10.02. Indemnification of Directors. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, and reasonable cause to believe that his conduct was not unlawful.

10.03. Authorization of Indemnification. Any indemnification under Section

It shall review matters affecting students of the University, other than those relating to the spiritual life and academic program, consider proposals on such matters, and report and make recommendations thereon to the Board of Trustees as may be required.

Section 11. Spiritual Life Committee

The Spiritual Life Committee shall be composed of at least five trustee members. It shall review all matters concerning religious activities and the programs that promote spiritual growth and development at Oklahoma Baptist University, consider proposals on such matters, and report and make recommendations thereon to the Board of Trustees as may be required.

ARTICLE IX INDEMNIFICATION

Each Trustee and Officer of the University shall be indemnified by it against all expenses actually and necessarily incurred by such Trustee or Officer in connection with the defense of any action, suit, or proceeding to which he has been made a part by reason of his being or having been such Trustee or Officer except in relation to matters as which such Trustee or Officer shall be adjudicated in such action, suit, or proceeding to be liable for gross negligence or willful misconduct in the performance of duty.

ARTICLE X CONFLICTS OF INTERESTS

A Trustee shall be considered to have a conflict of interest if (a) such Trustee has existing or potential financial or other interests which impair or might reasonably appear to impair such member's independent, unbiased judgement in the discharge of his responsibilities to the University, or (b) such Trustee is aware that a member of his

family (which for purposes of this paragraph will be a spouse, parents, siblings, children, and any other relative if the latter reside in the same household as the Trustee), or any organization in which such Trustee (or member of his family) is an officer, director, employee, member, partner, trustee, or controlling stockholder, has such existing or potential financial or other interests. All Trustees shall disclose to the Board any possible conflict of interest at the earliest practicable time. No Trustee shall vote on any matter, under consideration at a Board or committee meeting, in which such Trustee has a conflict of interest. The minutes of such meeting shall reflect that a disclosure was made and that the Trustee having a conflict of interest abstained from voting. Any Trustee who is uncertain whether he has a conflict of interest in any matter may request the Board or committee to determine whether a conflict of interest exists, and the Board or committee shall resolve the question by majority vote.

11. Special music was presented by the Celebration Choir and Orchestra, and a solo by Walter Grady, minister of music, First Church, Ardmore, was featured in the performance of “He’s Been Faithful.”
12. In introducing Alton Fannin for the President’s Address, BGCO Vice President Mario Zamarron recognized the Fannin family—wife, Judy; daughter, Joy; son, David; grandson, Caleb; mother, Catherine; and daughter Lee Ann and her husband David.
13. Having discovered that God’s assignment for him as president of the Baptist General Convention of Oklahoma was related to Falls Creek and fundraising, Fannin delivered a sermon based on I Timothy 5:8. He said preaching on the topics of stewardship and giving for the Lord’s work had always been easy for him because “...it’s right out of the Book.” He believed the verse communicated a principle that would help in the effort to accomplish the great assignment of completing payment for the Falls Creek tabernacle. “For the glory of God, for the good of our kids, let’s just do it.”
14. Keith Haygood led the congregation in singing “Let the Worshipers Arise.”
15. BGCO Executive Director-Treasurer Anthony Jordan recognized Oklahoma’s ethnic pastors and their families and thanked them for their ministries throughout the state.
16. Jordan presented the report of the Board of Directors, explaining that messengers vote each year to authorize the Board to take action on significant issues that are of a time sensitive nature between annual convention meetings. Among such actions approved by the Board since the 2006 Annual Meeting, Jordan called attention to the following: construction of the skate park and indoor ropes course in the Falls Creek amphitheater; dissolution of the Baptist Building Corporation; appointment by the president of a committee to study sections of the BGCO Constitution and Bylaws pertaining to composition and terms of service of the Board of Directors; purchase of a trailer to be used by the BGCO Disaster Relief feeding unit; two-year extension of the partnership with Guanajuato, Mexico; recommendations by the Camps Task Force regarding children’s missions camps; reorganization of Falls Creek staff; formation of a Stewardship & Ministry Advancement Group and its proposed budget; changing name of Camp Hudgens to CrossTimbers Baptist Camp; closing the Falls Creek grocery store; and report of the BGCO Audit/Affiliate Audit Oversight Review Committee.
17. Hance Dilbeck, pastor of Quail Springs Church, Oklahoma City, and chairman of the BGCO Board of Directors Finance Committee, moved the adoption of the \$24.6 million Cooperative Ministries Budget for 2008 and approval of the Board of Directors report.
The motion carried without question or discussion.
18. Chairman Russell Duck, pastor of First Church, Elk City, presented the report of the Nominating Committee, explaining two changes to the Oklahoma Baptist University section of the printed report: (1) to correct the church membership of Ted Kersh, who had moved from First Church, Claremore, to South Tulsa Church in Tulsa; and (2) to place in nomination Ron Males of First Church, Jenks, to fill the vacancy resulting from the resignation of Robert Morris. Duck moved the adoption of the report.
The motion carried without question or discussion. Following is the report as amended:

Between the two meetings, the committee shall provide opportunity for the general constituency to submit recommendations. 28. Dale Griffin, campus minister, Oklahoma Baptist University, BGCO, sang "Hope of the Nations."
29. John Parrish, interim president, Oklahoma Baptist University, BGCO, stressed that an interim should not be a time for standing still or marking time; an interim should be a time of moving forward. He stated the important work during his interim were (1) to maintain collegiality and good morale among employees; (2) to keep faculty, staff and students focused on the task at hand, providing a strong educational program and a nurturing Christian environment; and (3) to lead "our folks" to achieve the objectives established by each administrative and academic unit for the current school year, and then to reverse the declining enrolment trend and to successfully host the North Central Association accreditation visit.
30. Anthony Jordan led in prayer for John Parrish and for Oklahoma Baptist University.
31. Alton Fannin announced the start of the business session.

Jack Vance, pastor and messenger from First Church, Dewar, moved the adoption of Resolution No. 1, and it was adopted.

Resolution No. 1

On Appreciation to Host Church for the 2007 Annual Meeting

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, express our profound appreciation to Pastor Kevin Clarkson and to the staff and congregation of First Baptist Church for the countless hours in support and preparation for this convention, enhanced by the new facility. We further state that the church is an outstanding model of genuine Christian service and hospitality. We offer our prayers for God's continued blessing in future ministry.

Keith Miller, pastor and messenger from First Church, Enid, moved the adoption of Resolutions No. 2, No. 3 and No. 4, and all three were adopted.

Resolution No. 2

On Appreciation to Dr. Bill Green

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, express our sincere appreciation to Dr. Bill Green, upon his retirement December 31, 2007, for his 17 years of outstanding service to the Baptist General Convention of Oklahoma in various roles including Director of Church Music, Leader of the Church & Family Equipping Team and Associate Executive Director.

Resolution No. 3

On Appreciation to Dr. Mark Brister

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, express our sincere appreciation to Dr. Mark Brister, upon his retirement, for his dedicated leadership as the ninth President of Oklahoma Baptist University, 1998–2007. We pray God's richest blessing upon the Brister family.

Resolution No. 4

On Appreciation to Marlin Hawkins

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, express our sincere appreciation to Marlin Hawkins for his service to the Baptist General Convention of Oklahoma as Historical Secretary, 2000–2007.

Blake Gideon, pastor and messenger from First Church, Idabel, moved the adoption of Resolution No. 5, and it was adopted.

Resolution No. 5

On Prayer and Spiritual Awakening

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, embrace an urgent call to

sustained prayer, genuine repentance and evangelistic passion. We also embrace this call to prayer with the expectancy that God shall visit His people out of our spirit of repentance, fervent intercession and application of Acts 1:8 power. We support this resolution through sustained initiatives of fervent prayer, deep repentance and renewed evangelistic fervor.

Tim Green, director of missions, South Canadian Association, and messenger from Harvey Road Church, Seminole, moved the adoption of Resolution No. 6. John Elam, director of missions, Northwest Association, and messenger from Lincoln Avenue Church in Woodward, proposed an amendment. The amendment failed, and Resolution No. 6 was adopted.

Resolution No. 6

On a Great Commission Resurgence

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, affirm that the conservative resurgence of Southern Baptists has returned us to our historic roots of commitment to the Bible as the infallible and inerrant Word of God.

It is incumbent upon us to focus our energies and resources toward a “Great Commission Resurgence,” in accordance with Matthew 28:19-20.

Joe Ligon, pastor and messenger from First Church, Marlow, moved the adoption of Resolutions No. 7, and it was adopted. Ligon then moved the adoption of Resolution No. 8. Prior to the vote and with no opposition from messengers, Fannin extended the business session up to ten minutes. Resolution No. 8 was then adopted.

Resolution No. 7

On Sanctity of Life

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, recognize the sanctity of human life as created by God.

Understanding that abortion is one of the greatest evils of our time, we therefore encourage Oklahoma Southern Baptists to take an active role in doing all they can to promote the sanctity of human life.

We commend and applaud the tireless efforts of all Oklahomans who played a significant role in the passage of pro-life Senate Bill 139. We also deeply appreciate governmental leaders who courageously voted to restrict state-funded abortions through this legislation.

Recognizing Rose Day, February 6, 2008, as a peaceful, unique, powerful and effective way to demonstrate our convictions concerning the sanctity of human life, we therefore encourage and challenge all Oklahoma Baptists to pray for, promote and attend this significant event.

Resolution No. 8

On Voting Biblical Values

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, strongly encourage Southern Baptists of Oklahoma to apply prayerful thought and Biblical principles to our participation in the democratic process by registering to vote, becoming informed concerning moral and ethical issues, learning where candidates stand on the issues and voting according to Biblical values.

Russell Cook, director of missions, Pottawatomie-Lincoln Association, and messenger from Immanuel Church, Shawnee, moved the adoption of Resolution No. 9, and it was adopted.

Resolution No. 9

On Hate Crimes Legislation

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, affirm our love of all people regardless of lifestyle choices by sharing with them the Gospel of Jesus Christ. We condemn all acts of hatred and violence toward homosexual and transgender people. However, we strongly oppose any hate crimes legislation that potentially criminalizes speech and beliefs, which would threaten our First Amendment rights. We believe in scriptural authority, which clearly verifies homosexuality as a sin. Furthermore, we express our appreciation to Representatives John Sullivan, Dan Boren, Frank Lucas, Tom Cole and Mary Fallin for casting “Nay” votes on such hate crimes legislation.

Donny Custar, pastor and messenger from Emmanuel Church, Ardmore, moved the adoption of Resolution No. 10, and it was adopted.

Resolution No. 10

On Sale of High-Point Beer and Wine

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, are concerned about the destructive and negative economic and social impact that alcohol has on our culture. Understanding there are efforts under way to expand the sale of high-point beer and wine in grocery and convenience stores, which can only lead to further suffering by Oklahoma families, we strongly oppose any change in Oklahoma law that would allow for the sale of high-point beer and wine in grocery and convenience stores.

Chairman Wilson moved the adoption of Resolution No. 11, and it was adopted.

Resolution No. 11

On Ministry to All People

We, the messengers to the 2007 Baptist General Convention of Oklahoma, meeting at First Baptist Church of Moore, Oklahoma, November 12-13, 2007, are honored that Oklahoma Baptists worship in more than 40 languages every Sunday. We are committed to taking the message and love of Christ to people of all races and nationalities throughout Oklahoma and the world.

While we as Christians are under Biblical mandate to respect the divine institution of government and its laws, let it be known that House Bill 1804 related to illegal immigration will not change our ministry to any people. We will continue to work with all of our churches and missions to accomplish this task. While we do not intentionally harbor or employ illegal immigrants in our work, neither do we screen or profile individuals before we minister to them in the name of Jesus.

41. The Church Outreach Team report included a video presentation, “Who Will Tell Me of Jesus?” Team Leader Randall Adams highlighted missional opportunities for Oklahoma Baptists, which included ACROSS Oklahoma (churches distributed materials and invitations to worship to 42 percent of homes in the state); middle school and high school campus evangelism; strategic partnerships with associations; Baptist Collegiate Ministries (largest ministry of the BGCO); and

evangelism focused on people groups (oil patch chaplaincy, ethnic evangelism, Falls Creek skate park, partnership missions, church planting).

42. Keith Haygood led the congregation in singing "Once Again."
43. Vice President Zamarron announced that Alton Fannin had been elected to serve a second term as president of the BGCO.
44. The report of The Baptist Foundation of Oklahoma incorporated a video demonstrating the power of endowment that featured the example and ministries of Olivet Church in Oklahoma City. BFO President Robert Kellogg stated that assets under management exceeded \$279 million for the first time in the history of the organization; and that, year to date, \$10 million had been distributed to 300 charitable causes in Oklahoma, around the nation and throughout the world. Since January, the Foundation had assisted 245 families with their estate planning needs, memorializing \$11.9 million of future testamentary gifts for Kingdom causes—with the largest beneficiaries being local Baptist churches.
45. Sam Porter, Partnership & Volunteer Missions specialist, introduced guests from two partnership areas. Those from the Utah Idaho Southern Baptist Convention were Dan Robinson, interim executive director/treasurer; Gary McKean, partnership coordinator; and Mark Keith, evangelism, prayer and stewardship coordinator. Those from Guerrero, Mexico, were Louis Gomez, president of the Guerrero Baptist Convention; Alisa Duncan, missionary to Guerrero; and Craig Boyer, member of Waterloo Road Church in Edmond, OK, who served as a "connector" in construction and development for the seminary in Guerrero. Spokesmen for both groups gave brief testimonies and expressed gratitude to Oklahoma Baptists.
46. Anthony Jordan reported on a remarkable year at Falls Creek, the culmination of a dream following more than 10 years of work and faithful giving. He described the 129,000 square foot Ray Young Tabernacle with 4½ acres under the roof and told of the new skate park, fully funded by Hugh and Nelda Swift, and ropes course in the amphitheater. Jordan spoke of the groundbreaking for the World Missions Center and Prayer Park, a gift of Wynn Construction, the company that built the tabernacle. Acknowledging that "buildings are vital," he declared the primary purpose of Falls Creek was to reach young people and adults with the Gospel of Jesus Christ. In the 90th year of summer assemblies, the camp experienced record attendance and record decisions with 3,253 professions of faith and 1,181 surrendering to the call to missions and full-time Christian ministry. Jordan's account included a video clip of well-known Falls Creek preacher Johnny Bisagno and ended with Bill Green leading the convention congregation in singing "Saved, Saved, Saved!"
47. Children's Ministries Specialist Mark Jones told of Children's Missions Adventure Camp located at Camp Hudgens. The varied activities included mission villages representing Africa, Asia and Thailand. He reported there had been 106 decisions, with 22 accepting a call to missions. With regard to the decision to change the name of Camp Hudgens to CrossTimbers Baptist Camp, Jones stated the new designation places focus on the Cross and the 530 acres available for camp activities. The purpose statement for the camp is "Educating, equipping and engaging children in a missions lifestyle with God through a unique camping experience."
48. The ACROSS Oklahoma report included the preview of a television commercial with the tag line, "Discover life through Jesus Christ at a Southern Baptist church near you," scheduled to air in conjunction with the March 2008 ACROSS Oklahoma event. Quoting Acts 5:42, Evangelism Group Leader Alan Quigley announced plans for Pray ACROSS Oklahoma to be led by women's ministry teams the week before the house-to-house distribution of Gospel presentation materials. Women's Missions & Ministries Specialist Kelly King encouraged those present to pray for lost acquaintances by name, and she led in prayer for God to move in Oklahoma.

49. Church & Family Equipping Team Leader Scott Phillips stated the team's twofold challenge: (1) help leaders in their spiritual walk and (2) help leaders to help others become leaders. Phillips highlighted some of the ways in which the C&FE Team endeavored to accomplish its objective of helping church leaders and believers become what God wants them to be.
 - Leadership Development Specialist Brett Selby initiated Pastoral Learning Communities, small groups of pastors who commit to meet for spiritual development, encouragement, and professional development.
 - Student Ministry & Education Specialist Andy Harrison established a mentoring program for youth pastors to encourage spiritual growth and skill development.
 - The Robert Haskins School of Leadership partnered with Golden Gate Baptist Theological Seminary to establish Contextual Learning Centers for training ethnic leaders. More than 100 pastors and church staff were enrolled in the current semester in Guymon, Ponca City, Tulsa, Oklahoma City and Lawton. New centers in Poteau and Duncan were expected to open in 2008.
 - Downloadable resources focusing on spiritual development and leadership were made available at no cost on the BGCO Web site in an effort to assist bivocational leaders to develop spiritually and professionally at their convenience.
 - Vacation Bible School continued to grow in Oklahoma; a third training session was to be added in 2008, and over 3,000 VBS leaders were expected to participate.
50. Keith Haygood led worship in song, singing "Holy Ground."
51. In the Executive Director-Treasurer's convention address based on Jeremiah 33:3, Anthony Jordan proclaimed that the job of Oklahoma Baptists is to pray passionately. Although praising God for the amazing unity of Oklahoma Baptists, he lamented the fact that "Oklahoma, on our watch, is more lost than it has ever been." Jordan warned that "the church will not move forward without moving forward on our knees!"
52. Credentials Committee Chairman Michael Williams announced that the current count of registered messengers was 852.
53. Todd Fisher, pastor of Immanuel Church in Shawnee, led in prayer to close the session.
54. President Fannin reminded the congregation to gather for the prayer meeting scheduled during the afternoon meeting.

The convention adjourned until 1:45 p.m.

Tuesday Afternoon

55. David's Creed, ensemble from Oklahoma Baptist University, under direction of Lee Hinson, Director (Professor of Church Music), performed pre-session music. Selections included "Made for Worship," "Holy Is the Lord," "Enough," and "Amazing Grace (My Chains Are Gone)."
56. President Fannin called the meeting to order at 1:45 p.m.
57. Robert Griffin, pastor of First Church, Cole, read Scripture from Joshua 1:6-9.
58. Prayer & Spiritual Awakening Specialist Greg Frizzell instructed messengers to gather in small groups for prayer.
59. Keith Haygood led the congregation in singing "Holy Is the Lord."
60. David's Creed led worship in song, "The Lord's Prayer."
61. Baptist Village Retirement Communities President Bill Pierce stated BVRC is all about freedom and friends and enhancing lives. He introduced Harry and Beverly Lossing, residents of Bradford Park and chaplains at a McDonald's in Owasso. The Lossings spoke of the BVRC lifestyle and of the blessings resulting from their restaurant ministry. A video presentation, "50 Years of Life Without Limits," concluded the report.

62. President Fannin announced the floor was open for miscellaneous business.

Bruce Mason, messenger from Heritage Southern Church in Pryor, made the following motion: "It is my recommendation that in 2008 we go back and let Mother's Day Offering be Mother's Day Offering the way it should have been and always should be, and that it be only for the children's home."

Bill Pierce, messenger from Henderson Hills Church in Edmond, spoke against the motion.

William H. Cook, messenger from First Church, Wagoner, made the following motion: "I make a motion that this be referred to our executive board."

The motion to refer the main motion to the BGCO Board of Directors was seconded. There was no question or discussion, and the motion to refer carried.

63. Keith Haygood and David's Creed led the congregation in singing "All Hail the Power of Jesus' Name" and "Step by Step."
64. President Fannin announced time for the Communications Team report by Ray Sanders, team leader. However, in lieu of a team report and devoid of introduction or explanation, Sanders had arranged for a group to perform a choreographed routine similar to that of Stomp, a renowned musical theater troupe.
65. Emulating the widely broadcast recent press conference of a Big 12 football coach, Partnership & Volunteer Missions Specialist Sam Porter delivered a rousing mission testimony by means of video. Expounding on Acts 1:8, Porter decried the fact that fewer than 40 percent of Oklahoma Baptist churches do mission projects away from their local church. He emphasized the need for help in areas where BGCO collaborates in missions—Armenia; Bangladesh; Guerrero, Mexico; the Utah Idaho state convention; GO Students missions in the United Kingdom; and New Orleans.
66. Bob Mayfield, Sunday School/Adult Discipleship specialist, gave an account of PowerUP, a holistic strategy resource for developing evangelistic Sunday Schools. The seven-week study developed in 2006 was designed to cultivate valuable evangelistic habits through the crucial elements of prayer for lost people; community—a sense of belonging; the power of 10—increasing new classes; and the power of one—empowering the individual to be all he/she can be. Statistics indicated that prayer for lost individuals increased 4,000 percent in churches utilizing the PowerUP strategy; and in contrast to the average 4 percent decrease in baptisms across the SBC, baptisms in PowerUP churches grew by 5 percent.
67. The Stewardship/Cooperative Program report by Bob Shelton, specialist, began with "Hands and Feet," a Cooperative Program: Love in Action video. Shelton rejoiced in being an Oklahoma Baptist, knowing that through his church he was having worldwide impact for the Kingdom. Nevertheless, he warned of two alarming trends. (1) Giving to the Cooperative Program, the primary funding methodology through which Southern Baptists provide missions support, had experienced a 22-year decline, falling from a high of around 11 percent in the 1980s to 6.4 percent in 2006. If continued, the tendency would gradually erode support for missions around the world. Conversely, in Oklahoma, Shelton stated that CP giving rose from 8.96 percent to 9.7 percent. He urged Oklahoma Baptists to lead Southern Baptists back to giving 10 percent. (2) In the matter of Biblical stewardship, the average Christian gives only 2.4 percent through the local church. He urged Oklahoma Baptist leaders to teach and lead their people back to God's standard of the tithe as the beginning point for giving in order to reach a lost world for Christ. The report ended with the video, "10Again Challenge: Every Member. Every Church. 10% to Reach the World."
68. Anthony Jordan called Shelton back to the podium to present him as director of Cooperative Program and Associational Relations. Jordan explained that with the retirement of Bill Green, the position of associate executive director would not be continued. The new position placing greater

emphasis upon BGCO's special relationship with the directors of missions had been approved by the Personnel Workgroup of the Board of Directors.

69. David's Creed led congregational singing, "O Worship the King" and "Nothing but the Blood of Jesus."
70. David's Creed sang "You Reign" to lead worship in song.
71. President Fannin introduced Roger Ferguson, pastor of First Church, Owasso, to deliver the Annual Sermon. Basing his message on Isaiah 6:1-3 and concluding with Isaiah 7:14, Ferguson stressed the fact that the future belongs to Jesus Christ; He is in control.
72. Anthony Jordan presented plaques to outgoing officers in appreciation for their service to the BGCO.
73. Pat Wagstaff, messenger from First Church, Maysville, and recording secretary of the BGCO, made the following motion: "I make the motion that following the conclusion of tonight's concert of praise and prayer the board of directors of the Baptist General Convention of Oklahoma be authorized to transact unfinished or new business during the time the convention is not in session; and that the president and recording secretary be authorized to sign documents of the BGCO with required signatures."
There was a second, and the motion carried.
74. The president reminded those present of that evening's prayer session scheduled for 6:30 and encouraged everyone to attend.
75. Anthony Jordan recognized Marlin and Patsy Hawkins and expressed appreciation for Marlin's service as Historical Secretary.
76. Bob Ross, messenger from Southern Hills Church in Oklahoma City, voiced the closing prayer. The convention adjourned until 6:30 p.m.

The number of registered messengers was 874.

2007 REPORT OF THE BOARD OF DIRECTORS BAPTIST GENERAL CONVENTION OF OKLAHOMA

Each year in annual session, the State Convention authorizes the Board of Directors to transact convention business between sessions. The President and Recording Secretary are entrusted with the responsibility to sign legal documents of the convention when signatures are required.

This report consists of actions taken by the board subsequent to the 2006 annual meeting. Regular meetings of the board were held February 6, May 22 and September 25, 2007.

To effectively accomplish its tasks in 2007, the board was organized into five committees. The two workgroups comprising the Church & Family Equipping Committee were Education & Leadership and Worship & Family Ministries. The three workgroups comprising the Church Outreach Committee were Collegiate Ministries, Evangelism, and Missions. The Communications Committee was comprised of the Baptist Messenger, Public Relations, and Stewardship/Cooperative Program Workgroups. The Finance Committee included the Budget, Conference Centers, and Personnel Workgroups. The President and Vice Presidents in consultation with the Executive Director-Treasurer determined the committee assignments. The Executive Committee consisted of the President, Vice Presidents, Recording Secretary, Executive Director-Treasurer and Chairmen of the other board committees.

