10.02. Indemnification of Trustees. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative by reason of the fact that he is or was a trustee, officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation as a trustee, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, and reasonable cause to believe that his conduct was not unlawful.

10.03. Authorization of Indemnification. Any indemnification under Section 10.02 of this Article (unless ordered by a court) shall be made by the Corporation upon a determination that indemnification of the trustee, officer, employee, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 10.02. Such determination shall be made by the Board of Trustees by a majority vote of a quorum consisting of trustees who were not parties to such action, suit or proceeding; or if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested trustees so directs, by independent legal counsel in a written opinion.

10.04. Non-Exclusive Indemnification. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the law

of the State of Oklahoma, as now or hereafter enacted; the Certificate of Incorporation; any agreement; and any insurance purchased by the Corporation. Such rights shall continue as to a person who has ceased to be a trustee, officer, employee or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a trustee, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a trustee, officer, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article X.

ARTICLE XI CONFLICT OF INTEREST

11.01. Definition. A trustee or officer of the Corporation shall be considered to have a conflict of interest if (a) such trustee or officer has existing or potential financial or other interests which might impair or might reasonably appear to impair such person's independent, unbiased judgment in the discharge of his or her responsibilities, or (b) if such trustee or officer is aware that such trustee or a member of his or her family (which for purposes of this provision shall be a spouse, parents, siblings, children, and any other relative if the latter reside in the same household as the trustee or officer) is an officer, employee, member, partner, trustee, or controlling stockholder, has such existing or potential financial or other interest. 11.02. Disqualification Because of Conflict of Interest. A trustee or officer of this Corporation having a conflict of interest shall be disqualified from dealing or contracting with the Corporation as a vendor, purchaser or otherwise; and any transaction, contract or act of the Corporation with such trustee or any member of his family as defined in 11.01 above having a conflict of interest shall be void.

11.03. Disclosure of Conflict of Interest. The fact that such trustee or officer has a conflict of interest shall be disclosed or shall be known to all of the trustees, or to such members thereof as shall be present at any meeting of the Board of Trustees at which action upon any such contract, transaction or act shall be taken. The minutes of such meeting shall reflect that a disclosure was made and that the trustee or officer having a conflict of interest declared such conflict of interest.

ARTICLE XII DISSOLUTION

12.01. Dissolution. The Corporation may be dissolved by an affirmative vote of a majority of all the trustees of the Corporation then in office at a meeting called for the purpose of considering such a proposal or, if there be not any trustees, by order of a court of competent jurisdiction.

Upon final dissolution of the Corporation or disbanding of the Corporation, title to the remaining assets of the Corporation shall be vested in The Baptist General Convention of the State of Oklahoma. In the event The Baptist General Convention of the State of Oklahoma shall not be an organization qualified as exempt under Section 501(c)(3) of the Internal Revenue Code upon dissolution or disbanding of the Corporation, then the remaining assets of the Corporation shall be distributed to such other like organizations which then qualify as an exempt organization or organizations under Section 501(c)(3) of the Internal Revenue Code, as the Board of Trustees of this Corporation may select and designate; and in no event shall any of said assets or property, in the event of dissolution thereof, go or be distributed to any private individuals, either for the reimbursement of any sum subscribed, donated, or contributed by such private individuals, or for any other purpose.

A quorum of the directors may adjourn any directors' meeting to meet again at a stated day and hour; provided, however, that in the absence of a quorum a majority of the directors present at any directors' meeting, either regular or special, may adjourn to a later date but may not transact any business until a quorum has been secured. At any continued meeting at which a required number of directors shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

3.14. Notice of Continued Meeting. Notice of the time and place of holding an adjourned meeting which is to be continued at a later date need not be given to absent directors if the time and place is fixed at the adjourned meeting.

3.15. Telephonic Meetings. Members of the Board of Directors, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone or similar communications equipment that enables all persons participating in the meeting to hear each other. Such participation shall constitute presence in person at such meeting.

3.16. Action Without Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at a meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if a written consent to such action is signed by all members of the Board or of such committee as the case may be, and such written consent is filed with the minutes of proceedings of the Board or committee.

3.17. Fees and Compensation. No director (as such) of the Corporation shall receive, directly or indirectly, any salary or compen-

sation from the Corporation, but may receive reimbursement for personal expenses actually incurred in carrying out their responsibilities as director.

3.18. Maintenance and Inspection of Bylaws. The Corporation shall keep at its principal office, the original or a copy of the Bylaws as amended to date, which shall be open to inspection by the directors at all times during office hours.

3.19. Maintenance and Inspection of Other Corporation Records. The accounting books and records and written actions of and minutes of the proceedings of the Board of Directors and any committee or committees of the Board of Directors shall be kept at the principal office of the Corporation. 4.01. Notice of Annual/Regular Meeting of Board of Directors. The Secretary of the Corporation shall cause written notice of annual and regular meetings of the Board of Directors to be given to each member of the Board of Directors at least ten (10) days prior to any meeting of the Board of Directors. Such notices shall set forth the date, time and place of the annual and regular meeting and shall be addressed to each director at the addresses that appear on the books of the Corporation or at such other address as supplied by such director. Such mailing, facsimile transmission or delivery as provided above shall be due, legal and personal notice to such director.

4.03. Waiver of Notice. Whenever any notice is required to be given under the provisions of law or of the Certificate of Incorporation or of these Bylaws, a waiver in writing signed by the director to such notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

No personal property having a value in excess of \$100,000.00, and no real property, may be purchased, acquired other than by gift, sold, transferred, assigned or conveyed by the Corporation, unless the Board of Directors of the Corporation and the Board of Directors of The Baptist General Convention of the State of Oklahoma approves such purchase or sale and determines that such sale shall be necessary or convenient and for the best interests of the Corporation. No acquisition, purchase, assignment, conveyance or transfer of such property or any interest therein either to or from the Corporation shall at any time be made by the Corporation until such purchase, acquisition, assignment, transfer or conveyance shall have been authorized by a vote of the Board of Directors of the Corporation at a duly called meeting, held pursuant to the provisions of these Bylaws, and shall have been authorized by a vote of the Board of Directors of The Baptist General Convention of the State of Oklahoma at a special or regular meeting. No such transfer or conveyance shall be valid or binding upon the Corporation unless the vote by which the same is authorized shall have been entered and recorded in the records of the Corporation.

until such approval has been obtained by a vote of the Board of Directors of the Corporation at a duly called meeting, held pursuant to the provisions of these Bylaws, and shall have been authorized by a vote of the Board of Directors of The Baptist General Convention of the State of Oklahoma at a special or regular meeting. No such encumbrance shall be valid or binding upon the Corporation unless the vote by which the same is authorized shall have been entered and recorded in the records of the Corporation.

ARTICLE X

LIABILITY: INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES AND VOLUNTEERS

10.01. Limited liability. To the maximum extent permitted by the General Corporation Act of the State of Oklahoma, and any other provision of Oklahoma law, as now existing or as it may hereafter be amended, no director of this Corporation shall be personally liable to this Corporation for monetary damages for breach of fiduciary duty as a director.

10.02. Indemnification of Directors. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, and reasonable cause to believe that his conduct was not unlawful.

10.03. Authorization of Indemnification. Any indemnification under Section 10.02 of this Article (unless ordered by a court) shall be made by the Corporation upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 10.02. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding; or if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion.

10.04. Non-Exclusive Indemnification. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the law

of the State of Oklahoma, as now or hereafter enacted; the Certificate of Incorporation; any agreement; and any insurance purchased by the Corporation. Such rights shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

10.05. Insurance. The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under the provisions of this Article X.

ARTICLE XI

CONFLICT OF INTEREST

11.01. Definition. A director or officer of the Corporation shall be considered to have a conflict of interest if (a) such director or officer has existing or potential financial or other interests which might impair or might reasonably appear to impair such person's independent, unbiased judgment in the discharge of his or her responsibilities, or (b) if such director or officer is aware that such director or a member of his or her family (which for purposes of this provision shall be a spouse, parents, siblings, children, and any other relative if the latter reside in the same household as the director or officer) is an officer, employee, member, partner, director, or controlling stockholder, has such existing or potential financial or other interest. Any director or officer who is uncertain whether he or she has a conflict of interest may request the Board of Directors to determine whether a conflict of interest exists and the Board of Directors shall resolve the question by majority vote, with the requesting director abstaining.

11.02. Disqualification Because of Conflict of Interest. A director or officer of this Corporation having a conflict of interest shall be disqualified from dealing or contracting with the Corporation as a vendor, purchaser or otherwise; and any transaction, contract or act of the Corporation with such director or any member of his family as defined in 11.01 above having a conflict of interest shall be void.

11.03. Disclosure of Conflict of Interest. The fact that such director or officer has a conflict of interest shall be disclosed or shall be known to all of the directors, or to such members thereof as shall be present at any meeting of the Board of Directors at which action upon any such contract, transaction or act shall be taken. The minutes of such meeting shall reflect that a disclosure was made and that the director or officer having a conflict of interest declared such conflict of interest.

ARTICLE XII DISSOLUTION

12.01. Dissolution. The Corporation may be dissolved by an affirmative vote of a majority of all the directors of the Corporation then in office at a meeting called for the purpose of considering such a proposal or, if there be not any directors, by order of a court of competent jurisdiction.

12.02. Disposition of Property. Upon final dissolution of the Corporation or disbanding of the Corporation, title to the remaining assets of the Corporation shall be vested in The Baptist General Convention of the State of Oklahoma. In the event The Baptist General Convention of the State of Oklahoma shall not be an organization qualified as exempt under Section 501(c)(3) of the Internal Revenue Code upon dissolution or disbanding of the Corporation, then the remaining assets of the Corporation shall be distributed to such other like organizations which then qualify as an exempt organization or organizations under Section 501(c)(3) of the Internal Revenue Code, as the Board of Directors of this Corporation may select and designate; and in no event shall any of said assets or property, in the event of dissolution thereof, go or be distributed to any private individuals, either for the reimbursement of any sum subscribed, donated or contributed by such private individuals, or for any other purpose.

ARTICLE XIII FISCAL YEAR

The fiscal year shall be as the Board of Directors shall designate and may be changed from time to time as deemed for the best interests of the Corporation.

ARTICLE XIV TAX EXEMPT STATUS

14.01. Organization Exclusively for Tax-Exempt Purposes. The Corporation is organized exclusively as a not-for-profit Corporation as defined in Section 501(c)(3) of the Internal Revenue Code of 1986, or the corresponding provisions of any future United States Internal Revenue Code.

14.02. Prohibitions to Assure Tax-Exempt Status. No part of the net earnings of the Corporation shall inure to the benefit of, or be distributable to, its directors, officers, or other private persons, except that the Corporation shall be authorized and empowered to pay reasonable compensation for service rendered and to make payments and distributions in furtherance of the purposes set forth in Article V hereof. No substantial part of the activities of the Corporation shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the Corporation shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on

behalf of any candidate for public office. Notwithstanding any other provision of these Articles, the Corporation shall not carry on any other activities not permitted to be carried on by a corporation exempt under Section 501(c)(2) of the Internal Revenue Code.

ARTICLE XV

BAPTIST RETIREMENT CENTERS OF OKLAHOMA, INC.

OKLAHOMA CORPORATE SEAL

ARTICLE XVI

AMENDMENTS, SEVERANCE, CAPTIONS, CONSTRUCTION AND DEFINITIONS

16.01. Amendments. These Bylaws will be reviewed annually. They may be repealed, amended, or added to, at any meeting of the Board of Directors by the affirmative vote of a majority of the directors attending such meeting, or by written assent of a majority of the directors, so long as such amendments are not inconsistent with law, and so long as such amendments do not disqualify the Corporation under Section 501(c)(2) of the Internal Revenue Code, as amended, or the corresponding provision of any future United States Revenue Law; except that Sections 3.01, 3.03, 3.04.A, 3.07, 7.05, 9.02, 9.03 and 16.01 of these Bylaws may not be amended without the approval of the Board of Directors of The Baptist General Convention of Oklahoma.

16.02. Severance. If any phrase, clause, sentence, paragraph or provision of these Bylaws is void or illegal, it shall not impair nor affect the rest of these Bylaws and the directors do hereby declare that they would have adopted and approved the rest of these Bylaws if such void or illegal provision had been excluded therefrom.

16.03. Captions. The captions contained in these Bylaws are for convenience and reference and in no way define, describe, extend, or limit the scope or intent of these Bylaws or the intent of any provision contained herein.

16.04. Construction and Definitions. Unless the context otherwise requires, the general provisions, rules of construction and definitions contained in the general provisions of the Oklahoma General Corporation Act shall govern the construction of these Bylaws.

Resolution No. 1

RESOLUTION OF APPRECIATION

WHEREAS, the Southern Hills Baptist Church of Oklahoma City, the professional staff, support staff, other employees and members, have graciously provided their facilities for the 89th annual session of the Baptist General Convention of Oklahoma:

THEREFORE BE IT RESOLVED, that we, the messengers and guests of this annual session, express our sincere appreciation for countless hours of preparation for and during this convention.

BE IT FURTHER RESOLVED, that we commend the Southern Hills Baptist Church staff and membership for hosting our convention in a professional and gracious manner.

The resolution was adopted.

Resolution No. 2

RESOLUTION ON RU 486, THE FRENCH ABORTION PILL

WHEREAS, the Bible clearly teaches that human life is sacred and must be protected; and

WHEREAS, Southern Baptists have consistently upheld the sanctity of human life by adopting numerous resolutions at the associational, state and national venues, advocating public policies to protect the unborn and encouraging the developing of crisis pregnancy centers; and

WHEREAS, RU 486, the French abortion pill is a direct assault on the sacredness and value of unborn human life, that this drug kills an unborn child whose heart has already started to beat; and

WHEREAS, while RU 486 has often been called a "morning-after" pill its only proven use is as an abortifacient and is, therefore, not a true contraceptive; and

WHEREAS, President Clinton signed an Executive Order on January 22, 1993 (the 20th anniversary of the Roe v Wade Supreme Court decision legalizing abortion on demand), ordering the Food and Drug

Administration to facilitate the introduction of RU 486 into the United States markets; and

WHEREAS, on May 16, 1994, the French drug company Roussel Uclaf donated its U.S. Patent rights for the RU 486 abortion technique to the Population Council, an American pro-abortion organization, for the purpose of bringing the drug to America; and

WHEREAS, Roussel Uclaf acknowledged the pressure applied by the Clinton administration to accomplish the transfer of the patent rights when Roussel's representative said on May 16 "it was only when President Clinton changed the governmental policy and specifically asked Roussel to make the procedure available here that our client (Roussel Uclaf), out of respect for the President of the United States, agreed to make every effort to comply with his request"; and

WHEREAS, the stated purpose of the use of RU 486 according to its advocates is to make abortion more accessible to women by encouraging more physicians to become abortionists; and

WHEREAS, past experience has demonstrated that increasing the number of abortionists vastly expands the number of abortions, which currently stands 1.6 million per year in America; and

WHEREAS, the use of RU 486 has resulted in the injury and death of some women in nations where this abortion technique is currently available; and

WHEREAS, the Clinton administration's advocacy for RU 486 clearly belies the President's repeatedly stated goal for his abortion policy to make abortion "safe and legal, but rare"; and

WHEREAS, pro-life organizations, including the Southern Baptist Christian Life Commission, have announced the intention of initiating a boycott against Roussel Uclaf and its German parent company, Hoechst A G (including their American subsidiaries, Hoechst Celanese and Hoechst Roussel), for their corporate responsibility for making this drug available in America; and

WHEREAS, economic boycotts are a legitimate means for Christians to use to express their convictions about immoral products in the marketplace.

THEREFORE BE IT RESOLVED, that we, the messengers to this 89th Annual Meeting of the Baptist General Convention of Oklahoma, condemn the blatant advocacy of RU 486 by the Clinton administration, and oppose the testing, approval, manufacturing, marketing and sale of abortion pills in the United States; and

BE IT FINALLY RESOLVED, that we urge Oklahoma Baptists and their churches and associations to support the impending boycott which will be waged against Roussel Uclaf and Hoechst A G, including their American subsidiaries.

Larry Bishop, messenger from First Church, Norman, spoke against the resolution in its current form.

The resolution was adopted as presented.

Resolution No. 3

RESOLUTION ON "HERE'S HOPE"

THEREFORE BE IT RESOLVED, that we, the messengers to this 89th annual meeting of the Baptist General Convention of Oklahoma, wholeheartedly embrace the "Here's Hope. Share Jesus Now." witnessing emphasis and harvest revivals; and

Resolution No. 4

RESOLUTION ON CONTINUED COOPERATION

WHEREAS, the apostle Paul stated in Philippians 2:1,2, "If therefore there is any encouragement in Christ, if there is any consolation of love, if there is any fellowship of the spirit, if any affection and compassion, make my joy complete by being of the same mind, maintaining the same love, united in spirit intent on the one purpose"; and

WHEREAS, God has blessed the Baptist General Convention of Oklahoma with a rich heritage of cooperation and mission endeavor; and

THEREFORE BE IT RESOLVED, that as Christians who believe in and are striving to be obedient to God's Holy Word, we pledge to love, live and work in harmony with all our fellow Oklahoma Baptists so that we might, through the Cooperative Program, be obedient to His commandment, reap the benefit of that obedience individually and collectively, and that we commit ourselves to even greater levels of cooperation in fulfilling God's great commission.

The resolution was adopted.

WMU remains one of the most—

☐ CONSISTENT PROMOTERS OF THE COOPERATIVE PROGRAM year round.

All church programs working together make Southern Baptists well balanced.

Religious Education

Frank Foutch, Director

How do you follow a year as big and successful as "The Year of the Sunday School?" How about with "The Year of Discipleship Training," of course. The year 1992-93 was an outstanding year in Discipleship Training for Oklahoma Baptists and was a major emphasis of the Department of Religious Education. Discipleship Training enrollment reached 102,676 which is the highest enrollment since 1969, and an increase of 10,000 over the previous year. Hundreds of churches made a commitment to specific levels of achievement in Discipleship Training and to enrollment and attendance goals.

There were 57 churches from 22 associations that received a plaque or certificate in recognition of outstanding achievement as participants in the Year of Discipleship Training. Events during the year included six area-wide Discipleship Training Workshops and a special feature at the State Convention.

The theme for 1993-94 is "4 by 94." This is an emphasis to encourage all of the churches in Oklahoma to team up and reach a state Sunday School enrollment of 400,000 by September 30, 1994.

Personnel

Following Bill Haggard's retirement June 30, 1993, Robert Haskins served as interim director through the month of November. At the December Board meeting, Frank Foutch was elected as the new department director. He was moved from within the department where he was serving as general administration consultant. His former position was not filled, and the department was downsized one field worker and one secretary.

Present field staff include Sam Vinall, adult and associational consultant; Buddy Hunt, youth and family ministry consultant; and Darlene Koch, childhood education and VBS consultant. Department secretaries include Janice Newton, Carolyn Morton, Mary Sue Robbins and Barbara Harville.

Statistics

Although it was a great year for Discipleship Training, Sunday School growth experienced the first loss in five years. Sunday School enrollment dropped from 386,317 to 382,122, a loss of 4,195 persons. An aggressive state enrollment emphasis called "4 by 94" is being conducted in 435 churches, and is expected to help our Sunday School enrollment not only recover last year's losses, but reach an all-time high.

Through Vacation Bible School, our churches enrolled 149,897 persons, reported 2831 professions of faith, transferred 3,537 persons to their Sunday School rolls and discovered 21,020 prospects.

Associational "M" Night was conducted in 26 associations, with a total attendance of 4,009 representing 343 churches.

The State Children/Youth Bible Drills and State Youth Speakers Tournament had great participation, with 265 children in the Bible Drill from 72 churches and 26 associations and 16 youth in the Speakers Tournament and Bible Drill.

Projects and Ministries

During 1992-93, 29 state and associational training events were conducted by the department of Religious Education involving over 4,500 church leaders from churches in every association in Oklahoma. Among the State Sunday School meetings, clinics and conferences were: State Growth Spiral Conference, October 1; two state Vacation Bible School Clinics, February 25-26; Glorieta Comes to Lake Country, March 29-30; a National Sunday School Directors' Seminar, August 20- 21; and the Sunday School Leadership Seminar at Falls Creek, August 17-18.

State Discipleship Training events included: six area Discipleship Training Workshops to kick off "The Year of Discipleship Training;" the State Baptist Doctrine Clinic, January 12; a Family Ministry Workshop, February 12; and the State Children/Youth Bible Drill and Speakers Tournament, May 1. Two training conferences on "Conducting Children's Bible Drills" were also conducted.

To help associations develop strong leadership teams for Sunday School and Discipleship Training, annual ASSIST/ADT training is provided in two locations, Muskogee and Oklahoma City. In 1993 the dates were March 18 and 19. There were 174 ASSISTeam members and 86 ADT team members in attendance. There were 35 associations represented.

In addition, a number of associational projects were conducted by the department of religious education in the following associations: Panhandle, Mullins, East Central, Kay, Caddo, Bryan, Beckham-Mills and Perry.

Cooperative Missions

Donald Brent, Director

Staff members in Cooperative Missions take seriously the words of Jesus in John 4:35 "to open your eyes and look at the fields! They are ripe for harvest."

Personnel in Cooperative Missions includes Donald Brent, Director; Bob W. Lovejoy, Associate Director; Joe B. Williams, Associate; and Jack Comer, Associate. The secretarial staff includes Agnes Welton, administrative secretary; and department secretaries, Delores Mohr, Penny Corbin, and Roberta Cothrum.

In cooperation with the Home Mission Board, the Department of Cooperative Missions involves four major areas of mission ministries.

