Section 2. Each church shall be entitled to three messengers and one additional messenger for every fifty members, provided that no church shall have over ten messengers.

ARTICLE III—OBJECT

Section 1. This Convention shall have no ecclesiastical authority or power whatever and shall never assume to write creeds or to exercise judicial or legislative control over the churches.

Section 2. This Convention is a purely co-operative body and its purpose shall be to furnish a means by which the churches of Christ in their sovereign capacity can work together in promoting all denominational enterprises which they deem necessary in carrying out the Great Commission.

ARTICLE IV—OFFICERS

Section 1.

A. The officers of the Convention shall be a president, a first vice president, a second vice president, a recording secretary, an assistant recording secretary, an executive secretary, a treasurer, and a historical secretary. It is hereby provided that the executive secretary may be treasurer.

B. And that in the event of the removal from the state of the president while in office, or should his death make vacant the office, he shall be succeeded for the remainder of his term by the first vice president.

C. And should either of these contingencies again make the office vacant, the second vice president shall succeed to the remainder of the term.

Section 2. These officers shall be elected annually and shall hold their respective offices until their successors are elected. In balloting, the one receiving a majority of all votes cast shall be declared elected.

Section 3. The duties of these officers shall be those usually required in similar organizations.

Tuesday Afternoon

November 11

At 4:15 p.m. on Tuesday, November 11, after the closing of the Woman's Missionary Union and State Brotherhood Conventions, messengers, visitors and local citizens gathered at our Boys Ranch Town for the purpose of dedicating the Gensman Memorial Cottage. During the program, J. M. Johnson, who gave the land upon which the home is being developed, was introduced and presented a picture of his son Jimmie in whose memory the Boys Ranch Town came into existence.

The Lucia E. Gensman Memorial Cottage was made possible by the will of Mrs. Gensman of Lawton. Senator Robert S. Kerr brought the dedication message, and Dr. H. H. Hobbs led in the prayer of dedication.

6. W. F. Crow, Shawnee, brought the report of the Committee on Foreign Missions, calling attention to major parts of the report. Motion carried for the adoption of the report.

Foreign Missions

"Speak to the children of Israel that they go forward" (Ex. 14:15).

God voiced the direction of Christianity when he spoke to Moses in the above Scripture. God has never led his people into any project where retreat was necessary or advance was impossible. He is with us in mission work so let us "move on."

FORWARD: We are and must continue to go forward in enlisting more missionary personnel. We appointed 109 during 1957 and 26 from Jan. 1, 1958 to May. We have a total of 1,204 in active service. The goal to be reached by Jan. 1, 1964 is 1,750. Today there are almost three billion people in the world at least two-thirds of whom are lost. At the present rate of increase there will be 300 million more by 1964 which is our Baptist Jubilee Year. This increase is faster than the total witness of all Christian forces combined. Are we doing what we can to meet personnel needs?

FORWARD: The personnel cannot be added unless funds are available to send them. The steady increase in receipts in the past is gratifying indeed, but not sufficient for the demand. The board received \$14,352,975.46 from all sources during 1957. The Lottie Moon Offering reached an all-time high of \$6,121,585.14 as of May 1, 1958. The advance funds from the Cooperative Program (75 per cent of funds after conventionwide budget is reached) have increased steadily year by year. The 1957 funds amounted to \$2,445,226.22.

FORWARD: More physical mediums such as buildings for training (churches, hospitals, publishing houses, etc.) are needed for advance. Educational work not only offers opportunities for evangelism, but trains a strong national leadership. There are 836 Baptist schools on the mission fields, enrolling 131,824 students, and served by 4,647 national and 290 missionary teachers. Among the schools are 28 theological schools with 1,119 students and four women's training schools with 254 students.

Medical mission institutions include 14 hospitals and 42 clinics and dispensaries with a total of 102 buildings and 776 beds. They served 221,468 patients during 1957.

Publication plants on the mission fields turned out 8,567,375 pieces of literature during 1957 with 47 missionaries and 350 nationals employed.

In view of these needs your committee recommends:

1. That the 2 plus plan be used in the churches thus channelling at least 2 per cent more of the total church budgets to missions

through 1964. We feel that doing the Forward Program of Church Finance will assure this amount and more.

2. That pastors and workers do all within their power to see that God-called young people in their churches are encouraged in their calling to mission work by counsel and by youth rally attendance.

3. That the churches promote planned emphasis on foreign mission work as much as possible in all their activities.

4. That the church members be encouraged to subscribe to **THE COMMISSION** who are not already taking it, and pray regularly for the missionaries.

5. That we continue to include the entire church family in giving to foreign missions through the Lottie Moon Christmas Offering.

Did you know that 81 people work at the Foreign Mission Board's home office in Richmond, Va. and that these workers will soon enter a new modern office building?

Did you know that the board's magazine, **The Commission**, reported a circulation of 132,759 in December, 1957?

And did you know that during 1957 that Southern Baptists had active resident missionaries in 38 countries of the world?

Respectfully submitted, W. F. Crow, chairman, L. O. McCracken, Carson Everett, R. D. Dodd and C. F. Keim.

7. Francis White, Lindsay, brought the report of the Committee on Home Missions. Motion carried for the adoption of the report.

Home Missions

We are not to think of home missions as being in competition with foreign missions as if the two were on separate levels; but we are to consider home and foreign missions as complementary parts of the one mission program of Christ. Fundamentally, home missions is the expression in the homeland of the same divine urge that causes the disciples of Christ to join forces in sending missionaries to lands afar. Home and foreign missions are the alternate beats of the same missionary heart.

A church denominationally conscious will see the mission work as a unit and seeing the kingdom of God as a whole, will thrust itself into all the activities of its denomination so that every interest making for kingdom progress may have adequate support.

Let America become a leader in righteousness and she will do more toward the restoration of peace, happiness, and prosperity among the nations of the world than she can ever do by force of arms.

That is what the Home Mission Board of the Southern Baptist Convention is working to do. Within its field of service, in every department of its work, the keynote of its activities is the making and baptizing of disciples and the mobilization of the evangelized for world conquest for Christ.

The report which follows will reveal something of the activities of the board as it carried out its mission last year.

The annual report of the Home Mission Board for 1957 showed an income of slightly over \$4 million through the Cooperative Program and the Annie Armstrong Offering.

Our missionaries are doing a wonderful job. We thank God for them! We need more of them. There were 1,723 missionaries, including 452 student summer missionaries who worked for 10 weeks in the summer under the direction of regular missionary personnel. This was a gain of 91 missionaries for the year. Professions of faith through the services of the missionaries numbered 36,464 with 3,569 additions to the churches. In addition, the 425 Southern Baptist chaplains reported 13,534 professions of faith in their services.

Among the new workers added to the missionary staff in 1957 were: Paul S. James, director of Southern Baptist work in New York City; J. V. James, director of work in behalf of juvenile delinquents and broken homes; W. Bertram King, liaison worker among the Baptists in Canada; Victor T. Glass, associate secretary in the department of Negro work; and Billy T. Hargrove, director of church surveys. Dr. C. C. Warren is jointly employed by the Home Mission Board and the Sunday School Board for the promotion of the 30,000 Movement.

The board has made progress on its Third Jubilee goals. In evangelism 1957 was a year of planning for the year of prayer in 1958 and the year of evangelistic crusades in 1959. Also, a survey by Home Board staff reveals the need of 30,000 new churches now and a likely need for 60,000 missions. The goal for this year is "2,888 in '58." Vigorous effort is put forth to increase church loan funds and to keep them in circulation in order to help new churches and strengthen older ones.

The rural church program in three years exceeded the goals set for 10 years. In city missions there were 64 programs in 1957. An enlarged ministry in pioneer areas showed the Home Mission Board serving the state mission boards in a ministry reaching 43 states.

A goal of 1,050 missionaries for minority groups by 1964 has been set. The increase of missionaries in that area has been 169, numbering now 776 missionaries to minority groups. The ministry to migrants, Jews, and the deaf has been intensified and the number of missionaries increased, while in Negro work the budget has been materially increased and the number of missionaries enlarged, particularly in co-operation with state mission boards in the employment of state directors of Negro work.

Schools of missions number some 3,000 annually with a million people reached; more than 300,000 mission study books are circulated annually; and Home Missions has reached a circulation of 175,000, with a goal of 200,000 within the next year.

Dr. Redford suggests "a goal of 2,000 missionaries, and \$1.00 per member from Southern Baptists for the support of home missions by 1964."

Your home missions committee would urge each church to increase percentage giving through the Cooperative Program, acknowledging the sacred trust God has placed in our hands. Pray daily for our missionaries and seek to lead our young people to answer God's call to service.

Respectfully Submitted, Francis L. White, Don Bergeron,
Roy Burkett, Tom Cotten

8. President H. H. Hobbs presented the gavel to Joe Coleman, Tulsa, president of our State Brotherhood organization. Coleman was the presiding officer for the remaining program for the evening.

9. Gene Bartlett had the congregation stand while singing "Amazing Grace."

10. The choir of Olivet Baptist Church, Oklahoma City, furnished special music, singing "How Firm a Foundation," and other inspirational messages in song.

11. Mrs. Albert I. Bagby, missionary to Brazil for some twenty-five years, spoke regarding the progress of our work in Brazil and other South American countries.

12. Dr. Carl Bates, Amarillo, Texas, president of the Baptist General Convention in Texas, brought the closing message of the evening program. His message was about "Our Mission Program." His Bible basis for his sermon was from Jeremiah, Chapter 32.

13. With hearts stirred by Dr. Bates' message and with bowed heads, the first session of the Convention was brought to a close by a choral benediction.

Wednesday Morning

November 12

14. President H. H. Hobbs called the Convention to order at 9 a.m. Bill Littleton, Crestwood Church, Oklahoma City, led in song service singing: "Love Divine, All Loves Excelling," "Hark, the Voice of Jesus Calling," and "Lord, Lay Some Soul Upon My Heart."

15. Dr. C. A. Kennedy, Mayfair Church, Oklahoma City, read from Acts 1:1-8 for our devotional message.

16. L. E. Stith, Harvard Avenue Church, Tulsa, led in prayer for divine guidance and blessings upon the proceedings of our Convention.

17. Dr. Harry M. Roark, Blackwell, chairman of the Program Committee, presented the program of procedure, and motion carried for its adoption, subject to necessary changes that might arise.

18. Dr. J. A. Pennington, Secretary of Brotherhood and Evangelism, introduced the workers in these departments. Jack C. Carroll, assistant to Dr. Pennington, spoke on the subject "Men Advancing Through 1959." Motion carried to adopt the report.

Brotherhood

J. A. Pennington, Secretary

Brotherhood work continues to grow. Percentagewise, this phase of our work has shown the greatest increase on the conventionwide level. The enrolment was increased by 65,891 in 1957 over 1956. This was a growth of 14.8 per cent. In Oklahoma, our enrolment increased 2,279. As of Sept. 15, 1958, 919 churches have reported Brotherhoods.

There are several imperative needs in our Brotherhood work at this time; one is to organize new Brotherhoods; another is to strengthen those now existing. Then, there is the need of enrolling more men in this organization. Possibly, the greatest need is increasing the efficiency of the work done.

In order to do better work we must have better leaders. This can only be accomplished through the training of these leaders. To this end, a leadership training course of at least two nights is suggested for every association. This should be for both Brotherhood and Royal Ambassador leaders. Several associations have already held such meetings. The Brotherhood department would be happy to work with the associational leadership in planning a course of training for the workers of your association.

The second Sunday in October each year is designated as Layman's Day. Oct. 8-11, 1959 is suggested as a Layman's Day Soul-Winning Crusade. Layman's Day is to be followed by "Join-the-Brotherhood Week," Oct. 11-18. It is hoped that every church will see the value of these two events and observe them if at all possible.

We are happy to welcome Jack Carroll as an associate in this department. He will assume large responsibility for the promotion of Brotherhood work. Carroll comes to us with a rich experience as pastor. He has done a good work with his men both at Oak Avenue, Ada and First, El Reno.

On Jan. 1, 1957, the Royal Ambassador work was transferred to the Brotherhood Department. Under the fine leadership of Bob Banks this work has shown remarkable growth. Seventy new Royal Ambassador chapters have been reported since Oct. 1, 1957, making a total of 792 chapters. There were 31 teams and 438 boys participating in the Royal Ambassador baseball program which was initiated this spring. This should help to promote Royal Ambassador work in the churches, associations and state.

All of our associations, except two of the Indian associations, are organized for Brotherhood work.

The goal for 1959 is 90 new Brotherhoods.

In order that our men of Oklahoma may more efficiently serve the Lord through their churches and be better informed as to the work of our denomination, we would recommend:

1. A Brotherhood organization in every church, making regular monthly reports to the associational Brotherhood president.

2. That consideration be given to the four major areas of Brotherhood work in planning the program of work for the Brotherhood. These areas are:

(1) **EVANGELISM**

—Cooperative witnessing through the simultaneous revivals and the 30,000 Movement.

(2) **COOPERATIVE PROGRAM**

—Studying world missions.

(3) **ROYAL AMBASSADORS**

—Completing associational organization.

(4) **STEWARDSHIP**

—Tithing.

3. That each associational Brotherhood be thoroughly organized according to the plans which will include an associational leader for Royal Ambassadors and a Royal Ambassador committee. We continue to urge the associational presidents to make quarterly reports to the associational executive board and to the state Brotherhood secretary; also, that the dates and places of meetings for the quarterly associational Brotherhood rallies be planned immediately and included in the calendar of activities for the association.

4. We urge the fullest co-operation on the part of our laymen, pastors, and all members of our churches in the promotion of the state Royal Ambassador congress, Feb. 27-28, 1959, to be held in First Church, Tulsa.

19. Dr. H. Truman Maxey, Superintendent of the Department of Child Care for our Convention, introduced a number of the workers in the Children's Home and Boys Ranch Town. A group of the children from these homes were brought to the platform. They came from various cottages on the campuses of these homes. Ray Ballew, a former resident of the Children's Home, now teacher of music in the Grant High School of Oklahoma City, sang "I Walked Today Where Jesus Walked." Motion carried to adopt the report.

Child Care

H. Truman Maxey, General Superintendent

Introduction

Now for two years, the Department of Child Care of the Baptist General Convention has functioned looking after the care of children for Oklahoma Baptists. Residential care has been given through the two institutions, as well as a great deal of family counseling for

children with problems, who were helped but who were not received. The Baptist Children's Home and Boys Ranch Town are two distinct groups, living about 12 miles apart.

Over-all administration of these institutions, operation of an office staff for related business, the promotion for income purposes, and the activity of a social work department all come under the management of the Child Care Department.

Boys Ranch Town

May 3, 1958 was the formal opening of the Lucia E. Gensman Memorial cottage and Nov. 11, 1958, the official dedication. This made possible a capacity for 41 in Boys Ranch Town. Sept. 1 there were 31 boys enrolled as citizens. In the past 12 months, 17 were received and seven released.

Following the policy of last year, a direct mailing to business people of all faiths in Oklahoma, similar to other appeals by Boys Towns, homes and ranches, will be made during the first part of November. Boys Ranch Town has great need for some asphalt paving, an administration building, water storage facilities and shop building. The next new cottage has been promised by Mrs. R. C. Howard Sr., and Mr. and Mrs. R. C. Howard Jr., as a memorial to Dr. R. C. Howard Sr. Boys Ranch town has a good start but it needs your prayers and financial help.

Baptist Children's Home

Oklahoma Baptists love children as is demonstrated by 55 years of operation of their Children's Home with 1,904 having enrolled in that time.

During the past 12 months, 60 children were admitted and 57 released, giving a total enrolled of 187. Nine graduated from high school. One of our graduates has been licensed to preach and is now enrolled in OBU. Two graduated from nurse's training schools at Muskogee and Enid and are now working. One is at Ardmore and the other at the Baptist hospital in Pryor.

The home will rely upon the Birthday Offering, the Egg Offering at Easter, and the Thanksgiving Offering in October. Some churches have included the work in their budget, also there is a modest allocation received from the Cooperative Program. Buildings needed are laundry, shops, library, gymnasium and playground facilities.

The scheduled food trip offering has been discontinued with the resignation of Jay E. Dixon. M. Judson Cook will continue his work as field secretary. It is hoped that many churches will continue to make plans for food and commodity gifts. M. Judson Cook and Dr. H. Truman Maxey will be available for speaking and preaching engagements for any church or association in Oklahoma.

Conclusion

With the increased number in Boys Ranch Town there must be increased income. The board of directors recommend a \$15,000 increase in Cooperative Program allocation to the Department of Child

Care for 1959. We urge every church to have a definite plan for the support of the entire benevolent program.

20. Forrest Warren, Bartlesville, presented the report on Religious Literature and motion carried to adopt the report.

Religious Literature

Baptists have at their fingertips today literature which is a bulwark to the Christian home, and a guide to Christian living. Attractive, wholesome religious literature is essential to supplant evil types that flood American markets and gnaw at all that is good and right.

The **Baptist Messenger** going into every home is a worthy objective for Oklahoma Baptists. Each week it informs, challenges and inspires those who read its pages. Churches do well to provide for its distribution to their members through the individual church budget. We would commend the **Baptist Messenger** staff for an excellent job in presenting the Baptist message to Oklahoma Baptists. Its support of all agencies and institutions of Baptist work, together with its faithful presentation of doctrinal causes, make it vital to place in the homes and hands of Baptist church members.

Baptists can be proud of the quality of many types of religious literature made possible by the Sunday School Board. These are keyed to every age level and need. **Home Life**, distributed by this board, is a stabilizing influence in Christian homes today. Baptist Book Stores in Tulsa and Oklahoma City are sources of every printed need for Oklahoma Baptists. They render a faithful service to Oklahoma churches. Baptists must endeavor to see that every member is guided to a richer, and fuller life in Christ through proper religious literature.

Respectfully submitted, Forrest Warren, chairman; George McDow, Dick Robinson and J. T. Roberts

21. Dr. Jack Gritz, Editor of the **Baptist Messenger**, spoke regarding the importance of the printed message found in our Baptist papers and other Baptist printed materials.

22. Dr. Auguie Henry, Executive Secretary-Treasurer of the Baptist Foundation of Oklahoma, introduced the workers in the Foundation office. Dr. Henry called attention to specific portions of the Foundation's annual report and discussed them in detail.

The work of The Baptist Foundation of Oklahoma is so large in scope that it is not possible in a report like this to cover all of the details. Neither is it possible to fully evaluate a report of the Foundation that has to do with visible results. In our judgment, the most important, visible results are not in the current receipts, but in the trusts and wills that have been written which will come to fruition in the future and which eternity alone can reveal what they will mean to Baptist causes. In addition, who can evaluate the many services of the Foundation to individuals, churches, institutions and agencies? The work of the Foundation consists of several phases, including:

General Administration

The executive secretary has a staff of six full-time workers. These include the assistant executive secretary, field secretary, three office secretaries and an accountant. Others, like the attorney, tax specialist, broker and auditor, work on a fee basis. Because of its continual and rapid growth, because of the demand for its many services and because of the several specialized and technical fields in which it must work, the Foundation must continue to enlarge the staff with dedicated, trained and capable personnel.

