Resolution No. 1

WHEREAS, the Council Road Baptist Church of Bethany, the professional staff, support staff, other employees, and members have graciously provided their beautiful facilities for the eighty-first annual session of the Baptist General Convention of Oklahoma,

BE IT RESOLVED, that we, the messengers and guests of this annual session express our sincere appreciation for countless hours of diligent preparation for and during this convention,

BE IT FURTHER RESOLVED, that we commend the Council Road membership and staff for hosting our convention in such a professional and most gracious manner.

The resolution was approved.

Resolution No. 2

WHEREAS, God has greatly used Dr. Joe L. Ingram as our executive director-treasurer over the past fifteen years, and,

WHEREAS, Dr. Ingram has so lovingly and freely given of himself to Oklahoma Baptists with no regard for his own self interests, and,

WHEREAS, Dr. Ingram has been an inspiration and example of the Spirit of Christ to us all,

BE IT RESOLVED, that we give thanks to God for his faithful ministry and pledge our continued prayers and supportive love in his new endeavors.

The resolution was approved.

Resolution No. 3

WHEREAS God has sent Dr. William G. Tanner to serve as executive director-treasurer of the Baptist General Convention of Oklahoma,

BE IT RESOLVED, that we, the messengers to the eighty-first annual session of Oklahoma Baptists, offer our undivided support, prayers, and love as we seek to serve the Lord together and reach the people of Oklahoma for Christ.

The resolution was approved.

Resolution No. 4

WHEREAS, even though the Oklahoma Supreme Court ruled that the lottery law being petitioned was unconstitutional, it is the belief of most citizens of Oklahoma that forces which favor a state-run lottery probably will make another effort to pass such a law in the near future.

THEREFORE, BE IT RESOLVED, that Oklahoma Baptists reiterate their opposition to lottery in any form.

BE IT ALSO RESOLVED, that Oklahoma Baptists stay constantly alert to any new efforts of forces in Oklahoma to impose upon the citizens of Oklahoma the ethically wrong and disastrously destructive evil of a lottery, and,

BE IT FURTHER RESOLVED, that each pastor and each church be urged to take every opportunity and make every effort to continually educate their congregations, as well as the communities where they serve, concerning the moral wrong and devastating results of a lottery in any form and especially of a state-run lottery.

The resolution was approved.

Resolution No. 5

WHEREAS, man was created to be a reflection of God's dignity, and,

WHEREAS, pornography distorts that God-designed reflection, and,

WHEREAS, pornography degrades the God ordained relationship

between a man and a woman within the confines of marriage, and,

WHEREAS, the evidence is increasing to prove that a direct connection exists between the distribution of pornography and the incidents of abuse aimed at both children and adults, and,

WHEREAS, the laws of the State of Oklahoma require communities to establish standards of decency before legal action can be taken against the distributors of pornography,

BE IT RESOLVED, that we are opposed to pornography in any form; that we emphasize the dignity of the marriage relationship and respect the privacy of the physical union of a married couple; that we encourage the wholesome and godly development of children and believe they have a right to grow to maturity without being violated either physically or emotionally;

BE IT FURTHER RESOLVED, that we encourage Christians in every community to become familiar with the process of establishing a standard of decency and to work to rid their community of pornography.

The resolution was adopted.

Report of the Board of Directors Baptist General Convention of Oklahoma

Article V of the Convention's Constitution states that "all boards, trustees and standing committees . . . shall make annual detailed reports of all transactions fully covering all work committed to them by this convention."

As the convention closes each year a motion is made to authorize the Board of Directors of the Baptist General Convention of Oklahoma to transact any unfinished or new business necessary to the work of the convention; and that the president and recording secretary be authorized to sign legal papers of the convention which require signatures.

Since the convention last met the Board of Directors has had the following meetings: November 21, 1985, March 27, May 5, May 13 and September 30, 1986. The March 27 and May 5 meetings were special called meetings. This is a report of all transactions since the convention last met.

The organization chart of the convention divides the work into four areas of responsibility: administrative, business management, planning and promotion, and special care ministries. The Executive Committee

The Executive Committee, according to the Bylaws, performs only such duties as may be referred to it for action from time to time by the board of directors. This committee is made up of the convention president, the executive director-treasurer, recording secretary and the chairmen of the four board committees. The chairmen of the committees this year were Tom Shaw, Forrest Jackson, Richard Hopper and Robert Hammons. There were not any referrals to the committee this year.

Election of Search Committee

At the 1985 annual meeting, Dr. Joe L. Ingram announced his plans to step aside from his responsibilities as executive director-treasurer effective June 30, 1986. At the November 21 meeting of the board, President Estep announced that the Search Committee was to be elected. Two members of the board had reported they could not attend and had asked for the privilege of voting. One sent his selection by letter, the other by phone. The board voted to restrict voting only to those members present.

The president read from the Bylaws Article III, Section 4 the procedures to be followed in the event the office of executive director-treasurer becomes vacant. Warren Hultgren, First Church, Tulsa; Brad Allen, First Church, Duncan; Joe Hubb Collier, Texoma Southern Church, Kingston; Robert Hammons, First Church, Seminole; Richard Hopper, First Church, Ardmore; Rod Masteller, Putnam City Church, Oklahoma City; and Keith Wiginton, First Church, Altus were elected by secret ballot to serve as the Search Committee. By constitutional provision, the person receiving the largest number of votes serves as chairman. Dr. Hultgren served in that position.

Report of Search Committee

A special called meeting of the board was held on May 5 to hear the report of the Search Committee. Chairman Hultgren reviewed the process by which the committee worked. Twenty-one persons were recommended. The committee carefully considered each candidate and determined to interview 12 of the men. He expressed appreciation to the group that as far as he knew no one tried to exercise undue influence on the committee.

The committee was unanimous in their decision to nominate Dr. William G. Tanner, as executive director-treasurer effective July 1, 1986.

Prior to the vote of the board, members of the committee spoke briefly on various aspects of Dr. Tanner's life and ministry. The presentations were as follows:

Richard Hopper—biographical information
 Brad Allen—knowledge of Oklahoma and Oklahomans
 Robert Hammons—spirituality, integrity and compatibility
 Joe Hubb Collier—preacher and personal faith
 Keith Wiginton—unifying spirit at Oklahoma Baptist University
 and Home Mission Board—getting along with people
 Rod Masteller—administration and image builder
 Wendell Estep—general remarks and impressions
 Warren Hultgren—summary statement

Dr. Tanner was asked to express his feelings, desires, aims and dreams for Oklahoma Baptists. He stated that he would seek to lead Oklahoma Baptists to evangelize, congregationalize (organize churches) and to minister in love.

By standing, the vote was affirmative for Dr. Tanner to become executive director-treasurer of the Baptist General Convention of Oklahoma on July 1, 1986. There was one negative vote and one abstention. The person casting the negative vote made a motion to make the vote unanimous and it carried.

Dr. Ingram commended the board on their decision and pledged his support to his successor, Dr. Tanner.

Business Management Committee

The responsibility of the Business Management Committee is the Accounting Office, all insurance, Baptist Building management, and management of all properties other than Falls Creek, Camp Hudgens and Nunny-Cha-ha. The chairman was Forrest Jackson.

December Report—

The December meeting was primarily for orientation. Accounting procedures, and insurance and property management were discussed. The committee concurred with the plans to transfer the convention's workmen's compensation insurance to Baptist Health Care Corporation's Support Services Division.

May Report and Recommendations—

1. **Convention Audit Approved**—The committee reviewed the audits of the convention and recommended approval to the board. The board approved and asked that the audit be printed in the 1985 State Convention Annual for distribution to all churches.

2. **1986 Auditor**—Englebach, Roberts and Company, Certified Public Accountants, were approved as auditors for the Baptist General Convention of Oklahoma for 1986.

3. **Financing for Remodeling of Former Book Store Area**—In April the Baptist Book Store vacated the area they had leased in the Baptist Building. Because of very crowded conditions in the Baptist Foundation office, they will relocate in the area formerly used by the book store. There will have to be extensive remodeling. In order to finance the remodeling expense, the board authorized the convention to borrow up

to \$250,000 from the Baptist Foundation to be used for remodeling, renovation, and refurnishing of the office space for the Foundation. Interest rate will be the same as charged to churches for church building loans with the principal to be repaid in equal installments over a period of 15 years. Instead of making monthly payments, the Foundation will credit the Convention for the payments in lieu of monthly rental payments for the use of the space. After the note is repaid, the Foundation will resume customary rental payments to the Convention for the space.

Planning and Promotion

This committee gives counsel in stewardship and Cooperative Program promotion, church administration, associational services, disaster relief, video/media and also to the church program departments. Richard Hopper served as chairman.

November Report—

The first meeting of the year was mainly for orientation. The chairman appointed Don Reed, chairman; Jerry Walker and Keith Russell to serve as the Disaster Relief Sub-Committee.

May Report and Recommendation—

A recommendation was made to the board that the Falls Creek policy concerning Sunday closing be amended to grant permission to any church to have a building dedication on Sunday afternoon, if requested. The recommendation was amended that this be done on a six months basis. After it is evaluated, a report will be brought back to the board.

September Report—

Chaney Introduced—Ed Chaney was introduced to the Board as the newly employed associate director in the Department of Evangelism.

Special Care Ministries Committee

Robert Hammons gave direction to the committee that advises in the child care and adult care ministries. Children's homes are operated at Oklahoma City, Owasso, Madill, Ada, Duncan, Clinton, McAlester, Mooreland and Boys Ranch Town near Edmond. There are many other areas of work in the child care ministries among which are foster homes, alternatives to abortion, unwed mother program, and adoption. Adult care ministries include the operation of retirement centers at Oklahoma City, Owasso, Hugo, and villages at Ada, Madill, Cleveland and Okmulgee.

November Report and Recommendations—

2. **Rayola Baptist Community at Owasso**—The children's home and retirement centers at Owasso are located on land given by Mr. & Mrs. J. Ray Smith. It was announced that the two institutions will be called Rayola Baptist Community.

3. Personnel Changes Made Known—Robert Griffin was transferred from the Madill village to be administrator of the nursing home at Owasso. Chris Walker moved from Boys Ranch Town as a staff member to become administrator of the children's home and village at Madill.

4. Baptist Members of BMC Board Approved—The Transfer Agreement with Baptist Medical Center states that 60 percent of the members of their Board of Directors are to be active members of a local Southern Baptist church and are to be approved by the Convention's Board of Directors. May Report and Recommendation—

1. Lackey Manor Expansion Approved—The board authorized the Oklahoma City Baptist Laymen's Corporation to expand Lackey Manor Nursing Home by constructing a 68-bed skilled nursing facility at a total cost of approximately \$1,700,000. The Laymen's Corporation will enter into a fund-raising campaign for a minimum of \$500,000 and the balance will be financed by tax-exempt bonds to be repaid from operating revenue. The skilled nursing facility will entitle Medicare patients to be admitted.

2. Remodeling Authorized for Lackey Manor—The Oklahoma City Laymen's Corporation was also authorized to borrow up to \$163,950 from the Baptist Foundation at the same interest charged to churches for church building loans for remodeling Lackey Manor Nursing Home. The loan will be repaid from operating revenues over a 15-year period.

Lackey Manor has not been extensively remodeled for approximately 21 years.

3. Auditors for Hugo and Oklahoma City Centers—Englebach, Roberts and Company, Certified Public Accountants, were approved as auditors for Oklahoma City and Hugo Baptist Retirement Centers. Accounting for the other centers and villages is done in the convention's accounting office.

4. Okmulgee Village Transferred to Convention—First Baptist Church, Okmulgee, originally requested that the convention build and operate a Baptist village in Okmulgee. Since the convention was in the process of building Baptist villages at Ada, Madill and Cleveland, the board asked Baptist Health Care Corporation to build and operate the Okmulgee facility. The church deeded the property to Baptist Health Care Corporation.

Three villages (Cordell, Miami, and Grove) operated by Baptist Health Care Corporation are located in towns where Baptist Health Care hospitals are located and administration of the villages is done by the administrators of the hospitals. Since the Special Care Ministries Office was created last year, it was felt that the convention would be the proper entity to operate the Okmulgee village since it was not near a hospital operated by Baptist Health Care Corporation. The following transfer agreement was approved by the board:

Resolution

WHEREAS, Baptist Health Care Corporation (Health Care) has acquired a certain tract of land at the outskirts of the City of Okmulgee, Oklahoma, upon which it has caused to be constructed a retirement center consisting of 52 apartment units, and 3 duplexes, known as the Okmulgee Baptist Village (Village); and

WHEREAS, in order to obtain necessary funds for its construction and to defray initial operating costs for the Village, Health Care has borrowed certain monies in the aggregate amount of \$1,800,000, and has advanced from its own operating reserves the sum of \$50,355; and

WHEREAS, both Health Care and the Convention recognize that the ministry which is being performed through the daily operation and management of the village is a proper and integral part of the Adult Care Ministry presently conducted by the Convention; and since the initial construction of the Village is now completed, and the facility is in full operation, Health Care is willing to convey said land and improvements to the Convention, provided the Convention assumes and agrees to pay the unpaid balance of all debts secured by mortgages and other liens against said real estate, and provided the Convention accepts legal and financial responsibility for the future operations of the Village;

NOW, THEREFORE, BE IT RESOLVED that the Baptist General Convention of the State of Oklahoma, acting by and through its Board of Directors, hereby authorizes its officers to accept delivery of a warranty deed from Baptist Health Care Corporation when said deed is tendered, conveying the land and improvements comprising the

Okmulgee Baptist Village, subject to existing easements, zoning regulations, restrictive covenants and more particularly described as follows:

A tract of land in the W/2 of the NE/4 of the NW/4 of Section 12, Township 13 North, Range 12 East of the Indian Meridian, OKMULGEE COUNTY, STATE OF OKLAHOMA, more particularly described as follows:

Beginning at a point 200 feet south of the Northeast corner of said W/2 of NE/4 of NW/4 of said Section 12; thence West 660 feet; thence South 550 feet; thence East 660 feet; thence North 550 feet to the point of beginning.

BE IT FURTHER RESOLVED, that by acceptance of said deed the Convention thereby assumes and agrees to pay the unpaid balances of all debts secured by mortgages and liens against said real estate, which debts are in the original aggregate principal amount of \$1,800,000, namely;

Promissory Note signed by Baptist Health Care Corporation, dated December 30, 1983, payable to THE OKLAHOMA DEVELOPMENT AUTHORITY in the principal amount of \$1,500,000, which note represents Baptist Health Care Corporation's initial borrowing under a financing arrangement whereby said Authority issued its First Mortgage Revenue Note, Baptist Health Care Corporation Okmulgee Retirement Village Project, Series 1983, which note was purchased by Fidelity Bank, N.A., Oklahoma City, Oklahoma (now Bank of Oklahoma, Oklahoma City, N.A.) in a private placement transaction;

A second Promissory Note signed by Baptist Health Care Corporation, dated November 7, 1984, payable to OKMULGEE COUNTY HOUSING FINANCE AUTHORITY, Okmulgee, Oklahoma, in the principal amount of \$300,000, which note represents an additional borrowing by the Baptist Health Care Corporation to complete the project. The funds for this subsequent loan to Baptist Health Care Corporation were obtained by said Authority through its borrowing from Bank of Oklahoma, Oklahoma City, N. A.

and to indemnify and hold harmless the Baptist Health Care Corporation from any loss, cost, or expense by reason of the aforesaid mortgage.

September Report and Recommendations—

1. **Vote by Mail Ratified**—In July the board was polled by mail regarding a "pilot" program to minister to elderly Baptists on a limited income through the Southern Oklahoma Baptist Village at Madill. There were 53 affirmative votes, one no vote, two abstentions, and 10 who did not return their ballots. The board ratified the action in September. An explanation of the program follows:

This program has been designed to provide quality housing for retired adults on limited income in Oklahoma. An effort has been made so that NO INDIVIDUAL OR ADULT COUPLE IN RETIREMENT IS REFUSED ADMISSION BECAUSE OF INABILITY TO PAY. The outline is:

1. A graduated scale of payments:

- 1) Anyone with income under \$300 monthly will pay only 20 percent of total income for rent at this facility.
- 2) With income up to \$400—Pay only 25 percent of total income for rent.
- 3) With income up to \$500—Pay only 30 percent of total income for rent.

NOTE: No individual or couple will be asked to pay more than \$325 monthly for rent. Utilities will be the responsibility of all residents.

2. Allowances will be made for excessive medical and drug bills.
3. The Director of Adult Care Ministry will make the final decision regarding these policies.
4. When there is a change in income, rent will be adjusted.
5. This is a pilot program to be reviewed after one year.

2. **Construction of Activities Center at Madill Authorized**—The Board voted for an activities center to be built at Southern Oklahoma Children's Home at Madill as soon as funds are available. The Noble Foundation pledged \$100,000 and gifts of over \$250,000 were raised through Special Care Ministries.

Administrative Committee

Tom Shaw served as chairman of the Administrative Committee which has the assignment of work related to personnel, budget, annuity, ministerial services, **Baptist Messenger** and Baptist student work.

November Report and Recommendation—

Foster Elected for Unexpired Term—Rick Edwards moved from Claremore to Okemah and according to the convention's bylaws, a board member is considered resigned if he moves from the associational area from which he was elected. Weldon Foster was elected to complete the unexpired term of Rick Edwards.