Those areas are Language Missions, Church-Community Ministries, Chaplaincy, and Church Extension. The Department also relates to many other mission ministries in cooperation with the Home Mission Board. Those ministries include supervision of jointly appointed missionary personnel, leadership training, Black Church Extension, inter-faith witness, literacy missions, student summer missions, resort missions, volunteer construction, multihousing missions, volunteers in missions, work with bivocational churches and pastors, and campers on mission. This does not exhaust the list, but gives some idea of the Department's leadership and involvement in mission ministries. Following is the report of many of these ministries.

Missionary Personnel Complete Witness Training

March 14-16, 1994 the Missions Department Staff and the Jointly Employed Missionaries met for their annual retreat at Falls Creek. Three days were given to Witness Training. A part of the training was spent visiting prospects with members of Black, Indian, Hispanic, and Anglo Churches in Ardmore. Visits were made in 29 homes with 25 persons professing faith in Jesus as personal Savior. Leaders for the witness training were enlisted by the Home Mission Board. Herman Rios led the Hispanic group and W.C. Garland led the English speaking group. Some of the missionaries have followed up by using the Witness Training Program in their own churches.

523 Bivocational Churches

One Call-Two Vocations—Sixty-nine bivocational pastors and their wives attended a celebration for bivocationalists April 22-23 at OBU. Sponsored by the BGCO Cooperative Missions Department, the event included conferences, testimonies, fellowship and a "glad time celebration" led by Dale Holloway, Director of Bivocational Ministries for the Home Mission Board. Kay Cain of Edmond led sessions of special interest for pastors' wives. Many of the conferences were led by the bivocational pastors. Subjects discussed included laity in ministry, personal family time, planning visitation and deacon family ministry. Dr. Clyde Cain spoke on the church and legal issues and also presented information on the Annuity Program. Plans call for expanding the event to include bivocational church staff members (music and youth directors).

Multihousing Residents Number 590,000

A dozen churches are involved in over 30 ministries in apartment complexes and mobile home parks. Some of the churches have made a priority commitment to evangelism and missions outreach through the Home Mission Board's Key Church Strategy. Over 60 persons from 17 churches attended a Key Church Conference on March 4 at Meadowood Baptist Church. Speakers included Dr. William G. Tanner, Executive Director, BGCO; state key church leaders Dr. Bob Rutherford and Mark Cordray from Meadowood Baptist Church; and Dr. Gary Cook and Dr.

Bill Watkins from First Baptist Church, Lawton. National key church speakers included Mrs. Tillie Burgin of Mission Arlington and Dr. J.V. Thomas, Home Mission Board.

Church Extension Assistance

A total of \$12,407 per month was approved for assistance to Church Starter Strategists, apartment ministers, and new Anglo and Black church/mission pastors. The funds were made available through HMB-BGCO Cooperative Program Budget, Edna McMillan State Mission Offering and designated new work funds.

The Cooperative Missions Department assisted four associations and/or sponsoring churches in the purchase of five mission property sites. A total of \$52,600 was expended in Tulsa, Muskogee, Pottawatomie-Lincoln, and Northeastern Associations. The amount of \$30,000 was approved for assisting six new congregations in the cost of first unit facilities.

This year 14 new churches and missions have been started—13 Anglo and one (1) Black. Also six (6) new preaching points, Bible studies and/or ministries have been started. The number of new mission/churches started among the ethnic groups is given in the Language Missions report.

Campers on Mission

Two state rallies were held at the Shawnee Exposition Center on May 6-7 and September 8-9. At the Spring Rally campers heard the Armenian Musical Trio perform. Plaques were presented to Dr. Robert E. Haskins for his support of the Campers on Mission since it was chartered, and to Charles Krumtum, Volunteer Construction Coordinator, for the good work that he has done. The Fall Rally scheduled Dr. Ernie Perkins, DOM, Capital Baptist Association. Oklahoma had six (6) couples attend the National Campers on Mission Rally, June 21-23, Tallahassee, Florida. There were 229 rigs and approximately 500 people attended the rally. The 1995 National Rally will be held in Hope, Arkansas (fairgrounds) on June 12-16.

Volunteers In Missions

Reverend and Mrs. Bobby Burnett are the coordinators for Volunteers in Missions in Oklahoma. They have enlisted ten (10) couples to serve as regional consultants. Coordinators and consultants provide information to churches, recruit volunteers and assign volunteers to mission projects both in and out of state. This year volunteers have been involved in resort ministries, construction projects, ministry at Camp Hudgens, lay evangelism schools, vacation Bible schools, revivals, etc.

Black Church Relations

This is a program of cooperation between Southern Baptists and National Baptists of Oklahoma. Three missionaries serve with the Department of Black Church Relations. John Thomas, Jr. is state direc-

tor of Christian Education for the Oklahoma Baptist State Convention and dean of the Oklahoma School of Religion which is located in Tulsa. Patricia Reed is the W.M.U. Executive Secretary for the Oklahoma Baptist State Convention and directs the woman's work of the convention. Urban Green serves as director of the Baptist Education Center in Tulsa.

Two Black Baptist students served in Tulsa as student summer missionaries in 1994. They came through the BSU at Langston University.

The Oklahoma School of Religion located in Tulsa has ten centers of education across the state. Over 700 adults were enrolled in 33 courses of study. Twenty-three students graduated in May 1994. Some of these centers participate in the MTI program sponsored by Oklahoma Baptist University.

Special Ministries Department

Verlene Farmer, BSU director at Langston University for more than 23 years is the one missionary serving with the special missions ministries department of the Home Mission Board.

Fifty children from the Langston community are enrolled in a week-day community scripture memory choir that is sponsored and directed by Miss Farmer and the Langston BSU. They come to the BSU building for practice. Some of the BSU members assist with the program.

Mohamed Abraham, a student from Gondar, Ethiopia, E. Africa, was a student in Miss Farmer's New Testament class. He became a Christian during the semester.

In honor of Miss Farmer, the Langston community committee named the Fifth Annual Community Vacation Bible School, The Verlene B. Farmer Langston Community Vacation Bible School.

Ten BSU students attended Student Week at Glorieta in August 1993.

September 3-4, 1993, eleven students attended the BSU Leadership Conference, First Baptist Church, Midwest City, Oklahoma.

Seventeen Langston University BSU students attended the Oklahoma Black BSU retreat in Tulsa, October 8-9, 1993. The Langston BSU Scripture Memory Choir shared scripture during the retreat. The BSU Scripture Memory Choir gave a presentation at Southwestern State BSU on February 23, 1994.

Twenty students attended the Annual Student Missions Conference, Fort Worth at Southwestern Baptist Theological Seminary, March 4-6, 1994. The BSU Scripture Memory Choir gave a presentation.

A spring revival was held at the BSU January 30 through February 3, 1994. Kevin Lee was the evangelist. There were twenty rededications during the revival.

A two day growth oriented Sunday School conference emphasizing Bible Teaching Through the Sunday School was held November 5-6, 1993 at Fairview Baptist Church, Oklahoma City. Approximately 150 adult leaders from Black Baptist churches attended. Steve Warfield

from the Sunday School Board and Buddy Hunt, Religious Education Department, BGCO, enlisted leaders from outside Oklahoma to lead the different conferences. It was a cooperative effort of the Sunday School Board of the SBC, the Baptist General Convention of Oklahoma and the Oklahoma Baptist State Convention.

Church-Community Ministries

Six missionaries appointed by the Home Mission Board of the Southern Baptist Convention in cooperation with the Baptist General Convention of Oklahoma serve in this ministry. They are: association-al director of church-community ministries, Jack Bettis, Capital Association; Bill Sisson, Baptist Mission Center director of Oklahoma City; Beverly Goss, Tulsa Baptist Women's Shelter supervisor; Gerald Lunsford, director of Grace Rescue Mission in Oklahoma City; Lois Coleman, Baptist Mission Center Director, Tulsa; and Jackie Huber, Benevolence Ministries Coordinator, Tulsa Metro Baptist Association, Tulsa, Oklahoma. Jackie Huber was appointed a missionary associate by the Home Mission Board to this position January 1, 1994.

The missionaries reported 238 professions of faith and 37 people made decisions for special service this year. They delivered 548 sermons and addresses during the year.

Grace Rescue Mission had an average of twelve men per month participating in an alcohol and drug rehabilitation program called New Life. An Overcomers program has 15-20 people attending the meeting which is held once a week. Transient and rehabilitation program people were provided 88,588 meals and 26,920 beds during the year. One thousand one hundred forty-eight individuals were given 6,945 articles of clothing. Thanksgiving dinner was served to 125 people. Four hundred six children received toys and food at Christmas. Two rooms were remodeled.

The Baptist Mission Center in Oklahoma City provided 23,563 pieces of clothing to 10,231 people. It gave approximately 5,400 days of food to 2,083 people and made it possible for the needy to receive over \$26,131 in free medical care and \$6,660 worth of free dental care. A new eye clinic was opened on January 10, 1994. The Christmas Store provided toys and gifts for over 600 children. The mission gave 160 food baskets for Christmas.

The Women's Shelter in Tulsa housed 300 children and 250 women during the last twelve months. Twenty-five professions of faith in Christ were reported by those living at the shelter.

The Annual State Literacy Missions Workshop was held at OBU, June 8-10. Approximately 55 leaders and conferees received training. Subjects covered were the Basic 16 Hour Conversational English, the Basic 16 Hour Adult Reading and Writing, Tutoring Youth and Children, Advanced Conversational English, Advanced Adult Reading and Writing, Alfalit, See the Sound/Visual Phonics, The Organizational Plan for a Conversational English Ministry and Using "English Lessons

from the Bible: Book of Mark" Book 1. Two new features were added to the workshop this year, "Video Theater" and "Breakfast Buzz Groups." There are approximately 800 church volunteers who are trained in some phase of literacy work. There are more than 1,000 people enrolled in 37 organized Baptist literacy missions programs in Oklahoma. Oklahoma has 56 teachers certified in conversational English, 26 certified in adult reading and writing and 10 certified as tutors of youth and children. There were thirty-one professions of faith, ten Bible classes started and a Big A Club for children begun as the result of the literacy program. Fran deCordova is the state literacy missions consultant serving as a contract worker with the Missions Department.

Student Summer Missions

Twenty-seven student summer missionaries served in missions all across Oklahoma during the summer of 1994. They served in rural, inner city, resort, metropolitan, medical, and general missions in 16 different areas of the state. Their work included resort ministries, Vacation Bible Schools, Backyard Bible Clubs, church-community ministries, camps, surveys, youth programs, visitation, witnessing, recreation, ranch work, mission center activities, serving as counselors, role models, construction work, music leading and performance, children's day camp, GA/RA work, nursing/medical clinic and mission VBS. Some of the missionaries have surrendered to full-time Christian service during their time of serving as summer workers.

Interfaith Witness

The interfaith witness program is an integral part of Southern Baptists' efforts in evangelizing, congregationalizing, and ministering. Its role is to help Southern Baptists to understand and to witness effectively to persons of other religious beliefs. Religious pluralism has come to be a reality in the United States. Religious groups in our country can be divided into three broad categories—American Christianity, Cults or sects, and World Religions. New religious groups are arriving on the scene almost daily. Resources of literature and training are being provided to members of Southern Baptist churches so that they may know who these groups are. Suggestions are made on how to have an effective Christian witness to them.

There are 28 individuals in Oklahoma who have been certified by the Home Mission Board as Interfaith Witness Associates. They are qualified to lead interfaith witness awareness conferences dealing with eight different religious groups. Several associational awareness conferences are being planned for 1995.

Language Missions

The 350 plus language congregations are in the midst of their greatest opportunities. The numerical and percentage of increase over the next few years is unprecedented in Oklahoma.

The largest growth will be among the Hispanics and the Asians. Witness training and spiritual growth are being emphasized.

This year, national meetings were held in Oklahoma by Laotians, American Indians and the Deaf. An Experiencing God Seminar for Koreans is planned for October of this year. Missionary personnel from Oklahoma have led out in planning and carrying out these important programs.

There are approximately 350 language churches cooperating with the Baptist General Convention of Oklahoma. We have a total of 80 missionaries who work with American Indians, Arabs, Cambodians, Chinese, Deaf, Filipinos, Germans, Hispanics, Hmong, Indonesians, Iranians, Internationals, Japanese, Koreans, Laotians, Thais and Vietnamese. The total mission dollars spent in 1994 for language mission work in Oklahoma exceeds \$650,000.

New language pastors who begun work in 1994 are Alex Casias in Altus, Leon Clay in Oklahoma City, Tony Emamghoraishi in Oklahoma City, Marcos Garcia in Tahlequah, Mario Garcia in Hollis, James Hudson in Seiling, Christopher Kim in Oklahoma City and Dewitt Teehee in Tulsa.

One great accomplishment of the language churches is their increase in mission giving through the Cooperative Program and special offerings. Below is the report of their gifts for 1993.

Chaplaincy

The mission statement for the chaplaincy program in Oklahoma is, "To Take The Presence of God into Every Situation." In keeping with the mission statement, "chaplaincy" is attempting to take the gospel of Jesus Christ to people in specialized settings by reaching through the cracks of our society and touching the lives of people who are hidden or out of reach of most local churches. Chaplaincy is the most effective means of reaching secular society because there are times when chaplains are the only persons who can go through some doors to provide ministry.

There are five major areas of mission ministry in chaplaincy: (1) healthcare and pastoral counseling, (2) law enforcement, (3) Corrections, (4) Military, (5) business/industrial. Each of these areas provide opportunities for full-time, part-time and volunteer participation of ministry oriented persons. Each of these areas also provides the opportunity of the local church and its staff to extend their ministry into communities that may otherwise be closed to them.

Healthcare chaplaincy and pastoral counseling is growing as many small hospitals throughout the state implement volunteer chaplaincy programs. So many lives can be touched in the hospital setting that may otherwise be missed.

Associations and churches are initiating counseling services by providing office space for pastoral counselors who can be involved in long-term counseling. This is meeting some very desperate needs in marriage and family issues.

Law enforcement chaplaincy remains the fastest growing area of chaplaincy in Oklahoma and the United States. In Oklahoma, there are 143 law enforcement chaplains representing 48 different agencies. The major emphasis of law enforcement chaplaincy is the officer, his family and the victims of crime. The ministry opportunities are unlimited as ministers are involved as volunteer police chaplains in their community.

Corrections chaplains are providing ministry in perhaps one of the most difficult settings. It is also very rewarding as they touch the lives of people, many of whom have never experienced genuine Christian care. There are hundreds of volunteers who work along side the full-time chaplains. One of the most significant developments in this area of chaplaincy is the "Church/Inmate Connection." This program links an inmate and his family to a local church during and after incarceration. The sponsoring church provides a ministry to the inmate family during incarceration and the whole family in after-care.

Military Chaplaincy—Although there continues to be a downsizing of military personnel, there are 21 military chaplains serving in Oklahoma. These include Active Duty, National Guard, Reserve and Civil Air Patrol. There remains several openings for chaplains in the Civil Air Patrol.

Business/Industrial and special event chaplaincy is the broadest of the chaplaincy categories for ministry in specialized settings. There are many businesses in Oklahoma that are willing to provide a chaplain service to their employees. These may include, automobile dealerships, banks, hotels, motels, and retail stores. Special events chaplain opportunities are unlimited. State and County Fairs, auto races, and community events are just a few that could be considered. Creative thinking and a willingness to go the "second mile" can open doors of ministry opportunity.

Resort Missions

Resort missions are growing every year throughout the United States and Oklahoma. There are so many "mission trip" opportunities right here in the state. It is not necessary to spend large sums of money traveling to distant locations to do missions. The Baptist General Convention of Oklahoma in conjunction with the Home Mission Board is involved in growing numbers of mission opportunities in resort missions in Oklahoma. As an example, the report from Lake Texoma area is as follows: 58 teams ministering in day camps during the eight weeks with 54 professions of faith, including 36 adults. The mission opportunities go beyond the recreational areas to doing lake community surveys for the possibility of starting new churches and other continuing ministry activities.

Reaching people at leisure is another specialized setting where people can be touched with the gospel. For more information contact the Department of Cooperative Missions at the Baptist Building, (405) 942-3800, ext. 301.

Volunteer Construction

Volunteer construction teams completed 14 projects in 1994. These teams consisted of 102 volunteers from out of state and 251 from Oklahoma.

These projects included additions to present facilities such as auditoriums and educational buildings to relocating entire church buildings at a savings of \$294,120 which is approximately 45 percent of the total construction costs.

Churches that are interested in having skilled volunteers assist in the construction phase of their buildings should begin with requesting a form from the Department of Cooperative Missions at the Baptist Building, 3800 North May, Oklahoma City, OK 73112 or calling the department (405) 942-3800, ext. 301.

Volunteer construction also provides opportunities for people with construction skills to be vitally involved in ministry as they participate in these projects. There are churches in the state that would be unable to have adequate facilities if there were not people with construction skills willing to give of their time and talents.

Church Music

Bill Green, Director

The Church Music Department continues to be committed to provide programs for churches to help them minister through music and to reach out into the community to express, in evangelism and outreach, that music is a language of love and a gift from God. Staff adjustments were made as Cara Smith resigned to continue work on her masters degree and God sent a dear friend, talented musician and warm Christian spirit, Wynn Anne Hook, to complete our church music team. The year of 1994 has been a continuing time of growth and ministry for music through the local churches through the church music department.

Equipping

This summer nearly 500 musicians came from across the state to participate in Church Music Oklahoma. Nationally acclaimed clinicians provided training to enhance the growth of the local church through church music. In addition to this annual state-wide event, several individual training conferences were held in associations on Music in Worship, Graded Choir Methods and Materials, Accompanists Seminars and specific helps for bi-vocational and full time ministers of music. Oklahoma rated number one in the convention in associations attaining the Standard of Excellence awards.

Festivals

Oklahoma Baptist Choir Festivals are a major part of the state music program. Seven area keyboard hymn playing festivals attracted over 700 participants. Those involved received valuable critiques and encouragement to develop their talent. The State Keyboard Festival was held at Oklahoma Baptist University for those who received superior ratings in categories III and IV. The need is great to continue encouraging young people and adults to play piano and organ in the churches. The keyboard festival includes categories for piano, organ students as well as adult participants.

Youth Choir Festival

Three Youth Choir Festivals were held in Enid, Tulsa and Lawton. Youth choirs in Oklahoma are alive and well as evidenced by the attendance of over 1200 participants this year. Clinicians, Bob Morrison of FBC, Pensacola, Florida and Charles Collins of FBC, Broken Arrow, worked with the mass choirs and each choir that came was able to sing for constructive comments from the judges. A celebration worship service concluded each event.

FestiBell

FestiBell '94 was held at the Myriad in Oklahoma City and was one

of the most successful handbell festivals ever in Oklahoma. Over 36 handbell choirs received valuable training from the clinician, R.E. Thompson of Broadmoore Baptist Church, Memphis, Tennessee and were also adjudicated during the day's activities. Image magnification was used to help all participants to better be involved in the mass rehearsal and celebration service.

Singin' & Praisin' Meetin' for Senior Adults

The Singin' & Praisin' Meetin' for Senior Adults was held at Southern Hills Baptist Church, Tulsa, and over 1500 people attended the two-day event. Guest clinician, Fes Robertson, who served at our own Baptist Sunday School Board for years, continues to use his talents and skills in leading others in rehearsal and in praise.

Young Musicians Festival

The department of church music is committed to training and encouraging all ages, most especially children, who will become our leadership and singers of the future. In April a state Young Musicians Festival was held at FBC, Edmond with over 1000 participants, followed by a special afternoon of fun at Frontier City. Our guest clinician this year was Helen Kemp. This event continues to be one of the most effective ministries for children in our state.

All State Youth Choir and Orchestra

Over the past three years the All State Youth Choir and Orchestra has grown tremendously. Eighteen different locations were provided for auditions during November and December of 1993, for young people to apply for the all state choir. This year, under the choral direction of Bill Green and instrumental direction of Jim Hansford, 360 young people and sponsors participated in the tour. Concerts were held at Fiesta Texas, Sea World, the Riverwalk and several churches in the San Antonio area, as well as the final concert at First Baptist Church of Moore, Oklahoma. The All State Ensemble, directed by Jon Duncan, was selected from the choir. They sang every Monday night at Falls Creek during the five-week assembly. A final concert of choir, orchestra and ensemble took place at First Baptist Church, Norman, for Church Music Oklahoma. The choir had a total of 282 singers and the orchestra had 47 players. This group is anxiously anticipating a Baptist Heritage tour of England and Wales in 1995.

The Singing Churchmen of Oklahoma

For 33 years the Singing Churchmen of Oklahoma have been ministering throughout our state as they share their witness in song. From a talented but slight 20 men in the original group, they have grown to an enrollment of over 240. The churchmen present individual concerts throughout the year and sing with the Singing ChurchWomen and the Oklahoma Baptist Symphony at many state functions. This group represents a body of men dedicated to spreading the word of Christ throughout their churches, cities, this state and wherever the Lord may lead them to sing His praises.

The Singing Church Women of Oklahoma

The Singing Church Women finished their sixth year of ministry with a momentous mission trip to Brazil during which as many as 1000 professions of faith were recorded. During their eleven-day mission trip 5,000 Portuguese New Testaments and 30,000 tracts were given away. The Singing Church Women are most grateful for the prayers and support of Oklahoma Baptists before, during and after this event. The two choirs, divided by I-35, have individual concerts throughout the year and sing together at state events and in other joint concerts.

Falls Creek

No doubt, Falls Creek is one of the greatest impacts for Christ in our state program and music is a great part of that experience. Approximately 2,000 young people made up the five choirs during Falls Creek with our guest choral directors Paul Hammond, Jerry Gregston, Norman Behymer, Dan Heath and Leroy Yarbrough. The orchestra involved over 40 participants each week, topping an all-time record one week of 68, under the direction of Keith Haygood, Susan Clothier, Rusty Stowe, Jim Hansford and David Westgate. In addition, Timothy Company, now in it's fourth year of Falls Creek ministry, presented dramatic interpretations in every worship service. This group was directed this year by Suzie Munday and Brent and Kristi Hazelrigg.

