Home Missions

Striking advances in missions and evangelism were made in 1958 by Southern Baptist churches working through the Home Mission Board.

Dr. Courts Redford, executive secretary-treasurer, reports that on May 1, 1959, the number of mission personnel reached the all-time

high of 1,386. In addition, about 450 student summer missionaries worked for ten weeks under the direction of home missionaries, and 382 Southern Baptist chaplains were on active duty. During 1958 your home missionaries saw 41,859 professions of faith and the chaplains reported 11,203 professions of faith. Home missionaries led in constituting 399 new churches and 564 new missions during the year. Your home missionaries entered 30 new fields in language missions.

A most significant advance was the reorganization of the board. Five divisions were formed to unify, strengthen, and correlate all the work. They are: Missions Division, Evangelism Division, Education and Promotion Division, Church Loans Division, and Chaplains Division. This reorganization necessitated the election of the following to the Home Mission Board staff: Arthur Rutledge, Glendon McCullough, secretary, Department of Personnel; J. C. Durham Jr., secretary, Department of Promotion; James Peck, secretary, Institutional and Industrial Chaplains; Fred Moseley, secretary, Department of City Missions. Earlier in the year, Vernon Yearby joined the Evangelism Division as an associate.

The Home Mission Board is increasing its co-operation with the state boards. A new plan of full co-operation in language missions was adopted by the Home Board and Texas.

Cuba and Panama continue to make progress toward self-support.

The need for mission work in the pioneer areas was recognized by the survey committee in its report to the convention this year. New Southern Baptist work has begun in metropolitan areas. There are now 68 city mission programs throughout the convention and plans are to add five more during the next few months.

The Church Loan Fund has been increased to push forward the Home Mission Board's participation in the 30,000 Movement. Pastoral aid, extended by the board, is a key factor in the establishment of new missions and churches.

The Home Mission Board has made unusual progress toward achieving its Jubilee Advance goals. 1958 was a year of prayer, and millions of Southern Baptists signed soul-winning commitment cards. Over 29,000 churches participated in the simultaneous crusades in 1959. Extensive plans are being made to expand the program of conserving the results of evangelism.

Evangelism—personal witnessing—was the theme of the 1959 home mission graded study series. The books had a circulation of over 335,000. The number of churches conducting schools of missions increased to 2,500.

Southern Baptist Convention growth is home missions progress. Southern Baptists in this year have their greatest opportunity in the influence of their churches through the Home Mission Board to claim our land for Christ.

By "Lifting up our eyes and looking upon the field that is white unto harvest and seeing that the laborers are few and praying the Lord of the harvest that he will send forth laborers into his harvest" with each church and each Baptist giving himself unto our Lord and our possessions through our church and from the church through the Cooperative Program for world missions we can win the lost.

Respectfully submitted, Herschel H. Henkel, M. D. Gentry, Jimmy Floyd, Bob Harris, W. W. Dishongh.

16. E. J. Kearney, Wewoka, read the scripture lesson from Deuteronomy 6:4-13.

17. Robert J. Daugherty, College Heights Church, Chickasha, led in prayer for divine presence and guidance during this session.

18. Congratulatory messages from the following Baptist Conventions were read and motion carried to send appropriate responses: Georgia, North Carolina, South Carolina, Maryland, Tennessee, Alabama, Mississippi, Hawaii, and a personal message from Dr. W. Leonard Stigler, superintendent of evangelism in Ohio.

19. Dr. J. A. Pennington, Secretary of Brotherhood and Evangelism, introduced assistants in his department: Mrs. LeRoy Brower;

Mrs. Tony Scaramucci; Jack Carroll, his assistant; and Bob Banks, leader in Royal Ambassador work. Various phases of our Brotherhood work were discussed.

20. Motion carried to adopt the Brotherhood report.

Brotherhood

J. A. Pennington, Secretary

Brotherhood work in Oklahoma is growing. Of our 1,285 churches, 933 report Brotherhood work and 821 Royal Ambassador chapters. The Brotherhood enrolment for 1958 was 19,365 and Royal Ambassador enrolment, 6,553. This is a 5.6 per cent increase over 1957. We find evidences on every hand that the quality of work being done is improving each year.

We are always confronted with problems in the Lord's work. This is true in our Brotherhood work. However, there is always a solution. Dr. J. M. Price has well said, "The key to any problem is leadership." With the right leadership on the part of pastors and presidents, we can solve our Brotherhood problems. If we are to have the right leadership, we must train our men. To this end, your state Brotherhood personnel have dedicated themselves to an associational training program. Through associational clinics and two-night leadership training courses, we are seeking to help our pastors and laymen to improve their efficiency for this phase of the work. Sixteen of our associations have been reached this year with such a training program.

Excellent literature is being provided for helping our men and boys. In addition to the **Brotherhood Guidebook** we have the **Brotherhood Handbook**, an annual publication, and the **Brotherhood Journal** which is published quarterly. For the Royal Ambassador leadership, there is the **Guide for Counselors** and the **Ambassador Leader** which is published quarterly. The **Ambassador Life** is a monthly publication for the boys. Each church should provide these helps through the church budget as they do the literature for the other church organizations.

We would continue to urge our churches to observe Layman's Day on the second Sunday in October each year. The Layman's Day Soul-Winning Crusade which is suggested for the three days preceding the second Sunday in October offers an excellent opportunity for developing our men in personal soul-winning. This also provides another means of reaching lost men for Christ.

We are grateful to Mrs. J. E. Hudgens for the gift of property in Pittsburg County. This consists of 73 acres of land adjacent to and overlooking McAlester Lake. There are also several buildings on the property, formerly owned and used by the International Order of the Rainbow for Girls. This is to be used as a Royal Ambassador camp. We hope to have camp there in the summer of 1960.

In order to use the camp, there is much to be done. Buildings must be renovated and repaired. The water system must be put in order. Equipment of all kinds must be provided. All of this will call for money. In the 1960 budget \$5,000 has been provided. We will need approximately \$25,000.

This can be made possible through our churches in their allocation for Brotherhood work without any burden to anyone. Some churches have already promised to include in their budgets for Brotherhood expense, sums ranging from \$5 to \$25 per month for this purpose. If each of our churches would do the same, it would not be a hardship on any church. In this way we could provide adequately for our boys and their summer camping program.

In order that our men of Oklahoma may more efficiently serve the Lord through their churches and be better informed as to the work of our denomination, we would recommend:

1. A Brotherhood organization in every church, making regular monthly reports to the associational Brotherhood president.

2. That consideration be given to the four major areas of Brotherhood work in planning the program of work for the Brotherhood. These areas are:

(1) EVANGELISM

—Establishing new work (30,000 Movement)

(2) COOPERATIVE PROGRAM

—2 Plus for World Missions

(3) ROYAL AMBASSADORS

—Increasing Royal Ambassador membership

(4) STEWARDSHIP

—Accepting Christian Obligations

3. That each associational Brotherhood be thoroughly organized according to the plans which will include an associational leader for Royal Ambassadors and a Royal Ambassador committee. We continue to urge the associational presidents to make quarterly reports to the associational executive board and to the state Brotherhood secretary; also, that the dates and places of meetings for the quarterly associational Brotherhood rallies be planned immediately and included in the calendar of activities for the association.

4. We urge the fullest cooperation on the part of our laymen, pastors and all members of our churches in the promotion of the state Royal Ambassador Congress, Feb. 26-27, 1960, to be held in First Church, McAlester. During the congress a dedication service will be held for "Camp Hudgens for Royal Ambassadors."

21. Dr. H. Truman Maxey brought the report of Child Care and motion carried for its adoption.

The assistants in this department were introduced as follows:

Mrs. Emma Kraft; Art Chase; Charles T. Boldin; James Browning; Mrs. Irene Hack; M. Judson Cook.

Dr. Maxey brought an inspiring and informative message regarding child care.

Child Care

H. Truman Maxey, Executive Director

Multiple Services

The idea of expansion of services in our Baptist ministry to children, so as to meet their individual needs in each case, has been rapidly taking hold among our people as they understand the function of the Child Care Department. The department offers residential care in the Baptist Children's Home and the Boys Ranch Town, counseling, adoption, foster home care and referral to other available and applicable resources.

Boys Ranch Town

With the opening of the Gensman building in 1958, it has been possible to accept more boys until we reached capacity, which is room for 41 boys. The oval parking area has been hard surfaced this year. Our people surely recognize that Boys Ranch Town has desperate building needs, such as more cottages, water tower, shops building, administration building, and many other facilities to meet the needs of a marginal behavior boy.

Baptist Children's Home

The peak enrolment of 204 was reached last May. The applications for admission have increased and with the repeal of liquor laws, this will accelerate the conditions that make children dependent and neglected. Five young ladies graduated from high school this last spring. A concrete recreational playground was constructed this year. Two urgent capital needs are: A library and music annex and a laundry building.

Financial

The cost of our Child Care ministry is a "penny a second" which means a budget of \$315,000. The Birthday offerings have been constant. The Egg Offering in the spring gained a little. Clothing sponsors have been faithful. The "One Day's Pay" slid downward a little in 1958, but hope and pray it increases for 1959. There was good response to the direct mail for Boys Ranch Town last year and the 1959 letters and seals were mailed Monday, Nov. 2. Cooperative Program allocation for 1960 will increase \$10,000. Total endowment increased some by gifts by wills. (See the Baptist Foundation report)

Acknowledgment

The children and the young people you have ministered to and the staff, who serves both you and them, wish to express our deep gratitude to every Baptist church and every person who has contributed

in any way and to each of you who have prayed for the success of this momentous task.

22. Dr. W. F. Staton, El Reno, brought the report on Religious Literature and motion carried for its adoption.

23. Dr. Jack L. Gritz, editor of the **Baptist Messenger** presented Leland Webb, his associate, and explained the purposes of the **Messenger**.

Religious Literature

Baptists thrive on information, and Southern Baptists are blessed with an array of informative literature in almost every area of work. The Sunday School Board, Foreign and Home Mission Boards, Christian Life Commission, and our other agencies print much free literature, in addition to journals, periodicals, quarterlies and the like, which contribute to keeping the people informed and promoting the entire church program.

Of particular interest to Oklahoma Baptists is the **Baptist Messenger**, designed as their one missionary magazine for informing members of the churches and promoting the program of the Baptist General Convention of Oklahoma. News from the churches, articles on our institutions and agencies, editorials, and doctrinal articles make the **Messenger** one of the best available instruments for promoting a local church program.

Dr. Jack L. Gritz has completed a decade as Editor of the **Baptist Messenger**. During this period circulation of the **Messenger** has grown to exceed 75,000 each week. The staff includes Mrs. Raymond Hurt and Leland Webb, editorial assistants; Miss Inez Frazier, office secretary; Mrs. Fannie Luschen, circulation secretary; and T. A. Davis, press superintendent.

We recommend that the BAPTIST MESSENGER be included in every church budget, in order that the objective "Every Baptist family in Oklahoma reading the BAPTIST MESSENGER every week" may be realized.

Respectfully submitted, W. F. Staton, Chairman, J. Paul Carleton, Joe Howard, Richard M. Peterson, Guy D. Ward

24. Dr. Auguie Henry, Secretary of the Baptist Foundation, presented his annual report. Members of the Foundation Board were introduced to the Convention. Horace Lee Janes and Earl L. Stark, associates in the department, were presented to the Convention. Also, members of the Advisory Board were introduced. Motion carried for adoption of the report.

The Baptist Foundation of Oklahoma

Auguie Henry, Executive Secretary Treasurer

As this 54th annual meeting of the convention marks the 13th anniversary of this convention's creation of the Baptist Foundation of Oklahoma, and Sept. 15 was the 10th anniversary of Dr. Auguie

Henry as executive secretary-treasurer of the Foundation, we present a summary report of the Foundation for the past 13 years and give a more detailed report covering the year from Oct. 1, 1958 through Sept. 30, 1959.

A Summary Report

When the office of the Foundation was established in the Kerr-McGee Oil Industries Building, Second and Robinson, Oklahoma City, on April 7, 1947, the convention transferred to the Foundation all of its trust funds consisting of \$76,776.29 in assets. A little more than one-half of these assets was for Oklahoma Baptist University endowment.

Since that time it has been necessary for the Foundation to pioneer in a forest of denominational work where few trails had been blazed. We are pleased to report that the policies adopted during these years have produced beneficent results in the promotion of the Foundation's program in the procurement of funds, in the administration of trusts, in the investment of trust funds, and in services to individuals, churches, institutions and agencies. Today the Foundation is firmly established not just on paper but in the life of our denomination in Oklahoma and in the business life of the state as the permanent incorporated trust agency of the convention and for Baptist institutions and agencies.

The total assets of the Foundation on Dec. 31, 1949 were \$187,-019.08. Since that time the assets have been increased to \$2,981,580.91 as of Sept. 30, 1959. The total receipts of the Foundation as of Sept. 30, 1959 were \$6,271,321.39. During two years of this period the receipts exceeded one million dollars annually (1953—\$1,214,842.59 and 1957—\$1,056,051.97). Disbursements to the convention to institutions and agencies, et al, as endowment income for building funds, and for miscellaneous items have totaled \$3,289,740.48 as of Sept. 30, 1959.

Building Funds

During the past 10 years all of the funds, or the basic gift, was received by the Foundation for the founding of new institutions or agencies by the convention and other Baptist organizations in Oklahoma as follows:

BOYS RANCH TOWN (1953) located near Edmond, was made possible by a living trust made to the Foundation by Mr. and Mrs. J. M. Johnson, of Oklahoma City, involving \$547,537.39 in money and other properties. This trust was made in 1953 in memory of Jimmy Johnson, the deceased son of Mr. and Mrs. Johnson.

THE BSU CENTER AT DURANT for students at Southeastern State College (1953) was provided in a living trust to the Foundation by Mr. and Mrs. S. A. Whale of Durant. The additional funds for constructing the present building and the furnishings of same were provided by churches and individuals of Durant, Southeastern and

Southern Oklahoma. These funds were paid through the Foundation. The Foundation holds title to this property.

THE BSU CENTER AT WILBURTON for students at Eastern A&M College (1953) was built by funds given through the Foundation by churches and individuals of Southeastern Oklahoma, and an allocation from the Cooperative Program. The Foundation holds title to this property.

GOLDEN AGE HOME AT HUGO (1958)—Mr. and Mrs. William A. Baskett, Antlers, deeded in trust to the Foundation in 1956 the location for this home, consisting of 68 acres of land adjoining the city of Hugo on Federal Highway 70. Funds for construction of the first unit were provided by a citizens' campaign in Hugo and Southeastern Oklahoma and by an allocation from the Cooperative Program.

All of the funds, or the basic gift, has been received by the Foundation for the following buildings:

W. S. KERR COTTAGE (1953) at the Oklahoma Baptist Orphans' Home—\$91,239.00 for constructing this building was given by Senator Robert S. Kerr in memory of his father.

THURMOND SCIENCE AND ADMINISTRATION BUILDING (1953) Oklahoma Baptist University—\$274,092.47 for this building was received as a bequest in the will of Mrs. Olive C. Thurmond, deceased, of Ardmore. Additional gifts were received by the Foundation and the university and the balance was provided by the Cooperative Program.

THE JOHN D. RINARD COTTAGE (1956) at Oklahoma Baptist Orphans' Home—This building including all furnishings and costing \$91,623.96 was provided by a bequest in the will of John D. Rinard, deceased, of Ada, and a living trust by his wife, Mrs. Ermine Rinard.

THE J. T. AND MAUDE GEORGE COTTAGE (1956) at Oklahoma Baptist Orphans' Home—The basic gift of \$73,138.90 for this building was provided in a bequest that came to the Foundation from the will of Dr. J. T. George, deceased, of Oklahoma City.

MRS. W. S. KERR DORMITORY FOR WOMEN (1956) at Oklahoma Baptist University—The basic gift of \$250,000 was given as a living trust to the Foundation by Senator Robert S. Kerr in memory of his mother.

GENSMAN MEMORIAL COTTAGE (1958) at Boys Ranch Town—The basic gift of \$80,819.19 for the erection of this building was provided as a bequest in the will of Lucia E. Gensman, deceased, of Lawton and was increased to \$85,552.21 by the investment program of the Foundation.

In addition to the above, funds have been received for the following buildings:

POTTER COTTAGE—Oklahoma Baptist Orphans' Home
FIELD HOUSE—Oklahoma Baptist University

FORD MUSIC HALL—Oklahoma Baptist University

BSU CENTER—Norman

BSU CENTER—Stillwater

BAPTIST MEMORIAL HOSPITAL — Oklahoma City

The first contribution for this hospital was made to the Foundation by Clyde C. Clayton Sr. of Houston, Texas, the father of Rev. Clyde C. Clayton, Baptist Student Union Director of the Baptist General Convention of Oklahoma.

MEMORIAL CHAPEL—Oklahoma Baptist University

Endowment Funds

Through the year 1953 the Foundation's major emphasis had been on the building needs of institutions and agencies. Beginning in 1954 the Foundation has placed its major emphasis on the undergirding of Baptist institutions and agencies with endowment funds, but not to the neglect of building needs. Endowment assets have been greatly increased and millions of dollars have been written as living trusts, as gift annuities and as bequests in wills that will come to fruition in the future. Approximately 800 trusts and wills have been written during the past 10 years for the benefit of Baptist causes.

Church Building Loans

The Foundation put into operation the Church Building Loan Trust Fund in 1954. The first loan was closed in June of that year. During the past five years commitments for 125 loans have been made for the amount of \$1,905,582.00.

