Section 6. QUORUM, VOTING AND PROXIES. At all meetings of the members (whether regular, special or adjourned), the presence in person or by proxy in writing of a majority of the members shall constitute a quorum for the transaction of business. All proxies shall be in writing subscribed by the party entitled to vote, or by his duly authorized attorney, and no such proxy shall be valid or confer any right or authority to vote or act thereunder unless such proxy has been offered for filing to, and left with, the Secretary of the corporation prior to the meeting at which the same is to be used, provided that in case any meeting of members whatsoever (whether regular, special, or adjourned) shall have been for any cause adjourned, proxies shall be valid and may be used at such adjourned meeting, which have been offered for filing to, and left with, the Secretary of the corporation prior to the date upon which said adjourned meeting shall be in fact held. Section 8. WAIVER AND CONSENT. The transactions of any meeting of members, however called or noticed shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present, either in person or by proxy, and if either before or after the meeting, each of the members, not present in person or by proxy, sign a written waiver of notice or a consent to the holding of such meeting, or an approval of the minutes thereof.

ARTICLE II Directors

Section 1. NUMBER. The number of Directors of this corporation shall be thirty (30). The authorized number of Directors of this corporation may be changed by a Bylaw duly adopted by the members, provided that at no time shall the corporation have less than nine (9) nor more than thirty (30) Directors. The election of Directors shall be subject to approval and confirmation of the Baptist General Convention of the State of Oklahoma, acting either in Convention assembled or by and through its duly elected Board of Directors. If the said Convention shall fail to confirm the election of any Director, the remaining Directors shall elect another Director to succeed the one failing of confirmation, and in the event the Convention does not confirm the Director who has been elected in substitution, the Convention shall nominate and elect a Director of its own selection. A Director who has been elected and whose election is pending confirmation by the Convention shall exercise the full powers of the office of Director.

The initial terms of office shall begin immediately after election and shall continue for one year as to one-third of the board membership, for two years as to one-third of the board membership, and three years as to one-third of the board membership. After the initial terms, each director shall serve a term of three years until their successors are elected and qualified. No person may serve as director for more than two consecutive full three-year terms. At all elections or votes had for any purpose, there must be present in person or by proxy a majority of the members entitled to vote and every person acting therein in person or by proxy or representative must himself be a bona fide member of the corporation.

Section 3. QUORUM. Except as herein otherwise specifically provided, a majority of the authorized number of Directors shall constitute a quorum of the Board for the transaction of business. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present shall be the act of the Board of Directors, provided, however, that a minority of the

Board of Directors, in the absence of a quorum, may adjourn any meeting of the Board of Directors from day to day, but may not transact any business except the filling of vacancies in the Board of Directors as in these Bylaws hereinafter provided.

Section 4. COMPENSATION. Directors (as such) shall not receive any stated or fixed salary for their services, but may receive a reasonable allowance for personal services actually rendered, by resolution passed by a majority vote at any regular or special meeting of the members; provided, that nothing herein contained shall be construed to preclude any Director from serving the corporation in any other capacity and receiving compensation therefor.

Section 5. VACANCIES. Any vacancy or vacancies in the Board of Directors may be filled by a majority of the remaining Directors, though less than a quorum, and each Director so chosen shall hold office until his successor is elected at an annual or a regular or special meeting of the members. A vacancy or vacancies in the Board of Directors shall be deemed to exist in case of the death, resignation or removal of any Director or if the authorized number of Directors be increased or if the members fail at any annual, regular, or special meeting of members to elect the full authorized number of Directors to be voted for at the meeting.

Report of the Board of Directors of the Baptist General Convention of Oklahoma

The Baptist General Convention of Oklahoma was created by the churches as a cooperative body "to furnish a means by which the churches of Christ in their sovereign capacity can work together in promoting all denominational enterprises which they deem necessary in carrying out the Great Commission" (Article III, Section 2, Constitution and Bylaws). The Board of Directors is elected by the convention to function for the convention between annual sessions.

Since the close of the annual session, Nov. 13-15, 1972, the Board has diligently endeavored to serve the purposes of the convention, and with pleasure submits this account of its stewardship to the 68th annual meeting.

The Board met Dec. 19, 1972; May 1, 1973, July 24, 1973 and Aug. 30, 1973.

Child Care

Three motions were passed relative to the Child Care ministry in the December meeting:

1. That we look with favor on the purchase of farm acreage in the vicinity of Boys Ranch Town and the purchase price be not more than approximately \$150,000 and that because of tax involvements the property will not be used for commercial purposes, but that the primary purpose will be to raise meat and other foods for consumption by the Baptist Children's Home and Boys Ranch Town.

2. That we begin a children's home campus in 1973 on presently owned land in Tulsa with a cottage-type ministry and that we look

with favor on the following projects:

A. Another cottage in Tulsa as soon as funds become available,

- B. Education-recreation building at Boys Ranch Town in 1973, C. Education-recreation building at Baptist Children's Home
 - in Oklahoma City in 1974,

D. A cottage at Boys Ranch Town in 1974, and

- E. A cottage at Baptist Children's Home in Oklahoma City in 1975.
- 3. That rather than an offering being taken in the spring and another in the fall for the Child Care ministry, that one be taken in the spring, possibly around Mother's Day and that full participation be urged by all churches.

Child Care Property

The contract which was signed between the Convention and W. P. "Bill" Atkinson Enterprises, Inc. and TRAVCO in 1966 was reviewed in the August meeting of the Board. The contract is for the sale of the Child Care farm for the development of the Quail Springs addition. The contract provides that the convention has a 10 percent interest in the net proceeds of the sale of commercial properties. Atkinson and TRAVCO would like to purchase this 10 percent interest. The Board authorized the sale of the Convention's 10 percent interest provided the sale can be negotiated upon terms acceptable to the executive secretary-treasurer in consultation with the Business Management Committee of the Board of Directors.

In the original contract with Atkinson and TRAVCO there is an agreement that there be two five-acre church sites. According to the original agreement, the property could be purchased for \$12,500. The Board voted in their August meeting to make a five-acre church site available without cost through the Capital Association.

Short-Term Loans for Hospitals and Golden Age Homes

In the December meeting, authority was granted for short-term loans for Baptist hospitals and golden age homes as stated in the following resolution:

WHEREAS, it appears that there are times when it is necessary for hospitals and Golden Age Homes operated by the Baptist General Convention of the State of Oklahoma to borrow funds for current operation needs, or for immediate purchase of replacement of essential equipment;

NOW, THEREFORE, BE IT RESOLVED that the executive secretary-treasurer, the chairman of the Hospitals and Golden Age Homes Committee, and the chairman of the Governing Board involved, be and they are hereby authorized and empowered to jointly authorize the administrators of the hospitals to procure short-term loans from banks at prevailing commercial rates of interest to meet the needs for current operating funds and for temporary financing of the purchase of urgently needed equipment; and

BE IT FURTHER RESOLVED that the negotiation of each loan by an administrator pursuant to the provisions of this resolution shall be specifically, jointly authorized and jointly approved by the executive secretary-treasurer, the chairman of the Hospitals and Golden Age Homes Committee, and the chairman of the Governing

Board involved: and

BE IT FURTHER RESOLVED that the administrators be and they are hereby authorized to execute evidence of debt in the name of this corporation for loans procured pursuant to the provisions of this resolution; and

BE IT FURTHER RESOLVED that the executive secretarytreasurer of this corporation be and he is hereby authorized to furnish certified copies of this resolution to banks from which loans are procured pursuant to the provisions hereof.

Baptist Laymen's Corporation

At the December meeting the Board passed a resolution authorizing the Baptist Laymen's Corporation to call and redeem the entire 1971 Oklahoma Industries Authority, First Mortgage Revenue Bonds, Lackey Manor, Series "B" in the aggregate principal amount of \$200,000 and issue a "new series B", dated on or about Jan. 1, 1973:

WHEREAS, on May 18, 1971, the Board of Directors of the Baptist General Convention of the State of Oklahoma, by duly adopted resolution, authorized Baptist Laymen's Corporation to expand the facilities of Oklahoma City Golden Age Homes, in Oklahoma City, Okla., and refinance certain existing indebtedness, and to secure funds for such expansion and refinancing programs by the issuance of income tax-exempt bonds in such manner as the Baptist Laymen's Corporation might determine, and

WHEREAS, the Baptist Laymen's Corporation, pursuant to said authority of the Baptist General Convention of the State of Oklahoma, on July 15, 1971, granted a certain lease to Oklahoma Industries Authority, as lessee, of certain land and improvements constituting a part of Golden Age Homes, described and referred to in said Lease as Parcel "B", and

WHEREAS, Oklahoma Industries Authority entered into a Bond Indenture with the First National Bank and Trust Company of Oklahoma City, dated as of July 1, 1971, under which the Authority issued certain bonds designated as Oklahoma Industries First Mortgage Revenue Bonds, 1971, Lackey Manor, Series "B" in the principal amount of \$200,000.00, which bonds were secured as to their payment by a lien on the above mentioned leasehold granted by Baptist Laymen's Corporation to the Authority in the specific tract of real estate referred to in the aforesaid lease as Parcel "B"; and

WHEREAS, it now appears practicable and feasible to redeem said bonds, and prior to such redemption, to reissue longer term bonds in order to pay for said redemption;

NOW, THEREFORE, the Board of Directors of the Baptist General Convention of the State of Oklahoma hereby adopts the following Resolutions:

BE IT RESOLVED that the Baptist General Convention of the State of Oklahoma authorizes, endorses and approves the call and redemption in full by Oklahoma Industries Authority of the entire bond issue designated as "Oklahoma Industries Authority, First Mortgage Revenue Bonds, 1971, Lackey Manor, Series 'B'" in the aggregate principal amount of \$200,000.00; and in order to make funds available for the redemption of said bonds, which will require the payment of the aggregate principal amount of \$200,000.00, plus accrued interest thereon, and expenses incident thereto, the issuance by Oklahoma Industries Authority of a new series of bonds designated as "New Series B", dated on or about Jan. 1, 1973, which will be payable on an amortized basis over a period of 10 years from date of issuance, to draw six percent (6%) per annum, payable semi-annually until paid.

BE IT FURTHER RESOLVED that the Baptist General Convention of the State of Oklahoma authorizes the Baptist Laymen's Corporation to execute and deliver to Oklahoma Industries Authority, and others, such documents as are necessary and desirable to consummate this refunding procedure in the redemption of the aforesaid bonds, including but not limited to, the amending of leases, sub-leases, and any other documents which were delivered in connection with the original issue of the bonds, as aforesaid, as well as new documents between the parties.

BE IT FURTHER RESOLVED that the Baptist General Convention of the State of Oklahoma shall accept full liability for and discharge any indebtedness which may encumber Parcels "A" and "B" as said real estate is described in the lease dated July 15, 1971, aforesaid, in the event the Convention should at any time hereafter demand reconveyance of said parcels, or either of them, to it by Baptist Laymen's Corporation; all as provided in the "Consent and Confirmation of Lease by Baptist General Convention of the State of Oklahoma," dated July 15, 1971.

Adopted by unanimous vote by the Board of Directors in regular meeting assembled this 19th day of December, 1972, A.D.

Intended Use of Hospital Emergency Funds

In the December meeting the Board passed a motion clarifying the intended use of Hospital Emergency Funds. The motion was as follows: In October, 1954 the Board of Directors approved a recommendation that each hospital deposit at least \$100 a month for emergency purposes with the Baptist Foundation to the credit of the indi-

vidual hospital. This fund is and has been used for (1) major repairs and (2) for purchase of equipment. Upon the counsel of the hospital auditors, it was advised that action be taken on the intended use of the funds. Therefore, it was recommended to the Board of Directors that the hospitals continue to deposit at least \$100 a month with the Baptist Foundation to the credit of the individual institution as approved in October, 1954, and that the intended use of these funds be for (1) major repairs and (2) for purchase of equipment.

Baptist Building Remodeled

In December the Board adopted a proposal for the readjustment and renovation of the Baptist Building and the refurbishing of the exterior, air-conditioning and heating of the annex building across Robinson Street. Approval was given for an expenditure of \$125,000 for this project. Later approval was given to increase this amount to \$168,500, not including architect's fees, moving and storage expenses and other minor unforeseen items should they occur.

Revision in the Annuity Program

The Board in December approved an amendment in the Certificate of Paritcipation in the Southern Baptist Protection Plan.

Agreement to Amend the Certificate of Participation in the

Southern Baptist Protection Program

The parties of the Agreement are the Annuity Board of the Southern Baptist Convention (the "Annuity Board") and the Baptist General Convention of Oklahoma (the "State Convention")

Recitals

- A. The Annuity Board and the State Convention have previously entered into the certain Agreement dated Jan. 20, 1967 (the "Basic Agreement") to provide for the proper administration of the Southern Baptist Benefit Program and the Southern Baptist Protection Program by the Annuity Board and to provide for participation in and contribution to such Programs by the State Convention.
- B. Article I of the Basic Agreement incorporated therein the Programs and authorized amendments thereto and made them a part of the Basic Agreement.
- C. The Annuity Board wishes to amend certain provisions of Plan A—Southern Baptist Protection Plan which is a part of the Southern Baptist Protection Program. These proposed amendments will increase the "Widow Benefit" as they are defined in Plan A of the Program and will add to Plan A of the Program an additional benefit to be called the "Temporary Income Benefit."
- D. The State Convention wishes to join with the Annuity Board in this Agreement to amend such Plan and to increase the Widow Benefit and add the Temporary Income Benefit.

NOW THEREFORE, the Annuity Board and the State Convention agree that the amendment to Plan A-Southern Baptist Protection

Plan, a part of the Southern Baptist Protection Program, which (a) increase the "Widow Benefit" and (b) add a new benefit to be called the "Temporary Income Benefit", as is more fully set out on Exhibit A, which is attached hereto and made a part hereof, are hereby approved and shall be put into effect on Jan. 1, 1973.

