The Executive Committee shall receive from the Secretary annually in July the record of attendance and participation by all Board members during the fiscal year preceding. In the event that a trustee has failed to meet the responsibilities of service, the committee shall request from the trustee an indication of his desire for continuing service on the Board or his intention to resign in light of the circumstances and report his response to the Chairman of the Baptist General Convention of Oklahoma's Nominating Committee. The Executive Committee shall at all times be subject to and governed by the Board of Trustees of the University.

Administrative Committees: There shall be five standing administrative committees of the Board: Academic Affairs Committee, Business Affairs Committee, Development Committee, Student Development Committee, and the Spiritual Life Committee. ARTICLE X

CONFLICTS OF INTERESTS

A Trustee shall be considered to have a conflict of interest if (a) such Trustee has existing or potential financial or other interests which impair or might reasonably appear to impair such member's independent, unbiased judgement in the discharge of his responsibilities to the University, or (b) such Trustee is aware that a member of his family (which for purposes of this paragraph will be a spouse, parents, siblings, children, and any other relative if the latter reside in the same household as the Trustee), or any organization in which such Trustee (or member of his family) is an officer, director, employee, member, partner, trustee, or controlling stockholder, has such existing or potential financial or other interests. All Trustees shall disclose to the Board any possible conflict of interest at the earliest practicable time. No Trustee shall vote on any matter, under consideration at a Board or committee meeting, in which such Trustee has a conflict of interest. The minutes of such meeting shall reflect that a disclosure was made and that the Trustee having a conflict of interest abstained from voting. Any Trustee who is uncertain whether he has a conflict of interest in any matter may request

the Board or committee to determine whether a conflict of interest exists, and the Board or committee shall resolve the question by majority vote.

ARTICLE XI

Resolution No. 1

RESOLUTION ON PRAYER

WHEREAS, we witness the shocking moral collapse of society and our nation is in an extreme spiritual emergency,

WHEREAS, in spite of an explosion in quality evangelistic tools, baptisms have been flat lined for decades and our baptism "ratios" have been in a steady fifty-year decline,

WHEREAS, as tools and strategies are, it is obvious God requires far more than programs to send a Great Awakening. Scripture and history clearly prove that tools and strategies alone never bring powerful awakening or sweeping evangelism,

WHEREAS, God has required widespread, united prayer and repentance to send a mighty flood of His Spirit,

WHEREAS, there are encouraging signs of intensified prayer activity occurring in some churches and associations,

WHEREAS, there is a growing burden among church leaders for concerted prayer with a hope for spiritual awakening and sweeping evangelism,

BE IT THEREFORE RESOLVED, we, the messengers to this 94th Annual meeting of the Baptist General Convention meeting November 15-16, 1999 in Oklahoma City, Oklahoma, call upon Oklahoma Baptists to enter this new millennium with commitment to prayerful humility and repentance before Holy God, whose mighty intervention is the only hope of our state, nation and world,

AND BE IT FINALLY RESOLVED, we call upon our churches and Pastors:

- 1) to designate four Wednesdays during the year 2000 (March 8, May 3, September 13, and November 1) as fervent meetings of corporate prayer,
- 2) to encourage our churches throughout the year 2000 to establish evangelistic prayer ministries,
- 3) to challenge all our churches during the year 2000 to incorporate fervent prayer with all evangelistic strategies, and, to urge the Baptist General Convention of Oklahoma to develop a statewide network of continuous prayer for revival and evangelism.

The resolution was approved.

Moseley presented Resolution No. 2 and moved its adoption.

Resolution No. 2

RESOLUTION ON BAPTIST FAITH AND MESSAGE

WHEREAS, Southern and Oklahoma Baptists have found unity through using the Baptist Faith and Message as our guide to faith and practice and not a creed to be obeyed;

WHEREAS, the committee that submitted the 1963 Baptist Faith and Message was chaired by Herschel Hobbs, an Oklahoma pastor, and served by two additional pastors from Oklahoma, Garth Pybas and Hugh Bumpass and deacon Ed Packwood;

WHEREAS, in June 1998 the Southern Baptist Convention in annual session at Salt Lake City overwhelmingly adopted the Family Article as an addition to this confession of faith,

WHEREAS the committee that submitted the amendment was chaired by our executive director-treasurer of the BGCO,

WHEREAS, the Baptist General Convention of Oklahoma in its annual meeting in 1998 by an overwhelming majority took action which in essence demonstrated support of the Baptist Faith and Message as amended,

WHEREAS, the Southern Baptist Convention in 1999 approved a motion for the President of the Southern Baptist Convention to appoint a committee to review and recommend revision of the Baptist Faith and Message,

BE IT THEREFORE RESOLOVED we, the messengers to this 94th Annual meeting of the Baptist General Convention meeting November 15-16, 1999 in Oklahoma City, Oklahoma commit to pray for the committee as its deliberates,

AND BE IT FURTHER RESOLVED, the messengers urge the committee to recommend only such revisions that will clarify, strengthen, and simplify its language always remaining consistent with the original document as amended and with utmost care to express the truth of Scripture.

Jim Huff, Oklahoma City, Southern Hills moved that the third, fourth, fifth and sixth WHEREAS be amended out and under the resolved portion just have one that simply states to support the language of the 1963 Baptist Faith & Message.

There was a second.

Moseley spoke in opposition to the amendment.

The amendment was defeated.

With no other discussion the resolution was approved.

Moseley presented Resolution No. 3 and moved its adoption.

WHEREAS, the government needs the support of its citizens in order to accomplish its tasks,

THEREFORE BE IT RESOLVED, we the messengers of the 94th Annual meeting of Baptist General Convention of Oklahoma, meeting November 15-16, 1999 in Oklahoma City, Oklahoma understand the complexity of the work of the great State of Oklahoma,

Resolution No. 5

RESOLUTION ON OKLAHOMA'S STATE TEXTBOOK COMMITTEE

WHEREAS, the State of Oklahoma's State Textbook Committee is assigned the task of screening the 540 public school textbooks, and the committee is usually comprised of 13 members, 12 must be public school employees;

WHEREAS, the committee approved a disclaimer November 5, 1999 instructing textbook publishers to state that macro-evolution is theory and not fact (macro-evolution is the theory first put forward more than a century ago by Charles Darwin that life evolved from simpler to more complex forms over millions of years);

WHEREAS, certain national public policy groups have issued a warning of potential lawsuits if the state continues its stance of treating Darwinism as only one theory of how life originated;

WHEREAS, Oklahoma Baptists have been on record on numerous occasions stating that we believe and hold fast to the truth that our God created and sustains life (Acts 17:24-28; Colossians 1:16);

WHEREAS, when one dominant belief system is exclusively taught in public schools as the only viable truth, Baptists have traditionally been the voice of academic and intellectual fairness;

BE IT FINALLY RESOLVED, we encourage our fellow Baptists to contact their state legislators and ask them to support the textbook committee's work.

Jim Huff, Oklahoma City, Southern Hills, called for a Point of Order. He questioned by what authority were resolutions approved during the 9:45 a.m. business meeting when the program had them scheduled for the 1:15 p.m. business session.

Robinson shared that the program is not a fixed order for convention work. If there is time in one session to enter into business scheduled for another time chair has the prerogative to do so.

Huff noted as a matter of personal privilege. The change of the time to vote really did create some problems. There were individuals who wished to be here and speak on the resolution pertaining to the Baptist Faith & Message because of their very serious and heartfelt concerns about the reviewing. Since the time was changed many did not have the opportunity to speak or express themselves. This was not in my opinion a very good or principled effort to let everyone speak concerning that particular resolution.

Robinson thanked Huff and asked for discussion on Resolution No. 5.

Jim Huff, Oklahoma City, Southern Hills spoke in opposition to the resolution.

Bob Green, spoke in favor of the resolution

The resolution was approved.

Moseley presented Resolution No. 6 and moved its adoption.

CHURCH OUTREACH TEAM

Dave Clippard, Associate Executive Director

According to its Mission Statement, the Church Outreach Team (CORT) "exists to assist the churches and ministries of the BGCO in evangelism and mission outreach." To this end each division of the team is hard at work. In particular, the focus is to provide assistance, equipping and help as close as possible to the Associations and churches.

For the past two years most of the seminars, workshops and events hosted by the CORTeam have taken place in five different parts of the state. In other words, instead of hosting an event once, the same event is repeated five times in five different places across the state, usually in each of the four quadrants and meeting in Oklahoma City. In this way, most churches are within 90 miles of a training site. It takes extra effort but the levels of participation have significantly increased. The CORTeam attempts to partner with the Church & Family Equipping team (C&FE) to have concurrent training events.

There have been some changes in personnel this year, but you still have the finest, hardest working, godly group of men and women that anyone could ever hope to work with.

Evangelism led by Jimmy Kinnaird continues to focus on equipping people with personal evangelism skills. This past year nearly 5,000 people have been trained in personal evangelism. The two primary emphases are *How to Share Jesus Without Fear* (personal evangelism level 101) and *FAITH* (personal evangelism level 404). Jimmy and his associate Shane Spannagel are continually innovative and effective in resourcing pastors and churches. Any church can now own Global Mapping Center, a computer program which tells the name, address and phone number of almost every person in Oklahoma. This is especially important to pray for every household by name, writing them personal notes and finally presenting the Gospel to every person in Oklahoma. A strategy is in place for the year 2000 entitled "*Take the Land*," which encourages every church in every part of the state to pray for and witness to every person in Oklahoma.

The State Fair Ministries continue to present opportunities to take the Gospel to the 2.9 million visitors generated by OKC and Tulsa State Fairs. Several churches and associations are now doing the same in their own county fairs. The Tulsa Metro Baptist Association is assuming the Tulsa Fair ministry in 2000.

Partnership Missions is led by Dr. Rue Scott. Rue has led well in the Malawi and Indiana partnerships. His assistance by no means ends there. The BGCO is committed to help any church get to any mission field in the world. When a church has a God-given burden for a particular place or people in this world, the BGCO will provide assistance in getting to that place.

To encourage pastors to experience foreign missions firsthand, the International Mission Board (IMB) and the BGCO have joined together to offer up to \$1,000 in scholarship assistance to any pastor who has never been to a foreign mission field.

Beginning January 1, 2000, BGCO sights will turn toward the target city of Phoenix, Arizona. This city is experiencing unprecedented growth with over 100,000 new residents being added every year to the population. Our Southern Baptist brethren in Phoenix cannot plant and build new churches fast enough. As a result, the BGCO is partnering with "The Valley of the Sun" (Phoenix) and the North American Mission Board (NAMB) to move into this strategic focus city.

Church Extension is now led by Dr. Frank Johnson. Mark McClellan finished his responsibilities as Church Extension Specialist on July 31 and became a consultant to the BGCO Church Extension Division. His particular focus is the development of the Oklahoma Ministry Training Institute (OMTI), which will equip laymen to become church planters/pastors to a growing number of new churches. Frank came to the BGCO

after 17 years of service with the IMB, most recently as the Central American Coordinator. Frank guides the African-American, Hispanic and Anglo Church planting efforts.

Another new addition in this area is Eddie Jones (wife, Barbara) who is the very first African-American Catalytic Missionary in the BGCO. Eddie comes with the experience of having planted 43 Black churches in Mississippi and Arkansas, where he served in a similar role. Wonderful things are beginning to materialize in and among our African-American pastors and churches.

September 1, 1999, former Grady Association DOM Jim Brunk, (wife, Wylene) began work as an Anglo Catalytic Missionary to our state. Jim's work takes him all across Oklahoma to work with churches and associations to plant Anglo churches. The Tulsa Metro and Northeastern associations will continue to be served by Bo Holland, another Catalytic Missionary whose focus is also directed at Anglo church planting efforts.

The goal is to move the BGCO from 1,674 churches (summer of 1999) to 2,000 Southern Baptist Churches in Oklahoma. This goal was given a boost by your giving to the Cooperative Program in 1998. CP receipts exceeded the 1998 budget by almost \$1 million. Of this amount, \$300,000 was set aside for new church starts. The first \$100,000 provides funding for missions and \$200,000 will be used in a no/low interest revolving loan fund to help churches less than three years old purchase their first buildings/land. God is good!

Language Missions is ably led by Ted Lam. This is one of the most diverse of all our team assignments. The language area is comprised of language groups except Spanish, including Ukrainian, Thai, Choctaw, Chinese, Vietnamese, Korean, Cherokee and many more. On any Sunday in Oklahoma, Oklahoma Baptists worship in twenty-nine (29) languages. Pretty exciting isn't it? In the first six months of 1999, 17 new language churches were begun. Praise the Lord for the leadership God has given us in Ted and the three Catalytic Missionaries of this division: Max Malone, Bill Barnett, and Tom Anderson.

Men's Missions & Ministries, led by Sam Porter, hosted its first Men's Retreat at Falls Creek. This was a phenomenal success in spite of the cold weather, with 2,000 men in attendance. Sam's biggest challenge came in the wake of the May 3rd tornadoes that devastated central Oklahoma. He logged thousands of miles guiding BGCO's relief efforts. Oklahoma Baptist Men served tens of thousands of meals. Through your gifts to the Edna McMillan State Missions Offering, Cooperative Program gifts and subsequent disaster relief gifts, nearly half a million dollars was distributed to victims of the tornadoes for their needs. Thanks, Oklahoma! A lot of lives and churches have survived because of you!

Women's Missions & Ministries also experienced a tremendous year with Deborah Brunt as its leader. They consistently take training in Missions, WMU and Women's Ministry to our churches. In late August and early September, a team of equippers hosted Women's Conferences all across the state. The Women's Leadership Conference held August 6-7 at Oklahoma City, Northwest was a resounding success. The exit interviews from all who attended were blessings indeed. The conference should continue to grow every year.

Children & Youth in Missions, Lawana Roberts and her team once again did a fine job with the message and program of Camp Nunny Cha-ha. Next year's emphasis will be placed on helping Associational Children's camps develop mission information and programs planned specifically to teach the ministry and message of Southern Baptist missions. Lawana, Sam Porter, James Lankford and Alan McCoy were jointly responsible for the Missions Education Center at Falls Creek this summer and it was a tremendous ministry. It will only get better next year.

Chaplaincy/Community Ministries has a world class leader in Joe Williams. Last year, as you will recall, he received two of the most prestigious awards possible for his ministry. This year, Joe and his associate Paul Bettis are strategically placing Evangelism Explosion—personal evangelism training

ministries—into area prisons. Most prisoners will be released back into our communities. We want them to come out and into our churches as responsible and contributing church members.

Again, Joe was called upon for leadership in equipping Southern Baptist pastors and staff with the tools they would need to help families cope with the physical and emotional disasters left in the wake of the May 3rd tornadoes. Several intensive and exhaustive training seminars to help pastors and churches were led by Joe and his team.

This division of the CORTeam is highly diversified. Joe and his staff are more than up to the challenges.

Collegiate Ministries is an area where energy, excitement and vision flow in abundance. This work has been ably led by Bob Lee for 28 years. It is among the best in the entire Southern Baptist Convention. At present, a study group appointed by the Board of Directors is doing an exhaustive study to determine how best to position personnel and resources to impact campus life in Oklahoma into the 21st Century. We do not know all that will come from this study but it is a timely one and needed. Remember to pray for them.

If you were to personally interview every BCM Director in Oklahoma, I am confident you would find each one dedicated to reaching students and changing lives. Read the missions and soul winning report Bob Lee gives in the following pages. You will be blessed.

Chaplaincy

Joe B. Williams, Specialist

The mission statement for the chaplaincy program in Oklahoma is "To Take the Presence of God into Every Situation." In keeping with the mission statement, chaplaincy is attempting to take the Gospel of Jesus Christ to people in specialized settings by reaching through the cracks of our society and touching the lives of people who are hidden or out of reach of most local churches. Chaplaincy is the most effective means of reaching secular society because there are times chaplains can go where the church cannot. Chaplaincy provides many opportunities to extend the ministry of the local church beyond the four walls of the church facility—especially in the area of personal evangelism. Chaplains were involved in the aftermath of the May 3 tornadoes. They provided support to emergency workers, victims and their families.

Betty Harris is the full time secretary for Chaplaincy/Community Ministries.

There are five major areas of ministry in chaplaincy: (1) healthcare and pastoral counseling, (2) law enforcement, (3) corrections, (4) military, and (5) business/industrial. Each of these areas of chaplaincy provides opportunities for full-time and part-time volunteer participation of ministry-oriented persons. Each of these categories of chaplain ministry also provides the opportunity for the local church and its staff to extend their ministry into the community that may otherwise be closed to them. In Oklahoma, there are 188 Southern Baptist chaplains with 129 of these endorsed by the Chaplains Commission of the North American Mission Board.

The presence of chaplains in the midst of crisis and tragedy is making a difference. Chaplains may be paid or volunteer people who are willing to venture "the second mile" journey in ministry.

Paul Bettis serves as Criminal Justice Ministry Coordinator for the Baptist General Convention of Oklahoma. Paul and his wife Pat were appointed home missionaries in early 1998. Working out of the Chaplaincy Program office, Paul is making a significant difference throughout the state as he relates to jail and prison chaplains. He also has responsibility for development and training in the area of jail and prison ministries.

Statistics for the above categories are as follows:

Professions of Faith	1646
Bibles Distributed	642
Volunteers Supervised	6172
Worship Services Led	2583
Baptisms	178
Attendance	2735
Bible Studies	4613

Financial Assistance to Special Projects

Oklahoma County Jail Ministry is one that the BGCO Chaplaincy Program is more involved in than in years past. Chaplain Argyl Dick is the new full-time chaplain in the Oklahoma County jail. The Chaplaincy Program has made significant financial contributions to this ministry. With an average inmate population of between 2,400 and 2,500 the county jail is one of the most fruitful mission fields in Oklahoma County. Last year there were 1,977 salvations and 673 rededications. Bibles were distributed to 10,498 inmates.

Financial assistance is also provided for the following:

Volunteer prison chaplains travel expense to seven state prisons and one federal prison

Resort Missions are growing every year throughout the United States and Oklahoma. There are many mission opportunities here in Oklahoma. It is not necessary to travel to distant locations to be involved in missions. The Baptist General Convention of Oklahoma is involved in growing numbers of mission opportunities through resort missions.

Resort missions are happening at some of the larger lakes and resort areas, such as Lake Tenkiller and Lake Texoma. Mission opportunities are also found at some of the smaller lakes where local churches are using their resources to provide ministry. Resort missions for the summer of 1999 took place at 23 resort areas and consisted of distribution of 201 Bibles along with other literature. Persons involved conducted Sunday worship services, prayer meetings and Bible studies resulting in professions of faith, rededications and other decisions for Christ. Twenty churches completed the summer day camps. Forty-one

teams participated in each campground, with 209 youth and sponsors present. A record 51 professions of faith were reported. Nineteen retreats were also hosted. In addition to these resort ministries, "God's Plan for Your Life" was presented to 487 Day-campers. Day camps were held at the following:

1. Grand Lake
2. Lake Tenkiller
3. Lake Texoma
4. Burch Lake
5. Greenleaf State Park and Strayhorn Landing

There are 68 lake and resort areas in Oklahoma that could have some ministry activity from local church sponsorship or other groups coming into the area. Reaching people at leisure is another specialized setting where people can be touched with the Gospel. Community Ministries

Joe B. Williams, Specialist

Four Missionaries appointed by the North American Mission Board of the Southern Baptist Convention, in cooperation with the Baptist General Convention of Oklahoma, currently serve this ministry. They are: Jack Bettis, Director of Church and Community Ministries for Capital Baptist Association; Bill Sisson, Director of Baptist Mission Center in Oklahoma City; Gerald Lunsford, Director of Grace Rescue Mission Center in Oklahoma City; and Sheila Mitchell, Director of DaySpring Villa Women's Shelter located in Tulsa Metro Baptist Association. Betty Harris is the full time secretary for Chaplaincy/Community Ministries (405) 942-3800, ext. 301.

Grace Rescue Mission, Capital Association, Gerald Lunsford, Director. reports an average of 30 people per day participate in the alcohol and drug rehabilitation program called "A New Life." At the mission 578 people were saved and 185 rededicated their lives. Transient and rehabilitation program persons were provided 120,577 meals and 34,246 overnight accommodations; articles of clothing were distributed to 6,131 individuals. Thanksgiving dinner traditionally is provided. On average, 87 Bible study classes were conducted each month. Since the beginning of 1999 there have been 1,035 evangelistic encounters.

Baptist Mission Center, Capital Association, Bill Sisson, Director. Articles of clothing were given to 12,200 people. Meals were provided to 1,131. Over 1,900 patients received free medical care and over 500 received free dental care. Eye examinations, glasses, lab services and shots were also provided free of charge. More than 4,000 prescriptions were filled.

DaySpring Villa, Tulsa Metro Association, Sheila Mitchell, Director. DaySpring has now been open for four years, and the ministry to many women and children has made a significant impact on their lives. The facility housed 816 women and children from May 1, 1998 through April 30, 1999. Forty people made professions of faith in Christ during that time.

Tulsa Baptist Ministry Center, Tulsa Metro Association, Bill Rains, Director. Tulsa Baptist Ministry Center was destroyed by fire on November 21, 1998. The new building is expected to be ready in fall, 1999.

Hunger Funds. The Hunger Fund Program has disbursed \$129,700 the past twelve months. Thirty locations received funds and distributed food to 5,206 families and 35,822 individuals. From this ministry there have been 467 professions of faith and 198 other decisions, with 51 baptisms.

Literacy Missions. In 1998-1999 a dozen 16-hour workshops in Literacy Missions techniques trained 142 volunteers to reach out through their churches to the needs of the community. As the result of sharing Christ with their students, volunteers have seen 75 people won to the Lord and six new Bible studies begun. Among six new Literacy Missions Ministries throughout Oklahoma are Stilwell, Rock Springs; Piedmont, First; and Oklahoma City, Cherokee Hills. The State Consultant for Literacy Missions is Fran deCordova, who was selected from among nearly 10,000 volunteers nationwide to receive the 1999 Mildred Blankenship Literacy Missions Award. Presented by the SBC North American Mission Board Church and Community Missions Unit, the award signifies that the recipient has demonstrated commitment to sharing the Gospel through literacy.

During the past 10 years the number of Literacy Missions Ministries in Oklahoma has grown from 14 to 82. More than a thousand volunteer teachers present Bible truths each week, resulting in over 800 students making professions of faith and 34 church starts.

Church Extension

Frank Johnson, Specialist

Dr. Frank Johnson came from the IMB in Guatemala, to assume the position of Church Extension Specialist effective August 1, 1999. Frank and his wife Laurie are both native Oklahomans. They have served with the IMB for seventeen years in Central America and Canada. For the last three years Frank, who is bilingual, supervised the planting of churches in five nations. His passion is in church planting. He brings to us not only years of personal experience in church planting but also years of supervision of church planting efforts.

The Church Extension Specialist directs the work of Anglo new church starts, Hispanic new church starts, African-American new church starts and inner city ministries.

Mark McClellan has done an outstanding job for the last year directing the Hispanic, African-American and Anglo church planting area. He resigned to finish his Ph.D. in Theology at Southwestern Baptist Theological Seminary in Ft. Worth, Texas. Mark will work on a consultant basis under the Church Extension Specialist.

Funds from the North American Mission Board, BGCO Cooperative Program Budget, Edna McMillan State Missions Offering and designated new work funds has helped to start new churches, new missions, new classes and preaching points in Oklahoma.

Financial assistance made it possible for the purchase of land, purchase of a van, church repairs, new church buildings, rent, travel expenses and training of pastors/missionaries this year. New works were started in Hydro, Waurika, Poteau, Sapulpa, Sallisaw, Woodward, Tahlequah, Marietta, Lawton and Spiro this year. Our goal is 200 new churches planted in Oklahoma during the next three years. Pray for God to raise up more church planters.

May 10-14, 1999, a Basic Training for Church Mentors/Planters was held at Oklahoma City, Northwest. Approximately 77 pastors/missionaries and directors of missions were trained. Assessment training was held March 16-18, 1999 for pastors/missionaries and directors of missions. Approximately 13 received the training from Jerome King of the North American Mission Board.

Black Church Relations—Black Church Relations is a program of cooperation between Southern Baptists and National Baptists of Oklahoma. The state convention affiliated with the National Baptist Convention is called Oklahoma Baptist State Convention (OBSC).

Two missionaries serve with the area of Black Church Relations. Vernell Bell is state director of Christian Education for the OBSC and dean of the Oklahoma School of Religion in Tulsa. Patricia Reed is

the WMU Executive Secretary for the OBSC and directs the women's work of the convention. These two programs are being phased out over the next two years. Responsibility for this ministry is being turned over exclusively to the OBSC. The BGCO/NAMB funds will then be redirected to plant new Southern Baptist African-American churches in Oklahoma.