Estate Planning and Assistance to Donors

The Foundation does estate planning and assists donors in making gifts in various ways to the Foundation for Baptist institutions and agencies in Oklahoma, and for causes of the Southern Baptist Convention. According to available information, the Foundation is doing more estate planning than any other organization in Oklahoma. During 1957, we did the estate planning for and assisted attorneys in preparing 164 wills and trusts with the Foundation named as trustee for Baptist agencies and institutions. From Jan. 1 to Sept. 30, 1958, estate planning has been done for and assistance given in the writing of 153 trusts and wills, in which the Foundation is named as trustee for Baptist causes.

During 1957, receipts totaled \$1,056,051.97. From Jan. 1 to Sept. 30 of this year, the receipts were \$431,346.43. During 1957 \$779,026.74 was paid to the convention, to institutions and agencies as endowment income, for buildings, and miscellaneous items. During the first nine months of this year \$256,507.94 has been paid to the convention, the institutions and agencies. The Foundation's assets on Sept. 30, 1958 were \$2,609,371.47.

Since the establishment of the Foundation, total receipts have been \$5,452,571.62.

We anticipate that the receipts during the last quarter of 1958 will be sufficient to bring the total receipts for the year to \$750,000. Because of the nature of some of the Foundation's receipts, such as certain living trusts and bequests by wills, the receipts will fluctuate from year to year. However, we are pleased over the increasing number of donors who have contributed to the Foundation during the first nine months of 1958. We just did not have as many big gifts during this period as we have had during the same period in previous years.

At the 1954 convention, we announced that Senator Robert S. Kerr had made a commitment of \$250,000 to the Foundation for OBU endowment, to be paid by 1960. We are pleased to announce that Senator Kerr has just made a commitment of an additional \$250,000 to the Foundation for OBU endowment, the total amount of one-half million dollars to be paid to the Foundation by the close of the year 1963.

We are greatly encouraged by the interest that is being manifested by a goodly number of people regarding the endowment needs of Baptist institutions and agencies. Every Baptist leader, pastor and church member should be concerned about the endowment needs of these causes. These institutions in Oklahoma need ten million dollars for endowment right now, not counting the endowment needs for Southern Baptist causes. Our institutions and agencies must have sufficient endowment to adequately supplement what can be given to them from the Cooperative Program.

On May 3, 1958, the Gensman Memorial Cottage at Boys Ranch Town was dedicated. This cottage, costing \$107,972.38, was made possible by a bequest to the Foundation of \$80,819.19 from the will of Lucia E. Gensman, Lawton, which was increased to \$85,552.21 by the investment program of the Foundation.

On Nov. 1, 1958, the first wing of the Golden Age home at Hugo was opened. The land for the Golden Age Home, consisting of 68 acres, was deeded to the Foundation with a trust agreement in 1956. The gift was made by Mr. and Mrs. William Baskett for a Golden Age Home, to be owned and operated by the Baptist General Convention of Oklahoma. The Basketts, who live near Antlers, made the gift in their names and in the names of Mr. and Mrs. Tom Baskett. Tom Baskett is a deceased brother of William Baskett.

We are pleased to announce that Mr. and Mrs. R. C. Howard Jr. and Mrs. R. C. Howard Sr. have made a substantial gift to the Foundation during 1958 on their commitment for a cottage at Boys Ranch Town, which they plan to build sometime in the future in memory of Dr. R. C. Howard Sr.

In addition to the R. C. Howard Sr. memorial cottage, building funds were received from Jan. 1 to Sept. 30, 1958, for the following institutional buildings: Baptist Memorial Hospital, Oklahoma City, \$90,553.94; OBU chapel, \$76,306.12. Building funds for any Baptist institution can be paid through the Foundation.

During 1957 and up to September 30, 1958, the following estates were closed from which the Foundation received bequests for Baptist causes as follows:

Administration of Trusts

This phase of the work includes the managing, safeguarding and investing of endowment and other trust funds, and the management of real properties. Building funds for the institutions are placed in trust with the Foundation to be safeguarded and invested until they are used by the convention and institutions in building programs. The income from the investment of building funds is added to the corpus or principal.

The Foundation has the responsibility of investing all trust funds of the convention and of the institutions and agencies owned and operated by the convention. It also invests endowment funds for institutions and agencies of the Southern Baptist Convention. The net per cent of income on all investments during 1957 was 4.48 per cent. In addition, the Foundation serves as trustee for minors and other loved ones of people who have contributed to the Foundation for Baptist causes.

The Foundation has come into possession of considerable real properties, including business buildings and farms. This property must be looked after continually. Leases must be made, the property kept in good repair, adequately insured, and rental payments collected.

A number of student loans have been set up in trust with the Foundation, with the stipulation that they be operated by the Foundation. These include: R. C. Miller Loan Fund, for students attending OBU; Naomi Cate Thomas Loan Fund for students attending OBU;

Lucy Talley Wicker Memorial Loan Fund, for ministerial (junior and senior) students attending OBU; Delaware-Osage Associational Loan Fund, for students from that association attending OBU; John and Lucile Shinaberger Loan Fund, for students attending OBU; Dr. David Fried Loan Fund, for students attending a Baptist school of nursing; Dr. W. Scott Williamson Memorial Loan Fund, for students attending OBU; Ernest H. and Bessie R. Smallwood Loan Fund, for students attending a Baptist school of nursing in Oklahoma; Divonis Worten Memorial Loan Fund, for ministerial (junior and senior) students attending OBU; and the D. N. Caulk Loan Fund, for Negro students.

Also, OBU scholarship funds have been set up in trust with the Foundation. Those in operation at the present time include: E. C. Routh Memorial Trust and C. H. Bentley Trust, the income to be used for ministers attending OBU summer school for preachers; Mary A. Kirk Memorial Fund, for students; Mr. and Mrs. C. M. Keys Memorial Fund, for foreign students; Herbert H. Howard Trust, for students from Central Church, Lawton; W. D. Moorer Memorial Fund, for ministerial or foreign mission volunteer students; J. A. Trent Memorial Fund, for pre-medical students; Alice Routh Memorial Fund, the income to be used as awards given annually to OBU students for the best missionary essay; Olivet Church and Trinity Church, Oklahoma City, for students from the respective church.

From time to time individuals and churches have contributed the regular \$250 OBU scholarships through the Foundation, that are disbursed according to the directions of the donors.

Administration of Church Building Loan Trust Fund

Church building loans is one of the several media of the Foundation for the investment of endowment and other long-term trust funds for institutions and agencies. The income from the investments of institutions and agencies' endowment funds in church loans is paid to these causes, just like the income from other investments. Because of the amount being invested in church loans and because the Foundation Board has a special committee for the consideration of church loans, we think of this medium for investments as being a special phase of work.

The Foundation has a policy that as much as 50 per cent of undesignated endowment gifts may be invested in church building loans, when there is no objection by the donors. We have been pleased because of the large number of donors who prefer that their gifts be invested in church building loans. This means that their gifts will be doing double work for the Lord—endowing an institution or agency and helping build church buildings. Some donors have set up trust funds for the church building loan trust fund, per se. The need for church building loans is tremendous and we are pleased that the Foundation can meet this need to a certain extent. We believe that the day will come when the Foundation will be able to

meet any church loan need in Oklahoma, whether it will be for buildings, re-financing, or otherwise. Since June of 1954, when the first church loan was made, 93 loans have been committed for \$1,452,400. During the first nine months of 1958, eight loans have been committed for a total of \$186,000. Fourteen loans have been closed during 1958 for a total of \$294,559. There are several loans that have been committed which will be closed just as soon as the buildings are completed.

Promotion

The work of the Foundation must be promoted just as the work of any other convention agency or department. It is important that Oklahoma Baptists be informed about the services of the Foundation to individuals, to churches, to institutions and agencies. Further, they need to know of the endowment and capital needs of the institutions and agencies and how they can best meet these needs through the Foundation. We present some of the ways by which the work is being promoted.

1. The executive secretary, assistant executive secretary and field secretary preach in pulpits on Sundays. Before the sermon, a few moments are given to explain briefly the work of the Foundation. Printed folders are distributed to those in the service. These three representatives speak at various types of group, church, associational and state meetings.

2. In addition to the regular state and associational organizations, the Foundation promotes through its advisory council, which is composed of leading pastors and lay members of churches, and through the associational and church Foundation representatives.

3. September is "Foundation Month" in the calendar of activities of the state and Southern Baptist Conventions. A special effort is made during this month to inform the people regarding the work of the Foundation in general.

4. January is "Make-Your-Will Month" in the calendars of activity. Special effort is made to inform the people regarding wills and how one can give by will to the Foundation for Baptist causes.

5. Attractive folders on various aspects of the work have been printed and are available for distribution to individuals and in churches. Thousands of letters are written each year regarding the work of the Foundation.

6. Plaques are presented to churches to be displayed in the church building giving the number of members in that church who have contributed to the Foundation by living trusts and gift annuities for Baptist causes, or who have written their wills; leaving bequests to the Foundation for Baptist causes. The names of the donors are kept strictly confidential and only the number of donors is displayed on the placard.

7. The "Implementing the Forward Look Program" has been a very effective means for the promotion of the work of the Foundation. Eight Sundays were given to the churches of Tulsa Association

during 1958, during which time there was a representative of the Foundation in every pulpit of the association. Eight Sundays will be given to the churches of Oklahoma County Association during 1959 and one Sunday to the Kay Association. This program has already been presented in a number of the associations in different sections of the state, with excellent results. It is hoped that in time every association within Oklahoma will sponsor this program. In addition to the Foundation personnel, Dr. T. B. Lackey, Dr. W. E. Grindstaff, the institutional, agency and departmental heads have co-operated in this program by speaking as representatives of the Foundation.

3. We recommend that the state, associational and church leaders do everything possible in co-operating with the Foundation toward reaching the following goals during 1959:

(1) Total receipts for endowment and capital funds, one million dollars.

(2) Do the estate planning for and assist attorneys in writing 200 trusts and wills.

(3) Write 75 gift annuities.

23. Dr. Auguie Henry presented the following resolution; and Dr. Herschel Hobbs referred it to the Committee on Resolutions for study and recommendation on Thursday.

Resolution

WHEREAS, The Baptist Foundation of Oklahoma, an agency of the Baptist General Convention of the State of Oklahoma, is authorized to receive and administer endowment or trust funds for the benefit of Oklahoma and Southern Baptist institutions and agencies and is supported by the Cooperative Program, and

WHEREAS, the Southern Baptist Foundation, an agency of the Southern Baptist Convention, is authorized to receive and administer endowment or trust funds for Southern Baptist institutions and agencies and is likewise supported by the Cooperative Program, and

WHEREAS, the services rendered by the said Foundation are the same, and the continued advertising of services and solicitation of information and funds by the Southern Baptist Foundation in Oklahoma constitutes an unnecessary duplication of services already being rendered by The Baptist Foundation of Oklahoma, and tends to disrupt the fellowship and good will that should prevail between the Southern Baptist Convention and State Convention organizations, and

WHEREAS, the continued support of the Southern Baptist Foundation with Cooperative Program funds for operation in Oklahoma where The Baptist Foundation of Oklahoma is already functioning by authority of the Baptist General Convention of the State of Oklahoma constitutes an unnecessary expenditure of vital mission funds at a time when such funds could be used far more advantageously in other areas of Southern Baptist work,

NOW, THEREFORE, BE IT RESOLVED by the Baptist General Convention of the State of Oklahoma in annual convention assembled at Oklahoma City, Oklahoma, between the dates of November 10 to 13, 1958, that the Southern Baptist Convention be requested, for the reasons aforesaid, to instruct the Southern Baptist Foundation not to advertise its services or solicit information or gifts in any form in the State of Oklahoma, and

BE IT FURTHER RESOLVED, that the Southern Baptist Convention be requested to instruct the newly created Stewardship Commission of the said Convention to promote the program of state Baptist Foundations on a Convention basis, giving proper recognition to the requirements and needs of both Southern Baptist Convention institutions and agencies and State Convention operated institutions and agencies.

BE IT FURTHER RESOLVED, That a copy of this resolution be dispatched to the president and secretary of the Southern Baptist Convention, the chairman and secretary of the Southern Baptist executive committee, and the chairman and secretary of the Survey Committee of the Southern Baptist Convention.

DATED this 13th day of November, A.D., 1958, at Oklahoma City, Oklahoma.

24. J. C. Segler, Crown Heights Church, Oklahoma City, presented the report concerning the work of "The Southern Baptist Relief and Annuity Board." Fred W. Noe, Dallas, Texas, treasurer of the Relief and Annuity Board, spoke to the report.

Motion carried for its adoption.

Relief and Annuity

In its 40 years of service to the denomination, the Relief and Annuity Board has come a long way in an endeavor to meet the needs of aged ministers and ministers' widows. Since its organization, the board has paid out more than \$20 million in annuity benefits and over \$6 million in relief. At the close of 1957, more than 5,000 retired or disabled ministers and denominational leaders and widows were receiving these benefits.

Membership in all the board's plans increased by 2,454 during 1957. At the close of the year, 16,775 pastors, denominational employees and full-time church workers were participating in the plans, with nearly 20,500 churches, boards and agencies co-operating.

There are approximately 9,000 pastors enrolled in the board's protection program. This number represents about 35 per cent of the total pastors in the Southern Baptist Convention. In order for the family protection and retirement program administered by the Relief and Annuity Board to fulfill its purpose, it must include the entire Baptist ministry. Many state conventions have already agreed to work with the Annuity Board, using every possible means to enlist the remaining 65 per cent. Some conventions have begun a promotion campaign asking the churches to assume the full cost and provide this retirement and protection program for their pastor just as industrial concerns do for their employees. It is hoped that other states will soon follow their example and that churches will see their responsibility toward their pastors in this matter and take the initiative in providing this protection program for them.

Investment Program

As the retirement fund reserves of the Relief and Annuity Board increase, the work and importance of the Investment Department increases too. The director and assistant director of this department, assisted by capable Christian businessmen of Dallas, work untiringly to invest these funds in the way that will bring the safest return.

As a part of this investment program, the board is constructing a 15-story office building in downtown Dallas, which is scheduled for completion in late spring of 1959. In addition to being an investment, the building will answer the need of additional operational space for the Relief and Annuity Board organization which has increased from 74 employees in 1955 to approximately 100 at present. Two floors of the building will house the offices of the board and

the remaining space, 108,769 square feet, will be leased to bring an expected return of 4 to 5 per cent.

25. Dr. T. B. Lackey, Executive Secretary-Treasurer of the Convention, presented the report of the Board of Directors. Disposition of the report was deferred for vote until Thursday afternoon. See Paragraph Number 117 for final action.

26. Dr. T. B. Lackey presented the following recommendation, and motion prevailed for its adoption.

We recommend adoption of a plan for construction of the Memorial Chapel, OBU, in three stages: (1) the foundation and basement, (2) the walls and roof, and (3) the completion of interior and equipment.

We further recommend that the trustees be authorized to begin construction as soon as sufficient funds are available to complete the foundation and basement, and to proceed with the second and third stages as funds are made available.

27. Dr. Max Stanfield, Putnam City, presented the following recommendation of the Board of Directors and motion prevailed for its adoption.

"Whereas, the Baptist General Convention of the State of Oklahoma has never wavered the slightest in its opposition to the sale, legal or illegal, of alcoholic beverages, and

"Whereas, the United Dry Association of Oklahoma of which we are a part, has made the following request, 'It is moved because more time is needed carefully to consider a person for Executive Secretary and since we are confronted with the possibility of an election on repeal of prohibition, that, firstly, the Board of Directors of the United Dry Association postpone the election of an Executive Secretary and seek a leader to direct a campaign to maintain constitutional prohibition in our state and to create support for adequate prohibition laws and the enforcement of them; and, secondly, the Executive Committee having given studied consideration to these possibilities and having conferred with leaders of several church bodies, in view of the committee's findings, that we unanimously request the Baptist General Convention of Oklahoma to release

temporarily Dr. Samuel W. Scantlan, Superintendent of Rural and City Missions in Oklahoma, to be Acting Executive-Secretary, whose specific duty is to lead a Citizens' movement to keep Constitutional prohibition and to strengthen enforcement; thirdly, that we respectfully request the Baptist General Convention to pay Dr. Scantlan's salary during this release for this service; fourthly, that we invite and urge all church and other groups who will support prohibition as set forth in our State Constitution to participate in this movement,' and

"Whereas, we would expect as a people to throw our whole strength into any fight opposing repeal of our constitutional prohibitory laws against alcoholic beverages,

"BE IT THEREFORE RESOLVED by the Board of Directors of the Baptist General Convention of the State of Oklahoma that we recommend to the Convention as a part of our report the following action in reply to the above request:

(1) "That we accept as a compliment to our ministry that one of our leaders should be singled out to lead a movement of such importance to all of us and our families, and

(2) "That we release Dr. Samuel W. Scantlan to serve as a temporary executive-secretary of the United Dry Association specifically to lead a campaign against repeal, if such a battle is joined, for a period not to exceed six months, and

(3) "That we continue to pay his salary and ask him to continue to give the most essential direction to his office, and

(4) "That we urge the Board of the United Dry Association to begin immediately to seek a permanent executive-secretary to assume at least the administrative duties of the United Dry office, and

(5) "That we pledge to Dr. Scantlan our whole-hearted support and our constant prayers as he leads in this battle for the right, and

(6) "That we earnestly request all other interested groups, both in and out of the United Dry Association, to give proportionate leadership and financial assistance to this campaign against repeal."

28. Time having arrived for the preaching of the annual convention sermon, Dr. Harry M. Roark, pastor of First Baptist Church, Blackwell, was introduced as the preacher of the annual sermon.

29. Jack Rose, Minister of Music, First Baptist Church, Bartlesville, sang "Oh, Master Let Me Walk With Thee."

30. Dr. Roark used Philippians 2:5-11 for the scriptural basis for his message. The sermon subject was "The Matchless Christ." It was a soul-stirring, heart-warming sermon about the person, work, and mission of Jesus and the work assigned to his followers.

31. Dr. Roark closed the morning service with prayer.

State WMU Officers

The 17 state Woman's Missionary Union officers have served well in many places during the year, 12 having given three weeks in succession in 14 district WMU conferences to help prepare local officers for the new year. Some have served generously in camps, rallies, assemblies and clinics, far beyond the call of duty in their office. Eight state officers attended Glorieta WMU Week for training.