IN WITNESS WHEREOF this agreement has been executed as of this 19th Day of December, 1972 by

BOARD OF DIRECTORS OF ANNUITY BOARD OF THE THE BAPTIST GENERAL CONVENTION OF OKLA-HOMA

SOUTHERN BAPTIST CONVENTION

Darold Morgan, president

Sam W. Scantlan, president

Amendment to Certificate of Participation In the Southern Baptist Protection Program

1. The pargraph in Plan A-Southern Baptist Protection Plan ("Plan A") of the Certificate of Participation in the Southern Baptist Protection Program (the "Certificate") establishing the Widow Benefit is amended to delete every reference to "forty percent (40%)" and to substitute in its place the phrase "fifty percent (50%)".

2. A Temporary Income Benefit is added to Plan A and the Certificate is to be amended accordingly by the addition of the following

paragraph which sets out this additional benefit:

Temporary Income Benefit

If the member dies while in active service or after disability retirement and if the member has met the required participation to qualify for a Disability Retirement Benefit, a Widow Benefit, a Dependent Parent Benefit, a Child Benefit, or an Education Benefit, then a Temporary Income Benefit will be payable to his surviving widow. If the member leaves no surviving widow, the Temporary Income Benefit will be payable to each unmarried dependent child of the member. If the member leaves no surviving widow or no such dependent child, the Temporary Income Benefit will be payable to a dependent parent of the member; dependency will be determined by the Board. The monthly amount of the Temporary Income Benefit will be the average salary basis used in determining the potential Normal Retirement Benefit of the member. The number of months of payment of the Temporary Income Benefit will be dependent on the age of the member at his last birthday prior to the date of his death in accordance with the following table:

Age Last Birthday At Death	Number of Months Temporary Income Benefit Payable After Death
Under 40	3 č
40-44	30
45-49	24
50-54	18

60-64	6

New Workers Presented

At the December meeting, Zack Pannell, minister of education of First Baptist Church, Muskogee was presented as the new associate secretary in the Department of Religious Education, and W. G. Kersh and Haskell Harris were introduced as new staff employees in the Baptist Foundation.

Laddie Adams was presented at the May meeting as the new associate director in the Department of Brotherhood.

Evangelism

In May the Board passed the following recommendation concerning Joe Ford and the youth evangelism project: That the special youth evangelism project be continued for another year and that Joe Ford continue as director of this project on a part-time basis at a monthly salary of \$250 and that an additional \$100 per month be budgeted for travel related to Convention responsibilities. In the August meeting approval was given to authorize an additional \$2,500 to fund the youth evangelism program for the remainder of 1973. These funds are to be taken from a special undesignated account. The 1974 budget will carry the program through to its conclusion.

C. B. Hogue, evangelism director for the Convention, resigned in May to accept the position of director of the Division of Evangelism for the Home Mission Board. At a special called meeting on July 24, Tal Bonham, pastor of South Side Baptist Church, Pine Bluff, Ark., and a native of Oklahoma, was called as the new director of evangelism. He began his work here in August.

The Baptist Messenger

The Board adopted the following recommendations concerning the Baptist Messenger:

- 1. That the 1975 circulation goal for the Baptist Messenger be 100,000 per week.
- 2. That effective Jan. 1, 1974, the subscription rate for the **Baptist Messenger** be increased by 1 cent per copy for a total cost of 5 cents per copy or \$2.50 per year.

Baptist World Alliance Tour Proposal

The Board passed a motion to look with favor on entering into a contract with Wholesale Tours, International, J. C. Segler, district director, for a Baptist World Alliance Tour in 1975, with an optional trip to the Holy Land. While the price cannot be determined at this early date, it is anticipated that the price range will be in the areas of \$750-\$800 for the European Tour and \$1,150-\$1,250 for the combined European and Holy Land Tours. We hereby authorize the executive secretary-treasurer, in consultation with the Administrative Committee to work out a contract with Wholesale Tours and that the contract be

presented to the Board of Directors for consideration. It is anticipated that the contract will provide complimentary tours for several Baptist Builidng personnel who have faithfully served for long periods of time. It is understood that the personnel will not be actively involved in solicitation, nor will the Executive Office be burdened with administrative details connected with the tour. Also, this relationship will not be a deterrent to other Oklahoma Baptists who desire to promote tours to the Baptist World Alliance.

Baptist Student Union Financial Reports

The May Board approved the following recommendation concerning the various Baptist Student Union's reporting their annual budgets and financial reports: That at the request of the Convention auditors it is recommended that each local Baptist Student Union will send to the Executive and State BSU Offices copies of their annual budgets, regular financial reports and audited statements at the close of the year.

Retirement Policy

Approval was given to modify the existing retirement policy as follows: The previously retired staff members may continue on a year to year basis upon approval of their immediate supervisor and the executive secretary-treasurer, until they attain 70 years of age, at which time they must retire, except upon special permission by the Board of Directors of the Convention; and that the policy for those who will retire in the future be that they cannot serve in any capacity for the next year after retirement, after which they may be employed on a year to year basis until the age of 70, with the exception that they cannot work in the same department which they were employed.

Schrader Estate

The Baptist Foundation received \$40,289.52 from the Fannie Schrader Estate for the Convention. Mrs. Schrader designated that

\$10,000 be used for Indian missions in Oklahoma. The Board voted in August to give \$1,000 of the remaining \$30,289.52 to the Tesca Church in Tillman Association which was destroyed by a tornado in the Spring of 1973, and that the remaining \$29,289.52 be placed in a special project account until such time as the Board of Directors shall determine its use.

Falls Creek Cabins

Also in the August meeting the Board authorized the convention to develop a trial plan for the construction of two or three Falls Creek cabins which could be built through a cooperative agreement by several churches.

Convention Auditor and Audit

The Board approved the recommendation of the Business Management Committee for Wolf and Company to be the Convention auditor for 1973, and gave approval of the 1972 audit of the Executive Office.

Auditor's Management Recommendations Approved

The Board voted in their August meeting that approval be given to the principles outlined in the management letters from the auditor and that the executive secretary-treasurer be asked to implement these suggestions as soon as feasible.

The letters are as follows:

March 30, 1973

Dr. Joe Ingram Baptist General Convention 1141 North Robinson Oklahoma City, Oklahoma 73103

Dear Dr. Ingram:

The business functions of the Convention have been reorganized with some changes in personnel. At your request, we are making herewith, some suggestions for changes in accounting procedures to complement this reorganization.

The recently inaugurated computerized accounting system will permit consolidation of accounting effort with an increase in available management information.

While the following are not all-inclusive and do not present the recommendations in detail, the following general suggestions should be considered for approval and implementation.

Centralized Purchasing

Purchasing should follow a uniform procedure. It is recommended that all purchasing be handled through the business manager of the Convention. This will permit the establishment of standard operating procedures. While economies in purchasing cannot be guaranteed, certainly purchasing from a single source will permit any economies that exist to be realized. This will also permit the accounting department, through the issuance of purchase orders, to be aware of all outstanding encumbrances against budgets.

Payroll

The recently inaugurated computerized payroll system should provide many advantages. Both payroll expense as well as payroll taxes, will be more accurately distributed. By injecting sick time into the system, some economies can be effected from the calculation of payroll taxes. Statistical information gained as a by-product of the payroll is most valuable to management.

It is suggested that consideration be given to paying all employees of the Convention and Foundation and their agencies, excepting the hospitals, through the accounting department of the Convention. While it is possible that miscellaneous payroll consisting of temporary employees may need to be paid through a local payroll system, the information concerning this payroll can be introduced into the computerized system and all records obtained as for regular employees. This will permit all payroll taxes to be calculated and paid through the accounting department and year end W-2's produced at this location. The Convention can therefore be assured that both payroll taxes and W-2's are produced accurately.

Petty Cash

Procedures should be established for the control of petty cash accounts and for bank accounts which are used as imprest funds. Procedures should direct that only emergency payments or small amounts would be paid from these accounts. As many disbursements as can be made should be made by the accounting department. This will centralize the cash in the accounts under the control of the accounting department. These accounts can therefore be better managed than if the cash is disbursed throughout the State.

Generally, two bank accounts should be established at locations outside of Oklahoma City. One account should be used for deposits only; the second account should be for disbursements. The chief accountant would relieve the income account of surplus funds and deposit into the checking account to reimburse expenses. This provides control over the amount of cash available for use at the local site.

There is no petty cash fund at the Baptist Children's Home. The children's allowances are being collected in advance from the Convention office and being used for that purpose at this time. It is recommended that this be discontinued and a petty cash fund established.

All imprest fund bank accounts should be reconciled each month by the accounting office. This will necessitate bank statements being sent by all banks to the Oklahoma City accounting department.

All petty cash funds at each location should be periodically counted by a representative from the accounting office.

Insurance

A policy should be established for the insuring of the Convention assets, as well as the liability coverage. It is recognized that the hospitals have qualified management and accounting departments. It is preferable from the Convention's cash flow position that all policies that

can logically be paid locally should be so handled. It is recognized that there is an economic advantage in buying liability insurance as a group. Even so, the billings could be made to the hospitals and some economies in the Convention's cash could be affected. It should also be recognized that the Convention should assume the responsibility for insisting that these bills from the insurance agency be paid promptly if this economy in pooling of the liability insurance is to be maintained.

A standard insurance report should be requested of the administrator of each hospital annually. This report could assure the executive secretary of the coverage on each hospital and from this report he could assure himself of the adequacy of the coverage.

Purchases of Items of a Capital Nature

It has been the custom to expense all purchases of items of a capital nature that are considered to be replacements. It is probable that many items have been purchased and the item which it presumably replaced was kept in use. It would be preferable to discontinue this custom and instead capitalize all purchases of items of a capital nature. Some thought has been given in past years to the creation of a plant ledger of all equipment owned by the Convention. It is suggested that such a listing be created. This plant ledger should be initiated in the Convention building. An inventory of all assets should be taken on a room-by-room operation. After the assets have been listed, they should be tagged with metal tags giving each fixed asset a number.

If desired an office supply salesman could be induced to go through the ledger and place a value and remaining life on each of these assets. Management would then be in a position to forecast future purchases and determine the insurance value of the assets within the

Convention building.

After the ledger has been created within the building, the same procedures could be utilized for an inventory listing at the location of other agencies of the Convention.

Baptist Student Unions

It is suggested that consideration be given to the movement of all accounting functions in the Baptist Student Unions in Norman and Stillwater to the Convention accounting department. With the computerized accounting system, it will be a more economical operation to move as many accounting functions into the accounting department as possible. In addition to the payroll as previously suggested, all disbursements other than those of a nominal nature, should be handled through the accounting department. By the same token, all receipts of contributions or earnings should be deposited in a local account reserved for that function and withdrawn by the accounting department to be used to satisfy budgeted expenditures for these unions.

Miscellaneous Suggestions

It is suggested that the titles to all automobiles and trucks owned by the Convention, excepting those at the hospitals, should be kept by the accounting department in its vault. A study should be made of the possibility of a central opening of mail. This would permit the prompt transfer of cash, checks and invoices to the accounting department for disposition. Procedures should be developed to permit the departments to prepare an acknowledgment for gifts.

A study should be made to determine the feasibility of recording on the books of account noncash contributions made to the child care agencies. It is possible that these contributions could be of a size that management should consider this source of revenue in preparation of budgets.

If we can be of any service in elaborating on these suggestions or assisting you in the derivation of procedures to implement them, we would be delighted to be of assistance.

> Yours very truly, WOLF AND COMPANY David W. Bardwell Partner

July 2, 1973

Dr. Joe Ingram
Executive Secretary-Treasurer
Baptist General Convention
1141 North Robinson
Oklahoma City, Oklahoma 73103

Dear Dr. Ingram:

Clyde Clayton asked that I write to you and elaborate upon our management letter dated March 27, 1973 to Mr. R. A. Young, President of the Baptist Foundation of Oklahoma, concerning consolidation of accounting services for the Foundation and Convention.

The computerized accounting system now in use by the Convention provides for a departmentalization of the Convention with a further breakdown by the object of expenditure. This same system, with little or no modification, can be utilized to develop the financial reports for the Foundation.

Since all of the purchasing of the Convention is to be channeled through one purchasing department, it would appear more economical for the Foundation's purchasing to also be accomplished by this one agent. We would anticipate that all possible economies would be realized through this purchasing procedure.

The Foundation's accounting is primarily accomplished by Mr. Hurt. You can understand that this permits no flexibility. In Mr. Hurt's absence accounting for the Foundation is, by necessity, limited.

In our management letter to the Foundation, referred to above, it was also recommended that the assets of the Foundation together with income derived therefrom, be analyzed by means of a computer. It is difficult, if not impossible, under the present system, to present analyses either of the assets or of the income to the trustees of the Foundation. The assets of the Foundation have reached a size that an analysis to

reveal the sources of income as well as to indicate action that should be taken to properly manage these assets is not possible with the present

equipment.

We have, therefore, recommended that consideration be given to the merging of the two accounting departments. This would permit flexibility of personnel by making Mr. Hurt available to Mr. Dale May, as well as to permit other personnel of the Convention to assist in the routine accounting procedures of the Foundation. The use of the computer for managerial reports of the Foundation assets will make available to the trustees information not presently accessible.

We do not feel that this in any way compromises the independence of the Foundation, but instead, makes available to the trustees a more

efficient and effective operation.

If we can further assist you in analyzing this situation or in answering any questions as to the merging of these accounting departments, please feel free to contact us.

Yours very truly, WOLF AND COMPANY David W. Bardwell Partner

Stewardship and Cooperative Program Promotion

The Planning and Promotion Committee recommended that we adopt OPERATION ONE as the basis of the Stewardship and Cooperative Program promotion for 1973-74.

- 1. That we endeavor to share the concept of OPERATION ONE which is:
 - (1) A plan to familiarize Oklahoma Baptists with the mission needs of Oklahoma and the world.
 - (2) A challenge to Oklahoma Baptists to respond to a greater involvement in mission giving.
 - (3) A call to each church to consider a percentage increase in its giving to associational missions and world missions through the Cooperative Program.
 - (4) A way of encouraging each individual to make a greater response to the biblical call of missions through his church.
- 2. That we encourage churches to observe Cooperative Program Day, April 21, 1974 and Cooperative Program month in October, and also designate the last Sunday in October as Cooperative Program Commitment Day.
- 3. That we encourage the churches to follow the suggested formula in increasing Cooperative Program percentage giving. If a church is now giving . . .
 - ... Under 20%—Increase 1-2%
 - ... Between 20-29%-Increase 1/2-1%
 - ... Over 30%-Increase 1/4-1/2%

Student Work Bob Lee, Director

This was a year of expansion for BSU in Oklahoma. New work was started at Claremore Junior College, El Reno Junior College, Oscar Rose Junior College, South Oklahoma City Junior College, Seminole Junior College and Sayre Junior College. In addition, new work was started with students at Bethany Nazarene College and Oklahoma City Southwestern Junior College. With these new works, BSU is now in 33 colleges in Oklahoma.