Oklahoma Baptist Symphony

The Oklahoma Baptist Symphony, the first of its kind in any state convention, was a tremendous success during it's inaugural year. This group of 68 of the finest instrumentalists anywhere presented one concert each month to churches and associations throughout our convention. Oklahoma Baptists have clearly communicated a strong desire to hear more of this group and to benefit from their leadership in instrumental emphasis throughout our churches. The orchestra is under the direction of Jon Duncan, associate director of the church music department.

Baptist Messenger, Office of Communications and Convention Printing

Glenn A. Brown, Editor and Director

August 1994 marked the completion of the first full year with all staff and operations of the *Baptist Messenger*, Messenger Press and Convention Printing under the same roof in the new Baptist Building at 3800 N. May, Oklahoma City. During the first three years in the new Baptist Building, all the printing was actually done in the basement of the old building. The new facility has succeeded in bringing new efficiencies and reduced stress.

Earlier calculations proved true that the convention could save about

\$30,000 a year by securing the equipment and space needed to handle and store paper purchased directly from the mills. In time, the savings will pay the total cost of remodeling the first floor of the Baptist Building to accommodate both the *Messenger* press and the convention's print shop.

About 100,000 copies of the *Baptist Messenger* are mailed to subscribers each week, the bulk of them to mailing lists provided by the 1,184 churches that include the *Messenger* in the church's budget. In addition, 114 churches and eight associations purchase special pages to carry their news along with *Messenger* copy.

As the official news magazine of the Baptist General Convention of Oklahoma, the purpose of the *Messenger* is to:

1. Publish timely, objective and accurate accounts of news and events of interest to Southern Baptists, with an emphasis on Oklahoma Baptists' work and concerns, using a balanced application of the historic Baptist principle of a free press.

2. Promote all phases of the work sponsored and supported by the convention, denomination and cooperating churches.

3. Make available information relevant to the growth, the welfare and the mature, informed judgment of leaders and members of the churches.

4. Encourage readers to faithfulness in their Christian walk, witness and church involvement.

5. Promote faithfulness in stewardship and mission support.

6. Encourage high moral standards and practice among all people.

7. Serve as an avenue for the dissemination of Baptist doctrine, history and polity.

To achieve this goal, news and commentary are printed on a wide range of subjects, from campaigning against the lottery to missions projects overseas to features on special ministries in our state.

The Convention Printing operation prints the tracts, books, booklets, posters, forms, etc. used by the various departments of the Baptist Building in both field service and office work.

The Office of Communications provides news releases concerning Baptist work and personalities to the state's 48 daily newspapers, 178 weekly newspapers, six television stations and 50 radio stations.

Falls Creek

Gary Fielding, Director

Great days are ahead for Falls Creek Baptist Assembly. The activity of God's Spirit is life changing, almost earth shaking, like a whirlwind. Things get all turned around in a whirlwind. Old traditions are ripped away, people's priorities are rearranged, old methods become obsolete, interests change, life-styles are transformed, behavior is altered, life goals are reversed, attitudes are altered, loyalties are shifted and rela-

tionships are affected. The winds of change are blowing at Falls Creek.

Please do not just stand by and watch what happens but be a partner by getting involved. Many are searching for the best camp experience for their young people. Falls Creek can be that place. Truly, there is no place, like this place, any place.

Attendance was up by 14 percent in 1994. A good goal for 1995 would be 32,000 which would reflect another 7 percent increase. A portion of the successful year can be contributed to a new philosophy in recreation. The philosophy will remain the same with new activities in 1995. Also a special rally will take place just before lunch each day with emphasis on the four M's (missions, music, models and morals).

Pastors are a vital part of Falls Creek. Young people have the joy of getting acquainted with and having fun with their pastors in this special setting. Endeavor to be a part of your youth's Falls Creek experience. Encourage attendance and then attend to encourage. Five wonderful weeks at the Creek await Oklahoma Baptists. Ninety-five could be the year our young people are talking about in the year 2015!

Nineteen Hundred and Ninety Five at Falls Creek will have five weeks. Preachers for those five weeks are:

FIRST WEEKJUNE 26 - 30

Johnnie Curtsinger, Tulsa, Canyon Road

SECOND WEEKJULY 10 - 14

Brad Allen, Duncan, First

THIRD WEEKJULY 17 - 21

Ministerial Services

Clyde Cain, Director

The Office of Ministerial Services has specific areas of assignment: Church Minister Relations, Conflict Ministry and Annuity Services.

Church Minister Relations—Interrelated ministries linking the BGCO, associational office and local church involves itself in sharing biographical data to churches regarding pastors and staff persons. This information is shared without recommendation or endorsement from the office of Ministerial Services. Pastors and staff persons are requested to provide this office with material that can be shared with churches when needs arise and requests are made. The biographical information is also shared with Directors of Missions who, in turn, may share this information with churches. A kit designed to equip pastor search committees, "On Calling a Pastor," is available through the Associational office at no cost to the pastorless church. Annually, approximately 2,700 to 3,200 resumes are shared with churches in Oklahoma and several surrounding states.

Conflict Ministry—Directors of missions, pastors, deacons, and other lay persons in the church sometimes find themselves involved in a church conflict. This office seeks to relate to each of these persons or groups to assist in resolving the issues. Conflict resolution is God's work. However, the Office of Ministerial Services seeks to assist in becoming a channel through which God can bring about a resolution. Working with terminated pastors/staff is a continuing ministry and service.

Annuity Services—A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. A primary focus for the Office of Ministerial Services is enrolling as many people and churches as possible in the Church Life and Health Program and the Church Annuity Plan.

Life and Health Program. On January 1, 1994, new life plans were offered that were much more competitive, with enhanced benefits and lower premiums.

Annuity Plan. Approximately 1,241 persons in Oklahoma are participating in the Church Annuity Plan. A major concern is that approx-

imately 50 percent of the churches in Oklahoma do not have their pastors or any staff person in the Annuity Plan. All persons employed by a local Southern Baptist Church (except employees of church schools and day care centers) who work at least 20 hours per week are eligible to participate in the Church Annuity Plan. These persons may benefit in five significant ways:

The Plan includes a choice of plan funds offering valuable, advantageous investment opportunities for retirement. In 1993, the Variable Fund credited 10.5 percent earnings, the Balanced Fund credited 13.25 percent earnings and the Fixed Fund 7.06 percent earnings. The Plan offers significant opportunities for avoiding unnecessary income tax. Ordained ministers do not pay self-employment tax or Social Security on contributions to the Church Annuity Plan. These advantages exceed those offered by IRAs. The plan includes matching state convention Cooperative Program dollars for eligible members' retirement income accounts. This can amount to \$210 per year resulting in higher benefits at retirement.

Annuitants in Oklahoma. In 1994, the average annuitant check was \$343 per month. Approximately 24.8 percent of the annuitants received less than \$200 a month. A special fund to assist annuitants with very low incomes has been established in the Baptist Foundation of Oklahoma. Contributions are currently being received to assist the funding of this program and ministry.

The Office of Ministerial Services exists to serve churches and staff personnel.

The Board of Directors Baptist General Convention of Oklahoma

Each year in annual session, the State Convention authorizes the Board of Directors to transact convention business between sessions. The President and Recording Secretary are entrusted with the responsibility to sign legal documents of the convention when signatures are required.

This report consists of actions taken by the board subsequent to the 1993 annual meeting. Regular meetings of the board were held on December 14, 1993; and March 15, May 26, and September 13, 1994. The Executive Committee

The Bylaws call for an Executive Committee—the convention President, Executive Director-Treasurer, Recording Secretary, and the chairpersons of the three board committees—to perform only such duties as may be referred to it by the Board of Directors. Referred matters are considered to be those not under regular assignment to the three committees heretofore specified. No referrals were made to the committee.

Special Committee Appointments

Falls Creek Ad Hoc Committee—The Falls Creek Ad Hoc Committee, appointed following the 1992 annual meeting, continued to evaluate the Falls Creek program for youth camp. Ted Kersh, pastor of Oklahoma City, Village, chaired the committee, which also included Golda Duncan, Rusty Fuller, Scott Neighbors, Judy Parsons, Max Pyron, Trey Smart and A. L. Swagerty.

Evangelism Director Search Committee—The committee appointed to assist Executive Director-Treasurer William G. Tanner in the selection of the Evangelism Department director also continued its work. In addition to convention President Keith Russell and

Administrative Committee chairman Alan Day, that committee consisted of John Allen, Bobby Boyles, Forrest Sheffield and Keith Wiginton. Nick Garland, pastor of Broken Arrow, First, served as chairman. The committee met with directors of missions and with a group of small church pastors, among others, to develop a profile of the kind of man they believed would best fit the needs of Oklahoma Baptists. In the ensuing phases of their work, the committee devised a job description and asked the Lord's help in focusing on three or four men to be invited for interviews in April. Definitively, the candidate was required to be a man of prayer with the anointing of the Holy Spirit, a soul winner.

Strategic Planning Committee—The Strategic Planning Committee was expanded to 40 members. Members were Randy Allen, Keith Arledge, Steve Bass, Wade Burleson, Kevin Clarkson, Mike Crook, Eric Dennis, Kay Dudley, Sam Dyer, Alton Fannin, Jerry Faught, Jerry Fielder, Bill Ford, Rick Frie, Nick Garland, James Graham, Kirk Humphreys, Joe Hunt, Anthony Jordan, Ted Kersh, Wendell Lang, Pat Layne, Tom Lee, Gary Lillie, Larry Masters, Dick McClure, Gary McKeen, Nadine McPherson, Bill Merrell, Linda Ochsner, Victor Orta, Sam Porter, Judy Robinson, Clayton Spriggs, Ray Talbott, Pat Taylor, Pat Wagstaff, and Larry Wileman. Dr. T. David Willets served as chairman. Russ Richardson resigned in August and a replacement had not been named at the time of printing. BGCO department directors were asked to serve as ex officio members. Auxiliary corporations of the convention could communicate with the committee but did not have representation on the committee.

The committee, inspired by a February prayer retreat led by Glenn Sheppard, corporately and individually devoted themselves to prayer. On May 3, during the State Bible Conference, all Oklahoma Baptists were invited to converge at Falls Creek for prayer and fasting. Henry Blackaby, previously enlisted for the Bible Conference, agreed to initiate the season of prayer.

Members of the Strategic Planning Committee were appointed to information gathering subcommittees—Demographic Survey, Historical Survey, Economic Survey, Hearing Sessions and Questionnaire. Each subcommittee met several times in order to complete its assignment. Hearing sessions were held in every association across Oklahoma.

Larry L. Rose, director of missions, Tarrant Baptist Association, Fort Worth, Texas, was enlisted as the Strategic Planning Consultant. Rose met with the full committee in October to initiate development of a purpose/mission statement.

Business Management and Audit Committee

The Business Management and Audit Committee relates to the controller's office, which is responsible for all accounting, budgeting, insurance and oversight of properties other than the Baptist Building (operated by the Baptist Building Corporation), Falls Creek, Camp

**RESOLUTION AUTHORIZING AND TRANSFERRING
IN TRUST FUNDS OF CONVENTION TO
THE BAPTIST FOUNDATION OF OKLAHOMA**

WHEREAS, by Resolution dated May 18, 1954, the Baptist General Convention of the State of Oklahoma determined that all property, whether real, personal, or mixed, of the Convention or any of the Convention's auxiliary corporations, which properties are trust funds or are held as endowments and are not being used directly in the operation of the Convention, or any of its auxiliary corporations, should be transferred to The Baptist Foundation of Oklahoma, an Oklahoma corporation, to be held in trust; and

WHEREAS, The Resolution of May 18, 1954, does not specifically reference "auxiliary corporations" of the Convention, a term used in Article VI of the Convention's Bylaws, although such Resolution, by implication included auxiliary corporations, because it included the two auxiliary corporations of the Convention then in existence, namely Oklahoma Baptist University and the Oklahoma Baptist Orphans' Home; and

WHEREAS, the Resolution of May 18, 1954, references trust funds of the Convention but does not reference custodial funds of the Convention, because the term "custodial funds" was not in general use at the Convention at the time such Resolution was adopted even though the term "trust funds" would include funds presently considered by the Convention to be custodial funds; and

WHEREAS, in order to eliminate any possible confusion or misunderstanding, the Resolution of May 18, 1954, should be re-confirmed and specifically include reference to auxiliary corporations of the Convention and custodial funds.

NOW, THEREFORE, BE IT RESOLVED BY THE BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA, acting by and through its duly elected and authorized Board of Directors, in regular session at Oklahoma City, Oklahoma on this 13th day of September, 1994, that all real estate or interest therein, all personal property or interest therein, and all mixed property or interest therein which are now held and owned, or which may be acquired in the future, by the Baptist General Convention of the State of Oklahoma, or any of its auxiliary corporations, which properties are trust funds or custodial funds or are held as endowment, of any nature, and which properties are not then needed to be used directly in the actual operation of the

Convention, or any of its auxiliary corporations, are to be set over and transferred by the Baptist General Convention of the State of Oklahoma or its auxiliary corporations to The Baptist Foundation of Oklahoma, an Oklahoma corporation, to be held in trust (if endowment) or for investment (if custodial funds) by said Foundation in accordance with its Articles of Incorporation and Bylaws; and the officers of said Convention or its auxiliary corporations are hereby authorized and directed to execute and deliver to The Baptist Foundation of Oklahoma at any time in the future any and all deeds, conveyances and instruments of every nature, and do any and all acts which may be necessary, in order to carry out the purpose and intent of this Resolution.

IN WITNESS WHEREOF we have hereunto fixed our hand and seal this 13th day of September, 1994.

July Report—Called Meeting—

The Budget Subcommittee worked diligently to determine budget needs in order to make realistic recommendations. Members met individually with department directors to discuss budget concerns and requirements. Members of the Budget Subcommittee were Forrest Sheffield, pastor of Harrah, First, chairman; Paul Clark, Jone Duck, Wendell Lang, Bill Liggett and Gerald Peters. Keith Russell and Alan Day served as ex officio members. Through the Administrative

Committee and the Board of Directors, the Budget Subcommittee offered these recommendations. (Please refer to board action No. 2 in the September Meeting report, which appears on p. 48 following the budget recommendations.)

1. That the 1995 Cooperative Program total objective be \$17,450,000 to be distributed 60 percent Baptist General Convention of Oklahoma and 40 percent Southern Baptist Convention.

2. That the 1995 Budget be approved as printed. (A motion from the floor amended the \$75,000 additional allocation to OBU to \$50,000 and redirected the remaining \$25,000 to the convention's Special Projects fund. The 1995 Budget was approved as amended.)

Distribution of the 60 percent remaining in Oklahoma would be as follows:

September Meeting—

1. Board of Directors Report Approved—The printed summary of the actions of the 1993-94 Board of Directors was approved and authorization was granted for the Executive Director-Treasurer to add the actions of the September 13, 1994, meeting for inclusion in the **BOOK OF REPORTS** for the annual meeting in November.

2. Budget Subcommittee Asked to Monitor Cooperative Program Receipts; Consideration of Adjustment in CP Division Requested; Replacement Appointed; New Chairman Named—The board concurred with a suggestion by Dr. Tanner that, because God had blessed BGCO with CP receipts \$369,287 greater than the comparative period in 1993, the Budget Subcommittee monitor CP projections and receipts prior to the Convention, make a recommendation and poll the Board of Directors by mail if receipts continued to indicate the possibility of meeting or exceeding the budget. In related action, the directors authorized the President to appoint a replacement for a Budget Subcommittee member who had moved out of state and to appoint a new chairman. [Larry Nigh was later added to the subcommittee, and Wendell Lang was appointed chairman.]

Planning and Promotion

Robert Haskins, Director

Lyle Schaller, in his book "Innovations in Ministry" says that the second most exciting era in the history of American Protestantism is the last quarter of the twentieth century. He states several reasons, among them being the openness of congregations to new forms of ministry. He says that the generations born after 1955 are forcing the churches to be more sensitive to the religious needs of people. He cites the fact that new records in church attendance are being set year after year with the total number attending church on a typical week-end in 1993 being larger than the totals in 1953, 1973 or 1983.

It is an exciting time to be alive. 1993-94 has been a challenging year for Oklahoma Baptists. The following report is simply a few of the things God has allowed us to do together.

Cooperative Program Promotion

Churches in Oklahoma gave \$16,942,580 to world missions through the Cooperative Program in 1993. This was 71,494 below 1992. In addition to the regular Cooperative Program, \$183,481 was given as Designated Oklahoma Cooperative Program. Oklahoma churches gave \$10,322,089 through the Cooperative Program the first seven months of 1994. We will likely end 1994 with Cooperative Program gifts being \$300,000-\$400,000 above 1993 receipts. Perhaps God will do the miraculous and we will meet our basic \$17,450,000 objective.

A Cooperative Program memo has been sent to the pastor and church treasurer each month. A vignette of Cooperative Program ministries is highlighted each month.

Promotion packets for both Cooperative Program Day and Cooperative Program Month were sent to each church. In the Cooperative Program Month packet, new materials on Cooperative Program Champions were included.

Several churches have increased their percentage giving through the Cooperative Program. In fact, 107 churches have increased their percentages from October 1993 through August 1994. Churches are encouraged to look at their percentage giving at least once per year and to ask the question, "Lord, what would you have our church do for the world?" Many churches are being led to make significant increases at sacrifice to their own local church needs.

Coordinated Promotion Planning

The 1993-94 emphasis, "Hope for Hurting Humanity," is drawing to a close. Several churches have made significant advancement in beginning new ministries. The "Here's Hope. Share Jesus Now" emphasis for 1994-95 is in the countdown stage. Everything is falling into place for "60 Days of Sharing Jesus with 60 People" for January through March 1995. Also, Harvest Revivals are being planned throughout 1995.

Orientations

Two orientations were conducted at the Baptist Building this year for new directors of Associational Missions. They spent 30-minutes to one hour with each department/agency learning the work of that department/agency and becoming familiar with the resources for the association.

Employee Appreciation Day

A BGCO Employee Appreciation Day was held at the Baptist Building, April 8, with a catered meal and a brief program led by Bill Shiflett, Minister of Music at First Baptist Church of Sapulpa. Dr. William G. Tanner expressed appreciation for the fine work of the employees. They were then given Friday afternoon, April 8, as a Spring holiday in appreciation for their faithful work.

Day of Prayer

A Day of Prayer has been conducted each Wednesday of 1994 in the

Baptist Building Prayer Room. Departments have committed thirty-minute segments of time to be in the Prayer Room praying for special needs in churches, associations and individuals' lives. Chapel has been changed to Wednesday at 10:45 a.m. This gives us a concentrated day of prayer. There are many reports of answered prayer.

Associational Services

Among Baptist bodies, associations are closest to the churches. Their communication with churches is rapid, direct, personal, and reciprocal. Associations mediate communication between the larger bodies and the churches. The associations' work is vital to the work of our Lord and Baptists in Oklahoma.

We have 41 associations, each with their own elected Director of Missions. The following directors are new to their positions since the last publication of the Book of Reports: Derrel D. Lewis, Panhandle Association (9/7/93), and Ray Taylor, Chi-Ka-Sha Association (8/94). The following have retired or resigned: Richard N. McClure served in Muskogee Association from 1966 to 1969 and in Frisco Association from 1986 until his retirement June 1, 1994. Howard Baker served in Chi-Ka-Sha Association from April 1983 until his retirement in December 1993. Brother Baker passed away September 14, 1994. Memorial services were held at Trinity Baptist Church in Ada on September 16, 1994.

David Forester served as Director of Missions for Caddo Association from 1976 until his death, April 5, 1994. Memorial services were held April 8 at the Anadarko High School Auditorium. Joshua Davis, former Director of Missions in Cherokee Association from August 1984 to December 1988, passed away November 16, 1993. Memorial services were held November 20 at the First Baptist Church of Jay. Luther Nelson, former Director of Missions in LeFlore Association, passed away in November of 1993. Brother Nelson served LeFlore Association from January 1968 until his retirement November 1976.

A special training meeting was held in March for nine Associational Directors of Missions. This training meeting was led by Everett Anthony of the Home Mission Board. Directors of Missions were assisted in helping churches in changing communities. Capital Association has completed their Mega Focus study and are now in the resourcing and implementation stage. Comanche-Cotton has begun Metro Thrust. They are in the beginning stage and have not had their first SRT (Strategic Resource Training) meeting. Union Association has requested inclusion in the Metro Thrust program. They have been approved and are awaiting the strategy process.

Two training conferences were conducted with the Directors of Missions at Falls Creek Conference Center on February 14-17 and August 24-26. The February conference provided skills development in the work of the association. J.C. Bradley, from the Home Mission

Board, spent six hours covering various aspects of the role of the Directors of Missions and the Association. Henry Blackaby, also of the Home Mission Board, spent an entire day sharing "Fresh Encounter." Robert Haskins presented a "Pastor Mentor Program" for the Association. The August conference provided a marriage enrichment emphasis for the Directors of Missions and spouses. Dr. Bill Carpenter, Director of Pastoral Care and Outpatient Ministries, Baptist Medical Center, Oklahoma City, was the enrichment leader. Brooks Faulkner and his wife led conferences focusing on ministering to ministers and their wives, and health in ministry.

