Record of Proceedings

Baptist General Convention of Oklahoma Tulsa, Oklahoma

Theme: "Launching Our Golden Jubilee" Scripture: Leviticus 25:10

Music under the direction of Gene Bartlett

Tuesday, November 8, 6:55 p.m.

1. The Baptist General Convention of Oklahoma met in the auditorium of the First Baptist Church of Tulsa, Oklahoma at 6:55 p.m.

This first session of the convention was a joint meeting with, and the closing session of, the Baptist Brotherhood and Woman's Missionary Union conventions.

2. A five-minute organ meditation was given by Mrs. Edwin R. Yager, organist of the First Baptist Church, of Tulsa.

3. President W. A. Evans called the convention to order, stating that it was the 50th annual meeting of the Baptist General Convention of Oklahoma.

4. President Evans asked the congregation to stand for a moment of silent prayer of appreciation for the blessings of God upon Baptist work during the past 50 years. Following the period of silent prayer, President Evans led in prayer.

5. W. L. Hughen of Tulsa, First Church, led in the song service singing, "Leaning on the Everlasting Arms," "He Leadeth Me," and "Footsteps of Jesus."

Mrs. Yager was at the organ and Mrs. Hughen at the piano.

6. Mrs. Robert Fling of Seminole led in the devotional service with "Strengthen Thy Stakes" as the theme for her devotional message.

7. Rev. J. A. Pennington, state Brotherhood secretary, introduced the newly-elected Brotherhood officers as follows: E. S. Cordell, Alva, president; Dr. W. R. Fisher, Edmond, vice-president, and Joe Coleman, Tulsa, recording secretary.

8. The Brotherhood report was presented and motion carried for its adoption. Brother Nelson Tull, Little Rock, Arkansas, spoke to the report, emphasizing what a Brotherhood can do.

Brotherhood

There are approximately 100,000 men members of our Baptist churches in Oklahoma. The mobilization and utilization of this vast manpower in and through our churches is perhaps the greatest single objective to which we, as a great denomination, could just now set ourselves. Upon it depends more largely the success of all our ventures than upon any other objective in the program of our state.

Every man in the church enlisted in all the work of the church and denomination is the aim and goal of our Brotherhood leadership in Oklahoma.

1. As of Oct. 15, there are 777 churches reporting an active Brotherhood.

2. All 39 of our associations are organized for Brotherhood work.

3. Three of our Indian associations are also organized for Brotherhood work.

4. The 1955 Pre-Jubilee Conferences were well-attended with a total of 8,226 men and boys present.

5. The progress being made to attain the goals set forth in the Four-Year Program of Progress is very encouraging. The goals for 1956 are as follows:

Number of Brotherhoods ______ 1,000
 Enrolment of Brotherhoods ______ 32,000

6. There has been a very profitable and pleasant relationship in the promotion of Royal Ambassador work with the Woman's Missionary Union. We are hopeful that Bob Banks will be able to give full time to this work following his graduation from the seminary in January, 1956.

In order that our men of Oklahoma may more efficiently serve the Lord through their churches and be better informed as to the work of our denomination we would recommend:

1. A Brotherhood organization in every church, making regular monthly reports to the church and quarterly reports to the associational Brotherhood president and the state Brotherhood secretary. 2. That consideration be given to the four major Brotherhood objectives in planning the program of work for the Brotherhood. These objectives are:

EVANGELISM STEWARDSHIP COOPERATIVE PROGRAM BOYS' WORK

- 3. That each associational Brotherhood be thoroughly organized and that the presidents be urged to make quarterly reports to the associational executive board and to the state Brotherhood secretary; also, that the dates and place of meetings for the quarterly associational Brotherhood rallies be planned immediately and included in the calendar of activities for the association.
- 4. That every possible effort be made to build a great attendance in each association for the Golden Jubilee Conferences in January, 1956.
- 5. We would also urge the fullest co-operation on the part of our laymen, pastors and all members of our churches in the promotion of the state Royal Ambassador Congress March 2 and 3, 1956, and "Join-the-Brotherhood Week," Oct. 14-21, 1956.

9. Rev. L. E. Maples, Miami, presented the report on home missions, and motion carried for its adoption. All Home Mission Board workers who were present were introduced.

Home Missions

Advancement has been the keynote of all home missions activity during the past year. For every achievement in making the gospel known to the unreached multitudes, and the strengthening and training of thousands in Christian service, we give our thanks to God for success and victory.

Commanding special attention at the close of the year's work has been the encouraging report from missionaries of the board through the following statistics: 167,247 professions of faith; 1,440 new churches constituted; 2,974 missions started, and 131,527 added to the churches. During the five-year crusade Southern Baptists baptized an average of 1,000 persons a day; added 1,200 per day by letter; have given approximately \$5,000,000 per week to the Lord's work; and have organized an average of 11 new churches each week.

During the same five-year period the Home Mission Board increased its staff of workers from 754 regular and 271 student missionaries—to 954 regular and 370 student missionaries.

Crusade programs completed, new plans have already been adopted and set in motion for the Four Year Conquest for Christ. Emphases for this program of challenge and inspiration include: 1955, evangelism and conservation, with glowing reports to signify the tremendous success of this first year of activity; 1956, church extension and revitalization; 1957, reaching the minority groups and underprivilleged; 1958, promotion of rural work, city missions, and missionary education.

DIRECT MISSIONS. Direct missions have been engaged in their greatest period of activity. More money given to missions has

Local

made possible an enlarged budget and an increased number in personnel. There are 380 missionaries in the homeland, 145 in Cuba, and 23 in Panama and the Canal Zone, with 23 workers now serving in Alaska.

PROMOTION. The Promotion Department has used all available resources to keep our people informed. Photographs, printed materials, recordings, visual aids, exhibits, display advertisements in state papers, feature articles, cover pictures and a constant stream of news stories have been employed to give thorough coverage to every phase of home mission activity. Many books, tracts and other printed materials have been provided through the editorial service of the board.

WESTERN AND PIONEER MISSIONS. Co-operative missions witnessed its most substantial period of growth during the past year. All of the fifteen states west of Texas and Oklahoma in which there are churches co-operating are now represented in this ever expanding movement. While there are many invitations that come from other areas, the Home Mission Board can provide help for these only through the state conventions with which they are identified.

CHURCH LOAN FUNDS. Two types of loans are available to churches. (1) The Church Building Loan Fund is available to churches meeting the qualifications for loans from this memorial trust fund which is held and administered in trust by the Home Mission Board of the Southern Baptist Convention. (2) The Church Extension Loan Fund is available to young churches not more than seven years old.

JEWISH WORK. The department of Jewish work reports that many prominent Jewish people have been converted and baptized into the fellowship of Southern Baptist churches. Featured in the development program this past year was the Jewish Fellowship Week and an evangelistic program to reach the Jewish people for Christ.

CHAPLAINS COMMISSION. Quotas for active-duty chaplains in all branches of service are now filled. One third of the chaplains on duty are in overseas service. Chaplains in reserve will fill vacancies in all units as they occur.

NEGRO WORK. Negroes have conducted a nation-wide simultaneous evangelistic crusade with their own leaders. The Department of Evangelism has provided assistance in this program.

EVANGELISM. Simultaneous crusades across the Southern Baptist Convention kindled revival fires that swept through thousands of churches and brought multitudes to a saving knowledge of Jesus Christ as Saviour and Lord.

Your home missions committee would urge every church to increase its percentage giving to missions through the Cooperative Program, acknowledging the sacred trust that God has placed in our hands. Pray for our leaders that they may have a wisdom that is born from above.

Respectfully submitted, Lewis E. Maples, Chairman L. A. Leach A. S. Day Clyde Aikman Dan Rainbolt

10. Rev. Fred Willhoite, Tulsa, presented the report on foreign missions. All foreign missionaries present were introduced.

11. Motion carried for the adoption of the report on foreign missions.

Foreign Missions

Advance has been the watchword of our foreign mission leaders since the end of World War II when mission fields opened all over the world. This decade has witnessed tremendous advance in many areas. We have advanced in total gifts and per capita gifts to all causes including foreign missions. We have advanced in total missionary personnel until we reached beyond the one thousand mark this year. Oklahoma Baptists have kept step by advancing in gifts to foreign missions through the Cooperative Program and through special gifts, particularly the Lottie Moon Christmas Offering.

However, when we measure this advance in relationship to our advance in church membership, Sunday school enrolment, Training Union enrolment, and in per capita income it seems pitifully small. For instance, we have only 361 male missionaries in 30 foreign countries. Compare that to over 1,200 Baptist pastors just in Oklahoma and you can begin to see how little we are actually doing to win a lost world. As a matter of fact, we have about as many ministerial students in OBU alone as we have male missionaries, and Southern Baptist colleges, and seminaries contain some 10,000. Oklahoma gave \$502,228.00 to foreign missionary representatives. Yes, Oklahoma gave \$1.25 for the whole year, or a good deal less than the price of one postage stamp per week.

Every mission field has sent in urgent appeals for increased numbers of missionaries. The need for large sums of additional funds for the hospital, teaching and preaching ministry is on record at the foreign mission office, Richmond, Va. Surely, in the light of the need, we are doing very little and should endeavor to do a great deal more in the decade that lies ahead.

In the light of this need your committee recommends:

1. That all of the agencies of our convention join in the southwide program of advance. First, in planning a statewide conference on world missions for the purpose of information and inspiration.

Second, by increasing the percentage of our statewide gifts through the Cooperative Program of Southern Baptists as much and as soon as possible.

Third, by promoting the foreign mission work as much as possible through all of its publications, conventions, conferences and agencies.

2. That our churches give increased emphasis to foreign missions.

First, by promoting subscriptions to the Commission magazine.

Second, by making an honor roll with pictures of all our Oklahoma missionaries, similar to the honor roll made up for service personnel during World War II, and placing it in a prominent place where people will see them and pray for them.

Third, by increasing the percentage of budget gifts to the Cooperative Program.

Fourth, by prayerfully calling out the called among their young people and helping them prepare for this area of service.

Fifth, by giving renewed emphasis to the week of prayer and enlarging its scope to include the whole church in the prayer program, and in giving to the Lottie Moon Christmas Offering for Foreign Missions. (If all our churches would give in proportion to Central Church, Lawton, these gifts would more than triple in one year.)

Respectfully submitted,

Fred H. Willhoite, Chairman Ray U. Northrip Frank L. Lewis A. F. Crittendon O. C. Sutterfield

21. Rev. Loren Messenger, Cherokee, led in prayer for God's blessing and guidance during this convention session and the coming Jubilee year.

22. Dr. J. W. Storer, host pastor of the convention, brought the warm and hearty welcome of the Tulsa Baptist churches to the visitors and messengers for their stay in Tulsa during the convention sessions.

23. Rev. Joe Wilhelm, Tulsa, brought the report of the Committee on Credentials and motion carried for its adoption. 27. Rev. Judson Cook, superintendent of Boys Ranch Town, brought the report on the Boys Ranch Town and motion carried for its adoption. Twelve of the boys from the ranch sang three numbers. Mr. Jack Rose was director and Mrs. Judson Cook was at the piano. Songs were: "Everybody Ought to Know," "The Prairie Schooner," and "Stand Up For Jesus."

Mr. Cook read Matthew 6:19-21 as an appeal for financial support for the Ranch.

Boys Ranch Town

The first building at Boys Ranch Town was dedicated Nov. 9, 1954. It is now filled to capacity. Twenty boys live at home and seven live in foster homes, with good consecrated Baptist families. We have worked with 40 boys this year.

During the two and one-half years of operation \$209,446.91 has been invested, \$133,331.17 for capital investments and \$76,115.74, has gone for operation (monthly bills). The ranch has a deficit of \$21,419.74 in capital investments and \$13,320.75, for operation. In an effort to meet this deficit a Boys Ranch Town Club was organized and an invitation was extended to everyone to join. Membership dues were set at \$1.00 per year. The early response has been good.

Many personal gifts have been made to the ranch during the year consisting of livestock and feed, equipment, posts, wire, large church bell, used station wagon, food, clothing, linens, etc. Many churches gave the food they had left at the end of Falls Creek Assembly to the ranch and it was a great help.

A recreation building has been purchased at a minimum fee and moved to the campus. It contains a two-lane bowling alley and the recreation room of 26 by 32 feet. Also an 8-foot porch across the front. It is being put in operation now and when completed we will have less than \$4,000 invested in it, but our architect evaluated it at \$18,000. You will hear more about this building following the convention.

Improvements to the campus are being made constantly. Our most urgent need is another cottage. Calls come regularly but we have to say, "no, we are filled to capacity." We are turning away young lives that should count for Christ. Pray that God will lay it upon some heart to meet this emergency. Boys' entire future is at stake.

> M. Judson Cook Superintendent

28. Rev. H. Truman Maxey, Superintendent of our Children's Home, presented some of the children in a dramatic appeal for "One Day's Pay" for the support of the Home. Several workers at the Home were introduced. Eleven boys and girls gave a musical drama of "Stand by Me."

Mr. Maxey called attention to the history of the Home and the marvelous development of this program for needy children. Collection plates were passed and \$507.29 was given to the Home.

29. Motion carried for adoption of the report.

Baptist Orphans' Home

"Our fathers had the tabernacle of witness in the wilderness . . ." (Acts 7:44) declared Stephen in his great address prior to his death. A later writer called it the "tent of testimony."

The Baptist Orphans' Home is the "tent of testimony" of Oklahoma Baptists and has been for the past 52 years. It testifies to that love of every redeemed person who not only professes but wants to do something to show his love.

The need of homeless children has been ever present and 1,722 have been received. A Children's City of 16 brick buildings has grown up in these many years. A laundry, water supply, dairy and beef farm have been added.

The good reputation of the home children attending public school and public church is a part of this "tent of testimony." Then, too, there is that great number who once lived in the home who now are out in life living successfully and their testimony is heard around the world.

In keeping with the motto of "more than ever before," we mention these goals for 1956:

Total children in the home, May, 1954	
. "More than ever before" 1956 goal	215
Birthday offering reached in 1954	

"More	than	ever	before"	1956	goal	\$40,000.00
"One Day's	Pay"	offer	ing in 1	952		
"More	than	ever	before"	1956	goal	\$95,000

The home as a "tent of testimony" not only must have money, but must have the prayers, the faith, the love, and the high resolve of the Baptists of Oklahoma. The grown young men and young women going out as Christian citizens, saved from a life of crime, hurt and confusion, will be our crowning testimony of a Christian profession in practice.

INTRODUCTION

The year 1955 will be remembered by Oklahoma Baptists as the year of "The Baptist Tour With a Forward Look" program. This program is being promoted by the Foundation for the purpose of presenting facts regarding endowment needs and how these needs may be best met.

This program has been presented in 29 associational meetings, with excellent attendance. The program is being continued through 1956 during which time it will be presented at meetings in the remaining 10 associations and at meetings of the Indian associations. In addition, the Foundation is accepting invitations for return engagements in associations already visited, for associational departmental rallies and for regular church services.

Eternity will reveal the far-reaching results of this program.

The total amount of endowment funds in the Foundation on Sept. 30, 1955, was \$1,073,473.28. A number of trusts and wills have been written in which the Foundation has been named trustee for a considerable amount of endowment funds for Baptist causes. As announced at the convention last year, Sen. Robert S. Kerr has pledged \$250,000 to the Foundation for Oklahoma Baptist University endowment, with the payments to be made \$50,000 per year, beginning with 1956.

The present minimum need of endowment for Oklahoma Baptist institutions and agencies alone is \$10,000,000 and Oklahoma should do her part toward endowing Southern Baptist causes. If one-fourth of the 400,000 members of churches affiliated with this convention would give the Foundation for endowment an average of just \$100 during the next 10 years we would have \$10 million of endowment. If the American economy maintains the present standard and Baptists continue to gain in numbers, as they have during the past 10 years, we will have considerably more than \$10 million in endowment by 1965.

This past year's report should be encouraging to everyone who is interested in the growth and the perpetuation of Baptist institutions and agencies.

RECEIPTS

Receipts in cash were \$431,992.02. Receipts in personal and real properties of various kinds have been appraised at \$280,940.08, making a grand total in receipts of \$712,932.10, during the past year. Disbursements to the convention and to institutions and agencies as capital, endowment income and miscellaneous items have amounted to \$418,714.09. The assets of the Foundation as of Sept. 30, 1955, were \$1,414,370.26.

WILLS AND TRUSTS

The Foundation set a goal of 48 wills to be written during 1955. We are pleased to report that the Foundation assisted in writing 45 wills during the first nine months of 1955 and we have three more months during the year 1955. We expect to go far beyond our goal in the number of wills written this year. We know of other wills which have been written with the Foundation named as legatee or devisee for Baptist causes. There are no doubt a number of others which have been written that we will not know about until they are submitted for probate.

The increase in the number of non-testamentary or "living trusts" during the past year has been very encouraging. More and more people are learning how they may make gifts to the Foundation for Baptist causes without waiting until the final disposition of their estates. Real and personal properties are being given to the Foundation with different kinds of trust agreements.

