At any continued meeting at which a required number of trustees shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

3.14. Notice of Continued Meetings. Notice of the time and place of holding an adjourned meeting which is to be continued at a later date need not be given to absent trustees if the time and place is fixed at the adjourned meeting.

3.15. Telephonic Meetings. Members of the Board of Trustees, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone or similar communications equipment that enables all persons participating in the meeting to hear each other. 3.16. Action Without Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at a meeting of the Board of Trustees or of any committee thereof may be taken without a meeting, if a written consent to such action is signed by all members of the Board or of such committee as the case may be, and such written consent is filed with the minutes of proceedings of the Board or committee.

10.03. Authorization of Indemnification. Any indemnification under Section 10.02 of this Article (unless ordered by a court) shall be made by the Corporation upon a determination that indemnification of the trustee, officer, employee, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 10.02. Such determination shall be made by the Board of Trustees by a majority vote of a quorum consisting of trustees who were not parties to such action, suit or proceeding; or if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested trustees so directs, by independent legal counsel in a written opinion.

10.04. Non-Exclusive Indemnification. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the law of the State of Oklahoma, as now or hereafter enacted; the Certificate of Incorporation; any agreement; and any insurance purchased by the Corporation. 11.03. Disclosure of Conflict of Interest. The fact that such trustee or officer has a conflict of interest shall be disclosed or shall be known to all of the trustees, or to such members thereof as shall be present at any meeting of the Board of Trustees at which action upon any such contract, transaction or act shall be taken. The minutes of such meeting shall reflect that a disclosure was made and that the trustee or officer having a conflict of interest declared such conflict of interest.

ARTICLE XII DISSOLUTION

Upon final dissolution of the Corporation or disbanding of the Corporation, title to the remaining assets of the Corporation shall be vested in the Baptist General Convention of the State of Oklahoma. In the event the Baptist General Convention of the State of Oklahoma shall not be an organization qualified as exempt under Section 501(c)(3) of the Internal Revenue Code upon dissolution or disbanding of the Corporation, then the remaining assets of the Corporation shall be distributed to such other like organizations which then qualify as an exempt organization or organizations under Section 501(c)(3) of the Internal Revenue Code, as the Board of Trustees of this Corporation may select and designate; and in no event shall any of said assets or property, in the event of dissolution thereof, go or be distributed to any private individuals, either for the reimbursement of any sum subscribed, donated, or contributed by such private individuals, or for any other purpose.

They may be repealed, amended, or added to, at any meeting of the Board of Trustees by the affirmative vote of a majority of the trustees attending such meeting, or by written assent of a majority of the trustees, so long as such amendments are not inconsistent with law, and so long as such amendments do not disqualify the Corporation under Section 501(c)(3) of the Internal Revenue Code, as amended, or the corresponding provision of any future United States Revenue Law; except that Sections 3.01, 3.03, 3.04.A, 3.07, 7.05, 9.02, 9.03, and 16.01 of these Bylaws may not be amended without the approval of the Board of Directors of the Baptist General Convention of the State of Oklahoma.

The Executive Committee shall receive from the Secretary annually in July the record of attendance and participation by all Board members during the fiscal year preceding. In the event that a trustee has failed to meet the responsibilities of service, the committee shall

request from the trustee an indication of his desire for continuing service on the Board or his intention to resign in light of the circumstances and report his response to the Chairman of the Baptist General Convention of Oklahoma's Nominating Committee. The Executive Committee shall at all times be subject to and governed by the Board of Trustees of the University.

Administrative Committees: There shall be five standing administrative committees of the Board: Academic Affairs Committee, Business Affairs Committee, Development Committee, Student Development Committee, and the Spiritual Life Committee. All Trustees shall disclose to the Board any possible conflict of interest at the earliest practicable time. No Trustee shall vote on any matter, under consideration at a Board or committee meeting, in which such Trustee has a conflict of interest. 46. Suzy Bender, student at OBU and member of First Church, Ada, read Philippians 1:2-6.
47. Nathan Funk, student at OBU and member of First Church, Clinton, led the opening prayer.
48. Bill Green led the congregation in singing "Holy, Holy, Holy" and "Standing on Holy Ground."
49. In his report on Oklahoma Baptist University, President Mark Brister recounted an observation by the corporate executive of a large company in an address to the OBU School of Business. The businessman emphasized that a relationship requires tremendous trust and a higher standard of accountability than a contract. Brister expressed appreciation for the relationship between OBU and BGCO for the past 90 years. Erin Kennedy, OBU Student Government Association president, spoke of life as a student at OBU. Brister recognized the top five churches in the following categories: most students currently enrolled at OBU; most new students in the fall semester; and leaders in providing scholarships to OBU students.
50. Rue Scott reported on Partnership Missions, indicating that 225 Oklahoma Baptists from 55 congregations had traveled to Malawi. He introduced Emmanuel Phiri, president of the Baptist Convention of Malawi. Phiri expressed gratitude to God for the partnership. Goals of the Malawi Convention were for each church to plant one new congregation each year and to send five students for postgraduate studies each year to strengthen the ministry base. Phiri invited President-elect Wendell Lang to attend the thirtieth anniversary celebration of the Baptist Convention of Malawi the next year.

Scott noted that 839 members from 52 Oklahoma churches had participated in the Phoenix partnership. Bill Agee, director of missions, Arizona's Central Baptist Association and director of the partnership in Phoenix, reported that in the past year 60 new congregations had been started; professions of faith had increased 152 percent; and baptisms had increased 151 percent. In appreciation for the partnership Agee presented a glass cactus to Jordan, Scott and each team leader.
51. A video highlighting the efforts of the Falls Creek *For the Sake of the Call* campaign was shown. Jordan stated that due to generous contributions by BGCO staff, young people at Falls Creek and a substantial lead gift (details of which could not yet be revealed) the fund amounted to \$6.5 million before the official start of the campaign. He thanked the leaders of the campaign as well as donors.
52. Highlights of the work of the Baptist General Convention featured in a video report included "New Joy," the church start led by Jerone Roland; the state Evangelism Conference, with a record attendance of 7,000 and 37 saved; groups from BGCO Baptist Collegiate Ministries helping churches around the state develop creative ways to tell people about Jesus; and the Edna McMillan State Missions Offering television campaign featuring Mary Lou Retton that resulted in 128 salvations.
53. Bill Green led the congregation in singing "All Hail the Power of Jesus' Name," "Praises to Your Name" and "Oh, How I Love Jesus."
54. Robinson announced there would be a fellowship after the service for those who had participated in partnerships in Malawi and Phoenix and others interested in participating in a partnership. He introduced Executive Director-Treasurer Anthony Jordan to deliver his convention address following special music.
55. The ensembles from OBU led worship in song.
56. Jordan challenged Oklahoma Baptists to carefully examine their relationships and ministries. The text, Hebrews 10:23-25, called for listeners to consider how to encourage one another to love and good deeds. He noted four areas that demand careful attention in order for Baptists to continue to have maximum impact in Oklahoma and the world: (1) spiritual awakening, (2) Sunday School, (3) church planting and (4) Cooperative Program.
57. Jordan presented outgoing officers with plaques and thanked them for their service.
58. David Freeman, recording secretary, moved that the Board of Directors of the Baptist General Convention of Oklahoma be authorized to transact unfinished or new business during the time the convention is not in session; and that the president and recording secretary be authorized to sign documents of the Baptist General Convention of Oklahoma with required signatures.

The motion was approved.
59. Larry Breedon, pastor, First Church, Arcadia, closed the session with prayer, and Robinson declared the meeting adjourned.

Registration was 1,036.

Board of Directors Report

REPORT OF THE BOARD OF DIRECTORS BAPTIST GENERAL CONVENTION OF OKLAHOMA

Each year in annual session, the State Convention authorizes the Board of Directors to transact convention business between sessions. The President and Recording Secretary are entrusted with the responsibility to sign legal documents of the convention when signatures are required.

This report consists of actions taken by the board subsequent to the 1999 annual meeting. Regular meetings of the board were held on February 1, May 23 and September 26, 2000. A called meeting was held on August 29, 2000.

To effectively accomplish its tasks in 1999-2000, the board was organized into three committees. The Church & Family Equipping Committee was comprised of the Education & Family Ministry Workgroup and the Worship/Music Workgroup. The Church Outreach Committee was comprised of the Collegiate Ministries Workgroup and the Evangelism/Missions Workgroup. The Support Services Committee was comprised of the Baptist Messenger, Budget, Conference Centers, Personnel and Special Services Workgroups. The President and Vice Presidents in consultation with the Executive Director-Treasurer determined the committee assignments.

The Board of Directors approved the following committee appointments, which were announced at the February meeting.

Ex officio members were Deborah Brunt, Dave Clippard, Robert Haskins, Frank Johnson, Anthony Jordan, Jimmy Kinnaird, Ted Lam, Sam Porter, James Robinson and Ray Sanders.

The group met January 21, 2000, to consider and evaluate allocations requests. The allocations totaling \$740,000, with a challenge goal of \$805,000 were approved by the Board of Directors (Action No. 1, February report of the Church Outreach Committee). The theme selected for the 2000 campaign was “Now and Forever!” and the Scripture reference was Philippians 1:3, 5, 6.

Baptist Collegiate Ministries Study Group—Committee members were Mark Becton, chairman; Robin Cowin (until November 1999), Keith Jacobs, Tim Richardson, and Pam Whitley from the Collegiate Ministries Workgroup; DOMs Tom Owens, Cimarron Association; Lonnie Latham, Tulsa Metro Association; and Wade Robertson, LeFlore Association; and BCM Campus directors Jim Morrison, Weatherford; Steve Lewis, Tulsa; John Heath, Durant; and Charles Lillard, Edmond.

Native American Task Force—The Native American Task Force met for the first time in April and was expected to conclude its work in October. In the initial meeting Anthony Jordan outlined topics for the task force to address and also asked them to expand the horizons and consider every potential issue that would enhance the ministry of and to Indian churches. Issues for discussion included (1) evangelization and congregationalization of Native Americans in Oklahoma; (2) strengthening of existing Indian work; (3) Indian Falls Creek; (4) coordination of ministry to and with Indian churches; (5) strengthening the relationship of the BGCO with our Indian churches so they become full-fledged participants in the BGCO, developing mission involvement and mission giving. The Executive Committee

The Bylaws call for an Executive Committee to act for the Board of Directors when the Board of Directors is not in session and to perform such duties as may be referred to it for action from time to time by the Board of Directors. In addition, the Executive Committee is authorized to take such action that, in the judgment of the executive director-treasurer and the elected officers of the convention, requires action before the next meeting of the Board of Directors. Such action, however, is subject to ratification by the Board of Directors. The Executive Committee makes recommendations and reports to the Board of Directors on matters pertaining to specific assignments by the Board of Directors; encourages and supports the Executive Director in his work; and serves as in “interagency” committee. The 1999-2000 Executive Committee consisted of the convention President, Vice Presidents, Executive Director-Treasurer, Recording Secretary and the chairpersons of the three board committees.

The committee met February 1, March 9, May 18, May 23 and September 25, 2000, and participated in a teleconference call August 2.

- (2) In the event Cooperative Program income for 2001 does not reach the \$20,550,000 objective, distribution to the BGCO, institutions and agencies, including the Southern Baptist Convention, will be proportionately adjusted.
- (3) In the event Cooperative Program receipts for 2001 exceed \$20,550,000 by 5 percent or less, the Executive Director-Treasurer is authorized to distribute Oklahoma's portion. If receipts are greater than 5 percent over budget, the Executive Director-Treasurer will recommend through the Support Services Committee to the Board of Directors the distribution of Oklahoma's share.

3. Falls Creek Lease Agreement Revised—Directors authorized revisions to the Falls Creek Lease Agreement.

4. BGCO Church Annuity Plan Eligibility Guidelines Amended—The board approved revisions to the BGCO Church Annuity Plan Eligibility Guidelines.

Each state convention establishes its own eligibility guidelines to contribute matching funds for participants in the Church Annuity Plan. Money provided by BGCO to a member's annuity plan comes from cooperating churches through undesignated Cooperative Program receipts and designated Oklahoma Missions funds.

Explanations and BGCO requirements are as follows:

Paid ministerial staff have no minimum time requirement. Non-ministerial staff must work a minimum of 20 hours per week and have three years of paid Southern Baptist service to participate in the Plan. (The church may waive the three-year waiting period for participation; the waiting period would apply only to any state convention contributions.) Employees of church operated schools and day care centers may participate in the Church Annuity Plan. However, they are ineligible to receive BGCO matching funds.

A church must cooperate with and contribute to the work of the convention (Constitution and Bylaws, Article II, Section 1).

Each church must contribute annually through the Cooperative Program a sufficient amount to cover the convention's cost for matching funds for all its participants as well as the amount going to SBC causes. Oklahoma's SBC percentage is 40 percent. Our affiliates receive 21.1 percent leaving 38.9 percent for BGCO missions ministries. Beginning January 1, 2001 the minimum requirements are as follows:

<u>Participants</u>	<u>Minimum CP Gifts</u>
1	\$1,200
2	\$2,400
3	\$3,600
4	\$4,800
5	\$6,000
6	\$7,200

These minimum amounts must be met before any funds are available for missions ministries within Oklahoma.

Each church is encouraged to give an adequate and God honoring amount to the Cooperative Program. However, churches that become ineligible due to insufficient CP contributions may elect one of the following options:

1. Increase CP giving to the minimum level required for participation.
2. Reduce the number of participating employees in order to meet the minimum requirements without increasing CP gifts.
3. Temporarily discontinue participating in the Church Annuity Plan.

Churches with insufficient CP contributions to meet minimum requirements for participation in the Church Annuity Plan will be notified annually. If the church does not increase CP contributions to the minimum level of participation within three months, the church becomes ineligible to participate in the Plan. The BGCO annuity office will notify the church and the Annuity Board in that event. Upon receipt of adequate funds the church and participants in the Church Annuity Plan will automatically be reinstated.

September Report—

1. Prayer and Spiritual Awakening Position to be Established—The board agreed to add the position of Prayer and Spiritual Awakening Specialist as funds become available.

2. 2001 Cooperative Program Budget Increased—Based upon the 2000 Cooperative Program giving pattern and the conservative CP goal for 2001, directors voted to amend the Oklahoma Program Ministries Budget as follows:

- (1) The 2001 Cooperative Program budget objective was increased from \$20,550,000 to a revised total of \$21,700,000.
- (2) The 2001 budget was adjusted to reflect a \$425,000 increase in medical insurance costs.
- (3) \$39,527 from the Cooperative Program budget increase was designated to be applied to Prayer and Spiritual Awakening position.

OKLAHOMA BAPTIST HOMES FOR CHILDREN

Tony Kennedy, President

The tornadoes that devastated parts of the Oklahoma City metro area on May 3, 1999, came within one mile of the Oklahoma City campus, but we are thankful that all the children were safe and the campus was not damaged. The next day, a group met in Oklahoma City to begin planning for the 100th anniversary of Oklahoma Baptist Homes for Children. The Centennial Celebration will take place in 2003, commemorating 100 years of ministry to children and families.

In 1999 the number of OBHC trustees was increased to 26, and two special events occurred that demonstrate our desire to provide quality educational experiences for children. One was a trip to Washington, DC and the surrounding area. The students who went on the trip gave it very high marks in the areas of education, motivation and inspiration. The second event was the OBHC President's Leadership Conference at Oklahoma Baptist University. Students in our care learned leadership skills, communication techniques and etiquette. Following the training the students hosted a banquet, where they planned and presented a program for trustees and other special guests.

Ministry Programs

• Residential Care

In 1999, 253 children lived in residential care on the four OBHC campuses in Oklahoma City, Edmond, Owasso, and Madill. The campuses received 1,217 calls for help. Seven babies were born through the ministry of Hope Home, a maternity home for teenage girls.

• Adoption and Foster Care

OBHC provides adoption services to members of Oklahoma Southern Baptist churches who have been recommended by their pastor. OBHC completed six adoptions in 1999. Eight children lived in foster care.

• AfterCare

AfterCare continues OBHC's relationship with children after they have left residential care. Services include educational scholarships, alumni loan funds, and ongoing relationships and encouragement as long as an alumnus desires.

• Crisis Pregnancy Centers

The Crisis Pregnancy Centers in Oklahoma City and Tulsa are available to women who need assistance during an unplanned pregnancy. In 1999, the Centers ministered to 2,138 teenagers and young women.

• Public Education

Baptist Advocates for Children is a network of volunteers in Oklahoma's Southern Baptist churches. Advocates are equipped to assist children experiencing significant difficulty or crisis. At the end of 1999 there were 235 advocates across the state. HelpLine is a ministry that provides information, referrals, and assistance in finding appropriate services for children and their families. HelpLine received 850 calls for

information and assistance or prayer requests in 1999.

Religious Decisions

The four residential campuses reported 76 religious decisions in 1999. The Crisis Pregnancy Centers reported that they shared the Gospel with 417 people, with 47 receiving Christ.

BAPTIST RETIREMENT CENTERS OF OKLAHOMA

William M. Pierce, President

An Oklahoma Leader

As the state's largest not-for-profit provider of retirement community services, we are dedicated to honoring God by providing quality housing and compassionate healthcare in a Christian environment. We have been an Oklahoma leader for more than 40 years.

A health change doesn't mean an address change.

BRCO provides a wide range of services through a "continuum of care" concept that is continually expanding. Services include independent living, personal care, assisted living, nursing centers, home health care, adult day care and medical equipment. We are located in seven Oklahoma cities and minister to more than 1,500 older adults each day.

An Adult Day Care Center is born.

The newest ministry in the BRCCO continuum of care is an Adult Day Care Center located at Southern Hills Baptist Church in Oklahoma City. In a unique relationship that brings together Baptist Retirement Centers of Oklahoma, The Daily Living Centers, Inc., and Southern Hills, adult day care is provided on a church campus. The center is open five days a week, enabling families who care for older adults to continue to work or engage in other activities during the day. The center plans to have a seven-day program in the future. A full program is provided. The church is involved in ministry to older adults and their families on Sunday and throughout the week.

Bradford Park

A new active seniors' housing development is now under construction at Baptist Village, Owasso. Bradford Park, on a 32-acre site, is a patio home community designed for active adults' age 55 and older. Overlooking a three-acre lake, Bradford Park is complete with fountains, walking trails and gazebos. Two- and three-bedroom patio homes with one- and two-car garages are available. A porch in the front and a patio in the back bring a variety of options and decorating choices to each home.

Caring For Your Aging Parents

A new seminar series, *Caring for Your Aging Parents*, is being offered in the Oklahoma City and Tulsa areas. The seminar, under the direction of Chris Finley, director of chaplain services, enables median-age adults to understand the needs of aging parents and be educated regarding the resources that exist to assist.

Baptist Home Health Care

Baptist Home Care offers older adults not living on a BRCCO Campus the opportunity to access services. The ministry, directed by Pam Clay, provides nursing, therapy, homemaker and other services in a person's home. Services are available in the Oklahoma City and Tulsa metro areas.

Adams Senior Care Fund

Among those who are served through the BRCCO ministry are people who have depleted their funds. These residents, often the church's frailest, poorest and most dependent brothers and sisters in Christ, need our help. The Adams Care Fund is used to subsidize the cost of housing and health care for those servants of God who find themselves without the financial means to meet their physical needs during the retirement years. The fund is provided through the generous contributions of people who care.

Robert L. Ross, President

The Baptist Foundation of Oklahoma is the incorporated trust agency of the Baptist General Convention of the State of Oklahoma. All endowment gifts received by or for the Convention and its agencies and institutions are transferred to the Foundation for management. No Convention entity holds and/or manages its own endowment funds.

As of December 31, 1999, assets held by The Baptist Foundation of Oklahoma totaled \$226,957,990. New gifts received during the past audit year were \$26,902,561.

As trustee for endowment gifts for Oklahoma and Southern Baptist causes, The Baptist Foundation of Oklahoma distributed \$9,456,033 on behalf of approximately 165 beneficiaries during the past year. These beneficiaries include churches, associations, international, North American and state missions, the Baptist General Convention of Oklahoma, Baptist Retirement Centers of Oklahoma, Oklahoma Baptist Homes for Children, Oklahoma Baptist University, the Southern Baptist Convention and individuals who receive income from trusts during their lifetime.

The Foundation's Board of Directors is composed of 20 business and professional people from across the state, each serving a four-year term. The directors are organized into four functioning committees. These committees are audit and trust administration; estate stewardship and promotion; foundation loan services and real estate; and investment. The chairpersons of each of these committees constitute the executive committee. In addition, there are five individuals who serve as advisors to the Foundation's Board of Directors.

Board members are: Joe Bowie, Oklahoma City; W. Lee Brown, McAlester; Chris L. Condley, Muskogee; Daniel H. Doak, Tulsa; Stephen Carmack, Hinton; Marvin Knox, Stratford; Randy J. OKLAHOMA BAPTIST UNIVERSITY

Mark A. Brister, President

Growth of international mission involvements and continued recognition for academic quality highlighted the 1999-2000 academic year at Oklahoma Baptist University.

With a tradition of offering a strong liberal arts education in a distinctively Christian environment, OBU gained recognition in mid-1999 for having the most International Mission Board Journeyman mission volunteers of any college or university in the world. More than 30 recent

OBU graduates are participating in the IMB program, which requires a two-year mission service commitment.