90 Onward Dialogues

Each year the Associate Executive Director schedules dialogues in 12 or 13 associations. The Executive Director-Treasurer, Associate Executive Director, Editor of the *Baptist Messenger*, Director of Ministerial Services, BSU Director, Baptist Foundation President, Baptist Retirement Centers of Oklahoma President, Oklahoma Baptist Homes for Children President, and the President of Oklahoma Baptist University meet with pastors and interested lay people to answer questions relative to the programs and work of the Baptist General Convention of Oklahoma. In 1994, dialogues were conducted in the following associations: Comanche-Cotton, Mullins, East Central, Craig-Mayes, Northeastern, Grady, Central, Capital, Pottawatomie-Lincoln, and Panhandle. Dialogues were scheduled in Banner and Frisco Associations but had to be cancelled because of ice and snow.

Church Administration

Henry L. Chennault serves the Baptist General Convention of Oklahoma as consultant in church administration. During 1993-94, several training conferences were provided across the state of Oklahoma:

October 12, and

November 4, 5, 8-11, 1994—regional tax seminars for church staff, treasurers and financial secretaries

June 27-29, 1994—church secretaries certification seminar offering advanced skills certification

Throughout 1993-94—Met with several associations and conferred with pastors and lay leaders about tax matters and IRS regulations

Stewardship

Henry L. Chennault also serves as director of stewardship. The Planning and Promotion Office aids Oklahoma Baptist churches in stewardship promotion and development. This assistance is given through area and associational conferences, individual church conferences, and personal staff conferences.

Each Oklahoma Baptist church is encouraged to have at least one stewardship emphasis per year. It is suggested that churches also have a mini-stewardship emphasis in May, prior to the summer months. 1994 saw a record number of churches implementing the materials for May Mini-Stewardship Emphasis.

In 1993, Henry L. Chennault and Jim Rich of the Missouri Baptist Convention developed a new stewardship program, Try Me, Trust Me, Tithe. It was very well received by Oklahoma Baptist churches. In 1993-94 Try Me, Trust Me, Tithe was also promoted and used by many churches in Oklahoma.

Stewardship packets, with detailed information, suggestions and samples of free materials are mailed in the spring and summer for use by all churches.

Media Services

The Media Services were assigned, late in 1990, to Henry L. Chennault, associate director of Planning and Promotion. The media library continues to service needs of Oklahoma churches regarding video tape rental. Also, a state church media library conference was conducted June 20-21, 1994 at the Baptist Building. A very fine attendance resulted in many church librarians receiving excellent training.

Chennault compiles and edits a quarterly Christian Life Report for Oklahoma Baptists' Christian Life Committee. This report deals with moral issues and is mailed to pastors and Directors of Missions. The materials in this report are designed to help pastors in their communication with their people.

Continuing Education

January 1, 1994 the work of continuing education was moved to the Office of Planning and Promotion and Dr. Henry L. Chennault became director.

This ministry includes a working relationship with Oklahoma Baptist University through the Ministry Training Institutes, Southwestern and Midwestern Seminaries, providing both master and doctoral level work as well as seminary extension ministry through the Southern Baptist Convention. Persons involved in this ministry include: Ministry Training Institutes—300 to 350, Southwestern Seminary—115 to 130, Midwestern Seminary—15 to 25, and Seminary Extension 75 to 150. The State Bible Conference at Falls Creek and the KBA Bible Conference at Kiamichi provided continuing education for approximately 600 pastors and staff persons in 1994.

Oklahoma Baptist University

Bob R. Agee, President

Historic events shaped the 1993-94 year at Oklahoma Baptist University. Record enrollments, a unique new academic program, and the opening of a new business education center were highlights of a busy period in the life of the 84-year-old institution.

OBU's student enrollment for the fall of 1993 was a new record for the university as 2,432 students registered for classes. The fall enrollment was a 7.6 percent increase over the fall 1992 total of 2,260 stu-

dents. A record total of 1,972 students studied on the Shawnee campus. An additional 421 students were enrolled in Ministry Training Institute courses at more than 30 locations across Oklahoma, with MTI courses also offered in Indiana, Montana and Kansas. An additional 39 students enrolled for OBU courses at the Absentee Shawnee Tribal Complex in Shawnee. The full-time student enrollment rose from 1,650 in 1992 to 1,723 in the fall of 1993. Approximately 72 percent of the students came from 74 of Oklahoma's 77 counties, with the remainder representing 42 other states and 31 other countries.

Enrollment for the spring 1994 semester jumped by 5.1 percent over the previous spring when 2,262 students registered for classes. The total included 1,867 students on campus, 379 students studying through the MTI program, and 16 at the Absentee Shawnee Tribal Complex.

In August of 1993, classes began for OBU's first-ever graduate level program. A maximum capacity of 20 students enrolled for the master's degree program in marriage and family therapy. OBU is one of only two Oklahoma universities offering the degree, and the only one offering the program from a distinctively Christian perspective. The master's degree courses are designed to promote both clinical and biblical accountability.

In September, for the third time in four years, *U.S. News & World Report* recognized OBU as one of the 10 best regional liberal arts colleges in the western United States. The rankings are based on student selectivity, faculty resources, financial resources, and graduation rate. In a new category for excellence, *U.S. News* named OBU the "most efficient" regional liberal arts college in the West. The top efficiency rating was based on the university's overall score in the *U.S. News* rankings divided by its 1992 spending on education programs per student.

OBU's Bailey Business Center, a \$3.5 million project, opened for the fall 1993 semester, and was dedicated in October. The 31,290-square-foot facility includes 11 classrooms, 15 faculty offices, the 150-seat Tulsa Royalties Auditorium, two computer labs, and the OBU business hall of fame. The center features computer-enhanced teaching capabilities for each classroom, as well as satellite down-link capabilities.

Major landscaping work on the university's oval complemented completion of the Bailey Business Center. In addition, major improvements were completed on Shawnee Hall, OBU's oldest building, during the academic year. Campus renovation work also included installation of elevators in Thurmond Hall and Ford Music Hall.

Installation of a fully integrated computer automation system was completed in OBU's Mabee Learning Center during the summer. The system replaces the university's card catalog, offering students and faculty enhanced searching capabilities. Through the system, OBU is linked to libraries across the nation, allowing greatly expanded research and information gathering capabilities. The Robert N. Hammons

Biblical Research Center was dedicated in January. Housed in Montgomery Hall, the research center offers a study location for upper-level biblical studies students, Southwestern Baptist Theological Seminary students studying at the OBU satellite campus, and pastors or other ministers in the state who want to do research at OBU. The center is named in honor of Rev. Robert N. Hammons, a long-time Oklahoma pastor who retired from the pastorate of the First Baptist Church of Seminole in early 1994.

Signifying the university's long-standing traditions in the fields of church music and mission involvements, two OBU graduates, Bill J. Pearson and Donald R. Kammerdiener, were presented honorary doctorates by OBU during Founders' Day in February. The two represent more than 77 years of work in Southern Baptist ministry efforts.

In the spring, Dr. C. Mack Roark, OBU vice president for religious life since 1984, accepted a full-time faculty position as OBU's Ruth Dickinson professor of Bible. Dr. Dick A. Rader, dean of OBU's Joe L. Ingram School of Christian Service and WMU professor of missions, added the duties of vice president for religious life, and Dr. Tom Wilks, OBU professor of applied ministry, was named director of off-campus programs.

OBU picked up the pace in the area of summer mission efforts in 1994. A long-time leader among Southern Baptist colleges and universities in the number of mission volunteers, the university had a record number of 200 students, faculty and staff serve in mission projects during the summer. Their work spanned 19 states and 12 other countries.

A team of nine people taught English in Karamai, China, as the university marked its eighth year of partnership with Xinjiang University in China's most inland province. For the fifth straight year, a team of four OBU representatives taught English at the International Baptist Lay Academy in Budapest, Hungary.

More than \$3.4 million was raised for the university during the 1993-94 fiscal year, as more than 5,800 people contributed to OBU. The financial support provided funds for scholarships, endowment, equipment, operational support, and construction/renovation projects.

OBU trustees approved a \$23.4 million operating budget for the 1994-95 fiscal year during their spring meeting. The university's tuition and fees were raised for the fall 1994 semester, but OBU continues to be among the lowest of the 53 Southern Baptist colleges and universities. OBU is still the least expensive private university in the state.

In athletic programs, OBU capped off the academic year with three national top-four finishes in the spring. The indoor and outdoor track and field teams each placed third in the national championships, garnering 26 All-America honors, with three individual national champions. In addition, Bison head coach Glen Stone was named the NAIA Track Coach of the Year. OBU's cross country team finished 20th in the

nation in the fall, after winning its third straight District 9 championship.

The OBU men's basketball team followed up its record-setting 1992-93 campaign with a return trip to the NAIA Final Four. The Bison were ranked first in the nation for most of the regular season and compiled a 29-8 record overall. The men's basketball program also had its first-ever Academic All-American selected in the spring.

In women's basketball, the Lady Bison gained a national ranking early in the season and compiled a 21-11 record in the rugged Sooner Athletic Conference. The season was highlighted by a 14-game winning streak, as the team advanced to the second round of the conference playoffs.

In baseball, the Bison battled through a seesaw season to compile a 30-20 record and reach the District 9 playoffs. The Lady Bison softball team finished second in District 9, compiling a 22-21 record.

The Bison tennis team battled injuries throughout the year, compiling a 6-9-1 mark for the season. It snapped a string of 15 consecutive winning seasons.

In May, OBU's trustees approved the addition of three new women's varsity sports, beginning with the 1994-95 year. The new sports include women's cross country, indoor track and field, and outdoor track and field.

The university welcomed eight new faculty members in the fall of 1994. The full-time faculty totals 107, with more than 63 percent holding earned doctorates.

As OBU continues to expand its efforts in the arena of Christian education, the university is grateful for the faithful and prayerful support of Oklahoma Baptists.

Baptist Retirement Centers of Oklahoma

Bill Pierce, President

Oklahoma Baptists' thirty-fifth anniversary year in ministry to older adults through retirement centers was also a year of new beginnings. A new auxiliary corporation of the convention, Baptist Retirement Centers of Oklahoma, was formed. This new organization is enabling us to focus entirely on ministries to older adults. We hit the ground running and are making a difference in the lives of people. We know that, sooner or later, every Baptist in Oklahoma has a need for the ministry we provide.

Baptist Retirement Centers of Oklahoma provides three retirement centers and four villages including more than 675 independent living apartments, 90 assisted living apartments and provisions for 340 per-

sons in long term nursing care. Services are designed to meet needs and contribute to health, security, happiness, spiritual well-being and usefulness in longer living. More than 1,100 people live in the Baptist Retirement Centers.

Opportunities to minister to older adults in our state are expanding. A twenty-member board of directors is focused on the needs of older adults. Home health care and an expanded assisted living program are rewarding new avenues of ministry.

I Program Highlights

1. Monroe Palmer, administrative chaplain at Okmulgee Baptist Village, and wife, Juanita, were presented the 1994 "Extra Mile Award" for outstanding service to retirement center residents.

5. Warren and Dolly Lamons were named Mission Corps Volunteers at Okmulgee Baptist Village after a ministry of more than 20 years as pastor of First Baptist Church, Yale.
6. A plan was approved to construct ten additional life-occupancy duplex units at the Baptist Retirement Center of Owasso.
7. Due to storm damage in the Ada area, roof replacement was completed for the second consecutive year at Ada Baptist Village.
8. More than 500 older adults attended Bible study or chapel services on campus each week.

The Board Of Directors The Baptist Foundation Of Oklahoma

Robert L. Ross, President

The Baptist Foundation of Oklahoma is the incorporated trust agency of the Baptist General Convention of the State of Oklahoma. All endowment gifts received by or for Convention agencies, institutions, departments or special projects are transferred to the Foundation for management. No Convention entity holds and/or manages its own endowment funds.

Because of this unique relationship, dating back to November, 1946, The Baptist Foundation of Oklahoma has grown to be third in size among the 29 state Southern Baptist foundations.

As of December 31, 1993, assets held by The Baptist Foundation of Oklahoma reached \$112.9 million. New gifts received during the past audit year were \$8 million, with earnings for this period totaling \$11.1 million.

As trustee for endowment gifts for Oklahoma and Southern Baptist causes, The Baptist Foundation of Oklahoma distributed more than \$6 million on behalf of approximately 100 beneficiaries during the past year. These beneficiaries include churches, associations, foreign, home and state missions, Baptist Retirement Centers of Oklahoma, Oklahoma Baptist Homes for Children, Oklahoma Baptist University, the Southern Baptist Convention and individuals who receive income from trusts during their lifetime.

The ethic and philosophy of The Baptist Foundation of Oklahoma is clearly defined by an investment policy statement adopted by the Foundation's Board of Directors in October, 1986:

"The Foundation is committed to conducting its business affairs in a manner consistent with the highest Christian moral and ethical standards taught and implied in the Scriptures, and shall in no way compromise its Christian witness in the world by investment in a company or activity which does not promote the best interests of a wholesome society. No assets held by the Foundation are invested in companies related to the liquor, tobacco or gambling industries, or companies dealing in pornographic materials, or companies promoting entertainment forms which present as norm lifestyles inconsistent with Christian morality or companies which violate basic human rights by their manner of doing business."

The Foundation's Board of Directors is composed of 20 business and professional people from across the state, each serving a four year term. The directors are organized into four functioning committees. These committees are: audit and trust administration; estate stewardship and promotion; church building loans/real estate/student services, and investment. The chairpersons of each of these committees constitute the executive committee. In addition, there are six individuals who serve as advisors to the Foundation's Board of Directors.

Board members are: Sidney M. Adkinson (Duncan), J. Chris Cariker (Stigler), Beverly Clark (Tulsa), Chris L. Condley (Muskogee), Stephen Earle (Ponca City), Linna Edwards (Oklahoma City), David B.

Gillogly (Bethany), C.B. Graft (Clinton), Ron Harris (Mooreland), Bob Jones (Lawton), Ray Mason (Noble), Raymond McDowell (Mustang), David W. Morley (Enid), Oneal Netherland (Tulsa), Ed Peterson (Lawton), Henry D. Powell (Bartlesville), Paulette Reed (Durant), Marcia Robb (Tulsa), Janelle Sloan (Oklahoma City), and Bob Wagoner (Broken Arrow). Advisors are Bob Agee (Shawnee), John R. Crain (Tulsa), Marlin Hawkins (Oklahoma City), Randy Long (Enid), Joyce Shelby (Midwest City) and Charles Sutter (Edmond). Ed Packwood (Oklahoma City) is an advisor emeritus.

The Foundation's programs and day-by-day operations are administered by an executive staff consisting of Robert L. Ross, president; Ronald L. Fannin, senior vice president for loan services; Robert Kellogg, vice president and chief financial officer; James H. Lockhart, vice president and general counsel; Celinda K. Olszewski, vice president and controller; Melinda Warren, vice president for estate stewardship services; Wayne Childers, director of communication and public relations; Bill Gwartney, director of the Tulsa regional office; Shryln Treadwell, director of trust administration.

The Foundation's main offices are in the Baptist Building at 3800 North May Avenue in Oklahoma City. A full service regional office is located in the Southern Oaks Building at 7335 South Lewis Avenue, Suite 307 in Tulsa. Estate stewardship counselors also reside in Muskogee and Duncan and may be reached through a Baptist Foundation listing in those cities.

Copies of "The Certificate of Incorporation and Bylaws of The Baptist Foundation of Oklahoma Amended and Restated, July 1993" are available from the Foundation office upon request.

The report which follows is presented under sub-headings representing areas of work of The Baptist Foundation of Oklahoma.

Investments

Assets held by the Foundation, were for the most part, invested in the Equity Investment Pool (EIP) and the Fixed Income Pool (FIP) during last year. The EIP is composed of stocks and cash equivalent investment instruments while the FIP contains church building loans, corporate and government bonds. The market value of the combined pools exceed \$97 million.

The various account types administered by the Foundation are invested in different proportions of equity and fixed income investments (asset mix) based on their account type and investment objectives. The asset mix expresses the percentage of investment in the EIP and FIP.

Assets that are not endowment in nature are invested with an asset

mix of 65% in the FIP and 35% in the EIP. The Foundation distributes earned income (stock dividends and interest on bonds and cash equivalents) to the beneficiaries of these accounts.

In accordance with the Foundation's Spending Policy and total rate of return concept, and in compliance with Oklahoma's Uniform Management of Institutional Endowed Fund Act, the Foundation is allowed to recognize and distribute asset appreciation, in a prudent manner, on endowment assets. Endowment asset accounts have an asset mix of 55% in the EIP and 45% in the FIP. The Foundation distributes \$0.06 per share to beneficiaries of these accounts.

The Foundation's equity portfolios are managed by four professional equity management firms: Laurel Capital Advisors, Pittsburgh, Pennsylvania; Sirach Capital Management, Seattle, Washington; Talon Asset Management, Chicago Illinois and Tom Johnson Investment Management, Oklahoma City, Oklahoma. The Foundation's bond portfolio is managed by Ferguson, Wellman, Rudd, Purdy and Van Winkle, Portland, Oregon. Dave Patrick of Smith Barney Shearson Company serves as an investment consultant to the Foundation in monitoring and reporting on the performance of the investment managers. The investment committee of the Board of Directors meets periodically to review the progress of the Foundation's investment strategy.

Other assets managed by the Foundation are not invested in the investment pools due to the nature of the assets, such as real estate properties, mineral interest and production, tax exempt bonds and other miscellaneous gifts.

Copies of the "Investment Policies, The Baptist Foundation of Oklahoma" and "Spending Policy, The Baptist Foundation of Oklahoma" are available upon request through the Foundation office.

Trust Administration

The Baptist Foundation of Oklahoma currently administers more than 1200 trusts. Such administration involves the receiving and investing of corpus contributions, distributing income to beneficiaries, and reporting to appropriate individuals and other entities. Fiduciary responsibility requires a continuous monitoring process to assure that trusts are administered according to the terms of the document and that there is full and accurate accounting of income and expenses.

Approximately 30% of trusts administered by the Foundation require tax reporting to the Internal Revenue Service and the Oklahoma Tax Commission. These personal and trust returns are prepared either by The Baptist Foundation or by an outside accounting firm.

Copies of "Trust Administration Policies of The Baptist Foundation of Oklahoma," adopted by the Board of Directors in July, 1992 are

available upon request. Procedures for implementation of trust administration policies are subject to continuing review and revision.

Charitable Giving And Estate Stewardship Services

One cannot describe the work of The Baptist Foundation of Oklahoma without using words like "ministry" and "service." For forty-eight years, the Baptist Foundation has offered estate planning information and assistance to Baptist people. Last year 802 persons were assisted by the estate stewardship staff of the Foundation. This led to the preparation of 612 Christian wills, 168 trusts, and 22 gift annuities.

Melinda Warren directs the estate stewardship services. Five other staff members assist in the area of estate stewardship. Rex Wilkinson serves as an estate stewardship counselor for the eastern half of the state. Mart Hardin serves as an estate stewardship counselor for the western part of the state. Neal Wooldridge has no assigned territory, but has responsibility for the entire state. Judy Branom has estate stewardship responsibilities in the Oklahoma City area. Bill Gwartney directs the Tulsa office.

Charitable giving and estate stewardship is a highly specialized area complicated by changing tax laws and emerging techniques. Therefore, professional training is an ongoing activity with the Foundation staff. Foundation personnel also relate to other professionals such as attorneys, accountants and financial planners to accomplish the charitable objectives of clients.

Much of the growth of the Foundation can be attributed to its charitable giving and estate planning services. More importantly, it helps people mature in their giving and it helps agencies, institutions, and departments of our Convention to fulfill their mission.

Church Building Loan Services

The Board of Directors of The Baptist Foundation of Oklahoma established the Church Building Loan program as an investment strategy in 1954. It is designed to provide endowment income for Baptist causes through long term financing of church and associational building projects. Cooperating churches, associations, institutions and agencies of the BGCO have secured loans from the Foundation knowing that their interest payments help support various Baptist causes.

Current church building loan investments total nearly \$28.5 million, including participation loans with the Home Mission Board. In addition to the loans made to Oklahoma Southern Baptist Churches, loans have been approved for Southern Baptist churches in Kansas, Nebraska and Colorado. However, Oklahoma churches are always given first priority.

Loan application packets are available upon request from the Foundation's Loan Services Department. Ron Fannin, senior vice president, visits personally with each applicant to assure adequate collateral for the loan and to answer all questions from the borrower. Applications received by the first of the month are considered in that monthly meeting of the Church Building Loan Committee.

A total of 1,172 loans have been made since 1954. This past year from August 1, 1993, through July 31, 1994, 35 loans were made, totaling \$7,560,312.18. Loans in effect during the past year produced more than \$2.3 million in interest income for Baptist causes during this same time period.

There are four types of competitive interest rates offered to borrowers: (1) an annual adjustable rate, (2) a three year adjustable rate, (3) a five year guaranteed fixed rate and (4) a ten year guaranteed fixed rate. A maximum term of 15 years is offered for each loan and each interest rate has a maximum adjustment of 5% over the life of the loan.

Copies of "Policies and Regulations for Securing a Church Building Loan" are available upon request.

Communication And Public Relations Services

An effective communication program is a vital part of the ministry of The Baptist Foundation of Oklahoma. The following summary highlights the communication and public relations programs relating to the Baptist constituency, church and associational leaders, attorneys and other professionals, and the general public.

Communicating through special emphasis:

Each year two observances on the denominational calendar focus on Foundation ministries. January is observed as "Make Your Will Month" and September is designated "Baptist Foundation Month." To mark these observances The Foundation provides more than 160,000 bulletin inserts to all of the 1,600 Baptist churches in Oklahoma. The inserts promote an estate stewardship theme and provide a form to request estate planning assistance or additional information.

These emphases are also promoted through articles in the *Baptist Messenger*, and associational newsletters. The *Baptist Messenger* devoted editorial space to promoting these events.

Another special emphasis was at the state Evangelism Conference where the Foundation had a booth. Foundation staff members attended the booth, and distributed materials.