Services to Individuals, Churches, and Other Baptist Groups

The Foundation operates an important service program for individuals involving estate planning, serving as executor for wills, as trustee for loved ones of donors to the Foundation for Baptist causes, operating of student loan funds and student scholarship funds. In addition to the operating of the Church Building Loan Fund the Foundation is serving as trustee for church trust funds. These services are also provided for associations and other Baptist organizations like district Baptist assemblies. In other words, the Foundation has become the trust agency for any Baptist organization desiring its services.

Administration of Trusts and Investments

The Foundation's administration of trusts and investments program has produced an excellent income without the loss of a single dollar in investments during the past 13 years. The net percentage of income on investments for the year 1958 was 4.99 per cent.

10-Year Program

In 1957 the Foundation began a 10-year program which is to end with the year 1966. This program includes the following objectives:

1. Procure a minimum of \$10 million as endowment funds.
2. Write a total of 1,240 trusts and wills.

3. Write a total of 1,030 gift annuities.
4. Have \$5 million invested in church building loans.
5. Procure capital funds in addition to endowment funds.

We are pleased to report that encouraging progress has been made toward reaching these objectives. After 1959, the goals for the remaining years of the 10-year program will be:

	1960	1961	1962	1963	1964	1965	1966
Trusts and Wills written	115	120	125	130	135	140	150
Annuities written	100	110	120	130	135	140	145

With the co-operation of pastors, and state, associational, institutional, agency, and departmental leadership we believe that the 10-year objective in receipts can be exceeded.

For the Year—Oct. 1, 1958 through Sept. 30, 1959

It has been necessary to fill a vacancy on the Board of Directors by the resignation of M. C. Kelly, of Elk City, who is leaving the state. We express our appreciation to this good layman for his faithful services over a period of several years as a director. In the spring meeting of the board on May 14, 1959, Ray Murphy, of Tyrone, was elected as a director to succeed Kelly. Murphy is an outstanding layman and deacon of First Church, Tyrone, and active in the Panhandle Association. He is the first person to serve as a Foundation director from the Panhandle. With the election of Murphy, the present organization of the board is as follows:

We regret that it was necessary because of illness for Fred J. White to resign as administrative assistant after he had been with the Foundation from Jan. 1, 1959 to June 30, 1959.

Receipts and Disbursements

During the calendar year of 1958 receipts totaled \$708,367.92. During the year Oct. 1, 1958 through Sept. 30, 1959, the receipts were \$818,749.77.

During 1958 \$387,782.68 was paid to the convention, to institutions and agencies and endowment income, for buildings and miscellaneous items. The receipts represent a number of sources. Two of the more important means of income during the past year have been living trusts involving monies, personal properties of various kinds, real properties, and bequests in wills.

Trusts and Wills

During the past year (Oct. 1, 1958 through Sept. 30, 1959) the Foundation has done the estate planning for and assisted in writing 192 trusts and wills. The Foundation's executive secretary has served as executor in the probate of three wills during the past year where bequests were left to the Foundation for Baptist causes and has assisted in the probate of 16 additional wills where bequests were left for Baptist causes.

Gift Annuities

During the past year seven gift annuities were written for the amount of \$25,550. We fear that too few of our people understand about the gift annuity as a means for contributing to Baptist causes. The Foundation will put forth a special effort during the coming year to acquaint the Baptists of Oklahoma with this means of contributing. It is our firm conviction that if people who make contributions of certain amounts understood this method of contributing, that they would be in a position to contribute more by this means because of the fact that they are guaranteed a life income on the amount they contribute in gift annuities and at a rate that should appeal to everyone.

Church Building Loans

During the past year (Oct. 1, 1958 through Sept. 30, 1959) 32 commitments have been made for church building loans involving \$469,182.00. More and more churches are learning of the advantages in having a loan with the Foundation.

Promotion

The Foundation is using various means to inform the Baptists of Oklahoma as to its services to individuals, churches, and associations as well as to institutions and agencies, and as to the various phases of its work. This promotion includes furnishing speakers for pulpits and for various kinds of church, associational and state meetings. It distributes an assortment of folders on different phases of its work. "Make-Your-Will Month" in January and "Foundation Month" in September are observed as a part of the calendar of activities of the Oklahoma and Southern Baptist Conventions. The Foundation co-operates with the convention in promoting the "All Church Leadership Clinic" in January and February each year. One

of the most effective means of promotion is the Foundation's "Implementing the Forward Look" program. During 1959 this program has been presented for nine consecutive Sundays in churches of Oklahoma County Association, two Sundays in Kay Association, and two Sundays in Panhandle Association. Plans are being made to present the program in Muskogee, Comanche-Cotton, Jackson-Greer, and Haskell Associations during 1960. The associations and churches are urged to elect annually Foundation representatives who work with the Foundation in promoting the Foundation's program.

3. We recommend that the state, associational and church leaders do everything possible in co-operating with the Foundation toward reaching the following goals during 1960:

(1) Total receipts for endowment and capital funds, one million dollars.

(2) Do the estate planning for and assist attorneys in writing 115 trusts and wills.

(3) Write 100 gift annuities.

25. R. C. Miller Jr., Field Representative of the Relief and Annuity Board, presented the report on this work.

Dr. Floyd Chaffin, Associate Secretary of the Relief and An-

nuity Board, was presented and spoke to the report. Motion carried to adopt the report.

Relief and Annuity

There are approximately 31,400 churches in the Southern Baptist Convention. On Sept. 1, 1959, the Relief and Annuity Board reported only 11,873 of these churches participating in the denomination's protection program for church and pastor.

Early in 1959, the Annuity Board launched a new promotional approach to the protection program in an effort to bring this death, disability and retirement protection to a minimum of 75 per cent of the convention's churches and pastors by 1960. Only about 37 per cent are protected through the program now.

This new approach asks the church to assume 10 per cent of the cost of the program. Heretofore, the church and pastor each paid five per cent, with the state convention adding another five per cent.

Your state convention leaders are calling on the leadership of the individual churches to help bring this vital protection to a minimum of 75 per cent of the churches and pastors in your state. (Statistics below show the number of churches and pastors in your state now enrolled in the program.)

Statistical Report for 1958

Benefits paid out—\$2,414,767.90

Number receiving these benefits—Approximately 5,300 retired or disabled ministers and denominational workers and widows.

New members enrolled in the protection plans—3,113

New churches and agencies co-operating in the plans—881

Income from investments—\$2½ million.

Total reserves for all the protection plans—\$63½ million.

Investment Program

To continue on a sound financial basis, the Annuity Board must have an adequate investment program. Income earned from investments is added to the protection plan reserves to strengthen them and assure payments of benefits in future years.

In the spring of 1959, the board began operating its largest investment endeavor to date, a 15-story office building in downtown Dallas. Bearing the name of its location, 511 North Akard, the building houses the Annuity Board's headquarters on approximately 2½ floors. The remainder of the space, 123,000 square feet is being leased, and the income added to the reserves.

Woman's Missionary Union

Miss Margaret Hutchison, Executive Secretary

The first year of ADVANCE in Woman's Missionary Union during the five years of advance goals leading to the Baptist Third

Jubilee brought steady increases in all phases of WMU work—in some areas, marked advance.

Certain general goals were adopted for the five-year period with definite goals for each year; each year with a particular emphasis.

The steady progress is attributable to many consecrated women and young people. The 18 state officers, the 38 associational WMU presidents with their associational officers and chairmen, and the 930 WMU local presidents with numerous local officers and chairmen teamed together for this advance. The office personnel gave unstintedly of time and energy to produce materials planned by state officers.

GOAL I. Promotion of study of the book **Christian Witnessing**.

Woman's Missionary Union for the year 1958-59 adopted **Christian Witnessing** for the year's emphasis, the term for evangelism, the convention's emphasis. The book **Christian Witnessing** on the third aim of WMU was published for study during the fourth quarter. Figures are not in to report on this study but all indications are that most societies did study this first of six books on WMU Aims to be produced during the five-year period before the 150th anniversary celebration of organized Baptist life in North America.

GOAL II. Promotion of soul-winning visitation program in co-operation with the Baptist General Convention.

The Jubilee purposes (1) to work co-operatively, and (2) to witness effectively were achieved during March and April in the simultaneous revivals in churches of Oklahoma. The report of June 1959 showed 607 societies participating in planned community missions, 488 of these reporting definite soul-winning visitation.

GOAL III. Promotion of plans for pre-revival prayer meeting in the homes.

The third WMU goal, pre-revival prayer meetings in homes, was another gratifying area in which women co-operated with the churches during the revival period.

GOAL IV. Net gain of 100 churches with a WMU organization.

"Assisting associational Woman's Missionary Unions in forming WMU organizations in churches," proved a challenge to associational WMU presidents as missions of churches were organized in the associations (the 30,000 Movement of the convention). WMU moved in quickly to organize missionary organizations. Encouraging figures reveal 53 new missionary societies organized since October 1959, 22 YWAs, 75 GAs, 65 Sunbeams, or a total of 215 new WMU organizations. Of these, six were organizations in the 141 new preaching points and 41 in the 60 new churches. The goal of a net gain of 100 WMU organizations was more than met.

As of Oct. 1, 1959, it is pleasing to report in Oklahoma 930 societies, (Indian societies, 105) 302 YWAs, 1,149 GAs, 932 Sunbeams, a total of 3,418 WMU organizations.

GOAL V. Net gain of 4,000 in membership.

A new plan in Oklahoma has been adopted by some missionary societies to experiment with during the new year. Thousands of women in our churches are not members of the missionary society and in order to enlist some of them this experiment seeks to have a WMS by day and one by night, each with a complete set of WMS officers. Relatively few churches and only three associations are experimenting with this plan. Results will be checked and if outstanding, then consideration of more churches undertaking the plan will be promoted. Efforts have been made to provide night circle members with every advantage the day members enjoy; such as mission study institutes, district WMU conferences, and night associational rallies.

GOAL VI. Support the convention program to increase gifts through the Cooperative Program.

The nine-month report of WMU showed 23,302 women giving regularly through the Cooperative Program, an increase of 625 over the same period of the previous year. This increase in givers is the only way WMU can determine the goal "increased gifts through the Cooperative Program," since this giving is done through the churches and no records for the women's gifts are available. We rejoice over the increased number of members giving, for there is assurance the amounts increased accordingly. The state stewardship chairman led in these stewardship goals.

GOAL VII. Increased number of tithers.

The seventh goal, "Increased number of tithers," is easily figured and shows an increase. Of the 23,976 women reported enrolled in WMU, 13,679 are tithers, over against 12,963 in 1958, an increase of 386 tithers.

GOAL VIII. Increase of 11 per cent in Lottie Moon Christmas Offering.

The Oklahoma WMU 1958 Lottie Moon Christmas offering reached \$270,566.52, which exceeded the 11 per cent increase by \$3,705.66. WMU is ready to strive for the goal of 12 per cent increase in the 1959 offering over 1958. The goal will be \$304,034.50.

GOAL IX. Increase of 11 per cent in Annie Armstrong Offering.

WMU of Oklahoma gave in 1959, \$76,892.67 for the Annie Armstrong Offering for Home Missions. This is an increase of \$13,-049.90 or \$6,027.20 more than the 11 per cent increase. This trend is most encouraging.

GOAL X. Increase of 11 per cent in Edna McMillan Offering for State Missions.

The state WMU Edna McMillan Offering for 1958 was \$39,-788.75. The increase in 1958 over the 1957 offering was 10.4 per cent. Surely the 11 per cent increase over the 1958 offering will be made in 1959. At this writing that season of prayer has just been observed and the offering has not had time to be gathered in and

remitted to the state treasurer. The 11 per cent is less than the goal of \$50,000 set and great hopes are that the larger goal will be met. Then, next year the 12 per cent increase over that given in 1959 would be the goal.

GOAL XI. Subscriptions to each monthly magazine equaling 55 per cent of the members of the respective organization.

At the beginning of the 1958-59 WMU year, subscriptions to **Royal Service** numbered 12,861. The Third Jubilee Goal for subscriptions was subscriptions equaling 55 per cent of the membership. The June 1959 reports showed 9,619, not Birmingham figures which are always larger than our reports. At the beginning of the year there were 1,218 subscriptions to **The Window**, 5,137 to **Tell**, and 1,240 to **Sunbeam Activities**.

Oklahoma was given the privilege of offering the bargain rates by Southern WMU at the September district conferences this year. At these meetings, the amazing results were 3,126 subscriptions, new and renewals to **Royal Service**, 2,132 to **The Window**, 160 to **Tell** and 304 to **Sunbeam Activities**. When figures come from Birmingham there is confidence the subscriptions will be 55 per cent of each WMU organization's membership.

GOAL XII. Co-operate in plans to establish missions.

This goal, too, is difficult for WMU to report for our part is "to co-operate." There is the knowledge, however, that women have done this. Since there were 60 churches organized and 141 missions and preaching places started from the beginning until now, and in 47 there is a missionary society, we recognize the interest of the women in this goal.

GOAL XIII. Work to be an Honor WMU.

Annual records are not in at this writing. Therefore to report on success with this goal is impossible since Honor WMU organizations cannot be known until the year's work is completed. This is a high goal, one if reached by a WMU means diligent, prayerful, constant service throughout the entire year.

Some Other Phases of WMU Work

Since year by year emphases are to change in this Jubilee Advance, some phases of WMU work were not included in this year's goals. These records are also interesting and encouraging.

To Glorieta WMU conference two chartered buses took 78 women. Eight were state WMU officers going for instruction. Two hundred and twelve from Oklahoma attended, including many associational and local officers.

Fifty YWAs attended Glorieta YWA conference.

The state conference for promotion led by state officers at Nunny-Cha-ha for associational officers enrolled 183 from 34 associations.

A state foreign mission study institute was held August, 1959, with 239 associational teachers attending. The state home mission

study institute in December, 1958, enrolled 240. Associational institutes followed, these trained teachers guiding local teachers in presenting the books to local members.

The state meeting for night circle women was held at Texoma with 272 present for full time. The name of this meeting was changed to WMU retreat.

Again Oklahoma had its full number of delegates to the Southern WMU annual meeting.

Five GA camps enrolled 895; the YWA camp, 163. Thirty-one GAs answered the call to mission service with many other decisions being made.

At the three weeks of Falls Creek Assemblies, 3,768 were enrolled in the 51 mission classes offered by WMU. Missionaries, 14, served from one to three weeks with many pastors and WMU members teaching also.

Into the state were brought 34 missionaries who served 119 engagements, many being week-long encampments; others day rallies.

The recently held district WMU conferences, 15 by day and 10 by night, reached 4,898 women, 732 more than 1958. Many of these were night circle members which encourages one to believe that WMU will make its greatest growth perhaps through the area of night circles.

Through the three Intermediate GA conferences and two YWA conferences at the Extension Center in the spring, 687 GAs and 462 YWAs were reached for missions. Three or four missionaries spoke to the girls.

Other State Chairmen's Work

Mrs. Frank Baugh had to resign in August to move with her husband to Colorado.

A total of 1,882 books were taught during the first nine months of 1958-59; 7,816 was the highest number of women reading a book any quarter. The annual report figure for the year will be much better.

Associational mission study institutes following the state institutes numbered 26 holding both the home and foreign institutes and four holding only one. A total of 3,993 teachers received help in teaching the local WMU organizations.

The state prayer chairman led the women into deepening their own spiritual lives through prayer. More societies observed all five days of the weeks of prayer. A total of 650 WMS observed the Home Mission Week of Prayer, 683 the Foreign Mission Week of Prayer. For 1958, 656 WMS observed the State Mission Season of Prayer. The 1959 figures are not in yet. The year 1958-59 was called a Year of Prayer.

Personnel

Miss Mary Fitzer, state Sunbeam Band director, was called to

Hawaii in September. We regretted to lose her from the state Sunbeam Band work which she led so ably.

Miss Johnie Barnhart has written this statement to me for the nominating committee: "As the time has drawn nearer for election of new state WMU officers, I have been convinced by the Lord that he has another place of service for me; therefore I do not desire to be renominated as YWA-GA director of Oklahoma. These two years of service in Oklahoma have been enjoyable and challenging. You and the people of Oklahoma have been wonderful to work for and with. Pray with me as I seek and find the Lord's place and plan for me."

This year is the fulfillment of the four-year tenure of office for three other state officers: Mrs. Robert Bazzell, stewardship director; Mrs. Hale Dixon, Sunbeam Band representative; and Mrs. Louis Hendricks, YWA representative. These three women have given amazingly of their time and talent these four years in promoting their phases of WMU work.

WMU is grateful for the unusual co-operation from state, associational and local officers and for their devoted service to the cause of missions.

To the Baptist General Convention, Woman's Missionary Union expresses deepest gratitude for the increased budget for their support this year. It has facilitated the work and allowed for growth.

To the office secretaries for their loyalty and immense amount of work turned out throughout the year are due many thanks. Especially I am thankful for the extra work and responsibility assumed in my absence from the country.

Personally I am overwhelmed with the trip around the world to visit mission fields made possible by the convention and WMU.

36. Clarence Duncan, Director of Promotion for the Radio and Television Commission of the Southern Baptist Convention, was introduced and spoke to the Convention on the work of the Commission.

37. J. M. Gaskin, Secretary of the Historical Commission in Oklahoma, was introduced and presented the work of the Commission. Motion carried to adopt the report.

Davis C. Woolley, Secretary of the Southern Baptist Historical Commission spoke to the Convention on the work of the Commission.