CHURCH BUILDING LOAN TRUST FUND

Like all other phases of the Foundation's endeavors, the Church Building Loan Trust Fund has grown far beyond the expectation of anybody. Although the first church building loan was not closed until June, 1954, there have already been 29 loans either closed or committed, totaling \$377,400. By the close of 1955 there will be approximately \$500,000.00 in total church loans.

As the Church Building Loan Trust Fund was started with a limited amount and with a desire to give assistance to churches where it is difficult to get church loans, it was thought best to limit the loans to \$20,000 until the fund grew larger. The limit on the amount of loan to any one church will be raised as endowment and other longtime trust funds are received that can be used for church loans.

BUILDINGS

Funds have been received for the following building programs: From Sen. Robert S. Kerr, the amount of \$145,524.32 to complete his pledge to the Foundation of a quarter million dollars for the Mrs. W. S. Kerr Memorial Dormitory at Oklahoma Baptist University. We are pleased to report that this building made possible by Senator Kerr's gift is under construction at this time and it is expected to be ready for occupancy at the beginning of the 1956 fall term.

From the estates of Mr. and Mrs. John D. Rinard, First Church, Ada, \$68,653.72 for the construction and furnishing of the John D. Rinard Cottage at the Orphans' Home, which has been under construction for several months and is nearing completion.

From the estate of Drs. Maud and James T. George, First Church, Oklahoma City, \$64,920.35 that is being used in the construction of the George Cottage at the Orphans' Home and which is nearing completion.

From the citizens' committee of the Oklahoma City Hospital Building Fund campaign, \$967,504.13 in pledges of which \$164,-196.40 has been paid for the new Baptist hospital, to be built in Oklahoma City. All pledges made during the citizens' campaign, some of which cover a period of three years, are payable to the Foundation as trustee for the hospital.

In addition to the above buildings, we have received contributions for: Wilburton and Stillwater BSU centers; home for aging people; Thurmond Science-Administration Building, athletic field, and Ford Music Hall at Oklahoma Baptist University; Boys Ranch Town; and Orphans' Home funds for buildings other than the George and Rinard Cottages.

ANNUITIES

We are pleased to report that there is a continued increase in the number of annuities written. In our 1954 report we predicted that the Foundation's revised annuity program would become one of the most popular phases of the Foundation's work if our people were informed about its possibilities. This prediction has come true during the past year, the receipts in annuities being \$33,598 as compared to \$6,502.16 during 1954.

There are hundreds of individuals and couples in Oklahoma who would make deposits with the Foundation for these annuities if they had the facts regarding such annuities. A folder giving details will be sent to any person desiring to know more about the single and double annuities. In addition to these cash annuities one may make an annuity with real estate or various kinds of personal properties.

INVESTMENTS

It is a policy of the Foundation to make its own investments. This means that a considerable amount is saved each year on investment commissions. Furthermore, security is the number one consideration in these investments. However, with the conservative policy of the Foundation on investments, there has been a net income of 8.01 per cent on all investments during 1954, including of course rentals on real properties.

IN MEMORIAM

The Foundation has experienced two great sorrows in the passing of two directors. John H. Wells, one of the original directors of the Foundation, president of the McClain National Bank and a deacon in First Church, Purcell, departed this life on Jan. 2, 1955. Wells' health during the past two or three years prevented his being as active as he had previously been as a director of the Foundation, but his faith in and his devotion to the Foundation was an inspiration to all those who served with him.

It was no little shock to those in the Foundation when they learned on Sept. 8, 1955, of the sudden passing of J. A. Carnes, who was another original director of the Foundation. He was a member of First Church, Duncan. He had a wealth of experience as a director of the Federal Land Bank of Wichita, Kansas. He served faithfully as a member of the board's investment committee. He was one of the most faithful members of the board.

RECOMMENDATIONS

1. We recommend the following brethren to succeed themselves as director for a four-year term: Bruce G. Carter, M. C. Kelly, O. L. Ledgerwood and J. T. McAlester. We recommend J. Ray Smith as director for two years, to fill a vacancy. Then the complete personnel of the board and their periods of service would be as follows:

Bruce G. Carter	E. A. Abernethy
M. C. Kelly	W. M. Bell
O. L. Ledgerwood	H. H. Hobbs

Three-Year Term	One-Year Term

The advisory council, composed of leading pastors and lay-2. men from the 39 district associations, fills an increasingly important place in the Foundation's promotional program. An annual meeting is held of the council, at which time they are orientated on the current promotional program of the Foundation. 4. We recommend a goal of \$1,000,000 as total receipts during the convention's Golden Jubilee of 1956 and most earnestly urge that all state and associational leaders give their utmost co-operation to the Foundation in promoting a program to reach the \$1,000,000 objective.

5. We recommend that the Golden Jubilee Year slogan, "More Than Ever Before," be the objective in the writing of trusts and wills, annuities and church loans.

6. We recommend and request the continued support of associational and church leaders for the continuation of the "Baptist Tour With a Forward Look" program during 1956.

31. Rev. L. O. McCracken, Alva, brought the report on Religious Literature and the Baptist Messenger.

Editor Jack Gritz spoke regarding the program of progress as advocated and emphasized in the **Baptist Messenger**.

Motion carried for the adoption of the report.

Religious Literature and The Baptist Messenger

The Bible is the masterpiece of all religious literature. Many items classed as religious literature do not conform to the Bible standards for the sublimest aims of Christian literature. II Timothy 3:15,16 and 17 set up the ideal aims of genuine Christian literature. They are as follows:

- (1) To make one wise to obtain salvation through faith in Jesus Christ.
- (2) To direct a Christian in the way he should go.

(3) To adequately equip a Christian for all good works.

Other worthy Christian literature can aid in the above goals. They serve only as assistants, and in no wise become replacements for the Word of God.

Baptists have enumerable periodicals including books, quarterlies, magazines, tracts, hymnbooks, state and worldwide papers, and others. These are reliable aids to Christian literature's lofty goals.

Oklahoma Baptists are fortunate to have the **Baptist Messenger** which brings good tidings from near and far in the missionary efforts of missionaries, institutions, leaders, and churches. It makes its way into 75,000 homes each week. More than 795 churches include it in their budgets. The Golden Jubilee goal for the Messenger circulation will be the reaching of 90,000 homes. It is our greatest source of overall information as to how we are doing at home and away. Our perpetual goal should be for each Baptist to have regular access to the Messenger through the budget plan of the church.

Special effort should be made to supply Bibles to all the people of the world; and to accompany the Bibles with well-trained preachers and teachers who can answer the inquirers like Philip taught and preached to the Eunuch. No book appeals to the sinner like the Bible. No book has the guarantee of the accompanying power of the Holy Spirit as does the Word of God which is the sword of the Spirit.

32. Congratulatory telegrams from various persons were acknowledged and proper response was authorized.

33. Dr. T. B. Lackey, Executive Secretary-Treasurer, presented the Report of the Board of Directors. Discussion and disposition of the report was delayed until Thursday afternoon.

Report of the Board of Directors of the Baptist General Convention of Oklahoma

We are grateful to our heavenly father for his blessings upon the work of Oklahoma Baptists during the past year. Doubtless, 1955 will be recorded as the greatest year in the history of Baptist work in this state. New churches have been organized, new buildings erected and many won to Christ. More money has been contributed for local work and world missions than any previous year. The spirit of harmony and unity of effort has prevailed in churches and associations throughout the state. Our people have learned the value of teamwork in advancing the kingdom of God. It was said of the followers of Christ on the day of Pentecost, "And all that believed were together and had all things common" (Acts 2:44). The same can be said of the people called Baptists. We have a big job to do in this state and to the uttermost part of the earth. Let us continue to approach this world task as a team of Christian workers.

INSTITUTIONS, AGENCIES AND DEPARTMENTS

Each institution, agency and department is giving a detailed report to this convention. Therefore, it is not necessary to duplicate this work in the report of the Board of Directors. The board is glad to report, however, that each institution, agency and department has made substantial progress during the past year and has outlined a challenging program for the future. We urge every Baptist to read carefully each report.

GOLDEN JUBILEE

The Golden Jubilee year is being launched at this convention and will be celebrated during the next twelve months and climaxed at the convention, Nov. 12-14, 1956 in Oklahoma City. The municipal auditorium has been reserved and plans are in the making for a giant celebration next year. Oklahoma Baptist University is preparing a pageant which will portray Baptist work in Oklahoma from the organization of the first Baptist church in 1832 until the present. Every department of our convention is launching an all out effort to make next year the banner year for the glory of God. Challenging goals are being set. The year, 1956 will conclude the four-year program of progress launched at the 1952 convention. We invite churches and associations to take advantage of this occasion, not only to celebrate, but to plan the greatest and most far-reaching program ever launched in this state, using the theme, "More Than Ever Before."

Included in the definite plans for the Golden Jubilee is the production of a motion picture and a filmstrip, "The Baptist Story," which is being prepared by the public relations office and will be available by Jan. 1, 1956. It is suggested that letterheads, decals suitable for car stickers and other promotional medium be made available.

The Historical Commission has planned a "Pilgrimage to Baptist Shrines" which will be conducted the week of May 6, 1956.

A history of the Woman's Missionary Union is being prepared by Mrs. Argye Briggs and will be available in the spring of 1956. This book will conclude a series of historical books which have already been prepared in preparation for our Golden Jubilee. The other books are: **Trail Blazers of Sooner Baptists** by J. M. Gaskin; **Not Yours, But Yon** by W. A. Carleton; and **Andrew Potter, Baptist Builder** by Sam W. Scantlan. Also, Dr. James N. (Uncle Jimmy) Owens is preparing a history of Oklahoma Baptist University which we commend to our people when available. We urge every Baptist to obtain copies and read these books carefully. Certainly they should be in every church library in our state.

Historical Sketch: The first Baptist church in what is now the state of Oklahoma was organized Sept. 9, 1832 at Ebenezer Station in the Creek Nation of Indian Territory. Called the Muscogee (Creek) Baptist Church, it was located three miles north of the Arkansas River and about 18 miles west of Fort Gibson. Isaac McCoy, missionary to the Indians and government surveyor, was the founder. There were six members.

Other churches were established rapidly among the Indians thereafter and their work prospered. Outstanding leaders through the years included H. F. Buckner, J. S. Murrow, Charles Journeycake, Joseph Islands, Jesse Bushyhead, R. J. Hogue, John Jumper, C. Stubblefield, A. C. Bacone and W. D. Moorer. Both the Northern and Southern Baptist Conventions carried on missionary work following the Civil War.

The first general body was the General Association of Western Arkansas and the Indian Territory formed in 1876 and affiliated with the Southern Baptist Convention. In 1898 the name was changed to the Baptist General Association of the Indian Territory. In 1895 the Oklahoma Baptist State Convention had been formed from it to unite forces outside the Indian Territory.

The Baptist Missionary and Educational Convention of the Indian Territory was formed in 1883 at Tahlequah. It affiliated with the Northern Baptist Convention. In 1898 at Oklahoma City the Oklahoma Baptist Convention for Oklahoma Territory came out of it, and the original body continued as the Baptist Convention of Indian Territory.

Thus by 1898 there were four general bodies. In 1900 the two in Oklahoma Territory united at Blackwell to form the Oklahoma Baptist State Convention and the two in Indian Territory united at Durant to form the Baptist General Convention of Indian Territory.

On Nov. 9, 1906 both conventions met at Shawnee and messengers marched arm-in-arm to form the Baptist General Convention of Oklahoma, the present state convention.

It is recommended that all general meetings, associational and statewide, give emphasis to the Golden Jubilee year from this time until the meeting of the convention in November, 1956.

HISTORICAL COMMISSION

The Historical Commission has suggested the organization of an Oklahoma Historical Society to give additional emphasis to the importance of maintaining accurate historical records.

The board recommends that a committee be appointed by the president to give further study to this matter, in co-operation with the Historical Commission; and that the committee report to the board in its December meeting, 1955.

OKLAHOMA CITY HOSPITAL

The building of a great Baptist hospital in Oklahoma City has been a dream of the Baptist General Convention of Oklahoma for many years. Considerable progress has been made during the past year.

Campaign: The convention voted in November, 1954 to match funds raised by Oklahoma City-County dollar for dollar up to \$1 million for a Baptist hospital in Oklahoma City. In the spring of 1955 the campaign for funds was launched by citizens of Oklahoma City-County and was a grand success in every way, with almost \$1 million pledged. City leaders are confident that more than a million dollars will be contributed. Our churches and denomination gained many new friends among civic leaders, citizens and other groups. This is even more valuable than the million dollars.

Location: Early in the year the board accepted from Misses Lottie, Myrtle and Edith Shepherd a gift consisting of ten acres of land located near 30th Street and Villa Avenue as the building site for the hospital. Because of zoning difficulties and other problems we were unable to use this valuable land, which reverted to the original owners.

Ben C. Wileman, Walter S. Jones, and Ella D. Classen made available another location near North Pennsylvania and 50th Street. After thorough survey by architects, engineers, and other advisors, it was determined that this site was not suitable and the land was deeded back to the owners.

The Oklahoma City Baptist Hospital Committee and the Board of Directors, with the counsel of civic leaders and physicians are determined to find the best possible site. Numerous propositions have been submitted and a decision will be reached as soon as all facts are available.

The board makes the following recommendations:

1. That the convention express gratitude to Misses Lottie, Myrtle and Edith Shepherd, Ben C. Wileman, Walter S. Jones and Ella D. Classen for their most generous offers of building sites.

2. That a vote of thanks be extended to citizens of Oklahoma City-County for their most liberal contributions to the hospital building fund; 14

That we express thanks to W. P. (Bill) Atkinson, the enthusiastic, hard-working chairman of the campaign; the Honorable Governor Raymond Gary, honorary chairman; the Honorable W. R. Wallace, chairman of the planning committee; Stanley Draper, manager of the Chamber of Commerce; George Miller Jr., convention attorney; and the many others who worked and contributed to the project.

3. That we commend the Oklahoma City Baptist hospital committee, composed of H. H. Hobbs, M. E. Ramay, Judge W. R. Wallace, Bryce Twitty, Senator Robert S. Kerr, T. B. Lackey, Auguie Henry, Anson Justice and R. A. Young, for its untiring efforts and progress up to this point, and we recommend that the committee shall be continued.

4. That the churches be encouraged to increase contributions through the Cooperative Program in order that a minimum of \$150,-000 may be available annually from the state's share of the Cooperative Program, until the convention's \$1 million is reached. This plan will eliminate the necessity of a campaign in the churches and will increase contributions to missions beyond Oklahoma.

BAPTIST GOLDEN AGE HOME

Considerable interest has been shown in the proposed home for aging. The convention voted last year to authorize the Board of Directors to appoint a committee to give further study to the need, location and operation of the proposed home for aging with a view of making it a reality as funds are available. Ten thousand dollars was included in the 1955 budget and the same amount is recommended for 1956. This proposed home was included in the Dedicated Dollar Day offering this year and \$1,619.37 has been received for this purpose. The Baptist Foundation has received gifts totaling \$1,814.25 which includes cash, annuities and gift contracts. The committee, composed of J. T. Roberts, chairman, Thurmond George, A. W. Reccius and L. C. Robbins has been gathering information, studying homes already in existence and endeavoring to think through the most practical plan for our convention.

The Need: There is a great need for such home and that need is rapidly increasing. One out of 12 persons in the United States is 65 years of age, or older. The number is increasing by 400,000 per year. People in this age group have increased from three million, or 4 per cent, of the population in 1900 to almost 13 million, or more than 8 per cent, in 1950. Since the turn of the century our population has doubled, but the number of persons over 65 has quadrupled. It is estimated that by 1980 the number in this age bracket will more than double again. Winston Churchill said, "You can measure the civilization of the people by the way they treat their old folks." The government has an important responsibility in the care of aging people. However, the government should not play the only, nor even the most important role. Such care should be provided by those who love

51

most . . . family, relatives, friends, church, local community and finally, the government, when there is no one to care or when local resources are exhausted.

The great need is not for charity work. The vast majority have sufficient material possessions or relatives, friends, church and other organizations to assist. The big need is a comfortable, congenial, spiritual, secure atmosphere in which to live, work and play. Most older people are not happy when idle. They want and need something worthwhile to do. If the convention will provide funds for erecting and equipping the buildings, and will operate the home, the residents themselves, with the aid of loved ones, old age assistance, Social Security or other retirement plans where necessary, should provide operating expenses without necessity of using mission money for this purpose. We believe that many people will contribute to the establishment and maintenance of this home when they are convinced that Oklahoma Baptists are determined with God's help to bring it into immediate existence.

The Name: Much thought has been given to a suitable name. We recommend the name "Baptist Golden Age Home."

Location: Much thought should be given to proper location. Some communities have expressed interest in securing location and helping to finance the purchase of property and building of the first unit. Your committee will prayerfully consider invitations of churches, associations, cities or individuals who are interested in helping to locate the institution.

