In the event any person elected to the Board of Trustees fails to attend two (2) consecutive meetings of the trustees without giving advance notification to the Office of the President of the Corporation, his or her position on the Board may be deemed to have become vacant, at the discretion of the Board of Trustees.

C. Any trustee may resign effective on giving written notice to the Chairperson of the Board of Trustees, unless notice specifies a later time for that resignation to become effective. At any continued meeting at which a required number of trustees shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

3.14. Notice of Continued Meetings. Notice of the time and place of holding an adjourned meeting which is to be continued at a later date need not be given to absent trustees if the time and place is fixed at the adjourned meeting.

3.15. Telephonic Meetings. 3.16. Action Without Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at a meeting of the Board of Trustees or of any committee thereof may be taken without a meeting, if a written consent to such action is signed by all members of the Board or of such committee as the case may be, and such written consent is filed with the minutes of proceedings of the Board or committee.

3.17. Fees and Compensation. No trustee (as such) of the Corporation shall receive, directly or indirectly, any salary or compensation from the Corporation, but may receive reimbursement for personal expenses actually incurred in carrying out their responsibilities as trustee.

10.03. Authorization of Indemnification. Any indemnification under Section 10.02 of this Article (unless ordered by a court) shall be made by the Corporation upon a determination that indemnification of the trustee, officer, employee, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 10.02. 12. First Vice President Walter Mullican, pastor, Portland Avenue Church, Oklahoma City, took the chair.
13. Anthony Jordan and Rue Scott, BGCO Partnership Missions coordinator, gave the Malawi mission report in conclusion of the five-year partnership. Sam Upton, IMB Coordinator for Malawi, Emmanuel Chinkwita Phiri, president of the Baptist Convention of Malawi, and Jordan spoke of the partnership and exchanged gifts.
14. A 12 Days to Kingdom Growth video featured Sam Upton speaking of the famine in Malawi. The hope is to provide 100,000 families with starter packs of seeds and fertilizer and to raise \$100,000 to provide corn to 50,000 families in the months before the next harvest. The video emphasized that 100 percent of each dollar given to World Hunger and Relief Ministries is used to meet food-related needs worldwide.
15. President Lang moved to declare January 12, 2003, Statewide Hunger Relief Day in Oklahoma, with the proceeds to go directly to Malawi. There was a second, and the motion carried.
16. Wade Burleson, pastor, Emmanuel Church, Enid, introduced George M. Ella, author of the book, *Isaac McCoy: Apostle of the Western Trail*, and presented the first copy to Jordan.
17. The choir from Malawi, directed by Fletcher Kaiya, sang “Partnership Song” and “Now Is the Time to Accept Christ.” A video about the partnership was presented, and all volunteers who had gone to Malawi were asked to stand and be recognized.
18. Anthony Jordan presented the executive director-treasurer’s address on the Kingdom of God, the recurring theme found in the life and ministry of Christ. He urged Oklahoma Baptists to make it their passion to see the pure and powerful Gospel proclaimed from every pulpit; to make their homes into models for those outside the Kingdom; and for our churches to be on mission to the ends of the Earth.
19. First Vice President Mullican led in prayer for Jordan.
20. Tony Kennedy, president, Oklahoma Baptist Homes for Children, introduced the OBHC report. A skit was presented by Chip and Lisa Winter. The OBHC children’s choir sang several selections, which were signed by the group “Speechless” from the Madill girls’ campus. A video celebrating OBHC’s first hundred years was shown. Kennedy then presented Lang and Jordan copies of the commemorative book, *Hope & Homes, A Century of Caring*. The children’s choir closed with “Thank You.” The following personnel were recognized for longtime service: Miss Betty Bishop

- (40 years service); Mr. and Mrs. Charles Boldin (40 years); Mr. and Mrs. James Browning (30 years); Mr. and Mrs. Judson Cook (20 years); Dr. and Mrs. Lowell Milburn (20 years).
21. Keith Haygood led the congregation in singing “Let Your Glory Fall.”
 22. Gregory Frizzell, BGCO Prayer & Spiritual Awakening specialist, led the prayer emphasis, which included a prayer of appreciation and intercession for Wendell Lang.
 23. The Malawi choir sang “Flood Ballad—Noah.”
 24. An OBU student told about the impact a mission trip had on his life and challenged everyone to experience missions firsthand. A 12 Days to Kingdom Growth video pointed out that 2,700 Oklahoma Baptist Collegiate Ministries students had participated in mission trips in 2002.
 25. Lang presented the president’s address, “The Curse of Cultural Christianity,” based on Acts 17, in which he admonished Christians to challenge culture rather than embrace it. To turn the tide of cultural Christianity, Lang advocated cultivating partners in other cultures, emphasizing the Cooperative Program, and inspiring a collective passion for reaching the lost and discipling the saved.
 26. Bob Bender, pastor of First Church, Ada, closed in prayer. The meeting was adjourned until Tuesday afternoon.

Tuesday Afternoon, November 12, 2002

27. Second Vice President Mike Napier, minister of education/outreach, First Church, Owasso, called the meeting to order at 1:30 p.m.

30. Terry Brooks, First Church, Clinton, and president of the Singing Churchmen of Oklahoma, led the congregation in singing “There Is Power in the Blood” and “Victory in Jesus.”
31. A 12 Days to Kingdom Growth video about the Phoenix partnership was shown. With 2,000 people moving in each week, Phoenix is the fastest growing city in North America. Cooperative Program giving had helped start 48 new Southern Baptist churches in Phoenix since 2000, where there is only one church for every 19,000 people.
32. Bill Pierce, president of Baptist Retirement Centers of Oklahoma, gave the BRCO report that featured a skit with Lowell Milburn.

WHEREAS, Jesus said that anyone who lusts after a woman commits adultery in his heart (Matthew 5:27-28); and

Resolution No. 5 On the Lottery

WHEREAS, The entire enterprise of gambling and specifically a state-sponsored lottery are completely opposed to principles in God's Word, revealing a dissatisfaction with God's provision, as well as encouraging a desire to gain something for nothing therefore contributing to the moral demise of society; and

WHEREAS, Gambling, by definition, earns its revenues from those who lose, thus causing the state to become a predator of its people rather than a protector; and

WHEREAS, For every \$1 the gambling industry brings into a state it will cost the residents between \$3 and \$7 in hidden costs through increased need for criminal-justice and social-welfare programs, etc. (Kindt, University of Ill., (<http://www.ncalg.org/ncalg01.htm>); and

WHEREAS, State sponsored gambling is a regressive form of taxation, the revenues of which come disproportionately from lower income residents (The Executive Office of the Governor, [Gambling in Florida: An Analysis of the Economic and Social Impacts](http://ncalg.org/quotes.htm); (<http://ncalg.org/quotes.htm>); and

WHEREAS, Researchers now call gambling the fastest growing teenage addiction, with the rate of pathological gambling among high school and college-age youth about twice that of adults; and according to Dr. Howard Shaffer, Director of Harvard Medical School Center for Addictions Studies, "Today, there are more children experiencing adverse symptoms from gambling than from drugs...and the problem is growing" (<http://ncalg.org/case.htm>); and

WHEREAS, A federal commission comprised of both supporters and opponents of gambling (The National Gambling Impact Study Commission) has recommended a moratorium on the expansion of legalized gambling; and

WHEREAS, The long-term consequences of gambling have mainly been ignored in favor of the empty promise of almost instant prosperity for both individuals and state governments, thus destroying any work ethic; and

WHEREAS, The lives of children are significantly damaged by the loss of household income needed for food, clothing and shelter due to gambling; and

WHEREAS, Oftentimes throughout American history the tide of gambling has been turned by God's people who knelt in confession and stood in conviction; now, therefore, be it

RESOLVED, That the messengers of the Baptist General Convention of Oklahoma meeting in annual session at the First Baptist Church, Moore, Oklahoma, November 11-12, 2002, commit to pray mightily and work actively to return Oklahoma to a gambling free state; and be it further
RESOLVED, That we call upon all parents, grandparents, and others who are concerned about the future of our children to actively seek to educate themselves and their children about the dangers of gambling and do everything within their power to resist the expansion of any form of legalized gambling into Oklahoma; and be it further
RESOLVED, That we go on record as opposing a state-sponsored lottery and call upon Governor Brad Henry and our state government officials to find ways to strengthen our state's economy and provide fair and equitable educational opportunities based upon sound principles of responsible budgeting combined with creative and innovative industrial, educational and technological development rather than on the false hopes of gambling; and be it finally
RESOLVED, That we call upon all Oklahomans to reflect biblical standards and personal lifestyles that would make it unnecessary and undesirable to resort to gambling as a recreation, an escape or a means of producing public revenue for the support of government.

Robin Cowin, pastor, First Church, Grove, presented Resolution No. 6, and it was adopted.

Resolution No. 6

On Evangelistic Prayer and Biblical Repentance

WHEREAS, Our society has experienced unprecedented moral decline; and
WHEREAS, Scripture and history declare corporate prayer and repentance as "essential" to sweeping evangelism and spiritual awakening; and
WHEREAS, Our nation faces grave military and spiritual crisis; and
WHEREAS, We are personally confronted with a crisis of faith in the areas of moral, social and economic issues; now, therefore, be it
RESOLVED, That the Baptist General Convention of Oklahoma shall continue a call to fervent, evangelistic prayer and biblical repentance; and be it further
RESOLVED, That we repent of prayerless self-reliance and fully embrace our Lord's command to increase as a house of prayer for all nations (Luke 19:46); and be it further
RESOLVED, That we fully embrace God's call to humble ourselves and pray, to seek His face and turn from our wicked ways (2 Chronicles 7:14), and we embrace this call with the belief that we cannot "program" genuine prayer or evangelistic fervor, but in the faith that God shall empower His church with renewed holiness, fervent intercession, and increased passion for world evangelism; and be it finally
RESOLVED, That we undergird this resolution with six practical initiatives for the year 2003
First Initiative: During January 2003 Oklahoma Baptist churches embrace a 40-day guided emphasis of prayer and repentance, culminating with a massive statewide emphasis on the National Day of Prayer—May 1;
Second Initiative: During 2003 Oklahoma Baptist churches be encouraged and equipped to develop powerful weekly prayer meetings that focus on evangelism, missions, repentance and spiritual awakening (Acts 1:14; 2:1);

- Third Initiative: During 2003 Oklahoma Baptist churches be encouraged and equipped to embrace effective strategies for experiencing effective personal prayer, biblical repentance and powerful solemn assemblies;
- Fourth Initiative: On October 24–25 Oklahoma Baptist churches be encouraged to send leaders and key staff to a major statewide prayer development conference co-sponsored by the Baptist General Convention of Oklahoma and the North American Mission Board;
- Fifth Initiative: During 2003 Oklahoma Baptist churches be encouraged and equipped to embrace powerful strategies for reaching unconverted church members and addressing church conflict and disunity;
- Sixth Initiative: During 2003 Oklahoma Baptist pastors and directors of missions be encouraged and equipped to conduct renewal conferences for pastors, staff and church leaders.

42. During the call for miscellaneous business, Danny Ringer, youth minister, First Church, Elk City, and member of the Committee on Order of Business, moved that the 98th Annual Meeting of the BGCO meet at Southern Hills Church in Oklahoma City, November 10-11, 2003.

There was a call for the question.

**Reports of
Board of Directors
Teams and Agencies**

Part 4

Each year in annual session, the State Convention authorizes the Board of Directors to transact convention business between sessions. The President and Recording Secretary are entrusted with the responsibility to sign legal documents of the convention when signatures are required.

This report consists of actions taken by the board subsequent to the 2001 annual meeting. Regular meetings of the board were held on February 5, May 21 and September 24, 2002.

The Church & Family Equipping Committee was comprised of the Education & Family Ministry and the Worship/Music Workgroups. The Church Outreach Committee was comprised of the Collegiate Ministries and the Evangelism/Missions Workgroups. The Support Services Committee was comprised of the Budget, Communications, Conference Centers, Personnel and Special Services Workgroups. The President and Vice Presidents in consultation with the Executive Director-Treasurer determined the committee assignments. There is also an Executive Committee consisting of the President, Vice Presidents, Recording Secretary, Executive Director-Treasurer and Chairmen of the three board committees.

The 2002 task force included Pat Bixler, Greg Cox, Clint Dawkins, Ethel Gray, Paula Hays, Jamie Powell, Ed Sasnett, Betty Stout and Andy Bowman. Ex officio members were Pat Wagstaff, Jimmy Kinnaird, Bill Green, Shane Spannagel, Marcus Wehmuller, Ray Sanders, Sam Porter, Wendell Lang, Ted Lam, Anthony Jordan, Ron Fannin, Deborah Brunt and Linda Clark.

The meeting to consider and evaluate allocations requests for 2003 was held on January 4, 2002. Allocations totaling \$815,000 were approved by the Board of Directors (Action No. 1, February report of the Church Outreach Committee). The theme for the 2002 campaign was “Light Your World” and the scripture was Philippians 2:15.

Falls Creek, For the Sake of the Call Building Steering Committee—The building steering committee convened in full or in subcommittee to review plans and costs analyses from HH Architects, Wynn Construction, FHC Civil Engineers and Ford Audio regarding the 100 percent design development plans for the 7,056-seat Tabernacle and 3,000-seat Conferencing Center. The committee further approved a new north entrance, road improvements and utility relocation to accommodate the new construction. After several redesigns, cost projections came in very close to the original budget proposal. Committee members include Frank McPherson, chairman; Reagan Bradford, Jim Dawson, Gene Downing, Margaret Goatcher, George Meese, Vic Mathis, Cheryl Moore, Scott Neighbors and James Robinson. Working with the committee are BGCO staff members Anthony Jordan, Ron Fannin, Bill Green, Jimmy Kinnaird, Gary Fielding, James Lankford and Scott Phillips, and campaign consultant Steve Thomas. The committee met November 8 and December 18, 2001; and February 1, February 25, April 22, July 24, July 31, August 26 and October 16, 2002.

The *Falls Creek, For the Sake of the Call* Capital Campaign has conducted campaign efforts in 14 of 38 Baptist associations resulting in gifts and pledges of \$10.45 million. Three additional associational campaigns will be completed this fall.

Shades of Solid Gold Task Force—This task force was formed to develop a comprehensive ministry plan to, through and with older Oklahomans. Its objective was to make recommendations dealing with three categories: senior adults as individuals, how churches handle and work with senior adults and how the BGCO needs to work with senior adults. Task force members included Betty Bell, Rodney Briggs, Jim Carty, Johnny Cawfield, Vernon Day, Chris Finley, Greg McNeece, Michael Romero and Viletta Schmidt. Meetings were held January 15, March 12, May 7, July 15 and September 9, with the final meeting scheduled for November 5. The assignment is concluded with the Shades of Solid Gold Task Force report to the 2002 annual meeting of the BGCO.

The Executive Committee

The Bylaws call for an Executive Committee to act for the Board of Directors when the Board of Directors is not in session and to perform such duties as may be referred to it for action from time to time by the Board of Directors. In addition, the Executive Committee is authorized to act upon matters that, in the judgment of the Executive Director-Treasurer and the elected officers of the convention, require action before the next meeting of the Board of Directors. Such action is reported to the Board of Directors. The Executive Committee makes recommendations and reports to the Board of Directors on matters pertaining to specific assignments by the Board of Directors; encourages and supports the Executive Director in his work; and serves as an “interagency” committee. The 2001-2002 Executive Committee consisted of the convention President, Vice Presidents, Executive Director-Treasurer, Recording Secretary and the chairpersons of the three board committees. The committee met by teleconference on November 9, 2001, and convened on February 5, May 21 and September 24, 2002.

 - **By October 15** cabin owners should send to the Falls Creek business office (by email, phone call, fax or mail) a list of all the churches that have rented their cabin. The list should also indicate which weeks (if any) are open, so that soon after October 15 the Falls Creek business office can distribute to churches desiring to rent cabins an accurate list of open weeks.
 - **When open weeks are rented later in the fall, winter and spring**, cabin owners should notify the Falls Creek business office (by email, phone call, fax or mail) the confirmed renter(s) and date(s).
 - **Priority should always be given to Oklahoma Southern Baptist churches.** Cabin renters should be aware that the first four youth weeks of each summer are open to any Southern Baptist church in the nation, and the final youth weeks are open only to Oklahoma Southern Baptist churches. EXCEPTION: Non-Oklahoma Southern Baptist churches and churches of other evangelical denominations are welcome any week if they are hosted by and staying with an Oklahoma Southern Baptist church. The Falls Creek business office will notify cabin owners if and when there are changes in the policy concerning out-of-state church renters.
 - **Renters should not make multiple reservations.**

SUPPORT SERVICES TEAM

Ron L. Fannin,
Senior Associate Executive Director & Team Leader

This team continues to give support to the other ministries of the Baptist General Convention of Oklahoma. Cooperative Program mission gifts, in the amount of \$21,681,061, were received from our churches and distributed through the budget, 40 percent to Southern Baptist Convention work and 60 percent to the ministries here in Oklahoma, including our affiliate organizations. Expenditures to each of the ministries stayed within the 5 percent guideline as set by the BGCO Board of Directors.

News of Oklahoma Baptists and other Southern Baptist organizations across the Southern Baptist Convention continue to be promoted through the *Baptist Messenger*, Oklahoma's third largest newspaper with a weekly circulation just over 90,000. The Messenger Press, under the direction of John Yeats and Rob Miller, has helped a significant number of churches improve their abilities to print quality ministry brochures at a cost that is economical, due to the print volume through this organization.

Falls Creek Baptist Conference Center continues to be one of the strongest outreach tools for the salvation of children and youth as it continues to be the world's largest youth encampment. There were 41,224 campers who attended the main 7-week youth encampment with 1,387 professions of faith and 829 surrendering to a special call of the Lord on their lives for full-time service. Your Cooperative Program dollars provide the programming, but expenses for the upkeep and maintenance of the camp are covered by camp user fees, concessions and gift shop sales.

Directors of Missions

Associational Directors of Missions continue to play a vital role in connecting the local congregations with the ministries Oklahoma Baptists have chosen to do together. The following DOM leadership changes took place in 2002:

New Directors of Missions:

Ed Baker; East Central, began 6/1/02
Gary McKeen; Muskogee Associate Director began 10/1/02
Jim Foreman; Cherokee, began 10/12/02
Earnest Johnson; LeFlore, began 12/1/02

DOM Resignations or Retirements:

Rondal Killgore; Panhandle, resigned 1/1/02
Lonnie Latham; Tulsa Metro; resigned 1/15/02
Leon Shade; Caddo, resigned 10/27/02
Wade Robertson; LeFlore, retired 12/31/02

Four meetings were provided for the Directors of Missions, two of which were noon luncheon programs and business sessions. The other two were two-day seminars with fellowship, instruction, promotion and recreation formats provided by the BGCO staff, representatives from International Mission Board and representatives from the North American Mission Board.