Approximately \$185,201 has been expended for Anglo, Hispanic and African-American works since January 1999. The funds were provided from the Baptist General Convention Cooperative Program, North American Mission Board and Edna McMillan State Missions Offering.

Collegiate Ministries

Bob Lee, Specialist

The 1998-99 school year was a banner one for Baptist Collegiate Ministries (BCM) of the Baptist General Convention of Oklahoma. As always, the support BCM receives from the BGCO, associations, local churches and individuals continues to be exceptional. We are deeply grateful for that support.

Evangelism—This past year the lives of almost 20,000 students were touched by the Collegiate Ministries across our state. Approximately 10,000 students were involved in many of the various ministries offered through BCM on the 37 campuses in Oklahoma. Nearly 2,000 students were personally trained in "Share Jesus Without Fear," resulting in over 900 students being won to the Lord on the campuses. As a result of mission trips taken by local BCMs, over 1,600 people were won to the Lord. Students involved in Bible Study and Discipleship groups totaled 6,769. Students are still eager to know what God's Word has to say and how they can grow and mature in the faith.

Missions—1998-99 was a great year for our missions program. Once again over 3,000 students were involved directly in some mission activity. Students were sent to Malawi, China, Mexico, Texas, Louisiana, Idaho, California, New England, Indiana, the Northwest, Georgia, Kansas, Florida and our own state of Oklahoma. Students contributed over \$287,000 for mission causes. Oklahoma students, through their mission gifts, sent over \$45,000 to support Collegiate Ministry programs in Arizona, California, Michigan, Idaho, California, Nebraska, Colorado, Kansas, Hawaii, Oregon, Washington, Indiana, Massachusetts and Connecticut.

Personnel—Several changes have taken place across the state. Bobby and Debbie Lipscomb have become the directors at Northeastern State in Tahlequah. Kevin Willis became the new director at Connors State College in Warner. Brett Rogers moved to Claremore to begin full-time ministry at Rogers State College. Kimily Waldron assumed the director's position at NEO A&M at Miami. Suzanne Lillard became the secretary to the State Collegiate Ministries Specialist.

BCM in Oklahoma continues to be the outreach arm of the BGCO, associations and the local churches to the campuses across our state. Our desire is to continue to emphasize evangelism, Bible study, discipleship, missions and churchmanship as the focal points in reaching students and strengthening them so they may be better church members. It is our desire to see students won to the Lord and developed to become all that God has created them to be. Pray for us as we continue to be your missionaries on the campuses.

Evangelism

Jimmy Kinnaird, Specialist
Shane Spannagel, Associate

The Evangelism unit of the Church Outreach Team exists to assist the churches and ministries of the Baptist General Convention of Oklahoma in the advancement of the Gospel of Jesus Christ.

State Evangelism Conference—The 1999 State Evangelism Conference was held January 25-26 at Moore, First. Speakers for the conference included Bill Fay, Stephen F. Olford, Chuck Kelley, Rick Ousley and Ray Comfort. Charles Billingsley was our featured guest vocalist. The Monday morning session featured the music and ministry of Oklahoma vocational evangelists. Tuesday featured our first ever *Especially for Women* track, sponsored by Women's Missions & Ministries specialist Deborah Brunt. It was an outstanding success with over 1,000 ladies present for the all-day session. Twelve equipping workshops relating to different issues in evangelism were concurrently held on Tuesday morning.

The Take the Land—2000 Evangelism Conference is scheduled for January 24-25 at Del City, First Southern. Speakers for the conference include Jim Cymbala, William Blackburn, Fred Luter and Jamey Ragle. Guest vocalist will be international recording artist Steve Green. Again, specialized equipping evangelism seminars will be offered Tuesday morning. The specialized track designed *Especially for Women*, features Esther Burroughs and Rita Tate along with a tremendous slate of training seminars.

Vocational Evangelists Retreat—In early December, Oklahoma's Vocational Evangelists were guests of the Evangelism ministry at the Sullivant Retreat Center in Norman. Dr. Roy Fish was guest lecturer/preacher. The focus was, in part, a study of particular pitfalls and challenges of the vocational evangelist. The 1999 retreat, scheduled for December 14-15, will focus on networking and developing the ministry of the vocational evangelist. Particular emphasis will include church crusade preparation. Guest speakers will be Don Smith, Event Evangelism Associate from the North American Mission Board, and William Blackburn, evangelist, Fort Smith, Arkansas.

Youth Evangelism—The 1999 Youth Evangelism Conference was organized by James Lankford, Youth Specialist, Church & Family Equipping Team. Evangelism/Church Outreach Team funds this ministry. The conference was held at Lloyd Noble Arena in Norman, August 6-7 with 9,178 in attendance. Decisions for the two-day meeting totaled 150, with 32 of those being professions of faith. The theme of the conference was *"Sphere."*

Baptist Convention Tents—The Baptist Convention tents are provided by the Edna McMillan State Missions Offering, the North American Mission Board and the Cooperative Program. The tents were used 32 times by BGCO churches and associations. The Tent Ministry now has available three (3) tents with seating capacities of 300, 450 and 900. Rental fees are kept to a minimum. This ministry runs on a cost recovery basis only.

Falls Creek—A total of 4,488 decisions were recorded at Falls Creek this year compared with 4,188 in 1998. There were 1,510 professions of faith; 215 assurance of salvation; 1,896 restorations; 768 for special service; 85 special needs and 14 unknown. The breakdown of the total appears in the following graph:

1999 Falls Creek Decision Statistics

Week/Pastor	Profession of Faith	Assurance of Salvation	Rededication/Restoration	Special Needs/Unknown	Special Service	Total Decisions	Registration for the Week
1. Chuck Kelley	118	8	137	7	88	358	5517
2. Bill Gravel	286	17	235	7	175	720	5786
3. Randall Adams	140	28	190	17	101	476	6327
4. James Lankford	283	44	325	29	181	862	8622
5. Mark Hartman	361	42	583	17	111	1114	6593
6. Jon Randles	322	76	426	22	112	958	8243

Each person making a decision received guidance with his/her commitment from one of the 1,143 trained encouragers (down from 1,272 last year) and 254 pastor advisors (up from 208 last year). These encouragers and pastors did a fantastic job working personally with these campers. Each decision area was supervised by one of the 16 section leaders during the six weeks of Falls Creek. Dave Clippard, Associate Executive Director, Church Outreach Team, Jimmy Kinnaird and Shane Spannagel provided instruction and overall coordination for this excellent group.

Crossovers—The Crossover events preceding the Southern Baptist Convention continue to provide positive impact for the churches and cities where the convention is held. This year several Baptist Associations held Crossover type events in conjunction with the Evangelism Office. The cooperation of several local churches joining together for a city or neighborhood door-to-door witnessing campaign coupled with a community block party proved a winning combination. Each Crossover event fostered greater fellowship among churches in their associations and also strengthened key churches in their areas. Several such events are already in the planning process for 2000.

Grady Association, led by Director of Missions Jim Brunk, organized a complete door-to-door blitz of the entire association. They accomplished this through the cooperative effort of the churches of Grady Association, youth groups from all over the state that were assembling for the State Youth Evangelism Conference in Norman and the Evangelism Office of the BGCO. Things went great! Eleven (11) persons were saved and 16,000 homes were personally visited. Approximately 600 youth attended the pre-event rally Wednesday night, and around 700 attended the Thursday night concert. Four hundred fifty (450) youth were equipped with the "How to Share Jesus Without Fear" personal evangelism tool. God was good.

Other Crossover events were conducted in Mulhall following the May 3rd tornado disaster. There were 12 professions of faith in the door-to-door Crossover in Newkirk. At least 30 other block parties were held.

The Evangelism Office is now in the process of building block party trailers that will contain the equipment needed for any church to conduct their own successful block party. These will be available in 2000. For more information and assistance on Crossover events in your church or association call the Evangelism Office.

State Fair Outreach—Many different activities were used to bring people into the Baptist tent at the 1998 State Fair in Oklahoma City. Free drawings, clowns, event literature with a gospel message, face painting, power bands, Veggie Tales, I.Q. Tests, cold water and diaper changing area were all utilized as vehicles for evangelism. Over 1,200 participated in this outreach. Thousands of prospect cards were sent to our churches. More than 200 professions of faith were made from September 18 to October 4.

Witness Training—The name for witness training this year is "Share Jesus Without Fear." Jimmy Kinnaird, Shane Spannagel and Dave Clippard have traveled to many churches and associations to lead people in this two-hour seminar on witnessing. All of Oklahoma's BSU/BCM Directors have been trained to teach "Share Jesus Without Fear" seminars as well. They are available to teach this ministry in any church

desiring the training. Cost has been reduced to about \$2 per participant. During this past 12 months, in churches and our BSU's, more than 5,000 Oklahomans have been trained in this personal evangelism strategy.

Celebrate Jesus 2000—Gene Jorgenson is the Oklahoma consultant for Celebrate Jesus 2000. The associational strategy has been presented to every Baptist Association in the state. Gene has consulted with many associations in implementation. The prayer strategy has been developed and is now in its promotional phase. A second emphasis has been established for 1999-2000 in the Celebrate Jesus 2000 strategy. Called *"Take the Land—2000,"* this new strategy is designed to compress the three-year plan into a one-year fast track. Any church or association can plug into this strategy at any time. It concludes in the Fall of 2000 with simultaneous crusades in churches.

Our goal is for Oklahoma churches to claim an area around their church for Christ, to pray for every person by name and witness to each person before the end of 2000. The continuing strategy for this is found in the *"Take the Land—2000"* brochure, which is available from the Evangelism Office and at the Evangelism booth at all BGCO events.

Baptisms—Total baptisms for 1997-1998 numbered 17,461. This compares with 18,269 in 1996-97. The state baptism ratio was 25.42. This information was gleaned from the Annual Church Profile for 1997-98. However, many Oklahoma Baptist churches do not submit an ACP.

Oklahoma's Southern Baptist Churches Baptized:

1993	16,484 souls
1994	16,719 souls
1995	16,888 souls
1996	18,019 souls
1997	18,269 souls
1998	17,461 souls
1999	-Pray-
2000	Take the Land!

Language Missions

Ted B. Lam, Specialist

The Hispanic work was totally separated from Language Missions in 1999 and became part of Church Extension. Frank Johnson accepted the responsibility of Church Extension Specialist. As of August 1, Mark McClellan became the key person in leading the task force to organize an Ethnic Ministry Training Institute to launch in January 2000. This Ministry Training Institute will be the new Ethnic Leadership Development Center for all ethnic churches within our state. All classes in Ministry Training Institute (MTI) from Oklahoma Baptist University and Ethnic Leadership Development (ELD) from Golden Gate Seminary will be coordinated at this Institute. It will also offer church planting classes from the North American Mission Board. Classes in practical pastoral ministry will be taught in different ethnic languages.

Ten church-type missions were started by mid-August 1999. The new works include six American Indian missions/churches, one Chinese mission, one Korean church, one Iranian mission and one Chinese Bible study group. Our goal is to have 18 new starts by the end of the year.

An extensive three-day Jointly Employed Missionary Workshop was held at the Baptist Building for the first time in March. Workshop topics included Evangelism, Church Planting and Leadership and Church Growth, among others. The sessions provided training, inspiration and fellowship for our missionaries and

mission pastors. A five-day Church Planting Mentor and Basic Training was held in May. Forty-two church planters were trained and certified for future new works.

Registration at Indian Falls Creek was 2,168 this summer, with 111 professions of faith and 97 other decisions. This included 12 who surrendered their lives for ministry in preaching.

Our three Catalytic Missionaries to the Indians are Max Malone, western Oklahoma; Bill Barnett, northeastern Oklahoma and Tulsa/OKC metro areas; and Tom Anderson, eastern and southeastern Oklahoma. Anderson also works with the five Indian Associations. New missionaries/mission pastors for this year are Kee-Soo Na, Korean; Alfredo Sadaba, Filipino; John Tai, Chinese; Amon Harjo, American Indian and James Crabtree, Language Immigration Ministry. The total number of Jointly Employed Missionaries decreased from 38 two years ago to 24. Fourteen became totally self-sufficient.

Men's Missions & Ministries

Sam Porter, Specialist

1999 was an active year for Men's Missions & Ministries. Since the recent restructuring of the BGCO and the SBC, men's ministry has faced identity challenges in the state and nationwide. However, major events in the past year have reestablished the ministry in our Oklahoma churches.

Sam Porter, Men's Missions & Ministries Specialist, has challenged every church in Oklahoma to select and train a leader to direct men's ministry in the local church.

Statewide Meetings

The first annual spring **Men's Retreat** was held at Falls Creek April 16-17, with 2,646 in attendance. The 2000 retreat is scheduled at Falls Creek April 28-29, with Steve Farrar as the featured speaker.

Almost 1,700 attended **Royal Ambassador/Challengers Congress** at the Optimist's Gym in Norman on March 5-6. Our 2000 Congress is March 3-4 at the same location.

Mission Ministries

May 3rd will always be known as the day the most powerful tornado on record at that time struck Oklahoma. Other tornadoes hit Oklahoma during the next several weeks—Lawton and Ft. Gibson in particular. The 128 Oklahoma **Disaster Relief volunteers** helped prepare over 200,000 meals during a 38-day period. Other volunteers came from 25 states and 3 foreign countries to do chain saw ministry, clean debris, move furniture, clean homes, counsel victims, cook, provide child care and perform other ministries. Over 1,400 projects were worked across the 90-mile storm track.

Donations came in from all over the nation for tornado victims. As of August 20, 1999 **financial aid** totaling almost \$500,000 had been disbursed to damaged churches and to families whose homes were destroyed or damaged by tornadoes.

Financial aid in the amount of \$12,500 was granted to 31 families whose homes were destroyed or damaged by other storms since August 1998.

Our office coordinated 41 **Volunteer Mission Building Projects** in Oklahoma, which involved 1,175 Men's Ministries volunteers. The new coordinator for out-of-state projects is Wilbur Rhodes of Crescent.

During the summer of 1999, 386 campers and 92 staff enjoyed 4 weeks of camp and two Lad/Dad weekends at **Camp Hudgens**. Fifty-seven decisions were made, including 30 professions of faith.

Approximately 100 attended the spring 1999 **Campers on Mission Rally** at the Shawnee Expo Center. In 2000, Oklahoma will host the national rally, June 18-24, with 600-800 expected to attend.

Training

In the fall of 1998 seven **Men's Training Rallies** provided training for about 1,000 people around the state.

On February 20, 1999, Men's Missions & Ministries conducted the **Volunteers in Missions Workshop** at Oklahoma City, Portland Avenue. Over 200 people attended and learned about volunteer mission opportunities. The 2000 VIM Workshop is scheduled February 19 at Portland Avenue.

Partnership Missions

Rue Scott, Specialist

Partnership Missions—The mission statement for partnership missions is "To assist associations, churches and individuals to minister in Malawi, Indiana, Phoenix and the world."

Malawi—Approximately 190 volunteers from Oklahoma Baptist churches made a commitment to fill 30 projects in Malawi in 1999. The desire for every project was that people be brought to faith in Jesus Christ. Thirty-four trading centers were chosen by the Baptist Convention of Malawi to be target areas for evangelism and church planting. Volunteers went to 19 of these places. Every team reported great success in witnessing, leading evangelistic Bible studies and preaching. Hundreds of people indicated a desire to accept Jesus as their Savior and Lord and follow Him in baptism. Small mission churches were established in each area.

Project Jacob's Well was started with the objective to provide water for people in Malawi for whom water is not easily accessible. Doyal and Nancy Rowland from Wellington, First went to Malawi for four months to start the project. More than \$8,000 was contributed to the project. Doyal reported that the cost of each well is about \$700.

Pat Wagstaff, president of the Oklahoma WMU, took 13 ladies to lead women's rallies in five different areas of Malawi. They took money to buy ten treadle sewing machines to provide each region with two machines.

The Heavenly Father has prepared people in Malawi to be responsive to the Gospel of Jesus Christ. The year 2000 can be a great year to bring thousands of people to faith in Christ. Opportunities are available for churches and associations to go to strategic trading centers where people are living and dying without Christ. They are waiting to hear about salvation by grace through faith in Jesus.

Indiana—A number of Oklahoma Baptist churches and associations went to Indiana to strengthen existing churches and establish new churches. Pottawatomie-Lincoln Baptist Association formed a partnership with the Miami Baptist Association in Indiana this year. The year 2001 is the last year that the BGCO will have a formal partnership with the State Convention of Baptists in Indiana.

Phoenix—Plans are being made by the BGCO for a three-year partnership with the Valley of the Sun...Known as the Greater Phoenix Area consisting of Apache Association, Central Association and Estrella Association beginning in the year 2000. The purpose of the partnership is "To enlarge the scope of Kingdom building ministries in The Valley of the Sun by the proclamation of the Gospel to all people; the strengthen of existing congregations; the meeting of human needs whenever and wherever possible; and the acceleration of the planting and development of healthy, reproducing Baptist churches through agreed upon strategies and projects."

Examples of opportunities in Phoenix are as follows:

- Saturation evangelism efforts in strategically targeted areas
- Block Party and other community projects designed to introduce people to the Gospel

- VBS and Back Yard Bible Clubs in targeted neighborhoods
- Canvassing of neighborhoods and distribution of Jesus videos
- Arizona State Fair
- Inner City Evangelism such as “Safe Nights”
- Inner City reclamation through World Changers
- International Student Evangelism retreat
- Sports clinics, medical clinics, etc.
- Jail and prison evangelism
- “Life in the Parks”—witnessing and praise services in parks
- Street Corner drama
- Construction of churches in late 2000

Women's Missions & Ministries

Deborah Brunt, Specialist

The Women's Missions & Ministries office exists to challenge women to know Christ, to grow in Christ, and to echo His heart for the world.

Strategy—To seek and follow God's plans for strengthening Woman's Missionary Union and Women's Enrichment Ministries in Oklahoma's Southern Baptist churches. To help churches reach and disciple women and lead women to be on mission with God through the following avenues:

Cultivating Leaders

The first statewide **Women's Leadership Conference** (Aug. 6-7, 1999, OKC, Northwest) — encouraged and equipped more than 350 women who serve as leaders of Women's Ministry, of WMU (all age levels), or on a church staff. *Theme:* Equipping to Lead. *Program guests:* Chris Adams, women's ministry specialist, LifeWay; Linda Miniard, staff leadership specialist, LifeWay; Karen Felder, NAMB missionary, CO; Sylvia Fletcher, IMB missionary, Peru; Regina Jones, worship leader, Edmond; Valerie Hammons, pianist, OKC. *Special features:* more than 35 workshops; “Gifts from the Heart” ministry project; “Opportunities for Ministry” resource fair; networking fellowship time.

Missions & Ministries Rallies—Between August 23 and September 2, 1999, six areawide evening rallies equipped and encouraged 1,100 men and women. These rallies in Guymon, Woodward, Anadarko, Moore, Tulsa and McAlester were co-sponsored by Men's, Women's, and Children/Youth Missions & Ministries.

Sponsoring Events

Events that challenge women to follow Christ fully—

State Evangelism Conference—A morning session and 11 afternoon workshops “**Especially for Women**” (January 26, 1999, Moore, First) drew between 700 and 1,000 women, who were challenged and equipped to be witnesses for Christ. *Program guests:* Rhonda Kelley, NOBTS; Jaye Martin, NAMB; Jennifer Rothschild, worship leader, Shawnee.

93rd WMU Annual Session—November 9, 1998, 249 people met at Oklahoma City, Portland Avenue. *Theme:* Transformed. *Program guests:* missionaries Del & Ramona Allen, United Arab Emirates, and Bo Holland, Tulsa; Anthony Jordan, executive director-treasurer, BGCO; Dale Griffin and Daphne Fine, worship leaders, Oklahoma City, Northwest; Bob Lee, BCM specialist, BGCO; Andrea Mullins, WMU, SBC; Lucille Sewell, Baptist Nursing Fellowship; and Molly Longwe, Malawi.

Preparations are under way for an upcoming **Ministers Wives Weekend**, March 30-April 1, 2000; Oklahoma City, Village and (tentatively) an *Oklahoma Women's Refresher*, October 27-28, 2000, Del City, First Southern.

Communicating Priorities

Newswomen—In 1999, Women's Missions & Ministries and the Baptist Foundation began producing a quarterly newsletter offering women practical, biblically-based help in financial and lifestyle matters.

Networking

This office is exploring ways to link women in Oklahoma Baptist churches with people and resources that can help them accomplish their God-given mission. We laid a foundation for this ongoing task by building a mailing list of church and associational women's leaders.

Providing opportunities

Under the leadership of Pat Wagstaff, state WMU president, Oklahoma WMU is spearheading opportunities for missions and ministries.

Prayerwalks were conducted during Falls Creek youth assemblies and other statewide gatherings. At least 14 teams prayerwalked during the six weeks of Falls Creek, summer 1999.

Ministry projects at each statewide event sponsored by Women's Missions & Ministries — including the planned collection of canned goods at the 1999 state convention.

The sending of an **all-women volunteer missions team** to Malawi (Oct. 24-Nov. 10, 1999) and providing of **treadle sewing machines** for Malawi Baptist women.

Ingram School of Christian Education and Vice President for Religious Life at Oklahoma Baptist University, has served as WMU Professor of Missions since November, 1989. In this position, he helps nurture the strong mission emphasis at OBU.

OKLAHOMA BAPTIST UNIVERSITY

Mark A. Brister, President

Campus expansion, a presidential inauguration and continued quality in Christian higher education highlighted Oklahoma Baptist University's 1998-99 academic year.

OBU expanded its campus by more than 50 percent, adding an additional 64 acres to its previous 125 acres. The new land is adjacent to campus at the north edge of the original property. It brings the campus acreage to 189. Plans for the development of the new land are indefinite but will allow for OBU's growth and expansion for years to come.

Dr. Mark A. Brister was inaugurated as OBU's 14th president in April 1999. Brister, formerly pastor of Broadmoor Baptist Church, Shreveport, LA, was elected president in a special called meeting April 27, 1998, and assumed the presidency when Dr. Bob R. Agee retired, effective Sept. 1, 1998.

Active in Baptist life, Brister was chairman of the Southern Baptist Convention program and structure study committee that reorganized the convention's agency structure during 1994-96. Before becoming pastor of the Shreveport church in 1989, Brister was pastor of Memorial Baptist, Baytown, Texas, for five years. Earlier he was pastor of First Baptist in Bolivar, Missouri.

A graduate of Baylor University in Waco, Texas, Brister received his master of divinity and doctor of philosophy degrees from Southwestern Baptist Theological Seminary. He was an adjunct professor at Southwestern, 1977-80, and has been a guest professor at New Orleans Baptist Theological Seminary, Southwestern Baptist Theological Seminary, Midwestern Baptist Theological Seminary and the Baptist Theological Seminary of Eastern Africa. He has served as a trustee at Houston Baptist University and Louisiana College, where he was chairman of the business affairs committee.

Brister and his wife Rhonda have two sons: Barrett Nugent, born in 1981, and Austin Andrew, born in 1986.

OBU continues to be a distinctively Christian liberal arts university and continues to assure academic excellence in a faithful Christian environment.

OBU's 89th year began with happy news of national prominence in the *U.S. News & World Report* "Best Colleges" rankings. *U.S. News* named OBU as number four overall among liberal arts colleges in the western United States. It was the seventh straight year OBU has made the top-ten listings. OBU also placed ninth in "Best Value." The best value rankings "were devised to provide a realistic measure of where students can get the best education for the money."

OBU graduated 354 during the year, with 274 students receiving degrees during the May commencement and 80 receiving their degrees during OBU's winter commencement in December.

The percentage of faculty with earned doctorates continued to increase. By the beginning of the 1999 fall semester, 77 percent of the 116 full-time faculty members held earned doctorates.

Oklahoma Baptist University welcomed 463 "top-quality" first-time freshmen to campus in the fall of 1998. Of the 463, 42 were valedictorians of their high school class and 44 had an ACT score of 30 or higher. The average ACT score was 24.0, and 33 percent of the class had a high school grade point average of at least 4.0.

OBU's fall enrollment of 2,171 was down slightly from last year's 2,211. The percentage of out-of-state students reached a record 35.42 percent. There were 23 graduate students and 268 enrolled in OBU's Ministry Training Institute. More than 1,350 students, 62.46 percent, came from Oklahoma.

