself as a trusted servant.

The South Canadian Association has gone forward in its three years of babyhood under the leadership of Mrs. E. Fred Lewis of Seminole. North Canadian Association is also three years old and with Mrs. Sanford Lackey of Okmulgee to plan for her, has grown in strength and service.

The spirit of our district meeting on October 20, 1950 at Henryetta, First Church was stimulating to all who attended. The conferences led by our state workers were of great value, and the inspiration and information brought to us by Mrs. C. D. Creasman our W.M.U. Southwide Stewardship Director and Miss Lucy Smith home from China were rich to all.

Mrs. M. L. Waggoner of Holdenville has been a most capable and sweet spirited secretary and treasurer of our district. As our records are turned to our new officers I find all minutes up-to-date and approved by the district.

During my last 18 months of office I have attended one State Woman's Missionary Union Convention, attended Southern Baptist Woman's Missionary Union meeting in Chicago in May, 1950. I attended all state board meetings, 7 associational W.M.U. rallies and assisted on the program at 4 of these, conducted three installation services. I was guest speaker in January, 1950 at Tulsa-Rogers Rally, speaking in the evening at the Federation of Business Woman's Circles at the Immanuel Church in Tulsa.

I appeared on the program at one of our Indian W.M.U. rallies at the request of our state Indian worker, Mrs. Stevens and was a member of the state constitution committee, attending one meeting of this committee in July, 1949.

I planned and presided over two district meetings. I have made contacts through the writing of letters and cards and telephone.

Mrs. Earl L. Stark

Shawnee District W.M.U. Pres.

### REPORT OF SOUTH CENTRAL DISTRICT W.M.U.

There were 210 present at the annual Woman's Missionary Union district meeting in Tishomingo. Attendance was higher than usual, with good representation from all over the district. Many pastors were present. The spirit of the meeting was of "one mind and one accord." An offering of \$44.00 was given the "Missionary Gift Fund."

Those individuals deserving the high commendation for the good work throughout the district are the associational presidents: Mrs. John Roy Harris, Banner; Mrs. Richard Judd, Arbuckle; Mrs. C. C. Hutson, Enon; Mrs. Kenneth Clark, Johnston-Marshall; and, the district secretary Mrs. E. H. Roberson, Madill.

The year's work started with a luncheon in the First Baptist Church, Ardmore, attended by all associational presidents, young people's leaders, and secretaries. As district president, visits were

made to all associations during the year, a number of talks were given, a study course was taught, help was given in installing officers and assistance in organizing a few new societies.

Mrs. Karl H. Moore

South Central Dist. W.M.U. Pres.

### REPORT OF SOUTHEAST DISTRICT W.M.U.

The annual Woman's Missionary Union meeting of the Southwest District was held in the First Baptist Church of Hugo, October 9, 1950. The spirit of the meeting was uplifting from the opening hymn to the closing prayer. The ladies of the Hugo Church certainly proved themselves all a host church should be.

The three associations in the district were well represented, all three presidents were present, Mrs. Hattie R. Covey, Atoka; Mrs. Ted Ewing, Bryan and Mrs. W. T. Cost, Frisco. There were 125 present, including three pastors. Our offering of \$32.17 was given to the Missionary Gift Fund. The associational presidents surely helped make this a good year in the district. Their reports came in on time, one of them being 100%. Five new societies, one Sunbeam Band and one Jr. R.A. have been organized. The Atoka Association bought a film projector to be used in the association.

Mrs. Henry McFatrige, Durant, was elected district president. Mrs. L. L. Armstrong, Durant was elected secretary-treasurer.

All together it has been a most prosperous year in the Lord's work, in our district and we humbly thank God for His goodness and mercy to us. We are looking forward to a better year in His name in 1951.

Mrs. Hattie R. Covey

Southeast District W.M.U. Pres.