The February meeting featured Terry Sharp from IMB, sharing about the new IMB/DOM relationship. Scott Phillips,

new BGCO Leadership Specialist and Dennis Dawson, BGCO Cooperative Program/Stewardship specialist, led the August meeting special features.

Staff Changes

Clyde Cain officially retired from BGCO Ministerial Services and Leadership on April 30, 2002, after 28 years of full-time service. Scott Phillips was hired as Leadership Specialist on April 15, 2002, coming from the pastorate of Lawton, Cache Road. He follows in the footsteps of a great leader but has met the needs of our churches and their staffs in times of crisis as well as other times of staff and church leaders leadership training.

Support staff changes included the retirement of Ann Evans, Annuity Board administrative assistant; Marie Houk, CP/Stewardship secretary. One resignation was received from Susan Reed, Prayer and Spiritual Awakening secretary.

New support staff included Stephanie Pluto, Information Services secretary; and Bryan Barros, graphic artist for *Baptist Messenger*.

The Support Services Team continues to serve the needs of Oklahoma Baptists in the areas of Cooperative Program/Stewardship, Accounting, Leadership, Ministerial Services, Prayer and Spiritual Awakening, Public Relations, Technology, BGCO Conference Centers and encampments and For the Sake of the Call Falls Creek Campaign. As you have needs in these areas, please allow us to assist you.

Thank you for your gifts through the Cooperative Program that make all of these ministries vital to the work we do together in sharing the Gospel message.

Baptist Messenger

John Yeats, Editor

"Sharing great news about God at work" is the passion of your *Baptist Messenger*. Our goal is to tell the story of how God is working through Oklahoma Baptists on the front lines of ministry:

- *Baptist Messenger*: Celebrating 90 years of history, the BGCO Board of Directors authorized a *Baptist Messenger* Day in the churches the third Sunday of August in honor of this historical milestone. The *Baptist Messenger* continues to be Oklahoma's most widely distributed weekly periodical. By year's end subscriptions had risen to 92,800. The *Baptist Messenger* reaches every 14th household in Oklahoma. Over 155 churches and associations partner with the *Baptist Messenger* to print and distribute their newsletter information through the *Baptist Messenger's* special editions. The staff continues to win national recognition as some of the best in the business. Their coverage of the disasters in Oklahoma and the world are second to none. The stories we print are right out of the living work of God who is dynamically working in and through Oklahoma Southern Baptists. The *Baptist Messenger* staff says thank you for the honor of serving the Lord by serving you.

- Messenger Press: 2002 was a very important year. In April, the *Baptist Messenger* was able to go to full color on many of its pages with the purchase of new equipment for Messenger Press. Oklahoma Baptists' print shop not only coordinates printing for the BGCO, BFO, BVRC and OBHC; local churches and many associations have discovered the value and fiscal responsibility of working with the convention's print shop. At the close of 2002 over 200 churches and associations are using the Messenger Press for their printing services. Most who allow Messenger Press's professional graphics staff and pressmen to serve them save money and experience the delight of appealing communication pieces.
- Messenger Network: Over 500 people uniquely visit www.BaptistMessenger.com every week. Besides being able to view an abridged version of the *Baptist Messenger* and activating the search engine to find stories printed in the *Baptist Messenger*, the site has its own store for ordering Christian supplies. At the Web site are links to vital ministries of interest to Oklahoma Southern Baptists. Our missionaries love the Web site. Instead of waiting months for their hard copy to arrive, they usually receive their electronic version the week the hard copy is printed.

The *Messenger* tells the story of Oklahoma Baptists on mission with God. We must constantly keep telling the old, old story with our mouths, in print and electronically. The team exists to serve Oklahoma Baptists with communications tools they can use in the process of communicating the work of God through His people.

Cooperative Program/Stewardship

Dennis Dawson, Specialist

Oklahoma Baptists remained faithful to the Acts 1:8 mandate by giving another record amount to missions and ministries through the Cooperative Program. A total of \$21,681,061.48 was given despite a strained world relations and a shaky economy.

The following strategies and/or actions were priorities during the year:

- Training and resources were provided to assist churches in teaching and preaching biblical stewardship. These resources included among others a quarterly production of *Face the Challenges in Stewardship*, various stewardship tracts, and an annual stewardship emphasis with sermons, lessons, etc.
- Developing and implementing financial freedom seminars across the state.
- Interactive Cooperative Program presentations were developed and used at both Camp Hudgens and Camp Nunny Cha-Ha.
- Dialogues concerning giving and the Cooperative Program took place with students at Falls Creek.
- Cooperative Program presentations were made in various classes at Oklahoma Baptist University.

- On Mission Celebrations were held in various local associations.
- Oklahomans Touching the World Prayer Calendar was developed and distributed to all Oklahoma Baptist churches.
- Development of a Cooperative Program Task Force to be both strategic and intentional in raising Cooperative Program awareness and giving.

Falls Creek Baptist Conference Center

Gary Fielding, Director

New cabins built by Durant, First; Hollis, First; Weleetka, First and Pauls Valley, Trinity, will soon be in operation. Washington-Osage Association also built new cooks quarters and overflow dorm space.

Falls Creek staff cleaned Baptist Lake, increasing the water capacity by three times. A floating dock was constructed and steps installed which will allow the lake to be a major recreation area. Paddle boats, kayaks, water-bikes and icebergs will fill the area with activity.

A nine-hole disc golf course has been installed at the Washita River Recreation Area. In this area, much of the fill from clearing the lake and concrete pads from the pavilions were used to help hold the riverbank which had been washing away.

A construction entrance was cut in from the high road entering through the former tenth grade park area at the end of Sixth Street. Pavilions were removed in ninth and tenth grade parks to prepare for new roads and parking areas. The new construction entrance will be used on Monday and Saturday during the Falls Creek weeks to help with the traffic flow. The road through the low water crossing at Price Falls was also widened to increase visibility for safety.

Technologically, the Creek has made tremendous progress by installing a T1 line. This line connects to the Baptist Building and allowed for installation of a new phone system. Security cameras are being placed throughout Falls Creek to enhance the safety of guests.

Financial

Kerry Russell, Controller

2002 was a year of intensive research and projections for the Controllers Office, as we compared our state convention to others our size for ideas concerning cost savings. Cooperative Program receipts finished with a second consecutive year of lower percentage growth with the possibility of an unprecedented third year in 2003.

Many analyses were formed during the year as we experienced minimal Cooperative Program growth along with accelerating double-digit expense growth among our larger costs. We began the process of analyzing our financial relationships with our affiliates and continued to look for ways to reduce costs within our operating ministry budgets. All of our costs were carefully scrutinized as we projected our

revenue and costs for the next seven years and conducted a work session with the board of directors.

Workers compensation insurance was enhanced and costs driven lower with the adoption of a certified workplace medical plan. Favorable results in this area had already been in place when we adopted a “self-funded plan” several years ago. This speaks to the stewardship we apply in looking for ways to reduce costs in the face of minimal percentage growth in year to year Cooperative Program gifts.

Finally, we continued to work with our property and casualty insurance consultant to make sure we had coverages that were appropriate and sought to curtail our employee benefit costs thru negotiation and benefit reduction where feasible.

Leadership Development

D. Scott Phillips, Specialist

In April 2002, Clyde Cain retired after 28 years of service with the Baptist General Convention of Oklahoma. He is succeeded by D. Scott Phillips who comes to the BGCO from Lawton, Cache Road where he served as pastor.

Spring conferences designed to meet the needs of leaders were the New Pastor/Staff Orientation, Oklahoma Bible Conference, and Central Oklahoma Deacon Ministry Conference. During the seven weeks of Falls Creek, the Leadership Development Office hosted an evening coffee for pastors and staff at the camp to become better acquainted with the needs of Oklahoma church leaders.

An expanded offering of team leader and team training courses included Building Powerful Ministry Teams, From Strife to Synergy, and Mastering the Art of Communication. These training seminars are made possible through the Next Level Leadership Network of the North American Mission Board. The 1-day seminars are hosted at the requesting church’s facility.

In addition to team training, Leadership Development also offered computer courses on all major Microsoft products, as well as Basic Introduction to Windows, and Using the Internet. These classes were offered to Oklahoma Baptist church staff and were very well attended.

Stephanie Pluto came to the MAPS team from secular employment in January 2002 to become Sam’s secretary and team coordinator. Clyde Cain retired at the end of April 2002, but continues on a part-time basis as Annuity Representative.

MAPS Services can be grouped into several inter-related areas listed below. Team members with primary responsibilities are indicated in parentheses.

Ministry to pastors, staff, and churches

Ministerial Crisis Assistance—The MAPS team provides limited financial assistance, when needed, to pastors, staff and their families when terminated. Counseling services are also available in times of need. (Sam Vinall, Pat Choate)

Pulpit Supply Needs—The MAPS team assists churches to schedule pulpit supply preachers, when requested. Usually these are ministers from the Baptist Building. (Pat Choate)

Requests for Résumés—The MAPS team assists search committees, when requested, by providing résumés of prospective pastors and staff members for their consideration. The Request for Résumés form asks the search committee to indicate the spiritual gifts and leadership style of the minister they are seeking as well as community and church size. (Sam Vinall, Stephanie Pluto)

Search Committee Resources—The MAPS team assists church search committees through personalized training in their responsibilities as well as the best practices and procedures to follow. The Search Committee Handbook was revised and made available in 2002. (Sam Vinall)

Planning Ministry

ACP/SBDS—The MAPS team assists churches and associations to collect, maintain, and interpret information for the Annual Church Profile (ACP) and the Southern Baptist

Directory Services (SBDS). The SBDS is now available for church use. A church user name and password may be obtained from your associational office. (Sam Vinall, Stephanie Pluto, Janice Wilson)

Demographic Studies—The MAPS team assists churches by providing customized demographic studies. This demographic information includes population, age, family status, ethnicity, education, income, lifestyle clusters, and more. Church Demographic studies are distributed at no cost on CD. A \$15 charge is made for a paper copy to cover printing costs. (Sam Vinall, Janice Wilson)

Master Church Database—The MAPS team assists BGC0 staff by maintaining a single, updated master database of Oklahoma pastors and churches. (Janice Wilson, Stephanie Pluto)

Oklahoma Baptist Resource Handbook—The MAPS team assists Oklahoma Baptists by publishing the annual state handbook. It contains contact information for BGC0 officers, staff, affiliates, associations, congregations, pastors, church staff, ACP statistics, evangelists, and SBC agencies. (Sam Vinall, Stephanie Pluto)

Research Services—The MAPS team assists the BGC0 with various research projects including the Pastor/Staff Compensation Study. (Sam Vinall, Janice Wilson, Stephanie Pluto)

Prayer and Spiritual Awakening

Gregory Frizzell, Specialist

The Office of Prayer and Spiritual Awakening is focused on helping believers and churches find deep spiritual cleansing and renewal. The purpose and vision is to see sweeping revival and spiritual awakening for powerful Kingdom growth. (2 Chronicles 7:14; Matthew 28:18-20) Toward seeking God for revival and awakening, we have embraced three major strategies.

Producing and Distributing Resources—It is our conviction that quality books and resources will have the greatest long term impact on the church and world. Frizzell gives much time and energy to writing practical resources. To date, we have distributed free copies of three books to all Oklahoma pastors. They have had the opportunity to order copies for their entire congregation for only one dollar per book. Thousands of Oklahomans are now using the books. Also available is the major resource “Developing Evangelistic Church Prayer Ministry.” Several other resources will soon be available.

Prayer and Spiritual Awakening Conferences—In addition to books and resources, the Office of Prayer conducts numerous church and association-wide conferences for renewal. During 2002, Dr. Frizzell led area-wide conferences in 31 Oklahoma Associations with numerous congregations participating. He also conducted conferences in 35 individual Oklahoma churches. In addition to churches and association, Dr. Frizzell has spoken at two state-wide Directors of Missions meetings, deacons’ prayer retreats, Women’s

Ministry retreats, the Annual Meeting and state evangelism conference workshops. He has also conducted four national conferences for the North American Mission Board.

Special Events and On-going Strategies—The Office of Prayer seeks to develop ongoing emphases related to the National Day of Prayer, developing church prayer meetings, prayer ministries, and evangelistic prayer groups. Each year Dr. Frizzell distributes the Oklahoma Prayer Covenant with guidelines and formats to every Oklahoma pastor. Materials are continually being developed to assist in achieving a five-year plan of strategic prayer and renewal initiatives.

Information Technology

Alan McCoy, Information Systems Director

The mission of the Office of Information Technology (OIT) is to facilitate the work of all Baptist General Convention of Oklahoma employees via the planning, implementation and support of computer technology at the Baptist Building, Falls Creek Conference Center and Camp Nunny-Cha-ha. Our vision is to expand our services to provide as much technological assistance to BGCO associations and churches as possible.

The Office of Information Technology currently provides a Local Area Network (LAN) for the Baptist Building with over 150 BGCO, Oklahoma Baptist Homes for Children and Baptist Village Retirement Communities of Oklahoma computers connected. This LAN provides centralized storage of computer files, filtered high speed Internet/email and universal connectivity between users for the sharing of files. OIT also provides for the day-to-day security of the data by providing virus scanning and daily backups of important networked data and preventing unauthorized access.

The Office of Information Technology staff also provides for all purchasing, configuration, repair and maintenance of BGCO and BVRC computer equipment and software. The equipment currently consists of 208 computers, 84 printers, 29 switches and approximately 14 miles of connecting cable.

In 2002 technology support was expanded substantially to provide more services. One such service was our expansion of support to BVRC. OIT has always provided support to the BVRC staff at the Baptist Building, but in 2002 we planned, implemented and began the process of upgrading the LAN's at the Owasso, Oklahoma City and Hugo Communities. We also provide additional support to the smaller communities as needed.

Additionally, we provided a substantial upgrade to the radio network at Falls Creek to meet the expanded communications needs. We also replaced the telephone system at Falls Creek to provide better and less expensive phone service. This included the provision of a point-to-point T-1 circuit between the Baptist Building and Falls Creek which allowed us to connect the two LANs and to connect the two phone systems. Connecting the phone systems eliminates the long distance charges from Falls Creek to Oklahoma City at a substantial savings.

Prayer Ministry

Two-hundred-eighty-nine Ministers to Children and Preschool at the January update were challenged to take prayer calendars and pray for preschoolers and children's physical, mental, emotional, social and spiritual development. Arrangements were made to send prayergrams to each minister via email. The ministers with email received a weekly reminder to pray for certain aspects of a child's development. Equipping Sunday School, Discipleship, and Church Weekday Leaders.

Fifteen preschool and children's state consultants were trained in a joint conference with Arkansas state consultants. The Oklahoma consultants along with the specialist conducted personal on-site church consultations and led Fall Regional and Associational Sunday School Leadership conferences. Over 289 were updated at the annual January update held at Moore, First. Todd Capps from LifeWay Christian Resources conducted the LifeWay update and Willa Ruth Garlow was the keynote speaker. The July Church Weekday Workshop equipped approximately 400 at Edmond, First. In April the Directors of Weekday Development Centers were equipped to have a better understanding of themselves and their leadership style as Cindy Morris, Childhood Ministries Consultant from South Carolina lead throughout the day. A Discipleship Equipping team traveled to five locations for a TeamKid and Discipleship conference. During the special needs equipping session with over 60 leaders present, a recommendation for a special needs retreat and camp was made. A study committee was appointed and the first retreat and camp will be held in 2004.

Vacation Bible School

Vacation Bible School, Backyard Bible Clubs, and Mission VBS training placed an emphasis on using VBS to reach and witness to children and their families. 9,806 prospects were discovered for the Sunday School through the efforts of VBS. In 2002, 5,676 church leaders were trained by the State VBS team and Associational teams. A total enrollment of 124,203 enrolled in VBS during the summer.

Resource Development

Phases V and VI of the Oklahoma Baptists Protecting Children were developed and distributed through the *Equipping Church and Family* magazine to all 1,700 churches. Copies of Phase V and VI were also distributed in all equipping events throughout 2002. A large number of request for Phases I through IV of Oklahoma Baptists Protecting Children were distributed as churches formulated policies to protect children. Contributed articles to the *Equipping Church and Family* magazine and *Baptist Messenger* to encourage, equip, and strengthen preschool and children's ministries in the local church.

Family Ministries

Kent Choate, Specialist

The continued commitment of Family Ministries is to help develop ongoing family ministry in the life of every church in Oklahoma. As we have sought to advance the following areas, we have offered training events to establish the infrastructure by which the denomination can help churches develop their ministry to families.

Governor's Marriage Initiative—The family ministries office has been strategically involved in developing a strategy to raise the level of awareness in the faith community regarding strengthening marriages. After the signing of the Oklahoma Marriage Covenant on February 14, 2000, by religious leaders from 10 different denominations at the state Capitol, a commitment was made by the Oklahoma Marriage Initiative to begin to train trainers in the Prevention Relationship Enhancement Program (PREP). There is also a Christian version that encouraged leaders to be trained and implement in workshops across the state. Approximately 100 trainers have been Oklahoma Southern Baptists.

Prepare/Enrich Training—Six conferences were held in 2002 (three in the fall and three in the spring). Thirty-five participated in the daylong training opportunity sponsored by the BGC0. Leaders have commented how this tool has assisted them in discovering what couples need to discuss prior to marriage.

Counseling Referral Handbook—A 2003 update to the Counseling Referral Handbook was developed to distribute to all churches in Oklahoma. The update provides information gathered from our state's pastors and directors of missions. Sections for in-patient treatment centers and crisis pregnancy centers are included in the update. We hope this will continue to be a valuable resource for ministers throughout the state.

Galatians 6:6 Retreats—These retreats for pastors and their wives were held in Tulsa and Oklahoma City. Over 70 ministers were blessed with the gift from Oklahoma Baptists through the Edna McMillan State Missions Offering. In cooperation with Intimate Life Ministries, around 420 pastors and their wives have experienced the Galatians 6:6 in Oklahoma since its inception in 1997. Plans are to hold two retreats in 2003 and increase the number of spots available for ministry couples to go through this enrichment time.