Historical Commission

J. M. Gaskin, Secretary

The Historical Commission met twice during the past year. The first meeting was Jan. 27, 1959, in Oklahoma City and the other meeting was at the Oklahoma Baptist Hospital, Muskogee, on Sept. 17, 1959.

The main projects of the commission during the year have been erection of a historical marker at Atoka and observance of the Golden Anniversary of the Oklahoma Baptist Hospital, Muskogee.

In January of this year the commission voted to feature some phase of our organized Baptist work in Oklahoma in each issue of the **Oklahoma Baptist Chronicle**, official publication of the commission and Oklahoma Baptist Historical Society. First Church, Atoka, was designated the subject for the spring emphasis of this year, and that number of the **Chronicle** carried fully documented articles on the history of the Atoka Church and related themes.

The Atoka church was organized May 5, 1869, by Joseph Samuel Murrow, and seems to be Oklahoma's oldest white Baptist church today with continuous service from the date of organization. In and around Atoka much early Oklahoma Baptist history was made. The spring number of this year's **Chronicle** tells most of that history as it is known.

Your historical secretary participated in the Diamond Jubilee Anniversary observance of the Atoka church on May 3, and in the afternoon of that day dedicated the historical marker one block west of the church location, on Highway 69.

The autumn number of the **Chronicle** this year features the Oklahoma Baptist Hospital, Muskogee, in observance of its fiftieth anniversary. The commission assisted in planning and directing this occasion, which was observed with open house at the hospital in the afternoon of Sept. 17, then with a dinner meeting at First Church, Muskogee, that evening.

The commission has voted to feature Oklahoma Baptist University in the spring number of the **Chronicle**, 1960. This will be in connection with OBU's Golden Jubilee Celebration. Appropriate articles are to be printed on the history of Christian education in Oklahoma, with special emphasis on the history of OBU.

The commission continues its program of gathering historical materials for the permanent collection at the Oklahoma Baptist University Library, Shawnee. Old church records, associational minutes, letters of correspondence, diaries, pictures, newspapers, and all other items of historical significance, especially if they are related to Baptist life, are desired. If you can assist in collecting any of these, send your items to Lee B. Spencer, librarian, Oklahoma Baptist University, Shawnee.

During the past year the commission arranged for the micro-filming of all items on record with the Historical Commission, SBC, Nashville, which in any way are related to Oklahoma Baptist life, and a copy of this microfilm now is on deposit at OBU. This is a valuable addition to our historical collection, and is available for general use by anyone doing historical research.

The annual meeting of the Historical Society is set for Tues., Nov. 10, 1959, 5 p.m., at the Brook Plaza Cafeteria, 5117 South Peoria, Tulsa. Davis C. Woolley, newly elected secretary of the Southern Baptist Historical Commission, will be guest speaker. No

reservations are necessary. All members of the society are urged to attend, and non-members are invited.

Membership in the society is open to anyone who wishes to join. Annual dues are \$2, and life membership dues are \$25. The **Chronicle** is mailed without charge twice annually to all members. Also, a bonus book on Oklahoma Baptist history is given free this year to each renewal of membership and to each new member. For details, write J. M. Gaskin, Heavener.

38. J. A. Pennington, Secretary of Evangelism for the Baptist General Convention of Oklahoma, presented the report on Evangelism.

Motion carried to adopt the report.

Evangelism

J. A. Pennington, Secretary

"New Life For You" became a reality in the lives of 7,248 people during our 1959 simultaneous revivals when that number of people accepted Christ as Savior and joined our churches for baptism. There were 3,444 other additions during that period. We praise God for these blessings.

Plan Book

The **Revival Plan Book** was a great help to our churches. Those that followed the plans as outlined found their work more effective. Another **Revival Plan Book** has been prepared for our 1960 revivals. We would encourage every pastor to use this book as he plans with the church council for the revivals next year.

Weaknesses Revealed

There were a number of weaknesses in our crusades this year. Too many churches were lax in their preparation; some waited too late to secure their help; others participated for only eight days. One of our major difficulties was the liquor fight that was thrust upon us. This, of course, divided the attention of our people at a very crucial time in our revival effort.

Startling Facts

The 1958 report on evangelism reveals 175 churches reporting "no baptisms" for the year. What a tragedy for any Baptist church to go 12 months without winning and baptizing individuals to Christ! However, we rejoice in those churches that were faithful in reaching people for the Lord. There were four associations—Comanche-Cotton, Harmon, Mullins and Oklahoma County that reported baptisms in every church.

This report further reveals that 84 churches reported "no revivals" for the year; 345 churches reported only one revival. At the same time 727 churches reported two or more revivals for the year. These 727 churches accounted for 85.6 per cent or 16,607 of our

total baptisms for 1958. Thirty-six per cent of our total baptisms came during the simultaneous revivals.

Greater Effectiveness Needed

We must do something to increase our effectiveness in reaching people for Christ and church membership. Dr. J. P. Edmunds has stated that there are 407 million more lost people in the world today than in 1945. Our population is growing rapidly. Truly it can be said, "Multitudes, multitudes in the valley of decision." It is our firm conviction that God has given us one of the very best programs to be found for reaching people. We have the methods and the techniques of evangelism. We have the message, the Gospel, which is "the power of God unto salvation." He has promised the power of the Holy Spirit. May God help us to yield ourselves as Oklahoma Baptists to his leadership to the end that we may reach this great multitude for Christ. We must have a perennial evangelism.

Future Plans and Goals

For the years 1960 to 1963 each association will set its own date for the simultaneous revivals. In 1964 a worldwide simultaneous crusade is planned. The 1964 suggested dates for Oklahoma should be known in the near future.

Dr. Leonard Sanderson, director of the Division of Evangelism of the Home Mission Board, Southern Baptist Convention, has suggested some challenging baptismal goals for the next five years. These goals were approved unanimously and enthusiastically by the state secretaries of evangelism. Listed below are the conventionwide goals; also, Oklahoma's share of these goals:

Baptismal Goals—1960-1964

Year	Conventionwide	Oklahoma
1960	550,000	26,400

1963	800,000	38,400
1964	1,000,000	48,000

"Ye shall be witnesses unto me . . ." (Acts 1:8).

In this report we welcome the close observation of our brethren and their prayers as we enter a new phase of mission work in Oklahoma.

Sixteen years ago this department of work was begun and each year we have witnessed growth in our Baptist Zion of Oklahoma. The superintendents of associational missions have been faithful and fruitful in their labors for the Lord. They have worked closely with every campaign and project attempted by the convention. We believe no finer missionaries are to be found anywhere than our own associational superintendents of missions and we congratulate them and say "well done."

We offer the following as a partial report of work accomplished in the last 12 months, pledging our renewed efforts as we face the new year together.

30,000 Movement

In June 1956 the Southern Baptist Convention began the 30,000 Movement in which they set a goal of 10,000 churches and 20,000 missions by 1964. The Southern Baptist Convention, the state convention, the association and the local church all have a part in this great endeavor. Sam W. Scantlan was asked to serve as state director.

The 30,000 Movement is not only concerned with new churches and new missions that will become a church in time, but is vitally interested in establishing preaching and teaching stations in jails, rest homes, hospitals, shops, and any place where people do not have an opportunity to hear the gospel preached. Many churches have arranged for services in many of the institutions and the response has been gratifying.

July 1 closed three years of the program and in Oklahoma we have had 58 new churches constituted and 141 missions established. Following are some interesting figures by associations:

Schools of Missions

One of the most interesting programs any association can have is Schools of Missions. In such a campaign each church will have a week of intensive mission study about the mission fields of Southern Baptists and hear a different missionary speak nightly about his own particular field. Programs were conducted in six associations this past year. The following figures give facts concerning this important work:

Association	Supt. of Missions	Churches Participating	Number of Missionaries
Union	P. E. Tapp	17	17
Central	C. T. Perkins	24	21

Summer School for Preachers

One of the most profitable and far-reaching things we do for our leadership is the Summer School for Preachers held each summer at Oklahoma Baptist University in Shawnee. The interest in the school at the university is certainly gratifying.

Some of the best preachers in the land are brought in to teach in the school. This last summer the faculty was Dr. W. Boyd Hunt, head of the Department of Theology at Southwestern Seminary, Fort Worth, Texas; Hale A. Dixon, pastor, First Baptist Church, Pauls Valley; Edward Hurt, associate secretary, Brotherhood Commission, Memphis, Tenn.; Dr. John W. Raley; Mrs. John W. Raley; Miss Margaret Hutchison, executive secretary of Oklahoma WMU; and Sam W. Scantlan.

There were 64 enrolled for the 10-day course. Dr. Raley, president of OBU, has been kind enough to say that this is one of the finest things that is done at the university. Joel R. Rodgers was elected president.

Student Summer Mission Program

Nine Baptist students from eight states assisted in seven of the associations this summer. These students are employed by the Home Mission Board for ten weeks and are assigned to work with some of our superintendents of missions in Vacation Bible Schools, revivals, surveys, study courses, youth camps, etc. The following gives their names, home address and where they worked:

Name	Home	Association
William Wallace Adams Jr.	Paducah, Ky.	Frisco
Patricia Dean Hicks	Chattanooga, Tenn.	Frisco
LaVelle Jackson	Osceola, Ark.	Frisco
Mary Susan Light	Rolla, Mo.	Latimer

Achievement Program

An achievement program for "Rural Church of the Year" and "Rural Pastor of the Year" has been promoted by the Department of Missions. Announcement will be made at the convention of the church and pastor that will be so recognized for 1959 and an appropriate award presented to each.

In 1958 M. H. Childers was named "Rural Pastor of the Year"

and Rock Creek Baptist Church, Route 5, Shawnee, was named "Rural Church of the Year."

Rural Church Conference

The fourth annual rural church conference met Feb. 23-24 with First Church, Woodward. There were 183 registered and many others attended the services who did not register. The next conference will be held Feb. 22-23, 1960, with First Church, Lindsay. Cloyce P. Holland was elected president.

Falls Creek Assembly

Several of our superintendents of missions assisted us in all three weeks of Falls Creek Assembly. The contribution they made to its success was untold. The new swimming pool was completed. In general 1959 was our best year at Falls Creek.

Summary

The following totals are accumulated from the monthly reports that come to my office from every one of our missionaries. The report is from every one of our missionaries. The report is from Sept. 1, 1958 to Aug. 31, 1959:

Special weeks	260
Church fields surveyed	113
Inactive churches revived	10
New churches constituted	23
New missions established	65
Church houses built	58

Our hearts were saddened at the death of E. P. Boston, superintendent of missions in North Canadian Association. He was one of God's great men.

Sam W. Scantlan, secretary of the Department of Missions, was released at the 1958 convention to lead the fight in Oklahoma against legalizing beverage alcohol in Oklahoma. He returned to the office on April 16, 1959.

Miss Faye Estlack, office secretary, directed the work of the department during Mr. Scantlan's absence. All of the department leaders helped out whenever possible. The work moved on nicely though some things simply had to remain undone for awhile.

The Rural and City Missions Committee members for 1959 were: James F. Heaton, chairman; J. W. Wade; M. S. Notley; M. E. Roberts and E. E. Stockwell.

A Personal Word

Thanks for giving me the opportunity of leading Oklahoma Drys. Though we lost the election, I feel that many of us will be better men and women of God after that experience. I challenge all of us to take a more militant stand against the use and sale of alcoholic beverages.

Motion carried for adoption of the report.

Falls Creek Assembly

Sam W. Scantlan, Business Manager

"It is good for man that he bear the yoke in his youth" (Lam. 3:27).

Falls Creek is definitely for Baptist youth. Thousands of them come every year and 1959 was no exception. They not only came in large numbers but they behaved in a fine manner as Christian young people should.

The 1959 assemblies were better in many respects than preceding assemblies. There was a more serious atmosphere, the behavior most everywhere was improved, worship services were excellent and the Spirit of God moved mightily upon our Baptist young people.

E. P. Edwards, resident manager, and his workmen certainly did a fine job at getting the grounds ready for us and they are now getting ready for the 1960 assemblies.

The following are just a few things which we present as proof of a very fine year at Falls Creek.

The speakers were:

July 14-21—Dr. Warren C. Hultgren, First Church, Tulsa

July 22-29—Grady C. Cothen, Olivet Church, Oklahoma City

July 30-August 6—Dr. H. H. Hobbs, First Church, Oklahoma City

Total attendance for the three weeks—21,706

Decisions:

- 202 professions of faith
 - 1,549 rededications
 - 400 surrendered for special service
- Training awards given:
- 799 Sunday school
 - 6,636 Training Union
 - 250 Music

Several missionaries, who surrendered their lives at Falls Creek in the past, are now serving on mission fields around the world. In the future many more will look back to the service at Falls Creek when they made a full surrender of their lives to service in the Master's kingdom.

More than 100 people are employed each year to care for the physical needs of the assembly and the people who attend.

The new swimming pool, though not completely finished, was used during the assemblies last summer and will be completed by next assembly.

Howell Hall, the old dormitory which was built in early Falls Creek days and named for Miss Sue Howell who was then WMU executive secretary for Oklahoma, has been removed.

The Sulphur, First Church three-story cottage has been secured and remodeled to serve as our dormitory. Living quarters for two families were built on the first floor. Many improvements were made on our sanitary system and our property is in fairly good repair.

The dates and speakers for the 1960 assemblies will be as follows:

- July 12-19—Dr. Milton Ferguson, associate professor of Philosophy of Religion, Southwestern Seminary, Fort worth, Texas
- July 20-27—Dr. Ramsey Pollard, pastor, Broadway Church, Knoxville, Tennessee, and president of the Southern Baptist Convention
- July 28-August 4—Dr. G. Kearnie Keegan, secretary, Student Department, Baptist Sunday School Board, Nashville, Tennessee

There are a number of associational and district assemblies around the state which swell the total attendance at Baptist assemblies each year into a large figure. Only eternity can give the value of such assemblies.

The Falls Creek Committee for 1959 was: James F. Heaton, chairman; J. W. Wade; M. S. Notley; M. E. Roberts; and E. E. Stockwell.

60. Harvey Elledge, Oklahoma City, presented the report re-

garding the American Bible Society and motion carried to adopt the report, including the resolutions recommended.

American Bible Society

The American Bible Society rejoices in Southern Baptist plans for the Baptist Jubilee Advance, 1959-1964, because Southern Baptists thoroughly recognize these basic missionary principles:

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

In most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. The Society helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost, for worldwide mission work. For the Blind, it supplies Scriptures at a small fraction of their cost, in Braille and other raised-letter systems and on Talking Book records.

During 1958 the American Bible Society—

- distributed around the world a record total of over 16½ million volumes of Scriptures.
- donated more than one million Scripture volumes for distribution by the Chaplains to our Armed Forces, as a vital link between the home churches and the men in service.
- enlarged the ministry of the Finger Phono, a phonograph operated by one finger, now being supplied, with Scripture recordings in the languages needed, in areas where few people can read. They are in use in the U.S.A. among Navaho Indians and in Africa and Asia. In 1958 the program was expanded to include 25 additional languages.

Southern Baptists support the work:

Because the Bible Society serves mission work and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people—Southern Baptist churches give to the American Bible Society.

In 1958 Southern Baptist churches gave \$162,199 to the American Bible Society—and for the first time stood first among all denominations, because Methodists, who led for many years, dropped from \$174,447 in 1956 to \$147,935 in 1958.

In 1959, the first year of the Baptist Jubilee Advance, people in

mission lands—and the missionaries serving them—look to Southern Baptist churches to continue their increased support for providing the Word of God for every man in his own language.

Southern Baptist churches can continue to lead in support of the American Bible Society if every church will give. Here are suggestions, based on what many churches are doing:

Every church can give at least these amounts each year:

Country and village churches	\$10 to \$25
Churches in small cities	\$25 to \$100
Larger churches	\$100 to \$200
Great city churches	\$200 to \$500 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Whereas, this Convention recognizes that widespread distribution of the printed Word of God is a basic necessity in the worldwide missionary work to which we are committed, and

Whereas, we recognize that the American Bible Society renders an essential worldwide missionary service through translating and publishing the Scriptures without note or comment and through distributing them without profit and usually below cost, and

Whereas, we recognize that the American Bible Society is providing a vital spiritual link between the home churches and the men and women in service by supplying to the Chaplains without charge, New Testaments, complete Bibles and any other Scripture volumes needed for distribution to the men and women in the Armed Forces,

Therefore, be it resolved,

First, that we earnestly request our churches and our people to make contributions to the work of the Society, all such contributions to be sent through the regular channels to the Baptist state office, marked "for the American Bible Society," and

Second, that we approve an offering in the churches for the work of the American Bible Society, as in previous years, to be taken on the last Sunday in January (January 31, 1960) as provided by the Board of Directors in the Calendar of Activities for 1960 and to be promoted by our Convention as a part of our mission program.

61. Gene Bartlett presented the work of the Department of Music.

A male quartet composed of Jim Brown, Glenn Boyd, Bill Littleton, and C. L. Bass sang.

Gerald Armstrong, Ardmore, who sponsored music schools in Enon Association, reported over 200 in attendance. Also, Kenneth Elmore, Tulsa, reported regarding the music festival at Shawnee.

The quartet sang B. B. McKinney's Falls Creek Assembly song—"Wherever He Leads, I'll Go."

62. Motion carried for the adoption of the report.

Church Music

Gene Bartlett, Secretary

Progress Report

Oklahoma Baptists Sing! This is not only the title of our new record album, but could have been our theme song for the past year with over 25,000 people enrolled in choirs.