Major emphases were again in evangelism and Bible study. Through this we saw over 500 students come to know Christ as Savior and Lord. Also, several thousand grew in the grace and knowledge of Christ and learned to share more effectively their faith with others.

All of this was and is being made possible because Oklahoma Baptists have a vision. Over \$250,000 goes to Student Work through our Coperative Program. This is a great effort on the part of our people. God will surely bless an effort such as this.

Child Care Lowell D. Milburn, Director

Anniversary Noted — An inscription on a sundial in Spain says, "I record only the bright hours." A significant year for Child Care has been recorded in 1973. Seventy years of ministry for the Baptist Children's Home have been marked as it was founded by Mr. and Mrs. J. A. Scott. It was established before statehood and even before the Baptist General Convention of Oklahoma and has cared for more than 3,000 boys and girls. Twenty years of service were recorded with some 500 boys by Boys Ranch Town. It was founded in 1953 by Mr. and Mrs. Jimmy Johnson in memory of their young son to care for the homeless and those boys having difficulty in school, at home and in the community.

Children Served — The following figures reflect an increase in the variety of services to children and their families:

Baptist Children's Home162	Children Living with
Boys Ranch Town 60	Relatives 21
Owasso Group Home 7	Unwed Mothers Assisted 35
Foster Homes 43	College Students 3
	Trial and Completed
	Adoptions 12

A total of 343 children were helped.

Support Received — The expanded Child Care ministry this year will cost in excess of \$674,000. We are more dependent than ever upon the Cooperative Program for operating funds. This year \$170,000 will be received from the churches through the Cooperative Program. Income from endowment held in trust by the Baptist Foundation will provide approximately 18 percent. About 14 percent of the support comes through Child Care maintenance from church sponsors,

Social Security, veterans, welfare, and parents. Your birthday offerings will provide approximately 10 percent of operating costs while church budgets, individuals, and memorial gifts will provide about 8 percent. The 1973 Mother's Day Offering was the largest amount ever given in a single offering by the churches. The \$135,000 received in the offering will provide approximately 22 percent of the budget. Capital improvement income is provided by individual and special contributions, remembrances in wills and restricted endowment, and other miscellaneous sources.

Sponsorship Changed — Upon recommendation by the Child Care Committee and Board of Directors the sponsorship program was expanded so that every child might have a clothing and educational sponsor. Churches, Sunday School classes, Brotherhoods, WMU groups, and individuals have the opportunity to get personally involved in helping needy and troubled children and youth through this program.

Home Started—Construction has begun on a new cottage on the land at Owasso given by Mr. and Mrs. J. Ray Smith of Tulsa. Other cottages will be erected to care for children, especially from the Eastern Oklahoma area, as funds are available.

Gratitude Expressed — Gratitude is extended to all Oklahoma Baptists for their continued dedication to the task of Christian Child Care. The prayers of people all over the state are earnestly solicited as we seek to shape the lives of deserving youth. Visitors are welcome at our institutions from 9 to 5 week days, Saturday mornings, and Sunday afternoons. Please call when some need arises for our services.

The motion carried to approve the report.

Religious Education Bill C. Haggard, Director

Under the theme, "People Now," the Department of Religious Education has continued to support growth in Sunday School, Church Training and other vital areas in the work of the church. As new approaches have been developed, they have been shared with churches and associations through training schools, clinics, conferences and personal consultation. Requests from churches indicate a growing demand for help in strengthening the organizational work of these churches.

Glenn Brown

After one year of effective leadership as director of Church Training, Glenn Brown accepted the responsibility of assistant director of planning and promotion in December, 1972.

Zack Pannell

On Jan. 15, 1973, Zack Pannell, who was minister of education at First Church, Muskogee, accepted the invitation to become the new associate director of the department, assuming the responsibility of director of Church Training. He will also serve as consultant in Family Ministry and Vocational Guidance. With a sound background of Religious Education Zack will add strength to the department and to Church Training.

Other members of the staff include: Keith Wilkinson, director of Youth Work; Mrs. Darlene Koch, director of Preschool and Children's Work; Mrs. Wanda Jennings, administrative secretary; Mrs. Olive Hays, Sunday School records secretary; Mrs. Lou O'Neal, secretary to Zack Pannell and Mrs. Polly Victory, who joined the staff on May 1, 1973, as department receptionist.

Major Projects Completed

People to People continues to be a major denominational emphasis for Sunday School work. This plan emphasizes growth as a priority concern. A tremendous response to the State Bible Teaching Conference at the Memorial Church, Tulsa, Sept. 25-27, 1972, resulted in a registration of 1,323 Sunday School workers. Six regional Outreach Evangelism Workshops reached a total of 1,447 workers, pastors and staff members. These workshops were conducted in Ardmore, Clinton, Enid, McAlester, Oklahoma City and Tulsa. Leaders of Youth work responded to Youth Leadership Training Labs in Tulsa and Oklahoma City.

Church Training has received a growing response to the denominational emphasis, "Church: the Sunday Night Place." From August to October, 1973, 10 Regional "Church: the Sunday Night Place" Interpretation conferences were conducted. A Growth Consultant Workshop, conducted in April, training consultants in Church Training for 22 associations. In October, 1972, the State Church Training

Convention and the Youth Life Commitment Conference were conducted in Tulsa.

Woman's Missionary Union Abbie Louise Green, Director

Woman's Missionary Union placed emphasis on the church and its mission in all phases of its program during 1972-73.

Teaching Missions

Since the teaching of missions is significant in the life of a church the major resources of Woman's Missionary Union are spent in helping church members realize their responsibilty for people of the whole world as well as for persons in the community served by the church. In the teaching of missions, persons are led to explore with growing understanding the nature and implications of God's missionary purpose and to respond to that purpose in personal commitment and obedience.

State meetings were held to reach all ages of girls and women during the year. The Acteens Conference for senior high girls was held Feb. 23-24 at Oklahoma Baptist University. Girls in Action and Acteens members were privileged to attend summer camp at Camp Nunny-Cha-ha during the eight weeks of camp. Total attendance was 1,030. Three hundred nineteen decisions were made, 96 of which were professions of faith. Missionary speakers helped provide missionary education during the conference and the camps.

Three meetings were held for Baptist Young Women (ages 18-29). A retreat for college and career young women was held at Camp Nunny-Cha-ha, a workshop for all Baptist Young Women members was held at First Church, Oklahoma City and a retreat for young couples was held at Fountainhead Lodge. Missionary information and inspiration were provided at each meeting.

Woman's Missionary Union secured 12 missionaries each week of the four Falls Creek Assemblies to teach missions. Probably more young people hear about missions during the four weeks than in any other effort.

During the 15 WMU Area Meetings during September and October 1,911 leaders and members were reached for training, inspiration and missionary message.

The Sixty-eighth Annual Session of Woman's Missionary Union was held April 23-24, First Church, Oklahoma City. Those who attended had the privilege of hearing 13 missionary speakers representing seven areas of mission work.

Scholarships

Scholarships for girls attending a Southern Baptist Seminary are provided through the Edna McMillan Offering for State Missions. Scholarships were granted to six girls attending Southwestern Seminary and to one girl attending New Orleans Seminary.

Special Offerings

The three mission offerings promoted by Woman's Missionary Union each year are: Lottie Moon Christmas Offering for Foreign Missions, Annie Armstrong Easter Offering for Home Missions and Edna McMillan Offering for State Missions. Offerings received were as follows:

1972 Lottie Moon Christmas Offering, \$752,611.51 (books closed April 30, 1973)

1973 Annie Armstrong Easter Offering as of October 5, \$208,-308.94 (books to close Dec. 31, 1973)

1973 Edna McMillan Offering as of October 5, \$78,816.41 (books to close Dec. 31, 1973)

Woman's Missionary Union secures writers for the program materials for the State Mission Season of Prayer and prepares the material for mailing. "Somebody Needs Your Love" is the theme being used this year. We hope that each Baptist in Oklahoma will have a part in reaching the 1973 Edna McMillan Offering goal of \$115,000.

The motion carried to approve the report.

- 52. J. M. Gaskin, historical secretary, presented the report of the Historical Commission.
- (1) Bob Lynn spoke concerning the Writing Clinic held the past year at Oklahoma Baptist University.
- (2) Robert Jackson spoke concerning oral history being recorded on tapes.

Historical Commission

J. M. Gaskin, Secretary

The Historical Commission had two meetings during 1973. Main items of business considered at these meetings included the following:

Annuals Evaluation

Upon recommendation of E. W. Thornton, a system of evaluating associational Annuals has been adopted. Purpose of this plan is to obtain one or more copies of the printed Annuals from all associations in Oklahoma each year, and help associational clerks improve their work in producing better quality Annuals.

Brochures for Clerks

The Commission approved the suggestion to prepare a brochure for use by church clerks to assist them in recording and preserving church minutes, records, and other valuable historical materials. The Executive office at the Baptist Building has agreed to assume responsibility for printing and distribution of this brochure.

Elizabeth Moorer

Several years ago Miss Elizabeth Moorer became assistant to the curator in the archives at Oklahoma Baptist University Library. She worked faithfully and efficiently as assistant to E. W. Thornton, curator of the historical collection. Early this year Miss Moorer died and Dr. Thornton submitted a resolution to the Commission at its March 6, 1973 meeting in appreciation of Miss Moorer and her contribution to our historical work. The resolution read:

RESOLVED: The members of the Historical Commission of the Baptist General Convention of Oklahoma suffered a great personal loss in the recent death of Miss Elizabeth Moorer, daughter of the late Dr. and Mrs. W. D. Moorer. For the past two years she has been engaged in part time service in the archival department of the Oklahoma Baptist University library. Through her familiarity with Baptist life and a keen sense of historical values she made a significant contribution to the work of the Historical Commission. Her cheerful spirit and radiant personality enriched the lives of all who knew her. It is with deep sorrow that the members of the Historical Commission record the death of Miss Elizabeth Moorer on February 25, 1973 and that we express our deep gratitude for her contribution to the archival department of the Oklahoma Baptist University Library.

Historical Markers

In the March 6, 1973 meeting, special consideration was given to the subject of erecting two historical markers. One of these has been under consideration for many years. It will mark the spot north of Muskogee where Issac McCoy organized the first Baptist church in our state on Sept. 9, 1832. The other marker proposed would be erected at Bache, east of McAlester, indicating the location of the old High Hill Indian Baptist Church where the first WMU was organized in 1876.

Job Description

About two years ago the Commission began a study of the detailed duties of the Convention's Historical Secretary. It was concluded that a comprehensive job description for this position was needed. Joe L. Ingram and J. M. Gaskin were designated to make an in-depth study and prepare the job description. This was done and the report submitted at the March 6, 1973 Commission meeting. The job description reads as follows:

In order to understand better the working relationships of the historical secretary, Historical Commission and Historical Society of the Baptist General Convention of Oklahoma, the following are suggested as a definition of duties and a general job description pertaining to that office:

- He shall edit and direct the mailing to members of the Historical Society the Oklahoma Baptist Chronicle, published twice yearly.
- 2. Keep records of the Oklahoma Baptist Historical Society, remit dues to the executive secretary-treasurer of the Convention, and promote enlistment of members in the Society.
- 3. Edit and advise with authors and personnel of the convention and its institutions and agencies on matters pertaining to publication of books, pamphlets, brochures, booklets and other materials having any relationship to Baptist history in Oklahoma.

4. Act as representative of the Commission in planning, editing

and publication of books on Oklahoma Baptist history.

- 5. Represent the state of Oklahoma in Baptist history interests at the Southern Baptist level, particularly in the meetings of the Southern Baptist Historical Society and the Southern Baptist Historical Commission's conferences at Glorieta or Ridgecrest when it seems appropriate to do so, with approval of executive secretary-treasurer of the Convention.
- 6. Conduct history-writing clinics at the association and church levels as requested and as opportunity permits.
- 7. Prepare annual reports of the Oklahoma Baptist Historical Society and Historical Commission to be included in the Convention's annual Book of Reports.
- 8. Prepare materials as needed and requested from the Baptist Building for annual reports by associations; and to further aid history committees or officers in the Convention, associations or churches in the preparation of their reports.
- 9. Act as general director of the Historical Repository at Oklahoma Baptist University, working in close cooperation with the administration, library staff and curator of the historical collection in implementing the policies and guidelines adopted in the 1970 session of the Baptist General Convention of Oklahoma (CF. Annual, BGCO 1970, pp. 82-84).
- 10. Write and submit to the Historical Commission from time to time manuscript material for books, pamphlets, brochures, etc. as requested and/or proposed for publication or other use for which specific stipends, if any, may be agreed upon by parties concerned.
- 11. Assist the state convention, associations, institutions and agencies in Oklahoma in preparing their histories, observing anniversaries, and planning projects to collect, preserve and utilize Baptist history.
- 12. Serve as resource consultant for persons preparing genealogies, writing biographies or histories, and assist in the orientation of local history committees when requested to help them initiate or pursue special projects.
- 13. Prepare and submit to the Historical Commission for its approval selected sites for historical markers; prepare the text for each

marker; order the markers, and direct in planning for their erection, unveiling and formal dedication.

14. Plan and present the report of the Historical Commission at the annual meeting of the state convention as requested each year by the convention's program planning committee.

Raley Collection

Arrangements have been completed to the mutual agreement of all concerned for space to be provided in the John Wesley Raley Chapel at OBU to house numerous memorabilia of the late John Wesley Raley, long-time president, chancellor and president emeritus of Oklahoma Baptist University. Funds for this project have been provided by members of the Raley family and interested friends. The collection will include numerous manuscripts, correspondence files, books, clippings, pictures and many tape recorded speeches Raley delivered during his many years as an outstanding educator in Oklahoma. Members of the Commission feel most fortunate in being able to work out arrangements to keep this valuable collection at OBU.