Senior Adult Ministry

Vernon Day, Consultant

For 16 years Oklahoma Baptist senior adults have enjoyed participating in an annual "Singin' and Praisin' Meetin'" for senior adult choirs. The regional meeting was held in May at Broken Arrow, First, where 850 attended.

The second State Senior Adult Leadership conference was conducted in March at the Baptist Building. Conferences were offered on leadership development, evangelism and Sunday School ministry.

In October the Falls Creek Senior Adult Rally was held with 750 attending from 62 different churches across

Oklahoma. Anthony Jordan and Wendall Lang were special guest speakers.

In 2002 the "Shades of Solid Gold" task force met and made recommendations back to the state convention in November, outlining what the future ministry must be in order to help churches across the state.

Many associations held Senior Adult Rallies throughout the state. Several associational and church-wide Senior Adult Revivals were also conducted.

The state Senior Adult Advisory Council met regularly to provide assistance with event planning, promotion and participation.

College and Single Adult Ministries

Kim Bearden, Specialist

College and Single Adult Ministries provided several opportunities for leadership development and ministry training during the State Singles Retreat and the State College Retreat, both held in October; SinglesInnovation, held in May; and several regional events including "Glorieta Tulsa Style," Southwest Oklahoma Regional Sunday School Conference, 13 associational Sunday School Leadership Training conferences and 22 individual church leadership conferences.

The Single Adult Ministries reinforced the role of pastoral support to single adult ministry in the church through inclusion in all training events provided in state, regional and individual church conferencing. Special pastoral tracks were provided during the "SinglesInnovation" conferences and specific teaching articles were provided through the *Equipping Church & Family* magazine.

College and Single Adult Ministries partnered with Hudson Productions hosting the "Song of Solomon Conference" at Del City, First Southern, in February.

The Single Adult Ministries held the second state Single Parent Family retreat in August at Tulakogee Conference Center in Wagoner, with 220 single parents and children attending. Multiple seminars were provided for adults on related issues and personal needs. Special sessions were held for children and youth. The need for single parent ministry was reinforced with church leaders as the most significant ministry opportunity both for the church and for evangelism.

Youth Falls Creek 2002

Youth Falls Creek for 2002 prioritized challenging students to understand the love and character of God. The theme, "Deep Waters," was the focus for the summer.

During the seven weeks of Youth Camp 744 churches and 41,224 people registered. This is the largest number of churches in the history of the camp. The summary statistics for 2002 are included on page 101.

Youth Evangelism Conference/Christian Family Day

The 2002 YEC was held at the Lloyd Noble Center in Norman, August 9-10; 9,280 people attended the two-day event, which cost \$8 advance or \$10 at the door. Todd Roberts, spoke, Jami Smith led worship, Brock Gill did illusions and there were concerts by TobyMac and Salvador. A total of 47 public decisions were made during the conference including four salvation, 17 restoration, 12 called to ministry and 14 other decisions. The conference theme was "Fire Inside." The annual YEC is designed to challenge Christian students to share their faith as soon as possible when they return to school for the fall semester.

Friday morning, August 9, churches participated in Mission YEC, passing out flyers and doing mission/service projects around Norman. On Friday afternoon 650 people participated in Advance Conference Training sessions, giving specialized training in evangelism methods, cults, apologetics and on-campus evangelism.

On Saturday, August 10, the BGC0 hosted Christian Family Day at Frontier City. The band Audio Adrenaline gave a concert on Saturday night. During the afternoon Todd Roberts led a training conference for adult youth leaders with just over 400 adults participating. Brock Gill also did evangelistic shows in the Fort Frontier area of Frontier City. Total registered attendance for CFD was 4,410. There were 53 decisions made at Frontier City: nine salvation, 13 rededication, 30 special service, one special need.

Campus Club Evangelism

Cris Lowery, Strategist

Oklahoma is at the forefront in training students and youth leaders in establishing evangelistic Christian clubs on middle and high school campuses. Over 2,300 students and leaders completed training in how to start an evangelistic club in summer 2002. These students have been responsible for several hundred more students being trained all across Oklahoma. These trainings have resulted in new clubs being established on middle and high school campuses in the public

school setting. God continues to use evangelistic campus clubs to impact the public school campus with the story of who Jesus is and continues to place a passion in students' lives to effectively reach the lost students at their schools.

Sunday School/Discipleship & Adult Ministry

Keith Wilkinson, Specialist

Sunday School is the foundational strategy of a church to engage its people in Bible study, evangelism, ministry, fellowship and worship through small groups. Discipleship is the ministry of growing on-mission Christians through mentoring, small group study and ministry-action experiences.

Oklahoma churches reported a 2002 Sunday School enrollment of 345,464 with an average attendance of 159,941. This represents a decrease in enrollment of 2,141 but an increase in average attendance of 3,325. Discipleship participation grew to 78,997. Sunday School continues to provide the church its most effective tool for assimilation, ministry and outreach.

Several strategic goals drove our efforts to inform and equip Sunday School and discipleship leaders:

Equip Leaders in Sunday School and Discipleship—

We partnered with several associations to provide Sunday School training along with training provided by our staff and consultants. As a result, over 4,000 leaders were trained in our fall training events. Our annual state Baptist Doctrine Clinic was conducted in January.

FAITH Sunday School Evangelism Strategy—At the end of 2002 over 250 churches had been trained in FAITH. We conducted FAITH Training Clinics at Ponca City, Northeast.

Start New Bible Study Units—Our goal was to encourage and support the starting of 500 new units. We continue to see the starting of new units as the key to Sunday school growth.

Sunday School Growth Consultations—Our goal was to provide growth consultants to churches requesting such help. However, the response to this initiative has been limited. Several informal consultations have taken place.

Leadership Resources—Our goal was to design, produce, and interpret quality leadership resources for Sunday School and discipleship ministries. Church & Family Equipping magazine has served as a primary vehicle for this purpose. We have provided two issues for the year. In addition, we have made available a Coach's Guide for Sunday School, a resource developed for Sunday School directors.

Worship and Music Ministries

B. Keith Haygood, Specialist

“Give to the Lord the glory due His Name; bring an offering, and come before Him. Oh, worship the Lord in the beauty of holiness.”

1 Chronicles 16:29 NKJV

This passage from David’s song of thanksgiving was exemplified through the ministry of church music in Oklahoma this past year. The Worship and Music Ministry of the Baptist General Convention of Oklahoma exists to:

- *Assist churches in their ministry to God through worship,
- *Assist churches in nurturing believers in private and corporate worship experiences.
- *Assist churches in reaching the lost.

We desire to assist and encourage churches to lift up the Savior with excellence. This is accomplished through, but not limited to, the following venues:

Staff Changes

Jon Duncan resigned in February to become the Music and Worship Ministries Specialist for the Georgia State Convention. Keith Haygood, minister of music from Moore, First came on staff in May.

Falls Creek

Falls Creek 2002 set new attendance records. The worship ministry at Falls Creek serves to lead Christian students to the throne of grace and introduce the lost to faith in Christ through congregational singing, choir, orchestra and featured musical/drama presentations.

Choral and Instrumental Ministries

The Singing Churchmen of Oklahoma: The Singing Churchmen of Oklahoma completed 41 years of sharing the Gospel through music. Since 1991 Bill Green has directed this group of nearly 300 full-time and bivocational ministers of music from across the state. The 2001-2002 season included concerts in Enid, Altus, Tulsa, Oklahoma City, Nowata, Wagoner, Marlow, Garber, Shawnee and Weatherford.

The Singing ChurchWomen of Oklahoma: The Singing ChurchWomen of Oklahoma is composed of 350 ladies representing over 250 churches across the state. Since 1991 Bill Green has served as the director of this group. The choir, divided into East and West groups by I-35, is selected by audition and recommendation by pastors and ministers of music. The 2001-2002 season included concerts in Shawnee, Broken Arrow, Tulsa, Weatherford, Mustang, Prague, Woodward, Oklahoma City, Bokchito, Blackwell, Waurika, Crescent and Okeene.

The Oklahoma Baptist Symphony: In its tenth year of existence the Oklahoma Baptist Symphony presented concerts for local churches in Tulsa, Shawnee, Duncan, Ponca City, Oklahoma City, Del City and Moore. Incorporating multimedia with instrumental music this group of over 95 musicians is selected by audition. A highlight for the year was a trip to Glorieta, New Mexico, where the symphony was featured in concert to open music week. Jon Duncan was conductor until his resignation in February. Bill Green than began directing the group. The purpose of this group is to inspire and equip instrumentalists to use their talents for the glory of God.

State Training Events and Festivals

Church Music Oklahoma: Church Music Oklahoma is a state training event for all levels of music leadership in the local church. Conferences are designed to assist and equip leaders in virtually any size church, large or small. The conference, held at Oklahoma City, Southern Hills, attracted 486 attendees. With the theme “Musical Growth Through God’s Spirit,” CMO featured sessions in virtually every area of church music and worship ministries.

Keyboard Festivals: In an effort to foster strong keyboard skills among young people and adults, Area Keyboard Festivals were held at 15 locations across the state. This year’s area festivals drew nearly 900 students. At the state level, 47 upper level students qualified (by making superior rating at area festivals).

Singin’ and Praisin’ Meetin’ for Senior Adults: The Singin’ and Praisin’ Meetin’ for Senior Adults was held at Oklahoma City, Southern Hills, on March 27. Master of ceremonies was Bob Woolley of Jefferson City, MO; clinician was Richard D. Baker of Dallas, TX; special entertainment was provided by Joe Mason of Duluth, GA. A total of 1,052 from 40 churches were registered.

Oklahoma Baptist All-State: In May 2002 the Oklahoma Baptist All State Youth Choir and Symphonic Band traveled to Boston, MA. All-State is comprised of nearly 400 of Oklahoma’s finest students selected through auditions and recommendations from pastors, ministers of music and ministers of youth.

State Youth Choir Festival: The State Youth Choir Festival was scheduled to be held at Oklahoma Baptist University on February 28 and March 1, but was canceled due to inclement weather across the state.

Worship Training Opportunities

Worship Renewal Conferences: With the growing debate of “traditional” vs. “contemporary” vs. “blended” styles of worship, these conferences are designed to help the local church see that God is not as concerned with our style of worship as He is with our heart for worship. Worship Renewal Conferences were held in a number of churches across the state, encouraging believers’ focus on the biblical foundations of worship.

24/7 Leadership Conference: Hosted at the Westin Hotel in Oklahoma City, this informative conference registered 95 bivocational or smaller-in-attendance ministers, accompanists, teachers and lay people. The keynote speaker for 24/7 was David Ferguson, director of Intimate Life Ministries.

Associational Music Training Events

A great deal of excellent training continues on the associational level and in the local church. Many new state consultants have been enlisted and trained and are ready to go out and help equip our churches in any area of need. A new group of worship consultants this year includes several pastor/minister of music teams. Conferences were held in the following associations: Pottawatomie-Lincoln, Enon, Central and Frisco. Several individual churches have received help in areas such as beginning drama ministries to improving worship. These conferences continue to be a significant source of assistance to many people.

CHURCH OUTREACH TEAM

D. James Kinnaird, Interim Associate Executive Director & Team Leader

The Church Outreach Team exists to assist the churches and ministries of the Baptist General Convention of Oklahoma in evangelism and mission outreach.

In August 2002, David E. Clippard left the position of Team Leader and Associate Executive Director to become the Executive Director/Treasurer of the Missouri Baptist Convention. D. James Kinnaird, served as interim team leader until the end of the year.

Bettis, Criminal Justice Ministry Coordinator, served the remainder of the year as interim specialist. Staff changes in the Church Planting Group included the retirements of Angel Murillo and Bill Barnett effective June 1. Bill and Angel put in a total of 30 years service as catalytic missionaries for Hispanic and Native American work. Daniel Carceres became Church Planting Strategist for the Hispanic Unit. Eddie Lindsey became the new Church Planting Strategist for the Native American unit in September. Chris Forbes is the Church Planting Media Strategist and Catalytic Missionary for Asian and others beginning in December.

Chaplaincy

Leslie K. Sias, Specialist

The mission statement for the Chaplaincy Program in Oklahoma is "To Take the Presence of God into Every Situation." In keeping with the mission statement, Oklahoma chaplains are attempting to take the Gospel of Jesus Christ to people in specialized settings by reaching through the cracks of our society and touching the lives of people who are hidden or out of reach of most local churches. Chaplaincy is the most effective means of reaching secular society because there are times chaplains can go where the church cannot or will not go. Chaplaincy provides many opportunities to extend the ministry of the local church beyond the four walls of the church facility—especially in the area of personal evangelism. Chaplains are always involved in the aftermath of a crisis situation in the state of Oklahoma. They provide support to emergency workers, victims and their families. Leslie K. Sias served as Chaplaincy/Community Ministries Specialist until November when he resigned to return to active duty as a Navy Chaplain. Paul E. Bettis, Criminal Justice Ministry Coordinator, served the remainder of the year as interim specialist. Nita Morrison is full-time secretary.

There are five major areas of ministry in Chaplaincy: (1) healthcare and pastoral counseling, (2) law enforcement, (3) corrections, (4) military and (5) business/industrial. Each of these areas of chaplain ministry provides opportunities for full-time and part-time volunteer participation of ministry-oriented persons. Each also provides the opportunity for the local church and its staff to extend their ministry into

the community that may otherwise be closed to them. In Oklahoma there are 232 Southern Baptist chaplains with 144 of these endorsed by the Chaplains Commission of the North American Mission Board.

The presence of chaplains in the midst of crisis and tragedy is making a difference. Chaplains may be paid or volunteer people who are willing to venture "the second mile" journey in ministry.

Paul Bettis serves as Criminal Justice Ministry Coordinator for the Baptist General Convention of Oklahoma. Working out of the Chaplaincy Program office, Paul is making a significant difference throughout the state as he relates to jail and prison chaplains. He also has responsibility for development and training in the area of jail and prison ministries. There are more than 44 prisons, correctional facilities, corrections centers, probation/parole districts and community work centers in Oklahoma. Records from 2002 show 478 salvations and 425 Bibles distributed. There were 42 Bible studies started last year within the prison ministry.

Statistics for chaplains reporting in categories below are as follows:

Professions of Faith	3,580
Bibles Distributed	9,093
Rededications	2,503
Volunteers Supervised/Utilized	6,763
Worship Services Led	1,632
Bible Studies	5,520
Literature Distributed	31,611

Oklahoma County Jail Ministry is one that the BGCO Chaplaincy Program is more involved in than in years past. Chaplain Argyl Dick is the full-time senior chaplain at Oklahoma County jail. The Chaplaincy Program has made significant financial contributions to this ministry. With an average inmate population between 2,400 and 2,500 the county jail is one of the most fruitful mission fields in Oklahoma County. In 2002 there were 1,681 salvations, 822 rededications, 12,836 counseled, 51,149 Bible lessons completed with 7,222 follow-ups. Bibles were distributed to 9,145 inmates.

Financial assistance is also provided for the following:

- Volunteer prison chaplains travel expense to seven state prisons and one federal prison
- Truck stop chaplains and chapels (four)
- Department of Human Services chaplain coordinator
- Chaplain interns at both Oklahoma County Jail and OKC Police Department
- Equipment (pagers, cell telephones, and two-way radios) for chaplains in special settings
- Cross and Crown Ministries is a ministry to rodeos and other "cowboy" activities.
- Chaplain position at Eastern Oklahoma Medical Center (partial support)
- Resort missions summer intern at Lake Texoma Baptist Resort Ministry

Resort Missions are growing every year throughout the United States and Oklahoma. With so many opportunities

here in Oklahoma it is not necessary to travel to distant locations to be involved in missions. Resort missions are happening at some of the larger lakes and resort areas, such as Lake Tenkiller and Lake Texoma. Mission opportunities are also found at some of the smaller lakes where local churches are using their resources to provide ministry. Resort missions for summer 2002 took place at several areas and consisted of distribution of 240 Bibles along with other literature. Sunday worship services, prayer meetings, Bible studies and day camps resulting in 73 professions of faith in Christ were conducted by 47 churches with 235 persons involved. Day camps were held at Grand Lake of the Cherokees, Lake Tenkiller, Burch Lake, Greenleaf State Park, Strayhorn Landing and Lake Thunderbird State Park.

Three pilot projects were started in 2002 at Broken Bow Lake in Beavers Bend State Park, at Lake Eufaula and at Lake Tenkiller. There are 68 lake and resort areas in Oklahoma that could have some ministry activity from local church sponsorship or other groups coming into the area. Reaching people at leisure is another specialized setting where people can be touched with the Gospel. For more information contact Chaplaincy/Community Ministries at (405) 942-3000, ext. 4304 or Resort Missions Field Coordinator, Bud Jenkins (580) 921-3800.

Baptist Collegiate Ministries

Bob Lee, Specialist

Collegiate Ministry in Oklahoma continued to move forward in the 2001-2002 school year. Through various means over 20,000 students lives were touched or reached by the ministry, and over 9,000 were again involved in some phase of the ministry. This is possible because of the tremendous support of Baptist churches in our state. The ministry receives over \$1.7 million from the Cooperative Program and over \$900,000 from the associations, churches, and individuals.

The desire of Collegiate Ministry is to be a light for Christ on campuses across our state. So many young men and women go away to college with no relationship to Jesus. It is our responsibility to try to reach these young adults with the news of Christ's love for them and then to help them to be involved in a local Baptist church.

This year our emphasis was still on evangelism, discipleship, Bible study and missions. Over 3,500 students were directly involved in some type of mission project. Students contributed over \$400,000 to support summer missions and local campus mission projects. Students served in such places as China, Thailand, Kenya, Uganda, Russia, Panama, Canada, Arizona, Massachusetts, Florida, New Hampshire, California and Ohio.

Oklahoma Collegiate Ministry continues to lead the nation in longevity among its directors. This year we have 20 people that have been with the ministry from 16 to 37 years. At the same time God continues to raise up fine young men and women who are products of the ministry who are helping with the work on several campuses.

International ministry is an area that has received significant attention with the hiring of Katrina Neuhardt as the International Student Coordinator. Over 10,000 international students attend college in Oklahoma, with 1,977 at OSU, 1,881 at UCO, 1,564 at OU and 1,116 at OCU.

Pray for the campus ministers as they continue to represent you on campuses across the state.

Church Planting Group

Ted B. Lam, Specialist

Sixty-five new works were started for the year 2002. This brings the total to 1,737 congregations and 40 ministries for the Baptist General Convention of Oklahoma.