SPECIAL COMMITTEE ASSIGNMENTS

EDNA MCMILLAN STATE MISSIONS OFFERING ALLOCATIONS TASK FORCE—This task force, appointed annually by the Executive Director-Treasurer, includes representation from the Evangelism and Missions Workgroups of the Board of Directors, BGCO missions leaders and state convention officers. The 2007 task force included Dave Bryan, Otis Cayton, Bob Copeland, Jason Duree, Ethel Gray, Nancy Rowland, Michelle White and Sherry Wilkinson. Ex officio members were Randall Adams, Linda Clark, Alton Fannin, Ron Fannin, Anthony Jordan, Kelly King, Scott Phillips, Kerry Russell, Ray Sanders and Pat Wagstaff.

The meeting to consider and evaluate allocations requests for 2007 was held January 19. Allocations totaling \$1 million with a Hallelujah Goal of \$1.1 million were approved by the Board of Directors (Action No.2, May report of the Church Outreach Committee). The theme for the 2007 campaign was “Leave the 99...Find the One,” and the Scripture was Luke 15:4.

FALLS CREEK, FOR THE SAKE OF THE CALL BUILDING STEERING COMMITTEE—The Building Steering Committee met at the Baptist Building, February 13 and March 26, and at Falls Creek, June 19. Topics for consideration included the schedule for completion of the Tabernacle; chair selections for choir loft and chapel; proposals by Howard-Fairbairn Site Design for landscaping and irrigation; civil work to be completed; future projects, such as the Center for World Missions and the World Missions Prayer Park; and water damage to the chapel. Other subjects discussed were recommendation of a Falls Creek master plan; repairs to assure the integrity of the Oklahoma City, First Baptist Church cabin; replacement of Tabernacle handrails; modifications to original drawings for plaza location and landscaping; and fundraising/financial reports.

Building Steering Committee members include Frank McPherson, chairman; Reagan Bradford, Sr., Gene Downing, Margaret Goatcher, Vic Mathis, George Meese, Cheryl Moore, Scott Neighbors and James Robinson and BGCO staff Anthony Jordan, Ron Fannin, Bill Green, Kevin Darland, Gary Fielding James Lankford and Scott Phillips. Campaign consultant Steve Thomas worked with the committee.

The *Falls Creek, For the Sake of the Call* Capital Campaign has received gifts and pledge commitments of \$27,331,010, which includes \$1,888,205 in irrevocable planned estate gifts and gifts-in-kind. Bricks and pavers are available through the Etched-In-Stone campaign, and the matching funds offer has been extended until December 31, 2007, as the Save-A-Seat program continues.

CAMPS TASK FORCE—In September 2005 directors approved formation of a task force to assess the ministries of Camp Nunny Cha-ha and Camp Hudgens, with the findings and any recommendations resulting from such findings to be brought to the Board of Directors at a future meeting.

Committee members included James Swain, chairman; Clyde Kemp, Gina McKean, Terrell Romberg, Norman Wagoner and Pat Wagstaff. Bob Green (BGCO President, 2005–2006), Alton Fannin (BGCO President 2006–2007) and Church Outreach Team Leader Randy Adams served ex officio. The task force met February 5 with the Conference Centers Workgroup.

February 6, 2007, the report and recommendations of the task force were approved by the Board of Directors (Action No.6, February report of the Finance Committee).

THE EXECUTIVE COMMITTEE

The Bylaws call for an Executive Committee to act for the Board of Directors when the Board of Directors is not in session. In addition, the Executive Committee is authorized to act upon matters that, in the judgment of the Executive Director-Treasurer and the elected officers of the convention, require action before the next meeting of the Board of Directors. Such matters are then reported to the Board of Directors. The Executive Committee makes recommendations and reports to the Board of Directors on matters pertaining to specific assignments by the Board of Directors; encourages and supports the Executive Director in his work; and serves as an “interagency” committee. The 2006-2007 Executive Committee consisted of the convention President, Vice Presidents, Executive Director-Treasurer, Recording Secretary and the chairpersons of the other four board committees. The committee met February 5, May 21 and September 24. Teleconferences were held March 15, April 18 and July 2.

FEBRUARY REPORT—(See the February report of the Finance Committee for recommendations made jointly with the Executive Committee.)

1. **2007 BOARD COMMITTEE APPOINTMENTS APPROVED**—Directors affirmed the committee and workgroup assignments established by President Alton Fannin, First Vice President Tim Richardson and Second Vice President Mario Zamarron in consultation with Anthony Jordan.

JULY TELECONFERENCE REPORT—

1. **SUBORDINATION AGREEMENT REJECTED**—Background: In 2001, property at Edmond Road and Western was given to CrossTimbers Community Church, Inc., with stipulations that the church be in good standing with Capital Association and that a church be built on the property by December 2006, and with a reversionary clause vesting the property in the BGCO if those conditions were not met. In 2005 the church was incorporated as Chisholm Creek Baptist Church, Inc. In the process of seeking financing for construction, the church requested that BGCO sign a subordination agreement to alter the original deed restrictions. On April 27, 2006, the BGCO Executive Committee voted to honor the intent of the donor and declined to sign a subordination agreement. In June 2007, leaders from Chisholm Creek again requested that BGCO sign a subordination agreement. The Executive Committee again rejected the subordination agreement based upon the Convention's responsibility to honor the original intent of the donor.

MODIFICATIONS TO “FALLS CREEK SUMMER CABIN RENTAL GUIDELINES” AND “FALLS CREEK CODE OF CONDUCT” REPORTED—Amendments to the cabin rental guidelines and the code of conduct were authorized by the Conference Centers Workgroup and emphasized in the Finance Committee’s report to the Board of Directors.

Falls Creek Summer Cabin Rental Guidelines

The grounds of Falls Creek Baptist Conference Center are owned and operated by the Baptist General Convention of Oklahoma. The Convention desires to assist churches and associations that own or rent cabins located on these grounds by publicizing available cabins throughout the fall, winter and spring of each year. Most cabin owners have established efficient processes for summer cabin rental, but each has a different time for reserving their cabin. This leads to a common problem for many churches seeking to rent cabins at Falls Creek — it is difficult for them to set their summer calendar until they know when their youth or children will attend Falls Creek. Also, new churches wanting to attend Falls Creek cannot know if they will be able to attend camp until they secure a cabin. Since there is such an urgent need for consistent cabin reservation times for the summer assemblies, the Board of Directors of the BGCO has established the guidelines printed below.

- **By no later than September 1** cabin owners should have selected the week(s) their church will use their cabin the following summer and begin allowing other churches to reserve their cabin for open weeks.
- **By October 1 or before** cabin owners should send to the Falls Creek business office (by e-mail, phone call, fax or mail) a list of all the churches that have rented their cabin. The list should also indicate which weeks (if any) are open, so that soon after October 1 the Falls Creek business office can distribute to churches desiring to rent cabins an accurate list of open weeks.
- **When open weeks are rented later in the fall, winter and spring**, cabin owners should notify the Falls Creek business office (by e-mail, phone call, fax or mail) the confirmed renter(s) and date(s) so the availability list can be updated.
- **Priority should be given to Oklahoma Southern Baptist churches, but cabin owners may rent their cabin at any time to any Southern Baptist Church in the nation.** In addition, non-SBC churches may rent cabins during the summer youth weeks if their church doctrine is consistent with the Baptist Faith and Message 2000.

Falls Creek Code of Conduct

The rules of Falls Creek are intended to assist the many diverse churches and students at camp have a safe and enjoyable camp experience, while growing in their faith. Falls Creek is designed to help students and adults know and follow God, so the rules prioritize issues related to a student’s faith development in Jesus. Falls Creek youth weeks are planned for youth (those who have completed sixth grade through twelfth grade) and college students.

Students are required to attend both Experiences each day (10:00 A.M. and 7:45 P.M.). After 10:15 P.M. each night, all students should be inside their cabin and should not be outside their cabin without a sponsor until after 6:30 A.M. Groups are allowed to meet around the perimeter of their cabin during late night devotional times, but a sponsor should be with the group at all times and extra care should be taken so that other groups are not disturbed. Groups need to be inside their cabins by 11:45 P.M. No bands or instrumental groups are allowed to perform outside their cabin walls, except for groups that are an official part of the weekly programming for the whole camp. Headset listening devices and sound systems may be used only inside cabins. Excessive volume from a cabin is not permitted since it can disturb other cabins.

Sponsors from each church are responsible for enforcing rules and camp dress code for their students and adults and for handling discipline issues. At all Experiences, church groups must sit together. If the group is too large to find a single location for everyone, the group should divide into smaller groups with adult sponsors in each group. Students will not be permitted to leave the grounds unless accompanied by a sponsor.

It is strongly suggested that churches limit or prohibit their students' use and possession of cell phones, pagers and two-way radios. These items can quickly become a distraction to the goals of the week of camp.

Use or possession of illegal drugs, alcohol or tobacco of any type is not permitted on the grounds during any week of camp. The possession of offensive weapons of any sort is prohibited at Falls Creek. Falls Creek Baptist Conference center reserves the right to perform a random drug and weapon search at any time and to confiscate items that distract from the camp goals or that violate the rules of the camp.

Pets, fireworks, rock throwing, water fighting, laser pointers, shaving cream fights and bicycles are prohibited on the grounds. Skates, rollerblades and skateboards are permitted only in the Skate Park area and only at designated times.

The main gate is closed from midnight – 6:00 A.M. All guests are required to show proof of registration or ID to enter or re-enter the conference center grounds. Courtesy Patrol will be on duty 24-hours per day. Courtesy Patrol, when called upon, will assist the adult leadership of any cabin in dealing with discipline problems that may arise. Courtesy Patrol is authorized to enforce rules and policies of the conference center.

Unnecessary and careless traffic is prohibited on Falls Creek grounds. Only conference center golf/utility carts are permitted. Delivery trucks are not permitted during camp weeks except to supply conference center-owned concessions. Motorcycles may only drive from the gate to their cabin or meeting place. Recreation vehicles for living or sleeping purposes are permitted only in designated areas. Passengers in trucks must be seated in the cab.

CHURCH AND FAMILY EQUIPPING TEAM

D. Scott Phillips, Team Leader
Jodi Gonzales, Administrative Assistant

The Church & Family Equipping Team (C&FE) continued to focus strongly on equipping Oklahoma Baptists to become missional in their thinking and practice. The comprehensive team strategy employed in 2006 continued in 2007.

The missional emphasis was evidence in the Missional Ministry conference which continued to grow in 2007. Participation in the conference grew and attendees expressed a desire to make it even more accessible to their lay leaders. Plans are underway to relocate and reschedule the conference to meet this need.

Two ministry areas experienced significant change in 2007 with new staff joining the team. In February, Mark Jones came as the new Children's Ministry Specialist. Changes in other areas provided the opportunity for Camp Hudgens (Missions camp in McAlester, OK) to move under the responsibility of the Children's Ministry. This necessitated additional help while providing the chance to increase efforts in the Preschool and Children's area. Jones led the camp for four weeks in 2007 and began planning for eight weeks of camp in 2008.

Jones is an Oklahoma native who served in Elk City and Chickasha before moving to Nashville to work for LifeWay Christian Resources. Jones has been instrumental in developing and writing new Vacation Bible School materials in recent years that have received very popular acclaim.

Keith Burkhart arrived in August to begin work in Family Ministry after Kent Choate was called to the pastorate. Burkhart was an associate pastor at Del City, First Southern where he remains an active member. The same changes that resulted in Camp Hudgens responsibilities being shifted to C&FE also brought Men's Ministry to the team. The Family Ministry area name was changed to Family and Men's Ministry. This new emphasis is consistent with the perspective that the most successful way to reach families is through the father.

The year concluded with Keith Haygood accepting the call to be Associate Pastor of Worship at Edmond, First. Staff changes always present new challenges in ministry and it is difficult to lose such talented people. However, in every case God has been faithful to call new leaders who bring fresh capability and great skills to serve the Kingdom.

Vacation Bible School – Training for 600 Associational leaders in Vacation Bible School was provided in Muskogee and Moore in February. VBS continues to be a strong leader in evangelism with children and the local church.

RA Congress – This event, held in March successfully reached 872 boys and girls. Annual congress activities were offered in this two day event. Missionaries were present to visit with kids. Mission education training was provided throughout the year.

State Bible Drill – In May, the state Bible Drill hosted 96 children who successfully completed the requirements. Leaders received training and practical helps in workshops.

Training – Many training events were provided for Sunday School teachers using the *Power Up Your Sunday School* principles throughout the year. Additional training was provided for ministers at the annual retreat and update events. Consultants were trained for using *Power UP Your Life* Sunday School material.

Camp Hudgens – Summer camp allowed children to experience hands on mission education and a large list of activities. The camp programming included Bible study, worship and camp activities for five weeks. Although the campground suffered damage from the ice storms, many volunteers worked in the spring to prepare the campground for the summer. This was the last year for Camp Hudgens. Plans were made to change the camp name and join with Camp Nunny Cha Ha. The new camp is **CrossTimbers Children's Mission Adventure Camp**. A program workgroup began working in September to plan and create a new mission camp that boys and girls would enjoy for years to come.

Family and Men's Ministry

Keith Burkhart, Specialist
Katie Null, Ministry Assistant

A new ministry was formed in December to reach men and families across Oklahoma called Faith Riders. Faith Riders is an evangelistic local church motorcycle ministry passionate about sharing FAITH through Christian Fellowship. Faith Riders founder, Buddy Newsome, trained Keith Burkhart, Family and Men's Ministry Specialist, to become the Oklahoma state affiliate coordinator for this ministry. At the training, four churches were also trained to become official chapters. The churches trained were Lawton, Cameron; Ardmore, Trinity; Bethany, Council Road; and Edmond, First.

The major focus of the Family and Men's Ministry from August – December was placed on planning for the 2008 Rewired Men's Retreat scheduled for April 25 -26. Planning for the 2008 retreat was rewired and retooled to give men opportunity to have fun and to develop deeper relationships with their teenage sons and other men while learning spiritual truths that can be applied at work and at home.

Leadership Development continues to pursue its mission, which is to connect Southern Baptist leaders in Oklahoma to their churches, their colleagues, and their callings. The means to accomplish this task are conferences, consultations, and service.

Two unique types of conferencing emerged in 2007 to help leaders reach their full missional potential, a pilot Pastoral Learning Community (PLC) group and a Leadership Voyage podcast. A PLC is a peer learning based small group for pastors. Participants make a financial as well as personal investment into a two-year, four semester process that focuses on personal, one-on-one, team, and organizational leadership. The Leadership Voyage podcast is a quarterly MP3 file that is produced and distributed electronically. Each podcast deals with a different leadership topic, such as implementing change or being a missional leader. In a related event, an *Introduction to Podcasting* workshop was taught for 11 attendees.

The Transitional Ministry process helps pastorless churches prepare for the coming of a new pastor. Continuing a trend since 2003, transitional pastors continue to be in demand. To maintain their effectiveness and sharpen their skills, they are required to attend an annual update. Thirty-six were in attendance at this year's update in October.

The workshop *Lead Like Jesus* continued to be a strong leadership training option for BGCO leaders. Ninety-two leaders from both inside and outside the state were taught a transformational process that helps them identify how they will practice servant leadership in four key areas: the heart, head, hands, and habits.

Next Level Leadership workshops provide spiritual and professional leadership training for pastors and their staff. Teambuilding, conflict resolution, communication, meeting planning, and decision making are some of the areas that Next Level materials address. Seven workshops were taught this year, with the majority being on the subject of building an effective ministry team.

Twenty state pastors and BGCO specialists attended the *PowerUP Your World* writers' conference to be trained in writing a sermon for the 2008 *PowerUP Your World* resource kit.

The annual Oklahoma Bible Conference at Falls Creek Baptist Conference Center provides pastors and staff with a relaxed, informal environment for inspiration and recreation. Those attending are provided with resources for the following January Bible Study. Bible preaching and teaching offer spiritual renewal and encouragement while golf and fishing allow those present to recreate in a Christian environment.

Each year, this office works with elected officers to host the Pastors' Conference in conjunction with the annual convention. Held at Moore, First, there were 314 registrants and approximately 500 served at a luncheon.

Oklahoma Southern Baptist Secretaries (OSBS) is an auxiliary organization that offers training opportunities for ministry assistants in the spring and fall each year. There were 172 ministry assistants in attendance for this year's conferences.

In the spirit of “encouragement for the encourager” and in light of the strenuous demands of ministry, Galatians 6:6 retreats provide renewal and encouragement for ministry couples. Held in both Oklahoma City and Tulsa, there were a total of 24 ministry couples in attendance.

Offering computer training in Windows and Microsoft Office is a valuable service of the Leadership Development office. These half-day courses, both introduction and advanced, are offered free of charge to the staff and members of BGCO churches. Twenty-three classes were taught by Leadership Development this year.

Through the BGCO’s partnership with a local provider, churches can run background checks on all potential staff and volunteers at an affordable rate. In a dangerous age where immoral predators prey upon our children and students, this service affords a higher level of security for churches. Thirty-five reports were provided this year through our partnership with Trak-1.

Leadership Development continues to provide résumé services, currently hosting 1,007 churches and 1,176 candidates. Significant upgrades to the system will be in place in 2008.

For churches seeking to learn more about reaching their community, Leadership Development has provided demographic study services. Demographic studies help a church understand their ministry setting and can assist them in becoming truly missional. Eighty-three studies were performed during the reporting period.

Ministerial crisis is a reality for pastors and staff across the state, along with their families. For this reason, over \$6,000 worth of counseling were provided through partnerships with approved therapeutic providers. In addition, financial assistance was provided for 11 ministry leaders due to forced termination.

Preschool Ministries

Sheri Babb, Specialist

Marcia Clifton, Ministry Assistant

The position of Preschool and Children’s Ministry Specialist became two positions on February 1, 2007. Sheri Babb became the Preschool Ministry Specialist and Mark Jones became the Children’s Ministry Specialist. The two ministers worked together to complete the conferences and consultations scheduled prior to Jones’ arrival at the BGCO. The transition was well received by all churches.

One hundred ten leaders were equipped at January Update. At state VBS Clinic 393 were equipped, who in turn equipped 5,600 in the association VBS training. Four hundred ninety-three Church Weekday directors and teachers were equipped at Director’s Day and the annual Church Weekday Workshop. Over 150 attended the annual Special Needs Adult Fall Retreat.

Preschool and children’s age group sessions were a part of the fall Sunday School *PowerUP* conferences where hundreds of preschool and children’s leaders were equipped for teaching God’s word. Numerous consultations with churches on topics such as building and remodeling, classroom discipline, security and safety, screening and interviewing workers, setting up the preschool environment, how to teach, and the importance of the preschool years were conducted throughout the year.

Robert Haskins School of Leadership

Ramon Aleman, Specialist

Grecia Obregon, Ministry Assistant

The Robert Haskins School of Leadership has trained over 736 ethnic leaders in 35 centers. These numbers include 52 teenagers who attended the Youth Conference at Oklahoma City, Rancho Village on February 24, 175 students who attended the Hispanic Vacation Bible School Training on April 14, and 43 pastors who attended the Bible Conference at Falls Creek on April 30-May 2.

The school has also partnered with Golden Gate Baptist Theological Seminary to train 177 students this year. The directors for the Golden Gate centers are Marta Elisa Caceres, School of Theology, Oklahoma City-Metro; Jorge Verges, School of Theology Koinonia, Tulsa; Saulo Flores, School of Theology Alpha, Ponca City; Refugio Villa, School of Theology Panhandle, Guymon.

Senior Adult Ministry Greg McNeece, Consultant

In 2007, senior adult ministry was able to receive visibility in such a way that churches began to turn to the BGCO for help.

“Bridging the Creek” senior adult Conference, took place at Falls Creek in September. Over 800 were in attendance. A lot of the participants experienced being in the new Falls Creek tabernacle for the first time.

Churches were able to receive individual consultation in their ministry to and with senior adults. Associational training opportunities helped churches “fine tune” their ministry and events happened which brought senior adults together. We were able to lay a foundation in which to build for future years of ministry.

With this ministry group, we as a convention, are on the threshold of breaking new ground for ministry. As we look to the future, our churches will become even more inundated with aging adults. By focusing on this ministry now, we will be in a better position for ministry in the days ahead. The goal of this ministry is to help churches maximize their ministry to senior adults today and lay a foundation for expanded ministry in the days and years to come.

Student Ministry Education Andy Harrison, Specialist Katie Null, Ministry Assistant

Three OKYMA (Oklahoma Youth Ministers Association) meetings were hosted at the Baptist Building in 2007. Over 200 youth pastors who attended were trained in several key youth ministry strategies and areas of professional development. Each of these training sessions was free to participants, with a \$5 charge for lunch.

All sessions of the first two volumes of Sumpherō Youth Discipleship curriculum were completed and made available for download on our SKOPOS Web site. Each volume contains 32 sessions of highly experiential youth discipleship. This is a FREE resource for youth leaders.

Fifteen youth ministry consultants were trained in March, at Team Oklahoma. These state leaders received in-depth training in how to conduct a conference for *PowerUP Your Life*, the BGCO’s Sunday School emphasis for 2007.

The 2007 Oklahoma Youth Ministry Forum was held at Oklahoma City, Quail Springs, November 15-17. Over 342 youth pastors, spouses, and youth workers participated. This year’s participation represents a 33 percent increase in total registrants. Barry St Clair was the featured presenter. Worship was led by Cody Dunbar.

The Oklahoma Youth Ministry Mentorship Program concluded its third year in December. Thirteen youth ministers participated in the program. The OYMMP pairs experienced youth ministers (mentors) whose lives and ministries demonstrate evidence of the Holy Spirit’s leading with less experienced youth ministers (apprentices) who are seeking to hone their professional skills and sharpen their spiritual sensitivity. OYMMP for 2008 is underway and is being retooled and reformatted for even greater long-term impact.

Sunday School and Adult Discipleship Report Bob Mayfield, Specialist Canaan Sanders, Ministry Assistant

The churches of the BGCO reported a slight decrease in Sunday School enrollment. This decrease is following a national trend that is also reflected in lower baptisms. In support of our churches and associations, the Sunday School and Discipleship office conducted 16 associational Sunday School clinics.

A new Sunday School resource entitled *PowerUP Your Life* was released in 2007. In addition, the original *PowerUP* resource was translated into Spanish and released. Eighty Spanish congregations have registered and received this resource. Additionally, four associations participated in our newly formed Sunday School Coaching Labs in which pastors and Sunday School Directors were equipped to grow evangelistic Sunday Schools.

The second annual Missional Ministry Conference was held in February. Ed Stetzer and Jeff Iorg were keynote speakers at the conference, which aims at training churches to look at their communities in the same way a missionary looks at his mission field.

The Sunday School and Discipleship ministry has some outstanding consultants. These consultants offer their time and expertise to the churches and associations of Oklahoma. In 2007, consultant training was held for Spanish and English speaking consultants.

The Sunday School and Discipleship office is ready to resource and equip the churches of Oklahoma.

Worship and Music Ministries
B. Keith Haygood, Specialist
Jana VanderTook, Ministry Assistant

*“Give to the Lord the glory due His Name; Bring an offering, and come before Him.
 Oh, worship the Lord in the beauty of holiness.”*
 1 Chronicles 16:29 NKJV

It is the goal of the Worship and Music Ministry of the Baptist General Convention of Oklahoma to assist churches in their ministry to God through worship; assist churches in nurturing believers in private and corporate worship experiences; and assist churches in reaching the lost. We desire to assist and encourage churches to lift up the Savior with excellence.

Choral and Instrumental Ministries

The Oklahoma Baptist Symphony – The Oklahoma Baptist Symphony presented concerts in six locations. In addition, the orchestra provided music during the dedication service for the new Falls Creek Baptist Conference Center Tabernacle Dedication Service. This group of over 60 musicians is selected by audition. BGCO Worship & Music Specialist, B. Keith Haygood, conducts this group. The purpose of this group is to inspire and equip instrumentalists to use their talents for the glory of God and to strengthen instrumental music in the local church.

The Oklahoma Baptist All-State Choir and Orchestra – The All-State Choir and Orchestra gathered on March 3 to sing the National Anthem before the Oklahoma City Blazers hockey game. All-State alumni were invited to sing in the choir for the new Falls Creek Baptist Conference Center Tabernacle Dedication Service. Over 100 All-State alumni were present for this occasion.

State Training Events and Festivals

Church Music Oklahoma - With the theme of “Worship & Arts Expo,” Church Music Oklahoma provided training for all levels of music leadership in the local church. Conferences are designed to assist and equip leaders in virtually any size church, large or small. The conference was held at Moore, First on August 3-4.