The academic year began with news that OBU had once again been ranked by *U.S. News & World Report* as one of the top 10 regional liberal arts colleges in the western part of the nation. The University was ranked fifth in the region in the 2000 *U.S. News* rankings for overall quality. It marked the eighth consecutive year for OBU to be listed in the top 10. In addition, OBU was listed as a *U.S. News* "Best Value" for the sixth straight year. That designation recognizes institutions deemed to provide the best education at the best average cost per student.

The University's fall 1999 enrollment of 2,123 students marked the 11th consecutive year for OBU to top 2,000 in total headcount. The overall total included 25 students in OBU's master's degree program in marriage and family therapy, and 275 students in the University's Ministry Training Institute courses. Approximately 62 percent of the students were from Oklahoma, with a record 38 percent coming from 40 other states and 23 other countries. As the University's national reputation for academic quality, Christian commitment, and tuition value continues to expand, more students from outside Oklahoma are choosing to pursue their college degrees in Shawnee.

The fall 1999 student body included 416 first-time freshmen. OBU's Class of 2003 featured 35 high school valedictorians and 50 students who had an ACT score of 30 or above. The average ACT score for the freshmen was 24.0. Thirty percent of the class had at least a 4.0 weighted GPA in high school.

The number of OBU faculty members with earned doctorates continued to increase during the academic year. At the start of the fall 2000 semester, OBU had a total of 113 faculty members, with 79 percent holding earned doctorates.

More than 230 OBU students, faculty and staff worked in summer 2000 mission and service programs. The Summer Service Corps, commissioned on campus in early May, placed OBU representatives on six continents. Members of the University community served in 30 countries and 25 states, continuing a tradition of ministry and education.

In local programs, OBU's Baptist Collegiate Ministries had approximately 140 students participating in nine community ministry programs during the academic year. In addition, approximately 200 students were involved in weekly discipleship programs, and more than 600 students participated in a BCM praise and worship service each Tuesday evening during the fall and spring semesters.

Gifts to OBU during the 1999-2000 fiscal year totaled \$5.192 million. More than 5,800 people contributed to the University during the year, providing support for scholarships, operational expenses, construction and renovation projects, equipment, and endowment. OBU's ongoing Foundation for the Future Campaign stood at \$21.9 million as of July 31, approaching a victory goal of \$25 million.

OBU trustees adopted a \$28.03 million budget for the 2000-01 academic year during their spring meeting. The

budget included a 4.63 percent increase in tuition, fees, and room and board. The total average cost for a full-time on-campus student for 2000-01 is \$13,096, up from \$12,516 in 1999-2000. OBU continues to be an outstanding value among members of the Association of Southern Baptist Colleges and Schools, ranking in the lower half in terms of cost. OBU costs also fare well compared to members of the Council for Christian Colleges and Universities. In the 1999-2000 year, OBU's costs ranked 82nd out of 88 CCCU institutions.

Dr. Carolyn Cole, associate professor of English, received OBU's Distinguished Teaching Award in May. The honor is given to a faculty member who has maintained his or her teaching career in exemplary fashion. Bobby Canty, associate dean of students, received the University's Meritorious Service Award, given to a faculty or staff member who has made a substantial commitment of talent and service to OBU. Dr. Bobby Kelly, Rowena Strickland assistant professor of religion, was honored with the Promising Teacher Award, presented to a junior faculty member who demonstrates outstanding potential as a teacher.

Athletically, the 1999-2000 year saw OBU compete for national titles in several sports. Bison and Lady Bison athletes brought home four top-10 finishes, competing in the National Association for Intercollegiate Athletics. The Bison indoor track and field team finished fourth in the nation, and the outdoor team placed sixth nationally. The women's indoor team finished ninth, and the Lady Bison cross-country team was seventh at the national meet. The Lady Bison basketball team reached the national tournament for the fifth straight year, while the Bison baseball team and Lady Bison softball team both advanced to NAIA regional tournaments. During the 1999-2000 year, OBU opened the new Lady Bison softball park, and added four new tennis courts, doubling the number of courts on the campus. The University offers a total of 14 varsity sports programs.

OBU is grateful for the faithful and prayerful support of Oklahoma Baptists as the University continues to fulfill its mission of preparing Christian leaders for Oklahoma and the world.

CHURCH & FAMILY EQUIPPING TEAM

Bill Green, Associate Executive Director

The Church & Family Equipping Team is committed to assisting churches equip people for their service in the local church. The vision of the team is to assist churches in reaching people for Christ, worshipping, applying God's Word, discipling believers and strengthening families. It is our desire to format our training sessions to meet the needs of every congregation in our state.

We continue to develop and implement the strategist training to seek the needs of individual churches and then provide consultants to specifically meet those needs. This allows the training to reach the local congregation, motivating

and facilitating the total ministry and then reaching out into every community.

New Personnel—Andy Harrison joined our team in June as Student Ministry & Education Specialist. The Student Ministry has been divided into three areas of responsibility to advance the development of major strategies to reach the entire state. James Lankford is Student Ministry & Evangelism Specialist and Cris Lowery is Campus Ministry Strategist/Catalytic Missionary. These three men have vital roles in the major thrust to touch the life of every Oklahoma student.

Church Building Consultations are being provided on a part-time basis with five regional Church Building Consultants: Don Ritchie, Kingfisher (northwest); Charley Akard, Lawton (southwest); Jay Eddington, Sand Springs and John Parker, Tulsa (northeast); and Robert Kendrick, McAlester (southeast). A church building conference was held in May 2000.

Church Media Library Conference—The annual Church Media Library Conference was held June 5-6, 2000 at the Baptist Building in Oklahoma City. Church librarians from across the state gathered for training, encouragement and new innovations in the world of Media Library Ministries. Seventy-three people attended the two-day event where conferences were offered in the areas of automation, cataloging, promotion and administration. Special interest conferences covered a range of other relevant topics. Rita Kirkland, national representative from LifeWay Christian Resources, presented a 21st century update. The conference theme of automation sought to move Oklahoma librarians into the 21st century.

Outgoing officers were Nan French of Lawton, President; Jane Forbes of Oklahoma City, Vice President; and Laurie Fulbright of Tulsa, Secretary. New officers for 2000-2001 are Jane Forbes of Oklahoma City, President; Carol Marion of Ardmore, Vice President; and Jackie Garner of Durant, Secretary.

Dramatic Arts Ministry, Cara Smith, Consultant—The Dramatic Arts Ministry of the BGCO seeks to equip churches and individuals to use drama to bring the lost to a saving knowledge of Christ and challenge the Christian in spiritual growth. Cara Smith is the consultant. In keeping with this mission, in November 1999 Oklahoma hosted the National Drama Festival, sponsored by LifeWay Christian Resources. More than 300 Oklahomans attended the event at Oklahoma City, Northwest, which included training for clown, puppets, mime, actors and directors.

Regional Drama Training Seminars were held September 9, 2000 at Oklahoma City, NEWCHURCH; September 23, at Weatherford, Emmanuel; and October 21 at Owasso, First. These seminars offered specific training for beginning and advanced actors (youth and adult), and lay drama leadership in the church.

Timothy Company is the youth drama team at Falls Creek. Each of the seven weeks of summer assembly, over 100 students auditioned to be part of this team. Ten students

were chosen each week to perform in eight of the 13 worship services.

Talentshare was another opportunity for youth to share their dramatic interests. This youth drama performance festival was held at Coweta, First on February 26, 2000. One-hundred-ten students and adults performed and shared ideas and talents. A goal of the Dramatic Arts Ministry is for this event to become an annual occurrence.

Proclamation is a drama team sponsored by the BGCO and made up of auditioned adults from across the state. March 25–April 6, 2000 seven team members traveled to Malawi, Africa. Using drama in churches, schools and open-air markets, Proclamation members led over 1,000 people to the Lord. Proclamation began its third season October 1, 2000 at Maysville, First. The team is available to come to any church.

Senior Adult Ministries, Vernon Day, Consultant—Our numbers keep growing, our events are multiplying and interest in our ministry continues to build. We continue to seek a balanced approach to involving senior adults on the state, associational and local church level in fulfilling the Great Commission and the Great Commandment, as well as recruiting and training a work force capable of leading in the accomplishment of this challenge.

A leadership guide for senior adult ministry is now available at a cost of \$5, payable to BGCO, Senior Adult Ministries. Simply mail your request to us, and your copy will be sent immediately.

Successful events during the past year include regional conferences in Lawton and McAlester on the subject, “Responding to Senior Adults in Crisis.” In May our Singin’ and Praisin’ 2000 drew over 1,500 senior singers to Moore, First.

Many Oklahomans attended the Senior Adult Summit in Nashville, TN, and over 500 attended the August 24 Senior Adult Rally at Falls Creek. Senior adult workers were trained in conjunction with Seminar II, September 15-16, 2000, also at Falls Creek. Oklahoma senior adults were in attendance at several of the 10 chautauquas produced by LifeWay Christian Resources. (LifeWay has announced Oklahoma City as a site for the May 15-17, 2001 Spring Fling, “Come to the Heartland,” Oklahoma City, Southern Hills will be the host church).

Once again the Oklahoma Baptist University Senior Adult Conference presented an excellent program, fellowship and facilities at a low cost to attendees. The SAM Advisory Council met quarterly to provide input and guidance for this ministry.

The state consultant was in demand for senior adult revivals, luncheons, club meetings and leadership training. The fastest growing segment of our society is alive and well.

Children's & Preschool Ministries

Vacation Bible School preparation began in January with a team of 15 conference leaders being trained in Glorieta, NM, at the National VBS Institute. The state team trained 330 associational VBS conference leaders at Muskogee, First and Moore, First. These leaders trained churches in conducting Vacation Bible School throughout Oklahoma.

Vacation Bible School Associational Director's

Meeting was held November 17, 1999. The associational VBS directors met at the Baptist Building for a director's jump-start meeting. The new VBS curriculum was introduced by LifeWay Christian Resources VBS Coordinator Becky Martin.

A Minister of Childhood Education Update was held January 13-14 with 99 full-time ministers of childhood education in attendance. LifeWay personnel updated ministers of childhood education on new programs, curriculum and improvements on resources available from LifeWay Christian Resources.

Part-time and Volunteer Directors Second Annual Update was held on January 15, 2000. Forty-five part-time and volunteer directors and ministers of childhood education met with LifeWay preschool and children's personnel for an update on new programs, curriculum, future trends in Christian childhood education and resources available from LifeWay Christian Resources.

State Bible Drill—August through January, churches were prepared for the State Children's Bible Drill through a distribution of children's leaflets mailed to the churches and associations. On May 6 at Oklahoma City, First, 241 fourth, fifth and sixth graders representing 23 associations and 51 churches participated on the state level.

Church Weekday Education Director's Day was held April 20 with 56 in attendance. This was the second annual event for this group. Tommy Sanders of LifeWay was the workshop leader. Special interest conferences were held by CWE officers on topics relevant to weekday directors.

Bible study attendance totaled 309 at the Children's Park during the seven-week encampment.

Family Ministries

Kent Choate, Specialist

The continued commitment of Family Ministries is to help develop ongoing family ministry in the life of every church in Oklahoma. Training events were offered in 1999-2000 to establish the infrastructure by which the BGCO can help churches individuate their ministry to families.

Family Ministry Needs Assessment (Church Census)—Consultants from across Oklahoma have been trained to assist churches with the Family Ministry Needs Assessment. The assessment allows churches to know the demographics of their families and what the strengths, challenges and stresses are in their individual congregations. It also allows them to know how they are participating in their faith together. Following the assessment, a strategy for Family Ministry can be formulated to meet the needs of the individual church. Seven churches participated in the assessment in the last year.

Prepare/Enrich Training—During the past year, 108 pastors and leaders were trained in the premarital and post-marital tool, Prepare/Enrich. Five conferences were held in fall 1999 and two more in spring 2000. Leaders have commented how this tool assists them in discovering what couples need to discuss prior to marriage. Two more workshops are scheduled for fall 2000.

Counseling Referral Handbook—A 2000 update to the Counseling Referral Handbook was distributed to all Oklahoma churches. The update provides information gathered from our state's pastors and directors of missions. A section of known support groups are also included. We hope this will continue to be a valuable resource for ministers throughout the state.

Galatians 6:6 Retreats—Retreats for pastors and their wives were held in Tulsa and Oklahoma City this year. Over 70 more ministers were blessed with the gift from Oklahoma Baptists through the Edna McMillan State Missions Offering in cooperation with Intimate Life Ministries. Approximately 350 pastors and their wives have experienced the Galatians 6:6 in Oklahoma since its inception in 1997. Plans are to hold three retreats in 2001 to increase the number of ministry couples going through this enrichment time.

Annual Marriage Retreat—In June 2000 over 110 couples experienced a time of refreshment in their marriage through the ministry of Dr. Gary Chapman. In cooperation with LifeWay Christian Resources, *Toward a Growing Marriage* was presented in a weekend format at Oklahoma City, Northwest. A Fall Festival of Marriage is scheduled in October 2001, and a marriage event with Les and Leslie Parrott is scheduled for spring 2001.

Governor's Marriage Initiative—The Family Ministries office is strategically involved in developing a strategy to raise the level of awareness in the faith community with regard to strengthening marriages. On February 14, religious leaders from 10 different denominations signed the Oklahoma Marriage Covenant at the State Capitol. A commitment was made by those leaders to help their ministers raise the standards of marriage within their congregations prior to marriage. Pastors of Southern Baptist churches and across denominations will be challenged to make a commitment to sign the covenant within the next year. Yukon, Broken Arrow, Union Association and Oklahoma City have already had public signings.

Single Adult Ministries

Kim Bearden, Specialist

With the single adult population growing each year in Oklahoma, the Single Adult Ministry of Oklahoma Baptists is continuing to meet the challenge by offering relevant training and ministry opportunities for this significant group of adults.

The continued use of the state single adult task force has significantly shaped direction of ministry development and the effectiveness of events held in Oklahoma. As part of a five-year strategic plan established the previous year, this group has focused on the process of new ministry starts, event planning, mission development and leadership training.

In 1999-2000 the following events, conferences, mission opportunities and training were carried out as part of the Single Adult Ministry strategic plan:

Single Innovation Conference held in Oklahoma City in May and Tulsa in August trained leadership teams from 52 churches in practical ministry methodology for addressing needs of single adults in the new century.

Discovering Intimacy Training was piloted with the development of a teaching video and the additional training of key leaders from 20 churches in how to use the material with single adults. This project was in cooperation with Intimate Life Ministries. As a follow-up to this leadership training, new material called "Great Commandment Living for Single Adults" was developed

Single Parent Family Retreat held at Falls Creek Conference Center in May drew 300 parents and children. The event provided a unique opportunity for both parent and child to participate in a retreat atmosphere where each could learn, relax and feel special. The event emphasized the urgency of the need for ministry to the single parent family in the local church and proved to be the most needed event of the year.

State Singles Retreat, still the largest singles event in the nation, was held at Falls Creek Conference center in October. Seminars on leadership, relationships and discipleship highlighted the meeting. Twenty-six professions of faith were recorded.

Students and young adults from colleges and churches across Oklahoma attended the **State College Retreat** at Falls

Creek Conference Center in October. This new event is part of a strategic plan to provide with the churches an opportunity to promote and support college ministry in the local church.

Individual Church Leadership Training was provided in 63 churches. State consultants and associational strategists worked together with the BGCO to aid each church and offer the necessary training unique to their needs.

Sunday School/Discipleship/Adult Ministries

Keith Wilkinson, Specialist

We are pleased to report Sunday School attendance in Oklahoma increased in 1999 by approximately 2 percent. Part of this increase can be attributed to better reporting and to a greater emphasis on Sunday School by churches involved in the FAITH Sunday School Evangelism strategy. Interest in the new Sunday School for a New Century curriculum has sparked greater involvement in training.

FAITH Sunday School Evangelism Strategy—FAITH Sunday School Evangelism continues to strengthen since its inception in January 1998. Over 200 Oklahoma churches have participated in the FAITH Training Clinics. FAITH Training Clinics were held at Broken Arrow, First, March 13-15; Edmond, First, April 3-5; and McAlester, First, October 16-18. Clinics for 2001 are scheduled for Broken Arrow, First, and Oklahoma City, Village.

State Consultants—Over 100 State Consultants were trained to provide support and assistance to churches and associations for Sunday School and Discipleship Training in all age groups. A number of training events and consultations were provided in 1999-2000.

Church & Family Equipping Institutes were held at Lawton, First and McAlester, First in February with over 1,000 participants. New Sunday School curriculum was introduced. Conferences in Sunday School, Discipleship, Family, Senior, Single, Preschool/Children and Worship/Music ministries were provided.

Seminar II at Falls Creek—A Sunday School/Discipleship Leadership Seminar was conducted September 15-16. The new Sunday School for a New Century curriculum and new teaching resources were introduced.

Associational Sunday School Conferences were conducted in a number of associations from July-September, with assistance from the Sunday School office in providing faculty.

Sunday School High Attendance Promotions using the theme "Great Okie Round-Up" were mailed to the churches along with "A Family Portrait" Sunday School Attendance Campaign suggestions giving Oklahoma churches a plan for encouraging greater participation in Sunday School at the beginning of a new Sunday School year.

Discipleship Training

Church & Family Equipping Institutes—The second series of Church & Family Equipping Institutes were held in February 2000 in Lawton and McAlester with 1,000 participants. Several discipleship conferences were offered.

Transformational Discipleship—An Oklahoma edition of the basic Discipleship resource, **Transformational Discipleship** by Roy Edgemon and Barry Sneed, was mailed to each pastor.

Regional Transformational Discipleship Conference—Plans are under way with Kay Baptist Association for a regional discipleship conference for northern Oklahoma on January 22, 2001.

Worship & Music Ministries

Jon Duncan, Specialist

“Sing to the Lord a new song...” reflects the spirit of church music in Oklahoma. The purpose of the Worship & Music Ministry of the Baptist General Convention of Oklahoma is to assist local churches by offering ministries tailored to meet diverse needs. The Bible states, “If I be lifted up, I will draw all men unto myself.” These words of Jesus provide an important backdrop for ministry. We desire to assist and motivate churches to be effective in “lifting up” the Savior. Whether it is a Churchmen concert or an Associational training event, the primary focus will always be on the local church as together we impact the world with the cause of Christ.

Falls Creek 2000 set new attendance records. Choral leaders were Paul Richards, Mustang, First; Alan Johnson, Oklahoma City, Trinity International; Gary Hook, Oklahoma City, Village; Charles Collins, Broken Arrow, First; Doc Ware, Elk City, First; James Bradford, Del City, First Southern; and Jon Duncan, BGCO. Orchestra directors were Susan Clothier, Putnam City North High School; Herb Moring, Tecumseh, Rock Creek Schools; Joe Wilhelm, Grove High School; David Davisson, Norman High School; Edwin Ford, Oklahoma City, Cherokee Hills; and Louis White, Marietta, First. Serving as pianists during the six weeks were Matt Schinske, Moore; Richard Huggins, Tyler, TX; Julie Clifford, Oklahoma City; Bart Morrison, Dallas, Texas; Craig Curry, Wichita, Kansas; and Max Lyall, Baltimore, MD. Bruce Wilkin, Tulsa; Linda Green, Oklahoma City; and John Edwards, Oklahoma City, served as organists during the encampment.

Choral & Instrumental Ministries

Singing Churchmen of Oklahoma—The Singing Churchmen of Oklahoma has completed 38 years of sharing the Gospel through music. Bill Green directs this organization of nearly 300 men who serve in local churches all across the state as full-time and bivocational ministers of music. The 1999-2000 season included concerts in Muskogee, Lawton, Oklahoma City, McAlester, Waurika, Duncan, Blackwell, Idabel, Ninnekah, Poteau and Perkins. For the first time, the Churchmen participated in an Oklahoma “Crossover” event. The Churchmen visited every home in Perkins in order to present the Gospel and encourage residents to come to the evening concert. Perkins, First organized the event. The results included several professions of faith in addition to the scores of people that showed interest for future follow-up by the church. An overflow crowd of more than 1,000 people

attended the concert, and several came to faith that evening. The Churchmen combined in concert with the Singing ChurchWomen and the Oklahoma Baptist Symphony at the BGCO Annual Meeting at the Myriad Convention Center. The Singing Churchmen continue to record cassettes and CDs that encourage, inspire and provide witness all over the world.

Singing ChurchWomen of Oklahoma—The Singing ChurchWomen is composed of ladies representing over 250 churches from across Oklahoma. Bill Green is director. The choir is divided by I-35 into east and west groups. New members are accepted by audition. Concerts took place in Oklahoma City, Eufaula, Duncan, Shawnee, Tishomingo, Cherokee, Madill, Newalla, Wagoner, Kingfisher, Cordell, Alva and Cushing. A special concert at Tishomingo College sponsored by the First Baptist Church presented the Gospel to college students, faculty and community leaders. A new recording, *The Lord is My Light*, was released during the year. All recording proceeds go directly to mission events the groups participate in.

Oklahoma Baptist Symphony—In its eighth year, the Oklahoma Baptist Symphony presented concerts for local churches throughout Oklahoma. The 1999-2000 season included concerts in Woodward, Marlow, Oklahoma City, Shawnee, Stillwater, Norman and Tulsa. In addition, the Symphony made available its first recording entitled *Majesty*. Jon Duncan directs the 80-piece symphonic orchestra made up of outstanding instrumentalists from all over Oklahoma. The purpose is to inspire and equip instrumentalists to use their talents for God’s glory.