Church planters, sponsor churches and associations were honored during the first Church Planting Conference held January 26-27 at Del City, First Southern. Named association of the year was Tulsa Metro Association, which partnered in six new starts. Sponsoring church of the year was Norman, Bethel; James Ehrlich is the pastor. Linda Chuckluck was named Oklahoma's first church planter wife of the year. Linda is the wife of Bridge Chuckluck, pastor of Salina, First Indian. After losing her sight, she continued to serve as mission's director and teach Vacation Bible School in several churches.

A total of 68 church planters, pastors and DOMs completed the one-day seminars for CPMS (Church Planter Management System) in Tulsa and Oklahoma City. Tom Cheyney from NAMB was the instructor.

Evangelism

Jimmy Kinnaird, Interim Associate Executive Director/
Personal Evangelism Specialist

Shane Spannagel, Smaller-in-Attendance Church Evangelism Specialist

The Evangelism Office of the Church Outreach Team exists to assist the churches and ministries of the Baptist General Convention of Oklahoma in the advancement of the Gospel of Jesus Christ.

State Evangelism Conference—The theme was "I Am Not Ashamed." Speakers were Billy Kim, Mac Brunson, Jerry Spencer, Johnny Hunt and Rick Ferguson. Guest vocalist was Wayne Watson. The ladies' track featured Evelyn Christenson, Robin Marsh and Daphne Fine. The conference was held January 28-29 at Del City, First Southern.

Interfaith Witness—In an effort to reach people who have a secular worldview, especially on the college campus, the Evangelism Office partnered with the Baptist Collegiate Ministries in hosting a Legacy of Truth seminar with author and speaker Peter Bocchino. Forty BCM directors attended the seminar. From this seminar groups will eventually meet in our BCMs to train students on how to share the Gospel when challenged by other worldviews.

Building a Contagious Church Seminar—Mark Mittelberg of the Willow Creek Association taught a one-day workshop on Building a Contagious Church from the book by the same name. With 200 in attendance this was one of the highest attended workshops in the last two years.

SAC Evangelism Conferences—A SAC church is one which has a Sunday School attendance of 99 or less. Regional SAC Evangelism Conferences were held at Ringwood (April 20), Claremore (May 4) and Frink (May 18). The theme, "An Open Door," was based on Revelation 3:8 "See, I have placed before you an open door that no one can shut. I know that you have little strength." Speakers included four Oklahoma

pastors Roy Rochelle, Jack Vance, Ed Rogers and Kelly Payne. Shawn and Renee Evans of Del City, Sunnyslane, led worship. Attendance at the three locations was 250 representing 45 churches. Two offerings were taken totaling \$400 to help Ringwood, Maranatha and Oak Grove, Catoosa. In 2002 there were 1,020 SAC churches in Oklahoma.

CrossOver Stigler: Witness to Win—The Evangelism office partnered with San Bois Association to work with the three Baptist churches in Stigler to saturate Stigler with the Gospel. Prior to the saturation effort the *Baptist Messenger* sent special editions to every Stigler home informing residents of the upcoming events. On Saturday, April 7, 150 participants, representing 20 churches, canvassed the 1,600 homes of Stigler. Teams led 6 souls to Christ during the door-to-door visitation, handed out light bulbs, and invited hundreds of people to the Stigler “Tent Meeting,” April 8-12. Speakers at the tent meeting included Kevin Clarkson, Kenyatta Wright and Casey Lipscomb. Bill Green led the music. Average attendance at the tent meeting was 500.

Falls Creek Decision Counseling—This year the Evangelism office developed a new decision book for the youth summer camp at Falls Creek. The book is designed to help an encourager lead an enquirer to Christ or to make one of six other common decisions made during an invitation. This resource also contains the first four steps a new believer needs to understand immediately following their decision. There are also six studies to help solidify a person’s decision for Christ. A commitment card is included. The church version of this resource was available fall 2002.

A total of 3,180 decisions were recorded at Falls Creek summer youth encampment in 2002. There were 825 professions of faith; 193 assurance of salvation; 1,369 restorations; 410 for special service; and 354 special needs. The breakdown of totals appear in the chart on page 101.

Evangelism Tents and Block Party Trailer—The BGCO tents have been provided by the Edna McMillan State Missions Offering, NAMB and Cooperative Program offerings. On-going maintenance for the tents is provided from the fees incurred for their use. The tents were used during each of the seven weeks of Student Falls Creek, Indian Week and at 38 Oklahoma church events throughout the year. The tent ministry now has three tents available to accommodate seating for 300, 450, and 900 people. Rental fees are kept to a minimum, typically 80 percent less than commercially available tents. The Evangelism Unit added a block party trailer to its resources, thereby offering still another evangelistic dimension to church special events. During 2002, the Block Party Trailer was used for 33 different block parties. The trailer contains many items that help a church or ministry facilitate a successful out-door evangelistic event. This ministry also runs on a cost recovery basis. The tents and trailer are booked almost every weekend in the spring, summer, and early fall. They are great additions to any VBS.

Witness Training—The most popular symbol in the world, about the most important event in history, can become your most effective witness training ever: CROSS Training. Jimmy Kinnaird and Shane Spannagel have worked on this

evangelism strategy for almost a year. CROSS Training is in its first pilot stage. A second pilot is about to begin. CROSS Training is a multi-dimensional personal evangelism strategy. Through CROSS Training one can utilize a tract, a marked New Testament, a memorized presentation, or an Internet Web card. There is no certification required and training can be done in any church situation. The training stresses church outreach and lifestyle/relational evangelism. A special edition of CROSS Training was taught for the adults at Falls Creek.

Baptisms—Total baptisms for 2002 were 16,551, which was down from the previous year. This information was gleaned from the Annual Church Profile submitted by each of our participating Southern Baptist Churches. With a resident membership of 459,179 it took 26.17 Southern Baptists in Oklahoma to reach one lost person for Christ in 2002. Total membership is 759,130.

Men’s Ministries and Missions

Sam Porter, Specialist

The Men’s Ministries and Missions office of the BGCO exists to lead Oklahoma Baptist churches to evangelize, equip and mobilize men and boys to be on mission with God.

This was accomplished in 2002 by six regional Missions and Ministries rallies held across Oklahoma providing training for several hundred men. The annual Men’s Retreat at Falls Creek also offered inspiration, instruction and motivation to approximately 2,000 Oklahoma men.

The Men’s Ministries office also provides opportunities for men from Oklahoma Baptist churches to serve together in a volunteer capacity. During 2002, 70 Oklahoma Disaster Relief crewmembers served at Ground Zero in 9-11 terrorist attack recovery. These men were part of the more than 4,000 total Southern Baptist volunteers who served New York City for nine months. They also assisted 10 days following a tornado in Cordell, OK.

The volunteer church builders processed 27 requests for building assistance that involved over 900 Men’s Ministries volunteers.

The Men’s Ministries office manages Camp Hudgens for the BGCO. Seven-hundred-twenty-five campers attended camp in 2002 with 122 public decisions recorded. Fifty-one accepted Christ as Savior. Camp Hudgens continues to grow in order to serve all Oklahoma Baptists.

Oklahoma continues to have a strong Royal Ambassador program with 1,629 attending the annual RA Congress.

Partnership Missions

Rue Scott, Coordinator

Malawi—The official partnership with Malawi ended on December 31. The partnership proved to be a great blessing both to the Baptists in Malawi and Oklahoma. Approximately 800 volunteers served in Malawi in the five years of the partnership. Thousands of people made professions of faith and hundreds were baptized. Thirty-four churches were planted and some of them have started from one to three preaching points. Oklahoma Baptists helped the Malawian Baptists build ten church buildings, three seminary dormitories, and a leadership-training center. Oklahoma Baptists provided new kitchen equipment for the seminary and books for the library. Oklahoma Baptists also gave books to those graduating from the seminary. They also gave \$25,000 for hunger relief during a great famine. In August, Anthony Jordan led in the celebration of the conclusion of the partnership. A 20-voice Malawian acappella choir performed at the annual meeting of the Baptist General Convention of Oklahoma and in many churches during the month of November. Five Oklahoma couples who served as volunteers in Malawi surrendered to serve as missionaries. Many of the Oklahoma churches that sent volunteers to Malawi increased their gifts to the Cooperative Program.

Rome—Rome is where 750,000 immigrants and refugees can be found on any given day. They come from countries where it is against the law to receive Christian literature or to make a profession of faith in Jesus as Savior and Lord. Two state sponsored youth teams, one Baptist Collegiate Ministries team, and several church teams ministered in Rome. The volunteers distributed Christian literature, New Testaments, care packages and food. They ministered to women and children with Bible stories and to men and young men with volleyball and soccer. The volunteers sowed the seed of the Gospel to many people who would not have received it unless they had gone.

Arizona—Because of the great success of the partnership with Phoenix where over 1,000 volunteers served in 2002, the Arizona Southern Baptist Convention asked Oklahoma to partner with the entire state. On February 5 the Board of Directors for the Baptist General Convention of Oklahoma approved a three-year partnership. Many churches and associations have ministered in Arizona from Yuma to Prescott to Topock plus the major cities of Phoenix and Tucson.

Mexico—The Baptist General Convention of Oklahoma began the process of forming a partnership with the missionaries in the state of Guanajuato, Mexico. The state of Guanajuato is in the very center of “The Dark Heart of Mexico.”

Women’s Missions & Ministries

Deborah Brunt, Specialist

Prayer—The staff and volunteers of the Women’s Missions & Ministries office believe that a strong prayer focus is vital to the mission of challenging women to know

Christ, to grow in Christ and to echo His heart for the world. In 2002, requests for the women of Oklahoma were sent out weekly to an email prayer team. We also involved women across Oklahoma in prayer for Operation Starting Line prison revivals and for Muslim women.

Office reorganization—After the coming of Janell Jones in late 2001 as secretary, the office was reorganized for greater efficiency and effectiveness. The reorganization included a complete overhaul of our extensive database and the enlistment of a number of volunteers to help with event preparations.

Key Truths—A new edition of the resource, *Key Truths for Women’s in the Local Church*, was requested by churches across Oklahoma and in more than 15 other states. A Vision Team of women from across Oklahoma and eight Key Churches led in implementing the principles and practical helps for pivotal women’s work that are outlined in *Key Truths for Women’s Work*.

Key events—The Women’s Missions & Ministries office sponsored four events in 2002:

On January 29 (Del City, First Southern), the State Evangelism Conference Women’s Track, featuring Evelyn Christenson, encouraged and equipped more than 1,000 women to be witnesses for Christ.

April 5-6 (OKC, Village), the Ministers’ Wives Weekend helped more than 200 ministers’ wives learn how not to grow weary in doing good. Featured speaker was Karla Worley.

Six Missions & Ministries Rallies held in August in Oklahoma City, Tulsa, Lawton, Hooker, Woodward and McAlester provided training for WMU and women’s ministry leaders.

The WMU Celebration (November 11-12, Moore, First) focused about 200 participants on the theme “God’s Plan ... My Part.” Program guests included Bob Reccord, NAMB president; Jill Justice, worship leader; and missionaries Laurie Ingram, Paul Bettis, and Argyl Dick.

Networking—An all-woman volunteer missions team participated in MissionsFest in the Mississippi Delta. The state WMU Council met biannually to receive updates and make decisions related to missions. Throughout the year, we worked to strengthen Woman’s Missionary Union and Women’s Enrichment Ministries in Oklahoma’s Southern Baptist churches and to network women for pivotal involvement in God’s kingdom purposes.

ETHICS & RELIGIOUS LIBERTY COMMITTEE

The Ethics & Religious Liberty Committee continues to provide influence and instruction to Oklahoma Baptists concerning moral and ethical issues. To increase its effectiveness the ERLC has tried to become more proactive on issues. Committee members were Brain Blackburn, Geronimo; Bruce Coker, Choctaw; Paul Littleton, Atoka; Phil Ratliff, Norman; Edie K. Stewart, Duncan; David Welch, Chickasha; Roland Whitehurst, Broken Arrow and Rita Willoughby, Lawton. The committee met January 4, March 1, May 10 and September 27.

Rose Day—The purpose of Rose Day is to heighten awareness of state legislators concerning the rights of the unborn. Believers from across Oklahoma gather to give roses to their legislators to remind them to vote for pro-life legislation. The annual event, organized by a multi-denominational committee, was held February 6 in the House Chamber of the State Capitol for the first time in its history. Dan Shaeffer, pastor of Crossroads Cathedral, an Assembly of God congregation in Oklahoma City was speaker. The youth choir from Christian Heritage Academy offered special music. Registered attendance was 685. Governor Frank Keating and other legislators made appearances supportive of the rally.

Christians Involved in Politics—An initiative to heighten awareness of Christian citizenship in politics was placed into motion. Individuals in churches were encouraged by the ERLC to help Baptists get involved in the political process. The committee encouraged Baptist constituency to be aware of moral and ethical issues and even run for public office.

Rumblings of a State Lottery—The Oklahoma legislature made a turn in the quest to bring the lottery to the state once again. The ERLC tried to educate churches and associations with regard to the issue through several mailings of materials, developed by the national ERLC, stating how gambling was expanded within a state. Associations and churches were most appreciative of the information.

ERLC Strategists—Another avenue ERLC explored was the possibility of having a contact person in each association in Oklahoma for the purposes of channeling communication and helping facilitate involvement in our rights as citizens. Associations were encouraged to enlist a strategist or representative and BGCO personnel were able to train 5 out of the 42 associations.

HISTORICAL COMMISSION

Marlin Hawkins, Historical Secretary

The Historical Commission met on March 12 and September 12. The nine members were: Wayne Lane, Chairman, Delmer Allen, Cecil Chesser, David Flick, Clark Frailey, Mary Harmon, Hugo Lindquist, Martha McCourry, and Wayne Parker. The Spring 2002 Chronicle was a 50th Anniversary Issue containing Monographs of the first 72 Hall of Fame inductees for 1991 through 2000.

Tuskegee Baptist Church Historical Marker—A plan was approved to place a historical marker near Tuskegee Baptist Church to commemorate Annie Armstrong’s visit to that church in 1900. The committee appointed to determine the wording for the marker was Chairman Mary Edna Hopper, Vice-President of the Oklahoma Baptist Historical Society; Deborah Brunt, Women’s Missions and Ministry Specialist; and Pat Wagstaff, Oklahoma State WMU President.

The Historical Society—The society met October 18, 2002, in the Baptist Building in conjunction with the Historical Commission’s fall meeting. Foundation Investments

The Foundation invests assets in a carefully planned allocation of stocks, bonds and church building loans. Stocks and bonds are purchased through professional money managers to assure diversification, discipline and duration in the investments. In addition to the oversight of the investment committee of the Board of Directors, the Foundation also employs Smith Barney as consultant and custodial manager of all investments.

In 2002 the Foundation expanded its investment structure by adding the Intermediate Bond Fund, the Domestic Bond Pool, and the Spending Policy Pool. The 2002 decline in the Spending Policy Pool was 10 percent compared to a decline in the S & P 500 of more than 22 percent. However, the Foundation's church building loan portfolio and long-term bond portfolio generated returns on investment in excess of 8 percent and 11 percent respectively.

Anticipated and Current Gifts Remain Significant

In 2002, the Foundation served 239 families through the estate planning process resulting in anticipated gifts to Baptist causes of over \$13 million. Of all anticipated gifts through wills and trusts to the Baptist General Convention of Oklahoma and its affiliates along with the local churches, 51 percent have been left to the donor's local place of worship. In addition to these anticipated future gifts, \$8,573,364 of current gifts and new assets came to the Foundation for Baptist causes.

Trust Administration Services

The Baptist Foundation of Oklahoma administers over 1,500 accounts. The types of accounts administered include endowment trusts, charitable remainder trusts, gift annuity contracts, personal trusts, and custodial accounts. Administration of these trusts and accounts involves the receiving and investing of corpus contributions, distributing income to beneficiaries, and reporting to appropriate individuals and other entities.

Church Building Loans

Church building loans in 2002 brought over \$2 million in income to Baptist causes. That same amount has been consistent over the past five years making the loan portfolio a stabilizing factor in Foundation investments even when the equity and bond markets are volatile.

Cost Recovery Budgeting

A new budgeting method started in 1998 has resulted in \$2.8 million in savings to Baptist causes. In 2002 fees were reduced \$242,186 from what they would have been. The Foundation seeks to provide the best service at the least expense resulting in a greater distribution to the ministries we support.

ECFA Member

The Foundation was once again recognized by the Evangelical Council for Financial Accountability as a member in good standing. The Foundation has voluntarily submitted to the ECFA audit for 16 years all in good standing.

OKLAHOMA BAPTIST HOMES FOR CHILDREN

Tony Kennedy, President

The mission of Oklahoma Baptist Homes for Children is to help children become capable, caring Christian adults by sharing Christ’s love and providing hope and homes for children

For 100 years, needy children have found hope and a caring Christian home with Oklahoma Baptist Homes for Children. Today, we are committed to providing for children from conception to young adulthood, through services ranging from our Crisis Pregnancy Centers in Oklahoma City and Tulsa to the aftercare programs provided on each of the four campuses. We have the freedom to share the Gospel every day because OBHC receives no government support and does not charge any fees to the children or their families. The ministry of OBHC is funded through the generous support of Baptists from across the State of Oklahoma.

On Mission in Malawi

Four young ladies in OBHC care and two staff members traveled to Malawi, Africa, to share their faith in Christ. They shared the Gospel through music and drama in schools, churches, and markets. They also taught “True Love Waits” and the Gospel of John resulting in 1,500 decisions for Christ and 1,600 commitments to “True Love Waits.”

Residential Care

In 2002, 272 children lived in residential care at the four OBHC campuses. The campuses received 2,242 calls for help. Nine babies were born through the ministry of Hope Home, a maternity home for teenage girls. 9,795 children have lived with OBHC since 1903.

Adoption and Foster Care

OBHC provides adoption services to members of Oklahoma Southern Baptist churches. OBHC completed one adoption in 2002 as well as home studies and other counseling services.

AfterCare

AfterCare continues OBHC’s relationship with children after they have left residential care. Services include educational scholarships, alumni loan funds, and on-going relationships and encouragement. More than 336 former

residents were served through this program. At the end of 2002, more than 1,600 alumni in 36 states were on our mailing list.

Crisis Pregnancy Centers

The Crisis Pregnancy Centers in Oklahoma City and Tulsa are available to young women who need assistance during an unplanned pregnancy. In 2002, the Centers ministered to 3,390 teenagers and young women. Eighty-five percent of the young women who received sonograms chose life for their babies.