Keyboard Festivals - In an effort to foster strong keyboard skills among young people and adults, area Keyboard Festivals were held in 16 locations across the state. The 2007 area festivals drew 888 students and the state festival featured 36 students who qualified during the area festivals. The objective of the Keyboard Festivals are to promote the learning and playing of keyboard instruments for the purpose of supporting and leading heartfelt worship, to provide an opportunity for strengthening of skills through competition and recognition, to provide keyboard teachers across the state of Oklahoma with incentive to teach excellence in keyboard playing, and to under-gird the overall worship ministry of the local church by developing experienced musicians. Students are judged in areas of Repertoire, Hymn Expansion, and Hymn Arrangement.

Singin’ and Praisin’ Meetin’ for Senior Adults - The Singin’ and Praisin’ Meetin’ for Senior Adults was held at Oklahoma City, Southern Hills on March 8. Special guest was Matt Schinske. Over 730 seniors from 28 churches attended.

Online helps and Downloadable Resources

In an effort to better assist the bi-vocational minister of music and smaller in attendance church, we have released new resources available as free downloads from www.bgco.org. Among these free resources are praise choruses, hymn arrangements, music for children’s choirs, youth choirs and adult choirs, hundreds of orders of worship, devotionals for worship leaders, family worship guides and much more. By making these resources available online, bi-vocational ministers of music can access them on their schedule according to their needs. The number of ministers accessing the information has increased over the year. Additionally, ministers of music across the U.S. and in churches overseas are now taking advantage of these great resources. Original, seasonal musicals are the newest feature posted on the Web. *The Word Made Flesh* was featured for the 2007 Easter season and Christmas 2007 features the musical *Suddenly, A Song*. Each musical includes printable music, demo recordings and full accompaniment tracks.

With a subscription base of nearly 1,000, e.worship.ok is a monthly e-zine (on-line magazine) produced by the Worship and Music Ministries office. The publication provides information and updates regarding worship ministry

in Oklahoma and across the SBC. Included are articles, calendar events, announcements and links to helpful worship resource websites.

In addition, the Worship & Music Ministries provided worship resources for the *PowerUp* Sunday School emphasis.

CHURCH OUTREACH TEAM

Randall Adams, Team Leader
Linda Rickey, Administrative Assistant

Baptist Collegiate Ministries in Oklahoma includes work on 37 college and university campuses and represents the “last best opportunity” to reach young adults before they launch into careers and family life. Research and experience teaches us that large decisions about career and family are made between the ages of 18-24. Currently, the total student participation exceeds 4,000 students. Thus, the role of BCM is to lead the lost to Christ and challenge students to be fully devoted followers of Jesus. A regular feature of BCM is missions. The word that best describes our intent is missional: a missional believer understands that he or she has been sent by Jesus into a world that desperately needs Jesus. A missional Christian thinks and operates as a missionary, seeking to understand the lost sheep so that they can more effectively lead them to a saving relationship with Jesus Christ. The goal of BCM is therefore to be used of the Spirit to create missional believers. Over Christmas break student groups traveled as far as China to share Christ! One can only imagine what such experiences will do in the hearts of Oklahoma college students who seek lives brimming with purpose. With more than 200,000 students on college and university campuses in Oklahoma, it is not difficult to understand the opportunity that Oklahoma Baptists have to impact our state and world through Baptist Collegiate Ministry. In 2007, 326 professions of faith in Christ were recorded in and through Baptist Collegiate Ministry.

In addition, 1,051 students participated in various missions ventures. These mission projects occurred across the spectrum of Acts 1:8. For example, BCM students ministered at the Grand Lake Assembly, Baptist Homes for Children, Feed the Children, Falls Creek, Camp Hudgens and Camp Nunny Cha-ha. Mission teams traveled to Vermont, New Hampshire Massachusetts, Chicago, New Orleans, Utah, Kansas, California, Alabama and Missouri; and in the nations of Armenia, Mali, China, Niger, Mexico, Indonesia, Kenya, Brazil, Zimbabwe, India, Cuba, Uganda, Ecuador, Peru, Russia, Canada, Malaysia, Tunisia, Bosnia, Germany, Nicaragua, Romania, Brazil, Mongolia, Wales and Tanzania, among others.

The investment of Oklahoma Baptists in collegiate ministry is considerable, but the impact is incalculable.

This year’s State Evangelism Conference put a powerful focus on training and inspiring bivocational pastors in how to lead a church that is evangelistic. More than 100 pastors participated. The Evangelism Conference also served to focus our DOMs, pastors and churches on *ACROSS* Oklahoma! on March 31. On that day Oklahoma Baptists planned to share Christ with people in 100,000 homes in our state. But God wanted more. In the end 650,000 homes received a gospel presentation and an invitation to attend a Baptist church on Easter Sunday. More than 600 churches participated in Across Oklahoma!

The work of evangelism is not assigned to the evangelism group of the BGCO. Evangelism is at the heart of all we do. But the evangelism group does give primary leadership to our overall evangelism strategy and helps keep us focused on the mission of Jesus, which was to seek and save the lost. Believing that Jesus’ mission was given to the Church, the evangelism group assists the efforts of all cooperating Oklahoma Baptist churches to seek and save lost sheep, which is the first step toward becoming Missional. The past few months have seen tremendous advance in assisting Oklahoma Baptists to sow Oklahoma with the Gospel, which you will read in this report. We are praying and working toward the day when Oklahoma Baptists will see an end to the decline in professions of faith in Christ and subsequent baptisms. As we become missional in our way of doing church, we will direct more of our resources and energies to reaching a lost world.

Missional believers understand that Jesus gave the church the responsibility to take the Gospel to all persons (Mark 16:15). Our God desires that all persons come to repentance and faith. Thus, missions is at the heart of all we do. For the BGCO, missions includes each facet of Acts 1:8, from Jerusalem to Judea and Samaria and extending to the ends of the earth. The following reports reflect the missional intent of the BGCO, which is to assist our churches to plant churches in Oklahoma and beyond, and to send our people across the street and around the world with the Gospel.

The Evangelism Workgroup and the entire Church Outreach Team exist to help Oklahoma Baptists stay focused on the “lost sheep.” If 99 percent of Oklahoma was saved and safe, we would exist for the 1 percent. We believe our churches exist largely to reach the lost sheep, and if we do not turn our faces and our dollars and our time toward reaching the lost, we will continue to lose our state (and possibly our children and grandchildren) to darkness. The following evangelism reports reflect considerable statewide effort at sowing the Gospel and praying for harvesters and the harvest. The sad truth, however, is that we are still declining in the numbers of people following Christ in faith and identifying with Him in believer’s baptism. One way this is being addressed by the BGCO is through a change in the focus of two of our personnel. First, Cris Lowery transitioned from Campus Evangelism to

Emerging Generations Evangelism, which generally refers to young adults after college and up to age 35. That said, the term *emerging generations* might more accurately reflect a certain worldview that is largely found in young adults, but not exclusive to young adults. Our research has indicated that our decline in baptisms is greatest among this group (a 65 percent decline from 1980 through 2006). We want to find ways to help our churches address this cataclysmic decline. Cris is moving into the position formerly occupied by Chris Forbes. Cris Lowery's former position in campus evangelism will be filled, and a search is currently being conducted. There will be some adjustments to the job description.

A second position change concerns the creation of an Oil Patch Chaplaincy Coordinator. Capital Baptist Association determined not to fill a vacancy that had been occupied by a NAMB missionary, so we have taken that position and changed it to focus on the 60,000 oil and gas industry workers in Oklahoma. Funding for this position comes from NAMB and a small amount from the BGCO, with the bulk of the funding coming through interested individuals and oil companies. Tom Beddow leads this ministry, working out of the chaplaincy office directed by Paul Bettis. Tom has extensive experience in oil field work and also served on the staff of McAlester, First, for about eight years.

The Missions Group of the Church Outreach Team focuses our convention on each facet of Acts 1:8. Whenever a Christian people fails to plant churches and reach the lost near and far (which is largely done through planting churches), that people declines in number and impact.

The missions ministries of the BGCO assist our churches to plant churches, send missionaries and support missions in every way. We evaluate ourselves by asking, "Are we helping people come to Jesus and follow Him in believer's baptism, coming fully devoted followers of Jesus? And, we are assisting our churches to start churches in Oklahoma and around the world that will reach the lost?"

The following reports reflect the positive impact that strategic partnerships between the BGCO and associations have on evangelism and church planting. Strategic Focus Associational Partnerships and Kingdom Builder Vision Bus Tours are designed to result in the planting of new churches.

You will also note in this report that Sam Porter's role has changed. Sam is now the Partnership & Volunteer Missions Specialist. His new title reflects the addition of partnership missions to his responsibilities and the transition of men's ministries to the Church & Family Equipping Team.

Perhaps no work is stronger among Oklahoma Baptists than missions, and this reflects the Acts 1:8 heartbeat of many of our churches. Our belief that salvation is found in no other name than that of Jesus provides the motivation to take the Gospel of our Savior across the street and around the world. In the following reports you will note that Oklahoma Baptists understand the need to continue starting churches, provide missions education and do hands-on missions from disaster relief to sending evangelism teams to Utah and Asia and many other points on the globe.

One of the brightest spots in all our work concerns our associational partnerships. This partnership report reflects what we had learned in days past—God's people accomplish more when we work together. The overall increase in baptisms in the eight associations where we have partnerships (which focus primarily on evangelism, Sunday School and church planting) is 8.7 percent, or 228 additional souls over 2006. In addition, 21 of our 50 new church starts were in these eight associations. Cooperating for the sake of Christ and His Kingdom really does work.

Associational & Smaller Attendance Church Outreach

Jim Brunk, Specialist

Cindi Robinson, Ministry Assistant

Associational Outreach Leadership (AOL) Partnerships 2007: We have partnership agreements with nine associations and fellowships: Association of Baptist Hispanics in Oklahoma (ABHO), Bryan, Cheyenne-Arapaho, Comanche-Cotton, East Central, Panhandle, South Canadian, Union and a recently signed covenant with Muscogee-Seminole-Wichita. Annual reviews were conducted with eight associations. Five of the eight—Union, Panhandle, East Central, Bryan and the ABHO—showed an increase in baptisms, with a 10 percent increase or 263 increase over last year. For example, the Hispanic fellowships are reporting 267 baptisms; last year's total was 133. In addition to the sizeable increase for ABHO, East Central baptized 60 more people and Union had an increase of 98 souls. The Sunday School average attendance in our partnering associations increased 4.4 percent, but the greatest strength in the AOL partnerships was in church planting. The partnering associations and fellowships had a part in 21 of our state's 50 new church starts in 2007.

2007 Acts 1:8 Smaller in Attendance Churches (SAC) Church Growth Workshops: We were able to do 13 workshops in 13 associations in 2007. There were 134 churches attending with 457 lay persons and pastors attending. The churches that attended had an increase in baptisms over the previous year of 18 percent.

Chaplaincy & Community Ministries

Paul E. Bettis, Specialist

Eddie Coast, Criminal Justice Coordinator

Cindi Robinson, Ministry Assistant

The Chaplain Intern Program started in November 2006 with the purpose to help prepare chaplains to be hired by the Department of Corrections. Jimmy Don Gibson was the first intern in the program and we are happy to report that he started to work for the Department of Corrections in January. At the beginning of 2006 only two Southern Baptist chaplains were working for the state, now there are five. Eddie Coast and Bettis are helping two more to be directly hired by the state. We are praying for God to send us our next intern.

In December Bettis met with the National Sheriff's Association in Washington, D.C., and was asked to help write the training material for Homeland Security chaplains. He was also asked to help with the training for Homeland Security chaplains throughout the United States.

Community Ministries through Hunger Funds helped:

- 52,446 Families
- 262,578 Individuals
- 639 Professions of Faith
- 527 Rededications
- 86 Baptisms
- \$142,700 Funds Distributed in 2007

Ten BGCO chaplains traveled to New Orleans for the Mardi Gras. In four days, the chaplains made 2,505 contacts and led 29 persons to accept Jesus Christ as Savior and Lord. They also led 17 people in prayers of rededication and spent extended time in what they called "deep prayer" with 13 people, lifting up concerns over marriage and addiction to drugs and alcohol.

The ice storm hit eastern Oklahoma and chaplains responded to the disaster. Three command centers were set up: one in McAlester, which later moved to Camp Hudgens with 12 chaplains working the disaster; eight chaplains helped in the area of the Muskogee command center; and two chaplains worked with the command center in Grove.

Bettis met with owners of oil companies in Woodward and presented a plan to have volunteer chaplains in the oil patch. They are excited about the idea and have said they would like to support a paid chaplain. This person's task would be to build a base of volunteers in Oklahoma. These chaplains would be able to respond to injury or death and also be available for ministry to families in the Oil Patch.

The Department of Corrections has 24,959 people locked up with 27,634 on probation and 3,709 on parole, for a total of 56,302 under its supervision. Doyal Reed is going through our intern chaplain program at this time. He is training at Joseph Harp Correctional Center and is applying for the chaplain's job at Lawton Correctional Facility. A new church for former inmates and their families has been started at Oklahoma City, Crown Heights. The church, called Transitional Church, meets on Thursday night in the chapel.

During the summer 13 people in Oklahoma City were trained to be disaster relief chaplains. This brings the total number of endorsed chaplains to 99 and a total number of unendorsed chaplains to 49. Bettis also trained nine in Idaho Falls, Idaho, to be disaster relief chaplains. Chaplains worked the floods in July in different parts of Oklahoma.

Chaplains worked the motorcycle rally in Sparks, Oklahoma in June. In August, eight chaplains went to Sturgis, South Dakota, for the motorcycle rally there. The requested assignment was to minister to the 1,750 vendors in Sturgis. The team attempted to speak to 80 percent of those vendors. The team made 726 life-changing contacts. These were not the simple stick-your-head-in and ask "How you doing today," but were more in-depth visits. We were privileged to pass out 174 Bibles and had 162 specific prayer requests from those vendors. There was one salvation. The true sense of friendship, trust and confidence that developed throughout the week can only be described as a work of God through the dedication of this godly group of seven men and one woman. Toward the latter part of the week, vendors asked about church services. Several expressed that they worked all day with very few breaks and missed the opportunity to worship. Most vendors closed by 11 P.M., and they asked if it would be possible to set up a worship and/or praise and worship service next year when we returned. (Notice it became an automatic assumption the team would be returning.) They did not request just a single night either; they asked that we have services at least two, three or four times during the rally. The preferred time for the service was midnight. The team members were excited and in favor of the idea.

Since leadership is one of the major components of a successful church start, five “Basic Training for Church Planting Workshops” were conducted throughout the year along with the annual Church Planting Conference; six Discover Church Planting in Oklahoma; seven Connexion Trainings; two Basic Train II and many other local network meetings of new church planters all with the purpose of strengthening the new local churches through it leadership.

More than 120 church planter missionaries together with partners and sponsors of new church starts met at the Reed Conference Center, Midwest City, for the two-day seminar and workshop. Key speakers were Richard Harris, Vice President of Church Planting Group at NAMB, Tim Green, Director of Missions, South Canadian Association and Randy Adams, BGCO Church Outreach Team leader.

Thirty church planting leaders were part of a special “Impact -the Next Phase of Church Planting” seminar. The seminar focused on multi-site and venues within the new church. Dr. Tom Cheyney from NAMB was the guest speaker.

Each year the Church Planting Group gives out several awards to the New Church Starts.

Collegiate Ministries

The **Training in Ministry (TIM)** conference took place at the Baptist Building in February with at least 125 students exploring a call to ministry. Hance Dilbeck, pastor of Oklahoma City, Quail Springs, was the large group leader.

Mission teams were selected to serve in Armenia, Vermont, Tahoe City, Nunny Cha-ha, Hudgens and Falls Creek, as well as Children's Homes in Madill, Owasso and Oklahoma City. Two groups of students served with Project Impact in Chicago and California. Five students answered a last minute emergency call for positions in New England besides the two teams already scheduled to serve in Vermont.

The **Cooperative Agreement** between the BGCO and each local association that hosts a Baptist Collegiate Ministry has been received from several more associations, bringing the total of signed agreements to 14. Josh McClellan will be the new BCM Director at USAO (Level 2) in Chickasha. Colt Kreeger has assumed leadership at Seminole State College in Seminole.

"What's Your Final Answer" the **MajorThing.com game show** was on campuses in Alva, Weatherford and Durant this spring with 250 students participating.

Flight School, our one-day training for younger directors, took place in March at the Baptist Building.

"Refresh," an **all-day prayer event** for BCM staff, was held in February at the Sullivant Retreat Center in Norman and in April at Camp Tulakogee outside Wagoner.

Jon Randles has become the speaker for Paradigm, a large group on campus worship event, at the University of Oklahoma in Norman. Paradigm takes place in the OU Union from 8 to 9:30 P.M. every Thursday evening. Paradigm began the spring semester of 2007 and so far this semester, fall '07, about 380 students are attending. This is 155 more than the spring semester.

On July 20, directors and the Collegiate Ministries state staff took a mission/vision trip to Los Angeles. This was a fabulous time of challenge and growth, working alongside one another to repair a church in Burbank, preparing it for a restart; participating in creative worship events; and being exposed to new ideas for collegiate ministry.

As the fall semester began, seven students at Eastern Oklahoma State College in Wilburton came to faith during the first week of classes. We are praying for this to happen on each and every campus throughout Oklahoma.

Regarding summer missions, Oklahoma college students literally traveled all over the world to spread the Gospel. More than 450 served in either short-term trips or full summer opportunities. They served stateside in such places as Tahoe City and Los Angeles, California, Utah, Vermont, New Hampshire, Alabama, Missouri, North Carolina, Alaska, Colorado, Connecticut, Rhode Island, New York, Massachusetts, Mississippi, Texas, Chicago, IL, and Idaho. They served overseas in Mali (West Africa), Armenia, Central Asia, China, Canada, Niger, Malaysia, Tunisia, Bosnia, Germany, East Asia, Central Asia, Southwest Asia, Uganda, Cuba, Ecuador, Peru, India, Mexico, Indonesia, Middle East, North Africa, Russia, Guatemala, Zimbabwe, Philippines, Nicaragua, Romania, Kenya, Brazil, Mongolia, Wales, Tanzania, and British Columbia. And let's not forget our beloved Falls Creek, Camp Hudgens, Camp Nunny Cha-ha and Oklahoma Baptist Homes for Children.

"Momentum," a statewide collegiate event, took place September 14 at Edmond, Henderson Hills. Over 700 students from across Oklahoma attended this annual one-night, four-hour experience. Students were encouraged to fall in love with Jesus and to show this by the manner in which they live their lives this school year. They were also challenged with many and varied mission opportunities.

Construction on a major addition and exciting face-lift to the Oklahoma City University BCM began in September and is currently under way. Functioning as the Oklahoma City metro base for all four BCMs, it will provide an expanded meeting area, superior updated kitchen, remodeled and additional offices as well as a larger parking lot.

Three BCMs participated in *Major Thing*, a collegiate evangelism outreach strategy, along with the game show, "What's Your Final Answer?" last semester. The BCM at Oklahoma Panhandle State University used this as their opening event in August; and the Eastern Oklahoma State College BCM partnered with the school as a part of homecoming in October. Rogers State University BCM presented it in the student union in December. Several hundred students and faculty were involved in these three events.

“Flight School” for the newer BCM directors was reorganized to provide for more personal, in-depth, interactive training in a small group setting. Three Tuesdays each month have been dedicated to helping these directors sharpen their ministry skills.

Randy Townshend, current director at Western Oklahoma College in Altus, also became the associate director at Cameron University in January. He works two days a week at Cameron while continuing to direct the ministry at Western three days a week.

Evangelism Group

Alan Quigley, Personal Evangelism Specialist & Evangelism Group Leader

Debbie Loper, Ministry Assistant

The theme for the 2007 State Evangelism Conference was “Compelled.” Paul was compelled to take the Gospel to people groups in which he did not belong and to endure hardship in the process. He said it was the “love of Christ” that compelled him to keep faithful to his calling. Our prayer for the 2007 SEC was that we would be reminded of Christ’s great sacrificial love and that it would compel us to be more aggressive with the Gospel throughout 2007.

The overage from last year’s Cooperative Program allowed us to pay mileage and meals for all Bivocational pastors who attended the SEC. Also, we paid for lodging for those traveling over 100 miles to the conference. Speakers included Johnny Hunt, Bobby Welch, Rick Ousley, Jon Randles, and others. The “Faithful Sower” awards were given to Ken Brassfield, layman from Moore, First; Ed Baker, DOM of East Central Association; Paul Dickson, pastor of Forgan, First; and John Dickey, pastor of Stillwater, Hillcrest. The “Beautiful Feet” lifetime achievement in evangelism award was presented to Bailey Smith, evangelist and former pastor of Del City, First Southern.

In March and April, Oklahoma Baptists launched our largest ever evangelism media campaign. Television commercials began airing in early March. On March 31, churches and associations from all “ACROSS Oklahoma!” sowed down the state with the door-to-door Gospel distribution.

ACROSS Oklahoma exceeded all reasonable expectations. The goal of ACROSS Oklahoma was to provide the ground support to the Oklahoma Life commercials. Those commercials were developed from the research that Chris Forbes headed up concerning “lostness” in Oklahoma. The goal for ACROSS Oklahoma was to encourage churches to take a Gospel presentation and invitation to their church to 100,000 homes in Oklahoma. There were commitments for over 700,000 homes but could provide only 650,000 printed presentations. Many churches that didn’t get materials accepted the challenge and printed their own materials for the campaign. Alan Quigley conducted trainings in most of our associations and utilized our DOMs as material distributors. They were gracious in their efforts to assist their churches in the campaign. We have heard some great reports on this effort. A survey is being utilized to obtain better statistics on the campaign.

CROSS continues to grow in popularity. Currently, the Missouri, Louisiana, Florida and Utah/Idaho conventions have signed contracts for using CROSS materials in their states.

The most exciting thing that has happened this summer is the addition of Jesús Pacheco as our Ethnic Evangelism Strategist. Only four other state conventions have this position. With the growing ethnic diversity in Oklahoma, Jesús will try to keep us on the cutting edge by assisting our ethnic churches in the area of evangelism.

Each month Alan Quigley was busy doing one-day soul winning commitment trainings in Oklahoma churches and associations, with Enid, First, being one of the most recent venues. The schedule started with morning worship, training in the afternoon, a meal, and then the commitment service in the evening worship. It would be great to see more churches participating in these types of events where inspiration and equipping go together. Evangelism staff can train in CROSS, Share Jesus Without Fear, One Verse and Romans Road, along with other tools that fit the needs of the local church.

Campus Evangelism

Cris Lowery, Specialist

Holly Isch, Ministry Assistant

See You at the Pole: In September our ministry partnered with 25 associations to sponsor evangelistic see you at the pole events. Over 8300 students attended these rallies with 80 students praying to receive Christ. Another 255 students made recommitment decisions as well.

Our partnership with the Poteau extreme sports rally resulted in over 1600 people attending and 165 professions of faith.

Code2life.com continues to be an effective tool for reaching lost students. There are currently 5297 testimonies online. Decisions continue to be made online and the number of students putting their story online continues to increase.

Campus Clubs: Over 150 FISH Club training packets have been requested and mailed to churches and individuals in our state. In addition to Fish clubs, we're working on other strategies students can use on campus to spread the gospel.

One of the great challenges for presenting the gospel on campus is finding someone who can clearly communicate the gospel in a way that's relevant to unchurched students. We've begun work on a video project that would include different genre's including skating, hip-hop, rodeo and the pageant world that could be used on campus to clearly present a gospel presentation in a relevant way. The first DVD will be finished in early 08 and will be available to download from the youth ministry site.

Student Research Project: This year we took on the challenge of researching unchurched students in Oklahoma. The early criteria, students who had never been to church, proved too difficult to find in Oklahoma. Virtually all Oklahoma students have gone to someone's church at some time in their lives. A large percentage of students who could not answer three of the five basic bible questions asked them, admit that they attend church up to twice a month. By far the majority said they were Christians and had been saved but had no idea what God required for someone to enter heaven. The research helps us to understand that many of the lost students in every community have some contact with a church. This research will be instrumental in designing gospel presentations that are relevant and effective.