More than 235 OBU students and staff were involved in home and foreign mission and ministry projects during the summer of 1999, continuing OBU's pacesetter role in mission efforts among Baptist colleges and universities. OBU representatives served in 26 countries on six continents and in 25 states and Washington, D.C.

Locally, OBU's Baptist Campus Ministries averaged about 150 students participating in 9 community ministry programs during the year. These included a nursing home ministry, homes for transitional youth, juvenile centers, mission centers, church ministry teams, a children's hospital, a ministry to elderly, a ministry to unwed mothers and a musical ensemble. More than 500 OBU students also participated in weekly on-campus discipleship groups.

Gifts to the university during the 1997-98 fiscal year totaled about \$4.3 million. More than 6,000 people contributed to OBU during the year. The financial support provided funds for scholarships, endowment, equipment, operational support and construction/renovation projects. In addition, the Foundation for the Future campaign had raised more than \$17 million toward a \$23.5 million goal.

OBU trustees adopted a \$27.3 million operating budget for the 1999-00 fiscal year during their spring meeting. The new budget includes a 6.465 percent increase in tuition, housing, meals and fees of \$380 per semester for the typical OBU student for next year. This is one of OBU's lowest percentage increases in recent 10 years, keeping OBU well in the lower half of Southern Baptist universities in terms of costs. OBU also will continue to be one of the lowest cost institutions in the Council for Christian Colleges and Universities.

Almost 500 new freshmen and transfer students participated in OBU's Welcome Week in August of 1998, getting their first taste of life on Bison Hill. Through small and large group sessions, OBU staff, faculty and students introduced newcomers to the campus, its rules and traditions, and to each other. The student-led orientation program was the first in a series of events designed to help new students adjust to the campus environment. Freshmen participated in a six-week new student orientation seminar that was team-taught by OBU faculty and upperclassmen.

Dr. Norris Russell, director of athletics and professor of health, physical education and recreation, received the Distinguished Teaching Award, given to a faculty member who has maintained his or her teaching career in an exemplary fashion. Dr. Claudine Dickey, former dean of OBU's School of Nursing, received the university's Meritorious Service Award, given to a faculty or staff member who has made a substantial commitment of talent and service to OBU. Dr. Kevin Hall, the Ida Elizabeth and J.W. Hollums chair of Bible assistant professor of religion, was honored with the Promising Teacher Award, which is given to a junior faculty member who demonstrates outstanding potential as a teacher.

OBU athletic fans will remember 1998-99 as a strong year for athletics. OBU sent 10 of its 13 athletic programs to regional or national tournaments. The Lady Bison basketball team made its fourth trip to the NAIA National Tournament, reaching the quarterfinals, while the Bison renewed their presence in the national tournament. The Bison's impressive 31-7 record took them to the quarterfinals in the NAIA national tournament. OBU finished sixth in the nation at the 1998 NAIA National Outdoor Track and Field Championships. Lady Bison cross-country team claimed its fourth consecutive SAC title while winning the Southwest Region title. The Lady Bison softball team reached the Southwest Region Tournament, finishing the season at 32-27. Bison baseball recorded a 42-22 record and made it to the Southwest Region Tournament for the third time in the team's history. The Bison men's tennis team posted its 19th winning season in a span of 21 years this season, finishing at 8-4.

As OBU continues to expand its efforts in the arena of Christian education, the university is grateful for the faithful and prayerful support of Oklahoma Baptists.

Special Committee Assignments

Edna McMillan State Missions Offering Allocations Task Force—This task force, appointed annually by the Executive Director-Treasurer, includes representation from the Missions/Evangelism Workgroup of the Board of Directors, BGCO missions leaders and state convention officers. The 1999 task force included Ralph Bethea, Alan Cox, Nick Garland, Sheri Jeter, Debbie Loafman, Doris Miller, Darlene Peter, Jackie Stolz, Pat Wagstaff and Jim Westmoreland. Ex officio members were Dave Clippard, Robert Haskins, Anthony Jordan, Deborah Brunt, Jimmy Kinnaid, Ted Lam, Mark McClellan, Sam Porter, James Robinson and Ray Sanders.

They met on December 8, 1998, to consider and evaluate allocations requests. The allocations totaling \$792,000 were approved by the Board of Directors (Action No. 1, May report of the Church Outreach Committee). The theme selected for the 1999 campaign was "Say the Word," and the scripture was Hebrews 4:12a (NIV), "The Word of God is living and active..."

Falls Creek Strategic Planning Committee—Culminating a two-year process, the Falls Creek Strategic Planning Committee presented its recommendations to the Board of Directors at Falls Creek on May 24 (Action No. 1, Additional Information, May Report). Chairman Scott Neighbors showed aerial views of the grounds and identified locations of the proposed tabernacle and other new structures via PowerPoint and led directors on a computerized videotape "virtual" tour of Falls Creek. Jerry Buttron, project architect Mike Ryder and landscape architect Wayne Kirchhoff of George Butler Associates reviewed each item listed in the \$33,932,069 total cost estimate of the conceptual master plan. Steve Thomas of Steve Thomas Philanthropy Counsel explained the fund raising strategy.

Other appointed members of the committee were Stanley Baker, Mike Fetters, Fred King, John Lincks, Zane Newton, Bob Shelton, Carl Thionnet and Rick Whitaker. President James Robinson served as an ex officio member, and BGCO representatives were Dave Clippard, Gary Fielding, Robert Haskins, Bill Green, Anthony Jordan and James Lankford.

Meetings were held November 18 and December 15, 1998; and January 21, February 25 and May 24, 1999.

Sam Vinall, BGCO Planning & Research Specialist, served as convention staff representative.

Listening sessions were held in 30 associations during January, February and March 1999, with 449 persons from 256 churches attending. Indian association churches were invited to attend sessions in their geographical areas. The SAC Task Force determined that associations and the state convention could best assist Smaller in Attendance Churches by forming partnerships that make available to the churches the unique resources and abilities of each entity.

Task force meetings were held December 1, 1998; March 2, March 22, April 19, May 18–19, August 18 and September 1, 1999.

(Action No. 1, January report of the Church Outreach Committee.) President James Robinson named the following people to serve: Mark Becton, chairman; Robin Cowin, Keith Jacobs, Tim Richardson, Wade Burleson (resigned in May) and Pam Whitley from the Collegiate Ministries Workgroup; DOMs Tom Owens, Cimarron Association; Lonnie Latham, Tulsa Metro Association; and Wade Robertson, LeFlore Association.

The Executive Committee

The Bylaws call for an Executive Committee to act for the Board of Directors when the Board of Directors is not in session and to perform such duties as may be referred to it for action from time to time by the Board of Directors. In addition, the Executive Committee is authorized to take such action that, in the judgment of the executive director-treasurer and the elected officers of the convention, requires action before the next meeting of the Board of Directors. Such action, however, is subject to ratification by the Board of Directors. The Executive Committee makes recommendations and reports to the Board of Directors on matters pertaining to specific assignments by the Board of Directors; encourages and supports the Executive Director in his work; and serves as an “interagency” committee. The 1998-99 Executive Committee consisted of the convention President, Vice Presidents, Executive Director-Treasurer, Recording Secretary and the chairpersons of the three board committees.

The committee met January 19, May 25 and September 28, 1999.

CHURCH & FAMILY EQUIPPING TEAM

Bill Green, Associate Executive Director

The Church & Family Equipping team was instituted three years ago. The entire staff is now in place and long range planning and visioning has been completed to lead our churches in all areas of educational ministry into the 21st century. The purpose of the team is to assist churches in reaching people to worship, apply God's Word and strengthen families. The vision of the team is to assist churches in reaching people for Christ, worshipping, applying God's Word, discipling believers and strengthening families. It is our desire to be able to assist every church in Oklahoma no matter its size or location to fulfill the work of the great commission.

A new design for associational strategizing has been put in place by the Church & Family ministry and embraced by the Directors of Missions to enable every church to evaluate their needs and determine goals for the future. Over 200 state consultants have been trained to respond to every church based on its needs in assisting the local congregation to move forward in equipping, discipling, motivating and facilitating its ministry to better reach its community.

New Personnel—Bill Haggard is serving as the Church Architect Consultant and is available for reorganization of existing space, making facilities more user friendly for church ministries and also helping to work with the design of new facilities to meet the needs of the local church reaching their communities for Christ. Kent Choate joined the Church & Family Equipping Team as the Family Ministries Specialist in November 1998. In the reorganization of the convention three years ago, the number one request from the listening sessions across the state was the need for assistance with families in the local church. Kent's expertise will bring a significant ministry to our entire state and will help us proactively focus on building the foundation of local church family ministries as well as giving an overall vision to Oklahoma Baptists for strengthening and undergirding families.

Media Library Conference—How do Oklahoma librarians and historians keep abreast of all the opportunities/resources necessary to maintain a vital, helpful library? Easy: by attending the annual Church Media Library Conference for exciting innovations and training. Sixty-one librarians and historians from across the state took part in the event June 7-8, 1999 at the Baptist Building. The conference included computer lab instruction in advance and beginning Master Library System; guidance on policies, staffing, organization, cataloging and promotion; as well as many other pertinent topics. A new event this year included special interest conferences such as window display ideas, fundraising through media fairs or media showers, media clubs, newsletters and reports, etc. Outgoing officers were Beth Hensley of Broken Arrow, president; Judy Williams of Tulsa, vice-president; and Sara Bixler of Mannford, secretary. New officers are Nan French of Lawton, president; Jane Forbes of Oklahoma City, vice president; and Laurie Fulbright, secretary.

Vacation Bible School Associational Directors Meeting—November 1998 the associational VBS directors met at the Baptist Building for a directors jump-start meeting. A Minister of Childhood Education Update was held in January with 68 full-time ministers of childhood education attending. LifeWay personnel updated ministers of childhood education on new programs, curriculum and improvements on resources available from LifeWay Christian Resources. An update and calendar of coming Preschool and Children's events, resources and materials provided by the BGCO were made available. Mentoring program was discussed and launched.

An organization for part-time and volunteer directors was discussed and formed. A committee was appointed to formulate bylaws and present a slate of officers for the next annual meeting in January 2000. A mentoring program for part-time and volunteers in childhood ministry was initiated.

State Bible Drill—In August through January churches were prepared for the State Children's Bible Drill through a distribution of over 2,000 children's leaflets mailed to the associations and churches. A video discussing Bible Drill, its importance and training on how to begin and conduct Bible Drill was distributed to each association and made available to the churches requesting training. Over 32 videos were distributed to churches. On May 1 at Oklahoma City, First, 26 associations and 68 churches were represented with 278 fourth, fifth and sixth graders participating on the state level.

Church Weekday Education Directors Day was held on April 15 with 71 in attendance. This was the first meeting of what will become an annual event. Ann Parnell, Consultant for LifeWay, was workshop leader. Special interest conferences were held by CWE officers on topics relevant to weekday directors.

Gloria Stookey, keynote speaker and retiring former missionary and child care center director of First Baptist Church in Cayman Island addressed the need to celebrate children as God's gift to us.

A **Ministers of Childhood Retreat** was held at Sullivant Retreat Center in Norman in November. Ministers of childhood education from Oklahoma met for networking and discussing relevant Christian childhood education topics.

Children's Park at Falls Creek ministers to adults with preschoolers and children during the annual Falls Creek youth events. Children's Park has moved to Price Falls. A day camp format with a Bible study was provided for preschoolers and children who entered kindergarten (five years of age by September 1) through sixth grade this fall and had one or both parents present at Falls Creek. Bible study attendance totaled 396 at the Children's Park during the six week encampment. Sixteen adult teachers for children were enlisted from various churches to serve as the lead teacher/director of each age group. Twelve employed summer staffers (college age) served as teachers under the direction of the lead teacher.

Special Education Task Force and Organization—A task force met to organize an organization for all persons interested in beginning special needs ministries in their churches. The group will bring a recommendation to form an organization in July of 2000.

Family Ministries

Kent Choate, Specialist

The commitment of Family Ministries is to help develop ongoing family ministries in the life of every church in Oklahoma. The development of this ministry this year has taken us toward a model of family ministries that equips churches at a denominational level. The BGCO addresses six areas for churches in the scope of family ministries:

1. Prevention
2. Intervention
3. Enrichment
4. Outreach
5. Policy Information
6. Resources

As we have sought to advance these areas, training events have occurred this year to establish the infrastructure by which the denomination can help churches individuate their ministry to families.

Family Ministry Needs Assessment—Sixteen consultants from across Oklahoma have been trained to assist churches with the Family Ministry Needs Assessment. This assessment allows churches to have a snapshot of the demographics of their families in the church and what the strengths, challenges and stresses are in the individual congregation. As a result, consultants can then interpret the data to make recommendations to the congregation for future ministry.

Prepare/Enrich—Fifty-five pastors and leaders have been trained in the premarital and post-marital tool of PREPARE/ENRICH this year. With another five conferences scheduled for the fall, close to 100 leaders should be trained in 1999. This will allow leaders and churches to make an investment in the marriage rather than the wedding alone.

Galatians 6:6 Retreats—The retreat for pastors and their wives came to the Family Ministries office this year in order to expand and broaden our ministry to the families of Oklahoma's ministers. In cooperation with Intimate Life Ministries, over 80 ministry couples were blessed by this retreat as a gift from Oklahoma Baptists through the Edna McMillan offering. The first Hispanic Galatians 6:6 will be offered in November 1999 for 20 pastors and their wives in Oklahoma City. A total of 400 pastors and their wives have experienced the Galatians 6:6 in Oklahoma since its inception. The 2000 retreat dates are:

March 10-11—Tulsa

October 27-28—Oklahoma City

Marriage Ministry Training Workshops—Along with our partnership with Intimate Life Ministries in Austin, Texas, we were able to conduct several Marriage Ministry Training Workshops in our state. Over 60 couples were trained to be leaders of ongoing Marriage Ministry in their churches as a result.

Governor's Marriage Initiative—The Family Ministries office has been strategically involved in developing a strategy to raise the level of awareness in the faith community regarding strengthening marriages. God has been at work in our state to allow us to be increasingly aware of the Oklahoma divorce rate and how we can address it in the faith community. Pastors will be challenged to make a commitment to raise the standard by which marriages occur in Southern Baptist churches within the next year.

Ethics & Religious Liberty Committee—This committee assisted once again with the Rose Day celebration at the State Capital in February of 1999. Norma McCorvey was the guest speaker for the event that heightened the awareness of pro-life issues for our state legislators. The ERLC (formerly known as the Christian Life Committee) continues to work to help associations and churches be aware of issues that relate to the family, ethics and religious liberty.

Senior Adult Ministries

Vernon Day, Consultant

This, our second year of Oklahoma Baptist "State" Senior Adult Ministries, has been a banner year. Local church leaders, associational representatives, ministry consultants and area coordinators have been recruited and trained to move this ministry to another level. We seek a balanced approach to involving and engaging our most rapidly growing segment of the American public in Great Commission and Great Commandment fulfillment.

Regional senior adult choir festivals attracted a record-breaking attendance. Some 300 senior adults appeared at Oklahoma Chautauqua at Glorieta. Our first Preachin' and Singin' Meetin' at Oklahoma City, Southern Hills, drew rave reviews; all speakers and musicians were outstanding.

Numerous conferences have been conducted to increase effectiveness in Sunday school and discipleship ministries among senior adults. Our state ministry has worked in conjunction with Oklahoma Baptist University for a successful senior adult conference on campus in July. Tulsa and Oklahoma City were the sites of conferences concerning the "revival" of homebound programming and materials. Alan Raughton of LifeWay Christian Resources was our guest specialist. The state consultant attended monthly luncheons with senior adult groups throughout the entire state.

A leadership guide has been prepared for and distributed to senior adult ministry leaders in our state. The content, prepared by the state consultant, includes strategies for the state, area, associational and local church ministries. It also recommends organizational approaches and suggests ways to achieve a balanced ministry. The material projects senior adult Sunday School as a foundation for ministry and an ever increasing ministry pool reaching adults 55 years of age and older.

Single Adult Ministry

Kim Bearden, Specialist

Oklahoma presently registers 48 percent of the adult population between the ages of 18–65 as being single. In the third year of the Single Adult Ministry and emphasis in Oklahoma much has happened to further the development of ministry to this ever-growing group of adults.

Both a college and a single adult task force were utilized to give direction to the respective state ministries. The groups were given the responsibility to strategically plan for the next five years for future growth in the number of churches providing ministry with college students and single adults. Special attention was given to an emphasis on training, discipleship and missions as ingredients to both ministries.

New Ministry Starts

Twelve Oklahoma churches have started new ministries with single adults, and six new ministries to the college age student have been added. Three churches have added and filled the position of single adult minister to their staff.

Individual Church Training

Twenty-eight churches hosted events led by BGCO staff and consultants to train and develop leadership for college and/or single adult ministry.

The following conferences and retreats played a big part in the single adult ministry of our state:

Discovering Relationships Conference—In January, 26 single adult leaders attended a relationship training seminar in Nashville, TN, hosted by Intimate Life Ministries. These leaders were trained to provide Oklahoma Baptist single adults additional information and seminars in relationship building principles for growing single adult ministries.

The Oklahoma CrossSeekers Rally held its second one-night event at Oklahoma City, Southern Hills. It was attended by 1,200 college students and career singles. CrossSeekers is a national campaign designed to help students age 18-25 develop covenant relationships with other students throughout their college years.

The State Singles' Conference, held at Falls Creek in October, attracted over 2,000 single adults from every part of Oklahoma. Singles were challenged by conference speakers and given the opportunity to choose from 25 different seminar topics related to their needs. Special leadership classes were presented by BGCO staff and consultants to help establish new ministries, grow and mature existing work, challenge ministries to mentor other churches in singles ministry and establish discipleship models for continued growth.

Training on college and single adult ministry was provided at each of the following: C&FE Institutes in both Tulsa and Oklahoma City; Ministers of Education Retreat; Directors of Missions Retreat; "The Seminar"; Sunday School Directors Seminar; State Consultants Training and Associational Leadership Training Seminars.

Sunday School/Discipleship/Adult Ministries

Keith Wilkinson, Specialist

Sunday Schools in Oklahoma are rediscovering that they are on mission with God to introduce people to Jesus and to help believers grow to become more like Him through evangelism, discipleship, fellowship, ministry and worship. Sunday school classes and departments function as a team of people on mission with God.

FAITH Sunday School Evangelism Strategy—FAITH Sunday School Evangelism continues to multiply rapidly since its inception in January 1998. Over 100 Oklahoma churches have participated in the FAITH Training Clinics. FAITH Training Clinics for 1999-2000 were held or are scheduled for Broken Arrow, First, March 8-11, 1999; Oklahoma City, Village, October 18-20, 1999; Broken Arrow, First, March 13-15, 2000; Oklahoma City, Northwest, April 3-5, 2000; and Ardmore, First, October 16-18, 2000.

State Consultants—Over 100 state consultants were trained to provide support and assistance to churches and associations for Sunday school and Discipleship training in all age groups. A number of training events and consultations were provided in 1999.

Associational Sunday School on Mission Workshops were held in 23 associations in August and September 1999. The purpose of these workshops was to focus Sunday school leaders on the mission of Sunday school and to introduce the new **Sunday School for a New Century** ministry design. New Preschool curriculum was introduced in September 1999 in churches. New Sun-day School curriculum for all age groups will be introduced for September 2000.

Sunday School High Attendance Day using the theme "Great Okie Round-Up" was held September 12, 1999, providing many Oklahoma churches with a plan and promotion materials for encouraging full participation in Sunday school at the kick-off of a new Sunday school year.

Discipleship Training

Church and Family Equipping Institutes—The First Church & Family Equipping Institutes were held in February 1999 in Oklahoma City and Tulsa. These Institutes, with over 600 in attendance, provided quality training for a wide array of Discipleship, Family Ministry, Sunday school, Music and Worship leadership. Institutes will be held in Lawton and McAlester in 2000.

Church Building Consultation

Church Building consultations are being provided on a part-time basis with the capable assistance of Bill Haggard, retired director of the Religious Education Department. Bill has extensive experience in this area. A church building conference was held in May 1999.

Worship & Music Ministries

Jon Duncan, Specialist

"Sing to the Lord a new song..." reflects the spirit of church music in Oklahoma. The purpose of the Worship & Music Ministry of the Baptist General Convention of Oklahoma is to assist local churches by offering ministries tailored to meet diverse needs. The Bible states, "If I be lifted up, I will draw all men unto myself." These words of Jesus provide an important backdrop for ministry. We desire to assist and motivate churches to be effective in "lifting up" the Savior. Whether it is a Churchmen concert or an Associational training event, the primary focus will always be on the local church as together we impact the world with the cause of Christ.

There are several areas by which this is done including:

- Falls Creek
- State Training Events and Festivals
- Associational Training Events
- Choral and Instrumental Ministries
- Worship Training Opportunities
- Baptist All-State Youth Choir and Symphonic Band

Falls Creek

Falls Creek 1999 set new attendance records. Choral leaders were Jeff Elkins, Minister of Music, Muskogee, First; Jerry Billingsley, Minister of Music, Norman, Bethel; Keith Haygood, Minister of Music, Oklahoma City, Cherokee Hills; Jamie Killion, Minister of Music, Chickasha, First; Jon Duncan, Worship & Music Specialist, BGCO; and Don Scott, Minister of Music, Nicoma Park, First. Orchestra directors were Susan Clothier, Director of Bands, Putnam City North High School; Herb Moring, Director of Bands, Tecumseh, Rock Creek Schools; Joe Wilhelm, Director of Bands, Grove High School; Jon Duncan, Worship & Music Specialist, BGCO; Rusty Stowe, Minister of Music, Oklahoma City, Exchange Avenue; and Louis White, Minister of Music, Marietta, First. Bruce Wilkin, Tulsa; Linda Green, Oklahoma City and John Edwards, Oklahoma City served as Falls Creek organists during the encampment. Drama was presented by Timothy Company under the direction of Cara Smith, Dramatic Arts Consultant for the BGCO.

Choral & Instrumental Ministries

Singing Churchmen of Oklahoma—The Singing Churchmen of Oklahoma have completed 38 years of sharing the Gospel through music. Bill Green directs this organization of nearly 300 men. The members of the group serve in local churches all across the state as full-time and bivocational ministers of music. The 1998-99 season included concerts in Sapulpa, Midwest City, Bartlesville, El Reno, Eufaula, Lawton, Tulsa, Tuttle, Anadarko, McAlester and Moore. In addition, the Churchmen presented concerts in two university campus settings: Northern Oklahoma College in Tonkawa and Northeastern State University in Tahlequah. In February, the men were divided into six choirs on the concert date and went to smaller churches that would not have been able to accommodate the full choir. In May, the group was divided in three choirs and performed in three different cities on the same evening. The highlight of the year was the recording session, held at Oklahoma City, Graceway in November. The men gathered, rehearsed, and recorded thirteen numbers over a period of two days. The recording entitled "God Is Faithful" was released in January 1999 at the Country Estates Baptist Church concert in Midwest City. These cassettes and CD's have proved to be a tremendous blessing to all who have heard them. The Singing Churchmen is a valuable ministry not only to congregations and audiences across the state but to the men who participate in the organization as well. The fellowship and support these ministers give each other is a vital part of the group's success. Their musical testimony is lived out in their daily lives and their service for the Lord.

Singing ChurchWomen of Oklahoma—The Singing ChurchWomen is composed of ladies representing over 250 churches from across the state. Under the direction of Bill Green the choir is divided into east and west groups by I-35. New members are accepted by audition. One of the memorable concerts of the season was held at the James Crabtree Correctional Center. Concerts were held at the following churches: Norman, First; Duncan, First; the Coleman Theater in Miami; Anadarko, First; James Crabtree Correctional Center; Ponca City, First; Moore, Southpark; Norman, Bethel; Lawton, First; Tulsa, Red Fork; Albany, First; Sallisaw, Eastside; Tulsa, Plainview; Enid, Garland Road; Minco, First; and Waurika, First. Two CD's

representing the repertoire of the concert season are available. The Singing ChurchWomen, the most active women's choral organization in Southern Baptist life, are planning future mission ministries.

Oklahoma Baptist Symphony—In its seventh year, the Oklahoma Baptist Symphony presented concerts for local churches throughout Oklahoma. The '98 season included concerts in Muskogee, Grove, Ada, Oklahoma City, Lawton and Harrah. In addition, the Symphony produced its first recording entitled *Majesty*. The 80 piece symphonic orchestra, made up of outstanding instrumentalists from all over Oklahoma, is directed by Jon Duncan. The purpose is to inspire and equip instrumentalists to use their talents for God's glory.