Public Education

Baptist Advocates for Children is a network of volunteers in Oklahoma's Southern Baptist churches. Advocates are equipped to assist children experiencing significant difficulty or crisis. There are now 601 registered Baptist Advocates. The HelpLine is a ministry that provides information, referrals, and assistance in finding appropriate services for children and their families. The HelpLine received 9,780 calls in 2002.

Religious Decisions

Forty-eight known professions of faith were reported in 2002 by the four residential campuses; 28 residents were baptized, 26 joined a church, 43 rededicated their lives, and 23 surrendered to special service. The Crisis Pregnancy Centers reported they shared the gospel with 445 clients with 57 of those praying to receive Christ.

OKLAHOMA BAPTIST UNIVERSITY

Mark A. Brister, President

Several highlights from 2002 include the ranking of OBU in U.S. News & World Report. Placing at number two among comprehensive colleges in the western part of the U.S., OBU garnered a higher ranking than any other Oklahoma college or university. Also, no Southern Baptist college was ranked higher in the annual U.S. News report. The report factors in such aspects as the quality of the faculty, student/teacher ratio, support from alumni, and academic reputation.

While OBU's national reputation continued on a strong pace, OBU also accomplished much in terms of ministry during the school year 2002-2003. In summer 2002 Dr. Dick Rader, Dean of the Joe L. Ingram School of Christian Service and Vice President for Religious Life retired as he was facing serious health complications. The two positions held by Dr. Rader were separated. In August, Dr. Warren McWilliams was appointed Interim Dean and Dale Griffin joined the OBU family as the new Campus Minister. In October, OBU mourned the death of Dr. Rader.

OBU's Campus Ministry began a reorganization project with the goal of providing additional opportunities for students to worship, serve, and be involved in small groups. For example, every week students meet in Stubblefield chapel for women's Bible study. Male students also participated in a variety of projects including Bible studies in the residence halls. Students also work with young people and the elderly in Shawnee and Oklahoma City. More than 150 worked in out-of-state and international mission projects during the summer. The students' commitment to serving others has developed out of a campus climate where faculty and students challenge each other to take advantage of opportunities to learn through active ministry.

The University's fall enrollment was 1,851 students. This included 388 first-time freshmen. Approximately 56 percent of the students were from Oklahoma, with 44 percent coming from 40 other states and 22 other countries. OBU continues to attract students from across the nation as they learn of the University's strong academic reputation and low tuition costs for a private comprehensive college.

During the 2001-2002 fiscal year, gifts to OBU totaled over \$6.6 million. More than 4,900 donors contributed to OBU during the year, providing support for scholarships, operational expenses, construction, renovation, equipment, and endowment.

OBU trustees adopted a \$28.9 million budget for the 2002-2003 fiscal year during their spring 2002 meeting. The total average cost (tuition, room, board) for a full-time, on-campus student for 2002-03 was \$14,628. OBU continues to be an outstanding value among members of the Association of Southern Baptist Colleges and Schools and the Council for Christian Colleges and Universities. During the 2002-2003 school year more than 89 percent of OBU students received some form of financial aid.

Dr. Ron Duncan, OBU professor of anthropology received the University's Distinguished Teaching Award in May. The

award is given to a faculty member who has maintained his or her teaching career in exemplary fashion. Larry Walker, director of business services, and Wayne Rhea, assistant professor of mathematics, both received Meritorious Service Awards, which is presented to faculty or staff members who have made a substantial commitment of talent and service to OBU. Dr. Brad Jett, James E. Hurley associate professor of biology, received the Promising Teacher Award, which is given to a junior faculty member who demonstrates outstanding potential as a teacher.

The university began a major time of transition during 2002. John W. Parrish, Executive Vice President and Chief Financial Officer retired in November after 38 years of service. Randy L. Smith was named Senior Vice President for Business Affairs and Chief Financial Officer. The University also experienced the end of an era with the passing of former First Lady Helen Thames Raley who died on March 20 at the age of 92.

OBU is thankful for the support provided by Oklahoma Baptists. By financial investment, prayerful support, and entrusting the University with their young students, Oklahoma Baptists are making an impact on the world through OBU.

Audit Report

For the Year Ended
December 31, 2002

Independent Auditors' Report

Board of Directors
Baptist General Convention of
the State of Oklahoma
Oklahoma City, Oklahoma

We have audited the accompanying statements of financial position of BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA (a nonprofit corporation) as of December 31, 2002 and 2001, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Convention's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Baptist General Convention of the State of Oklahoma as of December 31, 2002 and 2001, and its changes in net assets and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

BAPTIST GENERAL CONVENTION OF THE STATE OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2002 and 2001

1. Summary of Significant Accounting Policies

Nature of Operations - The Baptist General Convention of the State of Oklahoma (the Convention) was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. The Convention was incorporated without capital stock under Oklahoma law and the first Articles of Incorporation were filed in May, 1917, for a term of twenty years with subsequent amendments providing for an organization in perpetuity.

Administrative activities of Baptist General Convention of the State of Oklahoma are conducted by The Executive Office of Baptist General Convention of the State of Oklahoma.

Composition of Reporting Entity - The accompanying financial statements include net assets and operations of the Baptist General Convention of the State of Oklahoma. The statements include all statewide activities conducted by the Convention except for activities conducted by The Oklahoma Baptist University (OBU), The Baptist Foundation of Oklahoma (BFO), Baptist Village Retirement Communities of Oklahoma, Inc. (BVRC), formerly Baptist Retirement Centers of Oklahoma, Inc., Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Building Corporation. These organizations' directors are elected by messengers sent to the annual meeting of the Baptist General Convention of the State of Oklahoma by its member churches. These same messengers elect the Board of Directors of the Convention.

As discussed in Note 2, these entities are considered to be affiliates based upon the election of their boards by a common delegate body. Because the Convention, through its governing board, has neither a voting interest nor ownership in these entities, financial statements are limited to direct activities of the Convention conducted through its Executive Office and do not consolidate activities of these affiliates.

Financial Statement Presentation - The Convention's financial statements are presented in conformity with Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, information regarding financial position and activities is reported according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The financial statements are prepared on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS

(Continued)

For the Years Ended December 31, 2002 and 2001

Gifts of cash or other assets received under endowment agreements where donors have restricted use to the income from the assets are reported as increases in permanently restricted net assets. These assets are generally held in trust by The Baptist Foundation of Oklahoma (The Foundation) (Note 5). To the extent income and realized or unrealized gains are not restricted by donor stipulations or state law, these items are reported as increases in unrestricted net assets in the statement of activities.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Recognition of Revenue and Support - The Convention recognizes support in conformity with Statement of Financial Accounting Standards (SFAS) No. 116, "*Accounting for Contributions Received and Contributions Made*". Contributions are recorded when assets are received or when an unconditional promise to give has been made. Promises to give that are receivable in future periods are discounted at an interest factor to recognize the contribution at its present value. Such contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Gifts of land, buildings, and equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted assets. Absent of explicit donor stipulations about how long those long-lived assets must be maintained, the Convention reports expiration of donor restrictions when the donated or acquired long-lived assets are placed in service.

Revenue from sales of subscriptions, advertising, printing fees and other sources is recorded based upon the receipt of cash or the completion of services or delivery of goods.

For the Years Ended December 31, 2002 and 2001

Property and Equipment - The Convention capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Lives generally used are:

Land improvements	20 -40 years
Buildings	20 -50 years
Furniture and equipment	4 -10 years
Automobiles and machinery	3 -10 years

Accrued Vacation - Employee rights to receive compensation for future absences are recognized in the period such rights are earned.

Income Taxes - The Convention is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows - For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

2. Affiliated Entities

As disclosed in Note 1, the Convention is affiliated with various other Baptist organizations within the state of Oklahoma. Principal affiliates of the Convention are The Baptist Foundation of Oklahoma, The Oklahoma Baptist University, Oklahoma Baptist Homes for Children, Inc., Baptist Village Retirement Communities of Oklahoma, Inc. and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Convention appropriates cooperative program receipts to these affiliates as follows:

The Oklahoma Baptist University	\$3,041,853
The Baptist Foundation of Oklahoma	277,518
Oklahoma Baptist Homes for Children, Inc.	709,209
Baptist Village Retirement Communities of Oklahoma, Inc.	365,631

For the Years Ended December 31, 2002 and 2001

As discussed in Notes 8 and 9, the Convention remains primarily liable on obligations associated with certain assets transferred to BVRC subject to capital leases (Note 14). In addition, the Convention guarantees bonds issued by OBU and BVRC (Note 13). The Convention leases office space from the Baptist Building Corporation from which accounts receivable totaling \$250,233 and \$260,672 are held at December 31, 2002 and 2001. Also, on November 27, 2001, the Convention loaned \$131,000 to the Baptist Building Corporation on a non-interest-bearing promissory note.

The Convention participates in the cooperative program of the Southern Baptist Convention (SBC). Under this program, forty percent of amounts received under the cooperative program, \$8,672,425 (\$8,661,245 in 2001), were distributed to SBC during 2002 for its various ministries. In addition, proceeds from offerings designated for specific SBC ministries totaling \$4,915,836 (\$5,258,554 in 2001) have been received and remitted to SBC.

The following are summaries of assets, liabilities and operations of principal affiliates as of their most recent annual financial statements.

3. Notes Receivable

In 1990, the Convention sold facilities from which it previously operated and received a note in the amount of \$400,000 at 7%. The final payment of \$251,036 was received in January, 2001.

4. Unconditional Promises to Give

During 1999, the Convention initiated the Falls Creek "For the Sake of the Call" special fund raising campaign designed to strengthen the missions and ministry that takes place at the Falls Creek facility through implementation of the master plan developed to revitalize the conference center. The goal of the campaign is to raise \$34,000,000. At December 31, 2002, pledges and cash totaling \$10,811,375 had been received. Contributions receivable are recorded net of an allowance for doubtful receivables and net of a discount. Pledges have been discounted at 5% which represents an estimated rate of return on long-term investments. Amortization of the discount is recorded as additional contribution revenue.

The following summarizes pledges receivable in the years ending December 31, 2003 through 2007 and later years:

Year Ending December 31,	Total	Present Value
2003	\$1,767,047	\$1,767,047

Also included are investments in church building loans (49.32% and 46.69% in 2002 and 2001) at an amount equal to the principal balance of these loans less an allowance for uncollectible loans. The carrying amount of church building loans is estimated to approximate their market value.

Remainder Interests - The Convention is the ultimate beneficiary under certain irrevocable agreements trusted or administered by the Foundation. Under these agreements, income is payable for life or a specified period of time to a beneficiary with the remainder payable to the Convention. Agreements include gift annuity contracts, charitable remainder trusts and other irrevocable trusts under which the Convention is a remainder beneficiary. These agreements constitute unconditional promises to give to be recognized as income when the promise is given. Gifts are valued by reducing total assets held by the Foundation by the present value of estimated future income payments over the term of the agreement or life expectancy of the income beneficiary utilizing a 5% discount rate. Based on these factors the present value of these remainder interests were as follows:

Reclassification of Permanently Restricted Net Assets - In prior years realized and unrealized gains in excess of the amount distributed by the Baptist Foundation to the Convention were either added to historical corpus or to a stabilization pool which could have been added to corpus or distributed for future expenditures by the Convention. Excess earnings added to historical corpus were considered to be permanently restricted.

As of January 1, 2002, the Foundation determined that such transfers of realized or unrealized gains to historical corpus were not permanently restricted and would be available for current and future appropriation. The Foundation effected a reversal of prior year transfers to historical corpus and placed such transfers in the stabilization pool. This action resulted in the reclassification in the accompanying financial statements of net assets totaling \$3,331,805 which had been previously identified as permanently restricted.

In determining the accumulated postretirement benefit obligation under the plan, a discount rate of 6.25% and 7.0% was assumed. Health care costs were estimated to increase by 10.0% in 2003, with ratable annual reductions until an ultimate rate of 5.0% is reached in 10 years. The weighted average remaining service to full eligibility for active participants was 16 and 15 years, respectively, at December 31, 2002 and 2001.

A reconciliation of the accrued postretirement benefit cost at December 31, 2002 and 2001 is as follows:

Accrued balance, December 31, 2001	\$6,479,120
Net periodic benefit expense for 2002	951,491

8. Notes Payable

Oklahoma County Industrial Authority

A note payable to the Oklahoma County Industrial Authority with a balance at December 31, 1998, net of unamortized issuance costs and unapplied bond fund earnings, of \$13,847,136 was repaid in 1999 with proceeds of bonds issued by the Oklahoma Development Finance Authority under its "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999." Under terms of a loan agreement, the Convention and Baptist Village Retirement Communities of Oklahoma, Inc. (BVRC) are joint borrowers of the bond proceeds. Revenue of BVRC collateralizes the loan and the obligation is recorded as a liability of BVRC.

Although the Convention is a borrower under the note, because BVRC is obligated to repay the loan, the obligation is not recorded as a direct liability of the Convention.

The Baptist Foundation of Oklahoma

The Convention had assumed responsibility for the repayment of loans The Baptist Foundation of Oklahoma made to various Baptist associations in connection with Baptist Student Unions in their area. These loans which had a balance of \$223,516 at December 31, 2001 were paid off during 2002.

9. Capital Lease Obligations

Capital lease obligations consist of two obligations under which the Convention remains primarily liable. Assets subject to the lease have been transferred to Baptist Village Retirement Communities of Oklahoma, Inc. (BVRC) under a sublease agreement. A receivable from BVRC has been recorded. Payments under the capital lease obligations will be made by BVRC.

Baptist Village of Owasso - On February 1, 1978, the Convention executed a lease with the Tulsa Industrial Authority. The Authority issued its "First Mortgage Revenue Bonds 1978, Owasso Baptist Village Project (Baptist General Convention of the State of Oklahoma Issue)" in the amount of \$2,310,000.

A supplemental bond indenture dated April 1, 1981 in the amount of \$325,000 was issued by the Tulsa Industrial Authority for the purpose of constructing three duplex units. The bonds were defeased under the 1989 loan from the Oklahoma County Industrial Authority.

The lease rental to be paid by BVRC is an amount sufficient to satisfy the bond obligation. The lease is scheduled to terminate by February 1, 2008.

BVRC, through its sublease with the Convention, has the right to purchase the project at a price sufficient to pay all outstanding principal of the bonds and any thereafter issued bonds, accrued interest on all bonds to the date of redemption, and other costs.

Baptist Village of Oklahoma City - The Baptist Village of Oklahoma City was constructed by the Baptist Laymen's Corporation (an affiliate) in 1965 and transferred to the Convention in 1974.

On March 1, 1978, the Baptist Laymen's Corporation executed a lease with the Oklahoma Industries Authority. The Authority issued its Baptist Laymen's Corporation Revenue Bonds 1978, Lackey Manor Series C in the amount of \$2,000,000. The bonds are secured by a first mortgage on the property and guaranteed by the Convention. Bond funds were used for the completion of the activities center and the construction of 112 ground level apartments for retired persons. The term of the lease is 30 years with payments equal to annual debt service requirements under the bond issue. The Convention has the option to acquire the leasehold estate for the amount required to retire all outstanding bonds issued by the OIA. This option has been granted to BVRC under the sublease agreement.

On March 1, 1982, the Baptist Laymen's Corporation executed a lease with the Oklahoma County Industrial Authority (OCIA). OCIA issued its Baptist Laymen's Corporation First Mortgage Revenue Note, Series A (Lackey Manor Project) in the amount of \$4,500,000. The bonds were defeased in 1989.

The following is a schedule by years of future minimum lease payments under the lease obligations, together with the present value of the net minimum lease payments as of December 31, 2002:

<u>Year Ending December 31,</u>	<u>Baptist Village of Owasso</u>	<u>Baptist Village of Oklahoma City</u>	<u>Total</u>

Present value of minimum lease payments	<u>\$630,009</u>	<u>\$557,683</u>	<u>\$1,187,692</u>

10. Restriction on Assets

At December 31, 2002, temporarily restricted net assets consisted of remainder interests held in trust of \$470,675 (2001 - \$400,648) that are restricted for a period of time and \$8,898,143 (2001 - \$9,403,935) of assets restricted to specific purposes. Primarily these amounts are designated for use in state missions or disaster relief and capital improvements at the Falls Creek facility. Permanently restricted net assets represent investments and remainder interests held in perpetual endowment trusts under donor terms that restrict use to the income from these assets.

11. Pension Plan

All employees of the Convention are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Convention contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for Convention employees for the year ended December 31, 2002 approximated \$454,123 (2001 - \$425,958). The Convention's policy is to fund pension cost as it is incurred.

12. Leased Facilities

In 1990, the Convention leased office facilities from the Baptist Building Corporation. The lease agreement has a term of ten years with options to renew for ten additional one year periods. The Convention subleases a portion of their space to BVRC and OBHC on a month-to-month basis. For the years ended December 31, 2002 and 2001, the Convention received \$111,020 and \$93,940, respectively, from these subleases. The Convention's expense under the agreement for the years ended December 31, 2002 and 2001, net of the above subleases was \$688,894 and \$658,606, respectively.

The future minimum annual rental commitment totals \$853,692 for the year ending December 31, 2003.

13. Commitments and Contingencies

The Convention has guaranteed bonds issued by The Oklahoma Baptist University Authority. The bonds are secured by proceeds from a lease of the main campus facilities at Oklahoma Baptist University (OBU), mortgages on real estate comprising the campus of OBU, a municipal bond insurance policy and a letter of credit issued by a financial institution. At December 31, 2002, the unfunded liability for bond principal and interest approximated \$10,901,108 (2001 - \$11,638,000).

During 1999, the Oklahoma Development Finance Authority (the Authority) issued the "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999", the net proceeds of which were loaned to the Convention and BVRC to retire the "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989". As discussed in Note 8, the Convention is a co-borrower under the note and, along with BVRC, is responsible for its repayment. The Authority also issued the "Junior Lien Revenue Bonds, Series 1999, Baptist Retirement Centers of Oklahoma-Hugo Project". The liability under this issue is guaranteed by the Convention.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2002 and 2001

At December 31, 2002, the net liability under these issues approximated \$10,765,155.

The Convention is self-insured for workers compensation claims. Insurance is carried which limits liability on individual and aggregate claims. The Convention has recognized as expense in the current year the amount of claims paid for the year and an amount equal to the estimated amount of future claims arising from losses incurred in the current and prior periods. At December 31, 2002 and 2001 accounts payable include \$55,000 related to estimated future claims.

Periodically in the course of operations, the Convention may have cash on deposit with financial institutions in excess of federally insured limits. The primary operating account is swept daily into an account backed by U. S. Government Securities.