Books in Progress

During the past year much discussion has been given to the matter of book publication. Currently there are three books under consideration for publication. A Child's History of Oklahoma Baptists by Miss Louise Haddock is to be published within one or two years for use by Oklahoma's WMU in State Missions studies. A History of Baptist Education in Oklahoma by J. M. Gaskin is in progress of preparation. It is to be a comprehensive history of Baptist education by various groups in Oklahoma dating back to about 1833. A third volume under consideration is a history of WMU work in Oklahoma to be prepared and published by or during 1976, which will be the centennial year of Woman's Missionary Union work in Oklahoma.

Short Mountain Association

The first white Baptist association in what is now Oklahoma was organized at Cowlington near the Arkansas River in the northern part of the present LeFlore County. It was formed in 1884. Later its name was changed to Latimer-LeFlore Association and now it bears the name of LeFlore Baptist Association. J. S. Richardson of Talihina has written a comprehensive history of this association. The Commission voted to endorse its publication and circulation with the understanding that area churches and pastors in the LeFlore Association would arrange for necessary finance. This procedure was followed because the Commission felt this work deserved general circulation; it wanted to encourage other associations to follow a similar plan to have their histories written and published; but financial limitations made it necessary for the Commission to suggest that publication of such histories be underwritten at the local level.

Oral History

The Southern Baptist Historical Commission sponsored a workshop on oral history Sept. 27-29 this year at Nashville, Tenn. In the near future a plan will be announced whereby there can be a statewide program implemented in Oklahoma to interview persons who may be able to contribute vital information to our growing historical collection. The tape recorder has become one of the chief assets of the collector of historical information.

Writers' Clinic

Our first statewide History Writers' Clinic was held Sept. 11 this year at OBU. There were about 150 persons in attendance part or all of the day. The success of the event far exceeded the highest expectations of all who had a part in planning the clinic.

Historical Society

The Oklahoma Baptist Historical Society continues to function well as auxiliary to the Commission. Organized at Oklahoma City in 1956, the Society has held a meeting each year during the annual session of the state convention, and it has performed significantly in helping advance every purpose of the Commission in gathering, preserving, and utilizing Baptist history at our state level. Currently there are 152 paid memberships in the Society. Membership is open to all interested persons for the payment of dues at the rate of \$2 per year for annual and \$25 a life membership.

Chronicle

The Oklahoma Baptist Chronicle, the official historical journal of the Commission and Historical Society, will soon enter its 17th year of publication. It is edited by J. M. Gaskin, historical secretary of the Convention. Members of the Historical Society receive the Chronicle twice each year without charge. The Spring, 1973 number was devoted to subject matter gathered from the centennial celebration of the Choctaw-Chickasaw Association in 1972.

The motion carried to approve the report.

- 53. J. B. Shinn, chairman, presented the report of the Memorial Committee.
 - (1) Brother Shinn read I Corinthians 3:9-14; I Corinthians 15:57.

"It is altogether fitting that we pause a few minutes from the business of our great convention to honor the memory of those who have labored so faithfully among us, and who have now gone to be with their Lord. They will be missed, but not forgotten, for they helped shape the destiny of Baptist work in Oklahoma. Our lives have been blessed and our churches made stronger because they lived and served God.

"Builders they were—builders for eternity. They helped God carve a kingdom out of the souls of men. Surely their influence will stand the test of time and their labor the test of eternity.

"Their lives remind us that we, too, are 'laborers together with God,' and like them, may we not be content to build with earth's shoddy materials of hay and stubble, but with Heaven's gold. Like them, we build upon that sure foundation which is Jesus Christ our Lord.

"They taught us, and they taught us well, that this is a day in which to let our light shine before men to the glory of God—a day in which our vibrant faith should permeate all of society with the righteousness of Jesus Christ—a day in which to rejoice in the hope of the glorious return of our Lord when we shall be joined forever with them and with the redeemed of all ages in God's eternal home.

"Yes, thanks be to God, who has given us and them, the victory through our Lord Jesus Christ."

Christian Life Committee

N. N. Antonson, Chairman

Because we live in an ever changing world where old values are constantly being questioned and new values are always being suggested, it is vitally important that we acquaint our people with a Christian perspective regarding the moral issues of our day. We must proclaim a biblical basis for arriving at solutions to ethical problems. This biblical basis is founded in the concept of "new birth" and the meaning of being "born again." It means a change for the better should take place in the life style of the individual. The Christian life style (in the mind and spirit of Christ) involves every area of our lives and provides us answers to the questions of our world.

Bible Stewardship — A Life Principle

Biblical stewardship is the total expression of all life under the sovereignty of God. God, the creator and owner of all things physical and spiritual, commits into man's possession the earth, time, talents and material wealth. In addition, Christian stewardship recognizes God's grace that brings eternal life and urges that all of life's gifts be expressed faithfully in commitment to the divine will and in conscious responsibility to God and man (I Cor. 4:2; Eph. 2:8-10).

The responsible steward, answering to the example and commands of the New Testament, ministers to the needs of all people through the total expression of knowledge, time, talent and resource. The lost, the lonely, the bereaved, the sick, the poor, the widowed and orphaned are alike recipients of this ministry (Rom. 1:14-16; I Peter 4:10; Titus 2:14; I John 3:17-18; James 1:27). Further, recognizing the manipulative and explorative potential of influence, wealth and personal power, the Christian steward accepts the responsibility to use his gifts to elevate life.

Privilege and responsibility infer accountability. Paul summarizes the biblical teaching with the reminder that all men just give an account to God for all of life (Rom. 14:12). We, therefore, urge faithful attention to the biblical teaching, a commitment to the purpose of God and the faithful use of all of life to the glory of God.

Morality in Public Life

We have been repeatedly shocked by the apparent disregard for basic morality in many areas of public life. A basis for personal and public morality must begin with private individuals and ultimately rest with the highest reaches of our government. We must insist for ourselves, our churches and our denomination, and proclaim for all people the vital need for personal integrity. On this basis, we then have the right and the responsibility to insist upon the same from our local, state, and national government leaders. We are bound to this responsibility by our biblical faith which explicitly calls for personal integrity in private and public life.

The great tragedy of the kind of scandals of which we have been made aware, is that it undermines public confidence in governmental officials and unjustly accuses many who have exemplary records of integrity. For this reason, we should dedicate ourselves to a more complete awareness of the government and its functions. We should encourage those with consistent records of integrity, both with our words and our votes. We should also encourage our most competent young people to consider public service as a career within the will of God. We are compelled as Christians and as Southern Baptists to

call our nation to a recovery of integrity in every area of life. May we be determined to let it begin in our own hearts and souls.

Race Relations — Prejudice

Another great challenge facing us is the attitude we may have toward people of another race. This is a personal problem that each child of God must win in his own heart. The sin of being prejudiced may have fastened itself more deeply than we want to admit.

We challenge our people, through the help of God, to grow in their respect for the worth of every individual.

Peace

We give thanks to God that our service personnel are no longer actively engaged in warfare. At the same time we pray for those who are oppressed by war and violence.

We affirm the need for Christians to present, with renewed vigor, the following eternal certainties concerning peace which are clearly revealed in the Bible: (1) the boundless love of God for all men, (2) the value of human life, and (3) the prime importance of justice, mercy and love in human relationships.

Penal Reform

Pressed by riot, Oklahoma faces the task of what kind of correctional system and institutions the state should provide. We, therefore, call upon our state leaders and citizens to exercise Christian concern and compassion in resolving this issue. We ask for love and compassion for all men, with fair and humane policies in dealing with societies' offenders. Many believe there should be more emphasis in the area of rehabilitation. We encourage the work begun in juvenile rehabilitation and urge enlarging the program.

Driving Safety and Alcohol

If your pastor were asked to conduct the funerals of the average number of people killed in automobile accidents for any one week last year, he would have conducted 1,076 funerals that week—which would have been 153 funerals every day during the week. With over 56,000 persons killed on the American highways last year, we need to remind every Christian that the automobile can be either a witness or a weapon—depending on the driver.

Christian ethics built upon the "Golden Rule" should guide the driver. Remember; "A car may be bent and twisted awry, but it isn't the car that will have to die—it's the driver."

Morris E. Chafetz, director of the National Institute on Alcohol Abuse and Alcoholism reports that 68 percent of the American adults drink alcoholic beverages. Adults are significantly responsible for the drinking habits of our youth. Chafetz reports that people need to realize that ethyl alcohol is pharmacologically a drug, and is capable of causing euphoria, sedation, unconsciousness and death. Studies indicate that at least 50 percent of all crimes are alcohol related and over one-half of all driving deaths involved a drinking driver. We

also recognize that the abuse of other drugs contributes to auto accidents and crime.

The Christian is to be the salt for our generation by setting the example of total abstinence, thereby giving our youth the example to follow rather than just a lecture to hear.

Pari-mutuel Gambling

America has a gambling problem. Approximately 50 million Americans wager an estimated \$50 billion annually—more than is spent on education, religion or medical care. The annual profit of professional gamblers is estimated to be greater than the combined profit of the one hundred largest corporations in America.

Of great interest to Oklahomans at the present time is pari-mutuel gambling. This form of gambling is especially insidious in that it is camouflaged by the competition of the horse race and is defended by the sports enthusiast who does not discern the dangers involved

in gambling activities upon which this sport is built.

What is pari-mutuel gambling? It is a system in which all the money bet on an event is placed in a pari-mutuel pool. A set percentage is skimmed off the top to pay for the expenses of the event, taxes and so forth. The remainder is divided among the winners according to the odds estimated on the chances of the bettor's choice to win, come in second or finish third.

More than \$3½ billion is bet at the race tracks each year in the United States. In addition to the \$3½ billion legally bet, it is estimated that from \$12 to \$15 billion is bet illegally with bookies each year.

What are the arguments against pari-mutuel gambling? (1) It increases illegal gambling. Legalized gambling serves as a tremendous impetus for illegal gambling. The Massachusetts Crime Commission reported at the end of a four year study of crime conditions in that state that illegal gambling was estimated at \$2 billion annually. The important fact is that a similar study 20 years previous to that found no significant evidence of illegal gambling. In 1935, pari-mutuel gambling was legalized. The Commission traced from that time the growth of the tremendous illegal gambling operation. Various crime commissions have pointed out that illegal gambling is the heartbeat of organized crime and its largest single source of income.

(2) The promise of an economic boon is an illusion. Proponents usually point to the potential economic investment in tracks and in farms for raising horses. Racing in the United States knows few geographical limitations. Racing farms already exist in places where parimutuel gambling is illegal. The very nature of the racing season means the transportation of the horses across the nation. The economic threat of legalized gambling has caused grave concern to many businessmen. The experience of many areas demonstrates a significant increase in bad debts as result of the race track. Many poverty stricken people risk essential money in the false hope of finding easy answers to their plight.

- (3) It is an inadequate tax source. The problems of increased law enforcement, attraction to syndicated crime and increased threat to legitimate business offset any advantage in taxes which pari-mutuel gambling would bring. In New York, gambling tax revenues amount to only 4.7 percent of tax need. In California, it is only 1.5 percent.
- (4) It is a system against the bettor. The mathematics of the parimutuel pool will take the bettor's money five times faster than the roulette wheel.
- (5) It is morally wrong. It violates biblical principles. The Bible emphasizes the sovereignty of God in the direction of human events (Matt. 10:29-30); gambling looks to luck and chance. The Bible indicates that man is to work creatively and use his possessions for the good of others (Eph. 4:28); gambling fosters a something-for-nothing attitude. The Bible condemns covetousness and materialism (Matt. 6:23-24); covetousness and materialism are at the heart of the gambling process. Gambling wrecks lives, hurts innocent persons, disrupts the economy, contributes to the corruption of society and defies justification.

We prayerfully make the following recommendations:

1. That this convention go on record as opposing the pari-mutuel gambling proposition that will be voted upon by the people of Oklahoma in the August 1974 Primary.

2. That we ask the Board of Directors to devise and execute plans to inform Oklahoma Baptists and the general public of the real moral isues involved in the effort to legalize pari-mutuel gambling; that upon the recommendation of the Board's Administrative Committee, the Board appropriate from the Special Project Fund the amount needed to execute these approved plans.

3. That the Convention cooperate with the Ad-Hoc Moral Concerns Organization that is currently being formed to battle against pari-

mutuel gambling.

4. That this Convention inform the candidates for governor and every candidate for the legislature and senate of our stand on this issue and encourage them to come out publicly against pari-mutuel gambling.

5. That we go on record as opposing gambling in any form—legal

or illegal.

The motion carried to adopt the report.

56. C. Fred Williams, executive secretary-treasurer, presented the report of the Baptist Foundation.

Report of the Board of Directors of the Baptist Foundation of Oklahoma

C. Fred Williams, Executive Secretary

The Baptist Foundation of Oklahoma was organized in 1946, and is the only incorporated trust agency serving the institutions, agencies and departments of the Baptist General Convention of the State of Oklahoma, and of Southern Baptists. It was created by the

Endowment funds entrusted to the Foundation are managed in strict accordance with the direction of the persons who gave them. Actually, the Foundation is managed, not by the administrative staff, but by a Board of Directors, elected by the Baptist General Convention of the State of Oklahoma. These business and professional people, 16 in number, are dedicated members of Baptist churches. They serve, meeting by committees monthly or on special call, without compensation. The present membership of the Foundation's Board is: R. A. Young, president; Walter D. Grindstaff, Robert C. Howard and James M. Thompson, vice-presidents; Charles Allen, Joseph M. Best, W. K. FIELD AND ESTATE PLANNING SERVICES W. G. Kersh, Director

On June 1, 1973, with the retirement of Thomas E. Carter, C. Fred Williams was promoted from the position of responsibility for this area to the office of executive secretary of the Baptist Foundation. He left a rich legacy to this successor. We deemed it wise to continue to build the program of Field and Estate Planning services on the board, firm base he had laid.

We continue to be committed to the idea of total Christian estate stewardship. Thus, we encourage Oklahoma Baptists to insure the fiscal future of our institutions and agencies by leaving endowment funds with the Foundation, designated for the benefit of a favored area of our ministry.

Estate Planning

These activities in the past year have resulted in planning for 368 wills, and getting 390 wills signed. Seven gift annuity contracts

have been established and 25 trusts have been prepared in which Baptist causes have been remembered.