Baptist All-State Youth Choir and Symphonic Band

Oklahoma Baptist All State continues to be one of the BGCO's most productive ministries for students. Over 500 students and sponsors will make preparations for All State 2000, which is committed to minister to the Southern Baptist churches in Vancouver, Victoria, Seattle and Tacoma. Although there was not a formal tour in '99, auditions were conducted, itineraries were organized, and relationships were nurtured in the British Columbia providence.

Worship Training Opportunities

Worship Renewal Conference—Worship is a priority in Southern Baptist life. Because of this commitment, the Worship & Music ministry area has developed a worship training conference designed for the local church. This conference has been conducted in several churches across the state including Tulsa, Gracemont; Bristow, First; Buffalo, First; Guymon, Grace Southern; Oklahoma City, Graceway; Tulsa, Southern Hills; Capital Baptist Association, Enon Baptist Association and Northwest Baptist Association.

Associational Music Training

Calvin Simmons, Consultant

Associational Training Events—A great number of associations hosted music training events this past year, including training for bivocational ministers of music, children's choir leadership, accompanists, sound technicians, drama teams and many other areas of Music & Worship ministry. A large team of consultants led these training events all across Oklahoma.

Assistance was also provided for individual churches as well as one-on-one training based on specific need. Our ultimate goal is and will continue to be to provide professional training and resources for every church in our state in the areas of music and worship.

Mission Emphasis —

This summer a large trailer was used as "Save the Planet Interactive." Wednesday, Thursday and Friday afternoons "Save the Planet" was open to talk with students about short-term and career mission opportunities and campus club strategies. A passport studio was open each day to help students fill out their paperwork and take a passport photo. Also, a computer bank was open each day to help students find and research mission opportunities and e-mail missionaries currently serving around the world. A large map was painted on the street in front of the trailer so students could prayer walk for needs in countries around the world. On Wednesday night a mission coffeehouse was held in front of "Save the Planet," where students shared testimonies of short-term mission trips. Over 1,700 students signed commitments to short-term missions during the summer.

BAPTIST RETIREMENT CENTERS OF OKLAHOMA

William M. Pierce, President

Enhancing the Lives of Senior Adults

Baptist Retirement Centers and Villages are special communities where senior adults find friendship and care. Residents quickly come to feel at home, knowing they can enjoy independence and freedom while experiencing security in a beautiful setting. The mission of Baptist Retirement Centers of Oklahoma is to honor God by providing quality housing and compassionate health care to senior adults in a Christian environment.

A Continuum of Care

BRCO provides a wide range of services and continues to broaden the Continuum of Care. Services include independent living, personal care, assisted living, nursing centers, home health care and medical equipment.

This past year the Baptist Retirement Center of Oklahoma City received the first Continuum of Care license in Oklahoma.

Adams Senior Care Fund

The Larry and Edwine Adams Senior Care Fund for Residents of Baptist Retirement Centers of Oklahoma has been established. The fund is used to subsidize the cost of housing and health care for those servants of God who find themselves without financial means to meet their physical needs during the retirement years. The fund provides an opportunity to give back generously in return for the love, support and inspiration we have received from these special servants of God.

Baptist Home Health Care

The ministry of home health care enables services to be extended beyond the walls of our retirement communities. Care is provided through the use of a multi-disciplinary team. The ministry, directed by Glen Williams, provides nursing, therapy, homemaker and other services.

Chaplain Ministry

Chris Finley, director of chaplain services, has begun the exciting ministry of assisting churches in developing and enhancing their retirement center and nursing home ministries. Seminars are offered twice a year to assist churches that provide Sunday School or worship services in nursing homes and retirement communities.

Active Seniors Housing Developments

New housing developments are in the planning stages in Owasso and Oklahoma City. These developments will continue the neighborhood approach to the BRCO ministry, which results in attractive housing on tree lined streets with yards, sidewalks and flowers.

SUPPORT SERVICES TEAM

Robert E. Haskins, Senior Associate Executive Director

"Two are better than one, because they have a good return for their work. If one falls down, his friend can help him up. But pity the man who falls and has no one to help him up! Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken" (Eccl. 4:9-10, 12).

Such is the great value of a team, and the following is a team report. The Support Services Team keeps constantly in mind our mission "to facilitate the cooperative ministries of Oklahoma Baptists through resource management, leadership empowerment and communication."

Through resource management we have saved thousands of mission dollars that can be used in new churches and leadership development by:

1. Long Distance Services — We have contracted with WYCOM at a significant cost reduction. Don Wiley, President, is contributing 90 percent of his profits to Baptist mission causes.
2. Fleet Credit Cards — We continue to save 18-20 cents per gallon on fuel costs.
3. Convention Automobiles — Our fleet manager continues to save thousands of dollars on automobile purchases and auto repairs.
4. Joint Buying Power — We are using the joint buying power of BGCO and her affiliates to reduce the cost of paper and paper goods, copiers, computers, etc.

The following reports will share our story of leadership empowerment and communication.

Associational Services

The following directors of associational missions are new to their positions since the last publication of the Book of Reports:

- D.J. McCarter, Cherokee—September 10, 1998
- Rondall Killgore, Panhandle—December 1, 1998
- Tim Green, South Canadian—January 1, 1999
- Phil Holeman, Frisco—September 1994-April 15, 1999; moved to Northeastern—April 18, 1999

The following have retired since the last printing:

- Gerald Dyer, Northeastern, December 1984 — January 2, 1999
- A.L. Swagerty, Caddo, December 1994 — May 31, 1999

The following former Directors of Missions have passed away since the last report:

- November 7, 1998—Ruben Feind (Tillman — 1997-98)
- April 7, 1999—L.A. Watson (Chi-Ka-Sha — 1970-76)

Two training conferences were conducted with the directors of missions. The Winter Conference met February 2-4 at Falls Creek. L.B. Jordan, retired Director of the Leadership Support Department, Arkansas Baptist State Convention, covered topics on Building Association Relationships, Helping Pastorless Churches, and Finding and Doing the Will of God. Bruce Mason and Paul Koonce, our newest directors of missions gave personal testimonies. Bob Franklin, Director of Associational Services at the North American Mission Board, discussed "The Director of Missions as Mission Strategist" and "Developing Your Association Direction

in the New Millennium.” Sam Porter and Deborah Brunt led conferences on Involving Men, Boys and Women in Missions in the New Century.

The Summer Retreat met August 19-20 in Oklahoma City. The program focused on “Getting on Top of Your Work.” Brooks Faulkner, Senior Coordinator, LifeWay Christian Resources of the Southern Baptist Convention, Nashville, Tennessee, was the conference leader.

Thessalonian Church Development

On May 11, the second training conference for the Thessalonian Church Development Plan was held at the Baptist Building. Six pastors were selected to participate in the development plan in 1999. Twelve pastors and churches enrolled in the pilot program in 1998. This plan is for smaller in membership churches to intentionally plan projects that produce growth and “good feelings” about “doing” and “being” the church. It is designed in one-year segments. Churches are encouraged to stay in the plan for five years.

“Sharing Our Vision” Dialogues

The Management Team, led by Anthony Jordan, Executive Director-Treasurer concluded the Sharing Our Vision Dialogues in November 1998. The Management Team met with the following associations in the final quarter of 1998:

September 28 Rogers
 October 5 Southwest; Tillman
 November 2 Cimarron; Kay
 November 30 East Central; Cherokee

The dialogues were designed to share the state convention’s vision and to answer questions related to the convention. New dialogues will be designed in the future to put convention staff in regular contact with the pastors and churches of Oklahoma.

Associational Prayer Ministry Coordinator’s Training

Twenty associational prayer coordinators met for training on May 18, 1999, in Tanner Chapel at the Baptist Building. Alga Hitchcock, Director of the Intercessory Prayer Ministry at First Baptist Church, Altus talked about “Learning the Importance of Prayer” and “The Importance of Prayer in Scripture.” Robert Haskins discussed the “Qualifications and Duties of Prayer Coordinators” and “A Strategy for an Associational Prayer Ministry.” Pat Wagstaff, President of Woman’s Missionary Union, Oklahoma, explained how to have a “Prayer Journey” sometimes called “Prayer walks.” Anthony Jordan concluded the day’s training with a challenge in reference to prayer needs in Oklahoma. Each coordinator was provided a copy of Dr. Gregory F. Frizzell’s book *Local Associations and United Prayer*.

Baptist Messenger

Office of Communications

John Yeats, Editor and Communications Specialist

The primary goal for those of us who work in the sphere of communications at the Baptist General Convention of Oklahoma is to serve our churches and associations. We currently have three tools in our ministry repertoire to facilitate the work Baptists do every day on the front lines of ministry:

- **The *Baptist Messenger***, Oklahoma’s largest weekly news journal, with solid readership, thanks to the majority of our Oklahoma Baptist churches.
- **Convention Press**, Oklahoma Baptists’ print shop
 (Got a print job? Let us see if we can save you \$\$\$\$);
- **Messenger Network**, Oklahoma Baptists’ electronic network of communications, featuring an electronic version of the *Baptist Messenger*.

The 1,600-plus Southern Baptist congregations in our state comprise a powerful witness to the world. We are a family of believers seeking to grow in Christ-likeness and seeking to carry out the Great Commission of our Lord.

The story of Oklahoma Baptists on mission with God is the story of men, women, students and children seeking to communicate with the world that Jesus loves all the peoples of the world. Cooperating Baptists in Oklahoma join with Southern Baptists in other states to support nearly 10,000 international and national missionaries.

With such a large family, it is essential to have a lifeline of communications with one another so that we are informed and encouraged in the work God has called us to do. There are 19 full-time and part-time people in the Communications group. They are here to serve you.

Baptist Messenger

Sharing great news . . .

about our Great God at work . . .

. . . through great people.

The ***Baptist Messenger*** feature stories for 1998-99 are excellent examples of our God at work through His people. On average, 96,250 households receive the ***Baptist Messenger*** each week. That means that every fourteenth household in the state of Oklahoma receives its own copy. If one week's worth of paper for the ***Baptist Messenger*** were rolled out, it would be 80 miles in length.

Churches and associations continue to inquire about the use of the "special page" option for their newsletters. With the rising cost of postage, printing, time and equipment, more of our churches and associations are discovering the value of partnering with the ***Baptist Messenger***.

The ***Baptist Messenger*** editorial team is nationally recognized as top producers of accurate and valuable stories for the Kingdom of God. Assistant editor Dana Williamson won feature story awards from the Baptist Communicators Association for the past three years. The Y2K informational articles by assistant editor Dave Parker are acclaimed as balanced and trustworthy. His articles were neither passive nor fuel for the hysterical. Assistant editor Bob Nigh, newest member of the ***Baptist Messenger's*** editorial team, continues to gain respect in Southern Baptist media circles for his photojournalism and hard news stories.

Convention Press

Oklahoma Baptists have attempted through the years to find ways to be very resourceful with the resources entrusted to them. One way the BGCO has saved many dollars is by the operation of its own print shop. Convention Press economically prints many of the materials you receive from the BGCO.

In the past few years escalating paper and labor costs have inhibited some of our churches from using printed communication and teaching materials. In fall 1999 we opened the possibility of Convention Press directly serving our churches by doing some of their print jobs. This enables the churches to capitalize on the volume paper buying power of Convention Press. We are also able to maximize the use of valuable equipment and our skilled printing professionals. Such a change in policy also enables Baptist dollars to stay in the Baptist family.

This policy change did not occur because we are looking for something to do. It is a valuable way for Baptists to cooperate together for the Kingdom of God. If we can serve you, don't hesitate to call 405-942-3800 and ask for the print shop manager.

Messenger Network

The new millennium will usher in new vistas of communication. In June, 1999, an electronic version of the *Baptist Messenger* was officially launched at our Web site, "baptistmessenger.com." Of course there are other links with our site that will launch a web surfer into Oklahoma Baptist and Southern Baptist resources.

Oklahoma Baptist missionaries around the world love the new version. By the click of a mouse they can read the on-line *Baptist Messenger*. They can click again and find the growing list of Oklahoma Baptist churches linked with our web page. The information age is shrinking the planet, and we are there to share about the Lord's work through Oklahoma Baptists.

Our goal is to serve Oklahoma Baptists with tools they can use. Beginning in 2001 we hope to provide Oklahoma Baptists current information on legislation relating to the significant social issues of our day. Simply by accessing our Web site, you will have what you need to communicate with decision-makers in Baptist life and in government.

Conference Centers

Gary Fielding, Manager

Falls Creek continues to be a vital part of ministry in Oklahoma. For the sixth year attendance has increased, not only during summer assembly weeks but also year around. Assembly attendance increased by 7 percent to 41,088. Yearly attendance is projected to be ahead by 8 percent, with 77,000 in attendance. These figures represent a continued renewed interest in Falls Creek and the future plans.

The Board of Directors approved the Falls Creek Strategic Planning Committee's report in May, voting to bring the proposal to the convention in November. The heart of the proposal is a 6,400-seat facility with 3,000 seats of conference space. Other projects are motel space, improved roads, parking spaces, athletic complex, cafeteria expansion, new administration and registration building, relocating the maintenance building, summer staff dorm, amphitheaters and a second entrance.

Renovation and remodeling of the present motel rooms has been completed. The rooms have a new look with beautiful oak furniture and new beds that improve the opportunity for rest. Many churches continue to upgrade their cabins and facilities, and several are planning expansion projects. Some churches are searching for just the right spot to build new cabins at Falls Creek.

Preparations are being made for an athletic complex on the Washita River. Much of that work was hindered in 1999 by a flood that swept through Falls Creek. The flood did reveal some areas not to build upon for the future.

Camp Hudgens and Camp Nunny Cha-ha both experienced some remodeling and renovation this past year. At Hudgens the dining hall was air-conditioned and staff lodging remodeled, and plans are being made to renovate Pennington Lodge to a conference meeting facility. At Nunny, the dining hall was air-conditioned and the cabin bathrooms were all remodeled.

Leadership Development

Clyde Cain, Specialist

Leadership Development moved forward with giant strides in 1998 and early 1999. The Herschel H. Hobbs Leadership Center was dedicated November 11, 1998. That was a great day in the life of Oklahoma Baptists. During the first year of operation there have been numerous conferences and/or training sessions

in the conference center, training in the computer lab, and various types of recordings in our recording studio as well as the addition of editing equipment. Some limited work with video conferencing has also been done. This high tech facility is truly on the cutting edge in Southern Baptist life. We thank God for it.

In addition to the Herschel H. Hobbs Leadership Center we continue sponsoring ministries such as continuing education. This work includes the Seminary Study Center at OBU sponsored by Southwestern Seminary; the Oklahoma Bible Conference; Seminary Extension; the Ministry Training Institute sponsored by OBU; and the Midwestern Seminary Doctor of Ministry Program.

Also, LeaderCare includes a variety of conferences and seminars in fields such as financial planning, stress management, conflict ministry, career assessment, secretarial ministries and new pastor/staff orientation.

The ShepherdCare work includes ministries with bivocational pastors, IdeaWorks, regional seminars, deacon ministries and specialized projects. Preaching conferences are being planned for the future. Deacon ministry conferences are being conducted on a regional basis. In March 441 persons from the seven central associations in the state registered for the deacon/wife retreat at OBU. Other deacon retreats will be forthcoming. Marriage enrichment retreats are now being coordinated by the Family Ministries area.

Instructional programming in every area of our work will be conducted through the Herschel H. Hobbs Leadership Center as well as seminars in different regions of the state. The Leadership Center will network with other educational entities through the use of the latest technology available to provide superb leadership training.

Ministerial Services

Henry Chennault, Specialist

The specific areas of assignment for the Office of Ministerial Services are Annuity Services, Church-Minister Relations, Conflict Ministry, Counseling, Intentional Interim Ministry, and Tax Seminars and Informational Services.

Annuity Services

Annuity Board, SBC Retirement Plans—Retirement Plans are offered to all eligible ministerial and non-ministerial church staff who work a minimum of 20 hours per week for an eligible Southern Baptist church. Approximately 50 percent of the churches in Oklahoma participate in the Church Annuity Retirement Plan. In 1998 there were 202 new Oklahoma participants in the Annuity Board, SBC, Retirement Plan and 32 churches participating for the first time.

The Annuity Board, also offers term life, comprehensive medical, catastrophic medical, and disability plans to all eligible Southern Baptist church employees. Property and Casualty insurance is also available through the Annuity Board's Managing General Agency subsidiary.

Annuitants in Oklahoma—At the close of 1998 there were 1,026 annuitants in Oklahoma receiving a retirement benefit check from the Annuity Board each month. Approximately 364 of these receive a monthly benefit of \$200 or less. The average monthly benefit is \$422.51. Through the Adopt An Annuitant ministry, 84 retired Oklahoma ministers or their widows currently receive a supplement of \$75 each month. During 1998 Oklahoma Baptists gave \$20,310.87 toward the Adopt An Annuitant ministry.

Church-Minister Relations

Upon request, biographical résumés are shared with pastor/staff search committees and directors of missions without recommendation or endorsement from the Office of Ministerial Services. In 1998 approximately 3,408 résumés were shared with 140 churches in Oklahoma and 70 out of state churches.

Pulpit Supply

In 1998 assistance was given in securing pulpit supply for approximately 77 churches in Oklahoma.

Counseling Ministry

Counseling relating to relocation is provided through the Office of Ministerial Services. In addition, BGCO, in cooperation with approved counseling centers in Oklahoma, provided counseling assistance for approximately 173 individuals and families in 1998.

Supplemental Assistance—Annuity Board, SBC: Supplemental assistance was granted to 15 applicants in 1998 through the Annuity Board's Supplemental Assistance and/or Adopt An Annuitant Ministry. *Ministerial Crisis:* Ministerial Crisis endowment funds through the Edna McMillan Missions Offering assisted 12 pastors/church staff with living expenses and insurance premiums and provided counseling for 112 individuals in 1998. *Relief for Retired Pastors/Widows:* Two retired pastors and one widow of a retired pastor were assisted with living expenses and funeral expense assistance through Edna McMillan Missions Offering endowment fund. *Trusts:* One of four trust accounts established through The Baptist Foundation assisted three retired pastors and two widows of retired ministers with funeral, medical and living expenses in 1998.

Interim Ministry—The Office of Ministerial Services assists pastorless churches in securing an interim pastor. Conferences are offered to equip a pastor to minister in the unique opportunities of the interim time. There are currently nine people in training. Six people completed training in 1998 and are certified Intentional Interim Ministers. At the close of 1998 there were 13 certified Intentional Interim Ministers in Oklahoma.

Tax Seminars—Tax Seminars are provided to equip pastors, church staff and laypersons in all phases of church tax laws. Seven tax seminars were held in 1998 with approximately 318 attending. In April 1998, a part-time tax consultant was employed to enhance our ministry to pastors and churches. Since that time 522 persons have received assistance with tax-related issues.

Planning & Research

Sam H. Vinall, Specialist

During the last half of 1998 the Office of Planning & Research continued to be involved in several areas of technology development. After much preparation the Financial Office began using the new in-house accounting software, MAS90, in January. Intermediate and advanced computer training continued for our staff. Lori Warren was enlisted as a part-time consultant to lead this training. Video conferencing equipment was evaluated, purchased and installed in the Herschel H. Hobbs Leadership Center.

Church Computer Workshop—In January 1999 over 160 pastors, staff and church members were trained in various aspects of computer technology. This was a joint effort of the Office of Planning & Research and Oklahoma Baptist University, School of Business, Robert M. Babb, Dean.

Several changes marked the beginning of 1999 for the Office of Planning & Research and the BGCO. The areas of technology, BGCO Internet Web site and staff training were developed and established to the point that they could be handed over to other offices. Therefore, these three areas were transferred to the offices of Technical Support, Public Relations and Leadership Development, respectively. The Office of Planning & Research continues to serve in the capacity of in-house consultant to these areas.

These changes have allowed the Office of Planning & Research to concentrate on its primary mission. That mission is to assist the churches, associations and BGCO, through planning and research services, to do what God is leading them to do. Our vision is for every church member and every church to be more intentional in listening to God, seeing what He is doing, preparing to follow His Will for us, then doing it. Research supports our planning by helping us see what God is doing in our communities, associations and state. Several significant actions advanced this mission. Some representative activities are:

Smaller Attendance Church Task Force—This office is the liaison with the Smaller Attendance Church Task Force appointed to develop a profile of Oklahoma Smaller in Attendance Churches and to discover ways in which the BGCO can strengthen and enhance our ministry to them. These churches were surveyed, studied and heard in associational listening sessions. The chairman will present a brief report at the state convention.

Customized Demographic Reports were produced for about 150 churches, associations and BGCO offices for their use in planning, starting new churches, outreach evangelism, etc. New demographic data was obtained for the 1998-2003 time period. A new capability was added to calculate the time to drive to a church or other location and the number and characteristics of the people living within a specified drive time.

Research Services—The 1998 Annual Church Profile (ACP) was collected, transmitted to the SBC and reports made available for planning purposes. Historical ACP reports covering 1990-1998 are provided to churches upon request as a part of the Demographic Reports.

The 1999 Oklahoma Baptist Resource Handbook was produced in a new, easier to use, larger format. The handbook includes photographs of BGCO staff and Directors of Missions and a Yellow Pages/Directory of Services.

Planning Dialogues—Directors of Missions were consulted in several regional planning dialogues to identify the most effective ways to assist churches and associations to be more intentional in doing what God is leading them to do. Sam Vinall obtained certification to assist associations in the North American Mission Board's Associational Strategy Development Process.

Demographic Trends for the 21st Century, a conference led by Sam Vinall on September 16, 1999, addressed the topics of Reaching People 1 to 1; Oklahoma 2003-2025; Future Shifts in Population, Generations, and Meaning; The Relationship Revolution; The 24/7 Church; and Y2K: Today and Tomorrow.

In addition, almost daily personal consultations, both by phone and in person, assisted churches and associations in their planning efforts.

Public Relations

Ray E. Sanders, Specialist

Personnel—The Public Relations office is a new ministry of the BGCO as of October 1998. Specialist is Ray E. Sanders, a seasoned, award-winning media professional who has produced hundreds of results-oriented public relations, advertising and marketing campaigns for a variety of industries and ministries. Ray serves directly with BGCO executive director-treasurer Anthony Jordan and relates daily with the Support Services Team.

Angie Krizer assisted with all aspects of the Public Relations work until her resignation in September 1999.

Purpose—Sharing the life-changing message of Jesus Christ with a sight and sound generation through a variety of media.

Projects—Development of the proposed "Future of Falls Creek" capital campaign. Development of TV commercials and other media opportunities that communicate the purpose of the Southern Baptist faith. Development of promotional campaigns for BGCO teams, i.e., Oklahoma State Missions Offering, State Evangelism Conference, Celebrate Jesus 2000, Church Music Oklahoma, etc. Assist churches in communicating their ministries' messages in their given communities. Coordinate logistics for State Convention. Conduct media relations and coordinate news conferences and news releases for BGCO.

1998-99 Accomplishments—Coordinated media relations for disaster relief following the May 3rd Oklahoma City Metro area tornadoes. Aired first Oklahoma Southern Baptist TV commercial in April of 1999. Produced the Oklahoma State Missions Offering Campaign. Produced "1998 BGCO - Year in Review" video program. Developed a variety of promotional campaigns for BGCO.

Stewardship/Cooperative Program

David Waganer, Specialist

Southern Baptist Congregations in Oklahoma gave \$19,558,584 to world missions through the Cooperative Program in 1998, an increase of \$898,805 over 1997. In addition to the regular Cooperative Program, \$190,207 was given as designated Cooperative Program; \$3,450,344 went to the Lottie Moon Christmas Offering for International Missions; \$1,218,923 to the Annie Armstrong Easter Offering for North American Missions; and \$736,890 to the Edna McMillan State Missions Offering. Oklahoma Churches gave \$9,582,376 through the Cooperative Program the first six months of 1999 for an increase of \$216,821 over the same period in 1998.

Cooperative Program packets were mailed out for Cooperative Program Day in April, Vacation Bible School for the summer and Cooperative Program Fall Focus in October. Copies of *Missionary Moments* were requested and provided to several hundred churches. A new resource entitled *Oklahomans Touching the World* was also provided to pastors and other church leaders. Ten thousand copies were distributed to help personalize the Cooperative Program. Posters and bulletin inserts carrying the Cooperative Program theme, *Bridging the Centuries — Reaching the World*, were distributed to the state congregations.

During the spring of 1999 new stewardship resources were being created for use in the churches. These included a quarterly newsletter for pastors, a consultant-led capital program, a money management resource, a study on cooperation and a one-day church fundraiser approach. Several resources are now nearing completion. In fall 1999 new materials entitled *Managing Your Money for the Master* and *The Challenge of Cooperation* will be offered to the churches at minimal cost. The consultant-led capital program entitled *Discover His Way* and the one-day fundraiser *Seize the Day* provide viable options to our churches.