14. Transfer of Assets to Auxiliary Corporations

During 1993, the Oklahoma Baptist Homes for Children, Inc. (OBHC) and Baptist Village Retirement Communities of Oklahoma, Inc. (BVRC) were created as a result of actions of the board of directors of the Convention. Operating assets and investments were transferred to these entities.

These entities may not create debt for capital needs or undertake any major expansion projects without consent of the Convention or its board of directors.

At December 31, 2002 an amount was receivable from BVRC of \$1,187,692 (2001 - \$1,417,745) relating to the net liability under a capital lease obligation (Note 9) under which the Convention remains primarily liable. As discussed in Notes 8 and 13, notes under which the Convention was primarily liable were refinanced through a loan agreement under which the Convention and BVRC are jointly liable. This loan is considered a direct liability of BVRC and is not included as a liability of the Convention.

The amounts representing capital lease obligations are payable by BVRC under terms identical to those of the Convention liability.

Board of Directors
The Baptist Foundation of Oklahoma

We have audited the accompanying statement of financial position of The Baptist Foundation of Oklahoma (the Foundation) as of December 31, 2002, and the related statements of activities and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Baptist Foundation of Oklahoma as of and for the year ended December 31, 2001 were audited by other auditors whose report dated April 2, 2002 expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the 2002 financial statements referred to above present fairly, in all material respects, the financial position of The Baptist Foundation of Oklahoma as of December 31, 2002, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Baptist Foundation of Oklahoma

NOTES TO FINANCIAL STATEMENTS

December 31, 2002 and 2001

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES

The Baptist Foundation of Oklahoma (the Foundation) is a private, nonprofit religious association chartered by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention of the State of Oklahoma (the Convention) to administer funds and property received by gift, device, bequest or otherwise in order to assist and promulgate the furtherance of the Convention and to promote Baptist doctrines, evangelism, Christian education and both home and foreign mission work.

The Foundation, in the capacity of trustee, holds, administers and invests assets for the Convention and institutions affiliated with the Convention as well as for its own account. Trusts may have other charitable or noncharitable beneficiaries. Interests of the Foundation, Convention or affiliates of the Convention may be total or may represent only income or remainder interests.

The Foundation also holds assets for investment in a custodial capacity for the Convention and its affiliates. In addition, the Foundation administers trusts where affiliated organizations serve as trustee.

Activities of the Foundation include estate stewardship and gift planning for the Convention and its affiliates. Staff members work with Southern Baptist churches and associations within the State of Oklahoma to encourage financial support for local, state and national institutions through lifetime and testamentary planning.

The Foundation receives its financial support primarily from fees charged for the administration and investment of assets. In addition, annual appropriations are received from the Convention through its Cooperative Program.

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows.

1. Recognition of Donor Restrictions

Contributions received without restriction are reported as an increase in unrestricted net assets. Donor restricted contributions are recognized as increases in permanently or temporarily restricted net assets. Permanently restricted net assets consist of permanent endowments or remainder interests that will become permanently endowed. Temporarily restricted net assets consist of remainder interests under split interest agreements that transfer assets unconditionally upon the passage of a period of time, typically the life of the income beneficiary. The liability to income beneficiaries for future payments is determined by applying an annual discount rate of 5% (which equals the estimated long-term return on investments) to estimated payments under the agreements.

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

2. Cash and Cash Equivalents

The Foundation maintains its cash and cash equivalents in bank deposit accounts, money market funds and short-term certificates of deposit, some of which may not be federally insured. Bank deposit balances are transferred daily into interest-bearing accounts secured by U.S. Government obligations. The Foundation has not experienced any losses in cash equivalents and believes it is not exposed to significant credit risk on cash equivalents.

3. Investments

Pooled Investments

The Foundation pools the assets under its ownership, administration or control into investment pools. Pools consisted of a domestic equity pool, international equity pool and fixed income pool.

Pro-rata ownership in the pools is determined under a system in which units of ownership are recorded to represent each member's share of the total market value of assets. Investment interest, dividends, gains, losses and appreciation or depreciation in market value are allocated based on each pool member's percentage of ownership represented by these units.

Domestic and international equities consist primarily of cash equivalents and marketable equity securities. Fixed income assets consist of cash equivalents and corporate and governmental notes and bonds. In addition, the fixed income assets include church building loans. Pooled investments are carried at fair market value. Fair market value for pooled investments, excluding church building loans, is provided by brokers. Church building loans are carried at the total principal balance of these loans less an allowance for doubtful loans. Interest rates on fixed rate church building loans are generally adjusted every three to five years to approximate market rates. Management believes that adjustments, if any, to market value would be nominal and, as such, the carrying value approximates market value. Realized and unrealized gains and losses for Foundation investments are reflected in the statement of activities and changes in net assets.

Held by Financial Institutions

Investments held by financial institutions consist of endowments for the benefit of the Foundation and are carried at fair market value as provided by the trustee with realized and unrealized gains and losses reflected in the statement of activities and changes in net assets for Foundation investments.

Christian Stewardship Mutual Funds - at market

Investments in Christian Stewardship mutual funds are carried at market with realized and unrealized gains and losses reflected in the statement of activities and changes in net assets for Foundation investments.

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

3. Investments - Continued

Other Investments

Other investments stated at fair market value, as provided by brokers, consist primarily of corporate stocks, mutual funds and bonds.

Certain other investments consisting of income producing properties, notes and other debt instruments redeemable at face value and annuity contracts are carried at contributed or acquisition value as these assets do not have readily determinable market values.

4. Allowance for Doubtful Loans

Church building loans included in fixed income pools are presented net of an allowance for doubtful loans. The adequacy of the allowance is determined by the Foundation's management and board of directors based on a number of factors, including the collection of loans and evaluation of underlying collateral values, loss experience, identification and review of problem loans, quality of the loan portfolio and business and economic conditions. However, ultimate losses may differ from these estimates.

At December 31, 2002 and 2001, the Foundation had impaired loans totaling approximately \$565,000 and \$470,000, respectively. The average recorded investment in impaired loans was approximately \$518,000 and \$478,000, during 2002 and 2001, respectively. The total reserve for doubtful loans related to these loans was approximately \$480,000 and \$312,000 at December 31, 2002 and 2001, respectively. Interest income on impaired loans of approximately \$18,000 and \$17,000 was recognized for cash payments received in 2002 and 2001, respectively.

The following is a summary of the changes in the allowance for doubtful loans for the years ended December 31:

	2002	2001
Balance at beginning of year	\$840,063	\$707,212
Provision for doubtful loans	<u>136,760</u>	<u>132,851</u>
Balance at end of year	<u>\$976,823</u>	<u>\$840,063</u>

Management considers notes receivable included in other investments to be fully collectible; accordingly, no allowance is required. Specific amounts considered to be uncollectible are charged off when that determination is made.

The Baptist Foundation of Oklahoma

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

5. Interest on Loans

Interest on loans is accrued based upon the principal amount outstanding. Loans are placed on nonaccrual status and are considered impaired based on the judgment of management and the Foundation Loan Services Committee considering factors such as number of days past due and collateral position, unless their collateral position or other conditions warrant continued accrual status. It is the Foundation's policy to reverse previously accrued but uncollected interest on loans placed on nonaccrual status. Interest on nonaccrual loans is recognized only as it is received and only after the principal balance is satisfied. Earned but unrecorded interest on nonaccrual loans subsequently refinanced is deferred and recognized over the remaining life of the loan.

6. Remainder interests in trusts held by others

Remainder interests in trusts held by others are carried at fair market value with realized and unrealized gains and losses reflected in the statement of activities and changes in net assets.

7. Property and Equipment

Major expenditures for property and equipment are capitalized at cost while donated property and equipment are capitalized at fair market value at the date of the gift. Depreciation of property and equipment is provided for over the estimated useful lives, predominately five years, of the respective assets on a straight-line basis. No provision is made for depreciation on properties carried as other investments.

The Foundation evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. When required, impairment losses are recognized based upon the estimated fair value of the asset.

8. Liabilities to Beneficial Owners

The Foundation has recorded liabilities for assets held as trustee, intermediary, custodian or agent for beneficial owners of income or remainder interests. Generally, the Foundation's liability is limited to assets held within a specific trust or account. The Foundation is, however, responsible for the payments to annuitants under certain gift annuity contracts out of its general assets.

The Baptist Foundation of Oklahoma

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2002 and 2001

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

9. Appropriations to Preserve Principal

The Foundation manages assets of endowment funds utilizing a total return distribution policy that incorporates a provision under which a portion of asset earnings or appreciation is permanently restricted and added to principal. Where donors so specify, amounts are added to trust corpus from income. In addition, corpus of trustee or administered trusts is credited with an amount equal to 15% of oil and gas revenue.

10. Tax Status

The Foundation is recognized as a not-for-profit, tax exempt organization under Section 501(c)(3) of the Internal Revenue Code.

11. Fair Value of Financial Instruments

All financial instruments for which it is practicable to estimate fair value are carried as such in the accompanying financial statements.

12. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimates.

NOTE B - POOLED INVESTMENTS

Investments of the various funds under management of the Foundation are primarily held in pooled investments. Pooled investments consist of domestic equities, international equities and fixed income instruments.

Trust and custodial accounts participate in the respective pools based upon investment models. These models represent ownership percentages designed for various types of trusts and accounts based on the respective needs for current income or capital appreciation.

Entry or withdrawal from the pools is based upon the market value of a pool unit. Market value of a pool unit is determined by dividing the total assets by total units outstanding.

The following is a summary of assets held in pooled investments at December 31:

NOTE C - TOTAL RETURN SPENDING POLICY

The Foundation uses a method based upon the total return on assets to determine the amounts distributable from endowments held as trustee and amounts appropriated for expenditure for endowments under which the Foundation is the income beneficiary, in conformity with the "Uniform Management of Institutional Endowment Funds Act."

The spending or distribution policy as determined under a method adopted by the Board effective January 1, 2002 provides for the establishment of an "annual dividend" based on 5% of the average of the trailing 12 quarters Spending Policy Pool share prices.

The Baptist Foundation of Oklahoma

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2002 and 2001

NOTE C - TOTAL RETURN SPENDING POLICY - CONTINUED

In January of each year, the Foundation averages the Spending Policy Pool unit values from the previous 12 quarters. The annual dividend is then calculated as 5% of that average. This dividend per share must fall between 4% and 6% of the actual current year-end unit value. If it is greater than 6%, then it is capped at 6% of the current unit value. If it is less than 4%, then it is set at 4% of the current year value.

In each month of the following year, 1/12th of this dividend is paid to every spending policy trust. The dividend comes from any traditional income (bond interest and stock dividends) earned in that month and is supplemented from the Trust's net appreciation over its historic dollar value. If the market value for a given trust is less than its historic dollar value in any given month, the portion of the monthly dividend that is not traditional income is reinvested and will not be held in the trust for distribution.

Over the course of the accumulating year, Spending Policy Pool dividends are invested in a money market fund until the annual distribution, which immediately follows the next year's January Board meeting.

NOTE D - ASSETS HELD BY FINANCIAL INSTITUTIONS

During 1999, the Foundation became trustee of an endowment benefiting Oklahoma Baptist University. Assets continue to be held by the financial institution who previously acted as trustee. The trust is managed under the Foundation's spending policy. The trust held cash and investments at fair value as follows at December 31:

	<u>2002</u>	<u>2001</u>
Cash and cash equivalents	\$ 690,491	\$ 238,206
Equity securities	5,674,885	7,625,078
Debt securities	<u>2,965,746</u>	<u>3,444,221</u>
	<u>\$9,331,122</u>	<u>\$11,307,505</u>

The Foundation receives distributions from a permanent endowment held by a bank trustee. The Foundation receives 40% of the trust's earnings. The Foundation's share of trust assets totaled \$186,891 and \$225,600 at December 31, 2002 and 2001, respectively.

NOTE E - INVESTMENT IN CHRISTIAN STEWARDSHIP MUTUAL FUNDS

Certain trusts with noncharitable income or remainder beneficiaries are not eligible to pool investments with trusts which are, or will ultimately become, fully charitable. Assets of these trusts, which were formerly pooled, were initially invested in three funds of the Vanguard group of mutual funds. During 2002 and 2001, the Vanguard investment was liquidated with the proceeds invested in two Christian Stewardship mutual funds. These investments are carried at market. NOTE H - INVESTMENT IN BAPTIST BUILDING CORPORATION

During 1990, the Convention entered into an agreement under which custodial funds held by the Foundation for the benefit of the Convention were advanced to the Baptist Building Corporation, a corporation formed for the purchase and renovation of an office building. In 1993, the Convention transferred its rights to repayment of these invested custodial funds to the Oklahoma Baptist Homes for Children, Inc. Upon completion of renovation, the building was leased, principally to the Convention and its agencies and affiliates, including the Foundation. A total of \$4,331,000 has been advanced to the Baptist Building Corporation. At December 31, 2002, \$3,810,917 was outstanding (\$4,000,000 at December 31, 2001). Repayment of funds is at the discretion of the Baptist Building Corporation; however, all advanced funds must be repaid upon any sale or conveyance of the building. The agreement provides that the Baptist Building Corporation will pay a reasonable rate of return approximating the pooled investment distribution rate. During the year ended December 31, 2002, income totaling \$33,087 (\$304,913 during 2001) was received under this agreement. During 2002, the Baptist Building Corporation began remitting income directly to Oklahoma Baptist Homes for Children, Inc. rather than through the Foundation.

NOTE I - REMAINDER INTEREST IN ASSETS HELD BY OTHERS

The Foundation is the principal remainder beneficiary of a charitable remainder unitrust. The fair market value of assets held by the trust approximated \$3,349,000 and \$3,343,000 at December 31, 2002 and 2001, respectively.

The trust agreement provides for specified payments to facilities now operated by Oklahoma Baptist Homes for Children, Inc. with the remainder to be distributed outright to the Foundation to be used for purposes as determined by its officers.

The trust agreement constitutes an unconditional promise to give. At December 31, 2002, the remainder interest had an estimated fair market value of \$569,000 (\$635,000 at December 31, 2001). Changes in the value of the remainder interest are recognized as temporarily restricted income or losses until all donor imposed restrictions are met.

NOTE J - PROPERTY AND EQUIPMENT

Property and equipment consist of the following as of December 31:

	2002	2001
Office furniture	\$ 220,183	\$215,991
Office equipment	155,212	121,643
Computer equipment	309,203	289,991

Less accumulated depreciation	<u>700,682</u>	<u>611,534</u>
	<u>\$ 368,262</u>	<u>\$333,580</u>

Depreciation expense totaled \$145,822 and \$136,252 for the years ended December 31, 2002 and 2001, respectively.

NOTE K - POSTRETIREMENT BENEFITS OTHER THAN PENSIONS

The Foundation maintains a plan to provide health, life and termination benefits to retirees. Estimated costs are recognized over the employee's active service period. The plan, as originally adopted, provided health and life premium coverage for all employees and spouses after ten years of service upon normal retirement. Subsequently, the plan was amended to increase the service period to 15 years and to limit coverage by excluding spouses. The amendment resulted in an unrecognized prior service benefit of \$139,328 and an unrecognized net gain of \$40,618. The plan as adopted and amended is unfunded.

NOTE K - POSTRETIREMENT BENEFITS OTHER THAN PENSIONS - CONTINUED

The following summarizes the status of the plan as of December 31:

	2002	2001
Accumulated postretirement benefit obligations		
For retirees	\$561,228	\$419,592
For active employees not fully eligible	220,205	205,230
For active fully eligible employees	-	62,545

Plan assets at fair value	-	-
	781,433	687,367
Unrecognized gain (loss)	(40,048)	43,361
Unrecognized prior service benefit	50,917	57,281
Accrued postretirement benefit cost	\$792,302	\$788,009

The net postretirement benefit cost is as follows as of December 31:

	2002	2001
Service cost	\$30,455	\$ 28,940
Interest cost	47,792	47,727
Gain or loss to the extent recognized	-	(293)
Amortization of unrecognized prior service cost	(6,365)	(6,365)
Net benefit cost	\$ 71,882	\$ 70,009

In determining the obligation under the plan, a weighted average discount rate of 6.25% in 2002 (7% in 2001) was assumed. Health care (premiums) costs were estimated to increase by 10% in 2002, with ratable annual reduction until an ultimate rate of 5% is reached in 2009. Unrecognized prior service benefit cost is being amortized over the remaining service to full eligibility of active employees which averaged eight years in 2002.

NOTE L - LIABILITY TO BENEFICIAL OWNERS

The Foundation was formed to administer funds and receive property on behalf of the Convention and other Baptist institutions. In its capacity as trustee, administrator, custodian or agent, the Foundation holds assets for these organizations. In addition, the Foundation acts as trustee under revocable and irrevocable agreements in which donors have retained interest in income, principal or both. The following summarizes categories of arrangements under which the Foundation has liabilities to these beneficial owners. Obligations to make future payments are discounted at 5% which equals the estimated long-term return on investments. Those payments which are for life are estimated using 1999 unisex tables published by the Internal Revenue Service.

NOTE L - LIABILITY TO BENEFICIAL OWNERS - CONTINUED

Liabilities To Income Beneficiaries Under Split-Interest Agreements

Gift Annuity Contracts These agreements have been entered into between the Foundation and a donor under which the Foundation has agreed to pay a specified amount, at least annually, to a noncharitable income beneficiary. Typically, income payments are for life. The liability to income beneficiaries represents a general liability of the Foundation. This liability is equal to the present value of estimated future payments.

Liabilities To Income Beneficiaries Under Irrevocable Trust Agreements The balances represent the present value of estimated future payments to noncharitable beneficiaries under irrevocable trusts. This includes amounts estimated to be payable to beneficiaries of charitable remainder annuity trusts, charitable remainder unitrusts and other trusts whose remainder beneficiaries may be partially noncharitable.

Refundable Advances

Assets Held Under Custodial Arrangements The Foundation holds and invests assets for the Convention and its affiliates in a custodial capacity. The balances represent the Foundation's liability to return amounts transferred and unremitted earnings to these affiliates. These funds are generally invested in the investment pools in ratios selected by the owner.

Conditional Transfers From Donors The Foundation receives assets as trustee under agreements that are revocable or provide that trust corpus may be invaded for the benefit of the grantor or a noncharitable beneficiary. Because these assets may be withdrawn by revocation or through consumption by noncharitable beneficiaries, they are considered to be conditional transfers. To the extent the Foundation is an ultimate beneficiary under these agreements, a contribution will be recognized when all conditions are met. This typically will occur when the trust becomes irrevocable and the rights of noncharitable beneficiaries to corpus lapse.