March Report and Recommendation—

Bristow Approved as Director of Evangelism—In a special called meeting of the board, William H. Cook was recognized as chairman of the Search Committee for director of evangelism. The Search Committee through the Administrative Committee recommended to the board that Wayne Bristow, from the Foreign Mission Board, be employed as director of evangelism. The board gave unanimous approval.

May Report and Recommendations—

1. **Convention to Give Annuity Assistance**—The Church Annuity Plan that will become effective January 1, 1988 calls for the convention annually to contribute \$420 for each person whose church and/or pastor contributes the minimum of \$1,260. In order for persons who have low salaries (such as bi-vocational pastors) not to be penalized, the board approved a plan whereby if the church pays 15 percent of the person's annual salary into the Church Annuity Plan, the convention will contribute \$420.

2. **Convention Employees to be in New Annuity Plan**—The board

gave further approval to all convention employees' participation in the new Annuity Plan if they work at least 1,000 hours a year, unless otherwise excluded. This is to be effective January 1, 1988.

3. Amended and Restated Supplement to Convention Annuity Plan Approved—The board approved an amended and restated supplement to the Convention Annuity Plan. The basic change in the document was to specifically name those to be enrolled in the plan. This added clarification to previous plans.

September Report and Recommendations—

1. Baptist Messenger Subscription Rate Increased—Authority was given for the Baptist Messenger subscription rate to be increased from \$3.50 to \$4.00 per year for the church budget plan and from \$4.00 to \$4.50 for individual subscriptions. The increase is to become effective January 1, 1987.

2. Use of Endowment Funds Approved—The board voted that the action taken May 14, 1985 relative to the "use of endowment income," be extended three years. The newly approved recommendation reads as follows: "That all endowment earnings produced by the Baptist Foundation of Oklahoma for Convention departments, unless otherwise restricted, be applied to the 1987, 1988, and 1989 budgets for those endowed departments."

Background

The following motion was approved by the Board of Directors, May 14, 1985.

"The economic recession in Oklahoma continues, and an assessment by business and governmental leaders indicates that the Oklahoma economy will continue to be slow on into 1986. Although the churches are continuing to give faithfully, it appears that we will have a basic budget shortfall for 1985. We have already instituted cost saving procedures in order to underspend the 1985 basic budget. As an additional safeguard, we **recommend** that all endowment earnings produced by the Baptist Foundation of Oklahoma for Convention departments, unless otherwise restricted, be applied to the 1985 and 1986 budgets for those endowed departments."

Oklahoma Baptist churches continue to give faithfully during 1986. Likewise, the Convention departments and agencies continue to underspend the 1986 budget. However, since the economic picture in Oklahoma has not improved during 1985 and 1986, it would be wise to extend the May 14, 1985, recommendation.

Recommendations

1. That the Cooperative Program objective for 1987 be \$17,746,300; to be distributed as follows: 50 percent Southern Baptist convention and 50 percent State, with the 50 percent to Southern Baptist Convention to be distributed on a weekly basis. Of the 50 percent State, Oklahoma Baptist University will receive 26.8 percent, the Baptist Foundation 3.8 percent, and the remaining departments and agencies will receive 69.4 percent. All Cooperative Program receipts will be distributed on the same

percentage basis. This process will enable the Executive Director-Treasurer to keep Cooperative Program expenditures in line with the Cooperative Program income.

2. That the 1987 Cooperative Program be distributed as outlined:

Oklahoma Baptist University

Bob R. Agee, President

During a period when many institutions across Oklahoma were retreating in the face of difficult economic times, Oklahoma Baptist University was moving ahead boldly to fulfill the mission with which it was entrusted by its founders 76 years ago—to provide Oklahoma Baptists with a quality institution of Christian higher education.

God's blessings were evident in every area of the University in 1985-86 as students, faculty, administration, alumni and friends underscored their commitment through involvement.

The University gained nationwide attention in November when *U.S. News and World Report* magazine listed OBU as one of the top 15 smaller comprehensive institutions in a 16-state region. The magazine's listing of America's top colleges and universities was the result of a poll of 1,318 college presidents. The presidents were asked to rate institutions based on strength of curriculum, quality of teaching, relationship between faculty and students and atmosphere for learning.

For the fourth consecutive fall semester, OBU experienced a growth enrollment. In 1985 enrollment grew to a total of 1,604, an increase of one percent. The total included approximately 150 enrolled in OBU's Ministry Training Institutes. The student body was equally split between the sexes with 802 men and 802 women. Seventy-five percent of OBU's students last fall came from 71 of Oklahoma's 77 counties. A total of 41 states and 23 foreign countries were represented in the student population.

The commitment of OBU alumni and supporters was evidenced in the miraculous success of the Vision for Excellence Capital Campaign. A record \$2,813,292 in contributions was received by the University during the 1985-86 fiscal year, pushing the Vision for Excellence total to \$11.9 million. The campaign was launched in January of 1983 with a base goal of \$6 million, a challenge goal of \$10.25 million and a victory goal of \$12 million. The campaign's conclusion is scheduled for December 1986. Funds from the campaign are being used for construction, renovation and endowment projects.

The campaign's first priority, the \$2.9 million W. P. Wood Science Building, was opened to faculty and students in January and was

dedicated on April 22. The facility is one of the finest of its kind in the Southwest and includes classrooms and laboratories for chemistry, biology and physics, as well as a science museum and planetarium.

Another campaign priority, the \$1.2 million Sarkeys Telecommunication Center, was also completed. The center houses a television studio and production suites for video programming and a black box theater. Classrooms, offices and other support facilities for the telecommunication program are also included in the complex.

Three new vice-presidents and one dean were appointed during 1985-86. John W. Parrish, former assistant vice-president for development and alumni director, was promoted to vice-president for institutional advancement in January. Dr. Pat Taylor, former associate vice-president for academic affairs at Union University, was named vice-president for academic affairs. He replaced former vice-president Dr. Shirley Jones, who returned to full-time teaching in the University's division of language and literature. Dr. Merl Jennings, former associate dean of students and director of the Career Planning Center, was promoted to vice-president for student development. He replaced Donald G. Osborn, who was named special assistant to the president for institutional research. Dr. Paul Hammon, former chairman of the church music department at Ouachita Baptist University, succeeded Dr. James D. Woodward as dean of the Warren M. Angell College of Fine Arts. Dr. Woodward was named OBU artist-in-residence in May.

New faculty include: Dr. Montie A. Campbell, associate professor of psychology; Barry Cavin, assistant professor of communication arts (theater) and director of theater; Dr. Yuan-Liang Albert Chen, assistant professor in physics and mathematics; Dr. Katherine Dawkins Hale, assistant professor of communication arts (speech); and Jeff David Potter, assistant professor of health, physical education and recreation, and track and cross country coach. Others are: Cynthia S. Schneider, assistant professor of nursing; Dr. Frank John Smist Jr., assistant professor of political science; Judith Couch Taylor, assistant professor of education; Margaret Tyner, assistant professor of communication arts (communications); Dr. Carolyn L. Tyree, assistant professor of education; and John Clay Willis, assistant professor of business.

New administrative staff members include: LeAnna Crow, WMU Dormitory director; Beth Davis, admissions counselor; Michael K. Edge, admissions counselor; R. Tom Evans, television production assistant; Stephen P. Holman, staff photographer/sports information director; Leanne Lewis, newswriter; C. Mark Smith, director of alumni and annual giving; and Steven J. Thomas, regional development director.

The OBU campus was vibrant with spiritual health in 1985-86. The year saw one of OBU's greatest campus revivals led by Wendell Estep, former pastor of council Road Baptist Church in Bethany and former president of the BGCO. A tone was set that still prevails.

Christian Focus Week in January explored the topic, *Getting Ready for Harvest*. Speakers such as Dr. Dean Finley, national evangelism consultant for the Home Mission Board, and Rod Masteller, pastor

of Putnam City Church in Oklahoma City, led students through an emphasis on evangelism.

The spiritual highlight of the year, however, was the Home Mission Experience. OBU was selected as one of five Baptist college campuses to host this program. Fifteen home missionaries spent most of a week with students in worship services, classes, seminars and private conferences—all aimed at heightening missions awareness and encouraging individuals in either full- or part-time missionary work. Almost 100 students made commitments and the conference led more students than ever to pursue short-term missions possibilities.

More than 85 students demonstrated their commitment to missions during the summer of 1986 by volunteering for a variety of missions opportunities ranging from serving as BSU summer missionaries to short-term assignments across the country and around the world. Numerous other students participated in revival teams, discipleship training and Ministerial Practical Experience Days in 1985-86.

As OBU's 75th Anniversary celebration drew to a close in the fall, several distinguished alumni and former presidents returned to campus to speak in chapel. In October, former OBU President Dr. Grady C. Cothen presented the 11th Hobbs Lecture and former president Dr. William G. Tanner spoke in chapel. Other guest speakers included Dr. William Hendricks, professor of Christian ethics at Southern Baptist Theological Seminary and Dr. J. J. Owens, retired John R. Sampey Professor of Old Testament at Southern Seminary. In conjunction with 75th Anniversary activities, OBU sponsored BGCO Appreciation Day to express gratitude to Oklahoma Baptists for their longtime support of the University.

In the spring, Dr. Bill J. Leonard, associate professor of church history at Southern Seminary, presented the 12th Hobbs Lecture.

In an effort to educate students on the issue of world hunger, the Kerr Leadership Development Program featured a host of nationally known authors and speakers who addressed the implications and issues related to the global problem. The weeklong symposium took place in February.

Other lecturers featured on the OBU campus in the spring included former Oklahoma Gov. Raymond Gary, who presented the Thomas Harlan Henry Lecture in Oklahoma Heritage.

In May, OBU demonstrated its appreciation and respect for a man whose commitment to Christian higher education in Oklahoma has left a permanent mark on the University. Trustees voted to name the School of Christian Service in honor of Joe L. Ingram, former BGCO Executive Director-Treasurer. The announcement was made at Dr. Ingram's retirement dinner on May 13.

The University demonstrated its commitment to fiscal responsibility in 1985-86 by operating in the black for the 11th consecutive year. The board of trustees at its spring 1986 meeting approved a 1986-87 budget of \$11.3 million.

The past year presented many challenges for OBU, but we not only met those challenges, we forged ahead and continued our path of commitment to being all that God and Oklahoma Baptists want us to be.

Religious Education

Bill C. Haggard, Director

1984-85 marked the final year of "8.5 by '85." The Department of Religious Education has seen significant achievement in every area of work in the churches of Oklahoma. With the conclusion of this emphasis, next year (1985-86) we will continue our forward march under the theme, "Challenge 10/90," a goal to reach a total Sunday School enrollment of 10 million by 1990. During this time, we will continue an emphasis on "Developing Believers" in Church Training. The thrust of the Church Training emphasis will include strengthening the churches through doctrine and discipleship.

Personnel

Robert Audd, who had served as director of Church Training work, retired after nine and one-half years of effective service in the department. A minor reorganization in the department, with the department director serving as director of both Sunday School and Church Training permitted the hiring of Joe Sherrer as director of general administration work in Sunday School and Church Training, and associate department director.

The rest of the field staff includes: Billy Allen, director of adult work and associational projects, and associate department director; David Fuller, director of youth work, Vacation Bible School work, and church recreation; and Darlene Koch, director of childhood education, special education, and children's weekday education.

Secretaries in the department include Joan Eischen, secretary to Haggard; Sybil Cox, secretary to Sherrer, Donas Cook, secretary to Allen; Lou Rodriquez, secretary to Fuller, and Olive Hays, secretary to Koch.

Statistics

Sunday School enrollment continues to show significant gains. For the 14th consecutive year enrollment for the state showed an increase, with a total of 389,607, an increase of 6,572 over the previous year. Fourteen associations reported "all time," record breaking enrollments. Enrollment for the entire Southern Baptist Convention reached 7,960,796. Although this was below the goal of 8.5 million, we praise God for the 600,000 new members who were reached.

Vacation Bible School enrollment for 1985 was 142,546, representing an increase of 1,962 over the previous year. Out of the 30,000 prospects discovered through Vacation Bible School the previous year, only 5,553 received "follow-up." Of this number, 1,158 were enrolled in Sunday School, and 381 of this number have been saved. This vast potential represents one of the greatest opportunities we have. Pastors and

church leaders are challenged to reap the harvest of Vacation Bible School.

A net loss of 2,112 in Church Training enrollment resulted in total enrollment of 95,247. Efforts to improve a record system continues in local churches. Oklahoma will continue to align itself with strategies that produce growth and development of believers. Task assignments in Church Training will strengthen the program of doctrinally sound believers and maturing of new church members. **Developing Believers** continues to be the over-arching theme for 1985-1990.

Projects and Emphases

"Glorieta in Oklahoma" was conducted at the First Church, Ada, with almost 1,200 registrants and at the First Church, Muskogee with over 1,500 registrants.

Sunday School Leadership Seminars (2) were conducted in September at Falls Creek with 645 registrants. Four area Growth Spiral Conferences were attended by approximately 800 workers and pastors.

Working through the association continues to be one of the vital links through which Sunday School workers are trained, using the ASSISTeam. This past year the 41 associations in Oklahoma had 323 ASSISTeam members which represented 82.5 percent of the associations with total teams. Six associations conducted associational training schools, jointly sponsored by the Department of Religious Education. There were 1,624 leaders who attended these schools. Three associations conducted Enrollment/Enlargement Campaigns, discovering 3,174 prospects on 33 church fields.

The Church Training theme is emphasized through five strategies, namely: **Training Church Members, Train New Church Members, Provide In-depth Discipleship Training, Teach Baptist Doctrine, and Train Church Leaders.** Projects to support these strategies are: Dynamic Doctrines, Sovereignty and Stewardship, Prime Time Pastor's Seminary, New Christian Encourager Plan, MasterLife, DiscipleYouth, Baptist Doctrine Study, LEADtime and LIFE: Lay Institute for Equipping.

In the year 1985, Church Training programs and events included: Associational "M" Night being observed by 28 associations with 4,846 attendance. Doctrinal Clinics in Muskogee and Clinton, January 14 and 15 enrolled 71 church leaders from 12 associations. A Family Ministry Blitz, Tulsa and Oklahoma City, April 8 and 9 involved 32 couples.

During February and March, 10 associations held Church Training Growth Workshops with 245 participants from 84 churches.

The State Youth/Children's Bible Drills, March 30 attracted 113 individuals from 20 associations and 38 churches. Speakers' Tournament had 18 representatives. Bold Growth in Discipleship Team Training attracted 74 leaders, March 14 in Oklahoma City.

The MasterLife Workshop at Falls Creek, October 14-18 enrolled 39 church leaders. State Church Training Area Meetings, October 29-November 2 in Vinita, Atoka, Woodward and Lawton involved 142 workers. The Church Training Leadership Seminar, September 27-28 had 84 participants.

Baptist Student Union

Bob Lee, Director

Baptist Student Union experienced another good year across our state. Student involvement in the various ministries continued to grow and support by churches and associations also increased.

Nearly 800 students came to know the Lord as a result of evangelistic efforts sponsored by the various BSU programs. Several hundred students were involved in witness training projects. Over 500 Bible study groups met each week with about 5,000 students participating. These studies were led by either BSU Directors or trained students and took place in Baptist Student Centers, dormitory rooms, apartment complexes, sorority or fraternity houses and/or other campus facilities.

Seventy-one students served as summer missionaries in Oklahoma and many other states as well as Mexico and the Philippines. Almost \$120,000 was raised by the Oklahoma BSU students to fund this mission program. Approximately \$50,000 helped support BSU programs on 21 different campuses in new convention areas where BSU work is just getting started. In addition, six Oklahoma BSU'ers who have graduated from college served as Mission Service Corp volunteers starting new BSU programs and assisting local churches in Oregon and Washington. Nearly 1,000 students participated in various short-term mission projects during the year as well.

The Student Department experienced changes in positions and personnel. Five new Associate BSU Directors were employed: Janay Moody at Panhandle State, Phil Green and Paula Robertson at Oklahoma State University, Dave McKinney at Central State University and Jay Kindsvater at OSU Technical Branch, Okmulgee. Chris Snowden was employed as the new BSU Director at Murray State at Tishomingo. Tom Greenfield has moved from Murray State to USAO in Chickasha.

Building on the philosophy of student work suggested by the National Student Ministries, Oklahoma BSU has chosen four areas of

primary ministry: evangelism, missions, Bible Study and discipleship. These four areas represent the Oklahoma BSU commitment to quality in ministry to students on our state college and university campuses.

Historical Commission

J. M. Gaskin, Director

In essence, the Historical Commission is an agency of the convention. It is committed to a three-fold stated purpose: Collection, preservation, and utilization of Baptist history in general and Oklahoma Baptist history in particular. H. Alton Webb has been chairman this year. Two meetings were held. The first was April 8, at OBU, and the second was September 5, at the Baptist Building. Major items of business transacted included the following:

Ingram Resolution

In its April 8, 1986 meeting at OBU, the Commission approved the following resolution:

That the Historical Commission express its appreciation to Joe L. Ingram for his generous support to our work during the 15 years he has been the convention's executive secretary (director). Dr. Ingram has evidenced his support to our work in many ways. He led the convention to designate \$25,000 to help provide space, as an exclusive area for the Oklahoma Baptist Collection, when the Mabee Learning Center (library) was under construction in 1975-76. Later, he led the convention to provide about \$6,000 in additional money for expansion of our area, and later he was responsible for a \$4,000 supplement to OBU when the University elected to provide space for its own archives apart from the Baptist Collection. This means he has been responsible for about \$35,000 in financial support toward providing archival space for the preservation of materials.