REPORT OF THE BOARD OF DIRECTORS THE BAPTIST FOUNDATION OF OKLAHOMA

Robert L. Ross, President

The Baptist Foundation of Oklahoma is the incorporated trust agency of the Baptist General Convention of the State of Oklahoma. All endowment gifts received by or for the Convention and its agencies and institutions are transferred to the Foundation for management. No Convention entity holds and/or manages its own endowment funds.

Because of this unique relationship dating back to November 1946, The Baptist Foundation of Oklahoma has grown to be third in size among the 38 state Southern Baptist foundations.

As of December 31, 1998, assets held by The Baptist Foundation of Oklahoma totaled \$193,731,492. New gifts received during the past audit year were \$11.4 million.

As trustee for endowment gifts for Oklahoma and Southern Baptist causes, The Baptist Foundation of Oklahoma distributed some \$8.9 million on behalf of approximately 165 beneficiaries during the past year. These beneficiaries include churches; associations; international, North American and state missions; the Baptist General Convention of Oklahoma; Baptist Retirement Centers of Oklahoma; Oklahoma Baptist Homes for Children; Oklahoma Baptist University; the Southern Baptist Convention and individuals who receive income from trusts during their lifetime.

Listed below is the fair market value of net assets by beneficiary at December 31, 1998:

Baptist General Convention of Oklahoma	\$21,145,508
Baptist Retirement Centers of Oklahoma.....	6,658,835
Oklahoma Baptist Homes for Children.....	56,149,853
Oklahoma Baptist University.....	41,378,230
Baptist Churches and Institutions.....	19,936,941
Individuals and Non-Baptist Charities.....	37,353,489

The ethic and philosophy of The Baptist Foundation of Oklahoma is clearly defined by an investment policy statement adopted by the Foundation's Board of Directors in October 1986:

"The Foundation is committed to conducting its business affairs in a manner consistent with the highest Christian moral and ethical standards taught and implied in the Scriptures, and shall in no way compromise its Christian witness in the world by investment in a company or activity which does not promote the best interests of a wholesome society. No assets held by the Foundation are invested in

companies related to the liquor, tobacco or gambling industries, or companies dealing in pornographic materials, or companies promoting entertainment forms which present as norm lifestyles inconsistent with Christian morality or companies which violate basic human rights by their manner of doing business."

The Foundation's Board of Directors is composed of 20 business and professional people from across the state, each serving a four-year term. The directors are organized into four functioning committees. These committees are audit and trust administration; estate stewardship and promotion; foundation loan services and real estate, and investment. The chairpersons of each of these committees constitute the executive committee. In addition, there are five individuals who serve as advisors to the Foundation's Board of Directors.

Board members are: Sidney M. Adkinson, Duncan; Joe Bowie, Oklahoma City; W. Lee Brown, McAlester; Daniel H. Doak, Tulsa; Tom Kiser, Drumright; Norman A. Lamb, Enid; Robin Marsh, Oklahoma City; Karen Henson Marshall, Shawnee; Verne L. McCabe Sr., Tulsa; Valerie Boyles Miller, Clinton; David Morley, Enid; Steven A. Murray, Hinton; Mike Newport, Stonewall; Gregory Nieto, Oklahoma City; Ed Petersen, Lawton; Ann Pryer, Tulsa; Marsha Robb, Tulsa; Bob Rutherford, Midwest City; Ray Stas, Bartlesville and Chester Ward Jr., Ponca City. Advisors are: Reagan Bradford, Oklahoma City; Chris Condley, Muskogee; Randy Long, Enid; Raymond McDowell, Mustang and Louis F. Trost, Oklahoma City. John Crain, Tulsa; Ray Mason, Noble; Ed Packwood, Oklahoma City; Henry Powell, Bartlesville and Charles Sutter, Edmond, are advisors emeritus.

The Foundation's programs and day-by-day operations are administered by an executive staff consisting of Robert L. Ross, president; Robert Kellogg, executive vice president and chief operating officer; Ronald L. Fannin, senior vice president for loan services, Dan Allen, vice president and director of the Tulsa regional office; Wayne Childers, vice president for communication and public relations; John Schantz, vice president and controller; Shryln Treadwell, vice president for trust administration; Melinda Warren, vice president for estate stewardship services.

The Foundation's main offices are in the Baptist Building at 3800 North May Avenue in Oklahoma City. A full service regional office is located in the Bank of Oklahoma Mortgage Corporation Building, Suite 706 at 7060 South Yale Avenue in Tulsa.

Copies of *The Certificate of Incorporation and Bylaws of The Baptist Foundation of Oklahoma Amended and Restated, July 1993* are available from the Foundation office upon request.

The report which follows is presented under subheadings representing areas of work of The Baptist Foundation of Oklahoma.

Investments

Assets held by the Foundation were, for the most part, invested in the Domestic Equity Pool (DEP), International Equity Pool (IEP), Fixed Income Pool (FIP) and the Group Bond Pool (GBP) during last year. The DEP is composed of stocks of companies domiciled in the United States while the IEP is composed of stocks of companies domiciled in international countries. The FIP contains church building loans, U.S. treasuries, corporate and government bonds. The GBP is composed of U.S. treasuries, corporate and government bonds. The market value of the combined pools as of December 31, 1998 was \$166,854,932.

The various account types administered by the Foundation are invested in different proportions of equity and fixed income investments (asset mix) based on their account type and investment objectives. The asset mix expresses the percentage of investment in the DEP, IEP, FIP and GBP.

Typically, assets that are not endowment in nature are invested with an asset mix of 75 percent in the GBP, 22.5 percent in the DEP and 2.5 percent in the IEP. The Foundation distributes earned income (stock dividends and interest on bonds and cash equivalents) to the beneficiaries of these accounts.

In accordance with the Foundation's Spending Policy and total rate of return concept, and in compliance with Oklahoma's Uniform Management of Institutional Endowment Fund Act, the Foundation is allowed to recognize and distribute asset appreciation, in a prudent manner, on endowment assets. Endowment asset accounts have an asset mix of 60 percent in the EIP and 40 percent in the FIP. The Foundation distributes 5 percent of the historic dollar value on these accounts annually. The historic dollar value is defined as the original corpus contribution, plus additional corpus contributions by the donor, plus additions to corpus from excess appreciation by the Foundation's Board of Directors. As gains in excess of the distribution are accumulated and added to the historic dollar value, the distribution amount in real dollars will increase.

The Church Funds Management program allows Southern Baptist churches and associations in Oklahoma to invest their discretionary funds with the Foundation. Currently, there are three funds: the church growth fund, invested entirely in the DEP; the church income fund, invested entirely in the GBP; and the church balanced fund that is invested equally in the DEP and GBP.

The Foundation's equity portfolios are managed by five professional equity management firms: Brandes Investment Partners, Inc., San Diego, California; Laurel Capital Advisors, Pittsburgh, Pennsylvania; J. L. Kaplan Associates, Boston, Massachusetts; Sirach Capital Management, Seattle, Washington; and Tom Johnson Investment Management, Oklahoma City, Oklahoma. The Foundation's bond portfolio is managed by Ferguson, Wellman, Rudd, Purdy and Van Winkle, Portland, Oregon. Solomon Smith Barney serves as an investment consultant to the Foundation in monitoring and reporting on the investment activity and performance of the investment managers. The investment committee of the Board of Directors meets quarterly to review the progress of the Foundation's investment strategy.

Other assets managed by the Foundation are not invested in the investment pools due to the nature of the assets, such as real estate properties, mineral interest and production, tax exempt bonds and other miscellaneous gifts.

Copies of the *Investment Policies*, *The Baptist Foundation of Oklahoma* and *Spending Policy*, *The Baptist Foundation of Oklahoma* are available upon request through the Foundation office.

Trust Administration Services

The Baptist Foundation of Oklahoma currently administers approximately 1,350 accounts. The types of accounts administered include endowment trusts, charitable remainder trusts, gift annuity contracts, personal trusts and custodial accounts. Administration of these trusts and accounts involves the receiving and investing of corpus contributions, distributing income to beneficiaries and reporting to appropriate individuals and other entities.

Fiduciary responsibility requires a continuous monitoring process to assure that trusts are administered according to the terms of the document and that there is full and accurate accounting of income and expenses. Much of the trust accounting is coordinated under the direction of John Schantz, vice president and controller, and with the assistance of Chuck Davis, director of trust accounting services.

Trusts administered by the Baptist Foundation benefit approximately 230 charitable causes. Of the total number of trusts under management, approximately 370 trusts (or 30 percent) benefit individual beneficiaries. These individual (or personal) trusts require tax reporting to the Internal Revenue Service and the Oklahoma Tax Commission. These personal and trust tax returns are prepared either by The Baptist Foundation or by an outside accounting firm.

Copies of *Trust Administration Policies of The Baptist Foundation of Oklahoma*, adopted by the Board of Directors, July 1992, are available upon request. Procedures for implementation of trust administration policies are subject to continuing review and revision.

Personal Trustee Services

The Baptist Foundation of Oklahoma, in serving as trustee for the assets of individuals, provides financial services in addition to meeting the ministry and personal needs of trustors. For those individuals who have established a Life Care Trust, the following services are provided: managing trust assets, paying bills, filing and tracing insurance claims, sending regular distribution checks, explaining financial reports and distributing trust assets according to the document.

Because many trustors have no close family members to care for them, assistance is also provided in other areas of their lives. Whether help is needed in scheduling and arriving at doctor's visits or simply a personal visit to the retirement center or nursing home is desired, Baptist Foundation staff members will work to see that both personal and spiritual needs are met.

Donald E. Bergeron, administrative assistant for personal trustee services, regularly visits with these individuals and provides for many of their personal needs. In addition, Shryln Treadwell, vice president for trust administration services, and Christine Bell, trust officer for individual beneficiary services, work with trustors in distributing reports, answering questions and managing their personal finances. At this time, the Baptist Foundation has a Life Care Trust relationship with approximately 20 individuals across the state.

Student Scholarship and Loan Services

The Baptist Foundation of Oklahoma invests in people—especially young people involved in educational pursuits—by providing student scholarships and/or loans. There is no more effective way to shape the future than to assist in the educational preparation of bright, committed, Christian young people who can significantly impact their world for Christ.

Presently the Baptist Foundation administers approximately 425 scholarship and student loan trusts. In most cases, donors establish criteria for the determination of recipients. The majority of these scholarships and student loans are limited to students attending Oklahoma Baptist University or Southern Baptist seminaries, and the trust income is most commonly distributed directly to the schools for distribution to students.

However, there are a limited number of scholarships for which the Baptist Foundation's Board of Directors exercises discretion in the awarding of funds to qualified applicants. Janna Charles, trust officer for charitable beneficiary services, assists in the processing of these awards. Scholarship distributions for the 1998 calendar year totaled approximately \$97,000, and scholarship distributions for the 1999 year are expected to approach \$110,000.

Twenty-one low interest student loans totaling approximately \$53,000 are administered by the Foundation and serviced by AFSA Data Corporation. Loan recipients are required to pay only the interest on loans while in school. Upon graduation or termination of their education, amortized schedules are established for monthly repayment of loans over an extended period of time. Interest received from student loans is returned to student loan trusts so that more students may be helped with their educational needs.

Estate Stewardship Services

One cannot describe the work of The Baptist Foundation of Oklahoma without using words like "ministry" and "service." For nearly fifty-two years, the Baptist Foundation has offered estate planning assistance to Baptists across the state. Last year 930 persons were assisted by the estate stewardship staff of the Foundation. This led to the preparation of 716 Christian wills, 193 trusts and 21 gift annuities.

Melinda Warren directs the estate stewardship services. Several other staff members assist in the area of estate stewardship. Perry Cox serves as a full-time estate stewardship counselor for the southeastern quadrant of the state and offices out of the Tulsa regional office. Mart Hardin served as an estate stewardship counselor for the western half of the state until the end of January of this year at which time

Rex Wilkinson agreed to serve as an estate stewardship coordinator. Neal Wooldridge serves as an estate stewardship counselor for central and northwestern Oklahoma, and Judy Branom has estate stewardship responsibilities in the Oklahoma City area. Dan Allen serves as director of the Tulsa regional office with responsibilities in the estate planning area. Jerry Zumwalt is new to the estate planning area and serves the northeastern quadrant of the state.

Another addition to the estate planning staff is Kathy Lee, compliance officer. Ms. Lee's responsibilities include reviewing documentation received from the attorneys, maintaining a tracking system of document preparation for an expeditious response to clients and assisting clients in transferring assets to their newly established revocable living trusts.

Estate planning continues to be a highly specialized area complicated by changing tax laws and emerging techniques. Therefore, professional training is an ongoing activity with the Foundation staff. A major role for the estate planning staff is relating to other professionals such as attorneys, accountants, financial planners and insurance agents to accomplish the charitable objectives of clients.

The estate stewardship area assists persons in developing and raising their awareness in regard to their giving. It also assists agencies, institutions, and departments of our Convention to fulfill their mission.

Church Building Loan Services

The Board of Directors of The Baptist Foundation of Oklahoma established the Church Building Loan program as an investment strategy in 1954. It is designed to provide endowment income for Baptist causes through long term financing of church and association building projects. Cooperating churches, associations, institutions and agencies of the BGCO have secured loans from the Foundation knowing that their interest payments help support various Baptist causes.

Current church building loan investments total nearly \$29 million, including participation loans with the North American Mission Board. In addition to the loans made to Oklahoma Southern Baptist churches, loans have been approved for Southern Baptist churches in Kansas and Nebraska. However, Oklahoma churches are always given first priority.

A total of 1,305 loans have been made since 1954. From August 1, 1998, through July 31, 1999, 35 loans were made, totaling \$10,132,629.74. Loans in effect during the past year produced approximately \$2.1 million in interest income for Baptist causes during this same time period.

Church equity loans are also available, allowing a church to borrow up to 50 percent of their property's present market value, provided debt service for the loan does not exceed 25 percent. This equity loan may be used for construction financing or any ministry items the church deems feasible.

There are four types of competitive interest rates offered to borrowers: (1) an annual adjustable rate, (2) a three year adjustable rate, (3) a five year adjustable rate and (4) a ten year adjustable rate. A maximum term of 15 years is offered for each loan and each interest rate has a maximum adjustment cap of 5 percent over the life of the loan.

Loan application packets are available upon request from the Foundation's Loan Services Department at 1-800-949-9988. A foundation representative visits personally with each applicant to assure adequate collateral for the loan and to answer all questions from the borrower. Applications received by the first of the month are considered in that monthly meeting of the Foundation Loan Services Committee.

Copies of *Policies and Regulations for Securing a Church Building Loan* are available upon request.

Real Estate

The Foundation administers various real estate properties as they are put in trust for Southern Baptist beneficiaries. These properties are cleaned, repaired and made available for sale through bids, auctions and outright sales.

As the properties are liquidated, the Foundation may administer a loan for the sale. Currently 18 real estate loans totaling \$760,000 are in the investment portfolio. Interest dollars are paid back to the trust for the beneficiaries as designated by the trustor.

Communication and Public Relations Services

Each year two observances on the denominational calendar focus on Foundation ministries. January is "Make Your Will Month" and September is "Baptist Foundation Month." News stories, articles and editorials in the *Baptist Messenger*, associational newsletters and other denominational publications promote these emphases in the churches.

The Baptist Foundation also presents its ministries and distributes literature through display booths at the Convention's annual meeting, the State Evangelism Conference, Senior Adult Conference at OBU, Associational annual meetings and this year at the Senior Adult Conference in Oklahoma City.

The Foundation, in seeking to communicate with attorneys and other professionals, distributed a number of attorney's packets again this year. An attorney's packet consists of specimen copies of legal documents such as wills and trusts.

Falls Creek Baptist Conference Center promoted endowment each week of 1999 by distributing fans supplied by the Foundation reminding sponsors of the opportunity to remember Falls Creek in a will or trust.

Financial planning was a special emphasis in 1999. Melinda Warren, vice president of estate stewardship services and a certified financial planner, and Dan G. Allen, vice president and director of the Tulsa office, conducted financial planning seminars in a number of churches. The one-hour seminars dealt with the creation and preservation of an estate.

Distributing literature and other materials is yet another way the Foundation presents important information. Literature is distributed as staff members speak in churches or associations and by mailings to persons requesting information.

Literature pieces currently available for distribution include: *The Baptist Foundation of Oklahoma; Do You Need A Will?; Estate Planning, A Christian Perspective; When Death Does Us Part; The Personal Representative; W.A.T.S., A Bright Idea; What on Earth Are You Doing For Heaven's Sake; The Forever Fund; A Gift Annuity Having Your Cake and Eating It Too; The Gift Annuity Contract; The Charitable Remainder Annuity Trust; The Charitable Remainder Unitrust; The Lawyer and His Baptist Client; The Personal Record Album; The Revocable Living Trust; Policies and Regulations for Church Building Loans; Policies and Regulations for Student Scholarships and Loans; and Trust Administration Policies.*

New literature available this year includes: *Your Interest Is Our Number One Concern; How to Close and Distribute a Revocable Living Trust; How To Design Your Own Revocable Living Trust; 37 Things People "Know" About Wills That Isn't Really So; How To Use Trust In Estate Planning; and When Does a Woman Need a Will.* Also, program covers were provided to associations for use in annual meetings.

Each year the Foundation publishes an annual report including vital statistics about the Foundation's financial condition. It is distributed to more than 9,000 clients, beneficiary causes, professionals and sister institutions.

This year the Foundation introduced a newsletter just for Baptist women. This newsletter is a partnership with Women's Missions & Ministries office of the Baptist General Convention of Oklahoma.

Press releases are prepared periodically for major, regional and local newspapers, the *Baptist Messenger*, other denominational and professional publications.

In an effort to make the Foundation more accessible to clients, churches, pastors, directors of missions, attorneys and other professionals, toll-free numbers have been secured. The numbers are: 800-

949-9988 in Oklahoma City and 888-480-6191 in Tulsa.

The Foundation introduced its new Web site in 1999. The address is www.bfok.org. The site includes a directory of staff members' e-mail addresses for the convenience of Oklahoma Baptists.

The Annual Clients' Conference at Oklahoma City in September was attended by 90 clients, board members and guests. This year the Foundation had two additional clients' conferences, one in Tulsa and one in central Oklahoma for institutional clients.

The institutional clients' conference in 1998 was the second annual conference. The Foundation informed institutions of investment and distribution policy concerning their accounts.

Foundation staff members conducted a few less than 100 *W.A.T.S.* (Will and Trust Seminar) emphases in churches. A *W.A.T.S.* emphasis involves staff members speaking on the work of the Foundation in morning worship services, conducting estate planning seminars and preaching on estate stewardship in evening worship services. They also meet by appointment with persons interested in receiving estate planning assistance. A number of these seminars were also conducted at noonday senior adult programs. The public relations office provided literature to the churches to promote these seminars.

Property Management and Mineral Leasing Services

Management of real and mineral properties is directed by a committee of board members. Decisions to sell, lease, rent or repair properties are determined according to provisions in legal documents by which properties are received and upon recommendations of staff.

Gifts of real property are usually in four categories: residential, commercial, farmland and wasting properties, such as lake lots, cemetery lots, etc. It is the policy of the Foundation to sell properties that have been received by the Foundation as quickly as possible.

The Foundation holds deeds to more than 25,000 acres of mineral interest in 61 counties in Oklahoma and in nine other states. During the past year the Foundation received 30 units of mineral interest in Oklahoma. Last year's Foundation audit indicated mineral income totaled \$442,236.

OKLAHOMA BAPTIST HOMES FOR CHILDREN

Tony Kennedy, President

A Report on the Strategic Plan for 2003

In the year 2003, Oklahoma Baptist Homes for Children will celebrate 100 years of ministry to children and families. On May 12, 1998, OBHC's Board of Trustees adopted a strategic plan to be completed by 2003. The Strategic Plan focuses on increasing the number of children served and expanding OBHC's ministry to meet the needs of children in the 21st century. The following indicates the progress on some of the goals in the Strategic Plan.

Increase the capacity for residential care by 35 percent:

- Hope Home, with a capacity for six unwed mothers, was opened in September 1998.
- Construction of the Ray Young Cottage, with a capacity for eight boys, was completed at Boys Ranch Town, in December 1998.

Identify children at risk and place them in residential care at an earlier age:

- In June 1998 a full-time director came on staff for Baptist Advocates for Children, a statewide network of volunteers to educate and assist caregivers in early and appropriate placement. The long-range goal is to have one or more advocates in each Southern Baptist church in Oklahoma.
- A new telephone system for referrals and information is housed and staffed at the Owasso campus. The toll-free number, 1-877-276-6242, became operational in May 1999.

Improve the care and support of children after they leave OBHC's residential care:

- In June 1998 an after-care program was implemented on each campus.
- In August 1998 an expanded college scholarship program was implemented.
- An expanded OBHC Alumni Program was begun with a full-time coordinator.

Enhance existing physical facilities:

- An architectural firm has been retained to prepare a master plan study of all campuses and to assess the structural integrity of all campus facilities.
- Remodeling of the cottages on the Madill campus was completed in 1998.
- Homes for the campus administrators in Owasso and Oklahoma City were completed in October 1998.

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven" (Matthew 5:16).

ETHICS & RELIGIOUS LIBERTY COMMITTEE

Once again, Rose Day was the highlight of the year as the largest turnout of pro-life Christians since Rose Day began gathered in the 4th floor rotunda of the state capitol to rally for the rights of the unborn. Guest speaker Norma McCorvey (Roe of the Roe v Wade decision) spoke of God's redemptive love and her current efforts on behalf of the unborn.

The presence of the ERLC at the state capitol during the first days of the legislative sessions has proven beneficial and instrumental in the passage of pro-life legislation. Most notably, the passage of the partial-birth abortion ban was a decided victory for pro-life Christians. This continues to be a multi-denominational event, with key leadership being provided by the Baptist General Convention of Oklahoma.

Rose Day 2000 will be held on Monday, February 7th and is expected to be an exciting and fruitful day.

Key leaders were trained at the annual associational training event and plans are under way for the associational strategists' training to include ERLC representatives.

A new brochure explaining the purpose and mission statement for the ERLC is being developed and resource packets are being compiled to be distributed to associational and local church ERLCs.

The Ethics & Religious Liberty Committee continues to be a viable influence in providing information and instruction to Oklahoma Baptists concerning moral and ethical issues that we continue to face on a yearly basis.

HISTORICAL COMMISSION

A Brief History — During the state convention in 1952, the messengers voted to form a Historical Commission of nine members, with three members elected annually to staggered three-year terms. Later, the state convention Board of Directors authorized an organizational meeting, which in 1956 resulted in formation of the Oklahoma Baptist Historical Society as an adjunct to the Historical Commission. First president of the Society was J.M. Gaskin, longtime state Baptist historian. Membership in the Society is by

application and payment of dues. Current dues are \$5 annually or \$50 for life for individuals and \$5 annually for institutions or \$50 for perpetual institution memberships. Membership in the Society is now more than 250.

All Society members receive a subscription to *The Oklahoma Baptist Chronicle*, which is published each spring and fall. J.M. Gaskin edited the *Chronicle* from its beginning in 1958 through 1998.

Development of a historical collection was suggested in a 1956 speech to the state convention by then-Oklahoma Baptist University president John W. Raley. He offered space at OBU if the convention would start such a project. Under the auspices of the Commission and the Society, the Oklahoma Baptist Collection was begun at OBU. In 1976, J.M. Gaskin became the convention's first director of history and served as the director of the Baptist Collection at OBU for 15 years. In March of 1996, the collection was moved to the Baptist Building in Oklahoma City and named the Gaskin Baptist Archives.

Endowment Established — In 1997, the Historical Commission voted to start a program to raise funds for endowment of the archives and library. On March 6, 1998, an endowment agreement was adopted between the Oklahoma Baptist Historical Commission and The Baptist Foundation of Oklahoma creating the Gaskin Baptist Historical Archives and Library Forever Fund. Purpose of the fund is to create a perpetual endowment for the "promotion, development, expansion and preservation of the archives and library." Contributions and earnings in the trust fund have grown to more than \$5,500 toward an immediate goal of \$10,000.

J.M. Gaskin has donated 200 copies of his autobiography, *Cartersville, Route 1*, to the Historical Commission as a fundraiser for the archives endowment. A copy will be given to each person donating at least \$20 to the archive's Forever Fund.