Ethnic Evangelism

Jesús Pacheco, Strategist

Roberta Cothrum, Ministry Assistant

Jesús Pacheco joined the Church Outreach Team as the Ethnic Evangelism Strategist. Upon his profession of faith in Christ in Venezuela in 1982, he became involved in church work and realized that the Lord was calling him and his wife into ministry. In 1991, upon moving to Louisville, Kentucky, he began preparations for his call and since 1992 he has been involved in missionary work in partnership with North American Mission Board, the Kentucky Baptist Convention, and local churches and associations.

The North American Mission Board named Jesús the outstanding Church Planter Missionary for 2007. He brings to the BGCO a desire to serve the Outreach Team in the newly created extension of the Evangelism Group, that of Ethnic Evangelism as of August 1, 2007.

Jesús views this new beginning as a big challenge and sees his purpose as a great opportunity to reach out to a growing ethnic population and "Working together for His Kingdom" among the family of Oklahoma Baptists. He extends greetings to all and is here to offer his support to any needs and concerns of those across Oklahoma.

Following the conception of the Ethnic Evangelism Ministry in August 2007, Strategist Jesús Pacheco has conducted various evangelistic training seminars among ethnic leaders across Oklahoma. Ethnic materials have been distributed and more are being acquired in the Hispanic language for educational and training purposes. Various evangelistic outreach tools are being explored such as sports clinics, festivals, revivals, etc., to unite ethnic people and introduce them to Christ.

For the past 10 years, Roberta Cothrum has served as ministry assistant in the Children's & Youth Ministries and the Women's Missions & Ministries offices. She moves to the Evangelism Group as the Ethnic Evangelism ministry assistant.

Materials for *ACROSS* Oklahoma have been written in Spanish and will become a main focus in 2008 for the entire state.

Marketing Evangelism

Chris Forbes, Specialist

The last few months have been filled with excitement and awe as we saw God pouring out His Spirit and His people mobilized to share the good news of the Gospel across the state. The Oklahoma Life/*ACROSS* Oklahoma campaign was the largest sowing of the Gospel in BGCO history, thanks to the work and commitment of BGCO

pastors, directors of missions and countless church members. Every team in the BGCO played a key role in the success of this campaign as well!

In March and April, television spots were aired in every market in Oklahoma to support the “ground forces” that went out sowing the Gospel in the state. The advertisements, free door-to-door cards, and graphics for churches to customize into their own promotional materials were all based on the Oklahoma Life research. Thanks to the openness of Oklahoma Baptists to experiment with media evangelism, our state is now cultivating seeds sowed on March 31. As we study the results of this campaign, the Marketing Evangelism office will explore new ways to use research and media strategy to cultivate more openness to the Gospel and mobilize our membership to do what they have been shown as eager to do—hit the streets with the message of salvation through Jesus Christ.

Chris Forbes submitted his resignation as Marketing Evangelism Specialist, effective September 7, 2007 to continue developing his own marketing company. Chris’s clients include the International Mission Board and the North American Mission Board.

2007 YEC: August 10-11, the Ford Center in Oklahoma City hosted 9,815 students and leaders to hear the challenge of “Three” at the annual Youth Evangelism Conference (YEC). The three challenges to the students were: (1) Share your faith at least one time during the first three weeks of school. (2) Pray once a week for your school with two other people. (3) Ask God to allow you to be a part of three people coming to know Christ this school year. Jose Zayas, Matt Papa, Big Daddy Weave, Stellar Kart and Brad Stine were special guests.

Before the evening session, as a part of Mission YEC more than 1,100 students and leaders distributed materials around the Oklahoma City area to help local churches. The YEC was followed by Christian Family Day at Frontier City with an “Idea Walk Through” for leaders and an outdoor concert with Hawk Nelson for students.

GO Students: During summer 2007, 130 high school students and adults served for ten days in July on a GO Students mission team in Cologne, Germany. The GO Students teams were made up of individuals from many different churches around Oklahoma. Each team member spent hours prayer walking, sharing the Gospel with people of various cultural backgrounds, learning from IMB missionaries about their daily tasks and studying the scriptures to learn the heart of God for all people.

2007 Falls Creek Youth Weeks: Summer 2007 was a year of “firsts” and “largests.” It was the first year in the new 7,253 seat tabernacle, the first year of the new SwiftSkate Park, and it was the first year for eight weeks of summer youth camp. It was also the largest summer for total number of churches (869), largest full-time attendance (39,846), largest total attendance (54,496), largest professions of faith (2,443), largest called to ministry (1,156) and largest total decisions (7,600).

Students were challenged all summer to learn to share their faith and say what they believe about Jesus with their words and their lives. The theme focus, “One Question,” was from Luke 9:20, where Jesus challenged the disciples with the question, “Who do you say that I am?”

In September 2007, Marcus Crawford resigned as Falls Creek Program Associate and Tambra Nowell was hired to fill that ministry position.

Partnership & Volunteer Missions

Sam Porter, Specialist
Mary Stephens, Ministry Assistant

Transition

2007 was a year of transition as the office formerly known as “Men’s Missions & Ministries” became the “Partnership & Volunteer Missions” office. In the transition year, this office continued to plan and conduct these events that were then moved to other offices:

- **Royal Ambassadors Congress**
- **Baptist Men’s Retreat**
- **Camp Hudgens**

Partnership Missions

Oklahoma Baptists continue partnerships with Armenia, Bangladesh, Guanajuato Mexico, Guerrero Mexico, New Orleans, and Utah-Idaho. Sam Porter traveled to most of the partnership areas in 2007 for vision trips and personal connection with the missionaries or pastors serving there. As project requests are received, they are immediately posted on the BGCO website for church groups and other potential volunteers to view. Many Oklahoma churches are involved in assisting in our partnership areas.

Volunteer Missions

The Exploring Missions Opportunities Conference was held in February, giving participants a chance to learn of the many ways and places to get involved in volunteer missions.

Disaster Relief

Oklahoma was inundated with disasters in 2007. Ice storms, winds and flooding occurred across the state, and our volunteers responded with hot meals, child care, mud-out, and debris removal. Thousands of Oklahoma families benefited from this ministry. The disasters we experienced heightened awareness and touched the hearts of Oklahoma Baptists. Hundreds attended Disaster Relief training sessions in 2007, and we now have 2855 trained volunteers.

Volunteer Builders worked on a church in Port Sulphur, LA, as well as Wetumka, First, Binger, First, and Rock Island, Friendship. Volunteer construction crews continue the work of remodeling five cabins at CrossTimbers Camp which they started in late summer of 2007.

Campers on Mission – Spring and fall rallies were held for fun, fellowship, and organization of volunteer projects. Seventy COM members served 11,074 man hours while involved in 1054 different events. Events

included personal witnessing, Scripture distribution, construction and maintenance, fairs and festivals, and BGCO conventions.

Women's Missions & Ministries

Effective Communication:

- The *Pearls* newsletter continued in 2007. This newsletter is produced in conjunction with the Baptist Foundation of Oklahoma and serves as a communication tool to provide a spiritual and financial resource to women in Oklahoma.
- "Oklahoma Women"—an electronic newsletter continues to be sent to more than 2,000 women in Oklahoma. It is sent monthly to women across the state to keep them informed and updated about upcoming events and resources available to women in the local church.

- The former RA Congress held in March is being revamped under the direction of Mark Jones, BGCO Children's Specialist. It will include girls for 2008 and be renamed "Mission Ignition."

COMMUNICATIONS TEAM

Ray E. Sanders, Team Leader and Executive Editor
Tiffany McClendon, Administrative Assistant

The role of the Communications Team is to effectively communicate the life-changing message of Jesus Christ to a sight and sound generation on behalf of Oklahoma Southern Baptist churches who are impacting the world through the Cooperative Program. This ministry is accomplished through the *Baptist Messenger*, Media Relations, Electronic Media, Interactive Media, Print Communications and the Ethics and Religious Liberty Committee and the Stewardship and Cooperative Program Ministries.

The Baptist Messenger:

In 2007, *The Baptist Messenger* continued its mission of sharing about what God is doing in, among and through Oklahoma Baptists.

As the year began, the *Messenger* staff spent many hours planning for a major shift in the production of the state's news journal. After months of planning, preparation and prayer, the "new" *Baptist Messenger* launched on March 1. The news journal was outsourced to Printing, Inc. in Oklahoma City, and the Quad Stack and Goss presses formerly used to print the *Messenger* in-house were sold and removed from the Baptist Building in April. As a result, the *Messenger* took on a new "magazine-style" personality—from the whiter paper it is printed on and larger, full-color photographs to a host of typographical improvements—including new body type, cutline and headline fonts. The new process allowed for the pages in the *Messenger* to be four-color, enhancing its appeal to readers of all ages. Church newsletters were changed to a "wrap," into which the *Messenger* is inserted each week. New features, such as a health column, news "At a Glance," an Editorial, Cooperative Program Nuggets, Calendar of Events, BGCO affiliate news and a Missionary Prayer Guide, were added. Dana Williamson received an award for her feature writing during the national BCA awards competition. The entire *Messenger* editorial staff continued to focus on presenting news and features about what God is doing in and through Oklahoma Baptists. Future plans call for publishing special editions on a variety of topics.

As the year progressed, the *Baptist Messenger* staff continued to fine tune its new four-color look. The news journal's new "magazine-style" format has been well-received by readers, as evidenced by feedback received verbally and through e-mail and letters. Not only is the *Messenger* much more appealing to the eye, its content is also much improved, from the use of larger eye-catching photographs and graphic elements on page one, to thought-provoking editorials and columns. The news journal continues to enhance its appeal to readers of all ages. The May 26 issue contained a special report on the completion and dedication of the new tabernacle at the Falls Creek Baptist Conference Center. Later issues included coverage of record-breaking youth weeks at the conference center during the summer. Oklahoma Baptists were saddened in June when former BGCO Executive Director-Treasurer William G. Tanner died. The *Messenger* paid tribute to his leadership in the June 21 issue. Partnership missions, disaster relief and chaplaincy dominated headlines during the summer, and the *Messenger* kept Oklahoma Baptists updated about where their fellow Oklahoma Baptists were serving on the front lines, whether it was at motorcycle rallies in Sparks, Okla. or Sturgis, S.D., cleaning out flooded homes in Miami, Kingfisher or Watonga or sharing Christ in Mexico, Bangladesh or Armenia. The editorial staff remains committed to sharing through feature stories and news articles what God is doing in Oklahoma, across the United States and around the world.

The year 2007 was one of challenges for Oklahomans and for Southern Baptist disaster relief volunteers, specifically. Oklahoma recorded nine presidential disaster declarations during the year, closing out the year with the worst ice storm in recent memory. The *Messenger* highlighted the immediate and Christ-like response by more than 250 Oklahomans and hundreds of more volunteers from several other states to help clean up the debris left behind and help feed those who were left without electricity. The *Messenger* alerted parents to the dangers of a theatrical movie, "The Golden Compass," being released just before Christmas, and highlighted the success of the greatest missions funding concept the world has ever known, the Cooperative Program, in the December 6 issue.

Ethics and Religious Liberties Committee:

The Ethics and Religious Liberty Committee maintains a regular BGCO presence at the State Capitol in order to monitor critical moral and ethical legislation and policies that may affect Christian life. In 2007, our state ERLC participated in hosting one of the most successful and well attended Rose Day Rallies ever at the state Capitol, with more than 600 individuals in attendance. The ERLC continues to represent Oklahoma Baptists in special events at the state Capitol including Rose Day, Family Day and the Oklahoma Pro-Life Media Coalition. 2007 was a year of success in the fight for the most significant pro-life legislation in the history of our state, which became law.

Media Relations:

Serves as the voice of Oklahoma Baptists concerning public issues and developing the overall BGCO communications strategy. In 2007, more than 120 media interviews were conducted. The news media continues to recognize the Baptist General Convention of Oklahoma as a reliable and relevant news source. The BGCO's relationship with the media continues to grow, which in turn helps communicate the impact Oklahoma Southern Baptists are having in the world.

Electronic Media:

Produces video and audio that will promote ministries designed to reach the lost. In 2007, the Communications Team produced multiple video and audio productions for the Annual Meeting, State Evangelism Conference, Falls Creek *For the Sake of the Call* Campaign and various ministries within the Baptist General Convention of Oklahoma. More than 50 in-house productions of the Messenger Radio broadcasts have been recorded and aired, helping inform listeners of important topics and issues affecting Christian life in our state, nation and world. The Communications Team produced *Life Together: A Centennial Celebration*, a 30-minute TV broadcast which aired on CBS in March. A commemorative DVD of the Oklahoma Baptists' Centennial Reunion live event was produced and distributed to more than 1,700 churches. In addition, video footage from the *Mark Lowry: God is Crazy about You Tour* was used for a 30-minute, TV broadcast which aired on CBS in April. Videos were also produced for the *PowerUP Your Life* promotions kit and the *2007 Edna McMillan Oklahoma State Missions Offering*.

Interactive Media:

Develops, produces and creates new and innovative ways to use the Internet to impact the world for Christ. In 2007, the Communications Team moved the BGCO Web site server in-house and launched new Web sites for www.BaptistMessenger.com and www.Skopos.com. The Communications Team made the audios of the 2007 Pastor's Conference, Annual Meeting and State Evangelism Conference available online for free download. The Cooperative Program homepage and a Cooperative Program Master Plan were developed. The Communications Team created a new online registration system for Falls Creek youth encampment, and set up the Falls Creek Forum, an online system for youth ministers to ask questions about camp and collaborate on their past experiences. In addition, the Communications Team produced two resource CD-ROMs for Pastor's and Worship Leaders participating in *PowerUP Your Life* and a resource CD-ROM for Encienda, the Spanish version of *PowerUP Your Sunday School*.

Oklahoma Baptist Print Operations:

Helps develop, coordinate and print marketing and promotional materials. The year 2007 was one of incredible change for BGCO's print operations. Over 500 churches utilized the BGCO for their printing needs. The printing of the *Baptist Messenger* was outsourced and the church wrap became a reality. In April, the printing staff was reorganized and trained to produce and distribute 140 church special pages which are wrapped around over 40,000 *Baptist Messengers* each week. Print Operations assisted in the largest evangelism project in the history of the Oklahoma Baptists, Across Oklahoma. More than 650,000 printed pieces were produced and distributed door-to-door by individual churches.

Public Relations:

Helps develop marketing strategies and promotional project coordination for BGCO ministries that convey the impact Oklahoma Baptists are having as they reach the world for Christ. Some of the strategies and projects the Communications Team have assisted in for 2007 are: the development of the Cooperative Program Marketing Plan, the Oklahoma Baptist Resource Handbook, 2007 Prayer Calendar, Falls Creek Billboards, Sunday School Heroes Posters in English and Spanish, PowerUP Your Sunday School and PowerUP Your Life promotions and kits, BCA Awards, Prayer Guide Falls Creek Baptist Conference Center Tabernacle Dedication promotions, Annual Report; Pocket Diary; Missionary Prayer Guide; Rose Day Pro-Life Rally; Falls Creek Baptist Conference Center Logo Design and Stationary; Annual Meeting Program Cover; and Registered Trademark for the Oil Patch Chaplaincy Ministry. In 2007 the Communications Team won several BCA awards for their productions. Some of those include; First Place in the promotional video category of the Audio-Visual Communications Division for its *Cooperative Program: Hands and Feet* video. The Communications Team also won Second Place award for the *Centennial Program* in the specialty items—printed category in the Print Media and Design Division. In addition, *Baptist Messenger* Associate Editor Dana Williamson won an Honorable Mention Award in the feature writing division for her article, "I Don't Bake . . . I Just Jump Rope." BCA is a national professional development association for Baptist communicators. The Communications Team also won two awards at the 2007 Oklahoma City Chapter of the Public Relations Society of America Upper Case Awards – second place for the Centennial Reunion Program and third place for the *Hands and Feet* Cooperative Program Video.

Stewardship and Cooperative Program Ministries

Bob Shelton, Specialist

Jeanne Willis, Ministry Assistant

Cooperative Program (CP) giving in 2007 totaled \$25,180,225. This represents an increase of \$304,915 over 2006 receipts as Oklahoma Baptist churches continue to partner together to fulfill the Great Commission. This is an increase in giving of 1.23 percent.

In 2007, Bob Shelton served as Stewardship/Cooperative Program specialist. Dr. Robert Haskins continued as a consultant assisting with Cooperative Program Sundays and the *2008 Missionary Prayer Guide*. BGCO staff helped lead CP Sundays to celebrate the work Oklahoma churches are doing together in the following associations:

Union	22 churches
Pottawatomie-Lincoln	29 churches
Concord-Kiowa	12 churches
South Canadian	14 churches

The Stewardship/Cooperative Program office made CP presentations in 25 churches, 3 associations and 2 DOM conferences in 2007. A presentation was made at the annual Stewardship/CP Directors meeting in Nashville highlighting Oklahoma's CP education plans. A stewardship presentation was made at the Pastor's Conference in Cherokee Strip Association and also at the annual Church Planter's Conference as well as at the Utah-Idaho Equip Conference as a part of our partnership.

Cooperative Program and stewardship services include mailing bi-monthly Cooperative Program giving reports and materials such as the Cooperative Program percentage giving poster, annual report and annual video. Cooperative Program and stewardship tracts and resources are provided at no cost to Oklahoma churches.

The **10Again** Campaign was launched in 2007 with a statewide mail out to all pastors and directors of missions. Over the next few years, this campaign is designed to tie together Biblical stewardship and Cooperative Program giving for Oklahoma Baptists. The complete theme is "10Again, Every Member, Every Church, 10% to Reach the World." "Every member" focuses on teaching and challenging Oklahoma Baptists to tithe through their local church. "Every church" focuses on challenging Oklahoma Baptist churches to give at least 10 percent through the Cooperative Program. The average given through the CP in Oklahoma in 2007 was 9.2 percent (compared to 6.4 percent nationally).

A Cooperative Program presentation was given by Bob Shelton at the 2007 BGCO annual meeting. The presentation also featured the 2008 CP video titled "Hands and Feet" showing the impact of 2007 CP contributions and a video titled **10Again** challenging Oklahoma Baptist churches to average giving 10 percent through the Cooperative Program. A DVD was mailed to each church in the state which included the "Hands and Feet" video, the CP History video and the "So Many Faces" video from IMB.

The *2007 Annual Report of Cooperative Program Ministries* was printed both in booklet form as in previous years and also as a four-page insert in the *Baptist Messenger*. This made the information available directly to the 76,500 subscriber base of the *Baptist Messenger*.

The Cooperative Program office also serves as the state liaison with the North American Mission Board for On Mission Celebrations (OMCs). Beckham-Mills and Caddo Associations held OMCs in 2007.

Ongoing projects include: a) work with Allison Dalton, IMB, to develop new CP promotional strategies; b) refinements and additions to the BGCO CP and stewardship Web site pages; and c) work with the SBC CP office, Louisiana and Arkansas on a viral marketing CP campaign for young adults.

The *2008 Missionary Prayer Guide* was published and mailed to all BGCO churches and directors of missions and is available in both hard copy and a downloadable PDF version at www.bgco.org/cp. As a new addition we have also provided PowerPoint slides of each week's prayer requests. These slides may be downloaded for use in worship services and prayer groups.

Operation Financial Freedom reimbursed pastors and staff for the cost of their materials upon completion of *Financial Peace University*. Collectively, 24 families reduced debt by \$50,777 and saved \$33,762.

FINANCE TEAM REPORT

Kerry Russell, Team Leader and Chief Financial Officer
Glenda Nigh, Administrative Assistant

The year 2007 ended with \$25,180,225 in gifts to the Cooperative Program, setting a record for the 14th consecutive year. This is \$304,916 ahead of last year and \$1,680,225 ahead of budget. Fifty percent of the CP budget overage was shared with the SBC for the support of international missionaries around the world.

Designated offerings for Edna McMillan also set an all-time record for the 5th consecutive year with receipts totaling \$1,011,372. Annie Armstrong finished at \$1,803,141, which is the 6th consecutive record offering. Lottie Moon closed with \$5,111,492, which was a record amount for the 3rd consecutive year.

The Baptist Building Corporation Board of Directors voted at their April meeting to dissolve the corporation upon the acceptance of the BGCO Board of Directors. The BGCO board passed the resolution and the dissolution of the corporation became effective May 22, 2007. The operation of the building and the employees of the BBC are now under BGCO. Rick Brown remains the Building Manager.

The Convention's medical insurance was finalized in November after much review and negotiation with several carriers. We finalized insurance for full-time employees by moving to Aetna from PacifiCare. Aetna, the largest medical insurance carrier in the United States, was able to provide the same coverage for an increase of only four percent. In comparison, the cost of PacifiCare coverage would have risen 14 percent. In moving to Aetna we also saved budget dollars in the senior supplement plan for retirees with a reduction of 27 percent. Overall we will experience a significant saving without giving up plan benefits.

Staff additions included the hiring of Kenny Jones as the Mailroom Manager in April. Denise Deal became the full-time Income Clerk/Tech Bookkeeper in November.

Information Services

Sam Vinall, Specialist
Thomas Jordan, Associate

General: Personnel in the Office of Information Services include: Sam Vinall, Specialist and GuideStone Representative; Thomas Jordan, Associate; Pat Choate, Insurance Clerk; Marilyn Austin, part time data entry, and Norma Woodward, Tax Consultant. Pat Choate was recognized this year for having completed 30 years of service with the BGCO. Personnel in this office have over 50 years of combined experience in assisting BGCO churches and associations.

Retirement Planning: GuideStone Retirement Planning Conferences were held in nineteen associations during 2007. Topics covered included the importance of planning for retirement, the benefits of the Church Retirement Plan, how to invest for retirement, and retirement benefit options. GuideStone records indicate that the BGCO is one of the top five states in seven out of ten categories they measure for state representatives.

During 2007, twenty new churches and 191 participants were added to the Church Retirement Plan. Total contributions for this period from Oklahoma participants were \$7,815,100. These all represent increases over 2006. As of the end of 2007 there were 2,175 active participants in the Church Retirement Plan in 916 Oklahoma churches. About two-thirds of participants received assistance from their church in saving for retirement, while 57 percent were saving part of their salary.

The BGCO provided Church Retirement Plan protection benefits and retirement matching to eligible Oklahoma participants at a cost of \$414,124. Disability protection benefits of \$215,625 were paid out to 40 individuals. Survivor protection benefits of \$247,671 were paid out to 19 widows and widowers of participants. The BGCO also contributed matching funds of up to \$210 per year into the retirement accounts of 1,815 ministers and other church employees. There were 85 needy Oklahoma retired ministers and widows who received a total of \$237,840 from GuideStone's Adopt an Annuitant ministry.

Insurance: BGCO group medical coverage for employees and retirees continued with PacifiCare during 2007. In late 2007, after receiving renewal bids from several companies, a decision was made to move coverage to Aetna effective 1/1/2008. This resulted in significant savings to the BGCO. Retirees were changed to the Aetna Advantage Plan, a new type of senior plan. These changes required numerous training meetings with employee groups and continuing follow up with retirees to explain the new coverage.

BGCO Property and Casualty insurance is also administered by this office including general liability, directors' and officers' liability, auto coverage, publisher's liability, workers' compensation excess coverage, Falls Creek camper insurance and several others.

BGCO accounts were opened with three car rental agencies. These business accounts take advantage of reduced rental rates and consolidate billing for automobile rentals. Enterprise Car Rental was made the preferred rental agency with Dollar and Budget as secondary choices.

Church Tax Assistance: Information Services conducted six Regional Tax Seminars with total attendance of nearly 400. These annual seminars are led by Barbara Spess, CPA, Norma Woodard, IRS Agent of Record, Thomas Jordan, and Sam Vinall. Evaluation forms this year had comments such as, “A great seminar—very helpful,” “Can’t wait till the next one,” “Great presentation of a difficult subject,” and “I get valuable information every time I attend.”

During the year, this office responds to hundreds of tax related inquiries which are handled by office personnel and Norma Woodard, Information Services Tax Consultant.

Databases: Four Annual Church Profile (ACP) training events were held in the Baptist Building Computer Lab for Directors of Missions and associational office personnel who assist with the ACP. There was a total attendance of 27 from 21 associations. In addition, ten additional training events were held at associational offices for pastors, church clerks and other church personnel responsible for completing the ACP.