This year the Foundation sponsored two Taxable Estate Seminars led by the Foundation personnel and local professionals. These seminars addressed complicated issues in taxable estates. The Foundation

further sponsored three community-wide estate planning seminars. One seminar addressed revocable living trusts, wills, gift annuities and other planning options. Another seminar, *Financial Planning in the 90's*, provided basic information on the creation, preservation and the distribution of an estate.

Other seminars conducted by the Foundation include; Options for Aging Parents, W.A.T.S. (Will and Trust Seminar), and Church Building Loans.

In May 1994, the Foundation conducted two identical conferences for attorneys, certified public accountants, chartered life underwriters and bank trust officers in Tulsa and Oklahoma City. 140 professionals attended in Oklahoma City and 71 in Tulsa.

Communicating with churches:

Several members of the Foundation staff are ordained ministers and former pastors. Because they are gifted preachers they are busy almost every Sunday preaching in churches across the state and representing the work of the Foundation. They serve as interim pastors, preach revivals, conduct Bible studies, teach at Falls Creek, participate in World Mission Conferences and other meetings.

In addition to preaching schedules, Foundation staff members conducted 50 W.A.T.S. emphases in churches. A W.A.T.S. emphasis involves staff members speaking on the work of the Foundation in morning worship services, conducting estate planning seminars and preaching on estate stewardship in evening worship services. They also meet by appointment with persons interested in receiving estate planning assistance.

Foundation personnel also provided programs for senior adult ministries in 19 churches this past year.

Communicating through literature:

Distributing literature and other materials is yet another way the Foundation presents important information. Literature is distributed as staff members speak in churches or associations, and by mailings to persons requesting information. Literature is supplied to associational offices, associational Baptist Foundation representatives, pastors, staff members and directors of missions. Literature and materials are supplied in packets provided to attorneys, accountants, pastors and other professionals.

Using the promotional theme "Planting Today...for Future Generations" program covers for associational annual meetings were developed and distributed.

A booklet, "Galatians The Gospel of Grace," was prepared and distributed at Falls Creek to pastors and sponsors in the class on Galatians

taught by the Foundation representatives. Dr. Finley Tinnin was the author of the Bible study guide.

Literature pieces currently available for distribution include: "The Baptist Foundation of Oklahoma," "Do You Need A Will?," "Estate Planning, A Christian Perspective," "When Death Does Us Part," "The Personal Representative," "W.A.T.S. A Bright Idea," "The Forever Fund," "A Gift Annuity; Having Your Cake and Eating It Too," "The Gift Annuity Contract," "The Charitable Remainder Annuity Trust," "The Charitable Remainder Unitrust," "The Lawyer and His Baptist Client," "The Personal Record Album," "The Revocable Living Trust," "Policies and Regulations for Church Building Loans," "Policies and Regulations for Student Scholarships and Loans," and "Trust Administration Policies."

Communicating through media:

Press releases are prepared periodically for major, regional and local newspapers, the *Baptist Messenger*, other denominational publications and professional publications for foundation executives and development officers.

The *Baptist Messenger* provides an excellent means for communicating important information to Baptist people. Articles in the state Baptist paper go to more than 100,000 subscribers weekly. These articles feature personal aspects of the Foundation's ministry, news about board actions, programming and personnel. Reader response to these articles is significant and often leads to estate planning opportunities.

Pillars is a new publication distributed by the Baptist Foundation to nearly 10,000 persons. The quarterly newsletter provides information about estate planning, personal interest stories, and other matters related to the Foundation's work. The first publication was in the Fall of 1993. Persons interested in receiving this newsletter may contact the Baptist Foundation offices.

Press releases and pictures are sent to local newspapers across the state regarding activities of the Foundation staff, preaching and speaking opportunities, church events, activities of the Foundation Board of Directors, retirements, anniversaries, board decisions and other Foundation news.

Communicating through ongoing programs:

There is no substitute for the pastor's enthusiastic endorsement and recommendation of this ministry. However, before pastors can respond in this manner, they first must have an understanding and appreciation for the purposes and programs of the Foundation. This year the Foundation sponsored associational pastors luncheons or dinners in western and northeastern Oklahoma.

A Clients' Conference was held again this year attended by 51 persons. Clients are individuals who have a special trust relationship with the Foundation. This conference is an annual event.

Personal Trustee Services

The Baptist Foundation, in serving as trustee for the assets of individuals, provides financial services in addition to meeting the ministry and personal needs of trustors. For those individuals who have established a Life Care Trust with the Foundation, the following services are provided by staff members: managing of trust assets, paying bills, filing and tracing insurance claims, sending regular distribution checks, explaining financial reports, and distributing trust assets according to the document.

Because many trustors have no close family members to care for them, assistance is also required in other areas of their lives. Whether help is needed in scheduling and arriving at doctor's visits or simply a personal visit to the retirement center or nursing home is desired, Foundation staff members will work to see that both personal and spiritual needs are met.

Finley Tinnin, administrative assistant regularly visits with these individuals and provides for many of their personal needs. In addition, Janna Charles works with trustors in answering questions and managing their personal finances. At this time, the Foundation has this kind of relationship with 26 persons across the state.

Property Management and Mineral Leasing Services

Management of real and mineral properties is directed by a committee of board members. Decisions to sell, lease, rent, or repair properties are determined according to provisions in legal documents by which properties are received and upon recommendations of staff.

Gifts of real property are usually in four categories: residential, commercial, farm land, and wasting properties, such as lake lots, cemetery lots, etc. It is the policy of the Foundation to sell properties that have been received by the Foundation as quickly as possible.

The Foundation holds deeds to more than 25,000 acres of mineral interest in 61 counties in Oklahoma and in nine other states. During the past year the Foundation received 13 units of mineral interest in Louisiana and Oklahoma. Mineral income last year audit totaled \$471,719.

Ron Fannin, senior vice president and Jim Lockhart, vice president and general counsel provide staff supervision of this area of work.

Student Scholarship And Loan Services

The Baptist Foundation of Oklahoma invests in people - especially young people involved in educational pursuits - by providing student

scholarships and/or loans. There is no more effective way to shape the future than to assist in the educational preparation of bright, committed Christian young people who can significantly impact their world for Christ.

Presently the Foundation administers more than 300 scholarship and loan trusts. In most cases, donors establish criteria for the determination of recipients. Most of these grants and loans are limited to students attending Oklahoma Baptist University or Southern Baptist seminaries. There are a limited number of scholarships provided through the Foundation to qualified applicants on a "funds available" basis.

During the 1993-94 school year, 91 students benefitted from Foundation administered scholarships totaling \$48,900.

Baptist Student Union

Bob Lee, Director

We had another banner year in BSU work in Oklahoma. Students continue to participate in large numbers in ministry and mission projects. Support from the convention, churches, and associations continues to be strong and encouraging.

Students continue to be interested in studying the Bible and sharing their faith with other students. Every year more and more students are won to the Lord and involved in Bible study and discipleship groups. Today, as much as at any time, students are hungry to know what God's Word has to say to them.

Plans call for all BSUs to be involved in "Here's Hope. Share Jesus Now." Special emphases, which include revivals and evangelism training, will be happening on every campus. Students will be trained to share their faith and Bible studies will emphasize evangelism.

Oklahoma students continue to respond to the call for missions. Close to 500 students served in missions during the summer of 1994. Sixty-five students served in foreign countries. Foreign mission projects were conducted in 14 countries including Indonesia, Austria, Japan, Ukraine, Hungary, Bulgaria, Cameroon, Brazil, Mexico, Belgium, Singapore, Uzbekistan, Taiwan, and the Philippines. The BSU group from Southeastern at Durant saw over 350 people come to know the Lord as a result of their evangelism efforts in the Philippines.

Students raised over \$188,000 to help fund summer missions, special mission projects, and support BSU work in newer convention areas. A large number of students are serving as semester missionaries and Mission Service Corps volunteers doing BSU work in Oregon, Washington, Arizona, Utah, California, Oklahoma, and Hawaii. Over

\$40,000 was sent to support BSU work in newer convention areas. Finally, over 3,000 students participated in short-term and community mission projects.

It seems like there are always changes in the BSU Director positions. This year was no exception. Joe Schmidt moved from Redlands in El Reno to Northeastern in Tahlequah. Jon Herring is the new Director at El Reno after serving two years as an associate at Tulsa Junior College. Brian Matlock is the new Associate Director at Tulsa Junior College and Curtis Cook is the new Associate at OSU. David Curry has moved to Oklahoma City from Sayre to direct the BSU work at Oklahoma City Community College and OSU/Oklahoma City. Joy Godby is serving as the BSU Director at Southwestern at Sayre.

Because of the special emphasis on evangelism, Bible study, discipleship and missions, BSU work continues to grow and remain strong. Other areas of activities are based upon these four basic areas. It is still our strong commitment to see that students have an opportunity to come to know Jesus Christ as their Lord and Savior and to grow through Bible study, missions, discipleship and church involvement.

Christian Life Committee

An Effective Christian Life Committee

More and more churches are realizing the most effective way for members of their congregations to influence their society is through a Christian Life Committee. That group (CLC) can lead the church to fulfill its call from *The Baptist Faith and Message* to "bring industry, government and society as a whole under the sway of the principles of righteousness, truth and brotherly love."

Some may be unclear about the nature and purpose of a CLC. A CLC is a standing committee in a local church or Baptist association which consists of a small group of interested persons with special concerns about how Christian principles can be applied to the daily lives of believers and their society. It is charged with the responsibility of leading a congregation or association to be aware of moral, social, religious liberty, legislative and public policy issues and what Christians can do to make a difference in their communities by standing for Biblical values.

In fulfilling this role, the committee performs these tasks:

STUDY. The CLC will identify social and moral issues to which the congregation needs to respond. It will also discover information and gather resources related to particular concerns.

EDUCATION. The CLC will bring appropriate issues and concerns to the attention of the congregation and make suggestions for individual and church response. In a variety of ways, the CLC will supply significant facts and information to the local church to raise the level of awareness regarding specific issues. Such edu-

cation may also include Bible teachings which deepen Christian motivation.

ACTION. The CLC will provide the church with strategies, techniques and resources for action.

There is a wealth of information available and a myriad of organizations offering help on moral, public policy and religious liberty issues. Your BGCO Christian Life Committee has prepared a handbook for a church or association considering or in the process of establishing or training such a committee. The handbook not only contains practical, useful information and suggestions on how to get started, but it also provides a comprehensive listing of sources of additional information and help. A packet of samples of available material is also included.

Any CLC should be careful to evaluate information in light of God's principles found in His Word, instead of the current political trends or "politically correct" views of the world. The CLC should also be careful not to be swayed by personal agendas or partisanship. Recognition of these dangers is the best safeguard of assuring they do not become problems.

A CLC must recognize the inevitability of warfare when the forces of evil are challenged. The devil wastes little energy battling lukewarm, ineffective Christians, but reserves his forces for God's people who go to work. In the midst of the battle, God's people can humbly, but confidently, remember that He that is in us is greater than he that is in the world (1 John 4:4).

An Observation of the American Family

Any casual observation of the family in America points to pain and disintegration. There is a crisis in the family. Just read the headlines of any local paper or watch the news and you'll agree that today's family is in crisis. Father indicted for killing family; boy blows away grandparents; teen-ager seeks divorce from parents are just the tip of the iceberg. The crisis in the family involves *divorce*. Families are being torn apart and separated because dad and mom cannot get along. No fault divorces and a lack of commitment are just some of the reasons. The crisis in the family involves *despair*. Parents are finding out their children are drug addicts, sexually active, homosexual or a part of a gang. Kids are finding out that dad left mom for a younger woman or in some cases another man. The home is exclusively becoming a place for people to lay their heads at night to sleep. There is no involvement or communication. The crisis in the family also involves *death*. Family members are killing one another. There seems to be no love or support, only pain and suffering.

If the condition of the family today in America was compared to the standard of a person's condition in a hospital, it would be in critical condition. The condition is two-fold. The family is *divided within*. Fighting between parents, kids, parents and kids seem to be the norm in our society. Some kids have gone so far as to ask for a divorce from their par-

ents. Jesus said in Mark 3:25 that **"a house divided cannot stand."** The family is also *disillusioned without*. The anti-family groups in our society are doing their best to give the family its death blow. The secular elitists, humanists, and the feminists are just a few who believe the family is a passing fad. The homosexual movement is bent on destroying the traditional family. Is there any hope?

The cure for the family's ills is found in the person of the Lord Jesus Christ. He is the *crucified* Lord who was nailed to the cross for the sins that dads, moms, and children commit. All the sins that are destroying the family Christ paid for with His precious blood. That is why He is also the *convicting* Lord. He lovingly convicts parents and children of their sin that can weaken the family unit. Jesus is also the *counseling* Lord who gives instruction for daily living. He encourages mutual submission between parents and uncompromising obedience from children. The cure for the family today rests in the person of Jesus Christ.

The choice facing the family today is found in Joshua 24:15. For many families the decision has been a choice of *convenience*. The temptation to follow the gods of this world has been too great to overcome. Materialism, secular humanism and hedonism has the allegiance of many families today. Can we afford to make the convenient choice? There is also the choice of *conviction*. It was the choice made by Joshua in his day. It must be the choice of every family today if we are to survive the attacks from the evil one. Today's dads and moms are challenged to say with conviction **"as for me and my house, we will serve the Lord."** Only then will the chaos be turned into contentment in America's families.

Pornography's Pain

For the last 25 years, we have witnessed the constant increase of pornographic material being poured into the marketplace through magazine sales, video outlets, cable television companies, movies; a host of other methods now available through direct mail, computer networking and programs; and "live" vulgarities in various clubs and night spots. Sometimes people are not aware of the scope of the problem.

DID YOU KNOW THAT . . .

1. There are more outlets for hard-core pornography in America than MacDonald's restaurants.
2. According to the FBI, the pornography industry grosses 8-10 billion dollars per year and is controlled by organized crime.
3. At least one woman is raped every 48 seconds in the U.S. Rapists, when arrested, state that pornography served as the manual and motivation for their acts.
4. Child molesters also confess that pornography was the stimulus that motivated their crimes. Experts estimate that one out of three girls and one out of seven boys will be sexually molested by age 18.
5. Pornography's number one consumer group is adolescent boys

between 12 and 17 years old. Pornography distorts their view of women, family life, and their own sexuality.

—this material taken from "Pornography Destroys," *Homelife Magazine*, February, 1994, p. 42.

Christians of all people need to be armed with Scripture to know how to combat the onslaught of the enemy with regards to the problem of pornography. There are many Biblical passages that confront the problem of lust which is the basis for pornography's growth.

BIBLICAL PASSAGES THAT CONFRONT PORNOGRAPHY:

1. We are to take thoughts captive - 2 Corinthians 10:1-5
2. We have armor for our warfare - Ephesians 6:10-20
3. Avoid becoming prey for Satan - 1 Peter 5:6-11
4. Lust is a sin of the mind and will - Matthew 5:27-30
5. Abstain from "porneia" (sexual uncleanness) - 1 Thessalonians 4:3
6. Living the life of holiness and moral purity is a spiritual battle - Romans 7:8-23
7. Lust caused the downfall of Adam and Eve - Genesis 3:5-7
8. Lust of this world is passing away - 1 John 2:15-17
9. Your body is the temple of the Holy Spirit - 1 Corinthians 6:9-20
10. We please God when we walk in the power of the Spirit rather than the desires of our flesh - Galatians 5:17-25
11. We are to overcome temptation by transforming our minds - Romans 12:1-2
12. We live as conquerors when our thoughts are pure - Philippians 4:8-9.

The Morality of Harvesting Fetal Tissue

It is now legal for human-to-human tissue transplantation from electively aborted fetuses. President Bill Clinton signed into law the National Institutes of Health Revitalization Act on June 10, 1993, authorizing government funding for research using such tissue.

Babies were protected from conception onward in every state by the 1870s. However, when the U.S. Supreme Court ruled in *Roe v. Wade* that abortions were legal, the fetus became a "nothing." The U.S. government has now authorized the murder and commercialization of pre-born babies from the wombs of their own mothers.

One method of execution is called "dilation and extraction" (D & X). This gruesome procedure is actually infanticide. The abortionist grabs the baby's feet with forceps and pulls its body through the birth canal, except for the head, which remains within the cervix. Then blunt surgical scissors cut through the base of the baby's skull. Next a tube (canula) is inserted and its brain is suctioned out. The skull collapses and the remainder of its body is aborted. This procedure is preferred by tissue harvesters so that cells are not oxygen deprived, as body parts are able to be immediately removed. There is no anesthetic given to the baby. This procural procedure has lowered U.S. citizens to the level of

funding government-approved practices no less barbaric than those of Nazi Germany and their experiments in their death camps during the "holocaust."

The morality of such practices, or determination of whether it is right or wrong, or ethical, must be based upon some civilized standard. For Christians, it is the Biblical standards. First, is it right to terminate the life of the pre-born human being? Second, is such a harvest method even humane in a society claiming to be "civilized"? If a criminal were executed without anesthetic, or opportunity to breathe, or scream, would anyone cry, "cruel and unusual punishment"? Would animal-rights activists cry "foul"? The unborn can feel pain. A professor of neurosurgery, Dr. Robert White, says it is even possible by the seventh week.

We do have Biblical standards regarding the "innocent" babies, whether pre-born or born. First, God recognizes, sees, and is with the pre-born babies (Psalm 139:13-16; Luke 1:41-44; Jeremiah 1:5). Second, they are not to be killed or sacrificed, for God's judgments have surely followed (Exodus 1:16; 12:29; 13:15; Deut. 27:25; Deut. 18:10, 12; 2 Kings 17:17-18; 24:4; Jer. 7:31-34; Psalm 106:37-41; Matt. 18:6, 14). Infanticide and idolatry almost always go hand-in-hand. God has in the past judged and punished those who have killed their innocent little ones. It is plausible to assume God's judgment will certainly come upon any society who so disregards His laws as to commit the same practices. Third, they are to be loved and provided for, even as Jesus demonstrated and taught (Mark 10:13-16; Matt. 14:19-21; 25:40).

In discussing fetal tissue harvesting, it is virtually impossible to separate abortion from it. A concern for such subjects must, of necessity, overlap. Dr. John Wilke, president of the National Right to Life Committee, says, "The abuse is not in the sale of those tissues, but in killing the baby in the first place." The majority of Southern Baptists have consistently expressed their convictions as to the sanctity of human life at recent S.B.C. meetings. A 1992 Wirthlin poll reported that 63 percent of Americans opposed fetal tissue research. Dr. Richard Land, Executive Director of the Christian Life Commission of the S.B.C., has written, "The federal government's approbation and endorsement of this immoral and unethical practice is an abhorrent thought to taxpaying citizens who regard unborn life as sacred."

True Love Waits

For the past thirty years, rising statistics continue to prove the negative consequences of sexual activity outside the bonds of marriage. Each year, one in ten teenage girls becomes pregnant and 400,000 teens have abortions. One in four children is born out of wedlock, compared to one in twenty in 1960, and 13 million people are infected annually with sexually-transmitted diseases. Of course, there are no statistics measuring the resulting guilt, anxiety, corruption of character and loss of self-esteem for which, sadly, there is no protection.

In efforts to curb this destructive tide, educators have attempted to teach young people methods and mechanics of "safe sex" with no values training included. They have in essence said, "We know you will be promiscuous, so we will teach you how to best protect yourself." The emphasis is always on the physical body and how to reduce the risk of pregnancy and disease, even though the failure rate of condoms is well documented. In this age of AIDS, one must ask why would any reasonable person only attempt to "reduce the risk" of acquiring a 100 percent fatal disease?

Sexual behavior is governed by values, not by knowledge. When young people are taught the benefits and rewards of a sexually pure life, they will strive to govern their actions in order to protect their futures. Christian youth will want to keep themselves healthy and available for what God has planned for their lives.

"True Love Waits" is a national campaign of encouragement and support for sexual abstinence among teenagers. Teens participating sign commitment cards as a public testimony of their desire to be obedient to God's mandate of marriage before sex. More than 200,000 cards were displayed in Washington, D.C. recently as the year-long emphasis gains ground both nationally and internationally.

The campaign theme includes the following elements for motivating sexual purity:

True love for God—Obeying God's commandments is a pure way to show your love for Him.

True love for your current date—Sex before marriage always hurts people. If you care about the person you are dating, you can choose not to hurt him or her through sexual misbehavior.

True love for your future mate—You can make a commitment to that person even before you know him or her, including a commitment to sexual purity.

True love for your future child—You can begin now to love the child you will bring into the world. That love includes a desire to see that child born into a complete, permanent family.

True love for yourself—Your concern for yourself can allow you to choose to avoid that which leads to guilt, broken relationships, disease, and even death.

"True Love Waits" kits for use in home or church settings are available at the Baptist Book Store or by ordering through the Sunday School Board.

Fear of the Almighty Fuels Faith in Action

A popular brand of clothing advertises that having "No Fear" results in winning. However, as Christians, a reverent fear of God is what actually provides the winning strategy in conquering our opponents.

Isaiah reminded the outnumbered remnant to, "Sanctify the Lord of hosts himself; and let him be your fear, and let him be your dread" (Is. 8:13). The Apostle Peter refers to this text in his epistle (1 Pet. 3:14) for

it was this same fear of God that thrust him boldly against the threatening powers of false religion and ferocious Rome. A holy fear of God is the distinguishing birthmark of one called into the Lord's family. This fear is what compels us to persevere in heralding and in applying the truth even when times are perilous. Instructing on the cost of discipleship, Jesus said, "And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell" (Mt. 10:28). The fear of God that ushered your salvation is the same fear of God that will sustain a righteous walk.