Gaskin Lectureship, OBU — Robert Haskins, senior associate executive director of the BGCO, delivered the Gaskin Lectureship this year at OBU. His subjects were "The Trail of Hope," the Cherokees' removal to Oklahoma; and "Three Names — One Association," the history of Lefflore Association, the oldest Anglo association with continuous history in Oklahoma.

Archives and Library — Since last year's convention, two display cases have been added. John Raley Jr. provided one for the display of books written by his mother, Helen Thames Raley. The other display case already belonged to the Historical Commission but had been in use in the Woman's Missionary Union's Heritage Room in the Baptist Building. This case now holds artifacts, pictures and items used by BGCO executive secretaries of early years. Researchers and tour groups are frequent visitors to the archives, which is open weekdays from 10:30 a.m. to 1:30 p.m. or by appointment.

Anniversary certificates are provided churches honoring their 25th, 50th, 75th and 100th anniversaries. Special certificates are provided churches for presentation to their members with longest memberships.

Annual Meetings and Awards — The 1998 annual dinner meeting of the Oklahoma Baptist Historical Society was held at Bethany, Council Road on November 10 with Warren Hultgren, pastor emeritus of Tulsa, First as speaker.

The Distinguished Service Award was presented to H. Alton Webb, longtime state pastor and director of missions. Ken Coleman, pastor of Hastings, First, received the society's Baptist Heritage Sermon award. A history of Hollis, First by Edith Carter received the Gaskin Church History award. A special resolution was presented to retired state pastor Anson Justice commending his many years of denominational service. Justice was voted an honorary member of the Historical Commission for life. Certificates of appreciation, commemorating their years of service to the Lord, were presented to Anson Justice and his wife, Nadean; J.M. Gaskin and his wife, Helen; and to Forrest Upchurch and his wife, Lois.

Inducted into the Oklahoma Baptist Hall of Fame for 1999 were Frantz Brandon Erwin, M.D., Edgar F. (Preacher) Hallock, Margaret Hutchison, Robert S. Kerr and John Sarcoxie.

Historical Commission members for 1998-99 are Weldon Foster, Claremore, chairman; Mary Edna Hopper, Norman; Christine Baugh, Oklahoma City; Audie Dorrough, Ninnekah; Michael O. Napier, Broken Bow; J. Harold Thompson, Del City; Dave Roberts, Grove; Dan Wimberly, Bartlesville and Carol Morris, Skiatook.

Historical Society officers are Weldon Foster, Claremore, president; John D. Riggs, Durant, vice-president; and Jack Robbins, Duncan, secretary. Anthony Jordan is treasurer and J.M. Gaskin is emeritus director of history. Bettie M. Moore is resident specialist of the archives and Bob E. Mathews is history specialist.

CERTIFIED PUBLIC ACCOUNTANTS

Independent Auditors' Report

Board of Directors
The Baptist Foundation
of Oklahoma
Oklahoma City, Oklahoma

We have audited the accompanying balance sheets of THE BAPTIST FOUNDATION OF OKLAHOMA (a nonprofit corporation) as of December 31, 1999 and 1998, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Baptist Foundation of Oklahoma as of December 31, 1999 and 1998, and the changes in its net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary financial information on pages 28 through 32 is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE BAPTIST FOUNDATION OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 1999 and 1998

1. Nature of Activities and Significant Accounting Policies

General - The Baptist Foundation of Oklahoma (the Foundation) is a private, nonprofit religious association chartered by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention of the State of Oklahoma (the Convention) to administer funds and property received by gift, devise, bequest, or otherwise in order to assist and promulgate the furtherance of the Convention, and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign mission work.

Nature of Activities - The Foundation in the capacity of trustee holds, administers, and invests assets for the Convention and institutions affiliated with the Convention as well as for its own account. Trusts may have other charitable or noncharitable beneficiaries. Interests of the Foundation, Convention or affiliates of the Convention may be total or may represent only income or remainder interest.

The Foundation also holds assets for investment in a custodial capacity for the Convention and its affiliates. In addition, the Foundation administers trusts where affiliated organizations serve as trustee.

Activities of the Foundation include estate stewardship and gift planning for the Convention and its affiliates. Staff members work with Southern Baptist Churches and associations within the State of Oklahoma to encourage financial support for local, state and national institutions through lifetime and testamentary planning.

The Foundation receives its financial support primarily from fees charged for the administration and investment of assets. In addition, annual appropriations are received from the Convention through its Cooperative Program.

Basis of Accounting - Financial statements have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

Recognition of Donor Restrictions - Contributions received without restriction are reported as an increase in unrestricted net assets. Donor restricted contributions are recognized as increases in permanently or temporarily restricted net assets. Permanently restricted net assets consist of permanent endowments or remainder interests that will become permanently endowed. Temporarily restricted net assets consist of remainder interests under split-interest agreements that transfer assets

unconditionally upon the passage of a period of time, typically the life of the income beneficiary. The liability to income beneficiaries for future payments is determined by applying an annual discount rate of 5% to estimated payments under the agreements.

Cash and Cash Equivalents - Cash balances are transferred daily into interest-bearing accounts secured by U. S. Government obligations. Cash equivalents include broker money market accounts and short-term certificates of deposit primarily maturing within the first quarter.

Investment Pools - The Foundation pools the assets under its ownership, administration or control into investment pools. Pools consist of a domestic equity pool, international equity pool, fixed income pool and group bond pool.

Prorata ownership in the pools is determined under a system in which units of ownership are recorded to represent each member's share of the total market value of assets. Investment interest, dividends, gains, losses and appreciation or depreciation in market value are allocated based on each pool member's percentage of ownership represented by these units.

Assets of the domestic and international equity pools consist primarily of cash equivalents and marketable equity securities. Assets of the fixed income and group bond pools consist of cash equivalents and corporate and governmental notes and bonds. In addition, the fixed income pool holds church building loans.

Allowance for Doubtful Loans - Church building loans included in the fixed income pool (Note 2) are presented net of an allowance for doubtful loans. The allowance is based on 2-1/2% of outstanding balances with adjustments for delinquent or doubtful loans.

Property and Equipment - Major expenditures for equipment are capitalized at cost while donated property and equipment are capitalized at fair market value at the date of the gift. Depreciation of equipment is provided for over the estimated useful lives of the respective assets on a straight-line basis. No provision is made for depreciation on rental and other properties carried as investments in the endowment and trust funds.

Liabilities to Beneficial Owners - As discussed in Note 8, the Foundation has recorded liabilities for assets held as trustee, intermediary, custodian or agent for beneficial owners of income or remainder interests. Generally, the Foundation's liability is limited to assets held within a specific trust or account. The Foundation is, however,

responsible for the payments to annuitants under certain gift annuity contracts out of its general assets.

Appropriations to Preserve Principal - The Foundation, as discussed in Note 3, manages assets of endowment funds utilizing a total return distribution policy that incorporates a provision under which a portion of asset earnings or appreciation is permanently restricted and added to principal. Where donors so specify, amounts are added to trust corpus from income. In addition, corpus of trustee or administered trusts is credited with an amount equal to 15% of oil and gas revenue.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Income Taxes - The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

2. Investment Pools

Investments of the various funds under management of the Foundation are held in four investment pools. Investment pools consist of a domestic equity pool, an international equity pool, a fixed income pool, and a group bond pool.

Trust and custodial accounts participate in the respective pools based upon investment models. These models represent ownership percentages designed for various types of trusts and accounts based on the respective needs for current income or capital appreciation.

As discussed in Note 1, marketable securities held in the pools are accounted for under the market value method. Entry or withdrawal from the pools is based upon the market value of a pool unit. Market value of a pool unit is determined by dividing the total assets by total units outstanding. Within the fixed income pool, the market value of church building loans is estimated to approximate the total principal balance of these loans less an allowance for doubtful loans equal to approximately 2-1/2% of the principal balance.

The following is a summary of assets held in the investment pools at December 31, 1999 and 1998:

3. Total Return Spending Policy

The Foundation uses a method based upon the total return on assets to determine the amounts distributable from endowments held as trustee and amounts appropriated for expenditure for endowments under which the Foundation is the income beneficiary.

The spending or distribution policy as determined under a method adopted by the board effective January 1, 1997 provides for the establishment of a "spending rate" based on historical total return adjusted for inflation. Under this policy, the spending rate, reflected as a percentage, is multiplied by "historic dollar value". Historic dollar value is defined as the value of all gifts received by the trust increased by any amounts added to trust principal under the trust agreement or by action of the Board. This amount is then decreased by the carrying value of any nonpooled investments.

Under the policy, a ceiling is established equal to a percentage of historic dollar value. At the beginning of each year, the excess of undistributed income, gains and appreciation over the ceiling is added to principal.

On January 1, 1997, the spending rate was established at 5% and the ceiling at 15%. After allocations of these items, the cumulative total investment return that has not been added to principal or appropriated for expenditure is available for future use to preserve principal or increase distributable amounts. This amount is referred to as the stabilization account. Changes in this account for endowments benefiting the Foundation or held by the Foundation as trustee for others are summarized below along with amounts for custodial accounts and endowments administered for other institutions that have elected to be managed under this spending policy. Because amounts in these accounts are subject to no current restrictions, they constitute unrestricted amounts and the account related to the Foundation's endowment is a part of unrestricted net assets. On January 1, 2000, a total of \$7,542,000 was added to permanent endowments principal based on a ceiling of 15%. A spending rate of 5% was established for 2000.

4. Assets Held by Financial Institutions

During 1999, the Foundation became trustee of an endowment benefitting Oklahoma Baptist University. Assets continue to be held by the financial institution who previously acted as trustee. A portion of gains arising prior to the date at which the Foundation became trustee totaling \$1,533,748 were allocated to income and added to the stabilization account. The trust is now managed under the spending policy discussed in Note 3. At December 31, 1999, the trust held cash and investments totaling \$13,031,748 of which \$8,160,587 consisted of equity securities and \$4,842,231 of debt securities.

In 1999, the Foundation began receiving distributions from a permanent endowment held by a bank trustee. The Foundation receives 40% of the trust's earnings. At December 31, 1999, the Foundation's share of trust assets totaled \$225,600.

5. Investment in Vanguard Mutual Funds

Certain trusts with noncharitable income or remainder beneficiaries are not eligible to pool investments with trusts which are, or will ultimately become, fully charitable. Assets of these trusts, which were formerly pooled, have been invested in three funds of the Vanguard group of mutual funds. These investments are carried at market. Activity of these funds is summarized below:

6. Other Investments

Other investments totaling \$13,018,327 are held outside of the investment pools. Prior to 1999 these assets were carried at cost. In 1999, the Foundation began carrying marketable equity and debt securities at market. The following summarizes other investments carried at market.

	Market	Cost
Corporate stocks and mutual funds	\$ 5,187,507	\$ 2,902,761
Bonds	<u>370,810</u>	<u>368,079</u>

Differences in cost and market at January 1, 1999 along with current appreciation are reflected as increases in liabilities to beneficial owners.

Other assets totaling \$7,460,010 at December 31, 1999 are carried at contributed value or acquisition costs. These assets do not have readily determinable market values. Included in other assets at cost are income producing properties, notes and other debt instruments redeemable at face value and life and annuity contracts.

Depreciation is provided on a straight line basis at rates that are intended to amortize costs over the estimated useful lives. Depreciation expense for the year totaled \$122,123. Lives of assets are predominantly five years. Automobiles are depreciated to an estimated residual value at the expected date of sale or trade.

8. Postretirement Benefits Other Than Pensions

The Foundation maintains a plan to provide health, life and termination benefits to retirees. Estimated costs are recognized over the employee's active service period. The plan, as originally adopted, provided health and life premium coverage for all employees and spouses after ten years of service upon normal retirement. Subsequently, the plan was amended, to increase the service period to fifteen years and to limit coverage to exclude spouses. The amendment resulted in unrecognized prior service benefit of \$139,328 and an unrecognized net gain of \$40,618. The plan as adopted and amended is unfunded.

Interest cost	41,101	34,778
Gain or loss to the extent recognized		(1,090)
Amortization of unrecognized prior service benefit	(6,365)	(9,042)
Net benefit cost	<u>\$58,789</u>	<u>\$43,929</u>

In determining the obligation under the plan, a weighted average discount rate of 7% was assumed. Health care (premiums) costs were estimated to increase by 9.0% in 1999, with ratable annual reduction until an ultimate rate of 5% is reached in 2007. Unrecognized prior service benefits cost is being amortized over the remaining service to full eligibility of active employees which averaged 12 years in 1999.

9. Liability to Beneficial Owners

The Foundation was formed to administer funds and receive property on behalf of the Convention and other Baptist institutions. In its capacity as trustee, administrator, custodian or agent, the Foundation holds assets for these organizations. In addition, the Foundation acts as trustee under revocable and irrevocable agreements in which donors have retained interest in income, principal or both. The following summarizes categories of arrangements under which the Foundation has liabilities to these beneficial owners. Obligations to make future payments are discounted at 5% which equals the estimated long-term return on investments.

Liabilities to Income and Remainder Beneficiaries under Split-Interest Agreements

Gift Annuity Contracts - These agreements have been entered into between the Foundation and a donor under which the Foundation has agreed to pay a specified amount, at least annually, to a noncharitable income beneficiary. Typically income payments are for life. The liability to income beneficiaries has been estimated at \$2,787,198 at December 31, 1999, (\$1,555,893 - 1998) and represents a general liability of the Foundation. This liability is equal to the present value of estimated future payments.

Liabilities to Income Beneficiaries under Irrevocable Trust Agreements - The balances of \$3,135,575 and \$3,044,280 at December 31, 1999 and 1998 represent the present value of estimated future payments to noncharitable beneficiaries under irrevocable trusts. This includes amounts estimated to be payable to beneficiaries of charitable remainder annuity trusts, charitable remainder unitrusts and other trusts whose remainder beneficiaries may be partially noncharitable.

Remainder Interests under Irrevocable Agreements - Liabilities at December 31, 1999 and 1998 of \$12,017,992 and \$12,779,906 represent the remainder interest in assets subject to payments to income beneficiaries as discussed above. Where agreements ultimately benefit the Foundation, remainder interests are included under temporarily or permanently restricted net assets.

Refundable Assets

Assets Held under Custodial Arrangements - The Foundation holds and invests assets for the Convention and its affiliates in a custodial capacity. Balances of \$36,123,288 and \$32,234,955, respectively, represent the Foundation's liability to return amounts transferred and unremitted earnings to these affiliates. These funds are generally invested in the investment pools in ratios selected by the owner.

Conditional Transfers from Donors - The Foundation receives assets as trustee under agreements that are revocable or provide that trust corpus may be invaded for the benefit of the grantor or a noncharitable beneficiary. Because these assets may be withdrawn by revocation or through consumption by noncharitable beneficiaries, they are considered to be conditional transfers. To the extent the Foundation is an ultimate beneficiary under these agreements, a contribution will be recognized when all conditions are met. This typically will occur when the trust becomes irrevocable and the rights of noncharitable beneficiaries to corpus lapse. At December 31, 1999, net assets of \$16,805,098 (\$16,405,946 - 1998) were held under these agreements.

Assets Held for Others

Assets Held as Trustee under Permanent Endowments - The Foundation acts as trustee for numerous permanent charitable endowment trusts. These trusts generally benefit the Convention and its affiliates or other Southern Baptist affiliated institutions. Earnings from these funds are disbursed periodically under terms of the agreement or at the discretion of the beneficiary, based upon the spending policy discussed in Note 3. Net assets totaling \$122,803,402 and \$98,306,974 at December 31, 1999 and 1998 were held under these agreements. While the Foundation will administer these assets in perpetuity, the rights to enjoyment of benefits is vested in the income beneficiaries.

Assets Held under Agreements to Administer Trusts - The Foundation holds, invests and administers assets under trust agreements that name the Convention or its affiliates as trustee. These trusts are administered in a manner identical to those trusts in which the Foundation is named trustee. At December 31, 1999, net assets of \$21,082,201 (\$18,294,902 - 1998) were held under these agreements.

Remainder Interests under Irrevocable Agreements - See commentary under "Liabilities to Income and Remainder Beneficiaries under Split-Interest Agreements" above.

10. Affiliated Entities

As disclosed in Note 1, the Foundation is affiliated with the Baptist General Convention of the State of Oklahoma (the Convention). The majority of the funds administered by the Foundation are for the benefit of the Convention, its affiliates and various other Baptist organizations. Principal affiliates of the Convention and thus the Foundation, are Oklahoma Baptist University, Oklahoma Baptist Homes for Children, Baptist Retirement Centers of Oklahoma and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Foundation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year were \$300,215.

As discussed in Notes 12 and 13, the Foundation has invested funds in the Baptist Building Corporation and has entered into an operating lease for office facilities.

The Foundation, through its fixed income pool, makes loans to churches, associations and agencies affiliated with the Baptist General Convention of the State of Oklahoma to finance the purchase of land and buildings. These loans are secured by first mortgages on the property and buildings constructed and may require personal endorsements of church members. The lives of these loans vary up to a maximum of 15 years. Interest rates are set by the Church Building Loan Committee with consideration given to the

current rates available from commercial sources. The balance of church building loans outstanding at December 31, 1999, was \$28,014,907 (1998 - \$29,731,625) including \$3,069,060 of participating loans serviced by the North American Mission Board of the Southern Baptist Convention. An allowance of \$799,542 for uncollectible loans was recorded as of December 31, 1999 (1998 - \$850,619). At December 31, 1999, loans totaling \$5,885,370 were guaranteed by the Baptist Foundation of Texas under a guaranty servicing agreement.

At December 31, 1999, the Foundation had outstanding commitments totaling \$5,370,000 (1998 - \$3,996,000) for church building loans.

11. Pension Plan

All employees of the Foundation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Foundation contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for the year ended December 31, 1999 was \$96,207 (1998 - \$110,683). The Foundation's policy is to fund pension cost as it is incurred.

12. Leased Facilities

The Foundation is obligated under a lease with the Baptist Building Corporation (a corporation owned and controlled by the Baptist General Convention of the State of Oklahoma) for facilities. Currently, payments are \$8,085 monthly.

The lease had an initial term of ten years with options to renew for ten additional one year periods. The agreement provides for increases based upon escalations in operating costs. Rental expense under the lease totaled \$81,702 for 1999 and 1998.

The Foundation also leases office facilities in Tulsa under a lease expiring December 31, 2003. Expense under the lease totaled \$17,234 for the year.

13. Investment in Baptist Building Corporation

During 1990, the Convention entered into an agreement under which custodial funds held by the Foundation were invested in a newly-formed corporation for the purchase and renovation of an office building. Upon completion of renovation, the building was leased, principally to the Convention and its agencies and affiliates including the Foundation. A total of \$4,331,000 has been invested in the Baptist Building Corporation. At December 31, 1998 and 1997, \$4,131,000 was outstanding. Repayment of invested funds is at the discretion of the Baptist Building Corporation, however all invested funds must be repaid upon any sale or conveyance of the building. The agreement provides that the Baptist Building Corporation will pay a reasonable rate of return approximating the pooled investment distribution rate. During the year, income totaling \$330,480 was received under this agreement.

14. Remainder Interest in Assets Held by Others

During 1996, the Foundation was notified of the existence of a charitable remainder unitrust naming them as the principal remainder beneficiary. The fair market value of assets held by the trust approximated \$4,470,000 at December 31, 1999.

The trust agreement provides for specified payments to facilities now operated by Oklahoma Baptist Homes for Children with the remainder to be distributed outright to the Foundation to be used for purposes as determined by its officers.

The trust agreement constitutes an unconditional promise to give. The present value of estimated future benefits to be received upon the death of the income beneficiary of \$567,746 was recognized as a temporarily restricted contribution in 1996. At

December 31, 1999, the remainder interest had increased to \$941,000. The increase of \$175,000 (\$136,254 in 1998) was recognized as temporarily restricted income in 1999. Income will be recognized in future periods to reflect amortization of the present value discount, revaluation of assets, and estimated future payments to the income beneficiary.

15. Contingency

The Foundation and Convention are defendants in a lawsuit arising from a charitable remainder unitrust for which the Foundation serves as trustee. The lawsuit alleges that the trust is invalid and that the Foundation breached its fiduciary duty in management of the trust and investment of trust assets. An initial judgement has been awarded the plaintiff and the case is currently under appeal. In the opinion of management, the ultimate liability, if any, under this litigation will not have a materially adverse effect on the financial statements.

Independent Auditors' Report

Board of Directors
Baptist General Convention of
the State of Oklahoma
Oklahoma City, Oklahoma

We have audited the accompanying statement of financial position of BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA (a nonprofit corporation) as of December 31, 1999 and 1998, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Convention's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Baptist General Convention of the State of Oklahoma as of December 31, 1999 and 1998, and its changes in net assets and cash flows for the years then ended in conformity with generally accepted accounting principles.

BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 1999 and 1998

1. Summary of Significant Accounting Policies

Nature of Operations - The Baptist General Convention of the State of Oklahoma (the Convention) was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. It was incorporated without capital stock under Oklahoma law. Its first Articles of Incorporation were filed in May, 1917, for a term of twenty years with subsequent amendments providing for an organization in perpetuity.

Administrative activities of Baptist General Convention of the State of Oklahoma are conducted by The Executive Office of Baptist General Convention of the State of Oklahoma.

Basis of Accounting - The financial statements are prepared on the accrual basis of accounting.

Composition of Reporting Entity - The accompanying financial statements include net assets and operations of the Baptist General Convention of the State of Oklahoma. The statements include all statewide activities conducted by the Convention except for activities conducted by Oklahoma Baptist University (OBU), The Baptist Foundation of Oklahoma (BFO), Baptist Retirement Centers of Oklahoma, Inc. (BRCO), Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Building Corporation. These organizations' directors are elected by messengers sent to the annual meeting of the Baptist General Convention of the State of Oklahoma by its member churches. These same messengers elect the Board of Directors of the Convention.

As discussed in Note 2, these entities are considered to be affiliates based upon the election of their boards by a common delegate body. Because the Convention, through its governing board, has neither a voting interest nor ownership in these entities, financial statements are limited to direct activities of the Convention conducted through its Executive Office and do not consolidate activities of these affiliates.

Financial Statements Presentation - The Convention has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Convention reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Gifts of cash or other assets received under endowment agreements where donors have restricted use to the income from the assets are reported as increases in permanently restricted net assets. These assets are generally held in trust by The Baptist Foundation of Oklahoma (The Foundation) (Note 4). To the extent income and realized or unrealized gains are not restricted by donor stipulations or state law, these items are reported as increases in unrestricted net assets in the statement of activities.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Recognition of Revenue - The Convention reports contributions as support when assets are received or when an unconditional promise to give has been made. Revenue from sales of subscriptions, advertising, printing, fees and other sources is recorded based upon the receipt of cash or the completion of services or delivery of goods.

Donor Restrictions - The Convention reports gifts of cash or other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, through the passage of time or when a stipulated purpose is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restriction. Donor restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

The Convention reports gifts of property, equipment and long-lived assets as unrestricted support unless explicit donor stipulations specify how donated assets must be used. Gifts of long-lived assets with specific use restriction and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. The Convention reports expiration of donor restrictions when the donated or acquired assets are placed in service.

At December 31, 1999, temporarily restricted net assets consisted of remainder interests held in trust of \$582,032 (1998 - \$1,879,393) that are restricted for a period of time and \$2,267,694 (1998 - \$1,280,366) of assets restricted to specific purposes. Primarily these amounts are designated for use in state missions or disaster relief and capital improvements at the Falls Creek facility. Permanently restricted net assets represent present and remainder interests held in perpetual endowment trusts under donor terms that restrict use to the income from these assets.

Property and Equipment - The Convention capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Lives generally used are:

Land improvements	20 -40 years
Buildings	20 -50 years
Furniture and equipment	4 -10 years
Automobiles and machinery	3 -10 years

Income Taxes - The Convention is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows - For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

2. Affiliated Entities

As disclosed in Note 1, the Convention is affiliated with various other Baptist organizations within the state of Oklahoma. Principal affiliates of the Convention are The Baptist Foundation of Oklahoma, Oklahoma Baptist University, Oklahoma Baptist Homes for Children, Baptist Retirement Centers of Oklahoma and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Convention appropriates cooperative program receipts to these affiliates as follows:

Oklahoma Baptist University	\$2,837,789
Oklahoma Baptist Homes for Children	687,333
The Baptist Foundation of Oklahoma	301,306
Baptist Retirement Centers of Oklahoma	<u>333,201</u>
	<u>\$4,159,629</u>

As discussed in Note 8, the Convention remains primarily liable on obligations associated with certain assets transferred to BRCO subject to capital leases (Note 12). In addition, the Convention guarantees bonds issued by OBU and BRCO (Note 11). The Convention

leases office space from the Baptist Building Corporation from which accounts receivable totaling \$250,233 and \$350,233 are held at December 31, 1999 and 1998.