There are many advantages in building the home adjacent to one of the Baptist hospitals. Considerable expense in building and operation could be saved. There are some advantages in building it near the new Oklahoma City hospital, including accessibility to the entire state, the advantage of being near the Baptist hospital and economy of operation and administration. On the other hand, there are advantages in distributing Baptist institutions in various parts of the state. Your committee seeks counsel in the matter of location and will gladly discuss this with anyone interested.

Capital Needs: We are thinking in terms of a two-million-dollar home that will adequately care for 400 residents. Cost of the buildings would be approximately \$5,000 for each resident. The following ways for providing funds for buildings are suggested:

1. Annual Cooperative Program appropriation;

2. Portion of Dedicated Dollar Day offerings in all churches first Sunday in May each year;

3. Gifts in cash, property, stocks, bonds, et cetera;

4. Wills; and

5. Individuals and groups contributing \$5,000 or more could have the privilege of nominating a qualified resident. The home could

be built in units of 20 residents. When 20 contributions of \$5,000 each are received, the first unit could be built and additional units added as funds are available. Would it not be possible to find 20 individuals, churches, associations and other groups who would respond immediately and get the building under construction?

Financial Policy: The convention will assume responsibility of building and operating the home in a Christian environment at the actual cost of maintenance for those who are residents. The amount charged to guests would not include any part of the cost of building the home itself. The convention would be responsible for raising funds for this purpose. Income from those living in the home should be sufficient to pay operating expenses.

Admission of Members: Any person 65 years of age or older, in good physical and mental condition, good character, and with favorable recommendation of church of which applicant is member may become a resident in the home when space is available.

1. If a person wishes a life contract, he or she may pay a lump sum, cash, property or other assets, which may be estimated from an actuarial table, to cover maintenance for the average number of years a person of that age would normally live.

2. A person who has retirement or some other regular income, or who has a cash reserve, may pay a monthly rate sufficient to cover the actual cost of his or her maintenance.

3. If the individual doesn't have sufficient income or cash in hand, the home will expect the family to be responsible for the monthly payment.

4. If the family of the applicant is unable or unwilling, the home will next look to the applicant's church for his or her support.

5. If the church is unable or unwilling to shoulder this responsibility, the home will expect the applicant's family or church to help him or her make arrangements for old age and survivor's insurance.

6. There may be deserving cases where none of the above circumstances would be possible. Under those conditions every effort will be made to provide funds.

It is recommended that the committee continue to study the need, also plans for operating such a home and the acquiring of necessary buildings as funds are available.

It is further recommended that interested individuals and churches be encouraged to send contributions immediately, either to the Baptist General Convention or the Baptist Foundation, to facilitate the carrying out of these suggestions.

RELIEF AND ANNUITY BOARD

The 37th year of the Relief and Annuity Board moved to its completion, marked with sadness in the passing in December of Dr. Walter R. Alexander, executive secretary of the Board.

Dr. R. Alton Reed, associate secretary, was made acting executive secretary, and subsequently elected executive secretary at the annual board meeting in March. Other officers elected were: Fred W. Noe, treasurer; R. S. Jones, supervisor of investments; Owen Henley, assistant supervisor of investments; Wallace Bassett, president; Paul Danna, E. G. Brown, and Ben C. Ball, vice-presidents, and Mable McCartney, registrar.

Growth in plans reached an all-time high, and growth in financial strength was recorded. The only dark spot in the financial year, was the failure of the states to provide sufficient funds for the administration of the relief benefits.

The relief responsibility which the states delegated to the Relief and Annuity Board, is financed through Cooperative Program funds and through special offerings or gifts. It is separate and distinct from the annuity division, which is supported through the member and church dues and through interest earnings and investment earnings. These dues, held in reserve for the future security of annuitants, make up the largest percentage of Relief and Annuity assets.

By far, the most progressive step the Relief and Annuity Board has taken is the inauguration of the new Southern Baptist Protection Plan. This plan, which is the only one now open to pastors who have never been in the retirement program, has been widely promoted through letters and through the state papers. This plan is the result of a restudy of the retirement needs of the pastor today.

There are 1,079 pastors in Oklahoma. Of this number 93 are active members of the Ministers Retirement Plan only, 339 are actively participating in the Ministers Security Plan, and 137 in the Southern Baptist Protection Plan. A total of 17,903 churches have joined the plan, 822 of these Oklahoma churches. It is hoped that more of our pastors and churches will realize the vital importance of laying a sound foundation for their insurance program, and this is just what our Southern Baptist retirement plans will provide.

During the year, the time that the retired pastor may serve churches without forfeiting his annuity was extended from two months out of the year to three. Social Security became available to our pastors, and, as a service, the Relief and Annuity Board published information on this matter in its quarterly **Voice of Security**, and later reprinted this in a folder. This information, along with other services, is available from your Relief and Annuity Board.

A promising future is stretching out before the Relief and Annuity Board in its ever-enlarging scope of operations. The key that unlocks that future is the increasing understanding and appreciation on the part of the convention of the fact that the Relief and Annuity Board is trying, in a competent way, to meet the security needs of those that serve the Lord.

COOPERATIVE PROGRAM

Oklahoma Baptist churches continue to contribute to world missions through the Cooperative Program in larger percentages and amounts. Receipts are as follows:

	. Goal	Receipts
1950		\$ 881,258.26
1951	1,000,000	1,004,187.94
1952	1,200,000	1,304,392.94

1954	1,600,000	1,622,279.16
1955	1,800,000 (9 mos.)	1,326,270.79

1954	699,455.28	240,822.05	940,277.33

Cooperative Program receipts during the first nine months of this year were \$1,326,270.79 as compared to \$1,196,792.16 for the same period in 1954. This represents an increase of 10.82 per cent and \$129,478.63. On the basis of the annual goal we should have \$1,350,000 at the end of the nine-month period. With increased contributions during the last quarter we should exceed the annual goal of \$1,800,000.

The two million dollar objective for 1956 is a real challenge but it is no more than Oklahoma Baptists should contribute to world missions through the Cooperative Program. It is less than 10 cents per week for each of the 400,000 members of our Baptist churches. The proposed budget, subject to necessary changes by the Board of Directors, is as follows:

STEWARDSHIP PROMOTION

The Cooperative Program is the fundamental, effective, and indispensable channel of providing for the needs of all our work. We continue through every means at our disposal to urge all Baptists to join in giving the Cooperative Program their loyal and undivided support. In order to enlist all our people in the world mission program and provide an annual budget of at least \$2,000,000 we suggest the following recommendations:

1. Increase emphasis on world missions through the Cooperative Program.

2. Continue emphasis upon the objective "Every Baptist A. Tither."

3. Encourage churches to adopt a goal of at least 50 per cent of all resident members tithing.

4. Encourage churches to contribute to world missions through the Cooperative Program on the percentage basis.

5. Urge all churches to contribute at least 6 per cent more of total undesignated budget receipts through the Cooperative Program in 1956. Make preparation for this increase in 1955.

6. Designate Christian Stewardship Week, Oct. 29-Nov. 4, 1956 as World Mission Week and use it to launch the year of world missions emphasis for 1957.

7. Encourage intensified emphasis on world missions in the fall of 1956 and all of 1957 in associational meetings, summer assemblies, Sunday School, Training Union, and BSU conventions.

8. In connection with the emphasis on the percentage plan of contributing to missions through the Cooperative Program, encourage the churches to increase their percentage for 1957 by an amount which would at least be equivalent to \$1 per member. Churches which have not yet come to the percentage plan would increase contributions at least \$1 per member.

New Plan Studied: A church finance program to help Baptist churches increase their budgets is nearing reality.

The church finance program, something new in Southern Baptist life, will provide necessary help for every Southern Baptist church in raising a worthy budget for local expenses, building fund, and missions.

The program will use methods which have proved themselves when used by other churches, denominations, and by professional fund-raising groups.

At the same time, the church finance program will be distinctively Southern Baptist. It will utilize the peculiar facilities, organization, and programs which Southern Baptists have.

The program will make use of the Sunday School, Woman's Missionary Union, Baptist Training Union, and Brotherhood. It is a uniform program and can be used by churches large and small.

The church finance program will largely use volunteer workers rather than professional leaders. It will be based on Christian stewardship with the tithe as a minimum.

State secretaries, directors of promotion, and other state leaders will attend a church finance clinic in Nashville, Tenn., Dec. 10-14, 1955 and June 11-16, 1956.

State clinics for associations and churches will be held in Oklahoma July 16-20, 1956.

The Executive Committee of the Southern Baptist Convention will provide material for churches to aid them in church financing. The material will include a guidebook, containing detailed instructions for raising funds to meet the church budget.

The new program will not abolish present methods for encouraging stewardship. It will make use of all of these methods and then include new steps.

MIAMI HOSPITAL

The city of Miami launched a campaign for funds to enlarge and modernize the Baptist hospital in that city. The executive committee, composed of Mayor Roy Green, Dr. Bruce G. Carter and John A. Robinson were ably assisted by members of the planning committee, including Mac Bartlett, John L. Burford, Bill Campbell, Walter Head, C. H. Mullendore, O. A. Rockwell, John R. Wallace, Dail C. West and Warren Wilbur. Dr. Wylie Chesnut served as chairman of the physicians' committee and K. E. Kimmel as chairman of the employees' division.

The objective of the campaign was \$236,800, including \$50,000 that will be contributed over a period of years by the hospital and the convention. We are glad to report that citizens of Miami have responded in a gracious manner and the objective will, no doubt, be exceeded. We are grateful to communities where our hospitals are located for expressing in a tangible way an interest in expanding and enlarging hospital facilities. This is as it should be, since the hospital serves the entire citizenship.

We recommend that the convention go on record in expressing appreciation to those in Miami and surrounding area who have had any part in helping to enlarge and modernize the Miami Baptist Hospital.

BUILDING PROGRAM

During the year the convention building committee, composed of J. P. Dane, O. L. Ledgerwood, R. A. Young, James A. Hogg, R. S. Scales, Charles W. Black, H. Tom Wiles, James A. Ivey, L. L. Armstrong, Jack C. Carroll, has given over-all supervision to the construction of several buildings.

Doctors' Office Building, Enid: The doctors' office building adjacent to Enid General Hospital was completed and opened for service April 1, 1955. The total cost, including lots, paving and construction was \$188,145.68. The building is leased to the Enid Clinic and is self-liquidating.

Orphans' Home Cottages: Two fine cottages are now under construction at the Baptist Orphans' Home. They are the James and Maud George Cottage and the John R. Rinard Cottage. Contracts were let on March 24, 1954 at a total bid cost of \$167,234 for both buildings. This does not include furnishings, landscaping and architects' fees which will bring the total cost to approximately \$200,000. These cottages should be finished by Jan. 1, 1956 and will provide additional facilities, making it possible for the home to care for 215 children.

Kerr Memorial Dormitory: Ground was broken for the Mrs. W. S. Kerr Memorial Dormitory on Feb. 22 of this year. Construction was started in late summer and the building should be ready for use by the beginning of the fall term in 1956.

Woman's Missionary Union Camp: Woman's Missionary Union has raised considerable funds for a youth camp on the Falls Creek Assembly grounds. This camp will be used by the various auxiliaries in the interest of missionary education. Several cottages are now under construction and every effort is being made to have the camp ready for use by the summer of 1956. For the past two years a portion of the Edna McMillan offering for state missions has been designated for this purpose. The convention has assumed the responsibility of providing streets, utilities and over-all supervision. We commend the ladies of our churches on this accomplishment and urge our people to assist in the completion of this worthy project.

These are the major building projects. There have been other improvements in practically all the institutions.

INSURANCE

President W. A. Evans appointed a committee, composed of Claybron Deering, chairman, R. C. Howard Jr., and Roy Dockum to work with Tom E. Carter and T. B. Lackey to make a thorough study of insurance on all convention property. The board approved the following recommendations of the committee: 1. That the business and office manager act as insurance coordinator for all properties for which the Board of Directors of the Baptist General Convention of Oklahoma is responsible, consisting of the Baptist Building, 1141 N. Robinson, Oklahoma City, all properties of Boys Ranch Town, all properties of the Baptist Orphans' Home, and of the eight Baptist Hospitals located at Enid, Perry, Stillwater, Mangum, Muskogee, Miami, Bristow, and Pryor, the Baptist Student Centers located at Oklahoma University at Norman and Oklahoma A&M College, Stillwater. Also all properties of Falls Creek Assembly.

2. That the insurance coverage of all properties for which the Board of Directors is responsible, be adjusted to the co-insurance requirements of the policy coverage.

3. That this committee recommend jointly with the Falls Creek committee, the adoption of the health and accident insurance coverage, at the rate of five cents per day for each person attending Falls Creek Assembly and that the insurance be collected at the same time the person pays the registration fee, it being understood that everyone attending the Assembly must participate in the plan in order to secure the benefits.

CHURCH ARCHITECTURE

The rural and city missions committee, composed of Anson Justice, chairman, E. L. Sparks, Robert Hopkins and John Davis, discussed the problem of churches, particularly in rural areas, in securing assistance in their building programs. Many churches need help in this field and it was felt that the Rural and City Missions Department would be the most logical to serve in this capacity. Sam W. Scantlan, state superintendent, has agreed to make a thorough study and use his office as the clearing house between the architectural department of the Sunday School Board and churches in our state that need assistance.

The board recommends that the convention ask the Rural and City Missions Department to assume this additional responsibility and that churches desiring this assistance be encouraged to contact this department for help.

RECOMMENDATIONS

I. That all general meetings, associational and statewide, give emphasis to the Golden Jubilee year from this time until the meeting of the convention in November, 1956.

II. That a committee be appointed by the president to give further study to the matter of organizing a Historical Society and that the committee report to the board in its meeting in December, 1955.

III. Concerning Oklahoma City Hospital.

1. That the convention express gratitude to Miss Lottie, Myrtle and Edith Shepherd, Ben C. Wileman, Walter S. Jones and Ella D. Classen for their most generous offers of building sites.

2. That a vote of thanks be extended to citizens of Oklahoma City-County for their most liberal contributions to the hospital building fund; that we express thanks to W. P. (Bill) Atkinson, the enthusiastic, hard-working chairman of the campaign; the Honorable Governor Raymond Gary, honorary chairman; the Honorable W. R. Wallace, chairman of the planning committee; Stanley Draper, manager of the Chamber of Commerce; George Miller Jr., convention attorney; and many others who worked and contributed to the project.

3. That we commend the Oklahoma City Baptist hospital commission, composed of H. H. Hobbs, M. E. Ramay, Judge W. R. Wallace, Bryce Twitty, Senator Robert S. Kerr, T. B. Lackey, Auguie Henry, Anson Justice and R. A. Young, for its untiring efforts and progress up to this point, and we recommend that the committee shall be continued.

4. That the churches be encouraged to increase contributions through the Cooperative Program in order that a minimum of \$150,-000 may be available annually from the state's share of the Cooperative Program, until the convention's \$1 million is reached. This plan will eliminate the necessity of a campaign in the churches and will increase contributions to missions beyond Oklahoma.

IV. Concerning Home For Aging

1. That the name be called Baptist Golden Age Home.

2. That the committee continue to study the need, also plans for operating such a home and the acquiring of necessary buildings as funds are available, and that interested individuals and churches be encouraged to send contributions immediately, either to the Baptist General Convention or the Baptist Foundation, to facilitate the carrying out of these suggestions.

V. That the men nominated by the Baptist Foundation Board be elected as members of the Board of Directors of the Baptist Foundation of Oklahoma.

VI. Concerning Cooperative Program and Stewardship.

1. That we continue emphasis on world missions through the Cooperative Program and that the objective for 1956 be \$2,000,000.

2. Continued emphasis upon the objective "Every Baptist A Tither."

3. Encourage churches to adopt a goal of at least 50 per cent of all resident members tithing.

4. Encourage churches to contribute to world missions through the Cooperative Program on the percentage basis.

5. Urge all churches to contribute at least 6 per cent more of total undesignated budget receipts through the Cooperative Program in 1956.

6. Designate Christian Stewardship Week, Oct. 29-Nov. 4, 1956 as World Mission Week and use it to launch the year of world missions emphasis for 1957.

7. Encourage intensified emphasis on world missions in the fall of 1956 and all of 1957 in associational meetings, summer assemblies, Sunday School, Training Union, and BSU conventions.

8. In connection with the emphasis on the percentage plan of contributing to missions through the Cooperative Program, encourage the churches to increase the 1957 percentage, the increase to be determined by an amount which would at least be equivalent to \$1 per member. Churches which have not yet come to the percentage plan would increase contributions at least \$1 per member.

VII. That the convention express appreciation to those in Miami and surrounding area who have had any part in helping to enlarge and modernize the Miami Baptist Hospital.

VIII. That the convention ask the Rural and City Missions Department to assume the additional responsibility of aiding churches that desire assistance in planning church buildings, and that such churches be encouraged to contact this department.