The Commission expressed its appreciation to Dr. Ingram for his diligence in attending meetings; indicating his support to our work at every opportunity, especially at the annual meetings of the Society. His leadership in planning budgets to provide for the work of the Commission and Historical Society have been noteworthy.

In expressing appreciation to Dr. Ingram, the Historical Commission is delighted to take note of the fact that his successor, Dr. William G. Tanner, has already exhibited an enthusiastic spirit of support toward continuing the work thus far begun.

Director of History

In 1976, J. M. Gaskin became Director of History for the convention. His work began with a simple set of guidelines approved by Joe L. Ingram and Wm. G. Tanner, who at that time was president of OBU. The work has grown. A more definitive job description became a more apparent need with the passing of the years. The Commission on April 8, 1986, approved the following item which was submitted by Joe L. Ingram and J. M. Gaskin:

Job Description and Working Relationships
Director of History
Baptist General Convention of Oklahoma

1. The Director of History shall be elected for indefinite tenure by the Historical Commission of the Baptist General Convention of Oklahoma upon the recommendation of the convention's Executive Director-Treasurer.

2. He shall be reportable to the Executive Director-Treasurer of the Convention.

3. The Director shall make periodic summary reports of his work to the Historical Commission.

4. He shall submit comprehensive reports to the state convention in the Convention's annual **Book of Reports**.

5. He shall act as Director of the Oklahoma Baptist Collection, presently at OBU, which has been, now is, and shall be in perpetuity the property of the Baptist General Convention of Oklahoma. This statement of ownership stems from the investment of about \$35,000 during and since construction of the Mabee Learning Center at OBU to provide and equip space for the Oklahoma Baptist Collection, as defined by Joe L. Ingram under the sole administration of the state convention through its Historical Commission of officers.

6. The Director shall direct the Oral History Project of the convention.

7. A variety of duties shall be assigned to the Director of History such as: Oral History Interviews, Oral History Workshops, History Writing Workshops, local/regional workshops in the collection, preservation, and utilization of Oklahoma Baptist history—these workshops at all levels shall come by invitation; he shall work with churches, pastors, directors of missions, institutions of the Convention; and even non-Baptist groups in "how-to" sessions on the implementation of history programs as time and schedule may permit.

8. He shall continue his efforts to locate and retrieve for the Oklahoma Baptist Collection such materials as may have lasting value for research purposes.

9. The Director is hereby instructed not to return items given by donors upon the request of heirs without authorization from the Commission. Each case of this nature should have careful consideration and be decided on its own merits.

10. The Director shall respond to research requests by mail or telephone as time permits. This does not apply to genealogy.

11. Working with church/associational committees in planning anniversaries, writing histories, and filling speaking engagements shall be an ongoing part of the Director's responsibilities.

12. The Director shall be bound to extreme caution in guarding all materials in the Oklahoma Baptist Collection and loans by mail should be viewed with even more caution and reluctance.

13. The Director should not accept items for the Collection on loan. Gifts should be accepted with discretion as to lasting value due to limitations of space.

14. Heirs of a donor may reclaim a donor's materials when the

materials have not been kept in conformity to the terms of the donor's will or gift agreement. Even then, such materials may be returned by the Director only upon the official authorization of the Historical Commission.

15. It shall be the duty of the Historical Commission to make a periodic review of the Oklahoma Baptist Collection in cooperation with the Director of History; monitor special collections; and review on-the-scene performance of the Director.

16. If and when a special collection is not maintained intact, or otherwise preserved in the Oklahoma Baptist Collection in keeping with the terms of the donor's will or gift agreement, it shall become the duty of the Director of History to negotiate with the Commission and the Executive Director-Treasurer of the Convention, in a meeting or by mail, for heirs to reclaim all or part of a special collection. Once the terms of a will or gift agreement have been violated at any point, the Director shall be without authority to exercise unilateral control over said collection(s).

17. The Director shall be the editor of **The Oklahoma Baptist Chronicle** unless otherwise directed by the Historical Commission.

18. The Director shall prepare and direct the mailing to Historical Society members a **Circular Letter** two-four times per year for information/promotion purposes.

19. The Director shall make preparations for the Annual Meeting of the Historical Society—including dinner arrangements, assisting with program planning, setting up exhibits, and any other related details.

20. Some qualifications:

A. The Director should know Oklahoma history.

B. The Director must know Oklahoma Baptist history.

C. It is vitally important that the Director know and understand Oklahoma Baptists in the time frame of his work.

D. The Director should have a proven record of credentials—which may, in part, be academic; but, may in addition include writing, manifest interest and involvement in Baptist history collection, preservation, and utilization in general and Oklahoma Baptist history in particular.

21. The Director of History shall be responsible for attending all details incident to various Awards of the Historical Commission each year.

Handbook

The Director was authorized at the April meeting to prepare a comprehensive Historical Commission Handbook. This is to be a definitive piece on the history of the Commission and Society; the relationship between the two; the Job Description of the Director; details about the Oklahoma Baptist Collection, and other pertinent matters. This small booklet will be used for reference by new members of the Commission each year; Commission and Society officers; and others who have occasion to know about the specific details involved in the history program of Oklahoma Baptists.

Promotion Piece

In the same April meeting, the Director was instructed to prepare a brief, attractive promotion piece for general distribution. The main purpose of this information pamphlet will be promotional. It will be used to let Oklahoma Baptists know what services are available in helping meet their history needs.

Murrow Press

The historic printing press which was used by J. S. Murrow in the late 1800s is now on display in the Oklahoma Baptist Collection at OBU. Murrow used the press for a variety of purposes in his work with the Indians. Anson Justice wrote an excellent pamphlet on the history of the press. Copies are available without charge. Address requests to J. M. Gaskin, OBU, Shawnee, OK 74801.

Ingram Memoirs

The Commission invited Joe L. Ingram to write his memoirs for publication. He has consented to do that work. Ingram says he will need at least two years to complete the work.

Ingram Biography

J. M. Gaskin is now writing Joe Ingram's biography. This will be a popular type book and not a critical, in-depth work such as Ingram's memoirs will be. The biography will bear the title, **A Profile of Joe Ingram**. Release is expected by spring or summer of 1987. Bob Agee, president of OBU, has indicated a desire to use 500 copies of the book in his projected plans for further development of the Joe L. Ingram School of Christian Service.

The book will be about 250 pages in length. It will be indexed, documented, and there will be a bibliography. The Historical Commission has suggested a pre-publication price of \$10 per copy until July 1, 1987. After that, if there are any books remaining unsold, the proposed price will increase to \$12.50. Both prices include postage and handling.

Baptist Heritage Sermon Award

June of each year is designated Baptist Heritage Month. Slayden Yarbrough made a proposal to the Historical Commission that a Baptist Heritage Sermon Award be established. The suggestion has been approved.

Criteria for this project will be available upon request to J. M. Gaskin, at OBU, 74801, or 2231 Gershwin Dr., Durant, OK 74701.

June 30, of each year will be the deadline to submit manuscripts. The criteria call for messages in manuscript form with a focus on any theme directly related to Baptist history.

Operation Baptist Biography

In the 1950s, a crash program was waged by the Southern Baptist Historical Commission to acquire biographies. The program was conducted by states. Oklahoma participated and acquired about 400 returns.

In the September 5, 1986 meeting of the Oklahoma Baptist

Historical Commission, the Director was authorized to prepare a quantity of forms for a new campaign to acquire biographies of Oklahoma Baptists. The forms are available at the Historical Commission exhibit during this convention, and will be available upon request to any person—write J. M. Gaskin, 2231 Gershwine Dr., 74701, or at OBU, 74801. Any person, who has made meaningful contributions to Oklahoma Baptist life, is eligible to be included. Pastors, other staff members, evangelists, evangelistic singers, persons in Baptist education, lay leaders—even relatives of a deceased person such as a widow, parent, son or daughter, or other relative may acquire one of the forms, fill it out, and send it in for permanent keeping in the Oklahoma Baptist Collection.

Distinguished Service Award

The Commission has approved another suggestion from Slayden Yarbrough. A Distinguished Service Award will be offered to selected nominees for their contributions to Baptist history. The nomination or recommendation papers will be available on request. Send requests to J. M. Gaskin, OBU, Shawnee, OK 74801. A committee will evaluate the nominations and announce the recipient of the first award at the 1987 convention.

Recognition Certificate

Lem Ball, president of the Oklahoma Baptist Historical Society, has suggested that an appropriate certificate of recognition be awarded to churches which observe Baptist Heritage Day or have special Anniversary ceremonies. It will be necessary for churches to make formal request for these certificates. In addition to this certificate, a new supply of the anniversary certificates used in recent years has been printed. One goes to the church and the other to the oldest person having membership in the church. These, too, will be sent upon request.

Guidelines

H. Alton Webb, chairman of the Commission, has been authorized to appoint a special committee to draw up recommended guidelines for accessions, loans, gift agreements, requests to reclaim items from the Oklahoma Baptist Collection, and similar important matters incident to the ongoing operation of the Collection.

Recommendations:

The Commission recommends that the items in this report be approved by the convention. And,

That each church and association elect a historian each year. And,

That every church which publishes its history send at least two copies to the Oklahoma Baptist Collection at OBU, Shawnee, OK, 74801. And,

That more persons submit entries for the GASKIN CHURCH HISTORY AWARD. These entries are due October 1, of each year. An entry may be a manuscript or a book. It may concern a church, association, theological movement, a biography, or any other topic of the writer's choice. The only stipulation is that it relate to religious life in Oklahoma. Guidelines for this Award may be obtained from J. M. Gaskin, 2231 Gershwine Dr., Durant, OK 74701.

The Baptist Messenger and Office of Communications

Richard T. McCartney, Editor

On May 15, 1987 the **Baptist Messenger** will complete 75 years of publication. In the first issue of the **Messenger** the new editor, C. P. Stealey, stated his intentions. "This paper will earnestly support the organized work of the state and shall ever seek to be a helpful factor in solving the problems that are before us. We sincerely desire to be used for the glory of Christ and His cause in this state of abounding opportunity."

Circulation of the **Messenger** has grown through the years, but its purpose, and the commitment of its staff, continues to be the same as that expressed by editor Stealey. The purpose of any newspaper is to inform. The **Baptist Messenger** also seeks to garner support of individual church members for the local church and the mission work of Oklahoma and Southern Baptists.

The **Messenger** is sent each week by 1,170 churches to their members. The last issue of August went to 119,359 subscribers. Special pages carried the news of 104 churches and four associations, a total of 170 pages. The **Messenger** is an economical way for churches to communicate with their members in the face of rising postal and production costs.

Special Care Ministries publishes an eight-page special section, **Care 'N Share**, each month. Once each quarter, Baptist Retirement Centers include **The Center Resident** in the **Messenger**.

Effective January 1, **Messenger** subscription rates will be \$4.00 per year for churches subscribing for their members and \$4.50 for individual subscriptions.

Communication is an essential element in making democracy effective. The **Messenger** continues its commitment to report news affecting the interests of Baptists in Oklahoma. Every member of each church cooperating with the Baptist General Convention of Oklahoma should have opportunity to read the **Baptist Messenger** each week: Informed members will be stronger in support of the local church and all of the mission work of Southern Baptists.

Report of the Board of Directors of The Baptist Foundation of Oklahoma

Robert L. Ross, President

The Baptist Foundation of Oklahoma marks its 40th anniversary this year. During these four decades, this incorporated trust agency of the Baptist General Convention of Oklahoma has experienced phenomenal growth, becoming the largest religious organization of its nature in Oklahoma, and the second largest state Baptist Foundation in the Southern Baptist Convention.

Assets held by the Foundation in 1946 totaled only \$76,000; today they are \$61,470,000. In spite of a downturn in our state's economy, the past twelve months have been exceptionally good. Total corpus receipts for the period were \$8,470,648 and total earnings were \$5,521,053. This represents an 8.98 percent average earnings on assets held for the period, including non-income producing assets such as life estates.

As trustee for endowment gifts to Oklahoma and Southern Baptist causes, The Baptist Foundation of Oklahoma distributed a record \$4,378,471 to more than 100 beneficiaries during the past year. These beneficiaries include churches, associations, foreign and home missions, Oklahoma Baptist University and other student ministries, children's homes, retirement centers, nursing care facilities and youth camps. Of the total funds distributed \$889,859 were sent to individuals.

Funds managed by the Foundation are invested in five pools: the **Equity Pool**, composed of common stocks, the **Fixed Income Pool**, composed of corporate bonds, the **Short Term Investment Pool**, composed of government securities and certificates of deposit, the **Church Building Loan Pool**, and the **Real Estate Pool**.

The Foundation is committed to conducting its business affairs in a manner consistent with the highest Christian moral and ethical standards taught and implied in the Scriptures, and shall in no way compromise its Christian witness in the world by investment in a company or activity which does not promote the best interests of a wholesome society. No assets held by the Foundation are invested in companies related to the liquor, tobacco or gambling industries, or companies dealing in pornographic materials, or companies promoting entertainment forms which present as norm lifestyles inconsistent with Christian morality or companies which violate basic human rights by their manner of doing business.

Serving on the 16-member board of directors of The Baptist Foundation of Oklahoma are business and professional people from across the state. Each member serves a four-year term and is assigned to three functioning committees which meet monthly. Board members are: James L. Barham (chairman), Jack Brewer, Oleta S. Carmack, Ralph A. Crawford, David L. Field, Frank T. Fleet, Ray Mason, Harold J. McConnell, Frank A. McPherson, John G. Nikkel, Leslie Pain, Thomas L. Pate, Don Ritter, Charles Sutter, Granville O. Ward, and Kenneth Weddle.

The Foundation's programs and day-by-day operations are administered by an executive staff consisting of W. G. Kersh, executive vice-president; C. Duane Riley, first vice-president for charitable giving and endowment procurement services; Mart Hardin, vice-president for property management and mineral leasing services; Kenneth Mullins, vice-president for church building loan services; and James R. Smith, vice-president for communication and public relations services.

This report is presented under sub headings representing areas of work of The Baptist Foundation of Oklahoma.

Charitable Giving and Endowment Procurement

According to the American Association of Fund Raising Counsel, \$79.8 billion was given to charitable causes in 1985. Of that amount, individuals gave \$66.1 billion, representing an increase of 6.5 percent over the year before.

Traditionally, The Baptist Foundation of Oklahoma has not been known as a "fund raising" organization. Foundation representatives have never aggressively solicited gifts for causes; rather the Foundation's position has been one of response to individuals requesting estate planning services by which they might make gifts to causes through wills or trusts.

However, in 1984 a new strategy in endowment procurement was initiated when the Baptist General Convention of Oklahoma assigned the Foundation responsibility for the \$25 Million Endowment Campaign. The program, renamed BEYOND THIS TIME, is a concentrated ef-

fort to raise endowment for Oklahoma Baptist ministries through outright and deferred gifts made during the lifetime of donors.

As of this report, \$2,079,095 in endowment gifts have been received for the causes represented in BEYOND THIS TIME. Those causes are Oklahoma Baptist University, Special Care Ministries, Falls Creek Baptist Conference Center, Baptist Student Unions, regional and associational camps and a balanced mission support system of the Baptist General Convention of Oklahoma.

Distribution of literature, program presentations, direct mail campaigns, a quarterly newsletter and small group meetings across the state are among the ways C. Duane Riley, vice-president for charitable giving and endowment procurement, conducts this special program.

Church Building Loan Services

The Church Building Loan Trust Fund has been functioning effectively since 1954 helping the Foundation fulfill a vital part of its task. The fund serves two major purposes:

- (1) It is a channel for the investments of endowment funds and, consequently, provides a large amount of the income distributed to Oklahoma and Southern Baptist institutions and agencies and to individuals.
- (2) It provides to Oklahoma Baptist churches, associations and Baptist Student Unions a means for financing building needs. The interest paid supports Baptist causes.

For the year ending July 31, 1986, 45 loans were closed totaling \$8,172,733.44.

Since the establishment of the Fund, 859 loans have been made. As of July 31, 1986, \$32,870,766.97 was invested in the Fund with 279 loans in force.

The Fund is administered by a committee composed of members of the Foundation's Board of Directors. Copies of the "Policies and Regulations" brochure are available upon request. The brochure provides pertinent information including eligibility requirements, interest rate, payment schedule and application procedure.

Nineteen Hundred and Eighty-Six will be remembered as a historic year in the operation of the Church Building Loan Trust Fund. Interest rate adjustments were offered to churches having an interest rate above 11 percent. One hundred and forty loans were adjusted. A number of churches were paying an interest rate as high as 15.75 percent. The second historical event was offering to the churches a choice between a fixed or adjustable rate of interest.

Restrictions on the size of loans were also removed, making the largest loan in Foundation history possible, \$2.7 million in July.

Communication and Public Relations Services

An effective communication program is a vital part of the ministry of The Baptist Foundation of Oklahoma. The following summary highlights the communication and public relations program used to relate

to the Baptist constituency, church and associational leaders, attorneys and other professionals, and the general public.

Communicating Through Special Emphases

Each year two observances on the denominational calendar focus on Foundation ministries. January is observed as "Make Your Will Month," and September is designated "Baptist Foundation Month."

To mark these observances The Baptist Foundation of Oklahoma prepares and mails over 300,000 bulletin inserts to over 1,460 churches. The inserts contain an estate stewardship theme and message and provide a form to request estate planning assistance or additional information.