State Training Events and Festivals

Church Music Oklahoma—Church Music Oklahoma provides training for all music leadership positions in the local church. Conferences are formatted to equip leaders in every size church and ministry. The conference was held at Norman, First on July 28-29, 2000. Attendance continues to increase each year and a new record was again set in 2000.

Keyboard Festival—In a continuing effort to encourage young people and adults to use their gifts and skills at the keyboard, the Area Keyboard Hymn Playing Festivals were held at 17 churches across the state: Ada, First; Blackwell, First; Claremore, Trinity; Enid, First; Guymon, Sunset Lane; Lawton, Central; Memorial, Skelly Drive and Olivet in Tulsa; Miami, First; Midwest City, Country Estates; Norman, First; Oklahoma City, Portland Avenue; Sallisaw, Immanuel; Shawnee, First; Tishomingo, First; and Weatherford, First. Planned Festivals at Idabel, First and McAlester, First were canceled because there were no registered participants. It is our hope that students will participate in these cities in 2001. Registered students exceeded 1,000 in the largest festival ever. The Area Festivals offered a Duet Division for each category. Students in the higher categories who received a Superior rating qualified to participate in the State Festival held at OBU in February. The winners in each division were Gabe Griffin, Owasso, Baptist Chapel—Hymn Expansion; Andrew Pellegrin, Oklahoma City, Cherokee Hills—Hymn Arrangement; and Dustin Tims, Seminole, First—Repertoire Piece.

Young Musicians Festival—The 2000 festival drew 1,200 participants from 50 churches. Leaders were Bill Green, BGCO; Conchita Hansford, OBU; Darla Eschelman, OBU; and Julia Haley, OSU. The children premiered the musical *"Treasure Hunt"* at Oklahoma City, Southern Hills. In addition to the premiere, some individual choirs sang in the parade of choirs and received meaningful critiques for encouragement and improvement.

The Singin' and Praisin' Meetin' held May 11-12 at Moore, First drew close to 2,000 senior adults from 60 churches. Bob and Esther Burroughs and Kurt Kaiser were event leaders. Over 50 individual choirs participated in the parade of choirs. The mass choir learned and presented the musical *"My Father's World"* by Kurt Kaiser.

Minister of Music Retreat—A retreat for music leaders was held April 7-8 at Lake Murray State Lodge near Ardmore. Seventy-five music ministers participated in various seminars, Bible studies, concerts and recreational activities. Seminar leaders included Dr. Finley Tinnin, OKC; Brooks Faulkner, LifeWay Christian Resources; and Edgar Cruz, virtuoso guitarist, OKC.

Oklahoma Baptist All State—Nearly 400 students and sponsors presented witness in the Pacific Northwest. Included in the mission tour were several state pastors and ethnic ministry leaders. Twenty-six gospel-oriented concerts were presented in Vancouver, Victoria and Tacoma. In addition, Oklahoma pastors provided ministry workshops for the area pastors. Our students also served 17 churches by providing door-to-door ministry and park concerts. A highlight was a charity benefit concert by the All State Choir. The Victoria Baptist Church hosted the community concert that raised over \$1,000 for Cornerstone Ministries, Crisis Pregnancy Center and the Youth Ministries Society. The mission trip included evangelistic parades, prayerwalks, ministry training and missions education and concluded with a reunion concert held at Norman, First as part of Church Music Oklahoma. Over 1,200 people attended the final concert. Randall Bradley, Baylor University and Jim Hansford, OBU, led the choir and symphonic band. The vocal ensemble was led by Bill Green.

Worship Training Opportunities

Worship Renewal Conference—Worship is a priority in Southern Baptist life. Because of this commitment the Worship & Music Ministry has developed a worship training conference for the local church. The multimedia event designed to equip "the people in the pew" with Biblical foundations in Christian worship has been conducted in several churches.

24-7 Bivocational Leadership Conference—This event was piloted at Oklahoma City, Cherokee Hills. Over 75 bivocational pastors, ministers of music and accompanists met together to receive relevant training in ministry. A highlight was a lunch forum that included a panel Q & A. Team building, pastoral leadership, worship issues and practical ministry training were emphasized at the conference, and ideas to enhance ministry were shared.

Associational Music Training

Associational Training Events—A number of associations hosted music training events, which included training for bivocational ministers of music, children's choir leadership, accompanists, sound technicians, drama teams and other areas of Music & Worship ministry. Calvin Simmons is the consultant.

Campus Ministry Strategy led by Cris Lowery:
Over 47,000 students and adult leaders have been introduced to the concept of establishing evangelistic Bible studies on middle and high school campuses in Oklahoma. Eight-hundred-fifty students and adult leaders completed training during the seven weeks of Falls Creek, one week of Kiamichi Baptist Youth Assembly and three weeks of The Summit. Many of these students then went home to begin the process of preparing Christian students and leaders in their communities to begin this evangelistic effort.

CHURCH OUTREACH TEAM

David E. Clippard, Associate Executive Director

“The Church Outreach Team exists to assist the churches and ministries of the Baptist General Convention of Oklahoma in evangelism and mission outreach.” The need has never been greater.

Research from the North American Mission Board, George Barna and other sources tells us that our mission field is growing. In the United States, 189 million people have no personal relationship with Jesus Christ. The combined communicate membership of “protestant” churches over the last ten years has decreased by 9.5 percent while the population of the United States has grown by 11.4 percent to 24,153,000. Statistics indicate that North America is the only continent in the world where Christianity is not growing. The U.S. is the largest post-Christian nation on earth. Only three nations have a higher non-Christian population—China, India and Indonesia.

Oklahoma faces its share of that challenge. No county in Oklahoma has a greater percentage of “churched persons” today than ten years ago. In 1960, with a population of 2.3 million people there were 1,307 Baptist churches. The ratio of churches to population was one Southern Baptist church to every 1,760 people. Today, with an estimated population of 3.4 million, there are only 1,677 churches and missions; and the ratio of Oklahoma Southern Baptist churches to population is now one to every 2,011 people.

It would take 239 new church starts today to bring Oklahoma up to the 1960 ratio. Statistics show that the Baptist General Convention of Oklahoma started fewer than 200 churches in the past ten years. It is time for us to assume a new and fresh urgency of reaching our state with the Gospel and new churches. Peter Wagoner, in his book, *Church Planting for a Greater Harvest*, says, “Church planting is the most effective evangelistic methodology under heaven.” To this goal of planting new churches, I am happy to report that the BGCO planted 59 new churches in 1999. As of July 1, there were 30 new church starts toward a goal of 51 for the year 2000. Churches are needed in all strata and languages of our state. Currently, we worship in 29 different languages every Sunday morning in Oklahoma.

Haskins School of Leadership

A strategic need in new church starts is the development of lay church planters and the training of lay leaders in these new churches. To this end, the Haskins School of Leadership

was inaugurated, with its first classes beginning in September 2000.

The primary purpose of the Haskins School of Leadership is equipping laymen to be effective church planters and leaders. The NAMB already desires to take its syllabus, lessons and materials across the country to every part of the Southern Baptist Convention. The interim director of the school is Don Jones, former International Mission Board missionary to Paraguay and missionary-in-residence at Oklahoma Baptist University. Having had experience in similar work in Paraguay, Don is certainly a gift from God to Oklahoma Baptists in this day and this time.

Personnel Updates

Smaller in Attendance Church Evangelism—

Beginning a new role in his third year with the BGCO, Shane Spannagel is now Smaller in Attendance Church Evangelism Specialist. Shane will work hand and glove with Jimmy Kinnaird in all evangelism strategies, but his focus will be to assist smaller in attendance churches with specific strategies for their churches and cities.

Chaplaincy & Community Ministries—After more than 13 years of faithful service, Joe Williams retired February 28, 2000. God has given us a new leader in this area in the person of Leslie Sias. BGCO's first African-American specialist comes with tremendous credentials and abilities for this role. Leslie served 11 years as a chaplain in the Navy, mustering out as a Lieutenant Commander. He has been given an overwhelming reception across the state.

As you read the following reports I believe you will be very blessed by what God is doing and, I trust, even more committed to prayer, personal involvement and financial support of these ministries. We are fighting—but not winning—the war being waged for the souls of men and women in Oklahoma.

Chaplaincy

Leslie K. Sias, Specialist

The mission statement for the Chaplaincy Program is "To Take the Presence of God into Every Situation." Oklahoma chaplains attempt to take the Gospel of Jesus Christ to people in specialized settings by reaching through the cracks of our society and touching the lives of people who are hidden or out of reach of most local churches. Chaplaincy is the most effective means of reaching secular society because there are times chaplains can go where the church cannot. Chaplaincy provides many opportunities to extend the ministry of the local church beyond the four walls of the church facility—especially in the area of personal evangelism. Chaplains are always involved in the aftermath of crisis situations. They provide support to emergency workers, victims and their families.

Joe Williams retired as Chaplaincy/Community Ministries Specialist in February 2000 after 14 years with the convention. Leslie Sias became Chaplaincy/Community Ministries Specialist in May 2000. Nita Morrison is the full-time secretary.

There are five major areas of ministry in Chaplaincy: (1) healthcare and pastoral counseling, (2) law enforcement, (3) corrections, (4) military, and (5) business/industrial. Each of these areas of chaplain ministry provides opportunities for full-time and part-time volunteer participation of ministry-oriented persons. Every category of chaplain ministry also provides the opportunity for the local church and its staff to extend their ministry into the community that may otherwise be closed to them. In Oklahoma there are 192 Southern Baptist chaplains with 147 of these endorsed by the Chaplains Commission of the North American Mission Board.

The presence of chaplains in the midst of crisis and tragedy is making a difference. Chaplains may be paid or volunteer people who are willing to venture "the second mile" journey in ministry.

Paul Bettis serves as Criminal Justice Ministry Coordinator for the Baptist General Convention of Oklahoma. Working out of the Chaplaincy Program office, Paul is making a significant difference throughout the state as he relates to jail and prison chaplains. He also has responsibility for development and training in the area of jail and prison ministries. There are more than 44 prisons, correctional facilities, corrections centers, probation/parole districts and community work centers in the state of Oklahoma. Records from January 2000 until the time of this report show 508 salvations, 530 rededications, 340 Bibles distributed, and 665 counseled. There have been 268 Bible studies started this year within the prison ministry.

Combined statistics for the five chaplaincy categories are as follows:

Professions of Faith	2,184
Bibles Distributed	1,138
Volunteers Supervised/Utilized	2,973

Tornado victim's ongoing recovery counseling

Resort Missions are growing every year throughout the United States and there are many mission opportunities here in Oklahoma. It is not necessary to travel to distant locations to be involved. The Baptist General Convention of Oklahoma is involved in growing numbers of mission opportunities through resort missions.

Resort missions are happening at the larger lakes and resort areas, such as Lake Tenkiller and Lake Texoma. Mission opportunities are also found at some of the smaller lakes where local churches are using their resources to provide ministry. Resort missions for the summer of 2000 took place in several areas 300 Bibles were distributed along with other literature. Eighteen churches, with 285 persons involved, conducted Sunday worship services, prayer meetings, Bible studies and Day Camps resulting in a record-breaking 65 professions of faith in Christ this year. Day camps were held at the following locations:

1. Grand Lake of the Cherokees
2. Lake Tenkiller
3. Burch Lake
4. Greenleaf State Park
5. Strayhorn Landing
6. Lake Thunderbird State Park (new)

There are 68 lake and resort areas in Oklahoma that could have some ministry activity from local church sponsorship or other groups coming into the area. Reaching people at leisure is another specialized setting where people can be touched with the Gospel. Community Ministries

Leslie K. Sias, Specialist

Four missionaries appointed by the North American Mission Board of the Southern Baptist Convention, in cooperation with the Baptist General Convention of Oklahoma, currently serve this ministry.

Grace Rescue Mission, Capital Association, Gerald Lunsford, Director, reports an average of 30 people per day participate in the alcohol and drug rehabilitation program called "A New Life." At the mission 417 people were saved and 195 rededicated their lives. Transients and persons participating in the rehabilitation program were provided 166,887 meals and 50,656 overnight accommodations. Articles of clothing were distributed to 8,282 individuals. Thanksgiving dinner traditionally is provided. On average, 90 Bible study classes were conducted each month. During the year 932 churches were involved in Grace Rescue Mission's ministry.

Baptist Mission Center, Capital Association, Bill Sisson, Director—Articles of clothing were given to 13,131 people. Meals were provided to 4,152. Over 2,020 patients received free medical care and 556 received free dental care. Eye examinations, glasses, lab services and shots were also

provided free of charge. More than 5,272 prescriptions were filled. Six-hundred-ninety-two churches participated in the ministry of the Baptist Mission Center.

DaySpring Villa, Tulsa Metro Association, Sheila Mitchell, Director—In its five years of operation DaySpring's ministry has made a significant impact on the lives of scores of women and children. The facility housed 850 women and children from May 1, 1999 through April 30, 2000. Thirty-three people made professions of faith in Christ during that time.

Tulsa Baptist Ministry Center, Tulsa Metro Association, Bill Rains, Director—Tulsa Baptist Ministry Center was destroyed by fire in November 1998. The new building was ready for occupancy in May 2000, and the ministry is on track again, helping people with food, clothing, prescriptions and utility bills and sharing the Gospel.

Hunger Funds—The Hunger Fund Program has disbursed \$124,954 the past twelve months. Thirty-seven locations received funds and distributed food to 11,515 families and 37,376 individuals. From this ministry there have been 531 professions of faith and 105 other decisions, with 21 baptisms.

Church Extension

Frank Johnson, Specialist

CHURCH PLANTING FOR A GREATER HARVEST

Through the ministry of Church Extension, Oklahoma Baptists participated in an exciting harvest in the year 2000. For example:

- Oklahoma Baptists helped provide leadership training for the leaders of a new Hispanic congregation sponsored by Oklahoma City, Crestwood.
- Oklahoma Baptists partnered with Duncan, Immanuel, to help support the work of two African American missions in Oklahoma City.
- Oklahoma Baptists partnered with Broken Arrow, Arrow Heights, to help undergird a new Anglo congregation in Broken Arrow.
- Oklahoma Baptists cooperated with Tulsa Metro Baptist Association in planting a new Anglo church in the South Tulsa-Bixby-Broken Arrow area.
- Oklahoma Baptists cooperated with Perry Association in helping a Hispanic congregation in Enid move into a new building that is expected to lead to continued growth.

One of the major ways in which Oklahoma Baptists minister through Church Extension is by providing training for pastors, church planters, and directors of missions. Church Planting Mentor Training and Church Planter Basic Training held in Tulsa in April and in Oklahoma City in September were two of our major training events held in 2000. The September training event was particularly effective because we were able to offer the training in two tracks, a Spanish track and an English track. This helped us reach many more people than we could have through an English track alone.

In August 2000, Church Extension held the first two of several dialogue and orientation events specifically for directors of missions. The directors were introduced to the program Each One Plant One in August, and in September the directors were trained in the use of PREP materials for

starting new churches. We hope that these training events will become regular affairs in 2001 and beyond.

Over the next five years Oklahoma Baptists will have a tremendous opportunity to participate in a program called Each One Plant One. The goal of Each One Plant One is to involve every Oklahoma Baptist church in church planting in one way or another. Oklahoma Baptists will hear more about this in 2001 as we help churches understand the need for church planting and how they can be involved in church planting for a greater harvest all across the state of Oklahoma.

Collegiate Ministries

Bob Lee, Specialist

Collegiate Ministry in Oklahoma is the arm of the local church reaching out to the college and university campuses. This is made possible through the generous support of the BGCO, associations, local churches and individuals. The 1999-2000 school year was a very good one for Baptist Collegiate Ministries.

Evangelism—Over 20,000 students were touched in some way by the ministries of the BCM on 37 campuses across the state. Almost 10,000 students were involved in the various ministries offered through BCM. More than 1,850 students were trained in sharing their faith, and as a result over 800 students came to know the Lord on the campuses. More than 1,300 people were won to the Lord through the various mission projects in which students were involved. Students participating in Bible study and discipleship programs totaled over 6,500. Many BCM programs still have campus revivals and continue to see many responses to the Gospel message.

Missions—During the calendar year 1999-2000 over 3,000 students were directly involved in some type of mission project. Students served in such places as Vietnam, Malawi, Australia, Mexico, Nepal, Arizona, Massachusetts, Maine, New Hampshire, Florida, Indiana, the Northwest, California, Canada and our home state of Oklahoma. Students contributed over \$395,000 for all mission causes. Through their mission gifts Oklahoma students gave almost \$50,000 to support collegiate ministries in California, Arizona, Colorado, Kansas, Nebraska, Michigan, the Northwest, New England, Idaho, Indiana, Pennsylvania and Hawaii. In the last 25 years Oklahoma Collegiate Ministry has sent over \$1 million dollars to support Baptist work on college campuses in the newer convention areas. That speaks well of the students and the churches they come from.

Oklahoma Collegiate Ministry is known not only for its heart for evangelism and missions but for the longevity of its Collegiate Ministers. The following Collegiate Ministers/Directors have served on campuses in Oklahoma for many years:

John Heath	39 years
Jim Morrison	36 years
Max Barnett	34 years
Charles Lillard	29 years

Rob Gandy	25 years
Larry Justice	25 years
Jimmy Lehw	23 years
Denny Freeman	20 years
Anna Jo Wilson	20 years
Mike Barnett	19 years
Bobby Lipscomb	19 years
Debbie Lipscomb	19 years
Tom Greenfield	18 years
Ron Henderson	18 years
Gus Blackwell	17 years
Minnie Pack	17 years
Ron Driskill	16 years
Steve Lewis	15 years
Danny Toombs	15 years
Jay Kindsvater	14 years
Janay Stephens	14 years

It is our desire to see students won to the Lord and disciplined to become the persons God desires them to be in Jesus Christ. Because of this we will continue to be the arm of the Baptist churches of Oklahoma reaching out to the campuses across the state. We will continue to emphasize evangelism, discipleship, missions and churchmanship as the focal points in reaching students and strengthening them so they may become better church members. Pray for your Campus Ministers as they continue to represent you on the campuses of our state.

Evangelism

Jimmy Kinnaird, Personal Evangelism Specialist
Shane Spannagel, Smaller-in-Attendance Church Evangelism Specialist

The Evangelism unit of the Church Outreach Team exists to assist the churches and ministries of the Baptist General Convention of Oklahoma in the advancement of the Gospel of Jesus Christ.

In response to the 1999 Report and Recommendations of the Smaller in Attendance Church Task Force report, the Baptist General Convention of Oklahoma assigned Shane Spannagel, BGCO Evangelism Associate, to relate to the smaller in attendance churches with a focus on evangelism.

State Evangelism Conference—The “Take the Land 2000” State Evangelism Conference was held January 24-25, 2000 at Del City, First Southern. Speakers included Jim Cymbala, William Blackburn, Fred Luter and Jamey Ragle. International recording artist Steve Green was the featured guest vocalist. The Monday morning session highlighted the music and ministry of some of Oklahoma Baptists’ best vocational evangelists. This conference was record breaking both in the attendance of more than 6,500 and also in registered decisions, with over 40 public professions of faith recorded on Monday night. Tuesday morning and afternoon once again included the *Especiallly for Women* evangelism

track, sponsored by BGCO Women’s Missions & Ministries Specialist, Deborah Brunt.

The 2001 State Evangelism Conference is scheduled for January 29-30. Speakers will include Joe Ratliff, Ken Ham, Ron Hutchcraft, Terry Hopkins and Leo Humphries. Guest vocalist will be popular recording artist Larnelle Harris. Equipping seminars will be offered Tuesday morning. The specialized track designed *Especiallly for Women* will feature Cheryl Reccord and Debra Berry. Worship will be led by Maureen Southerland with a special appearance by Larnelle Harris.

Take the Land Regional Seminars—In keeping with the theme of the 2000 State Evangelism Conference, three regional seminars emphasized different aspects of evangelism. February 21-25 a seminar on evangelistic prayer was taught in five regional locations. The second round of regional seminars on servanthood evangelism was held April 10-14. The third round, May 15-19, focused on local church crusades. Each was well attended.

Interfaith Witness—On February 8 an interfaith witness seminar, *Mormonism versus Biblical Christianity*, was held at the Baptist Building. The evangelism office also partnered with UMI and Jason R. Smith of Apologetics Research in presenting a Christian witness at the Oklahoma City Mormon Temple opening in the summer of 2000.

Vocational Evangelists Retreat—In early December 1999 Oklahoma’s Vocational Evangelists were guests of the Evangelism ministry at the Sullivant Retreat Center in Norman. Ft. Smith Evangelist William Blackburn was guest lecturer/preacher along with Don Smith of the North American Mission Board, SBC. The focus was how the evangelist can maximize the promotion of his ministry. The 2000 retreat, scheduled December 7-8 at Sullivant Retreat Center, will target innovative approaches to diversify ministry through special events, such as one-day and weekend revivals.

Youth Evangelism—The 2000 Youth Evangelism Conference was organized and implemented by James Lankford, Student Ministry & Evangelism Specialist. The Evangelism/Church Outreach Team jointly funds this ministry. The conference was held at the Myriad in downtown Oklahoma City, August 11-12, with 9,433 students attending. Decisions for the two-day conference totaled 406. Forty-four of these were professions of faith and 236 for ministry.