Thirteen associations held music training efforts and many of our local churches have done the same.

A record enrolment of 177 young people and 33 faculty members was accomplished at our state Youth Music Workshop meeting at Oklahoma Baptist University, June 15-19.

The attendance at the Youth and Junior Choir festivals was 3,049.

Two adult choir festivals were held in Oklahoma City and Lawton with over 500 participating.

Five hundred and fifty were enrolled in our two leadership schools at Tulsa and Oklahoma City.

Helps Available

All of the above events are held in order to help strengthen the local church music program.

In addition to these, many free helps are available to assist any church regardless of size or amount of musical talent. These can be ordered from your state music office.

The Church Musician, a monthly magazine published by the Baptist Sunday School Board, Nashville, Tenn. is a must in every church ministry's life. It may be ordered along with the Sunday school and Training Union Literature order.

A Date to Remember

One of the greatest church music meetings of all time will be held at Tulsa, Aug. 16-19. This is the Western Church Music Clinic designed primarily for music leaders from the section west of the Mississippi River. All conferences, lectures, and demonstrations will be on a leadership level. By leadership, it is meant to include untrained leaders as well as those with professional background. At the same time, Aug. 12-19, there will be held a simultaneous music enlargement clinic in every church in Tulsa Association. Each participating church is to have at least one worker from outside the Tulsa area to teach classes and lead in other ways.

Our Needs

We need so desperately an adequate music building at Falls Creek where most of our churches come for inspiration. We are working with the Baptist Foundation on this project and are in a receptive mood to anyone who would like to contribute to such a worthy cause.

Finally, your state music secretary is very grateful to every church which has loaned its music director to teach one or more music schools. Pastoral support of our entire program is also more than anyone could ask. Our greatest desire for all Oklahoma Baptists is that we pray and sing with the Spirit and the understanding, also.

63. R. T. "Dick" McCartney, director of Public Relations, discussed this important phase of our work.

The Press Award winner of the year was introduced. Ken Neal, church editor of the Tulsa World, was presented a wrist watch and a plaque in appreciation of his use of the material presented to him by the churches.

Milo Watson, editor in Perry, was also presented a plaque in recognition of his attitude toward religious matter used in his paper.

64. Motion carried to adopt the report.

Public Relations

Dick McCartney, Director

The office of public relations works primarily in two areas. It acts as public relations office for the state convention. As such it seeks to foster better communication between the state convention, its agencies and institutions, and the churches, associations and their constituency.

The office also acts as public relations consultant to the churches and associations. In this capacity it promotes public relations and news writing workshops, and consultation is offered pastors, church staff and superintendents of missions. During 1959 the director led in 13 associational public relations conferences, one workshop at Kiamichi Baptist Assembly, and assisted in one at Glorieta Baptist Assembly.

During 1959 the office continued its working arrangement with the daily and weekly newspapers in the state. Regular news releases were supplied along with photographs, and mats provided where desirable. Baptist news has been very acceptable to most of the newspaper editors and publishers. Regular releases are also provided the two wire services, Associated Press and United Press International, and to the radio and television stations within the state.

At the state convention last year the public relations office presented the first press award to a member of the working press who is doing an outstanding job in reporting church news. The award for 1958 was presented to Miss Mary Jo Nelson of the **Oklahoma City Times**. She was given an engraved wrist watch, which was presented by a member of the state relations advisory committee, Howard Cowan of Tulsa. She also received an engraved plaque. Jack Johnson, publisher of the **Heavener Ledger** received honorable mention and an engraved plaque. A similar award will be given at this convention.

The television program, "Questions and Quotations," which is broadcast as a public service by Station KVOO-TV, Tulsa, began its

fifth year of broadcasting in 1959. The program features a Bible quiz between two Tulsa area churches along with a five-minute preview of the high lights of the Sunday school lesson. The director has been acting as moderator of the program and the script is prepared by the public relations office. Joe L. Ingram, pastor of Nogales Avenue Church, is the Sunday school lesson previewer. Mail response has been excellent and the station management reports it has an excellent viewing audience.

The annual public relations conference was held in Oklahoma City on May 2. Two conferences are planned for 1960 so that a larger number of people will find it convenient to attend. The conference dates are Feb. 15 at Tulsa and March 11 at Oklahoma City.

A daily news sheet was prepared and distributed free at Falls Creek Assembly. The morning service was recorded each day for rebroadcast over an Oklahoma City radio station. In addition the public relations office assisted a number of newspapers in preparing stories and pictorial features on the assembly.

It is recommended that **(1) every church and association realize the importance of adequate communication with church members and the community and a public relations committee be established to devise a program for improving communications; (2) public relations workshops be planned in as many associations or churches as possible; and (3) each church send the pastor, educational director, public relations committee members and other interested persons to one of the statewide public relations conferences on Feb. 15 or March 11.**

65. Dr. E. W. Westmoreland reported regarding the work of the Department of Religious Education.

Dr. Leonard Wedel spoke about the work of the Sunday School Board.

Workers in this department were introduced.

Clyde Clayton spoke about the work of the Baptist Student Union. Motion carried to adopt the report.

Religious Education

E. W. Westmoreland, Secretary

Since the Jubilee Advance emphasis for 1960 is "Evangelism Through Bible Teaching and Training," we sincerely believe that the Bible teaching and training programs in our churches will result in the total development of church members and will strengthen the churches in their work.

The outstanding general objectives for our 1960 program of teaching and training are:

1. To develop a new awareness of the unreached multitudes and to create a compassionate concern for their salvation.
2. To realize more adequately the significance of the teaching and training work in our churches.
3. To assist the workers in both Sunday school and Training

Union to understand the spiritual significance of their tasks and in making more adequate preparation.

4. To make clear to each Christian the doctrine of Christian growth.

5. To relate the Christian faith to every activity of daily life such as social, recreational, political, and business.

6. To gain deeper insight into the world mission program of Southern Baptists and to develop increasing support for it.

Before we look further into the future, it might be helpful to look for a moment at our present record of Sunday school, Training Union and Baptist student union growth during the past year, which is encouraging. Sunday school and Training Union have not had large growth in recent years as compared to 1953-54, but the record for last year is an improvement over the preceding year, which indicates that we are again on the upgrade.

Baptist Student Union

Under the leadership of Clyde Clayton, director of Baptist student union, our work in this field continues to make progress. The Baptist student union is an agency of the Baptist denomination which seeks to develop the Christian character of students on the campuses of our colleges and universities. It is student led, church related and Christ centered. The Baptist student union is a link between the Baptist students and the local churches in the college center.

Let us be mindful that there were 11,103 Baptist students enrolled in Oklahoma institutions of higher learning during the year 1958-59. Baptist enrolment by schools was as follows:

Ada -----	508	Okla. City University	625
Alva -----	96	OU Medical School	168
Chickasha -----	89	Shawnee, OBU	1,115
Durant -----	628	Stillwater	2,030
Edmond -----	844	Tahlequah	953
Enid, Nursing -----	40	Tishomingo	164
Goodwell -----	140	Tonkawa	80
Lawton -----	300	Tulsa	501
Miami -----	210	Warner	150
Muskogee, Nursing	17	Weatherford	470
Norman -----	1,675	Wilburton	300

In addition to these there were 2,260 students with Baptist preference. In all promotional material, Mr. Clayton makes it clear that for all of these we feel a responsibility and for the several hundred foreign students and many additional non-Christian students, making the campus a real mission field.

Realizing that the campus is an outstanding mission opportunity, our convention makes an annual contribution of \$31,490 to churches and associations in their work with Baptist students on the campuses.

During 1959 beautiful Baptist student union centers were completed at Edmond and Ada. Both these buildings are well planned and

spacious and will make a terrific contribution to their program of linking students to the churches. One of the greatest needs at this time is for adequate student union buildings on several other campuses in the state. With college enrolments predicted to reach unprecedented heights in each of the next several years, Baptist student union must look for support beyond the local church, association and Cooperative Program. Endowment funds provided by Baptists who recognize the college campus as a great mission training center can help meet this need.

Sunday School

Under the leadership of Lyle Garlow, superintendent of Sunday school work, our plans for an accelerated Bible teaching program is under way.

The Bible Survey Plan for Sunday school workers, which begins on Oct. 1, is designed to acquaint Sunday school workers with the entire Bible. It is hoped that this course will increase Bible study on the part of our teachers and lift the level of our teaching. We urge each pastor to read carefully the Bible Survey Plan leaflet, written by Crawford Howell, which explains this plan in detail.

Our Sunday school record for the year 1958 is as follows: Sunday school enrolment 318,321; Standard units 1,325 (including general Standards, department and class Standards); 43,034 Sunday school training awards were issued to Oklahoma workers during last year.

We are happy to report 1,081 Vacation Bible Schools last year, which included 948 church schools, 72 mission schools, 11 Negro schools, 34 Indian schools and 16 Indian mission schools. The total enrolment in all schools was 120,217, the largest of any previous year.

On March 12-13, a combined state Sunday school and Training Union convention was held at First Church, Oklahoma City.

During 1960 we will not have a state Sunday school convention, because of the first Nationwide Sunday School Convention, which will be held at Fort Worth, Texas on March 29-31. Two days of specialized conferences will be offered and three general evening sessions will be held in the Will Rogers Coliseum. Dr. A. V. Washburn, superintendent of Sunday school work in our Southern Convention, believes that we will have a registration of 20,000. We expect a minimum of 1,500 from Oklahoma.

Both Mr. Garlow and I would like to recommend the "Ten-After-One Enlargement Campaign" plan, which was initiated primarily by the educational forces of Oklahoma County Association. We were invited to attend their planning conferences and, after some adjustments, we concluded that this is the most dramatic enlargement campaign plan we have seen. First of all, it places a dramatic emphasis upon prospects in the classes. In the second place, it recognizes progress made by the individual class and, in the third place, it dramatically emphasizes the progress made by each department. For

further information about materials to be used in the "Ten-After-One" campaign, write: The Church Publicity Division, Colorcraft Poster Company, 810 NW 3rd Street, Oklahoma City.

Training Union

In January 1959, Fred Williams came to the Department of Religious Education as director of Training Union work. From the beginning of my work with the convention, I had looked forward to the day when we would have associates both in the field of Sunday school and Training Union work. Fred Williams has already found a place in the hearts of our people and through his ability in promotion and field work, we feel that the Training Union program in our state will have a definite lift.

At the beginning of this year, we had 126,437 enrolled in Training Union; study course awards totaled 34,634; and 18,328 persons attended "M" (Mobilization) Night meetings last December, a gain of 2,538 over the previous year. The popularity of this meeting is making a great contribution to the promotion of our training programs in the churches. Thirty-six churches reported observance of Youth Week.

One could not think of religious education in Oklahoma without thinking of our Falls Creek Assembly. A total of 215 classes were offered during the assembly in which Training Union and Sunday school credits could be earned. In the development of the spiritual life of our young people, Falls Creek makes an immeasurable contribution. The influence of this assembly can be measured only by going into the local churches which participate in the assembly and seeing how the young people carry over the vision and inspiration received at Falls Creek into practical Christian dedication and service.

State eliminations for Junior Memory Work, Intermediate Sword Drill and Young People's Speakers Tournament were held May 8 at Olivet Church, Oklahoma City. Miss Barbara Miller of Kentucky Avenue Church, Oklahoma City, won the state Sword Drill and placed second at the Training Union Assembly at Glorieta.

The state Training Union convention will be held at First Church, Duncan, on March 17-18, 1960. State eliminations for Junior Memory Work, Intermediate Sword Drill and Young People's Speakers will be held in connection with the convention. Churches and associations should conduct their eliminations in February and associations should submit the names of winners to the Department of Religious Education not later than March 1.

Church Study Course

The new Church Study Course for Teaching and Training became effective Oct. 1, 1959. The new course includes all books previously listed in the Sunday School Training Course, the Church Music Training Course and the Graded Training Union Study Course. There will

be a graded series of diplomas, five in number. Five books will be required for each diploma and five additional books for each of the four seals. The course embraces 19 categories, covering all phases of church life. Write to either the Baptist Sunday School Board, Nashville, Tenn., or the Department of Religious Education, Oklahoma City, for a catalog listing the complete course.

Church Buildings

During the last year, it has been my privilege to consult with a great number of pastors, survey and building committees relative to new buildings, especially educational units. In 1960-61, I expect to give more time to this phase of our work. More and more we realize that the educational programs of our churches must, and do, conform to the buildings.

In 1960, Ellis B. Evans, consultant in the Department of Church Architecture at the Sunday School Board, is coming to Oklahoma for one week to have personal conferences with those interested in new buildings.

In 1961, W. A. Harrell, secretary of the Architectural Department at Nashville, along with Evans, plans to come to the state for two statewide, one-day conferences on church buildings.

The Architecture Department at Nashville stands ready to consult with our churches in all building problems. I am ready also to consult with committees interested in the erection of new buildings. We have a supply of helpful materials in our office, which are furnished us by the Architectural Department at Nashville.

66. Dr. Millard J. Berquist of the Midwestern Baptist Seminary was in charge of the reports regarding our Southern Baptist seminaries.

Dr. Milton Ferguson of Southwestern Seminary brought greetings to the Convention from Fort Worth.

Dr. J. K. Moore of New Orleans Seminary brought greetings from New Orleans.

John Shelton, Frederick, represented Southeastern Seminary.

67. W. E. Smith, Tulsa, brought the report of the Christian Education Committee and motion carried for its adoption.

Christian Education

Elsewhere there is a report of the president of Oklahoma Baptist University, the institution this committee was founded to strengthen and stabilize. We take pride in an institution which has steadily lifted the standards of admission and educational performance while at the same time, reaching out to broaden its ministry to all sections of Oklahoma and to the larger denominations in 34 other states and around the world. Let us continue in 1960 to emphasize those objectives which have been our major concerns in 1959:

First, **uphold academic standards.** It is inevitable in any young and growing school that pressures will be exerted to break down standards and undermine quality education; often for quite laudable causes. We must remind our people that Christian education must be first of all a good education, soundly conceived and strictly supervised. In an age of mass production of college degrees as of many other things, the Christian college has the opportunity to become the true guardian of liberal education of the very highest ideals. We must insist that the university maintain the procedures necessary to satisfy the most exacting accrediting associations so that our Oklahoma Baptist young people will never be the victims of cut-rate educational processes. A degree from OBU must signify that the man who earned it has stamped upon his record the imprimatur of the best undergraduate training obtainable in this region.

2. **The Memorial Chapel.** Within one generation a poor, ragged, depression-scarred campus has been transformed into a college facility so handsome every Baptist heart exults in the change. Twenty-five years ago, only one building was maintained in a state of readiness worthy of higher education—the WMU Memorial Dormitory, built by the sacrifices of the Baptist women of Oklahoma. Today, as the student body has grown, the needs have multiplied. Most of these have been met. One deficiency is startling—the absence of a chapel.

This need will be met. The building now under construction is to be the center of the campus, the focus of denominational interest, the symbol of our faith, a great meeting place not only for the university community but for Baptists everywhere. “Raise the Chapel Spire!” has been the rallying cry of our president, and our people are responding. Already more than half a million dollars, nearly half the sum needed to build and equip this center, has been given or pledged. If only all of our churches and associations which have not yet given, can be led to pledge a membership to be paid over the three-year period through 1962, the chapel will become a reality.

Already the first two of four stages have been authorized, and building is in progress. We cannot fail in this challenge to build a great religious center to replace the improvised quarters in which our students are worshiping.

3. **The Year of Jubilee.** Our committee has helped the officers of the university to promote the annual Christian education convention. In February of 1960 this great day will be a time of rejoicing for the denomination, for the convention, and for all friends of the university, since it was in February, 1910, that the university received its charter. We have plans for our greatest Christian education convention on Fri., Feb. 19, which will coincide with the university Homecoming and Founders’ Day. If all our Baptist leadership can converge on Shawnee on that day, the impetus to the next half century’s growth and development will be beyond measure.

Our committee will work closely with Dr. Raley and other offi-

cers of the university and the convention in assuring maximum support for all phases of the university program.

Respectfully submitted, W. E. Smith, Wade Carver, Robert S. Scales, Truet B. Thompson, Alfred Woodard, Weldon Marcum, William Pratt, Robert Hopkins.

68. Special music was presented by the Bison Glee Club of Oklahoma Baptist University, under the direction of Dean Warren Angell. Numbers used were: "Psalm 145," "The Face of Moses Shown," and "Children of God."

69. OBU Vice-President James Ralph Scales was introduced and brought a graphic picture of the Oklahoma Baptist University of 1959.

70. President John W. Raley brought his 27th annual message to the Convention on the theme "The University on a Hill." This was a statistical picture of the Russian University in Moscow.

The challenge of our current world calls for the constant development of our Baptist University, to ever provide the leadership essential to Christian direction in a rapidly changing civilization.

The Glee Club closed the session.

Oklahoma Baptist University

John W. Raley, President

Oklahoma Baptist University is in its Jubilee Year. It was chartered Feb. 9, 1910, as the only institution of higher learning owned and operated by the new Baptist General Convention of Oklahoma. Because of the claims of several existing institutions (at Hastings, Oklahoma City, and Blackwell), the new OBU did not have the undivided support of the constituency in its first year—1910-11—under its first president, Dr. J. M. Carroll. It took most of the next four years to restore the solvency of the struggling institution and to complete the first building—Shawnee Hall. From 1915 to the present, the doors of OBU have never been closed.