Church Placards

A growing interest has been expressed in the placards showing the number of persons in the churches who have used the services of the Foundation staff in estate planning. Last year 34 additional churches received placards, bringing the total number of churches with placards to 718.

Calendar Events

There are two times in the year when Oklahoma Baptists have their attention directed to the ministry of the Foundation. January is "Make Your Will Month." To help the churches in observance of this important event, 120,000 bulletin inserts, "Where Do Your Basic Commitments Lie?" were mailed to the churches. In an effort to assist the observance of "Foundation Month" in September, the bulletin insert, describing the areas of the Cooperative Program, was used.

Operation Information

"Implementing the Forward Look Program" is our operation information. This activity is conducted on an associationwide basis. Last year we had the fine cooperation of the churches in Arbuckle, Enon, Caddo and Kay Associations as we conducted the program in their churches. The Implementing Program is scheduled for South Canadian, Bryan, Atoka and Chickasaw Associations this year.

Estate Planning Seminars for Women

This seminar has had a remarkable reception in the areas where it has been used. We enlist the assistance of professionals in the fields of law, banking, estate planning, accounting, etc., for the program. These seminars are now being conducted in a central location in the association. Last year they were held in the First Baptist Church, Pauls Valley (Arbuckle Association); First Baptist Church, Ardmore (Enon Association); First Baptist Church, Anadarko (Caddo Association), and First Baptist Church, Ponca City (Kay Association).

Estate Planning Seminars for Churches

A new dimension to our services to church members is rapidly becoming a favorite activity in the concept of Foundation ministry. Our staff members are being invited to conduct seminars for local churches. These are often held on Sunday evenings, or sometimes, through the week. We are anxious to do more of this type of work because of our feeling that we meet a real need in the lives of many Baptists.

Associational Officers Planning Meeting

On May 4-5, 1973, we led sessions for associational Foundation representatives in cooperation with the state planning meeting for all associational officers. This meeting emphasized the areas of Foundation responsibility and the ways in which the associational representatives can help the individuals and churches in their associations benefit from the Foundation's services.

Baptist Messenger

Editor Jack Gritz and his personnel have been most helpful to the Foundation. Each week they have allotted space for an article written by our executive secretary. In addition, space has been provided for the "Make Your Will Month" promotion and for "Baptist Foundation Month" promotion. We feel that the support given us by the Messenger is of inestimable value to Oklahoma Baptists.

Tulsa Office

The Foundation maintains an office in the Tulsa Baptist Center. The office is manned by a member of the Foundation staff the first week of each month. This is of significant help in serving the metropolitan area of Tulsa, as well as northeastern Oklahoma.

PROPERTY AND CHURCH LOAN SERVICES Marvin H. Hall, Director Church Loans

The Baptist Foundation, through the Church Building Loan Trust Fund, has been making loans to churches throughout Oklahoma since June of 1954.

The total number of loans made to churches and associations has now reached 410. Of this number, 160 are now in effect. During the past 12 months, 19 loans have been closed, for a total of \$541,239. Additional commitments have been made during this same period for approximately \$1 million.

The Church Building Loan Trust Fund has earned \$2,905,991.63 since the first loan was made in 1954. This income has been distributed for Baptist causes in strict compliance with the wishes of the donors. As of July 31, 1973, there was a total of \$4,090,065 in church loans. This is 32.1 percent of the Foundation's trust assets.

A new dimension was reached this year when the first loan was made to an association for its expansion in mission programming. Also, loans were made to two Baptist Student Unions.

Property Management

Several farms are managed by the Foundation. These are rented to operators who produce a reasonable income for the beneficiary institution. The farms range in size from a few acres to 430 acres. Business and residential property is also managed, from which a good return is received. The value of all real property (city, rural and urban) held by the Foundation is approximately \$3,500,000.

ADMINISTRATIVE AND INVESTMENT SERVICES Haskell Harris, Director Investments—Stocks and Bonds

An Investment Committee of the Foundation's Board meets monthly to examine the Foundation's stock portfolio and to consider for approval the recommendations made by the Foundation staff.

Staff Administration

The administration of the Foundation's services places a great responsibility upon the staff. The staff is committed to carrying out the directions of the Board of Directors and the instructions of the hundreds of wills and trusts, and to the support of the many Baptist causes represented by the Baptist Foundation.

Student Loans and Scholarships

A very important area of Foundation service is in student loans and scholarships, mostly for students attending Oklahoma Baptist University. Because many dedicated Oklahoma Baptists have made provisions in their wills and trusts, many students benefit from these funds each year. During the past 12 months, loans have been granted totaling \$17,086. Scholarships and awards granted totaled \$22,390.70.

The largest trust is the Louise Prichard Trust, allocated by Oklahoma Baptist University for the benefit of ministerial students and mission volunteers. This fund exceeds \$150,000 annually.

The Willie Taylor Scholarship Trust was established for Indian students and is available without limitations to any particular school. This past year scholarships were granted to 23 students, amounting to \$3,575.

Other scholarship funds are available for mission volunteers, nurses, ministerial students including music, education, youth, recreation and unrestricted scholarships.

Loan funds are available for students of various classifications.

The D. N. Caulk Loan Fund is for black students only. Loans are now supporting 22 students, in the amount of \$12,030.01.

Associational Representatives

We are grateful to the associations for enlisting competent persons to serve as associational Baptist Foundation representatives. Heretofore, we have listed their names in this space, but it is unnecessary to do so now since they are associational officers and function in that capacity.

The motion carried to approve the report.

- 57. Joe L. Ingram spoke concerning the hospitals and retirement centers. The report of these institutions is included in the report of the Board of Directors.
- (1) Herbert Usry, administrator of Grand Valley Hospital, Pryor, and members of the hospital staff spoke concerning their work and the services of the hospital.

Convention Building Committee

Eugene Stockwell, Chairman

The Convention Building Committee is responsible for reviewing building projects and working with the various institutions and agencies in bringing these projects to a successful conclusion. The full committee meets at least once each year to hear reports from institution and agency leaders who have building projects on the drawing board or who are in a building program. The committee is divided into subcommittees to give more personal attention to specific projects.

The following sub-committes have functioned this year:

Falls Creek—Elmer Carr, Eugene Stockwell, Elmer Holsey, Duane Cook and Joe Wiggins

Camp Hudgens—Duane Cook, Charles Becton and Lin Jones
Baptist Medical Center of Oklahoma—J. V. Lobaugh, C. F. Keim
and John Thomas

Grove Hospital—Byron Salsman, Bill Martin and Bob Emerson
Baptist Building—Travis Wiginton, Eugene Stockwell, John
Thomas, C. F. Keim and Clyde Cain.

Falls Creek

The tabernacle enlargement and the first section of the year-round conference center have been completed at Falls Creek. The enlarged seating capacity was used during the 1972 assembly. During 1973 the soundbooth and choir loft were completed and also four conference rooms under the choir area. The rooms under the choir loft are used as classrooms and as a counseling area during the assembly. When the assembly is not in session, these rooms serve as a part of the Falls Creek conference center.

Construction will be completed early in 1974 on the cafeteria and grocery store building. The cafeteria will seat approximately 350 and will be arranged so that three eating areas can be utilized simultaneously or separately. The cafeteria is an extension of the year-round conference center idea.

Camp Hudgens

Improvements have consisted of water and sewer service to the J. A. Pennington Lodge at a cost of \$7,265.90, water storage tank and other water system improvements at a cost of 21,590, renovation of old office for use as an infirmary and nurses quarters at a cost of \$7,970.02, construction of the J. A. Pennington Lodge (office and staff building) at estimated cost of \$50,000, and the purchase of 180 acres of land at a cost of \$31,500.

Other projects approved by the Board of Directors include a garage and workshop, housing for boats and unit lodge.

All of the above completed and approved improvements are made possible by the advance section of the Cooperative Program, regular Cooperative Program budget, and the Edna McMillan offering.

Children's Home at Owasso

The dream of starting a ministry in the Eastern Oklahoma and Tulsa area has been in the hearts of child care leaders for years. The work was started in November 1971 when the Department of Child Care leased a residence near Owasso. Further progress was made for a more permanent home when Mr. and Mrs. J. Ray Smith of Tulsa gave some land near Owasso in 1972 for the purpose of building a children's home. Construction began on the new cottage in September of 1973.

The White City Baptist Church of Tulsa and Smith are building the first cottage. Other cottages will be erected as funds are available.

Baptist Medical Center of Oklahoma

The construction program for Baptist Medical Center is nearing 80 percent completion. The magnitude of the new and remodeled construction will extend into early spring of 1974. Remodeling will be required of many existing areas in the basement, first and second floors. Due to expansion requirements in most all departments, some departments are relocated temporarily and expanded. Meanwhile, as nursing units and departmental areas are completed, they will be occupied by the departments of the Medical Center. September 20 the first nursing unit in the East Tower was occupied. This provided an additional 49 beds. On Sept. 22, the nursing staff on the existing fourth floor of the West Tower was relocated on the fourth floor of the new East Tower. This was necessary in order that remodeling could begin on the present fourth floor, converting it totally to care of the psychiatric patient. There has been some delay in completing the new food service department. The dining room was scheduled to open in September, but was delayed until Nov. 1. While there were delays in the opening of a few select departments, the entire project should be completed by May 1, 1974.

The parking garage which was added to the project this summer is well underway. The contractor commenced construction June 5 and is scheduled to have the parking structure complete and ready for use by the middle of November. This facility will provide approximately 1,500 parking lanes for the Medical Center's use.

Baptist Building Renovation

In April of 1973 a renovation program was begun in the Baptist Building. This is the first remodeling project since the building was completed 22 years ago. When the Convention adopted a new organizational structure, this necessitated additional space for some departments and released space in others.

The usable area of the ground floor of the Baptist Building is being remodeled and will house the printing and addressing services and the tract department of the Convention. The Baptist Messenger print shop will continue to be located on the ground floor. The first floor will house Woman's Missionary Union, Baptist Student Union and the information center. The second floor will be basically the administrative floor. Also on two will be located the Department of Evangelism. The third floor will acommodate Religious Education, Church Architecture, Brotherhod, Baptist Messenger and the Music Department. The fourth floor will contain Child Care offices, the Department of Missions, and the Baptist Foundation. The chapel of the Baptist Building will continue to be used as a worship center but is being arranged to serve additionally as a large conference room.

The Baptist Bookstore will remain in its present location.

The motion carried to approve the report.

Planning and Promotion Office

Lyle Garlow, Director

The Planning and Promotion office is closely related to the executive office. The assistant executive secretary, Lyle Garlow, serves as director and Glenn A. Brown serves as assistant director. Dana Williamson, newswriter for the convention, works through this office.

Major attention is given in the Planning and Promotion office to Coordinated Promotion Planning (CPP) endeavoring to correlate the state, SBC and associational programs that touch the churches. State and SBC Convention programs that work most closely through CPP are Brotherhood, Church Music, Church Training, Cooperative Missions, Evangelism, Stewardship, Sunday School and Woman's Missionary Union. It is through CPP that the state convention themes and emphases are planned and promoted. The current theme, PEOPLE NOW, continues through 1976. A new planning period for 1976-79 is being considered.

Cooperative Program promotion is another major program. Operation One, a plan to familiarize Baptists with the mission needs of the world and to challenge them to respond through greater involvement

in mission giving, is the promotional emphasis for our Giant Stride in Mission Giving. Churches are urged to increase associational mission percentages to the level adopted by the association and to increase percentage giving to world missions through the Cooperative Program following the suggested formula. Churches now giving:

Under 20% — Increase 1-2% Between 20-29% — Increase ½ % -1% Above 30% — Increase ¼ -½ %

Operation One called for a Nationwide Day of Commitment on Sun., Oct. 28, 1973 following an emphasis the four Sundays of October. A similar emphasis on Operation One (Year 2) will be conducted during 1974.

Stewardship promotion is likewise a major assignment. Churches were provided with a special kit, "1973-74 Stewardship Planner." Three associations piloted a new emphasis, "Associational Stewardship Decision Night," with great success.

Church Administration is assigned to this office. A convention-wide "first"—The Multiple Staff Church Administration Conference, was conducted Feb. 5-7, 1973 with tremendous success and acceptance. A series of area training conferences, "ABC's of Church Administration" are planned for early 1974 and are designed for the church with only one full-time staff member—the pastor.

Associational Services provides the Planning and Promotion Office an opportunity for close relationship to the associational superintendents of missions.

Several planning meetings are conducted each year with these men. Opportunity is given for them to share in Coordinated Promotion Planning, thus relating more closely the work in Oklahoma.

Superintendents of misions retiring this year are: W. P. Mugg, Arbuckle Association; O. C. Sutterfield, Concord-Kiowa Association; Vernon Pendleton, Perry Association and Earl Hatchett, Banner Association.

New superintendents of missions and their places of service are: Bud Throne, Banner Association; Willard Kern, Chickasaw Association; and Forrest Upchurch, Frisco Association.

Metropolitan Mission Conferences were conducted Sept. 24, 25 and 27, 1973 in Tulsa, Lawton and Oklahoma City. A State conference is scheduled for Sept. 23-25, 1974.

The Planning and Promotion Office will occupy new office space on the second floor of the Baptist Building making possible the better coordination of all our work. We exist to serve. Let us help you and your church.

The motion carried to approve the report.

Brotherhood

Bob Banks, Director

Brotherhood work in the churches continues to grow. All work of the Brotherhood Department reached greater heights than ever before. Thanks be to God for his blessings and leadership and to our churches for vision and response.

Personnel Changes

Henry Chennault, associate secretary, resigned as of Jan. 1, 1973, to become Brotherhood director for the South Carolina convention. During his time of service, there was an 18 percent increase in Baptist Men's work and good progress in all areas of his responsibility. It was with regret to see him leave but at the same time we wish him well in this new and enlarged opportunity.

Laddie Adams, pastor at First Church, Cordell, and formerly language missions director for the convention, joined the staff as associate director on May 15, 1973. He will have primary responsibility in areas of Baptist Men's work, leadership training, renewal and disaster relief.