BGCO Tents and Block Party Trailer—The BGCO tents are provided by the Edna McMillan State Missions Offering, the North American Mission Board and the Cooperative Program. Maintenance for the tents comes from the fees charged for use. The tent ministry now has available three tents with seating capacities of 300, 450 and 900. Rental fees are minimal. The Evangelism Unit now has a block party trailer to add an evangelistic dimension to special events. The trailer contains items that help in facilitating a successful outdoor evangelistic event. This ministry runs on a cost recovery basis.

Falls Creek Decisions—A total of 4,222 decisions were

recorded at Falls Creek this year compared with 4,488 in 1999. There were 1,449 professions of faith; 226 assurance of salvation; 1,311 restorations; 1,110 for special service; 107 special needs and 19 unknown. For a statistical breakdown see the graph on page 38.

Each person making a decision received guidance with his/her commitment from one of 1,491 trained encouragers (compared to 1143 last year) and 239 pastor advisors (up from 208 last year). These encouragers and pastors are to be commended for their dedication to seeing our youth make heartfelt and informed commitments to Christ. Each decision area was supervised by one of 20 section leaders during the seven weeks of Falls Creek youth camp.

State Fair Outreach—Many different activities were used to bring people into the BGCO State Fair exhibits in Oklahoma City and Tulsa in 1999—free drawings, clowns, event literature with a Gospel message, power bands, Veggie Tales, I.Q. tests, diaper changing facilities and a Y2K area were utilized for evangelism. Several hundred volunteers participated in this outreach. Tulsa Metro Association organized the state fair outreach for the Tulsa fair in 2000.

Witness Training and Conservation—The “Share Jesus Without Fear” model of personal evangelism training is still the easiest, least confrontational witness training. Jimmy Kinnaird, Shane Spannagel and Dave Clippard have traveled to many churches and associations to lead the two-hour seminar. The North American Mission Board has produced a new evangelism training called *The Net*, which promises to be a testimony-driven presentation of the Gospel utilizing a model of mentoring and on-the-job training. The evangelism office is excited about the possibilities this training holds for soul winning. This resource will be available in October–November 2000. *Operation Multiplication* is a one-on-one new member and new believer assimilation and witness training. Used outside the regular church program, it fosters the building of accountable relationships between new believers or members and the church friend who helps to disciple them. There were 25 *Operation Multiplication* seminars in 1999–2000.

Baptisms—Total baptisms for 1998–1999 numbered 18,830. This compares with 17,461 in 1997–1998. The state baptism ratio was 25.02. This information was gleaned from the Annual Church Profile for 1998–1999. However, many Oklahoma Baptist churches do not submit an ACP.

Oklahoma’s Southern Baptist Churches Baptized:

1993	16,484 souls
1994	16,719 souls
1995	16,888 souls

Language Missions

Ted B. Lam, Specialist

The Board of Directors approved the name “Robert Haskins School of Leadership” for the ethnic ministry training institute approved by messengers to the 1999 state convention. The mission of RHSL is to train and develop effective, Biblically strong pastoral and lay leaders of multicultural churches to do Kingdom work. Don Jones, a former missionary to Peru, was appointed interim director for RHSL. Jones led a task force to establish the guidelines, curriculum and plan to start the classes in fall 2000. Classes will be taught in different ethnic languages.

Twelve church-type missions were started by mid-August 2000. The new works include seven American Indian, one Chinese, one Korean, one Iranian, and one Slavic mission. One Immigration Detention Multi-Cultural Ministry was begun. Our goal is to have 18 new starts by the end of the year.

An extensive three-day Jointly Employed Missionary Workshop was held at the Baptist Building in March. The workshop topics were Focus on Family and Women’s Ministries. One Church Planting Basic Training workshop was held in April at Tulsa. A second workshop was held in Oklahoma City in September. As of this report more than 40 church planters had been trained and certified for future new works.

Over 2,500 participants registered at Indian Falls Creek this summer with 143 professions of faith, 29 surrendering to special service and 168 other decisions. A four-day Literacy workshop and conference was held in July at OBU. More than 20 new Literacy Volunteers were trained and for the first time an appreciation banquet was held in honor of those volunteers who teach reading, writing and conversational English throughout the year.

For the first time Language Missions co-sponsored with the Church & Family Equipping Team to train multi-ethnic work consultants to enhance the ministry of Sunday School. These consultants will be able to lead training in different languages for all ethnic churches. Starting in September Language Missions partnerships with Community Service to train language chaplains through the Presbyterian Hospital CPE program.

Betty Harris became the secretary for Language Missions in December. Our three Catalytic Missionaries to the Indians are Max Malone, western Oklahoma; Bill Barnett, northeastern Oklahoma and Tulsa/OKC metro areas; and Tom Anderson, eastern and southeastern Oklahoma. Anderson also works with the five Indian associations. Fran deCordova is Literacy Missions Consultant. New missionaries/mission pastors for this year are Daniel Shim, Korean; and Jesse Seun, Chinese. Chase Bales, Jimmy Jones, Frank Kauahquo, George Kelley and Ray Taylor were among the American Indian pastors.

Men's Missions & Ministries

Sam Porter, Specialist

Sam Porter, Men's Ministries Specialist, continues to challenge every church in Oklahoma to select and train a leader to direct men's ministry in the local church.

Statewide Meetings

The second annual spring Men's Retreat was held at Falls Creek April 28-29 with 2,273 in attendance. The 2001 retreat will be held at Falls Creek, April 27-28.

A *Stand Firm* Men's Conference will be held at Broken Arrow, First, February 23-24, 2001.

Over 1,700 attended Royal Ambassador/Challengers Congress at the Optimist's Gym in Norman on March 3-4. Our 2001 Congress is March 1-2 at the same location.

Mission Ministries

Disaster Relief child-care workers volunteered for two weeks in Los Alamos, NM during devastating forest fires.

Our office coordinated 35 Volunteer Mission Building Projects in Oklahoma, which involved 1,100 Men's Ministries volunteers. Fifteen referrals were also made.

During the summer of 2000, 481 campers and 122 staff and volunteers enjoyed 5 weeks of camp and two Lad/Dad weekends at Camp Hudgens. One hundred sixty-nine decisions were made, including 64 professions of faith. Camp Hudgens had a great year with a 38 percent increase in attendance over last summer and a large blessing of decisions for Christ. Hudgens continues to be a camp with major emphasis on missions combined with Christian outdoor adventure. The Year 2000 made history when the BGCO offered the first coed weeks at Hudgens. Camp Hudgens is available year-round for all ages for camps, retreats and conferences.

Campers on Mission held spring and fall rallies at the Shawnee Expo Center. Oklahoma hosted the national rally June 18-24, 2000, in Shawnee with over 600 people registering.

A door of opportunity opened in August 2000 for hundreds of Oklahoma Baptist men to work as mentors with juveniles in partnership with the state Department of Juvenile Affairs.

Training

In fall 1999, six Missions and Ministries Rallies provided inspiration, motivation and training for 1,130 people around the state.

On February 19, 2000, Men's Ministries conducted the Volunteers in Missions Workshop at Oklahoma City, Portland Avenue. Over 200 people attended and learned about volunteer mission opportunities. The 2001 VIM Workshop will be February 17 at Portland Avenue.

Partnership Missions

Rue Scott, Specialist

Partnership Missions—The mission statement for partnership missions: "To assist associations, churches and individuals to minister in international and domestic missions." The Baptist General Convention of Oklahoma had partnerships with Malawi, Indiana and Phoenix in the year 2000.

Malawi—Approximately 218 volunteers from 56 Oklahoma Baptist churches made commitments to fill 45 projects in Malawi in 2000. The volunteers went to 33 areas designated by the Baptist Convention in Malawi as needing a Baptist church. Twelve locations are still to have an evangelistic team. Oklahoma Baptists filled 12 other project requests. Every team reported from 200 to 3,000 professions of faith. Many who made professions of faith were taught the Gospel of John using the *Good News for You* workbook in the language of the people. A Baptist Collegiate Ministries team of students from Oklahoma ministered to high schools in the southern and northern regions of Malawi, resulting in many professions of faith.

Kurt Cunningham, an International Service Corps volunteer from Locust Grove, First, supervised the construction of three new dormitories built with money supplied by Ponca City, First, and Kay Association. The money also provided two electric "Nsima" (cornmeal mush) cookers.

Doyal and Nancy Rowland returned to Malawi for four months to continue digging water wells. Not only were wells dug, but Doyal also repaired pumps for boreholes that had not been working for some time. Nancy taught the women Bible lessons and sewing while Doyal supervised the well digging.

Vernon and Jo Richards and Beverly Anderson left Oklahoma to be International Service Corps volunteers to coordinate the volunteers program in Malawi. The Richards are based in Lilongwe, covering the central and northern region; and Beverly is based in Blantyre to cover the southern region.

The people in Malawi are responsive to the Good News of Jesus. They will repent and believe if they can hear the Gospel. Evangelistic teams composed of four to six people are needed in 2001 for 45 places. Other opportunities include teachers of men and women at the Baptist Seminary, doctors, nurses and construction workers.

Valley of the Sun, Phoenix, Arizona—Forty-four churches, four associations and three Baptist Collegiate Ministry teams from Oklahoma ministered in Phoenix. Four youth and music interns from Oklahoma colleges served 10 weeks in the Phoenix area. A number of churches and associations partnered financially with Phoenix churches to provide funds to buy land, pay salaries and purchase equipment.

The number of churches involved in projects in the Phoenix area reached 100. That is significant because each of those churches spent time in prayer, planning and

implementing a project. Bill Agee reports that baptisms appear to be ranging from 150-200 percent above last year and that attendance in the churches increased 10 percent above last year. One major accomplishment in the Phoenix area was the cooperation of churches in the same region to plan and implement projects as partners rather than competitors. Sixteen churches were birthed with another 16 in various stages of the partnership process.

Mission opportunities for the year 2001 include Saturation Evangelism, Block Parties, Vacation Bible Schools, Back Yard Bible Clubs, Arizona State Fair, Inner City Evangelism, Sports Clinics, Medical Clinics, Jail and Prison Evangelism, Witnessing and Praise Services in the Parks, Street Corner Dramas and Construction of Church Buildings.

Indiana—Oklahoma churches and associations are continuing their ministry in Indiana. The Northeastern Baptist Association in Indiana provided a container of hospital equipment and supplies for the Senga Bay Baptist Medical Clinic at Salima, Malawi, Africa. The formal partnership between Oklahoma and Indiana ends in the year 2001.

(September 1, 2000)

You have heard the expression, “time flies.” It is not new. In fact, the Bible speaks of life being like the weaver’s shuttle or like a vapor. Thirty years ago I began my ministry as a state missionary with the Baptist General Convention of Oklahoma. My retirement date is September 30. What fun I have had! What wonderful churches we have in Oklahoma! What wonderful people I have been privileged to meet and assist. The Support Services Team has been the greatest to serve and lead. I thank Dr. Anthony Jordan, Dr. William Tanner, Dr. Joe Ingram and Dr. T. B. Lackey for the privilege of serving with such great executives. I am grateful to you as Oklahoma Baptists for the confidence and support you have given to me throughout these 30 plus years.

This will be my last report as a convention employee. The following report is attributed to the dedicated work of the entire Support Services Team.

Robert Kendrick, Director of Missions in Pittsburg Association, retired May 31, 2000.

Four meetings were provided for the directors of missions. Two were luncheons where awards and recognitions were given and officers of the Association Fellowship were elected.

The winter training conference met February 8–10 at Falls Creek. Ken Coffee, retired Director of Associational Services with the Baptist General Convention of Texas, was featured conference leader. He covered such topics as The Association of the Future, Associations Planning Around Church Needs, A New DOM and Essentials of Leadership. Bill Agee, who is coordinating the Special Cities Project in Phoenix, spoke on “Partnering with Phoenix.” Lonnie Latham, Executive Director for Tulsa Metro Association, led the Bible studies.

The summer retreat met August 24–25 in Oklahoma City at the Baptist Building. The retreat focused on “Building Powerful Leadership Teams,” led by Chuck Allen from the North American Mission Board and assisted by Clyde Cain.

Thessalonian Church Development

On November 15, 1999 four pastors and their wives attended a recognition dinner during the state convention’s annual session. They completed their first year of the Thessalonian Church Development Plan for Smaller in Attendance Churches. The churches and pastors were Henryetta, Salem—Terry Pittman; Chickasaw Trail—Allen Patterson; Fittstown, First—Tony Folger; Frederick, Tesca—Les J. Banks. A special Thessalonian Church of the Year award and a Thessalonian Pastor of the Year award was given to each respective church and pastor. Six pilot churches are working on projects in the Thessalonian plan at present. We are expecting great things to happen in the SAC churches.

Basic Library for Newly Ordained Pastors

A basic library consisting of a pastor’s manual, Wiersbe’s “Be” series, Bible dictionary, concordance, Nave’s Topical Bible and a Bible commentary were given to 30 newly ordained pastors. They were as follows: Kevin Hanel; Andy Pope; Levie Eagle; Charles Hummingbird; Greg Haisley; Brad Hawkins; James Egan; Keith Shoulders; David Lawrence; Monte Dean; Jason Langley; Jerry Turner; Charles Carry; Marcus Blair; Matt Sanders; Bart Effinger; Roy Jaye; George Melendez; Mark Patterson; Nathan Joyce; Randy Baptiste; Mark Smith; Brian Bowan; Roger Bennett; John Grant; Rod Arnold; Robert Hightower; David Boutwell; Ernest Marshall and Randy Caldwell.

These libraries were given to the associational director of missions who delivered them to the church and presented them to the pastor as a gift from the BGCO and their local association. Funds for purchasing the libraries came from the North American Mission Board and the state convention from Cooperative Program receipts.

Special Prayer Emphasis

Messengers to the annual state convention in November 1999 voted to observe four days of special prayer in the year 2000. They were March 8, May 3, September 13 and November 1. Two books on prayer, *Biblical Patterns for Powerful Church Prayer Meetings* and *Returning to Holiness* by Dr. Gregory Frizzell, along with suggestions for the days of prayer were mailed to every pastor in the state.

Your *Baptist Messenger* editorial staff is nationally recognized as top producers of accurate, informative and meaningful stories. Baptist Press consistently picks up *Baptist Messenger* stories for its over 20,000 national and international subscribers. Dana Williamson, Bob Nigh and Jerry Pierce have rightfully earned the respect of leaders in religious media.

In spite of proposed postal rate increases, our staff is doing everything possible to hold the line on any subscription increases to the churches. Postal Service sorting and labeling requirements are becoming more stringent.

More Oklahoma Baptist churches are discovering the stewardship value of the *Messenger's* "special edition option." By partnering with the *Baptist Messenger*, churches can save money and keep people informed with local, state, national and international Christian news and features.

Messenger Press

Oklahoma Baptists have a long history of resourcefulness. Since our early days a key to effective cooperative ministry has been the use of the printing press for publication of church materials. Oklahoma Baptists have saved thousands of dollars by operating a print shop.

Last year the Messenger Press began offering to local churches and associations the same low-cost printing services previously available only to Oklahoma Baptist entities. In 2000 several churches and associations have saved incredible amounts of money.

Troy Dooley retired on March 31, 2000 after 36 years of service, and the Messenger Press welcomed a new production manager, Robert Miller. Rob wants to work with pastors, churches, directors of missions, and associations to help them produce quality print materials. You can reach Rob Miller at 405-942-3000 ext. 120 or email: rmiller@okbaptist.net.

Messenger Network

The award winning www.baptistmessenger.com Web site is a hit with those connected to the Web. We have received many favorable reports from Oklahomans.

No longer is there a wait of days or weeks for the features and editorials in the *Baptist Messenger*. The information age continues to shrink our planet and Messenger Network is on the Web to share about the Lord's work through Oklahoma Baptists. Many missionaries as well as local churches are linking with our Web site.

Another new feature is email subscription. As soon as the current issue of the *Baptist Messenger* is loaded on the Web site, it is automatically sent to the subscriber's email address.

These are exciting days. If you haven't visited our site, go to www.baptistmessenger.com. Let's stay connected and build the bridges of relationship into the future.

Conference Centers

Gary Fielding, Manager

Seven years of increase in Falls Creek Assembly attendance was accomplished by adding a seventh week. Total attendance was 44,145, an increase of 69 percent since 1993, when total attendance was 26,093. Increased attendance has affirmed the need for expansion.

The "For Sake of The Call" capital campaign went well with the summer campers giving and pledging \$578,503.

Looking to the future expansion of Falls Creek, many churches have caught the vision and are making plans to build; others are remodeling or expanding their cabins. A cabin owners' association has been formed, which will help bring some uniformity and new standards to present facilities and future construction. The conference center is seeking to lead the way by remodeling and upgrading present facilities.

The Watson Challenge/Ropes Course, named for C. Havis and Evelyn Watson, was constructed at Falls Creek during the spring. Built with "extreme" in mind, it is the largest challenge course in the southwest. Team initiatives and individual elements consist of a 50' Alpine tower, 40' diamond course, 35' six-sided climbing tower, 40'-wide boulder wall, 45' giant swing, 30' net leap, high flying squirrel, three low ropes courses and a low rescue exercise. "Extremely successful!"

Continued development on the Washita River Complex is expected next year, providing areas of recreation such as baseball, basketball, volleyball and soccer. A road is being built for the trams and buses to travel to and from the Falls Creek town center.

A challenge/ropes course consisting of 18 elements and initiatives was built at Camp Hudgens. The climbing wall at Hudgens is equipped with a zip line, which was enjoyed by many. A 12-mile hiking trail is available, much of which skirts Lake McAlester. The Pennington Lodge has been remodeled as an air-conditioned conference area. Hudgens is open for year-round use for retreats, conferences and day outings.

Leadership Development

Clyde Cain, Specialist

The Herschel H. Hobbs Leadership Center has now been open two years and is used several times each week. Training takes place in the computer lab as well as through video conferencing and live conferences conducted in the leadership center. New equipment for videotaping and editing has been added. Videotaping and editing for the 2000 Edna McMillan State Missions Offering was accomplished through the Leadership Center. We give God the praise and glory for Ray Sanders and Marcus Wehmuller and their work in this technical field.

Conferences for deacons were held in Shawnee and Bartlesville in 2000. Plans are under way for other regional conferences of this type to be conducted in 2001 and 2002.

Continuing education focuses on the Ministry Training Institute sponsored jointly by the Leadership Development Office and OBU; the Southwestern Seminary program, in which students may receive both undergraduate and graduate degrees; the Oklahoma Bible Conference at Falls Creek; KBA Bible Conference; Seminary Extension through the SBC; and the Midwestern Seminary doctor of ministry program, which meets at the Baptist Building. Continuing education is assisting greatly in Oklahoma as pastors and staff are prepared for ministry.

LeaderCare includes a variety of conferences and seminars such as stress management, conflict ministry, career assessment, secretarial ministries and new pastor/staff orientation. Approximately 50 secretaries are trained during the secretary certification workshop each February. This office assists and relates to the Oklahoma Southern Baptist Secretaries ministry as well.

In May, Clyde Cain was asked to take responsibility of the annuity work again. Clyde will retire in early 2001 but will continue the annuity work for Oklahoma Baptists on a consultant basis.

Ministerial Services

Henry Chennault, Specialist

The areas of assignment for the Office of Ministerial Services are Annuity Services, Church-Minister Relations, Conflict Ministry, Counseling, Intentional Interim Ministry, and Tax Seminars and Informational Services.

Annuity Services

Annuity Board, SBC Retirement Plans

Retirement Plans are offered to all eligible ministerial and non-ministerial church staff who work a minimum of 20 hours per week for an eligible Southern Baptist church. Approximately 54 percent of the churches in Oklahoma participate in the Church Annuity Plan. In 1999, 34 BGCO churches participated in the retirement plan for the first time, and there were 240 new Oklahoma participants.

Life, Medical and Disability Plans

The Annuity Board, SBC, offers term life, comprehensive

medical, catastrophic medical, and disability plans to all eligible Southern Baptist church employees. Property and Casualty insurance is also available through the Annuity Board, SBC's Managing General Agency subsidiary.

Annuitants in Oklahoma

At the close of 1999 there were 1,019 annuitants in Oklahoma receiving a retirement benefit check from the Annuity Board each month. Approximately 340 of these receive a monthly benefit of \$200 or less. The average monthly benefit is \$434.46. Through the Adopt An Annuitant ministry, 87 retired Oklahoma ministers or their widows currently receive a supplement of \$75 each month.

Church-Minister Relations

Upon request, biographical résumés are shared with pastor/staff search committees and directors of missions without recommendation or endorsement from the Office of Ministerial Services. Approximately 3,381 résumés were shared with churches in Oklahoma and out of state in 1999.

Interim Ministry

The Office of Ministerial Services assists pastorless churches in securing an interim pastor. Conferences are offered to equip a pastor to minister in the unique opportunities of the interim time. There are currently six people in the Intentional Interim training. Twenty-four people in Oklahoma have completed the Intentional Interim training and are certified Intentional Interim Ministers.

Pulpit Supply

In 1999 assistance was given in securing pulpit supply for approximately 73 churches in Oklahoma.

Counseling Ministry

Counseling relating to relocation is provided through this office. In addition, BGCO, in cooperation with approved counseling centers in Oklahoma, provided counseling assistance in 1999 for approximately 200 individuals and families.