### REPORT OF SOUTHWEST DISTRICT W.M.U.

Southwest District meeting was in Hollis First Baptist Church on October 12, 1950. During the business session Mrs. K. B. Costen of Snyder was elected district president and Mrs. Harold Meng of Frederick was reelected secretary-treasurer. Mrs. Costen has served as president of Tillman Association for the past several years, and was also elected to serve as member of the State Nominating Committee for 1951.

While only 142 were reported in attendance many women from the eastern part of the district had attended the meeting at Lawton the day before and thus received inspiration and instruction there. The offering was designated for "Missionary Gift Fund" and amounted to \$39.60.

Miss Lucy Smith's challenging message of faith was the high point of the day's program, renewing our faith and inspiring us to prayer unceasing in behalf of the Orient and the entire world. The instructional type program was heartily endorsed by those attending, many expressing the hope that next year's meeting be similar with publicity to assure attendance of at least all officers from local Unions, and as many others as possible.

Southwest District WMU President

Southwest Dist. WMU Secy-Treas.

## REPORT OF TULSA DISTRICT W.M.U.

This conference today brings to a close one year and a half's work, since last we met, due to the change in time of our meeting from April to October.

The three associations which comprise the Tulsa District, namely: Creek, Pawnee-Payne and Tulsa-Rogers, have accomplished many fine things since our last meeting and in compiling the highlights of their reports I find that we have a total of 70 societies with a total membership of 3,759.

Offerings to our three weeks of prayer, for State, Home and Foreign Missions have greatly increased, and there is a greater interest in every phase of our work.

Two district Young Woman's Auxiliary Houseparties at Pawnee Bill's Ranch have been held since our meeting on April 5, 1949. Seventy-five girls were present at each of these houseparties and a very definitely missionary program was given each time.

We feel that this annual houseparty for our young women, is one of the high lights of our district work. We hope to be able to continue with this splendid work for years to come.

The Edna McMillan Offering for 1950 from the three associations to date totals \$1,606.95 and there will be more to follow.

We feel very grateful to the Lord that we were permitted to have a part in the work of the district for the past 2½ years, and as we relinquish the work to a new president from Pawnee-Payne Association, we hope for her the same inspiration and good fellowship which we have enjoyed, and pray for the Lord to use her in a glorious way.

Mrs. H. O. Weaver

Tulsa District W.M.U. President

## REPORT OF WEST CENTRAL DISTRICT W.M.U.

Two hundred and forty-three Woman's Missionary Union members of the West Central District assembled in Hammon Church October 5, 1950 with Mrs. A. P. Minard, president, in charge of the day's program. The three associational presidents were present, Mrs. Ernest Craig of Mills, Mrs. J. Z. Barker of Concord-Kiowa and Mrs. B. S. Hawkins of Beckham. Mrs. Luther Pierce of Reydon served as secretary in place of Mrs. Ernest West.

The women were inspired and challenged to go home to do a greater work for our Master.

A love offering of \$66.50 was taken for our "Special Missionary Gift Fund."

The women of Mills Association with Mrs. Cecil Jones as president and Brother E. E. Hastey and wife as associational missionaries led a Vacation Bible School for the Indians on the reservation near Hammon.

The district president has met with rallies of all associations, spoken at a Girl's Auxiliary banquets, helped promote young people's work and helped organize one society.

May we pray more and strive to do His will this coming year.

## COMMENTS

**ORGANIZATION** The "Baptist General Convention of the State of Oklahoma" was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma and to receive and disburse funds as provided by the various instructions of such contributors. It was incorporated under the laws of the State of Oklahoma without authorized capital stock. Its first Articles of Incorporation were filed on or about May, 1917 for a term of twenty years, and its amended Articles of Incorporation were placed on record March 6, 1928 as an organization in perpetuity.