Statistical Report

- 1972 Report Update: This was the finest year ever experienced in Brotherhood growth. The final report showed a total of 737 churches with work and 18,165 enrolled, 557 churches with 1,124 RA chapters and a 2 percent gain in enrolment to a total of 8,029, 602 churches with Baptist Men's work, a 12 percent gain, and a 20 percent gain in enrolment to a total of 10,323.
- 1973 Report: The projected report indicates another increase in Brotherhood work this year. The projected totals are: 743 churches with Brotherhood work, 603 churches with Baptist Men's work, 589 churches with RA work and a total of 1,104 chapters (a slight decline from last year).
- Royal Ambassador Congress increased 1,400 in attendance to 2,800. The program included the regular features plus an exhibition program with 49 booths and 11 missionaries. Officers elected were: President Scott Thompson, Ardmore, and Vice-President Bruce Mackey, Fort Cobb. The 1974 Congress will be held at the Myriad in Oklahoma City, March 1-2.

Lay Couples Retreat: The retreat, held in cooperation with the Evangelism department, proved a success with 126 in attendance. The meeting was designed for a small group and centered around renewal and personal Christian growth and development. The 1974 retreat will be held at Fountainhead Lodge, March 15-16.

Laymen's Dinner: For the second year, a laymen's dinner was conducted by the Brotherhood department in cooperation with the Evangelism department at the Evangelism Conference with 500 in attendance. This special laymen's emphasis helped to make Tuesday night of the conference the best attended.

Special Projects

Leader Search: A new program was developed by the Brother-hood department to assist churches in evaluating the work of their men and in enlisting men to work in Baptist Men and Royal Ambassador work. At the Area Training Sessions, 45 men were trained as consultants to assist churches.

Mission Action Institute: Our department, as well as departments in other states, jointly sponsored the institute with the Brotherhood Commission, Home Mission Board, and Christian Life Commission to train teachers in mission action for associational meetings and projects. There were 74 in attendance from Oklahoma.

Resort Missions Conference: Our department cooperated with the Missions department in the promotion and planning of four resort conferences throughout the state. Strategically located churches were invited to attend and are being followed-up as to their participation.

World Missions Conferences

The responsibility of administering, promoting and assisting in World Missions Conferences in Oklahoma was transferred Jan. 1, 1973, from the Missions department to the Brotherhood. There were 145 churches in six associational conferences participating with a total attendance of 28,972 in 1972.

Camp Consultation

Another new facet of our work beginning January was that of camp consultation. This assignment includes assisting associational and area camps in areas of development of camp objectives and camp utilization, site development, program development, staff organization and training, and equipment resources.

Other Assignments Under Development

Disaster Relief: The associate director of the department, Laddie Adams, has been designated to head up disaster relief for Oklahoma Baptists. A committee of the convention's Board is working with the department in development of a plan for assistance.

Lay Renewal: The Brotherhood and Evangelism committees of the convention's Board has adopted the following: Lay Witness Mission and Renewal Evangelism will be a cooperative work of the Brotherhood and Evangelism departments. We see where a church could profitably be involved in a Lay Witness Mission experience, followed by a TELL school, and Renewal Evangelism Weekend as time and needs dictate.

- 1. Initial requests for assistance will be channeled through the Brotherhood Department.
- 2. Consultants (who will be selected and trained cooperatively by both departments) will help the church to ascertain its needs and recommend procedures.
- 3. The Brotherhood Department will be responsible for servicing Lay Witness Mission needs.
- 4. Referrals will be made to the Evangelism Department concerning TELL schools and the Renewal Evangelism Weekend emphasis. The Brotherhood Department will seek to support the Evangelism Department in these efforts.

Laddie Adams, associate director, has the assignment of this area.

Camp Hudgens Report

The state RA camps experienced their largest attendance ever in 1973. Campers and staff totaled 983 of which 153 made decisions. The decisions included 62 professions of faith, 50 rededications, and 41 for special service.

Cooperative Missions

Robert Haskins, Director

The Department of Cooperative Missions is "The Home Mission Board and the State Convention working together for mission advance" in Oklahoma. The areas of work include (1) Language Missions, (2) Work with National Baptists, (3) Surveys and Special Studies, (4) Church Community Missions, (5) Resort Missions, (6) Student Summer Missions, (7) Christian Service Corps, (8) US-2 Workers, (9) Interfaith Witness, and (10) Chaplaincy.

Language Missions

Language Missions is the witness and ministry of Southern Baptists to the people in Oklahoma who are identified with a language-culture group other than English. It is an expression of Southern Baptists' concern for people — people of all nationalities, languages, and races. These people, when won to Christ and enlisted in the churches, become part of the Mosaic fabric of Southern Baptist life.

The 1970 Census figures of Oklahoma revealed 104,611 people of another culture, 5,119 Deaf; 98,468 American Indians, and 237,875 people of another language culture.

We are seeking through Language Missions to share Christ with these precious people.

Financial assistance is being given to 37 fields of Language Mission work through the Department of Cooperative Missions. Those missionaries who serve have reported 905 professions of faith, 185 additions by letter and 137 dedicating their lives to special service this past year. The missionaries traveled in their work 557,628 miles.

Two new Spanish Mission stations, 11 new Indian Missions and two new Deaf units have been established this year.

Ten Language Missions assemblies were conducted in our state. There was a total registration of more than 2,300 with approximately 154 professions of faith and more than 372 other decisions. This means that one out of every 15 persons attending a language mission camp or assembly made a profession of faith in Christ as their Savior.

Language churches have been assisted this past year in building projects. One of our Language mission churches has built a center for reaching Indian youth. They provided a ministry to approximately 50 youth per day during the summer months.

The Cherokee hymnbook, which has been out of print, has been reprinted and made available to the Cherokee people in Oklahoma.

A training institute for Language pastors and licensed ministers was held at Camp Hudgens Oct. 8-12. Such courses as "The Work of the Pastor," "How to Prepare the Sermon," "The Life of Christ," and "Understanding the Bible" were taught.

God continues to bless in his own marvelous way our Language mission work. You play a vital part in our work as Oklahoma Baptists because of your continued support through the Cooperative Program, the Annie Armstrong Home Mission Offering and the Edna McMillan State Mission Offering.

Student Summer Missions

Twenty-four college students from Arkansas, Colorado, Georgia, Louisiana, Maryland, Mississippi and Oklahoma served for 10 weeks in Oklahoma this past summer. Three served in Resort missions, two served in the Negro Education Center in Tulsa, two in Indian work in Western Oklahoma, two at the Baptist Children's Home, one at Boys Ranch Town, and 14 served in Inner City Ministries in Oklahoma City.

Interfaith Witness

Through the Interfaith Witness Ministry Baptists are helped to understand the teachings and beliefs of other religions (Jehovah's Witnesses, Mormons, Buddhists, Hindus, etc.) in order that they might be able to share their faith in Jesus Christ with members of these other faiths.

Three regional conferences were held this year (Tulsa, Oklahoma City and Lawton) with a total attendance of approximately 1,000 people.

Chaplaincy

Fifteen Baptist ministers who are paid by the state, the Federal Government or other sources serve as chaplains in our state. These men serve in the military, in institutions such as penal institutions, State mental hospitals, Veterans' Hospitals, etc. and in industry.

These men provide a spiritual ministry in areas of dire need in our state. These men serve along with some 10 other Baptist chaplains who serve in our Baptist hospitals in Oklahoma. These men are true ministers.

Work With National Baptists

The state director of work with National Baptists cooperates with the leadership of the Oklahoma Baptist State Convention in missions, evangelism, Christian education, outreach ministry, and educational center operation. The commitment of the department of work with National Baptists is to strengthen the local church and the program of the denomination. The work involves the Baptist General Convention of Oklahoma, and the Oklahoma Baptist State Convention. It is done

through the local church, district associations, state and national conventions.

The Cooperative Program is the medium through which the churches are carrying out their mission work. In 1971-72, 132 churches contributed \$27,845.48. Approximately 300 churches and 75,000 members constitute the Oklahoma Baptist State Convention.

Burge Camp is being developed for their "Falls Creek" in Oklahoma. About 1,000 youth from over the state gathered there for youth day this year. It is anticipated that the facilities will be adequate for week-long camps in 1974. Limited finances greatly impedes the development of the camp. It is located among the trees northeast of Arcadia and northwest of Luther in Oklahoma County.

The Oklahoma Baptist State Convention purchased the property at 501 Northeast 7th Street in Oklahoma City for convention head-quarters. Plans are underway to build a new brick building for the convention offices.

Five Negro students received scholarship assistance for college training during the school year 1972-73. One seminary student received a scholarship for seminary training during the same time. All of these are planning to enter some type of church-related vocation.

Five workers receive financial assistance through the Department of Cooperative Missions. They reported 96 conversions, 36 additions by baptism, 88 additions by letter or statement and 23 decisions for special service.

Three couples attended Glorieta Baptist Assembly during Home Missions Week. These leaders received helpful training there and returned to share their information and training with others throughout the state.

Church-Community Ministries

Church-Community Ministries is the Oklahoma name for the area of work which the Home Mission Board calls Christian Social Ministries. It is basically a weekday ministry for reaching people for Christ. It might be through club activities, music, a tutoring ministry, a family counseling service, ministry to the handicapped or any of many other means of establishing relationships and sharing of Christ.

Some ways that churches respond to the needs of people are: Baptist Centers, ministries to illiterates, aging, prisoners, alcoholics, drug users, ex-prisoners, migrants, youth and family services, disaster relief and other projects peculiar to their own community.

The Department of Cooperative Missions through this means helps to support a Baptist Mission Center in Oklahoma City and Tulsa, Grace Rescue Mission in Oklahoma City and a student community project at Oklahoma Baptist University. An associational director of Church-Community Ministries was secured for Capital Association in January 1973. He directs the existing mission activities for the association and works with the local churches in starting ministries whereby Jesus Christ is shared through ministry. Plans are underway

to secure a director for the Tulsa Association during 1974. The directors of these ministries reported 586 professions of faith, 26 additions to the churches by transfer of letter, 130 additions by baptism, and 10 decisions for special service.

W. E. Cook, director of Grace Rescue Mission for many years, died since our last report. Fred Bray has been elected to be director of the mission. He is a product of the ministry of Grace Rescue Mission. He continues to lead the mission to reach those who so many times have been rejected by our society.

A limited ministry to migrants is promoted by the Department of Cooperative Missions.

Many churches have learned that great evangelistic opportunities are found through such church-community ministries. Increased interest is being shown all over Oklahoma in such non-traditional methods of winning people to faith in Christ.

Baptist Messenger

Jack L. Gritz, Editor

We are living in a time of tension when many confusing voices are heard on every hand. Our people are constantly exposed to and flooded with papers and magazines which give them misleading information and perverted points of view. Now—perhaps as never before—every member of a Baptist church in Oklahoma needs his state Baptist paper, the **Baptist Messenger**.

We are happy to report that the circulation of our convention's publication is the largest which it has ever been, well in excess of 87,000 copies each week. We are also pleased to be able to report that 1,057 of our churches have placed the publication in the church budget and provide it for their members just as other literature is provided for them. We would urge the few remaining churches which do not use the Every Family Budget Plan of subscription to begin doing so at once. Other publications serve particular causes — but only the state Baptist paper promotes all of our work in the state, nation, and around the world, and at the same time provides inspiration and indoctrination. Really, it does not cost but pays for the church to send the paper to each family, or individual member if not in a family.

The cost is nominal. Beginning Jan. 1, it will be five cents per copy which, since we publish 50 issues annually, adds up to \$2.50 for the entire year. However, it is paid for monthly as we send the treasurer a monthly statement. We exist to serve — and our purpose is to help each church develop well informed and deeply spiritual members.

- 81. Gene Bartlett, director, presented the report of the Department of Church Music.
 - (1) Bob Helmich, superintendent of missions, Muskogee Association, and several pastors in the association spoke concerning the music schools held in their association last year.

Church Music

Gene Bartlett, Director

The main thrust of your Music Department in the field of training still continues to be Fundamentals of Church Music Schools. Schools this fall have been conducted in Comanche-Cotton, Chuck Bridwell, teacher; Muskogee, Guy Lyall, teacher; and LeFlore, Paul Magar, teacher. Projected schools for next spring are in the following associations: Caddo, Chickasaw, Enon, Kay, Pittsburg.

Over 1,000 young musicians have attended young musician (junior) camps conducted by Banner, Enon, Arbuckle, Mullins and Capital associations.

Highlights of THE SINGING CHURCHMEN activities have been the recording of an album with Ralph Carmichael and two albums with the famous singing team of Hale and Wilder who will be singing at our 1975 Evangelism Conference.

One of the great excitements of the coming years will be in March, 1975, when we will receive a new Baptist Hymnal. This will be a people's book. It will be published in round and shaped notes and I hope every Baptist church in Oklahoma will pre-order these from the Baptist Book Stores in Tulsa and Oklahoma City. I think most of your favorites will appear in the hymnal. William J. Reynolds, a former Oklahoman, is heading this project.

The motion carried to approve the report.

82. Don Turner and Mrs. Lola Allen, managers of Baptist Book Stores in Oklahoma City and Tulsa, presented the report of the Baptist Book Stores.

Baptist Book Stores

Mrs. Lola Allen, Manager, Tulsa Donald Turner Jr., Manager, Oklahoma City

The Baptist Book Stores of Oklahoma have shared another exciting year with Oklahoma Baptists. As "Partners in Growth" with people and churches we have been excited by the enthusiasm we have seen among the leadership of our convention and our churches. Your stores have seen an increase in business which we feel is a reflection of growth in our churches.

Your Baptist Book Store in Tulsa has had growth far beyond expectations and has moved into larger quarters for which dedication services were held in January.

The Baptist Book Store in Oklahoma City is bringing children and children's Books together through Children's Book Fairs. Through these we hope to minister to a wider community by making people aware of Baptist Book Stores and to introduce children to outstanding children's book authors and illustrators.

Our main purpose in our stores is to lend support to people and churches in their efforts to reach people for Christ. We pledge our efforts to work continually to become a better partner in growth with you and your church.

The motion carried to approve the report.

- 83. J. T. Roberts, director, presented the report of Annuity and Ministerial Services.
 - (1) Several spoke concerning the assistance received from this work.