Supplemental Assistance

Annuity Board, SBC

Supplemental assistance was granted to 16 applicants in 1999 through the Annuity Board, SBC's Supplemental Assistance and/or Adopt An Annuitant Ministry. Oklahoma Baptists gave \$53,010.43 in cash gifts to the Adopt An Annuitant program in 1999. Additionally, \$199,520 was designated for the Annuity Board Relief Ministry through wills, trusts, charitable gift annuities, and other planned giving arrangements.

Ministerial Crisis

The Ministerial Crisis Endowment Fund through Edna McMillan State Missions Offering assisted pastors and church staff with living expenses, and insurance premiums and assisted with some counseling expenses in 1999.

Trusts

Two of the four trust accounts established through The Baptist Foundation of Oklahoma assisted one pastor and two widows of retired ministers with living expenses in 1999.

Tax Seminars

Tax Seminars are provided to equip pastors, church

staff, and laypersons in all phases of church tax laws. Six Tax Seminars were held in 1999 with approximately 334 attending.

Planning & Research

Sam H. Vinall, Specialist

The mission of the Office of Planning & Research is to assist the churches, associations, and the Baptist General Convention of Oklahoma (BGCO), through planning and research services, to do what God is leading them to do. Our vision is for all Oklahoma Baptists to be more intentional in listening to God, seeing what He is doing, planning to follow His Will and doing it.

Annual Church Profile—The 1999 Annual Church Profile (ACP) was collected and made available for planning and other purposes. Churches and associations can order a ten-year historical summary of their ACP statistics either as an individual report or as part of a fully customized Demographic Study of their area.

1,551 of 1,688 churches or 92 percent participated in the 1999 ACP. Some key ACP totals reported by these churches were:

Total Members	775, 157
Resident Members	471, 212
Baptisms	18, 830
Other Additions	18, 718
A.M. Worship Attendance	201, 198
Sunday School Attendance	162, 784
Sunday School Enrollment	357, 711
Discipleship Participation	89,064
Music Participation	54, 674
WMU Enrollment	24, 851
Men's Ministry Enrollment	15, 937

Training for associational personnel for the 2000 Annual Church Profile was held in June in the Forsythe Computer Lab. Instruction was provided in the 2000 ACP collection process and for inputting church information on the Internet in the new Southern Baptist Directory Service. A brief BGCO Supplement to the ACP was included this year to gather additional important information.

Demographic Reports—Customized Demographic Reports and other information were produced this year for over 100 churches, associations and the BGCO. The data was used for planning new church starts, strategic planning, new ministries, new buildings, new staff, Intentional Interims and other types of planning.

2000 Oklahoma Baptist Resource Handbook—The 2000 Oklahoma Baptist Resource Handbook with 152 pages of information about Oklahoma Baptist pastors, churches, associations, the BGCO, and its affiliates was produced and distributed. By the end of August nearly 3,000 copies of the handbook had been distributed to Oklahoma Baptists.

Consultations—Personal, customized consultations were held with many churches and associations to assist them

in doing what God is leading them to do. Some of these were brief, one-time meetings while others were expanded, strategic consultations with several meetings over several months.

BGCO Master Database—The BGCO Master Database was launched for use in the Baptist Building in January 1999. It includes church and association addresses and pastor and directors of missions names. This database enables the BGCO staff immediate access to needed church and associational information, including Annual Church Profile data.

BGCO Historical Statistical Profile—A Historical Statistical Profile of the BGCO, 1950-1999, was collected and produced for use by the convention and others in planning for the future of Oklahoma Baptists. One key finding was that even though current Cooperative Program dollars are above previous years the actual buying power, due to inflation, is equivalent to 1977 Cooperative Program receipts.

Native American Task Force—A Native American Task Force was formed in April 2000 to help the BGCO better partner with our 200 Indian churches to reach the Native American population of Oklahoma. This office is assisting the Language Missions Office with process, research and BGCO liaison for this task force. The task force chairman is Victor Cope.

Great Commission Church Task Force—The Great Commission Church Task Force has designed a handbook and conference to assist churches in becoming Great Commission churches. This office is participating in the task force and Sam Vinall has written the planning section of the handbook. Conferences will begin in the fall of 2000 and this office will participate in leading them.

Cooperative Program Study—A study of the Cooperative Program was commissioned with Innovative Partners by the Stewardship/Cooperative Program Office. Purpose of the analysis was to explore the perceptions and support of the Cooperative Program among key constituencies of the BGCO. This office assisted in the design and interpretation of this study. One key finding was that many young adult and newer church members have little or no understanding of the scope, breadth and effectiveness of the Cooperative Program.

Demographic Capability for Associations—A Scan/US demographics user's license has been made available to associations at a reduced cost. This assists them in better serving their churches by directly providing demographic information and one-to-one consultations with pastors and others involved in planning for ministry. This office established an Oklahoma Scan/US User's Group to train and assist the associations and other users. Associations involved at this time are Craig-Mayes, Comanche-Cotton, Tulsa Metro and Capital.

Smaller in Attendance Church (SAC) Task Force—This office is the liaison with the Smaller in Attendance Church (SAC) Task Force appointed by Dr. Jordan to

recommend ways in which the BGCO can strengthen its ministry with SAC churches. Recommendations from the task force have been presented to the BGCO staff and to the directors of missions. Several recommendations have already been implemented. The final report, including the BGCO response to the recommendations, was published this year.

Church Compensation Study—The 2000 Church Compensation Study survey was mailed to churches in September, and responses were summarized and made available to churches. Almost every week requests for this study are received from pulpit and search committees who want to offer a prospective pastor, staff member or other church employee an appropriate level of compensation relative to what other churches of similar size and situation are doing. Budget committees and church treasurers also request this study when evaluating salaries for the coming year.

Demographic Trends in Oklahoma—This annual conference was held in September in the Herschel H. Hobbs Leadership Center. Some of the questions answered were: Who are we reaching? Where is the population growth? How are families changing? What is your church's tithing potential? How can I think in future tense?

Public Relations

Ray E. Sanders, Specialist

The Public Relations office became a ministry of the BGCO in October 1998. Ray E. Sanders, Specialist, serves directly with BGCO Executive Director-Treasurer Anthony Jordan and relates daily with the Support Services Team.

Marcus Wehmuller, Public Relations Assistant since October 1999, came to the BGCO after graduating from the University of Central Oklahoma with a degree in Public Relations. His background is in video production and editing. Marcus also serves as a youth minister in a local Southern Baptist church.

Purpose—Sharing the life-changing message of Jesus Christ with a sight and sound generation through a variety of media.

Projects—*Falls Creek: For the Sake of the Call* capital campaign; television commercials and other media opportunities that communicate the Southern Baptist faith; development of promotional campaigns for BGCO teams, i.e., *Oklahoma State Missions Offering*; *State Evangelism Conference*; *Celebrate Jesus 2000*, etc.

The Public Relations office also consults local churches concerning their public communications efforts, which include special videos, brochures, promotions and advertising.

Public Relations coordinates the Annual Convention with the assistance of Convention Coordinator Carol McLaughlin and works directly with the news media regarding BGCO news conferences and news releases.

Other Accomplishments—Falls Creek and BGCO Web sites; developed a variety of promotional campaigns for BGCO and churches.

Stewardship/Cooperative Program

David Waganer, Specialist

Southern Baptist Congregations in Oklahoma gave \$19,693,191 to world missions through the Cooperative Program in 1999, an increase of \$134,607 over 1998. In addition to the regular Cooperative Program, \$162,022 was given as designated Cooperative Program; \$3,917,991 went to the Lottie Moon Christmas Offering for International Missions; \$1,200,277 to the Annie Armstrong Easter Offering for North American Missions; and \$718,630 to the Edna McMillan State Missions Offering. Oklahoma churches gave \$10,554,371 through the Cooperative Program the first six months of 2000, for an increase of \$971,995 over the same period in 1999.

Bridging The Centuries – Reaching The World continued to be the focus theme of the Cooperative Program in 1999. Materials were provided to the churches in connection with Cooperative Program Day in April, Vacation Bible School, and Fall Focus in October. Several new brochures were developed emphasizing the Cooperative Program for various age groups. Both the SBC *Missionary Moments* and our own *Oklahomans Touching the World* prayer calendars proved very popular during the year. The 1999 budget brochure emphasized the upcoming 75th anniversary of the Cooperative Program to be celebrated in the year 2000.

Throughout 1999–2000 several new stewardship resources were created for use in Oklahoma churches. *Managing Your Money for the Master*, a money management resource, and *The Challenge of Cooperation* were offered to churches at a minimal cost. A number of our churches utilized the consultant-led capital program entitled *Discover His Way*, as well as a one-day fundraiser called *Seize the Day*.

(David Waganer served as Stewardship/Cooperative Program Specialist until July 12, 2000.)

ETHICS & RELIGIOUS LIBERTY COMMITTEE

The Ethics & Religious Liberty Committee continues to influence and educate Oklahoma Baptists concerning moral and ethical issues. The ERLC strives to increase its effectiveness and become more proactive on issues.

Rose Day—The purpose of Rose Day is to heighten awareness of state legislators regarding the rights of the unborn. Believers from across Oklahoma gather to give roses to their legislators to remind them to vote for pro-life legislation. Organized by a multid denominational committee, the annual event was held at the State Capitol February 7. Dr. Wanda Franz from National Right to Life, Washington, D.C. was guest speaker, and the youth choir from Christian Heritage Academy offered special music. Attendance continues to be positive. Governor Frank Keating and other legislators made appearances at the rally. Rose Day 2001 is scheduled for Wednesday, February 7 with guest speaker Richard Land of the Ethics & Religious Liberty Commission of the Southern Baptist Convention.

Voter Registration 2000—An initiative was placed into motion to heighten awareness of Christian citizenship in an election year. Churches were encouraged by the ERLC to help Baptists register to vote. Registration forms were provided, and local county election board information was made available to pastors and directors of missions. Several churches held voter registration drives conjunction with Christian Citizenship Day on Sunday, July 2, 2000. The committee continued to make voter registration cards available until the registration deadline.

ERLC Web Site Development—The Web site development committee has established a format for the ERLC to be accessed through the BGCO Web site. Access to materials, resources and information will be more readily available in 2001 through the ERLC Web pages.

HISTORICAL COMMISSION

Marlin Hawkins, Historical Secretary

A Brief History—During the 1952 state convention messengers voted to form a Historical Commission of nine members, with three members elected annually to staggered three-year terms. Later the BGCO Board of Directors authorized an organizational meeting, which in 1956 resulted in formation of the Oklahoma Baptist Historical Society as an adjunct to the Historical Commission. First president of the Society was J. M. Gaskin, longtime state Baptist historian. Membership in the Society is by application and payment of dues. Current dues for individuals are \$5 annually or \$50 for life; for institutions dues are \$5 annually or \$100 for perpetual membership. Membership in the Society is more than 250.

Endowment Established—In 1997 the Historical Commission voted to start a program to raise funds for endowment of the archives and library. In 1998 an endowment agreement was adopted between the Oklahoma Baptist Historical Commission and The Baptist Foundation of Oklahoma creating the Gaskin Baptist Historical Archives and Library Forever Fund. Purpose of the fund is to create a perpetual endowment for the “promotion, development, expansion and preservation of the archives and library.” Contributions and earnings in the trust fund have grown to more than \$7,000 toward an immediate goal of \$10,000.

J. M. Gaskin donated 200 copies of his autobiography, *Cartersville, Route 1*, to the Historical Commission as a fundraiser for the archives endowment. The book is given to each person donating at least \$20 to the archives’ Forever Fund.

New Historical Secretary—Marlin Hawkins was elected Historical Secretary at the November 1999 state convention. Hawkins replaces Bob Mathews, who served one year, and Gaskin, who served 45 years. On September 1, 2000, Hawkins completed 25 years as Director of Accounting/Business Director/Controller for the BGCO.

Theme Adopted—In March 2000 the Commission voted to adopt as its theme, “Looking to the Future Through the Eyes of the Past.” The full meaning of this theme is explained in the fall 2000 issue of *The Oklahoma Baptist Chronicle*.

Ownership of Historical Markers Reaffirmed—The Historical Commission reaffirmed in September 2000 that the approximately 20 historical markers located across Oklahoma were paid for and are owned by the Baptist General Convention of Oklahoma. The markers should not be moved or changed in any way without the express approval of the Historical Commission. Questions concerning the decision should be directed to Marlin Hawkins at the Baptist Building in Oklahoma City.

Gaskin Lectureship, OBU—Eric A. Mayes, Jr., senior pastor at Oklahoma City, Unity Baptist Church since 1957, delivered the Gaskin Lectureship at OBU on October 2, 2000. His subjects were “A Profile of Prominent Black Baptist Pastors of Oklahoma” and “The Educational Endeavor of Black Baptists of Oklahoma.”

Annual Meetings and Awards—The 1999 annual meeting of the Historical Society was rescheduled and held on April 7–8, 2000 at the Cherokee Assembly Grounds east of Tahlequah, Oklahoma.

The meeting included a historical tour on Friday afternoon, an evening session that night and a morning session on Saturday. The new format was a success, and the Society plans to continue to meet at various historical sites in the future. The next meeting will be April 6–7, 2001, at the Tuskegee Baptist Church six miles west of Eufaula.

Awards presented at the April 2000 meeting:

- Distinguished Service Award to Fern Hurt, longtime associate editor of the Baptist Messenger
- Baptist Heritage Sermon Award to Joe Dan Fowler, Pastor, Bartlesville, First
- Hall of Fame inductees were Frantz Brandon Erwin, M.D.; Edgar F. (Preacher) Hallock; Margaret Hutchison; Robert S. Kerr; and John Sarcouxie.
- Church History Award co-winners were Kathy Zehr for *One Hundred Years, First Baptist Church, Ponca City*; and Russell Newville for *Arbuckle Association—Fifty Years*. Lem Ball of Claremore, First, and George Atkins and Roger Egerton of Weatherford, First, received honorable mention Church History Awards.

Historical Commission members for 1999–2000 are Weldon Foster, Chairman; Christine Baugh, Oklahoma City (resigned August 2000); Mary Edna Hopper, Norman; Wayne Lane, Alva; Hugo Lindquist, Oklahoma City; Carol Morris, Skiatook; Dave Roberts, Grove; Michael West, Ada; and Dan Wimberly, Bartlesville.

Historical Society officers are John D. Riggs, president; Jack Robbins, Duncan, vice president; and Mary Edna Hopper, Norman, secretary. Anthony Jordan is treasurer, Marlin Hawkins is historical secretary, J. M. Gaskin is emeritus director of history and Bettie Moore is Gaskin Archives resident specialist.

Independent Auditors' Report

Board of Directors
Baptist General Convention of
the State of Oklahoma
Oklahoma City, Oklahoma

We have audited the accompanying statement of financial position of BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA (a nonprofit corporation) as of December 31, 2000 and 1999, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Convention's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Baptist General Convention of the State of Oklahoma as of December 31, 2000 and 1999, and its changes in net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles.

BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2000 and 1999

1. Summary of Significant Accounting Policies

Nature of Operations - The Baptist General Convention of the State of Oklahoma (the Convention) was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. It was incorporated without capital stock under Oklahoma law. Its first Articles of Incorporation were filed in May, 1917, for a term of twenty years with subsequent amendments providing for an organization in perpetuity.

Administrative activities of Baptist General Convention of the State of Oklahoma are conducted by The Executive Office of Baptist General Convention of the State of Oklahoma.

Composition of Reporting Entity - The accompanying financial statements include net assets and operations of the Baptist General Convention of the State of Oklahoma. The statements include all statewide activities conducted by the Convention except for activities conducted by The Oklahoma Baptist University (OBU), The Baptist Foundation of Oklahoma (BFO), Baptist Retirement Centers of Oklahoma, Inc. (BRCO), Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Building Corporation. These organizations' directors are elected by messengers sent to the annual meeting of the Baptist General Convention of the State of Oklahoma by its member churches. These same messengers elect the Board of Directors of the Convention.

As discussed in Note 2, these entities are considered to be affiliates based upon the election of their boards by a common delegate body. Because the Convention, through its governing board, has neither a voting interest nor ownership in these entities, financial statements are limited to direct activities of the Convention conducted through its Executive Office and do not consolidate activities of these affiliates.

Financial Statement Presentation - The Convention's financial statements are presented in conformity with Statement of Financial Accounting Standards (SFAS) No. 117, *"Financial Statements of Not-for-Profit Organizations"*. Under SFAS No. 117, information regarding financial position and activities is reported according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The financial statements are prepared on the accrual basis of accounting.

BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA Page 8
NOTES TO FINANCIAL STATEMENTS

(Continued)

For the Years Ended December 31, 2000 and 1999

Gifts of cash or other assets received under endowment agreements where donors have restricted use to the income from the assets are reported as increases in permanently restricted net assets. These assets are generally held in trust by The Baptist Foundation of Oklahoma (The Foundation) (Note 5). To the extent income and realized or unrealized gains are not restricted by donor stipulations or state law, these items are reported as increases in unrestricted net assets in the statement of activities.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Recognition of Revenue and Support - The Convention recognizes support in conformity with Statement of Financial Accounting Standards (SFAS) No. 116, *"Accounting for Contributions Received and Contributions Made"*. Contributions are recorded when assets are received or when an unconditional promise to give has been made. Promises to give that are receivable in future periods are discounted at an interest factor to recognize the contribution at its present value. Such contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Gifts of land, buildings, and equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted assets. Absent of explicit donor stipulations about how long those long-lived assets must be maintained, the Convention reports expiration of donor restrictions when the donated or acquired long-lived assets are placed in service.

Revenue from sales of subscriptions, advertising, printing fees and other sources is recorded based upon the receipt of cash or the completion of services or delivery of goods.

Property and Equipment - The Convention capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Lives generally used are:

Income Taxes - The Convention is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows - For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

2. Affiliated Entities

As disclosed in Note 1, the Convention is affiliated with various other Baptist organizations within the state of Oklahoma. Principal affiliates of the Convention are The Baptist Foundation of Oklahoma, The Oklahoma Baptist University, Oklahoma Baptist Homes for Children, Baptist Retirement Centers of Oklahoma and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Convention appropriates cooperative program receipts to these affiliates as follows:

The Oklahoma Baptist University	\$3,095,136
The Baptist Foundation of Oklahoma	300,000
Oklahoma Baptist Homes for Children	742,179
Baptist Retirement Centers of Oklahoma	360,239
	<u>\$4,497,554</u>

As discussed in Note 9, the Convention remains primarily liable on obligations associated with certain assets transferred to BRCO subject to capital leases (Note 14). In addition, the Convention guarantees bonds issued by OBU and BRCO (Note 13). The Convention leases office space from the Baptist Building Corporation from which accounts receivable totaling \$283,119 and \$250,233 are held at December 31, 2000 and 1999.

In addition, proceeds from offerings designated for specific SBC ministries totaling \$5,929,882 (\$4,720,059 in 1999) have been received and remitted to SBC.

4. Unconditional Promises to Give

During 1999, the Convention initiated the Falls Creek "For the Sake of the Call" special fund raising campaign designed to strengthen the missions and ministry that takes place at the Falls Creek facility through implementation of the master plan developed to revitalize the conference center. The goal of the campaign is to raise \$34,000,000. At December 31, 2000, pledges and cash totaling \$1,642,140 had been received. Contributions receivable are recorded net of an allowance for doubtful receivables and net of a discount. Pledges have been discounted at 5% which represents an estimated rate of return on long-term investments. Amortization of the discount is recorded as additional contribution revenue.

The following summarizes pledges receivable in the years ending December 31, 2001 through 2005 and later years:

Year Ending December 31,	Total	Present Value
2001	\$342,816	\$342,816

	<u>\$25,667,366</u>	<u>\$26,149,042</u>

Pooled debt securities consist of investments in corporate debt securities (34.14% and 32.4% in 2000 and 1999) and U. S. Government securities (19.17% and 15.2%, respectively) at quoted market prices. Also included are investments in church building loans (44.06% and 51.1% in 2000 and 1999) at an amount equal to the principal balance of these loans less an allowance for uncollectible loans. The carrying amount of church building loans is estimated to approximate their market value.

For 2000, interest and dividends totaled \$824,347 (1999 - \$659,383) (net of fees) and realized and unrealized gains (losses) totaled (\$614,129) (1999 - \$1,751,810). Gains and losses relate to assets carried at market value. Realized and unrealized gains in excess of the amount distributed to the Convention are either added to historical corpus or to a stabilization pool which may be added to corpus or distributed for future expenditure by the Convention. Excess earnings added to historic corpus are considered to be permanently restricted. For the years ended December 31, 2000 and 1999, permanently restricted assets were increased by \$1,462,037 and \$372,889, respectively, by transfers from stabilization reserves in unrestricted assets.

The Convention is the ultimate beneficiary under certain irrevocable agreements trusted or administered by the Foundation. Under these agreements, income is payable for life or a specified period of time to a beneficiary with the remainder payable to the Convention. Agreements include gift annuity contracts, charitable remainder trusts and other irrevocable trusts under which the Convention is a remainder beneficiary. These agreements constitute unconditional promises to give to be recognized as income when the promise is given. Gifts are valued by reducing total assets held by the Foundation by the present value of estimated future income payments over the term of the agreement or life expectancy of the income beneficiary utilizing a 5% discount rate. Based on these factors the present value of these remainder interests were as follows:

	<u>Total</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>

In determining the accumulated postretirement benefit obligation under the plan, a discount rate of 7.25% was assumed. Health care costs were estimated to increase by 9.0% in 2001, with ratable annual reductions until an ultimate rate of 5.0% is reached in 8 years. The weighted average remaining service to full eligibility for active participants was 16 and 15 years, respectively, at December 31, 2000 and 1999.