Annual Church Profile: The 2007 ACP was collected from 1,511 BGCO congregations. These churches indicated that they had 748,760 total members and baptized 14,422 people during the 2006-07 reporting period. Their Sunday School enrollment stands at 317,149 with an average attendance of 145,743. Average Sunday morning worship attendance is 185,192. Undesignated/budget gifts to churches increased by 7.1% to \$273,734,175. Total church receipts were \$406,783,959. These figures indicate that it took 52 members and \$28,206 to baptize one person.

Capital Stewardship Services

Jim Reimer, Director

Rachel Miller, Ministry Assistant

The Capital Stewardship Services (CSS) of the Baptist General Convention of Oklahoma (BGCO) offers local Baptist churches a reliable, less expensive, yet high-quality alternative to using for-profit capital campaign consulting firms. This true alternative to for-profit resources offers a very high level of practical experience, know-how, contacts, and confidentiality. Clients must be shown that working with CSS is a professional, less risky way to conduct capital stewardship efforts than other more expensive alternatives. CSS must also maintain financial balance, charge less for its services, and deliver an equal or even higher value to its clients than for-profit firms.

During 2007, presentations were made to ten churches or associations, with four of those resulting in the utilization of the services provided by CSS. Four additional campaigns were completed in 2007 which were contracted in 2006. These eight campaigns resulted in savings of \$256,500 over for-profit consulting firm fees. One additional campaign is ongoing and will conclude in 2008.

Conference Centers

Kevin Darland, Director

In April 2007, Kevin Darland was named Director of Conference Centers, also to serve as the Director of Falls Creek. Kevin most recently served in the building out of a new Christian camp in Missouri. His wealth of experience includes two years with the International Mission Board in Russia and before that was Director of Operations for Windermere, state camp for Missouri Baptists, and when he graduated from college was director for an Associational camp in Texas.

Gary Fielding transitioned to associate director with a primary emphasis on cabin owner relations, retail sales and security. Fielding's years of camp relations with Oklahoma Baptists continues to serve the new director and the Baptist General Convention of Oklahoma well.

The Conference Centers Team exists to provide Oklahoma Baptists with progressive camps and conference centers characterized by a safe retreat environment, a variety of accommodations and a high quality of customer service. These camps and conference centers are tools that enable the convention and her churches to impact lostness through the unique opportunities found in the context of a temporary biblical community.

This year epitomized the reality that the message will always be the same, but the messenger must adapt. At the conference center it was the opening of the new 7,200 seat tabernacle that set the tone for the type of adapting that will be seen in the months and years ahead. In our camps, Nunny Cha-ha and Hudgens, it was the bidding farewell to the two site, partial summer mission camps for girls and boys respectively and the recasting of vision and consolidation of resources to reach more children through CrossTimbers Baptist Camp at the site formerly known as Camp Hudgens.

There are many changes on the Oklahoma horizon. These changes will hopefully allow us to serve more campers year round and see the moving of God's Spirit in the hearts and lives of all ages both in salvation and the direct call to mission service.

Falls Creek Baptist Conference Center

Kevin Darland, Director

A record attendance of 85,000 guests in 2007 was but one indication of the effects changes have had on the ministry of Falls Creek. The tabernacle being the most visible and anticipated of changes, it was the result of many years of planning, preparation and execution by many dedicated people. The facility proved to be a much more effective tool for presenting the Gospel than many ever dreamed. More comments were heard about how much more attentive the kids were this year than about how comfortable it was to be in air conditioning. The record number of summer decisions, approximately 9,000, was a testimony to the fact that God was at work as never before.

Other changes included the hiring of Randy Bates as Business Manager in November. This new position was created upon the retirement of Peggy Genn as the part-time bookkeeper. Bates was hired into this position from Glorieta where he was Director of Operations. He brings vast experience in camp and conference center service and ministry that will contribute to many areas of the operation. The need for additional full time staff has become very apparent.

For the most part infrastructure held up well with record numbers. The heavy and frequent rains the first few weeks took a toll on the road system. Evaluation of other infrastructure elements such as the drinking water and wastewater treatment systems was begun. Construction on the Wynn Center for World Missions was started and moved rapidly toward completion.

Falls Creek is known by many, but is it a place or an event? In an effort to overcome our summer-only image a new Falls Creek logo was designed and a Web site begun that will help to project Falls Creek as a year-round ministry that can partner with many programs to provide the life-changing experiences that are so familiar to its summer time guests.

Overall, this year was a fantastic time of evaluation that has provided a great baseline for modification and improvement in the quality of service we will be providing to all Falls Creek guests.

Camp Hudgens

Beau Waters, Director

Transition was also apparent on the east side of the state as Hudgens completed its last summer as the boys' mission camp. It was a strong summer that saw great impact on many young men and women. In the fall the camp was renamed CrossTimbers Baptist Camp which marked the commencement of a facility that would serve as the location for the Oklahoma Children's Missions Adventure Camp. This will be the site where both boys and girls missions camp will now take place. Reconstruction of all dorms began in an effort to provide a quality facility for summer missions camp and for retreats of all kinds throughout the year. There are new dorms being designed to expand the capacity of the facility in the very near future.

Mike Stacey resigned as caretaker and the operation was moved under the Director of Conference Centers as of August 1. The new director of the camp, Beau Waters, was hired to be in place on September 15. Beau previously served at Riverbend Retreat Center in Texas, and comes from a lifetime of involvement in Christian camping.

Camp Nunny Cha-ha

Nunny also saw a great year as it served as the girls' missions camp for the last time. As previously described, the girls and boys missions camps will combine and function at the newly named CrossTimbers Baptist Camp in McAlester. Nunny's operation has been moved under the Director of Conference Centers where it will function as part of the Falls Creek operation. The camp is being refurbished and the transition is in progress for it to become the venue for Falls Creek's summer staff discipleship program and to be used as a rental facility throughout the rest of the year.

Information Technology

Alan McCoy, Director

The Office of Information Technology (OIT) exists to provide state of the art technological tools and solutions to Baptist General Convention of Oklahoma (BGCO) and Baptist Village Retirement Communities (BVRC) employees across the state; thus, facilitating their work and productivity through the use of technology. This is accomplished via the planning, implementation and support of computer technology at the Baptist Building, Falls Creek Conference Center, Camp CrossTimbers, and several BVRC Communities. Our vision is to continue to expand our services to provide as much technological assistance to BGCO associations and churches as possible.

The Office of Information Technology currently provides a Local Area Network (LAN) for the Baptist Building with over 150 BGCO and BVRC computers connected. This LAN provides safe and reliable centralized storage of computer files, filtered high speed Internet/email and universal connectivity between users for the sharing of files. OIT also provides for the day-to-day security of the data by providing virus scanning and daily backups of important networked data and the prevention of unauthorized access.

The Office of Information Technology staff provides for all purchasing, configuration, repair and maintenance of BGCO and BVRC computer equipment and software, currently consisting of 312 computers, 92 printers, 35 switches and approximately 14 miles of connecting cable.

In 2007 our technological support was focused on the planning and implementation of the technological expansion necessary to meet the growing use at Falls Creek Conference Center. We also brought more organization and automation to the stabilization and administration of the BVRC support at Owasso, Oklahoma City and Hugo communities, and added new networks at the Cleveland and Ada communities.

Additionally, in 2007 we designed and oversaw the network expansion for the new Falls Creek Mission Center and Business Office area as well as expanded our phone service also performing infrastructure work to expand connectivity throughout the campgrounds.

Prayer and Spiritual Awakening

Greg Frizzell, Specialist

Pat Jones, Ministry Assistant

During 2007, Dr. Frizzell conducted fifty-eight prayer/renewal conferences in Oklahoma churches and associations. He conducted six conferences for the North American Mission Board and led a season of prayer at the National Convention in San Antonio. In 2007, he published two major books for use in and beyond Oklahoma. The books are "Iceberg Dead Ahead - the Urgency of God-Seeking Repentance" and "Powerful Prayer for Every Family - Praying a Hedge of Protection." He also published two other resources entitled "A Prayer Covenant for Revival and Spiritual Awakening" and "My Acts 1:8 Prayer Covenant." At the annual meeting he also provided a new resource entitled "A Vision for Spiritual Awakening in Oklahoma." During 2007, more than 87,000 books were ordered through this office. Many thousands more were ordered and distributed in Brazil, South Africa and India. Frizzell's book "Returning to Holiness" was also translated in the Thai Language and distributed throughout Thailand. He is in the process of getting the books distributed in a major way throughout China.

During 2007, The Office of Prayer promoted two state-wide prayer emphases. The emphases related to the National Day of Prayer and the Tuesday night of the annual meeting. All pastors and churches were provided with prayer guides, prayer meeting formats and spiritual cleansing guides for congregations. In conjunction with Anthony Jordan, The Office of Prayer produced the annual meeting night of prayer format and the emphases that were conducted. In September, 2007 Frizzell went on a mission trip to South Africa and distributed 2,400 books to Baptist pastors. He was the main speaker and trainer for the 3-day annual meeting of South African Baptists.

During the past year Frizzell also made significant progress toward the release of four books that are to become strong state-wide emphases. These are slated to be released throughout the year of 2008. The projects and book development are at very crucial stages and Frizzell and his assistant much covet the prayers of Oklahomans.

Stewardship Advancement Group

Steven J. Thomas, Director
Terri Miller, Regional Stewardship Director
Gloria Foster, Ministry Assistant
Rachel Miller, Ministry Assistant

The Stewardship Advancement Group was formed effective September 1, 2007 to seek out donations for Falls Creek as well as for the support and ongoing ministry of other convention-wide ministries and projects. The majority of 2007 was focused on the completion of the new enclosed climate-controlled tabernacle at Falls Creek, with the subsequent dedication of that facility on May 26, and the first summer of use for the youth encampments which saw record attendance and record decisions for Christ.

Major Donors – Work with major donors/major donor prospects is a significant focus for all fundraising projects. There are over 325 individuals and/or families identified that fall into the major donor category. Continued research as well as drafting and presenting of proposals to qualified and interested foundations is also a significant focus.

Falls Creek facilities – SwiftSkate, the 9,000 square-foot skateboard park, was dedicated June 18. Ground was broken July 27 on the Center for World Missions and the World Missions Prayer Park with completion scheduled for late spring, 2008. All of these projects are fully funded by private gifts.

Total Given for Falls Creek projects – As of December 31, gifts and pledges to the projects at Falls Creek totaled \$27,025,617.51 from 7,910 individuals, families, churches, corporations and foundations. This amount includes \$1,890,204.91 in Irrevocable Planned Estate Gifts and Gifts-In-Kind. Fundraising through the Save-A-Seat and Etched-In-Stone programs will be ongoing indefinitely. Seats sponsored by donors have their inscription plates in place, and the personalized bricks are scheduled to be in place in late spring, 2008.

Total Given for Other BGCO Fundraising Projects – As of December 31, gifts for other convention projects totaled \$4,000 from three families. These gifts were directed to the new Oil Patch Chaplaincy Program.

Directors of Missions
Bill Green, BGCO Staff Liaison

The Directors of Missions represent 43 associations in the state. They work directly with the churches in their associations to offer training needs, resources and coordination of state activities. They work directly with the BGCO to connect the information and resources available for their churches.

New Directors of Missions

Chuck Shilling – Caddo

John Doffer, Associate – Cherokee Strip

Robert Wilson – Enon

DOM Resignations or Retirements

Billy Hickman – Sans Bois

Don Ritchie – Central

Four meetings were provided for the Directors of Missions, two were noon luncheon programs and business sessions held at the State Evangelism Conference in January and at the State Convention in November. In February the annual retreat was held at Falls Creek. The program included reports from each of the BGCO teams, as well as, a study on Calvinism, Women in Ministry and Grief Support. The Directors of Missions' wives also met. In August a meeting was held at the Baptist Building. Reports from BGCO leaders were made to the group and Greg Frizzell lead sessions in "Working with the Pastor Search Committee" and "Unity in the Church." Bob Shelton was named the BGCO staff liaison with the retirement of Bill Green in December.

Historical Commission

Eli Sheldon, Historical Secretary

The mission of the Historical Commission is to serve Oklahoma Baptists by collecting, cataloging, and preserving significant materials and information regarding the history of Oklahoma Baptists. Much of our work is in aiding churches and individuals in researching historical information.

Through the membership of our related organization, the Historical Society, we were able to publish various circular letters and two journals entitled *The Oklahoma Baptist Chronicle* per year.

This year several important changes occurred. The most important being the relocation of the Gaskins Baptist Archives from the first to the second floor of the Baptist Building. This has provided an anticipated increase in the visibility of the work and resulted in new office areas. New historical displays were established on the building's first floor (west side alcove). In addition, other materials were made available in the Gaskin Library which is adjacent to the offices.

Another significant matter was the retirement of Marlin Hawkins after 8 years. Eli Sheldon was elected Historical Secretary.

Five persons were inducted into the Oklahoma Baptist Hall of Fame at the annual Historical Society meeting which was held at Falls Creek, September 28. These included Rosalee Mills Appleby, Guy Bellamy, Buffalo Meat, E. W. Westmoreland, and Mrs. C. A. Porterfield.

The Historical Society annually presents an award for the church history (or related histories) written during the previous year. The recipient was Doloris Pittman for her history of the First Baptist Church of Gage, Oklahoma.

We look forward in faith to a new year of service to our Baptist Churches, agencies, and individuals.

Foundation Investments

The Foundation invests assets in a carefully planned allocation of stocks, bonds, church building loans, and other asset classes. Securities are purchased through professional money managers to assure diversification, discipline, and long-term investment. In addition to the oversight of the investment committee of the Board of Directors, the Foundation also retains the consulting services of Asset Strategy Consultants of Hunt Valley, Maryland who assists the Foundation with setting asset allocation and retaining and evaluating professional money managers. In 2007, the Foundation's endowment portfolio earned 10.54 percent, and for the five years ending December 31, 2007, the endowment portfolio had an annualized return of 12.85 percent.

Anticipated and Current Gifts Remain Significant

In 2007, the Foundation served 312 families through the estate planning process resulting in future testamentary gifts to Baptist causes of more than \$14.8 million. Of all anticipated gifts through wills and trusts to Oklahoma Baptist causes, 40 percent has been left to the donor's local church. In addition to these future testamentary gifts, \$7,806,567 of planned gifts and endowment assets came to the Foundation for Baptist causes.

Trust Administration Services

The Foundation supports ministry causes through income distributions from more than 1,948 trust accounts to more than 600 beneficiaries. The types of accounts administered include endowment trusts, charitable remainder trusts, church funds management accounts, custodial accounts, gift annuity contracts, and personal trusts. Administration of these trusts and accounts involves receiving and investing corpus contributions, distributing income to beneficiaries, and reporting to appropriate individuals and charitable entities.

We strive to honor the trust placed in the Foundation by donors who wish to give to ministry. We want to continue to be the provider of choice in charitable trust administration.

Church Building Loans

In 2007, the Foundation made 29 loans in excess of \$14.2 million to Southern Baptist churches and associations. This year more than \$3 million in interest was paid on loans with the Foundation. As an investment of our endowment portfolio, these interest dollars were distributed to ministry causes. Many churches finance their loans with the Foundation because the interest goes to ministry.

ECFA Member

The Evangelical Council for Financial Accountability (ECFA) has again recognized the Foundation as a member in good standing. The Foundation has been a member since 1987.

BAPTIST VILLAGE RETIREMENT COMMUNITIES OF OKLAHOMA

Bill Pierce, President

*The mission of Baptist Village Retirement Communities is to honor God
by providing quality living and compassionate healthcare in a Christian environment.*

Life Without Limits

2008 will be Baptist Village Retirement Communities of Oklahoma's (BVRC) 50th year of ministering to older adults in partnership with the Baptist General Convention of Oklahoma. Our theme is "Life Without Limits" and we strive every day to fulfill our mission to honor God by providing quality living and compassionate health care in a Christian environment.

The aging of the church and the citizens of our state is a reality. We view the aging of America not as a problem but as a blessing; the grace of our loving God. We believe that in God's provision and plan older persons are being used of God in the kingdom in wonderful ways regardless of age or physical challenges.

In 2007, BVRC adopted a Five-Year Strategic Plan. The plan includes three major projects; capital projects, expansion and finances. BVRC is shaping the future of aging services through ministry that strives to provide "Life Without Limits."

Serving

Services delivered to the home will continue to grow. It is a person's first choice. Home can be a number of different settings including a retirement village. We have discussed opening a home health office in a city where we do not have a village. BVRC would offer many of the activities, programs and services we currently offer in a village without the bricks and mortar investment. In a way, it is a "Baptist Village without walls."

Literally every day the ministry of BVRC touches thousands of lives. Each day over 2,000 people are served through the eight villages, home health and medical equipment. Over 1,000 people are impacted each week through the LINC® ministry program.

BVRC is unique in that we provide services for those with resources and those who have limited income. One avenue BVRC offers to help meet needs is through the Larry and Edwine Adams Senior Care Assistance Fund. This fund assists those with financial need and allows them to live at a Baptist Village and enjoy all the exciting things available to them.

LINC®

We are very excited about the blessings that are taking place in the LINC® (Loving, Inspiring, Nurturing, Caring) ministry. LINC® is our opportunity to link churches with retirement communities located right in their neighborhoods. It is a privilege to share Christ with senior adults and staff. We are seeing an increase in the number of people being saved. We believe that the opportunity for evangelism in the BVRC ministry is increasing.

Baptist Home Care and Medical Equipment

Baptist Home Care (BHC) offers home health care services. Nursing, therapy, homemaker and other in-home services are provided. BHC offers a complete line of medical equipment from diabetic supplies to hospital beds. Case Management was also added; BVRC serves the client as a service coordinator, advocate, consultant and gatekeeper in order to ensure that the best quality service is provided for each consumer.

OKLAHOMA BAPTIST UNIVERSITY

John W. Parrish, Interim President

In a year of transition, Oklahoma Baptist University celebrated the achievements of one era and the start of another. As 2007 concluded, the University was involved in a variety of activities supporting its mission as a Christian liberal arts university to transform lives “by equipping students to pursue academic excellence, integrate faith with all areas of knowledge, engage a diverse world, and live worthy of the high calling of God in Christ.”

Dr. Mark Brister, OBU’s 14th president, announced his retirement in October, capping more than nine years at the helm of the institution. The University’s board of trustees elected John W. Parrish, OBU executive vice president emeritus, to serve as interim president, effective November 11. One of President Brister’s last actions at OBU was participating in the dedication of the University’s new recreation and wellness center. The \$10 million structure opened in late November, providing fitness and wellness facilities for the campus community. Construction of the two-story building on University Street was complemented by the \$4.78 million Winning Spirit Campaign, which included additions and renovations to OBU’s Noble Complex for Athletics, and construction of new intramural fields, a track complex, a baseball park, and a baseball/softball building.

In February, OBU launched a master of business administration degree program based in Oklahoma City. The graduate program is the first to be implemented in OBU’s International Graduate School. At the close of 2007, OBU was pursuing accreditation for a new master of science degree program in nursing.

OBU’s students continued to fare well in varied academic areas. Competing in state, regional or national events, OBU students claimed honors in telecommunication and music performance. Students also fared well on teacher certification exams, achieving a perfect pass rate on the Oklahoma Professional Teaching Examination. The University’s fall 2007 enrollment was 1,607. That total included 315 first-time freshmen. Approximately 60 percent of the students were from Oklahoma, with 36 percent coming from 38 other states, and nearly four percent from 21 other countries. The University’s faculty for the fall semester included 110 full-time educators. All OBU faculty members are evangelical Christians. A total of 258 students graduated in May 2007, and 35 graduated in December 2007.

In addition to strong academic programs, OBU continued to be a national leader in ministry involvement. Through Campus Ministry programs, students participated in small group Bible studies, corporate worship services, and varied ministry programs during the year. In April, the University hosted its second annual 24-hour New Testament reading marathon on the campus.

An International Mission Board report released in July 2007 showed that OBU is the worldwide leader in the number of alumni serving as IMB missionaries. OBU also has been a global leader in the number of recent graduates serving in the International Mission Board’s two-year Journeyman program. Missions involvement is fostered through a campus community where international service is valued. In its second year of operation, OBU’s Avery T. Willis Center for Global Outreach sent out eight student teams to work in missions experiences around the world. The center coordinates missions work and academic study in missions.

OBU student-athletes continued to gain honors in national competition. OBU’s overall varsity sports program was ranked fifth in the nation in the 2006-07 U.S. Sports Academy Directors’ Cup standings for the NAIA. The women’s indoor track team claimed its second national championship in March, while the men’s outdoor track team won the program’s second national championship in May.

The Princeton Review again named OBU one of “America’s Best Value Colleges” in the spring of 2007. The designation was bestowed on only 165 colleges in the nation, and only 75 private colleges. OBU also was one of 123 schools receiving The Princeton Review’s “Best in the West” designation, based on the publication’s student opinion data. For the 16th straight year, *U.S. News & World Report* rated OBU as one of the top 10 baccalaureate colleges in the western region of the nation. Listed third in the region for the news magazine’s 2008 rankings, OBU was the highest rated college in the state for the 14th consecutive year. The rankings are based on varied factors, including academic reputation, faculty quality, alumni support, and student/faculty ratio.

During the 2006-07 fiscal year, gifts to OBU totaled more than \$6.74 million. More than 3,700 donors contributed to the University during the year, providing support for scholarships, operational expenses, construction and renovation projects, equipment and endowment.

OBU trustees adopted a \$35.4 million budget for the 2007-08 fiscal year during the spring 2007 meeting. The total average cost for a full-time, on-campus student for 2007-08 was \$20,994. OBU continues to be a significant value among members of the International Association of Baptist Colleges and Universities and the Council for Christian Colleges and Universities. Each year, more than 95 percent of OBU students receive some form of financial aid.

Dr. John McWilliams, assistant professor of natural sciences, received the University's Distinguished Teaching Award in May 2007. The award is given to a faculty member who has maintained his or her teaching career in exemplary fashion. Robert Cash, director of OBU's physical plant, received the Meritorious Service Award, which is presented to a faculty or staff member who has made a substantial commitment of talent and service to OBU. Dr. Justin Hardin, Strickland assistant professor of religion, received the Promising Teacher Award, which is given to a junior faculty member who demonstrates outstanding potential as a teacher.

Three faculty members retired in 2007. At the end of the 2006-07 academic year, Dr. Doug Watson, professor of English, retired after 27 years on the faculty. Dr. Ron Duncan, professor of anthropology, also retired at the end of the 2006-07 year, after 17 years at OBU. Dr. Tom Wilks, Huitt professor of applied ministry, retired in December 2007, after serving at OBU for 27 years.

OBU is thankful for the consistent support of Oklahoma Baptists. The faithful partnership of Oklahoma Baptists with their University has resulted in nearly a century of effectively equipping Christian leaders who serve in our state, across the nation, and around the world.

Report of Independent Certified Public Accountants

Board of Directors
The Baptist Foundation of Oklahoma

We have audited the accompanying statements of financial position of The Baptist Foundation of Oklahoma (the Foundation) as of December 31, 2007 and 2006, and the related statements of activities and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America as established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Baptist Foundation of Oklahoma as of December 31, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note I to the financial statements, effective December 31, 2007, The Baptist Foundation of Oklahoma adopted Statement of Financial Accounting Standards No. 158, *Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans*.

NOTES TO FINANCIAL STATEMENTS

December 31, 2007 and 2006

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES

The Baptist Foundation of Oklahoma (the Foundation) is a private, nonprofit religious association chartered by the State of Oklahoma on October 31, 1946 for perpetual existence without capital stock. Its creation was approved by the Baptist General Convention of the State of Oklahoma (the Convention) to administer funds and property received by gift, device, bequest or otherwise in order to assist and promulgate the furtherance of the Convention and to promote Baptist doctrines, evangelism, Christian education and both home and foreign mission work.

The Foundation, in the capacity of trustee, holds, administers and invests assets for the Convention and institutions affiliated with the Convention, as well as for its own account. Trusts may have other charitable or noncharitable beneficiaries. Interests of the Foundation, Convention or affiliates of the Convention may be total or may represent only income or remainder interests.

The Foundation also holds assets for investment in a custodial capacity for the Convention and its affiliates. In addition, the Foundation administers trusts where affiliated organizations serve as trustee.

Activities of the Foundation include estate stewardship and gift planning for the Convention and its affiliates. Staff members work with Southern Baptist churches and associations both within and outside the State of Oklahoma to encourage financial support for local, state and national institutions through lifetime and testamentary planning.

The Foundation receives its financial support primarily from fees charged for the administration and investment of assets. In addition, annual appropriations are received from the Convention through its Cooperative Program.