Annuity and Ministerial Services

J. T. Roberts, Secretary

The office of Annuity and Ministerial Services began officially Jan. 1, 1973. The Annuity work had been under the direction of R. C. Miller for 16 years prior to this time. The area of ministerial services was established as a result of needs expressed by pastors, other staff personnel and church members.

Since Jan. 1, these services have been presented in 32 associations (13 associational deacon-pastor conferences and 19 other associational groups), and to the superintendents of missions in their February meeting.

Annuity

Retirement plans and retirement benefits were improved during the past year. For annuitants on the roll Dec. 31, 1972, income from retirement benefits has been increased permanently by 6 percent. The more than 7,000 retirees, widows or disabled persons generally receive their benefits monthly. These annuitants have served Christ and Southern Baptists as pastors, as some other paid staff person in a church, or as an employee of a state or national denominational agency. They also include the widows of those who served. In addition shortly before Christmas, 1972, annuitants received a "13th check" which amounted to two extra months' benefits.

About 20,000 participants in Plan A, the basic state convention retirement program for ministers, received two boosts as of Jan. 1, 1973, in the funds they are accumulating for their retirement. First, in late 1972, they received an increase of 10 percent in their accrued retirement credits. A few months later they received another 8 percent increase. These increases were made possible because of good experience on investment earnings. Never before has the board provided two such increases so close in time to each other.

Further, the board approved, and state conventions endorsed, an increase in widow benefits under Plan A to 50 percent of potential

or actual retirement benefit; it had been 40 per cent. At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of members who die before early or normal retirement, or after disability retirement and who meet required participation.

The board also administers life, health and disability insurance plans for persons serving churches and agencies but does not underwrite the insurance itself.

More than 9,000 insurance policy holders transferred from the previous Health Benefit Plan (hospitalization) with Blue Cross-Blue Shield to the new plan which was launched on Jan. 1, 1973 with Aetna Life Insurance Company.

The Annuity Board, based in Dallas, reported several records for the 12 months ending June 30, 1973. Funds held in trust for about 38,000 participants total \$336,791,874; benefits paid surpassed \$10 million and investment income reached a new high of \$22 million.

There are 21,477 churches and associations with 24,075 employees currently participating in the Southern Baptist Protection Program. Oklahoma has 722 churches and 37 associations with 963 employees participating. Thirty-four new members have been enrolled during the first six months of 1973.

There are 19 state Baptist institutions and agencies participating in the retirement program:

III. Promoting a program of continuing education Nine Seminary Extension Centers were conducted.

Approximately 250 attended the State Bible Conference.

The 1974 Bible Conference is scheduled to be held April 29-May 2. Huber Drumwright will teach the book of Acts (the 1975 January Bible Study book), Stanley Collins will teach the book of Ruth, and Manuel Scott will preach.

The motion carried to approve the report.

84. Tal Bonham, director, presented the report of the Department of Evangelism.

Evangelism

T. L. Bonham, Director

Motivating Convictions

These motivating convictions seem to jump out from the pages of the Book of Acts:

- *A LOCAL NEW TESTAMENT CHURCH EXISTS PRIMAR-ILY FOR THE PEOPLE WHO ARE NOT YET IN IT. Even though the ministry of a church is not exclusively evangelistic, it must be primarily evangelistic.
- *A NEW TESTAMENT CHURCH HAS A QUALITY WHICH PRODUCES QUANTITY. A church cannot claim to have quality in the New Testament sense unless it takes seriously our Lord's mandate to witness to its Jerusalem (hometown), Judea (state), Samária (the disinherited), and "unto the uttermost part of the earth" (Acts 1:8).

An Exciting Adventure

Here are a few of the reasons why evangelism among Oklahoma Baptists is an exciting adventure:

- *A corps of over 200 trained leaders who can conduct TELL Schools in local churches and associations.
- *The Win Our World (WOW) materials formulated and leaders trained by our own Joe Ford, youth associate in the Evangelism Department.
- *Campus evangelism making new strides through the BSU across our state.
- *Youth witness seminars for high school students.
- *Falls Creek Baptist Assembly (the 1973 assembly saw 32,467 registered with total decisions totaling 4,447 as follows: professions of faith, 683; special service, 507; rededications, 3,248).

Life Style Evangelism

Witnessing is the natural expression of the normal Christian life. "Witness Commitment Day" on Jan. 13, 1974, should be a key day in the life of our churches. Throughout the new year of "life style evangelism" evangelistic opportunities will take the form of TELL Schools, lay renewal weekends, lay-led revivals, church renewal conference, and many other effective means of reaching our state for Christ.

Paul S. Rees said, "Revival is an experience in the church; evangelism is an expression of the church." On every hand, there seems to

be a heart-cry for genuine revival in our churches. Through local church evangelistic campaigns and areawide cooperative crusades, scores of people will be reached for Christ in the years ahead. The day of great revivals is upon us again! Let us not be afraid of new and effective methods of reaching our Jerusalem for Christ.

Evangelism Conferences

There will be two 1973 Youth Evangelism Conferences back-to-back in Oklahoma City (Dec. 27-28) and Tulsa (Dec. 28-29) with identical program personnel. Major emphasis will be placed on Bible study and witness training. Our goal is 10,000 with 5,000 at each conference.

The 1974 State Evangelism Conference at First Southern Church in Del City (Jan. 21-23) will feature the preaching of Adrian Rogers, Memphis, Tenn.; and the Bible teaching of Harold Fickett Jr., Van Nuys, Calif. Other out-of-state personnel include Jack Stanton and Eugene Grubbs.

The motion carried to approve the report.

Oklahoma Baptist University

William G. Tanner, President

Record enrolments, a new administrative organization, a successful OBU Fund campaign, a record graduating class, and many other accomplishments highlighted the 1972-73 Oklahoma Baptist University school year.

Entering his second year as president of the university, William G. Tanner sought to "re-tool" to meet some of the changing demands of Christian higher education.

One of the first steps in the "re-tooling" process was to trim the organizational structure to four areas of accountability. The new organization included the appointment of three vice-presidents: Robert L. Lynn, assistant to the president, was named vice-president for administration; William E. Neptune, dean of the College of Liberal Arts, became vice-president for academic affairs; and Donald G. Osborn, dean of students, was appointed vice-president for student affairs. John J. Scales, acting director of development, became the new development director.

Reorganization also included the appointment of two new academic deans: William R. Mitchell, professor of English, was named dean of the College of Arts and Sciences (formerly College of Liberal Arts), and James D. Woodward, associate professor of music, was selected dean of the College of Fine Arts.

The 1972-73 school year saw all enrolment records fall as 1,701 students enrolled for the fall semester and 1,569 enrolled for the spring term. Fall enrolment included 92 percent full-time students and 8 percent part-time. To enable freshmen to better adjust to college life and the OBU unified curriculum, an extensive orientation program, entitled "Enteract," was implemented by students and faculty.

During 1972-73 the instructional staff included 78 full-time and 29 part-time faculty members. Thirty percent of the full-time faculty had the doctorate degree. Three special staff members added during the year included Bob Burgess, who became the first full-time director of the OBU Baptist Student Union; John Prince, who was named director of budget operations; and Edward Hurt Jr., who was appointed assistant director of development.

The January interim term was even more successful than its two predecessors as a total of 1,200 students enrolled in 57 courses in 19 different academic areas. Another special academic program, the European Study-Tour, also proved to be the most popular in OBU history. A total of 61 students and faculty members participated in

OBU's ninth study-tour which included two study groups: music history and western civilization.

OBU's new tutoring program was expanded in 1972-73 to provide greater assistance for students with academic problems. The tutoring staff included a faculty director and student tutors who worked in group and individual situations.

In financial areas, the university completed a successful OBU Fund campaign, adopted its first \$4 million budget, and inaugurated the "Commitment to Purpose and Progress" campaign.

The OBU board of trustees, led by Forrest Siler, pastor of Lawton's First Baptist Church, approved a \$4,169,450 budget for 1973-74, an increase of \$300,000 over the previous year. An increase in tuition was approved, bringing OBU's tuition to \$850 per year, still the lowest tuition of an Oklahoma private college and among the lowest in Southern Baptist colleges and universities.

The OBU Fund, an annual giving campaign initiated during 1972-73, surpassed its original goal of \$350,000, reaching a grand total of \$409,532.53. Through the fund, the university completed necessary renovation work, met budget requirements for operations and scholarships, established a strong tutoring program, and granted \$25,000 more in scholarships than originally had been planned.

The strong support from the Baptist General Convention of Oklahoma was "unparalleled," Tanner noted. The university received total contributions of \$1,679,258, including more than \$850,000 from the Cooperative Program. Endowment held by the Baptist Foundation of Oklahoma for OBU exceeds \$4.5 million, while the Prichard Trust for missionary and ministerial scholarships exceeds \$5 million. OBU physical plant assets exceed \$10 million.

In order to meet the financial needs of the university in meeting the demands of Christian higher education, the university initiated plans for the "Commitment to Purpose and Progress Campaign," a three-year, \$5 million financial campaign. The campaign goals include \$2.2 million for capital improvements, \$1.3 million for the OBU Fund, and \$1.5 million for endowment. Top priority in the capital improvements area is renovation of and addition to the existing OBU library.

Chapel continued to be an important means of bringing Christian leaders to the OBU campus. Speakers for the 1972-73 year included Owen Cooper, president of the Southern Baptist Convention; Foy Valentine, executive-secretary of the SBC's Christian Life Commission; and John Newport, professor of philosophy of religion at Southwestern Baptist Theological Seminary.

Founders' Day 1973 was a special tribute to Warren M. Angell, retiring dean of the College of Fine Arts. Honored with an assembly program and a luncheon, Angell ended his 37 years of service in the dean's position. Angell, now dean emeritus, continues on the faculty as professor of music.

In sports, the Bison basketball team advanced to the NAIA National Tournament in Kansas City, Mo. The Bisons lost in the quarter-finals to second-seeded Augustana.

OBU graduated its largest graduating class in May as 271 graduates received diplomas. John Claypool, pastor of Broadway Baptist Church, Fort Worth, Texas, was speaker for the event.

The motion carried to approve the report.

- 90. Sam W. Scantlan presented the gavel to Lavonn Brown, the newly elected president for 1973-74.
- 91. Joe L. Ingram led the convention in prayer and the 68th convention was adjourned to meet on November 11-13, 1974 in Tulsa. Total registration was 1104.

Record of Oklahoma Baptist Churches for 1973

On the following pages appears the 1973 record of co-operating Baptist churches in Oklahoma. Reports are arranged by associations. Statistics concerning church membership, baptisms and enrolments in organizations are given as reported in the 1973 associational letters and were furnished by associational clerks. Figures in "Oklahoma Baptist Summary" were furnished by the Research Services Department of the Southern Baptist Sunday School Board.

Record of contributions of the churches to missions through the Cooperative Program and special offerings is for the calendar year and was taken from the books of the Baptist General Convention of Oklahoma.

AUDIT

December 31, 1973

Board of Directors
Baptist General Convention of
The State of Oklahoma
Oklahoma City, Oklahoma

We have examined the fund balance sheets of The Executive Office of Baptist General Convention of the State of Oklahoma, including only the funds herein named, as of December 31, 1973 and the related summary of receipts and disbursements and statement of fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Executive Office of Baptist General Convention of The State of Oklahoma represents only one of the segments of the operations of Baptist General Convention of the State of Oklahoma, and does not include other operations as explained in Note 1 to the financial statements.

The accompanying financial statements have been prepared on a modified accrual basis of accounting and do not include trade accounts payable or liabilities for payroll taxes. The differences between such basis and the accrual basis are relatively immaterial.

In our opinion, with the explanations stated above, the accompanying financial statements present fairly the financial position of The Executive Office of Baptist General Convention of The State of Oklahoma at December 31, 1973, and the results of its operations for the year then ended, in conformity with accounting practices generally followed by nonprofit organizations applied on a basis consistent with that of the preceding year.

1. Summary of Significant Accounting Policies

Inventories—Inventories of office and printing supplies and items held for resale at Camp Nunny Cha Ha are stated at lower of cost or market.

Inventories of livestock, poultry and feed at the boys' ranch and farm are stated at a nominal value. These items have either been grown or have been contributed and, therefore, have no cost value.

Properties, Plant and Equipment—It has been customary to expense items, even though of a capital nature, which are purchased as a replacement for like items which have been capitalized in the past. Otherwise, all items of a capital nature are capitalized.

It has not been the policy of the Convention to record depreciation. Therefore, items capitalized are generally carried at either cost or contributed value with no provision for depreciation.

Revenue Recognition—Revenue of the Baptist General Convention consists primarily of voluntary contributions from Baptist churches throughout the State of Oklahoma. It is recognized as income as received. The donor may designate its use by the Baptist General Convention.

We have examined the fund balance sheets of THE BAPTIST FOUNDATION OF OKLAHOMA (a nonprofit corporation) as of December 31, 1973, and the related statement of receipts and expenditures and fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, except for the effect of security valuations referred to in Note 5, and that no provision has been made for depreciation and depletion, the aforementioned financial statements present fairly the financial position of The Baptist Foundation of Oklahoma at December 31, 1973, and the results of its transactions for the year then ended in conformity with generally accepted accounting practices generally followed by nonprofit organizations applied on a basis consistent with that of the preceding year.

1. Summary of Significant Accounting Policies

1. Summary of Significant Accounting Policies
Investments—All investments, except those referred to in Note 5, are valued at appraised or market value at time of gift, or cost, if purchased.

Fund Balances—The fund balance of the Trust and Endowment Fund has been separated into two sections in the accompanying financial statements; Endowment funds and Custodian funds. This grouping reflects the accountability of the Foundation in the management and administration of the assets under its control. Endowment funds account for assets received under stipulation by the donors that such assets be invested, and that only the investment income be used for specific purposes until a specified time or the occurrence of a specified event, or in perpetuity. Custodian funds account for assets received by the Foundation to hold or disburse only on the instructions of the person or organization from whom they were received and on their behalf.

Annuities—The Foundation has agreed to pay such donors substantially the equivalent of interest on the amount of the gift during the lifetime of the donor. The Foundation also accepts trusts naming individuals as lifetime beneficiaries rather than Baptist agencies and institutions. A specified income of these trusts is disbursed to specified individuals during their lifetime, and upon their death, the trusts are to be administered for the benefit of Baptist agencies or institutions as designated.