A reconciliation of the accrued postretirement benefit cost at December 31, 2000 and 1999 is as follows:

Accrued balance, December 31, 1999	\$5,786,881
Net periodic benefit expense for 2000	452,883

8. Notes Payable

Oklahoma County Industrial Authority

A note payable to the Oklahoma County Industrial Authority with a balance at December 31, 1998, net of unamortized issuance costs and unapplied bond fund earnings, of \$13,847,136 was repaid in 1999 with proceeds of bonds issued by the Oklahoma Development Finance Authority under its "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999." Under terms of a loan agreement, the Convention and BRCO are joint borrowers of the bond proceeds. Revenue of BRCO collateralizes the loan and the obligation is recorded as a liability of BRCO.

Although the Convention is a borrower under the note, because BRCO is obligated to repay the loan, the obligation is not recorded as a direct liability of the Convention.

The Baptist Foundation of Oklahoma

The Convention has assumed responsibility for the repayment of loans The Baptist Foundation of Oklahoma has made to various Baptist associations in connection with Baptist Student Unions in their area. These twelve loans are generally secured by real estate, bear interest at 7.95% and have a balance due of \$253,489 at December 31, 2000 (1999 - \$281,169).

9. Capital Lease Obligations

Capital lease obligations consist of two obligations under which the Convention remains primarily liable. Assets subject to the lease have been transferred to BRCO under a sublease agreement. A receivable from BRCO has been recorded. Payments under the capital lease obligations will be made by BRCO.

Tulsa Baptist Retirement Center - On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000.

A supplemental bond indenture dated April 1, 1981 in the amount of \$325,000 was issued by the Tulsa Industrial Authority for the purpose of constructing three duplex units. The bonds were defeased under the 1989 loan from the Oklahoma County Industrial Authority.

The lease rental to be paid by BRCO is an amount sufficient to satisfy the bond obligation. The lease is scheduled to terminate by February 1, 2008.

BRCO, through its sublease with the Convention, has the right to purchase the project at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

Baptist Retirement Center, Oklahoma City - The Baptist Retirement Center, Oklahoma City was constructed by the Baptist Laymen's Corporation (an affiliate) in 1965 and transferred to the Convention in 1974.

In 1971, the Baptist Laymen's Corporation leased the premises to the Oklahoma Industries Authority (OIA). OIA issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Convention. OIA then subleased the premises to the Baptist Laymen's Corporation for a period of twenty years with payments equal to the annual debt service requirement of the OIA on bonds issued as described below. BRCO has acquired, through its sublease, the Convention's option to acquire the leasehold estate for an amount necessary to retire all outstanding bonds issued by the OIA.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds were guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Convention has the option to acquire the leasehold estate for the amount required to retire all outstanding bonds issued by the OIA. This option has been granted to BRCO under the sublease agreement.

On March 1, 1982, the Baptist Laymen's Corporation executed a lease with the Oklahoma County Industrial Authority (OCIA). OCIA issued its Baptist Laymen's Corporation First Mortgage Revenue Note, Series A (Lackey Manor Project) in the amount of \$4,500,000. The bonds were defeased in 1989.

Office Equipment - The Convention leases certain office equipment for use in its operations. The equipment which has a cost of \$49,604 has been capitalized and is being depreciated over the term of the leases.

10. Restriction on Assets

At December 31, 2000, temporarily restricted net assets consisted of remainder interests held in trust of \$477,639 (1999 - \$582,032) that are restricted for a period of time and \$2,826,451 (1999 - \$2,267,694) of assets restricted to specific purposes. Primarily these amounts are designated for use in state missions or disaster relief and capital improvements at the Falls Creek facility. Permanently restricted net assets represent investments and remainder interests held in perpetual endowment trusts under donor terms that restrict use to the income from these assets.

11. Pension Plan

All employees of the Convention are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Convention contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for Convention employees for the year ended December 31, 2000 approximated \$427,783 (1999 - \$413,202). The Convention's policy is to fund pension cost as it is incurred.

12. Leased Facilities

In 1990, the Convention leased office facilities from the Baptist Building Corporation (a corporation owned and controlled by the Convention). The lease agreement has a term of ten years with options to renew for ten additional one year periods. The Convention subleases a portion of their space to BRCO and OBHC on a month-to-month basis. For the years ended December 31, 2000 and 1999, the Convention received \$85,400 and \$71,640, respectively, from these subleases. The Convention's expense under the agreement for the years ended December 31, 2000 and 1999, net of the above subleases was \$656,129 and \$663,317, respectively.

The future minimum annual rental commitment totals \$752,546 for the year ending December 31, 2001.

13. Commitments and Contingencies

The Convention has guaranteed bonds issued by The Oklahoma Baptist University Authority. The bonds are secured by proceeds from a lease of the main campus facilities at Oklahoma Baptist University (OBU), mortgages on real estate comprising the campus of OBU, a municipal bond insurance policy and a letter of credit issued by a financial institution. At December 31, 2000, the unfunded liability for bond principal and interest approximated \$12,269,000 (1999 - \$12,822,000).

During 1999, the Oklahoma Development Finance Authority (the Authority) issued the "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999", the net proceeds of which were loaned to the Convention and BRCO to retire the "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989". As discussed in Note 8, the Convention is a co-borrower under the note and, along with BRCO, is responsible for its repayment. The Authority also issued the "Junior Lien Revenue Bonds, Series 1999,

Baptist Retirement Centers of Oklahoma-Hugo Project". The liability under this issue is guaranteed by the Convention.

At December 31, 2000, the net liability under these issues approximated \$12,075,000.

During 1992, the Convention adopted a plan to self insure workers compensation. Insurance is carried which limits liability on individual and aggregate claims. The Convention has recognized as expense in the current year the amount of claims paid for the year and an amount equal to the estimated amount of future claims arising from losses incurred in the current and prior periods. At December 31, 2000 accounts payable include \$10,000 (1999 - \$53,000) related to estimated future claims.

The Convention and Foundation are defendants in a lawsuit arising from a charitable remainder unitrust for which the Foundation serves as trustee. In the opinion of management, the ultimate liability, if any, under this litigation will not have a materially adverse effect on the financial statements.

From time to time in the course of operations, the Convention may have cash on deposit with financial institutions in excess of federally insured limits. The primary operating account is swept daily into an account backed by U. S. Government Securities.

14. Transfer of Assets to Auxiliary Corporations

During 1993, the Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Retirement Centers of Oklahoma, Inc. (BRCO) were created as a result of actions of the board of directors of the Convention. Operating assets and investments were transferred to these entities.

These entities may not create debt for capital needs or undertake any major expansion projects without consent of the Convention or its board of directors.

At December 31, 2000 an amount was receivable from BRCO of \$1,628,548 (1999 - \$1,823,062) relating to the net liability under a capital lease obligation (Note 9) under which the Convention remains primarily liable. As discussed in Notes 8 and 13, notes under which the Convention was primarily liable were refinanced through a loan agreement under which the Convention and BRCO are jointly liable. This loan is considered a direct liability of BRCO and is not included as a liability of the Convention.

The amounts representing capital lease obligations are payable by BRCO under terms identical to those of the Convention liability.

We have audited the accompanying balance sheets of THE BAPTIST FOUNDATION OF OKLAHOMA (a nonprofit corporation) as of December 31, 2000 and 1999, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Baptist Foundation of Oklahoma as of December 31, 2000 and 1999, and the changes in its net assets and its cash flows for the years then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary financial information on pages 28 through 32 is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE BAPTIST FOUNDATION OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2000 and 1999

1. Nature of Activities and Significant Accounting Policies

General - The Baptist Foundation of Oklahoma (the Foundation) is a private, not-for-profit religious association chartered by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention of the State of Oklahoma (the Convention) to administer funds and property received by gift, devise, bequest, or otherwise in order to assist and promulgate the furtherance of the Convention, and to promote Baptist doctrines, evangelism, Christian education, and both home and foreign mission work.

Nature of Activities - The Foundation in the capacity of trustee holds, administers, and invests assets for the Convention and institutions affiliated with the Convention as well as for its own account. Trusts may have other charitable or noncharitable beneficiaries. Interests of the Foundation, Convention or affiliates of the Convention may be total or may represent only income or remainder interest.

The Foundation also holds assets for investment in a custodial capacity for the Convention and its affiliates. In addition, the Foundation administers trusts where affiliated organizations serve as trustee.

Activities of the Foundation include estate stewardship and gift planning for the Convention and its affiliates. Staff members work with Southern Baptist Churches and associations within the State of Oklahoma to encourage financial support for local, state and national institutions through lifetime and testamentary planning.

The Foundation receives its financial support primarily from fees charged for the administration and investment of assets. In addition, annual appropriations are received from the Convention through its Cooperative Program.

Basis of Accounting - Financial statements have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

Recognition of Donor Restrictions - Contributions received without restriction are reported as an increase in unrestricted net assets. Donor restricted contributions are recognized as increases in permanently or temporarily restricted net assets. Permanently restricted net assets consist of permanent endowments or remainder interests that will become permanently endowed. Temporarily restricted net assets consist of remainder interests under split-interest agreements that transfer assets

unconditionally upon the passage of a period of time, typically the life of the income beneficiary. The liability to income beneficiaries for future payments is determined by applying an annual discount rate of 5% to estimated payments under the agreements.

Cash and Cash Equivalents - Cash balances are transferred daily into interest-bearing accounts secured by U. S. Government obligations. Cash equivalents include broker money market accounts and short-term certificates of deposit primarily maturing within the first quarter.

Investment Pools - The Foundation pools the assets under its ownership, administration or control into investment pools. Pools consist of a domestic equity pool, international equity pool, fixed income pool and group bond pool.

Prorata ownership in the pools is determined under a system in which units of ownership are recorded to represent each member's share of the total market value of assets. Investment interest, dividends, gains, losses and appreciation or depreciation in market value are allocated based on each pool member's percentage of ownership represented by these units.

Assets of the domestic and international equity pools consist primarily of cash equivalents and marketable equity securities. Assets of the fixed income and group bond pools consist of cash equivalents and corporate and governmental notes and bonds. In addition, the fixed income pool holds church building loans.

Allowance for Doubtful Loans - Church building loans included in the fixed income pool (Note 2) are presented net of an allowance for doubtful loans. The allowance is based on 2-1/2% of outstanding balances with adjustments for delinquent or doubtful loans.

Property and Equipment - Major expenditures for equipment are capitalized at cost while donated property and equipment are capitalized at fair market value at the date of the gift. Depreciation of equipment is provided for over the estimated useful lives of the respective assets on a straight-line basis. No provision is made for depreciation on rental and other properties carried as investments in the endowment and trust funds.

Liabilities to Beneficial Owners - As discussed in Note 9, the Foundation has recorded liabilities for assets held as trustee, intermediary, custodian or agent for beneficial owners of income or remainder interests. Generally, the Foundation's liability is limited to assets held within a specific trust or account. The Foundation is, however,

responsible for the payments to annuitants under certain gift annuity contracts out of its general assets.

Appropriations to Preserve Principal - The Foundation, as discussed in Note 3, manages assets of endowment funds utilizing a total return distribution policy that incorporates a provision under which a portion of asset earnings or appreciation is permanently restricted and added to principal. Where donors so specify, amounts are added to trust corpus from income. In addition, corpus of trustee or administered trusts is credited with an amount equal to 15% of oil and gas revenue.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Income Taxes - The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

2. Investment Pools

Investments of the various funds under management of the Foundation are held in four investment pools. Investment pools consist of a domestic equity pool, an international equity pool, a fixed income pool, and a group bond pool.

Trust and custodial accounts participate in the respective pools based upon investment models. These models represent ownership percentages designed for various types of trusts and accounts based on the respective needs for current income or capital appreciation.

As discussed in Note 1, marketable securities held in the pools are accounted for under the market value method. Entry or withdrawal from the pools is based upon the market value of a pool unit. Market value of a pool unit is determined by dividing the total assets by total units outstanding. Within the fixed income pool, the market value of church building loans is estimated to approximate the total principal balance of these loans less an allowance for doubtful loans equal to approximately 2-1/2% of the principal balance.

The following is a summary of assets held in the investment pools at December 31, 2000 and 1999:

3. Total Return Spending Policy

The Foundation uses a method based upon the total return on assets to determine the amounts distributable from endowments held as trustee and amounts appropriated for expenditure for endowments under which the Foundation is the income beneficiary.

The spending or distribution policy as determined under a method adopted by the board effective January 1, 1997 provides for the establishment of a "spending rate" based on historical total return adjusted for inflation. Under this policy, the spending rate, reflected as a percentage, is multiplied by "historic dollar value". Historic dollar value is defined as the value of all gifts received by the trust increased by any amounts added to trust principal under the trust agreement or by action of the Board. This amount is then decreased by the carrying value of any nonpooled investments.

Under the policy, a ceiling is established equal to a percentage of historic dollar value. At the beginning of each year, excess gains, appreciation and undistributed current year pooled income over the ceiling is added to principal.

On January 1, 1997, the spending rate was established at 5% and the ceiling at 15%. After allocations of these items, the cumulative total investment return that has not been added to principal or appropriated for expenditure is available for future use to preserve principal or increase distributable amounts. This amount is referred to as the stabilization account. Changes in this account for endowments benefiting the Foundation or held by the Foundation as trustee for others are summarized below along with amounts for endowments administered for other institutions that have elected to be managed under this spending policy. Because amounts in these accounts are subject to no current restrictions, they constitute unrestricted amounts and the account related to the Foundation's endowment is a part of unrestricted net assets. On January 1, 2001, approximately \$8,000 was added to permanent endowments principal based on a ceiling of 15%. A spending rate of 5% was established for 2001.

4. Assets Held by Financial Institutions

During 1999, the Foundation became trustee of an endowment benefiting Oklahoma Baptist University. Assets continue to be held by the financial institution who previously acted as trustee. A portion of gains arising prior to the date at which the Foundation became trustee totaling \$1,533,748 were allocated to income and added to the stabilization account. The trust is now managed under the spending policy discussed in Note 3. At December 31, 2000, the trust held cash and investments totaling \$12,436,328 of which \$7,087,771 consisted of equity securities and \$4,551,290 of debt securities.

The Foundation receives distributions from a permanent endowment held by a bank trustee. The Foundation receives 40% of the trust's earnings. At December 31, 2000, the Foundation's share of trust assets totaled \$225,600.

5. Investment in Vanguard Mutual Funds

Certain trusts with noncharitable income or remainder beneficiaries are not eligible to pool investments with trusts which are, or will ultimately become, fully charitable. Assets of these trusts, which were formerly pooled, have been invested in three funds of the Vanguard group of mutual funds. These investments are carried at market. Activity of these funds is summarized below:

Other investments totaling \$13,141,376 (\$13,018,327 - 1999) are held outside of the investment pools. Prior to 1999 these assets were carried at cost. In 1999, the Foundation began carrying marketable equity and debt securities at market. The following summarizes other investments carried at market as of December 31:

Other assets totaling \$8,198,510 at December 31, 2000 (\$7,460,010 - 1999) are carried at contributed value or acquisition costs. These assets do not have readily determinable market values. Included in other assets at cost are income producing properties, notes and other debt instruments redeemable at face value and life and annuity contracts.

Depreciation is provided on a straight line basis at rates that are intended to amortize costs over the estimated useful lives. Depreciation expense for the year totaled \$124,378 (\$122,123 - 1999). Lives of assets are predominantly five years. Automobiles are depreciated to an estimated residual value at the expected date of sale or trade.

8. Postretirement Benefits Other Than Pensions

The Foundation maintains a plan to provide health, life and termination benefits to retirees. Estimated costs are recognized over the employee's active service period. The plan, as originally adopted, provided health and life premium coverage for all employees and spouses after ten years of service upon normal retirement. Subsequently, the plan was amended, to increase the service period to fifteen years and to limit coverage to exclude spouses. The amendment resulted in unrecognized prior service benefit of \$139,328 and an unrecognized net gain of \$40,618. The plan as adopted and amended is unfunded.

In determining the obligation under the plan, a weighted average discount rate of 6.5% (7% - 1999) was assumed. Health care (premiums) costs were estimated to increase by 9.0% in 2000, with ratable annual reduction until an ultimate rate of 5% is reached in 2008. Unrecognized prior service benefits cost is being amortized over the remaining service to full eligibility of active employees which averaged 11 years in 2000.

9. Liability to Beneficial Owners

The Foundation was formed to administer funds and receive property on behalf of the Convention and other Baptist institutions. In its capacity as trustee, administrator, custodian or agent, the Foundation holds assets for these organizations. In addition, the Foundation acts as trustee under revocable and irrevocable agreements in which donors have retained interest in income, principal or both. The following summarizes categories of arrangements under which the Foundation has liabilities to these beneficial owners. Obligations to make future payments are discounted at 5% which equals the estimated long-term return on investments. Those payments which are for life are estimated using 1999 unisex tables published by the Internal Revenue Service. Prior estimates utilized a 1980 gender specific table.

Liabilities to Income and Remainder Beneficiaries under Split-Interest Agreements

Gift Annuity Contracts - These agreements have been entered into between the Foundation and a donor under which the Foundation has agreed to pay a specified amount, at least annually, to a noncharitable income beneficiary. Typically income payments are for life. The liability to income beneficiaries has been estimated at \$3,908,395 at December 31, 2000, (\$2,787,198 - 1999) and represents a general liability of the Foundation. This liability is equal to the present value of estimated future payments.

Liabilities to Income Beneficiaries under Irrevocable Trust Agreements - The balances of \$4,045,402 and \$3,135,575 at December 31, 2000 and 1999 represent the present value of estimated future payments to noncharitable beneficiaries under irrevocable trusts. This includes amounts estimated to be payable to beneficiaries of charitable remainder annuity trusts, charitable remainder unitrusts and other trusts whose remainder beneficiaries may be partially noncharitable.

Remainder Interests under Irrevocable Agreements - Liabilities at December 31, 2000 and 1999 of \$10,754,594 and \$12,017,992 represent the remainder interest in assets subject to payments to income beneficiaries as discussed above. Where agreements ultimately benefit the Foundation, remainder interests are included under temporarily or permanently restricted net assets.

Refundable Assets

Assets Held under Custodial Arrangements - The Foundation holds and invests assets for the Convention and its affiliates in a custodial capacity. At December 31, 2000 and 1999, balances of \$35,033,693 and \$36,123,288, respectively, represent the Foundation's liability to return amounts transferred and unremitted earnings to these affiliates. These funds are generally invested in the investment pools in ratios selected by the owner.

Conditional Transfers from Donors - The Foundation receives assets as trustee under agreements that are revocable or provide that trust corpus may be invaded for the benefit of the grantor or a noncharitable beneficiary. Because these assets may be withdrawn by revocation or through consumption by noncharitable beneficiaries, they are considered to be conditional transfers. To the extent the Foundation is an ultimate beneficiary under these agreements, a contribution will be recognized when all conditions are met. This typically will occur when the trust becomes irrevocable and the rights of noncharitable beneficiaries to corpus lapse. At December 31, 2000, net assets of \$16,063,639 (\$16,805,098 - 1999) were held under these agreements.

Assets Held for Others

Assets Held as Trustee under Permanent Endowments - The Foundation acts as trustee for numerous permanent charitable endowment trusts. These trusts generally benefit the Convention and its affiliates or other Southern Baptist affiliated institutions. Earnings from these funds are disbursed periodically under terms of the agreement or at the discretion of the beneficiary, based upon the spending policy discussed in Note 3. Net assets totaling \$121,524,815 and \$122,803,402 at December 31, 2000 and 1999 were held under these agreements. While the Foundation will administer these assets in perpetuity, the rights to enjoyment of benefits is vested in the income beneficiaries.

Assets Held under Agreements to Administer Trusts - The Foundation holds, invests and administers assets under trust agreements that name the Convention or its affiliates as trustee. These trusts are administered in a manner identical to those trusts in which the Foundation is named trustee. At December 31, 2000, net assets of \$20,506,141 (\$21,082,201 - 1999) were held under these agreements.

Remainder Interests under Irrevocable Agreements - See commentary under "Liabilities to Income and Remainder Beneficiaries under Split-Interest Agreements" above.

10. Affiliated Entities

As disclosed in Note 1, the Foundation is affiliated with the Baptist General Convention of the State of Oklahoma (the Convention). The majority of the funds administered by the Foundation are for the benefit of the Convention, its affiliates and various other Baptist organizations. Principal affiliates of the Convention and thus the Foundation, are The Oklahoma Baptist University, Oklahoma Baptist Homes for Children, Inc., Baptist Retirement Centers of Oklahoma, Inc. and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Foundation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year were \$309,037.

As discussed in Notes 12 and 13, the Foundation has invested funds in the Baptist Building Corporation and has entered into an operating lease for office facilities.

The Foundation, through its fixed income pool, makes loans to churches, associations and agencies affiliated with the Baptist General Convention of the State of Oklahoma to finance the purchase of land and buildings. These loans are secured by first mortgages on the property and buildings constructed and may require personal endorsements of

church members. The lives of these loans vary up to a maximum of 15 years. Interest rates are set by the Church Building Loan Committee with consideration given to the current rates available from commercial sources. The balance of church building loans outstanding at December 31, 2000, was \$27,418,096 (1999 - \$28,014,907) including \$2,728,211 of participating loans serviced by the North American Mission Board of the Southern Baptist Convention. An allowance of \$707,212 for uncollectible loans was recorded as of December 31, 2000 (1999 - \$799,542). At December 31, 2000, loans totaling \$5,643,703 were guaranteed by the Baptist Foundation of Texas under a guaranty servicing agreement.