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows.

1. Recognition of Donor Restrictions

Contributions received without restrictions as well as the net increase over the original contribution amount on assets benefitting the foundation are reported as an increase in unrestricted net assets. Donor- restricted contributions are recognized as increases in permanently or temporarily restricted net assets. Permanently restricted net assets consist of the original contribution amount of permanent endowments or remainder interests that will become permanently endowed. Temporarily restricted net assets primarily consist of the net increase over the original contribution amount for assets where the foundation does not benefit but will hold discretion as to the distribution as well as the remainder interests under split-interest agreements that transfer assets unconditionally upon the passage of a period of time, typically the life of the income beneficiary. The liability to income beneficiaries for future payments is determined by applying an annual discount rate of 5% (which equals the estimated long-term return on investments) to estimated payments under the agreements.

2. Cash and Cash Equivalents

The Foundation maintains its cash and cash equivalents in bank deposit accounts, money market funds and short-term certificates of deposit, some of which may not be federally insured. Bank deposit balances are transferred daily into interest-bearing accounts secured by short-term, high-quality fixed income securities issued by banks, corporations and the U.S. Government. The Foundation has not experienced any losses in cash equivalents and believes it is not exposed to significant credit risk on cash equivalents.

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

3. Investments

Pooled Investments

The Foundation pools the assets under its ownership, administration, or control into various equity, fixed income, and alternative investment pools.

Pro-rata ownership in the pools is determined under a system in which units of ownership are recorded to represent each member's share of the total market value of assets. Investment interest, dividends, gains, losses and appreciation or depreciation in market value are allocated based on each pool member's percentage of ownership represented by these units.

Domestic and international equities consist primarily of cash equivalents and marketable equity securities. Fixed income assets consist primarily of cash equivalents and corporate and governmental debt securities. In addition, the fixed income assets include church building loans. Alternative investments consist primarily of cash equivalents and other investment vehicles including structured settlements, distressed debt, venture capital, private equity, real estate, real assets, and hedge funds.

Pooled investments are carried at fair market value or at cost if no fair market value can be established. Fair market value for pooled investments, excluding church building loans and alternative investments, is provided by brokers. Church building loans are carried at the total principal balance of these loans less an allowance for doubtful loans. Interest rates on church building loans, periodically set by the Board, are adjusted on a one, three, five, and ten year basis, dependent on terms selected by the borrower at the time of loan origination. These adjustments result in the principal balances approximating current market value. Management believes that adjustments, if any, to market value would be nominal and, as such, the carrying value approximates market value. Church building loans mature at various dates through October, 2028 and bear interest at rates ranging from 4.75% to 9%. Fair market value for alternative investments is provided by the administrator or general partner. Management evaluates the fair market values provided based on a number of factors, including obtaining an understanding of the fund's underlying investments, strategy, positions and valuation methodologies, obtaining audited financial statements, obtaining verification of transactions at or near year end, and comparing information provided by the fund administrator or general partner to other available information such as sector data and indexes. Because alternative investments are not readily marketable, their estimated fair value is subject to uncertainty and therefore may differ from the value that would have been used had a ready market for such investments existed. Such a difference could be material. Realized and unrealized gains and losses for the Foundation's investments are reflected in the statements of activities and changes in net assets.

Christian Stewardship Mutual Funds

Investments in Christian Stewardship mutual funds are carried at market with realized and unrealized gains and losses reflected in the statements of activities and changes in net assets.

3. Investments - Continued

Other Investments

Other investments stated at fair market value, as provided by brokers, consist primarily of corporate stocks, mutual funds and bonds.

Certain other investments consisting of income producing properties, notes and other debt instruments redeemable at face value and annuity contracts are carried at contributed or acquisition value as these assets do not have readily determinable market values. The Foundation evaluates cost basis investments for impairment when events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. When required, impairment losses are recognized based upon the estimated fair value of the investment.

4. Allowance for Doubtful Loans

Church building loans included in fixed income pools are presented net of an allowance for doubtful loans. The adequacy of the allowance is determined by the Foundation's management and Board of Directors based on a number of factors, including the collection of loans and evaluation of underlying collateral values, loss experience, identification and review of problem loans, quality of the loan portfolio and business and economic conditions. However, ultimate losses may differ from these estimates.

At December 31, 2007 and 2006, the Foundation had impaired loans totaling approximately \$505,000 and \$517,000, respectively. The average recorded investment in impaired loans was approximately \$511,000 and \$523,000 during 2007 and 2006, respectively. The total reserve for doubtful loans related to these loans was approximately \$250,000 at each December 31, 2007 and 2006. Interest income on impaired loans of approximately \$25,000 was recognized for cash payments received in each 2007 and 2006.

The following is a summary of the changes in the allowance for doubtful loans for the years ended December 31:

	<u>2007</u>	<u>2006</u>
Balance at beginning of year	\$ 1,036,410	\$ 1,026,410
Provision for doubtful loans	93,626	22,063
Recoveries of amounts previously charged-off	<u>-</u>	<u>(12,063)</u>
Balance at end of year	<u>\$ 1,130,036</u>	<u>\$ 1,036,410</u>

Management considers notes receivable included in other investments to be fully collectible; accordingly, no allowance is required. Specific amounts considered to be uncollectible are charged off when that determination is made.

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF ACCOUNTING POLICIES - CONTINUED

5. Interest on Loans

Interest on loans is accrued based upon the principal amount outstanding. Loans are placed on nonaccrual status and are considered impaired based on the judgment of management and the Foundation Loan Services Committee, considering factors such as number of days past due and collateral position, unless their collateral position or other conditions warrant continued accrual status. It is the Foundation's policy to reverse previously accrued but uncollected interest on loans placed on nonaccrual status. Interest on nonaccrual loans is recognized only as it is received and only after the principal balance is satisfied. Earned but unrecorded interest on nonaccrual loans subsequently refinanced is deferred and recognized over the remaining life of the loan. There were no loans on nonaccrual status at either December 31, 2007 or 2006.

6. Remainder interests in assets held by others

Remainder interests in assets held by others are carried at the present value of expected future cash flows with realized and unrealized gains and losses reflected in the statements of activities and changes in net assets.

7. Property and Equipment

Major expenditures for property and equipment are capitalized at cost while donated property and equipment are capitalized at fair market value at the date of the gift. Depreciation of property and equipment is provided over the estimated useful lives, predominantly three to ten years, of the respective assets on a straight-line basis. No provision is made for depreciation on properties carried as other investments.

The Foundation evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. When required, impairment losses are recognized based upon the estimated fair value of the asset.

8. Liabilities to Beneficial Owners

The Foundation has recorded liabilities for assets held as trustee, intermediary, custodian or agent for beneficial owners of income or remainder interests. Generally, the Foundation's liability is limited to assets held within a specific trust or account. The Foundation, however, may be responsible for the payments to annuitants under certain gift annuity contracts out of its general assets.

9. Appropriations to Preserve Principal

According to the terms of certain trust provisions, a portion of income may be permanently added to corpus to preserve the value of the trust corpus according to donor stipulation. In addition, corpus of trusted or administered trusts holding mineral interests is credited with an amount equal to 15% of oil and gas revenue.

10. Tax Status

The Foundation, is recognized as a not-for-profit, tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and, as such, is exempt from federal income taxes except for amounts relating to unrelated business income. There were no unrelated business income taxes incurred in either 2007 or 2006.

11. Fair Value of Financial Instruments

All financial instruments for which it is practicable to estimate fair value are carried as such in the accompanying financial statements.

12. Functional Allocation Expense

The cost of providing the Foundation's various programs, activities, and general support have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited based upon management's estimates of the level of effort for each activity. As the Foundation does not actively solicit contributions for their own benefit, no amounts have been allocated to fundraising activities.

13. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures; accordingly, actual amounts could differ from those estimates.

14. Reclassifications

Certain reclassifications have been made to the 2006 financial statements to conform with 2007 presentation.

15. New Accounting Pronouncements

In September 2006, the Financial Accounting Standards Board (FASB) issued Statement of Financial Accounting Standards No. 157, *Fair Value Measurements* (SFAS 157). SFAS 157 provides a common definition of fair value and establishes a framework to make the measurement of fair value in generally accepted accounting principles more consistent and comparable. SFAS 157 also requires expanded disclosures to provide information about the extent to which fair value is used to measure assets and liabilities, the methods and assumptions used to measure fair value and the effect of fair value measures on earnings. SFAS 157 is effective for financial assets and liabilities for the Foundation's 2008 fiscal year and for non-financial assets and liabilities in 2009, although early adoption is permitted. The Foundation is currently assessing the potential effect of SFAS 157 on its financial statements.

In February 2007, the FASB issued Statement of Financial Accounting Standards No. 159, *The Fair Value Option for Financial Assets and Financial Liabilities* (SFAS 159). SFAS 159 allows an entity to make an irrevocable instrument-by-instrument election to measure eligible items at fair value in the entirety. Subsequent changes in fair value for designated items will be required to be reported in earnings in the current period. SFAS 159 also establishes presentation and disclosure requirements for similar types of assets and liabilities measured at fair value. SFAS 159 is effective for fiscal years beginning after November 15, 2007. The Foundation is currently assessing the effect of implementing this guidance, which directly depends on the nature and extent of eligible items elected to be measured at fair value, upon initial application of the standard on January 1, 2008.

NOTE B - POOLED INVESTMENTS

Investments of the various funds under management of the Foundation are primarily held in pooled investments. Pooled investments consist of domestic equities, international equities, fixed income instruments, and alternative investment vehicles.

Trust and custodial accounts participate in the respective pools based upon investment models. These models represent ownership percentages designed for various types of trusts and accounts based on the respective needs for current income or capital appreciation. Entry or withdrawal from the pools is based upon the market value of a pool unit. Market value of a pool unit is determined by dividing the total assets by total units outstanding.

The following is a summary of assets held in pooled investments at December 31:

NOTE C - TOTAL RETURN SPENDING POLICY

The Foundation uses a method based upon the total return on assets to determine the amounts distributable from endowments held as trustee and amounts appropriated for expenditure for endowments under which the Foundation is the income beneficiary in conformity with the "Uniform Prudent Management of Institutional Funds Act."

NOTE C - TOTAL RETURN SPENDING POLICY – CONTINUED

The spending or distribution policy as determined under a method adopted annually by the Board of Directors effective January 1 of each year provides for the establishment of an “annual dividend” based on 5% of the average of the trailing 12 quarters’ Spending Policy Pool share prices.

In January of each year, the Foundation averages the Spending Policy Pool unit values from the previous 12 quarters. The annual dividend is then calculated as 5% of that average. This dividend per share must fall between 4% and 6% of the actual current year-end unit value. If it is greater than 6%, then it is capped at 6% of the current unit value. If it is less than 4%, then it is set at 4% of the current unit value.

In each month of the following year, 1/12th of this dividend is paid to every spending policy trust. The dividend comes from any traditional income (bond interest and stock dividends) earned in that month and is supplemented from the Trust’s net appreciation over its historic dollar value. If the market value for a given trust is less than its historic dollar value in any given month, the portion of the monthly dividend that is not traditional income is reinvested and will not be held in the trust for distribution.

Over the course of the accumulating year, Spending Policy Pool dividends are invested in a money market fund until the annual distribution, which immediately follows the next year’s January Board of Directors meeting.

NOTE D - INVESTMENT IN CHRISTIAN STEWARDSHIP MUTUAL FUNDS

Certain trusts with noncharitable income or remainder beneficiaries are not eligible to pool investments with trusts which are, or will ultimately become, fully charitable. NOTE G - REMAINDER INTERESTS IN ASSETS HELD BY OTHERS

The Foundation is the principal remainder beneficiary of a charitable remainder unitrust which provides for specified payments to facilities now operated by Oklahoma Baptist Homes for Children, Inc. with the remainder to be distributed outright to the Foundation to be used for purposes as determined by its officers. The fair market value of assets held by the trust approximated \$3,555,000 and \$3,448,000 at December 31, 2007 and 2006, respectively.

The trust agreement constitutes an unconditional promise to give. At December 31, 2007, the remainder interest had a discounted present value (discount rates of 3.9% and 3.8% at December 31, 2007, and 2006, respectively), of approximately \$1,241,000 (\$1,161,000 at December 31, 2006). Changes in the value of the remainder interest are recognized as temporarily restricted income or losses until all donor imposed restrictions are met.

NOTE H - PROPERTY AND EQUIPMENT

Property and equipment consist of the following as of December 31:

	2007	2006
Office furniture	\$ 357,514	\$ 348,668

Depreciation expense totaled \$157,922 and \$136,843 for the years ended December 31, 2007 and 2006, respectively.

NOTE I - POSTRETIREMENT BENEFITS OTHER THAN PENSIONS

The Foundation maintains a plan to provide health, life and termination benefits to retirees. Estimated costs are recognized over the employee's active service period. The plan, as originally adopted, provided health and life premium coverage for all employees and spouses after ten years of service upon normal retirement. Subsequently, the plan was amended to increase the service period to 15 years and to limit coverage by excluding spouses. This amendment resulted in an unrecognized prior service benefit of \$139,328 and an unrecognized net gain of \$40,618. In 2005, the plan was further amended to eliminate all postretirement health care and life insurance benefits for current employees and life insurance benefits for most of the current retirees. A more complete explanation of this amendment is included below. The plan as adopted and amended is unfunded.

The Baptist Foundation of Oklahoma

NOTE I - POSTRETIREMENT BENEFITS OTHER THAN PENSIONS - CONTINUED

In September 2006, FASB issued Statement of Financial Accounting Standards No. 158, *Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans: an amendment of FASB Statements No. 87, 88, 106 and 132(R)* (Statement 158). The Foundation adopted the recognition and disclosure provisions of Statement 158 effective December 31, 2007. Statement 158 requires the funded status of its defined benefit pension and other postretirement plans be fully recognized in the statement of financial position. The incremental effects of applying Statement 158 on individual line items in the statement of financial position as of that date are as follows

	Before Application of SFAS No. 158	Adjustments	After Application of SFAS No. 158
Accrued postretirement benefits	\$ 569,135	\$ (59,693)	\$ 509,442
Unrestricted net assets	4,563,995	59,693	4,623,688
Total net assets	12,280,960	59,693	12,340,653

In addition, the Foundation early adopted the measurement provisions of Statement 158 which require that plan assets and obligations be measured at the year-end statement of financial position date. As a result, the Foundation changed its measurement date for its plan from September 30 to December 31. Application of the measurement provisions of Statement 158 had no effect on the financial statements.

The following relates to the Foundation's postretirement plan which has measurement dates of December 31, 2007 and September 30, 2006:

	2007	2006
Accumulated postretirement benefit obligations		
For retirees	\$ 402,631	\$ 432,437

The following benefit payments, which reflect expected future service, as appropriate, are expected to be paid:

2008	\$	39,312
2009		40,485
2010		41,222
2011		50,623
2012		69,086
2013-2017		214,217

In December 2003, the Medicare Prescription Drug, Improvement and Modernization Act of 2003 was enacted. Among other features, the Act introduces a prescription drug benefit under Medicare Part D and a federal subsidy to sponsors of retiree health care plans that provide a benefit that is at least actuarially equivalent to Medicare Part D. The effects of this Act were considered in the actuarial valuation prepared by our outside actuary. Based on the actuary's analysis, the prescription benefit coverage provided to retirees under the plan is at least actuarially equivalent to those provided by Medicare Part D. Therefore, for purposes of the actuarial valuation, it was assumed that the Foundation will receive the benefits of a subsidy in the form of reduced Medicare supplement premiums.

NOTE J - LIABILITY TO BENEFICIAL OWNERS

The Foundation was formed to administer funds and receive property on behalf of the Convention and other Baptist institutions. In its capacity as trustee, administrator, custodian or agent, the Foundation holds assets for these organizations. In addition, the Foundation acts as trustee under revocable and irrevocable agreements in which donors have retained interest in income, principal or both. The following summarizes categories of arrangements under which the Foundation has liabilities to these beneficial owners.

Liabilities to Income Beneficiaries under Split-Interest Agreements

Gift Annuity Contracts These agreements have been entered into between the Foundation and a donor under which the Foundation has agreed to pay a specified amount, at least annually, to a noncharitable income beneficiary. Typically, income payments are for life. The liability to income beneficiaries represents a general liability of the Foundation. This liability is equal to the present value of estimated future payments. Obligations to make future payments are discounted at 5% which equals the estimated long-term return on investments. Those payments which are for life are estimated using 1999 unisex tables published by the Internal Revenue Service.

Liabilities To Income Beneficiaries Under Irrevocable Trust Agreements The balances represent the present value of estimated future payments to noncharitable beneficiaries under irrevocable trusts. This includes amounts estimated to be payable to beneficiaries of charitable remainder annuity trusts, charitable remainder unitrusts and other trusts whose remainder beneficiaries may be partially noncharitable. Obligations to make future payments are discounted at 5% which equals the estimated long-term return on investments. Those payments which are for life are estimated using 1999 unisex tables published by the Internal Revenue Service.

NOTE J - LIABILITY TO BENEFICIAL OWNERS - CONTINUED

Refundable Advances

Assets Held Under Custodial Arrangements The Foundation holds and invests assets for the Convention and its affiliates in a custodial capacity. The balances represent the Foundation's liability to return amounts transferred and unremitted earnings to these affiliates. These funds are generally invested in the investment pools in ratios selected by the owner.

Conditional Transfers From Donors The Foundation receives assets as trustee under agreements that are revocable or provide that trust corpus may be invaded for the benefit of the grantor or a noncharitable beneficiary. Because these assets may be withdrawn by revocation or through consumption by noncharitable beneficiaries, they are considered to be conditional transfers. To the extent the Foundation is an ultimate beneficiary under these agreements, a contribution will be recognized when all conditions are met, which is typically when the trust becomes irrevocable and the rights of noncharitable beneficiaries to corpus lapse.

Assets Held For Others

Assets Held As Trustee Under Permanent Endowments The Foundation acts as trustee for numerous permanent charitable endowment trusts. These trusts generally benefit the Convention and its affiliates or other Southern Baptist affiliated institutions. Earnings from these funds are disbursed periodically under terms of the agreement or at the discretion of the beneficiary, based upon the Foundation's spending policy. While the Foundation will administer these assets in perpetuity, the rights to enjoyment of benefits are vested in the income beneficiaries.

Assets Held Under Agreements With Affiliated Organizations To Administer Endowment Or Other Trust Agreements The Foundation holds, invests and administers assets under trust agreements that name the Convention or its affiliates as trustee. These trusts are administered in a manner identical to those trusts in which the Foundation is named trustee.

Remainder Interests Under Gift Annuity And Irrevocable Agreements These balances represent the remainder interest in assets subject to payments to income beneficiaries as discussed above. Where agreements ultimately benefit the Foundation, remainder interests are included under temporarily or permanently restricted net assets.

The following is a summary of beneficial owners and their present interest in assets at December 31:

	2007	2006
Baptist General Convention of the State of Oklahoma	\$ 27,606,356	\$ 27,715,449

NOTE K - AFFILIATED ENTITIES

The majority of the funds administered by the Foundation are for the benefit of the Convention, its affiliates, Baptist churches and associations and various other Baptist organizations. Principal affiliates of the Convention and, thus, the Foundation are Oklahoma Baptist University, Oklahoma Baptist Homes for Children, Inc., and Baptist Village Retirement Communities of Oklahoma, Inc. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Convention at its annual meeting.

The Foundation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year ended December 31, 2007 were \$50,000 (\$49,992 for the year ended December 31, 2006).

As discussed in Note M, the Foundation has entered into an operating lease for office facilities with the Convention.

The Foundation makes loans to churches, associations and agencies affiliated with the Convention to finance the purchase of land and buildings. These loans are secured by first mortgages on the property and buildings constructed. The lives of these loans vary up to a maximum of 20 years. Interest rates are set by the Church Building Loan Committee with consideration given to the current rates available from commercial sources. The balance of church building loans outstanding at December 31, 2007 was \$55,020,821 (\$49,359,747 at December 31, 2006). An allowance of \$1,130,036 for uncollectible loans was recorded as of December 31, 2007 (\$1,036,410 as of December 31, 2006). Loans totaling \$1,650,619 and \$1,768,043 were guaranteed by the Baptist Foundation of Texas under a guaranty servicing agreement at December 31, 2007 and 2006, respectively.

NOTE L - PENSION PLAN

All employees of the Foundation are eligible to participate in a defined contribution pension plan administered by the GuideStone Financial Resources of the Southern Baptist Convention. Under the plan, the Foundation contributes an amount equal to 10% of participating employees' salaries. Employee contributions are voluntary. Total pension expense for the year ended December 31, 2007 was \$139,306 (\$130,162 for the year ended December 31, 2006). The Foundation's policy is to fund pension cost as it is incurred.

NOTE M - LEASED FACILITIES

The Foundation conducts its operations from facilities leased from the Convention. The lease had an initial term of ten years with options to renew for ten additional one-year periods. The agreement provides for increases based upon escalations in operating costs. Rental expense under the lease totaled \$148,456 for 2007 (\$143,119 for 2006). The future annual rental commitments reflect anticipated annual renewals through the expected lives of the related leasehold improvements.

NOTE M - LEASED FACILITIES - CONTINUED

The Foundation also leases office facilities in Tulsa under a lease expiring December 31, 2008. Expense under the lease for 2007 totaled \$21,369 (\$20,515 for 2006).

Office space is also leased by the Foundation in Ardmore on a month-to-month basis for \$3,600 per year.

The minimum future annual rental commitments under these leases are as follows:

Period ending December 31

2008	\$ 171,600
2009	157,430
2010	162,694
2011	168,133
2012	173,754
Thereafter	<u>755,085</u>
	<u>\$ 1,588,696</u>

NOTE N - COMMITMENTS AND CONTINGENCIES

At December 31, 2007, the Foundation had outstanding commitments totaling \$12,846,433 (\$18,134,912 at December 31, 2006) for church building loans.

At December 31, 2007, the Foundation had unfunded commitments totaling \$15,404,292 (\$12,395,330 at December 31, 2006) to purchase units of alternative investments.

From time to time, the Foundation may be involved in legal matters arising in the normal course of activities. In the opinion of management, the ultimate liability, if any, with respect to these matters will not have a materially adverse effect on the financial position or activities of the Foundation.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Baptist General Convention of Oklahoma
Oklahoma City, Oklahoma

We have audited the accompanying statements of financial position of the Baptist General Convention of Oklahoma (the "Convention"), as of December 31, 2007 and 2006, and the related statements of activities and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of the Convention's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Convention's internal control over financial reporting. Accordingly, we do not express such an opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Baptist General Convention of Oklahoma as of December 31, 2007 and 2006, and the activities and changes in net assets, and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 5 to the financial statements, effective December 31, 2007, the Baptist General Convention of Oklahoma adopted Statement of Financial Accounting Standards No. 158, *Employers' Accounting for Defined Pension and Other Postretirement Plans*.

BAPTIST GENERAL CONVENTION OF OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2007 AND 2006

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES

Organization

Baptist General Convention of Oklahoma (the "Convention"), a not-for-profit corporation established under the laws of the State of Oklahoma, operates as a religious organization. The Convention was organized for the purpose of fostering Baptist denominational activities in the State of Oklahoma, and to receive and disburse funds as provided by the various contributors. The Convention was incorporated in May 1917, for a term of twenty years with subsequent amendments providing for an organization in perpetuity. The executive office of the Baptist General Convention of the State of Oklahoma conducts the administrative activities of the Convention.

Merger with Baptist Building Corporation

Effective July 1, 2007, Baptist Building Corporation, was merged with Baptist General Convention of Oklahoma. The effect of the merger is presented retroactively through the beginning of 2006, with the cumulative effect of the change as of the beginning of 2006 presented to beginning retained earnings for 2006. As a result of the merger all material intercompany accounts and transactions have been eliminated.

Baptist General Convention of Oklahoma net assets as previously stated at December 31, 2005	\$ 43,630,997
Baptist Building Corporation net assets at December 31, 2005	<u>1,480,729</u>
Baptist General Convention of Oklahoma retroactively restated net assets at December 31, 2005	<u>\$ 45,111,726</u>

Composition of Reporting Entity

The Convention's board of directors and executive officers are elected annually by messengers from participating Baptist Churches cooperating with and contributing to the work of the Baptist General Convention of the State of Oklahoma. The Convention also has numerous affiliates whose board of directors are also elected by the before mentioned messengers of participating Baptist Churches.