These emphases are also promoted through articles in the **Baptist Messenger**, **Care 'N Share**, and associational newsletters. The **Baptist Messenger** devoted front cover and editorial space to promoting these events.

Retirement events honoring retiring Foundation president, C. Fred Williams, included a reception, luncheon and dinner as well as publication of his biography, **The Steps of a Good Man**, authored by Robert L. Ross.

A worship service of dedication was held January 5 marking the beginning of Robert Ross' presidency of the Foundation. Hosted at Midwest City, Meadowood, the event featured four choirs, 12 program personalities, and a reception attended by almost 300 people. Over 600 programs were distributed.

The State Training Meeting for Associational Officers was held April 25-26 at Oklahoma City, First. As a part of that meeting orientation and training was provided for 14 associational Baptist Foundation representatives.

The first Chaplains Day Program was held in April. Thirty-one chaplains and guests attended the program, the Foundation Board of Directors committee meeting and a luncheon. The group represented chaplain ministries in hospitals, senior adult care, law enforcement and military service.

In addition to these events, special emphasis is given to observing the birthdays of individuals served by the Foundation. Last year more than 15,000 birthday cards were sent to individuals expressing best wishes and encouraging them to keep their estate plans current.

Communicating with Churches

Most of the executive staff of the Foundation are ordained ministers and former pastors. Because they are gifted preachers they are busy almost every Sunday preaching in churches across the state and representing the work of the Foundation. They serve as interim pastors, preach revivals, conduct Bible studies, teach at Falls Creek, participate in World Mission Conferences and other meetings.

In addition to preaching schedules, Foundation staff members conduct Future Thrust emphases in churches throughout the year. Nineteen Hundred and Eighty-six is the first year to calendar Future Thrust emphases outside of January and September. Forty-nine Future Thrust

programs have been conducted this year in which staff members spoke on the work of the Foundation in morning worship services, conducted estate planning seminars during Church Training hours, and preached on estate stewardship in evening worship services. They also met by appointment with persons interested in receiving estate planning assistance.

The following churches participated in Future Thrust: First Baptist Churches of Bartlesville, Fairview, Seminole, Chouteau, Chelsea, Pond Creek, El Reno, Kingfisher, Maysville, Coalgate, Elk City, Ardmore, Hominy, Claremore, Commerce, Comanche, Hulbert, Alva, Shawnee, Muskogee, Jones, Fletcher, Fort Cobb, Buffalo, Greenfield and Swink. Also Emmaus, Oklahoma City; Brookwood, Oklahoma City; Britton, Oklahoma City; First East, Lawton; Highland Hills, Oklahoma City; Portland, Oklahoma City; Putnam City, Oklahoma City; Skelly Drive, Tulsa; Southside, Stillwater; Sunset, Ponca City; Surrey Hills, Yukon; Twelve Corners, Noble; Central, Muskogee; Crestwood, Oklahoma City; Spring Creek, Oklahoma City; Tulakes, Bethany; Memorial Heights, Claremore; Sinclair Southern, Oklahoma City; Post Road, Oklahoma city; Glenwood, Tulsa; Berry Road, Norman; Howard Memorial, Del City; and Sharon, Chickasha.

Communicating Through Literature

Distributing literature and other materials is yet another way the Foundation presents important information. Literature is distributed as staff members speak in churches or associations, and by mailings to persons requesting information. Literature is supplied to associational offices, associational Baptist Foundation representatives, pastors, staff members and directors of missions. Literature and materials are supplied in packets provided to attorneys, accountants, pastors and other professionals.

Literature pieces currently available for distribution include: "The Baptist Foundation of Oklahoma," "Do You Need a Will?," "Estate Planning, A Christian Perspective," "When Death Does Us Part," "The Personal Representative," "The Gift Annuity Contract," "The Charitable Remainder Annuity Trust," "The Charitable Remainder Unitrust," "The Lawyer and His Baptist Client," "The Personal Record Album," "The Revocable Living Trust," "Policies and Regulations for Student Scholarships and Loans," and "The Steps of a Good Man."

Communicating Through Media

Press releases are prepared periodically for major, regional and local newspapers, the **Baptist Messenger**, other denominational publications and professional publications for foundation executives and development officers. Public service announcements are prepared for use through radio and television.

The **Baptist Messenger** provides an excellent means for communicating important information to Baptist people. The Foundation president or vice-presidents write weekly columns in the state Baptist magazine going to more than 120,000 subscribers. These articles feature personal aspects of the Foundation's ministry. Such articles include stories about persons who make gifts to Baptist causes through various types of life income trusts, or about particular events or promotions.

Reader response to these articles is significant and often leads to estate planning opportunities.

Press releases and pictures are sent to newspapers regarding activities of the Foundation staff, preaching and speaking opportunities, church events, activities of the Foundation board of directors, retirements, anniversaries, board decisions and relocation of Foundation offices.

Communicating Through Ongoing Programs

The Pastor's program is an ongoing event designed to establish communication with pastors state-wide. Pastoral support is essential to Foundation activities with people in the churches. There is no substitute for the pastor's enthusiastic endorsement and recommendation of this ministry. However, before pastors can respond in this manner, they first must have an understanding and appreciation for the purposes and programs of the Foundation.

Through the Pastor's program, selected pastors from across the state are invited to be guests of the Foundation eight different times during the year. They attend an hour and a half orientation presenting each aspect of the work of the Foundation. Open discussion is encouraged by two question-and-answer periods. Guests observe monthly committee meetings of the Foundation board of directors, seeing the board members in action. Evaluations reflect the appreciation pastors have for the Christian commitment and high degree of expertise board members contribute to the work. Last year 38 pastors attended these programs.

Similar programs are also conducted for pastors wives, chaplains, church staff members and laymen.

Because of the vital role church secretaries play in handling and responding to Foundation emphases, selected church secretaries are invited to Oklahoma City for Secretaries Day in November. Forty-seven secretaries from across the state attended this program.

Finally, the Foundation works with hundreds of attorneys each year in securing the preparation of legal documents and in the probate of estates. Therefore, it is imperative that the Foundation have good working relationships with members of the Oklahoma Bar Association. Attorney meetings and local county bar programs provide opportunities for those in the legal profession to become more familiar with the work of The Baptist Foundation of Oklahoma.

Last year the Foundation hosted attorney luncheon or dinner meetings in Wilburton, Purcell, Oklahoma City, Tulsa, Enid and Lawton, with over 95 attorneys in attendance.

Estate Planning Services

Estate planning services of The Baptist Foundation of Oklahoma primarily involve three distinct functions: (1) providing assistance in will and trust planning, (2) providing endowment income to Baptist churches, agencies, institutions and departments, and (3) conducting educational programs which communicate information about personal financial management and estate planning.

When requested, qualified Foundation staff members will help Baptist families gather information necessary for the preparation of wills or trusts by which they may provide for loved ones and/or some area of the Lord's work.

When Baptist causes are named beneficiaries in such plans, the required legal documents will be prepared without expense to individuals. The Foundation president will also serve as the personal representative in wills or as trustee of trusts when so requested and Baptist causes are included. The Foundation makes no charge for this service.

During the 12 months covered by this report, the Foundation assisted in the preparation of 1,399 wills, 59 trusts and eight gift annuity contracts.

Placards are distributed to churches indicating the number of individuals in that congregation who have used the Foundation's estate planning services. One thousand and thirty-four Oklahoma churches have one or more persons who have related to The Baptist Foundation of Oklahoma in the past.

Personal Trustee Services

The Foundation, in serving as trustee for the assets of individuals, renders more than a financial service but offers a ministry with a personal touch as well. Many trustors require assistance in other areas of their life than the investment of funds to provide for their livelihood. They need personal attention and such practical help as transportation to doctors appointments, to go shopping, to file insurance claims or tax returns, etc. They also need a spiritual ministry of encouragement. Many of them have no family members to care for them.

Finley Tinnin, administrative assistant and former long-time pastor of Baptist Temple in Oklahoma City, regularly visits with these individuals and assists them in ways mentioned above. The Foundation presently has this kind of relationship with 35 persons across the state.

Property Management and Mineral Leasing Services

Property Management Services:

During the year concluded July 31, 1986, 20 pieces of real property were received by the Foundation, including houses, farms, commercial buildings, vacant lots and grassland. These gifts of real property come through wills, trusts or outright transfers.

Management of real property is supervised by a committee of nine board members. Decisions to sell, lease, rent or repair property are determined by this committee according to provisions in the legal document by which the property is received and upon recommendation of the vice-president for property management and mineral leasing services.

The Foundation operates no businesses or farms but leases them to others. Grassland and farms are leased on a cash-per-acre basis or a percentage of crops produced. Residential property is rented by the month on a cash basis.

Mineral Leasing Services:

The Foundation's mineral interest business is supervised by a com-

mittee consisting of nine board members. The committee meets each month to review lease offers, bonuses, rental delays and sales.

The Foundation holds deeds to mineral interest in 61 counties in Oklahoma and in nine other states. The units vary in size from .25 acre to 320 acres.

During the past year the Foundation received 12 units of mineral interest, including 11 units in Oklahoma and one unit in Kansas.

Both production income and bonus income have decreased rather sharply this past year because of the decline in oil prices and expoloration. The figures are as follows:

	1985-85	1985-86
Mineral income	\$671,583.19	\$624,108.07
Lease rental and shut-in	2,559.52	1,130.38
Bonuses	197,420.92	104,829.93
	<u>\$871,563.63</u>	<u>\$730,068.38</u>

Planning and Promotion

Lyle Garlow, Director

The Planning and Promotion Office is an extension of the Executive Office and is directed by the Associate Director, Lyle Garlow. This office was established in 1972.

In addition to directing the specific programs outlined below, the director of Planning and Promotion also relates to a number of departments in the area of coordinating calendar planning, program promotion, and budget development: These departments are: Brotherhood, Church Music, Cooperative Missions, Evangelism, Falls Creek, Religious Education, and Woman's Missionary Union. The direct supervisor of these department directors is the Executive Director-Treasurer.

Specific programs assigned to the Planning and Promotion Office are: (1) liason with 41 associations and associational directors of missions; (2) Cooperative Program promotion; (3) coordinated promotion planning; (4) denominational calendar planning; (5) stewardship development and (6) church administration which Glenn Brown, Associate Director of Planning and Promotion, directs; and (7) media services, directed by Cade Garrison.

Cooperative Program Promotion

During 1985, 50 percent of each Oklahoma Cooperative Program dollar was divided with the Southern Baptist Convention Executive Committee for Southern Baptist Convention missions ministries. Approximately one-half of the Southern Baptist Convention Cooperative Program dollar goes to the Foreign Mission Board. This means that one-fourth of each Cooperative Program dollar shared by Oklahoma churches goes directly to foreign missions.

Total Cooperative Program receipts for 1985 were \$15,746,645.12—an increase over 1984 of only \$34,025.69, or .2 of one percent.

Due to the economic conditions in Oklahoma, the 1986 Cooperative Program budget was essentially the same as the 1985 budget. Current plans are to continue this same budget into 1987.

Church tithes and offerings received and reported for 1985 were \$176,863,710—a \$5,715,765, or 3.3 percent, increase over 1984. Churches shared 8.9 percent of these funds through the Cooperative Program.

Oklahoma Baptists care about mission needs in Oklahoma and around the world. To meet these ever-increasing needs, it is urgent that our mission giving increase. A one percent increase by each church would produce approximately a 10 percent increase in mission funds.

The 5M PLAN for Church Treasurers (**M**ail **M**ission **M**oney **M**onday **M**orning) is significant for increased giving. The constant cash flow, along with efficient and effective banking procedures, helps fund the promotion and administrative expense of the Convention with non-Cooperative Program dollars. Thus, every mission gift from your church goes directly, in just a few days, for a mission ministry. This is almost instant missions.

Coordinated Promotion Planning

Bold Mission Thrust goals extend through the year 2000. Oklahoma Baptists have set specific numerical goals for the years 1985-1990. These goals are suggested and promoted by the various departments and programs.

Your convention is currently promoting a special Oklahoma emphasis, "Let the Churches Grow," for the period 1986-1987.

The Baptist General Convention of Oklahoma will be cooperating with Southern Baptist Convention Boards and Agencies in the Directions 2000 planning for the time period 1990-1995.

Associational Services

The 41 Southern Baptist Associations in Oklahoma each support their own director of missions. The Planning and Promotion Office works with these directors in planning for the best possible programs of work to help undergird the work of the churches.

Since the last publication of the Book of Reports, we have had the following changes in associational leadership. New director of missions: Richard McClure, Frisco (4-86). Forrest A. Upchurch (13 years, Frisco) retired as director of missions. Don Reed (Union) resigned to become associate enlistment director for evangelism projects at the Southern Baptist Foreign Mission Board. Kenneth Romines (North Canadian) resigned to return to the pastorate.

During the past year, the following former directors of missions have gone to be with the Lord: Arlis A. Brady (22½ years in Central, Pottawatomie-Lincoln and North Canadian Associations), Stanley F. Taylor (12 years, North Canadian), and Dan P. Tyson (28 years in Panhandle and Enon Associations).

Church Administration

Church Administration services to Oklahoma Baptist Churches are planned by Glenn Brown, Church Administration Consultant, primarily

along two avenues: training conferences and personal consultations.

1. Training Conferences

A broad spectrum of skills development training events are cycled over a multiple year period, dealing with pastor/staff skills, deacon ministry, and church committee.

In 1986, several training events were conducted to strengthen pastor and staff skills:

- a) February—Multiple Staff Church Administration Conference—dealing with concepts and skills of effective staff relationships.
- b) April—Shared Ministry Conference—an overview of concepts and materials whereby the pastor multiplies his efforts through a teamwork approach utilizing the gifts and skills of the staff and laity.
- c) May—Minister of Education Programming Retreat—a personal growth and program awareness conference.
- d) September—Bi-Vocational Pastors and Wives Conference—pastoral skills for preachers and personal growth and support skills for wives.
- e) October—Oklahoma Preaching Conference—focusing on preparation and delivery of Biblical preaching with effective application.
- f) December—The Pastor Leading the Education Program in a Church—for pastors without a minister of education.

2. Personal Consultation

This office also provides information on resource persons and materials in the various areas of long-range planning, church council and church committees, church constitution and bylaws, deacon ministry and church staff.

Stewardship

Stewardship development services are provided to churches through associational and area conferences, individual church conferences, and through the provisions of free budgeting and giving promotion materials.

Every church is urged to conduct at least one major stewardship emphasis each year which gives attention to 1) sharing the Biblical message of responsible and growing personal stewardship, beginning with the tithe, and 2) providing an opportunity for personal and specific commitment to giving. To encourage this, extensive free materials are offered to churches each year.

In 1986, Glenn Brown, Director of Stewardship Promotion, and Lyle Garlow, Director of Cooperative Program Promotion, worked cooperatively in leading teams of workers to conduct six Area Planned Growth in Giving Conferences and 19 Associational Stewardship Conferences.

To date, approximately 300 pastors have completed the two-day Planned Growth in Giving Pastors' Seminars. Early results show the churches that have conducted the PGG Church Event have experienced

very encouraging results. This is a long-term program that we hope every church will seek to do in the years ahead.

The First Fruits First giving program was so well received in 1985 that a revised version has been produced for use by churches in 1986-87.

Churches are urged to set a goal for the enlistment of new tithers during the coming year and to plan events throughout the year to cultivate growth in giving.

Media Services

Cade Garrison is director of Media Services. Areas of work include ACTS, BTN, VTS and Church Media/Library. Garrison also assists the BGCO staff and local churches in video ministries.

ACTS, American Christian Television System, now in its third year, is reaching into 18 Oklahoma communities. ACTS is owned and operated by the Southern Baptist Radio and Television Commission in Fort Worth.

BTN, Baptist Telecommunication Network, is owned and operated by the Baptist Sunday School Board. Approximately 300 Oklahoma Baptist churches have access to BTN through church and association participation. Once again, a high point for BTN was its telecasting of the Southern Baptist Convention in Atlanta. Several hundred Oklahomans viewed the proceedings in 35 locations across the state.

VTS, Video Tape Service, currently includes nearly 200 leadership and training tapes for churches. These tapes are available through many associations and the state media services offices.

In April, 60 church media/library workers attended a regional clinic at Southern Hills Church, Oklahoma City.

Church Music

Glenn Boyd, Director

State Leadership Training

The Church Music Department served Oklahoma in the following ways: Baptist Education Music Association, February 6-7, Oklahoma Baptist University; State Youth Choir and Ensemble Festivals, January 31-February 1, Oklahoma Baptist University, and February 21-22, First Baptist, Tulsa; State Handbell Festival and Clinic, February 7-8, Exchange Avenue Baptist, Oklahoma City; five Area Hymn Playing Festivals, January 25 at First Baptist, Enid; Southern Hills Baptist, Oklahoma City; Memorial Baptist, Tulsa; First Baptist, McAlester; Central, Lawton; Statewide Hymn Playing Festival, Oklahoma Baptist University, February 15; State Training Meeting for Associational Officers, April 25-26, First Baptist, Oklahoma City; Young Musicians Festival, April 19, Oklahoma Baptist University; Senior Adult State Singin' and Praisin' Meetings, April 10-11, Emmanuel Baptist, Enid, and Memorial Baptist, Tulsa; State Methods and Materials Conference, August 18-22, Sequoyah Hills Baptist, Tulsa; First Baptist, McAlester; First Baptist, Lawton; First Baptist, Moore; Bi-Vocational Pastors and

Wives and Part-time/Volunteer Song Leaders and Accompanists Retreat, Falls Creek, September 5-6; Oklahoma Baptist All State Youth Choir and Orchestra, October 16-18, Falls Creek.