At December 31, 2000, the Foundation had outstanding commitments totaling \$8,622,000 (1999 - \$5,370,000) for church building loans.

11. Pension Plan

All employees of the Foundation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Foundation contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for the year ended December 31, 2000 was \$118,607 (1999 - \$96,207). The Foundation's policy is to fund pension cost as it is incurred.

12. Leased Facilities

The Foundation is obligated under a lease with the Baptist Building Corporation (a corporation owned and controlled by the Baptist General Convention of the State of Oklahoma) for facilities. The monthly payment for 2000 was \$8,086.

The lease had an initial term of ten years with options to renew for ten additional one year periods. The agreement provides for increases based upon escalations in operating costs. Rental expense under the lease totaled \$97,030 for 2000 (\$81,702 - 1999).

The Foundation also leases office facilities in Tulsa under a lease expiring December 31, 2003. Expense under the lease for 2000 totaled \$18,528 (\$17,234 - 1999).

In December, 2000 the Foundation entered into a one year lease agreement for office space in Ardmore.

13. Investment in Baptist Building Corporation

During 1990, the Convention entered into an agreement under which custodial funds held by the Foundation were invested in a newly-formed corporation for the purchase and renovation of an office building. Upon completion of renovation, the building was leased, principally to the Convention and its agencies and affiliates including the Foundation. A total of \$4,331,000 has been invested in the Baptist Building Corporation. At December 31, 2000 and 1999, \$4,131,000 was outstanding. Repayment of invested funds is at the discretion of the Baptist Building Corporation, however all invested funds must be repaid upon any sale or conveyance of the building. The agreement provides that the Baptist Building Corporation will pay a reasonable rate of return approximating the pooled investment distribution rate. During the year, income totaling \$320,152 (\$330,480 - 1999) was received under this agreement.

14. Remainder Interest in Assets Held by Others

During 1996, the Foundation was notified of the existence of a charitable remainder unitrust naming them as the principal remainder beneficiary. The fair market value of assets held by the trust approximated \$4,036,000 at December 31, 2000.

The trust agreement provides for specified payments to facilities now operated by Oklahoma Baptist Homes for Children with the remainder to be distributed outright to the Foundation to be used for purposes as determined by its officers.

The trust agreement constitutes an unconditional promise to give. The present value of estimated future benefits to be received upon the death of the income beneficiary of \$567,746 was recognized as a temporarily restricted contribution in 1996. At December 31, 2000, the remainder interest had increased to \$888,000 (\$941,000 in

1999). The 2000 decrease of \$53,000 was recognized as a reduction in temporarily restricted income. Income will be recognized in future periods to reflect amortization of the present value discount, revaluation of assets, and estimated future payments to the income beneficiary.

15. Contingency

The Foundation and Convention are defendants in a lawsuit arising from a charitable remainder unitrust for which the Foundation serves as trustee. In the opinion of management, the ultimate liability, if any, under this litigation will not have a materially adverse effect on the financial statements.

These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2000 and 1999

1. Summary of Significant Accounting Policies

Nature of Operations - Baptist Retirement Centers of Oklahoma, Inc. (the Corporation) is a not-for-profit corporation organized for charitable, religious, educational and scientific purposes in providing aged, sick or injured persons with housing facilities, long term care nursing facilities and other services designed to meet their physical, social, psychological and spiritual needs and to contribute to their health, security, happiness, spiritual well-being and usefulness in longer living as mandated by the Scriptures as a ministry of the Gospel of Jesus Christ. The Corporation is an auxiliary corporation of the Baptist General Convention of the State of Oklahoma (the Convention). Directors of the Corporation are elected by the Convention.

Basis of Accounting and Financial Statement Presentation - The financial statements are prepared on the accrual basis of accounting, in conformity with the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, *"Financial Statements of Not-for-Profit Organizations"*. The Corporation reports information regarding its financial position and activities in three classes of net assets based on the existence of any external restrictions on net assets by donors. These classes are unrestricted, temporarily restricted, and permanently restricted.

Unconditional Promises to Give - The Corporation reports contributions as support when assets are received or when an unconditional promise to give has been made, in conformity with the provisions of Statement of Financial Accounting Standards (SFAS) No. 116, *"Accounting for Contributions Received and Contributions Made"*. Unconditional promises to give as reflected in the accompanying balance sheet consist of pledges made under a capital improvement fund drive (Note 2) and remainder interest in assets held in irrevocable trusts by The Baptist Foundation of Oklahoma (The Foundation).

Donor Restrictions - The Corporation reports gifts of cash or other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, through the passage of time or when a stipulated purpose is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of operations as net assets released from restrictions. Donor restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

NOTES TO FINANCIAL STATEMENTS

Gifts of cash or other assets received under endowment agreements where donors have restricted use to the income from the assets are reported as increases in permanently restricted net assets. These assets are generally held in trust by The Foundation (Note 4) or by other trustees. To the extent income and realized or unrealized gains are not restricted by donor stipulations or state law, these items are reported as increases in unrestricted net assets in the statement of operations.

The Corporation reports gifts of property, equipment and long-lived assets as unrestricted support unless explicit donor stipulations specify how donated assets must be used. Gifts of long-lived assets with specific use restriction and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. The Corporation reports expiration of donor restrictions when the donated or acquired assets are placed in service.

Property and Equipment - The Corporation capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets. At December 31, 2000, interest to be capitalized on assets included in construction in progress is \$176,425. Lives generally used are:

Land improvements	20 -40 years
Buildings	20 -50 years
Furniture and equipment	4 -10 years
Automobiles and machinery	3 -10 years

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Income Taxes - The Corporation is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows - For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

2. Unconditional Promises to Give and Remainder Interests

During 1995, the Corporation initiated a program to raise support for facilities renovation and expansion and to increase permanent endowments. Assets received include gift annuity contracts held by The Baptist Foundation of Oklahoma. Pledges constitute unconditional promises to give and have been recognized as temporarily restricted support in the current period. Pledges have been valued at the net present value of future cash flows net of an allowance for uncollectible pledges receivable of \$33,550 (\$48,316 - 1999). Pledges receivable have been discounted at 5% which represents an estimated rate of return on long-term investments.

The following summarizes pledges receivable in years ending December 31, 2001 through 2003:

<u>Year Ending December 31,</u>	<u>Total</u>	<u>Present Value</u>
2001	\$54,067	\$54,067
2002	5,610	5,205
2003	<u>50,091</u>	<u>44,217</u>
	<u>\$109,768</u>	<u>103,489</u>
Less allowance for uncollectible receivables		<u>33,550</u>
Net receivable		<u>\$69,939</u>

The Corporation is the ultimate beneficiary under certain irrevocable agreements trustee or administered by the Foundation. Under these agreements, income is payable for life or a specified period of time to a beneficiary with the remainder payable to the Corporation. Agreements include gift annuity contracts, charitable remainder trusts and other irrevocable trusts under which the Corporation is a remainder beneficiary. These agreements constitute unconditional promises to give to be recognized as income when the promise is given. Gifts are valued by reducing total assets held by the Foundation by the present value of estimated future income payments over the term of the agreement or

December 31, 2000 balance	<u><u>\$652,883</u></u>	<u><u>\$373,097</u></u>	<u><u>\$279,786</u></u>

The change in value of remainder relates to changes in life beneficiaries interest based on mortality or contract terms.

3. Transfer of Assets from Baptist General Convention of the State of Oklahoma

During 1993, the Board of Directors of the Convention formed the Baptist Retirement Centers of Oklahoma, Inc. and initiated a plan under which all operating assets of retirement centers operated by the Convention, subject to certain liabilities, were transferred to the Corporation. Transfers were approved by creditors of the Convention, and assets transferred remain pledged as collateral on Convention debt. Final approval was obtained during 1995. Debts for which the Convention remains primarily liable, but which relate to assets included on the Corporation balance sheet, are reported as liabilities of the Corporation.

5. Notes Payable

As discussed in Note 3 above, certain assets transferred to the Corporation were encumbered by liabilities. A portion of these liabilities were refinanced in 1999, however, the following note remains a direct liability of the Convention. Under terms of the transfer the Corporation has agreed to fund all required principal and interest payments. Therefore, the liability is recorded on the balance sheet of the Corporation subject to the following provisions.

The Oklahoma Development Finance Authority

Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999

On August 1, 1999, The Oklahoma Development Finance Authority (the Authority) issued its "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999" in the amount of \$16,050,000 with interest at rates ranging from 4.2% to 5.8%. Net proceeds of \$14,135,031 from the bond issue were loaned to the Convention and were used to retire the "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989" (1989 issue). The Convention has executed a note to repay the Authority for its cost under the bond issue and to fund interest and bond retirement. The Convention's liability under the note at December 31, 2000 was \$12,074,988 (\$13,236,474 - 1999), which is equal to the bond liability net of unamortized issuance costs.

Monthly payments are required by the note in amounts equal to the Authority's debt service for the bonds. Final payment under the note is scheduled for May 2009. The unrestricted gross revenues of the Corporation are pledged as security under the note. The note is further guaranteed by the Convention.

The refinancing resulted in a charge of \$627,501 related primarily to unamortized issuance costs of the defeased issue. This amount has been recognized in the accompanying statement of operations as an extraordinary item for the year ended December 31, 1999.

At December 31, 1998, the Convention's net liability under a note executed as part of the 1989 issue was \$13,876,474. The note was guaranteed by the Corporation and Oklahoma Baptist Homes for Children, Inc. The 1989 issue was retired in its entirety in 1999.

Junior Lien Revenue Bonds, Series 1999, Baptist Retirement Centers of Oklahoma-Hugo Project

On August 1, 1999, the Oklahoma Development Finance Authority (the Authority) issued its "Junior Lien Revenue Bonds, Series 1999, Baptist Retirement Centers of Oklahoma-Hugo Project" in the amount of \$1,635,000 with interest rates ranging from 4.2% to 6.5%. Net proceeds of \$1,477,300 from the bond issue were loaned to the Baptist Retirement Centers of Oklahoma for the remodeling of the retirement center, located at Hugo, Oklahoma, including the provision of an Alzheimer care and physical therapy facility. The Corporation has executed a note to repay the Authority for its cost under the bond issue and to fund interest and bond repayment. The Corporation's liability under the note at December 31, 2000 was \$1,401,515 (\$1,454,140 - 1999), which is equal to the bond liability net of unamortized issuance costs.

Monthly payments are required by the note in amounts equal to the Authority's debt service for the bonds. Final payment under the note is scheduled for August 2014. The note is secured by a junior lien pledge of the unrestricted revenues of the Corporation which are pledged to the Authority's Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999. The note is further guaranteed by the Baptist General Convention of the State of Oklahoma.

Other Financing

On August 16, 1999, the Corporation borrowed \$290,000 with an initial interest rate of 7.50% from a lending institution to purchase land adjacent to the Tulsa Baptist Village for expansion of the current facility. The note had a maturity date of February 16, 2000, which was extended to April 1, 2000. On May 12, 2000 the Corporation entered into an adjustable rate promissory note in the amount of \$1,500,000. Beginning October 1,

The Corporation is required to make mandatory principal payments under this note from time to time in connection with the execution of any life occupancy agreement. Final payment and all accrued unpaid interest is due on May 1, 2003. Total borrowings under this loan at December 31, 2000 was \$637,518.

6. Capital Lease Obligations

As previously discussed in Notes 3 and 5, the Corporation received assets from the Convention subject to certain liabilities. The Corporation has entered into a sublease agreement under terms of the capital lease obligations discussed below.

Tulsa Baptist Retirement Center - On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000.

The lease rental to be paid by the Convention is an amount sufficient to satisfy the bond obligation. The lease is scheduled to terminate by February 1, 2008.

The Convention has the right to purchase the project at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

Baptist Retirement Center, Oklahoma City - The Baptist Retirement Center, Oklahoma City was constructed by the Baptist Laymen's Corporation (an affiliate) in 1965 and transferred to the Convention in 1974.

In 1971, the Baptist Laymen's Corporation leased the premises to the Oklahoma Industries Authority (OIA). OIA issued its Series A and B bonds secured by a first mortgage on the property and guaranteed by the Convention. OIA then subleased the premises to the Baptist Laymen's Corporation for a period of twenty years with payments equal to the annual debt service requirement of the OIA on bonds issued as described below. The Convention has the option to acquire the leasehold estate for an amount necessary to retire all outstanding bonds issued by the OIA.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds are guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Convention has the option to acquire the leasehold estate for the amount required to retire all outstanding bonds issued by the OIA.

The following is a schedule by years of future minimum lease payments under the lease obligations, together with the present value of the net minimum lease payments as of December 31, 2000:

7. Deferred Life Occupancies

Deferred life occupancies relate to rights to occupy duplexes constructed at various retirement centers on land owned by the Corporation. The construction cost of these duplexes was donated and the donors have a rent-free life occupancy in the duplexes. The duplexes have been capitalized at a value approximating total construction costs, and are being depreciated over their estimated useful lives. The deferred liability for the life occupancies, representing future rentals to be provided, is reduced annually for rentals based upon the donor's life expectancy.

8. Pension Plan

All employees of the Corporation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Corporation contributes an amount equal to 10% of administrative employees' salaries. Employee contributions are voluntary. Pension expense for the year totaled \$69,766 (\$68,916 - 1999). Pension costs are funded as incurred.

9. Postretirement Benefits Other Than Pensions

The Corporation provides insured health benefits and life insurance coverage to managerial employees and spouses after ten years of service upon normal retirement. Estimated costs of these benefits are recognized during the employees' active service period.

The following summarizes the funded status of the plan:

The net postretirement benefit cost for 2000 is as follows:

Service cost	\$26,639
Interest cost	49,163
Recognized (gain) loss	<u>225</u>
Net benefit cost	<u><u>\$76,027</u></u>

In determining the obligation under the plan, a weighted average discount rate of 7.25% was assumed for 1999 and 2000. Health care (premiums) costs were estimated to increase by 9.0% in 2000, with ratable annual reductions until an ultimate rate of 5% is reached in 2008. In calculating the liabilities at January 1, 2000, an increase of 9.0%

decreasing to 5% in 2007 was used. Differences in actual results from original assumptions are reflected as an unrecognized loss at December 31, 2000.

10. Affiliated Entities

As disclosed in Note 1, the Corporation is affiliated with the Baptist General Convention of the State of Oklahoma (the Convention), its affiliates and various other Baptist organizations. Principal affiliates of the Convention and thus the Corporation, are the Baptist Foundation of Oklahoma, Oklahoma Baptist University, Oklahoma Baptist Homes for Children, and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Corporation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year were \$333,402.

11. Leased Facilities

The Corporation leases office facilities from the Convention under a month to month agreement. Expenses in the current year totaled \$30,011. The Corporation anticipates entering into a long-term agreement to sublease office space. Annual rentals are expected to approximate \$36,014.

12. Commitments, Contingencies and Concentrations of Credit Risk

As discussed in Note 3, the Corporation assumed certain liabilities of the Convention as a part of the transfer of assets. In addition, the Corporation has guaranteed notes payable as discussed in Note 5.

The Corporation self insures workers' compensation. Insurance is carried to limit liability on individual and aggregate claims. The Corporation has recognized as expense in the current year the amount of claims paid for the year and an amount to accrue estimated future claims arising from losses in the current period.

From time to time in the course of operations, the Corporation may have cash on deposit with financial institutions in excess of federally insured amounts.

NOTES TO FINANCIAL STATEMENTS

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

December 31, 2000

NOTE A--ORGANIZATION

Oklahoma Baptist Homes for Children, Inc. ("OBHC") is an Oklahoma not-for-profit organization supported primarily by private donations. OBHC was incorporated in September 1993, and began operations on January 1, 1994, to provide care for children and to provide preventive and redemptive services for children, parents, and families. With donated funds, OBHC operates five homes or other living facilities for children in need and two crisis pregnancy centers. Prior to 1994, OBHC was a division of the Baptist General Convention of Oklahoma, Inc. ("BGCO").

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summarizes certain significant accounting policies followed by OBHC. These policies conform to generally accepted accounting principles:

Contributions: Contributions received, including unconditional promises to give, are recognized as revenues in the period received at their fair values. Contributions made, including unconditional promises to give, are recognized as expenses in the period made at their fair values. Conditional promises to give, whether received or made, are recognized when they become unconditional, that is, when the conditions are substantially met. For financial reporting purposes OBHC distinguishes between contributions of unrestricted assets, temporarily restricted assets, and permanently restricted assets.

OBHC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. If a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, in the same fiscal year as the year of the receipt of the gift, the gift is considered unrestricted. When a donor restriction expires on gifts classified as temporarily restricted, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. All contributed assets are reflected at the fair market value at the date of contribution.

The Baptist Foundation of Oklahoma ("BFO") holds certain funds under gift annuity contracts and other irrevocable trust agreements for which the remainder interest is held for the benefit of OBHC. OBHC is entitled to these remainder interests, which qualify as unconditional promises to give and are recorded at their discounted present value utilizing a 5% rate.

Cash and Cash Equivalents: For purposes of the statement of cash flows, OBHC considers cash on hand and deposits in banks to be cash and cash equivalents.

NOTES TO FINANCIAL STATEMENTS--Continued

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

December 31, 2000

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investments: Investments are accounted for in accordance with Statement of Financial Accounting Standards Number 124, "Accounting for Certain Investments Held by Not-For-Profit Organizations" ("SFAS 124"). SFAS 124 requires investments in equity securities with readily determinable fair values and all investments in debt securities be measured at fair value. The gains and losses on debt and equity securities are reported in the statement of activities as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by donor stipulations or by law.

BFO was created for the purpose of receiving and managing all investments for the various Baptist entities including OBHC. The investments managed by BFO are separated into the following categories:

Endowment - Investments in perpetuity, the income from which is expendable to support the donor imposed restriction, if any.

Restricted - Non-endowment investments for which the principal and income have donor restrictions as to their use.

Custodial - Non-endowment investments for which the principal and income are not donor restricted.

Loan - Non-endowment funds for which the principal and income may be used for providing loans to OBHC alumni.

Investments of the various funds under management of BFO are held in four investment pools, the domestic equity investment pool, the international equity investment pool, the fixed income pool, and the group bond pool. Investments held in the domestic equity investment and international equity investment pools include interest bearing cash, money market accounts, and marketable equity securities. Investments held in the fixed income and group bond pools include interest bearing cash, money market accounts, corporate debt securities, U.S. Government securities, church building loans, net of allowance for doubtful loans, participation in home mission board loans, and accrued interest. Marketable securities held in the pools are recorded at market value. The market value of church building loans is determined as the principal balance less the allowance for doubtful loans. Other investments held outside the investment pool are presented at cost.

Risks and Uncertainties: Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the financial statements.

Concentrations of Risk: OBHC receives the majority of its contributions from residents of Oklahoma.

OBHC maintains cash balances at financial institutions located in Oklahoma. From time to time, the account may exceed the limits insured by the Federal Deposit Insurance Corporation.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Fixed Assets: Fixed assets are recorded at cost. The cost and related accumulated depreciation of assets sold or retired are removed from the accounts and the resulting gains or losses are included in the statement of unrestricted revenue, expense and other changes in unrestricted net assets. Maintenance repairs and minor renewals are expensed as incurred. These assets are depreciated over their estimated useful lives using the straight-line method. The following useful lives are used:

Furniture and fixtures	6-20 years
Equipment	6 years
Vehicles	3 years
Buildings and leasehold improvements	10-40 years

Net Asset Classifications: Net assets have been segregated to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the board and of those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions. The following net asset segregations have been established for OBHC:

Unrestricted net assets - Represents resources over which the governing board has discretionary control to use in carrying on the operations of OBHC.

Temporarily restricted net assets - Represents resources currently available for use, but expendable only for purposes specified by the donor.

Permanently restricted net assets - Represents resources for which the principal is to remain intact in perpetuity. The income, allocated under the BFO distribution policy, is expendable either for general purposes or for purposes specified by the donor.

Revenue Recognition: Revenue of OBHC consists primarily of cooperative program distributions, voluntary contributions from Baptist churches throughout the state of Oklahoma and income earned on investments. OBHC's cooperative program distributions are budgeted annually at the discretion of BGCO. In accordance with the accrual basis of accounting, revenue is recognized when earned.

Functional Allocation of Expenses: Expenses are organized in both natural and functional classifications to provide useful information about the costs of significant programs or services provided by OBHC. Costs incurred are either directly related or allocated to a specific program or service.

Workers Compensation Insurance: OBHC is self insured with respect to workers' compensation claims. Monthly payments are made to a self-insured plan established by BGCO. This plan is self-insured to the extent of the excess liability insurance with an employer liability limit of \$1,000,000 per occurrence and a self insured retention of \$125,000 per occurrence.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Advertising Costs: All advertising costs are expensed as incurred. Advertising costs were approximately \$73,000 and \$48,000 for 2000 and 1999, respectively.

Income Taxes: OBHC is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from Federal income taxes on related income pursuant to Section 501(a) of the Code.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Reclassifications: Certain amounts in the 1999 financial statements have been reclassified to conform to the 2000 presentation.