The accompanying financial statements include net assets and operations of the Baptist General Convention of Oklahoma, and include all statewide activities conducted by the Convention. Any activities conducted by affiliates are excluded from the Conventions financial statements. The financial statements do not consolidate net assets and activities of any affiliates.

According to the corporate bylaws of the Convention and each of its affiliates, the executive director of the Convention is to serve as a voting member of each affiliates' board. The Convention also has the authority to limit total external borrowings, approve the amount budgeted for capital expenditures, and determine the amount of excess cash funds to be identified for board designated purposes for each affiliate.

Method of Accounting

The financial statements of the Convention have been prepared utilizing the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS

Financial Statement Presentation

The financial statement presentation follows Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Convention is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. In addition, the Convention is required to present a statement of cash flows.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Economic Dependency

The Convention is dependent upon contributions from participating Baptist Churches located in Oklahoma. The churches' contributions are primarily dependent upon the economic conditions of Oklahoma.

Cash and Cash Equivalents

The Convention considers all liquid investments with original maturities of three months or less to be cash equivalents.

Concentrations of Credit Risks

The Convention maintains cash balances in various operating accounts. Cash in excess of a minimum balance is automatically transferred to an interest-bearing account secured by U.S. Government obligations. The Convention has not experienced any losses in cash and cash equivalents and does not believe that they are exposed to significant credit risk.

Investments and Investment Income

Investments in pooled equity securities and all investments in pooled debt securities are carried at fair value. Investments in church building loans are amounts equal to the principal balances of these loans less an allowance for uncollectible loans. The carrying amount of church building loans is estimated to approximate their market value.

The Convention is also the ultimate beneficiary under certain irrevocable agreements trustee or administered by the Baptist Foundation of Oklahoma. Under these agreements, income is payable for life or a specified period of time to a beneficiary with the remainder interest payable to the Convention. Agreements include gift annuity contracts, charitable remainder trusts and other irrevocable trusts under which the Convention is the remainder beneficiary. These agreements constitute unconditional promises to give and be recognized as income in the period the promise is given. Gifts are valued by reducing total assets held by the Baptist Foundation of Oklahoma by the present value of estimated future income payments over the term of the agreement or life expectancy of the income beneficiary utilizing a 5 percent discount rate.

NOTES TO FINANCIAL STATEMENTS

Other investments consist of various common stocks received as contributions restricted for the Falls Creek Capital Campaign.

Investment income includes income from interest and dividends, and income from realized and unrealized gains and losses on investments.

Inventory

Inventory is valued at the lower of cost (first-in, first-out method) or market.

Property and Equipment

Property and equipment acquisitions in excess of \$500 are capitalized and recorded at cost. Donated capital assets are reported at their estimated fair value at the time of their donation or current estimated market value. All capital assets other than land are depreciated or amortized (in the case of capital leases) using the straight-line method of depreciation over these asset lives:

Land improvements	20-40 years
Buildings and building improvements	20-40 years
Furniture and equipment	4-6 years
Automobiles and machinery	3-10 years

Post retirement Benefits Other Than Pensions

Insured health benefits and life insurance coverage are provided to certain employees and their spouses after ten years of service upon normal retirement. Estimated costs of these benefits are recognized during the employees' active service period. Several assumptions are made in determining the obligation associated with the plan. The assumptions used in determining the obligation are as follows:

	<u>2007</u>	<u>2006</u>
Weighted average discount rate	6.00%	5.75%
Expected rate increase in long-term healthcare costs	9.50%	9.50%
Ratable annual reductions until the year ending	2013	2012
Ultimate long-term health care rate of	5.00%	5.00%

Differences in actual results from original assumptions are reflected as an unrecognized gain at December 31, 2007 and 2006.

Compensated Absences

Employees earn vacation days at varying rates depending on years of service. Employees may accumulate vacation days up to a specified maximum. Compensated absence liabilities are computed using the regular pay in effect at the balance sheet date.

NOTES TO FINANCIAL STATEMENTS

Contributions

The financial statement presentation follows SFAS No. 116, "Accounting for Contributions Received and Contributions Made," whereby contributions received, and unconditional promises to give are recognized as revenue in the period received or promised and are reported as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

Revenue Recognition and Support

The Convention reports gifts of cash and other assets as unrestricted contributions unless they are received with donor stipulations that limit the use of the asset. In the case that a donor restriction expires, through the passage of time or when the stipulated purpose is accomplished, temporarily restricted net assets are reclassified as unrestricted and reported as net assets released from restrictions. Donor restricted net assets whose stipulations are met within the same year as the reporting period are reflected as unrestricted net assets in the statements of activities.

Contributions received under endowment agreements, where donors have restricted the use of income received from the asset, are reported as increases in permanently restricted net assets. Income and realized or unrealized gains that is not donor restricted are reported as increase in unrestricted net assets in the statement of activities.

Long-lived assets, property and equipment, are recognized as unrestricted unless explicit donor requirements specify how the donated assets must be used. Gifts of long-lived assets with specific use restrictions and gifts of cash or other assets that are required to be used to acquire long-lived assets are reported as restricted support. The expiration of donor restrictions on long-lived assets are reported as expired when the associated asset is placed into service.

Revenue from the sale of subscriptions, advertising, printing fees, and other sources, is recognized when the transaction associated with sale or service is substantially complete.

Income Taxes

The Convention is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Reclassification

Certain amounts in 2006 have been reclassified to conform to the 2007 presentation.

NOTE 2 - UNCONDITIONAL PROMISES TO GIVE

In the year 1999, the Convention initiated the Falls Creek "For the Sake of the Call" special fund raising campaign designed to strengthen the missions and ministry that take place at the Falls Creek facility through implementation of the master plan developed to revitalize the conference center. The goal of the campaign is to raise \$34,000,000. At December 31, 2007 and 2006, pledges and cash totaling approximately \$25,250,000 and \$23,750,000, respectively, had been received. Contributions receivable are recorded net of a discount and an allowance for doubtful receivables. Contributions receivable have been discounted at five percent which represents an estimated rate of return on long-term investments. Amortization of the discount representing interest income was recorded as temporarily restricted contribution revenue in the amounts of \$523,501 and \$116,394, for the years ending December 31, 2007 and 2006, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - LONG-TERM PLEDGE PAYABLE

The Convention is party to a 1990 agreement under which \$4,300,000 of funds of the Convention were invested with the Corporation to provide for the purchase and renovation of the Baptist Building. The terms of the agreement were modified several times subsequent to 1990 with amendments governing the rate of interest, and provisions for payment.

In February, 2002, the Convention finalized a "Funding Payoff Agreement" with the Oklahoma Baptist Homes for Children, Inc. (the "OBHC"). The purpose of the agreement is to provide for the eventual transfer of the investment in the Corporation to the OBHC.

In March, 2004, the board of directors of the OBHC approved a resolution revising the "Funding Payoff Agreement", which was accepted by the board of directors of the Corporation. Under the terms of the revised agreement, the \$3,518,890 pledge payable was to be paid without interest at \$198,000 per year until paid in full. The balance at the time of the revision was discounted to reflect the present value of the pledge payable. Amortization of the discount on the long-term pledge payable for the year ended December 31, 2007 and 2006, was \$105,306 and \$109,984, respectively. The value of the discounted funding agreement at December 31, 2007 and 2006, is detailed in the summary of the long-term pledge payable below:

NOTE 9 - SELF-INSURED WORKERS COMPENSATION PLAN

The Convention is self-insured for workers compensation claims. Insurance is carried which limits liability on individual and aggregate claims. The Convention has recognized as expense in the current year the amount of claims paid for the year and an amount equal to the estimated amount of future claims arising from losses incurred in the current and prior periods. At December 31, 2007 and 2006, accounts payable includes \$40,000 and \$40,000, respectively, related to estimated future claims.

NOTE 10 - TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are available for the following purposes at December 31, 2007 and 2006:

	<u>\$ 15,327,995</u>	<u>\$ 19,362,909</u>

NOTE 11 - PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets represent investments and remainder interests held in perpetual endowment trusts under donor terms that restrict use to the income from these assets.

NOTE 12 - DEFINED CONTRIBUTION PENSION PLAN

The Convention maintains a salary contributory defined-contribution retirement plan covering substantially all employees. Pension expense is recorded for the amount of the Convention's required contributions determined in accordance with the terms of the plan. The plan is administered by the Annuity Board of the Southern Baptist Convention and provides retirement benefits to plan participants and their beneficiaries. The Convention contributes an amount equal to 10 percent of participating employees' salaries and employee contributions are voluntary.

The Convention's contributions to the plan were approximately \$572,607 and \$527,948 for the years ended December 31, 2007 and 2006, respectively.

NOTE 13 - COMMITMENTS AND CONTINGENCIES

The Convention has guaranteed bonds issued by the Oklahoma Baptist University Authority. The bonds are secured by proceeds from a lease of the main campus facilities at Oklahoma Baptist University, and a municipal bond insurance policy. At December 31, 2007 and 2006, the unfunded liability for bond principal and interest approximated \$4,975,521 and \$6,685,872, respectively.

NOTES TO FINANCIAL STATEMENTS

During 1999, the Oklahoma Development Finance Authority issued the "Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1999", the proceeds of which were loaned to the Convention and the Baptist Village Retirement Communities of Oklahoma to retire "Oklahoma County Industrial Authority Baptist General Convention of the State of Oklahoma Retirement Center Revenue Refunding Bonds, Series 1989". The Convention is a co-borrower under the note, along with the Baptist Village Retirement Communities of Oklahoma, and is responsible for its repayment. The Oklahoma Development Finance Authority also issued the "Junior Lien Revenue Bonds, Series 1999, Baptist Retirement Centers of Oklahoma-Hugo Project", in which the liability under this issue is guaranteed by the Convention. At December 31, 2007 and 2006, the net liability under these issues approximated \$2,082,364 and \$4,106,956, respectively.

NOTE 14 - AFFILIATED ENTITIES AND RELATED PARTY TRANSACTIONS

NOTES TO FINANCIAL STATEMENTS

The Convention remains primarily liable on obligations associated with certain assets transferred to the Baptist Village Retirement Communities of Oklahoma, Inc. ("BVRC") subject to capital leases summarized in Note 6. In addition the Convention guarantees bonds issued by Oklahoma Baptist University and by the BVRC summarized in Note 13.

The Convention also participates in the cooperative program of the Southern Baptist Convention. Under the cooperative program, \$10,260,090 and \$10,308,555 were distributed to the Southern Baptist Convention during the years ended December 31, 2007 and 2006, respectively, for its various ministries. In addition, proceeds from offerings designated for specific Southern Baptist Convention ministries totaling \$7,054,642 and \$7,265,530 have been received and remitted to the Southern Baptist Convention during the years ended December 31, 2007 and 2006, respectively.

The Oklahoma Baptist Homes for Children, Inc., and the BVRC were created as a result of the actions of the board of directors of the Convention in the year 1993. Operating assets and investments were then transferred to these entities. These entities may not create debt for capital needs or undertake any major expansion projects without the consent of the Convention or its board of directors.

At December 31, 2007 and 2006, \$18,384 and \$182,561, respectively, were receivables due from the BVRC relating to the net liability under a capital lease obligation in which the Convention remains primarily liable (see Note 6).

BAPTIST VILLAGE RETIREMENT COMMUNITIES OF OKLAHOMA, INC.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2007 and 2006

1. Summary of Significant Accounting Policies

Nature of Operations - Baptist Village Retirement Communities of Oklahoma, Inc. (the Corporation) is a not-for-profit corporation organized to provide the aged, sick or injured with housing facilities, long term care nursing facilities and other services designed to meet their physical, social, psychological and spiritual needs and to contribute to their health, security, happiness, spiritual well-being and usefulness in longer living as mandated by the Scriptures as a ministry of the Gospel of Jesus Christ. The Corporation is an auxiliary corporation of the Baptist General Convention of the State of Oklahoma (the Convention).

The Corporation's Baptist Villages are located in the following Oklahoma communities: Ada, Cleveland, Madill, Okmulgee, Hugo, Owasso and Oklahoma City. During 2003, the Corporation began construction of a new Village located in Broken Arrow, Oklahoma.

Financial Statement Presentation - The Corporation's financial statements are presented on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles for not-for-profit organizations. Net assets are classified as either unrestricted, temporarily restricted, or permanently restricted, based on the existence or absence of donor-imposed restrictions.

Transfer of Assets from Baptist General Convention of the State of Oklahoma - During 1993, the Board of Directors of the Convention formed the Corporation and initiated a plan under which all operating assets of retirement centers operated by the Convention, subject to certain liabilities, were transferred to the Corporation. Transfers were approved by creditors of the Convention, and assets transferred remain pledged as collateral on Convention debt. Final approval was obtained during 1995. Debts for which the Convention remains primarily liable, but which relate to assets included on the Corporation balance sheet, are reported as liabilities of the Corporation.

Contributions - The Corporation reports support in conformity with U.S. generally accepted accounting principles for not-for-profit organizations. Contributions, including unconditional promises to give, are recognized as revenues in the period received or promised and are reported as either unrestricted, temporarily restricted, or permanently restricted, dependent on the existence and/or nature of any donor restrictions.

Unconditional promises to give as reflected in the accompanying balance sheet consist of pledges made under a capital improvement fund drive (Note 2) and remainder interest in assets held in irrevocable trusts by The Baptist Foundation of Oklahoma (The Foundation) (Note 3).

BAPTIST VILLAGE RETIREMENT COMMUNITIES OF OKLAHOMA, INC.

NOTES TO FINANCIAL STATEMENTS

(Continued)

For the Years Ended December 31, 2007 and 2006

Donor Restrictions - The Corporation reports gifts of cash or other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, through the passage of time or when a stipulated purpose is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of operations as net assets released from restrictions. Donor restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Gifts of cash or other assets received under endowment agreements where donors have restricted use to the income from the assets are reported as increases in permanently restricted net assets. These assets are generally held in trust by The Foundation (Note 3) or by other trustees. To the extent income and realized or unrealized gains are not restricted by donor stipulations or state law, these items are reported as increases in unrestricted net assets in the statement of operations.

The Corporation reports gifts of property, equipment and long-lived assets as unrestricted support unless explicit donor stipulations specify how donated assets must be used. Gifts of long-lived assets with specific use restriction and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. The Corporation reports expiration of donor restrictions when the donated or acquired assets are placed in service.

Property and Equipment - The Corporation capitalizes property and equipment with a cost or fair market value at date of contribution of \$500 or more. Depreciation has been provided on the straight-line method. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets. Lives generally used are:

Land improvements	20 -40 years
Buildings	20 -50 years
Furniture and equipment	4 -10 years
Automobiles and machinery	3 -10 years

Refundable Fees and Life Occupancies - Residents entering into life occupancy agreements pay a cost fee for the right to occupy duplexes constructed at various retirement communities on land owned by the Corporation. A portion of the cost fee of agreements entered into after the year 2000 is refundable and is recorded as a liability in the accompanying financial statements. The remainder is recorded as deferred revenue and is being amortized annually to rental income.

NOTES TO FINANCIAL STATEMENTS

(Continued)

For the Years Ended December 31, 2007 and 2006

Use of Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimated.

Income Taxes - The Corporation is exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

Statement of Cash Flows - For purposes of the statement of cash flows, only bank deposits subject to immediate withdrawal are considered to be cash equivalents.

2. Unconditional Promises to Give

Pledges constitute unconditional promises to give and were recognized as support in the period received. Pledges have been valued at the net present value of future cash flows net of an allowance for uncollectible pledges. Pledges receivable have been discounted at 4% which represents an estimated rate of return on long-term investments.

The following summarizes pledges receivable:

<u>Year Ending December 31,</u>	<u>Total</u>	<u>Present Value</u>

Remainder Interests - The Corporation is the ultimate beneficiary under certain irrevocable agreements trusted or administered by The Baptist Foundation of Oklahoma, Inc. 7. Postretirement Benefits Other Than Pensions

The Corporation provides insured health benefits and life insurance coverage to managerial employees and spouses after ten years of service upon normal retirement. Estimated costs of these benefits are recognized during the employees' active service period.

In September, 2006, FASB issued Statement of Financial Accounting Standards No. 158, *Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans: an amendment of FASB Statements No. 87, 88, 106 and 132(R)* (FASB 158). The Corporation adopted the recognition and disclosure provisions of FASB 158 effective December 31, 2007. FASB 158 requires the funded status of its defined benefit pension and other postretirement plans be fully recognized in the statement of financial position. The incremental effects of applying FASB 158 on individual line items in the statement of financial position as of that date are as follows:

	<u>Before Application of FASB No. 158</u>	<u>Adjustments</u>	<u>After Application of FASB No. 158</u>

BAPTIST VILLAGE RETIREMENT COMMUNITIES OF OKLAHOMA, INC.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2007 and 2006

The change in accrued postretirement benefit cost for the year ended December 31, 2007 is as follows:

Accrued postretirement benefit cost - January 1	\$1,388,483
Net postretirement benefit costs	170,837
Benefits paid	(48,538)
Change in unrestricted net assets due to adoption of FASB No. 158	<u>(489,833)</u>
Accrued postretirement benefit cost - December 31,	<u><u>\$1,020,949</u></u>

In determining the obligation under the plan, a weighted average discount rate of 6.50% was assumed for 2007 and 5.75% for 2006. Health care (premiums) costs were estimated to increase by 9.50% in 2007, with ratable annual reductions until an ultimate rate of 5% is reached in 2013. In calculating the liabilities at January 1, 2007, an increase of 9.5% decreasing to 5% in 2013 was used. Differences in actual results from original assumptions are reflected as an unrecognized loss at December 31, 2007.

8. Affiliated Entities

As disclosed in Note 1, the Corporation is affiliated with the Baptist General Convention of the State of Oklahoma (the Convention), its affiliates and various other Baptist organizations. Principal affiliates of the Convention and thus the Corporation, are The Baptist Foundation of Oklahoma, The Oklahoma Baptist University, Oklahoma Baptist Homes for Children, and Baptist Building Corporation. For this purpose, affiliates are those organizations whose directors or trustees are elected by the participating churches of the Baptist General Convention of the State of Oklahoma at its annual meeting.

The Corporation receives appropriations from the Cooperative Program of the Convention. Appropriations received for the year were \$743,016.

9. Leased Facilities

The Corporation leases office facilities from the Convention under an annual lease agreement. Expenses in the current year totaled \$58,806. Annual rentals for 2008 are expected to approximate \$88,300.

10. Restriction on Assets

At December 31, 2007, temporarily restricted net assets consisted of remainder interests held in trust of \$451,619 (2006 - \$436,906) that are restricted for a period of time and \$197,669 (2006 - \$179,145) of assets restricted to specific purposes. These amounts are primarily designated for capital improvements. Permanently restricted net assets represent investments and remainder interests held in perpetual endowment trusts under donor terms that restrict use to the income from these assets.

11. Commitments, Contingencies and Concentrations of Credit Risk

As discussed in Note 1, the Corporation assumed certain liabilities of the Convention as a part of the transfer of assets. In addition, the Corporation has guaranteed notes payable as discussed in Note 4.

The Corporation self insures workers' compensation claims. Insurance is carried to limit liability on individual and aggregate claims. The Corporation has recognized as expense in the current year the amount of claims paid for the year and an amount to accrue estimated future claims arising from losses in the current period.

Periodically in the course of operations, the Corporation may have cash on deposit with financial institutions in excess of federally insured amounts.

The providing of geriatric care services to the elderly creates the risk of potential malpractice claims. While there are no current asserted or unasserted claims in excess of liability insurance coverage in force, it is possible that events may occur in the ordinary course of business which could give rise to future claims.

Independent Auditors' Report

To the Board of Trustees of
Oklahoma Baptist Homes for Children, Inc.

We have audited the accompanying statements of financial position of Oklahoma Baptist Homes for Children, Inc. ("OBHC") as of December 31, 2007 and 2006, and the related statements of activities and changes in net assets, and cash flows for the years then ended. These financial statements are the responsibility of OBHC's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OBHC's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oklahoma Baptist Homes for Children, Inc. as of December 31, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

As discussed in Notes B and G to the financial statements, OBHC adopted Statement of Financial Accounting Standards No. 158, *Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans, an amendment of FASB Statements No. 87, 88, 106, and 132(R)*, effective December 31, 2007, which changed its method of accounting for its postretirement plan.

As discussed in Note L to the financial statements, certain errors resulting in a misclassification of net assets as of December 31, 2005, were discovered during the current year. Accordingly, adjustments have been made to correct net assets as of January 1, 2006.

NOTES TO FINANCIAL STATEMENTS

OKLAHOMA BAPTIST HOMES FOR CHILDREN, INC.

December 31, 2007

NOTE A--ORGANIZATION

Oklahoma Baptist Homes for Children, Inc. ("OBHC") is an Oklahoma not-for-profit organization supported primarily by private donations. OBHC was incorporated in September 1993, and began operations on January 1, 1994, to provide care for children and to provide preventive and redemptive services for children, parents, and families. With donated funds, OBHC operates four homes or other living facilities for children in need and three hope pregnancy centers. Prior to 1994, OBHC was a division of the Baptist General Convention of Oklahoma, Inc. ("BGCO").

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summarizes certain significant accounting policies followed by OBHC. These policies conform to accounting principles generally accepted in the United States of America:

Contributions: Contributions received, including unconditional promises to give, are recognized as revenues in the period received at their fair values. Contributions made, including unconditional promises to give, are recognized as expenses in the period made at their fair values. Conditional promises to give, whether received or made, are recognized when they become unconditional, that is, when the conditions are substantially met. For financial reporting purposes OBHC distinguishes between contributions of unrestricted assets, temporarily restricted assets, and permanently restricted assets.

OBHC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated asset. If a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, in the same fiscal year as the year of the receipt of the gift, the gift is considered unrestricted. When a donor restriction expires on gifts classified as temporarily restricted, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of changes in net assets as net assets released from restrictions. All contributed assets are reflected at the fair market value at the date of contribution.

The Baptist Foundation of Oklahoma ("BFO") holds certain funds under gift annuity contracts and other irrevocable trust agreements for which the remainder interest is held for the benefit of OBHC. OBHC is entitled to these remainder interests, which qualify as unconditional promises to give and are recorded at their discounted present value utilizing a 5% rate.

Cash and Cash Equivalents: For purposes of the statements of cash flows, OBHC considers cash on hand and deposits in banks to be cash and cash equivalents.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investments: Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value. Gains and losses on debt and equity securities are reported in the statements of changes in net assets as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by donor stipulations or by law.

BFO was created for the purpose of receiving and managing all investments for the various Baptist entities including OBHC. The investments managed by BFO are separated into the following categories:

Endowment - Investments in perpetuity, the income from which is expendable to support the donor imposed restriction, if any.

Restricted - Non-endowment investments for which the principal and income have donor restrictions as to their use.

Custodial - Non-endowment investments for which the principal and income is not donor restricted.

Loan - Non-endowment funds for which the principal and income may be used for providing loans to OBHC alumni.

A listing of the nine traditional investment funds used by BFO, and the types of investments held within each fund, is as follows:

Large-Cap Value Fund - marketable equity securities

Large-Cap Growth Fund - marketable equity securities

Small/Mid-Cap Value Fund - marketable equity securities

Small/Mid-Cap Growth Fund - marketable equity securities

International Equity Fund - marketable equity securities

Total Return Bond Fund - marketable corporate debt securities

Intermediate Bond Fund - marketable corporate debt securities

Church Building Loan Fund - debt of Southern Baptist churches

Money Market Fund - institutional cash money market fund

Alternative investments consist primarily of cash equivalents and other investment vehicles including structured settlements, distressed debt, venture capital, private equity, real estate, and hedge funds.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investments--continued: All marketable securities held in the pools are recorded at market value. The market value of the church building loans is determined as the principal balance less the allowance for doubtful loans. Other investments held outside the investment funds are presented at cost.

Risks and Uncertainties: Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and those changes could materially affect the financial statements.

Concentrations of Risk: OBHC receives the majority of its contributions from residents of Oklahoma.

OBHC maintains cash balances at financial institutions located in Oklahoma. From time to time, the account may exceed the limits insured by the Federal Deposit Insurance Corporation.