"The fear of the Lord is a fountain of life" (Prov. 14:27) for it is our **motivation** for pure living (cf. Eph. 5:21; Heb. 12:28-29). The Corinthian believers resided in a pagan society so the encouraging letter reads: "Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God" (2 Cor. 7:1). Our **witness** not bending to peer-pressure is due to our firm roots in the fear of God. Indeed, it is this holy fear that makes bold our witness (cf. Ps. 66:16; 2 Cor. 5:11). The fear of God is the foundation for **worship** (cf. Ps. 22:23; 25:14; 118:4; Rev. 14:7). Remember also there are **rewards** for those who invest in the fear of God (cf. Prov. 3:7, 8; 10:27; 14:26; 15:16; 19:23; 22:4; 23:17).

The lost are described as those who have "no fear of God before their eyes" (Ps. 36:1; Rms. 3:18). A.W. Tozer observed, "No one can know the true grace of God who has not first known the fear of God." The mother of Jesus praised: "And his mercy is on them that fear him from generation to generation" (Luke 1:50). How comforting to know that, "There is forgiveness with thee, that thou mayest be feared" (Ps. 130:4).

Our commission to preserve and illuminate can only be successful as we "treasure" (Is. 33:6) the fear of the Lord. As Solomon concluded: "Fear God, and keep his commandments: for this is the whole duty of man" (Ecc. 12:13).

Victory Found in Vision

Proverbs 29:18 records, "Where there is no vision, the people perish: but he that keepeth the law, happy is he." This verse is commonly used as a support in the implementation of goals and objectives. However, the vein of truth here is much more valuable than a helpful business principle.

In His loving grace, God has chosen to make His character and His commandments known. "Vision" refers to divine instruction, revelation, or prophecy. Because of man's proven inability to regulate himself, God has given humanity the great blessing of vision. It is therefore accurate to realize that the greatest calamity to befall people is the removal of that vision. We often think that God's anger is displayed through lightening bolts or natural calamities, but the worst judgment occurs when God withdraws His revelation from the land. This elimination is evidenced by the subsequent loss of moral government. To

"perish" signifies a casting off of restraint. Bible scholars of the past have even translated the word "perish" as "made naked." What graphic exposition of people stripped of their civility!

God judged Israel's lack of righteousness and neglect of mission concern by removing the vision (cf. 2 Chron. 15:3; Ps. 74:9; Ez. 7:26). The Lord also warned the apocalyptic church that failure to return to her first love would result in the removal of the "candlestick" (Rev. 2:5).

Believing they would discover freedom in uncharted waters, many in our nation have cut loose the anchor of vision. Our society is adrift in a licentious sea where shipwreck is imminent. The lighthouse can provide no guidance because the beacon has been extinguished.

Prophecy has never been popular, yet the only hope of survival rests in the Christian responsibility to preach the vision (Romans 10). Genuine happiness awaits those who obey the message!

Historical Commission

J.D. Dowdell, Director, Oklahoma Baptist Historical Collection

Five more persons were inducted into the Oklahoma Baptist Hall of Fame at the annual Historical Society dinner meeting, Tuesday evening, November 15, at Southern Hills Baptist Church, Oklahoma City.

The inductees this year included: J.N. Owen, called "Uncle Jimmy" by students and friends at Oklahoma Baptist University; J.W. Jent, long time OBU professor and well known authority in rural church administration; T.P. Haskins, who served the BGCO in several capacities; Ebenezer Lee Compere, organizer of churches and associations in early Baptist life; E.C. Routh, prolific writer and editor of the *Baptist Messenger* for many years. This brings a total of thirty inductees into the Hall of Fame. These are on poster and picture display at the Historical Commission booth each year at the convention.

The third annual Gaskin Lectureship in Oklahoma Baptist History and Heritage was sponsored by OBU on October 4-5 with Dr. Don Kammerdiener as guest lecturer. Dr. Kammerdiener is an OBU grad and has spent years as a foreign missionary with the Foreign Mission Board.

At the Historical Society annual meeting, recognitions were also given to the 1994 winner of the Gaskin Church History Award, and Mrs. Helen Raley was honored with the 1994 Distinguished Service Award.

Southern Baptists are preparing and planning for the 150th Anniversary of the founding of the Southern Baptist Convention at Augusta, Georgia, May 8-12, 1845. The theme is "The Spirit of Southern Baptists, 1845-1995." The 1995 convention will be at historic Augusta, May 8-10, 1995. Suggestions on how local churches might get

involved are free at the Historical Commission booth during the convention, or may be received by contacting J.D. Dowdell, Director, Oklahoma Baptist Historical Collection, 500 W. University, Box 61154, Shawnee, OK 74801.

Dowdell has prepared a paper showing the chronological development of organized Baptist work in Indian Territory before the SBC was organized in 1845. The paper is called "Oklahoma Baptists' Sesquicentennial Plus." Pick up a copy and learn of the vast amount of Baptist activity during the 28 years from 1817 to 1845 in Eastern Oklahoma.

The first increase in society dues since its organization in 1956 is now in effect. Annual dues are \$5, life membership is \$50.

Three new members of the Historical Commission are elected by this convention each year. There are nine members of the commission. They serve three years, with three members going off and three being elected each year. Oklahoma Baptist Historical Society membership is open to anyone interested. Members receive two copies of *The Oklahoma Baptist Chronicle*, *Circular Letter*, and may attend the annual meeting during the state convention by purchasing dinner tickets.

Several Oklahoma Baptist churches have celebrated their Centennial during the past few years. Free packets to assist churches in preparing to write a church history or celebrate an anniversary are available from the Baptist Collection. Mailing address is given elsewhere in this article.

Baptist Collection To Move

The Historical Commission and the Administrative Committee make the following recommendations concerning the Baptist Collection:

"That the Oklahoma Baptist Collection be moved to the Baptist Building in Oklahoma City. Upon approval, the space in the Baptist Building will be prepared and a time set for consummating the move. The Historical Commission further recommends that the Baptist General Convention of Oklahoma and Oklahoma Baptist University develop a long-range program for accessibility of materials necessary for maintaining essential portions of the Baptist Historical Collection in the OBU library. The Baptist General Convention of Oklahoma acknowledges the tremendous contribution Oklahoma Baptist University has made through the years to the Oklahoma Baptist Collection in providing space, utilities, custodial services and staff services as needed, and expresses deep gratitude and thanks for the partnership and pledges a continued partnership in developing a long-range program for accessibility of materials necessary for maintaining essential portions of the Baptist Historical Collection in the Oklahoma Baptist University library for students and faculty."

The Historical Commission submits the following reasons for this recommendation:

1. The former Baptist Building at 1141 North Robinson did not have space for the collection in 1976 when it was placed at Oklahoma Baptist University. In the present location at 3800 North May, there is ample space and also space for growth.
2. There is plenty of parking space for staff personnel, groups and special guests.
3. There is an excellent opportunity to build a pool of volunteers in Oklahoma City interested in working with the collection.
4. The Baptist Building is the hub of activity for Baptists from the entire state, and it is also centrally located.
5. In the Baptist Building, the Oklahoma Baptist Collection would be placed in close proximity to other Baptist collections, namely: the WMU Library and Archives, the Baptist Messenger Library and the J.A. Pennington Collection in the Evangelism Department.
6. Groups of all ages, such as Vacation Bible School, Senior Adults, WMU, DOMs, Board of Directors, Church Media Library Directors, Pastors, Church Secretaries, Youth Ministers, Music Ministers, etc., would have quick and easy access to the Historical Collection, thus enhancing our historical materials to the Baptist public of Oklahoma.
7. It is anticipated that the larger exposure would cause pastors and others to add to the Baptist Collection.

Independent Auditors' Report

Board of Directors
Baptist General Convention of
the State of Oklahoma
Oklahoma City, Oklahoma

We have audited the accompanying fund balance sheets of THE EXECUTIVE OFFICE OF BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA as of December 31, 1994, and the related statements of support and revenue, expenses, capital additions, and changes in fund balances and of cash flows for the year then ended. These financial statements are the responsibility of the Convention's management. Our responsibility is to express an opinion on these financial statements based on our audit.

The title "The Executive Office of Baptist General Convention of the State of Oklahoma" represents only one segment of the operations of Baptist General Convention of the State of Oklahoma, and does not include other operations of the Convention as explained in Note 1 to the financial statements.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of the executive office of Baptist General Convention of the State of Oklahoma as of December 31, 1994, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

**THE EXECUTIVE OFFICE OF
BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 1994**

1. Summary of Significant Accounting Policies

Nature of Operations—The Baptist General Convention of the State of Oklahoma was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. It was incorporated without capital stock under Oklahoma law. Its first Articles of Incorporation were filed in May, 1917, for a term of twenty years with subsequent amendments providing for an organization in perpetuity.

Administrative activities of Baptist General Convention of the State of Oklahoma are conducted by The Executive Office of Baptist General Convention of the State of Oklahoma.

Composition of Reporting Entity—The accompanying financial statements include net assets and operations of The Executive Office of Baptist General Convention of the State of Oklahoma. The "Executive Office" is defined to include all statewide activities conducted by the Baptist General Convention of the State of Oklahoma except for activities conducted by Oklahoma Baptist University (OBU), The Baptist Foundation of Oklahoma (BFO), Baptist Retirement Centers of Oklahoma, Inc. (BRCO), Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Building Corporation. These organizations' boards of directors are elected by the Baptist General Convention of the State of Oklahoma and thus are considered to be under common control.

Basis of Accounting—The financial statements are prepared on the accrual basis of accounting.

Fund Accounting—Separate funds have been established to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the governing board (unrestricted funds) and of those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions (restricted and endowment funds). The following funds have been established for the Convention:

- * **Current Unrestricted Fund**—This fund accounts for all resources over which the governing board has discretionary control to use in carrying on the operations of the Convention.

- * **Current Restricted Fund**—These funds account for those resources currently available for use, but expendable only for operating purposes specified by the donors.

- * **Property Fund**—This fund accumulates the net investment in fixed assets and accounts for the unexpended resources contributed specifically for the purpose of acquiring or replacing land, buildings, or equipment for use in the operations of the organization. Mortgages or other liabilities relating to these assets are also included in this fund.

- * **Endowment Fund**—This fund represents the principal amount of gifts and bequests accepted with the donor-stipulation that the principal be maintained intact in perpetuity, until the occurrence of a specified event, or for a specified period, and that only the income from investment thereof be expended either for general purposes or for purposes specified by the donor.

Statement of Cash Flows—For the purpose of the statement of cash flows, the Convention considers only bank deposits subject to immediate withdrawal to be cash equivalents.

Property and Equipment—The Convention capitalizes property and equipment with a cost or fair market value at date of donation of \$500 or more. Depreciation was recorded on the straight-line method from dates of acquisition or donation. The lives generally used are:

Land improvements	20-40 years
Buildings	20-50 years
Furniture and office equipment	4-10 years
Automobiles and machinery	3-10 years

Revenue Recognition—Revenue of the Convention consists primarily of voluntary contributions from Baptist churches throughout the State of Oklahoma. The donor may designate its use by the Convention. Such designated (restricted) contributions are recognized as revenue when the obligation imposed by the restriction has been met.

Investments and Endowments—The Baptist Foundation of Oklahoma (the Foundation) was created as an agency of the Baptist General Convention of the State of Oklahoma for the purpose of receiving and managing all trust funds and all property, real, personal, or mixed, for endowment purposes. These funds include designated endowment contributions and earnings on such contributions, and restricted and custodial funds held for the Convention. The contributed assets are reflected at the fair market value at date of contribution. At December 31, 1994, the fair market value of marketable securities held by the Foundation exceeded the carrying cost of these investments by approximately \$54,000. This total includes approximately \$52,000 of endowment fund appreciation and realized gains that may be added to corpus or distributed as income in the future based upon the total return distribution policy adopted by the Foundation during 1993.

Other trustees administer endowment trusts with assets totaling \$465,695 for the benefit of the Convention. The income from these trusts may be used for any purpose; however, the corpus may not be withdrawn, and therefore is not included as an asset in the accompanying financial statements. During 1994, distributions totaled \$12,859.

3. Notes Payable

Oklahoma County Industrial Authority

On March 31, 1989, the Oklahoma County Industrial Authority (the Authority) issued its "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989" in the amount of \$20,030,000. The net proceeds of \$17,472,936 from the bond issue were loaned to the Convention and were used to retire debt obligations of the Convention's retirement centers and nursing homes, including \$771,000 advanced from the Convention. The Convention has executed a note to repay the Authority for its costs under the bond issue and to fund interest and bond retirement. The Convention's liability under the note at December 31, 1994, was \$16,516,304, which is equal to the bond liability net of unamortized issuance costs and unapplied bond fund earnings.

As discussed in Note 11, assets to which this note relates have been transferred to BRCO and a receivable from BRCO recorded. BRCO is to make all scheduled note payments and assets transferred to BRCO remain pledged as collateral on the notes.

Monthly payments are required by the note in amounts equal to the Authority's debt service for the bonds. Final payment under the note is scheduled for May, 2008.

The unrestricted gross revenues of the Convention are pledged as security under the note. The Convention has agreed not to permit any new liens or encumbrances on its endowment funds or consent to the subordination of the Convention's rights to any other person. In addition, the Convention has obtained a letter of credit to guarantee note payments and has agreed to comply with certain financial ratio covenants under the letter of credit agreement.

As a part of the debt refinancing arrangement, funds were placed in irrevocable trusts to provide for the retirement of the Tulsa Industrial Authority Junior Lien Revenue Bonds, 1981 Owasso Baptist Village Project issued pursuant to terms and conditions of a 1978 bond indenture (see Note 6). The Convention has been released from liability under the note and leases pertaining to these projects.

Effective June 3, 1991, the Convention entered into an interest rate swap and cap agreement. The agreement provides for interest rate protection on the total of \$20,030,000 in bonds issued. Under the agreement, the Convention was required to pay interest at a fixed rate of 7.07% per annum through September 1, 1994. Interest accrues based upon the variable rate at which the bonds are remarketed each period, but not exceeding 6.97% per annum. At December 31, 1994, the variable interest rate being paid by the Convention was 4% per annum.

Interest and related expenses will be recognized by BRCO. As all debt service payments are to be made by BRCO, the Convention will recognize no income or expense during the term of the note.

The Baptist Foundation of Oklahoma

The Convention has assumed responsibility for the repayment of loans The Baptist Foundation of Oklahoma has made to various Baptist Associations in connection with Baptist Student Unions in their area. These twelve loans, are generally secured by real estate, bear interest at 7.95% and have a balance due of \$341,098 at December 31, 1994 (1993-\$317,136).

The following schedules maturities for notes payable:

Year Ending December 31,	Unrestricted Fund
1995	406,973
1996	433,373
1997	469,888
1998	996,528
1999	1,073,303
Later Years	13,477,337
Total	16,857,402

4. Commitments and Contingencies

The Convention has guaranteed bonds issued by The Oklahoma Baptist University Authority. The bonds are secured by proceeds from a lease of the main campus facilities at Oklahoma Baptist University (OBU), mortgages on real estate comprising the campus of OBU, a municipal bond insurance policy and a letter of credit issued by a financial institution. At December 31, 1994, the unfunded liability for bond principal and interest approximated \$11,700,000.

During 1992, the Convention adopted a plan to self insure workers compensation. Insurance is carried which limits liability on individual and aggregate claims. The Convention has recognized as expense in the current year the amount of claims paid for the year and an amount equal to the estimated amount of future claims arising from losses incurred in the current and prior periods. At December 31, 1994, accounts payable include \$12,277 related to estimated future claims.

5. Notes Receivable

On October 2, 1990, the Convention sold facilities from which it operated (see Note 9) and received a note in the amount of \$400,000. The note provides for 119 monthly payments of \$3,102 including interest at 7%. The final payment of \$270,196 is due in December, 2000.

6. Capital Lease Obligations

Capital lease obligations consist of two obligations under which the Convention remains primarily liable. Assets subject to the lease have been transferred to BRCO under a sublease agreement. A receivable from BRCO has been recorded. Payments under the capital lease obligations will be made by BRCO.

Tulsa Baptist Retirement Center—On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000.

A supplemental bond indenture dated April 1, 1981, in the amount of \$325,000 was issued by the Tulsa Industrial Authority for the purpose of constructing three duplex units. The bonds were defeased under the 1989 loan from the Oklahoma County Industrial Authority as described in Note 3.

The lease rental to be paid by BRCO is an amount sufficient to satisfy the bond obligation. The lease is scheduled to

terminate by February 1, 2008.

BRCO, through its sublease with the Convention, has the right to purchase the project at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

Baptist Retirement Center, Oklahoma City—The Baptist Retirement Center, Oklahoma City was constructed by the Baptist Laymen's Corporation (an affiliate) in 1965 and transferred to the Convention in 1974.

In 1971, the Baptist Laymen's Corporation leased the premises to the Oklahoma Industries Authority (OIA). OIA issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Convention. OIA then subleased the premises to the Baptist Laymen's Corporation for a period of twenty years with payments equal to the annual debt service requirement of the OIA on bonds issued as described below. BRCO has acquired through its sublease, the Conventions option to acquire the leasehold estate for an amount necessary to retire all outstanding bonds issued by the OIA.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds were guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Convention has the option to acquire the leasehold estate for the amount required to retire all outstanding bonds issued by the OIA. This option has been granted to BRCO under the sublease agreement.

On March 1, 1982, the Baptist Laymen's Corporation executed a lease with the Oklahoma County Industrial Authority (OCIA). OCIA issued its Baptist Laymen's Corporation First Mortgage Revenue Note, Series A (Lackey Manor Project) in the amount of \$4,500,000. The bonds were defeased in 1989 as disclosed in Note 3.

Office Equipment—The Convention leases certain office equipment for use in its operations. The equipment which has a cost of \$45,291 has been capitalized and is being depreciated over the term of the leases.

The following is a schedule by years of future minimum lease payments under the lease obligations, together with the present value of the net minimum lease payments as of December 31, 1994:

Year Ending December 31,	Tulsa Baptist Retirement Center	Baptist Retirement Center, Okla. City	Office Equipment	Total
1995	187,471	163,271	11,521	362,263

Present value of minimum lease payments	1,371,316	1,204,660	38,129	2,614,105

7. Deferred Revenue

Deferred revenue of \$2,438,736 and \$3,717,501 at December 31, 1994 and 1993, respectively, consists of unexpended contributions for which the donor-imposed restrictions have not been met. The following is a schedule of deferred revenue at December 31, 1994:

Church program and promotion	2,431,454
Baptist student work	7,282
	<u>2,438,736</u>

At December 31, 1994, deferred revenue includes an amount included in accounts receivable totaling \$333,984. This amount represents a credit issued by the Annuity Board of the Southern Baptist Convention which will be applied to reduce future payments for the Convention's matching contribution for church staff retirement and insurance benefits. The amount will be recognized as income ratably over a three year period as payments to the Annuity Board are reduced.

8. Pension Plan

All employees of the Convention are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Convention contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for Convention employees for the year ended December 31, 1994, approximated \$310,000 (1993-\$516,000). The Convention's policy is to fund pension cost as it is incurred.

9. Leased Facilities

During 1990, the Convention leased office facilities from the Baptist Building Corporation (a corporation owned and controlled by the Convention) (Note 10). Lease payments of \$52,500 per month commenced in November, 1990. During 1993, the Convention increased the total square footage leased and monthly payments were increased to \$58,754. The agreement provides for increases based on escalations in operating costs.

The lease agreement has a term of ten years with options to renew for ten additional one year periods. Payments under

the agreement totaled \$708,938 for 1994.

During 1994, the Convention subleased space to BRCO and OBHC on a month to month basis for a total of \$70,436. Expense under the agreement for 1994, net of subleases, was \$638,502. The Convention expects to enter into subleases over the time period of the original lease.

The following schedules the agreed minimum future annual rental commitment:

Years Ended:	
1995	705,048
1996	705,048
1997	705,048
1998	705,048
1999	705,048
Thereafter	587,540
	<u>4,112,780</u>

10. Investment in Baptist Building Corporation

During 1990, the Convention entered into an agreement under which custodial funds held by the Foundation were invested in a newly-formed corporation for the purchase and renovation of an office building. Upon completion of renovation, the building was leased, principally to the Convention and its agencies and affiliates. A total of \$4,331,000 has been invested in the Baptist Building Corporation. Repayment of invested funds is at the discretion of the Baptist Building Corporation, however all invested funds must be repaid upon any sale or conveyance of the building. The agreement provides that the Baptist Building Corporation will pay a reasonable rate of return equal to the distribution rate established by the Foundation on investments of its endowment fund.

As discussed in Note 11, these custodial funds have been transferred to OBHC.

11. Transfer of Assets to Auxiliary Corporations

During 1993, the Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Retirement Centers of Oklahoma, Inc. (BRCO) were created as a result of actions of the board of directors of the Convention. These corporations were formed to conduct the operations of the Family Care Ministries.

Directors of the new corporations are elected by the Convention. These entities may not create debt for capital needs or undertake any major expansion projects without consent of the Convention or its board of directors.

Operations of the new entities commenced on January 1, 1994 and utilized operating assets associated with the conduct of their respective activities. During 1994, the board of directors of the Convention authorized the executive director-treasurer of the Convention, in consultation with the presidents of the Convention, BRCO and OBHC, to determine specific assets to be transferred. The following schedules assets and liabilities transferred to BRCO and OBHC or identified to be transferred under the previously mentioned board authorization. All transfers are considered to have occurred on January 1, 1994 consistent with the board intention.

- (A) Funds held by The Baptist Foundation of Oklahoma include both custodial and endowment funds. Included in the amount transferred to OBHC are funds invested in the Baptist Building Corporation (Note 10).
- (B) Amounts receivable from BRCO consist of \$16,900,850 and \$2,687,399 which is equal to the net liability under notes payable (Note 3) and capital lease obligations (Note 6) under which the Convention remains primarily liable. At the conclusion of the initial five years, the boards of directors of the Convention and BRCO will jointly establish repayment terms or determine the need for continuance of the moratorium.
- The Convention receives and disburses cash on behalf of BRCO. At December 31, 1994, \$266,365 was owed to BRCO.