Annuities and individual trusts are included herein at the book value of their assets. No attempt has been made to compute any liability in connection with these funds for future payments to beneficiaries. During the current year, approximately \$25,600 was paid to the annuitants participating in these contracts.

A revolving fund has been established within the operating fund of the Foundation for the purpose of receiving income earned from the investment of annuity funds and making periodic payment to annuitants. The revolving fund is also used to pay the estate expenses prior to the closing o

Gentlemen:

We have examined the balance sheet of Cordell Memorial Hospital as of June 30, 1973, and the related statements of income, changes in fund balances, and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests, several of which are listed on the attachment to this report, of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet, statements of income, changes in fund balances, and changes in financial position present fairly the financial position of Cordell Memorial Hospital at June 30, 1973, and the results of its operations and the changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Scott Quigley Certified Public Accountant

ATTACHMENT TO ACCOUNTANTS' REPORT

The following is a summary of some of the auditing procedures applied to the significant financial statement items.

1. Cash and investments.

The investments were all in the nature of deposits. All such cash and investments we confirmed by correspondence with the depositories. We tested the reconciliation of such balances to the recorded book balances.

2. Accounts receivable.

We confirmed the patient accounts receivable by outside correspondence.

We tested your machine aging of the accounts and reviewed the adequacy of the reserve for doubtful accounts.

The retroactive payments due from Medicare and Welfare are as computed by the accounting firm of Eberhart, Brown & Co., Certified Public Accountants, of Tulsa, Oklahoma. The retroactive payment due from Blue Cross was computed by us.

The retroactive payments from all third-party payors are subject to audit, and some retroactive adjustments are virtually certain.

Inventories.

We did not witness the actual inventory count, but our spot-check made on July 3, 1973, indicated that the hospital is carrying the approximate values shown on the physical inventory schedules.

4. Accounts payable.

We confirmed the principal accounts payble by outside confirma-

5. Fund balances—unrestricted funds.

We made all retroactive adjustments affecting prior years, by thirdparty payors, as "Surplus" adjustments (see Exhibit "C"). This was done to prevent distortion of the income for this fiscal year.

This examination was made primarily for the purpose of rendering an opinion on the basic financial statements, taken as a whole, which are set forth on the preceding pages 3 to 8, inclusive. The other data included herein, on pages 9 to 12, inclusive, although not considered necessary for a fair presentation of financial position and results of operations, are presented primarily for supplemental analysis purposes. This additional information was subjected to a limited spot-check, and no effort was made to further analyze the information in the various accounts, beyond that provided by the books of account. In our opinion, however, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INTERNAL CONTROL

Some of the same persons who post the books of account and subsidiary ledgers also have access to the cash. No further review of the internal control was necessary to determine that real internal control is difficult to achieve. This is not an unusual situation in a small organization, with limited staff, and is not intended as a criticism but merely a statement of fact. We are also aware of the need to have certain persons capable of performing the duties of other persons when the need arises. Even so, there are certain checks and balances; and our spot checks indicated that funds of the institution are carefully handled and properly accounted for. Also, taken as a whole, the accounting results were good; and this in spite of a nearly complete change-over in personnel.

ACCOUNTANTS' REPORT

To the Board of Directors

Baptist General Convention of Oklahoma

We have examined the accompanying balance sheet of Bass Memorial Baptist Hospital (a hospital owned by the Baptist General Convention of Oklahoma, see Note 1 to the financial statements) as of June 30, 1973 and the related statements of changes in fund balances, revenues and expenses, and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the statements listed above present fairly the financial position of the unrestricted funds and the assets in trust for debt retirement at June 30, 1973, changes in their fund balances and the results of the operations of the unrestricted funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Because an undetermined amount of pledges made in the current fiscal year were included in the June 30, 1972 financial statements (see Note 5), we cannot express an opinion as to the changes in fund balance of the development fund. A similar exception as to financial position and changes in fund balance of the development fund was also contained in our report for the prior year.

1. Summary of Significant Accounting Policies

(a) The Bass Memorial Baptist Hospital is owned and operated by the Baptist General Convention of Oklahoma. Although accounted for separately, the Hospital is not a separate legal entity, but operates under the corporate charter of the Convention. The financial statements are for the hospital only. The Convention also owns a doctors office building, Enid Clinic, adjacent to the Hospital, which is not included in these

(b) The hospitals operated by the Baptist General Convention of Oklahoma deposit funds with the Baptist Foundation of Oklahoma. These funds are invested by the Foundation and comprise an emergency fund to meet the needs of the hospitals. The funds are withdrawable upon approval of the hospital administrator, the executive secretary of the Convention, and the chairman of the Hospitals and Golden Age Homes Committee of the Convention's Board of Directors.

(c) The Hospital's property, plant and equipment at June 30, 1973 and 1972 consisted of the following:

•	•	1973	1972
Land '	•	152,846	152,846
Land improvements		42,038	42.038
Buildings and building equipment		3.690.761	3,299,025
Major moveable equipment		1,348,823	1,170,489
		. 5,2	34,468 4,664,398

The Hospital property and equipment is depreciated on the straight-line method at the following rates: Building

Land improvements Building equipment Major moveable equipment

When assets are retired or otherwise disposed of, the difference between the depreciated cost and the proceeds is taken into income.

2. Accounts Payable—Baptist General Convention

The account payable to the Baptist General Convention consists of amounts owed for purchase of hospital supplies, insurance premiums and administrative expense.

3. Roads and Debautures Payable

3. Bonds and Debentures Payable

In 1969 and 1970 Bass Memorial Baptist Hospital Authority, a public trust created under the laws of the State of Oklahoma, issued three series of bonds and debentures to finance the construction and equipping of new facilities for the Hospital.

Under agreements between the Baptist General Convention and the Bass Memorial Baptist Hospital Authority, the facilities of Bass Memorial Baptist Hospital, including buildings and equipment, inventories, and other assets of the Hospital, except its parking lot, have been leased to the Trust. In addition the lease covers the revenues from operation of the Hospital and the Convention's interest in 1968 building fund pledges to the Hospital. This leasehold interest and the gross revenues of the Hospital are assigned as security for the bonds issued. The full faith and credit of the Baptist General Convention of Oklahoma is also pledged to the payment of the bonds and debentures. Details of the issues are as follows:

	Date	Interest	Principal	Outstanding at
	Issued	Rate	Amount	June 30, 1973
Description				
First lien debentures, 1969	3-3-69	5%	500,000	100,000
First mortgage gross revenue bonds, 1969	11-1-69	5-7%	1,300,000	1,259,000
First mortgage revenue bonds, 1970—general purpose series	3_1_70	71/2%	700,000	600,000

The debentures mature March 3 of each year at the rate of \$100,000 annually until paid. The first mortgage gross revenue bonds, 1969, mature in varying amounts from \$45,000 due November 1, 1973 to \$59,000 due November 1, 1989. The first mortgage revenue bonds mature serially January 1 of each year through January 1, 1980, including \$50,000 due January 1, 1974. Interest is payable semi-annually on each of the issues.

Under the terms of the indentures, the gross receipts from the operation of Bass Memorial Baptist Hospital and from construction pledges are to be deposited to the revenue account of the Authority. Amounts required for the payment of periodic principal and interest payments are to be transferred to a sinking fund prior to the due dates. Amounts necessary for the operation and maintenance of the Hospital are also to be paid from the fund. Remaining amounts determined by the trustees to be in excess of the needs of the Trust may be paid to the Baptist General Convention of Oklahoma.

The amounts deposited in the Authority funds have been shown as "Cash in Trust for Debt Retirement" in the balance sheet of the restricted funds.

Title to the facilities constructed and equipment purchased remains in the Trust until the bonds and debentures have been paid, at which time it will be transferred to the Baptist General Convention.

4. Long-Term Notes and Lease Contracts Payable

5. Campaign for Excellence

During the spring of 1972 the Hospital conducted a fund raising campaign, "Campaign for Excellence". The funds raised were to be used to remodel the Hospital's old building, making it comparable to the facilities completed in 1970.

A separate office was maintained to conduct the campaign, keep records of pledges, etc. The records were turned over to the Hospital business office August 1, 1972, and incorporated into the financial statements at that date. The financial statements as of June 30, 1972 therefore, include an undetermined amount of pledges received after that date.

AUDIT

As of June 30, 1973

Bradley D. Ball

Certified Public Accountant

Miami, Oklahoma

To the Board of Directors of the Baptist General Convention of Oklahoma, Grove General Hospital:

We have examined the balance sheet of Grove General Hosiptal (a nonprofit hospital in Grove, Oklahoma) as of June 30, 1973, and the related statements of income, fund balances and changes in working capital for the year then ended, and the supplementary statements (Schedules 1 and 2). Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that our examination relating to voluntary contributions to the Chapel Fund (Note 3) was limited to the amounts recorded in the accounts inasmuch as it was not practicable for the hospital to exercise effective control over such contributions prior to initial entry in the accounting records.

In our opinion, except for the effect of any adjustments that might have resulted had the Chapel Fund contributions been susceptible of satisfactory audit tests prior to initial entry in the accounts, the accompanying balance sheet and statements of income, fund balances and changes in working capital present fairly the financial position of Grove General Hospital as of June 30, 1973, and the results of its operations for the year then ended, and the supplementary statements present fairly the information set forth therein, all in conformity with generally accepted accounting principles applied on a basis consistent

with that of the preceding year.

GRAND VALLEY HOSPITAL Pryor, Oklahoma NOTES TO FINANCIAL STATEMENTS June 30, 1973

1. Year-End Reimbursable Cost Settlements:

The receivables due on year-end cost reports to third party purchasers of service represents the proposed cost settlements for the fiscal year ended June 30, 1973, as follows:

Due from-Medicare 28,989 33,423 Department of Public Welfare 62,412

These cost reports, which were based upon the most recent available interpretations of the reporting requirements, are subject to audit and adjustments, if any, by the paying agencies. However, no known material deficiency exists in the cost reports as filed by the hospital.

2. Emergency Reserve Fund:

Each hospital operated by the Baptist General Convention of Oklahoma is required to keep on deposit with The Baptist Foundation of Oklahoma funds to help cover emergency needs. Interest at the rate of 6% per annum is credited to each hospital's account. This central fund is restricted for use in making or securing loans to hospitals of the Baptist General Convention of Oklahoma who are in need of financial assistance. This fund also acts as insurance against any unexpected losses experienced by the hospital. Withdrawals can only be made upon proper approval by The Baptist Foundation and the Executive Director and Executive Board of the Baptist General Convention of Oklahoma, During the fiscal year the hospital received approval to withdraw \$6,000 from the Emergency Reserve Fund to help offset the replacement of an air conditioner which had been struck by lightening. This \$6,000 was credited directly to the Plant Fund Balance as shown in the Statement of Fund Balances.

3. Assets Leased from Mayes County:

Included in the plant fund assets are land, buildings and fixed equipment leased from Mayes County, Oklahoma at a nominal rate. The lease, dated October 29, 1954, runs 25 years and the hospital may renew the lease for an additional 25 years. The land, buildings and equipment acquired under the lease were capitalized upon entrance into the lease at their cost to Mayes County. The net book values of said properties at June 30, 1973 are as follows:

7,800 304,676 29,004 Land Buildings Equipment 341,480

4. Depreciation:

Depreciation of buildings and equipment is provided by charges to operations over the estimated useful lives of the assets using the straight-line method. Lives used for the more important items within each property classification are as follows:

Land improvements

Dilitimes

10-20 years

10-20 years 50 years 20 years 5-10 years Buildings Fixed equipment Major movable equipment

Major movable equipment 5-10 years

5. Lease Obligations:

The hospital has entered into several long-term lease agreements primarily for electronic equipment being used in the expanded Radiology and Nuclear Medicine and Cardiac Care Departments. Some of these leases met the criteria for being lease-purchases and were accordingly capitalized. The remaining leases are not lease-purchases and are being charged against operations as the lease payments are made. These lease payments which were charged directly against operations in the year ended June 30, 1973, totaled \$6,404.

Following is a summary of all the long-term lease liabilities of the hospital at June 30, 1973.

As of July 15, 1971, the Corporation leased its premises to the Oklahoma Industries Authority, which organization then issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Baptist General Convention of the State of Oklahoma. On this same date the Oklahoma Industries Authority subleased the premises to the Baptist Laymen's Corporation for a period of twenty years at an annual rental of the annual debt service requirements of the Authority on the \$850,000.00 bonds issued as described above. The corporation has the option to acquire the leasehold estate at any time after June 30, 1981 for an amount necessary to retire all outstanding bonds issued by the Authority. The discount and costs of the issue are being amortized over the life of the bond issue.

Monthly payments of \$6,435.28 have been made to the First National Bank and Trust Company, trustee for the bond issues. This monthly amount provides for interest on the bonds, a sinking fund for retirement of the bonds.

The issuance of the Oklahoma Industries Authority bonds was a refinancing of the previous Series.

on the bonds, a sinking fund for retirement of the bonds.

The issuance of the Oklahoma Industries Authority bonds was a refinancing of the previous Series A and B bonds in the unpaid principal amount of \$825,500.00 as authorized by the Board of Directors on May 21, 1971.

On January 1, 1973, the old Series B bonds dated 1971 were retired with new Series B bonds dated 1973 which are due serially beginning July, 1974 rather than in a lump sum at July 1, 1973.

(4) As of May 1, 1972, the Baptist General Convention of the State of Oklahoma deeded to the Corporation, in trust, the motel property previously operated as the Voyager Inn. The Corporation is to operate the motel for the benefit of the Baptist Memorial Hospital and the Baptist General Convention. The Corporation is to incur no liability nor receive any benefit. Subsequently, the name of the motel has been changed to the Mayfair House and was incorporated as a separate entity.

(5) Effective July 1, 1972, the company installed a plan to spread maintenance costs over the periods evenly and has set aside certain amounts on a monthly basis to provide for maintenance and repairs to equipment for both the nursing home and the apartments. Any charges of this nature will be properly offset against said provision.

(6) The nursing home raised its rates on certain semiprivate rooms as of January 1, 1973. Based upon projected data developed at the time, the price increase was properly cost justified, and the increase was less than 2.5% of aggregate annual revenue.