Assets Held for Others

Assets Held As Trustee Under Permanent Endowments The Foundation acts as trustee for numerous permanent charitable endowment trusts. These trusts generally benefit the Convention and its affiliates or other Southern Baptist affiliated institutions. Earnings from these funds are disbursed periodically under terms of the agreement or at the discretion of the beneficiary, based upon the Foundation's spending policy. While the Foundation will administer these assets in perpetuity, the rights to enjoyment of benefits is vested in the income beneficiaries.

Assets Held Under Agreements With Affiliated Organizations To Administer Endowment or Other Trust The Foundation holds, invests and administers assets under trust agreements that name the Convention or its affiliates as trustee. These trusts are administered in a manner identical to those trusts in which the Foundation is named trustee.

Remainder Interests Under Gift Annuity and Irrevocable Agreements These balances represent the remainder interest in assets subject to payments to income beneficiaries as discussed above. Where agreements ultimately benefit the Foundation, remainder interests are included under temporarily or permanently restricted net assets.

The following is a summary of beneficial owners and their present interest in assets at December 31:

	2002	2001
Baptist General Convention of the State of Oklahoma	\$ 20,540,402	\$ 23,259,767

	\$178,212,609	\$202,673,806

NOTE M - AFFILIATED ENTITIES

The majority of the funds administered by the Foundation are for the benefit of the Convention, its affiliates and various other Baptist organizations. Principal affiliates of the Convention and, thus, the Foundation are Oklahoma Baptist University, Oklahoma Baptist Homes for Children, Inc., Baptist Village Retirement Communities of Oklahoma, Inc. (formerly Baptist Retirement Centers of Oklahoma, Inc.) and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Convention at its annual meeting.

The Foundation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year ended December 31, 2002 were \$285,684 (\$295,060 for the year ended December 31, 2001).

As discussed in Notes H and O, the Foundation has advanced funds to the Baptist Building Corporation and has entered into an operating lease for office facilities.

NOTE M - AFFILIATED ENTITIES - CONTINUED

The Foundation makes loans to churches, associations and agencies affiliated with the Convention to finance the purchase of land and buildings. These loans are secured by first mortgages on the property and buildings constructed and may require personal endorsements of church members. The lives of these loans vary up to a maximum of 15 years. Interest rates are set by the Church Building Loan Committee with consideration given to the current rates available from commercial sources. The balances of church building loans outstanding at December 31, 2002 was \$28,139,435 (\$26,984,452 at December 31, 2001). An allowance of \$976,823 for uncollectible loans was recorded as of December 31, 2002 (\$840,063 as of December 31, 2001). At December 31, 2002, loans totaling \$4,556,107 were guaranteed by the Baptist Foundation of Texas under a guaranty servicing agreement.

NOTE N - PENSION PLAN

All employees of the Foundation are eligible to participate in a defined contribution pension plan administered by the Annuity Board of the Southern Baptist Convention. Under the plan, the Foundation contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for the year ended December 31, 2002 was \$127,811 (\$125,174 for the year ended December 31, 2001). The Foundation's policy is to fund pension cost as it is incurred.

NOTE O - LEASED FACILITIES

The Foundation conducts its operations from facilities leased from the Baptist Building Corporation and controlled by the Convention. The lease had an initial term of ten years with options to renew for ten additional one-year periods. The agreement provides for increases based upon escalations in operating costs. Rental expense under the lease totaled \$126,139 for 2002 (\$106,733 for 2001). The future annual rental commitments reflect the executed 2003 renewal.

The Foundation also leases office facilities in Tulsa under a lease expiring December 31, 2003. Expense under the lease for 2002 totaled \$16,951 (\$20,261 for 2001).

Office space is also leased by the Foundation in Ardmore on a month-to-month basis for \$3,600 per year.

The minimum future annual rental commitment under these leases at December 31, 2002 is \$153,564 for the year ending December 31, 2003.

NOTE P - COMMITMENTS AND CONTINGENCIES

At December 31, 2002, the Foundation had outstanding commitments totaling \$4,936,908 (\$8,866,050 at December 31, 2001) for church building loans.

From time to time, the Foundation may be involved in legal matters arising in the normal course of activities. In the opinion of management, the ultimate liability, if any, with respect to these matters will not have a materially adverse effect on the financial position or activities of the Foundation.

Oklahoma City, Oklahoma

We have audited the accompanying balance sheets of BAPTIST VILLAGE RETIREMENT COMMUNITIES OF OKLAHOMA, INC. (a nonprofit corporation) (formerly Baptist Retirement Centers of Oklahoma, Inc.) as of December 31, 2002 and 2001, and the related statements of operations, changes in net assets, cash flows, and operating expenses for the years then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Baptist Village Retirement Communities of Oklahoma, Inc. as of December 31, 2002 and 2001, and the results of its operations and changes in its net assets and cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2002 and 2001

1. Summary of Significant Accounting Policies

Nature of Operations - Baptist Village Retirement Communities of Oklahoma, Inc. (the Corporation) (formerly, Baptist Retirement Centers of Oklahoma, Inc.) is a not-for-profit corporation organized for charitable, religious, educational and scientific purposes in providing aged, sick or injured persons with housing facilities, long term care nursing facilities and other services designed to meet their physical, social, psychological and spiritual needs and to contribute to their health, security, happiness, spiritual well-being and usefulness in longer living as mandated by the Scriptures as a ministry of the Gospel of Jesus Christ. The Corporation is an auxiliary corporation of the Baptist General Convention of the State of Oklahoma (the Convention).

Change of Name - On November 21, 2002, the Corporation filed amended articles of incorporation to change its name to Baptist Retirement Village Communities of Oklahoma, Inc.

Basis of Accounting and Financial Statement Presentation - The financial statements are prepared on the accrual basis of accounting, in conformity with the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, "*Financial Statements of Not-for-Profit Organizations*". The Corporation reports information regarding its financial position and activities in three classes of net assets based on the existence of any external restrictions on net assets by donors. These classes are unrestricted, temporarily restricted, and permanently restricted.

Transfer of Assets from Baptist General Convention of the State of Oklahoma - During 1993, the Board of Directors of the Convention formed the Corporation and initiated a plan under which all operating assets of retirement centers operated by the Convention, subject to certain liabilities, were transferred to the Corporation. Transfers were approved by creditors of the Convention, and assets transferred remain pledged as collateral on Convention debt. Final approval was obtained during 1995. Debts for which the Convention remains primarily liable, but which relate to assets included on the Corporation balance sheet, are reported as liabilities of the Corporation.

Unconditional Promises to Give - The Corporation reports contributions as support when assets are received or when an unconditional promise to give has been made, in conformity with the provisions of Statement of Financial Accounting Standards (SFAS) No. 116, "*Accounting for Contributions Received and Contributions Made*".

Unconditional promises to give as reflected in the accompanying balance sheet consist of pledges made under a capital improvement fund drive (Note 2) and remainder interest in assets held in irrevocable trusts by The Baptist Foundation of Oklahoma (The Foundation) (Note 3).

Donor Restrictions - The Corporation reports gifts of cash or other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, through the passage of time or when a stipulated purpose is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of operations as net assets released from restrictions. Donor restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Gifts of cash or other assets received under endowment agreements where donors have restricted use to the income from the assets are reported as increases in permanently restricted net assets. These assets are generally held in trust by The Foundation (Note 3) or by other trustees. To the extent income and realized or unrealized gains are not restricted by donor stipulations or state law, these items are reported as increases in unrestricted net assets in the statement of operations.

The Corporation reports gifts of property, equipment and long-lived assets as unrestricted support unless explicit donor stipulations specify how donated assets must be used. Gifts of long-lived assets with specific use restriction and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. The Corporation reports expiration of donor restrictions when the donated or acquired assets are placed in service.

Property and Equipment - The Corporation capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets. At December 31, 2001, interest to be capitalized on assets included in construction in progress is \$113,810. Lives generally used are:

A portion of the cost fee of agreements entered into after the year 2000 is refundable and is recorded as a liability in the accompanying financial statements. The remainder is recorded as deferred revenue and is being amortized annually to rental income.

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Income Taxes - The Corporation is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows - For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

2. Unconditional Promises to Give

During 2002, the Corporation initiated a program to raise support for facilities renovation and expansion. Pledges constitute unconditional promises to give and have been recognized as temporarily restricted support in the current period. Pledges have been valued at the net present value of future cash flows net of an allowance for uncollectible pledges. Pledges receivable have been discounted at 4% which represents an estimated rate of return on long-term investments.

Pooled debt securities consist of investments in corporate debt securities (17.7% and 28.9% in 2002 and 2001) and U.S. Government securities (20.8% and 22.4%, respectively) at quoted market prices. Also included are investments in church building loans (49.3% and 46.7% in 2002 and 2001) at an amount equal to the principal balance of these loans less an allowance for uncollectible loans. The carrying amount of church building loans is estimated to approximate their value.

Remainder Interests - The Corporation is the ultimate beneficiary under certain irrevocable agreements trustee or administered by The Baptist Foundation of Oklahoma, Inc. Under these agreements, income is payable for life or a specified period of time to a beneficiary with the remainder payable to the Corporation. Agreements include gift annuity contracts, charitable remainder trusts and other irrevocable trusts under which the Corporation is a remainder beneficiary. These agreements constitute unconditional promises to give to be recognized as income when the promise is given. Gifts are valued by reducing total assets held by the Foundation by the present value of estimated future income payments over the term of the agreement or life expectancy of the income beneficiary utilizing a 5% discount rate. Based on these factors the present value of these remainder interests were as follows:

Excess earnings added to historical corpus were considered to be permanently restricted.

For the Years Ended December 31, 2002 and 2001

As of January 1, 2002, the Foundation determined that such transfers of realized or unrealized gains to historical corpus were not permanently restricted and would be available for current and future appropriation. The Foundation effected a reversal of prior year transfers to historical corpus and placed such transfers in the stabilization pool. This action resulted in the reclassification in the accompanying financial statements of net assets totaling \$951,810 which had been previously identified as permanently restricted.

4. Notes Payable

As discussed in Note 1, certain assets transferred to the Corporation were encumbered by liabilities. A portion of these liabilities were refinanced in 1999. However, the Revenue Refunding Bonds, Series 1999, remains a direct liability of the Convention. Under terms of the transfer the Corporation has agreed to fund all required principal and interest payments. Therefore, the liability is recorded on the balance sheet of the Corporation subject to the following provisions.

The Oklahoma Development Finance Authority

Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999

On August 1, 1999, The Oklahoma Development Finance Authority (the Authority) issued its "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999" in the amount of \$16,050,000 with interest at rates ranging from 4.2% to 5.8%. Net proceeds of \$14,135,031 from the bond issue were loaned to the Convention and were used to retire the "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989" (1989 issue). The Convention has executed a note to repay the Authority for its cost under the bond issue and to fund interest and bond retirement. The Convention's liability under the note at December 31, 2002 was \$9,464,998 (\$10,808,160 - 2001), which is equal to the bond liability net of unamortized issuance costs.

Monthly payments are required by the note in amounts equal to the Authority's debt service for the bonds. Final payment under the note is scheduled for May 2009. The unrestricted gross revenues of the Corporation are pledged as security under the note. The note is further guaranteed by the Convention.

In determining the obligation under the plan, a weighted average discount rate of 6.25% and 7.0% was assumed for 2002 and 2001. As disclosed in Note 1, the Corporation is affiliated with the Baptist General Convention of the State of Oklahoma (the Convention), its affiliates and various other Baptist organizations. Principal affiliates of the Convention and thus the Corporation, are the Baptist Foundation of Oklahoma, Oklahoma Baptist University, Oklahoma Baptist Homes for Children, and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Corporation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year were \$368,552.

9. Leased Facilities

10. Commitments, Contingencies and Concentrations of Credit Risk

As discussed in Note 1, the Corporation assumed certain liabilities of the Convention as a part of the transfer of assets. In addition, the Corporation has guaranteed notes payable as discussed in Note 4.

The Corporation self insures workers' compensation. Insurance is carried to limit liability on individual and aggregate claims. The Corporation has recognized as expense in the current year the amount of claims paid for the year and an amount to accrue estimated future claims arising from losses in the current period.

NOTES TO FINANCIAL STATEMENTS

(Continued)

For the Years Ended December 31, 2002 and 2001

Periodically in the course of operations, the Corporation may have cash on deposit with financial institutions in excess of federally insured amounts.

The providing of geriatric care services to the elderly creates the risk of potential malpractice claims. While there are no current asserted or unasserted claims in excess of liability insurance coverage in force, it is possible that events may occur in the ordinary course of business which could give rise to future claims.

NOTES TO FINANCIAL STATEMENTS

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

December 31, 2002

NOTE A--ORGANIZATION

Oklahoma Baptist Homes for Children, Inc. ("OBHC") is an Oklahoma not-for-profit organization supported primarily by private donations. OBHC was incorporated in September 1993, and began operations on January 1, 1994, to provide care for children and to provide preventive and redemptive services for children, parents, and families. With donated funds, OBHC operates five homes or other living facilities for children in need and two crisis pregnancy centers. Prior to 1994, OBHC was a division of the Baptist General Convention of Oklahoma, Inc. ("BGCO").

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summarizes certain significant accounting policies followed by OBHC. These policies conform to accounting principles generally accepted in the United States:

Contributions: Contributions received, including unconditional promises to give, are recognized as revenues in the period received at their fair values. Contributions made, including unconditional promises to give, are recognized as expenses in the period made at their fair values. Conditional promises to give, whether received or made, are recognized when they become unconditional, that is, when the conditions are substantially met. For financial reporting purposes OBHC distinguishes between contributions of unrestricted assets, temporarily restricted assets, and permanently restricted assets.

OBHC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. If a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, in the same fiscal year as the year of the receipt of the gift, the gift is considered unrestricted. When a donor restriction expires on gifts classified as temporarily restricted, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of changes in net assets as net assets released from restrictions. All contributed assets are reflected at the fair market value at the date of contribution.

The Baptist Foundation of Oklahoma ("BFO") holds certain funds under gift annuity contracts and other irrevocable trust agreements for which the remainder interest is held for the benefit of OBHC. OBHC is entitled to these remainder interests, which qualify as unconditional promises to give and are recorded at their discounted present value utilizing a 5% rate.

Cash and Cash Equivalents: For purposes of the statements of cash flows, OBHC considers cash on hand and deposits in banks to be cash and cash equivalents.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investments: Investments are accounted for in accordance with Statement of Financial Accounting Standards ("SFAS") No. 124, "Accounting for Certain Investments Held by Not-For-Profit Organizations". SFAS 124 requires investments in equity securities with readily determinable fair values and all investments in debt securities be measured at fair value. The gains and losses on debt and equity securities are reported in the statements of changes in net assets as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by donor stipulations or by law.

BFO was created for the purpose of receiving and managing all investments for the various Baptist entities including OBHC. The investments managed by BFO are separated into the following categories:

Endowment - Investments in perpetuity, the income from which is expendable to support the donor imposed restriction, if any.

Restricted - Non-endowment investments for which the principal and income have donor restrictions as to their use.

Custodial - Non-endowment investments for which the principal and income are not donor restricted.

Loan - Non-endowment funds for which the principal and income may be used for providing loans to OBHC alumni.

A listing of the nine investment funds used by BFO, and the types of investments held within each fund, is as follows:

Large-Cap Value Fund - marketable equity securities

Large-Cap Growth Fund - marketable equity securities

Large-Cap Core Fund - marketable equity securities

Small/Mid-Cap Value Fund - marketable equity securities

Small/Mid-Cap Growth Fund - marketable equity securities

International Equity Fund - marketable equity securities

Domestic Bond Fund - marketable corporate debt securities

Church Building Loan Fund - debt of Southern Baptist churches

Money Market Fund - institutional cash money market fund

All marketable securities held in the pools are recorded at market value. The market value of the church building loans is determined as the principal balance less the allowance for doubtful loans. Other investments held outside the investment funds are presented at cost.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Risks and Uncertainties: Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the financial statements.

Concentrations of Risk: OBHC receives the majority of its contributions from residents of Oklahoma.

OBHC maintains cash balances at financial institutions located in Oklahoma. From time to time, the account may exceed the limits insured by the Federal Deposit Insurance Corporation.

Fixed Assets: Fixed assets are recorded at cost. It is OBHC's policy to capitalize all furniture and fixtures, equipment, and vehicles with a cost in excess of \$5,000 and all buildings and leasehold improvements with a cost in excess of \$25,000. The cost and related accumulated depreciation of assets sold or retired are removed from the accounts and the resulting gains or losses are included in the statements of unrestricted revenue, expense and other changes in unrestricted net assets. Maintenance repairs and minor renewals are expensed as incurred. These assets are depreciated over their estimated useful lives using the straight-line method. The following useful lives are used:

Furniture and fixtures	6-20 years
Equipment	6 years
Vehicles	3 years
Buildings and leasehold improvements	10-40 years

Net Asset Classifications: Net assets have been segregated to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the board and of those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions. The following net asset segregations have been established for OBHC:

Unrestricted net assets - Represents resources over which the governing board has discretionary control to use in carrying on the operations of OBHC.

Temporarily restricted net assets - Represents resources currently available for use, but expendable only for purposes specified by the donor.

Permanently restricted net assets - Represents resources for which the principal is to remain intact in perpetuity. The income, allocated under the BFO distribution policy, is expendable either for general purposes or for purposes specified by the donor.

NOTES TO FINANCIAL STATEMENTS--Continued

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Revenue Recognition: Revenue of OBHC consists primarily of cooperative program distributions, voluntary contributions from Baptist churches throughout the state of Oklahoma and income earned on investments. OBHC's cooperative program distributions are budgeted annually at the discretion of BGCO. In accordance with the accrual basis of accounting, revenue is recognized when earned.

Functional Allocation of Expenses: Expenses are organized in both natural and functional classifications to provide useful information about the costs of significant programs or services provided by OBHC. Costs incurred are either directly related or allocated to a specific program or service.

Workers Compensation Insurance: OBHC is self insured with respect to workers' compensation claims. Monthly payments are made to a self-insured plan established by BGCO. This plan is self-insured to the extent of the excess liability insurance with an employer liability limit of \$1,000,000 per occurrence and a self insured retention of \$125,000 per occurrence.

Advertising Costs: All advertising costs are expensed as incurred. Advertising costs were approximately \$77,000 and \$58,000 for 2002 and 2001, respectively.

Income Taxes: OBHC is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE G--POST-RETIREMENT EMPLOYEE BENEFITS

OBHC sponsors unfunded post-retirement health care, life insurance and retirement gift benefits. These post-retirement benefits are offered to all full time employees that were hired prior to September 27, 1994.