IX. That we exercise the strictest economy consistent with efficient administration.

X. That we continue operating on a cash basis as far as possible.

XI. That the 1955 State Mission budget be so projected as to incur no deficits.

XII. That all institutions and agencies of the Baptist General Convention of Oklahoma be instructed to incur no debts that are not authorized by the Board of Directors.

CONCLUSION

"See That Ye Abound"

Paul was seeking to lift the vision of his brethren in Corinth. In II Corinthians 6:13 he said, "I speak as unto my children, be ye also enlarged;" in II Corinthians 8:7, "see that ye abound."

That is our message to Oklahoma Baptists grow, enlarge, abound, do bigger and better work every day.

See that you abound as individual Christians. Our Lord had something to say about the "abundant life." He referred to "the second mile." He asked the piercing question, "What do ye more than others?"

Everything waits upon abounding, growing Christians. The Lord and his work wait on abounding churches. If churches are to abound they must have abounding leaders, regenerated membership, unbroken fellowship, and an enlarged stewardship.

See that ye abound "as a denomination." The denomination is the combined efforts of individuals and churches. There are many things we can do together that we cannot do so well separately.

Our benevolent work, institutions of healing, education, our missionaries around the world all depend upon our combined efforts.

If we are to abound we must serve a big God, have a world vision and bear the burdens of others.

As we move forward let us learn the words of Paul in his letter to the church at Corinth, "Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord" (I Cor. 15:58).

34. Time having arrived for the annual sermon, Dr. Claybron Deering, pastor of Exchange Avenue Baptist Church, Oklahoma City, who was elected last year to bring this message, took charge of the hour.

Dr. Karl H. Moore, Ardmore, the alternate, was presented and read I Samuel 7:3-12 for the scripture lesson for the sermon. The congregation stood while Dr. Moore led in prayer for God's blessings and guidance.

35. Dan Hodges, music director at Exchange Avenue Church, sang a medley of songs preparing our hearts for the message of the hour. Mr. Max Smith, Oklahoma City, was at the organ.

36. Dr. Claybron Deering brought an inspiring message on "The Eternal Purpose of God Regarding Mankind." Emphasis was placed upon Oklahoma Baptist participation in the realization of this beneficent work.

37. Dr. H. W. Stigler, Clinton, led in the benedictory prayer.

Wednesday Afternoon November 9, 1:30 p.m.

38. Vice-President Joe Dee Ray, Durant, called the afternoon session to order.

39. George Green, Tulsa, led in the song service using the following hymns: "Forward Through the Ages" and "Higher Ground."

40. Rev. Horton Myers, Waurika, read Deuteronomy 26:8-11 for the scriptural lesson.

41. Rev. Edward Alsup, Madill, led in prayer.

42. Mr. Arthur Davenport gave the report on Public Relations. A demonstration of the television program on KOTV was given with the aid of Bob Hopkins, Sam Russell, John Shelton, and Ed Alsup. Motion carried for adoption of the report.

Public Relations

The Public Relations office functions in two capacities—to serve the convention and to help the churches.

One part of the job is to provide public relations service on a professional level for the convention, its departments, and institutions. Since good public relations is both the "doing and telling," the office seeks to assist in formulating basic programs designed to serve more effectively the public interest.

Expression is through the mass communications media of press, radio and television, and printed materials.

The first regular convention-sponsored television program is "Questions and Quotations" over KVOO-TV, Tulsa. The 30-minute popular quiz-show type presentation started in January and is on the air each Saturday afternoon. The station donates the time. The Public Relations office prepares the script and supervises the production. Robert E. Hopkins is serving as moderator. Surveys indicate the program is in the top bracket of listener interest.

News releases prepared especially for radio and TV are carried by many stations. The Public Relations office also works with the stations in covering special events.

In newspaper contacts, the office seeks (1) to furnish news about convention-sponsored activities direct to the newspapers, (2) to establish better relationships with the press thus aiding both the convention and co-operating churches, (3) to help individual churches and associations better disseminate news about their activities, and (4) to train church and associational publicity chairmen in recognizing news and getting it in print.

Enough news stories about Baptist work prepared by the Public Relations office are published in Oklahoma newspapers every day to fill one full page of regular-size daily paper, on an average.

Numerous editors have told us they appreciate the news releases. The following letter is an example: Dear Mr. Davenport: Just a brief note to tell you what a fine public relations job I think you are doing.

The news releases that you send out are really NEWS . . . not just promotional material. We find in all of them some kind of local angle which is just exactly what community newspapers must have. They are also written in such a way that parts can be blue-penciled or additional material added. I am confident that the releases are well worth the expense.

Sincerely,

Jack Johnson, Editor, THE HEAVENER LEDGER

That unsolicited letter came from an editor with whom no person in the Public Relations office was even acquainted.

The Public Relations office makes it possible for all departments and institutions to have professional quality promotional materials at minimum expense. Materials prepared by this office have won highest awards in national competition. About 100 different items are prepared each year.

The office is prepared to give expert assistance in preparation of promotional materials from development of the basic idea to the finished job, including selection of a theme, planning the campaign, determining color scheme, designing the materials, copy preparation, making indicated photographs, etc.

The office serves as the convention's photographic department and during the past year has made approximately 500 publicity photographs, at least 1,000 prints, and some 200 to 300 color slides.

A motion picture of Oklahoma Baptist work for use in connection with the Golden Jubilee observance now is in production and will be ready for showing early in 1956. It is titled, "The Baptist Story." Public Relations personnel directed and supervised the production, wrote the script, did all photography, narration, editing, and music scoring for the film.

Through statewide and associational conferences, workshops, and clinics the Public Relations office assists churches in understanding basic news requirements, the preparation of news for publication, and improvement of church publications. Church news clinics were scheduled in five associations during the last quarter of 1955. Plans are being made for a comprehensive statewide publicity conference Feb. 3, 1956.

Many churches and associations take advantage of the monthly News Bulletin which provides items for church and associational papers and promotional suggestions.

Public relations committee of the Board of Directors was organized during the year composed of some of the best qualified men in the state. Many associations and some local churches have elected public relations (or publicity) chairmen. It is hoped that all of these will attend the Oklahoma City conference on Feb. 3, 1956.

It is recommended that (1) all churches and associations select a public relations committee composed of the best qualified available persons, (2) all associations that did not have a church news clinic during 1955 arrange to have such clinic during 1956, and (3) pastors encourage and attend the publicity classes at Falls Creek and the state publicity conference.

43. Miss Margaret Hutchison, Executive Secretary of Woman's Missionary Union, presented the report of our WMU and spoke to the report. Motion carried for its adoption.

Woman's Missionary Union

"ENLARGE—SPARE NOT—LENGTHEN—STRENGTHEN"

Report of Woman's Missionary Union, Auxiliary to the Baptist General Convention of Oklahoma From Oct. 1, 1954 through June 30, 1955.

Beginning with its annual session, Nov. 7, and 8, 1955, Woman's Missionary Union entered upon its 50th year. An anniversary committee appointed by the president in the November, 1951, state WMU board meeting, began laying plans for a proper celebration of the Golden Jubilee. Though the personnel of this committee has been changed from year to year, plans have been continued and goals have been set.

In 1953 these three goals were adopted by the Union in annual sessions.

- (1) That there be a full-time Royal Ambassador Secretary employed by Jan. 1, 1956.
- (2) That Mrs. Argye Briggs write the history of Woman's Missionary Union to be ready for sale June 1, 1956.
- (3) That we have a WMU Youth Camp built and ready for dedication and use the summer of 1956.

Reporting on progress in these three goals, we announce that the joint committee on Royal Ambassador work has voted to employ Bob Banks for full-time upon his being graduated in January, 1956, from Southwestern Seminary as state Royal Ambassador secretary.

Mrs. Argye Briggs has submitted the first draft of her manuscript of the history of Woman's Missionary Union. It is charmingly written and is being read and constructively criticized by a reading group. This goal is being fulfilled. The third goal, that of a WMU youth camp for the auxiliary mission camps, is yet to be realized. There are now on the hilltop at Falls Creek, chosen for this camp site, 10 lovely small cabins, almost complete. The State Mission Offering for 1955 is coming in every day now and our prayer is that the goal of \$50,000 will be reached. A large portion of the offering will go for this camp. We need the prayers, concern, interest and gifts of friends of the cause of missions who desire to see young people receive missionary education.

For the Golden Jubilee theme, WMU has chosen—"Enlarge, Spare Not, Lengthen, Strengthen," taken from Isaiah 54:2. Goals in the four fundamentals of Woman's Missionary Union for both the women and youth have been set up and associations, societies and auxiliaries are determined to work throughout the year to enlarge the work, to spare not energies nor means in carrying forth the fundamentals of the Union, to lengthen the influence of this mission organization and to strengthen the work of existing organizations.

State chairmen of the WMU fundamentals, the officers and chairmen of the various phases of our state Baptist work, and the state secretaries have promoted missions through 35 state meetings, such as mission study institutes, methods conferences, assemblies, camps, houseparties and clinics. Associations held 92 rallies these nine months with 9,617 women attending and 44 mission study institutes with 2,904 attending.

44. Rev. Sam Scantlan, Superintendent of Rural and City Mission Work, presented his report and presented the missionaries serving our state in these departments. Motion carried to adopt the report.

Rural and City Missions

He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." Psalms 126:6.

In giving an account of our stewardship and in telling the story of our work during the past year, it is our duty and privilege to make plain the scale and force of the contribution made by the Rural and City Missions Department in the common cause of the many churches and associations in Oklahoma.

It is to the combined interest of all Oklahoma Baptists that the magnitude of the missions department be made known and realized. In order that all may get an idea as to the scope of our work the following table has been prepared:

Further, not to claim undue credit, but to view work done, we cite the Summer School for Preachers at Oklahoma Baptist University June 20-July 1. There were 91 enrolled. Dr. H. I. Hester, Dr. Edwin McNeely, Dr. M. E. Ramay and T. G. Nanney were invited to assist Dr. James S. Timberlake with the school. Oklahoma Baptist University, under the leadership of Dr. John W. Raley, joins with us in making the school a success.

Twelve fine students from various states helped us in our mission

fields last summer. The Home Mission Board paid their salaries and transportation and the associations where they worked furnished their board and room. The following table shows where they were stationed:

Eight schools are already planned for 1956, five for 1957 and one for 1958.

The superintendents of missions have assisted in everything that the associations have promoted; such as assemblies, revival efforts, study courses, etc. The following are some of the visible results achieved by this department this last year, Sept. 1, 1954, to Aug. 31, 1955:

During the coming year of 1956, the Rural and City Missions Department, with the help of its committee, plans to give an "award" for the **RURAL CHURCH OF THE YEAR**. Also, we plan an "award" for the **RURAL PREACHER OF THE YEAR** and an "award" for the church (country, village, town or city) that has the best mission program to be known as the **MISSIONS CHURCH OF THE YEAR**. Details for these awards are to be worked out in the very near future.

45. Tom Carter, Superintendent of our hospital work, presented the report on hospitals. All hospital administrators and chaplains were introduced. Various phases of the hospital ministry were emphasized by administrators and nurses. Special music was given by a group of nurses from the Enid and Muskogee hospitals. Motion carried to adopt the report.

Hospital Report

The Baptist ministry of healing is marching forward. In December of 1954, two new hospitals were added, making a total of eight Baptist hospitals in the state. The two newest hospitals are the Bristow Memorial Hospital, and the Grand Valley Hospital of Pryor, both of which were dedicated on Dec. 5, 1954. A 25-year lease agreement was signed with each hospital. These hospitals are making excellent progress under the leadership of administrators, John J. Strutton of Bristow, formerly pastor at Idabel, and C. E. Hendricks of the Grand Valley Hospital of Pryor, formerly pastor at Cherokee.

On July 23, 1955, the eight hospital administrators and the superintendent of hospital work began attending classes at Oklahoma Baptist University in the course of hospital administration. In May, 1956, all of our hospital administrators will have their certificates in hospital administration from our own university. Our hospital administrators rank with the best to be found in Oklahoma. This is proven by the fact that two—Joe R. Baker of Enid, and Dr. J. F. Murrell of Muskogee—have met all the requirements, and having served the required number of years in administrative capacity, were admitted to nomineeship of the American College of Hospital Administrators, on Sept. 17, 1955. This organization includes only those administrators who have met the rigid requirements of top leadership in the field of hospital administration.

In order to care for 24,683 patients and give 95,363 patients days of care, not including 2,370 babies born in our hospitals, it was necessary to serve 498,091 meals, and to laundry 671,064 pounds of linens. In addition, 14,135 x-ray pictures were taken and 78,867 laboratory examinations were made.

The six Baptist chaplains serving our eight hospitals report 210 people won to the Lord, 1,047 Bibles plus 22,172 tracts were given, and more than 32,000 patient visits were made. These chaplains traveled 33,361 miles, preaching for 365 churches in 286 meetings, and spoke in 173 other meetings, conducted 13 revival meetings, and in addition conducted chapel services weekly in each of our hospitals. The eight administrators and the superintendent of hospitals preached 925 sermons, spoke in 27 meetings other than associational meetings, and conducted 18 revival meetings. Nowhere in the organization of our convention is to be found a more faithful group of denominational workers. The hospitals, chaplains and administrators will reach well over 400,000 people with the gospel message in their year of endeavor.

The Dedicated Dollar Day funds brought approximately \$22,-444.90 for our nurses training schools, hospital work, Boys Ranch Town and home for the aging. Of this amount \$17,873.91 was undesignated, and this was more than the total amount given last year. There were 454 churches and pastors who gave their people an opportunity to participate in this offering. Our great need is that more churches and pastors will give their people an opportunity to participate. There were 44 pastors throughout the state who served as Dedicated Dollar Day chairmen in their associations, and their work greatly increased the number of participating churches. God is richly blessing our hospital ministry, and these men who are serving under the leadership of the Lord:

46. Dr. H. H. Hobbs, Oklahoma City, spoke regarding the matters of our national program of Social Security for ministers.

Social Security for Ministers

As of Jan. 1, 1955 Baptist ministers were eligible to participate in Social Security on a voluntary basis. Every ordained minister is eligible as of this date. The church or the denomination is not involved. The decision of joining is entirely that of the minister himself.

The cost to the individual who enters in 1955 is 3 per cent of his salary, and graduates to 6 per cent of the salary in 1975 where it remains thereafter. The maximum salary basis is \$4,200 annually.

Ministers who were ordained prior to Jan. 1, 1955, will have two years in which to elect to come under this law. Though the minister may choose whether or not he enters, once he has entered he cannot withdraw. He must continue his payment from thence forward.

Those ministers desiring to enter the Social Security program as of Jan. 1, 1955, will proceed as follows:

Sometime during the year of 1955, anytime between Jan. 1 and Dec. 31 go to the nearest Social Security office or your nearest local post office, and ask for the application form for ministers. Your payment for the year 1955 will be made in one check at the time you make your income tax return for that year, which will be on or before April 15, 1956.

47. Dr. R. Alton Reed, Executive Secretary of our Southern Relief and Annuity Board, spoke in the interest of the Ministers' Retirement program of Southern Baptists. 48. Mrs. O. S. Allen and Miss Mary Tongee represented our Tulsa and Oklahoma City Book Stores. A film was shown picturing the work of our Baptist Book Stores. Motion carried to adopt the report on Baptist Book Stores.

Baptist Book Stores

The Baptist Book Stores of Oklahoma have been privileged to serve the state for a number of years. This past year both stores showed an increase in volume of purchases and sales in all departments.

Both stores have been organized to conform to the general plan established by the Baptist Sunday School Board to facilitate the handling of orders and for better service in every way. Personnel is carefully chosen and trained, and a system of promotion from job to job within the stores has been set up. Hospital and surgery insurance is carried by the stores on all regular employees and a retirement insurance program has been in effect for several years. Employees also participate in Social Security.

It is the policy of the stores to co-operate with every phase of our denominational life and to serve in every possible way. Exhibits are sent to all statewide meetings, and representatives from one store or the other, or sometimes from both, are on hand to answer questions and render assistance when needed.

We wish to express to the Baptists of Oklahoma our appreciation for their patience and understanding, for their loyalty and for the opportunities given us to serve them. We want to help you, please call on us.

Falls Creek Baptist Assembly

The annual meeting of the Falls Creek Assembly was held in two sessions, July 26-Aug. 2 and Aug. 3-Aug. 10 at our assembly grounds located south of Davis. The program this year was handled considerably different than it had been in the past as we used a different speaker for each morning and each evening service of the entire camp period. Twenty-five of the finest pastors of our state brought messages during the two assemblies. The same topics were assigned for each of the two weeks and each one of the preachers met the challenge of his topic in a wonderful way.