Associational WMU Officers

The 38 associational WMU presidents with their associational officers have served well as the vital connection between state and local WMU officers. All but one president reported to the state each

quarter, except one for one quarter, the work of organizations in their association. Thirty-six associations held quarterly rallies with simultaneous conferences. Total attendance the three quarters was 11,429 women. One mission study institute was held in 29 associations, and 21 of these 29 held two institutes. Attending these institutes were 3,072 mission study teachers who learned how more effectively to present mission books.

Local Officers

The local WMU officers are the ones closest to our church women who because of state and associational meetings serve with better understanding. We now have listed 1,007 missionary societies, 103 Indian and 904 others. There were 46 new WMS organizations during the year but these were cut down by 56 societies failing to function during the year before. This makes a net loss of nine societies. We are distressed over this. Seven hundred and three societies reported a membership of 27,625, exclusive of Indian societies whose report is given elsewhere.

There were during the year 32 new YWAs, 79 new GAs and 58 new Sunbeam Bands, the total youth organizations now being 2,209 or a total of 3,216 WMU organizations. This is a net gain of 141. Two concerns should be ours: the number of churches in Oklahoma with no missionary society and the number of societies fostering no youth organization. There should be three to five or more youth organizations for each society and the average is only two.

World Awareness

Awareness of a world in need of Christ can be brought about by reading mission periodicals and mission books. Subscriptions to **Royal Service** for women equals 9,607; to **The Window of YWA**, 879; to **Tell** for girls, 3,358; and to **Sunbeam Activities** for leaders 1,141. Since the goal for 1958-59 is that subscriptions to each magazine equal 55 per cent of the membership, there is a real challenge to increase subscriptions to all mission periodicals. Total number of books studied for the nine months by WMS members was 1,928 with 8,253 reading at least one approved book in that period.

An Era of Prayer

Women of Oklahoma enter this new WMU year with a sense of dedication to serve missions. This year is the first of five years leading up to the Third Jubilee of organized Baptist life on the North American continent. Goals for the basic Aims of WMU have been set for our state organization and societies are accepting the challenge of suggested goals on the local level. Each of the five years will be known as a year of prayer and the whole period as an era of prayer. A feeling of urgency is already gripping our women as they are entering into an enlarged prayer life. The motto for 1958-59 is "Day by Day for the World I Pray." This past year 75 per cent of our

societies observed the Foreign and Home Mission Weeks of Prayer, and 61 per cent observed the State Mission Season of Prayer.

Christian Witnessing

The convention emphasis for 1959 is evangelism. Woman's Missionary Union's term for that in our Aims for Advancement is Christian witnessing. A book, **Christian Witnessing** is being written for study in circles and societies during June, July and August. Soul-winning visitation will be promoted with unusual fervor as well as pre-revival prayer meetings in the home. Many activities were entered into this past year by 572 missionary societies, 130 Young Woman's Auxiliaries, 704 Girls' Auxiliaries, and 235 Sunbeam Bands. Every effort next year will be turned toward soul winning. Of the 572 societies participating 460 reported soul-winning visitation.

Stewardship

Of the 27,625 reported WMS membership, there were 22,677 who contributed regularly through the Cooperative Program of their churches. Tithers reported numbered 12,963, or 47 per cent of the enrolment. The Lottie Moon Christmas Offering for 1957 reached \$241,542.48. The 1958 Annie Armstrong Offering was \$63,842.77. The 1957 Edna McMillan Offering came to \$35,630.90. The 1958 state mission offering is still being remitted from the churches and as of Oct. 15 it had reached \$26,888.05.

We are earnestly praying the \$50,000 goal will be met this year.

Training Youth in Missions

The Sunbeam Band work is progressing in its new and much improved plans. The division of the bands into better age groups is gaining ground with only 218 bands still ungraded. The Sunbeam Nursery program is taking hold gradually, with 73 Sunbeam Nurseries reported with an enrolment of 837. The eight-year old program is receiving special attention.

Besides the regular activities of GA and YWA on the church level, leading these members into missionary programs, activities, Forward Steps with coronations, Citations for YWAs in their individual and extra activities, there are many statewide meetings for the inspiration of these groups. In the spring three Intermediate GA and two YWA conferences were held; 615 Intermediate GAs attended and 462 YWAs.

In the summer at Nunny-Cha-ha five GA camps were held and one YWA camp. Enrolment at YWA camp was 140 and for the five GA camps, 1,109. Seventy-one girls answered the call to mission service, 16 were saved and 266 made decisions of some kind for Christ. Three missionaries served at each week of these camps.

At the three weeks of assembly at Falls Creek, WMU provided teachers for 60 mission classes in which were enrolled 4,060. Twenty missionaries served from one to three of the weeks.

WMU State Meetings

Two state mission study institutes were held; for foreign missions 228 attended, for home missions 250 attended.

Fourteen district WMU conferences enrolled 4,166 WMU officers in the 12 simultaneous conferences held both morning and afternoon each place.

The meeting at Lake Texoma for business women to receive missionary inspiration registered 298.

The state conference for promotion at Nunny-Cha-ha in August for associational officers enrolled 179 from 32 of our 38 associations.

Into the state for some time during June, July and August, Woman's Missionary Union brought 46 missionaries to serve 119 engagements, state, associational and regional camps, assemblies and rallies. In the 24 associational camps thus served, reports showed 3,171 were enrolled. In the 41 rallies, councils and federation groups, these missionaries reached 2,891. In all these summer meetings offerings for missionaries amounted to \$1,034.20. Other facts of great interest about these meetings are: 59 were saved, 68 volunteered for mission service and 41 for special service.

Conventionwide Meetings

Oklahoma, as we do every year, had our full quota of delegates, besides many visitors, to the Woman's Missionary Union annual meeting in Houston.

Glorieta attracted women and YWAs for their special weeks; 171 Oklahomans registered for WMU Week and 41 for YWA Week.

Leadership Training

In the one statewide youth leadership course and in the 22 associational schools, 743 youth leaders took the eight hours of class work. Of these, 564 followed through with the necessary reading and writing and received from WMU, SBC, their Card of Accreditation.

Other State Chairmen's Work

The ministries chairman of WMU promoted six areas of ministries' chairmen's meetings early in the year. A total of 456 attended, including 109 local chairmen and 23 associational chairmen.

The Child Care chairman promoted attendance at the Child Care conference at the Children's Home with 10 associations represented by their chairman.

The Christian education chairman promoted attendance at the meeting for associational chairmen of Christian education at OBU last fall. Fifteen associations were represented.

The seminaries representative contacted all girls seeking scholarships to seminaries, processing their applications. She met with the scholarship committee in May at which time scholarships were granted six students to Southwestern, two students to Carver School, and four

Indian girls to OBU. From a designated fund two senior students in the OBU School of Nursing were granted a scholarship.

Nunny-Cha-ha

Nunny-Cha-ha has now been used for the third summer. We are grateful for the facilities that we have. However no building was built this past year because the payment on the dining room had to be finished. The road was blacktopped by the convention. This we gratefully acknowledge. WMU had to have a rift in the large building mended and made some improvements such as screens on the cabins and drinking fountains on the grounds.

Cooperative Program

WMU expresses thankfulness for the \$44,000 support of the convention through the 1958 Cooperative Program. WMU serves as auxiliary to the convention with our efforts and great concern being for the promotion of missions.

38. Dr. Porter Routh, Executive Secretary of the Executive Committee of the Southern Baptist Convention, was introduced and spoke on the subject "These Go Together."

39. Dr. Samuel W. Scantlan, Superintendent of the Rural and City Mission work in Oklahoma, spoke on missions in Oklahoma.

Dr. Scantlan made the following presentations:

Jake Jernigan, pastor, received the plaque for the Rock Creek Church, Shawnee, as the "Rural Church of the Year."

Marion H. Childers, Hopewell Church, Central Association, was designated the "Rural Pastor of the Year."

W. P. Mugg was honored for his ten years of missionary work in Oklahoma. Mugg is now serving in the Arbuckle Association.

Motion carried to adopt the report.

Rural and City Missions

Sam W. Scantlan, Superintendent

"I (we) must work the works of him that sent me (us), while it is day: the night cometh, when no man can work" (John 9:4).

One is embarrassed to claim much for himself in the report when a task has been carried out by so many people and the accumulated results are so great. The work done by the superintendents of associational missions can never be written in full because much of the good accomplished is never known and cannot be reduced to words.

The Department of Rural and City Missions has some part in everything that Oklahoma Baptists do in all phases of their work. And, whether it is building church houses, putting on training schools, directing schools of missions, simultaneous campaigns, raising money,

etc., the superintendent of associational missions is usually at the very center of the effort.

Two years ago the Southern Baptist Convention started the 30,000 Movement to establish 10,000 churches and 20,000 missions by 1964. The Southern Baptist Convention, the state convention, the association and the local church all have a part in this great endeavor. Sam W. Scantlan was asked to serve as state director. July 1 closed the first two years of this program. There have been 39 new churches constituted and 101 new missions started in Oklahoma. Following are some interesting figures by associations:

Summer School for Preachers

The Summer School for Preachers, held each summer at Oklahoma Baptist University in Shawnee, is one of the most profitable and far-reaching things we do for our leadership. The interest in the school at the university is certainly gratifying. Some of the best teachers in the land are brought in to teach in the school.

This last summer the faculty was Dr. W. A. Carleton of Golden Gate Seminary; Dr. T. T. Crabtree, pastor, Immanuel Church, Tulsa; Dr. T. B. Lackey, executive secretary-treasurer of the Baptist General Convention of Oklahoma, and Miss Margaret Hutchison, executive secretary-treasurer of the WMU of Oklahoma.

There were nearly 80 enrolled and Dr. John W. Raley, president of OBU, has been kind enough to say that the Summer School for Preachers is one of the finest things they do at the university.

Student Summer Mission Program

Twelve choice Baptist students from six states came to Oklahoma's needy mission fields last summer (as they have for many summers in the past) and strengthened the hands of the superintendents of missions in the associations where they serve. The following gives their names and where they worked:

Name	Association
Zelda Lois Bate	Northwestern
Arlie Eugene Lile	Tulsa
Margie Jean Day	Latimer
Margaret Ann Boulton	LeFlore

Achievement Program

Again this year awards will be presented for the rural church of the year and rural pastor of the year. Winners of these awards will be announced and recognized in this convention session.

Rural Church Conferences

The third annual rural church conference met Feb. 6-7 with Immanuel Church, Shawnee. There were 201 registered. C. T. Perkins was elected president of the conference. The next conference will be held Feb. 23-24, 1959, with First Church, Woodward. The conventionwide rural church conference in Memphis, Tenn., last February was well attended and there were many from Oklahoma.

Church Architecture

Through the helpful guidance of the Sunday School Board of Nashville, Tenn., this department has been able to assist several churches in securing good architectural advice when erecting their buildings.

Many trips have been made to assist churches that were building and sometimes the advice of the missionary has led a church to build adequately and correctly. Dr. Roland Crowder from the Sunday School Board has assisted many of the churches and has personally visited several to consult with their building committees.

Jail Services

Since the Board of Directors designated the Rural and City Missions Department as the agency to encourage preaching in jails across the state, many of the churches have arranged for jail services and are doing a great work in this area. The new tract, "What About Baptist Churches Preaching in Jails?" has been well received and can be obtained at this office at the Baptist Building, Oklahoma City.

Falls Creek Assembly

Several of our superintendents of associational missions assisted us in all three weeks at Falls Creek Assembly. The contribution they made to its success was wonderful.

Summary

The following totals are accumulated from the monthly reports that come to my office from every one of our missionaries. The report is from Sept. 1, 1957, to Aug. 31, 1958:

Revivals held	211
Professions of faith	1,968
Additions for baptism	1,332

Additions by letter and statement	925

Study courses held	280
Church fields surveyed	145
Inactive churches revived	9
New churches constituted	20
New missions started	40
Church houses built	36

Our hearts were saddened at the death of Odis G. Conner, superintendent of missions in Salt Fork Association. He was one of God's great men.

The Rural and City Missions and Falls Creek Committee includes Roy C. McClung, chairman, James F. Wilkerson, Oren C. Reid, J. C. Fowler and Herbert G. Barnett.

40. Dr. E. W. Westmoreland, secretary, Department of Religious Education, introduced the workers in his department. Clyde Clayton, BSU leader, spoke regarding our student program. Lyle Garlow spoke regarding our Training Union work. Dr. Westmoreland concluded the discussion with a general summary of all of our teaching and training activities.

Sunday School

"Let's Face the Facts" was the subject used by J. P. Edmunds of the Research and Statistical Department at the opening session of each of the Sunday School Weeks at Glorieta and Ridgecrest this summer. In this message, Edmunds said, "Some facts are interesting; some are disturbing; some are challenging." This statement is true also of the facts which will be found in this report.

Let us look first at the disturbing facts. To date, we have not had an enrolment loss in Sunday school, but our enrolment gains are decreasing at an alarming rate. Our conventionwide record is as follows: 1954—597,336; 1955—285,226; 1956—181,998; 1957—148,637.

The Oklahoma record is equally as alarming: 1954—27,513; 1955—9,461; 1956—7,039; 1957—950. (One Indian association did not report during 1957, which reduced our gains by 1,131).

Edmunds also pointed out that the ratio of baptisms to memberships is becoming less favorable. It is taking more Baptists each year to win one person to Christ. In 1955—1 to 20.3; 1956—1 to 22.6; 1957—1 to 23. Since the Sunday school is and has always been a great soul-winning agency, a loss in Sunday school enrolment will inevitably mean a loss in soul-winning.

THIS TREND CAN BE REVERSED. Baptists have a time-tested formula for consistent growth. Could it be that we have ignored this formula which is a positive prerequisite to growth?

1. Locate Prospects
2. Provide Better Space
3. Organize new Working Units
4. Promote a Consistent Visitation Program

There are other Sunday school facts that are very encouraging. Our total enrolment is 313,948. We have doubled our Sunday school enrolment within the last dozen years. Our Standard units total 1,135, second only to Florida in our Southern convention. Sunday school training awards earned last year totaled 46,613. Vacation Bible School reports surpass all previous records. Total number of schools 1,038; 919 church schools; 71 mission schools; 13 Negro schools; 25 Indian schools, and 10 Indian mission schools. Total enrolment in all schools was 119,520.

Our trend toward Sunday school enrolment losses can be reversed in 1959 by a campaign which will be promoted jointly by the Department of Evangelism and the Sunday School Department. The campaign will be called a "One for One" campaign, the purpose being to place new pupils on the Sunday school rolls before the 1959 simultaneous revival crusade. The goal—a number of new pupils enrolled equal to the number of officers and teachers in your Sunday school. Any officer or teacher could enlist one new pupil in a four week period following a complete religious census Feb. 1, 1959. Complete details for the campaign will appear in the **Pastor's Revival Plan Book** for the 1959 revival crusade.

Workers in the Department of Religious Education are, Lyle Garlow, director of Training Union; Clyde Clayton, director of Baptist Student Union; Sophia Duerksen, associate; Alga Motychak, elementary secretary; Mrs. Dorothy Sneed, administrative secretary; Mrs. Bette Ruth Simmons, assistant secretary; Leta Hall, secretary to Garlow; Margaret Lovett, secretary to Clayton; Mrs. Aylene Hartley, records secretary.

Training Union

The record of the past 10 years reveals remarkable growth in new Training Unions. The number of churches has increased by 29.5 per cent. During the same period Training Unions have increased by 71 per cent. At present 1069 of our 1251 churches report a Training Union. Eight of our associations: Concord-Kiowa, Harmon, Oklahoma County, Panhandle, Pittsburg, Salt Fork, Tillman and Tulsa, report a Training Union in every church.

Our net enrolment gain was only 2,407, or 2 per cent for the past year, bringing the total enrolment to 124,056. Our present enrolment equals only 28.6 per cent of our church membership. Since the net enrolment gain has been down the past two years, we must redouble our efforts at the point of new members and unions.

Much strength and momentum comes from the annual observance of "M" Night (Mobilization Night) on the first Monday in December. Last year all 39 of our associations launched their program of Training Union work through this special night. There were 15,790 people in attendance from 650 churches. Another associational Training Union project, Baptist Youth Night, is gaining in popularity. Eleven associations with 133 churches represented, had an attendance of 1,446.

Training awards increased 3,535 over the previous year with a total of 40,483. These awards were earned by the members of 837 of our churches.

For several years the Training Union Convention has been held on Thanksgiving Day. However, there will be no convention this fall since the Sunday school and Training Union are joining hands for one gigantic program, March 12-13, 1959.

Falls Creek Assembly gives an excellent opportunity for reaching and developing the lives of our youth. During the 1958 Assembly there were 198 classes offered in which Training Union credit could be earned. Approximately 6,000 awards were granted this year.

The State Junior Memory Work, Intermediate Sword Drill, and Young Peoples Speakers' Tournament was held on May 10. The response to this meeting was exceptional. Charles Wade, Woodward, our State Speakers' Tournament winner, placed second at the South-wide Tournament at Glorieta Assembly.

Recommendations:

1. That the suggestions for Training Union in the 1959 simultaneous evangelistic crusade be followed. Namely:

- (1) New Year's Eve prayer service, Dec. 31, 1958
- (2) Soul-winning training school, Feb. 16-20, 1959
- (3) Training Union high attendance day, last Sunday of revival
- (4) New members class during the Training Union hour beginning the last Sunday of the revival

2. That every church adopt and follow the "Training Union Calendar" for 1959. Booklet may be obtained from Department of Religious Education.

3. That every church conduct a Training Union "Launching Night," during October and a similar program during April of each year. Material furnished through Department of Religious Education.

Baptist Student Union

The Baptist Student Union is an agency of the Baptist denomination which seeks to develop the Christian character of students on the campuses of our nation's colleges and universities. It is student led, church related and Christ centered. Traditionally the Baptist Student Union is thought of as a link between the Baptist students

and the local churches in the college center. It, therefore, becomes the churches at work reaching out to students on the campuses. It does not function for its own sake, but rather to remind each student of his responsibility to his Christ, his church and his denomination.

On Jan. 1, 1958, the Baptist General Convention of Oklahoma reorganized the Baptist Student Union work as promoted through the convention office. Desiring to provide Baptist Student Union with the services of additional convention personnel and to align it more properly with the convention's program of Religious Education, Baptist Student Union responsibility was given to the Department of Religious Education. This move provided Baptist Student Union with the major portion of one worker's interest and time, whereas for many years Baptist Student Union and Church Music promotion had been directed by one person.