Our university is enjoying an increase in enrolment in most departments, and a five per cent increase in the campus registration in the fall of 1959. The figure is 1,261 resident students, 67 more than a year ago. In addition, there are 72 enrolled in Dr. N. M. Stigler's extension classes in Bible at Oklahoma City, 30 under Dr. M. E. Ramay at Edmond, for a grand total of 1,363. The cumulative enrolment for 1959-60 will exceed that of 1958-59, when 1,341 were present in the first and second semesters.

The National Science Foundation supported a \$53,900 Institute on the OBU campus in the summer of 1959 for 48 high school teachers of chemistry, biology, physics, and mathematics. It was a highly successful workshop, to be repeated in 1960.

The faculty now includes 23 with doctor's degrees (Ph.D., Th.D., D.Ed., and D.R.E.), and 46 with master's degrees, in addition to the faculty of the Department of Nursing. These dedicated teachers present to the campus a background of graduate study in the following

institutions: Southwestern Seminary, Eastern Seminary, Southern Seminary, Union Seminary, University of Oklahoma, University of Chicago, University of Colorado, Syracuse University, Columbia University, University of Kansas, University of Arkansas, University of Wisconsin, Harvard University, Denver University, University of Southern California, George Peabody College, University of Missouri, Northwestern University, University of Berlin, University of Minnesota, Oklahoma State University, Shanghai Conservatory, Princeton University, Texas Christian University, National University of Mexico, University of Michigan, University of Rochester, Indiana University, University of Illinois, University of London, Union University, University of Iowa, University of Houston.

The university has always had its share of students for the ministry, and the current membership of the Ministerial Alliance is 224. In addition, more than 150 are preparing for church-related vocations in education, music, recreation, and administration.

The report of the 245 students enrolled in the Ministerial Alliance for the 1958-59 year is as follows:

Church Activities:

Sermons	5,126
Conversions	824
Rededications	2,236
Additions to churches	1,012
Visits in homes	11,426
Special services	675
Prayer services	1,260

Personal Activities:

Talked with unconverted	4,357
Special services	1,260
Miles traveled	485,338

Extension Services of the Ministerial Alliance

(approximately):

Rest homes	150
Jail services	95
Street services	75

Enrolment in Bible classes last year totaled 960, Greek 43, Religious Education 223. Encouragement is given young men and women with active responsibilities to take part in all of the regular organizations of the local churches in an unusually vital Life Service Band.

A significant trend has been the increase in the number of students dedicated to public school teaching. In the fall of 1956 there were 156; today 216. Music majors number 136, business 123, biology and pre-medicine 44. Of the 1,261, 244 are still undedicated; it is part of the work of the university to guide students to wise life decisions. Twenty-six departments give major and minor programs, including pre-professional work in the following: business, advertis-

ing, music, teaching, the ministry, religious education, pre-law, pre-medical, nursing, medical technology, X-Ray technology, physical therapy, public health, hospital administration, pre-pharmacy, pre-dentistry, pre-engineering, photography, and secretarial science.

Students come from 35 of the 50 states, including Alaska and Hawaii. Of the 290 from outside Oklahoma, the largest groups are from Missouri—46, Texas—35, Kansas—26, and California—22. The eight countries represented are Brazil, the Philippines, Hong Kong, Taiwan, Nigeria, Portugal, Cuba, and Indonesia. A total of 30 foreign students are now enrolled.

University Budget: \$1,153,702.00, including \$444,623.00 for auxiliary activities (chiefly living expenses in the university residence halls). Scholarships were granted from university funds last year in the amount of \$70,452.00. The total value of buildings, land, and equipment, since the addition of Storer and Baxter Halls, extensions of Brotherhood Dormitory, is \$6,515,217.20, and other assets held by the university amount to \$1,895,965.84, giving a total value of \$8,411,183.04.

Capital Needs: Endowment is being increased through the agency of the Baptist Foundation of Oklahoma. Within five years the endowment has grown from \$200,000 to \$1,500,000. At least \$5,000,000 will be needed to underwrite faculty salaries and an amount equivalent to plant capital cost will be needed to underwrite plant maintenance.

The immediate building objective is the chapel! More than \$542,000 has already been pledged for this great dream—the central building of the campus—to be the center of worship and the meeting place for denominational groups. Plans call for an auditorium with a seating capacity of 2,000, a choir of 200, teaching studios for the College of Fine Arts, and practice rooms, classrooms, and storage facilities as may be needed to house the finest music school in the Southwest.

Thursday Afternoon November 12

71. President J. Frank Davis called to order the final session of the Convention.

72. Glenn Smith Jr., Southern Hills Church, Tulsa, led the congregation in song service. A male quartet brought special numbers: "Near to the Heart of God," "I Know Whom I Have Believed."

73. Dr. Thomas B. Ritzinger, Sulphur, read from Matthew 4:21-25 for our devotional message.

74. R. D. Dodd, chaplain of Miami Baptist Hospital, led in prayer.

75. Dr. Richard T. Hopper brought the report of the Christian Life Commission and motion carried for its adoption.

Christian Life Commission

The Christian citizen has the responsibility of representing his Lord and his church in his community. His witness to his fellow citizen continues to grow in importance. His responsibilities continue to multiply. As a Christian citizen he is becoming increasingly aware of the relevance and importance of the Christian message—a message that not only prepares men's souls for eternity but also must be accepted and lived if the world is to continue. He is coming to understand that the gospel is a message of love, mercy, justice, and peace and must be lived by its advocates or it will go unheeded by those who need it. Today the forces of unrighteousness are invading the homes, schools, governments, and churches of the land in ever-growing numbers and the Christian is becoming alerted—perhaps too slowly—to this ominous menace to the welfare of mankind.

The Christian must learn to be dynamic in his daily living. He must cease permitting the world to set his living patterns and customs. He must more and more take the initiative and voice his convictions. He must demand that he be heard. He dare not be afraid. He must daily reflect his position as the "salt of the earth" or else, if he should fail to do so, the world will eventually hold him in contempt.

The Church

The church must remain a "lighthouse" ever leading men through the darkness of sin to the safe port of eternal salvation. However, if the church is to fulfill its place in the community it must be pure and true. Its members must live as Christians ought to live—as Jesus taught them to live, and its message must be the gospel undefiled by error. It has become obvious that the church has been lax in training its members in Christian living, and as a result its message often goes unheeded.

Too many of those on its rolls are faulty in their living. These must be called to greater obedience or purged from the membership. The church will suffer and fail in its ministry if such people continue in its ranks.

The Home

The home originated in the heart of God and was given to man for his joy and development. It also has a place of importance in the life of the individual, and as it affects the individual, it affects the community in turn. Its enemies are legion—alcoholic beverages, lewd and suggestive literature, infidelity on the part of one or both partners. The divorce rate throughout the country is gradually decreasing which gives a ray of hope, but it is still far too high. Today approximately one-fourth of all the children in the United States do not live with both parents. This tragedy will have its affect upon and take its toll among our people for generations to come. The Christian must seek

to make his home an example for his community—an example of Christian living and fidelity.

Foes of Righteousness

Obscene Literature: The Post Office Department tells us that every day approximately 200,000 circulars arrive at American homes offering filth of every description in various types of literature. This material is so obscene that the average adult wants nothing to do with it, but it often falls into the hands of children where it can do incalculable harm. The Christian will be wise if he lends his support to the government in combating the spread of such filth through the mails and at the newsstand. The police departments and other authorities will welcome the support of our people as they seek to control the traffic in pornography.

Beverage Alcohol: The per cent of drinkers among the adult population of the United States has decreased by 12 per cent since 1945, yet, per capita alcoholism has increased by 44 per cent since 1940. Perhaps no threat to the cause of righteousness is as vicious as the liquor traffic. It would destroy our homes, churches, and every cherished possession that is of value to our families and nation. With millions of dollars at its disposal it brings its subtle and attractive advertising into our homes by the newspaper, magazine, and television. This committee calls upon our people to be alert to this sinister evil and to be as firm in their convictions against it as possible. This is no day for Christians to vacillate and waver. The user of alcoholic beverage—even the social drinker—presents a danger to the cause of Christ and supports one of our greatest enemies—the liquor traffic.

Materialism: In spite of the many warnings made by the Master concerning the danger of materialism our people continue to give it primary place in their lives. Christ admonished, "Seek first the kingdom of God—and then the material and physical necessities of life will be supplied." It seems that the evils of materialism creep into the hearts of our people—even our ministers—from time to time. We must put money and material matters in their proper place and put Christ and his cause above all other interests. We dare not fail here.

Prejudice: The fruits of prejudice are discrimination, economic and cultural exploitation, and injustice. It can be vicious and anti-Christian. The Christian will do well to remember that all men are created in the image of God and deserve to be treated with love and understanding. To discriminate against any group is unchristian. This committee prays that a Christian spirit of goodwill and brotherly love will characterize our people.

To follow Christ and to live an exemplary life before all men is the Christian's privilege and duty. The Master's charge to let "your light shine before all men," is just as binding today as when he uttered it. Our world needs a light of Christian love, tolerance, and purity.

Our people must not fail to be that light.

Respectfully submitted, Richard T. Hopper, Chairman, Bill G. West, E. F. Hallock, Ben Elrod, Roger Hebard

Hospitals and Golden Age Homes

Tom E. Carter, Director

The year 1959 was a year of beginnings.

The first Baptist hospital, the Oklahoma Baptist Hospital of Muskogee was opened 50 years ago in 1909. The 10th, the Baptist Memorial Hospital in Oklahoma City was opened April 14, 1959, just four months short of 50 years from the beginning of our hospital ministry.

Two of the four floors of the hospital were opened for patients immediately, the third floor on June 1, and the final floor on Oct. 1. The hospital has been wonderfully received by the people of Oklahoma City. The medical staff is much larger than anticipated and the overall status of the hospital is beyond what is normally to be expected by this time.

The Bristow Memorial Hospital opened 14 additional beds in February, 1959; the Miami Baptist Hospital opened 20 additional beds, the Grand Valley Hospital at Pryor set the plans in motion that will add a new wing with 20 additional beds there.

The Oklahoma Baptist Hospital at Muskogee continued its improvement and modernization program by completely remodeling the dietary department in a beautiful and new location. The basement area, formerly occupied by the kitchen and dining room will be remodeled into improved and enlarged x-ray, laboratory and pharmacy.

The Stillwater Hospital relocated the physical therapy department and medical records department in order to make six more beds available for the medical floor. They also installed completely new x-ray equipment, doubling the size of the x-ray department.

The Enid General Hospital acquired additional property for parking areas, enlarged the laundry and continued the modernization program which is making it one of the finest hospitals in Oklahoma.

The Perry, Cordell and Mangum Hospitals continue to improve their services to patients.

Oklahoma City Golden Age Home

Progress has been made this summer in preparation for the development of our Oklahoma City Baptist Golden Age Home.

The 20-acre plot has been graded and made ready for both cottages and the dormitory.

A drainage ditch has been dammed and deepened to provide for a lake which will greatly enhance the beauty of the campus.

The water, sewer and gas lines have been laid and electricity will be available as needed. The main street that serves the residential section has been paved.

At present, there are three cottages under construction. They are for Dr. and Mrs. J. B. Rounds and Mrs. Bertha Fisher; Dr. and Mrs. I. L. Yearby; and Mrs. A. W. Anderson and her sister Mrs. Duskie T. Presson. The Rounds house will be ready by Oct. 15; the Anderson house by Nov. 15, and the Yearby house by Dec. 15 of this year. These three residences represent a total contract cost of \$45,766.00.

It now seems certain that we will have at least two other residences completed by the end of 1959. In addition to these five, there are a number of other couples and individuals who have selected lots and are studying plans to govern the construction of their home. It appears now that some 15 additional cottages will be erected in 1960.

The building of the central dormitory awaits substantial contributions. It will be erected by units and expanded as money is given. There is a constant call regarding this phase of our work and it is imperative that we start work on our dormitory at the earliest possible date.

There is an immediate need for a water well and elevated tank. The entire campus must be seeded and much water will be needed to make the grass grow. We are hoping and praying that some one will furnish the cash for this well and tank.

This is Oklahoma Baptists' latest project and is planned to meet a growing need for adequate care for the golden years of our senior citizens.

We earnestly desire the prayers of all Oklahoma Baptists in regard to this worthy project.

Anyone interested in details regarding either the financing of the dormitory or building a cottage should contact Tom E. Carter, director of our Golden Age Homes, or Dr. John T. Daniel, who is in charge of developing of the home.

Schools of Nursing

The Enid General Hospital School of Nursing graduated 12 students and accepted 22 freshman students, along with 19 juniors and 18 seniors. The Oklahoma Baptist Hospital of Muskogee graduated eight students and received 15 freshman students. Both schools of nursing are steadily advancing in their scholastic standing and in their value from the standpoint of training Christian nurses for service to humanity. Mrs. Virginia Steinert, director for the Enid General Hospital School of Nursing, and her faculty, along with Mrs. Marguerite Berry of the Oklahoma Baptist Hospital School of Nursing at Muskogee and her faculty certainly deserve our praise and commendation.

Hospital Chaplains

The nine full-time and one part-time hospital chaplains made 65,261 hospital visits in 1959, won 176 to Christ and led 296 to re-dedication of their lives in service to the Lord. Figures alone cannot tell of the marvelous work that they are doing, but do point out the magnitude of their task.

J. A. Land, who has served for almost two years as chaplain of the Cordell Memorial Hospital had to resign because of ill health and has moved back to his home at Thomas. Frank Allee, pastor, First Church, Barnsdall for more than 25 years, will become chaplain at Cordell. Thomas Spence, associational missionary of the Jackson-Greer and Harmon Associations, who also serves as the chaplain of the Southwest Baptist Hospital at Mangum finds it necessary to devote his full time to association work. The new chaplain has not as yet been named.

Hugo Golden Age Home

The Hugo Golden Age Home started slowly with just one resident, then three, then five and then seven. The home now has 10 residents and several other applications are being processed. Before the end of the year we will need to begin to think in terms of opening the other wing at Hugo.

Dr. J. F. Murrell reports a very wonderful interest among the people at Hugo and especially those who reside in the home. There is no doubt that this wonderful institution of our convention is serving a great need and will continue to enlarge and expand. Anyone interested in details concerning arrangements to reside in the Hugo Golden Age Home should contact Tom E. Carter, director of Golden Age Homes in Oklahoma City, or Dr. J. F. Murrell, administrator of the Hugo Golden Age Home.

83. Dr. H. W. Stigler, chaplain of the Oklahoma Baptist Hospital, Muskogee, led in the memorial service.

Dr. Stigler asked R. S. Bazzell to read the committee report and motion carried for its adoption.

After a moment of silent prayer, Dr. Stigler led in prayer.

Dr. Stigler spoke fitting words of comfort and hope as touching the departure of our brethren.

Report of Committee on Memorials

"For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith: henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me in that day: and not to me only, but unto all them also that love his appearing" (II Tim. 4:6-8).

We feel sure that all now assembled in this convention agree that the words of the apostle Paul given above apply to all of our friends whose names appear in this memorial service.

Our loss is their eternal gain. The very thing that causes us to weep gives great joy to heaven. Psalm 116:15 says, "Precious in the sight of the Lord is the death of his saints." Let's change the singular to the plural and say with David, "But now they are dead, wherefore should we fast? Can we bring them back again? We shall go to them, but they shall not return to us."

Respectfully submitted, H. W. Stigler, W. J. Hart, John Meadows, Paul Bolinger, Bill French

84. Time having arrived for the business, the following matters were considered and the following results were recorded.

85. Dr. T. B. Lackey brought the Report of the Board of Directors for final consideration and vote. Dr. Lackey introduced W. E. Grindstaff, J. E. Walton, Mrs. Bellzora Jones, Mrs. Roy Coffman, Mrs. Lackey and Frances Jones.

86. Dr. Lackey made a motion that the Report of the Board of Directors be adopted.

Motion carried to adopt the report as presented.

87. Motion was made and discussed to delete "and direction" from the last paragraph of Item 4. The motion lost by voice vote and the standing vote was 96 for and 181 against the motion.

88. Motion carried to adopt the report as presented.

Report of the Board of Directors of the Baptist General Convention of Oklahoma

Introduction

The year 1959 will doubtless go down in history as one of the best years in the work of Oklahoma Baptists. Every department, agency and institution has shown substantial gains. Contributions through the Cooperative Program during the past 12 months—Oct. 1, 1958 to Sept. 30, 1959—were \$2,323,881.23 compared to \$2,191,617.74 the same period last year. Total receipts, Cooperative Program and designated, were \$3,237,749.66 compared to \$3,086,657.18. This represents a gain of \$132,263.49, or 6 per cent in Cooperative Program and 4.9 per cent in total gifts.

Reports are not in from all churches on baptisms, but every indication is that this has been a good year in evangelism. Practically all churches co-operated in the nationwide evangelistic crusade in the spring of 1959.

One of the big events in our work this year was the opening of Baptist Memorial Hospital in Oklahoma City on April 14, 1959. We have prayed, worked and raised funds for this project for many years. It is all that we dreamed that it should be.

Another accomplishment for which we are very grateful is the opening on May 9, 1959, of the Golden Age Home, Hugo, and the construction of three homes on the Golden Age Home campus in Oklahoma City.

Oklahoma Baptists will co-operate with all Baptists in America by giving special emphasis to evangelism through **teaching** and **training** during the coming year.

Dr. Stigler resigned in June as pastor of Brookside Baptist Church, Tulsa, to accept a position as secretary of evangelism and Brotherhood in Ohio. Upon his leaving, the first vice-president, Dr. J. Frank Davis, pastor of Sheridan Road Church, Tulsa, became president.