Dr. T. B. Lackey, executive secretary-treasurer of the Baptist General Convention of Oklahoma, brought the Sunday night message of the first assembly; and W. E. Grindstaff, assistant executive secretary-treasurer, brought the Sunday night message of the second assembly. Dr. Loyd Corder of the Home Mission Board brought the message on home missions through the antics of Joe the Baptist on Monday night, Aug. 8. It seemed that the Lord blessed in this program in a greater way than had been anticipated; it proved to be one of the finest assemblies we have ever had. The 25 state pastors and their churches were as follows:

E. F. Hallock, First Church, Norman M. E. Ramay, First Church, Edmond Frank Elkins, First Church, Vinita E. T. Moseley, First Church, Ponca City Charles Black, Brookside Church, Tulsa Grady Cothen, Olivet Church, Oklahoma City Jack Carroll, First Church, El Reno Frank Wood, First Church, Shawnee Lewis Hancock, First Church, Elk City H. Scales, Trinity Church, Oklahoma City Anson Justice, Crestwood Church, Oklahoma City Hugh Bumpas, Capitol Hill Church, Oklahoma City

The home and foreign missionaries present were: the Dwight Bakers, missionaries to Israel; the Bill Crews, missionaries to Indians in Arizona; the Edgar F. Hallocks Jr., missionaries to Brazil; Stanley Howard, missionary to Japan; and Miss Wanda Ponder, missionary nurse to Paraguay. Juana Garcia of Cuba, Beverly Sakaguchi of Hawaii, and Zilda Silva of Brazil, all attending school in this country, taught classes. Dr. Robert A. Baker from Southwestern Seminary was the Bible teacher for the first assembly; and Dr. Jesse Northcutt also from Southwestern Seminary was the Bible teacher for the second assembly.

There were 2,134 decisions for Christ during the two weeks— 164 professions of faith, 82 surrendering for foreign missions, 56 for the ministry, 27 for home missions, and 14 for educational work; 388 for special service, and 1,403 for rededication. Registration was 12,667 for the first week, and 8,894 for the second week, making a total for both weeks of 21,561 for the 36th annual encampment. The Woman's Missionary Union camps were in session from June 6 to July 16. The consecutive one-week camps ran the first three weeks as RA encampments and the second three weeks as GA encampments. There were 931 in attendanc for the entire WMU camp period. There were 228 decisions, including 16 professions of faith, 67 rededications, 79 for full-time Christian service, 3 full surrenders, and 63 missionary volunteers. The mission offering total was \$339.08.

The construction work for the Woman's Missionary Union camp is making wonderful progress, and a sufficient portion of the entire camp will be completed to make it possible for them to use camp in 1956.

One of the heartbreaks of the year was the flood that came Sunday night, Sept. 25, causing a great deal of damage to the entire camp grounds. All the foot bridges, including the one at the lake, were washed out, and all but one crossing was made impassable. A good portion of the blacktop along the edge of the creek and Young People's park was washed out and much damage was done to the road running along the side of the lower swimming pool on the cabin side of the creek. Efforts are under way to repair the damages and Falls Creek Assembly will be ready for another great year in 1956.

73. Dr. Stanley B. Niles, superintendent of the United Drys of Oklahoma was introduced.

74. Rev. J. Marvin Gaskin, Heavener, Secretary of the Historical Commission, presented his report.

Dr. Harry Roark, Blackwell; Dr. J. W. Hodges, Oklahoma City; Dr. Lee Spencer, Shawnee, all discussed the work of the commission and the program for the 1956 Jubilee year.

Motion carried to adopt the report.

Historical Commission

The Historical Commission held two meetings during the past year. These were held at the Baptist Building in Oklahoma City, Jan. 4, 1955 and Sept. 12, 1955. Those who served on the Commission the past year were Roger Hebard, Bartlesville; Harry Roark, Blackwell; Lee Spencer, Shawnee; Loren J. Belt, J. W. Hodges, David C. Hall and R. L. McClung, all of Oklahoma City; Glenwood Buzbee, Lindsay, and J. M. Gaskin, Heavener.

Our major project during the year has been preparation of the Oklahoma material for the Encyclopedia of Southern Baptists. The Commission sponsored a conference for the Oklahoma writers at the Baptist Building in Oklahoma City, Feb. 17, 1955. This meeting was well attended and we are glad to report that splendid progress is in evidence on this work with the total assignment at present nearly 50 per cent complete. Our present list of writers who will contribute one or more monographs are Gene Bartlett, Guy Bellamy, Loren J. Belt, Charles H. Black, Mrs. Argye M. Briggs, Glenwood Buzbee, W. A. Carleton, J. Paul Carleton, Tom E. Carter, M. Judson Cook, Arthur S. Davenport, Claybron Deering, J. M. Gaskin, W. E. Grindstaff, Jack Gritz, David C. Hall, E. F. Hallock, T. P. Haskins, Roger D. Hebard, Auguie Henry, J. W. Hodges, Horace L. Janes, Jess Kirkley, T. B. Lackey, R. L. McClung, L. E. Maples, H. Truman Maxey, George Miller, O. O. Morgan, J. A. Pennington, Herbert M. Pierce, M. E. Ramay, Harry M. Roark, James Ralph Scales, Sam W. Scantlan, J. C. Segler, Bailey Sewell, Lee B. Spencer, and Max Stanfield.

During the past year we published Andrew Potter, Baptist Builder by Sam W. Scantlan as the third in our historical series of convention literature. Previous publications were Trail Blazers of Sooner Baptists by J. M. Gaskin in 1953 and Not Yours But You by W. A. Carleton in 1954. We are glad to report that Scantlan's book has met with a very popular reception and was used by Woman's Missionary Union as a study book preceding the state missions emphasis this year, as others in the series were used in previous years.

The principal items in our program for the coming year are

1. We will publish the history of Woman's Missionary Union in Oklahoma by Mrs. Argye M. Briggs, as the fourth in our current historical series.

2. We will continue our history contest. Awards of \$100, \$50 and \$25 each for the first, second, and third-place winners, respectively, will be given for the best written works entered in the writing phase of the contest. The same awards will be given for the best collections of historical documents submitted to the Commission by Oct. 1, 1956, the closing date for both phases of the contest.

3. An extensive campaign will be launched to collect associational minutes. Associations will be classified according to the number of annual minutes missing from our collection at the Oklahoma Baptist University library. The following plan has been approved by the Commission:

(1) Distinguished Associations—those having no more than one or two annual minutes missing;

(2) Banner Associations—those having no more than three annual minutes missing;

(3) Having-Done-Well Associations—those having no more than six annual minutes missing; and,

(4) Haven't Done-So-Well Associations—those having more than six annual minutes missing.

4. In connection with our Golden Jubilee observance we plan.

a Baptist Jubilee tour to places of historical interest in Oklahoma May 10-11, 1956.

5. Roger Hebard, Harry Roark and Jewell M. Green are our members on a committee with C. E. Jackson, Muskogee, who represents the Oklahoma Baptist State Convention (Negro) and Joe Mingo, Muskogee, who represents the Indian Associations of Oklahoma in a joint effort to build a house of worship for the Fountain church near Muskogee, which is believed to be the successor to the Ebenezer church organized in that vicinity by Isaac McCoy Sept. 9, 1832.

6. One year from now we hope to organize an Oklahoma Baptist Historical Society. Our recommendation concerning that venture appears in the report of the Board of Directors.

7. We hope in the near future to erect a frame building on the Oklahoma Baptist University campus, typical of the country church of years past. Our proposal is to use home materials which may be salvaged out of buildings that have special historical significance, and to equip it with items of historical value which we may be able to secure for that purpose.

We bring to the convention the following recommendations:

- 1. That we publish the history of Oklahoma Baptist University, which Dr. J. N. "Uncle Jimmy" Owens is now writing, as the last in our present history series.
- 2. That this convention reaffirm a previous action which authorized the Historical Commission to act as the program committee for the 1956 convention and approve an appointment made by the historical secretary naming J. W. Hodges, Loren J. Belt and Glenwood Buzbee to represent the Commission as a special convention program committee for next year.

J. M. Gaskin, Historical Secretary and Chairman, Historical Commission.

75. Gene Bartlett, Secretary of Baptist Student Union and Church Music work, presented his reports on these vital activities.

Motion carried to adopt the report.

Church Music

"O sing unto the Lord a new song: sing unto the Lord, all the earth. Sing unto the Lord, bless his name; show forth his salvation from day to day. Declare his glory among the heathen, his wonders among all people."

The training program of your music department has touched 37 of our 38 associations with 170 churches reporting awards. This is due to the wonderful co-operation of our pastors, music directors and associational officers.

A music school was taught at the Baptist Indian Center in Oklahoma City where seven tribes were represented and another school was taught in the Chi-Ka-Sha Indian association where seven churches out of 10 were represented.

We have had two church music departments to reach the Standard of Excellence: First Church, Sallisaw, and First Church, Woodward.

We urge all our churches and associations to take advantage of the music training course offered by the Baptist Sunday School Board in Nashville.

Over 800 attended our state youth choir festival held at Oklahoma Baptist University and over 1,000 attended our first junior choir festival.

We plan to have a state music camp in the summer of 1956.

Gene Bartlett, Director.

Student Work

The Baptist Student Union seeks to minister to the approximately 8,000 Baptist students and 3,000 Baptist preference students who are enrolled in the various colleges of Oklahoma.

At the present time, we have 21 functioning BSU organizations serving this great multitude of tomorrow's leaders.

We are very grateful for the co-operation we receive from the churches and associations located around college centers.

The following student directors are doing a magnificent job on their respective campuses: Arthur Driscoll, Oklahoma University, Norman; Bert Edmison, Tulsa University, Tulsa; Jim Martin, Oklahoma A&M, Stillwater; Bob Watson, Northeastern State, Tahlequah; Annie Embry, East Central, Ada; Mrs. Ray Ingram, Central State, Edmond; Mrs. Wilma McFatridge, Southeastern State, Durant; Bill Bird, Oklahoma University Medical School; D. E. Strahan, Northern Oklahoma Junior College, Tonkawa; Vernon Pendleton, Enid General Hospital School of Nursing, Enid; Marion Ogden, Northeastern Oklahoma A&M, Miami; Paul Fowler, Panhandle A&M, Goodwell; Jerome Zickrick, Oklahoma Baptist University, Shawnee; Curtis McClain, Oklahoma Baptist Hospital School of Nursing, Muskogee; Carolyn Clouse, Cameron College, Lawton; Louise Rainbolt, Southwestern State, Weatherford.

A Baptist Student Union has been organized this year at the Enid General Hospital School of Nursing. Oklahoma City University and Draughon's Business College, Oklahoma City, will have BSUs in the near future. The following campuses have student center buildings: Oklahoma University, Oklahoma A&M, Central State, East Central, Southeastern State, Cameron College, Eastern A&M, Northeastern Oklahoma A&M, Tulsa University, Oklahoma University Medical School.

The student centers do not serve as churches in themselves but as rallying points for the students who are led to be loyal to the local church program.

Approximately 1,100 students attended the state student convention which met in First Church, Stillwater. Three hundred twentyfive attended the annual spring retreat at Falls Creek.

The student summer mission offering fund reached a total of \$2,850.01. Miss Mary Lester, Tulsa University, was sent to Hawaii; Richard Lunsford, OBU, to Alaska; Miss Julia Franklin and Roger Willard, Oklahoma University, to Jamaica.

One of the outstanding events of the year was a Baptist Focus Week held at the Oklahoma University student center and First Church, Norman. This was sponsored by the BSU department in Nashville and was the first of its kind in the history of student work; 2,144 were directly influenced by the meeting.

Our greatest need at the present time is endowment for our student program. We urge your co-operation with the Baptist Foundation of Oklahoma in this regard.

Gene Bartlett, Director.

76. Rev. J. A. Pennington, Superintendent of Evangelism, presented his report.

Dr. T. P. Haskins, State Evangelist, led in prayer for dedication to the enlarged program for evangelism during the 1956 Jubilee Year. Thirty thousand baptisms is the goal for 1956.

Motion carried to adopt the report.

Evangelism

Baptists do best that which they do together. The truth of this statement has been verified by the simultaneous evangelistic crusades in Oklahoma. Last year 1,028 churchès worked together in these crusades, resulting in 9,260 additions by baptism and 4,110 by letter and statement. This is the largest number of churches ever to cooperate in this movement; also, the greatest number of additions reported.

It is a proven fact that associations can successfully promote the simultaneous evangelistic crusades each year. Therefore, we would continue to urge that this be a part of the annual program in each association with the full participation of every church.

Sixty-seven of our Indian churches participated in the crusade this year.

Dr. T. P. Haskins is continuing to be a great blessing to the pastors and churches with whom he works. He has given considerable time this year in the promotion of stewardship. He has conducted 13 revivals, served as pulpit supply in 16 churches, assisted in four dedicatory services, two ordination services and five other special services. He began his fifth year as our state evangelist Sept. 1. We praise God for the splendid work he is doing.

The goal of 30,000 baptisms for our Golden Jubilee year is a challenging one. This will call for the winning and baptizing of 2,500 each month or 577 each Sunday. It will require one baptism for every 13 members in our churches. In order to do this we will need more definite planning on the part of the evangelism church council in each church. We would urge each church to set a challenging goal on baptisms. A month-by-month checkup on progress made toward this goal will be helpful.

In the near future the new revised Southern Baptist Program of Evangelism will be available through the Baptist Book Stores. This book will be one of the most complete and up-to-date books on evangelism available. Pastor, get a copy, study carefully, then put into practice the suggested plans. Thus, you will be able to lead your people in a more effective work in evangelism.

When we plan our work under the leadership of the Holy Spirit, when we work our plans in the power of the Holy Spirit, we rejoice in the attainments and give praise unto the Lord. Our program of evangelism is a planned, pleasing and productive program.

Therefore, we again recommend this tested, tried, and proven -- program.

- 1. Every association with a simultaneous evangelistic crusade every year.
- 2. Every association with a chairman of evangelism elected annually.
- 3. Every church with at least two revivals every year (one simultaneous).
- 4. An evangelism church council functioning in every church.
- 5. A perennial visitation program of evangelism.
- 6. A "New Members' Union" in every Training Union with the pastor teaching the book, "Your Life and Your Church."
- 7. Every pastor attending the statewide evangelistic conference each year.

8. A constant effort by every church in solving and preventing the non-resident church membership problem.

J. A. Pennington, State Secretary

77. Dr. E. W. Westmoreland, Secretary of the Department of Religious Education, presented his report. Several workers in the department were introduced. Dr. Westmoreland spoke regarding the increasing numbers of awards and standard units Oklahoma Baptist churches are earning. Motion carried to adopt the report.

Religious Education

This report is being written during the last week of September and since many of our associations have not yet had their annual meetings, the Sunday school and Training Union report of the churches for 1955, is not available at this time, therefore it is necessary that we quote figures as of Oct. 1, 1954.

SUNDAY SCHOOL

The churches of Oklahoma made unusually fine gains during 1954. At the close of last year, our Sunday school enrolment was 296,448, or a net gain of 27,513 for the year, the largest net gain ever reported in our state. It is equal to the net gains of the two previous years. From a percentage standpoint, it is a gain of 10.2.

TRAINING UNION

Our Training Union enrolment was 112,847 at the close of 1954, a net gain during the year of 11,900, or 11.8 percent. From a percentage standpoint, our Training Union gains have been increasingly high for three successive years.

VACATION BIBLE SCHOOLS

Last year our state reported 980 Vacation Bible Schools, with an enrolment of 115,552, or a net enrolment gain of 16,085. This also is the largest net gain we have had in one year.

AWARDS

Sunday school workers earned 48,125 training awards, and 46,777 Training Union study course awards were issued, making a total of 94,902, as compared to 65,879 the previous year. This record shows that this too is the largest increase we have had in awards in any one year.

TRAINING UNION "M" NIGHT

Attendance at our Oklahoma "M" Night meetings in December of 1954 was 19,070, which is an average of 570 persons per association. Only one other state in the convention had a higher average attendance at "M" Night meetings than Oklahoma.

STANDARD UNITS

The increase in Standard Sunday school units during the past year has been phenominal. A total of 1,515 Standard units have been recognized in Oklahoma during the year of 1955, a net gain of 393 over last year. This also is a record-breaking gain.

CONVENTIONS

The Department of Religious Education sponsored a Sunday school convention during the second week of March 1955 and a Training Union convention on Thanksgiving Day and the day following 1954. Both of these conventions were well attended. The Training Union convention was by far the largest we have ever had. The auditorium of First Church, Oklahoma City, was filled to capacity at 3 in the afternoon and at the evening services many people were turned away.

FALLS CREEK ASSEMBLY

The department provided 70 classes for training work at Falls Creek Assembly in 1955 and approximately 6,000 training awards were issued to persons attending the classes.

The churches of Oklahoma have never gotten along better from the standpoint of Sunday school and Training Union work, than at the present time. Most of our churches have been able to fill all available space for Sunday school work, and one of our most pressing needs at the present time is for adequate space.

Our greatest Training Union need has been that of trained leadership, and that need is being met as indicated by the increased emphasis on training during recent years.