There are in Oklahoma 23 Baptist Student Unions. The following are local directors: Arthur Driscoll, University of Oklahoma; Bert Edmison, Tulsa University; Jim Martin, Oklahoma State University; Franklin Farmer, East Central State College; Joe L. Ray, Eastern Oklahoma A&M; Mrs. Vera Mae Self, Oklahoma College for Women; Jacqueline Jones, Southeastern State College; Mrs. Ray Ingram, Central State College; Carolyn Clouse, Cameron; Jerome Zickrick, Oklahoma Baptist University; Harold Hendrick, Southwestern State College; Ward Allen, Northeastern Oklahoma A&M; Bob Payne, University of Oklahoma Medical Center; Vernon Pendleton, Enid General Hospital School of Nursing; D. E. Strahan, Northern Oklahoma Junior College; Mrs. Robert S. Bazzell, Oklahoma Baptist Hospital School of Nursing; Ray Henderson, Oklahoma City University; James Maxwell, Northwestern State College; Bryant Ledgerwood, Panhandle A&M; Everett Byrd, Connors; John Fleming, Murray State College; Stanley Taylor, Okmulgee State Tech; Diane Willis, Northeastern State College.

As their summer mission project for 1958, Oklahoma Baptist students sent four students into the Great Lakes area for missionary service. They were: Gaylene Bozarth, Midwest City, University of Oklahoma; Barbara Cooper, Wynnewood, East Central State College; Helen Gilmore, Clinton, Oklahoma Baptist University; and Phyllis Lee, Weatherford, Southwestern State College. Also in the summer mission project, one representative from each campus was assisted in attending the Baptist Youth World Conference in Toronto, Canada. Summer missions funds are contributed by students over and above their tithes and offerings.

Baptist Student Week at Glorieta Assembly was attended by 69 Oklahomans. Four Oklahomans served in major capacities as program personnel at Glorieta.

At Central State College, Edmond, and East Central State College, Ada, Baptist student centers are under construction. They are co-operative projects with the convention and the local churches.

41. Bailey Sewell, Superintendent of Indian Work in Oklahoma, spoke regarding this phase of our work. Sewell's assistants were introduced. Motion carried to adopt the report.

Indian Missions

Bailey Sewell, Superintendent

We are pleased to report a wonderful year in the Indian Missions Department during 1958. Worker wise, we feel that this has been our best year. We have had very few resignations or transfers. We have at present 41, counting wives, whose salaries are paid in full, or part, by the Direct Missions Department of the Home Mission Board. Building wise, we have given financial assistance to 13 churches in their repair, remodeling or new building programs. These projects totaled \$64,512.83. In addition to our regular workers, we had three Home Board summer workers with us for 10 weeks. All three of these did excellent work. We had the finest of co-operation and devoted service from these young ladies. The whole experience with them was the most pleasant of our connection with this program.

The 12th annual session of the Indian Falls Creek Baptist Assembly enrolled a near record-breaking number of 643, with 39 reported public professions of faith and seven dedications to full-time Christian service. Other camps and assemblies throughout the state reported good sessions this year. The Vacation Bible School program was the best ever this year. There was a noticeable increase in the number of Vacation Bible Schools sponsored by local white churches.

We are pleased to report plans in the making for a worker with the 170 Indian Baptist churches and missions in Oklahoma during the evangelism emphasis of 1959.

The passing of time brings inevitable results. With the coming of the new year, the A. W. Hancocks will be retiring from official connections with the Home Mission Board. For more than 30 years, this fine couple has served as missionaries of the Home Mission Board to their own people, the Oklahoma Indians. Their influence has been felt far and near for good and will continue to do so for many, many years to come. The Hancocks will be busy in revival meetings and other activities. We commend them to the confidence of the brotherhood generally.

42. Al Shackleford of the Radio and Television Commission in Fort Worth, Texas, spoke on this denominational program. A film of the work was shown illustrating the work of the Commission in co-operation with the 1959 Evangelistic program of the Convention.

43. The afternoon session was adjourned with prayer led by Dr. H. W. Stigler, chaplain of our Muskogee Hospital.

Wednesday Night

November 12

44. President H. H. Hobbs called the evening session to order at 7 p.m.

45. Gene Bartlett led in congregational song service singing: "Glorious is Thy Name" and "When I Survey the Wondrous Cross."

46. G. H. Crittendon, Stilwell, read from Luke 24:44-49 for our devotional message.

47. Abe Hester Jr., Hobart, led in prayer evoking the guidance of the Holy Spirit and continued blessing upon our Convention.

48. Dr. J. A. Pennington, Secretary of Brotherhood and Evangelism, presented a program, "Meeting the needs of Today in Evangelism," with special emphasis upon the 1959 Evangelistic Crusade. Dr. Pennington led in prayer for the coming of a great revival during the 1959 Southwide Simultaneous Crusade. Motion carried to adopt the report.

Evangelism

J. A. Pennington, Secretary

Indications are that the 1958 reports on evangelism will show a slight decrease over 1957. The plea for pastors to win one soul per month has been well received. The soul-winning commitment day in January stimulated the interest and concern for lost souls on the part of our people. Many Christians have experienced the joy of winning another to Christ during this year.

The reports from the simultaneous revivals were very encouraging. All but two associations conducted crusades during the year. More churches participated and better preparation was made for these revivals which resulted in more people being won to Christ and church membership.

The personal soul-winning emphasis this year has brought about a greater interest in perennial evangelism. Our great need is to continue week by week in winning the lost. This can best be done by definite planning on the part of the church council in evangelism.

The objective for 1959 is, "Getting the Message of Evangelism to Every Lost Soul." This can best be done, we believe, by every church in the association participating in the simultaneous revivals at the same time and for the full two weeks. It is also important that they follow in detail the step by step preparation that has been outlined.

"New Life for You" is the suggested theme for our 1959 year of evangelism. This theme will be used by all seven Baptist groups in North America that are co-operating in the Baptist Jubilee Advance.

The suggested dates for the 1959 crusades in Oklahoma are March 15-29 and April 12-26.

Our numerical goal for 1957-1959 is 70,000 baptisms. This is an annual goal of 23,335. Since 1959 is the last year of this three-year period, we will need to redouble our efforts in evangelism if we are to attain this worthy goal.

The statewide evangelistic conference will meet in the First Baptist Church, Oklahoma City, Jan. 26, 27 and 28, 1959. Every pastor is urged to attend. It would be well if every church could have every member of the church council in evangelism present.

After seven years and four months as state evangelist, Dr. T. P. Haskins has retired from this department. We are so grateful to the Lord for the fine work done by Haskins and for the privilege of fellowship with him in the work. He will continue to hold revivals and also do supply work. His main work, however, is that of chaplain for the Baptist Memorial Hospital, Oklahoma City.

We are happy to welcome as a new associate in the department Jack C. Carroll. Carroll is well-known in Oklahoma, having served as pastor of Oak Avenue, Ada, and First Church, El Reno, for the past 10 years. His main responsibility will be in the promotion of the Brotherhood work. He will, of course, give considerable time to evangelism.

In several associations, the 1958 baptisms total is incomplete since some of the annual associations had not met when this report went to press and some of the associational letters had not been sent to the clerks for compilation; therefore, the total 1958 baptisms is incomplete as shown in this report.

49. Dr. W. E. Grindstaff brought an informative and inspiring report of his missionary trip around the world. His subject was "World Missions as I Saw It."

50. Dr. Harold K. Graves, president Golden Gate Seminary, Berkeley, Calif., led in prayer.

51. State Music Director Gene Bartlett led the congregation in singing "The Lord's Prayer."

52. R. T. "Dick" McCartney, Public Relations representative, presented an engraved watch and a plaque to Miss Mary Jo Nelson of the Oklahoma City Times for outstanding work in religious matters during the past year.

A plaque was also presented to Jack Johnson, editor of the Heavener Ledger, for his contribution to the religious field.

53. Dr. T. B. Lackey, our Executive Secretary, spoke on the subject "Seven Years—Past and Future." It was seven years ago tonight when Dr. Lackey addressed his first convention in the capacity of Executive Secretary-Treasurer. These have been marvelous years, demonstrating the fact that Dr. Lackey is God's man, under the leadership of the Holy Spirit, and especially God's leader for Oklahoma Baptists during these years. The past calls for the deepest gratitude of our hearts to our Heavenly Father and to Dr. Lackey. We thank God who has equipped him and given him to us as our leader. The future is as bright as the promises of God. Hitherto hath the Lord led. Henceforth, under God, the marvels of God's abundant grace will be experienced.

54. Special music was furnished by the choir of First Baptist Church, Oklahoma City.

55. Dr. C. E. Autrey, professor of Evangelism, Southwestern Seminary, brought the closing message of this session of the Convention. His subject was "Arise, Go over this Jordan." It was a challenge to a full commitment to the program of world evangelism.

56. William Pratt, Durant, led in the closing prayer. Convention adjourned until Thursday, 9 a.m.

57. The Thursday opening session of the Convention was called to order at 9 a.m. by President H. H. Hobbs.

58. Don Baxter, Music Director, Kentucky Avenue Church, Oklahoma City, led in opening song service. Songs used were: "Praise Him" and "More Love to Thee."

59. Dr. W. F. Staton, Shattuck, read from 2 Timothy 4:1-8 for our devotional message.

60. Howard S. Kolb, Eastwood Church, Tulsa, led in prayer for divine guidance and blessing.

61. Dr. Samuel W. Scantlan, Business Manager of Falls Creek Assembly, brought his message regarding the work at Falls Creek. His subject was "Emphasis upon Youth."

Mr. and Mrs. E. P. Edwards were introduced and commended for their twenty-two years of service as resident manager at Falls Creek.

Gene Bartlett led the congregation in singing a verse of "He Lives." Motion carried to adopt the report.

Falls Creek Assembly

Sam W. Scantlan, Business Manager

For the second year there were three weeks of Falls Creek Assembly. Each week was a separate assembly with a different assembly preacher. The sessions were as follows:

July 15-22, Dr. Duke K. McCall, preacher

July 23-30, Dr. Robert E. Naylor, preacher

July 31-August 7, Dr. C. E. Autrey, preacher

Dr. E. W. Westmoreland is the program chairman; Gene Bartlett has charge of the music; Dr. T. B. Lackey, executive secretary-treasurer of the convention and all department, institution and agency leaders of the Baptist work in Oklahoma come and give their best in making the assemblies successful.

Partial results were as follows:

225 Professions of faith

1,909 rededications

623 surrendered for special service

Training awards given:

740 Sunday School

5,929 Training Union

660 Music

The mission fields of the world now have several missionaries who surrendered their lives at Falls Creek. In the future many more will go from the altar fires of the assembly to witness for Christ everywhere. Probably there is nothing we do as a convention that so vitally touches the lives of so many young people.

More than 100 people are employed each year to care for the physical needs of the assembly and the people who attend. Eighty-eight classes were taught each week with more than 125 teachers giving of their time and energy for one or more weeks. Total attendance for the three weeks was 22,033.

The new swimming pool at Falls Creek is partially finished and it is hoped that it will be ready for the 1959 assemblies.

The dates and speakers for the 1959 assembly will be as follows:

July 14-21, Dr. Warren C. Hultgren, pastor, First Church, Tulsa

July 22-29, Dr. Grady C. Cothen, pastor, Olivet Church, Oklahoma City,

July 30-August 6, Dr. H. H. Hobbs, First Church, Oklahoma City.

Several district and associational assemblies around the state swell the total attendance at Baptist assemblies each year into a large figure. Only eternity can give the value of such assemblies. "The harvest truly is plenteous, but the laborers are few" (Matt. 9:37).

62. J. Marvin Gaskin brought the report of the Historical Commission and motion carried for adoption of the report.

Gaskin and Dr. W. E. Grindstaff explained the proposed "Operation Baptist Biography" program which is being pushed at this time.

Historical Commission

J. M. Gaskin, Historical Secretary

During the past year the Historical Commission has continued its emphasis on the collecting and writing of Oklahoma Baptist history. The Commission continues to encourage churches and associations to microfilm their minutes, and to place all items of historical value in our depository at the Oklahoma Baptist University library at Shawnee, for safe keeping.

Two years ago the Oklahoma Baptist Historical Society was organized, and the first annual meeting was held at Borden's Cafeteria, Tulsa, Nov. 14, 1957, with Dr. Charles P. Johnson, Southwestern Seminary librarian, as guest speaker.

The second annual meeting is set for Wed., Nov. 12, 1958, at the Northeast Cafeteria, Oklahoma City, at 5 p.m. with Dr. Harold K. Graves as guest speaker. This meeting is open to all members of the Society and any who wish to come as guests. No reservations are necessary in advance.

In April, 1958, the first issue, Volume I, Number I, of the **Oklahoma Baptist Chronicle** was published with J. M. Gaskin as editor. The **Chronicle** is the official organ of the Historical Commission and Historical Society of the Baptist General Convention of Oklahoma. It is published semiannually, and goes free to all members of the Society.

Current records show 146 members of the Historical Society. Membership dues are \$2 per year for annual and \$25 for life memberships. Membership applications should be sent to John R. Meadows, Perry.

May 15-16, 1958, the Commission sponsored its second historical tour, visiting sites at Stillwater, Perry, Blackwell, Enid, El Reno, Anadarko, Norman and Oklahoma City. A total of 393 persons attended part or all of the tour. During the tour two historical markers were dedicated, one at Blackwell indicating the site of the Oklahoma Baptist College, founded by the Oklahoma Baptist Convention in 1900, and operated by this convention until after 1906. This college closed in 1912.

The other marker dedicated on the tour was at Anadarko, marking the location of the Rock Springs Baptist Church, founded in 1874 by John McIntosh at the Wichita Agency north of Anadarko. This was the first Baptist church among the Plains Indians. It is still active.

The Historical Commission met at the Baptist Building Sept. 11, 1958, and approved these items of business:

(1) Approval was given to the Operation Baptist Biography, currently sponsored by the Southern Baptist Historical Commission. The plan calls for collecting at least 2,400 biographies of Oklahoma Baptists. Dr. W. E. Grindstaff was asked to aid in implementing this plan in Oklahoma, and all correspondence on the project will be handled through his office. Printed forms will be used in securing the biographical data, and there will be a cost of \$1.00 per person for all whose biographies are included in the operation. The project is to include men and women, preachers and laymen, missionaries and educators—in short, any Baptist connected with any church in Oklahoma, is eligible to be included. The operation will include biographies of both living and deceased persons. The small charge of \$1 per person for those included in the massive "Book of Remembrance" to be compiled from this undertaking will barely cover actual costs of printing materials and supplying postage for the many mailings to be involved. Address your inquiries about this project to Dr. W. E. Grindstaff, Baptist Building, 1141 N. Robinson, Oklahoma City.

(2) The Commission voted to supply the OBU library with a copy of all Oklahoma material on microfilm with the Southern Baptist Historical Commission at Nashville. This will greatly increase the microfilm holdings at OBU and enrich our resources for research available to those interested in Oklahoma Baptist history.

(3) The Commission agreed to print 500 copies of the Autumn number, 1958, of the **Oklahoma Baptist Chronicle**, in order to make available extra copies for sale later because of the anticipated interest in this number which will contain a short history of Falls Creek Assembly by Dr. Sam W. Scantlan.

(4) Approval was given to a proposal that the Commission join with the Atoka church in erecting an historical marker early in 1959, indicating the location and history of this great church which will observe its 90th anniversary next May.

63. "The Church That Sings" was the subject used by Gene Bartlett as he brought the report of the Church Music Department of our work.

64. Henry Maxey, son of Dr. and Mrs. H. Truman Maxey, sang "The Stranger of Galilee," accompanied by Don Baxter.

65. Motion carried to adopt the report of Church Music.

Church Music

Gene Bartlett, Secretary

Oklahoma Baptists are a singing people! No one who attends Falls Creek or any of our state conventions will deny this statement. The wonderful progress that is being made in this field of service is due largely to the good support of the pastors of our state and the wholehearted support of the full-time, part-time, and volunteer music directors.

Over 22,000 people are actively engaged in choir training in our churches.

Approximately 3,540 attended or participated in our state junior and youth choir festivals, and youth music workshop.

Six hundred took part in our first two leadership schools in recent years.

The number of training course texts published by the Baptist Sunday School Board is increasing from year to year to meet our music study needs. Approximately 400 churches and all of our associations have received one or more music awards.

The number of associational sponsored music training weeks has increased considerably this year. The following are the ones we have on record: Cimarron, Comanche-Cotton, Delaware-Osage, Kay, Muskogee, Mullins, Oklahoma County, Tulsa, Craig-Mayes, and Rogers. Some of this increase is due to the graciousness of the Baptist Sunday School Board in Nashville in giving supplementary financial aid to associations who hold music training efforts.

Many free pamphlets are available to individuals and churches which will aid in establishing better music programs. They may be ordered from your state music office in the Baptist Building.

Let us suggest the following to stimulate the music interest in your church:

- (1) Observe "September Is Church Music Month." Free material available.
- (2) Promote the "Hymn of the Month" plan in all departments from the Juniors through the Adults. Free pamphlet available.
- (3) Organize a new choir.
- (4) Be represented in the state youth and junior choir festivals as well as the youth music workshop.
- (5) Conduct a music training school in your church.
- (6) Provide a good Baptist hymn book, preferably the **Baptist Hymnal** for the congregation, and a good supply of music, including the **Church Musician**, for your choir members.
- (7) Good, well-tuned pianos and organs are also conducive to better church music.
- (8) Other helpful materials to help enrich your program are such books as **Songs of Salvation**, **Broadman Songs for Men**, and **Broadman Songs for Women**. There are also some fine long-play record albums which set an example for good singing such as "Hymns of the Christian Faith," "Baptist Hour Choir," and "Falls Creek Songs."

Finally, "Be filled with the Spirit; Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ" (Eph. 5:18-20).

66. Lowell Milburn, Shawnee, First, led in prayer for Mrs. Bill Boyd who is awaiting surgery at this time.

67. Dr. Harold K. Graves, president of Golden Gate Seminary, Berkeley, Calif., had charge of the program relating to our seminaries. Representatives of each of our seminaries were introduced and spoke briefly about the work of their individual seminaries.

Dr. Graves emphasized the growth and importance of seminary education. His subject was "Advancing Through Theological Education."

68. Dick McCartney, Director of Public Relations for the Convention, brought his report and introduced the workers in his department. Motion carried to adopt the report.

Public Relations

Dick McCartney, Director

Public relations is concerned with promoting and developing public understanding of the people called Baptist, and the program of the Baptists of Oklahoma.

The office of public relations has a threefold task. The office seeks to foster better communication between: (1) the convention, its departments, agencies and institutions and Oklahoma Baptists; (2) the convention, its departments, agencies and institutions and the general public, and (3) the Baptist churches and associations and their constituency.

Arthur S. Davenport, who was public relations director for five years, resigned effective Sept. 1, 1958. The accomplishments of the past year are due largely to his efforts. His reputation as an authority on public relations techniques has enabled him to represent Oklahoma in southwide public relations conferences and in many churches and civic clubs within the state. At its fall meeting the state public relations advisory committee voted unanimously to express gratitude for the many personal sacrifices he has made in order to serve Oklahoma Baptists.