The Convention participates in the cooperative program of the Southern Baptist Convention (SBC). Under this program, forty percent of amounts received under the cooperative program, \$7,877,276 (\$7,823,434 in 1998), were distributed to SBC during 1999 for its various ministries. In addition, proceeds from offerings designated for specific SBC ministries totaling \$4,720,059 (\$5,151,093 in 1998) have been received and remitted to SBC.

Investments held by the Foundation consisted of the following:

	December 31,	
	1999	1998
Pooled equity securities, at quoted market	\$15,366,373	\$12,688,112

	<u>\$26,149,042</u>	<u>\$23,611,205</u>

Pooled debt securities consist of investments in corporate debt securities (32.4% and 22.2% in 1999 and 1998) and U. S. Government securities (15.2% and 9.8%, respectively) at quoted market prices. Also included are investments in church building loans (51.1% and 55.8% in 1999 and 1998) at an amount equal to the principal balance of these loans less an allowance for uncollectible loans. The carrying amount of church building loans is estimated to approximate their market value.

For 1999, interest and dividends totaling \$659,383 (1998 - \$557,947) (net of fees) and realized and unrealized gains totaling \$1,751,810 (1998 - \$2,662,060) were earned on present interests. Gains relate to assets carried at market value.

The Convention is the ultimate beneficiary under certain irrevocable agreements trustee or administered by the Foundation. Under these agreements, income is payable for life or a specified period of time to a beneficiary with the remainder payable to the Convention. Agreements include gift annuity contracts, charitable remainder trusts and other irrevocable trusts under which the Convention is a remainder beneficiary. These agreements constitute unconditional promises to give to be recognized as income when

the promise is given. Gifts are valued by reducing total assets held by the Foundation by the present value of estimated future income payments over the term of the agreement or life expectancy of the income beneficiary utilizing a 5% discount rate. Based on these factors the present value of these remainder interests were as follows:

In determining the obligation under the plan, weighted average discount rates of 7.25% and 7% were assumed. Health care (premiums) costs were estimated to increase by 9.0% in 1999, with ratable annual reductions until an ultimate rate of 5% is reached in 2007. In calculating the liabilities at January 1, 1999, an increase of 9.0% decreasing to 5% in 2006 was used. These assumptions were changed to reflect managements' estimates of future conditions resulting in an unrecognized gain of \$1,097,179.

7. Notes Payable

Oklahoma County Industrial Authority

A note payable to the Oklahoma County Industrial Authority with a balance at December 31, 1998, net of unamortized issuance costs and unapplied bond fund earnings, of \$13,847,136 was repaid in 1999 with proceeds of bonds issued by the Oklahoma Development Finance Authority under its "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999." Under terms of a loan agreement, the Convention and BRCO are joint borrowers of the bond proceeds. Revenue of BRCO collateralizes the loan and the obligation is recorded as a liability of BRCO.

Although the Convention is a borrower under the note, because BRCO is obligated to repay the loan, the obligation is not recorded as a direct liability of the Convention.

The Baptist Foundation of Oklahoma

The Convention has assumed responsibility for the repayment of loans The Baptist Foundation of Oklahoma has made to various Baptist associations in connection with Baptist Student Unions in their area. These twelve loans are generally secured by real estate, bear interest at 7.95% and have a balance due of \$281,169 at December 31, 1999 (1998 - \$306,749).

8. Capital Lease Obligations

Capital lease obligations consist of two obligations under which the Convention remains primarily liable. Assets subject to the lease have been transferred to BRCO under a sublease agreement. A receivable from BRCO has been recorded. Payments under the capital lease obligations will be made by BRCO.

Tulsa Baptist Retirement Center - On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000.

A supplemental bond indenture dated April 1, 1981 in the amount of \$325,000 was issued by the Tulsa Industrial Authority for the purpose of constructing three duplex units. The bonds were defeased under the 1989 loan from the Oklahoma County Industrial Authority.

The lease rental to be paid by BRCO is an amount sufficient to satisfy the bond obligation. The lease is scheduled to terminate by February 1, 2008.

BRCO, through its sublease with the Convention, has the right to purchase the project at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

Baptist Retirement Center, Oklahoma City - The Baptist Retirement Center, Oklahoma City was constructed by the Baptist Laymen's Corporation (an affiliate) in 1965 and transferred to the Convention in 1974.

In 1971, the Baptist Laymen's Corporation leased the premises to the Oklahoma Industries Authority (OIA). OIA issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Convention. OIA then subleased the premises to the Baptist Laymen's Corporation for a period of twenty years with payments equal to the annual debt service requirement of the OIA on bonds issued as described below. BRCO has acquired, through its sublease, the Convention's option to acquire the leasehold estate for an amount necessary to retire all outstanding bonds issued by the OIA.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds were guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Convention has the option to acquire the leasehold estate for the amount required to retire all outstanding bonds issued by the OIA. This option has been granted to BRCO under the sublease agreement.

On March 1, 1982, the Baptist Laymen's Corporation executed a lease with the Oklahoma County Industrial Authority (OCIA). OCIA issued its Baptist Laymen's Corporation First Mortgage Revenue Note, Series A (Lackey Manor Project) in the amount of \$4,500,000. The bonds were defeased in 1989 as disclosed in Note 7.

Office Equipment - The Convention leases certain office equipment for use in its operations. The equipment which has a cost of \$49,604 has been capitalized and is being depreciated over the term of the leases.

9. Pension Plan

All employees of the Convention are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Convention contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for Convention employees for the year ended December 31, 1999 approximated \$413,202 (1998 - \$379,000). The Convention's policy is to fund pension cost as it is incurred.

10. Leased Facilities

During 1990, the Convention leased office facilities from the Baptist Building Corporation (a corporation owned and controlled by the Convention) (Note 2). Lease payments of \$52,500 per month commenced in November, 1990. During 1993, the

Convention increased the total square footage leased and monthly payments were increased to \$59,865. The agreement provides for increases based on escalations in operating costs.

The lease agreement has a term of ten years with options to renew for ten additional one year periods. Payments under the agreement totaled \$734,957 for 1999 and 1998.

During 1999, the Convention subleased space to BRCO and OBHC on a month to month basis for a total of \$71,640. Expense under the agreement for 1999 and 1998, net of subleases, was \$663,317. The Convention expects to enter into subleases over the time period of the original lease.

The agreed minimum future annual rental commitment totals \$606,473 payable in the year ending December 31, 2000.

11. Commitments and Contingencies

The Convention has guaranteed bonds issued by The Oklahoma Baptist University Authority. The bonds are secured by proceeds from a lease of the main campus facilities at Oklahoma Baptist University (OBU), mortgages on real estate comprising the campus of OBU, a municipal bond insurance policy and a letter of credit issued by a financial institution. At December 31, 1999, the unfunded liability for bond principal and interest approximated \$12,822,000 (1998 - \$12,800,000).

During 1999, the Oklahoma Development Finance Authority (the Authority) issued the "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999", the net proceeds of which were loaned to the Convention and BRCO to retire the "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989". As discussed in Note 7, the Convention is a co-borrower under the note and, along with BRCO, is responsible for its repayment. The Authority also issued the "Junior Lien Revenue Bonds, Series 1999, Baptist Retirement Centers of Oklahoma-Hugo Project". The liability under this issue is guaranteed by the Convention.

At December 31, 1999, the net liability under these issues approximated \$14,700,000.

During 1992, the Convention adopted a plan to self insure workers compensation. Insurance is carried which limits liability on individual and aggregate claims. The Convention has recognized as expense in the current year the amount of claims paid for

BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA Page 23

the year and an amount equal to the estimated amount of future claims arising from losses incurred in the current and prior periods. At December 31, 1999 accounts payable include \$53,000 (1998 - \$25,800) related to estimated future claims.

The Convention and Foundation are defendants in a lawsuit arising from a charitable remainder unitrust for which the Foundation serves as trustee. The lawsuit alleges that the trust is invalid and the Foundation breached its fiduciary duty in management of the trust and investment of trust assets. An initial judgment has been awarded the plaintiff and the case is currently under appeal. In the opinion of management, the ultimate liability, if any, under this litigation will not have a materially adverse effect on the financial statements.

From time to time in the course of operations, the Convention may have cash on deposit with financial institutions in excess of federally insured limits. The primary operating account is swept daily into an account backed by U. S. Government Securities.

12. Transfer of Assets to Auxiliary Corporations

During 1993, the Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Retirement Centers of Oklahoma, Inc. (BRCO) were created as a result of actions of the board of directors of the Convention. Operating assets and investments were transferred to these entities.

These entities may not create debt for capital needs or undertake any major expansion projects without consent of the Convention or its board of directors.

At December 31, 1999 an amount was receivable from BRCO of \$1,823,062 relating to the net liability under a capital lease obligation (Note 8) under which the Convention remains primarily liable. As discussed in Note 7 and 11, notes under which the Convention was primarily liable were refinanced through a loan agreement under which the Convention and BRCO are jointly liable. This loan is considered a direct liability of BRCO and is not included as a liability of the Convention.

During 1998, the board of directors of the Convention voted to release BRCO from a \$2,000,000 obligation, representing a portion of prior advances.

The amounts representing capital lease obligations are payable by BRCO under terms identical to those of the Convention liability.

13. Unconditional Promises to Give

During 1999, the Convention initiated the Falls Creek "For the Sake of the Call" special fund raising campaign designed to strengthen the missions and ministry that takes place at the Falls Creek facility through implementation of the master plan developed to revitalize the conference center. At December 31, 1999, cash of \$287,364 had been received along with written pledges to make future gifts of \$755,900. Pledges constitute unconditional promises to give and have been recognized as temporarily restricted support in the current period. Pledges have been valued at the net present value of future cash flows. Pledges receivable have been discounted at 5% which represents an estimated rate of return on long-term investments.

The following summarizes pledges receivable in the years ending December 31, 2000 through 2003:

<u>Year Ending December 31,</u>	<u>Total</u>	<u>Present Value</u>
2000	\$251,800	\$251,800

BAPTIST RETIREMENT CENTERS OF OKLAHOMA, INC.**NOTES TO FINANCIAL STATEMENTS**

For the Years Ended December 31, 1999 and 1998

1. Summary of Significant Accounting Policies

Nature of Operations - Baptist Retirement Centers of Oklahoma, Inc. (the Corporation) is a not-for-profit corporation organized for charitable, religious, educational and scientific purposes in providing aged, sick or injured persons with housing facilities, long term care nursing facilities and other services designed to meet their physical, social, psychological and spiritual needs and to contribute to their health, security, happiness, spiritual well-being and usefulness in longer living as mandated by the Scriptures as a ministry of the Gospel of Jesus Christ. The Corporation is an auxiliary corporation of the Baptist General Convention of the State of Oklahoma (the Convention). Directors of the Corporation are elected by the Convention.

Basis of Accounting - The financial statements are prepared on the accrual basis of accounting. Assets and liabilities are presented in three categories based on the existence of any external restrictions on net assets. These categories are unrestricted, temporarily restricted, and permanently restricted.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Financial Statements Presentation - The Corporation has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Corporation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Gifts of cash or other assets received under endowment agreements where donors have restricted use to the income from the assets are reported as increases in permanently restricted net assets. These assets are generally held in trust by The Baptist Foundation of Oklahoma (The Foundation) (Note 4) or by other trustees. To the extent income and realized or unrealized gains are not restricted by donor stipulations or state law, these items are reported as increases in unrestricted net assets in the statement of operations.

Unconditional Promises to Give - The Corporation reports contributions as support when assets are received or when an unconditional promise to give has been made. Unconditional promises to give as reflected on the accompanying balance sheet consist

of pledges made under a capital improvement fund drive (Note 2) and remainder interest in assets held in irrevocable trusts by The Foundation.

Property and Equipment - The Corporation capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Lives generally used are:

Land improvements	20 -40 years
Buildings	20 -50 years
Furniture and equipment	4 -10 years
Automobiles and machinery	3 -10 years

Income Taxes - The Corporation is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows - For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

Donor Restrictions - The Corporation reports gifts of cash or other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, through the passage of time or when a stipulated purpose is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of operations as net assets released from restriction. Donor restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

The Corporation reports gifts of property, equipment and long-lived assets as unrestricted support unless explicit donor stipulations specify how donated assets must be used. Gifts of long-lived assets with specific use restriction and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. The Corporation reports expiration of donor restrictions when the donated or acquired assets are placed in service.

2. Unconditional Promises to Give and Remainder Interests

During 1995, the Corporation initiated a program to raise support for facilities renovation and expansion and to increase permanent endowments. At December 31, 1999, cash and other assets of \$1,852,740 (\$1,815,596 - 1998) had been received along with written pledges to make future gifts of \$154,758 (\$191,903 - 1998). Assets received include gift

annuity contracts held by The Baptist Foundation of Oklahoma. Pledges constitute unconditional promises to give and have been recognized as temporarily restricted support in the current period. Pledges have been valued at the net present value of future cash flows net of an allowance for uncollectible pledges receivable of \$48,316 (\$26,064 - 1998). Pledges receivable have been discounted at 5% which represents an estimated rate of return on long-term investments.

The following summarizes pledges receivable in years ending December 31, 2000 through 2004:

<u>Year Ending December 31,</u>	<u>Total</u>	<u>Present Value</u>
2000	\$43,940	\$43,940
2001	52,778	49,899
2002	6,963	6,147
2003	1,000	840
2004	<u>50,077</u>	<u>40,006</u>
	<u>\$154,758</u>	140,832
Less allowance for uncollectible receivables		<u>48,316</u>
Net receivable		<u>\$92,516</u>

The Corporation is the ultimate beneficiary under certain irrevocable agreements trustee or administered by the Foundation. Under these agreements, income is payable for life or a specified period of time to a beneficiary with the remainder payable to the Corporation. Agreements include gift annuity contracts, charitable remainder trusts and other irrevocable trusts under which the Corporation is a remainder beneficiary. These agreements constitute unconditional promises to give to be recognized as income when the promise is given. Gifts are valued by reducing total assets held by the Foundation by the present value of estimated future income payments over the term of the agreement or life expectancy of the income beneficiary utilizing a 5% discount rate. Based on these factors the present value of these remainder interests were as follows:

3. Transfer of Assets from Baptist General Convention of the State of Oklahoma

During 1993, the Board of Directors of the Convention formed the Baptist Retirement Centers of Oklahoma, Inc. and initiated a plan under which all operating assets of retirement centers operated by the Convention, subject to certain liabilities, were to be transferred to the Corporation. Prior advances to fund retirement centers' operations were reduced to \$2,000,000 and transferred as a note payable to the Convention subject to a five-year moratorium on interest or payments of principal. Transfers were subject to approval by creditors of the Convention, and assets transferred remain pledged as collateral on Convention debt. Final approval was obtained during 1995. Debts for which the Convention remains primarily liable, but which relate to assets included on the Corporation balance sheet, are reported as liabilities of the Corporation.

During 1998, the Board of Directors of the Convention voted to release the Corporation from the \$2,000,000 obligation.

5. Notes Payable

As discussed in Note 3 above, certain assets transferred to the Corporation were encumbered by liabilities. A portion of these liabilities were refinanced in 1999, however, the following note remains a direct liability of the Convention. Under terms of the transfer the Corporation has agreed to fund all required principal and interest payments. Therefore, the liability is recorded on the balance sheet of the Corporation subject to the following provisions.

The Oklahoma Development Finance Authority

Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999

On August 1, 1999, The Oklahoma Development Finance Authority (the Authority) issued its "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999" in the amount of \$16,050,000 with interest at rates ranging from 4.2% to 5.8%. Net proceeds of \$14,135,031 from the bond issue were loaned to the Convention and were used to retire the "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989" (1989 issue). The Convention has executed a note to repay the Authority for its cost under the bond issue and to fund interest and bond retirement. The Convention's liability under the note at December 31, 1999 was \$13,236,474, which is equal to the bond liability net of unamortized issuance costs.

Monthly payments are required by the note in amounts equal to the Authority's debt service for the bonds. Final payment under the note is scheduled for May 2009. The unrestricted gross revenues of the Corporation are pledged as security under the note. The note is further guaranteed by the Convention.

The refinancing resulted in a charge of \$627,501 related primarily to unamortized issuance costs of the defeased issue. This amount has been recognized in the accompanying statement of operations as an extraordinary item.

At December 31, 1998, the Convention's net liability under a note executed as part of the 1989 issue was \$13,876,474. The note was guaranteed by the Corporation and Oklahoma Baptist Homes for Children, Inc. The 1989 issue was retired in its entirety in 1999.

Junior Lien Revenue Bonds, Series 1999, Baptist Retirement Centers of Oklahoma-Hugo Project

On August 1, 1999, the Oklahoma Development Finance Authority (the Authority) issued its "Junior Lien Revenue Bonds, Series 1999, Baptist Retirement Centers of Oklahoma-Hugo Project" in the amount of \$1,635,000 with interest rates ranging from 4.2% to 6.5%. Net proceeds of \$1,477,300 from the bond issue were loaned to the Baptist Retirement Centers of Oklahoma for the remodeling of the retirement center, located at Hugo, Oklahoma, including the provision of an Alzheimer care and physical therapy facility. The Corporation has executed a note to repay the Authority for its cost under the bond issue and to fund interest and bond repayment. The Corporation's liability under the note at December 31, 1999 was \$1,454,140, which is equal to the bond liability net of unamortized issuance costs.

Monthly payments are required by the note in amounts equal to the Authority's debt service for the bonds. Final payment under the note is scheduled for August 2014. The note is secured by a junior lien pledge of the unrestricted revenues of the Corporation which are pledged to the Authority's Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999. The note is further guaranteed by the Baptist General Convention of the State of Oklahoma.

Other Financing

On August 16, 1999, the Corporation borrowed \$290,000 with an initial interest rate of 7.50% from a lending institution to purchase land adjacent to the Tulsa Baptist Village for expansion of the current facility. The note has a maturity date of February 16, 2000, which was extended to April 1, 2000. The Corporation is in the process of obtaining permanent financing for this note.

6. Capital Lease Obligations

As previously discussed in Notes 3 and 5, the Corporation received assets from the Convention subject to certain liabilities. The Corporation has entered into a sublease agreement under terms of the capital lease obligations discussed below.

Tulsa Baptist Retirement Center - On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000.

The lease rental to be paid by the Convention is an amount sufficient to satisfy the bond obligation. The lease is scheduled to terminate by February 1, 2008.

The Convention has the right to purchase the project at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

The following is a schedule of the Tulsa Baptist Retirement Center property under capital lease by major classes at December 31, 1999:

Baptist Retirement Center, Oklahoma City - The Baptist Retirement Center, Oklahoma City was constructed by the Baptist Laymen's Corporation (an affiliate) in 1965 and transferred to the Convention in 1974.

In 1971, the Baptist Laymen's Corporation leased the premises to the Oklahoma Industries Authority (OIA). OIA issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Convention. OIA then subleased the premises to the Baptist Laymen's Corporation for a period of twenty years with payments equal to the annual debt service requirement of the OIA on bonds issued as described below. The Convention has the option to acquire the leasehold estate for an amount necessary to retire all outstanding bonds issued by the OIA.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds are guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Convention has the option to acquire the leasehold estate for the amount required to retire all outstanding bonds issued by the OIA.

The following is a schedule by years of future minimum lease payments under the lease obligations, together with the present value of the net minimum lease payments as of December 31, 1999:

7. Deferred Life Occupancies

Deferred life occupancies relate to rights to occupy duplexes constructed at various retirement centers on land owned by the Corporation. The construction cost of these duplexes was donated and the donors have a rent-free life occupancy in the duplexes. The duplexes have been capitalized at a value approximating total construction costs, and are being depreciated over their estimated useful lives. The deferred liability for the life occupancies, representing future rentals to be provided, is reduced annually for rentals based upon the donor's life expectancy.

8. Pension Plan

All employees of the Corporation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Corporation contributes an amount equal to 10% of administrative employees' salaries. Employee contributions are voluntary. Pension expense for the year totaled \$68,916 (\$63,952 - 1998). Pension costs are funded as incurred.

9. Postretirement Benefits Other Than Pensions

The Corporation provides insured health benefits and life insurance coverage to managerial employees and spouses after ten years of service upon normal retirement. Estimated costs of these benefits are recognized during the employees' active service period.

The following summarizes the funded status of the plan:

	December 31,	
	1999	1998
Accumulated postretirement benefits obligations:		
For retirees	\$ 361,169	\$ 279,831

Accrued postretirement benefit cost	<u>\$ 592,510</u>	<u>\$ 536,756</u>

The net postretirement benefit cost for 1999 is as follows:

Service cost	\$35,640
Interest cost	<u>42,283</u>
Net benefit cost	<u>\$77,923</u>

In determining the obligation under the plan, a weighted average discount rate of 7% and 7.25% were assumed for 1998 and 1999. Health care (premiums) costs were estimated to increase by 9.0% in 1999, with ratable annual reductions until an ultimate rate of 5% is reached in 2008. In calculating the liabilities at January 1, 1999, an increase of 9.0% decreasing to 5% in 2007 was used. Differences in actual results from original assumptions are reflected as an unrecognized loss at December 31, 1999.

Principal affiliates of the Convention and thus the Corporation, are the Baptist Foundation of Oklahoma, Oklahoma Baptist University, Oklahoma Baptist Homes for Children, and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Corporation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year were \$337,063.

11. Leased Facilities

The Corporation leases office facilities from the Convention under a month to month agreement. Expenses in the current year totaled \$27,658. The Corporation anticipates entering into a long-term agreement to sublease office space. Annual rentals are expected to approximate \$33,000.

12. Commitments, Contingencies and Concentrations of Credit Risk

As discussed in Note 3, the Corporation assumed certain liabilities of the Convention as a part of the transfer of assets. In addition, the Corporation has guaranteed notes payable as discussed in Note 5.

The Corporation self insures workers' compensation. Insurance is carried to limit liability on individual and aggregate claims. The Corporation has recognized as expense in the current year the amount of claims paid for the year and an amount to accrue estimated future claims arising from losses in the current period.

From time to time in the course of operations, the Corporation may have cash on deposit with financial institutions in excess of federally insured amounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 1999

NOTE A--ORGANIZATION

Oklahoma Baptist Homes for Children, Inc. ("OBHC") is an Oklahoma not-for-profit organization supported primarily by private donations. OBHC was incorporated in September 1993, and began operations on January 1, 1994, to provide care for children and to provide preventive and redemptive services for children, parents, and families. With donated funds, OBHC operates five homes or other living facilities for children in need and two crisis pregnancy centers. Prior to 1994, OBHC was a division of the Baptist General Convention of Oklahoma, Inc. ("BGCO").

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summarizes certain significant accounting policies followed by OBHC. These policies conform to generally accepted accounting principles:

Contributions: Contributions received, including unconditional promises to give, are recognized as revenues in the period received at their fair values. Contributions made, including unconditional promises to give, are recognized as expenses in the period made at their fair values. Conditional promises to give, whether received or made, are recognized when they become unconditional, that is, when the conditions are substantially met. For financial reporting purposes OBHC distinguishes between contributions of unrestricted assets, temporarily restricted assets, and permanently restricted assets.

OBHC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. If a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, in the same fiscal year as the year of the receipt of the gift, the gift is considered unrestricted. When a donor restriction expires on gifts classified as temporarily restricted, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. All contributed assets are reflected at the fair market value at the date of contribution.

OBHC began a fundraising campaign during 1995 entitled "Building for a Brighter Tomorrow". Amounts received and unconditionally pledged are recorded as temporarily restricted support in accordance with their donor imposed restriction. All proceeds from the fundraising campaign are for renovations to children's homes. Long-term pledges receivable mature within one to five years.

The Baptist Foundation of Oklahoma ("BFO") holds certain funds under gift annuity contracts and other irrevocable trust agreements for which the remainder interest is held for the benefit of OBHC. OBHC is entitled to these remainder interests, which qualify as unconditional promises to give and are recorded at their discounted present value utilizing a 5% rate.

Cash and Cash Equivalents: For purposes of the statement of cash flows, OBHC considers cash on hand and deposits in banks to be cash and cash equivalents.