Oklahomans attended Glorieta Assembly in large numbers during 1955. At one Training Union week, 128 Oklahomans were in attendance and at a Sunday school week 225 workers from Oklahoma attended the leadership conferences.

The Golden Jubilee Year of the Baptist General Convention of Oklahoma is 1956 and we sincerely hope that the Sunday schools, Training Unions and Vacation Bible Schools in every church will take as their slogan, "More This Year Than Ever Before." We suggest that each church check the record attendance of its Sunday school, Training Union and Vacation Bible School for the past five years and make goals for each of these organizations of at least 10 per cent more than the best previous year's record.

79. The report on Christian Education was presented by Rev. Richard T. Hopper of Lawton. After ample discussion, the motion carried to adopt the report.

Christian Education Committee

Christian education played a significant part in laying a solid foundation in early American history. Baptists made a distinct contribution in founding the first colleges and universities in the young nation. Oklahoma Baptists have kept pace with the growth of our state in providing Christian education for our sons and daughters since the early days of statehood. The contribution made by Oklahoma Baptist University to all phases of human progress justifies an hundredfold the faith of our early Oklahoma Baptist leaders. May God continue to bless our Baptist University with its capable leadership and dedicated faculty.

During February of this year your committee on Christian education promoted the second annual Christian education convention on the OBU campus. The success of the convention, which attracted approximately 1,300 persons, was due largely to the splendid co-operation given by the heads of the departments, agencies, and institutions. of the convention. The theme for the 1955 convention was "Christian Education and World Evangelization."

The committee co-operated with the Education Commission of the Southern Baptist Convention in promoting a special Christian education week in the churches during the month of April. We sought to acquaint our youth with the advantages of Christian education as especially provided by OBU. We are happy to report the enrolment of the university continues to increase year by year.

The committee is now making plans to promote the third annual convention on Christian education which will be held in Shawnee, Feb. 21, 1956. The convention will emphasize the future needs of the university in buildings, faculty, and endowment. Again this year the committee will co-operate with the Southern Baptist Convention in sponsoring the special youth activities program in April, 1956.

The committe has undertaken a third project which is of the greatest sifnificance to our future work. We have joined hands with the Baptist Foundation of Oklahoma in seeking to raise endowment funds for the university. The committee works through the pastors of the state seeking to encourage them in making their own wills and to secure wills from others naming the university as beneficiary. An encouraging beginning has been made in this matter. We shall continue to promote this phase of our task with an increasing effort. We must have greater endowment funds or we will forever force our university into a second rate position. The committee urgently requests the loyal support of every Oklahoma Baptist in this matter.

Respectfully Submitted, Richard T. Hopper, Chairman Lewis Hancock Bob Jackson Dan Beltz Chalon Meadows J. P. Dane J. C. Segler Murray Fuquay

The faculty now numbering 77, includes 20 professors with the doctor's degree, and 14 more with substantial progress on the highest earned professional degree. The state of teacher preparation is the best that we have known in the history of the university. Our chief concern is endowment which, by action of the trustees, has been ear-

marked for faculty salaries. The need is dramatically told in the record each year, when a number of our faculty see the opportunity of improving their financial position to such a degree that in fairness to their families, they accept positions elsewhere. Altogether, 10 replacements were made this term and 7 additional part-time instructors selected to meet the critical needs of instruction on campus.

PHYSICAL PLANT

Construction was started on the Mrs. W. S. Kerr Memorial Dormitory this September. The contractor is scheduled to complete the building by September 1956, if possible. This dormitory, with a capacity for 200 girls, will be a distinct addition to the campus of the university and will also be a very vital factor in relieving the critical student housing shortage.

The total evaluation of university land, buildings and equipment as of May 31, 1955, is \$4,511,674.23. This amount does not include approximately one-third million dollars in self-liquidating property constructed by the Faculty Building Association for the benefit of the university. The Faculty Building Association is a non-profit organization, whose sole purpose is to acquire and construct self-liquidating property for the benefit of the university.

Because of the anticipated enrolment trend in all colleges and universities during the next two decades, the university will be faced with the very challenging responsibility of rapid development of the physical plant to meet the needs of increasing enrolments. At the moment our most critical need is for dormitory space, however, classroom facilities, a large chapel, and an adequate student activities building are urgently needed.

FINANCIAL

The records indicate the university has made financial growth during the year. Thurmond Hall was completed and a gift of \$250,000 was received for construction of the Mrs. W. S. Kerr Memorial Dormitory. During the fiscal year the current operating cash has suffered. One reason is rather apparent—our student enrolment is steadily increasing. This challenging responsibility will continue because Baptists have assumed more and more, the important role of Christian education, more students are graduating from high school, and a larger percentage of those graduating are attending college. Since the students do not pay the total cost of their education through tuition and fees, more money must come from outside sources to supplement educational costs as enrolments increase.

Our principal outside sources are the (1) apportionment from the convention, and (2) endowment earnings. Student enrolment is increasing faster than our outside sources of money are increasing. The convention has a fixed apportionment of \$100,000 per year for current operations and the endowment earnings have not increased sufficiently to meet our additional liabilities. It appears most impractical to limit enrolment when there are nearly 400,000 Baptists in Oklahoma, whose financial potentialities are tremendous. It is respectfully suggested that the only way out is to make practical financial preparation for the anticipated enlarging enrolments in the years ahead.

The following is a brief statement of university financial position, as of May 31, 1955.

We need not fear the future. We may face our task with confidence. Our cause will continue to enlarge and our outreach will be accomplished with even greater strides as these young men complete their schooling and enter the places of leadership as pastors and workers in our Baptist program. More than one-half of these are already active as pastors or filling part-time responsibilities in churches of which they are members while in school.

In addition to the ministerial students, there are more than 100 others who are committed to lives of Christian service as missionaries, ministers of music, and ministers of education, and nurses.

Christian Life Commission

Christians who believe only in the regeneration of the soul and make no provision for teaching, training, and promotion of the phases of life which lead to the greatest individual development of Christian character and to the accomplishment of a better environment in which to live have stopped far short of the goal of Christianity. We must never fail to keep the winning of souls and the preparation for eternity the foremost thing in our plans, prayers, and programs. On the other hand, these plans and programs will be greatly facilitated by the proper development of the new Christians and by a good program of progress in social betterment. There are some realms in which a committee of this kind has an obligation to speak.

THE CHRISTIAN AND WORLD PEACE

Periods of peace and war have come and gone throughout the history of mankind. This has led many of us to accept war as inevitable and to look upon world peace as a hopeless dream. Since the turn of our century we have seen war spread to two world dimensions. This dreadful development has brought many of us to despair of all hope for peace among the nations of the world. There are others who feel that the world wars of our generation have brought us closer to to the ultimate possibility of this desired objective.

Peace is more than the cessation of conflict. It is more than treaty obligations imposed by force of arms. The kind of peace toward which we must strive cannot be declared. It is an end to be achieved by the processes of growth in the character and understanding of men. Such an achievement extends over many generations. The prophets Isaiah and Micah were looking far ahead when they said, "And they shall beat their swords into plowshares and their spears into pruninghooks; nation shall not lift up sword against nation, neither shall they learn war any more." This prophecy states the ultimate objective of God through his sovereign power. His followers in every generation should strive to create the conditions and lay the foundations which will become the instruments by which he can exercise his power and finally reach his glorious objective of world peace.

The primary factor in the final attainment of this objective is the preaching of the gospel among all peoples and teaching them the meaning of its message as revealed to us through Christ. This means that the gospel of salvation imposes on us a way of life. We have been faithful in our proclamation of the gospel of salvation without teaching the fullness of its way of life. This we have left too much for others to prescribe for us. Why should 48-plus per cent of our members be lost to their churches? Why should an atheistic movement enter China with promises of a way of life which Christians have been describing there for centuries? The gospel Christ commissioned us to preach is the whole gospel for the whole life of man throughout the whole world. When we obey this commission in the wholeness of its meaning we will lay the foundations on which God can build a peaceful world.

This kind of gospel will lead us as a nation to share with needy peoples what we have and know. America has been doing this on a very large scale. More than a billion human beings—half the population of the earth—live in areas where we have been sharing our skills and knowledge. In these areas eight out of 10 are ill-fed; seven out of 10 are chronically ill; only three out of 10 can read or write. In India the average span of life is only 27 years. In Iran one out of two babies born alive die before they are a year old. Will the Christian citizens of this country permit an isolationist lobby to influence our withdrawal from these areas? We need prophets in these days who like Isaiah will acquaint our people with the movements among the nations and point them to the sovereign God of the nations who seek to lead them into ways of peace.

Another potential factor in the achievement of world peace is the United Nations. Since its beginning in 1945 this body has been subject to many dangers and disappointments. But after 10 years of hard experience the American people know well that only by co-operation of the free nations can there be any hope of freedom and security. Our people must learn that the sovereignty of nations as well as the freedom of individuals is under God. We must be tolerant toward the imperfections of human institutions through which he works to achieve his purpose in the world. The criticism of this body from some quarters and at times even efforts to undermine its work should not be permitted to cloud its notable record of achievement in its social, humanitarian and economic activities, and in providing a forum for world public opinion.

In penitence and faith we pray that "this nation under God" cleansed from national self-righteousness, may become an effective instrument in promoting peace and justice for all peoples throughout the world.

Military Conscription

The hard realities of the present world situation warn us against the neglect of our military strength. But many of us do not agree

97

with those who insist that this situation can be met only by universal military conscription. We must be realistic to be sure. But we can be realistic about our military requirements without becoming militaristic in our national spirit and economy.

America does not need and our people do not want any military plan that will fasten upon us a permanent system of military conscription in time of peace. A great American once said, "This nation cannot exist half-free and half-slave." Neither can democracy flourish from the seeds of military autocracy. Within our generation we have seen many of our democratic processes destroyed by the pressures of military requirements. Why should we expect less under a permanent military system?

The Congress and people of this nation have in the past devised plans for military action that have defeated every military state we have fought. If the objection be raised that former draft measures have been unjustly administered, let us remember that justice in the administration of any law depends on the integrity of those charged with its enforcement. The most perfect military training laws would be subject to the same weakness.

Economic Life

One of the major characteristics of our day is economic expansion. The gross production of goods and services in the United States for 1953 was valued at \$365 billion. In another 20 years the gross production will be about twice as much with an increase of 850,000 in business firms. In 1929 our labor force was numbered at 49,400,-000. By 1953 the number had grown to 67,000,000 and by 1975 it will be approximately 89,000,000.

These developments are of vital significance to the South. The rapid growth of industry in this region creates many situations which must be met by alert and informed Christians. One of these is the need for vocational counseling and guidance to prepare our young people in their choice and ministry of work. Another is in the area of labor-management relations. Still another is the problem of leisure time. We now have 1,000 more hours of leisure per year than our grandfathers had. By 1975 it is estimated we will have between 1,200 and 1,500 hours of leisure per year. A fourth question concerns motivation for both capital and labor. Should the motive in our work be survival or the well-being of our families and of society? The Christian motivation for both capital and labor will bring industrial peace.

Christianity is relevant to this vast economic expansion in its teaching that the follower of Christ is responsible to God for his total life. We have led our people to believe that they are responsible to God for 10 per cent of their income. We have not taught them very much about their responsibility for the other 90 per cent. There is a stewardship of production and a stewardship of distribution as well as a stewardship of giving. What a Christian man produces in factory, field or shop, as well as what a Christian merchant distributes by selling should be a service to God for the benefit and uplift of man and society.

Any appraisal of the relevancy of Christianity to economic life must not ignore the recent development of atomic energy. This confronts Christianity, as well as science, with great responsibility. Laubach writes, "We must wake up or blow up." Not only has man harnessed nature to do his bidding, he has learned how to upset the very order of nature. In the possession of this power misguided men can slam the door against human progress and threaten all human existence on this globe. "The only adequate answer to the atomic power of science is the moral power of the Holy Spirit," writes Henlee Barnette.

Social Change

A second characteristic of our day is the rapidity of social change. Population shifts and movements have contributed much to these changes. In 1920 our national population numbered 106,000,000. In 1954 it was 162,000,000 and by 1975 will be approximately 220,000,-000. The automobile, the airplane and the extension of electrical power have brought rapid developments since 1900. These factors have speeded up changes in farm life, the movement into urban centers, and the change in residence of more than 30 million of our people each year. The world wars of our generation and the decentralization of industry now in progress as a defense measure against the potential menace of the atomic and hydrogen bombs have stirred and mixed our population to produce unprecendented changes in the social economy of our nation.

Intergroup Relationships

Although Oklahoma does not have the same terrific problems of intergroup relations among races, we do have some racial minorities and must continue to make progress in our work with them. We rejoice in the work of the Home Mission Board within our borders with Negroes and Mexicans. We congratulate associational groups which have sponsored co-operative programs for work among racial minorities and for the simultaneous revival program which has included all races in many of our associations. We believe that great progress should be and is being made in integrating racial minorities into the whole of Christian living and American practice.

99

Juvenile Delinquency

Surely only a blind person or one with a heart of stone would fail to see and to feel the drastic need for strong action in the realm of combatting juvenile delinquency. As Baptists, we have two duties to perform—prevention and cure. Because of the very small minority, at worst, of young people who are delinquent, our greatest interest and strongest programs should be directed towards the vast majority in the matter of preventing their delinquency. Our soul winning efforts, Sunday schools, Training Unions, WMU auxiliaries, youth-led revivals, summer camps, graded choirs, athletic programs, emphasis on the Christian home, and all such efforts are the answers given by modern churches to the problem of juvenile delinquency. We must not let down, but rather increase our efforts.

On the other hand, we want to commend the Boys Ranch Town and all such agencies for their splendid efforts in helping to correct problems that have already arisen.

The Alcohol Problem

There are problems concerning alcohol education and liquor advertising which are southwide in their scope and thus include us. The Christian and moral forces of this nation are widely deployed throughout the land against the tide of drinking, drunkenness, and alcoholism with their attendant evils. We employ numerous methods, follow various policies and have different objectives. In his "Survey of Local Church Activities and Pastoral Opinions Relating to Problems of Alcohol," Benson Y. Landis reports that 37.8 per cent of his respondents advise their national agencies to work for the return of national prohibition while 80 per cent advise intensive educational work. More than half (57 per cent) would develop public opinion favorable to the establishment of special clinics for the treatment of alcoholics, and 56 per cent would work for the gradual extension of control through better regulation.

The apparent overlapping in methods and objectives as revealed in this survey is as it should be. The liquor traffic is too well entrenched behind the barriers of legal protection and within the citadels of social usage and approval for us to conquer it by a single method of attack. Moreover, in view of the complexities of the problem we shall be able to reach our ultimate objective only by the attainment of progressive intermediate objectives over a long period of years. But regardless of the nature of the forces we use or the methods we employ, there is need for intensive educational work in order to build the religious, social, scientific and legal forces at our disposal into an effective striking force. The churches can and must continue to be strong factors in this educational program. On motion of the Executive Committee in its December meeting, James L. Sullivan, executive secretary of the Sunday School Board, and Norris Palmer, chairman of the promotion committee, were asked to act with the executive secretary of the Christian Life Commission in the development of a program of alcohol education in the local church and provide adequate literature which will give our people the facts about beverage alcohol and the evils inherent in the liquor traffic.

Our objectives for this phase of our work for this year are: (1) the coordination of alcohol education with the educational program of our local churches; (2) the coordination of our efforts with other states and national units against liquor advertising over radio and television; and (3) seminars for leadership training in alcohol education.

The most pressing problem concerning alcohol to Oklahoma Baptists is the matter of a program of local option on beer in our state. We commend the Board of Directors of this convention for taking the responsibility of enlisting the signatures of 100,000 Baptists on petitions to initiate a referendum concerning the right of local option in counties with regard to the sale of 3.2 beer. We commend the tremendous efforts of our state secretary and all of his associates in helping to get the materials and information to Baptists in Oklahoma. We commend the United Dry organization for its steady work through the legislature this past year and for its outlining the program for this initiative petition. We also commend our Governor, the Honorable Raymond Gary, for his outstanding leadership with regard to the alcohol problem in Oklahoma. He has been willing to identify himself as our leader in this realm and has stated that it is a moral conviction with him and cannot be changed. All Christians in Oklahoma can rejoice in the efforts of our Governor to help rid our state of the curse of the tavern.

We are convinced (1) that alcohol is the number one problem in Oklahoma; (2) that nothing else destroys as much life, health, hope, and happiness, personality, character, intellectual power, and Christian life as alcoholic beverages; (3) that no Christian should be content or believe we have done our full duty until every tavern in Oklahoma is closed; and (4) that the churches of Oklahoma have the power to do anything they want to do in their state.

In the light of the above report, we, your committee, would like to make the following recommendations:

- 1. That our convention give its strongest support to co-operation with the United Dry Association of Oklahoma and to the program of education and legislation with regard to alcoholic beverages.
- 2. We recommend that the convention authorize its Board of Directors to elect the appropriate number of our Baptist

101

constituency to the United Dry Assembly Jan. 24, 1956; as provided for in the United Dry Association constitution.