During 1958 the office maintained a close working arrangement with the newspapers in the state. An average of 700 stories per month and almost 200 mats and photographs have been released to the newspapers in Oklahoma. Enough of these releases are printed each day to fill a full page of a daily newspaper.

News releases have also been sent to the 60 radio stations and eight television stations. During the year a number of television news films were distributed and each was met with enthusiastic approval. The stations requested more such stories after each release was distributed.

KVOO-TV (Channel 2) continued to offer time for the convention-sponsored television program, "Questions and Quotations." The program is carried without charge by the station. Robert E. Hopkins

was moderator of the panel-type quiz program during the first half of the year. He arranged for the program to appear on KVOO-TV in 1955 and had been the "Quizpastor" from the beginning. The state public relations advisory committee expressed gratitude to Hopkins for his untiring efforts on behalf of the program and for the many contributions of time and energy he gave toward making the quiz one of Tulsa's most popular religious TV programs. Joe L. Ingram delivers a five minute preview of the Sunday school lesson in the middle of each program and members of the viewing audience can take part by phone or mail.

The third annual statewide public relations conference was held February 14. In spite of adverse weather conditions, the conference was well attended.

At Falls Creek Assembly a daily news sheet was prepared and distributed free. The office also recorded every morning service for broadcast over an Oklahoma City radio station each day. A daily newscast and special programs for two other stations were also prepared and recorded by the public relations office. News films were supplied to several TV stations and stories were prepared for newspapers during the Assembly.

It is recommended that (1) every church and association elect a publicity or public relations committee made up of qualified individuals from the various fields of public relations work; (2) each association coordinate promotion and publicity for the 1959 simultaneous revivals through an expanded publicity or public relations committee; (3) public relations workshops be planned in as many associations or local churches as possible; and (4) each church encourage the pastor, education director, public relations committee members and other interested persons to attend the statewide public relations conference in Oklahoma City on May 2, 1959.

69. Thomas T. Holloway of the American Bible Society was presented and brought the report of the work of the Bible Society. L. O. McCracken of the First Baptist Church of Alva presented a resolution regarding co-operation with and contributions to the work of the American Bible Society. Motion carried to adopt the resolutions.

American Bible Society

Southern Baptist plans for the Baptist Jubilee Advance, 1959-1964, remind us that

In every missionary advance
the Bible goes forward first!

The Bible is a "must" in missions and evangelism. If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible. It is the one basic source of knowledge of him. The Bible is the missionary's chief tool; he uses it in all his work. The Bible itself is a missionary. It can go where the

human missionary cannot go. It can stay when he must leave—and keep on speaking to a person's heart.

Every man must have the Bible in his own language, but in most countries the people cannot afford even the cost of printing the Scriptures.

The **American Bible Society** helps to **translate** the Bible, **publishes** without note or comment and **distributes** without profit, usually below cost, for worldwide mission work. For the blind, it supplies Scriptures, at a small fraction of cost, in raised-letter systems and on Talking Book records. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist mission work at home and abroad.

- During 1957** the American Bible Society—
- distributed throughout the world nearly 15 million volumes of Scriptures.
 - donated more than one million Scripture volumes for distribution by Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.
 - introduced the Finger Phono, a new feather-weight plastic phonograph, operated by one finger. These are being supplied, with Scripture recordings in the languages needed, in areas where very few people can read. They are now in use among the Navaho Indians in the U.S.A. and in various parts of Africa and Asia.
 - accepted a new joint responsibility, with the British and Foreign Bible Society, for the work in India, in France and in the Congo Basin of Africa. In India, the Bible Societies are undertaking to provide in the next 5 years, a New Testament for every Christian who can read and a Gospel for every non-Christian who can read; this will require 90 million Scripture volumes in five years for India alone!

Southern Baptists Support the Work because the Bible Society serves mission work—and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people—Southern Baptist churches give to the American Bible Society. In 1957, Southern Baptist churches gave \$118,815 to the American Bible Society—but still stood in second place, exceeded by Methodist gifts of \$136,499.

The help of every Southern Baptist church is needed. Has your church given this year? Here are suggestions, based on what many churches are doing:

Every church can give at least these amounts each year:

Country and village churches	\$10 to \$25
Churches in small cities	\$25 to \$100
Larger churches	\$100 to \$200
Great city churches	\$200 to \$500 or more

Please send gift to your Baptist state office marked "for the American Bible Society."

Whereas, this Convention recognizes that widespread distribution of the printed Word of God is a basic necessity in the worldwide missionary work to which we are committed, and

Whereas, we recognize that the American Bible Society renders an essential worldwide missionary service through translating and publishing the Scriptures without note or comment and through distributing them without profit and usually below cost.

Whereas, we recognize that the American Bible Society is providing a vital spiritual link between the home churches and the men and women in service by supplying to the Chaplains without charge, New Testaments, complete Bibles and any other Scripture volumes needed for distribution to the men and women in the Armed Forces,

Therefore, be it resolved,

First, that we earnestly request our churches and our people to make contributions to the work of the Society, all such contributions to be sent through the regular channels to the Baptist state office, marked "for the American Bible Society," and

Second, that we approve an offering in the churches for the work of the American Bible Society, as in previous years, to be taken on the last Sunday in January (January 25, 1959) as provided by the Board of Directors in the Calendar of Activities for 1959 and to be promoted by our Convention as a part of our mission program.

70. Dr. Frank O. Baugh, Immanuel Church, Shawnee, brought the report of the Christian Education Committee. Motion carried for its adoption.

Christian Education

This college year has seen a re-evaluation of our total education system, as well as a re-emphasis of the need for an accelerated program of scientific training in the total education system. The importance of proper balance between the scientific and the cultural and spiritual elements of education was never more urgently emphasized for any other generation.

Therefore, your committee on Christian education would urge first that Baptist young people be encouraged to and assisted in attending Oklahoma Baptist University, where their education will be nurtured in an atmosphere of Christian culture, in the classroom and on the campus.

Possibly one word best describes Oklahoma Baptist University today. That word is "stability." It has not always been so, as the records and the memory of this convention substantiate. The faculty and staff, of 125 men and women, with 69 full-time faculty members in that number, is at its best in the history of the institution. Outstanding men and women in their various fields continue to render

a dedicated service to Baptists of Oklahoma through one college generation after the other.

Another word which next best describes Oklahoma Baptist University today is, "maturity." An institution has come of age, under, at times, the most severe circumstances. As of this date, we are plagued by the happy pains of growth. However, with the completion of the two wings on Brotherhood Dormitory, we are now able to house 400 men on campus. The beautiful new Kerr Dormitory brings the number of women housed on campus to 500.

One of the most lucid demonstrations of the coming of age of OBU is the scholarship program. The program as such has been in force for seven years, or since 1951. Today there are approximately 200 scholarships in force. Such an investment has become an established part of the annual program of 54 of our Baptist churches in Oklahoma, providing 117 scholarships. Eleven of our associations are providing 22 OBU scholarships. Eight Baptist churches outside the state of Oklahoma are providing six additional scholarships. How many young men and women have been successfully launched on a college education and subsequent career, we can only gratefully surmise.

The chapel remains the next major advancement to be made in Christian education by Baptists of Oklahoma. To date 210 chapel memberships have been secured with a total of \$175,000 in cash and pledges toward the \$500,000 necessary to begin construction of the magnificent worship edifice to grace the heart of Oklahoma Baptist's center of Christian education. Oklahoma Baptists will catch the vision of this much-needed worship center and it too will become an inspiring reality.

We would suggest finally that the findings of the survey committee, appointed at Dr. Raley's request to project a long-range program for Christian education among Oklahoma Baptists, be given the most careful study and that Oklahoma Baptists make whatever investment is necessary to keep OBU in the strategic vanguard of cultural and spiritual progress.

We firmly believe that Christian education as represented at Oklahoma Baptist University is the business of every pastor and church, and of every member of those churches, and heartily recommend that we be about that business now.

Respectfully submitted, Frank O. Baugh, Chairman, Weldon Marcum, W. E. Smith, C. Fred Williams, Wade Carver, Robert S. Scales, Louis Hendricks, Truett B. Thompson, Alfred Woodard

71. The custom of our Convention through many years has been to designate the eleven o'clock hour of this day to the consideration of the work of our Oklahoma Baptist University at Shawnee.

72. Dr. John Wesley Raley, for 25 years president of the University, presented the report of the University to the Convention. Motion carried for adoption of the report.

Oklahoma Baptist University

John W. Raley, President

Registration

The University stabilized its enrolment in 1957-58, reaching the limits of capacity in residence halls (since enlarged), but not achieving parity with tax-supported institutions competing for the part-time, or commuting student, in our state. The summary figures:

First semester	1,252
Second semester	1,153
Cumulative	1,348
Summer	213
Total regular students	1,561
Extension courses	98
Summer School for Preachers	77
Total enrolment	1,736

The distribution of enrolment shows students from all the district associations in Oklahoma, from 30 states and the District of Columbia, the Canal Zone, and 33 from overseas.

Internal Growth

Academic Strength: Oklahoma Baptist University is fully accredited by the North Central Association of Colleges and Secondary Schools, which is the major accrediting association for this area. We also enjoy membership in the Oklahoma State System of Higher Education, the American Association of Colleges and Universities, and the American Association of Colleges for Teacher Education.

The faculty of dedicated and scholarly men and women continues to uphold high standards in the lecture halls and laboratories as is evidenced in the special recognition paid to several students during the past year. Most of the major universities in this country, and many abroad, have contributed to the advanced training of our faculty. Twenty-one have the highest academic credential, the Ph.D. or its equivalent. An additional 14 members of the OBU faculty are candidates for the Ph.D. at the present time.

Physical Plant: The recently completed extensions of Brotherhood Dormitory have doubled the capacity of that building, and it is now possible for 1,000 students to be accommodated in campus residences. This includes 82 apartments for married students. The present classrooms and laboratories will take care of 1,500. The two extensions of Brotherhood Dormitory, each accommodating 100 students, are named after Dr. J. W. Storer and the late Dr. George S. Baxter.

The chapel-fine arts center remains the major campus project for the future. The original chapel membership committee is still

seeking individuals willing to give or pledge \$500 for the construction of this most necessary structure. "Raise the Chapel Spire" is the slogan of Oklahoma Baptists. Memberships may be designated to honor an individual, a church, or a class. Committee membership will be listed on a plaque in the completed chapel. In addition, memorials may be established throughout the building in the form of studios, lecture halls, windows, and meditation chapel.

Financial Structure: Rising costs for everything which colleges must buy, from books to building materials, plus the unusual competitive situation in Oklahoma, where there are 17 tax-supported schools, mean that, in the realm of operating budget, the university is in a financial vise: the university has a commitment with the convention to remain within its budget, yet endowment funds and tuition income are not sufficient to maintain a standard program. The convention has always come to the support of the university, and is determined to maintain the accreditation of the school.

We are greatly encouraged by the endowment program of the Baptist Foundation of Oklahoma, and the Oklahoma Independent College Foundation, which has obtained operating funds in small amounts from national corporations.

Without increased support from its own constituency, the university must expect loss in faculty income and energy, and curtailing of general services of the university.

Church and Associational Scholarships

The church scholarship program, instituted in 1950 with volunteer leadership, has continued to thrive under the direction of Dr. N. M. Stigler and Jerome Zickrick. A total of 117 church scholarships were granted last year from 59 churches, 53 of them in Oklahoma. This is a smaller number of churches than have participated in previous years. In addition, many private donors have helped OBU students, both through official channels, direct personal grants, and anonymous contributions. To take up the slack in church scholarships, several Associations have adopted a program of joint scholarships to insure that every worthy qualified student needing financial support is assured admission to the university.

The following churches gave scholarships in 1957-58: Ada First, Altus First, Alva First, Atoka First, Bartlesville First, Carnegie First, Checotah First, Chickasha First, Cleveland First, Clinton First, Duncan First, Elk City First, El Reno First, Frederick First, Geary First, Guymon First, Healdton First, Hobart First, Kingfisher First, Lawton Northside, Madill First, Midwest City First, Muskogee First, Norman Trinity, Oklahoma City Crestwood, Exchange Avenue, First, Kelham Avenue, Millwood, Northwest, Olivet, Pioneer, Temple, Trinity and Tulakes, Pauls Valley First, Putnam City, Sand Springs Broadway, Seminole First, Shattuck First, Shawnee First, Immanuel, Sharon and University, Shidler First, Tecumseh First, Tulsa Calvary, First, Im-

manuel and View Acres, Velma First, Vinita First, Woodward First; Jackson, Miss., First; Joplin, Mo., First; Kansas City, Mo., First; North Kansas City, Mo., First; Warsaw, Mo., Warsaw; and Wichita, Kans., Immanuel.

The associations which have joined the church scholarship program are as follows: Central, Cimarron, Concord-Kiowa, Craig-Mayes, Enon, Harmon, Mullins, Panhandle, Pott.-Lincoln, and Tulsa.

Religious Activities

In a school such as ours, no watertight separation is made between the sacred and the secular. We seek to integrate all of campus life on the Christian college campus around the Christian principle. But a practical expression of some of the activities of some of our students may be seen in the annual report of the 286 ministerial students enrolled in the Ministerial Alliance:

Church Activities:

Sermons	8,244
Conversions	1,313
Rededications	3,010
Additions to Churches	1,553
Visits in Homes	43,029
Special Services	747
Prayer Services	1,589

Personal Activities:

Talked with Unconverted	4,642
Special Services	747
Miles Traveled	790,829

Extension Services of the Ministerial Alliance (approximately):

Rest Homes	160
Jail Services	105
Street Services	75

Objectives for 1959

The university and its trustees have no choice in the matter of meeting the standards which have been established by objective accrediting agencies. Our children should not be expected to suffer any disadvantages in the quality of their higher education because of the loyalty we feel toward our own institution. The policy of the North Central Association, adopted in 1958, is that all member institutions are subject to a biennial review of their programs.

These then will be the goals of the university and its officers in the years immediately ahead—the visible manifestation of our cherished faith in the values of the Christian college, whose life is entwined with that of the Baptist denomination.

1. **Faculty Stabilization:** Recruitment of men and women of highest qualifications and encouraging them to stay in Oklahoma. This will be achieved as the Cooperative Program increases.

2. **Renewal of the membership drive in the memorial chapel com-**

mittee, so that this most necessary building, the center of our campus, may be started at the earliest possible date.

3. **Support of the long-range planning committee established by the convention to insure the future of the university.** This is the most encouraging sign that our faith is no nebulous thing, but a reality which will always be guaranteed by the practical programs of men who have both experience and vision.

73. The combined Glee Clubs of the University, under the superb direction of Dean Warren Angell, sang: "The Brotherhood of Man," "Salutation to the Dawn," "A Mighty Fortress Is Our God," and "This Is My Country." The music was sublime and matchless.

74. President Raley brought his 25th annual message to the Convention. His subject was "This Is My Country." He closed his great address with emphasis upon the importance of the immediate construction of the University Chapel.

75. The combined Glee Clubs sang "All Hail the Power of Jesus Name" and "Glorious Is His Name."

76. Senator Robert S. Kerr spoke fitting words responding to the challenge before us.

77. J. E. Kirk led in the closing prayer.

Thursday Afternoon November 13

78. The final session of the Convention was called to order at 1:30 p.m. by President H. H. Hobbs.

79. James Roberson, Minister of Music, Del City, led the congregation in singing "On Jordan's Stormy Banks." The Muskogee Hospital Treblets sang two inspiring songs.

80. Dr. J. R. Stuckey, Bartlesville, read from John 20:19-23 for our scriptural message.

81. Alfred Woodard, Hollis, led in prayer.

82. Robert C. Helmich, Yukon, brought the report of the Christian Life Commission.

Dr. Sam W. Scantlan, newly released by the Convention for leadership of the United Dry Organization, spoke regarding the fight against the repeal movement.

83. Motion carried to adopt the report of the Christian Life Commission.

Christian Life Commission

More and more the world is claiming the time and talents of humanity to the detriment of our Christian society. This being the case the purpose of this Commission is more intensified. Our major premise must be Paul's exhortation that we "stop living in accordance

with the customs of this world, but by the new ideals that mold your minds; continue to transform yourselves, so as to find and follow God's will; that is, what is good, well pleasing to Him and perfect" (Williams). None would deny that we have made some inroads in the matter of Christian life and for this progress we are grateful, but neither can any deny that there is yet much to be desired and gained in Christian attitudes and conduct. Only the unchangeable Christ can make the needed changes in the world of our day. This he must do through us as we contend for Christian integrity in every realm of life whether it be religious, social, political, or economic.

The lowering of moral standards on the part of people in general is indicative of a decadent society for which Christians in particular are responsible. This is not in keeping with the command of Christ that "we let our light so shine before men that they may see our good works, and glorify our Father which is in heaven." Our need at this point is for renewed courage and convictions. In essence then we can conclude that we must teach the gospel by precept and example to be a practical way of life. So it is by putting the teachings of Jesus into practice that life is transformed, and in being transformed becomes well pleasing to him.

As Christians we find it obligatory to make our presence felt in several realms.

The Home

The nation, in order to be all that God intended, must be built on the Christian home. The home is an institution of God which, like his church, has been dreadfully abused. The home and its security are the basic responsibility of husband and wife. When they fail to assume that responsibility as mature and Christian adults should, then the plan of God for the home is thwarted. This in turn brings about many damaging results in the lives of all those touched by the home, for no man sins to himself alone. This truth is borne out in the fact that most of our children in Baptist Children's Homes are the victims of homes broken by sin.

Many are the pressures from within and without which constitute contributing factors in the broken home. These are not things which the Christian can sit idly by and accept as a matter of course or a characteristic of our time. These are as old as time, and only Christ and his grace can remove the cause and cure the malignancy. To help alleviate this problem in our society is the purpose of this Commission. The unchristian home is the underlying problem in the lives of those adults who crowd the divorce court instead of confiding in Christ, those young people who for lack of love and discipline become delinquent, and those who in desperation commit suicide instead of committing themselves to the Savior.

Divorce

God who instituted marriage and the home never intended that sin should drive the contracting parties into the divorce courts. The

marriage-divorce ratio has for years been appalling, and we in Oklahoma have had our embarrassing share. The contributing factors are many and varied. The excuses are innumerable, but the reason must be called SIN. This national trend can only be changed as we utilize every agency at our command to enlist, win, and teach. This one problem is one out of which many others grow.

Juvenile Delinquency

Of no small consequence is the problem of juvenile delinquency in our state and nation. An interesting report comes from the Federal Bureau of Investigation. It lists these as some of the major causes:

Poor home conditions caused by (1) divorce, separation, and desertion; (2) unsound discipline which is too severe, too lenient, or too inconsistent; (3) immorality, emotional disturbance, and criminality.

Lack of religion is an outstanding cause. The FBI says, "The teaching of God will prevent criminality. The stabilizing force of religion is needed today more than ever before. A child who has been taught to respect the laws of God will have little difficulty responding to the laws of men."