1959 Cooperative Program

The convention last year adopted a Cooperative Program objective of \$2,180,000 for 1959. The Board of Directors on Dec. 8, 1958, raised the Cooperative Program goal to \$2,232,000 by increasing the following items: Promotion, \$2,000; Retirement, \$10,000; Oklahoma Baptist University, \$10,000; Religious Education, \$10,000.

It appears now that we will reach and possibly exceed this enlarged goal by Dec. 31.

Miss Margaret Hutchison Visits Mission Fields

The Board of Directors voted on Dec. 8, 1958, to encourage Miss Margaret Hutchison, the efficient, faithful and aggressive leader of Oklahoma Woman's Missionary Union for the past 10 years, to make a tour of our mission fields abroad.

She left Oklahoma City Oct. 7 and will visit Japan, Korea, China, Philippines, Malayan Peninsula, India, Israel, Jordan, Italy, Switzerland, Spain and will arrive back in Oklahoma City Dec. 14.

Miss Hutchison is one of the most dynamic teachers and leaders in missions in the Southern Baptist Convention but she will be even better after having visited the missionaries around the world.

Sam W. Scantlan

At the request of the United Dry organization of Oklahoma the Board of Directors, in session in Oklahoma City Nov. 11, 1958, voted to ask Dr. Sam W. Scantlan, superintendent of Rural and City Missions in Oklahoma, to be acting executive secretary of the United Dry Association, for a period not to exceed six months. In assuming this responsibility Scantlan led a citizens' movement to keep constitutional prohibition and to strengthen enforcement. The Board of Directors voted to release Dr. Scantlan from his regular duties for whatever time needed in performing this service, and also voted to continue paying his salary during the time he would be acting in the above capacity. Our entire convention is indebted to him for his service.

Royal Ambassador Camp

Joe Dee Ray, pastor of First Church, McAlester, presented to the board on Nov. 11, 1958, the possibility of the convention accepting as a gift an attractive location near McAlester to be used as a Royal Ambassador camp. A committee composed of Joe Coleman, chairman; Felix Wagner; Robert Fling; Lowell Milburn, and D. H. Corwin was appointed.

At the Dec. 8 meeting of the board the committee brought the following report:

Report of the Special Committee on McAlester Camp for Boys

A need has arisen for camp facilities for the Royal Ambassadors in the state of Oklahoma. Bob Banks, state Royal Ambassador secretary, has advised this committee of the need and the advantages and results of having available a camp for the exclusive use of Royal Ambassadors pointing out specific evidence of spiritual values obtained through camping experiences. Indication was made that other states are making great strides in this direction. For example: The Baptist General Convention of South Carolina has allocated one-quarter million dollars toward establishing a permanent camp for Royal Ambassadors.

The question arose as to where such a camp could be located and

how the purchase of facilities might be made possible. The committee feels that the availability of a 73-acre site near McAlester, as a gift to the convention is evidence of divine leadership in answering these questions.

I. Scope

Seventy-three acre site northwest of McAlester has been made available to the Baptist General Convention of Oklahoma as a gift for boys camp. Also, \$1,500 toward repairs for existing facilities is offered with the camp site. This is a beautifully wooded hilltop site overlooking scenic Lake McAlester to the north. The site is considered very desirable for the intended use. Approach is by black-top road within approximately one-half mile and good gravel road into camp grounds.

Geographical location in southeastern Oklahoma is considered desirable for total state usage, due to good highways, limited rail services and municipal airport facilities, using Central Airlines in McAlester. Proposed lake projects in Eastern Oklahoma will boom population and general usage of the area and increase availability of good transportation facilities.

II. Value of Property

Rough estimate of value of site and roads—\$20,000.

Building facilities (estimated marked value) \$5,000. (Six buildings and swimming pool formerly utilized by the International Order for Rainbow Girls). These buildings are in poor condition. See Section III below.

III. Cost of Immediate Repairs

Buildings described above are in various types of construction and state of repair. The estimated cost indicated below is only to make buildings usable and is not to be considered enough to bring them up to first-class condition, with the possible exception of Building "A."

Building A—Temple Building	\$ 1,200
Building B—Kitchen and cafe	700
Building C—Bunk house	160
Building D—Administration Building	100
Building E—Restrooms	75
Building F—Caretakers Quarters	140
Swimming Pool	15,000
Utilities	
Sewage disposal—Septic tank for 200 campers	4,800
Water—pump repairs	1,250
Filtering System	
Electrical—new wiring for new buildings and grounds	
Roads	O.K.

IV. The committee recommends that the Baptist General Convention of Oklahoma accept the above described property as a gift for the purpose of establishing a permanent Royal Ambassador camp.

The committee further recommends that the president of the convention appoint a committee to follow up this recommendation to make further studies of a means of raising money for the purpose of making certain necessary improvements to the property to facilitate camping needs. It is further recommended that this committee make studies regarding the establishment of a permanent program for the operation of said camp and developing a master plan for the construction of needed buildings and utilities, etc.

The following were appointed as the special committee: Joe Coleman, Joe Dee Ray, Robert Fling, Felix Wagner, and J. W. Wade.

This committee brought the following report to the meeting of the board in May, 1959.

In view of the gift from Mrs. J. E. Hudgens and her continued generosity and interest, both personally and financially, in providing the land for the Royal Ambassador camp at McAlester, and having done so in memory of her husband, we feel that the camp should bear the name of Camp Hudgens. All letterheads, signs, etc., are to carry the name of Camp Hudgens for Royal Ambassadors, Baptist General Convention of Oklahoma. This is by action of the camp committee and is recommended to the Board of Directors for their adoption.

We believe that Baptist men will give support to this project and provide adequate facilities and leadership for the boys and young men of our churches. Some improvements have already been made at Camp Hudgens and others must be made so as to have the first Royal Ambassador camp at the new location in the summer of 1960. We express thanks to Joe Dee Ray, Mrs. J. E. Hudgens and others who have made this facility possible.

Proposed basis of co-operation between the Home Mission Board of the Southern Baptist Convention and the Baptist General Convention of Oklahoma in associational mission work, work with language groups, and work with National Baptists

It is proposed that the Home Mission Board of the Southern Baptist Convention and the Baptist General Convention of the State of Oklahoma shall co-operate in the support and direction of mission personnel to serve within the state of Oklahoma in associational mission work, work with language groups, and work with National Baptists, beginning Jan. 1, 1960, as follows:

I. General Principles

1. That the present employees of these two agencies be combined into a single group with all of them to be considered as missionaries of the state convention and also of the Home Mission Board.

2. That these two agencies share jointly in the support of each of the workers according to a stated ratio of participation, which may be changed from time to time by agreement between the two agencies.

That for the year 1960 in associational missions the state convention provide 66-2/3 per cent of the support and the Home Mission

Board 33-1/3 per cent and in work with language groups and work with National Baptists the state convention provide 20 per cent and the Home Mission Board 80 per cent. It is hoped that insofar as possible the state will increase its ratio of this support from year to year.

3. That all associational mission work, work with language groups, and work with National Baptists in Oklahoma should be administered through the offices of the state convention according to the general plan and program agreed upon, and that the proportion of support coming from the Home Mission Board be paid to the state in monthly installments upon requisitions from the state office accompanied by the monthly report of each of the workers affected.

II. Personnel Policies

1. Selection of Missionaries

(1) That in this new relationship effective Jan. 1, 1960, each agency accept the present employees of the other agency together with those it then has.

(2) That new personnel shall be jointly employed as follows:

That each agency shall have the opportunity to ascertain through its regular procedure whether or not the prospective appointee meets the minimum requirements for appointment under the respective agency,

That according to its regular procedure the state will make appointments of qualified persons to specific places of service subject to the approval of the Home Mission Board,

That in the case of the superintendent of associational missions each association will select its own worker with the concurrence of the state and the Home Mission Board,

(3) That in the event it should become necessary to discontinue the support of a joint employee, this shall be done by the state upon agreement with the Home Mission Board.

2. Remuneration of missionaries

(1) Amount of salary

That the salaries in each category (superintendents of associational missions, language group workers, workers among National Baptists) be determined in the same manner as in 1959, and

That the two boards decide in conference the amount, or proportion of total salaries, that the two boards will pay, and

That the percentage of this total to be paid by each of the boards be determined according to the proposed basis of co-operation as stated in paragraph I, section 2, above.

(2) Allowances

The allowance for house rental, moving expenses for new appointees, and operational expenses shall be allowed for workers as in former years, and then only when local forces cannot assume such obligations. When any such expenses are accepted by the two boards

they will be paid on the pro-rata basis of co-operation currently in effect.

(3) Fringe benefits

That scholarship assistance, life insurance benefits, group hospitalization participation, and retirement benefits shall continue to accrue to workers in the respective categories according to the same plans that have been used for those categories in the past, and that the same agencies continue to provide these benefits as have done so in the past.

III. Properties

1. That where possible we encourage local forces to build buildings and furnish equipment for the language groups and if necessary ask the Home Mission Board for church loans provided the churches can qualify for such loans. In special cases where local forces cannot make available all of the necessary funds the Home Mission Board may help in the construction of such buildings through gifts from mission funds, provided the building projects are approved and the Home Mission Board has such resources available.

2. That the Home Mission Board continue to hold and administer the properties it now owns in Oklahoma for work with language groups according to its present policies which provide that if the board deems it feasible and desirable it may transfer property to local forces and retain a gift lien on the property for the amount of its investment in it.

IV. Statewide workers

1. That the secretary of the state department of missions who will be responsible for the general supervision of the work in all three categories mentioned above shall be employed and paid jointly by the Home Mission Board and the state convention according to the ratio of participation agreed upon for associational missions.

2. That the superintendent of work with language groups, and the superintendent of work with National Baptists, if and when one is employed, be jointly employed by the two agencies to work under the general supervision of the secretary of the department of missions and that each of these two shall be paid according to the ratio of participation of the two agencies in work with language groups and work with National Baptists.

V. Conferences and Literature

1. That according to the current ratio of participation for the respective categories, the two agencies shall share in the cost of such conferences and publications as they together may deem necessary or desirable for the work within the state of Oklahoma.

2. That the Home Mission Board shall provide for such interstate conferences and publications for the mission work in these three categories within the territory of the Southern Baptist Convention as

it may deem necessary or desirable.

VI. New types of work

That these two agencies continue to seek better means of co-operation in the promotion and administration of the types of mission work now being done by them, but that either agency be free after conference with the other to initiate new work within the state of Oklahoma which it deems necessary and desirable, even though the other agency may not participate in it.

The above plan of work was thoroughly discussed by a joint committee of the Home Mission Board and the Board of Directors. It was also studied carefully by the superintendents of associational missions, Indian missionaries and many others. After careful and prayerful study it was approved by the board May 14, 1959.

Proposed Changes in Constitution

The rapid growth and development of the convention program makes it practical to change the constitution as it relates to employed personnel of the convention. For instance, when the constitution was adopted many years ago most churches had the annual call of pastors. Today the majority of churches call pastors for an indefinite period. The proposed change provides that the executive secretary-treasurer be elected for an indefinite time rather than at each annual convention. He may be replaced at any convention or by the Board of Directors between sessions.

The other major change is concerned with the election of those working under the direction of all the department heads. The constitution now provides that the board shall elect **all** denominational workers. This could apply to office secretaries, workers at the Children's Home, hospital personnel, etc. There are about 1,000 employees in the convention's departments, institutions and agencies. The proposed change provides that the board shall elect all department heads; and through them, with the proper counsel of committees, other workers shall be employed.

These proposed changes were printed in the May 21 issue of the **Baptist Messenger**.

The Board of Directors, after careful study, recommends the following changes in the constitution:

ARTICLE IV, SECTION 1, A

From:

The officers of the convention shall be a president, a first vice-president, a second vice-president, a recording secretary, an assistant recording secretary, an executive secretary, a treasurer, and a historical secretary. It is hereby provided that the executive secretary may be treasurer.

To:

The officers of the convention shall be a president, a first vice-president, a second vice-president, a recording secretary, an assistant

recording secretary, an executive secretary-treasurer, and a historical secretary.

ARTICLE IV, SECTION 2

From:

These officers shall be elected annually and shall hold their respective offices until their successors are elected. In balloting, the one receiving a majority of all votes cast shall be declared elected.

To:

These officers, with the exception of the executive secretary-treasurer, shall be elected annually and shall hold their respective offices until their successors are elected. The executive secretary-treasurer shall be elected by the convention and shall serve until his successor is elected. In balloting, the one receiving a majority of all votes cast shall be declared elected.

ARTICLE VI, SECTION 3

From:

The board shall, in case of vacancy, elect an executive secretary. He shall be the official superintendent of all the work of the board and shall make full report of all matters committed to it. He may also be treasurer of the board.

To:

The board shall, in case of vacancy, elect an executive secretary-treasurer to serve, until such time as the convention meets. He shall be the official superintendent of all the work of the board and shall make full report of all matters committed to it.

ARTICLE VI, SECTION 4

From:

This board shall elect all denominational workers whose salaries are paid by the convention (except those elected by the convention) and may approve those whose salaries are paid in part by the convention. This board shall also fix salaries of all denominational workers elected by the board and determine the fields of work for each.

To:

This board shall elect all department heads, including the editor of the Baptist Messenger and the assistant executive secretary. The executive secretary-treasurer, in consultation with the committees of the board of directors which are involved, shall select the workers in the executive division, with the exception of office or similar personnel. The department heads, in counsel with the executive secretary-treasurer and the committees of the board of directors which are responsible for their work, shall select their workers, other than office or similar personnel. The executive secretary-treasurer and each department head shall select his office or similar personnel. Those responsible for electing or selecting workers shall fix their salaries.

THE COOPERATIVE PROGRAM AND FORWARD PROGRAM **"They Go Together"**

The marriage of the Cooperative Program and the Forward Program of Church Finance forms a perfect union. As Dr. W. H. Allison

of Missouri, wisely says, they are "United in Love for World Missions."

For 33 years the wonderful Cooperative Program labored without an effective co-laborer. Now he is married to Miss Forward Program. It was a good match. They go together.

Oklahoma Baptists have given generously through their Cooperative Program. Ten years ago (1949) total state Cooperative Program gifts were \$780,000. Last year (1958) the Cooperative Program reached \$2,210,000! Our people, through their churches, have not failed to enlarge their Cooperative Program gifts year by year. There has been a steady increase. However, during the last six years, Baptists of this state have given more through the Cooperative Program to World Missions than during the previous 27 years combined.

During all these years of progress in stewardship various programs of church finance were employed. Then, in the fall of 1957, Mr. Cooperative Program and Miss Forward Program became partners. The Forward Program was used in 1957 in about seventy Oklahoma Baptist churches to prepare for the 1958 budget.

What happened? The Cooperative Program which had shown an increase of only \$1,000 in 1957 over the previous year, shot up \$168,000 in 1958!

From what source came this tremendous increase?

A look at the record will reveal that 80 per cent of it, or \$134,000, came from the 70 churches which had used the Forward Program of Church Finance.

Last fall (1958) approximately 150 churches used the Forward Program of Church Finance in preparing the 1959 budget. The first 75 of these to report indicate that the Forward Program-Cooperative Program marriage is still a happy one. The average increase per church in total dollars pledged over the previous year was almost \$15,000 and an average of 91 new tithers was reported. But the average Cooperative Program goal increase was \$1,800!

The Cooperative Program (all missions) waits on the Forward Program (applied stewardship).

Why not use them both this year?

BUDGET RECOMMENDATIONS

1. We recommend use of the Forward Program of Church Finance in every Oklahoma Baptist church as soon as possible. At least 400 churches should use it during the fall of 1959.

2. Every church is encouraged to increase its Cooperative Program goal by at least two per cent for 1960. We suggest that every church make the advance it deems possible, but that such advance be at least two per cent of the total budget.

3. The suggested goal for 1960 is \$2,380,000 or an increase for 1960 of \$148,000 above the 1959 goal. Oklahoma, by agreement with the Southern Baptist Convention, has deducted certain expenses

before the division of funds. These are: Administration, Promotion, Retirement, Baptist Messenger, and Woman's Missionary Union. Because of the great need of an emergency appropriation at Oklahoma Baptist University, we are recommending that an item of \$75,000 for that purpose be added to this section.

You will note that, as in the past, building and endowment items are preceded by an asterisk. These are the items whose payment in full will be contingent upon the amount of money received and the meeting of other budgetary needs. This is done by agreement with all concerned.

You will note that after the deduction of the items agreed upon by the state and Southern Baptist Conventions, before the division of funds, there remains \$1,934,908 to be divided fifty-fifty between Oklahoma and the Southern Baptist Convention. This division will make available to the Southern Baptist Convention from the Oklahoma Cooperative Program \$967,454.

The division of the \$967,454 among the various causes of the Southern Baptist Convention support is, of course, decided upon by the Southern Baptist Convention itself. The percentages vary from year to year according to the needs. Oklahoma's proposed contribution of \$967,454 from the Cooperative Program, 1960, will be shared by the following:

- Southern Baptist Convention Budget Fund
- Foreign Mission Board
- Home Mission Board
- Relief and Annuity Board
- Southern Baptist Seminary
- Southwest Baptist Seminary
- New Orleans Baptist Seminary
- Golden Gate Seminary
- Southeastern Seminary
- Radio Commission
- American Baptist Seminary Commission
- Carver School of Missions and Social Work
- Woman's Missionary Union
- Southern Baptist Hospital
- Baptist Brotherhood Commission
- Public Affairs Committee
- Baptist World Alliance
- Southern Baptist Foundation
- Education Commission
- Historical Commission
- Christian Life Commission
- Miscellaneous causes

Oklahoma Baptist University Operations has been raised \$75,000. OBU endowment and Church Loan Fund has been lowered \$11,666. The amount for OBU endowment is placed with the Baptist Founda-

tion and made available for loans to churches. Only the proceeds of the endowment may be used by the university.