Southern Baptist Leadership Training

We also provided promotion and encouragement to the following church music training opportunities: Southern Baptist Church Music Conference, Atlanta, GA, June 7-9; Church Music Weeks at Ridgecrest, June 12-25, and Glorieta, July 5-18; Music Conference, Baylor University, August 4-7; Southwestern Baptist Theological Seminary Church Music Workshop, January 27-31.

Supportive Help

In addition to the regular programming that the Church Music Department does, we are pleased to support the other agencies and departments of our convention. This year we had the privilege of assisting 11 of our departments and agencies in planning and executing their programs.

Singing Churchmen

This has been another good year for the Singing Churchmen of Oklahoma. It continues to grow and give encouragement to the music leadership of our churches. We have 143 men enrolled in the organization this year with 10 performances and rehearsal choral clinics within the state. We also had one performance in Wichita, Kansas for the Midwestern Musicians on Missions Workshop, Metropolitan Baptist Church. We also did a recording session of "El Shaddai—the Musical," by John Thompson arranged by Ronn Huff. This was done on the OBU campus in January. Also, one of the performances was singing for the district meeting of the American Choral Directors Association, Tulsa. We encourage all full-time music directors to be a part of this organization. If you have questions concerning The Singing Churchmen, please contact the office.

Falls Creek

Falls Creek is always an exciting and rewarding experience for our work. We had over 1650 young people and adults participate in our choir and instrumental programs this year. We had 24 young people make life commitment to the music ministry.

Readin' and Singin' Schools

Once again thanks to the progressive insight of directors of missions and associational music directors, needs for musical growth are being met. This past year the following associations had schools: Craig-Mayes, Kay, Concord-Kiowa, and Northwestern. Craig-Mayes has another planned for this next year along with Enon.

Statistical Report

The figures released by the Southern Baptist Convention's statistical department show that Oklahoma Baptist churches have a small increase in their music enrollment this past year. I feel that our growth would be even larger if we could get more of our churches to report their music ministry on the annual church letter. We have over 26 percent of our

churches that we have not heard from. I want to continue to urge all churches to report their church music enrollment on their annual church letter.

Your Church Music Department is made up of Glenn Boyd, director; Paul Magar, associate director; Mary June Tabor, assistant; Judy Enegren, secretary. We are happy to be a part of Oklahoma Baptists working together to reach the world for Him.

Cooperative Missions

Robert E. Haskins, Director

The goal of Missions in Oklahoma is "to proclaim Jesus Christ as God and Savior, to persuade people to become his disciples and responsible members of His Church." The Gospel is proclaimed weekly in at least 15 languages, and New Testament Churches are increasing weekly in membership because God is faithful to His promise that His Word will not return void, but will accomplish the things He (God) wants accomplished.

Language Missions

As a result of the preaching and sharing of the Gospel, at least nine new language churches/missions were born—three Indian, one Chinese, two Spanish, one Japanese, one Romanian, and one Laotian.

Thirty-eight full-time and 18 part-time missionaries work with American Indians, Japanese, Chinese, Koreans, Laotians, Cambodians, Vietnamese, Thais, Indonesians, Nigerians, Liberians, Ghanians, Iranians, Lebanese, French, Afghans, Asian Indians, Deaf, Hispanics, Romanians, etc. They traveled more than one million miles in their mission work and reported more than 1,755 professions of faith, additions by letter and special service commitments.

A new Chinese Mission was begun in Stillwater with Calvary Chinese Baptist Church, Moore serving as co-sponsor. Paul Chao, an active leader in the Moore congregation, helped begin the new work. The Chinese held their third annual summer assembly at Falls Creek Conference Center July 2-5 with over 200 attending. Ten people from the two Chinese Churches attended Small Sunday School Week at Glorieta Baptist Conference Center August 18-22. Sam Luk, pastor of the Calvary Chinese Baptist Church, Moore, led one of the conferences.

The largest Indian Falls Creek Assembly ever, was held June 16-21 with 2,464 people registered. Richard Pickup, evangelist from Cherokee Baptist Association, served as camp pastor. Tyrone Smith, minister of music at Rancho Village Baptist Church, Oklahoma City, served as music director. A special youth-led worship service was conducted each day at 11:00 a.m. by Belvin Hill, pastor of First Indian Baptist Church, Ada.

The Hispanic churches held their annual family camp at Falls Creek Conference Center June 9-13 with 19 churches represented and 249 registered. Herminio Rios, missionary/pastor from Duncan, served as camp director. Angel Murillo, area Hispanic missionary in Southwestern

Oklahoma, served as camp pastor. Thirty-four Hispanic Churches shared in the "Good News America, God Loves You" Scripture Distribution. More than 2,000 New Testaments in Spanish were given to prospects in their communities. The fifth annual Sunday School conference was conducted at First Baptist Church, Oklahoma City with 109 Sunday School leaders present for the two day meeting. More than 200 ladies attended the State Spanish WMU Workshop in Oklahoma City on February 22, 1986.

Blind Ministries

The ministry to the blind continues to grow. Carl Davis serves in Enon Association as minister to the blind, deaf, and handicapped. Ruth Versaw, a member of Britton Baptist Church, Oklahoma City, has a tape ministry to the blind. Five hundred tapes were provided by the Department of Cooperative Missions to help her in her work. Karen Dudley of Cushing (a blind person) works with the blind in her area, but is also helping other churches in Oklahoma establish a ministry to the blind.

Church Extension

Two area church planters and four Praxis students (seminary students) have assisted this year in Church Extension. At least 21 new churches/missions and mission points have been established since October 1985. Our goal for the year is 25. We hope to begin at least 25 new churches/missions per year between now and 1990. Associational New Work Probes will be conducted in at least three associations per year during the next five years to locate places where new churches need to be started.

Campers on Mission

Spring and Fall Rallies were held at the Post Oak Assigned Area of Clear Bay State Park. Bob Martin, president, officiated at these meetings. The Spring Rally highlighted "clowning" as a means of reaching people for Christ in a resort setting. The Fall Rally featured Wayne Bristow, State Evangelism Director, who led in personal evangelism training.

Twenty members of the Oklahoma Chapter attended the National Rally at Mountain Home, Arkansas June 20-22. Eighteen members have been involved in four mission construction projects in Oklahoma and two out-of-state projects.

Resort Missions

More than 964 children attended Day Camps held by summer missionaries and adult/youth teams in six campgrounds on Lake Tenkiller. There were 19 professions of faith. Bo Holland coordinated the Lake Tenkiller ministry. A sacred concert was held at Fin 'n Feather Resort near Gore.

Through the summer mission program, associational programs, and local church programs, witnessing ministries, Backyard Bible Clubs, children's programs, mission Vacation Bible Schools, and other outreach programs were provided in at least 15 resort and recreational areas. The

resort areas continue to provide a challenge to the churches to "do" missions in their own setting.

Mission Service Corps

Twenty-five Oklahomans applied for Mission Service Corps assignments. Fourteen were appointed. Nine are serving in Oklahoma and five are serving in other states and/or overseas.

Three area volunteer consultants to assist the State Director were trained at the Baptist Building in Oklahoma City on September 4. Bonnie King, Marlow, will be serving in Southwestern Oklahoma, Claude and LaWanda Mabery will be serving in Southeastern Oklahoma, and Mr. and Mrs. Bob Carner will be serving in Northeastern Oklahoma.

Christian Service Corps

At least 19 individuals and 19 groups (ranging from 8-62 persons) assisted with more than 19 different projects in our state. Thirteen of the projects were construction projects, and five were inner-city projects. Oliver Barnes, state construction coordinator from Chattanooga, coordinated the construction projects. The center directors coordinated the inner-city projects.

Chaplaincy

Eighty-seven chaplains serve in hospitals, institutions, military, police and fire departments, industry, etc. A luncheon was held at the Marriott Hotel November 11 with Huey Perry, Director of the Chaplains Division of the Home Mission Board, as guest speaker.

The 1986 officers of the Chaplains' Fellowship were Bill Forester, president, Boyd Welton, vice-president, and Bill Saunders, secretary.

Black Church Relations

Five missionaries, jointly employed by the Baptist General Convention of Oklahoma, the Home Mission Board of the Southern Baptist Convention and the Oklahoma Baptist State Convention, work in the area of Black Church Relations. Dr. Eddie Mabry is the Dean of the School of Religion in Tulsa and directs the program of Christian Education for the Oklahoma Baptist State Convention. Verlene Farmer is the Baptist Student Union director of Langston University and teaches some courses in religion for the university. Clarence Shuler is a Regional Missionary in Eastern Oklahoma serving as director of Rural Church Development. Patricia Reed is the WMU Executive Secretary for the Oklahoma Baptist State Convention and directs the woman's work of the convention. The position of Director of Christian Education Center in Tulsa is vacant.

The School of Religion in Tulsa, with 12 learning centers across the state, had 1,029 adults enrolled in at least one course. There were 1,769 people reached through study courses. Twenty-eight workshops and institutes were held with 784 people receiving certificates, diplomas and awards.

The BSU at Langston has been very active during the year. Six students served as summer missionaries for nine weeks during the summer of 1986. There were 20 rededications during the BSU Spring Revival.

Twenty-two BSU students went to the Black Retreat, Memphis, TN. The BSU reached a \$2,100 goal for summer missions. The World Hunger Goal was \$300 and that was also reached.

Church-Community Ministries

This is the Oklahoma name for the area of ministries which the Home Mission Board calls Christian Social Ministries.

Five missionaries appointed by the Home Mission Board of the Southern Baptist Convention in cooperation with the Baptist General Convention of Oklahoma and the local associations are serving in Tulsa and Oklahoma City. They are: associational directors of church-community ministries, Jack Bettis, Capital Association, and Richard Humble, Tulsa Association; directors of Baptist Mission Centers, Beverly Gray, Oklahoma City, and Valadean Gardner, Tulsa; and Women's Shelter director, Sharyan Utley. Financial assistance is provided the directors of the Baptist Women's Center and Grace Rescue Mission, in Oklahoma City. Connie Crew and Lee Martin are the directors respectively.

The missionaries reported 208 professions of faith, 32 baptisms and 81 special decisions. There were 570 sermons and addresses during the year.

Grace Rescue Mission reported approximately 25 per month on an alcohol and drug rehabilitation program called "New Life." Meals were provided for 55,371 transients and rehabilitation program people and 11,061 beds were provided. "Tender Haven" program helped 4,507 families. Three hundred were served Thanksgiving Dinner.

Oklahoma City, Baptist Women's Center reported that 20,211 meals were provided and 6,790 beds furnished for 529 women and children.

The Baptist Mission Center, Oklahoma City, reports that 44,820 pieces of clothing were distributed; 6,478 people helped with food; \$48,520 worth of medical care and \$7,552 worth of free dental care provided for 1,253 patients. Twenty summer missionaries served this summer at the center. The center received 4,500 letters from GA's because of an article in DISCOVERY Magazine. The center was the recipient of Christmas in August this year.

The Women's Shelter, Tulsa, housed 133 children and 205 women. They reported 41 professions of faith.

The Baptist Mission Center, Tulsa, had six weeks of Vacation Bible School and ministered to approximately 500 children. Two hundred thirty-two young people were presented packets of personal hygiene items in Christmas stockings.

A group of students at Oklahoma Baptist University receive some expense money which makes it possible for them to be involved in community ministries. Students tutor, lead in recreation, minister, counsel and do whatever ministry is needed.

Workers in literacy missions are continuing to be trained. All sections of the state have leaders who can lead workshops to train others in literacy missions. The department chartered a bus to Glorieta for the Literacy Missions Convocation. Thirty-five people received literacy mis-

sions training. Oklahoma had the largest number of participants of any state represented. The need for literacy missions volunteers is great. Our state continues to attract internationals at an increased rate and literacy missions provides a good opportunity for sharing the gospel.

PACT

Project: Assistance for Churches in Transitional Communities (PACT) is a Home Mission Board developed program to respond to a church's request for help when it discovers itself located in a significantly changing community. PACT helps a church to rediscover its mission and to redream its dream as well as plan programs for reaching and ministering to the people in the church and its community.

Bob Lovejoy is the state PACT coordinator. Contact the Missions Department for more information.

Student Summer Missions

Twenty-seven student summer missionaries served in missions all across Oklahoma during the summer of 1986. They served in rural, inner city, language, resort, metropolitan and general missions in 14 different areas of the state. Their work included surveys, Vacation Bible Schools, construction projects, backyard Bible clubs, mission center activities, resort missions, counselors in camps, language missions and a host of other responsibilities. Several of the students made commitments to full-time Christian service during the summer.

Refugee Sponsorship

Baptist churches are still being sought as sponsors for refugees who are seeking to come to our country. They are leaving their own country either for political or religious oppression. They must have sponsors before they are permitted to come to the United States. This year we have been asked to provide sponsorship for people from eastern Europe, Indo-Chinese, and Polish people. Sponsorship provides an excellent opportunity for sharing Christ.

Interfaith Witness

Three awareness conferences were held in the state with approximately 100 people attending. Twelve people were trained in the beliefs of Mormons, 15 in Jehovah's Witnesses and 40 in Judaism in conferences at Knob Hill Baptist Church, Oklahoma City. The department has a goal of having Interfaith Witness Associates trained in Interfaith Witnessing throughout Oklahoma who can lead awareness and training conferences for churches and associations.

Hunger Funds

Thirty-two thousand dollars received from Home Mission Board hunger funds have been channeled throughout the state to help the hungry in our state during this time of economic slowdown.

Woman's Missionary Union

Frances Grafton, Director

"Multiply the Vision," the 1985-86 emphasis, related to the enthusiasm for and commitment to the missions task of Woman's Missionary Union. Major thrusts for the year have been personal witnessing, mission action and enlistment.

June 1, 1986 Kelly Bolt (Mrs. Jeff) came to serve as secretary in the WMU Department. She replaced Miss Connie Webb who accepted employment out of state in May. Continuing to serve in the department is Dorothy Thayer Jones (Mrs. Joe), WMU Consultant for Girls in Action and Mission Friends; Lawana Roberts, WMU Consultant for Adolescents; Eula Mae Stewart, Secretary to the Director and Carleata Horton (Mrs. Willard), Receptionist-Secretary. WMU has been a BGCO Department for five years with continued support provided by Dr. Joe L. Ingram until July 1, 1986 when Dr. William G. Tanner took on the support of WMU along with the whole convention. Lyle Garlow continues to function as BGCO representative to WMU on a daily basis.

Churches are encouraged to observe **two separate weeks of prayer and season of prayer** with mission offerings to focus the attention of the entire church on home missions in March, state missions in September and foreign missions in December. This provides effective learning, opportunity for prayerful response with monetary gifts at the time of increased missions awareness, helps to grow missionary congregations and contributes to the kind of support deemed essential by missionaries.

Information on the **Weeks/Season of Prayer and special offerings** promoted by WMU is as follows:

The theme for the next two years is "A Century to Celebrate—A Future to Fulfill."

VISION 88 is the national WMU plan to help meet the Bold Mis-

sion Thrust challenge for more missionaries, money, prayers and missions awareness from every Southern Baptist. WMU, SBC goal is to enroll 2 million in quality missions education by September 1988. Oklahoma WMU goal is to have an enrollment of 44,691 by September 1988. The present WMU enrollment is 34,456 in 2,847 organizations in 882 Oklahoma churches. The four missionaries giving information on their field of service were Jene and Richard Cheek, Malaysia, and Joseph and Lila Mefford, Spain.

Falls Creek Assemblies had 40 missionaries serving during the five weeks of the assemblies. They were obtained by WMU. The missionaries counseled with people who made decisions, taught in each class, gave testimonies in general morning sessions, gave devotionals in church cabins and participated in a Missions Fair each Wednesday afternoon. Approximately 200 attended the Missions Fair each week. WMU secured 14 staffers to assist in the Children's Park for the five assemblies. Dorothy Jones directed the Children's Park one of the five weeks.

Glorieta WMU Week was attended by 220 from Oklahoma. Training was available for associational and church WMU leadership. At the Enlistment VISION 88 Fair, Oklahoma participated by providing a missions quiz game. Carol Cox, Oklahoma WMU Enlistment Coordinator worked with Delores Creekmore, Tulsa Association WMU Director, on this project. Four Oklahoma women attended Ridgecrest WMU Week.

The **Fourth Oklahoma WMU Conference** was held August 14-15, 1986 with over 400 attending. This was the first time the conference was held on the Oklahoma Baptist University campus. Forty-one conferences were offered. Five missionaries were on the program and twenty-seven conference leaders. Twelve conferences were taught. A new conference was for Church Centennial Chairmen, taught by Mary Edna Hopper.

A continuing focus on communication with pastors by the State WMU was strengthened by an opportunity to present the background and purpose of WMU to a Seminary Extension Class at OBU with three educational directors, one children's worker and 21 pastors.

During the 1985-86 school year 19 **scholarships** were given through Oklahoma Baptist University to members of **Acteens** in cooperation with Oklahoma WMU.

Seminary Scholarships were granted to 12 women to attend Southern Baptist Seminaries. These scholarships are provided through the Margaret Hutchison Educational Fund in the Edna McMillan Offering for State Missions.

Oklahoma Baptist University sponsored a **Baptist Women Day** in appreciation for what WMU women in the state have done for OBU. Dr. Bob Agee, OBU President, mentioned past accomplishments, what is being done today and anticipated continued support in the future. Mildred McWhorter was the special speaker.