Fixed Assets: Fixed assets are recorded at cost. It is OBHC's policy to capitalize all furniture and fixtures, equipment, and vehicles with a cost in excess of \$5,000 and all buildings and leasehold improvements with a cost in excess of \$25,000. The cost and related accumulated depreciation of assets sold or retired are removed from the accounts and the resulting gains or losses are included in the statements of activities and changes in net assets. Maintenance repairs and minor renewals are expensed as incurred. These assets are depreciated over their estimated useful lives using the straight-line method. The following useful lives are used:

Furniture and fixtures	6-20 years
Equipment	6 years
Vehicles	3 years
Buildings and leasehold improvements	10-40 years

Net Asset Classifications: Net assets have been segregated to achieve a proper segregation and fair presentation of those resources available for use at the discretion of the board and of those resources over which the board has little, if any, discretion as to use because of externally imposed restrictions.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Net Asset Classifications--Continued:

The following net asset segregations have been established for OBHC:

Unrestricted net assets - Represents resources over which the governing board has discretionary control to use in carrying on the operations of OBHC.

Temporarily restricted net assets - Represents (a) resources currently available for use, but expendable only for purposes specified by the donor, and (b) resources held by BFO that are not permanently restricted, but which are subject to the distribution policy of BFO.

Permanently restricted net assets - Represents resources for which the principal is to remain intact in perpetuity.

Revenue Recognition: Revenue of OBHC consists primarily of cooperative program distributions, voluntary contributions from Baptist churches throughout Oklahoma, and income earned on investments. OBHC's cooperative program distributions are budgeted annually at the discretion of BGCO. In accordance with the accrual basis of accounting, revenue is recognized when earned.

Functional Allocation of Expenses: Expenses are organized in both natural and functional classifications to provide useful information about the costs of significant programs or services provided by OBHC. Costs incurred are either directly related or allocated to a specific program or service.

Workers Compensation Insurance: OBHC is self insured with respect to workers' compensation claims. Monthly payments are made to a self-insured plan established by BGCO. This plan is self-insured to the extent of the excess liability insurance with an employer liability limit of \$1,000,000 per occurrence and a self insured retention of \$125,000 per occurrence.

Advertising Costs: All advertising costs are expensed as incurred. Advertising costs were approximately \$100,000 and \$85,000 for 2007 and 2006, respectively.

Income Taxes: OBHC is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

New Accounting Pronouncement: In September 2006, the FASB issued Statement No. 158 *Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans: an amendment of Statements No. 87, 88, 106, and 132(R)* ("SFAS 158"). SFAS 158 requires recognition of the overfunded or underfunded status of defined benefit postretirement plans as an asset or liability in the statement of financial position and requires companies to recognize changes in that funded status in the statement of activities and changes in net assets in the year in which the changes occur. On December 31, 2007, OBHC adopted the recognition and disclosure provisions of SFAS 158. The effect of adopting SFAS 158 on OBHC's financial position at December 31, 2007 has been included in the accompanying financial statements and is further discussed in Note G.

NOTE G--POST-RETIREMENT EMPLOYEE BENEFITS

OBHC sponsors unfunded post-retirement health care, life insurance, and retirement gift benefits. These post-retirement benefits are offered to all full time employees that were hired prior to September 27, 1994.

On December 31, 2007, OBHC adopted the recognition and disclosure provisions of SFAS 158. SFAS 158 required OBHC to recognize the funded status (i.e. the difference between the fair value of the plan assets and the projected benefit obligation) of its post-retirement plan in the December 31, 2007 accompanying statement of financial position, with a corresponding adjustment to unrestricted net assets. Accordingly, an adjustment of \$607,627 to increase unrestricted net assets was recorded at December 31, 2007.

The post-retirement benefit plan incremental effects of adopting the provisions of SFAS 158 on OBHC's accompanying balance sheet at December 31, 2007 are presented in the following table. The adoption of SFAS 158 had no effect on OBHC's excess of revenue over expenses for the year ended December 31, 2007, or for any prior period presented; and it will not affect OBHC's operating results in future periods.

	Prior to Adopting SFAS 158	Effect of Adopting SFAS 158	As Reported At December 31, 2007
Accrued benefit liability	\$ 2,209,862	\$ (607,627)	\$ 1,602,235
Unrestricted net assets	\$ 18,865,818	\$ 607,627	\$ 19,473,445

The amount of \$607,627 included in unrestricted net assets at December 31, 2007 has not yet been recognized in net periodic pension cost and represents net actuarial gains. The net actuarial gains included in unrestricted net assets expected to be recognized in net periodic pension cost during the year ending December 31, 2008 is insignificant.

Principal affiliates of OBHC are BGCO, BFO, Baptist Village Retirement Communities of Oklahoma, Inc., and Baptist Building Corporation ("BBC"). As of December 31, 2007 and 2006, OBHC had amounts due to related parties of approximately \$15,000.

As discussed in Note B, BFO holds and manages investments on behalf of OBHC. As of December 31, 2007 and 2006, investments held by BFO on behalf of OBHC were \$61,121,045 and \$54,777,329, respectively. In relation to holding and managing OBHC's investments, BFO charged total fees of approximately \$641,000 and \$581,000 for the years ended December 31, 2007 and 2006, respectively.

As of December 31, 2007 and 2006, OBHC had a long-term pledge receivable, net of discount, of \$1,978,412 and \$2,071,106, respectively, due from BGCO (see Note K).

NOTE J--NOTE RECEIVABLE FROM DEER LAKES, L.L.C.

On April 4, 2005, OBHC entered into a contract to sell a piece of property to Deer Lakes, L.L.C. The sales price was \$1,400,000, with \$350,000 paid up front in cash and the balance of \$1,050,000 financed via a note receivable from Deer Lakes, L.L.C. For the first five years of the note, Deer Lakes, L.L.C. would be required to make interest-only payments of \$63,000 starting on November 15, 2005, with interest at a fixed rate of 6%. Instead of fulfilling the life of the note, on March 8, 2007, OBHC received payment of the balance of the note, including interest.

NOTE K--LONG-TERM PLEDGE RECEIVABLE FROM BGCO

Effective March 23, 2004, the balance of OBHC's investment in BBC was replaced with a pledge receivable due from BBC. In May 2007, BBC was dissolved and the pledge was assumed by BGCO. The pledge, which does not have a stated interest rate, has a face amount \$3,537,409 and is due in 214 monthly payments of \$16,500 and one final payment of \$6,409. At December 31, 2007 and 2006, the pledge had a balance of \$2,794,909 and \$2,992,909, respectively, and is reflected in the December 31, 2007 and 2006 statements of financial position, net of an unamortized discount of \$816,497 and \$921,803, respectively. The original discount at the inception of the pledge was \$1,234,814, based on a discount rate of 5.19%. Income of \$105,306 and \$109,984 was recognized in the December 31, 2007 and 2006 statements of changes in net assets, respectively, from amortization of the discount.

NOTE L--PRIOR PERIOD ADJUSTMENT

During 2007, it was determined that OBHC was incorrectly classifying certain investments held in trust by BFO. As discussed in Note B, BFO holds endowment and other assets contributed to BFO for the benefit of OBHC. Although income and gains on the assets are generally unrestricted or temporarily restricted to a certain purpose, distributions to OBHC are subject to a spending policy as determined by BFO. OBHC has no ownership of the funds and cannot direct BFO to release additional funds over and above the annual distribution. Accordingly, an implied time restriction exists on amounts in excess of the original contributions that remain permanently restricted.

OBHC previously accounted for the appreciation on investments as permanently restricted and, in some cases, as unrestricted. Reclassification adjustments have been made to the January 1, 2006 net asset balances to correct such accumulated income errors from previously issued financial statements and to conform to the classifications used in the 2007 financial statements.

The effects of the reclassification adjustments to net asset balances at January 1, 2006 were to increase temporarily restricted net assets by \$12,049,894, decrease permanently restricted net assets by \$8,254,958, and decrease unrestricted net assets by \$3,794,936.

INDEPENDENT AUDITORS' REPORT

The Board of Trustees
The Oklahoma Baptist University
Shawnee, Oklahoma

We have audited the accompanying statements of financial position of THE OKLAHOMA BAPTIST UNIVERSITY as of July 31, 2007 and 2006, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the University's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Oklahoma Baptist University as of July 31, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended, in conformity with U.S. generally accepted accounting principles.

THE OKLAHOMA BAPTIST UNIVERSITY
NOTES TO FINANCIAL STATEMENTS

July 31, 2007

1. Organization and Summary of Significant Accounting Policies

Organization

The Oklahoma Baptist University was created by action of the Baptist General Convention of the State of Oklahoma in 1909 to function as an operating unit of the Convention under supervision of a Board of Trustees elected by that Convention. Articles of Incorporation were filed February 9, 1910 and amended November 25, 1974 with the State of Oklahoma and a charter was granted for a corporation of perpetual duration without capital stock. The purpose of the corporation is to encourage, support, provide and maintain Christian education and to engage in Christian undertakings which are in keeping with the purpose of the Baptist General Convention of the State of Oklahoma.

Summary of Significant Accounting Policies

Basis of Financial Statements -The financial statements of the University have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Contributions, including unconditional promises to give, are recognized as revenues in the period received or promised. Conditional promises to give are not recorded until conditions are substantially met.

Information regarding financial position and activities is reported in three classes of net assets based on the existence of, or absence of, donor-imposed restrictions. Net assets are classified as follows:

Unrestricted - Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Trustees or may otherwise be limited by contractual agreements with outside parties.

Temporarily Restricted - Net assets whose use by the University is subject to donor-imposed restrictions that can be fulfilled by actions of the University or by the passage of time. Assets received with donor-imposed restrictions that the University intends to use and actually uses within the same reporting period as received are treated in the same manner as unrestricted revenues for reporting purposes.

THE OKLAHOMA BAPTIST UNIVERSITY
NOTES TO FINANCIAL STATEMENTS

Page 7

(Continued)

Permanently Restricted - Net assets subject to donor-imposed restrictions that they be maintained permanently by the University. Generally, the donors of these assets permit the University to use all or part of the income earned on related investments for general or specific purposes. Such assets also include the University's beneficial interest in irrevocable trusts held by others.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and revenues and expenses recognized during the reporting period. Actual results could differ from those estimates.

Measure of Operations - The excess of revenues, gains and other support over expenses reflected in the accompanying statement of activities includes substantially all of the activities related to unrestricted net assets.

Cash and Cash Equivalents - Cash and cash equivalents include cash on hand and on deposit in demand and interest-bearing accounts administered by the University.

Investments - The University reports investments in equity securities (with readily determinable fair value) and all investments in debt securities at fair value in the statement of financial position, with gains and losses included in the statement of activities. The fair values of investments are generally determined based on quoted market prices or estimates of fair value provided by external investment managers. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year. Investments in real estate and mortgages and notes receivable are recorded at cost.

Income and gains or losses on investments are reported as follows:

Increases in permanently restricted net assets if the terms of the gift that gave rise to the investment or applicable law requires income or gains be added to the principal of a permanent endowment.

Increases in temporarily restricted net assets if the terms of the gift or applicable law impose restrictions on the use of the income and the income will not be used during the reporting period.

Increases in unrestricted net assets in all other cases.

THE OKLAHOMA BAPTIST UNIVERSITY
NOTES TO FINANCIAL STATEMENTS

Page 8

Generally, losses on the investments of restricted endowments reduce temporarily restricted net assets to the extent donor-imposed temporary restrictions on net appreciation of investments have not been met before the loss occurs. Any remaining losses reduce unrestricted net assets, but can be restored through subsequent investment gains.

Contributions Receivable - During the 1995-96 fiscal year, the University initiated the Foundation for the Future Campaign to raise \$25,000,000. The goal of the campaign includes \$10,000,000 for capital improvements, \$10,000,000 for endowment and \$5,000,000 for operations. The campaign ended in August 2002 with total pledges and cash contributions totaling \$31,043,385. During the 2005-06 fiscal year, the University initiated the Winning Spirit Campaign to raise \$4,780,000 for capital improvements. The campaign was in its final phase as of July 31, 2007. In addition to pledges from these campaigns, the University has received pledges from donors to fund various program and construction projects. Contributions receivable are recorded net of an allowance for doubtful receivables of 15% of the pledged contribution and net of a discount. The discount rate is based on the "risk free" treasury rates as quoted on July 31, 2007 and is applied on an annual basis. Significant estimates have been used to predict the future cash flows from pledged contributions. A amortization of the discount is recorded as additional contribution revenue.

The campaign contributions receivable (unconditional promises to give) are included in pledges receivable, and are as follows:

	2007	2006
Unconditional promises to give before unamortized discount and allowance for uncollectibles	\$1,424,626	\$1,180,027
Less unamortized discount	90,683	75,917
	1,333,943	1,104,110
Less allowance for uncollectibles	213,695	177,004
Net pledges receivable	<u>\$1,120,248</u>	<u>\$927,106</u>
Reported in the financial statements as:		
Due in less than one year	\$527,627	\$489,068
Due in one to five years	592,621	438,038
	<u>\$1,120,248</u>	<u>\$927,106</u>

Long-lived Assets - Gifts of land, building and equipment and other long-lived assets are reported as unrestricted support unless explicit donor stipulations specify how or how long the donated assets must be used, in which case the gift is reported as restricted support.

Educational Plant - Plant facilities are stated at cost less accumulated depreciation or, if received as a gift, at fair value or appraised value at the date received, less accumulated depreciation. Generally, improvements, renovations, and equipment purchases in excess of \$500 are capitalized. Depreciation is recognized on a straight-line basis over the estimated useful lives of the related assets as follows: buildings and improvements (50 years), equipment and software (10 years), vehicles and computer equipment (5 to 10 years). Depreciation begins in the year following the year of acquisition. Library materials, consisting of books, periodicals, microfilm, and electronic media, are recorded at cost less accumulated depreciation. Depreciation is recognized on a straight-line basis over an estimated useful life of 20 years beginning in the year following the year of acquisition.

Inventories - Inventories are stated at cost.

Student Notes Receivable - Of the \$1,403,238 (2006 - \$1,348,122) of notes receivable under student loans, \$933,456 (2006 - \$956,540) has been made to students under U.S. Government loan programs. The remainder of the loans have been made under the University's endowed loan program. The loans are stated at net realizable value in the accompanying statements. It is not practicable to estimate the fair value of these receivables since they contain federally mandated interest rates and repayment terms subject to significant restrictions as to their transfer and disposition.

Funds Held in Trust by Others - Funds held in trust by others represent amounts held for the beneficial interest of the University under irrevocable perpetual trust agreements between donors and third-party trustees. The University's interests in the trusts are recorded at the fair value of the net assets of the trusts, with net increases or decreases in fair value during the year being reported as changes to permanently restricted net assets. The amounts the University will ultimately realize could differ materially and significant fluctuations in fair values could occur from year to year.

Remainder Interest in Trusts - Remainder interests in trusts represent amounts held in trusts by others that will be transferred to the University. Upon the death of the current beneficiaries, these assets generally will become permanently restricted net assets of the University.

Postretirement Benefits (Note 10) - Prior to July 31, 2007, the University recognized amortization of the University's accumulated postretirement benefit obligation as of August 1, 1995 (the date of adoption of SFAS No. 106, "*Employers' Accounting for Postretirement Benefits Other than Pensions*") on a straight-line basis over a 20-year period. As of July 31, 2007, the University adopted SFAS No. 158 "*Employers' Accounting for Defined Benefit and Other Postretirement Plans*" which amends SFAS No. 106.

Advances Under Federal Loan Programs - Funds provided by the U. S. Government under the Federal Perkins Loan Program are loaned to qualified students and may be reloaned upon collection. These funds are ultimately refundable to the government, and are reported as permanently restricted net assets.

Tuition, Fees and Scholarships - Scholarships funded by unrestricted operating funds and tuition discounts granted to employees and their dependents are reported as a deduction from tuition and fees. Scholarships funded by designated contributions and earnings on assets specifically restricted for student financial aid are reported as an expense. Prepaid tuition and other deposits represent payments received before the services or products are provided by the University.

Expenses and Other Activity - Expenses are generally reported as decreases in operations (unrestricted net assets). Temporarily restricted net assets for which donor-imposed conditions are met are reclassified to unrestricted net assets and reported as net assets released from restriction. Net assets released from restrictions generally represent expenses that meet the donor-stipulated purpose and/or the stipulated time period has elapsed and capital expenditures made pursuant to donor specifications. Permanently restricted net assets reclassified to unrestricted or temporarily restricted net assets represent changes in restrictions specified by the donor.

The costs of providing the various programs and supporting activities of the University have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated based on total personnel costs or other systematic bases. Fund raising expenses were \$744,589 (2006 - \$790,505) and are included in institutional support.

Income Taxes - The University is exempt from Federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. If the University earns monies not in accordance with its primary purpose, such earnings, known as unrelated business income, are subject to Federal income taxes.

These assets are carried at fair market value. In addition, the Foundation holds mineral interests, real estate and mortgages which are recorded at contributed value.

5. Capitalized Lease Payable - Oklahoma Baptist University Authority

The University has a lease with Oklahoma Baptist University Authority which commenced December 1, 1979, and covers the main campus facilities. The lease, as amended through June 2, 2006, will terminate July 31, 2045, but in no event prior to the payment of all bonds issued by the Authority for the benefit of the University. The last scheduled maturity is November 25, 2026. The lease payments are equal to the sinking fund requirements of the outstanding bond issues.

The purpose of the lease was to obtain funds for projects such as the construction and renovation of buildings, and the purchase of equipment. Assets totaling approximately \$20,000,000 have been constructed or purchased under this lease. These assets are included with other educational plant assets.

The Authority financed these projects by issuing bonds. There are currently four bond issues outstanding. These are the Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 1992, the Oklahoma Baptist University Revenue Refunding Bonds, Series 1999, the Oklahoma Baptist University Authority, Oklahoma Baptist University Revenue Refunding Bonds, Series 2004, and the Oklahoma Baptist University Authority, Oklahoma Baptist University Refunding Revenue Bonds, Series 2006.

These bonds are secured by rentals and other monies derived from the lease of the main campus facilities, by mortgages on specified real estate which comprises the main campus, and by a guarantee of the Baptist General Convention of the State of Oklahoma. In addition, the 1992 bonds are guaranteed by a municipal bond new issue insurance policy issued by Financial Guaranty Insurance Company.

On July 29, 2005, the Board of Trustees approved a resolution to proceed with plans to construct a wellness center, renovate and expand the Noble Complex, construct a new varsity athletic track, baseball field and intramural fields. Funding for these projects will be a combination of existing funds, future gifts and pledges, and long-term financing. The long-term financing consists of \$9,950,000 of long-term bonds issued by the Authority in December 2005. The lease with the Authority was amended upon issuance of the bonds and will become effective upon completion of construction which is anticipated to be in December 2007. The amended lease allows for the change in the debt service and sinking fund requirements under the new bonds. During construction, the University advances funds on behalf of the Authority and is reimbursed. As of July 31, 2007, the University has drawn all of the bond proceeds available for construction.

On June 2, 2006, the Authority issued \$2,735,000 in revenue bonds to refund \$2,500,000 of Series 1996 bonds. The lease with the Authority was amended in June 2006 to allow for the change in the sinking fund requirements under the new bonds. This refunding also provided the University with \$96,594 to be used for campus improvements.

6. Operating Leases

Airport Property - Parking Lot - The University entered into a lease agreement on March 1, 1995, as lessee, with the City of Shawnee Airport Authority (Authority) for property at the Shawnee Municipal Airport (Airport). The lease is for a period of twenty-five (25) years, with renewal options. The lease required a payment of \$15,000, and required the University to remove certain Airport buildings and underground fuel storage tanks in compliance with Environmental Protection Agency requirements, to remove and reconstruct a parking lot, and to provide landscaping of certain areas. The accumulated cost of these requirements totaled \$487,919. These costs have been capitalized and are being amortized over the life of the lease. In the event of early lease termination by the Authority, there is a provision requiring reimbursement of all or a portion of such costs on a graduated basis.

Airport Property - Physical Plant - The University leases land upon which the maintenance department offices and shops were constructed. This operating lease was renewed in 2002 for a period of 25 years and contains a renewal option. The rent expense approximates \$5,000 per year.

The University has a contract to purchase the Airport Properties currently under lease from the Authority which is subject to, and awaiting approval from, the Federal Aviation Administration. Purchase of the property would result in termination of the leases in effect at July 31, 2007.

7. Bookstore Lease

In December 2005, the University entered into a lease renewal with Barnes & Noble College Bookstores, Inc. for the operation of the bookstore. The University will receive as rental income a percentage of sales with a guaranteed annual minimum. The term of this lease runs through July 31, 2010.

8. Financial Instruments and Concentrations of Credit Risk

On July 31, 2007, the University had certain concentrations of credit risk with several financial institutions in the form of uninsured cash and time deposits. To minimize risk the University maintains a "sweep" account at a financial institution, in which funds are collateralized in overnight transactions by either obligations of, or guarantees by, the U.S. Government. For the purpose of evaluating credit risk, the stability of financial institutions conducting business with the University is periodically reviewed and management believes that credit risk related to these uninsured deposits is minimal.

9. Retirement Plans

Pension Plan - The University provides a defined contribution plan that covers substantially all of its full-time employees. Under the plan, the University contributes an amount equal to 6% of the participating employees' salaries. Employee contributions are voluntary. Total pension contributions for the year ended July 31, 2007, were approximately \$600,000 (2006 - \$559,000). The University's policy is to fund pension cost as it is incurred.

Other Benefit Plans- The University provides deferred compensation (IRC section 457) plans. These plans are funded in the amount of approximately \$229,000 (2006 - \$183,000), and the assets are reported as unrestricted assets. The liability is included in accrued expenses. Total contributions for the year ended July 31, 2007 were \$50,000.

These benefit plans are funded as costs are incurred.

10. Postretirement Benefits

Exempt employees who retire after a minimum of fifteen years of service and have reached the age of 60 at the time of retirement are eligible to receive postretirement benefits in the form of medical insurance coverage until they reach the age of 65 and in the form of term life insurance for life. Upon reaching age 65, the retiree is eligible to receive a Medicare supplement insurance policy for life. The University recognizes postretirement benefits on an accrual basis as employees perform services to earn such benefits. The plan is not funded. The accrued postretirement benefit cost, which is included in accrued expenses, as of July 31, 2007 including the effect of the adoption of SFAS No. 158, is as follows:

Accumulated postretirement benefit obligation	\$3,792,000
Plan assets at fair value	<u>-0-</u>
Accumulated postretirement benefit obligation in excess of plan assets	<u><u>\$3,792,000</u></u>

Postretirement benefit expense for the year ended July 31, 2007, was \$396,651 (2006 - \$430,131) and includes \$106,164 service cost, \$227,394 interest cost, \$60,880 amortization of transition obligation, and \$2,213 loss. This excludes the recognition of certain items detailed below with the adoption of SFAS No. 158.

As of July 31, 2007, the University adopted SFAS No. 158 "*Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans*". This statement amended SFAS No. 106 and requires employers to measure the funded status of a plan without consideration for gains or losses, prior service costs and amortization of any transition asset or obligation arising from the initial application of SFAS No. 106. Therefore, as of July 31, 2007, the following items have been recognized in the Statement of Activities related to the adoption of SFAS No. 158:

Unrecognized net gain or (loss)	\$393,000
Unrecognized prior service cost	-0-
Unamortized transition obligation	<u>487,000</u>
Total	<u><u>\$880,000</u></u>

11. Tulsa Royalties Company

During 1991, the University accepted a gift of the Tulsa Royalties Company as partial payment of a pledge used for the construction of the new School of Business building. Tulsa Royalties Company (a public charity) remains intact as a separate corporation, having directors in common with the University. The financial statements of the Company are combined with the financial statements of the University. When control of the board was changed, the informal appraisal of the mineral interests was made at \$1,500,000. The University has used that figure as the cost basis and has used the "sum of the years digits" method over an estimated ten year life to record the depletion of the mineral assets. Additional mineral interests have been donated to Tulsa Royalties Company since that time. The value of the mineral interests net of accumulated depletion is stated at \$5,946 (2006 - \$10,726) as part of the long-term investments.

Congregation Directory

The following is a directory of Baptist General Convention of Oklahoma congregations, including both churches and missions, generally listed alphabetically by city of location and name. If not found under the city, look under the church name. Missions are identified by a “-m” following their name. Interim pastors are identified by an (I) following their name. Associational abbreviations are on page 34. Churches may obtain updated directory information, due to changes made after this handbook was printed, from the Southern Baptist Directory Service secure website (<http://sbds.lifeway.com>). For your church user name and password refer to your Annual Church Profile instructions or contact your associational office.