Availability of salacious literature which glorifies crime and makes mockery of democratic living and respect for law and order adds immeasurably to the problem of juvenile delinquency.

Then there is the tragic tendency to excuse delinquency and vandalism because of tender years without arranging to readjust or punish the child in any way. Young people expect and want discipline at home. Without it they are and feel insecure. God's word teaches the use of discipline. As Christians we must practice it. By it self-discipline, self respect, and respect for others is taught.

At this point we would commend the Department of Child Care of our state convention and especially for what it is doing to cope with juvenile delinquency and correct it in the lives of the boys at Boys Ranch Town. This is Christianity in its working clothes.

Obscene Literature

Too long we have failed to raise our voice and our hand against salacious literature. It has become a thing almost commonly accepted, and surveys show that the vast percentage of material on every news stand can be considered salacious. It is not uncommon to see great numbers of junior high and high school age boys and girls huddled around these stands. There is little that does more to promote sin and destroy character than traffic in obscene literature. It has become a booming multi-million dollar racket. There is no doubt as to its threat to our youth and the adult populace alike. The fact that the industry has no respect for youth, that it literally preys upon youth makes the threat more treacherous. Such obscenity is not, nor can it be conducive to clean thinking and righteous living;

therefore, it is contrary to the will of God for the life of man. Against it our churches must concentrate their fire of influence.

Race Relations

At the point of race relations our state, its leaders, its churches, its schools, and its people in general are to be commended for their fine Christian attitude and conduct. We would especially commend Dr. Guy Bellamy for his outstanding work among the Negroes and other language groups within our convention. As we of Oklahoma go forth in this same spirit of Christ, motivated by warm and compassionate hearts for all of God's creatures we shall be for him an example to others. Meaningful indeed should Paul's exhortation to Timothy be to us: "Let no one think little of you because you are young, but always set an example for believers, in speech, conduct, love, faith, and purity" (Williams).

World Conditions

World conditions in our day are such that try the faith of all men. It goes without saying that ONLY the rule of Christ in the hearts of men can bring about the reign of peace in the world. We urge people to study God's word that they might come to know the Prince of Peace in their hearts and God's will for the future of the nations. It seems necessity demands that our country have thousands of her sons and daughters mobilized to make our way of life secure against all enemies. Those who are in the service of their country find that they are sorely tried in the readjustments that they must make and by the conditions under which they must live and work. Ours should be a great concern for them. We commend the chaplains of the Armed Forces for their work in trying to keep worship experiences and Christian service possibilities for military personnel as nearly normal as possible. They must be encouraged and supported by the work of our convention, for theirs is a vitally important place in these crucial times. We can, we must give Christian stability to those in the military, who can be witnesses around the world of the peace that only the Prince of Peace can give.

Alcohol

The Christian does and always will stand against the evil of alcohol. It is a destructive force that has no equal. From the beginning of time God has warned against it. And yet the quantity that is consumed annually in the nation is staggering. Its results are heartbreaking as it demolishes lives, homes, character, hopes and ALL with which it comes into contact, whether directly or indirectly. The only position for the Christian to hold is one of uncompromise. There is no such thing as moderation for the follower of Christ. It must be total abstinence. To compromise is to lose.

We wish to commend the United Dry Association under the capable leadership of Dr. Stanley B. Niles for its faithful effort in the 1957 campaign in preparation for the County Option Election on Dec. 3 of that year. The taste of defeat was bitter, but as Charles W. Eliot said, "When a battle is lost in a good cause, the only ques-

tion for good people is "When do we fight again?" All must be made aware that the fight has just begun. The problem is greater than ever, and if prohibition is repealed, it will become indescribably worse.

Now we must redouble our efforts as individuals and churches if we are to retain the ground won in the past and conquer the enemy for Christ.

We wish further to commend Governor Gary and all Legislative leaders for their effort to advance the cause of Alcohol Education. This will of course prove to be a key to long-range success.

We, your committee, would like to make the following recommendations:

1. That all of our energies be directed toward the winning the lost to Christ because soul-winning is the fruit of Christian life.
2. That every agency at our command concentrate its attention on giving greater depth of meaning to the establishment of Christian homes and that the local church program be geared to complement this effort.
3. That the deterioration of moral values be attacked with courage and compassion from the pulpits of our churches.
4. We further recommend that the convention continue to give both its moral and financial support to the United Dry Association of Oklahoma.
5. We also recommend that the following be elected to represent the convention at the United Dry Rally on Nov. 7, 1959:

Hospitals and Golden Age Homes

Tom E. Carter, Director

The administrators of the Baptist hospitals of Oklahoma, as a group, are among the best trained in hospital administration in Oklahoma. Ralph A. Hill and Bill G. Kersh completed special training in hospital administration at Oklahoma Baptist University in July 1958. Nine of our administrators have had this special training in hospital administration through our own university. John M. Hendricks, administrator of the Baptist Memorial Hospital in Oklahoma City has a masters degree in hospital administration from the University of Minnesota.

Three of our administrators, Joe R. Baker, John M. Hendricks and Robert S. Bazzell have, through written examinations, been elevated to membership in the American College of Hospital Administrators. Five administrators are associate members of the American Association of Hospital Accountants. These are Bill G. Kersh, John J. Strutton, George L. Hart, C. E. Hendricks and Ralph A. Hill. The director of hospitals and W. C. Campbell are members of this association.

These hospitals and the administrators are all members of the American Hospital Association, the Oklahoma Hospital Association and the Southwide Baptist Association. Two, the Enid General Hospital and the Oklahoma Baptist Hospital of Muskogee, are fully accredited by the Joint Commission of Accreditation. Four others, Stillwater, Perry, Miami and Bristow, have had an inspection which sets forth the needs required to meet this standard and these hospitals are working toward full accreditation.

Our administrators, under the leadership of the director of hospitals and Golden Age Homes, meet eight to ten times a year in special seminars to improve themselves and their hospitals, from the standpoint of good patient care and efficiency in operation.

These meetings have made possible a closer co-operation between our hospitals. This has resulted in uniform accounting, whereby cost analyses have been made on each hospital by the director's office.

Thus, the administrators are able to study comparison with the other hospitals and make improvements. This co-operation has resulted in a joint insurance program which saves the hospitals and the convention over \$4,000 per year. In addition, the hospitals have joined together on certain purchasing contracts which effected a savings for the hospitals of more than \$10,000 in the past 12 months. These improved methods make it possible for our hospitals to give the best possible care at a cost equal or less than other comparable hospitals in the state.

As a result of having trained administrators and through careful operation, we are more than pleased to advise that not one penny from the Cooperative Program funds is used for the operation of these hospitals. The convention supports the office of the director of hospitals and Golden Age homes and also gives partial assistance in the chaplaincy program. In addition, because we believe in Christian education the convention provides a part of the cost of training student nurses in our hospital schools of nursing at Enid and Muskogee. These two schools have 90 students in training at this time and graduated 25 students this year. The tuition of \$325 pays for the three years of training, which includes room, board, laundry, textbooks and uniforms. New classes will be accepted in June 1959 in Muskogee and September 1959 at Enid.

During 1958, by authority of the Board of Directors of our convention, local governing boards have been established for each of the hospitals operated by the convention. Membership on each governing board includes two members of the Board of Directors of the convention, the director of hospitals and Golden Age homes, local pastors in the association and WMU representatives and at least two Baptist business men. These governing boards meet each month at the hospitals and confer with the administrator on the over-all operation of the hospital.

The Chaplaincy Program

The past 12 months has made possible a wonderful increase in our chaplaincy program. When R. D. Dodd became chaplain of the Miami Baptist Hospital, Sept. 1, 1958, he became the ninth full-time chaplain serving our Baptist hospitals. J. A. Land became the chaplain at the Cordell Memorial Hospital on Jan. 1, 1958, the same date that T. P. Haskins became the chaplain of the Baptist Memorial Hospital in Oklahoma City. J. F. Cross began his chaplaincy ministry, Dec. 1, 1957, at the Grand Valley Hospital in Pryor. The others, H. W. Stigler, at Muskogee; Ben F. Bland, Perry; O. L. Gibson, Stillwater; S. U. Butts, Enid, and T. Grady Nanney, at Bristow have been serving from one to six years in the chaplaincy program. Thomas J. Spence, associational missionary for the Jackson-Greer Association, is the only one who is not full-time in the chaplaincy program.

There have been 350 patients, on an average, who are visited each day by these wonderfully trained and experienced representatives

of the Lord, as they make their daily rounds. Almost every day of the week these chaplains report winning souls to the Lord, reclaiming backslidden Christians or rendering Christian service to families in bereavement. They counsel with the sick, with the broken hearted and with mothers and fathers of the newborn babes, and through them, Baptists minister to more than 200,000 people each year. The combination of a hospital ministry with this chaplaincy program has proven to be one of the outstanding services that the Baptist people of Oklahoma are giving in the name of the Lord.

Golden Age Homes

When the state convention is in session this year, the first Golden Age home will be in operation.

When Mr. and Mrs. Will Baskett of near Hugo, made possible our first Golden Age home by giving through the Baptist Foundation and the Foundation's executive secretary, Dr. Augie Henry, they began a ministry that will never cease.

This beautiful location, adjacent to Hugo, caused the citizens of Hugo to challenge the convention on raising the funds for this first unit. These citizens raised \$65,000 as promised. However, as plans were studied, the building committee and the hospital and Golden Age home committees felt that it was advisable to plan for 40 people rather than 20 in the first unit. Therefore, the convention's \$35,000 was increased to \$60,000, to make possible this enlargement. The lounge, recreational area, dining room and kitchen and one wing, providing space for eighteen residents has been completed and is now in operation. Plans are under way for a dedication service on Dec. 14, 1958 at Hugo.

Applications for residence in the Golden Age Home are received through the office of the director, at 1141 N. Robinson, Oklahoma City. These applications are processed by a local applications committee and Dr. J. F. Murrell, the administrator.

More and more interest is being manifested daily toward the erection of a Golden Age home in Oklahoma City, on the 20-acre tract, adjacent to the Baptist Memorial Hospital, that has been set aside for this purpose. This dream is nearing reality.

The 1959 Dedicated Dollars Day funds have, by action of our convention, been set aside for the Golden Age home ministry. It is our prayer that a nucleus for the first building in Oklahoma City will be made available by the Baptist people of Oklahoma.

91. J. W. Hodges, Oklahoma City, presented the report of the Committee on Memorials.

92. Bill McGraw, Oklahoma City First, led in singing a verse of "What a Friend We Have in Jesus."

93. Dick Robinson, Sayre, led in prayer while the congregation stood in memory of our departed brethren.

94. Bill McGraw sang "When They Ring the Golden Bells."

95. Motion carried to adopt the report.

Report of Committee on Memorials

In Revelation 14:13 we read: "Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works do follow them."

The Apostle Paul tells us that Christians are not to sorrow for those who sleep in Jesus, as others who have no hope but are to look for the return of the Lord in glory, when these who are his own shall rise to meet their Lord in the air and forever thereafter be with him.

These and similar words from the Scriptures are given us to comfort us concerning our beloved Christian dead and to reassure our hearts before Christ.

It is fitting that we at this time should pause in this Convention to pay respect to the memory of our fellow workers throughout this State (and in all our churches) who have fallen asleep in Jesus during the past year. While Baptists cannot pray, as certain others do, for the dead, yet we can thank our Heavenly Father for the blessings which the faith and the testimonies of our departed loved ones have brought to our lives, who have survived their home going. And we certainly can and do pray that the God of all grace will continue to comfort the hearts of those who have been saddened through the visitation of death.

Again, we can and must pray for one another that we ourselves may be guided during the coming year in the way of truth, peace, and love—pray that when our own day of departure comes, we shall face it with the same joy and triumphant faith which many of these who have gone on before us experienced.

With these quieting thoughts in our minds, let us stand with bowed heads and prayerful hearts while we listen to this song of Christian hope and love.

Report of the Board of Directors of the Baptist General Convention of Oklahoma

Introduction

Evangelism has been the theme of our program this year in preparation for the giant crusade in 1959 in which 19 million Baptists in 75,000 churches will co-operate. Every department, agency and institution in the state is geared to this all-out effort to win America to Christ. The program at this annual meeting has as its theme, "Advancing Together in Evangelism," using as our Scripture, "Who will have all men to be saved . . ." (I Tim. 2:4).

We urge every church in Oklahoma to co-operate in the simultaneous crusade next spring by conducting revival services the full two weeks in co-operation with other churches in the association. We also urge every individual and church to make thorough preparation by following the suggested steps as outlined by the Department of Evangelism.

Winning the lost to Christ at home and around the world is always our main business. Everything in our churches and convention has as its ultimate purpose the bringing of souls to a knowledge of Christ as Savior and Lord.

1958 Budget Adjusted

Due to a nationwide economic leveling off in 1957, Cooperative Program receipts were only \$2,042,597. Although this was an all-time high record of mission giving, it was far below the anticipated receipts of \$2,250,000. Our estimated budget of \$2,450,000 for 1958 had been adopted by the convention in November. It was necessary, therefore, to adjust both 1957 and 1958 budgets to avoid operating deficits. Every department, agency and institution co-operated beautifully in making necessary adjustments.

W. E. Grindstaff Visits Mission Fields

The Foreign Mission Board, realizing the need for better stewardship promotion on foreign fields, invited W. E. Grindstaff, assistant executive secretary, and Dr. Merrill Moore, director of promotion of the Executive Committee of the Southern Baptist Convention, to our mission fields in the Orient and Europe. The Board of Directors gladly voted for Oklahoma to make this contribution. Dr. Grindstaff left Oklahoma Dec. 28, 1957, visited 25 countries, and returned Feb. 21, 1958.

The stewardship and church finance conferences varied in length from four days, nine hours each day, in Korea where approximately 200 Korean pastors, church leaders and missionaries were gathered, to very brief conferences with smaller groups of leaders in Lebanon and Italy. The meetings were primarily for leadership, including national pastors, a few lay leaders, and the missionaries. In the conferences there were 360 churches represented, approximately 340 national pastors, and 210 missionaries. Even though primarily for leadership, the attendance at all of the conferences was around 11,000.

Many letters have come from missionaries as well as from the Foreign Mission Board, expressing thanks to Oklahoma Baptists for sharing with them the leadership ability of Dr. Grindstaff. We are grateful that God has given us a co-worker whose services are desired and requested around the world.

Retirement Plans

The executive secretary-treasurer presented the following report to the Board of Directors in the May 27, 1958, meeting:

The Ministers Retirement Plan was started in Oklahoma July 1, 1939. We were advised at that time by the actuary that a minimum of two-thirds of the pastors and churches needed to be enlisted and maintained. Otherwise, benefits might be reduced or the convention might have to contribute larger sums to the plan. A 21-page letter and report from the Relief and Annuity Board emphasized the importance of immediate action. Of course we must not reduce benefits. Neither should the convention invest more than the agreed amount. The only other alternative is to launch an all-out campaign to enlist as near 100 per cent participation as possible. This should be done

not only to make the plan more effective but to protect all our pastors and other full-time church workers.

The two basic problems are, briefly:

- (1) Prior service credits
- (2) Failure to enlist minimum of two-thirds of pastors and churches

When the plan started July 1, 1939, it was agreed to give credit for prior service as though both pastor and church had paid. Many brethren paid only a few dollars and retired on as much as \$50 per month.

The other problem is that instead of having a minimum of two-thirds participating we have 386 Oklahoma pastors paying, which is 35 per cent; 450 churches paying, or 36 per cent. There are 64 churches paying whose pastors are not. The problem is not with the churches but with pastors. In most cases this is not due to lack of co-operation but lack of funds.

Practically all other major evangelical denominations which have been successful in enlisting the greater per cent of their preachers in their protection program have used the method of asking the churches to pay the preacher's part as well as their own.

After counsel with the Relief and Annuity leaders we recommend:

1. That we encourage churches to pay both parts of the retirement: the church's 5 per cent and the pastor's and other full-time workers' 5 per cent.

In industry and for lay employees of the church, half of Social Security is paid by the employer. However, if the preacher goes into Social Security he must go in as a self-employed man and bear all the cost himself.

Churches can take care of his Relief and Annuity dues and thus let him enter Social Security if he chooses, paying the entire Social Security cost himself. This is church protection as well as pastor protection.

2. That the Executive Committee and heads of all departments, agencies, and institutions be appointed as a committee to study this problem and to launch a program to inform our pastors and churches and endeavor to secure as near 100 per cent participation as possible.

3. That the Baptist Foundation encourage friends of ministers to remember the retirement program in the distribution of their estates.

The above report was adopted. The special committee met June 30 and considered the letter from the Relief and Annuity Board. Dr. Floyd Chaffin, representing the Relief and Annuity Board, gave helpful suggestions. A sub-committee was appointed, composed of J. C. Segler, C. M. Fuquay and Hale A. Dixon. This committee met July 8 and launched an intensive program to enlist all churches, pastors and other full-time workers. Churches are encouraged to pay 10 per cent of the member salary up to \$4,000 per year, thus relieving the member of any financial obligation.

Building Program

The Convention Building Committee is as follows: E. T. Moseley, Hugh R. Bumpas, J. Thurmond George, J. Frank Davis, Carlos Berry, Anson Justice, Joe Dee Ray, Harry M. Roark, Frank Elkins, C. Fred Williams, C. A. Roberts and Leonard Sullivan.

The Baptist Memorial Hospital Building Committee includes Robert S. Scales, H. H. Hobbs, M. E. Ramay, R. A. Young and Hugh R. Bumpas.

Baptist Memorial Hospital

The dream of Oklahoma Baptists for a large hospital in the capital city is almost fulfilled. The closing session of this annual meeting presents the opportunity for all of us to participate in laying the cornerstone, dedicating the cornerstone plaque, and making a tour of the building which is nearing completion. The building is beautiful, standing seven stories on a high hill overlooking Oklahoma City. Everyone who has had a part in making this possible will join in singing the Doxology. The first unit should be completed about Jan. 1, 1959, at an approximate cost of \$4,600,000. We will have received almost \$2 million and will have borrowed \$2,700,000.

The convention voted in annual session in November, 1954, to give \$1 million from Cooperative Program funds, matching an equal amount from citizens of Oklahoma City. As of Oct. 1, 1958, we have placed in this fund \$772,085.12; we have received from Dedicated Dollar Day offerings and other Baptist sources \$57,125.55; from the citizens campaign and other individuals \$817,184.95. Over \$200,000 in pledges should be paid soon.

In addition to the contributions from the churches through the Cooperative Program and designated for the hospital, 951 individuals and firms made pledges to the hospital; 572 of these have paid their pledges in full; 264 have paid a portion of their pledges and 115 have pledged but have not yet paid.

Any funds necessary from the Cooperative Program beyond the \$1 million pledged will be advanced or loaned to the hospital and will be repaid by the hospital when in full operation and in position to repay. It will be necessary for the hospital to have some time to get into full operation before it can meet the debt obligation.