12. Year Ended December 31, 1993 Financial Information

The amounts shown for December 31, 1993 and the year then ended in the accompanying financial statements are included to provide a basis for comparison with the year ended December 31, 1994, and present summarized totals only. Accordingly, the 1993 amounts are not intended to present all information necessary for a fair presentation in accordance with generally accepted accounting principles. Amounts for 1993 include assets, liabilities and operating results of BRCO and OBHC which are not included in 1994 balances.

13. Accounting Principles to be Adopted

Several statements of the Financial Accounting Standards Board become effective for the year beginning January 1, 1995. Management has indicated an intention to adopt these pronouncements. Specifically two statements are expected to have a significant impact on the Convention's financial statements and the method in which financial data is presented.

Employer Accounting for Post-retirement Benefits—Statement 106 establishes procedures under which the cost of benefits provided to retirees in addition to funded pension costs will be recognized. Under this statement, these costs will be recognized as services are rendered by the employee.

The Convention currently provides health and life insurance to employees retiring with at least ten years of service. Costs which are currently recognized when paid approximated \$113,000 in 1994. The present value of the Convention's liability for future payments approximates \$3,700,000 at January 1, 1995. This amount may be recognized as a cost in 1995 or amortized over a period not to exceed twenty years. After adoption, periodic cost will include the systematic accrual of future estimated benefit expenses for current employees and interest on the unfunded future liability.

Financial Statements of Not-for-Profit Organizations—Statement 117 provides principles for accounting for financial position and results of operations. Under this statement, the concept of fund accounting (see Note 1) is abandoned and replaced by three categories of net assets. The financial position of the Convention and results of its operations will account for categories of assets that are unrestricted, temporarily restricted or permanently restricted. The resulting financial presentation is expected to differ significantly in content and format from the financial statements presented for the year ended December 31, 1994.

BAPTIST RETIREMENT CENTERS OF OKLAHOMA, INC.
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 1994

1. Summary of Significant Accounting Policies

Nature of Operations—Baptist Retirement Centers of Oklahoma, Inc. (the Corporation) is a not-for-profit corporation organized for charitable, religious, educational and scientific purposes in providing aged, sick or injured persons with housing facilities, long term care nursing facilities and other services designed to meet their physical, social, psychological and spiritual needs and to contribute to their health, security, happiness, spiritual well-being and usefulness in longer living as mandated by the Scriptures as a ministry of the Gospel of Jesus Christ. This Corporation is an auxiliary corporation of the Baptist General Convention of the State of Oklahoma (the Convention). Directors of the Corporation are elected by the Convention.

Basis of Accounting—The financial statements are prepared on the accrual basis of accounting. Assets and liabilities are categorized into General Funds, subject to no external restriction and Donor-restricted funds. Donor-restricted funds are composed of perpetual endowments and funds restricted to a specific use or purpose.

Revenue—Revenue from services to patients is reported on the accrual basis in the period service is provided. Rental income is recorded ratably over the term of the lease or rental agreement. Contributions are recognized upon receipt of an unconditional promise to pay, which generally corresponds with a transfer of assets. Restricted contributions are recognized as revenue when the obligation imposed by the restriction is met.

Investments and Endowments—The Baptist Foundation of Oklahoma (the Foundation), an auxiliary corporation and agency of the Convention, receives and manages funds as trustee or in a custodial capacity for the Corporation. Funds include endowments, funds restricted for specific purposes, and unrestricted funds placed with the Foundation for management. Contributions received by the Foundation for the benefit of the Corporation are valued at fair market value at the date of contribution. At December 31, 1994, the market value of securities held by the Foundation exceeded their cost by approximately \$34,000.

An unrelated trustee administers an endowment trust with assets totaling \$77,004 for the benefit of the Corporation. The income from this trust may be used for any purpose; however, the corpus may not be withdrawn, and therefore is not included as an asset in the accompanying financial statements. During 1994, distributions totaled \$2,058.

Property and Equipment—The Corporation capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Lives generally used are:

Land improvements	20-40 years
Buildings	20-50 years
Furniture and equipment	4-10 years
Automobiles and machinery	3-10 years

Income Taxes—The Corporation is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows—For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

2. Transfer of Assets from Baptist General Convention of the State of Oklahoma

During 1993, the Board of Directors of the Convention formed the Baptist Retirement Centers of Oklahoma, Inc. and initiated a plan under which all operating assets of retirement centers operated by the Convention, subject to certain liabilities, were to be transferred to the Corporation. Prior advances to fund retirement centers' operations were reduced to \$2,000,000 and transferred as a note payable to the Convention subject to a five year moratorium on interest or payments of principal. Transfers were subject to approval by creditors of the Convention, and assets transferred remain pledged as collateral on Convention debt. Debts for which the Convention remains primarily liable, but which relate to assets included on the Corporation balance sheet, are reported as liabilities of the Corporation.

Assets were transferred at the Convention's historical cost. The following is a summary of assets and liabilities transferred:

3. Notes Payable

As discussed in Note 2, certain assets transferred to the Corporation were encumbered by liabilities. The following note remains a direct liability of the Convention but under terms of the transfer the Corporation has agreed to fund all required principal and interest payments. Therefore, the liability is recorded on the balance sheet of the Corporation subject to the following provisions.

Oklahoma County Industrial Authority

On March 31, 1989, the Oklahoma County Industrial Authority (the Authority) issued its "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989" in the amount of \$20,030,000. The net proceeds of \$17,472,936 from the bond issue were loaned to the Convention and were used to retire debt obligations of the Convention's retirement centers and nursing homes, including \$771,000 advanced from the Convention. The Convention has executed a note to repay the Authority for its costs under the bond issue and to fund interest and bond retirement. The Convention's liability under the note at December 31, 1994 was \$16,543,559, which is equal to the bond liability net of unamortized issuance costs and unapplied bond fund earnings.

Monthly payments are required by the note in amounts equal to the Authority's debt service for the bonds. Final payment under the note is scheduled for May, 2008.

The unrestricted gross revenues of the Convention are pledged as security under the note. The Convention has agreed not to permit any new liens or encumbrances on its endowment funds or consent to the subordination of the Convention's rights to any other person. In addition, the Convention has obtained a letter of credit to guarantee note payments and has agreed to comply with certain financial ratio covenants under the letter of credit agreement. The note is further guaranteed by Baptist Retirement Centers of Oklahoma, Inc. and Oklahoma Baptist Homes for Children, Inc.

As a part of the debt refinancing arrangement, funds were placed in irrevocable trusts to provide for the retirement of the Tulsa Industrial Authority Junior Lien Revenue Bonds, 1981 Owasso Baptist Village Project issued pursuant to terms and conditions of a 1978 bond indenture (see Note 4). The Convention has been released from liability under the note and leases pertaining to these projects.

Effective June 3, 1991, the Convention entered into an interest rate swap and cap agreement. The agreement provides for interest rate protection on the total of \$20,030,000 in bonds issued. Under the agreement, the Convention is required to pay interest at a fixed rate of 7.07% per annum through September 1, 1994. Upon expiration of the swap period, interest will accrue based upon the variable rate at which the bonds are remarketed each period, but not exceeding 6.97% per annum.

Interest expense will be recognized as it accrues under the agreement, net of Bond Reserve funds earnings that may be applied to debt service. Fees of \$200,000 which were paid upon execution are being amortized over the life of the agreement. The Convention is exposed to loss in the event of nonperformance by the other party to the agreement. However, no such loss is anticipated.

During 1994, the Convention, on behalf of the Corporation, entered into a forward delivery contract under which rights to earnings on principal and interest advance payments were sold for total consideration of \$209,000. The amount received was added to the Corporation's custodial funds on deposit with the Foundation. Income is being recognized ratably over the life of the note.

As discussed in Note 2, the Corporation as a condition to the transfer of assets, agreed to pay \$2,000,000 representing a reduced balance of previous advances by the Convention to support retirement center operations. The note bears no interest for five years during which time no principal payments are due. At the conclusion of the five year period, the Board of Directors of the Convention and Corporation will jointly establish repayment terms or determine the need for continuance of the moratorium on payments.

The following schedules maturities for notes payable:

Year Ending December 31,	
1995	390,000
1996	415,000
1997	450,000
1998	975,000
1999	1,050,000
Later years	15,263,559
Total	<u>\$18,543,559</u>

4. Capital Lease Obligations

As previously discussed in Notes 2 and 3, the Corporation received assets from the Convention subject to certain liabilities. The Corporation has entered into a sublease agreement under terms of the capital lease obligations discussed below.

Tulsa Baptist Retirement Center—On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000.

A supplemental bond indenture dated April 1, 1981 in the amount of \$325,000 was issued by the Tulsa Industrial Authority for the purpose of constructing three duplex units. The bonds were defeased under the 1989 loan from the Oklahoma County Industrial Authority as described in Note 3.

The lease rental to be paid by the Convention is an amount sufficient to satisfy the bond obligation. The lease is scheduled to terminate by February 1, 2008.

The Convention has the right to purchase the project at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

The following is a schedule of the Tulsa Baptist Retirement Center property under capital lease by major classes at December 31, 1994:

	Cost	Accumulated Depreciation
Land	144,000	
Land improvements	80,973	61,068
Building	1,780,976	811,747
	<u>2,005,949</u>	<u>872,815</u>

Baptist Retirement Center, Oklahoma City—The Baptist Retirement Center, Oklahoma City was constructed by the Baptist Laymen's Corporation (an affiliate) in 1965 and transferred to the Convention in 1974.

In 1971, the Baptist Laymen's Corporation leased the premises to the Oklahoma Industries Authority (OIA). OIA issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Convention. OIA then subleased the premises to the Baptist Laymen's Corporation for a period of twenty years with payments equal to the annual debt service requirement of the OIA on bonds issued as described below. The Convention has the option to acquire the leasehold estate for an amount necessary to retire all outstanding bonds issued by the OIA.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds are guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Convention has the option to acquire the leasehold estate for the amount required to retire all outstanding bonds issued by the OIA.

On March 1, 1982, the Baptist Laymen's Corporation executed a lease with the Oklahoma County Industrial Authority (OCIA). OCIA issued its Baptist Laymen's Corporation First Mortgage Revenue Note, Series A (Lackey Manor Project) in the amount of \$4,500,000. The bonds were defeased in 1989 as disclosed in Note 3.

The following is a schedule by years of future minimum lease payments under the lease obligations, together with the present value of the net minimum lease payments as of December 31, 1994:

	Tulsa Baptist Retirement Center	Baptist Retirement Center, Oklahoma City	Total
Year Ending December 31,			
1995	187,471	163,271	350,742
1996	187,742	159,608	347,350
1997	187,243	163,392	350,635
1998	186,421	159,966	346,387
1999	184,838	162,767	347,605
Later Years	1,313,441	1,148,801	2,462,242
Total minimum lease payments	2,247,156	1,957,805	4,204,961
Less amount representing interest	875,840	753,145	1,628,985
Present value of minimum lease payments	<u>1,371,316</u>	<u>1,204,660</u>	<u>2,575,976</u>

5. Commitments and Contingencies

As discussed in Note 2, the Corporation assumed certain liabilities of the Convention as a part of the transfer of assets. In addition, the Corporation has guaranteed notes payable as discussed in Note 3.

The Corporation self insures workers compensation. Insurance is carried to limit liability on individual and aggregate claims. The Corporation has recognized as expense in the current year the amount of claims paid for the year and an amount to accrue estimated future claims arising from losses in the current period.

6. Deferred Life Occupancies

Deferred life occupancies consist of duplexes constructed at various retirement centers on land owned by the Corporation. The construction cost of these duplexes was donated and the donors have a rent-free life occupancy in the duplexes. The duplexes have been capitalized at a value approximating total construction costs, and are being depreciated over their estimated useful lives. The deferred liability for the life occupancies, representing future rentals to be provided, is reduced annually for rentals based upon the donor's life expectancy.

7. Pension Plan

All employees of the Corporation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Corporation contributes an amount equal to 10% of administrative employees' salaries. Employee contributions are voluntary. Pension expense for the year totaled \$64,363. Pension costs are funded as incurred.

8. Leased Facilities

The Corporation leases office facilities from the Convention under a month to month agreement. Expenses in the current year totaled \$24,504. The Corporation anticipates entering into a long-term agreement to sublease office space. Annual rentals are expected to approximate \$25,000.

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.
Notes to Financial Statements

1. Organization

Oklahoma Baptist Homes for Children, Inc. ("OBHC") is an Oklahoma not-for-profit organization supported primarily by private donations. OBHC was incorporated in September 1993, and began operations on January 1, 1994 to provide care for children and to provide preventive and redemptive services for children, parents, and families. With donated funds, OBHC operates five homes or other living facilities for children in need and two crisis pregnancy centers. Previous to 1994, OBHC was a division of the Baptist General Convention of Oklahoma, Inc. ("BGCO").

2. Summary of Significant Accounting Policies

The following summarizes certain significant accounting policies followed in the preparation of these financial statements. These policies conform to generally accepted accounting principles.

Cash and cash equivalents

For purposes of the statement of cash flows, OBHC considers cash on hand and deposits in banks to be cash and cash equivalents.

Investments

The Baptist Foundation of Oklahoma ("BFO") was created for the purpose of receiving and managing all trust funds, property and other assets donated to the various Baptist entities including OBHC. These funds are separated into the following categories.

Endowment—Investments in perpetuity, the income from which is expendable to support the donor imposed restriction, if any.

Restricted—Non-endowment investment for which the principal and income have donor restrictions as to their use.

Custodial—Non-endowment investments for which the principal and income are not donor restricted.

Loan—Non-endowment funds for which the principal and income may be used for providing loans to OBHC alumni.

Investments of the various funds under management of BFO are held in two investment pools, the equity investment pool and the fixed income pool. Amounts held in the equity investment pool include interest bearing cash, money market accounts, marketable equity securities, and accrued interest income. Amounts held in the fixed income pool include interest bearing cash, money market accounts, marketable debt instruments, church building loans, net of allowance for doubtful loans, participation in Home Mission Board loans, real estate, and accrued interest. All investments in the pools are held at market value.

Furniture and equipment

Furniture and equipment are recorded at cost. Maintenance repairs and minor renewals are expensed as incurred. These assets are depreciated over their estimated useful lives using the straight-line method. The following useful lives are used:

Furniture	6-10 years
Equipment	6 years
Vehicles	3 years
Leasehold improvements	20 years

Net Asset Classifications

Net assets have been segregated to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the board and of those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions. The following net asset segregations have been established for OBHC.

Unrestricted net assets—Represents resources over which the governing board has discretionary control to use in carrying on the operations of OBHC

Temporarily restricted net assets—Represents resources currently available for use, but expendable only for purposes specified by the donor.

Permanently restricted net assets—Represents resources for which the principal is to remain intact in perpetuity, the income from which is expendable either for general purposes or for purposes specified by the donor.

Revenue Recognition

Revenue of OBHC consists primarily of Cooperative Program distributions, voluntary contributions from Baptist churches throughout the State of Oklahoma and income earned on long term investments. OBHC's Cooperative Program distributions are budgeted annually at the discretion of BGCO.

Functional Allocation of Expenses

Expenses are organized in both natural and functional classifications to provide useful information about the costs of significant programs or services provided by OBHC. Costs incurred are either directly related or allocated to a specific program or service.

Contributions

The Company reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. If a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, in the same fiscal year as the year of the receipt of the gift, the gift is considered unrestricted. When a donor restriction expires on gifts classified as temporarily restricted, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. All contributed assets are reflected at the fair market value at the date of contribution.

Workers Compensation Insurance

OBHC is self insured with respect to workers' compensation insurance. Monthly payments are made to a self insured plan established by BGCO. This plan is self insured to the extent of the excess liability insurance with an employers' liability limit of \$500,000 and a self insured retention of \$190,000.

Workers compensation expense totaled \$82,085 for the year ended December 31, 1994. OBHC maintains a liability of \$42,328 for incurred but not paid and incurred but not reported claims.

Income taxes

OBHC is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from Federal income taxes on related income pursuant to Section 501(a) of the Code.

3. Investments

Investments are carried at market or appraised value, and realized and unrealized gains and losses are reflected in the statement of activities. Investments transferred to OBHC from BGCO were transferred as of December 31, 1994. Investments at December 31, 1994 are as follows:

Until such date as the transfer is consummated, income earned on these funds is available for distribution to OBHC. Included in these custodial funds is a \$4.3 million investment in the Baptist Building Corporation ("BBC"). Repayment of invested funds is at the discretion of BBC, however all invested funds must be repaid upon any sale or conveyance of the building. The agreement provides that BBC will pay a reasonable rate of return equal to the rate of return realized by BFO's investment pools.

**THE BAPTIST FOUNDATION OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 1994**

1. Summary of Significant Accounting Policies

General—The Baptist Foundation of Oklahoma (the Foundation) is a private, nonprofit religious association chartered by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention of the State of Oklahoma (the Convention) to administer funds and property received by gift, devise, bequest, or otherwise in order to assist and promulgate the furtherance of the Convention, and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign mission work.

The financial statements include the accounts of the Foundation, trusts for which the Foundation serves as trustee under fiduciary responsibility and custodial trusts and accounts placed with the Foundation by the Convention and its affiliates for management.

Basis of Accounting—The financial statements of the Foundation have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

Fund Accounting—To insure observance of limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund groups as follows:

Unrestricted Operating Fund—The Unrestricted Operating Fund is designed to account for resources which are expendable for support of Foundation operations and for the acquisition of equipment. This fund has no external restriction on its use or purpose, and can be used for any purpose designated by the governing board.

Property and Equipment Fund—This fund reports the carrying value of all property and equipment utilized by the Foundation in its operations, exclusive of those real properties held for investment or received under fiduciary responsibility.

Restricted Funds—Restricted funds are funds other than endowments, the use of which has been restricted by outside agencies or persons (donors/grantors) for specific purposes. Such funds are generally restricted for capital improvements. Revenues of restricted funds are reported as such to the extent that expenses have been incurred for the purpose specified by the donor or grantor during the period.

Endowment Funds—Endowment funds are comprised of resources received by gift, devise, bequest, or otherwise that are received under the stipulation of the donors that the principal be invested and that only the income be used for the designated purposes until a specified time or occurrence, or in perpetuity. Trusts generally require that distributions be made to designated beneficiaries.

Other Trust Funds—Other trust funds are comprised of all non-endowed or restricted funds held in trust along with assets received under gift annuity contracts. Other trust funds include charitable remainder trusts, trusts restricted for loans, and life income trusts.

Other trust funds also include revocable trusts totaling approximately \$9,700,000 (\$10,300,000 in 1993).

Custodian Funds—These funds account for assets received by the Foundation to be held and disbursed only on instruction of the person or organization from whom they were received, as contrasted with funds held under fiduciary capacity. The receipt of such funds and the disbursement thereof are reported in the net capital additions section of the statement of support and revenue. The net balances of custodian funds are reported in the statement of assets and liabilities as amounts held for others.

Pooled Investment Fund—In prior years, the Foundation maintained a general investment fund to pool the investments of the various funds. As discussed in Note 2, during 1993 the assets of this fund were divided into equity and fixed investment pools.

At December 31, 1994 and 1993, assets of the pools are accounted for under the market value method. As discussed in Note 2, this constitutes a change from the lower of cost or market method employed in prior years.

Prorate ownership in the pools is determined under a system where theoretical units of ownership are recorded to represent each pool member's share of the total market value of assets. Investment income, gains and losses realized and appreciation or depreciation in market value are allocated based upon each pool member's percentage.

Assets of the equity pool consist primarily of cash and equivalents and marketable equity securities. Assets of the fixed pool consist primarily of cash and equivalents, corporate and governmental bonds and church building loans.

Cash—Cash balances are transferred daily into interest-bearing accounts secured by U. S. government obligations.

Allowance for Doubtful Loans—The financial statements present notes receivable net of the allowance for doubtful loans. The allowance is based on historical information coupled with a review of the status of delinquent loans. The allowance for church building loans is 24% of the outstanding balances with adjustments for delinquent or doubtful loans.

Property and Equipment—Major expenditures for equipment are capitalized at cost while donated property and equipment are capitalized at fair market value at the date of the gift. Depreciation of equipment is provided for over the estimated useful lives of the respective assets on a straight-line basis. No provision is made for depreciation on rental and other properties carried as investments in the endowment and trust funds.

Annuities—The Foundation accepts gifts made in trust for various Baptist agencies and institutions which require the Foundation to pay the donors substantially the equivalent of interest on the amount of the gift during the lifetime of the donor. The Foundation also accepts trusts naming individuals as lifetime beneficiaries rather than Baptist agencies and institutions. A specified portion of the income of these trusts is disbursed to the individuals during their lifetime, and upon their deaths the trusts are to be administered for the benefit of the Baptist agencies or institutions as designated. The liability for future payments to beneficiaries is reported as a reduction of the corpus of such funds. Liabilities to annuitants totaled \$771,766 and \$859,408 at December 31, 1994 and 1993, respectively.

Appropriation for Corpus Preservation—Where donors have specified or where trusts include producing min-

erals, a portion of income is appropriated to preserve the value of the corpus. Such appropriations totaled \$2,102,424 and \$2,054,829 at December 31, 1994 and 1993, respectively, and have been included as a part of the total corpus balance. Appropriations are generally equal to fifteen percent of mineral production or at the rate specified in the trust document. The amount is in addition to the provision for inflation discussed in Note 4.

Income Taxes—The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows—For the purpose of the statement of cash flows, the Foundation considers accounts with financial institutions with rights to withdraw without penalty to be cash equivalents. No cash flows statement is presented for the investment pools as the activity of these pools has been reported in the various investing funds.