Dr. Paul Rutledge, Oklahoma WMU Professor of Sociology at OBU, continues to teach and speak in WMU meetings. He is a vital part of the Oklahoma WMU team.

The first **Baptist Young Women Enterpriser** group in WMU, SBC was from Oklahoma. They were members of the OBU Campus BYW and were assigned to New Orleans, Louisiana for one week. Woman's Missionary Union, SBC and the Home Mission Board makes the assignments.

From the Edna McMillan Offering for State Missions, a **gift of \$50** was sent to 206 foreign missionaries from Oklahoma. A **gift of \$250** was given to seven newly appointed foreign missionaries who were from Oklahoma.

Ministerial Services

Clyde Cain, Director

The Office of Ministerial Services provides a general ministry of: (1) Information to churches, pastors and staff members and (2) Continuing Education.

Services to Pastors and Staff

Ministerial Crises—Occasionally, pastors and staff members are coerced to resigned or terminated. The Ministerial Crises Committee determines necessary assistance for the individual who has experienced termination. Some limited financial assistance may be given on a short-term basis to provide a ministry of encouragement and financial help due to termination or forced resignation. A ministry of counseling is also included in the assistance provided.

Personal Retreat, Falls Creek—Arrangements have been made with Falls Creek Conference Center to provide certain cabins to pastors, staff and their families at a reduced, supplemented cost. This is an attempt to provide a place for the staff member and his family for a personal retreat. Pastors and staff are also encouraged to seek out such a place at an associational camp that might provide the same kind of relaxed atmosphere. However, no financial assistance is provided for the associational retreat setting.

Career Assessment Seminar—A seminar designed especially for the pastor/staff member to take an indepth look at their ministries including: goals and aspirations, as well as struggles. Special emphasis is given to relationships, leadership styles, problems and solutions, reflections on ministry and goals for future ministry. A limited number are invited to the Career Assessment Seminar each year.

Services to Churches

Information on Calling a Pastor—The informational service provided primarily through biographical information sheets continues to be a growing ministry. In 1985 there were over 2,800 resumes shared with churches in Oklahoma and other states. These included resumes on pastors and staff personnel and are provided without recommendation or endorsement. They are sent by request.

Assistance is also given in counseling with search committees upon request and securing of pulpit supply and/or interim pastor on request. If a pastor needs to be out of his pulpit, assistance is given in securing a pulpit supply.

A packet of materials, "On Calling A Pastor," has been written and produced to provide assistance for Pastor Search Committees. Also, a twenty-four minute video tape is available upon request and without cost to each Pastor Search Committee.

Continuing Education

State Bible Conference—The annual State Bible Conference provides detailed study for the January Bible Study book and the Baptist Doctrine Study emphasis. The conference was conducted May 5-8, 1986 with an emphasis on James, the January Bible Study book for 1987 and

the Doctrine of Prayer, which is the doctrinal emphasis for the spring of 1987. Over 300 registrants attended the conference.

Ministry Training Institute—This ministry is designed with a cooperative relationship between OBU and the BGCO to provide courses of study toward the Baccalaureate Degree or the Associate Degree at OBU. Courses of study are also available with CEU credit only. A certificate or diploma level course is available for pastors, staff members and lay persons. We currently have 18 centers in Oklahoma.

The director of the Ministry Training Institute is Dick Rader, dean of the School of Christian Service at OBU. The program coordinator is Clyde Cain, director of Ministerial Services for the Baptist General Convention of Oklahoma.

Southwestern Study Center—Southwestern Seminary Study Center at OBU enrolled 114 students during the spring of 1986. Degree programs are available to enable a student to work toward the Associate in Religious Education, the Associate of Divinity, the Master of Arts in Religious Education or the Master of Divinity. Students are encouraged to consider taking approximately one-third to one-half of their program on the main campus in Fort Worth. Classes meet on Monday during the fall and spring semesters.

Seminary Conferences—Conferences have been conducted with students on four seminary campuses and Oklahoma Clubs on these campuses met, enjoyed fellowship and a banquet sponsored by the BGCO Office of Ministerial Services. Assistance is given to graduating students regarding location and places of service.

Seminary Extension—Thirteen Seminary Extension Centers are currently active in Oklahoma. These centers are providing training for approximately 100 students. Some centers have switched to the Ministry Training Institute and, therefore, are not counted as Seminary Extension Centers. In addition to Seminary Extension studies being available through the centers, approximately 75 students in Oklahoma are participating in the Independent Study program through Seminary Extension.

Christian Life Committee

Dick Rader, Chairman

"All I know is what I read in the newspaper," said that famous Oklahoma humorist Will Rogers. While the newspapers do not furnish us with all of our knowledge they do tell us much about the world in which we live and to which we are called to minister. We need to be people who hold our Bible in one hand and the newspaper in the other (see *Christian Ethics: A Primer*, by William Tillman, Broadman, 1986, pp 43-66).

The news media is constantly reminding us about the sinful world in which we live and the terrible consequences of that sin. We cannot ignore today's ethical problems which affect all of us and we must forcefully and faithfully confront the ethical issues plaguing and decaying our society. God's Word has a clear and certain message to guide Christians on their walk within this perplexing world. We must proclaim the Good News of God's direction and guidance so the church may be the lighthouse for multitudes stranded in a sea of moral dilemmas.

Once again the Christian Life Committee reminds Oklahoma Baptists to take advantage of the excellent selection of informative materials on Christian ethics from the Christian Life Commission of the Southern Baptist Convention. Write to them for a free catalogue at 901 Commerce, #550, Nashville, TN 37203-3620.

The Plight of the Poor and Unemployed

Today we are seeing more and more people in the ranks of the unemployed. People from many strata of society are losing jobs and farms because of the economic problems in our nation. These people present a challenge to our churches for ministry.

Concern for the poor is a consistent theme throughout the Old and New Testaments. The prophets of Israel call for justice and compassion toward the less fortunate. Jesus called the poor blessed and was numbered among those who had no place to lay his head. James called particular attention to the need for those with genuine faith to give help to those in need of food and clothing.

We must all become more sensitive to the needs of those who are perpetually poor—many elderly, the handicapped and those existing on welfare and handouts—and those new poor who have lost jobs or farms. Food and clothing collected from church members, programs of job retraining, temporary housing, charity medical clinics, job fairs, and counseling services are just a few suggestions churches might consider. Ongoing programs rather than one-time events must be instituted to minister effectively to those among us who are in need.

This could be a new day for churches if we seize this opportunity to give a cup of cold water (and much more) in Jesus' name. The words of Matthew 25:31-46 must surely challenge us to do these things "for one of the least of these" that we might truly be the people of God who will one day receive the full inheritance from the Father.

Gambling

Gambling is an insidious social addiction. Like a flood it is inundating our society, harming everyone that it touches. It violates God's commandment, "Thou shalt not covet," by seeking to get something for nothing. Every precept of the Scriptures inveighs against it. (I Timothy 6:9-10, Ephesians 4:28, II Thessalonians 3:10-12)

Gambling is practiced in many ways, beginning with small matters, and it subtly enslaves the devotee in a compulsive habit. Gambling takes many forms, sweepstakes of all kinds, football pools, horse race betting, lotteries, bingo, all kinds of card games, raffles by schools, churches, and civic organizations, and even matching coins for coffee at the corner cafe.

History tells us that gambling promotes waste, destroys stable character and is a drain on the economy. The practice of gambling despises the dignity of work, tempts the weakness of man, denies the sovereignty of God and deifies chance and luck. It is a known fact that gambling is often promoted and directed by gangsters and criminals. It is one of the ungodly trinity of the dread vices, liquor, prostitution and gambling. It is progressive, pervasive, and addictive.

Your Christian Life Committee encourages our pastors to identify the devastating effects of this social plague and to preach their best sermons enlightening our people and encouraging them to beware of it and abstain from it.

We call upon our Baptist constituency to avoid gambling as a moral ill in every form and device and to discourage it at every opportunity.

We urge concerned citizens to use every lawful means to oppose gambling in every place and under every circumstance in practice and at the polls. We caution against the false premise of revenue, prosperity and plenty by gambling proponents and against the deception of something for nothing.

We urge our elected officials to support every effort to oppose and defeat this debilitating social parasite.

Wife and Child Abuse

Each year 1.8 million wives in America are beaten by husbands. It is estimated that 16 out of 100 couples have violent confrontations during the course of a year.

The Challenge to pastors is to: Sensitize congregations on how to prevent violence in our society and increase efforts to help members learn to deal constructively with anger and conflict.

Child abuse includes sexual, physical and emotional abuse. This year half a million children will be molested. There has been one hundred percent increase every year for the past five years in child molestation. Of major concern is the increase in reports of children who have been threatened with death, dismemberment to themselves, parents or pets, if they disclosed sexual abuse.

The State of Oklahoma under Title 21 55846 makes it a misdemeanor for **any person** willingly or knowingly failing to report child abuse cases.

The Challenge to churches is to increase efforts to assist with child abuse problems in the community. Here are some ways churches can help:

1. Observe Child Abuse Prevention Sunday
2. Sponsor "Safe at Home" Weekend Seminar (Georgia Council for Child Abuse provides packets of helpful planning materials)
4. Increase efforts to make members aware of the need for foster parents
5. Volunteer the use of church facilities for Parents Anonymous Groups
6. Conduct effective parents' training groups
7. Report cases of child abuse to Department of Human Services, Child Abuse—Phone: (405) 427-2735

"Liquor Advertising"

We are being massacred! Not in the same way that the postal workers were massacred in Edmond last August. Our massacre is more subtle. We are being victimized by the seductive advertising of the wine and beer industries through our media. Our children are being brain-washed by the perverted logic that black is white, that intoxication is better than sobriety, that illness is better than health! Let it be well understood that our convention is aware of this devastating deception and we purpose to fight it!

Drug Abuse

A recent survey revealed that the American public considers drug abuse, including alcoholism, to be the nation's most serious social problem. The deaths of Len Bias and Don Rogers, two nationally acclaimed athletes, earlier this year, was a grim reminder of the solemn truth that drugs kill.

Nothing less than a total war on drugs and alcohol will rid our society of this menacing evil. Success in the war against drugs and alcohol will require creative, co-operative efforts between the public and private sectors of society.

How can Christians respond redemptively?

1. Christian preachers can preach and teach total abstinence from drugs (marijuana, cocaine, heroin, etc.) and alcohol as the only responsible Christian position.
2. Christians can insist that public school officials institute and maintain comprehensive programs of drug and alcohol education for their students.
3. Christians can support legislators, congressmen, and local, state, and national administrators who are willing to allocate large sums of money for dealing with the problem of illicit drugs.
4. Christian preachers can preach Jesus Christ as one who promises a natural high that is infinitely superior to the euphoria sought through drugs and alcohol.

Abortion

The continued slaughter of untold thousands of human fetuses each year in this country through the practice of abortion on demand must cause us as Christians both sorrow and concern. Our concern must lead us to do more to begin to be part of an answer to this frightening problem.

Preventing the termination of thousands of unwanted pregnancies will take far more than decisive legislative action. We must work at a much deeper level than ever before to prevent the problem rather than just prevent the termination of the pregnancy.

If society is to limit unwanted abortions, society must support the prevention of unwanted pregnancies; and the church must work far more responsibly in this area in the future than we have ever done in the past (Foy Valentine, Christian Life Commission National Seminar, 1985).

Local churches can and must face the abortion issue directly and indirectly by:

- 1) providing responsible education regarding abortion to help church members not be deceived, misled, or manipulated by those outside the church,
- 2) offering a support ministry for families and individuals who are grappling with the moral issues related to abortion,
- 3) encouraging Christian families to consider being foster or adoptive parents,
- 4) encouraging informed and responsible Christian education regarding human sexuality and the sacred responsibility of its intended purpose,
- 5) supporting the Child Care Ministry of the Baptist General Convention of Oklahoma in their Pregnancy Crisis centers, hotlines, and programs for unwed mothers,
- 6) encouraging responsible Christian citizenship which will be actively involved in the legislative process.

The Importance of Christian Citizenship

Both history and scripture clearly reveal that God's relationship to individual nations is directly affected by the activities of the citizens of those nations. Those nations who honor him and his work are blessed of God, but those who consistently ignore their responsibility to God and to his Son invariably pay a terrible price for their disobedience.

In America today we have seen the tragic results when Christians withdraw from the political aspects of life and leave that arena to those who do not name Christ as Lord and Savior. Our educational system, the public media, and to a very large degree, the political process has been abandoned by Godly men and women. Those areas of activity tend to reflect the principles and value systems of those who do not name Christ as Lord and Savior.

The Lord Jesus laid down for each of us an eternal principle concerning Christian citizenship in the 22nd chapter of Matthew. In response

to a question concerning tribute or taxes, Jesus gave us this principle: "Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's."

In these words the Master says to each of us that we are to be good citizens both in the Kingdom of God and the kingdom of man. Good citizenship obviously involves an active participation in both kingdoms. A child of God is to participate in those activities in the Kingdom of God and the kingdom of man that are reflective of an active concerned citizen. Christian citizenship is extremely important because it is a clear command of the Master.

Citizenship also is one means of carrying out the Lord's instruction given in the sermon on the mount that we are to be the "light of the world" and the "salt of the earth." These phrases certainly command Christian men and women to have a positive effect upon their community, their state, and their nation. There can be little question but that the clear implication of these terms is fulfilled by Godly men and women who take seriously their responsibility as citizens of this good nation as well as the Kingdom of God.

Strong and active Christian participation in the political process helps create a climate in the legislature where legislation that has positive moral implications and results can be more easily enacted into law. Although the sovereignty of God is not in question, there can be little question but that the Holy Spirit desires an ethical quality of life in which He can most effectively touch the hearts of men and women. Good Christian citizenship helps enhance such a quality of life for the work of the Spirit.

It is important to note that God looks unto his people to determine the quality and extent of a nation's blessing. In fact, the destiny of the nations of history has clearly been determined by the activities of God's chosen people within those nations. These words from II Chronicles 7:14 clearly teach this truth: "If my people, which are called by my name, shall humble themselves, and pray and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." The importance of Christian citizenship in the future of our nation cannot be overemphasized.

Special Care Ministries

Lowell D. Milburn, Executive Director

Special Care Ministries of Oklahoma Baptists represents the blending of Child Care and Adult Care. Thousands of today's children have been left homeless by divorce, alcoholism, illness, poverty, crime, abuse, or neglect. Abuse has become the No. 1 killer of children. Teenage pregnancies have reached epidemic proportion. Abortion has become the No. 1 moral problem of the nation. Only five percent of the people over 65 are independent. Nine out of 10 people over age 65 are either dependent or have to support themselves. There is a great need for ministries to children and adults.

SIGNIFICANT CHANGES NOTED—Don Donalson became director of Adult Care. James V. Browning became assistant to Director Lowell D. Milburn on a retirement basis. Jerry T. Bradley was employed as administrator at Oklahoma City Children's Home and Christopher A. Walker became head of the Retirement Village and Children's Home at Madill. Larry Adams was employed as administrator at Oklahoma City Retirement Village and George Hair became chaplain at the Village at Madill. Michael A. Nomura became director of Rayola Baptist Community at Owasso, which includes Baptist Children's Home, Tulsa Baptist Village, and Evergreen Care Center. The combined Rayola Baptist Community was named in memory of J. Ray Smith and in honor of Mrs. Ola Smith because of their sacrificial gifts of land and resources.

MORE PEOPLE SERVED—Child Care served 1,607 in four children's homes, five group homes, and 60 foster homes. We served 19 college students and counseled 429 families. Adult Care ministered to 1,200 in the seven villages and three nursing homes.

SPECIAL MINISTRY EXPANDED—Crisis Pregnancy Centers were opened in Tulsa and Oklahoma City, Crisis Pregnancy Hotlines were opened in Stillwater, Shawnee, McAlester, and Chickasha. More than 556 unwed mothers were counseled and served. Alternatives to abortion are given and adoption is encouraged as an option.

NEW CONSTRUCTION COMPLETED—Buildings erected include McAlester Group Home, Tate-James Activities Center and Evergreen Care Center at Owasso, and Rademacher Agriculture Center at Boys Ranch Town. Construction was begun on the Mooreland Group Home for Children.

CONTINUED SUPPORT APPRECIATED—Combined budgets for Adult Care and Child Care total almost \$10,000,000. Cooperative Program and Endowment provided \$1,980,985. Mother's Day Offering contributed \$491,013. Birthday/Anniversary gifts totaled \$128,809, and Memorials totaled \$75,628. Cooperative Program supports the chaplaincy and Mother's Day Offering assists in support of hardship cases at our Baptist Villages. Baptist Villages are designed to support themselves, but rental schedules have been adjusted to meet the needs of any person or couple desiring to live in one of our Baptist Retirement Villages. Some income is provided by endowment with the Baptist Foundation.

Thank you Oklahoma Baptists for your concern, prayers, and gifts.

The above is a simplified treasurer's report. A complete certified audit of all Convention work, including institutions, will appear in the 1986 Baptist General Convention of Oklahoma Annual to be released about June 15, 1987, a copy of which will be sent free to every co-operating Baptist church in Oklahoma. The Annual will be mailed to the church in care of the pastor and will be available to every individual for study.

SALARY INFORMATION

Since the auditor's report does not give salaries of all elected employees, the salaries and benefits of department directors and associate department directors are shown here. Salaries of secretaries and other convention employees are in line with those doing similar work in the Oklahoma City area.