Effective January 1, 1994, OBHC adopted the provisions of SFAS No. 106, "Employers' Accounting for Post-Retirement Benefits Other than Pensions". In applying this pronouncement, OBHC immediately recognized the Accumulated Post-Retirement Benefit Obligation ("APBO") as of January 1, 1994, as a transfer from BGCO.

The following tables set forth the plans' funded status reconciled with the amount shown in OBHC's statements of financial position at December 31, 2002 and 2001, respectively:

INDEPENDENT AUDITORS' REPORT

The Board of Trustees
The Oklahoma Baptist University
Shawnee, Oklahoma

We have audited the accompanying statements of financial position of THE OKLAHOMA BAPTIST UNIVERSITY as of July 31, 2002 and 2001, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Oklahoma Baptist University as of July 31, 2002 and 2001, and the changes in its net assets and its cash flows for the years then ended, in conformity with U.S. generally accepted accounting principles.

THE OKLAHOMA BAPTIST UNIVERSITY
NOTES TO FINANCIAL STATEMENTS

July 31, 2002

1. Organization and Summary of Significant Accounting Policies

Organization

The Oklahoma Baptist University was created by action of the Baptist General Convention of the State of Oklahoma in 1909 to function as an operating unit of the Convention under supervision of a Board of Trustees elected by that Convention. Articles of Incorporation were filed February 9, 1910 and amended November 25, 1974 with the State of Oklahoma and a charter was granted for a corporation of perpetual duration without capital stock. The purpose of the corporation is to encourage, support, provide and maintain Christian education and to engage in Christian undertakings which are in keeping with the purpose of the Baptist General Convention of the State of Oklahoma.

Summary of Significant Accounting Policies

Basis of Financial Statements -The financial statements of the University have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles, and in conformity with Statement of Financial Accounting Standards (SFAS) No. 116, "*Accounting for Contributions Received and Contributions Made*", and SFAS No. 117, "*Financial Statements of Not-for-Profit Organizations*". SFAS No. 116 requires that contributions, including unconditional promises to give, be recognized as revenues in the period received or promised. Conditional promises to give are not recorded until conditions are substantially met. Under SFAS No. 117, information regarding financial position and activities is reported in three classes of net assets based on the existence of or absence of donor-imposed restrictions. Net assets are classified as follows:

Unrestricted - Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Trustees or may otherwise be limited by contractual agreements with outside parties.

Temporarily Restricted - Net assets whose use by the University is subject to donor-imposed restrictions that can be fulfilled by actions of the University or by the passage of time. Assets received with donor-imposed restrictions that the University intends to use and actually uses within the same reporting period as received are treated in the same manner as unrestricted revenues for reporting purposes.

THE OKLAHOMA BAPTIST UNIVERSITY
NOTES TO FINANCIAL STATEMENTS

Page 7

(Continued)

July 31, 2002

Permanently Restricted - Net assets subject to donor-imposed restrictions that they be maintained permanently by the University. Generally, the donors of these assets permit the University to use all or part of the income earned on related investments for general or specific purposes. Such assets also include the University's beneficial interest in irrevocable trusts held by others.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and revenues and expenses recognized during the reporting period. Actual results could differ from those estimates.

Measure of Operations - The excess of revenues, gains and other support over expenses reflected in the accompanying statement of activities includes substantially all of the activities related to unrestricted net assets.

Cash and Cash Equivalents - Cash and cash equivalents include cash on hand and on deposit in demand and interest-bearing accounts administered by the University.

Investments -The University reports investments in equity securities (with readily determinable fair value) and all investments in debt securities at fair value in the statement of financial position, with gains and losses included in the statement of activities, in conformity with Statement of Financial Accounting Standards (SFAS) No. 124, "*Accounting for Certain Investments Held by Not-for-Profit Organizations*". The fair values of investments are generally determined based on quoted market prices or estimates of fair value provided by external investment managers. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year. Investments in real estate and mortgages and notes receivable are recorded at cost.

Income and gains or losses on investments are reported as follows:

Increases in permanently restricted net assets if the terms of the gift that gave rise to the investment or applicable law requires income or gains be added to the principal of a permanent endowment.

Increases in temporarily restricted net assets if the terms of the gift or applicable law impose restrictions on the use of the income and the income will not be used during the reporting period.

THE OKLAHOMA BAPTIST UNIVERSITY
NOTES TO FINANCIAL STATEMENTS

Page 8

(Continued)

July 31, 2002

Increases in unrestricted net assets in all other cases.

Generally, losses on the investments of restricted endowments reduce temporarily restricted net assets to the extent donor-imposed temporary restrictions on net appreciation of investments have not been met before the loss occurs. Any remaining losses reduce unrestricted net assets, but can be restored through subsequent investment gains.

Contributions Receivable - During the 1995-96 fiscal year, the University initiated the Foundation for the Future Campaign to raise \$25,000,000. The goal of the campaign includes \$10,000,000 for capital improvements, \$10,000,000 for endowment and \$5,000,000 for operations. At July 31, 2002, pledges and cash totaling \$30,776,169 had been received. Contributions receivable are recorded net of an allowance for doubtful receivables of 15% of the pledged contribution and net of a discount. The discount rate is based on the "risk free" treasury rates as quoted on July 31, 2002, and is applied on an annual basis. Significant estimates have been used to predict the future cash flows from pledged contributions. Amortization of the discount is recorded as additional contribution revenue.

The campaign contributions receivable (unconditional promises to give) are included in "Pledges receivable", and are as follows:

	<u>2002</u>	<u>2001</u>
Unconditional promises to give before unamortized discount and allowance for uncollectibles	\$1,770,360	\$2,151,780
Less unamortized discount	<u>44,189</u>	<u>87,614</u>
	1,726,171	2,064,166
Less allowance for uncollectibles	<u>265,554</u>	<u>322,767</u>
Net pledges receivable	<u>\$1,460,617</u>	<u>\$1,741,399</u>
Reported in the financial statements as:		
Due in less than one year	\$731,866	\$889,438
Due in one to five years	<u>728,751</u>	<u>851,961</u>

Long-lived Assets - Gifts of land, building and equipment and other long-lived assets are reported as unrestricted support unless explicit donor stipulations specify how or how long the donated assets must be used, in which case the gift is reported as restricted support.

Educational Plant - Plant facilities are stated at cost less accumulated depreciation or, if received as a gift, at fair value or appraised value at the date received, less accumulated depreciation. Generally, improvements, renovations, and equipment purchases in excess of \$500 are capitalized. Depreciation is recognized on a straight-line basis over the estimated useful lives of buildings and improvements (50 years) and equipment and software (10 years) beginning in the year following the year of acquisition. Library materials, consisting of books, periodicals, microfilm, and electronic media, are recorded at cost less accumulated depreciation. Depreciation is recognized on a straight-line basis over an estimated useful life of 20 years beginning in the year following the year of acquisition.

Inventories - Inventories are stated at cost.

Student Notes Receivable - Of the \$1,119,614 (2001 - \$1,057,269) of notes receivable under student loans, \$908,262 (2001 - \$857,829) has been made to students under U.S. Government loan programs. The loans are stated at net realizable value in the accompanying statements. It is not practicable to estimate the fair value of these receivables since they contain federally mandated interest rates and repayment terms subject to significant restrictions as to their transfer and disposition.

Funds Held in Trust by Others - Funds held in trust by others represent amounts held for the beneficial interest of the University under irrevocable perpetual trust agreements between donors and third-party trustees. The University's interests in the trusts are recorded at the fair value of the net assets of the trusts, with net increases or decreases in fair value during the year being reported as changes to permanently restricted net assets. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year.

Remainder Interest in Trusts - Remainder interests in trusts represent amounts held in trusts by others that will be transferred to the University. Upon the death of the current beneficiaries, these assets generally will become permanently restricted net assets of the University.

Amortization of Postretirement Benefits (Note 10) - The University's net benefit obligation at August 1, 1995 (the date of adoption of SFAS No. 106, "*Employers' Accounting for Postretirement Benefits Other than Pensions*") is being amortized on a straight-line basis over a 20-year period.

Advances Under Federal Loan Programs - Funds provided by the U. S. Government under the Federal Perkins Loan Program are loaned to qualified students and may be relaned upon collection. These funds are ultimately refundable to the government, and are reported as permanently restricted net assets.

Tuition, Fees and Scholarships - Scholarships, including those awarded from designated or restricted resources, and tuition discounts granted to employees and their dependents are reported as a deduction from tuition and fees. Prepaid tuition and other deposits represent payments received before the services or products are provided by the University.

Expenses and Other Activity - Expenses are generally reported as decreases in operations (unrestricted net assets). Temporarily restricted net assets for which donor-imposed conditions are met are reclassified to unrestricted net assets and reported as net assets released from restriction. Net assets released from restrictions generally represent expenses in excess of budgeted amounts that meet the donor-stipulated purpose and/or the stipulated time period has elapsed and capital expenditures made pursuant to donor specifications. Permanently restricted net assets reclassified to unrestricted or temporarily restricted net assets represent changes in restrictions specified by the donor.

The costs of providing the various programs and supporting activities of the University have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated based on total personnel costs or other systematic bases.

Income Taxes - The University is exempt from Federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. If the University earns monies not in accordance with its primary purpose, such earnings, known as unrelated business income, are subject to Federal income taxes.

These assets are carried at fair market value. In addition, the Foundation holds mineral interests, real estate and mortgages which are recorded at contributed value.

In prior years realized and unrealized gains in excess of the amount distributed to the University were either added to historical corpus or to a stabilization pool which could have been added to corpus or distributed for future expenditure by the University. Excess earnings added to historical corpus were considered to be permanently restricted.

As of January 1, 2002, the Foundation determined that such transfers of realized or unrealized gains to historical corpus were not permanently accumulated and would be available for current and future appropriation. The Foundation effected a reversal of prior year transfers to historical corpus and placed such transfers in the stabilization pool. This action resulted in the reclassification in the accompanying financial statements of net assets previously indentified as permanently restricted.

5. Capitalized Lease Payable - Oklahoma Baptist University Authority

The University entered into a lease with Oklahoma Baptist University Authority in December 1979, to obtain funds to construct a health, physical education, recreation and activities complex; to remodel the Brotherhood and W. M. U. Memorial Dormitories and the Clark Craig Field House; to finance computer facilities; and to pay existing indebtedness. The Authority obtained funds for these improvements by issuing \$7,640,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1979". Assets totaling approximately \$7,400,000 have been constructed or purchased under this lease. These assets are included with other educational plant assets.

The lease was amended on June 1, 1985, to obtain funds to finance a portion of the construction of the science building, married student housing, and a campus ministries center, and the renovation of Kerr Dormitory, the Theater annex, Montgomery and Thurmond Halls, and Parkway and Jent Apartments. The Authority obtained funds for these projects by issuing \$5,300,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1985". The remainder of the costs of these projects was financed by funds raised in a special fund raising campaign and by University resources. Assets totaling approximately \$6,600,000 have been constructed, renovated or purchased under this amendment. These assets are included with other educational plant assets.

On May 18, 1988, the Authority issued \$11,800,128 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1988". The proceeds of these bonds were used to defease in substance the Series 1979 and Series 1985 bonds. The lease with the Authority was amended during May 1988, to allow for the change in sinking fund requirements under the new bonds.

The lease was amended on August 1, 1989, to obtain funds to finance the construction and furnishing of student apartments, purchase of a new telephone system, acquisition of land adjacent to the campus, refinancing of some existing loans, and completion of other miscellaneous projects. The Authority obtained funds for these projects by issuing \$3,400,000 of its bonds titled "Oklahoma Baptist University Revenue Bonds, Series 1989". Assets totaling approximately \$2,659,585 have been constructed or purchased under this amendment. These assets are included with other educational plant assets.

On May 21, 1992, the Authority issued \$8,282,809 in bonds titled "Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1992". The proceeds of these bonds were used to defease in substance \$7,038,128 of the \$9,988,128 outstanding Series 1988 bonds. The lease was amended during May 1992, to allow for the change in sinking fund requirements under the new bonds.

The lease was amended on September 1, 1996, to obtain funds to finance a portion of the construction of a new 156-bed women's dormitory. The Authority obtained funds for this project by issuing \$2,500,000 in bonds titled Oklahoma Baptist University Revenue Bonds, Series 1996A. The remainder of the cost of the construction was financed by gifts and University funds. The dormitory and its furnishings cost approximately \$3,200,000 and are included with other educational plant assets.

On June 1, 1999, the Authority issued \$2,380,000 in revenue bonds to refund in advance \$2,095,000 of Series 1989 bonds and to provide the University with \$248,388 to be used for campus projects. The lease with the Authority was amended during June 1999 to allow for the change in sinking fund requirements under the new bonds.

The series 1988, 1992, 1996 and 1999 bonds are secured by rentals and other monies derived from the lease of the main campus facilities, by mortgages on specified real estate which comprises the main campus, and by a guarantee from the Baptist General Convention of the State of Oklahoma. In addition, the 1992 bonds are guaranteed by a municipal bond new issue insurance policy issued by Financial Guaranty Insurance Company.

6. Operating Leases

Airport Property - Parking Lot - The University entered into a lease agreement on March 1, 1995, as lessee, with the City of Shawnee (City) for property at the Shawnee Municipal Airport (Airport). The lease is for a period of twenty-five (25) years, with renewal options. The lease required a payment of \$15,000, and required the University to remove certain Airport buildings and underground fuel storage tanks in compliance with Environmental Protection Agency requirements, to remove and reconstruct a parking lot, and to provide landscaping of certain areas. The accumulated cost of these requirements totaled \$484,132 through July 31, 2002. These costs have been capitalized and are being amortized over the life of the lease. In the event of early lease termination by the City, there is a provision requiring reimbursement of all or a portion of such costs on a graduated basis.

Airport Property - Physical Plant - The University leases land upon which the maintenance department offices and shops were constructed. This operating lease is for a period of 25 years beginning in 1977, and contains a renewal option. The rent expense approximates \$3,000 per year. At July 31, 2002, the University was negotiating to renew the lease.

7. Bookstore Lease

Effective December 1, 2000, the University entered into a five (5) year lease renewal with Barnes and Noble College Bookstores, Inc. for the operation of the bookstore. The University will receive as rental income a percentage of sales with a guaranteed annual minimum.

8. Financial Instruments and Concentrations of Credit Risk

At July 31, 2002, the University had certain concentrations of credit risk with several financial institutions in the form of uninsured cash and time deposits which amounted to approximately \$358,369 (2001 - \$270,365). For purposes of evaluating credit risk, the stability of financial institutions conducting business with the University is periodically reviewed and management of the University believes that credit risk related to these balances is minimal.

9. Retirement Plans

Pension Plan - The University provides a defined contribution plan that covers substantially all of its full-time employees. Under the plan, the University contributes an amount equal to 6% of the participating employees' salaries. Employee contributions are voluntary. Total pension contributions for the year ended July 31, 2002, was \$524,162 (2001 - \$475,825). The University's policy is to fund pension cost as it is incurred.

Other Benefit Plans- The University also provides an OBU Executive Benefit Plan, covering certain key employees, which provides for benefits payable upon death or termination of employment. This plan is funded in the amount of approximately \$196,630 (2001 - \$178,274), and the assets are reported as unrestricted assets. The liability is included in accrued expenses. There were no contributions for the year ended July 31, 2002, (2001 - \$25,000). The maximum amount that can be accrued for each employee is limited to two years' salary.

NOTES TO FINANCIAL STATEMENTS

Page 21

The University also provides deferred compensation (IRC section 457) plans. These plans are funded in the amount of approximately \$20,000, and the assets are reported as unrestricted assets. The liability is included in accrued expenses. Total contributions for the year ended July 31, 2002 were \$20,000.

These benefit plans are funded as costs are incurred.

10. Postretirement Benefits

Exempt employees who retire after a minimum of fifteen years of service and have reached the age of 55 at the time of retirement are eligible to receive postretirement benefits in the form of medical insurance coverage until they reach the age of 65. Upon reaching age 65, the retiree is eligible to receive a Medicare supplement insurance policy for life. Employees who retire after a minimum of fifteen years of service and have reached age 55 at the time of retirement are eligible to receive postretirement benefits in the form of term life insurance. The University recognizes postretirement benefits on an accrual basis as employees perform services to earn such benefits. The plan is not funded. The University is amortizing the transition obligation resulting from this accounting change over 20 years beginning August 1, 1995. The accrued postretirement benefit cost, which is included in accrued expenses, as of July 31, 2002, is as follows:

Accumulated postretirement benefit obligation	\$2,788,823
Plan assets at fair value	<u>None</u>
Accumulated postretirement benefit obligation in excess of plan assets	2,788,823
Unrecognized net gain or (loss)	(184,491)
Unrecognized prior service cost	None
Unrecognized transition obligation	<u>(1,058,440)</u>
Accrued postretirement benefit cost	<u><u>\$1,545,892</u></u>

Postretirement benefit expense for the year ended July 31, 2002, was \$333,763 (2001 - \$284,284) and includes \$83,790 service cost, \$168,554 interest cost, and \$81,419 amortization of transition obligation.

July 31, 2002

For measurement purposes, a 10% increase in the per capita cost of covered medical care benefits was assumed for 2002. The rate was assumed to ultimately decrease to 5%. The medical care cost trend rate assumption has a significant effect on the amounts reported. To illustrate, increasing the assumed medical care cost trend by 1% in each year would increase the accumulated postretirement benefit obligation as of July 31, 2002 by \$423,248 and the aggregate of the service and interest cost components of the net periodic postretirement benefit cost for the year then ended by \$49,492.

The discount rate used in determining the accumulated postretirement benefit obligation was 6.5% for the year ended July 31, 2002.

11. Tulsa Royalties Company

During 1991, the University accepted a gift of the mineral assets of Tulsa Royalties Company as partial payment of a pledge used for the construction of the new School of Business building. Tulsa Royalties Company (a public charity) remains intact as a separate corporation, having directors in common with the University. The financial statements of the Company are combined with the financial statements of the University. When control of the board was changed, the informal appraisal of the mineral interests was made at \$1,500,000. The University has used that figure as the cost basis and has used the "sum of the years digits" method over an estimated ten year life to record the depletion of the mineral assets. Additional mineral interests have been donated to Tulsa Royalties Company since that time. The value of the mineral interests net of accumulated depletion is stated at \$43,837 (2001 - \$55,613) as part of the long-term investments. The income from Tulsa Royalties is unrestricted.