In order to secure best terms for long-range financing it is recommended that the security for the loan be a first mortgage on Baptist Memorial Hospital, building, equipment and grounds, and further secured by a pledge as a first charge against the distributable Cooperative Program funds, monthly, of the amount necessary for debt service, until the loan is paid.

An attractive plaque appears in the lobby on which the names of Cornerstone Club members have been placed. Those qualifying are: (1) individuals or firms who gave \$500 or more, and (2) churches giving as much as \$1.00 per resident member.

The following list indicates those qualifying in the various groups, as of Oct. 15, 1958. Other names will be added and corrections and necessary changes made as information is available. In case of error or omissions please notify our office accordingly. A star appears by those giving \$2 per resident member, etc.

Miami Hospital

A new wing and other improvements in the Miami Baptist Hospital have been made at a cost of over \$300,000. Dedication services were held May 11, 1958. Bed capacity increased from 60 to 100 and the entire hospital is being modernized and brought to first class condition.

Enid General Hospital

New entrance to Enid General, gift of First Church, Enid, was dedicated May 4, 1958. The nurses' home is now complete at a

cost of \$150,960. This lovely home provides living quarters and teaching facilities for 60 student nurses. Other improvements have been made. The assets of the hospital have increased over \$400,000 during the five years we have owned and operated it.

Muskogee Hospital

Enlargement and modernization of the Oklahoma Baptist Hospital at Muskogee continues to progress. A new entrance has been completed. Approximately \$35,000 has been spent this year on improvements. Additional projects are being started as funds are available. This, our oldest hospital, will celebrate its 50th anniversary of continuous service in 1959.

Falls Creek Assembly

Many improvements have been made at Falls Creek. The major project is the letting of a contract April 17, 1958, for the first phase of a 60x150-foot swimming pool. We hope to raise additional funds so that the pool can be finished by the 1959 assembly. The estimated cost is \$65,000. The board elected a long-range survey and planning committee to study future needs and to work with the administrator and the regular assembly committee of the board. The special long-range survey committee is composed of Hale A. Dixon, chairman, H. E. Alsop, Richard T. Hopper, Joe Ingram and J. W. Wade.

Boys Ranch Town

The Gensman building was opened May 3, 1958. It cost approximately \$110,000 furnished and will accommodate 20 boys. It will be dedicated on the opening day of this convention, Nov. 11.

Oklahoma Baptist University

The expansion of the men's dormitory, under construction since September, 1957, was finished and opened for the fall term of 1958. This lovely addition cost about \$700,000 furnished. It provides for an additional 200 men.

Funds continue to come in on the chapel fund. Almost \$200,000 has been received or pledged. This is a good beginning but not enough to assure the chapel. The chapel is needed now. We plead with Oklahoma Baptists and other friends of Christian education to unite in providing this urgently needed building.

Survey Study

A special committee was appointed by the convention president to make a survey and long-range plans for Oklahoma Baptist University. This committee, composed of J. Thurmond George, Max Stanfield, Lowell Milburn, James F. Heaton and C. Murray Fuquay, will work with the university administration, trustees, and Board of Directors in an effort to meet the needs of our rapidly growing school.

Golden Age Homes

The first unit of the Hugo Golden Age Home is partially finished and will be dedicated Dec. 14. One wing accommodating 20 residents was occupied Nov. 1. The other wing will be finished as funds become available. About \$30,000 is needed to finish and furnish this wing. When completed we will have a beautiful home for 40 senior citizens. We will have invested about \$190,000. The Baptist Foundation received a will and land valued at \$12,000. Mr. and Mrs. Will Baskett gave the land and citizens of Hugo and surrounding area raised \$65,000. We are grateful to these friends for their generous contributions.

The convention owns 20 acres adjacent to the Baptist Memorial Hospital, Oklahoma City, which cost \$80,000. We have paid \$45,000 on this investment. It is the hope and prayer of many that this Golden Age Home may be started soon.

Oklahoma Baptists will have opportunity to show their interest in these homes in 1959, since the Dedicated Dollars Day offering will be designated "Golden Age Homes."

Net Assets

Dec. 31, 1957, the convention's total net assets were \$15,861,273.35 as follows:

Under direct supervision of the convention and its board of directors. (This includes hospitals, Golden Age Homes, Children's Home, Boys Ranch Town, Falls Creek, Baptist Building, etc.) -----		\$ 7,450,946.76
Oklahoma Baptist University -----		5,931,692.83
Baptist Foundation -----		2,478,633.76
TOTAL -----		\$15,861,273.35

This includes property, equipment, operating and investments.

In 1957 church property was valued at \$69,951,230, bringing grand total Oklahoma Baptist assets to \$85,812,503.35.

T. P. Haskins

Dr. T. P. Haskins resigned as state evangelist Jan. 1, 1958. Although he entered retirement he is serving, without salary, as chaplain of Baptist Memorial Hospital, Oklahoma City. Much of his time this year has been given to raising funds with which to furnish the new building. His long and successful ministry as pastor, assistant secretary and evangelist has endeared Dr. Haskins to all our people and he will continue to serve our churches as well as the hospital.

Jack Carroll

When Dr. Haskins announced his resignation as state evangelist, the board authorized the executive secretary-treasurer and the

secretary of the Department of Brotherhood and Evangelism to secure a man to assist in that department, concentrating his efforts upon the Brotherhood work.

We were very fortunate in securing Jack Carroll, pastor of First Church, El Reno, for this position. Jack Carroll has been successful as a pastor, evangelist, and outstanding in working with men. He began his new duties July 15, 1958.

Arthur S. Davenport

Arthur S. Davenport, who has served as director of Public Relations for the past five years, resigned effective Sept. 1, 1958. Davenport did an excellent job in many fields of Public Relations. He not only served our convention efficiently but made a great contribution in this field across the Southern Baptist Convention. He is resuming active management of his own public relations firm.

Dick McCartney

Dick McCartney, who was assistant in the Public Relations office, became the director upon the resignation of Davenport. Dick is a graduate of John Brown University and Southwestern Seminary. He has been associated with WKY Radio and TV and other stations. He is well qualified in training, experience and dedication. We welcome him to our staff.

A Day to Remember

Cooperative Program Day in Oklahoma Baptist Churches

To be observed any Sunday in September

To strengthen interest in the Cooperative Program and promote increased goals through church budgets, one Sunday in September should be designated as Cooperative Program Day.

(Q) What is the purpose of Cooperative Program Day?

(A) To inform Oklahoma Baptists about the Cooperative Program in order that its support be increased and the goal for next year be fully subscribed. Since information is the only intelligent basis for co-operation, the observance of such a day is in order.

(Q) Is a supplementary offering among all churches for the Cooperative Program proposed for this day?

(A) The best way to support all the Lord's work is by a regular per cent of the offering given weekly through the Cooperative Program. The purpose of this observance is to provide a basis for increased giving to missions through the Cooperative Program. This gives an opportunity to call for more prayerful and generous support of the Cooperative Program.

(Q) Would there be any objection to a church using this day for a catch-up offering for the Cooperative Program?

(A) If the church is behind on its goal, it might take a catch-up offering. Challenge members to catch up on unpaid pledges in

order that the church may catch up on mission gifts through the Cooperative Program.

(Q) Should a special offering for the Cooperative Program be taken in a church that has no budget?

(A) Since many churches have no budget, but depend on offerings for all their mission giving, they might want this opportunity to give or to supplement their giving by special offering.

(Q) How may Cooperative Program Day be observed?

(A) By programs and announcements in Sunday school and Training Union, a sermon, movies, slides, visual aids, Cooperative Program literature, and by the testimonies of leaders.

(Q) How will this help us reach the Cooperative Program goal?

(A) It gives an opportunity to commend members for what has been done and suggests an increase in the new budget for the Cooperative Program. It shows the people how much they are giving, how much they might give, and how the Cooperative Program money is used.

The Forward Program of Church Finance

The Forward Program of Church Finance provides a complete program for the every member support of an enlarged church program, including world missions, local work, and building needs. It is a plan for greatly increasing budget receipts and developing the spiritual vitality and missionary achievements of the congregation.

The Southern Baptist Convention at Miami in 1955 approved the establishment of this program, and the Promotion Committee, in co-operation with the state secretaries, agency heads, state editors, stewardship leaders, and pastors worked out the details after studying the best of all church, denominational and professional budget, fund raising and church finance programs. It is of high professional quality, and built particularly for Southern Baptist churches and fitted to their needs, facilities, programs, and principles. The program is planned to fit in with the present organizations in the church, and is built upon the great stewardship principles as set forth in the Bible.

The greatest single step ever taken by Southern Baptists in the economic realm was the adoption in 1925 of the Cooperative Program.

The second greatest single step in the same realm is the adoption of a commitment to a program of implementation for the Cooperative Program; namely, the Forward Program of Church Finance for Southern Baptists.

The Cooperative Program is a correlation of all our missions.

The Forward Program of Church Finance is correlation of good methods in raising our support to world missions through the Cooperative Program.

The Cooperative Program is our "life line" to a perishing world.

The Forward Program of Church Finance is the power to put the message on the line.

The Cooperative Program is a plan to reach the world outside the church for salvation.

The Forward Program of Church Finance is a method of reaching the folk inside the church in order that God can bless them here with means and hereafter with rewards.

A summary of 63 churches in Oklahoma that used the Forward Program of Church Finance in 1957 reported an increase of 85 per cent in pledges, and 87 per cent in tithers.

Some of the first churches giving a complete report of the results of the Forward Program are:

Each of four regional Pastors' Stewardship meetings in April and May provided hours of study and included not only the details of the program, but results of campaigns conducted last year. Arrangements for conferences at workers conference times have been worked out with the associational missionaries and pastors who want special training for church committees in the Forward Program of Church Finance.

Stewardship-Budget Recommendations

1. We recommend use of the Forward Program of Church Finance in every Oklahoma Baptist church as soon as possible. Our goal is at least 400 churches using the Forward Program during the year. At least half the churches in Oklahoma should use it in 1959.

2. We heartily recommend that every church be encouraged to increase its Cooperative Program goal by at least two per cent for 1959. We suggest that every church, after proper promotion and

prayerful consideration, make the advance it deems possible under local circumstances but that such advance be at least two per cent of the total budget. It is understood that much publicity will be given to the percentage of giving through the Cooperative Program and to the idea of an annual increase of at least two per cent.

For several years Oklahoma, by agreement with other states and the Southern Baptist Convention, has deducted certain expenses before the division of funds. These are: administration, promotion, retirement, **Baptist Messenger**, and Woman's Missionary Union. By the deduction of these items before division, the Southern Baptist Convention has a share in the promotion of its institutions and agencies within the state.

You will note that we have shown the various items in the state convention budget by listing first the items of expense and the items from which income is anticipated. The first column shows the 1958 adjusted budget under which we are now operating. The last column on each page shows the estimated needs for 1959.

You will note that as in the 1958 budget all building and endowment items are preceded by an asterisk. These are the items whose payment in full will be contingent upon the amount of money received and the meeting of other budgetary needs.

1959 ALL-CHURCH LEADERSHIP CLINICS

In 1957 the state departments, institutions and agencies entered into a program to reach the leadership in all churches in the state. A one night meeting was held in 37 of the 39 associations. Every department of our convention work was represented in these conferences. The various churches had large numbers in attendance.

The plan was so successful that in 1958 similar meetings were planned for 13 of the associations and in January and February of 1959, 13 other associations will be engaged in the clinics. The 1959 schedule is as follows:

Operation Baptist Biography

W. E. Grindstaff has been asked to serve as state director of Operation Baptist Biography which is now being launched in Oklahoma. This program is designed to help future historians to chronicle better the achievements of the years and sense the spirit in the people that made such achievements possible. Operation Baptist Biography is a joint project of the Southern Baptist Convention Historical Commission and state commission. The goal is biographical information about 50,000 Baptists, ministers and lay people, living and deceased, from over the Southern Baptist Convention. Oklahoma has a goal of 2,500 biographies. Any Baptist may file his own biographical data but because some people may hesitate to file their own biography, and to be sure of getting biographies of outstanding Baptists who are deceased, Baptist churches and agencies are now being asked to help. Churches are asked to fill out forms in triplicate giving information, including character sketch, about each person whose biography they desire to record. The church will keep one form with one form being filed by the state convention and one by the Southern Baptist Convention Historical Commission.

Operation Baptist Biography is the first effort Southern Baptists have ever made to use the method that God employed in the Bible to preserve the inspiring stories of Abraham, Moses, David, the servant girl, Stephen, Paul, and even God's son, Jesus Christ. God is calling us in Operation Baptist Biography to secure resource materials for a massive book of remembrance of the life and labors in Christ of our people.

II. RETIREMENT PLANS:

1. That we encourage churches to pay both parts of the retirement: the church's 5 per cent and the pastor's and other full-time workers' 5 per cent.

2. That the Executive Committee and heads of all departments, agencies, and institutions be appointed as a committee to study this problem and to launch a program to inform our pastors and churches and endeavor to secure as near 100 per cent participation as possible.

3. That the Baptist Foundation encourage friends of ministers to remember the retirement program in the distribution of their estates.

III. BAPTIST MEMORIAL HOSPITAL, OKLAHOMA CITY:

1. That the security for a loan be a first mortgage on Baptist Memorial Hospital, building, equipment and grounds, and further secured by a pledge as a first charge against the distributable Cooperative Program funds, monthly, of the amount necessary for debt service, until the loan is paid.

IV. STEWARDSHIP-BUDGET:

1. We recommend use of the Forward Program of Church Finance in every Oklahoma Baptist church as soon as possible.

2. We heartily recommend that every church be encouraged to increase its Cooperative Program goal by at least two per cent for 1959.

3. That we continue to emphasize the objective of "Every Baptist a tither" and attempt to enlist all members in Bible stewardship.

4. That increased emphasis be placed upon the stewardship and evangelistic conference to be held in First Church, Oklahoma City, Jan. 26-28, 1959.

V. PUBLIC AFFAIRS:

The Baptist Joint Commission on Public Affairs has suggested that each state have a Public Affairs Committee to consider matters that may come up from time to time. In view of this suggestion, we recommend:

1. That the following be elected as the Public Affairs Committee for the Baptist General Convention of Oklahoma for the ensuing year:

President of the Baptist General Convention

Executive Secretary-Treasurer

Editor, Baptist Messenger

Director, Public Relations

President, Oklahoma Baptist University

VI. GENERAL:

1. That we exercise the strictest economy consistent with efficient administration.

2. That we continue operating on a cash basis as far as possible.

3. That the 1959 State Mission Budget be so projected as to incur no deficits. The Administration and Board of Directors are to take whatever action may be necessary to insure that there are not operating deficits.

4. That all institutions and agencies of the Baptist General Convention of Oklahoma be instructed to incur no debts that are not authorized by the convention or its Board of Directors.

VII. OPERATION BAPTIST BIOGRAPHY:

That every pastor be encouraged to file his biography with the Baptist General Convention and that churches be invited to supply necessary biographical data concerning other members and deceased persons. Such biographical information should be filed with the convention on or before Jan. 31, 1959.

118. Secretary John T. Daniel made the following motion which passed with unanimous voice vote:

"That the Board of Directors of the Baptist General Convention of the State of Oklahoma be authorized to transact any unfinished or new business necessary to the work of the Convention, and that the President and Recording Secretary of the Convention be authorized to sign any legal papers of the Convention which require signatures."

The above is a simplified treasurer's report. A complete, certified audit of all convention work, including institutions, will appear in the 1958 Baptist General Convention annual, to be released about April 1, 1959, a copy of which will be sent free of charge to every co-operating Baptist church in Oklahoma. The annual will be mailed to the church, in care of the pastor, and will be available to every individual member for study.

(Note: The 1957 totals shown above are not the same as those which appeared in the 1958 handbook. This is because figures from Muskogee, Seminole and Wichita Indian Association were secured too late to be included with the official 1957 report. The 1957 figures of that association have been added to the 1957 report that appears here. Those figures have also been added to the 1958 totals to keep comparison accurate, as the association's report is not yet available again this year.)

Record of Oklahoma Baptist Churches for 1958

On the following pages appears the 1958 record of co-operating Baptist churches in Oklahoma. Reports are arranged by associations. Statistics concerning church membership, baptisms and enrolment in organizations are given as reported in the 1958 associational letters and were furnished by the Research and Statistics Department of the Sunday School Board of the Southern Baptist Convention, J. P. Edmunds, secretary, as was the information in the above table. Record of the contributions of the churches to missions through the Cooperative Program and special offerings is for the calendar year and was taken from the books of the Baptist General Convention of Oklahoma. Report of the Indian associations follows that of the 39 regular associations. Record of contributions through the Baptist Foundation of Oklahoma is from the Foundation's books, and this report appears separately.

Baptist General Convention of
the State of Oklahoma
Oklahoma City, Oklahoma

Gentlemen:

We have examined the balance sheet of Baptist General Convention of the State of Oklahoma, including only the funds as herein defined, as of December 31, 1958, and the related statements of fund reserves, and receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

No provision was made for depreciation of assets.

In our opinion, subject to the comment in the preceding paragraph, the accompanying balance sheet and statements of fund reserves and receipts and disbursements present fairly the financial position of Baptist General Convention of the State of Oklahoma at December 31, 1958, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours truly,
Wolf and Company

COMMENTS

Organization

Baptist General Convention of the State of Oklahoma was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. It was incorporated under the laws of the State of Oklahoma without capital stock. Its first Articles of Incorporation were filed in May, 1917, for a term of twenty years, and its amended Articles of Incorporation were placed on record March 6, 1928 as an organization in perpetuity.

Since November 1, 1935, the convention has had direct supervision of the Baptist Orphans' Home, and its assets, liabilities, income, and expenses are treated as a separate fund, both on the convention books and in this report. The home is located in the vicinity of Oklahoma City, Oklahoma, and is incorporated under the laws of the State of Oklahoma as a charitable institution without authorized capital. It was organized in March, 1904 for the purpose of providing protection and care for needy orphans.

On October 28, 1946, the convention created a separate corporation, The Baptist Foundation of Oklahoma, for the stated purpose of building, undergirding, and stabilizing the agencies and institutions owned and operated by the convention. Subsequent thereto, certain investments for trust and endowment funds were transferred to the foundation by the convention. The accounting for such specified funds has been handled by the foundation as a separate entity, since its inception.

The major classifications of the executive office of the convention and their general functions are described below:

Collecting and Accounting—Receiving contributions for the Cooperative Program budget and other designated funds, maintaining records therefor by church units and funds, and transmitting periodically the portion allocated to the Southern Baptist Convention, the various Baptist hospitals within the state, the University at Shawnee, Oklahoma, The Woman's Missionary Union of Oklahoma, The Baptist Foundation of Oklahoma, and other designated donees.