Since November 1, 1935 the convention has had direct supervision of The Baptist Orphans' Home, and its assets, liabilities, income and expenses are treated as a separate fund both on the convention books and in this report. The Home is located in the environs of Oklahoma City, Oklahoma and is incorporated under the laws of the State of Oklahoma as a charitable institution without authorized capital, it having been organized in March, 1904 for the purpose of providing protection and care for needy orphans.

On October 28, 1946 the convention created a separate corporation, namely The Baptist Foundation of Oklahoma, for the stated purpose of building, undergirding and stabilizing the agencies and institutions owned and operated by the convention. Subsequent thereto transfer of custody was made by the convention to the Foundation of certain investments for trust and endowment funds, and the accounting of such specified funds has thereupon been handled by the Foundation as a separate entity.

The operations of the executive office of the convention are divided into the following major classifications:

Collecting and Accounting—Receiving contributions for the unified budget and other designated funds, maintaining records therefor by church units and funds, and transmitting periodically the portion allocated to the Southern Baptist Convention, the various Baptist hospitals within the state, the university at Shawnee, the Woman's Missionary Union of Oklahoma, The Baptist Foundation of Oklahoma, and other designated donees.

State Missions—subdivided into rural and city missions, promotional and general, miscellaneous and administrative activities of all departments of the convention.

The Baptist Orphans' Home—Embracing all transactions pertaining to solicitation of monies and supplies, operation of the children's home and care and training of the boys and girls placed under its protection, and maintenance of the orphanage properties.

Falls Creek Assembly—Covering vacation training at Falls Creek, Oklahoma and maintenance of assembly property.

Baptist Messenger—Maintaining and publishing a denominational paper known as "The Baptist Messenger."

Sunday School and Baptist Training Union—Providing for advancement and enlargement of educational activities in churches of the state.

Baptist Student Union and Sacred Music—Coordinating Baptist work in the student union centers at the various state educational institutions and fostering better music in the churches.

**Ministers', Employees' and Widows' Retirement, Relief and Annuity Plans**—For collecting and transmitting dues from the ministers, missionaries, churches and organizations throughout Oklahoma participating in the pension plan adopted by the Southern Baptist Convention and shared in by the Baptist General Convention of Oklahoma.

**Building Program**—Accounting for contributions and appropriations toward a building program of the convention, supervising construction of such projects and disbursing funds therefor.

#### ORGANIZATION

The Baptist Foundation of Oklahoma was granted a charter by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock, with its principal place of business at Oklahoma City, Oklahoma. It was created by the Baptist General Convention of the State of Oklahoma, and its Articles of Incorporation and by-laws were approved by that body in convention assembled at Oklahoma City, Oklahoma, on October 28, 1946. Its stated purpose was to build, undergird and stabilize the agencies and institutions owned and operated by the Convention.

The purpose for which the corporation was formed is that of a private, nonprofit, religious association "to purchase, control, manage, acquire, hold, barter, sell, convey, exchange, expand, distribute, invest and otherwise dispose of all real, personal or mixed property of whatever nature and wheresoever situated . . . for church and other religious and charitable purposes . . . necessary for its membership . . . worship and exercise of such powers."

Its duties and powers are to receive by gift, devise, bequest, or otherwise any money or property to be used as may be directed; to enter into contracts or trust agreements with individuals, corporations or partnerships for the purpose of furthering the interest of educational institutions, hospitals, orphanages, student centers, and any other property in order to assist and promulgate the furtherance of the Convention and to promote Baptist doctrines, evangelism, Christian education and both home and foreign missionary work;

to borrow money; hold, administer and dispose of property; make conveyances and assignments; incur obligations and prosecute or defend any action or suit in which involved.

As interpreted by the directors of the corporation, its responsibilities are to procure funds for capital improvements and endowments, and to hold, disperse and invest funds according to designations made and as set out in the charter.

Accordingly on April 7, 1947, transfer of custody was made from the Baptist General Convention of the State of Oklahoma to the Baptist Foundation of Oklahoma of certain investments and their corresponding trust and endowment funds totaling \$76,776.29.