2. Change in Accounting Principle

Effective January 1, 1993, the Foundation adopted the market value method of accounting for marketable equity securities and debt instruments held in the investment pools. Adoption of the market value method is a change in accounting principle from the lower of cost or market method formerly applied to these assets.

At January 1, 1993, the market value of marketable securities in the investment pool exceeded the carrying cost of these assets by \$6,307,923. This amount is reflected in the Statement of Support, and Revenue, Expenses, Capital Additions and Changes in Fund Balances as "Cumulative Effect on Prior Years of Change in Accounting Principle."

Appreciation or depreciation net of gains and losses realized from the sale of marketable securities is included in the financial statements for the unrestricted operating and property and equipment funds as revenue. For all other funds this amount is reported under net capital additions.

Market value is determined by closing quotes on applicable security exchanges for all marketable securities held in the investment pools. Church building loans included in the fixed income pool (Note 3) continue to be carried at cost less an allowance for doubtful loans.

3. Investment Pools

Investments of the various funds under management of the Foundation are held in investment pools. On April 1, 1993, the existing investment pool was divided into an equity investment pool and fixed income pool.

Trust and custodial accounts participate in the respective pools based upon investment models. These models represent ownership percentages designed for various types of trusts and accounts based on the respective needs for current income or capital appreciation.

As discussed in Note 2, marketable securities held in the pools are accounted for under the market value method. Entry or withdrawal from the pools is based upon the market value of a pool unit. Market value of a pool unit is determined by dividing the total assets by total units outstanding. Within the fixed income pool, the market value of church building loans is assumed to be equal to the total principal balance of these loans less an allowance for doubtful loans equal to approximately 2½% of the principal balance.

The following is a summary of assets held in the investment pools at December 31, 1994:

4. Stabilization Account and Total Return Concept

Effective January 1, 1993, the Foundation adopted the total return method for distributions to endowment income beneficiaries. In addition, owners of custodial accounts have requested that custodial distributions be made under this method.

Under the total return method, an annual income distribution rate of six cents per unit (approximately 6% of fair market value) was established by the Foundation for all trusts and accounts subject to this distribution method and was applied to all assets held within the investment pools. This rate was established based upon a projected five year average total return after provisions to establish a stabilization account and a provision for inflation of one cent per unit (approximately 1% of fair market value). Total return includes gains and losses realized from the sale of investments, appreciation or depreciation of investments determined under the market value method and dividend and interest income net of applicable expenses.

Under the method, a stabilization account is established for the purpose of reducing fluctuations in distributions caused by market fluctuation or changes in interest or dividend paying capacities. The stabilization account is credited annually with the net excess of total return over distributions to income beneficiaries and appropriations to corpus for inflation.

The stabilization account for the endowment fund is presented on the fund balance sheet. Because custodial funds are under the discretionary control of the owners of these funds, the balance of the stabilization reserve in the custodial funds is included in funds held for others.

The following is a summary of activity in the stabilization accounts for both the endowment and custodial funds at December 31, 1994:

	Endowment Fund	Custodian Fund
Stabilization account balance, December 31, 1993	5,098,033	1,367,732

5. Other Investments—Held Outside Investment Pools

The following investments consist primarily of stocks, bonds and mutual funds received by the Foundation as donations and valued and carried at the fair market value at the date of gift. The investments include both marketable securities and stocks and bonds for which market value is not readily determinable. As the Foundation has a policy of disposing of marketable securities as soon as practical after receipt, market value is not presented but is estimated to equal or exceed the carrying value of these investments:

	1994	1993
Corporate stocks and mutual funds	1,622,881	1,859,974
Bonds	1,896,025	1,636,662

6. Equipment

7. Fund Balances and Related Accounts

Except for the operating and property and equipment funds, the Foundation holds net assets either in fiduciary or custodial capacity, or as agent.

The Foundation has fiduciary responsibility for endowment and trust funds and loan funds. Restricted funds are generally held as agent for others. Custodian funds represent assets received by the Foundation to be disbursed only on instructions of the person or organization from whom they were received.

The following schedules the fair market value of net assets by beneficiary.

8. Affiliated Entities

As disclosed in Note 1, the Foundation is affiliated with the Baptist General Convention of the State of Oklahoma (the Convention). The majority of the funds administered by the Foundation are for the benefit of the Convention, its agencies and various other Baptist organizations. Throughout the year the Foundation makes distributions either directly to these organizations or on their behalf. The Foundation also receives funds from these organizations, both to administer for their benefit and to support the Foundation's operations.

The Foundation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year ended December 31, 1994 were \$305,105 (1993—\$328,919). A Foundation distribution of \$40,568 to the Convention in 1994 (\$67,880 in 1993) has been offset against the Cooperative Program allocation.

As discussed in Notes 10 and 11, the Foundation has invested funds in the Baptist Building Corporation and has entered into an operating lease for office facilities.

The Foundation, through its fixed income pool, makes loans to churches, associations and agencies affiliated with the Baptist General Convention of the State of Oklahoma to finance the purchase of land and buildings. These loans are secured by first mortgages on the property and buildings constructed and may require personal endorsements of church members. The lives of these loans vary up to a maximum of 15 years. Interest rates are set by the Church Building Loan Committee with consideration given to the current rates available from commercial sources. The balance of church building loans outstanding at December 31, 1994 was \$28,128,176 (1993—\$31,298,515) and at December 31, 1994, included \$3,023,458 of participating loans serviced by the Home Mission Board of the Southern Baptist Convention (1993—\$3,163,187). Allowances of \$1,003,654 and \$1,025,084 for uncollectible accounts were recorded as of December 31, 1994 and 1993, respectively.

At December 31, 1994, the Foundation had outstanding commitments totaling \$1,650,000 for church building loans.

9. Pension Plan

All employees of the Foundation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Foundation contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for the year ended December 31, 1994 was \$69,764 (1993—\$67,199). The Foundation's policy is to fund pension cost as it is incurred.

10. Leased Facilities

During 1990, the Foundation entered into a lease with the Baptist Building Corporation (a corporation owned and controlled by the Baptist General Convention of the State of Oklahoma) for facilities in a newly-purchased building. Payments of \$5,250 per month commenced in November, 1990.

The lease has a term of ten years with options to renew for ten additional one year periods. The agreement provides for increases based upon escalations in operating costs. Rental expense under the lease totaled \$63,000 for 1994 and 1993.

The Foundation leases office facilities in Tulsa under a three year lease expiring in 1996.

The following schedules the minimum future annual rental commitment under the leases:

Years Ended:	
1995	70,920
1996	71,316
1997	63,000
1998	63,000
1999	63,000
Thereafter	52,500
	<u>383,736</u>

11. Investment in Baptist Building Corporation

During 1990, the Convention entered into an agreement under which custodian funds held by the Foundation were invested in a newly-formed corporation for the purchase and renovation of an office building. Upon completion of renovation, the building was leased, principally to the Convention and its agencies and affiliates including the Foundation. A total of \$4,231,000 was invested in the Baptist Building Corporation. During 1993, an additional \$100,000 was invested. Repayment of invested funds is at the discretion of the Baptist Building Corporation, however all invested funds must be repaid upon any sale or conveyance of the building. The agreement provides that the Baptist Building Corporation will pay a reasonable rate of return equal to the pooled investment distribution rate. Income totaling \$315,810 was received under this agreement in 1994 and \$306,747 in 1993.

12. Transfers Among Funds

During 1994, a program designed to review all trust documents was continued. As part of this program, the criteria for classification of trusts has been modified so that only trusts for which the Foundation serves as trustee are classified as endowment, restricted or other trust funds. Generally all trusts for which the Foundation is not trustee have been classified as custodial although these trusts may represent endowment or restricted funds to the beneficial owner. As a result, certain trusts have been reclassified from one fund type to another. Principally this involves transferring from the endowment, restricted and other funds to the custodial fund.

13. Accounting Principles to be Adopted

Several statements of the Financial Accounting Standards Board become effective for the year beginning January 1, 1995. Management has indicated an intention to adopt these pronouncements. Specifically two statements are expected to have a significant impact on the Foundation's financial statements and the method in which financial data is presented.

Employer Accounting for Post-retirement Benefits—Statement 106 establishes procedures under which the cost of benefits provided to retirees in addition to funded pension costs will be recognized. Under this statement, these costs will be recognized as services are rendered by the employee.

The Foundation currently provides health and life insurance to employees retiring with at least ten years of service. Costs which are currently recognized when paid approximated \$30,000 in 1994. The present value of the Foundation's liability for future payments approximates \$777,000 at January 1, 1995. This amount may be recognized as a cost in 1995 or amortized over a period not to exceed twenty years. After adoption, periodic cost will include the systematic accrual of future estimated benefit expenses for current employees and interest on the unfunded future liability.

Financial Statements of Not-for-Profit Organizations—Statement 117 provides principles for accounting for financial position and results of operations. Under this statement, the concept of fund accounting (see Note 1) is abandoned and replaced by three categories of net assets. The financial position of the Foundation and results of its operations will be divided to account for categories of assets that are unrestricted, temporarily restricted or permanently restricted. The resulting financial presentation is expected to differ significantly in content and format from the financial statements presented for the year ended December 31, 1994.

We have audited the accompanying fund balance sheets of OKLAHOMA BAPTIST UNIVERSITY as of July 31, 1994 and 1993, and the related statements of changes in fund balances and current fund revenues, expenditures, and other changes for the year ended July 31, 1994. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1 to the financial statements, no depreciation has been recorded on the plant assets. Generally accepted accounting principles require that an allowance for depreciation of such assets be recorded.

In our opinion, except for the effect of not recording depreciation of Plant Fund assets as discussed in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of Oklahoma Baptist University as of July 31, 1994 and 1993, and the changes in fund balances and current funds revenues, expenditures, and other changes for the year ended July 31, 1994 in conformity with generally accepted accounting principles.

**OKLAHOMA BAPTIST UNIVERSITY
NOTES TO FINANCIAL STATEMENTS
For the Year Ended July 31, 1994**

1. Summary of Significant Accounting Policies

Organization—Oklahoma Baptist University was created by action of the Baptist General Convention of the State of Oklahoma in 1909 to function as an operating unit of the Convention under supervision of a Board of Trustees elected by that Convention. Articles of Incorporation were filed February 9, 1910 and amended November 25, 1974 with the State of Oklahoma and a charter was granted for a corporation of perpetual duration without capital stock. The purpose of the corporation is to encourage, support, provide and maintain Christian education and to engage in Christian undertakings which are in keeping with the purpose of the Baptist General Convention of the State of Oklahoma.

Accrual Basis—Except for depreciation, which is discussed later in this note, the financial statements of The Oklahoma Baptist University have been prepared on the accrual basis. The statements of current fund revenues, expenditures and other changes are statements of current period financial activities. They do not purport to present the results of operations or net income or loss for the period.

To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as (1) expenditures, in the case of normal replacements of equipment and library books; (2) mandatory transfers, in the case of required provisions for debt amortization and interest; and (3) nonmandatory transfers in all other cases.

The library is valued at an amount equal to the cost of books, periodicals and microform acquired during the past 10 years, plus an estimated replacement cost of \$5 per volume for those volumes which have been in the collection longer than 10 years. Capitalization of library acquisitions totaled approximately \$27,000 for the current year.

Inventories consist of maintenance supplies. Inventories are priced at cost, generally on a first-in, first-out basis.

Fund Accounting—In order to ensure observance of limitations and restrictions placed on the use of resources available to the University, the accounts of the University are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups.

Externally restricted funds may be utilized only in accordance with purposes specified by the source of such funds. This is in contrast with unrestricted funds over which the governing board retains full control to use in achieving any institutional purposes.

Endowment funds are subject to the restrictions of the gift instruments requiring that the principal be invested and only the income be utilized.

All gains and losses arising from the sale, collection or other disposition of investments and other noncash assets are accounted for in the funds which owned the assets. Ordinary income derived from investments, receivables, and similar assets is accounted for in the funds owning such assets, except for income derived from investments of endowment and similar funds. Such income is accounted for in the funds to which it is restricted or, if unrestricted, as revenues in the current unrestricted fund.

All other unrestricted revenue is accounted for in the current unrestricted fund. Restricted gifts, grant appropriations, endowment income and other restricted resources are accounted for in the appropriate restricted funds. Current restricted funds are reported as revenues and expenditures when expended for current operating purposes.

Investments—Investments purchased by the University are generally stated at cost. Investments received from donors are stated at market value as of the date of the gift.

Property, Plant and Equipment—Property, plant and equipment is stated at cost at the date of acquisition or at fair market value at the date of donation. No depreciation of plant assets has been recorded.

Revenue Recognition—Charges for student tuition, fees and other charges are recognized as income when charged to the students. Collections on pledges are recognized as income when the cash is received. Gifts and other contributions for designated uses are recognized as income when expended. Undesignated gifts and contributions are recognized as income when received.

Tulsa Royalties Company, a Charitable Not-for Profit Foundation

During 1991, the University accepted a gift of the mineral assets of Tulsa Royalties Company, a charitable foundation, as partial payment of a pledge to be used for the construction of the new School of Business building. Tulsa Royalties Company will remain intact as a separate company, having directors in common with the University. In view of the purpose of this gift, the unique organizational relationships and differing nature of operations between the University and Tulsa Royalties Company, meaningful financial information would not result from the presentation of combined financial statements.

2. Pledges

In March, 1987, The University Board of Trustees approved a new campaign "Bridging the Centuries." Total pledges and contributions to date for this campaign approximated \$21,502,000. Funds raised will be used for several priority needs, including construction of Bailey Business Center and student housing, scholarships, educational equipment, operational support, and endowed faculty/staff positions.

As a result of this campaign and campaigns conducted in prior years, uncollected pledges at July 31, 1994 total \$1,172,535. These pledges, which are summarized below, are not recognized as receivables in the accompanying financial statements.

	July 31	
	1994	1993
Current unrestricted fund	385,312	183,820
Current restricted fund	138,212	76,861
Endowment fund	221,825	385,285
Renewal and replacement fund	369,432	1,326,164
Agency fund	57,754	112,855
Total	1,172,535	2,084,985

3. Pension Plan

The University provides a defined contribution pension plan that covers substantially all of its employees. Under the plan, the University contributes an amount equal to 6% of participating employees' salaries. Employee contributions are voluntary. Total pension contributions for the year ended July 31, 1994 was \$402,855. The University's policy is to fund pension cost as it is incurred.

4 Investments Held by The Baptist Foundation of Oklahoma

Funds held and administered by The Baptist Foundation of Oklahoma (Foundation) for the benefit of the University are in the following amounts by fund:

	July 31,	
	1994	1993
Current fund	761,157	772,586
Endowment fund	19,698,658	18,876,743
Renewal and replacement fund	8,838	8,694
	<u>20,468,653</u>	<u>19,658,023</u>

During 1993, the Foundation adopted the total return method for determining amounts distributable to income beneficiaries. Under the total return concept, traditional net interest and dividend income along with realized gains and investment appreciation may, at the discretion of the governing board, be distributed to income beneficiaries or added to endowment principal.

The Foundation maintains a stabilization reserve representing the excess of income gains and appreciation over income distributions. At July 31, 1994, the balance related to the University endowment trusts equaled \$943,550. This balance included appreciation determined under the market value method of accounting used by the Foundation.

The stabilization reserve, net of appreciation of \$773,512, is included as part of the endowment fund balance. Gains and appreciation, when remitted to the University as a distribution of income, will be accounted for as a transfer to the appropriate fund.

5. Funds Held in Trust by Others

The Liberty National Bank and Trust Company of Oklahoma City, Oklahoma administers the Louise M. Prichard Trust from which the University receives the net income after payments to beneficiaries and payment of trust expenses. These funds are designated for scholarships to ministerial and missionary students. The cost of the Prichard Trust corpus was \$6,725,861 and its market value was \$8,362,046 at July 31, 1994.

The American National Bank and Trust Company of Shawnee, Oklahoma administers the Howard T. and Leoti W. Riddle Scholarship Trusts from which the University receives the net income after payments of beneficiary and trust expenses. The Riddle trusts had corpus of approximately \$2,793,903 at July 31, 1994.

The Oklahoma City Community Foundation, Inc. administers various endowment funds for which the University has been designated as a beneficiary. Distributions of endowment earnings and realized investment gains are made annually at the discretion of the Foundation. The balances of funds designated for the University totaled \$318,303 and \$302,299 at July 31, 1994 and 1993; however the corpus may not be withdrawn. Distributions approximating \$18,154 were received for 1994.

The assets of the above trusts are not included in the accompanying financial statements.

6. Oklahoma Baptist University Authority—Capitalized Lease Obligation

The University entered into a lease with Oklahoma Baptist University Authority in December 1979, to obtain funds to construct a health, physical education, recreation and activities complex; to remodel the Brotherhood and W. M. U. Memorial Dormitories and the Clark Craig Field House; to finance computer facilities; and to pay existing indebtedness. The Authority obtained funds for these improvements by issuing \$7,640,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1979." Assets totaling approximately \$7,400,000 have been constructed or purchased under this lease. These assets are included with other property, plant and equipment in the plant fund.

The lease was amended on June 1, 1985, to obtain funds to finance a portion of the construction of the science building, married student housing, and a campus ministries center, and the renovation of Kerr Dormitory, the Theater annex, Montgomery and Thurmond Halls, and Parkway and Jent Apartments. The Authority obtained funds for these projects by issuing \$5,300,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1985." The remainder of the costs of these projects is to be financed by funds raised in a special fund raising campaign and by University resources. Assets totaling approximately \$6,600,000 have been constructed, renovated or purchased under this amendment. These assets are included with other property, plant and equipment in the plant fund.

On May 18, 1988, the Authority issued \$11,800,128 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1988." The proceeds of these bonds were used to defease in substance the Series 1979 and Series 1985 bonds. The lease with the Authority was amended during May, 1988, to allow for the change in sinking fund requirements under the new bonds.

The lease was amended on August 1, 1989, to obtain funds to finance the construction and furnishing of student apartments, purchase of a new telephone system, acquisition of land adjacent to the campus, refinancing of some existing loans, and completion of other miscellaneous projects. The Authority obtained funds for these projects by issuing \$3,400,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1989." Assets totaling approximately \$2,659,585 have been constructed or purchased under this amendment. These assets are included with other property, plant and equipment in the plant fund. \$288,691 of the proceeds were used to pay the balance due on the note payable to The Baptist Foundation of Oklahoma.

On May 21, 1992, the Authority issued \$8,282,809.70 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1992." The proceeds of these bonds were used to defease in substance \$7,038,128 of the \$9,988,128 outstanding Series 1988 bonds. The lease was amended during May, 1992, to allow for the change in sinking fund requirements under the new bonds.

The series 1988, 1989, and 1992 bonds are secured by rentals and other monies derived from the lease of the main campus facilities, by mortgages on specified real estate which comprises the main campus, by a guarantee from the Baptist General Convention of the State of Oklahoma, and by a municipal bond new issue insurance policy issued by Financial Guaranty Insurance Company.

The following is a schedule of future minimum lease payments under the capital lease, together with the present value of the net minimum lease payments as of July 31, 1994.

7. Notes Payable

Current Unrestricted Fund

As of July 31, 1994, the University had an outstanding note for operating capital for \$300,000 from BancFirst, Shawnee, Oklahoma. The note represents a draw on a letter of credit for \$1,200,000 with a variable interest rate based on New York Prime. The letter of credit is for the year ended December 14, 1994.

The University borrowed \$70,000 from The Baptist Foundation of Oklahoma in February, 1992, with an interest rate of 8%. The proceeds of the loan were used for current operations of the University. The loan is to be repaid with contributions received from Tulsa Royalties Co. This loan was paid in full during February, 1994.

These loans are payable as follows:

Harmon Foundation Student Loan Fund

The University received a noninterest-bearing loan in the amount of \$120,000 from the Pearl M. & Julia J. Harmon Foundation. The proceeds of the loan were used to establish a perpetual, ever-increasing loan fund for student tuition, fees and room and board charges. The loan is secured by University investments. The following is a schedule of payments due under this note as of July 31, 1994.

<u>For the Year Ending July 31,</u>	<u>Amount</u>
1995	12,833
1996	13,833
1997	14,833
Later Years	9,001
Total	<u>50,500</u>

Endowment Fund

In 1990, the University received a contribution of property subject to a mortgage which the University is obligated to pay. The donors of the property have pledged monthly contributions equal to the note payments. This note was paid in full during July, 1994.

Investment in Plant Fund

On December 30, 1982, the University entered into an agreement with the Oklahoma Baptist University Authority in which the Authority agreed to loan the University up to \$400,000. To secure this loan, the University transferred certain property to the Authority. Upon repayment of the loan the property will be transferred back to the University. The proceeds of this loan were used to purchase additional real estate and to construct new student apartments. The loan is payable in 120 equal monthly principal payments of \$3,333, plus interest. The interest rate is equal to 55% of the base rate of BancFirst, Shawnee, Oklahoma, adjusted quarterly. This loan was paid in full during March, 1994.

8. Operating Lease

The University has a lease agreement, classified as an operating lease, for land upon which the maintenance department offices and shops were constructed. This lease is for a period of 25 years beginning in November 1977, and contains an option to renew at the end of the lease. The following is a schedule of future minimum rental payments required under this lease as of July 31, 1994.

<u>For the Year Ending July 31,</u>	<u>Amount</u>
1995	3,000
1996	3,000
1997	3,000
1998	3,000
1999	3,000

Inc. for the operation of the bookstore. The University will receive as rental income, a percentage of sales with a guaranteed annual minimum of \$70,000. In addition, Barnes and Noble agreed to remodel and upgrade the store facilities.

11. Cash Deposits in Excess of Federally Insured Limits

As of July 31, 1994, the University had checking and savings accounts with one financial institution which exceeded the federal deposit insurance coverage by approximately \$86,000.