The \$2,200 for Rural Church Building Fund has not been changed in amount for several years. It is administered through Dr. Scantlan's office and is primarily an emergency item.

Child Care expenses to be charged to the Cooperative Program have been increased. A new building at Boys Ranch Town, along with the added boys that occupy this building, demands increased revenue. In accordance with existing policy, the Cooperative Program is being increased as rapidly as possible to offset reduction in special offerings received.

Our budget for Cooperative Program endowment is as follows:

Child Care -----	\$ 4,000
Hospitals -----	2,000
Falls Creek -----	2,000
BSU Student Centers -----	2,000
Golden Age Homes -----	2,000
OBU -----	50,000

It is hoped that this will deepen interest in the possibility of private endowment funds coming to all the above listed causes and institutions.

The Oklahoma City Hospital building item is considered temporary in nature and is not intended to become a permanent item in future budgets.

Grace Rescue Mission is sponsored by Downtown Church and the Oklahoma County Baptist Association. The Cooperative Program helps support this work.

Administration

Administration includes executive offices, accounting, and business manager's office.

Every department, agency and institution of the convention receives attention from the executive office in regard to administration.

A co-ordinated finance and budget plan is developed to permit continued growth of all Baptist work. Special attention is given to the promotion of the Cooperative Program and to departmental, agency and institutional budgets.

Office personnel cares for the regular secretaries, receptionist, and extra secretarial help demanded at times.

The accounting department handles all funds received and disbursed for the Baptist General Convention, all departments of the convention—the Orphans' Home, Boys Ranch Town, Falls Creek Assembly, **Baptist Messenger**, and all church gifts for the Woman's Missionary Union (apportionments, Edna McMillan Offering, Lottie Moon Offering, and Annie Armstrong Offering.) All payrolls for these departments and institutions, with the exception of WMU, are handled by this department. All Cooperative Program reports and some statistical reports are prepared in this department.

Careful handling of all funds for the Southern Baptist Convention makes it possible for the causes affected to receive funds promptly.

Our personnel consists of a chief bookkeeper who is responsible for all phases of accounting, two bookkeepers, and one posting machine operator.

All records of church gifts are compiled and recorded in this department. Receipts for church gifts are mailed to the church treasurer only on request. Statements for **Baptist Messenger** subscriptions are prepared and mailed monthly.

A complete audit is made of the books of the convention. A portion of the audit expense is charged to various departments and institutions, but the majority of the expense is carried in this budget.

Salaries in the business office consist of manager and office personnel. Telephone and miscellaneous expense include necessary postage, supplies and telephones. The business manager's duties also include supervision of Central Services Department and Baptist Building operation and maintenance.

Under central services, salaries are for records clerk, operators of printing department (multilithing, mimeographing, flex-o-writer, inserting machine), addressograph and graphotype work, assembling of materials for mailing, and operation of tract and mailing departments which service the entire building. The salary of one PBX operator for the building is also included. Part-time PBX operator services are performed by others from the Central Services Department.

Income is derived from refunds for services performed for all departments on a cost basis lower than if the work were sent out of the building.

In building maintenance, salaries cover all personnel used in physical care and upkeep of the Baptist Building, including the building engineer who maintains and operates heating, air-conditioning, and other building operational equipment.

Promotion

The board, committee and stewardship meetings make this item necessary. The expenses of all the meetings of the Board of Directors and its regularly elected and appointed committees, along with all other special committee meetings of a general nature, must be met by the promotion budget.

Each year missionaries and moderators of all associations are invited to Oklahoma City for a two-day promotional meeting. The expenses are included in the promotion budget.

The largest item cares for the vast amount of literature and mission publicity purchased for the convention through the promotion department and distributed free of charge to the churches.

Expenses of the annual stewardship conference held at the time of the annual evangelistic conference come from this budget. Pastors

attending and requesting such assistance receive one cent per mile each way to help on expenses.

The expenses of preparing, publishing, and mailing the convention minutes are charged to promotion.

The services of the convention attorney and a great number of other miscellaneous items are also charged to promotion.

Baptist Messenger

Office personnel includes five workers: two editorial assistants, office secretary, circulation secretary and assistant in circulation room part-time.

Printing includes the following:

1. Salaries for seven full-time and five part-time workers
2. Paper stock, 50 tons
3. Ink, type metal, etc.

Mailing includes the following:

1. Postal fees, second class
2. Mailing service

Woman's Missionary Union

The executive secretary, the two youth directors, the office secretary-bookkeeper, the office assistant, and extra help are the same number and amount of salaries as 1959.

The four promotional secretaries need travel expense. Besides these four employed leaders, state directors who travel for Woman's Missionary Union have travel allowance. The travel of state committees is paid.

The travel for the 15 September district WMU conferences for local leadership, to which 13 conference leaders will go, is provided. The promotional conference at Falls Creek in August is for training the associational leadership in WMU. The annual WMU meeting's expenses, and those of the all-church clinics, will be provided from this part of the budget. Two mission study institutes and other workshops will also be cared for out of this. State leaders receive their training at Glorieta, but this expense is included in their travel expense.

Department of Hospitals and Golden Age Homes

The budget for the Department of Hospitals and Golden Age Homes includes the salary of the director, the secretary, and occasional additional office help. Supplies and postage are for office use. The director goes to each of the hospitals on an average of once a month attending governing board meetings and participating in the details of hospital operation. Travel expense is involved for this purpose as well as for southwide hospital meetings and other convention activities.

In an effort to get the Golden Age Home at Hugo and the one in Oklahoma City under way, it is necessary to have additional assistance from time to time. In 1958 and 1959 this expense was paid from the contingency fund of hospitals and Golden Age Homes, and

for 1960 this item is being transferred to the departmental budget.

The department prints a quarterly paper—**News of Hospitals and Golden Age Homes**. This is mailed to various groups and individuals throughout the state.

Some of the tracts and brochures used by the various hospitals and Golden Age Homes are prepared by this department and some expense accumulates in this way.

The department has seminars and institutes in connection with hospital administration, the chaplaincy program, accounting, insurance, and various other phases of the work.

The department also operates the Falls Creek hospital during the assemblies and some expense is involved in this connection.

The items for the Enid General Hospital School of Nursing and the Oklahoma Baptist Hospital School of Nursing at Muskogee have been a regular procedure for several years. This covers less than one half of the total investment made by the hospital in the schools of nursing. Our convention, through the hospitals, invests at least \$1,500 in the lives of each of these girls graduating from our schools of nursing.

The items for the Oklahoma City School of Nursing was originally established to pay for the portion of land set aside for the school of nursing. This year the amount has been increased from \$5,000 to \$10,000 to begin setting up a nucleus of funds toward the erection of a student center which will be needed in the very near future.

The chaplaincy program is being increased from \$8,000 to \$10,000, that the convention might participate in the program of the 10 Baptist hospitals. This amount makes it possible for the convention to pay a little less than one-half of the actual expense incurred by each hospital for the chaplaincy program.

The contingency fund has been used during 1958 and 1959 for the Hugo Golden Age Home and partly in 1959 for assistance in connection with the establishing of the Golden Age Home in Oklahoma City. Part of this fund has been transferred to the Department of Hospitals and Golden Age Homes, that this assistance might be continued from time to time during 1960. The remaining \$3,000 is an emergency fund to meet unexpected problems that may arise.

Child Care

The severe decrease of \$9,321.25 in the Thanksgiving Offering for 1958, plus the discontinuation of the scheduled food truck trips (for 1958-\$7,518), will not be overcome by the \$15,000 increase in Cooperative Program for 1959. The Egg Offering came on Easter at the same time of the simultaneous revivals and many churches did not observe this offering. The price of eggs dropped to a new low of 16 cents a dozen. An increase of \$10,000 in allocation from Cooperative Program is needed for 1960 with the expectation that our churches will still be loyal and generous to the Thanksgiving Offering and the Birthday Offering.

Public Relations

The Public Relations Department is concerned with promoting and developing public understanding of the program of Oklahoma Baptists. Its work is three-fold. It seeks to foster better communication between the state convention and the general public.

Office personnel include the director, a news writing assistant, and a secretary-writer.

More than 300 newspapers in Oklahoma receive and print press releases prepared by the Public Relations office staff. The stories about Baptist work which are printed daily would fill a full page of a metropolitan newspaper. In addition, individual reporters are assisted in preparing feature stories about Baptist people and events. Assistance is also given pastors and educational directors when time permits.

Radio and Television news releases are prepared regularly and the two major wire services receive important stories which might be of statewide interest.

The office is responsible for the preparation of a weekly half-hour TV quiz program on KVOO-TV in Tulsa. Teams from Baptist churches in the Tulsa area compete in the Bible Quiz championship.

Upon request the public relations office assists the departments, institutions and agencies of the convention in preparation of promotion materials and in planning promotion campaigns. These services are provided without charge to them. The office also bears the expense of cuts and mats which are sent with news releases. Photography and visual aids services are also provided.

The Department of Missions

An explanation of the Department of Missions is given elsewhere in this report in connection with the new arrangement worked out with the Home Mission Board.

Building Committee Report

The convention's building committee is as follows: Anson Justice, Joe Dee Ray, Harry M. Roark, Frank Elkins, Evans T. Moseley, C. A. Roberts, Leonard Sullivan, Robert R. Chambers, Kenneth Mullins, Hollis Morris, M. J. Lee, C. Fred Williams. The Baptist Memorial Hospital building committee: Robert S. Scales, H. H. Hobbs, M. E. Ramay, R. A. Young, Hugh R. Bumpas. The Oklahoma City Golden Age Home building committee: Anson Justice, Hollis R. Morris, Frank Elkins.

This has been another good year for the convention's building program.

Baptist Memorial Hospital

After years of planning, fund raising, and construction, the building was completed, furnished and opened for patients April 14, 1959. The total amount invested as of October 1, 1959, was \$4,746,114.47; received from Cooperative Program and other church offerings, \$911,222.98; received from citizens campaign and other individual gifts, \$927,322.99. This leaves an indebtedness of \$2,907,568.50.

The indebtedness is financed as follows:

Connecticut Mutual Life

Insurance Company \$2,200,000

21 years at 5½ % interest

Department of Health,

Welfare, Education \$ 507,568.50

40 years at 3-3/8 % interest

An individual through

Baptist Foundation \$ 100,000

5 % interest

Local Bank \$ 100,000

5 % interest

The loan from the local bank is being repaid by the collection of campaign pledges and the monthly rental on the administrator's home.

Although the hospital is doing well, it will be some time before income will be sufficient to meet all payments of indebtedness. The governing board and the administration are determined to reach that time as soon as possible. We are confident that the convention's appropriation can be decreased substantially by 1961. If it is necessary for the convention to allocate funds beyond the \$1 million pledged, such allocation will be advanced as a loan to the hospital.

Oklahoma Baptist Hospital, Muskogee

For the past two years the Oklahoma Baptist Hospital has been in a constant modernization and enlargement program. A new dietary department was recently opened. About \$140,000 of the Muskogee

campaign funds have been received and invested in this program of enlargement and modernization.

Falls Creek

The new swimming pool at Falls Creek was completed and used for the first time this summer. It is 60x150 feet. Our young people have needed this improvement for a long time. It cost about \$70,000.

OBU Chapel

Although the OBU Trustees building committee has the responsibility of the chapel, this committee is likewise interested in this project and is watching the building take shape.

We rejoice to know that more than one-half million dollars are in sight for the construction. Let us keep funds coming so that this chapel in the heart of OBU campus may soon be a reality.

Golden Age Homes

The Hugo Golden Age Home was dedicated May 9, 1959. Following the dedication the first residents began to move in. One wing of the building is complete and occupied. It will take about \$30,000 to finish the other wing. This will be done as funds are available.

The Oklahoma City Golden Age Home observed ground-breaking May 15, 1959. Following this occasion, utilities including sewer, gas, electricity, water and streets, were installed. Three new homes are under construction and will be occupied very soon. They are: Dr. and Mrs. J. B. Rounds, Dr. and Mrs. I. L. Yearby, and Mrs. Alice Anderson and her sister Mrs. Duskie Presson.

There is room for 65 of these buildings. Others interested in helping to build this city of retired Christian people and who would like to live in one of the homes should contact the Baptist office.

We are in great need of at least one large unit where people physically unable to care for themselves may live.

Oklahoma Baptists will have another opportunity to contribute to these homes during Dedicated Dollars Day in May of 1960.

Falls Creek Child Care Building

For several years the Sunday school offering at Falls Creek each summer has gone into a fund to build a cottage for the Children's Home and Boys Ranch Town.

The building was constructed this year at a cost of approximately \$25,000.

COMMITTEE ON RESOLUTIONS**BE IT RESOLVED**

1. That we express our deepest gratitude to First Church, Tulsa, its pastor and staff; to the Tulsa County Baptist Association, with their pastors and other helpers, for the very gracious way in which they have helped to make our stay in Tulsa both pleasant and profitable.

2. That we express our gratitude to the program committee for the excellent program they have provided for us and to all who have participated in any way in giving us one of the best; most inspiring and informing programs it has been ours to enjoy.

3. We are grateful to the president and other officers of the Convention for the splendid way in which they have directed the program and activities of the Convention.

4. We are grateful to God and to his servants, in the person of Dr. T. B. Lackey and all his associates for the marvelous way in which they have led us through another year of victories in so many fields of service.

5. That we encourage our churches to give their most hearty support, in prayer and financial assistance, to the newly named organization in our state to fight the evils of liquor and the liquor business—SANE.

6. That we reaffirm our convictions on the importance of our

people going all out in support of a sane program of evangelism, missions and Christian education, here and around the world, and that to this end we give our full support to the best method yet known in financing these causes—through the Cooperative Program.

7. That we keep our people informed concerning the ever threatening danger of the breakdown of the long cherished doctrine of "Separation of Church and State" and that we urge all our churches, boards and agencies to steer clear of any semblance of our weakening on this position; that we bring all the force we can, through prayer, teaching, warnings and requests, to bear upon our officials—both state and national in this matter. We go on record as opposing the election to any governmental office in state or nation of any person whose first allegiance is to any other power which would influence or lead him to fail to take a bold and courageous stand for our time honored principle of separation of church and state.

8. That we urge our churches to be second to none in Southern Baptist life in an all-out effort during the coming year in teaching the word of God and, that in doing so, we re-emphasize our distinctive Baptist doctrines that justify our position as a separate Christian denomination. Also, that we emphasize in our teaching the necessity for a regenerate church membership and our churches holding a high standard of morals and of Christian example in order that Christ may be honored and our testimony be more telling for him.

Respectfully submitted, M. E. Ramay, Dick Peterson, Marion Beene, W. Dean Rainwater, Johnie R. Stuckey

Record of Oklahoma Baptist Churches for 1959

On the following pages appears the 1959 record of co-operating Baptist churches in Oklahoma. Reports are arranged by associations. Statistics concerning church membership, baptisms and enrolment in organizations are given as reported in the 1959 associational letters and were furnished by the Research and Statistics Department of the Sunday School Board of the Southern Baptist Convention, J. P. Edmunds, secretary, as was information in "Oklahoma Summary." Record of the contributions of the churches to missions through the Cooperative Program and special offerings is for the calendar year and was taken from the books of the Baptist General Convention of Oklahoma. Report of the Indian associations follows that of the 39 regular associations. Record of contributions through the Baptist Foundation of Oklahoma is from the Foundation's books, and this report appears separately.

1959 Report of the Baptist Foundation of Oklahoma

By Augie Henry, Executive Secretary-Treasurer

Most of the Funds received by The Baptist Foundation of Oklahoma come from individuals and estates. Some churches, however, send contributions direct to the Foundation and some individuals prefer to contribute to the Foundation through their churches, therefore, in this report credit is given to churches when the amounts received were sent through church treasurers.

Board of Directors
Baptist General Convention of
the State of Oklahoma
Oklahoma City, Oklahoma

Gentlemen:

We have examined the balance sheet of The Executive Office of Baptist General Convention of the State of Oklahoma, including only the funds as herein defined, as of December 31, 1959, and the related statements of fund reserves, and receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

No provision was made for depreciation of fixed assets.

This report does not include assets, liabilities, fund reserves, or receipts and disbursements relative to the Hugo Golden Age Home and the ten hospitals in Oklahoma which are leased or owned and operated by Baptist General Convention of the State of Oklahoma.

In our opinion, subject to the comments in the two preceding paragraphs, the accompanying balance sheet and statements of fund reserves and receipts and disbursements present fairly the financial position of The Executive Office of Baptist General Convention of the State of Oklahoma at December 31, 1959, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours truly,
Wolf and Company

COMMENTS

Organization

Baptist General Convention of the State of Oklahoma was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. It was incorporated under the laws of the State of Oklahoma without capital stock. Its first Articles of Incorporation were filed in May, 1917, for a term of twenty years, and amended Articles of Incorporation were placed on record March 6, 1928 as an organization in perpetuity.