- 3. We further recommend that the convention continue its financial support leading the other great denominations of Oklahoma to undergird this organization financially.
- 4. We also recommend that our churches be urged to leave no stone unturned to get every member of voting age to cast his vote in favor of local option on 3.2 beer, and that the churches also seek to enlist every member in striving to get their counties voted dry when local option shall have become law.

Respectfully submitted, Max Stanfield C. R. Horne Joe Ingram B. N. Simmons Luther Cox V. L. Hopper

89. Dr. Norris Gilliam, Nashville, Tenn., was introduced and spoke regarding our Southern Baptist Sunday School Board and its various activities.

American Bible Society

Travel to a desert area in northwest India. Stand with a group of men gathered around a young Christian layman working as a government surveyor. He is using an opportunity to tell the good news of Jesus Christ to men who never heard the Gospel before.

As the young man speaks of the Bible, one of his older listeners asks, "Is that book in my language?" When told that it is, he exclaims, "Young man, get me that book!". Holding the book in his hands and opening his heart to its message of the Savior, he asks the searching question, "Why didn't someone bring us the book long ago?"

The old man's question stirs our hearts to take the Bible to the millions who still wait—and emphasizes this missionary principle which is true around the world:

Every person must have the Bible in his own language

if the Word of God is to speak to his heart.

Giving the Bible to the people of the world in their languages is a missionary task. The American Bible Society aids in Bible translation, publishes the Scriptures without note or comment and distributes them---without profit and usually below cost---for mission work around the world. For the blind, it supplies Scriptures in raisedletter systems and on Talking Book records.

The American Bible Society is an active partner of Southern Baptists in their worldwide mission program; it serves every form of mission work at home and abroad.

During 1954 the American Bible Society-

- -distributed throughout the world more than 15 million volumes of Scriptures.
- -donated 1,360,604 Scripture volumes for the Armed Forces, providing a vital link between the home churches and the members of the Armed Forces.
- -continued to supply Scriptures in many strategic areas, such as Germany and other countries along the "fringes" of the Iron Curtain, Africa, Latin America, Japan, Korea and India—and to millions of Chinese in the countries of East Asia and Southeast Asia, outside the communist-controlled China mainland.
- --received gifts which provided for the largest budget in its history and adopted for 1955 and even larger program to serve more of the millions who still wait for the Word of God-keenly conscious that missionary advance, through increased Scripture distribution, waits only for needed funds!

Southern Baptists' Part in the Work

In 1954 Southern Baptist churches set a new record by giving \$112,064 to the American Bible Society and stood second only to Methodist gifts of \$155,109. Gifts from churches of all denominations totaled \$826,721.

Has your church given to the American Bible Society this year?

The help of every Southern Baptist church is needed. Every church can give at least these amounts each year:

Country and village churches \$10 to \$25

Churches in small cities \$25 to \$100

Larger churches \$100 to \$200

Great city churches \$200 to \$500 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

91. The following resolution was read by Dr. J. W. Storer, Tulsa, and motion carried for its adoption.

"Whereas, this Convention recognizes that widespread distribution of the printed Word of God is a basic necessity in the worldwide missionary work to which we are committed, and

"Whereas, we recognize that the American Bible Society renders an essential worldwide missionary service through translating and publishing the Scriptures without note or comment and through distributing them without profit and usually below cost;

"Therefore, be it resolved,

"First, that we earnestly request our churches and our people to make contributions to the work of the Society, all such contributions to be sent through the regular channels to the Baptist state office, marked 'for the American Bible Society,' and

"Second, that we approve an offering in the churches for the work of the American Bible Society, as in previous years, to be taken on the last Sunday in January (January 29, 1956) as provided by the Board of Directors in the Calendar of Activities for 1956 and to be promoted by our Convention as a part of our mission program."

92. Rev. Bailey Sewell, Superintendent of Indian Work, presented the report on Indian Missions in Oklahoma.

Brother Sewell introduced all Indian workers and other Indians present at the Convention. Motion carried to adopt the report.

Oklahoma Baptist Indian Missions

By mutual agreement between the Baptist General Convention of Oklahoma and the Home Mission Board of the Southern Baptist Convention, Oklahoma Baptist Indian missions have been under the direction of the Home Mission Board since 1933. Since May of 1954, the Home Mission Board and the Baptist General Convention of Oklahoma have supported a superintendent of Oklahoma Baptist Indian Missions. At present, there are five general missionaries each serving one of the six Indian Baptist associations with which Southern Baptists are working in the state. There are also nine fulltime missionary-pastors and three student pastors serving Indian churches in Oklahoma. One general worker serves the WMUs of the Indian churches. One missionary couple serves the Chilocco Indian Government School. There are four retired, part-time missionaries. Counting wives, this makes a total of 41 Home Mission Board personnel in the Direct Missions Department in the state.

The churches co-operating with the six Indian Baptist associations reported a total of 429 baptisms for the associational year just closed. This year's record indicates a substantial increase in number of churches giving through the Cooperative Program. The amount is also considerably above that of last year.

An annual Falls Creek Indian Baptist Assembly has met for the past nine years. An enrolment of 350 to 500 has been reported. An annual leadership conference has met for the past five years. The Home Board missionaries meet in a quarterly inspirational and informative session. These are proving very beneficial for the promotion of all of our mission work.

There are a number of Indian mission congregations in the

state which are supported by local white associations and/or churches. We have no organic connection with these, but do work with them in the promotion of the work as opportunity affords.

With the Week of Prayer for Home Missions featuring work with Indians next spring, we are greatly encouraged with the prospects for progress for the immediate years ahead.

Respectfully submitted,

Bailey Sewell, Supt., Indian Work

93. A preview of the Jubilee Program was presented by Mrs. Jeanne Wray, and a group of students of Oklahoma Baptist University.

94. Rev. Grover Scales, Shawnee, was in charge of the Memorial Service. He called attention to Brothers and Sisters in Christ, who have departed this past year to their Heavenly home.

IN MEMORIAM

"Absent from the body, at home with the Lord" II Corinthians 5:8.

This is Paul's way of describing the translation of our beloved who die in the Lord. The body is a temporary house, which will be displaced by a "new body, fashioned after His glorious body."

Death for the Christian is really a "Coronation Day." Limitations on life and the barriers which circumscribe us are broken asunder by the stroke of death. The soul, which leans on Jesus, bursts forth from its prison walls. Hence, we exclaim: "O Death, where is thy sting: O Grave, where is thy victory?"

Jesus came to give assurance to all believers in Christ that He has made every necessary provision for our happiness in the hereafter. By word and act, He has made death a beautiful translation, a change in our habitations, without the least anxiety whatsoever. "Because I live, ye shall live also," Jesus assures us.

He bravely met death himself and proved that life is continuous by his own resurrection from the dead. The angel, viewing the empty tomb, said to the women, "He is not here: for he is risen, as he said." To John in exile, Christ said, "I am he that liveth and was dead, behold, I am alive forevermore." Christ was certain of the "Father's house of many mansions," and of our reunion with our beloved when we go there.

Paul said he had a desire to depart, "which is far better" than living here. When he fulfilled a useful life, made a greater contribution to Christianity than any other, and came to old age, he wrote Timothy, "I am now ready to be offered. I have fought a good fight, I have finished my course, I have kept the faith: henceforth, there is laid up for me a crown of righteousness."

Dr. Weatherhead has said, "One day there will be a knock at the door, which means the taxidriver has come to take us to the station. Do not let us be afraid—let us be sure we have time to pack up and be ready for the knock on the door, and then let us slip away."

"So be my passing!

My task accomplished and the

long day done

My wages taken, and in my heart

Some late lark singing,

Let me be gathered to the quiet west, The sundown splendid and serene, Death!"

95. Rev. J. A. Pennington brought the following recommendations regarding our Royal Ambassador work and motion carried for its adoption.

Report of the Royal Ambassador Committee To the Baptist General Convention

The Royal Ambassador Committee which was authorized by the Baptist General Convention meeting in Oklahoma City in 1954 for the purpose of giving counsel and direction in the Royal Ambassador work while it is under joint sponsorship of the Woman's Missionary Union and Brotherhood Departments wishes to submit the following report and recommendations:

1. The Committee assisted the Royal Ambassador Secretary, Bob Banks, in drawing up suggestions for associational and local church committees for the promotion of the RAs during this period of joint sponsorship. These suggestions have been published and given wide distribution.

2. The Committee counselled with the secretary concerning the Calendar of Activities during the year, including the Summer Camps and the Annual RA Congress.

3. The Committee wishes to commend the secretary for the work he has done while serving in a part-time capacity while contin-

uing his school work. (A full report of the secretary's work is included in the WMU report to the convention). He has been asked to serve full-time upon his graduation.

Recommendations

We recommend that this committee be continued for another year with instructions to study and bring recommendations to the next convention as to the advisability of the Brotherhood Department of the State Convention assuming full responsibility for the promotion and the direction of RA work in Oklahoma by January 1, 1957.

It is also recommended that the churches be encouraged to look toward having the Brotherhoods assume full sponsorship of the RA. work in the churches as soon as possible.

Signed,

J. A. Pennington

ANNUAL OF THE BAPTIST

1955 REPORT OF THE BAPTIST FOUNDATION OF OKLAHOMA

.

.

By Dr. Auguie Henry, executive secretary-treasurer

Most of the funds received by The Baptist Foundation of Oklahoma come from estates and individuals. Some churches, however, send contributions direct to The Foundation and some individuals prefer to contribute to The Foundation through their churches; therefore, in this report, credit is given to churches when the amounts received were sent through church treasuries.

COMMENTS

Organization

The Baptist General Convention of the State of Oklahoma was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided for by the various contributors. It was incorporated under the laws of the State of Oklahoma without authorized capital stock. Its first Articles of Incorporation were filed on or about May, 1917, for a term of twenty years, and its amended Articles of Incorporation were placed on record March 6, 1928, as an organization in perpetuity.

Since November 1, 1935, the convention has had direct supervision of The Baptist Orphans' Home, and its assets, liabilities, income and expenses are treated as a separate fund, both on the convention books and in this report. The Home is located in the environs of Oklahoma City, Oklahoma, and is incorporated under the laws of the State of Oklahoma as a charitable institution without authorized capital. It was organized in March, 1904, for the purpose of providing protection and care for needy orphans.

On October 28, 1946, the convention created a separate corporation, namely, The Baptist Foundation of Oklahoma, for the stated purpose of building, undergirding and stabilizing the agencies and institutions owned and operated by the convention. Subsequent thereto, transfer of custody of certain investments for trust and endowment funds was made by the convention to the foundation. The accounting for such specified funds has been handled by the foundation as a separate entity since its inception.

The operation of the executive office of the convention are di-

vided into the major classifications described below:

Collecting and Accounting—Receiving contributions for the Cooperative Program budget and other designated funds, maintaining records therefor by church units and funds, and transmitting periodically the portion allocated to the Southern Baptist Convention, the various Baptist hospitals within the state, the University at Shawnee, Oklahoma, The Woman's Missionary Union of Oklahoma, The Baptist Foundation of Oklahoma, and other designated donees.

Baptist Messenger—Printing and publishing a denominational paper known as "The Baptist Messenger".

The Baptist Orphans' Home—Embracing all transactions pertaining to solicitation of monies and supplies, operation of the children's home, care and training of the boys and girls placed under its protection, and maintenance of the orphanage properties.

Boys' Ranch Town—Operation of the Boys' Ranch Town as a home for underprivileged and delinquent boys, construction of buildings, and maintenance of ranch properties.

Falls Creek Assembly—Covering vacation training at Falls Creek, Oklahoma, and the maintenance of assembly properties.

Department of Religious Education—Providing for advancement and enlargement of educational activities in churches of the state.

Baptist Student Union and Church Music—Coordinating Baptist work in the student union centers at the various state educational institutions and fostering better music in the churches.

Building Program—Accounting for contributions and appropriations toward a building program of the convention, supervising construction of such projects and disbursing funds therefor.

COMMENTS

Organization

The Baptist Foundation of Oklahoma was granted a charter by the State of Oklahoma on October 31, 1946, for perpetual existence without capital stock, with its principal place of business at Oklahoma City, Oklahoma. It was created by the Baptist General Convention of the State of Oklahoma, and its Articles of Incorporation and by-laws were approved by the body in convention assembled at Oklahoma City, Oklahoma, on October 28, 1946. Its stated purpose was to build, undergird, and stabilize the agencies and institutions owned and operated by the convention.

The purpose for which the corporation was formed is that of a private, non-profit, religious association "to purchase, control, manage, acquire, hold, barter, sell, convey, exchange, expand, distribute, invest, and otherwise dispose of all real, personal, or mixed property of whatever nature, and wheresoever situated—for the church and other religious and charitable purposes—necessary for its membership—worship and exercise of such powers."

Its duties and powers are to receive by gift, devise, bequest, and otherwise, any money or property to be used as may be directed; to enter into contracts or trust agreements with individuals, corporations, or partnerships, for the purpose of furthering the interest of educational institutions, hospitals, orphanages, student centers, and any other property in order to assist and promulgate the furtherance of the convention and to promote Baptist doctrines, Evangelism, Christian education, and both home and foreign missionary work; to borrow money; hold, administer and dispose of property; make conveyances and assignments; incur obligations and prosecute or defend any action or suit in which involved.

As interpreted by the directors of the corporation, its responsibilities are to procure funds for capital improvements and endowments, and to hold, dispense, and invest funds according to designations made and as set out in the charter.

Accordingly, on April 7, 1947, transfer of custody was made from the Baptist General Convention of the State of Oklahoma to the Baptist Foundation of Oklahoma of certain investments and their corresponding trust and endowment funds totaling \$76,776.29.

Cash and other contributions during the year ended December 31, 1955 are summarized in Exhibit C, "Statement of Trust Fund" and the cash transactions are further detailed in Exhibits D and E, and in Schedule 1.

Mortgage Note Payable \$5,360.86—This instrument is dated February 12, 1947 in an original amount of \$65,000.00, with interest at $4\frac{1}{2}$ %, payable \$497.25 per month, including interest, to the Home State Life Insurance Company, Oklahoma City, Oklahoma. It is secured by a first mortgage on the Hollums Building located at 1010 North Broadway, Oklahoma City, Oklahoma. This building was donated to the foundation in January, 1950 by Mr. and Mrs. J. W. Hollums with the provision that the foundation assume the liability for the mortgage which had a balance due of \$35,054.78 at that time. The building is recorded on the books at an appraised value of \$100,-000.00. The unpaid balance at December 31, 1955 was \$5,360.86.

Contingent Liability

The foundation is liable to pay the grantors of the Hollums Building "all of the income from said property, not to exceed 1,-047.00 per month so long as either of them shall live," and to furnish attorneys for the probation of their estates without cost to the estates. "All income in excess of 1,047.00 per month to be the property of the grantee."

This building was vacant during the entire year ended December 31, 1955; thus no income was available for distribution to the grantor.

We were advised that Mrs. J. W. Hollums, the surviving grantor, has given her consent for the sale of the "Hollums Building" with the provision that the proceeds be invested for the purpose of providing a monthly income for the benefit of Mrs. Hollums during the remainder of her lifetime.

COMMENTS

Organization

The Baptist University of Oklahoma was created by action of the Baptist General Convention while in session at Chickasha, Oklahoma, during November 10 to 13, 1909, to function as an operating unit of the Convention under supervision of a Board of Trustees elected by that body. On February 9, 1910, Articles of Incorporation were filed with the State of Oklahoma and a charter was granted for a perpetual corporation formed without capital stock for the purpose of providing opportunities for all departments of higher education and connected preparatory schooling of persons of both sexes on equal terms, the location being at Shawnee, Oklahoma. In an amended certificate filed July 6, 1921, the name of the institution was changed to Oklahoma Baptist University.

The school, opened in September, 1911, held in city and church buildings, was closed from 1912 to 1914, and reopened in September, 1915 in its own structure, the nucleus of a group of buildings now located on the campus.

Perry Memorial Hospital Perry, Oklahoma AUDIT FOR THE YEAR ENDING December 31, 1955 Prepared by THE LEY-ANDERSON COMPANY Perry, Oklahoma

PERRY MEMORIAL HOSPITAL Perry, Oklahoma

Board of Directors

Baptist General Convention of Oklahoma

Gentlemen:

For the year ended December 31, 1955, we have made an audit of the Perry Memorial Hospital and herein present our report of this audit.

The audit report consists of the following Exhibits and Schedules:

Exhibit A—General Fund Balance Sheet as of December 31, 1955.

Exhibit B—Plant Fund Balance Sheet as of December 31, 1955.

Exhibit C-Statement of General Fund Income and General Fund Expense for the Calendar Year 1955.

Schedule 1-Schedule of Earnings from Routine and Special Service for the Calendar Year 1955.

Schedule 2-Schedule of Expense of Routine and Special Services for the Calendar Year 1955.