Salary and Fringe Benefits Explanation

Every employee receives a basic salary plus fringe benefits. The base salary may be divided as follows:

Cash

House Allowance (if ordained)

Various Annuity Board Plans

Fringe benefits include comprehensive medical insurance, long-term disability insurance, life insurance, accident insurance, dependent life insurance and retirement (10 percent of base salary). For unordained persons, the convention pays employer's part of Social Security.

Here are two samples from 1987 salary schedules. Annual base pay for department directors is \$35,107.92 and for associates \$29,841.60.

Department Director:

Base salary, including Longevity Pay
(to be distributed as below:)

		Monthly	Annually
		\$3,030.08	\$36,360.96
Cash	\$2,230.08		
House Allowance	700.00		
Various Annuity Board Plans	100.00		
TOTAL	\$3,030.08		
Fringe Benefits (Cost to Convention)		582.57	6,990.84
Total base and fringe benefits		\$3,612.65	\$43,351.80

Associate Department Director:

Base salary, including Longevity Pay
(to be distributed as below:)

		\$2,538.28	\$30,459.36
Cash	\$1,538.28		
House Allowance	800.00		
Various Annuity Board Plans	200.00		
TOTAL	\$2,538.28		
Fringe Benefits (Cost to Convention)		521.49	6,257.88
Total Base and Fringe Benefits		\$3,059.77	\$36,717.24

Employees who travel are reimbursed for their expenses when on convention business. The budgets carry a line item for the cost of leasing and insuring cars. There is an additional line item for other travel expenses which includes gas, oil, lodging, etc.

LONGEVITY PAY SCHEDULE

The Board of Directors of the Baptist General Convention of Oklahoma approved a longevity pay schedule for employees on May 15, 1978. A separate line in the budgets indicate the longevity pay in

order to clearly identify the base salary level which is the same for all employees with similar responsibilities.

Rationale Considered by Board of Directors

1. Presently, all employees are employed at the same salary for similar jobs.

2. Recognition for previous experience and skills is presently taken into account by beginning the employee at the same salary as his or her predecessor.

3. Short-term employees cost the BGCO repeated hours of training, moving expenses, etc.

4. A person becomes more valuable as he or she continues serving the BGCO.

5. There are a minimum number of positions in the BGCO and a person of ability, etc. often is limited in opportunities to move up in the organization to a higher salaried job. Longevity pay would help compensate at this point.

6. Recognition for continuous years of service could be accomplished through a longevity pay schedule that:

1) Acknowledges the completion of 3 years with a **\$200 base** longevity compensation.

2) Increases each succeeding year with .2 percent of the salary, per year for each year beyond three years added to the base.

7. This suggested plan gives advantage to lower salaried persons by using the \$200 base for all persons.

8. The plan also gives credibility to longevity pay for higher salaried persons by using a percent of base salary for the annual increase.

AUDIT

For the Year Ended

Board of Directors
Baptist General Convention of
The State of Oklahoma
Oklahoma City, Oklahoma

We have examined the fund balance sheets of THE EXECUTIVE OFFICE OF BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA as of December 31, 1986 and the related statements of support and revenue, expenses and capital additions and changes in fund balances, functional expenses, and changes in financial position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The title "The Executive Office of Baptist General Convention of The State of Oklahoma" represents only one segment of the operations of Baptist General Convention of the State of Oklahoma, and does not include other operations of the Convention as explained in Note 1 to the financial statements.

In our opinion, the financial statements referred to above present fairly the financial position of The Executive Office of Baptist General Convention of the State of Oklahoma at December 31, 1986, and the results of its operations and changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

**THE EXECUTIVE OFFICE OF BAPTIST
GENERAL CONVENTION TO FINANCIAL STATEMENTS
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 1986**

1. Summary of Significant Accounting Policies

Nature of Operations—Baptist General Convention of the State of Oklahoma was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. It was incorporated without capital stock under Oklahoma law. Its first Articles of Incorporation were filed in May, 1917, for a term of twenty years with subsequent amendments providing for an organization in perpetuity.

Administrative activities of Baptist General Convention of the State of Oklahoma are conducted by The Executive Office of Baptist General Convention of the State of Oklahoma.

Composition of Reporting Entity—The accompanying financial statements include only operations designated as "The Executive Office of Baptist General Convention of the State of Oklahoma."

Assets, liabilities, fund balances and results of operations of the following owned organizations, operated and reported as separate organizations, are not included.

1. Baptist Retirement Center, Hugo, Oklahoma
2. Baptist Retirement Center, Oklahoma City, Oklahoma

Basis of Accounting—The financial statements are prepared on the accrual basis of accounting.

Fund Accounting—Separate funds have been established to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the governing board (unrestricted funds) and of those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions (restricted and endowment funds). The following funds have been established for the Convention:

- **Current Unrestricted Fund**—This fund accounts for all resources over which the governing board has discretionary control to use in carrying on the operations of the Convention.
- **Current Restricted Fund**—These funds account for those resources currently available for use, but expendable only for operating purposes specified by the donors.
- **Plant Fund**—This fund accumulates the net investment in fixed assets and accounts for the unexpended resources contributed specifically for the purpose of acquiring or replacing land, buildings, or equipment for use in the operations of the organization. Mortgages or other liabilities relating to these assets are also included in this fund.
- **Endowment Fund**—This fund represents the principal amount of gifts and bequests accepted with the donor stipulation that the principal be maintained intact in perpetuity, until the occurrence of a specified event, or for a specified period, and that only the income from investment thereof be expended either for general purposes or for purposes specified by the donor.

Inventories—Inventories of office and printing supplies and items held for resale at Camps Hudgens and Nunny Cha-ha are stated at the lower of cost or market.

Inventories of livestock, poultry, and feed at the boys' ranch and farm are stated at a nominal value. These items have either been grown or have been contributed and therefore, have no cost value.

Property and Equipment—The Convention capitalizes property and equipment with a cost or fair market value at date of donation of \$500 or more. Depreciation was recorded on the straight-line method from dates of acquisition or donation. The lives generally used are:

Land improvements	20-40 years
Buildings	20-50 years
Furniture and office equipment	4-10 years
Automobiles and machinery	3-10 years

Revenue Recognition—Revenue of the Baptist General Convention consists primarily of voluntary contributions from Baptist churches throughout the State of Oklahoma. The donor may designate its use by the Baptist General Convention. Such designated (restricted) contributions are recognized as revenue when the obligation imposed by the restriction has been met.

Investments and Endowments—The Baptist Foundation of Oklahoma was created as an agency of the Baptist General Convention of Oklahoma for the purpose of receiving and managing all trust funds and all property, real, personal, or mixed, for endowment purposes. Only those funds held by the Foundation for "The Executive Office of Baptist General Convention of the State of Oklahoma" are included in this report. These funds include designated endowment contributions and earnings on such contributions, restricted and custodial funds held for the Convention. The contributed assets are reflected herein at the fair market value at date of contribution.

The capital portion of the lease (\$87,500) relates to the office furnishings. Rent on this portion totals \$11,934 annually. The remaining \$19,322 is considered annual space rent costs under the operating portion of the lease. The financial statements reflect a receivable of \$87,308 at December 31, 1986 for the portion of such rental applicable to the office furnishings.

7. Notes Receivable

During 1985, the Convention sold a house and received a note in the original amount of \$26,700 (balance at December 31, 1986, \$26,263). The note provides for monthly payments of \$295 including interest at 10.5%. The final payment is due in January, 1991.

The Convention has a note receivable secured by land located in Oklahoma City, Oklahoma, resulting from a sale of a dairy farm. The outstanding balance at December 31, 1986 was \$180,000. On January 1, 1987, \$25,000 was received and the note was renewed in the amount of \$155,000 due July 1, 1987, with interest at 9%.

The Convention has a note receivable for funds advanced to the Baptist Retirement Center, Oklahoma City, Oklahoma, an affiliate. The note provides for monthly payments of \$4,000 with interest at 6.5%. The balance at December 31, 1986 and 1985 was \$482,851 and \$500,853, respectively.

8. Capital Lease Obligations

Tulsa Baptist Retirement Center—On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000. The project was completed during 1979 at a total cost of \$1,872,343.

A supplemental bond indenture dated April 1, 1981 in the amount of \$325,000 was issued by the Tulsa Industrial Authority for the purpose of constructing three duplex units. The duplex units were completed during 1981 at a total cost of \$322,923.

The lease rental to be paid by the Convention is an amount sufficient to satisfy both bond obligations. The original and supplemental leases are scheduled to terminate by February 1, 2008 and April 1, 2001, respectively.

The Convention has the right to purchase both the project and duplex units at any time on or after February 1, 1988, at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

The following is a schedule of the retirement center property under capital leases by major classes at December 31, 1986:

	Cost	Accumulated Depreciation
Land	144,000	
Land improvements	80,973	22,471
Building	2,103,899	430,963
	2,328,872	453,434

Telephone System—On July 23, 1986, the Convention executed a lease agreement for a telephone system. The lease calls for monthly payments of \$1,330 for five years. The Convention has the right to purchase the system at the end of the lease term for \$6,387.

The telephone system has been capitalized at \$65,460 and is being depreciated under the straight-line method over five years.

The following is a schedule by years of future minimum lease payments under the lease obligations, together with the present value of the net minimum lease payments as of December 31, 1986:

9. Deferred Life Estates

Certain duplexes were constructed by donors on land owned by the Tulsa Baptist Village in Owasso. These duplexes were donated to the Village and the donors have a rent-free life estate in the duplexes. The duplexes were capitalized at a value approximating total construction costs, and are being depreciated over their estimated useful lives. The deferred liability for the life estates, representing future rentals to be provided, is reduced annually for rentals, based upon the donors' life expectancy. At December 31, 1986 and 1985, the deferred life estates totaled \$1,160,022 and \$1,016,885, respectively. The original capitalized value was \$1,340,935 and \$1,057,935 at December 31, 1986 and 1985.

10. Prior Period Adjustments

FINANCIAL STATEMENTS

AS OF DECEMBER 31, 1986
Together With Auditor's Report Thereon

By

To the Board of Directors
The Baptist Foundation of Oklahoma

We have examined the statement of assets and liabilities arising from cash transactions of THE BAPTIST FOUNDATION OF OKLAHOMA as of December 31, 1986 and the related statement of support and revenue collected, expenses paid, and changes in fund balances and of changes in funds arising from cash transactions for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Foundation's policy is to prepare its financial statements on the basis of cash receipts and disbursements, except that they include a provision for depreciation of equipment. Consequently, certain revenue and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above, present fairly the assets and liabilities of The Baptist Foundation of Oklahoma arising from cash transactions as of December 31, 1986 and the support and revenue collected, expenses paid, and changes in fund balances and the changes in funds arising from cash transactions for the year then ended, on the basis of accounting described in Note 1, which basis has been applied in a manner consistent with that of the preceding year after giving retroactive effect to the change, with which we concur, in the method of accounting for restricted fund revenue and the restatement of fund groupings, as described in Note 9 to the financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General—The Baptist Foundation of Oklahoma (the Foundation) is a private, nonprofit religious association chartered by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention of the State of Oklahoma (the Convention) to administer funds and property received by gift, devise, bequest, or otherwise in order to assist and promulgate the furtherance of the Convention and, to promote Baptist doctrines, evangelism, Christian education, and both home and foreign mission work.

Basis of Accounting—The financial statements of the Foundation have been prepared on the basis of cash receipts and disbursements, except that they include a provision for depreciation of equipment and depletion on mineral properties.

Fund Accounting—To insure observance of limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund groups as follows:

Unrestricted Operating Fund—The Unrestricted Operating Fund is designed to account for resources which are expendable for support of Foundation operations and for the acquisition of equipment. This fund has no external restriction on its use or purpose, and can be used for any purpose designated by the governing board.

Property and Equipment Fund—This fund reports the carrying value of all property and equipment utilized by the Foundation in its operations, exclusive of those real properties held for investment or received under fiduciary responsibility.

Restricted Funds—Restricted funds are funds other than endowments, the use of which has been restricted by outside agencies or persons (donors/grantors) for specific purposes. Such funds are generally restricted for capital improvements. Revenues of restricted funds are reported as such to the extent that expenses have been incurred for the purpose specified by the donor or grantor during the period.

Endowment and Trust Funds—The Endowment and Trust Funds are comprised of resources received by gift, devise, bequest, or otherwise that are subject to restrictions of the gift or trust instrument. Endowment funds account for assets received under the stipulation of the donors that the principal be invested and that only the income be used for the designated purposes until a specified time or occurrence, or in perpetuity. The trust funds require that distributions be made to the designated beneficiaries.

Endowment and Trust Funds also include revocable trusts totaling approximately \$5,300.00 at December 31, 1986.

Loan Funds—These funds represent resources restricted for loans.

Custodian Funds—These funds account for assets received by the Foundation to be held and disbursed only on instructions of the person or organization from whom they were received, as contrasted to funds held under fiduciary capacity. The receipt of such funds and the disbursement thereof are reported in the net capital additions section of the statement of support and revenue. The net balances of custodian funds are reported in the statement of assets and liabilities as amounts held for others.

General Investment Fund—This fund is an investment pool for the various funds of the Foundation. A participating fund increases or decreases ownership in the fund by the purchase or redemption of units. The fund is operated on the market value method whereby units are valued based on the relationship of total units outstanding to total assets. Investment income is allocated to participating funds based on percentage of ownership. Assets of the General Investment Fund consist primarily of Church building loans, commercial stocks, mortgage-backed repurchase agreements, and GNMA funds.

Property and Equipment—Major expenditures for equipment are capitalized at cost while donated property and equipment are capitalized at fair market value at the date of the gift. Depreciation of equipment in the Operating Fund is provided for over the estimated useful lives of the respective assets on a straight-line basis. No provision is made for depreciation of rental and other properties carried as investments in the Endowment and Trust Funds.

Annuities—The Foundation accepts gifts made in trust for various Baptist agencies and institutions which require the Foundation to pay the donors substantially the equivalent of interest on the amount of the gift during the lifetime of the donor. The Foundation also accepts trusts naming individuals as lifetime beneficiaries rather than Baptist agencies and institutions. A specified portion of the income of these trusts is disbursed to the individuals during their lifetime, and upon their death, the trusts are to be administered for the benefit of the Baptist agencies or institutions as designated. The liability for future payments to beneficiaries, totaling \$220,389 at December 31, 1986, is reported as a reduction of the corpus of such funds.

Appropriation for Corpus Preservation—For certain endowments, the Foundation appropriates a portion of the income to preserve the value of the corpus. Such appropriation, totaling \$1,895,181 at December 31, 1986, is included as a part of the total corpus balance. This appropriation is generally for endowments with depletable assets such as mineral properties, but may also be specified for other endowments. Various methods are used to calculate the amount to be appropriated.

Income Taxes—The Foundation is exempt from income taxes under Section 501 (C) (3) of the Internal Revenue Code.

NOTE 6—RELATED PARTIES

As disclosed in Note 1, the Foundation is affiliated with the Baptist General Convention of the State of Oklahoma (the Convention). The majority of the funds administered by the Foundation are for the benefit of the Convention, its agencies and various other Baptist organizations. Throughout the year the Foundation makes distributions either directly to these organizations or on their behalf. The Foundation also receives funds from these organizations, both to administer for their benefit and to support the Foundation's operations.

The Foundation receives appropriations from the Cooperative Program of the Convention. Appropriations for the year ended December 31, 1986 were \$314,650.

The Foundation makes loans to Baptist churches to finance the construction of church buildings. These loans are secured by first mortgages on the buildings constructed and require personal endorsements of church representatives. The lives of these loans vary from 10 to 15 years. Interest rates are set at the approximate current rate available from commercial sources. The balances of church building loans outstanding at December 31, 1986 was \$30,895,325 (1985—\$25,923,889).

At December 31, 1986, the Foundation had outstanding commitments totaling \$6,069,000 for church building loans.

NOTE 7—PENSION PLAN

All employees of the Foundation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Foundation contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for the year ended December 31, 1986 was \$46,065 (1985—\$42,994). The Foundation's policy is to fund pension cost as it is incurred.

NOTE 8—CAPITAL AND OPERATING LEASES

The Foundation occupies newly remodeled office space in the Baptist Building, which is owned by the Baptist General Convention of the State of Oklahoma, under an agreement expiring in 2001. The Convention borrowed \$250,000 from the Church Building Loan fund for the purpose of funding the remodeling costs and for the acquisition of office furnishings for the Foundation. Rental payments by the Foundation are equal to the debt service requirements of the Convention.

The office furnishing thus acquired, totaling \$87,500, have been capitalized by the Foundation. A portion of the rental cost, totaling \$11,934 annually, is applicable to the office furnishings acquired under capital lease. The remaining \$19,322 is considered annual space rent costs under the operating portion of the lease. The financial statements reflect a liability of \$87,308 at December 31, 1986 for the portion of such rental applicable to the office furnishings.

The following schedules the minimum future annual rental commitment under the lease:

Years ended:	Capital Lease Portion	Operating Lease Portion	Total
1987	11,934	19,322	31,256
1988	11,934	19,322	31,256
1989	11,934	19,322	31,256
1990	11,934	19,322	31,256
1991	11,934	19,322	31,256
Thereafter	119,344	235,844	355,188
	179,014	332,454	511,468
Less amount representing interest	91,706		
Liability under capital lease	87,308		

NOTE 9—RESTATEMENT OF FINANCIAL STATEMENTS

The Foundation has revised its accounting principles and reporting format to more closely conform to those principles and practices promulgated by the statement of position for certain nonprofit organizations issued by the Accounting Standards Division of the American Institute of Certified Public Accountants to the Financial Accounting Standards Board. As specified by that document, this change has been applied retroactively, and the fund balances and related

accounts at January 1, 1986 have been restated. In addition, certain accounts have been adjusted by \$52,751 for corrections in amounts previously reported.