Since November 1, 1935, the Baptist General Convention of the State of Oklahoma has had direct supervision of The Baptist Orphans' Home which is located in the vicinity of Oklahoma City, Oklahoma, and is incorporated under the laws of the State of Oklahoma as a charitable institution without capital stock. It was organized in September 1903 for the purpose of providing protection and care for needy orphans. The assets and liabilities of the home are included in this report. The operations of the home are combined with Boys' Ranch Town in the Department of Child Care.

On October 28, 1946, the Baptist General Convention of the State of Oklahoma created a separate corporation, The Baptist Foundation of Oklahoma, for the stated purpose of building, undergirding, and stabilizing the agencies and institutions owned and operated by the convention. Subsequent thereto, certain investments for trust and endowment funds were transferred to the foundation by the convention. The accounting for such specified funds has been handled by the foundation as a separate entity, since its inception.

The major classifications of the executive office of the convention and their general functions are described below:

Collecting and Accounting—Receiving contributions for the Co-operative Program budget and other designated funds, maintaining records therefor by church units and funds, and transmitting periodically the portion allocated to the Southern Baptist Convention, the various Baptist hospitals within the state, the University at Shawnee, Oklahoma, the Woman's Missionary Union of Oklahoma, the Baptist Foundation of Oklahoma, and other designated donees.

Baptist Messenger—Printing and publishing a denominational paper known as "The Baptist Messenger."

Department of Child Care—Operation and management of "The Baptist Orphans' Home" and "Boys' Ranch Town," construction of buildings, and maintenance of buildings and grounds.

Falls Creek Assembly—Covering vacation training at Falls Creek, Oklahoma, and the maintenance of assembly properties.

Division of Religious Education—Providing for advancement and enlargement of educational activities in churches of the state, and coordination of Baptist work in the student union centers at the various educational institutions.

Building Program—Accounting for contributions and appropri-

tions toward a building program of the convention, supervising construction of such projects and disbursing funds therefor.

This transaction enabled First Baptist Church to purchase property which is jointly used with Baptist General Convention as a parking area, for which the convention pays an amount equivalent to 5 per cent of \$50,000.00 or \$2,500.00 per year as rent for its use of the parking area. During the loan repayment period, the rent amount is paid either to the bank for money borrowed or to the church as the indebtedness is liquidated. The annual rental payment by the convention to the church is equal to 5 per cent of the amounts paid by the church as a reduction of the note. After the \$50,000.00 is collected from the church, the convention will pay \$2,500.00 per year to the First Baptist Church as rent for parking rights on this parking area.

Gentlemen:

We have examined the balance sheet of The Baptist Foundation of Oklahoma, including only the funds as hereinafter defined, as of December 31, 1959, and the statement of fund reserves for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such test of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

No provision was made for the depreciation of fixed assets.

In our opinion, subject to the comment in the preceding paragraph, the accompanying balance sheet and the statement of fund reserves present fairly the financial position of The Baptist Foundation of Oklahoma at December 31, 1959, and the results of its activities for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours truly,
Wolf and Company

Organization

The Baptist Foundation of Oklahoma was granted a charter by the State of Oklahoma on October 31, 1946, for perpetual existence without capital stock. It was created by Baptist General Convention of the State of Oklahoma, as a private, nonprofit, religious association "to purchase, control, manage, acquire, hold, barter, sell, convey, exchange, expand, distribute, invest and otherwise dispose of all real, personal, or mixed property of whatever nature, and wheresoever situated—for the church and other religious and charitable purposes—necessary for its membership—worship and exercise of such powers."

Its duties and powers are to receive by gift, devise, bequest, or otherwise, any money or property to be used as may be directed; to enter into contracts or trust agreements with individuals, corporations, or partnerships, for the purpose of futhering the interest of educational institutions, hospitals, orphanages, student centers, and any other property in order to assist and promulgate, the furtherance of the convention and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign missionary work, to borrow money, hold, administer and dispose of property; make conveyances and assignments; incur obligations and prosecute or defend any action or suit in which involved.

As interpreted by the directors of the corporation, its responsibilities are to procure funds for capital improvements and endowments, and to hold, disburse, and invest funds according to designation made and as set out in the charter.

Gentlemen:

We have examined the balance sheet of Oklahoma Baptist University, including only the funds hereinafter defined, as of May 31, 1959 and the related statements of income and expenses and reserves for the twelve months then ended. Accounts Payable

United States Government Student Loan Account \$25,109.00—

This amount has been advanced by the federal government under the National Defense Student Loan Program. Under this program the federal government furnishes 90 per cent of the funds and the university furnishes 10 per cent to loan to students to be repaid by these students over a maximum of 15 years.

Note Payable

The university was the maker of a note payable to The American National Bank, Shawnee, Oklahoma, dated February 21, 1959 and due August 21, 1959 in the amount of \$12,500.00.

Bonds Payable

The university is the obligor under two bond indentures in the total amount of \$1,289,000.00. At the closing date all of these bonds were held by the Housing and Home Finance Agency of the United States Government.

The first indenture, known as the Oklahoma Baptist University Dormitory Bonds, Series of 1955, consists of \$589,000.00 of 2-3/4 per cent first mortgage bonds. Interest is payable May 1 and November 1. These bonds mature in varying amounts, beginning with \$9,000.00 on November 1, 1959 and increasing through the years to a maturity of \$25,000.00 on November 1, 1995, and are secured by a first mortgage on the Mrs. W. S. Kerr Memorial Dormitory.

Under the terms of the bond indenture, naming The Federal National Bank, Shawnee, Oklahoma, as trustee, certain income of the university is pledged for the retirement of these bonds.

According to the terms of the loan agreement between the university and the lending agency, and in the opinion of legal counsel of the university, it is the primary obligation of the university to deposit \$16,000.00 semiannually to the bond sinking fund account with the trustee to meet principal and interest maturities until such time as the balance in this account is equal to the debt service requirement for the current year plus the two succeeding years. Then the semiannual payment shall be for the amount of interest and principal then due; and other provisions or restrictions as to income do not apply as long as this requirement is met.

The second indenture, known as The Oklahoma Baptist University Student Housing Bonds, Series 1957, consists of \$700,000.00 of 2-7/8 per cent first mortgage bonds. Interest is payable April 1 and October 1. These bonds mature in varying amounts beginning with \$11,000.00 on October 1, 1960, increasing through the years to a maturity of \$33,000.00 October 1, 1997 and are secured by a first mortgage on Brotherhood Memorial Dormitory.

Under the terms of the loan agreement and the bond indenture, naming The Federal National Bank, Shawnee, Oklahoma, as trustee, certain income of the university is pledged for the retirement of these bonds.

According to the terms of the loan agreement between the university and the lending agency, and in the opinion of legal counsel for the university, it is the primary obligation of the university to deposit \$20,625.00 semiannually to the bond sinking fund account with the trustee to meet principal and interest maturities until such time as the account is equal to the debt service requirements for the current year plus a debt service reserve of \$60,000.00. Then the semi-annual pay-

ments shall be for the amount of interest and principal then due, and any other provisions or restrictions as to income do not apply so long as this requirement is met.

We have examined the General Fund and Plant Fund balance sheets of the Baptist Memorial Hospital as of December 31, 1959 and the statement of General Fund income and expense for the nine months then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that we did not observe the taking of the physical inventories of supplies and materials.

In our opinion, subject to the comments above, the accompanying balance sheets and statement of income and expense presents fairly the financial position of the General Fund and Plant Fund of the Baptist Memorial Hospital at December 31, 1959 and the results of the operations of the General Fund for the nine months ended December 31, 1959 in conformity with generally accepted accounting principles and also the accounting procedures recommended by the American Hospital Association.

Gentlemen:

I have completed an audit of the books of the Cordell Memorial Hospital at Cordell, Oklahoma, as of December 31, 1959. Attached, you will please find Exhibits and Schedules, as follows:

Exhibit A—General Fund Balance Sheet, as of December 31, 1959.

Exhibit B—Plant Fund Balance Sheet, as of December 31, 1959.

Exhibit C—Statement of General Fund Income and Expense, January 1 to December 31, 1959.

Schedule No. C-1—Earnings from Routine and Special Services, January 1 to December 31, 1959.

Schedule No. C-2—Expenses of Routine and Special Services, January 1 to December 31, 1959.

SCOPE OF AUDIT

A balance-sheet type of audit was made, of the accounts at December 31, 1959. The following comments are made:

1. The accounts receivable were confirmed by outside correspondence.

2. I had no opportunity to witness the physical inventory count; so accepted the inventory figures compiled by hospital personnel.

3. The accounts payable were not confirmed by outside correspondence.

COMMENTS

I found the books to be in excellent condition. No recommendations are made for changes.

The loss incurred by the hospital can undoubtedly be attributed to the small percentage of occupancy, which was approximately 46% of capacity.

AUDITOR'S OPINION

With the above limitations and exceptions, in my opinion the attached statements present fairly the results of operations for the period January 1 to December 31, 1959, and the financial condition of this hospital, as of December 31, 1959.

Respectfully submitted,
Scott Quigley

Gentlemen:

At your request, an examination of the books and records of the Enid General Hospital, Enid, Oklahoma, has been made at December 31, 1959, and for the year then ended. With the three exceptions that are listed below, all standard auditing procedures have been performed and the statements conform to accepted methods of accounting. As these exceptions do not directly influence the operation of the hospital, it is my opinion that the statements fairly reflect the conditions of the regular hospital operations. The exceptions are (1) that no opinion can be expressed on Exhibit D as pledge balances were not confirmed by verification; (2) limitations on the audit of the loss on Weibel property have been explained to the Director of Hospitals in a separate letter and no opinion can be expressed on this item; and (3) the excess of fair market value over nominal cost of items acquired from government surplus have been handled as income and may not be considered good accounting practices.

The following statements are attached:

Exhibit A—General fund balance sheet.

Exhibit B—Plant fund balance sheet.

Exhibit C—Statement of general fund—income and expense.

Exhibit D—Building fund.

Schedule 1—General fund earnings from routine and special services.

Schedule 2—General fund expenses for routine and special services.

Respectfully,

FOR THE YEAR ENDING

Prepared by

February 1, 1960

I have examined the books and related records of the Miami Baptist Hospital for the year 1959. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the account records and such other auditing procedure as I considered necessary in the circumstances.

In my opinion the accompanying statements of income and expenses present fairly the financial position of the Miami Baptist Hospital at December 31, 1959, and results of their operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
Carl A. Finke

Gentlemen:

I have completed an audit of the books of the Southwest Baptist Hospital at Mangum, Oklahoma, for the calendar year ending December 31, 1959. Attached, you will please find Exhibits and Schedules, as follows:

Exhibit A—General Fund Balance Sheet, as of December 31, 1959.

Exhibit B—Plant Fund Balance Sheet, as of December 31, 1959.

Exhibit C—Statement of General Fund Income and Expense, January 1 to December 31, 1959.

Schedule No. C-1—Earnings from Routine and Special Services, January 1 to December 31, 1959.

Schedule No. C-2—Expenses of Routine and Special Services, January 1 to December 31, 1959.

Exhibit D—Convalescent Home Fund Balance Sheet, as of December 31, 1959.

Exhibit E—Statement of Convalescent Home Income and Expense, January 1 to December 31, 1959.

SCOPE OF AUDIT

A Balance-sheet type of audit was made, of the accounts at December 31, 1959.

I had no opportunity to witness the physical inventory taking, so accepted the inventory figures compiled by the hospital personnel.

The accounts receivable were confirmed by outside correspondence. The reserve for bad debts appeared to be reasonable.

The accounts payable were not confirmed by outside correspondence.

COMMENTS AND RECOMMENDATIONS

In general the books were found to be in excellent order. The following comments are made:

1. The physical inventories of supplies came very close to the perpetual inventory figures in all departments, indicating a much tighter control over supplies.

2. I would like to re-emphasize the accounting problems raised by the operation of the Convalescent Home in part of the hospital facilities. The main problem is one of proper allocation of costs. It is important that this be done as equitably as possible; especially for purposes of accurate reimbursable cost figures. Again, I suggest that some study should be made of this problem and a definite set of

rules, or formulas, should be worked out with the Oklahoma Hospital Association, as a guide for the individual hospitals.

AUDITORS OPINION

With the above exceptions and limitations, in my opinion the attached financial statements present fairly the financial condition of this hospital as of December 31, 1959, and the results of operations from January 1 to December 31, 1959.

Respectfully submitted,
 Scott Quigley

Mr. Tom E. Carter, Supt.
Oklahoma Baptist Hospitals
Baptist Building
1141 North Robinson
Oklahoma City, Oklahoma

Dear Sir:

I have examined the books and related records of the Grand Valley Hospital for the year ending December 31, 1959. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the account records and such other auditing procedure as I considered necessary in the circumstances.

In my opinion the accompanying statements of income and expenses present fairly the financial position of the Grand Valley Hospital at December 31, 1959, and the results of their operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
Carl A. Finke

CONDENSATION OF BALANCE SHEETS

For twelve months ended

December 31, 1959

Board of Directors
Baptist General Convention of
the State of Oklahoma
Oklahoma City, Oklahoma

Gentlemen:

There is presented a statement called consolidation of balance sheets, which was prepared by combining the related financial statements of the various organizations comprising the organized operation of Baptist General Convention of the State of Oklahoma. The balance sheets presented include those of The Executive Office of the Baptist General Convention of the State of Oklahoma, the ten Baptist hospitals and the Hugo Golden Age Home, all operated by Baptist General Convention of the State of Oklahoma, and the following four affiliated or associated organizations: Baptist Foundation of Oklahoma, Woman's Missionary Union of Oklahoma, Oklahoma Baptist University and Faculty Building Association. The balance sheets are dated December 31, 1959 on all except Oklahoma Baptist University and Faculty Building Association, which are dated May 31, 1959.

We examined all of the balance sheets except those of the ten Baptist hospitals and Hugo Golden Age Home. Our examinations were made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other accounting procedures as we considered necessary in the circumstances.

Reports of other auditors, one of which was incomplete, of examination of the balance sheets of the ten Baptist hospitals and Hugo Golden Age Home, were submitted for our inspection.

Since two of the hospitals were audited by other than a certified public accountant, since one of the hospital reports was incomplete, and due to qualifications in these hospital reports as to scope of examination, particularly with respect to receivables, inventories and accounts payable not being confirmed or verified, we are expressing no over-all opinion on the accompanying consolidation of the balance sheets presented. However, except for the foregoing statement with respect to the ten hospitals and the Golden Age Home, the accompanying balance sheets, in our opinion, present the financial condition of the organizations included as at the particular closing dates, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours truly,

COMMENTS

Organization

Baptist General Convention of the State of Oklahoma was incorporated under the laws of the State of Oklahoma in May, 1917, as a legal formalizing of Southern Baptist work in the State of Oklahoma dating from long prior to statehood. The stated purpose was to foster Baptist denominational activities in the State of Oklahoma and to receive and disburse funds as provided by various contributors. On March 6, 1928, the charter was amended to provide for an organization in perpetuity.

Baptist General Convention of the State of Oklahoma was created by and is controlled by the various Southern Baptist churches in Oklahoma, co-operating through said Baptist General Convention of the State of Oklahoma to carry out the purposes for which it was created.

The various individual churches elect messengers to represent them at the annual meeting of Baptist General Convention of the State of Oklahoma. At such annual meeting these elected messengers elect the Executive Secretary-Treasurer and the Board of Directors of Baptist General Convention of the State of Oklahoma. In addition, these elected messengers review the operations of and approve or disapprove of the policies and programs or proposed policies and programs of Baptist General Convention of the State of Oklahoma.

At the annual meeting of Baptist General Convention of the State of Oklahoma these elected messengers also elect the members of the Board of Directors of The Baptist Foundation of Oklahoma and Board of Trustees of Oklahoma Baptist University.

The activities of Baptist General Convention of the State of Oklahoma are carried on through the following areas of responsibility:

A. The Executive Office of Baptist General Convention of the State of Oklahoma:

1. Receiving contributions and properly accounting for and making distribution of such funds
2. Promotion of denominational, religious and missionary activities.
3. Publish a denominational paper known as Baptist Messenger
4. Department of Child Care (Orphans' Home and Boys Ranch Town)
5. Rural and City Missions
6. Brotherhood and Evangelism
7. Public Relations
8. Hospitals and Golden Age Homes (ten Baptist hospitals and Golden Age Homes)
9. Indian Work
10. Falls Creek Assembly
11. Religious Education

12. Church Music
13. Building Program
14. Cooperating with the Southern Baptist Convention in World Wide Missions

The foregoing constitute the chief areas of direct responsibility of Baptist General Convention for promotion, management and finance.

The following organizations are separate corporations indirectly controlled by Baptist General Convention of the State of Oklahoma through the selection of the Board of Directors and Board of Trustees, respectively. There is no liability on Baptist General Convention of the State of Oklahoma for any obligation of either of these two organizations:

B. The Baptist Foundation of Oklahoma

C. Oklahoma Baptist University

In addition to the foregoing the following organizations are associated with Baptist General Convention of the State of Oklahoma, but are not officially a part of nor controlled by the Convention:

D. Woman's Missionary Union—promoting mission activities among the women of the State of Oklahoma.

E. Faculty Building Association—an Oklahoma nonprofit corporation organized by friends of Oklahoma Baptist University, specifically to acquire and develop real property and improvements, and to aid in the improvement and beautification of the campus, and "also to do all things necessary or proper to advance the interest of Oklahoma Baptist University."

Baptist General Convention of the State of Oklahoma has no responsibility with respect to either of these organizations and neither of these organizations can create or cause any liability to become an obligation of Baptist General Convention of the State of Oklahoma.