Your attention is called to the following comments:

1. Extensions and additions of the actual physical inventories were inspected by us as prepared by the department heads of the hospital. We were not present at the taking of the inventories.

2. Accounts Receivable were reconciled to the controlling account but no direct confirmations were made as of December 31, 1955.

3. Some difficulty was encountered in reconciling the F.I.C.A. Tax and Withholding Tax Payable on the hospital books to the amount actually due the Federal Government. This discrepancy was due to the hospital's failure to claim credit for the monthly payments made to the Federal Reserve Bank in Kansas City during the fourth Quarter 1954.

4. Your Reserve for Uncollectible Accounts Receivable was adjusted at December 31, 1955, to an amount representing 2% of the 1955 charges for hospital services. Based on your past collection record we believe this to be a reasonable estimate.

It is our opinion that the Exhibits and Schedules contained in this report present fairly the financial position of the Perry Memorial Hospital as of December 31, 1955, and the result of operations for the year ended December 31, 1955.

Miami Baptist Hospital Miami, Oklahoma AUDIT FOR THE YEAR ENDING December 31, 1955 Prepared by CARL A. FINKE, C. P. A. Miami, Oklahoma

MIAMI BAPTIST HOSPITAL Miami, Oklahoma

February 18, 1956

Board of Directors

Baptist General Convention

Oklahoma City 3, Oklahoma

Gentlemen:

For the year ended December 31, 1955, I have made an audit of the records of the Miami Baptist Hospital, and herein present my report of this audit.

The audit report consists of the following Exhibits and Schedules: Exhibit A—General Fund Balance Sheet as of Dec. 31, 1955.

Exhibit B—Plant Fund Balance Sheet as of December 31, 1955.

Exhibit C—Statement of General Fund Income and General Fund Expense for the period ended December 31, 1955.

Schedule 1—Schedule of Earnings from Routine and Special Services for the period ended December 31, 1955.

Schedule 2—Schedule of Expense for Routine and Special Services for the period ended December 31, 1955.

Schedule 3-Schedule of Physical Inventory.

Your attention is directed to the following comments:

The books were in fair condition by the end of the year. The inexperience of the bookkeeping personnel, however, led to several irregularities, particularly in the Accounts Payable subsidiary and control. Adjustment was made at the six months period, and an adjustment was again necessary at the end of the year. The same was true of Accounts Receivable. These conditions have been pointed out and a month to month check of subsidiary against the control is to be made.

A change-over to "peg-board" payroll system caused considerable difficulty in preparation of annual reports to the government. Payroll systems should only be installed at the first of the year to avoid confusion.

Cash and income is being accurately reported at the present, and the cash picture is very much improved. Confirmation of Accounts Receivable revealed many erroneous addresses on the accounts. Notes Receivable in the amount of \$700.80 were written off as they have never been located since the current administrator's term.

It is my opinion that the Balance Sheets contained in this report present fairly the financial condition of the Miami Baptist Hospital as of December 31, 1955, and the Statement of Income and Expenses reflects the result of operations for the year ended December 31, 1955, subject to the adjustment made for variance of Accounts Payable with the subsidiary account.

> Respectfully submitted, Carl A. Finke, C.P.A.

ANNUAL OF THE BAPTIST

ENID GENERAL HOSPITAL Enid, Oklahoma

Board of Directors

Baptist General Convention of Oklahoma

1141 North Robinson

Oklahoma City 3, Oklahoma

Gentlemen:

At your request, I have examined the books and records of the Enid General Hospital, Enid, Oklahoma, for the year ended December 31, 1955. Attached are the following exhibits and comments:

Exhibit A-General fund balance sheet.

Exhibit B-Plant fund balance sheet.

Exhibit C-General fund income and expense.

Exhibit D-Income earned from routine and special services.

Exhibit E-General fund expenses.

The hospital administrator and office staff were very co-operative. As a whole the records were in good order.

There are some comments which should be considered with the examination of the report.

1. Although I was not present at the taking of the inventory of supplies, a physical inspection at a later date reconciles to the inventories made by employees.

2. Accounts payable were not verified by correspondence, but invoices and unmailed signed checks were examined.

3. The social security and withholding tax is for the entire last quarter. Even though these employees deductions have not been deposited monthly no penalties have been assessed or provided.

4. During the first twelve days of January 1956, \$10,000.00 was borrowed from the bank to meet current liabilities.

It is my opinion that the attached exhibits, when considered with the above comments, fairly present the financial position of the Enid General Hospital as of December 31, 1955, and for the year ended December 31, 1955.

.

.Respectfully, Clarence F. McCubbins Certified Public Accountant

GENERAL CONVENTION OF OKLAHOMA

SOUTHWEST BAPTIST HOSPITAL Mangum, Oklahoma

January 17, 1956

Board of Directors

Baptist General Convention of Oklahoma

Baptist Building

1141 North Robinson

Oklahoma City 3, Oklahoma

Gentlemen:

I have completed an audit of the books of the Southwest Baptist Hospital at Mangum, Oklahoma, for the calendar year 1955. Attached you will please find Exhibits and Schedules, as follows:

Exhibit A—General Fund Balance Sheet as of December 31, 1955.

Exhibit B—Plant Fund Balance Sheet as of December 31, 1955. Exhibit C—Statement of Income and Expenses, January 1 to December 31, 1955.

Schedule I—Earnings from Routine and Special Services January 1 to December 31, 1955.

Schedule II—Expenses of Routine and Special Services, January 1 to December 31, 1955.

SCOPE OF AUDIT

A Balance-Sheet type of audit was made, of the accounts at December 31, 1955; together with a spot-check of day-to-day transactions. In this connection, the following comments are made:

1. The Accounts Receivable were confirmed by outside correspondence, and no discrepancies were reported.

2. I had no opportunity to witness the physical inventory count. However, the inventories were spot-checked as to pricing and extensions.

3. The Accounts Payable were not confirmed by outside correspondence.

COMMENTS AND RECOMMENDATIONS

In general, the books were found to be in excellent order. The following comments are made:

1. The monthly provision for bad debts (2%) has proven insufficient to cover losses; and a very substantial provision had to be made in December to cover write-offs, and to leave a reserve (approximately 8.7% of Accounts Receivable) for future write-offs. It is, therefore, recommended that the monthly provision be increased. Actual charge-offs in 1955 were over 4% of gross income from services.

2. The uniform hospital accounting manual, prepared by Mr. V. G. Edmondson for the Oklahoma State Hospital Association, is being followed very closely.

AUDITOR'S OPINION

With the above limitations and exceptions, in my opinion the attached financial statements present fairly the results of operations for calendar year 1955, and the financial condition of the Southwest Baptist Hospital, as of December 31, 1955.

I wish to take this opportunity to express my sincere appreciation to Rev. Hart and members of his staff for the fine co-operation I received and the many courtesies extended to me during the course of this audit.

ANNUAL OF THE BAPTIST

STILLWATER MUNICIPAL HOSPITAL Stillwater, Oklahoma

February 4, 1956

To the Board of Directors of the

Baptist General Convention of

Oklahoma

Gentlemen:

The transactions of the Stillwater Municipal Hospital, Stillwater, Oklahoma, have been examined from January 1, 1955, to December 31, 1955, as recorded in the books of account and other records made available for an inspection to the following extent.

Cash on deposit was verified by the depository statements and was reconciled to the books of account. The Petty Cash and Change Fund was counted and reconciled to the balance on hand at the close of business December 31, 1955.

Duplicate cash collection receipts were spot checked against entries in the cash receipts records—in all covering approximately five months, and only minor differences were noticed. All recorded cash receipts were traced to deposit in the bank.

Paid checks returned by the bank were compared with the record of checks drawn and scrutinized as to signature, amount, and endorsement.

Accounts Receivable balances of the subsidiary ledger were scheduled and paged by us. Letters of confirmation were mailed on selected accounts having balances December 15, 1955, and only minor differences were reported in replies.

A certificate was obtained that the inventory was accurate and properly taken and that the prices were the lower of cost or market.

The amount of unexpired insurance premiums was computed from available policies and a letter from Mashburn-Cole Agency, Oklahoma City, Oklahoma on the coverage carried by them.

The Accounts Payable were taken from the records and adjustments made for known differences from invoices and statements.

A report is submitted in the statements listed below and the accompanying pages of comments.

Board of Directors

Baptist General Convention

Oklahoma City 3, Oklahoma

Gentlemen:

For the year ended December 31, 1955, I have made an audit of the records of the Grand Valley Hospital, and herein present my report of this audit.

The audit report consists of the following Exhibits and Schedules: Exhibit A: General Fund Balance Sheet as of December 31, 1955.

Exhibit B: Plant Fund Balance Sheet as of December 31, 1955.

Exhibit C: Statement of General Fund Income and General Fund Expense for the period ended December 31, 1955.

Schedule 1: Schedule of Earnings from Routine and Special Services for the period ended December 31, 1955.

Schedule 2: Schedule of Expense for Routine and Special Services for the period ended December 31, 1955.

Schedule 3: Schedule of Depreciation for Blue Cross Purposes. Schedule 4: Schedule of Physical Inventory.

Your attention is directed to the following comments:

The books were in poor shape, especially during the first six months of the year. Inexperience of the office personnel was a very decisive cause of the condition. Improvement was shown during the second half of the year, but the effects of the errors of the first half of the year are reflected in the audit for the year since the first audit only covered through May.

I feel that all cash was deposited in the bank, but I could not verify the income accounts as correct without the time and expense of a Detail Audit. Cash disbursements were accounted for, but in this case also, the indications are that the expense accounts are not entirely correct. I make this statement as it was necessary to subtract \$1,496.68 from the Accounts Payable control account to make it equal the subsidiary. Here again a detail audit of Accounts Payable would be necessary to verify the distribution of expenses.

It was necessary to increase the Accounts Receivable \$862.15 to make the control equal the subsidiary accounts. Confirmation of Accounts Receivable did not reveal any serious errors, but indicated many incorrect addresses on the books.

The Exhibits and Schedules contained in this report were prepared as carefully and accurately as the circumstances would permit. It is my opinion that the Balance Sheets contained in this report present fairly the financial condition of the Grand Valley Hospital as of December 31, 1955. The exact result of the year's operations can not be obtained without a detailed audit of the subsidiary accounts. However, in view of the type of adjustments made, it is my opinion that such an audit would not be worth the cost.

Respectfully submitted,

Carl A. Finke, C.P.A.

ANNUAL OF THE BAPTIST

OKLAHOMA BAPTIST HOSPITAL Muskogee, Oklahoma

February 10, 1956

Board of Directors,

Baptist General Convention of Oklahoma, ...

Oklahoma City, Oklahoma.

Gentlemen:

In accordance with your request, I have made an examination of the financial records of the

OKLAHOMA BAPTIST HOSPITAL

Muskogee, Oklahoma

for the twelve month period ended December 31, 1955, and present my report in the following "Exhibits" and "Schedules":

Exhibit A-Balance Sheet-General Fund.

Exhibit B-Balance Sheet-Plant Fund.

Exhibit C—Analysis of General Fund Surplus. Exhibit D—Operating Statement—General Fund.

Schedule No. 1-Analysis of Gross Earnings From Hospital Service.

Schedule No. 2-Analysis of Hospital Operating Expenses.

Schedule No. 3-Cash on Deposit-General Fund.

Schedule No. 4-Balance Sheet-School of Nursing.

Schedule No. 5-Statement of Cash Receipts and Disbursements -School of Nursing.

Schedule No. 6-Cash on Deposit-School of Nursing.

My examination was made on a semi-annual basis in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and other auditing procedures as were considered necessary under the circumstances.

In my opinion, subject to my comments relating to the limitations of the scope of my examination, this report presents fairly the financial position of the hospital on December 31, 1955, and the results of its operations for the twelve month period ended on that date.

Respectfully submitted, Glenn R. Davis

Certified Public Accountant

COMMENTS

Cash

All cash receipts were compared individually with entries on the general records for cash handled, and proved to be in agreement and properly deposited in the First National Bank and Trust Company of Muskogee, Oklahoma. All cancelled checks returned by the bank were compared with the disbursement record and found to have been properly recorded and signed. A reconciliation of the balance as shown by the bank on December 31, 1955, with the balance as per

books at that date is presented in Schedule No. 3. It was noted that a number of checks issued by the hospital in prior years, amounting to \$505.18, had never been cashed, and were being carried on the records as "Outstanding Checks." This matter was brought to the attention of the Hospital Administrator, and it was decided to cancel these checks on the records since they had not been presented for payment. The necessary entry to accomplish this cancellation was furnished the bookkeeping department and to adjust the "Surplus Account" accordingly.

Accounts Receivable

Patients Accounts Receivable were not verified by direct correspondence with the patient or the person responsible for the payment of the account in connection with this examination. After discussion of this procedure with the Hospital Administrator it was decided that direct confirmation of the accounts would not be practical since a large number of the accounts are covered by hospital insurance and are awaiting payment from that source. Other accounts are for billings up to date on patients still in the hospital, and others are current accounts which will be paid in due time. All past due accounts are being worked daily, and old accounts are placed in the hands of collection agencies. However, the individual accounts in the Accounts Receivable Ledger were proved to be in balance with the Control Account carried for them in the General Ledger.

It was noted that in the month of April 1955, a number of patients' accounts that were old and past due, had been actually charged off the records in the amount of \$11,545.28. These old accounts are being maintained in a separate ledger and some small collections are still being received on them. Since the Reserve for Bad Accounts that had been established on the records as of December 31, 1954 was not large enough to cover the actual charge off of these accounts, it was necessary to handle this net loss as an adjustment to prior years accounts receivable and as a deduction from the General Fund Surplus balance, since it affected prior year operations. A detailed analysis of the adjustment for the loss on bad accounts is presented in Exhibit C, the analysis of General Fund Surplus.

After discussion of the establishment of a current Reserve for Bad Accounts, it was decided that an amount equal to 7% of the outstanding accounts receivable on December 31, 1955, would be sufficient. This reserve in the amount of \$3,426.16 was established on the records and charged against the current year operations.

Other Assets

Supply inventories were accepted as furnished by the hospital staff, compiled and priced from actual physical count on December 31, 1955. These inventories were reviewed and tested for accuracy as to price extensions, but no check as to the physical existence of

items was made in connection with this examination. Inventories were classified as follows:

Drugs, Medicines, and Surgical Supplies12,	765.97
X-Ray Supplies	
Laboratory Supplies1	424.62
Kitchen Supplies 1,	216.05
Linens and Bedding5,	618.96
Housekeeping Supplies	485.95
	434.50
Office Supplies	359.20
Total23,	178.01

Unexpired Insurance was computed from policies available and information on file, and represents the unexpired portion of insurance premiums prorated over the time covered by the policies in force at the closing date of this report.

The item "Returned Check" represents a patient's check in the amount of \$25.00 that had been returned by the bank on account of insufficient funds, and remained uncollected on December 31, 1955.

Accounts Payable

As no record of accounts payable is maintained in the bookkeeping system of the hospital, it was necessary to make a detail listing of all invoices and statements in the unpaid bills file in order to arrive at the amount of Accounts Pavable as of December 31, 1955 as shown on the "Balance Sheet-General Fund." This list of accounts was then analyzed and charged to the proper expense or purchase accounts, thus arriving at the actual operating expenses for the year 1955 as reflected in the Operating Statement Exhibit D. It is recommended that these invoices and bills be recorded currently and charged to the proper expense or purchase accounts, and an individual ledger account be established for each creditor along with a control account in the General Ledger which would reflect the total liability for unpaid accounts at the close of each month. Then, as checks are issued in payment of these bills they would be applied against the Accounts Payable accounts, and expenses would be recorded currently as incurred, instead of as they are paid, as reflected by the present bookkeeping system.

A number of these accounts are past due, and due to lack of funds are not being paid on a current basis.

Accrued Taxes

This item represents the liability on December 31, 1955, for payroll taxes withheld from employees' salaries as well as the employer's portion of F.I.C.A. tax due the federal government at that date.

Surplus

In Exhibit C, I present a detailed analysis of the General Fund Surplus Account, which after giving effect to prior year adjustments, and the addition of the net income for the year 1955, reflects a balance of \$52,790.53.

Plant Fund

In Exhibit B, the Balance Sheet—Plant Fund, I present the values for Land, Buildings, and Equipment as reflected by the books, and also include an analysis of the charges in the fixed property accounts for the period covered by my examination. In accordance with the policy followed in previous audit reports, no provision has been made for depreciation on these fixed properties.

School of Nursing

In Schedules Number 4, 5, and 6, I present a Balance Sheet, Statement of Cash Receipts and Disbursements, and Cash on Deposit for the Oklahoma Baptist Hospital, School of Nursing. These statements provide a detailed analysis of all cash received and disbursed through the various accounts maintained in the school records, and the financial position of the School of Nursing on December 31, 1955.

Resume

In general, all records were kept in good order with the exceptions previously commented upon, and I wish to express my appreciation for the courtesy and co-operation extended to me and my staff by the hospital employees during the progress of this examination.