The following schedules the restatement of beginning balances:

Total fund balances, December 31, 1985:	
Unrestricted operating fund	155,841
Trust and endowment fund	61,462,568
Total, before restatement	61,618,409
Unexpended restricted funds transferred to deferred revenue	(1,463,111)
Other adjustments	(52,751)
Total fund balances, January 1, 1986, as restated	<u>60,102,547</u>
Reclassified by fund grouping:	
Fund balances:	
Unrestricted operating fund	125,645
Property and equipment fund	28,148
	<u>153,793</u>
Restricted funds (amount transferred to other funds in 1986)	79,752
Loan funds—restricted	942,680
Endowment and trust funds	43,845,180
Held for others—Custodian funds	<u>15,081,142</u>
Total fund balance and related accounts, January 1, 1986, as restated	<u>60,102,547</u>

In addition to the changes in the reporting format for recognition of reclassified fund groupings, another significant change in accounting principle is the recognition of restricted revenue to the extent that expenses have been incurred for the purpose specified by the donor or grantor during the period. In prior years, since restricted funds were not classified as such, restricted revenue was recognized when received. This change in accounting principle for 1986 increased the excess of support and revenue over disbursements by \$143,732 over that which would have been reported by the method used in prior years.

We have examined the fund balance sheets of THE OKLAHOMA BAPTIST UNIVERSITY as of July 31, 1986 and 1985, and the related statements of changes in fund balances and of current fund revenues, expenditures, and other changes for the year ended July 31, 1986. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of The Oklahoma Baptist University as of July 31, 1986 and 1985 and the changes in the fund balances and the current fund revenues, expenditures and other changes for the year ended July 31, 1986, in conformity with generally accepted accounting principles applied on a consistent basis.

THE OKLAHOMA BAPTIST UNIVERSITY
Shawnee, Oklahoma
NOTES TO FINANCIAL STATEMENTS
For the Year Ended July 31, 1986

1. Summary of Significant Accounting Policies

Organization—The Oklahoma Baptist University was created by action of the Baptist General Convention of Oklahoma in 1909 to function as an operating unit of the Convention under supervision of a Board of Trustees elected by that Convention. Articles of Incorporation were filed February 9, 1910 and amended November 25, 1974 with the State of Oklahoma and a charter was granted for a corporation of perpetual duration without capital stock. The purpose of the corporation is to encourage, support, provide and maintain Christian education and to engage in Christian undertakings which are in keeping with the purpose of the Baptist General Convention of the State of Oklahoma.

Accrual Basis—Except for depreciation which is discussed later in this note, the financial statements of The Oklahoma Baptist University have been prepared on the accrual basis. The statements of current fund revenues, expenditures and other changes are statements of current period financial activities. They do not purport to present the results of operations or net income or loss for the period.

To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as (1) expenditures, in the case of normal replacements or equipment and library books; (2) mandatory transfers, in the case of required provisions for debt amortization and interest; and (3) nonmandatory transfers, in all other cases.

The library is valued at an amount equal to the cost of books, periodicals and microform acquired during the past ten years, plus an estimated replacement cost of \$5 per volume for those volumes which have been in the collection longer than ten years. Library acquisitions totaled approximately \$55,000 for the current year.

Inventories consist primarily of bookstore supplies held for resale and maintenance supplies. Inventories are priced at cost, generally on a first-in, first-out basis.

Fund Accounting—In order to ensure observance of limitations and restrictions placed on the use of resources available to the University, the accounts of the University are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups.

Externally restricted funds may only be utilized only in accordance with purposes specified by the source of such funds. This is in contrast with unrestricted funds over which the governing board retains full control to use in achieving any institutional purposes.

Endowment funds are subject to the restrictions of gift instruments requiring that the principal be invested and only the income be utilized.

All gains and losses arising from the sale, collection or other disposition of investments and other noncash assets are accounted for in the funds which owned the assets. Ordinary income derived from investments, receivables, and similar assets is accounted for in the funds owning such assets, except for income derived from investments of endowment and similar funds. Such income is accounted for in the funds to which it is restricted or, if unrestricted, as revenues in the current unrestricted fund.

All other unrestricted revenue is accounted for in the current unrestricted fund. Restricted gifts, grant appropriations, endowment income and other restricted resources are accounted for in the appropriate restricted funds. Current restricted funds are reported as revenues and expenditures when expended for current operating purposes.

Investments—Investments which were purchased by the University are generally stated at cost. Investments received from donors are stated at market value as of the date of the gift.

Property, Plant and Equipment—Property, plant and equipment is stated at cost at the date of acquisition or at fair market value at the date of donation. No depreciation of plant assets has been recorded.

Revenue Recognition—Charges for student tuition, fees and other charges are recognized as income when charged to the students. Collections on pledges are recognized as income when the cash is received. Gifts and other contributions for designated uses are recognized as income when expended. Undesignated gifts and contributions are recognized as income when received.

(A) The first indenture, known as Oklahoma Baptist University Dormitory Bonds, Series 1955, consists of 2¾% first mortgage bonds. These bonds mature in amounts increasing from \$15,000 in 1976 to \$23,000 on November 1, 1995, and are secured by a first mortgage on the Mrs. W. S. Kerr Memorial Dormitory, included herein at the University's cost of \$921,139.

(B) The second indenture, known as Oklahoma Baptist University Student Housing Bonds, Series 1957, consists of 2-7/8% first mortgage bonds. These bonds mature in amounts increasing from \$17,000 in 1976 to \$33,000 on October 1, 1997, and are secured by a first mortgage on Brotherhood Memorial Dormitory, included herein at the University's cost of \$2,765,248.

Memorial Dormitory are pledged for the retirement of these bonds. The University is required to maintain sinking funds with the trustee.

7. Oklahoma Baptist University Authority—1979 Capitalized Lease Obligation

The University entered into a capitalized lease obligation with Oklahoma Baptist University Authority in December 1979, to obtain funds to construct a health, physical education, recreation and activities complex; to remodel the Brotherhood and W.M.U. Memorial Dormitories and the Clark Craig Field House; to finance computer facilities; and to pay existing indebtedness. The Authority obtained funds for these improvements by issuing \$7,640,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1979". Assets totaling approximately \$7,400,000 have been constructed or purchased under this lease. These assets are included with other property, plant and equipment in the plant fund.

The lease was amended on June 1, 1985 to obtain funds to finance a portion of the construction of the science building, married student housing, and a campus ministries center, and for the renovation of Kerr Dormitory, the Theater Annex, Montgomery and Thurman Halls, and Parkway and Jent Apartments. The Authority obtained funds for these projects by issuing \$5,300,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1985". The remainder of the costs of these projects is to be financed by funds raised in a special fund raising campaign and by University resources. As of July 31, 1986, accumulated costs on these projects totaled \$5,552,321. Projects totaling \$307,668 have been completed and are included with other property, plant and equipment in the plant fund. These remaining projects are still in process and their accumulated costs (\$5,244,653 as of July 31, 1986) are included in construction in progress in the plant fund along with \$340,646 in funds held by the trustee pending disbursement by the trustee on the above projects.

Both bond series are secured by rentals and other monies derived from the lease of the main campus facilities, by mortgages on specified real estate which comprises the main campus, and by a guarantee from The Baptist General Convention of Oklahoma.

NOTES TO FINANCIAL STATEMENTS
December 31, 1986

1. Summary of Significant Accounting Policies

The Center is owned and operated by the Baptist General Convention of the State of Oklahoma (Convention), and operates a nursing home for the elderly in Hugo, Oklahoma. The Center presents its financial statements in accordance with the "Hospital Audit Guide," published by the American Institute of Certified Public Accountants. Under the provision of that Guide, the following accounting policies, unique to not-for-profit hospitals and nursing homes, are in effect:

Funds—Restricted funds are used to differentiate funds, the use of which is limited by the donor, from funds on which the donor places no restriction or which arise as a result of the operation of the institution for its stated purposes. Funds restricted for property and equipment are added to the unrestricted fund balance to the extent expended within the period. Resources set aside for board-designated purposes are not considered to be restricted.

Basis of Accounting—The accrual basis of accounting is used. Revenue is recognized in the period service is provided.

Inventories—Inventories are stated at cost, but not in excess of market.

Property and Equipment—Depreciation is provided on the straight-line method at rates calculated to write off the cost of the assets over their estimated useful lives. The rates generally used were:

Land improvements	5%
Buildings and improvements	2 to 5%
Fixed equipment	5%
Major movable equipment	10%

The property and equipment is shown at cost or fair market value at date of acquisition or donation. Funds equal to a portion of depreciation expense have been set aside to ultimately be used to replace property and equipment as necessary. The balance of such funds at December 31, 1986 was \$12,569 (December 31, 1985, \$40,934). In addition, \$864 has been set aside for renovations.

2. Restatement of Amounts Due to Authority

The fund balance at January 1, 1986 has been restated to reflect an adjustment totaling \$25,673 in the amount due to Hugo Golden Age Home Authority (Authority). Of this amount, \$2,081 of interest was applicable to the year ended December 31, 1985, and the balance (applicable to years prior to 1985) has been credited to fund balance at January 1, 1985.

3. Agreements with Hugo Golden Age Home Authority

In 1970, the Center underwent a large expansion which was financed through the Hugo Golden Age Home Authority, a public trust. The Authority issued tax exempt bonds in the amount of \$320,000, of which \$125,000 was used to retire indebtedness to the Baptist General Convention of the State of Oklahoma, and the remaining \$195,000 was used for improvements to the facility, bond issue costs, and other related expenses.

At that time, the Baptist General Convention of the State of Oklahoma leased the facilities to the Authority for a period that would coincide with the bond life of approximately 16 years. The Authority then executed an operating and maintenance agreement with the Convention, which provides for the Convention to operate the Center on behalf of the Authority. The form of this agreement provides for the Authority to pay to the Convention, as rent, the net results of operations after deducting sufficient funds to meet annual bond debt service consisting of principal, interest, trustee fees, and any other related costs. The substance of the agreement differs from form in that the Convention retains all benefits of ownership and operations because all funds resulting from operations less debt service payments inure to the Convention. The financial statements for the Center have been prepared recognizing the substance over the form of this agreement.

In addition to the leasing of the facility to the Authority, the Convention also pledged its "full faith and credit" toward the payment of all principal and interest due under the bonds as an additional guarantee to the bond holders. This additional guarantee has, in effect, caused the Convention to be responsible for the payment of debt service in the event that facility operations are insufficient to meet such payments.

The lease will terminate during the year ending December 31, 1987. The amount due the Authority for debt service for that year is \$3,007.

4. Financial Statements for the Year Ended December 31, 1985

The amounts shown for the year ended December 31, 1985 in the accompanying statement of income are included to provide a basis for comparison with the year ended December 31, 1986 and present summarized totals only. Accordingly, the year ended December 31, 1985 amounts are not intended to present all information necessary for a fair presentation of the results of operations in accordance with generally accepted accounting principles.

BAPTIST RETIREMENT CENTER
Oklahoma City, Oklahoma
Owned by Baptist General Convention of the State of Oklahoma
NOTES TO FINANCIAL STATEMENTS
December 31, 1986

1. Summary of Significant Accounting Policies

Nature of Operations—Baptist Retirement Center, Oklahoma City, Oklahoma was constructed in 1965 by Baptist Laymen's Corporation, a nonprofit corporation affiliated with Baptist General Convention of the State of Oklahoma. The Center is located near Northwest Highway and Council Road in Oklahoma City, Oklahoma. It consists of Lackey Manor (a nursing home), houses and apartment units located adjacent thereto.

In 1974, the Baptist Laymen's Corporation conveyed ownership of the Center to Baptist General Convention of the State of Oklahoma. The Baptist Laymen's Corporation continues to operate the Center for the Convention.

The Center reports in accordance with the "Hospital Audit Guide," published by the American Institute of Certified Public Accountants. Under the provisions of that guide, the following accounting policies, unique to not-for-profit hospitals and nursing homes, are in effect:

Basis of Accounting—The accrual basis of accounting is used. Service revenue is recognized in the period service is provided. Apartment revenue is recognized in the period such revenue accrues to the Center.

Inventories—Inventories are stated at cost, but not in excess of market.

Property, Plant, and Equipment—Depreciation is provided on the straight-line method at rates calculated to write off the cost of the assets over their estimated useful lives. The rates generally used were:

Land improvements	5%
Building and improvements	2 to 5%
Fixed equipment	5%
Major movable equipment	10% to 20%

The property and equipment is shown at cost or fair market value at date of acquisition or donation.

Investments Held by Other Entities—The Baptist Foundation of Oklahoma was created as a recipient for funds that could be invested. Funds held by the Foundation, included herein at cost or market value at date of receipt or donation, were derived from contributions both by the retirement center and individual donors with the retirement center as beneficiary.

The Center has an endowment fund at the Oklahoma City Community Foundation, Inc. with a balance of \$25,000 at December 31, 1986 and 1985. The Center received \$3,375 income from this fund during the current year. The income from this fund may be used for any purpose; however, the corpus may not be withdrawn, and therefore is not included as an asset in the accompanying financial statements.

Life Estates—Several residents have remitted funds to the Baptist General Convention of the State of Oklahoma to be used to build houses or duplexes at the Center. In exchange for the funds, these residents have the right to live in the dwellings rent-free for the remainder of their lives. These funds are recognized in the financial statements as deferred annuities which will be amortized over the life expectancy of the residents. The amount amortized each year is included in apartment revenue.

2. Capitalized Lease Obligations (Bonds Payable)

In 1964, land on which the Baptist Retirement Center, Oklahoma City, Oklahoma is located was conveyed to Baptist Laymen's Corporation to be held in trust for the use and benefit of Baptist General Convention of the State of Oklahoma.

In 1971, the Corporation leased the premises to the Oklahoma Industries Authority (OIA). OIA issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Baptist General Convention of the State of Oklahoma (Convention). OIA then subleased the premises to the Baptist Laymen's Corporation for a period of twenty years with payments equal to the annual debt service requirement of the OIA on bonds issued as described below. The Corporation has the option to acquire the leasehold estate at any time after June 30, 1981, for an amount necessary to retire all outstanding bonds issued by the OIA. The Series A bonds outstanding at December 31, 1986 totaled \$255,000 (1985—\$295,000). Series B bonds were retired in 1982.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds are guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Corporation has the option to acquire the leasehold estate at any time after March 1, 1988, for the amount required to retire all outstanding bonds issued by the OIA. The bonds outstanding at December 31, 1986 totaled \$1,790,000 (1985—\$1,830,000).

On March 1, 1982, the Baptist Laymen's Corporation executed a lease with the Oklahoma County Industrial Authority (OCIA). OCIA issued its Baptist Laymen's Corporation First Mortgage Revenue Note, Series A (Lackey Manor Project) in the amount of \$4,500,000. The note is guaranteed by the Convention. The OCIA assumed responsibility for the construction of a 36 unit intermediate care apartment complex with cafeteria and 22 quadruplexes. The term of the lease is 10 years with quarterly payments equal to principal, premium, and interest due on next note payment date and any administrative expenses, less any surplus in the sinking fund. The Corporation has the option to acquire the leasehold estate at any time prior to the expiration of the lease term for the amount required to retire all outstanding indebtedness plus \$500. The note payable outstanding at December 31, 1986 totaled \$3,656,250 (1985—\$3,881,250).

The annual lease payments for years subsequent to December 31, 1986 are as follows:

Present value of minimum lease payments	247,500	1,519,067	3,594,957	5,361,524

Interest earned by the indenture trustee was used to reduce the 1986 lease payments otherwise required of the Retirement Center. This amount, which is primarily nonrecurring, totaled \$26,973 and was reported as interest income in the accompanying statement of income for 1986.

On July 1, 1974, the Corporation transferred back to the Baptist General Convention of Oklahoma all of the Oklahoma City Baptist Retirement Center's real and personal property used in its operations. Baptist Laymen's Corporation acts as the governing body of the Center for the Convention.

During 1986, the Center began construction of a duplex and seven quadruplexes, renovation of a house, and repair of apartment roofs. The total cost of these projects was estimated to be approximately \$1,500,000. At December 31, 1986, the construction of the duplex and the renovation and repair projects were complete.

These projects were financed by a construction loan from Central Bank, Oklahoma City, Oklahoma. The maximum amount of the loan is \$1,500,000. At December 31, 1986, the Center had borrowed \$725,021. Interest at 1% above prime is payable quarterly. The loan is secured by certain real estate at the Center. The Center has a commitment from The Baptist Foundation of Oklahoma to refinance the loan on a long-term basis upon completion of the project.

5. Accounts Payable

Accounts payable includes \$21,884 owed to the Baptist General Convention of the State of Oklahoma on an open account.

6. Abandoned Construction Project

During 1984 and 1985, the Baptist General Convention of the State of Oklahoma made architectural and feasibility studies of the construction of twin towers of luxury retirement apartments at the Center. During 1986, the Convention abandoned the project as unfeasible. The architectural feasibility study and related costs totaling \$220,424 were written off in 1986.

7. Year Ended December 31, 1985 Statement of Income