Baptist Messenger—Printing and publishing a denominational paper known as "The Baptist Messenger."

Department of Child Care—Operation and management of "The Baptist Orphans' Home" and "Boys' Ranch Town," construction of buildings, and maintenance of buildings and grounds.

Falls Creek Assembly—Covering vacation training at Falls Creek, Oklahoma, and the maintenance of assembly properties.

Division of Religious Education—Providing for advancement and enlargement of educational activities in churches of the state, and

coordination of Baptist work in the student union centers at the various state educational institutions.

Building Program—Accounting for contributions and appropriations toward a building program of the convention, supervising construction of such projects and disbursing funds therefor.

Gentlemen:

We have examined the balance sheet of The Baptist Foundation of Oklahoma, including only the funds as hereinafter defined, as of December 31, 1958, and the statement of fund reserves for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

No provision was made for the depreciation of fixed assets.

In our opinion, subject to the comment in the preceding paragraph, the accompanying balance sheet and the statement of fund reserves present fairly the financial position of The Baptist Foundation of Oklahoma at December 31, 1958, and the results of its activities for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours truly,
Wolf and Company

Organization

The Baptist Foundation of Oklahoma was granted a charter by the State of Oklahoma on October 31, 1946, for perpetual existence without capital stock, and its principal place of business at Oklahoma City, Oklahoma. It was created by The Baptist General Convention of the State of Oklahoma, and its Articles of Incorporation and by-laws were approved by the body in convention assembled at Oklahoma City, Oklahoma on October 28, 1946. Its stated purpose was to build, undergird, and stabilize the agencies and institutions owned and operated by the convention.

The corporation was formed as a private, nonprofit, religious association "to purchase, control, manage, acquire, hold, barter, sell, convey, exchange, expand, distribute invest and otherwise dispose of all real, personal, or mixed property of whatever nature, and where-soever situated—for the church and other religious and charitable purposes—necessary for its membership—worship and exercise of such powers."

Its duties and powers are to receive by gift, devise, bequest, and otherwise, any money or property to be used as may be directed; to enter into contracts or trust agreements with individuals, corporations, or partnerships, for the purpose of furthering the interest of educational institutions, hospitals, orphanages, student centers, and any other property in order to assist and promulgate, the furtherance of the convention and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign missionary work, to borrow money, hold, administer and dispose of property; make conveyances and assignments; incur obligations and prosecute or defend any action or suit in which involved.

As interpreted by the directors of the corporation, its responsibilities are to procure funds for capital improvements and endowments, and to hold, disburse, and invest funds according to designation made and as set out in the charter.

Accordingly, on April 7, 1947, custody of certain investments and their corresponding trust and endowment funds totaling \$76,-776.29, was transferred from The Baptist General Convention of the State of Oklahoma to The Baptist Foundation of Oklahoma.

Bonds Payable

The University is the obligor under two bond indentures in the total amount of \$1,298,000.00. At the closing date all of these bonds were held by the Housing and Home Finance Agency of the United States Government.

The first indenture, known as the Oklahoma Baptist University Dormitory Bonds, Series of 1955, consists of \$598,000.00 of 2-3/4% first mortgage bonds. Interest is payable May 1 and November 1. These bonds mature in amounts beginning with \$9,000.00 on Novem-

ber 1, 1958 and increasing through the years to a maturity of \$25,000.00 on November 1, 1995, and are secured by a first mortgage on the Mrs. W. S. Kerr Memorial Dormitory.

Under the terms of the bond indenture, naming the Federal National Bank, Shawnee, Oklahoma, as trustee, certain income of the University is pledged for the retirement of these bonds.

According to the terms of the loan agreement between the University and the lending agency, and in the opinion of legal counsel of the University, it is the primary obligation of the University to deposit semiannually \$16,000.00 to the bond sinking fund account with the trustee to meet principal and interest maturities until such time as the balance in this account is equal to the debt service requirement for the current year plus the two succeeding years. Then the semiannual payments shall be for the amount of interest and principal then due; and other provisions or restrictions as to income do not apply as long as this requirement is met.

The University made the two semiannual payments of \$16,000.00 each to the sinking fund as required and the balance in the fund at May 31, 1958 was \$32,806.86.

The second indenture, known as the Oklahoma Baptist University Student Housing Bonds, Series 1957, consists of \$700,000.00 of 2-7/8% first mortgage bonds. Interest is payable April 1 and October 1. These bonds mature in amounts beginning with \$11,000.00 on October 1, 1960, increasing through the years to a maturity of \$33,000.00, October 1, 1997 and are secured by a first mortgage on Brotherhood Memorial Dormitory.

Under the terms of the loan agreement and the bond indenture, naming the Federal National Bank, Shawnee, Oklahoma, as trustee, certain income of the University is pledged for the retirement of these bonds.

According to the terms of the loan agreement between the University and the lending agency, and in the opinion of legal counsel for the University, it is the primary obligation of the University to deposit \$20,625.00 semiannually to the bond sinking fund account with the trustee to meet principal and interest maturities until such time as the balance in the account is equal to the debt service requirements for the current year plus a debt service reserve of \$60,000.00. Then the semiannual payments shall be for the amount of interest and principal then due, and any other provisions or restrictions do not apply so long as this requirement is met.

Since the project has not yet become revenue producing, only the interest has been paid on this bond issue and the reserve has not yet been established.

COMPOSITE AUDIT

For the Nine Baptist Hospitals

For the Year Ending

December 31, 1958

From the office of

Tom E. Carter, Director

Baptist Hospitals and Golden Age Homes

The following pages, Exhibit A, Exhibit B, Exhibit C, and Schedule 1 and Schedule 2, comprise a composite audit of the nine Baptist hospitals in operation in 1958, as operated by the Baptist General Convention of Oklahoma.

This audit was compiled from the annual audits furnished by the auditors for these hospitals. Their detailed audits for each of the hospitals are in the pages immediately following this composite audit.

This composite audit was prepared in the office of the director of Baptist Hospitals and Golden Age Homes, that our people might have a clearer picture of the overall program of our hospitals.

The Baptist Memorial Hospital of Oklahoma City was not in operation in 1958 and is not included in these figures. Information concerning this hospital is included in the Convention Audit. The audit for the Hugo Golden Age Home is a separate audit.

Signed: Tom E. Carter

FOR THE YEAR ENDING

PERRY MEMORIAL HOSPITAL**Perry, Oklahoma**

January 21, 1959

Board of Directors
Baptist General Convention
1141 North Robinson
Oklahoma City, Oklahoma
Gentlemen:

At your request an examination of the books and records of the Perry Memorial Hospital, Perry, Oklahoma, has been made for the year ended December 31, 1958, and the following statements are submitted:

Exhibit A—General Fund Balance Sheet

Exhibit B—Plant Fund Balance Sheet

Exhibit C—Statement of General Fund—Income and Expenses

Schedule 1—General Fund Earnings from Routine and Special Services

Schedule 2—General Fund Expenses for Routine and Special Services

Your attention is called to the following comments:

1. Accounts Receivable were reconciled to the controlling account but direct confirmations have not been made by us as of December 31, 1958. Based on past experience the reserve for uncollectible receivables is based on 1½% of the past years charges. This method has proven to be adequate.

2. Extensions and additions of the actual physical inventories were inspected by us. Only minor adjustments were noted.

3. Several years ago an inventory replacement reserve was set up by a charge to General Fund expense and a credit to reserve for inventory replacement in the amount of \$735.99. This reserve has been retired as of December 31, 1958, by a charge to Reserve for Inventory replacement and a credit to the General Fund Net Worth. This was deemed advisable as a result of your presently adopted standard policy to establish a reserve for depreciation or replacement of all leased buildings and equipment.

Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and other auditing procedures as were deemed necessary under the circumstances.

In our opinion this report presents fairly the financial position of the Perry Memorial Hospital at December 31, 1958, and the results of its operations for the year then ended, on a basis consistent with that of the preceding year.

Respectfully submitted,
The Ley-Andersen Company

Gentlemen:

I have completed an audit of the books of the Cordell Memorial Hospital at Cordell, Oklahoma, as of December 31, 1958. Attached, you will please find Exhibits and Schedules, as follows:

Exhibit A—General Fund Balance Sheet, as of December 31, 1958.

Exhibit B—Plant Fund Balance Sheet, as of December 31, 1958.

Exhibit C—Statement of General Fund Income and Expense, January 1 to December 31, 1958.

Schedule No. 1—Earnings from Routine and Special Services, January 1 to December 31, 1958.

Schedule No. 2—Expenses of Routine and Special Services, January 1 to December 31, 1958.

SCOPE OF AUDIT

A balance-sheet type of audit was made, of the accounts at December 31, 1958. The following comments are made:

1. The accounts receivable were confirmed by outside correspondence.

2. I had no opportunity to witness the physical inventory count; so accepted the inventory figures compiled by hospital personnel.

3. The accounts payable were not confirmed by outside correspondence.

COMMENTS

I found the books to be in excellent condition. No recommendations are made for changes.

The loss incurred by hospital can undoubtedly be attributed to the small percentage of occupancy, which was approximately 45 per cent of capacity.

AUDITORS OPINION

With the above limitations and exceptions, in my opinion the attached statements present fairly the results of operations for the period January 1 to December 31, 1958, and the financial condition of this hospital, as of December 31, 1958.

I wish to take this opportunity to express my sincere appreciation to Rev. Hendricks and members of his staff for the fine co-operation I received and the many courtesies extended to me during the course of this audit.

Respectfully submitted,
Scott Quigley

Board of Directors
Baptist General Convention
1141 North Robinson
Oklahoma City, Oklahoma

Gentlemen:

At your request, an examination of the books and records of the Enid General Hospital, Enid, Oklahoma, has been made at December 31, 1958, and for the year then ended. As all standard auditing procedures have been performed in connection with all items except the verification of pledges on the building fund, no opinion is expressed on Exhibit "D", but the other statements and comments in my opinion fairly reflect the condition of the regular operations of the hospital. The following are submitted:

Exhibit A—General fund balance sheet

Exhibit B—Plant fund balance sheet

Exhibit C—Statement of general fund—income and expense

Exhibit D—Building fund

Schedule 1—General fund earnings from routine and special services

Schedule 2—General fund expenses for routine and special services

1. The cash balance of \$304.54 is still in the Ford Foundation account.

2. Property known as Weibel property was purchased during the year at a cost of \$37,500.00. A non-interest bearing note of \$32,500.00 was signed in the transaction. A letter dated January 23, 1959 to Tom Carter and Joe R. Baker disclose computation of \$2,471.00 loss on its operation charged to net worth.

3. Property valued at \$24,476.50 was received from surplus property agency. Value in excess of small handling cost has been treated as a contribution.

Respectfully,
Certified Public Accountant

Gentlemen:

The transactions of the Stillwater Municipal Hospital, Stillwater, Oklahoma, have been examined for the year ended December 31, 1958, as recorded in the books of account and other records made available for an inspection to the following extent.

Cash on Deposit was verified by the depository statements of the Stillwater National Bank and the First National, both in Stillwater, Oklahoma.

All recorded cash receipts were traced to deposit in the bank.

Paid checks returned by the banks were compared with the record of checks drawn and spot checked as to signature, amount, and endorsements.

Accounts receivable balances of the subsidiary ledger were scheduled and aged by us. Letters of confirmation were mailed on selected accounts having balances December 15, 1958, and only minor differences were reported in replies.

A certificate was obtained from the management that the inventory was accurate and properly taken.

The amount of unexpired insurance premiums was computed from available policies and a letter from Mashburn-Cole Agency, Oklahoma City, Oklahoma, on the coverage carried by them.

The accounts payable were not verified but were taken from invoices and statements.

A report is submitted in the statements listed below and the accompanying pages of comments.

Oklahoma City, Oklahoma

Gentlemen:

I have completed an audit of the books of the Southwest Baptist Hospital at Mangum, Oklahoma, for the calendar year ending December 31, 1958. Attached, you will please find Exhibits and Schedules, as follows:

Exhibit "A": General Fund Balance Sheet, as of Dec. 31, 1958.

Exhibit "B": Plant Fund Balance Sheet, as of December 31, 1958.

Exhibit "C": Statement of General Fund Income and Expense, January 1 to December 31, 1958.

Schedule No. 1: Earnings from Routine and Special Services, January 1 to December 31, 1958.

Schedule No. 2: Expenses of Routine and Special Services, January 1 to December 31, 1958.

Exhibit "D": Convalescent Home Fund Balance Sheet, as of December 31, 1958.

Exhibit "E": Statement of Convalescent Home Income and Expense, January 1 to December 31, 1958.

SCOPE OF AUDIT

A Balance-sheet type of audit was made, of the accounts at December 31, 1958.

I had no opportunity to witness the physical inventory taking, so accepted the inventory figures compiled by the hospital personnel.

The Accounts Receivable were confirmed by outside correspondence. The Reserve for Bad Debts appeared to be reasonable, and was not disturbed.

The Accounts Payable were not confirmed by outside correspondence.

COMMENTS AND RECOMMENDATIONS

In general the books were found to be in excellent order. The following comments are made:

1. The inventories of Medical—Surgical supplies, and Pharmacal supplies were down somewhat from the perpetual inventory figures, indicating laxity in charging out supplies in the prescribed manner, and/or pilferage.

2. I would like to re-emphasize the accounting problems raised by the operation of the Convalescent Home in part of the hospital facilities. The main problem is one of proper allocation of costs. It is important that this be done as equitably as possible; especially for purposes of accurate reimbursable cost figures. Again, I suggest that

some study should be made of this problem and a definite set of rules, or formulas, should be worked out with the Oklahoma Hospital Association, as a guide for the individual hospitals.

AUDITORS OPINION

With the above exceptions and limitations, in my opinion the attached financial statements present fairly the financial condition of this hospital as of December 31, 1958, and the results of operations from January 1 to December 31, 1958.

I would like to take this opportunity to express my sincere appreciation to Rev. Hill and members of his staff, for the fine co-operation received, and the many courtesies extended to me during the course of this audit.

Respectfully submitted,
Scott Quigley

FOR THE YEAR ENDING

By

Muskogee, Oklahoma

February 12, 1959

Board of Directors,
Baptist General Convention of Oklahoma,
Oklahoma City, Oklahoma.

Gentlemen:

In accordance with your request, I have examined the financial records of the

**OKLAHOMA BAPTIST HOSPITAL
MUSKOGEE, OKLAHOMA**

for the twelve month period ended December 31, 1958, and present my report in the following "Exhibits" and "Schedules":

Letter of Transmittal

Comments

Exhibit "A"—Balance Sheet—General Fund

Exhibit "B"—Balance Sheet—Plant Fund

Exhibit "C"—Statement of General Fund Income and General Fund Expense

Schedule No. 1—General Fund Earnings from Routine and Special Services

Schedule No. 2—General Fund Expenses for Routine and Special Services

My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and other auditing procedures deemed necessary under the circumstances.

In my opinion, subject to my comments, this report presents fairly the financial position of the hospital at December 31, 1958, and the results of its operations for the year then ended, on a basis consistent with that of the preceding year.

Respectfully submitted,

Glenn R. Davis

Certified Public Accountant

COMMENTS

Cash

All cash receipts of record were verified and traced to deposit in the bank accounts of the Hospital during the year 1958. Cancelled checks returned by the bank were compared with the disbursements record, and proved to have been properly recorded and signed.

Accounts Receivable

Accounts Receivable were not verified by direct communication with the patients or persons responsible for payment of the accounts, but the individual accounts were reconciled with the control maintained for these items in the general records.

Provision was made for Bad Accounts by establishing a "Reserve for Uncollectible Accounts" in an amount equal to 7% of the outstanding accounts receivable on December 31, 1958. This reserve

was adjusted to 7% of the outstanding accounts after charging off all known bad accounts, charity accounts, and other discounts and allowances.

Prepaid Value

Supply Inventories were accepted as furnished by the hospital staff, and no verification as to the quantities or pricing of these inventories was made in connection with this examination. Inventories were classified as follows:

Medical and Surgical Supplies	9,134.62
Drugs	13,711.82
Administrative Supplies	1,194.60
Dietary Supplies	1,801.62
Housekeeping Supplies	492.15
Repairs and Maintenance Supplies	40.00
X-Ray Supplies	913.58
Linens and Bedding	1,913.25
Laboratory Supplies	1,490.32
Total	30,691.96

Unexpired insurance was computed from insurance policies available and other information on file, and represents the unexpired portion of insurance premiums prorated over the life of the policies in force at the closing date of this report.

General Fund Liabilities

Trade Accounts Payable in the amount of \$32,641.32 are stated as reflected by the records without direct verification with the creditors. Amount due the Baptist General Convention was verified by a statement of the account from the accounting office of the Convention. Notes Payable are being paid in monthly installments and the amount shown represents the unpaid balance.

Accrued Payroll Taxes in the amount of \$3,070.93 represents the liability for payroll taxes withheld during the last quarter of 1958, and includes the adjustment for the employer's share. Employees Contributions to the Expansion Fund represents amounts deducted from employees payroll checks, which has not been paid over to the Expansion Fund on December 31, 1958.

General Fund Net Worth

An analysis of this account is presented as a part of the Balance Sheet—General Fund, and reflects the changes in the account during the Year 1958.

Plant Fund

In Exhibit "B," the Balance Sheet of the Plant Fund, I present the values for Land, Building and Equipment as reflected by the records. Depreciation has been provided on a basis consistent with the preceding year, and conforms to rates established by the Oklahoma Hospital Association. On file, I present a schedule reflecting the changes in the fixed property during the year 1958, and the computation of depreciation charged to expense during the year. It will be noted that additions to the fixed property accounts, have been pur-

chased from two sources, out of general funds and out of the Expansion Fund. Purchases of Equipment and the cost of additions to the Buildings from the Expansion Fund were obtained from the records of the Expansion Fund bookkeeper, but were not verified during this examination. Since these records are maintained separately, I was advised that a complete audit of these records would be made as soon as practical. Additions to the Buildings and Equipment during 1958 from this source were classified as follows:

Improvements to the Hospital Building	29,217.29
Furniture, Fixtures and Equipment Purchased	18,294.39
Total	47,511.68

When further expenditures are made from this Expansion Fund they will be incorporated in the general records of the Hospital, as additions to the fixed property accounts.

Resume

During the year 1958, the records for the School of Nursing have been maintained separately from the general records of the Hospital, but at the request of your Superintendent of Hospitals, the operations and accounts of the School of Nursing have been incorporated in the Balance Sheet and Operating Statements of the General Fund. This procedure if followed will more accurately reflect the cost of Nursing Education.

In general, all the records of the Hospital were kept in good order. However, I have some recommendations for changes in the analysis of the income and expenses, so that information necessary to conform to the classifications of the audit report form, can be more readily obtained. These recommendations will be furnished your Hospital Administrator, for consideration.