NOTE G--POST-RETIREMENT EMPLOYEE BENEFITS

OBHC sponsors unfunded post-retirement health care, life insurance and retirement gift benefits. These post-retirement benefits are offered to all full time employees that were hired prior to September 27, 1994.

Effective January 1, 1994, OBHC adopted the provisions of Statement of Financial Accounting Standards No. 106, "Employers' Accounting for Post-Retirement Benefits Other than Pensions." In applying this pronouncement, OBHC immediately recognized the Accumulated Post-Retirement Benefit Obligation ("APBO") as of January 1, 1994, as a transfer from BGCO.

The following tables set forth the plans' funded status reconciled with the amount shown in OBHC's Statement of Financial Position at December 31, 2000 and 1999, respectively:

INDEPENDENT AUDITORS' REPORT

The Board of Trustees
The Oklahoma Baptist University
Shawnee, Oklahoma

We have audited the accompanying statements of financial position of THE OKLAHOMA BAPTIST UNIVERSITY as of July 31, 2000 and 1999, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Oklahoma Baptist University as of July 31, 2000 and 1999, and the changes in its net assets and its cash flows for the years then ended, in conformity with generally accepted accounting principles.

1. Organization and Summary of Significant Accounting Policies

Organization

The Oklahoma Baptist University was created by action of the Baptist General Convention of the State of Oklahoma in 1909 to function as an operating unit of the Convention under supervision of a Board of Trustees elected by that Convention. Articles of Incorporation were filed February 9, 1910 and amended November 25, 1974 with the State of Oklahoma and a charter was granted for a corporation of perpetual duration without capital stock. The purpose of the corporation is to encourage, support, provide and maintain Christian education and to engage in Christian undertakings which are in keeping with the purpose of the Baptist General Convention of the State of Oklahoma.

Summary of Significant Accounting Policies

Basis of Financial Statements -The financial statements of the University have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles, and in conformity with Statement of Financial Accounting Standards (SFAS) No. 116, "Accounting for Contributions Received and Contributions Made", and SFAS No. 117, "Financial Statements of Not-for-Profit Organizations". SFAS No. 116 requires that contributions, including unconditional promises to give, be recognized as revenues in the period received or promised. Conditional promises to give are not recorded until conditions are substantially met. Under SFAS No. 117, information regarding financial position and activities is reported in three classes of net assets based on the existence of or absence of donor-imposed restrictions. Net assets are classified as follows:

Unrestricted - Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Trustees or may otherwise be limited by contractual agreements with outside parties.

Temporarily Restricted - Net assets whose use by the University is subject to donor-imposed restrictions that can be fulfilled by actions of the University or by the passage of time. Assets received with donor-imposed restrictions that the University intends to use and actually uses within the same reporting period as received are treated in the same manner as unrestricted revenues for reporting purposes.

Permanently Restricted - Net assets subject to donor-imposed restrictions that they be maintained permanently by the University. Generally, the donors of these assets permit the University to use all or part of the income earned on related investments for general or specific purposes. Such assets also include the University's beneficial interest in irrevocable trusts held by others.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and revenues and expenses recognized during the reporting period. Actual results could differ from those estimates.

Measure of Operations - The excess of revenues, gains and other support over expenses reflected in the accompanying statement of activities includes substantially all of the activities related to unrestricted net assets.

Cash and Cash Equivalents - Cash and cash equivalents include cash on hand and on deposit in demand and interest-bearing accounts administered by the University.

Investments - The University reports investments in equity securities (with readily determinable fair value) and all investments in debt securities at fair value in the statement of financial position, with gains and losses included in the statement of activities, in conformity with Statement of Financial Accounting Standards (SFAS) No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations". The fair values of investments are generally determined based on quoted market prices or estimates of fair value provided by external investment managers. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year. Investments in real estate and mortgages and notes receivable are recorded at cost.

Income and gains or losses on investments are reported as follows:

Increases in permanently restricted net assets if the terms of the gift that gave rise to the investment or applicable law requires income or gains be added to the principal of a permanent endowment.

Increases in temporarily restricted net assets if the terms of the gift or applicable law impose restrictions on the use of the income and the income will not be used during the reporting period.

Increases in unrestricted net assets in all other cases.

Generally, losses on the investments of restricted endowments reduce temporarily restricted net assets to the extent donor-imposed temporary restrictions on net appreciation of investments have not been met before the loss occurs. Any remaining losses reduce unrestricted net assets, but can be restored through subsequent investment gains.

Contributions Receivable - During the 1995-96 fiscal year, the University initiated the Foundation for the Future Campaign to raise \$25,000,000. The goal of the campaign includes \$10,000,000 for capital improvements, \$10,000,000 for endowment and \$5,000,000 for operations. At July 31, 2000, pledges and cash totaling \$21,909,642 had been received. Contributions receivable are recorded net of an allowance for doubtful receivables of 15% of the pledged contribution and net of a discount. The discount rate is based on the "risk free" treasury rates as quoted on July 31, 2000, and is applied on an annual basis. Significant estimates have been used to predict the future cash flows from pledged contributions. Amortization of the discount is recorded as additional contribution revenue.

The campaign contributions receivable (unconditional promises to give) are included in "Pledges receivable", and are as follows:

	<u>2000</u>	<u>1999</u>
Unconditional promises to give before unamortized discount and allowance for uncollectibles	\$2,940,104	\$2,312,917
Less unamortized discount	<u>222,894</u>	<u>105,869</u>
	2,717,210	2,207,048
Less allowance for uncollectibles	<u>441,015</u>	<u>346,938</u>
Net pledges receivable	<u><u>\$2,276,195</u></u>	<u><u>\$1,860,110</u></u>
Reported in the financial statements as:		
Due in less than one year	\$ 971,467	\$ 1,130,208
Due in one to five years	<u>1,304,728</u>	<u>729,902</u>
	<u><u>\$2,276,195</u></u>	<u><u>\$1,860,110</u></u>

Gifts of land, building and equipment and other long-lived assets are reported as unrestricted support unless explicit donor stipulations specify how or how long the donated assets must be used, in which case the gift is reported as restricted support.

Educational Plant - Plant facilities are stated at cost less accumulated depreciation or, if received as a gift, at fair value or appraised value at the date received, less accumulated depreciation. Generally, improvements, renovations, and equipment purchases in excess of \$500 are capitalized. Depreciation is recognized on a straight-line basis over the estimated useful lives of buildings and improvements (50 years) and equipment and software (10 years) beginning in the year following the year of acquisition. Library materials, consisting of books, periodicals, microfilm, and electronic media, are recorded at cost less accumulated depreciation. Depreciation is recognized on a straight-line basis over an estimated useful life of 20 years beginning in the year following the year of acquisition.

Inventories - Inventories are stated at cost.

Student Notes Receivable - Of the \$1,102,812 of notes receivable under student loans, \$881,643 has been made to students under U. S. Government loan programs. The loans are stated at net realizable value in the accompanying statements. It is not practicable to estimate the fair value of these receivables since they contain federally mandated interest rates and repayment terms subject to significant restrictions as to their transfer and disposition.

Funds Held in Trust by Others - Funds held in trust by others represent amounts held for the beneficial interest of the University under irrevocable perpetual trust agreements between donors and third-party trustees. The University's interests in the trusts are recorded at the fair value of the net assets of the trusts, with net increases or decreases in fair value during the year being reported as changes to permanently restricted net assets. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year.

Remainder Interest in Trusts - Remainder interests in trusts represent amounts held in trusts by others that will be transferred to the University. Upon the death of the current beneficiaries, these assets generally will become permanently restricted net assets of the University.

Amortization of Postretirement Benefits (Note 10) - The University's net benefit obligation at August 1, 1995 (the date of adoption of SFAS No. 106, "Employers' Accounting for Postretirement Benefits Other than Pensions") is being amortized on a straight-line basis over a 20-year period.

Advances Under Federal Loan Programs - Funds provided by the U. S. Government primarily under the Federal Perkins Loan Program are loaned to qualified students and may be reloaned upon collection. These funds are ultimately refundable to the government, and are reported as permanently restricted net assets.

Tuition, Fees and Scholarships - Scholarships, including those awarded from designated or restricted resources, and tuition discounts granted to employees and their dependents are reported as a deduction from tuition and fees. Prepaid tuition and other deposits represent payments received before the services or products are provided by the University.

Expenses and Other Activity - Expenses are generally reported as decreases in operations (unrestricted net assets). Temporarily restricted net assets for which donor-imposed conditions are met are reclassified to unrestricted net assets and reported as net assets released from restriction. Net assets released from restrictions generally represent expenses in excess of budgeted amounts that meet the donor-stipulated purpose and/or the stipulated time period has elapsed and capital expenditures made pursuant to donor specifications. Permanently restricted net assets reclassified to unrestricted or temporarily restricted net assets represent changes in restrictions specified by the donor.

The costs of providing the various programs and supporting activities of the University have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated based on total personnel costs or other systematic bases.

Income Taxes - The University is exempt from Federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. If the University earns monies not in accordance with its primary purpose, such earnings, known as unrelated business income, are subject to Federal income taxes.

Investment and Endowment Income - Investment and endowment income consists primarily of interest, dividends, gains and appreciation from assets held by others.

Assets held by The Baptist Foundation of Oklahoma as trustee or in a custodial capacity are predominantly pooled investment interests consisting of approximately 60% equity and 40% fixed income investments. These assets are carried at fair market value. In addition, the Foundation holds mineral interests, real estate and mortgages which are recorded at contributed value. Realized and unrealized gains in excess of the amount distributed to the University are either added to historical corpus or to a stabilization pool which may be added to corpus or distributed for future expenditure by the University. Excess earnings added to historic corpus are considered to be permanently restricted. For the years ended July 31, 2000 and 1999, permanently restricted assets were increased by \$3,427,708 and \$3,849,358, respectively, by transfers from stabilization reserves in unrestricted and temporarily restricted assets.

5. Capitalized Lease Payable - Oklahoma Baptist University Authority

The University entered into a lease with Oklahoma Baptist University Authority in December 1979, to obtain funds to construct a health, physical education, recreation and activities complex; to remodel the Brotherhood and W. M. U. Memorial Dormitories and the Clark Craig Field House; to finance computer facilities; and to pay existing indebtedness. The Authority obtained funds for these improvements by issuing \$7,640,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1979". Assets totaling approximately \$7,400,000 have been constructed or purchased under this lease. These assets are included with other educational plant assets.

The lease was amended on June 1, 1985, to obtain funds to finance a portion of the construction of the science building, married student housing, and a campus ministries center, and the renovation of Kerr Dormitory, the Theater annex, Montgomery and Thurmond Halls, and Parkway and Jent Apartments. The Authority obtained funds for these projects by issuing \$5,300,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1985". The remainder of the costs of these projects was financed

by funds raised in a special fund raising campaign and by University resources. Assets totaling approximately \$6,600,000 have been constructed, renovated or purchased under this amendment. These assets are included with other educational plant assets.

On May 18, 1988, the Authority issued \$11,800,128 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1988". The proceeds of these bonds were used to defease in substance the Series 1979 and Series 1985 bonds. The lease with the Authority was amended during May 1988, to allow for the change in sinking fund requirements under the new bonds.

The lease was amended on August 1, 1989, to obtain funds to finance the construction and furnishing of student apartments, purchase of a new telephone system, acquisition of land adjacent to the campus, refinancing of some existing loans, and completion of other miscellaneous projects. The Authority obtained funds for these projects by issuing \$3,400,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1989". Assets totaling approximately \$2,659,585 have been constructed or purchased under this amendment. These assets are included with other educational plant assets. Proceeds totaling \$288,691 were used to pay the balance due on the note payable to The Baptist Foundation of Oklahoma.

On May 21, 1992, the Authority issued \$8,282,809 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1992". The proceeds of these bonds were used to defease in substance \$7,038,128 of the \$9,988,128 outstanding Series 1988 bonds. The lease was amended during May 1992, to allow for the change in sinking fund requirements under the new bonds.

The lease was amended on September 1, 1996, to obtain funds to finance a portion of the construction of a new 156-bed women's dormitory. The Authority obtained funds for this project by issuing \$2,500,000 in bonds titled Oklahoma Baptist University Revenue Bonds, Series 1996A. The remainder of the cost of the construction was financed by gifts and University funds. The dormitory and its furnishings cost approximately \$3,200,000 and are included with other educational plant assets.

On June 10, 1999, the Authority issued \$2,380,000 in revenue bonds to refund in advance \$2,095,000 of Series 1989 bonds and to provide the University with \$248,388 to be used for campus projects. The lease with the Authority was amended during June 1999 to allow for the change in sinking fund requirements under the new bonds.

6. Operating Leases

Airport Property (parking lot) - The University entered into a lease agreement on March 1, 1995, as lessee, with the City of Shawnee (City) for property at the Shawnee Municipal Airport (Airport). The lease is for a period of twenty-five (25) years, with an option to negotiate for an additional period of time at the lessee's option, provided that any new lease is in accordance with the then established fee and rent policies of the City.

The lease required a payment of \$15,000, and for the University to perform the following within three (3) years of the date of the lease:

1. Remove existing Airport building No. 24,
2. Remove existing Airport improvements consisting of underground fuel storage tanks described as Airport Improvement No. 23, including meeting any and all Environmental Protection Agency compliances and costs associated with the demolition of said building and storage tanks at no cost to the City,
3. Remove and reconstruct an automobile parking lot on Tract I (land consisting of approximately 91,834 square feet) described as Airport Improvement No. 22,
4. Provide landscaping of Tract II (land consisting of approximately 191,194 square feet), which property lessee shall have access to use until such time as the City deems the property needed as required under its obligations to the Federal Aviation Administration.

The expenses of the above requirements are estimated to approximate \$466,035. The lease provides for reimbursement of such costs by the City to the University in the event the City terminates or cancels the lease within certain periods, as follows:

Within five (5) years	100%
Five (5) years, but less than ten (10)	75%
Ten (10) years, but less than fifteen (15)	50%
Fifteen (15) years, but less than twenty (20)	25%

The costs incurred will be capitalized as prepaid rent or leasehold improvements and amortized over the remaining life of the lease. Through July 31, 2000, the University's cost has been \$452,874. The University had additional improvements underway on the property on July 31, 2000.

Airport Property (physical plant) - The University leases land upon which the maintenance department offices and shops were constructed. This operating lease is for a period of 25 years beginning in 1977, and contains an option to renew at the end of the lease. The total rental expense is approximately \$3,000 per year, and the future minimum rental payments total \$6,750 through the year 2003.

Xerox - The University leases several copiers and facsimile machines from Xerox. The annual cost of the leases is approximately \$82,380 (\$6,865 per month). The terms of the leases range from three to six years.

7. Bookstore Lease

Effective December 1, 1995, the University entered into a five (5) year lease renewal with Barnes and Noble Bookstores, Inc. for the operation of the bookstore. The University will receive as rental income a percentage of sales with a guaranteed annual minimum of \$75,000. In addition, Barnes and Noble paid \$50,000 when the contract was extended.

8. Financial Instruments and Concentrations of Credit Risk

At July 31, 2000, the University had certain concentrations of credit risk with several financial institutions in the form of uninsured cash and time deposits which amounted to approximately \$208,263 (1999 - \$203,230). For purposes of evaluating credit risk, the stability of financial institutions conducting business with the University is periodically reviewed and management of the University believes that credit risk related to these balances is minimal.

9. Retirement Plans

Pension Plan - The University provides a defined contribution plan that covers substantially all of its full-time employees. Under the plan, the University contributes an amount equal to 6% of the participating employees' salaries. Employee contributions are voluntary. Total pension contributions for the year ended July 31, 2000, was \$475,519 (1999 - \$461,483). The University's policy is to fund pension cost as it is incurred.

Other Benefit Plan- The University also provides an OBU Executive Benefit Plan, covering certain key employees, which provides for benefits payable upon death or termination of employment. This plan is funded in the amount of approximately \$193,351 (1999 - \$243,887), and the assets are included in the money market account deposited with the Annuity Board of the Southern Baptist Convention, which is reported as an unrestricted asset. The liability is included in accrued expenses. Total contributions for the year ended July 31, 2000, were \$25,000 (1999 - \$25,000). The maximum amount that can be accrued for each employee is limited to two years' salary. The University's policy is to fund such cost as it is incurred.

10. Postretirement Benefits

Exempt employees who retire after a minimum of fifteen years of service and have reached the age of 55 at the time of retirement are eligible to receive postretirement benefits in the form of medical insurance coverage until they reach the age of 65. Upon reaching age 65, the retiree is eligible to receive a Medicare supplement insurance policy for life. Employees who retire after a minimum of fifteen years of service and have reached age 55 at the time of retirement are eligible to receive postretirement benefits in the form of term life insurance. The University recognizes postretirement benefits on an accrual basis as employees perform services to earn such benefits. The plan is not funded. The University is amortizing the transition obligation resulting from this accounting change over 20 years beginning August 1, 1995. The accrued postretirement benefit cost, which is included in accrued expenses, as of July 31, 2000, is as follows:

Accumulated postretirement benefit obligation	\$1,904,294
Plan assets at fair value	<u>None</u>
Accumulated postretirement benefit obligation in excess of plan assets	1,904,294
Unrecognized net gain or (loss)	408,259
Unrecognized prior service cost	None
Unrecognized transition obligation	<u>(1,221,277)</u>
Accrued postretirement benefit cost	<u><u>\$1,091,276</u></u>

Postretirement benefit expense for the year ended July 31, 2000, was \$289,177 (1999 - \$274,589) and includes \$79,085 service cost, \$134,785 interest cost, and \$81,418 amortization of transition obligation, less \$6,112 of recognized gain.

For measurement purposes, a 9.0% increase in the per capita cost of covered medical care benefits was assumed for 2000. The rate was assumed to ultimately decrease to 5%. The medical care cost trend rate assumption has a significant effect on the amounts reported. To illustrate, increasing the assumed medical care cost trend by 1% in each year would increase the accumulated postretirement benefit obligation as of July 31, 2000 by \$270,495 and the aggregate of the service and interest cost components of the net periodic postretirement benefit cost for the year then ended by \$43,308.

The discount rate used in determining the accumulated postretirement benefit obligation was 7.5% for the year ended July 31, 2000.

11. Tulsa Royalties Company

During 1991, the University accepted a gift of the mineral assets of Tulsa Royalties Company as partial payment of a pledge used for the construction of the new School of Business building. Tulsa Royalties Company (a public charity) remains intact as a separate corporation, having directors in common with the University. The financial statements of the Company are combined with the financial statements of the University. When control of the board was changed, the informal appraisal of the mineral interests was made at \$1,500,000. The University has used that figure as the cost basis and has used the "sum of the years digits" method over an estimated ten year life to record the depletion of the mineral assets. Additional mineral interests have been donated to Tulsa Royalties Company since that time. The value of the mineral interests net of accumulated depletion is stated at \$80,152 (1999 - \$126,949) as part of the long-term investments. The income from Tulsa Royalties is unrestricted.

14. Reclassification and Adjustment of Net Assets

Funds Held by BFO - The Baptist Foundation of Oklahoma administers funds which benefit the University (See Note 3). It is the policy of the Foundation to distribute a certain percentage of the historic dollar value of such investments each year. Investment earnings in excess of the amounts distributed to the University are added to a stabilization reserve. In years in which the percentage distributions required of the fund is more than the fund's current earnings, funds from the stabilization reserve are distributed. Excess amounts in the stabilization reserve may also be retained as an addition to the historic dollar value for the purpose of preserving the corpus. Excess earnings added to historic corpus are considered to be permanently restricted.

During the year ended July 31, 2000, the University reviewed documentation related to the administration of these funds and determined that the University's reporting of the balances of such funds did not agree to the balances classified as permanently restricted by actions of the Foundation. Net assets in the accompanying financial statements have been restated as of August 1, 1999 and 1998 to reflect a reclassification from unrestricted and temporarily restricted to permanently restricted net assets totaling \$10,194,959 and \$6,345,600, respectively. This reclassification had no effect on the total change in net assets for the years ended July 31, 2000 and 1999.

Funds Held by the University - The University also administers investments in endowment funds on its own behalf. These funds have features which govern the accounting treatment as to classification of the net assets. During the year ended July 31, 2000, the University determined that a portion of such funds should have been classified as permanently restricted. Net assets in the accompanying financial statements have been restated as of August 1, 1999 and 1998 to reflect a reclassification from temporarily restricted to permanently restricted net assets totaling \$256,569 and \$368,691, respectively. This reclassification had no effect on the total change in net assets for the years ended July 31, 2000 and 1999.

Adjustment to Educational Plant - Effective in 1995, generally accepted accounting principles for the University required that the cost of all property and equipment be capitalized and that such cost be depreciated over its estimated useful life. When the adjustment was made in 1995, the Educational Plant cost was understated by \$1,128,930 and the estimated accumulated depreciation through that date was also understated by \$562,089, resulting in a net asset understatement totaling \$566,841. Annual depreciation charges for subsequent years were calculated properly, however. Unrestricted net assets as of August 1, 1999 and 1998 have been restated in the accompanying financial statements to reflect this adjustment to cost and accumulated depreciation.

Summary of Reclassifications and Adjustments

These reclassifications and adjustments had no effect on the changes in net assets as reported in the statements of activities for the year ended July 31, 2000, or as previously reported for the year ended July 31, 1999. The following is a summary of the changes to restate the balances of net assets as of the beginning of the years ended July 31, 2000 and 1999.