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

NOTES TO FINANCIAL STATEMENTS--Continued

December 31, 1999

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investments: Investments are accounted for in accordance with Statement of Financial Accounting Standards Number 124, "Accounting for Certain Investments Held by Not-For-Profit Organizations" ("SFAS 124"). SFAS 124 requires investments in equity securities with readily determinable fair values and all investments in debt securities be measured at fair value. The gains and losses on debt and equity securities are reported in the statement of activities as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by donor stipulations or by law.

BFO was created for the purpose of receiving and managing all investments for the various Baptist entities including OBHC. The investments managed by BFO are separated into the following categories:

Endowment - Investments in perpetuity, the income from which is expendable to support the donor imposed restriction, if any.

Restricted - Non-endowment investments for which the principal and income have donor restrictions as to their use.

Custodial - Non-endowment investments for which the principal and income are not donor restricted.

Loan - Non-endowment funds for which the principal and income may be used for providing loans to OBHC alumni.

Investments of the various funds under management of BFO are held in four investment pools, the domestic equity investment pool, the international equity investment pool, the fixed income pool, and the group bond pool. Investments held in the domestic equity investment and international equity investment pools include interest bearing cash, money market accounts, and marketable equity securities. Investments held in the fixed income and group bond pools include interest bearing cash, money market accounts, corporate debt securities, U.S. Government securities, church building loans, net of allowance for doubtful loans, participation in home mission board loans, and accrued interest. Marketable securities held in the pools are recorded at market value. The market value of church building loans is determined as the principal balance less the allowance for doubtful loans. Other investments held outside the investment pool are presented at cost.

Risks and Uncertainties: Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the financial statements.

Concentrations of Risk: OBHC receives the majority of its contributions from residents of the State of Oklahoma.

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

NOTES TO FINANCIAL STATEMENTS--Continued

December 31, 1999

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Fixed Assets: Fixed assets are recorded at cost. The cost and related accumulated depreciation of assets sold or retired are removed from the accounts and the resulting gains or losses are included in the statement of unrestricted revenue, expense and other changes in unrestricted net assets. Maintenance repairs and minor renewals are expensed as incurred. These assets are depreciated over their estimated useful lives using the straight-line method. The following useful lives are used:

Furniture and fixtures	6-20 years
Equipment	6 years
Vehicles	3 years
Buildings and leasehold improvements	10-40 years

Net Asset Classifications: Net assets have been segregated to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the board and of those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions. The following net asset segregations have been established for OBHC:

Unrestricted net assets - Represents resources over which the governing board has discretionary control to use in carrying on the operations of OBHC.

Temporarily restricted net assets - Represents resources currently available for use, but expendable only for purposes specified by the donor.

Permanently restricted net assets - Represents resources for which the principal is to remain intact in perpetuity. The income, allocated under the BFO distribution policy, is expendable either for general purposes or for purposes specified by the donor.

Revenue Recognition: Revenue of OBHC consists primarily of cooperative program distributions, voluntary contributions from Baptist churches throughout the state of Oklahoma and income earned on investments. OBHC's cooperative program distributions are budgeted annually at the discretion of BGCO. In accordance with the accrual basis of accounting, revenue is recognized when earned.

Functional Allocation of Expenses: Expenses are organized in both natural and functional classifications to provide useful information about the costs of significant programs or services provided by OBHC. Costs incurred are either directly related or allocated to a specific program or service.

Workers Compensation Insurance: OBHC is self insured with respect to workers' compensation claims. Monthly payments are made to a self-insured plan established by BGCO. This plan is self-insured to the extent of the excess liability insurance with an employer liability limit of \$1,000,000 per occurrence and a self insured retention of \$190,000 per occurrence.

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

NOTES TO FINANCIAL STATEMENTS--Continued

December 31, 1999

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Income Taxes: OBHC is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from Federal income taxes on related income pursuant to Section 501(a) of the Code.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE G--POST-RETIREMENT EMPLOYEE BENEFITS

OBHC sponsors unfunded post-retirement health care, life insurance and retirement gift benefits. These post-retirement benefits are offered to all full time employees that were hired prior to September 27, 1994.

Effective January 1, 1994, OBHC adopted the provisions of Statement of Financial Accounting Standards No. 106, "Employers' Accounting for Post-Retirement Benefits Other than Pensions." In applying this pronouncement, OBHC immediately recognized the Accumulated Post-Retirement Benefit Obligation ("APBO") as of January 1, 1994, as a transfer from BGCO.

The following tables set forth the plans' funded status reconciled with the amount shown in OBHC's Statement of Financial Position at December 31, 1999 and 1998, respectively:

INDEPENDENT AUDITORS' REPORT

The Board of Trustees
The Oklahoma Baptist University
Shawnee, Oklahoma

We have audited the accompanying statements of financial position of THE OKLAHOMA BAPTIST UNIVERSITY as of July 31, 1999 and 1998, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Oklahoma Baptist University as of July 31, 1999 and 1998, and the changes in its net assets and its cash flows for the years then ended, in conformity with generally accepted accounting principles.

1. Organization and Summary of Significant Accounting Policies

Organization

The Oklahoma Baptist University was created by action of the Baptist General Convention of the State of Oklahoma in 1909 to function as an operating unit of the Convention under supervision of a Board of Trustees elected by that Convention. Articles of Incorporation were filed February 9, 1910 and amended November 25, 1974 with the State of Oklahoma and a charter was granted for a corporation of perpetual duration without capital stock. The purpose of the corporation is to encourage, support, provide and maintain Christian education and to engage in Christian undertakings which are in keeping with the purpose of the Baptist General Convention of the State of Oklahoma.

Summary of Significant Accounting Policies

Basis of Financial Statements -The financial statements of the University have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles, and in conformity with Statement of Financial Accounting Standards (SFAS) No. 116, "Accounting for Contributions Received and Contributions Made", and SFAS No. 117, "Financial Statements of Not-for-Profit Organizations". SFAS No. 116 requires that contributions, including unconditional promises to give, be recognized as revenues in the period received or promised. Conditional promises to give are not recorded until conditions are substantially met. Under SFAS No. 117, information regarding financial position and activities is reported in three classes of net assets based on the existence of or absence of donor-imposed restrictions. Net assets are classified as follows:

Unrestricted - Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Trustees or may otherwise be limited by contractual agreements with outside parties.

Temporarily Restricted - Net assets whose use by the University is subject to donor-imposed restrictions that can be fulfilled by actions of the University or by the passage of time. Assets received with donor-imposed restrictions that the University intends to use and actually uses within the same reporting period as received are treated in the same manner as unrestricted revenues for reporting purposes.

Permanently Restricted - Net assets subject to donor-imposed restrictions that they be maintained permanently by the University. Generally, the donors of these assets permit the University to use all or part of the income earned on related investments for general or specific purposes. Such assets also include the University's beneficial interest in irrevocable trusts held by others.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and revenues and expenses recognized during the reporting period. Actual results could differ from those estimates.

Measure of Operations - The excess of revenues, gains and other support over expenses reflected in the accompanying statement of activities includes substantially all of the activities related to unrestricted net assets.

Cash and Cash Equivalents - Cash and cash equivalents include cash on hand and on deposit in demand and interest-bearing accounts administered by the University.

Investments - The University reports investments in equity securities (with readily determinable fair value) and all investments in debt securities at fair value in the statement of financial position, with gains and losses included in the statement of activities, in conformity with Statement of Financial Accounting Standards (SFAS) No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations". The fair values of investments are generally determined based on quoted market prices or estimates of fair value provided by external investment managers. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year. Investments in real estate and mortgages and notes receivable are recorded at cost.

Income and gains or losses on investments are reported as follows:

Increases in permanently restricted net assets if the terms of the gift that gave rise to the investment or applicable law requires income or gains be added to the principal of a permanent endowment.

Increases in temporarily restricted net assets if the terms of the gift or applicable law impose restrictions on the use of the income and the income will not be used during the reporting period.

Increases in unrestricted net assets in all other cases.

Generally, losses on the investments of restricted endowments reduce temporarily restricted net assets to the extent donor-imposed temporary restrictions on net appreciation of investments have not been met before the loss occurs. Any remaining losses reduce unrestricted net assets, but can be restored through subsequent investment gains.

Contributions Receivable - During the 1995-96 fiscal year, the University initiated the Foundation for the Future Campaign to raise \$25,000,000. The goal of the campaign includes \$10,000,000 for capital improvements, \$10,000,000 for endowment and \$5,000,000 for operations. At July 31, 1999, pledges and cash totaling \$18,325,205 had been received. Contributions receivable are recorded net of an allowance for doubtful receivables of 15% of the pledged contribution and net of a discount. The discount rate is based on the "risk free" treasury rates as quoted on July 31, 1999, and is applied on an annual basis. Significant estimates have been used to predict the future cash flows from pledged contributions. Amortization of the discount is recorded as additional contribution revenue.

The campaign contributions receivable (unconditional promises to give) are included in "Pledges receivable", and are as follows:

	<u>1999</u>	<u>1998</u>
Unconditional promises to give before unamortized discount and allowance for uncollectibles	\$2,312,917	\$2,611,813
Less unamortized discount	<u>105,869</u>	<u>168,814</u>
	2,207,048	2,442,999
Less allowance for uncollectibles	<u>346,938</u>	<u>391,773</u>
Net pledges receivable	<u><u>\$1,860,110</u></u>	<u><u>\$2,051,226</u></u>
Reported in the financial statements as:		
Due in less than one year	\$ 1,130,208	\$ 816,022
Due in one to five years	<u>729,902</u>	<u>1,235,204</u>
	<u><u>\$1,860,110</u></u>	<u><u>\$2,051,226</u></u>

Gifts of land, building and equipment and other long-lived assets are reported as unrestricted support unless explicit donor stipulations specify how or how long the donated assets must be used, in which case the gift is reported as restricted support.

Educational Plant - Plant facilities are stated at cost less accumulated depreciation or, if received as a gift, at fair value or appraised value at the date received, less accumulated depreciation. Generally, improvements, renovations, and equipment purchases in excess of \$500 are capitalized. Depreciation is recognized on a straight-line basis over the estimated useful lives of buildings and improvements (50 years) and equipment and software (10 years) beginning in the year following the year of acquisition. Library materials, consisting of books, periodicals, microfilm, and electronic media, are recorded at cost less accumulated depreciation. Depreciation is recognized on a straight-line basis over an estimated useful life of 20 years beginning in the year following the year of acquisition.

Inventories - Inventories are stated at cost.

Student Notes Receivable - Of the \$1,106,398 of notes receivable under student loans, \$894,862 has been made to students under U. S. Government loan programs. The loans are stated at net realizable value in the accompanying statements. It is not practicable to estimate the fair value of these receivables since they contain federally mandated interest rates and repayment terms subject to significant restrictions as to their transfer and disposition.

Funds Held in Trust by Others - Funds held in trust by others represent amounts held for the beneficial interest of the University under irrevocable perpetual trust agreements between donors and third-party trustees. The University's interest in the trusts are recorded at the fair value of the net assets of the trusts, with net increases or decreases in fair value during the year being reported as changes to permanently restricted net assets. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year.

Remainder Interest in Trusts - Remainder interests in trusts represent amounts held in trusts by others that will be transferred to the University. Upon the death of the current beneficiaries, these assets generally will become permanently restricted net assets of the University.

Amortization of Postretirement Benefits (Note 10) - The University's net benefit obligation at August 1, 1995 (the date of adoption of SFAS No. 106, "Employers' Accounting for Postretirement Benefits Other than Pensions") is being amortized on a straight-line basis over a 20-year period.

Advances Under Federal Loan Programs - Funds provided by the U. S. Government primarily under the Federal Perkins Loan Program are loaned to qualified students and may be reloaned upon collection. These funds are ultimately refundable to the government, and are reported as permanently restricted net assets.

Tuition, Fees and Scholarships - Scholarships, including those awarded from designated or restricted resources, and tuition discounts granted to employees and their dependents are reported as a deduction from tuition and fees. Prepaid tuition and other deposits represent payments received before the services or products are provided by the University.

Expenses and Other Activity - Expenses are generally reported as decreases in operations (unrestricted net assets). Temporarily restricted net assets for which donor-imposed conditions are met are reclassified to unrestricted net assets and reported as net assets released from restriction. Net assets released from restrictions generally represent expenses in excess of budgeted amounts that meet the donor-stipulated purpose and/or the stipulated time period has elapsed and capital expenditures made pursuant to donor specifications. Permanently restricted net assets reclassified to unrestricted or temporarily restricted net assets represent changes in restrictions specified by the donor.

The costs of providing the various programs and supporting activities of the University have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated based on total personnel costs or other systematic bases.

Income Taxes - The University is exempt from Federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. If the University earns monies not in accordance with its primary purpose, such earnings, known as unrelated business income, are subject to Federal income taxes.

Trusts administered by The Baptist Foundation of Oklahoma (C)	\$57,262,607	\$40,064,676
Louise M. Prichard Trust (A)		11,723,105

- A. The Prichard Trust included three individual beneficiaries in addition to the University. During the fiscal year ended July 31, 1999, the trustee purchased gift annuities to provide the individual beneficiaries with their life benefit interest. This transaction modified the Prichard trust into a solely charitable trust with The Baptist Foundation of Oklahoma as trustee for the benefit of the University. The Prichard Trust is included in trusts administered by The Baptist Foundation of Oklahoma at July 31, 1999.
- B. During the year ended July 31, 1998, the beneficiary of these trusts passed away and the University became the sole beneficiary. Trust number one which had a fair value of \$2,587,400 as of July 31, 1998, was distributable to the University on the date of death; however, the transfer of funds had not been made as of July 31, 1998. The transfer was accomplished during the year ended July 31, 1999. There are no restrictions on the use of these funds and they are included in unrestricted net assets.

Trust number two which had a fair value of \$2,695,531 as of July 31, 1998, remains under the trusteeship of Arvest American National Bank and Trust Company, Shawnee, Oklahoma until March 1, 2008. Until that date, this trust will continue to provide scholarship support for students from Pottawatomie, Lincoln, and Seminole county high schools who attend the University. On March 1, 2008, the funds will become distributable to the University with no restrictions on their use. These funds are included in temporarily restricted net assets.

- C. \$16,759,755 of the funds administered by The Baptist Foundation of Oklahoma list the University as the trustee. The University has placed these funds with The Baptist Foundation of Oklahoma for investment.

Investment and Endowment Income - Investment and endowment income consist primarily of interest, dividends, gains and appreciation from assets held by others.

Assets held by The Baptist Foundation of Oklahoma as trustee or in a custodial capacity are predominantly pooled investment interests consisting of approximately 60% equity and 40% fixed income investments. These assets are carried at fair market value. In addition, the Foundation holds mineral interests, real estate and mortgages which are recorded at contributed value. Realized and unrealized gains in excess of the amount distributed to the University are either added to historical corpus or to a stabilization pool which may be added to corpus or distributed for future expenditure by the University.

The following is the composition of investment earnings for the year ended July 31, 1999:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Unrealized gain on investments (exclusive of Prichard Trust transactions)	\$741,391	\$3,114,840	\$820,570	\$4,676,801

5. Capitalized Lease Payable - Oklahoma Baptist University Authority

The University entered into a lease with Oklahoma Baptist University Authority in December 1979, to obtain funds to construct a health, physical education, recreation and activities complex; to remodel the Brotherhood and W. M. U. Memorial Dormitories and the Clark Craig Field House; to finance computer facilities; and to pay existing indebtedness. The Authority obtained funds for these improvements by issuing \$7,640,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1979". Assets totaling approximately \$7,400,000 have been constructed or purchased under this lease. These assets are included with other educational plant assets.

The lease was amended on June 1, 1985, to obtain funds to finance a portion of the construction of the science building, married student housing, and a campus ministries center, and the renovation of Kerr Dormitory, the Theater annex, Montgomery and Thurmond Halls, and Parkway and Jent Apartments. The Authority obtained funds for these projects by issuing \$5,300,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1985". The remainder of the costs of these projects was financed

by funds raised in a special fund raising campaign and by University resources. Assets totaling approximately \$6,600,000 have been constructed, renovated or purchased under this amendment. These assets are included with other educational plant assets.

On May 18, 1988, the Authority issued \$11,800,128 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1988". The proceeds of these bonds were used to defease in substance the Series 1979 and Series 1985 bonds. The lease with the Authority was amended during May 1988, to allow for the change in sinking fund requirements under the new bonds.

The lease was amended on August 1, 1989, to obtain funds to finance the construction and furnishing of student apartments, purchase of a new telephone system, acquisition of land adjacent to the campus, refinancing of some existing loans, and completion of other miscellaneous projects. The Authority obtained funds for these projects by issuing \$3,400,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1989". Assets totaling approximately \$2,659,585 have been constructed or purchased under this amendment. These assets are included with other educational plant assets. Proceeds totaling \$288,691 were used to pay the balance due on the note payable to The Baptist Foundation of Oklahoma.

On May 21, 1992, the Authority issued \$8,282,809 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1992". The proceeds of these bonds were used to defease in substance \$7,038,128 of the \$9,988,128 outstanding Series 1988 bonds. The lease was amended during May 1992, to allow for the change in sinking fund requirements under the new bonds.

The lease was amended on September 1, 1996, to obtain funds to finance a portion of the construction of a new 156-bed women's dormitory. The Authority obtained funds for this project by issuing \$2,500,000 in bonds titled Oklahoma Baptist University Revenue Bonds, Series 1996A. The remainder of the cost of the construction was financed by gifts and University funds. The dormitory and its furnishings cost approximately \$3,200,000 and are included with other educational plant assets.

On June 10, 1999, the Authority issued \$2,380,000 in revenue bonds to refund in advance \$2,095,000 of Series 1989 bonds and to provide the University with \$248,388 to be used for campus projects. The lease with the Authority was amended during June 1999 to allow for the change in sinking fund requirements under the new bonds.

6. Operating Leases

Airport Property (parking lot) - The University entered into a lease agreement on March 1, 1995, as lessee, with the City of Shawnee (City) for property at the Shawnee Municipal Airport (Airport). The lease is for a period of twenty-five (25) years, with an option to negotiate for an additional period of time at the lessee's option, provided that any new lease is in accordance with the then established fee and rent policies of the City.

The lease required a payment of \$15,000, and for the University to perform the following within three (3) years of the date of the lease:

1. Remove existing Airport building No. 24,
2. Remove existing Airport improvements consisting of underground fuel storage tanks described as Airport Improvement No. 23, including meeting any and all Environmental Protection Agency compliances and costs associated with the demolition of said building and storage tanks at no cost to the City,
3. Remove and reconstruct an automobile parking lot on Tract I (land consisting of approximately 91,834 square feet) described as Airport Improvement No. 22,
4. Provide landscaping of Tract II (land consisting of approximately 191,194 square feet), which property lessee shall have access to use until such time as the City deems the property needed as required under its obligations to the Federal Aviation Administration.

The expenses of the above requirements are estimated to approximate \$466,035. The lease provides for reimbursement of such costs by the City to the University in the event the City terminates or cancels the lease within certain periods, as follows:

Within five (5) years	100%
Five (5) years, but less than ten (10)	75%
Ten (10) years, but less than fifteen (15)	50%
Fifteen (15) years, but less than twenty (20)	25%
Twenty (20) years or more	None

The costs incurred will be capitalized as prepaid rent or leasehold improvements and amortized over the remaining life of the lease. Through July 31, 1999, the University's cost has been \$317,181. The University had additional improvements underway on the property on July 31, 1999.

Airport Property (physical plant) - The University leases land upon which the maintenance department offices and shops were constructed. This operating lease is for a period of 25 years beginning in 1977, and contains an option to renew at the end of the lease. The total rental expense is approximately \$3,000 per year, and the future minimum rental payments total \$12,750 through the year 2003.

Xerox - The University leases several copiers and facsimile machines from Xerox. The annual cost of the leases is approximately \$83,820 (\$6,985 per month). The terms of the leases range from three to six years.

7. Bookstore Lease

Effective December 1, 1995, the University entered into a five (5) year lease renewal with Barnes and Noble Bookstores, Inc. for the operation of the bookstore. The University will receive as rental income a percentage of sales with a guaranteed annual minimum of \$75,000. In addition, Barnes and Noble paid \$50,000 when the contract was extended.

8. Financial Instruments and Concentrations of Credit Risk

At July 31, 1999, the University had certain concentrations of credit risk with several financial institutions in the form of uninsured cash and time deposits which amounted to approximately \$203,230 (1998 - \$838,197). For purposes of evaluating credit risk, the stability of financial institutions conducting business with the University is periodically reviewed and management of the University believes that credit risk related to these balances is minimal.

9. Retirement Plans

Pension Plan - The University provides a defined contribution plan that covers substantially all of its full-time employees. Under the plan, the University contributes an amount equal to 6% of the participating employees' salaries. Employee contributions are voluntary. Total pension contributions for the year ended July 31, 1999, was \$461,483 (1998 - \$446,908). The University's policy is to fund pension cost as it is incurred.

Other Benefit Plan- The University also provides an OBU Executive Benefit Plan, covering certain key employees, which provides for benefits payable upon death or termination of employment. This plan is funded in the amount of approximately \$243,887, and the assets are included in the money market account deposited with the Annuity Board of the Southern Baptist Convention, which is reported as an unrestricted asset. The liability is included in accrued expenses. Total contributions for the year ended July 31, 1999, were \$25,000 (1998 - \$65,000). The maximum amount that can be accrued for each employee is limited to two years' salary. The University's policy is to fund such cost as it is incurred.

10. Postretirement Benefits

Exempt employees who retire after a minimum of fifteen years of service and have reached the age of 55 at the time of retirement are eligible to receive postretirement benefits in the form of medical insurance coverage until they reach the age of 65. Upon reaching age 65, the retiree is eligible to receive a Medicare supplement insurance policy for life. Employees who retire after a minimum of fifteen years of service and have reached age 55 at the time of retirement are eligible to receive postretirement benefits in the form of term life insurance. The University recognizes postretirement benefits on an accrual basis as employees perform services to earn such benefits. The plan is not funded. The University is amortizing the transition obligation resulting from this accounting change over 20 years beginning August 1, 1995. The accrued postretirement benefit cost, which is included in accrued expenses, as of July 31, 1999, is as follows:

Accumulated postretirement benefit obligation	\$1,901,200
Plan assets at fair value	<u>None</u>
Accumulated postretirement benefit obligation in excess of plan assets	1,901,200
Unrecognized net gain or (loss)	263,517
Unrecognized prior service cost	None
Unrecognized transition obligation	<u>(1,302,696)</u>
Accrued postretirement benefit cost	<u><u>\$862,021</u></u>

Postretirement benefit expense for the year ended July 31, 1999, was \$274,589 (1998 - \$260,616) and includes \$72,212 service cost, \$126,401 interest cost, and \$81,418 amortization of transition obligation, less \$5,442 of recognized gain.

For measurement purposes, a 9.0% increase in the per capita cost of covered medical care benefits was assumed for 1999. The rate was assumed to decrease to 5% for the year 2007 and remain at that level thereafter. The medical care cost trend rate assumption has a significant effect on the amounts reported. To illustrate, increasing the assumed medical care cost trend by 1% in each year would increase the accumulated postretirement benefit obligation as of July 31, 1999 by \$272,763 and the aggregate of the service and interest cost components of the net periodic postretirement benefit cost for the year then ended by \$38,045.

The discount rate used in determining the accumulated postretirement benefit obligation was 7% for the year ended July 31, 1999.

11. Tulsa Royalties Company

During 1991, the University accepted a gift of the mineral assets of Tulsa Royalties Company as partial payment of a pledge used for the construction of the new School of Business building. Tulsa Royalties Company (a public charity) remains intact as a separate corporation, having directors in common with the University. The financial statements of the Company are combined with the financial statements of the University. When control of the board was changed, the informal appraisal of the mineral interests was made at \$1,500,000. The University has used that figure as the cost basis and has used the "sum of the years digits" method over an estimated ten year life to record the depletion of the mineral assets. The value of the mineral interests net of accumulated depletion is stated at \$126,949 (1998 - \$115,908) as part of the long-term investments. The income from Tulsa Royalties is unrestricted.

14. Cumulative Effect of Change in Accounting for Library Materials

For the year ended July 31, 1998, library materials were recorded at cost less accumulated depreciation. Depreciation is recognized on a straight-line basis over a life of 20 years with no residual value. In prior years, library materials were recorded at an amount equal to the cost of books, periodicals, microfilm, and electronic media acquired during the previous 10 years, plus a residual value of \$5 per volume for those volumes which had been in the collection longer than ten years. The new method of accounting for library materials was adopted to more accurately match periodic costs to the economic value of such assets. The effect of the change was to decrease the change in net assets by \$963,265 for 1998, which represents the adjustment resulting from retroactive application of the new method to library material acquisitions of prior years.
